VOLUME 38 10 CENTS CLARKSTON, MICHIGAN 48016

THURSDAY, APRIL 20, 1967

3 SECTIONS NUMBER 34

Clarkston Area Jaycettes have compiled a cookbook from the recipes files of their members. Books may be purchased from any Jaycette member; or call Mrs. Kenneth Barks 625-3996 or Mrs. Alfred Hamilton 625-2251, chairmen of this project. Proceeds from the sale will go to further Mental Health and aid the Mentally Retarded in our area of the state of Michigan. Pictured above are Jaycette members who were floored by the hundreds of pieces of paper that found their proper places in the book at a recent work bee.

Wins Ford Fund scholarship

John F. Gettel of 6160 Middle Lake Road, Clarkston is one of 72 high school seniors in 14 states to win a four-year Ford Motor Company Fund college scholarship. The announcement was made by Benson Ford, Fund

president.

Winners include 42 boys and 30 girls. Michigan led the award list with 25 winners.

There were 1500 candidates in this 17th Ford Fund competition—sons and daughters of Ford Motor Company employees. A panel of nine leading educators made the selections. All scholarship winners will meet in Dearborn June 25-27 for a formal awards conference.

The scholarships pay tuition and a major portion of living expenses at any approved college or university in the United States. Recipients are judged on scholastic performance, results of the College Entrance Examination Board's aptitude tests, and other indications of potential for success in college and post college life. Approximately 1,200 Ford Fund scholarships have been awarded since the program began in 1951.

John's father Fredrick W. Gettel is with Tractor and Implement Operations in Wixom.

Recreation board elects officers

The regular monthly meeting of the Township Recreation Board was held on Wednesday April 12. Present—Ed Gunter, Leroy Davis, Bill Mansfield, Bob Pearson, Dugan Fife, Ken Johnson and Jane Butters. Absent—Jack Hess.

"Bud" McGrath, summer recreation director, outlined some of the plans for the summer recreation program. There will be three school playgrounds open for activities this summer. The playground and baseball schedule will run from June 19 to July 28. Baseball ages were changed to coincide with Little League ages: 8 year and 9 year olds will play baseball on the play-

grounds and their games played in the morning; 10 year and 11 year old and 12 year and 13 year olds will play in the evening leagues. The first manager's meeting will be held at the High School May 1 at 7:30 in the cafeteria. All parents interested in helping with teams should be present.

The Board again decided not to have swimming lessons because of no suitable area in which to teach them.

The Board concluded its meeting by electing officers. Bill Mansfield was elected president, Leroy Davis as vice-president and Jane Butters, secretary.

The next meeting will be May 3.

Contracts were signed recently for Preliminary plans for Water and Sanitary Sewer construction for Independence township. Taking part in the signing were (seated) Township Clerk Howard Altman, Supervisor Duane Hursfall and Felix A. Anderson, Executive Vice President of Johnson & Anderson, the engineering firm hired to design the system. Standing is Don A. Keylon, Office Manager.

"The Mikado" to be presented by Junior High

The second annual Junior High vocal music department operetta is now in full swing for the performances on May 3rd and 4th, Miss Grayce Warren announced recently. The cast of 60 voices will present the Gilbert and Sullivan production of "The Mikado".

Set in a Japanese garden this operetta will have the following students as the main characters: Jeff Kitson, Richard Klein, Donald Lee, Jim Gordon, Keith Fitch, Lorin Covarubias, Ellen Taylor, Joanne Donaldson, Debbie Hoopengartner and Polly Hanson.

Tickets will soon be on sale from any Junior High music student for this production which is one of the most humorous of the Gilbert and Sullivan's collaborations.

The public is cordially invited to attend.

WILL ATTEND HONORS CONVOCATION

Larry Engler of 1985 Kent Road, Ortonville will be taking part in the Honors Convocation at Oakland Community College. Scheduled for 8 P.M., Thursday, April 21, the Convocation will be held on both campuses.

He is one of the students with a 3.5 average (B plus or higher). He attends school at the Auburn Hills campus.

Want Ads, 20 words \$1.00. The Clarkston News, 55 S. Main, 625-3370.

Receives Fellowship

Charles N. Fusilier, D.D.S. of Ann Arbor is one of twelve graduate dentists who have each been awarded a \$6,000 Dental Teacher Training Fellowship by the American Fund for Dental Education for study. He is studying restorative dentistry at University of Michigan School of Dentistry and is one of five who have completed their first year in graduate school with AFDE fellowship assistance and

have had their fellowships renewed for a second year. His sponsor is the American Dental Trade Association.

Six of the fellowships are sponsored by the Fund from general contributions, four by the American Dental Association, one by the American Dental Trade Association and one by the Great-West Life Assurance Co. of Winnipeg.

REPUBLICAN CLUB MEETING

All interested Republicans are urged to attend the regular meeting of the Independence Township Republican Club. It will be held next Monday evening, April 24 at 8 P.M. in the Township Hall.

A film program is scheduled for presentation.

While farms are becoming larger, 96 per cent of the nation's farms are still family-owned. They account for 73 per cent of all marketings.

Latest electronic methods to be employed in Twp water-sewer studies

Independence Township Officials, Duane Hursfall, Supervisor, and Howard Altman, Clerk, recently met at the Pontiac office of engineers, Johnson & Anderson, Inc., to sign contracts authorizing water and sewer design programs for developing portions of Independence Township. Utility design, which is currently under way, will employ the latest electronic data processing equipment commonly known as IBM's Third Generation System, the 1130. During a tour of J & A's engineering facilities, officials had a first-hand view of the data processing center in action.

While the use of data processing in the design of engineering systems is not new to Johnson & Anderson, having developed a unique Hardy-Cross Water systems analysis program for neighboring Waterford Township's system design in 1962, they have only recently acquired the new electronic data processing center.

