

Wolfgang is doing just fine, thank you. Along the sidelines at the Clarkston vs. Milford game Friday night was the Wolves' mascot, "Wolfgang", sharing potato chips with passersby and getting pats on the head by the youngsters. Elizabeth Bennett knelt to give Wolfgang a little extra attention. Holding the leash is Mrs. Duane Richardson, who, with her husband, cares for the dog. Floyd Vincent, assistant superintendent of Clarkston Schools, sits along side Mrs. Richardson.

Journalism Club

sponsoring Dimes Drive

The March of Dimes drive at the High school is being sponsored this year by the Journalism Club. Mark Cowen, Chairman stated "We hope that each class will give at least \$100 to the March. A \$15 prize will be given to the class who gives the most money to the March of Dimes."

Money raised will go to the local, state and national foundations of the March of Dimes and will be used for their fight against birth defects.

--In Michigan in 1966 there were 182,948 live births. The estimated number of babies born with birth defects was 12,800.

--Every other minute in the United States, a baby is born with a significant birth defect. Nationally the daily toll is 700. Nationally the yearly toll was more than 250,000.

--Each year birth de-

fects destroy 500,000 babies before they are born and cause the death of at least 60,000 children and adults.

--At least 18,000 infants born with defects die before their first birthday. Many of the survivors face lifetime disability unless their conditions are diagnosed promptly and treated effectively.

--3 out of 5 children with birth defects who survive their second birthday require specialized rehabilitative, education or custodial care. The lifetime cost may run as high as \$500,000.

--As estimated 1,375,000 American children under the age of six are birth defects victims. They spend some 6 million days in hospitals each year, at a cost exceeding \$180,000,000. More children are hospitalized for birth defects than for all infectious diseases combined.

"There's nothing to it once you get astride the critter" says Mrs. Lew Wint. Bob Jones, Jaycee President has a tight hold on the donkey, one of which will be used at the Jaycee Basketball game. But what is Jaycee Steve Stamas doing? The game will be played on Thursday, February 2nd in the Junior High gym.

Roger Olney awarded

distinguished service trophy

A new trophy designed to reward Jaycee members for their outstanding service is part of a new program inaugurated by the local Jaycee organization.

The first recipient of this award is Roger Olney of 6912 Hidden Lane. Mr. Olney has been active in nearly all phases of Jaycee work. He was responsible for the club's booth at the Jaycee carnival and in addition had charge of the stage for the Bozo show as well as helping with many other activities.

The trophy which is an attractive engraved model has a wood base. It will be a revolving trophy awarded to a different Jaycee

each month to recognize outstanding service during the last 6 months. Don Hamaker, Internal Vice President made the presentation to Mr. Olney at the January 18th club meeting.

Mr. Olney is a construction and maintenance man for the Kroger company. He has been a resident of the area for the past 8 1/2 years and is a member of Calvary Lutheran Church.

March 15, the annual Bosses night dinner meeting will be held. At that time the Distinguished Service Award will be presented to a Jaycee member and the Outstanding Boss of the Year will be named.

Library drive

chairmen announced

Plans for the Independence Township Library Fund Drive, initiated by the Clarkston Women's Club, are progressing well, according to Mrs. Kenneth Valentine, general chairman.

The Advance Gifts Committee, under co-chairmen Phillip Smith and Merle Bennett, are already hard at work. General Solicitations, with Mrs. Richard Johnston as chairman, will not begin until February 9, which has been designated as the kick-off date for the fund drive. Mrs. Evan Leonard will keep an accounting of pledges and donations, and Lewis Wint is in charge of publicity. The Building and Site Committee is headed by the Reverend Alexander Stewart, a member of the Library Advisory Board.

With the announcement of a \$100,000 building fund drive goal, it is heartening that even before the drive is officially under way, donations have been received from the Clarkston Farm and Garden Club, the Pioneer Society and an unknown donor at the recent Women's Club rummage sale.

A Speakers Bureau has been formed to provide a program for any club or organization wishing more

detailed information regarding the need for a new Library in Independence Township. Speakers may be obtained by calling, Lew Wint at 625-5231.

Left turns

cause accident

Three young people were taken to Pontiac General Hospital as the result of an accident which occurred at 12:55 P.M. on Saturday, January 21st.

All three received type A injuries in the collision on Dixie Highway. The driver of the car was Nancy Ide, 19 of 655 S. Wonders Hall, Michigan State University. Riding with her were Gregory Bucholz 18, of 22 1/2 Main street, Clarkston and Barbara McConnell 16, of 3623 Aquarina in Drayton Plains.

The driver told sheriff officers that a car driven by Jack O. Bassham 66, of 1865 Strathmoor, Detroit made a left turn directly in front of her.

Bassham told officers that he could not see the Ide car as a northbound truck on Dixie in front of him was also making a left turn.

In another accident also on Saturday at 2:25 P.M., two cars collided in a private drive at 5580 Waldon Road.

The front end of a car being driven by Josephine Moore, 42 of 8660 Big Lake Road, Clarkston was damaged as was one driven by Samuel Ingalls, 41 of 5570 Waldon Road. The driveway was so narrow that neither driver could avoid hitting the other according to reports issued by the sheriff department.

Donkey basket-ball here next week

Donkey Basket Ball, the world's craziest sport comes to Clarkston on Thursday, February 2, 1967, in the Clarkston Junior High Gym. This ball played from the backs of trained Donkeys is reputed to be wilder than a Rodeo and funnier than a Circus.

Will receive

sentence Feb. 8

February 8th is the date set by Circuit Judge Clark J. Adams as the sentencing date for Angelo Manzella, 28 of 2354 Middlebelt Road.

Manzella was found guilty during a non-jury trial for assault and battery. He had been charged with assault with intent to do great bodily harm. He will face a maximum jail term of 90 days or a \$100 fine or both.