Using the IBM 1130, engineers can determine before a single pipe goes into the ground what the pressure will be through a complex water system, even with a number of isolated community wells. While this engineering technique has been in use since 1936, its adaptation to the electronic computer is recent. In 1962, when the Waterford System was designed, an extensive program with the required variables necessary to design a township-wide system with many individual wells was

not in existence. A program was developed by J & A, working hand-in-hand with International Business Machines.

A new program for the design of sanitary sewers has just been developed by J & A and is now in operation. With the speed of the electronic computer, many conditions can be simulated and operation observed so that difficulties which often present problems after a system is in operation can be detected during the design phase.

During their tour of Johnson & Anderson, Hursfall and Altman observed with interest J & A's 15,000 square foot modern office building with up-to-date library, latest equipment, blue-print, xerographic and off-set reproduction, as well as file microfilming and duplicating facilities. The firm of 120 experienced engineering and technical personnel, offers extensive consulting services in civil engineering and related fields such as sanitary, hydraulic, structural, and mechanical engineering, bridge design, ground water hydrology, land development engineering, river basin planning, lake level studies, and financial planning. Recently completed was a study for the entire Clinton River Basin. New projects are under development for the Michigan State Highway Department through J & A Affiliates. The firm is rated by Engineering News Record as number one in the State of Michigan in dollar volume of

business conducted per year, and 69th among consulting engineers in the United States.

Hursfall and Altman also found that J & A's computer is used for things other than water and sewer systems. These functions include cost estimates, critical path analysis, time keeping and general accounting functions. Township officials expressed confidence that the techniques being employed in the design of township water and sewer utilities will result in the most efficient and economical system possible.

Prior to securing the services of Johnson & Anderson, they visited the Waterford Township Water Service Building and observed the latest in telemetering control facilities, developed through the use of the electronic computer in interconnecting Waterford's various independent community water systems.

Township officials were told that, in addition to the Independence Township system, J & A is presently designing systems for the Townships of White Lake, Orion, and Avon, all of which will share with Independence the use of the Clinton-Oakland Sanitary System, a facility of the Oakland County Department of Public Works.

Current schedules call for preliminary plans to be completed in the Fall of 1967.

Pictured is the nerve center of the IBM 1130, the computer which will be used in the preparation of sanitary sewer and water systems program for Independence township. The computer operator is George Breden.

Jim's Jottings

I've read only bits and pieces of the 1963 State Constitution. One part I wish I'd read before spending so much time on reapportionment of the county board of supervisors was Article VII, Sec. 7, which states: "A board of supervisors shall be established in each organized county consisting of 1 member from each organized township . . ."

Now, that's about as clear as you can get it. Until the state constitution is proven illegal in the US Supreme Court, Michigan counties can't be reapportioned. They have to continue with a representative from each township on their board. Oakland county has to continue with 85 supervisors.

That quoted section of the constitution being so clear, to me, I don't understand how the state supreme court decision was split 5-2, ruling that the new 1-man, 1-vote statute is unconstitutional as it applies to counties.

My not understanding things isn't new. There's very little I really understand.

Like why did it take the high court from July 1966 to now to render this opinion? It appears to be another case of inaction that has cost taxpayers money, needlessly. At the Oakland County reapportionment meeting I attended 2 weeks ago, one member mentioned that Wayne county's similar committee had budgeted \$25,000. Some money must have been spent in Oakland, if in no other way than official's time and materials.

Another thing, I think the court let us down by rendering an opinion at all. If they held off this long, the day of the deadline for many counties to reapportion themselves, why at all. An opinion is just an opinion. Too, from past decisions

of the US Supreme Court it appears, reapportionment on the 1-man, 1-vote idea for counties, schools and whatever, is coming. If the court would have said nothing the job would be done in a few weeks and ready for the 1969 election.

Hazel thinks I missed the best part of her trip to diminish the supply of antiques in Pa. On her return she found "For Sale" or "Sold" signs, some with prices, on nearly every antique in our house. The kids struck again.

There has never been a strike that excited me less than the TV walkout. How about you?

Honored at Convocation

John A. Maier of Clarkston is one of 2, 147 students at the University of Michigan who has been honored for academic achievement. The students were recognized in the annual Honors Convocation on Friday, March 31 at Hill Auditorium. The convocation address, "Education in a Changing World," was delivered by United Nations Secretary General U Thant.

Robben Fleming, who is now chancellor of the University of Wisconsin was introduced by retiring Presidential Harlan Hatcher. Fleming will become president next Jan. 1.

Honor students come from all classes at the University and represent all of its 17 colleges and schools. They make up a little more than 17 percent of the student population.

Obituaries

Arthur M. Lawson

Arthur M. Lawson, who had owned and operated the Gun Shop on Dixie Highway which bore his name, died suddenly on April 13. Mr. Lawson, was 60 and resided at 6455 Dixie Highway.

He was the son of the late Mr. and Mrs. Benjamin F. Lawson. He was married to the former Dorothy Denman in Ferndale on August 31, 1929.

For 35 years he had operated the Gun Shop. He was a member of the Clarkston Methodist Church, Elks Lodge #810 of Pontiac and Ferndale Lodge #506 F. & A. M. He was also a Life member of the Oakland County Sportsman Club and a Life member of the National Rifleman's Association.

His services were conducted from the Lewis E. Wint Funeral Home at 11 A. M. on Monday, April 17. Rev. Lewis C. Sutton officiated and cremation followed at White Chapel.

He is survived by his wife, Dorothy, two daughters, Mrs. G. Robert Stitt of Clarkston and Mrs. Edward L. McDaniel of Miami, Florida; a son, Arthur M. Lawson, Jr., also of Miami; nine grandchildren and three sisters, Mrs. L. R. Schmidt of Detroit, Mrs. Elmer E. Watson of Portland, Oregon and Mrs. William C. Cameron of Royal Oak.

Dr. Frank C. Laubach, the "Apostle to the Illiterates" who will speak at Sashabaw United Presbyterian Church, 5331 Maybee Road, Clarkston, on Friday evening, April 21, at 7:30. The meeting is open to the public.

Will go to Viet Nam

For nearly half a century the name Frank Laubach and his stirring slogan "Each One Teach One" have rallied the forces of the free world to fight against illiteracy, poverty, and despair. In over 100 countries, millions of illiterate men and women have learned to read by the Laubach method. Thousands have become teachers to their own people.

Dr. Laubach began his literacy work among natives in the Philippines in 1929. Because of the lack of a written language, he adapted the Roman alphabet into their dialects and began teaching the native tribes. This started his vision of reaching all the world's illiterates with a message of hope.

Today at 82 "Dr. Frank" is busier than ever. His schedule for 1967 includes final preparation of lessons in Vietnamese to be used in teaching hordes of refugees in that country. Dr. Laubach plans to go to Viet Nam personally to supervise the program.

Library state aid monies disbursed

The Independence Township Library will receive \$544,500 as its share of the \$1 million state aid, appropriated by the State Legislature for 1966-67. Based on 5¢ per capita, 282 libraries received \$338,568 in state aid.

According to law, grants from state aid must be maintained in a separate fund by the public libraries, subject to review by the State Board for Libraries. Libraries must file with the State Library in Lansing yearly expenditure reports. The grants to local libraries is to increase and extend local public library services. They are not intended to relieve the local community from providing adequate tax support. It is also prohibited to use the funds for the purchase of sites or buildings or for payment of principal or interest on any indebtedness.

A total of \$405,600 in federal funds was also allocated to public library systems, based on a per capita grant of 3.7 cents. The Wayne County Federated Library System which provides services for the local library received \$41,912.23 of this amount. That system also received \$25,164 for special projects. These projects are to include providing microfilm backfiles of periodicals and mi-

SCHOOL LUNCH MENU

Choice Menu:

- Monday-Fruit plate with cottage cheese, bread and butter, cobbler
- Tuesday-Chef salad, buttered green beans, bread and butter, cookie
- Wednesday-Hot dog in buttered bun, baked beans, cabbage salad, jello fluff
- Thursday-Pineapple cheese mallow salad, buttered corn, assorted sandwiches
- Friday-Tuna salad, roll and butter, buttered peas, apple pie

Regular Menu:

- Monday-Barbeque on bun, buttered hot vegetable, pickle slices, fruit cobbler
- Tuesday-Meat balls and tomato sauce, potatoes, buttered peas, bread and butter, jello fluff
- Wednesday-Chilli and crackers, quick brown bread and butter, cabbage salad, fruit
- Thursday-Potato salad, chicken, buttered green beans, roll and butter, cookie
- Friday-Tunaburgers, buttered corn, dutch apple pie

BOY SCOUT NEWS

Boy Scouts of Troop 126 who were working toward their first class rank, went on a campout at Holly Recreation on April 7th and 8th. The boys who attended were Tim Adams, Keith Fitch, Brian Leak, Marc Perry, and John Whitmer. Helping them with such skills as cooking, lashing, star and compass readings were Arlon Perry

and Marshall Perry. On May 19-20-21, Troop 126 will be one of the many troops attending the SHOW-A-REE. It will be held at McFeelys resort, M-15, south of Ortonville. All boys of Pack, Troop, and Explorers 126 will be selling tickets to the public, for visitors day on May 20. Adults are 50¢, children, 11 years and under are free with an adult. Red Cross warns of tornadoes
The month of March usually brings the end of winter and the month of April heralds the tornado season, with its threat of tragedy and destruction.
According to John Gilbert, Disaster chairman of the Southeastern Michigan Red Cross Chapter, tornadoes can occur at any time of the year, but are most frequent during April, May, and June. "They can hit at any time of the day or night, but because of the meteorological combinations which create them, they form most readily during the warmest hours of the day," Mr. Gilbert said. The greatest number of tornadoes—82% of the total—occur between noon and midnight, and the greatest single concentration—23% of total tornado activity—falls between 4 and 6 p.m.
Red Cross offers these lifesaving tips for approaching tornado funnels:
1. In open country, whether walking or driving, find the nearest ditch or ravine and lie on the bottom.
2. In a town, no matter whether working, walking, or riding, find cover in a strong building. Stay away from windows (tornadoes whip objects through the air at fantastic speeds; have

been known to drive stalks of straw deep into utility poles).
3. If at home, bring children inside and go to the basement or storm shelter—fast! Huddle against the wall that faces the approaching storm.
4. If there is no storm cellar or basement available, take cover under or near a piece of heavy, protective furniture (desk, table, couch) placed against an inside wall. If there is time, open a door or window on the side of the building away from the oncoming storm. This will reduce rapid changes in air pressure and may prevent the house from "exploding."
Your Southeastern Michigan Chapter of Red Cross has trained disaster volunteers to assist tornado victims. They can provide food, clothing, shelter, medical attention, or long-range care and services at no cost—whenever or wherever disaster strikes.

Tree seedlings delivery late
The delivery of tree seedlings purchased through the Oakland County Soil Conservation District, will be late. The trees will be ready for pick up the last week in April. The late delivery is due to the soil conditions at the nursery. Purchasers will be notified by mail, the date, time, and place to pick up their trees.

Armed with hope and a useful product used by everyone, these four Clarkston girls will be going out this week with high hopes of financing their annual trip to Grand Rapids this summer. As Job's Daughters, the four with approximately fifteen co-members will be prepared to take your order for attractive stationery. Persons interested in helping these girls meet their June deadline for the Grand Session may contact the Chairman, Michelle Biondi at 625-2140. Next to Michelle (on the left) is Sue Putman, Sue Biddle and Jill Sansom.