The trial came about as a result of a fight in a bar on Dixie Highway owned by Manzella's brother, Nicholas. The bar has since had its license revoked.

John Adams, 35 of 6501 Maybee Road who initiated the suit was injured in a fight with Manzella. Nicholas Manzella had also been charged with assault and battery in connection with the fight, but he was later acquitted.

For the game the Clarkston Area Jaycees have obtained the services of the Nationally known Buckeye Donkey Ball Company from Columbus, Ohio.

All local riders will be used for the exhibition and the local boys have gone into serious training for the big event. The Jaycees, School Faculty, and the Clarkston Hot Shots, who will compete have announced that their players are on a strict diet of Mothers Oats and raw carrots. The Jaycee Auxiliary have also announced that they will have a team entered in the contest.

The Jaycee All Stars

will compete against the Clarkston Hot Shots. For the second game, the Jaycee Jewels will challenge the Faculty Finks.

Tickets are now on sale and can be obtained from any Jaycee member, Ronks Barber Shop, and the Junior High School. Mr. Steve Stamas, who is in charge of ticket sales, reports a brisk advance sale and as the seating capacity is limited get your tickets as soon as possible and avoid the disappointment of not being able to get in on the night of the game.

Jerry Powell and Steve Stamas are co-chairmen

The third annual "Winter Sink" contest sponsored by the Jaycees is now underway according to Norman L. Hunt, chairman. The car was placed on the ice on the millpond on Saturday. The best guess as to when the car will go through the ice will win. Proceeds from the contest will go to build up the Jaycee Reserve fund. Earliest date before was March 11.

On the left Carl Mowry of Midland county, immediate Past President of the Michigan Townships Association turns over the gavel to Duane Hursfall who became the new president of the organization on January 13th. Mr. Hursfall was in Lansing last week attending the State Supervisors Association meetings. He addressed that group in their Thursday morning session in his capacity as President of the Township Association. His topic was "Michigan Associations—1970." Delos Hamlin, chairman of the Oakland County Board of Supervisors took office as president of the State Supervisors Association placing 2 Oakland county men at the head of the 2 organizations.

NEW BOARD POLICY

Under a new policy set up by the Independence township board items to appear on the agenda for a board meeting must be placed in the clerk's hands no later than Friday noon preceding a meeting.

This gives the board members sufficient time to become cognizant of the matter being brought up.

Jim's Jottings

There are some guys who think you and I should be interested in whatever they might have some association with. Such a guy is Chuck Woodhead, manager of this area for Michigan Bell. His latest offering is the list of countries with telephones.

The report is kind of a slam at the Canadians. It says they retained the title as the people who do the most talking on the telephone, averaging 635.6 conversations per person. However, as husbands and fathers here must guess, the U.S. is creeping up and should take over the lead in 1967.

One thing the release points out is those countries on this planet that must be the most peace loving, relaxing places anywhere. Those that have no phones. I don't know if they have resisted the telephone companies through strong wills or if AT & T is just not doing its job.

Anyway, a few years in these areas would probably cure all ulcers, nervous conditions, and laryngitis. Let's hear it for the Asian countries of Bhutan and Maldive Islands, and Gilbert and Ellice Islands, Nauru, Pitcairn Island and Tokelau Islands.

I got an equally impor-

tant story from the University of Michigan news service this week. By the way in this, their 150th year, why has the U of M adopted the slogan "mother of state universities", and why didn't they capitalize any of those words?

This note is from the "you'd never believe it" department. Michigan is three million miles closer to the sun right now than it was last July.

You taxpayers can thank the U of M Astrology department for that information.

There's much talk about the credibility gap in Washington, but I think this gap applies to many people and the media. Of course, it has to be people in all cases.

A guy from Moral Re-Armament stopped by some time ago and talked about the need for a moral change to get the world back on a road to peace. He said the news media helped the spread of communism and forces opposed to improving morals of people. He hinted the headline writers of major newspapers were pinks. Questioned their credibility.

A writer from the New York Times got permission to visit Hanoi and reported we had bombed the residential area. He made a big thing of our wrong doings in North Vietnam. Then we find his paper has always been opposed to our actions in Vietnam and the only persons allowed to visit north Vietnam are those with sym-

Debbie McCarrick (left) and Tammie Heazlit (right) will be two of the many Girl Scouts that will start taking orders for Girl Scout cookies on Saturday. Proceeds from the cookie sale go to Camp Sherwood, the troop treasury to send older scouts to national and international events and to award camp scholarships to deserving girls.

Time to order cookies

Girl Scout Cookie time is here again.

Girls and adults of Northern Oakland County Girl Scout Council begin taking orders Saturday, January 27

and continue through February 6. Cookies will be delivered in March. Five kinds of cookies are available: peanut butter patties, sherbet cremes, mint, chocolate and vanilla sandwich cremes and sugared shortbread. The price remains at fifty cents.

Profits from the cookie sale help to provide quality program for the Girl Scout Council. Camp Sherwood, the council's resident camp near Lapeer, is maintained and developed with cookie funds. Deserving girls who might not otherwise be able to attend resident camp are granted "camperships" from cookie money.

A portion of cookie profits is used to send older Girl Scouts to national and international events. In addition to the council benefits, five cents from each box sold goes into the girl's troop treasury.

Goodwill Coming also Jaycee auction

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Monday, February 6. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. Alfred Lee telephone number MA 5-3381.

The Jaycee Auction will be coming up before too long. Residents should be reminded that there is a pickup committee for the Jaycees who will gladly take your discarded furniture items and small appliances. Phone Robert C. Jones at 625-2355. These will be stored until time for the auction.