Olympic winners in the recent Bailey Lake contest of skill are shown in the foreground of this picture. Front and left is Mike Donnelly for his hammer throw, Danny Hart with javelin in hand, John Fry ready to redo his 50 yard winning dash and John Smithling holding his disc. Flanking the boys are flag bearers, Diane Lepper, Robbin Wagner, Gay Stelmach and Jill Brown.

Olympics at Bailey Lake

The fourth graders at Bailey Lake School have been holding their own Olympics after studying a unit on Mediterranean lands. The children were divided into teams, elected their captains, chose the country they wished to represent and made their flag. The events included were: Discus-using a frisbee; Javelin-using a broom; Hop, Step and Jump; Shotput-using a softball; 50 yard

dash; Duck Walk race; Hammer Throw-using a plastic bucket; Marathon; Long Jump; and Indian Wrestling. There were also two team events. Gold, Silver, and Bronze medals were awarded to the winners of the events. Mr. Knowlton, Miss Masier, Mrs. May, and Mrs. Swanson supervised the planning and running of the events, although the weather has not been very cooperative.

MAKES DEAN'S LIST

The Dean's List at Pontiac Business Institute for the winter term has been announced by Dean of Students, Howard Weaver. Named is Linda Nolen, 5449 Gonsale, Clarkston, a graduate of Clarkston High School. In order to be eligible for the Dean's List a student must have a 3.75 average.

Pontiac Business Institute is a two-year school of business accredited by the Accrediting Commission for Business Schools, Washington, D. C. It is approved by the Veterans Administration and the Michigan Office of Vocational Rehabilitation.

The knowledge that will give these Pine Knob students a better understanding of Michigan will be more than just briefly touched on and then forgotten. The interesting facts about their home state will be compiled and stored in a scrapbook by each child for future use. Shown in the first steps of their study are: Mark Prevo, Chris Seffens and Becky Buchanan.

The Clarkston News

SECTION TWO THE CLARKSTON (Mich.) NEWS Thurs... April 20, 1967 5

where they stayed, they were doubled up in rooms by fours instead of twos. However, they had a very wonderful time and especially enjoyed touring the exceptionally clean plant where they were also served a delicious meal in the cafeteria. Tuesday evening the women were a bit concerned when they went to a French restaurant thirty-one floors above ground that overlooks the city, and the menus were completely in French, which no one could read. They did manage to get a very good dinner.

Brownie troop #800 under the leadership of Mrs. Charles Evans of Plum Drive went on a bike hike through the subdivision Saturday. The girls will meet after school Tuesdays the 18th and 25th only and then resume Saturday meetings. Friday the 21st the Brownies will go swimming at the YMCA pool in Pontiac.

Carrie, daughter of Mr. and Mrs. Charles Evans was treated with two birthday cakes for her eighth birthday April 7th. Friday evening she had a guest Tammy Arnold for supper with a birthday cake and to spend the night. Then Saturday her grandparents Mr. and Mrs. Delbert Beard from Lapeer came down to celebrate her birthday, so mother provided another cake. Cathie and Jeffrey didn't mind helping sister eat the cakes. Seems Jeffrey's hand has healed well from the injury he suffered falling on a broken bottle and having fourteen stitches not long ago.

A baby shower in honor of Mrs. Keith Mead of Pontiac was given by Mrs. James Fish of Snow Apple Drive with the help of Mrs. William Lash of Almond Lane last Tuesday evening. Mr. R. J. Lucke of Tappan Court and Mrs. Fish provided the baked items, which Sue Ellen from Midwestern Baptist Seminary decorated. Also helping with the twenty guests was Nancy's mother Mrs. Larry Auten of Drayton Plains. Salads for the buffet lunch were made by several guests.

Last Thursday must have been Mrs. Ernest Meeker's day for visitors. Along with local neighbors and friends just stopping in to chat, from

Flint came her parents Mr. and Mrs. Tom Loucks and an aunt and uncle Mr. and Mrs. Eli Thayer. Friday daughter Jane enjoyed having two friends Susie and Sherrie Young from Waterford over for the day.

After last Tuesday's "fun" night in the Crazy Eights Bowling League at Howes Lanes, new officers were chosen for next fall's league. Elected were Ron Councilor for president, Jim Voorheis for vice-president, Mrs. Robert Whaley for secretary, Mrs. Bud Calme for treasurer and Mr. Bud Calme for sergeant at arms. It was interesting to note that some members bowled better with their left hand than with their right.

Karen and Brian spent last Tuesday with Wendy, Ronnie and Todd Thompson while their parents Mr. and Mrs. Kenneth Duskey of Drayton Plains attended a funeral in Trenton for a very close family friend William A. Brown. That evening the Duskeys with their other daughter Cheryl joined the Thompsons for dinner.

Mission Speaker

On Thursday, April 20, Mrs. Schaus, wife of Teacher-Missionary David Schaus, will speak at the Lutheran Women's Missionary League meeting of the Ladies Guild on the role of a woman missionary and the wife of a missionary.

Sunday, April 23, emphasis on Middle and S.

America will be highlighted by Rev. August Klenke, a sixteen year veteran of the Lutheran Church's mission work in Brazil. He is presently pastor of a Lutheran Church in Mt. Clemens.

On Sunday, April 30, children from the Lutheran School for the Deaf will visit the Sunday School and Bible classes to climax the month of mission education.

Coming to life with swinging songs and dance will be this pictured group, part of the cast of "Our Musical Heritage" Ready for the April 19 and 20 curtain at the Junior High gym are (l. to r.) top row: Tootie Robinson, Kyle Anderson, Laura Connerse, Micki Oertruwski, Debbie Smith, Debbie Merkel, Bart Giles and the second row: Pam Evans, Mary Carol, Brenda Simpson, and Lisa Braun.

Round the Town

By Joyce Thompson
625-1929

Mr. and Mrs. Tom Ruppe's house on Plum Drive is a bustling area of activity now as the new set of twins were able to leave Pontiac General Hospital Tuesday and join brother and sister Bobby and Kathleen at home. Theresa attained the weight of five pounds six ounces, while Michael weighed five pounds three ounces.