Spring convention next Tuesday

The eighteenth and nineteenth Congressional Districts of Oakland County will hold their Spring Conventions Tuesday, January 31, at Walled Lake High School.

The Conventions, which will convene at 7:30 p.m., are for the purpose of electing delegates to the Spring State Convention. Delegates to the State Convention are elected by the precinct delegates and are apportioned by Legislative District on the basis of the Republican Vote for Secre-

tary of State in the last election.

The Oakland County eighteenth Congressional District will send 110 delegates to the convention and the Oakland County 19th Congressional district will send 57.

The State Convention will be held at Cobo Hall in Detroit, February 24 and 25.

MAKE YOUR POND SAFE

This year many ponds were constructed in Oakland County with and without Technical Assistance from the Soil Conservation Service. A farm pond is constructed for soil erosion and flood prevention, or water storage for livestock, irrigation, fire protection or fish production. A farm pond is a natural recreation center for those who live near it, and is also often used for swimming, fishing, boating, hunting, and skating.

The unfortunate feature of a farm pond is that it is also a body of water in which drownings can occur. Drownings are the outstanding non-motor-vehicle cause of accidental deaths among people in the active age groups, especially children. The Soil Conservation Service incorporates safety features into its recommended design of a farm pond. It also recommends that such safety measures as can be economically accomplished be done during the construction of the pond. These include evenly graded slopes and avoiding steep holes in the pond and removing snags, big rocks and trash, that could be a hazard to swimmers and boats. The pond owner should place life saving equipment such as, a life ring near the pond where it can be easily seen and used during an emergency. Warning signs should be placed near danger areas, especially extreme depths.

If you go boating, use a boat that is in good shape. Never overload the boat and be sure that each person on board has an approved life preserver.

Each pond owner has the moral obligation to his family, friends and neighbors to make his pond safe with such safeguards as he can to prevent an incident on his pond from becoming an accident or death.

For further information contact the local SCS Office or write to the Superintendent of Documents, Washington, D. C., asking for the Bulletin No. PA-396, entitled, "Make Your Farm Pond Safe."

Clarkston bombs Brighton

By Mel Varra

Clarkston traveled to Brighton and encountered a little tougher foe than was anticipated. But in the 2nd half the boys in blue turned on the gas and buried Brighton 74-53.

The officials let almost everything go and just turned the boys loose in this well lighted, beautiful gym. Many, many times boys were all over the floor, but the men in the striped shirts had the philosophy, "no harm, no foul."

Clarkston played a rather listless game in the 1st half, as they seemed to be awed by the new gym and the play of the Brighton team. At the half-way mark they had only a 4 point lead. However, the 2nd half was

another story, far in the 3rd quarter the Wolves annihilated Brighton. Brighton was outscored 30 to 8 with Dan Fife getting 24 himself.

The 3rd quarter was wild and wooley as the Brighton Coach spent more time berating the officials than he did coaching his boys. So consequently he was slapped with a couple of technicals. It was an exasperating quarter for the Brighton team as Dan Fife went wild and scored 10 buckets and 4 free throws. Randy Nicoson and Tom Allen took turns in feeding Fife for driving lay-ups.

With 5:48 remaining in the 4th quarter and Clarkston leading 70 to 42 Coach McGrath emptied his bench.

This was the earliest that McGrath has let his

subs play and they responded with only 4 points the rest of the way. Randy Nicoson was the only starter to play longer as McGrath hoped he could add to his 15 points, but with 3:38 left he took him out of the game too.

As usual Fife led all scorers with 38 points and now his average is the magic number of 33. He and Nicoson were the only ones in double figures.

Wolves travel to Bl. Hills

This Friday Clarkston will play Bloomfield Hills in the Baron's Arena. They say the home team gym is worth 10 points. Well, this gym with the three blank walls is worth at least 15. Believe me it is a very difficult floor to play on. Clarkston has not won many games on the Barons, much of it due to the obstacle of the unusual gymnasium.

The J.V. team continued to match the Varsity in wins as they hammered out a 64-37 victory. The whole battalion got the chance to play, with 9 of them scoring. Bob Palladino dropped in 24 points as he made 11 out of 20 shots. Palladino is averaging 15.5 points per game, so far Bob has scored 140 points. Eric Hood is the next-leading scorer with an average of 10 per game. Eric had 9 points in the Brighton game, Gary Mize 9 points, followed by Jeff Keyser's 8, and Dawson Bell's 6 points.

Ortonville J.C 91 Clarkston J.C 78

In a rip roaring contest the Ortonville JC's defeated the Clarkston JC's 91-78. This win gave the Ortonville crew the District 18 title. Last year Clarkston won the title, with Ortonville coming

in 2nd place.

Even though Clarkston lost, they will be competing in the State JC Contest, so will Ortonville. The games will be held in Clawson on February 25th. If a team hopes to win the championship, they will have to play four games in one day. I imagine there will be some weary JC's on that date.

Whenever Ortonville and Clarkston play against each other in any sport, you can be promised a slam bang contest. This was no exception, as both teams went after each other with vengeance. Both teams were loaded with former athletes, a couple steps slower, but still possessing the desire to win!

Ortonville led throughout the contest and had a 21

point lead in the 2nd period, Clarkston changed their defense in the 3rd quarter and this enabled Clarkston to close the gap to 6 points. Ortonville held on though as their Ed Donaldson hit from all over the floor and dropped in 43 points. Clarkston was led by Jerry Powell and Harold Weston as they both scored 18 points.

Other JC's that scored were: Mike Applegate, 13; Bob Brumback, 12; Jim Hennig, 6; Dick Chartier, 6; Harvey Schroeder, 5; and Jim Kaslosky, 2.

Here's what owners have to say about White Sale Fords bought in previous years:

Michael Trupiano, Detroit, Mich. Price sold me—my '66 Custom 500 was a good buy. You can tell the car is solidly built by the way it feels.

Harold Wagner, Delphos, Ohio. Nothing like the "352" V-8 in my '65 for pulling a 19-ft. travel trailer. And with kids, you need vinyl seats.

H. George Roller, Southfield, Mich. Everybody likes a bargain and my '66 looks like a much more expensive car. The extras sold me.

Jack F. Carr, Marion, Ohio. When you drive 30,000 miles a year, you appreciate a quiet ride. My '66 is air-conditioned and it's a great road car.

Edna M. Beck, Chelsea, Mich. I've taken two trips to California in my '65. It's a pleasure to drive—holds the road even in a prairie crosswind.

Larry Moore, Defiance, Ohio. It was a buy. My '66 saves on gas and the ride is smooth, even on rough back roads.

Robert C. Arrick, Jr., Ypsilanti, Mich. It's a lot of car for the money. I've got 51,000 miles on my '64. It always starts and it's easy on gas.

George Jagodzinski, Toledo, Ohio. I liked the appearance of the car, the way it was equipped, and the price. It's a '66 Custom 500. Very reliable.

Will live in Madison after Bahama honeymoon

MRS. ROWE A. BALMER, JR.

Mr. and Mrs. Rowe A. Balmer, Jr. are honeymooning in the Grand Bahamas this week following their Saturday marriage in Christ Church, Cranbrook.

Mrs. Balmer is the former Suzanne Hagen Larkin, daughter of Mr. and Mrs. Francis D. Larkin of 160 North Holcomb street, Clarkston. The Rowe A. Balmers of 5890 Snowshoe Circle, Bloomfield Hills are the bridegroom's parents.

The bride chose a gown of candle light silk peau de soie for the 7:30 P. M. ceremony. It was fashioned with an empire waist and A line skirt. The gown was trimmed with re-embroidered alencon lace embroidered with seed pearls. It featured a watteau train and her veil was attached to a Dior bow. She carried white gardenias.

Mrs. Richard Peterson of Des Plaines, Illinois the former Sue Turek was her Matron of Honor. Bridesmaids were Mrs. Richard Reed of Ann Arbor, Sarah Balmer of Bloomfield Hills, Margaret Foster of Manitowac, Wisconsin and Miss Loni Roud of Racine, Wisconsin.

Mr. Balmer, Sr. served as Best Man for his son and ushers were, Daniel Larkin of Clarkston, Richard Reed of Ann Arbor, Joel Haker of Buffalo, New York, Lawrence Konopka of Ann Arbor, Peter Payette of Detroit and Hollis Jencko of Royal Oak.

A reception followed at the Village Women's Club in Bloomfield Hills.

Following their honeymoon in the Islands the couple will leave for Madison, Wisconsin where they will make their home while Mr. Rowe attends the University of Wisconsin law school there.

Engaged

The engagement of Sue Ellen Kirby to Stephen Kyle Parrott is announced by her parents, Mr. and Mrs. Lloyd G. Kirby of 6445 Lakeview Drive, Clarkston. He is the son of Mr. and Mrs. Bernard T. Parrott of 5995 Middle Lake Road, Clarkston. Both are students attending Ferris State College in Big Rapids. A September wedding is being planned.

The Pinochle Club met Wednesday evening at the home of Mrs. Harry Squires with Mrs. Clifford Bradley winning the prize for high score. Mrs. Wilbert Fitzthomas was low scorer for the evening. Refreshments were served at the end of play.

Mr. and Mrs. Frank Kelso were weekend guests at the home of Mr. Kelso's sister and husband, Mr. and Mrs. Walter Smith of Toledo. Mrs. Smith surprised her brother by showing him her discovery of an old family scrapbook that their mother had kept when they were children.

A family dinner was held Sunday at the home of Mr. and Mrs. Jack Gritt with twenty relatives from Flint, Detroit, Charlottesville, Kentucky and Shreveport, Louisiana. Several guests planned on visiting friends in the Pontiac, Clarkston area before returning home.

The Richard Samford family spent the weekend skiing at local lodges and are making plans on it being the first of many this winter.

A reunion of two sisters, Mrs. Mabel Thomson and Mrs. Winnie Riddle former residents of Clarkston, was held last weekend at Flint. It was the first time they had seen each other for over eight years due to illness. They recently celebrated their sixtieth and sixty-first birthday January 5th.

Dobbi, son of the Steve Richardsons, has been home ill with the measles for the last two weeks but is hoping that sometime next week he can join his sister, Mary at school.

Mr. and Mrs. George Keel and Mr. and Mrs. Donald Landi dined at Victor

Engaged

The engagement of Miss Rebecca Hubbard to Donald F. Lukemire has been announced. Rebecca is the daughter of Mrs. Vera Hubbard of Buffalo Street and the late Fred Hubbard. He is the son of Donald Lukemire Sr. of Orlando, Florida.

The bride-to-be is a 1964 graduate of Clarkston High School. Her fiance attends Henry Ford Community College in Dearborn.

Lim's in Detroit Sunday before they attended a movie at one of the theaters in downtown Detroit.

Celebrating their fifth wedding anniversary Mr. and Mrs. Robert Charles with Mr. and Mrs. B. B. Wilson dined at Frankenmuth.

Mr. and Mrs. Norman Lewis were guests Friday evening at the home of Mr. and Mrs. H. T. Hills in Bloomfield Hills enjoying the evening with trying to piece a puzzle in the round together.

A Sledding party was held Saturday afternoon for the Terry-Coxman children, Paul, Trent, Terri and Mary and their friends, Judy and Mike Wesley, Ray Toman, Patty and Judy Shown, after which they warmed up with hot chocolate and hot dogs.