Enjoying Sunday dinner and visiting with Mr. and Mrs. Robert Parker on Almond Lane were Mr. and Mrs. Arthur Pohl of Pontiac.

Dr. and Mrs. Robert Buehrig of Reese Road were thrilled with the recent arrival for a week's visit from Camp Gordon, Georgia, of their son Corporal Chris Buehrig and his new bride Pat. Chris, better known as Cappy, is a psychologist in the Medical Corps of the Army. While here a friend from Hillsdale, Indiana, who's

a professor of English, Jim Morrow became engaged to Margo Secee and surprised Paul and Pat with a visit.

Captain Paul Robert Kempf and his wife Tina with children Angela, Bobby and Elena were here from Forbes Air Force Base in Kansas for a week visiting Paul's parents, Mr. and Mrs. Robert Kempf of Plum Drive. Then the family with the parents flew to Gulfport, Mississippi, to visit Tina's parents Mr. and Mrs. Louis La Rosa for a week. While Paul and his family went to Omaha, Nebraska, where he'll be stationed after a mission to Africa, Mr. and Mrs. Robert Kempf flew to New Orleans, Louisiana, and Miami and Fort Lauderdale, Florida, before returning home April 10th. They especially enjoyed the deep-sea fishing and the warm weather ranging from 85 to 90 degrees during the day.

Since children are taught to share, Michael, son of Mr. and Mrs. Eugene Meade of Almond Lane, decided to share his chicken pox. Thus his Aunt Marge and cousin Johnnie from Pontiac and his brother Tim are all recuperating from chicken pox

this week.

Returning from a vacation in Florida during Easter were Mr. and Mrs. Edward Story with children Kim, Kathy and Kristen of Snow Apple Drive. They stayed at St. Petersburg and Cape Kennedy. The family enjoyed a tour of Cape Kennedy, and the daughters were impressed with their first swim in the ocean and with the many beautiful flowers in bloom, while snow was on the ground at home. Because of the thousands of college students there, a trip to the marine show at Miami had to be cancelled. However, they enjoyed swimming in the pools, and several sea shells were brought home as souvenirs.

Home from Ferris College last weekend was Dale, son of Mr. and Mrs. Keith Humbert of Snow Apple Drive. On Saturday he attended the wedding in Farmington of a former roommate.

A group of thirty-one Avon representatives including Mrs. L. V. Cushman of Holcomb, Mrs. A. P. Betson of Thendara Park, Mrs. Pam Winfield, Mrs. Keith Humbert, Mrs. Callie Johnson and Mrs. B. Kramer of Davisburg travelled by bus to Cincinnati, Ohio, last Tuesday and Wednesday to tour the new Avon plant at Springdale. Because of a mixup of reservations at the Netherlands Hilton Hotel

Mr. and Mrs. William Davison and family visited Mrs. Davison's parents Mr. and Mrs. Harold Quelly of Greenville Sunday. While there they made plans to spend a joint vacation and do a little traveling. They are still deciding between two plans but hope to make up their minds shortly.

Mr. Kenneth Klouce attended the wedding of his sister Martha to David Wolinski of Detroit, Saturday evening. The wedding was held in Detroit at the home of Mr. and Mrs. Kevin Klouce another brother of Martha's. The newly-weds left for an undisclosed place after which they will make their home in Detroit.

Timmie, two year old son of Mr. and Mrs. Tom Daly, fell down a flight of stairs Wednesday but by some miracle he escaped injury. Timmie seemed to have turned himself into a ball as there wasn't a scratch on him.

Davisburg Area Girl Scouts held their Mother Daughter Banquet April 12 at the Clarkston Junior High School. Seventy six mothers with their daughters attended. The program was opened with Brownie Troop #16 whose leader is Mrs. L. Bray by leading the pledge of allegiance to the flag followed by the Brownie pledge. The grace was in form of a song titled "Johnnie Apple

Seed". After a delicious meal the Senior Troop #48 whose leader is Mrs. G. Schultz conducted a sing along. Mrs. L. Summers' Cadette Troop #343 showed a movie on girl scouting.

Pinochle Club was held at the home of Mrs. Gus Steckert of Independence Square, Wednesday evening. Mrs. Stanley Rooka received the prize for high score with the prize for low score going to Mrs. Howard Elsholz. Refreshments were served at the end of play.

Mr. and Mrs. James Landson, Mr. and Mrs. J. T. Paul and Mr. and Mrs. Everett Richards celebrated the 7th wedding anniversary of Mr. and Mrs. Clyde Neeley Saturday evening with a night on the town starting with dinner at the famous "Top of the Flame" in Detroit. Mr. Neeley presented his wife a corsage for the occasion which was on top of a lovely box. Opening

it, Mrs. Neeley discovered a beautiful string of matched pearls.

Kyle Lee spent the weekend getting the Lee cottage ready for summer use and wishing he hadn't encouraged Mrs. Lee to stay home with the children. There were a lot of jobs he would have gladly shared.

A family dinner was held at the home of Mr. and Mrs. William Stork on Andersonville Road Sunday. Relatives from Detroit, Flint, Lansing, St. Charles, Rogers City and Niles gathered at the Stork home for the first reunion. Everyone felt that this was to be an annual affair and a committee was formed to insure success.

Mrs. Fanny Niles is convalescing at her home in Fort Myers, Florida, after a heart attack. Friends in Clarkston received word that she is doing nicely but will be confined for at least a month.

A swinging dance was held at the home of the Robert Rundalls on White Lake Road in honor of Mary's sixteenth birthday April 10. Twelve girls and boys brought their favorite records which were played more than once. Refreshments of hot dogs, chips and pop with a birthday cake and ice cream was served all evening. As Mary put it to "Keep up their strength".