Friends of Mr. and Mrs. Michael Kirk relived their childhood with popping corn over an open fire place Saturday evening. It was the highlight of the evening and tasted better than the hot dogs.

Mr. and Mrs. John Black and children spent the weekend at their cabin in northern Michigan. The children think that they spent more time shoveling than sledding, but all had fun.

Mr. and Mrs. Robert Taylor and son Bill enjoyed the weekend visiting with Mr. Taylor's parents, Mr. and Mrs. Lyle Taylor of Jackson.

A birthday cake for Tammy, Sunday, January 15, daughter of Mr. and Mrs. Harold Forenberg, held six candles which she blew out with a little help from grandparents, Mr. and Mrs. Lawrence Scott and Mr. and Mrs. Mike Forenberg of Detroit.

Barbara Lynstrom and Betty Dermitt toured several historic buildings last week in Chicago as part of their training as designers. They plan on using their talents as household designers which includes, fabric, flooring, furniture and many other lines as soon as they graduate this summer.

Martin Davis joined his brother and wife, Mr. and Mrs. Harold Davis of Clio, for a tour of the southern states. They plan on vacationing for at least two weeks, but if the weather stays this cold they will stay longer.

Mr. and Mrs. Maynard Kizer of North Main Street, are announcing the birth of a son, David Mathew on Sunday, January 22nd at Pontiac General Hospital. The young lad weighed in at 6 lb. 8 oz.

Gray-Holmstrom vows spoken on Saturday

The Church of the Resurrection was the scene of the wedding ceremony last Saturday evening which united Barbara Carol Gray and Roy E. Holmstrom in marriage. The bride is the daughter of Mr. and Mrs. Thomas Gray of 7859 Dubuque in Clarkston and the groom is the son of Mr. and Mrs. Clayton Whitman of Pontiac Lake Road, Pontiac.

The Reverend Alexander Stewart officiated at the double ring ceremony performed at 6:00 P. M. The church was decorated with white mums and ice blue carnations.

The bride, who was given in marriage by her father chose a gown of white peau de soie with an embroidered lace bodice. Her veil of silk illusion was attached to a petal head piece embroidered with seed pearls and crystal beads. She carried a tapered bouquet of white carnations interspersed with lilies of the valley.

The Matron of Honor, Mrs. Terrence Frizzle of Drayton Plains wore a gown

wearing white dacron dresses which featured embroidered lace bodices and short full skirts. Their flowers were roses in a petite arrangement.

Serving as best man was Terrence Frizzle. The groom's other attendants were Robert Gray and Victor Babka.

The bride's parents were hosts at a reception following at Waltz Hall in Pontiac. The couple will live in Pontiac where Mr. Holmstrom is employed at Salem Construction Company.

Little Kathy Howe of Clarkston and Kathy Fultz of Pontiac were flower girls

Confused About Inflation?

Inflation is confusing, maybe because it means so many things to so many people.

We know it's tied in with wages because we keep reading that this union or that is demanding a pay increase which is usually described as "outside the guidelines established by the White House" and "inflationary."

We know that war has a lot to do with inflation because we have to keep spending billions to fight Communism in Vietnam, and wherever else the Kremlin wages "wars of liberation." This money pumped into the economy has what you might call a bloating effect.

The same thing goes for all those billions being spent on various boondoggles to keep people from rioting, looting and otherwise disturbing the peace and showing their ingratitude to the nice people at City Hall and at the Capitol.

And, inflation is deficit-spending by the government—on the theory that we only owe the money to ourselves.

Then, inflation also has to do with taxes, we're told. Contending that what the taxpayer can't spend won't hurt the economy, government advisors are proclaiming that new taxes are going to have to be imposed to skim off all that superfluous spending money we have.

At this point probably you're asking, "What spending money?" Housewives will think in terms of food prices and "the man of the house" will shake his head and think of his bank balance.

And, speaking of banks, have you tried to borrow money lately? Even the price of money has been inflated—if you find any money available for a loan.

It's all very mysterious, this thing called inflation, but it has a few basic rules. Actually, inflation is caused when too many people are in the mood to spend too much for things that really aren't worth it. And, having spent too much, they feel they're entitled to more money to buy too many other things they don't really need and can't afford on present income.

This causes what Keynesians gleefully refer to as a booming economy, but it also sends prices up so that, in time, a person can't even afford the necessities of life: food, clothing and shelter.

And that's when the Keynesians run out of answers.

"If It Fitz . . ."

Once a Crook, Always a . . .

by Jim Fitzgerald

Until last week, I hadn't had any real trouble with the law since I was caught stealing a comic book from Cunningham's drugstore in Port Huron.

I was about 8 years old and the book was Superman. I was just slipping it under my sweater when a big hand grabbed my shoulder. Boy, was I scared. I knew I was going to jail but that didn't bother me as much as what my dad would do to me when I got out.

Mine was a humiliating capture. It wasn't a cop or a clerk who grabbed me. It was the town bum. He did odd jobs around the store when he was sober. I guess I was that day's oddest job.

Anyway, beginning with the bum, I was passed up through channels to the store manager. He was a friend of my father (so was the town bum, come to think of it). And the manager and Dad had a mutual friend who was a cop. A couple of phone calls, made while I sat and quaked, quickly brought these friends together for my trial and execution. They had a delicious time convincing me crime does not pay.

I don't remember all the details. But I did finally win probation, instead of

jail, and my shoplifting career ended permanently. I had learned my lesson. From that day on, I stole only from my father.

All of which is digression. I started to tell you about my current hassle with the police. The "hand grabbed my shoulder" last week when the following letter, containing one penny, arrived from Diane Anderson, the gal who tends Lapeer's parking meters:

Mr. Fitzgerald:

Enclosed you will find meter violation 32073 of December 17, 1966, which was received at City Hall containing exactly one penny. The fine for this violation is 25c, if paid within 24 hours, not 1c. Exceeding the 24 hour time limit the fine is \$1 which I am sure you are aware of.