Mr. and Mrs. George Anderson had as their house guests Mr. Anderson's parents, Mr. and Mrs. George T. Anderson of Akron, Ohio, for several days last week.

Arthur Kelley on White Lake Road is confined to his home with the mumps. Mr. Kelley is now receiving quite a few get-well cards instead of delivering them. Friends on his route hope he recovers quickly as they miss him.

Mr. and Mrs. Frank Wilson and sons, Mike and Tony, have returned to their

home on Pine Knob Road after a two week vacation in Tennessee where they visited their many friends and relatives all through the state. They found the weather perfect and hope that Clarkston improves.

Louise, daughter of the Harry Toppe's on Reese Road celebrated her fourteenth birthday April 12 with ten girl friends as over night guests. Even though it was a school night they had a hard time getting to sleep but after dancing, games and finishing all the refreshments they felt there was nothing else to do.

Mr. and Mrs. John Beel and family are the house guests of Mr. and Mrs. George Harding of Detroit, for the weekend. While there they plan on attending the movie "Hawaii".

Richard Moore has left for Chicago where he will attend a special course on business machines. Before

returning home he will visit friends in Evanston, Illinois for several days.

Shannon Lynch has joined others unable to attend school due to measles. With four more children in the family her mother is afraid that they will be getting them one by one and she hopes that she isn't one of them.

HAPPY BIRTHDAY
Norton Redwood, Wayne Keeley, Anne Doremus, Eric Lehto, April 21; Timothy R. Jones, Michele Davenport, Sherry Kennedy; Anne Bennett, Thomas Brobke Bennett, Rich Johnson, April 23; Stuart Cooney, Bill Conrad, Mike Stitt, April 24; Gary Stelmach, April 25; Margaret Keech, Stephen Rose, Cherie Lea Wilson, April 26; Sharon Fahrner, Denise Carrigan, April 27.

Library Week should focus on fund drive

The Independence Township Library is participating in the 10th anniversary of National Library Week according to Mrs. Philip Smith, local librarian. As a newspaper we don't usually go overboard for the various "weeks" observed throughout the year. But with the Independence Township Library Fund Drive over half way on to the goal of \$100,000 a gentle reminder to area residents that the committee is still actively seeking donors should be in order.

There are about 60,000 libraries in the United States and Americans borrow 500,000,000 books a year—More than a million people use Michigan's 360 public libraries every week, borrowing from collections totaling 11 million volumes or using the reference, research and other special services available. Daily, thousands jam Michigan's college and university libraries, special libraries and school libraries.

As the young people say it, the word is out that reading is "in". "Explore Inner Space-Read" and "Reading Is What's Happening" are the dual themes for the week's program.

If you have not yet made your contribution to the Fund Drive, why not use Library Week to do so, or perhaps now that the income tax filing deadline is past, you wish to update your pledge? Contributions to the Library Building Fund are tax-deductible.

To become a "better-read, better-informed American", we must have good library facilities.

Dairy imports are unfair to farmers

Imports of dairy products have multiplied 6 times since 1953 and will jump more than a third this year. Ten per cent of all our ice cream this year will be made from imported mixes.

These shipments are not coming here because of lower production costs abroad, but because other nations subsidize their farm exports. Butter is sold to the U.S. for as little as 20 cents per pound but high tariffs force prices on butter coming into their countries as much as 94 cents a pound.

The Michigan Milk Producers Association says that in 6 months, imports have forced down prices on manufactured milk in Michigan by 37 cents per hundred pounds. It's costing the average Michigan dairy farmer \$600 a year.

There are 2 reasons for what's happened: (1) The Administration wants cheap food in the U.S. and (2) the Administration wants other nations to sell dairy products here so those nations can buy our manufactured products.

That's fine for everyone except the farmer. He's the guy who has to support the U.S. housewife and U.S. industry. It's an unfair burden and the Michigan and National Milk Producers associations are right in asking that import laws be screwed down hard.

PEEKIN' into the PAST

10 YEARS AGO IN THE CLARKSTON NEWS

Last week Colleen Smith was presented with an honorary membership in the Clarkston Womens Club. This in a small way expressed the gratitude of the entire club for the tremendous job she has done in organizing the Township Library.

Over 1100 attended Easter services in the Methodist Church. This sets a record as the largest in the history of the church. Music was provided by a choir of 90 voices. An offering of nearly \$2,300 was received most of which will be placed in the parsonage building fund.

Two hundred thirty one boys and girls attended the dance at the 21 Club last week.

25 YEARS AGO IN THE CLARKSTON NEWS

The police department has not been kept very busy with the parking problem on Clarkston's Main street. Town residents, farmers and transients have cooperated and all seem satisfied with the parallel parking. Among those who have commented favorably on the ruling is George D. King, president of the local bank.

The students who are acting as the commencement committee are: Stewart Baynes, Paul Sutton, Malvina Smith, Royal McGill, Alice Rose and Virginia Tondou. They have secured John L. Brumm, professor of journalism of U. of M. as the guest speaker. There will be 42 graduating seniors.

All air raid wardens in the Clarkston district will be finger-printed at the Town Hall on Friday night.

"If It Fitz . . ."

Who Is Counting all Those Bodies?

by Jim Fitzgerald

As a newsman, I must believe firmly in the public's right to know. This is part of the oath I took upon graduation from journalism school and immediately had tattooed on my chest, just below the picture of the drunk snake wrapped around a pool cue.

But there are some things that part of the public — mothers, for example — should not know. Mothers should not know some of the things their sons are doing in the armed forces, to protect Ma's right to know everything else.

This bit of philosophy is prompted by a news release received last week from the 101st Airborne Division in Vietnam. Here's what it said, with only the name of the soldier changed to protect the guilty:

"Pvt Johnny Blank, a cannoneer in Battery B, 1st Battalion of the 30th Artillery, and his unit have accounted for 83 dead, 17 captured, and 67 weapons and over 70 tons of rice, salt and corn recovered."

I wonder what brilliant Pentagon brain decided the army should get so specific? The military has sent "hometown news" to newspapers since the Civil War. It employs thousands of

"public relations" men, who were mechanics in civilian life, to keep the folks back home informed on how Johnny is doing at Fort Knox. They tell us when he graduates from basic training, when he goes overseas and when he is promoted.

Now they are going to tell us how many Cong he has killed and how much food he has "recovered." Big deal.

I am fascinated by that term "recovered." During World War II, the word we used was "liberated." If military news releases in 1944 had been as detailed as today's, the Port Huron Times Herald might well have printed something like this:

"Pvt James Fitzgerald, an asst halftrack driver in Co. C, 2nd Battalion, 10th Armored Infantry, 12th Armored Division, and his unit yesterday liberated the small town of Oul, France. Liberated were 12 bottles of wine, 3 dozen eggs, 2 chickens, 4 loaves of bread, 6 cameras, an overstuffed chair and a halftrack full of orphaned teenage girls. There were no serious casualties."

Another thing: There must be a new

MOS number in today's army. MOS means "Military Occupational Specialty." Your MOS number is tacked into your record after basic training and, from then until discharge or death do part, it tells your superiors what job you are trained to do. I even remember one number — 405. This means you are a clerk-typist which is what I was supposed to be, and don't ask what I was doing in that halftrack because that is another sad story which I still can't tell without crying.

Anyway, this new Military Occupational Specialty must be counter-of-enemy-bodies. You'll notice that Pfc Joe Blank and his unit "accounted for 83 dead." Our marvelous Defense Dept. is continually spouting "killed and wounded" statistics — for the bad guys, not the white hats. They never deal in approximate figures. They tell you exactly how many Cong are permanently limp, or just limping.

So I wonder who is doing all this splendid counting? Do they get special training and, if so, how so? What is the best way to train a soldier to count bodies and diagnose wounds while under fire? Does he get field training at state-side disasters, such as tornadoes? May-

be he gets experience by roller skating swiftly through hospital emergency wards, clicking a hand-computer and gauging the rate of blood flow as he speeds by.

The thing is, counting enemy casualties is no goldbrick job. The Cong are no different than us — they like to bury their own dead and care for their own wounded. This means a body counter has got to rush in and count fast, while the bodies are still there and the bullets are still flying.

The task is so tough, yet the body count is so precise, it is enough to make a cynic wonder if the Defense Dept. doesn't maybe pad its statistics and round off its figures. Of course, I would never be that cynical, General Hershey might find out and my draft notice would be in the next mail.

But seriously, folks. . . Even if I didn't doubt the body-count, I would be against telling Mother exactly how many enemy her Johnny's platoon killed yesterday. I don't think Mother wants to know.

She might be reminded that the black hats also have mothers. And, most anywhere you find them, mothers die a little when their sons die completely. Δ

Letters to the Editor

Sick of the mess

Dear Editor:

We believe that our views and statements reflect the feelings of many of our neighbors, residents of Lakeview Drive and adjacent streets, on Woodhull Lake. Through our individual and collective efforts to improve the appearance of our neighborhood, we have been made to feel like a forgotten and easily ignored part of the community.

As an example of the delays we have experienced; for over a year we have called and made personal visits to the Township authorities, and the Oakland County Health Dept., concerning a party whose septic tank drained into the street for the best part of the year. These same people also put their garbage in the street, most of the time without benefit of either cans or garbage pickup. After a year of complaints, suit has finally been filed against these people, and at the time this letter is being written they have two more days to make the necessary correction. However, this gives little satisfaction to those of us who have been assaulted with the stench, not to mention the possible health hazard involved, during this long period of time. This is only one instance.

We have a strip of land called the "Valley" by local residents, shown on the plats as "Park Street." This "street" has a low area, filled with filthy water during most of the year, into which people have been dumping garbage, old stoves, refrigerators, furniture, tires, etc. Children, attracted by the water, often play there.

The mosquitos are unbelievable, and "unsightly" is an understatement as far as its appearance goes! Last spring some of the neighbors raked and cleaned the higher areas, and during the summer took turns mowing the grass and weeds. However, we could do nothing about cleaning up

the worst part of it, which would have to be filled and graded to correct it. From what information we have been able to obtain, the land is apparently owned by Oakland County, and controlled by some kind of lease arrangement by the Woodhull Lake Property Owner's Association. Despite calls to the Health Dept., discussion with the Township authorities, and conversations with officers of the Association, nothing has been done to correct this situation.

All of us are weary of living in a neighborhood where there are many deserted and boarded up cottages, many of which have been empty for over ten years. These places are not only an eye-sore, but an invitation to vandals. From inquiries that we have made, we have learned that many of these places have been condemned, and we would like to know if some action could be taken to have them torn down or otherwise destroyed. Also, some of the most unsightly places of all are occupied, either by their owners, or rented from absentee landlords. Many of these places would definitely be classed as substandard housing elsewhere, and are little better than shacks. Nearly all these places have stacks and piles of junk in the yards.

Because of the seeming leniency that prevailed here in the past, we also have a junk car problem. Last spring an effort was made to remove a lot of them, but many were just towed into vacant lots and left. Last fall, a complaint was filed in Justice Court about one of the offenders, now this month this party again has five junk cars in his yard.

It is our feeling, that since most of the offenders are those that have been warned and warned to no avail, that perhaps stronger measures are needed. Not only in regard to junk cars, but also pertaining to garbage, junk and septic tanks.

We have many nice homes here, that we take pride in, all of us would like to see these things corrected so that a comparatively few offenders don't spoil what can be a lovely and scenic lake shore neighborhood.

Says Thanks

Dear Editor:

The staff of Clarkston High School's Yearbook, the Hilltopper, would like to thank you for the pictures which you have given us throughout the year. Without these, many phases of our book would not have been complete.

Thank you again for your co-operation.