"If It Fitz" your time schedule, return enclosed violation and \$1 to Violations Department, Lapeer City Hall, within seven days.

Sincerely,
Diane Anderson

I AM NO LONGER a child to sit and quake while adults debate whether I should be jailed. I immediately sent this answer:

while he was driving the stage that he heard all the tales of the gold miners or maybe he was just tired of going over the same route week after week, but his next move was to the Cimarron River gold diggings where he was put in charge of the sluice boxes.

After a few months of this, George and his partner, presumably the same army buddy he had gone to visit, decided to leave the western territory and return to the states for a visit. Buying ponies, they set off across the plains unaccompanied, risking the chance of meeting the Indians and outlaws who criss-crossed that country in search of likely victims. Years later, his oldest son, Hiram, was to recall his father telling him that when they made camp at night, they tethered their horses amongst the largest clump of bushes they could find to escape detection. The two young men made a stop at Fort Scott, Kansas and while there, George decided to go back to stage driving for a while. After five months of this, he heard of a Texas cattle drive being organized, and, well, this was something he hadn't tried, so he joined for two trips. Next came an appointment as a Road Agent, with the responsibility of looking after 210 miles of road.

It was at this point that he decided to return home for a visit. But he had every intention of returning. Leaving his horse, saddle and equipment with his partner, he journeyed back to the family farm in New York. By a strange twist of circumstances, he never got back to the West he loved. After visiting his parents, George decided the time had come to say good-bye. His mother rode over to a near-by bank to draw out the money to loan her son for his return trip. On her way, the horse ran away and tipped her out of the buggy, breaking her arm. George felt that he should stay around until she was better—and it was during this time that he fell in love with and married one of the village girls, Theodocia

when your penny came in the mail today, it fell onto the floor and my entire family of 5 scuffled for it for 15 minutes. I got the penny and my smallest child got a broken arm.

However, I am not left defenseless. As a good law officer, you are undoubtedly aware of the recent State Supreme Court decision guaranteeing legal counsel for indigent persons appealing misdemeanor convictions. "Indigent" means you are poor and indignant about it, and that's me. And the Supreme Court ruling means that the government must buy me a lawyer, even if the charge is spitting on the sidewalk, reckless driving—or trying to defraud City Hall of 24 cents.

I suggest you don't spend the dollar, because I am going to get it back.

Yours for law and order,

Jim Fitzgerald

AFTER I GET THE dollar back I will return to Cunningham's to reopen the comic book case. I think it is time I got off probation.

Onward and Upward. ▲

A twenty-one year old college student was approached by two companies with regards to hiring him when he graduated. "B" company offered the same salary as "C" company but with the prospect of foreign travel, a chance to meet interesting people, etc. But the student chose "C" company. Why? Their retirement plan was better. At 21? This seems to be a common trend nowadays but there was a time when young men did things for the sake of curiosity, adventure or just because there appeared to be a challenge.

George Sibley, as so many Michigan settlers, was a York Stater, born in 1845. But his immigration to Clarkston was many years away, when, near the beginning of the Civil War, he joined the Union Army. The world around him was singing such songs as "Tenting Tonight" and "After the battle, Mother", when fired by the patriotism that pushed so many young boys into the war, he became a Cavalryman at the

Not only did the children appreciate and enjoy the presents, but it really showed that someone cared for them, which in their young lives is so important to them.

age of 17 and began his service at Harpers Ferry. Under the leadership of General Sheridan, he went through the Shenandoah Valley campaign. This Valley was the natural Southern approach to the Northern invasion and the battles here waged hot and heavy. After General Lee's surrender, George went with his regiment to Leavenworth, Kansas for 8 months. On the 23rd of December, 1866, just a hundred years ago last month, he received his discharge papers in Washington, D. C.

Now the village where he had spent his boyhood was too confining. During his war years he had heard many stories of the adventure and excitement that the West offered, and after a restless year on the family farm, he made a trip back to Leavenworth to visit an army buddy.

The fort here had originally been built to protect the traffic of the old Santa Fe Trail and was the starting point for a great many westward expeditions. It was here that George joined as driver for an overland freighting company, carrying United States stores across miles of desolate territory to Denver. He made two trips and then got a job as a driver of a stage coach. George drove the long rough miles that lay between Trinidad, Colorado to Twin Springs, New Mexico, transporting all the odd assortment of people that came to settle the west; the bitter Southerners whose way of living had been destroyed, by the War Between the States, the speculators and prospectors, the gamblers and dance hall proprietors. Possibly it was

George Miller on Main Street, Clarkston, in the early 1930's

Townsend.

Of course, a wandering life in the west was fine adventure for a single man but not for a family man. Five years later, George packed up his wife and baby daughter, Harriett and settled in Clarkston on a 160 acre farm. This farm house still stands, on the Clarkston-Orion Road across from Parke Lake. But George disliked the placid life of a farmer and in 1892, had reason to ponder whether going West would have been any harder life than what he found here. In that year, Mrs. Mary Phillips recorded the name of Theodocia as one of the victims of the gripe epidemic that swept this area. George sent nine year old Hiram to Holly to live with Harriett and remained alone on the farm until his son rejoined him at about the age of fifteen. George was in his sixties when he remarried and started his second family, and it was at this time he sold his farm and moved to Main Street in Clarkston where his youngest son Lloyd lives today. George never learned to like farming, but in a community of farms, was nevertheless, highly regarded and was after coaxed into relating tales of his younger years.

It is sometimes difficult to find pictures to suit the subject of these articles and in this case, impossible. There just isn't in existence a picture of George Sibley to emulate the life of dash and derring-do that he led as a young man. His sons remember him in his middle years as a vigorous hearty man with a full black

beard but even the picture of him at that age is missing. We are indebted to Mr. Ed Sugar of Waterford for this picture. George's oldest son, Hiram, estimated his father was in his mid-eighties at this time.

Winter concert scheduled

The Waterford-Kettering High School Symphony Band, conducted by George S. Fetter, will present a concert on Saturday evening, January 28, at 8:15 p. m. This annual winter concert, a tradition at Waterford-Kettering, will be held in the Kettering gymnasium.

Thomas Reinhart, Daniel Johns, Gayle Smith, Carolyne Holmes, and Kenneth Fourn will be the featured students of the band. The band will play selections covering a full musical range, including Rimsky-Korsakoff's, "Cortege and Fanfare," and the Broadway musical hit, "Golden Boy".

According to Mr. Fetter, the concert promises to afford its audience with a most pleasurable, enjoyable, and musical evening.

The Symphony band will perform works by Cavas, Borodin, Bright, Leigh, Maganini, Heisinger, Phillips, Grundman, and Strouse. A woodwind trio will also appear with the band. A cornet duet will perform "Trumpet Fiesta" as a special feature.

Tickets may be purchased from any Kettering band members. A limited number of tickets will be available at the door.

25 YEARS AGO IN THE CLARKSTON NEWS

The scarlet fever situation in Clarkston has been checked and the spreading of the disease is under control.

All men who must register under the Selective Service Act from Independence, Springfield and Brandon townships will do so on Monday at the Clarkston school. It is expected that between 700 and 800 men will register. About 35 clerks will be needed to do the work. The school will be closed to the children and the teachers will act as clerks for registration.

Superintendent D. M. Winn has signed a contract for the next two years. Mr. Winn has served this district as School superintendent for the past 17 years.

Rep. George A. Dondero has introduced a bill making it a federal offense to steal articles, products or materials subject to rationing or allocation under federal law.

Letters to the Editor

Dear Editor:

The people of Oakland County certainly showed their concern and generosity in providing a most wonderful Christmas for the neglected and underprivileged children who live at the Oakland County Children's Village.

Through the efforts of many church groups, service organizations, school clas-

ses, scout troops, manufacturing organizations, and hundreds of individuals, we received gifts and other donations that enabled us to furnish gifts of toys, games, and clothing for the boys and girls who live at the Children's Village, as well as the children in boarding homes, many of the children on the court workers case-loads, and the Protective

Reaching out . . .

Be still, and know that I am God. Psalm 46:10.

There surely comes a day in the life of every man when the burden of Uncertainty lies heavy upon the spirit, when some sudden shock seems to have fragmented life, rendering it blank and dreary; when the future appears devoid of promise and a sense of personal impotence and of the lack of good judgment severs the spirit from its familiar moorings, leaving it desolate and solitary.

Then will he whose faith rests upon outward authority of whatever source and nature and not upon the Inner Light find that his faith in God in God's ability and desire to heal and to lift is very near to being a forlorn Perhaps. In such a moment he may come to doubt everything, even God Himself, and to ask in bitterness and in blindness. . . What is Truth? Does God really live?

In that bad hour, what remains? In that hour, be still! Abandon every negative thought. Act! In obedience to the Will of God try, in thought, word and deed to strive for the good of your fellow man. Be true to the duty you know to be right. Continue steadfast in prayer and you shall soon come to know what things are truly of God. You shall know the truth, and the truth shall set you free and lift you up in spirit.

Eternal God, our Father, Thou are forever our refuge and our strength, a very present help in time of trouble, and we are very grateful. AMEN.

Everett Butters.

Faculty additions announced

Four new teachers have been added to the faculty at Clarkston High School. These teachers will begin their duties on Monday, January 30th when the second semester begins, stated Milford Mason, principal.

Miss Carol Nezek who has just completed her Master of Arts degree at Michigan State University has been engaged to teach Home Economics. She had previously taught in schools in the state of Connecticut.

Joining the staff as a girls counsellor is Mrs.

Margaret Lay. Formerly with the Detroit school system she has recently taken work to qualify her for the position of counsellor from the University of Michigan.

Coming to Clarkston to teach Physical Education for girls is Miss Sonia Letcher. She is a recent graduate of Central Michigan University in Mount Pleasant.

Hired as a permanent substitute in the High School is Miss Nancy Roberson. She is a graduate of Colorado State College in Fort Collins.

Wrong side!

A driver who was attempting to pass on the right handside was involved in an accident last Monday afternoon. The mishap occurred at Sashabaw and Waldon roads at 5:30 P.M. Nancy Whitlow 29, of 2975 Coventry in Drayton Plains received type C injuries in the accident.

Melrose Anderson, 56 of 5140 Westview in Pontiac told sheriff's officers who investigated the accident that he was attempting to pass the Whitlow car on the right when he lost control. He was cited for driving to the left of center, for speed that was too fast and for improper over-taking.

Seeking acts for Talent Show

The dates have been set for the Talent Show sponsored by Student Government. They are March 20, 21 & 22nd. This announcement was made by Jackie Davies and Dawn Evely, co-chairmen of the event.

For this annual show, the students are seeking a variety of talent. It is a two hour show with a brief intermission.

Tryouts are scheduled for February 27 and 28 and also on March 1st. Both Junior High and Senior High students should be planning for their talent presentation so that they will be ready for the try-outs.

Round the Town

By Joyce Ann Thompson

Mark Lektzian of Plum Drive celebrated his fifth birthday Sunday, January fifteenth. After the excitement of playing games and opening gifts, Mrs. Pete Lektzian provided her son and his fourteen guests with their choice of a clever Yogi Bear cake or a carousel cake that actually revolved.

Saturday evening Mr. and Mrs. Pete Lektzian enjoyed the company of Mr. and Mrs. Mel Lektzian of Pontiac.

A birthday dinner was served by Mrs. Jack Dougherty of Pear Sunday in honor of her aunt from Waterford Mrs. Grace Robinson. Following dinner it surely was a special treat when the Dougherty family including Jack Junior, Kirk and Peggy took their aunt to Detroit to attend "Sund of Music."

Six couples enjoyed playing bridge Saturday at the home of Mr. and Mrs. Tom Ruppe of Plum Drive. A luncheon served afterward completed the fun-filled evening.

It certainly was thrilling to witness the Bad Guys consisting of Mr. and Mrs. Robert Whaley and Mr. and Mrs. Robert Crusinberry of Plum Drive move out of last place in the Crazy Eights Bowling League at Howe's Lanes by taking four points Tuesday night for the first time.

Mr. and Mrs. Fred Stark of Almond Lane with children Jeffrey and Amy were Sunday dinner guests of Mr. and Mrs. Charles Stark of Pontiac.

Kristyn Dougherty was happy to leave Eastern College to spend a day with her folks on Pear last Thursday.

Friday Mr. and Mrs. Jack Dougherty, Mr. and Mrs. Douglas Griffiths of Pear, Mr. and Mrs. Nick Lekas, and Mr. and Mrs. Robert Kempf of Plum Drive went out to eat at the Canopy. They then attended the basketball game between Clarkston and Brighton.

The Wednesday night

bridge club was held last week at the home of Mrs. Frank Glowzinski of Warbler Drive. Mrs. Max Fogg of Peach and Mrs. Gerald Anderson of Kingfisher Lane filled in as substitutes. First prize was won by Mrs. William Lynn of North Holcomb. Mrs. Frank Glowzinski won second, and Mrs. Edward Brodkrob of Pear won third. Afterwards a tasty luncheon was served which consisted of open-faced sandwiches with relishes.

This past Sunday Mrs. Ray Butler of Almond Lane was greatly surprised when her two brothers from Midland Mr. and Mrs. Earl Smith and Mr. and Mrs. Jack Banks with his six sons and one daughter arrived to spend the day. Oh, that wasn't a flying saucer on wheels you saw speeding through the subdivision—that was Mr. Ray Butler driving his recently acquired toy—a Ski-Doo.

The bi-monthly pinocle club recently met at the home of Mrs. Stephen Sekulich on Kingfisher. Mrs. Chuck Curry of Warbler won first prize, and Mrs. Harold Nicholson won second. However, the girls all enjoyed the strawberry shortcake served afterwards.

Mrs. John Witherup is still recuperating at Pontiac General Hospital after a coronary attack which she suffered two weeks ago. She is now able to have visitors. Her daughter Cathy has been keeping the house and tending to brothers Mark and Matthew. Cheryl will soon be home from Eastern College to help her sister and mother too.

Movies taken at Christmas were shown Saturday evening at the home of Mr. and Mrs. Douglas Smith of Plum Drive by Mr. and Mrs. Roy Mice of Pontiac with their daughters Kimberly and Sherry.

Dinner guests of Mr. and Mrs. Larry Thompson of Almond Lane Saturday were Mrs. Thompson's folks from Grosse Ile, Mr. and Mrs. Edward Hiske with children Carol and David. Also visiting was Wendy, Ronnie and Todd's grandfather from Alpena,

Mr. John Hiske.

Mrs. Russell Simonson and husband of Amy Drive returned to the Upper Peninsula sorrowfully to attend a funeral for her brother-in-law who only a week before celebrated a Fiftieth Wedding Anniversary. Mrs. Robert Whaley of Plum Drive has been providing meals for her brothers Russ Junior and Danny while their parents are gone.

While Mr. Pete Lektzian and Mr. Nick Lekas with his son George watched the Superbowl game in color with Mr. Richard Berry of Plum Drive, their wives had a coffee social with Mrs. Nick Lekas of Plum Drive.

Girl Scout news

Troop 501 had their 3rd Court of Honor meeting Jan. 4. The girls that attended were: Lisa Neff, Debbie Land, Cindy Perry, Patti Olney, Jill Breckinridge and Laurie Miller. The girls talked about their problems and decided to go to the Children's Home. We are going to make curler bags for each girl.

Girls that have earned badges will get them Feb. 14. Mrs. Evans' brownie troop, Mrs. Heazlit's brownie troop and Mrs. Olney's brownie troop are invited to come Feb. 14 to our Court of Awards ceremony.

Well Happy Birthday, all you crazy mixed up Christmas presents.

. . . you there, pajama set. Hiding down in the dark basement, ashamed to show your amalgamated stripes . . .

. . . and you socks, wherever you may be. Dirty and alone, behind the chairs, under the beds or comfortably snuggled in a pile of clean underwear . . . to the little easy bake oven. Congratulations on the A-1 job you're doing of baking popcorn for my squirrely mob. Sorry about those kernels in your burners . . . poor walkie-talkie. Good as new, mit out any juice . . . patience to the sweater that's being punished for being found in a heap once too often, the pants should be with you soon . . . checker game, be forewarned. You're losing the game to the vacuum cleaner who gets a man a day . . . fond memories remain of you, sweet checky . . . snow-cone, go

home. Your sound is too grinding and your flavors all gone and what good is the jewel when the cask is gone?

. . . That delicious three pound fruitcake from my little friend John. It finally found its mark, and raised mine five. kadunk . . .

. . . my apologies to the nice white size 8 gloves with the size 2 leather palms. I had to know if you could take it . . .

. . . panic, you pooped out ping pong table with the three broken paddles . . .

. . . Monkees, next to "Barnacle Bill and his Six Sunk Anchors", you're the most . . .