Sincerely,
Linda Heath
Jan Hanson

Worth watching

Dear Editor:

Two very progressive news items recently are first, New York City plans to burn garbage to create electric power and secondly, government people are thinking about special compensation to people living in paths of sonic booms.

Both ideas are worth watching.

Watchful

Gone to the dogs

Dear Editor:

I am a relatively new member of the Clarkston Community. I enjoy living here but am sometimes aghast at the indifference of its inhabitants.

Just a few short weeks ago a local child was badly savaged by a pack of dogs. Since that time I have personally noticed no difference in the attitudes of the community in general. Dogs still roam in packs, still foul the street and yards of

-NOT BY BREAD ALONE-

Man doth not live by bread alone, but by every word that proceedeth out of the mouth of God, doth man live. Deuteronomy 8:3.

When we come at last to know that life is much more than just food and shelter and play and that we should try, above all things, to serve God and our fellow man well every day, then do we come to know also that this is the innate conviction of thinking men everywhere. Let us never lose the strength that this insight affords us, nor so misread the story of man's continuing spiritual progress that when we try to do right it shall seem that we are among the very first ever to make the attempt. Rather let us put ourselves and our little struggle into the company of all the strugglers of all time and see our own fight against our selfishness and our laziness as just one little skirmish in that battle whose field covers the whole earth. Let us learn well that in the ceaseless conflict of good and evil the drive to rectitude is of God, eternal and universal, that the higher needs of men are forever asserting their necessity and that in this persistent assertion lies the prophesy of their final success. In this knowledge let us all take courage and press on in a striving toward that high level of nobility which is at once our birthright as God's children and the great desire of Jesus for us.

Eternal God, our Father: Thou hast brought us to know that virtue is the movement of the spirit toward Thyself. Constrain us ever, we beseech Thee, to adore the virtue that we see in Jesus and to seek Him as our guide and mentor. AMEN.

Everett Butters

us all, and dogs still bark at all hours of the day and night.

Don't get me wrong, I've got a dog of my own, it's just that I believe there is a proper place for them.

Surely the community is aware of the problem but what does it take for something to be done about it?

Peter J. Elliman

Likes Feature

Dear Editor:

I am the daughter of Ina Warner Beardsley that you had such a wonderful write up about the class of 1892 in Another Day column.

Could you please send me several copies for my family for keep sakes? My friend from Clarkston sends me many of the clippings.

Keep up the good work. Thanking you in advance,
Yours,

Ruth A. Beckman (Beardsley)
1070 N. Ocean Blvd.

"When USO is there, we know you care!"

Three million lonely, displaced men and women, serving our country, far from home. Who serves them, wherever they are? USO! The friendly hand, the touch of home, the traveling show, saying "thank you" from all of us, to all of them. Remember, USO gets no government funds; depends on voluntary contributions through your United Fund or Community Chest. Give more for our bigger job this year!

USO is there... only if you care!

Another Day

Clarkston Doctor saw local need

As word went back East that Michigan was not the vast fever ridden swamp as was once claimed, but a land good for farms and homes, the trickle of settlers grew larger. People of every walk of life trekked westward farmers mostly, but there were a goodly number of other trades of that day represented: coopers, wagoners, blacksmiths, weavers, but very few doctors came. One reason was that even in the eastern states there were not a great many physicians. Most of those felt that their patients needed them right where they were, and so for the most part, pioneers found themselves relying upon women who had a home spun knowledge of medicines and midwifery and were expert at gathering and brewing the many herbs used in healing. As time went on, a few doctors made their way to this vicinity, but many of our earliest practitioners were children of the settlers who saw a need for doctors and took up the practice with what education and facilities were available to them.

One such a person Josephus Goodenough came to this country with his parents James and Sarah when he was less than a year old. The father of the family built a logshanty on the shores of Straight's Lake in West Bloomfield Township for his wife and seven children. James, a strong Jacksonian Democrat, served two terms in the Territorial Legislature when the capital was at Detroit.

The first schooling Josephus received was in an old stable that had been fitted up for a schoolroom. The opportunities for book knowledge were extremely limited and after working for his father until he was 18, which seemed expected of children in those days, he moved to Romeo to live with an uncle. It was here that he got to attend high school where he graduated with honors.

For four years Josephus

'read medicine' with a doctor at Almont, assisting with cases and riding with the doctor as he went his rounds, storing up in his mind all that the physician had to tell him.

His next step was to enter the Eclectic Medical Institute in Cincinnati, Ohio where he graduated with his degree of M. D. in 1856. The Eclectic method followed the belief that nature was the best restorer and the doctor's job was to aid nature by placing his patients in proper condition. Sometime later Josephus took a term of lectures at Ann Arbor. Compared with the amount of training doctors must have today, this doesn't seem adequate and yet Doctor Goodenough was one of the most conscientious and hard working physicians in this area.

The first seven years of his practice were in Macomb County and the next eleven he had his office and home in Waterford. During this time, some of his years of schooling were simultaneous with his years of practice. Following the death of his first wife, Eleanore he spent several years traveling through the South and West, staying one year in Texas, picking up all the additional medical knowledge he could.

In 1871 he located at Clarkston, remarried and raised a second family. This second wife must have been a cheerful, forbearing person—a daughter born to this marriage was named Eleanore, after the first wife.

In his spare time, Doctor Goodenough turned author. Many of his contributions were printed in Medical World and Medical Journal. He had a thriving practice in Clarkston and

The L. R. Weiss home on North Main Street where Doctor Goodenough had his office.

had his office in an upper corner room of his home.

Every moment that he wasn't busy with his patients Josephus began a book, published in 1902. This was a careful compilation entitled "Favorite Receipt Book and Home Doctor" which was issued by the Dickerson Publishing Company of Detroit. Had there been such a thing

as a best seller list in those days, this book would have been on it. Only a year after publication, an order was received from South America for 500 volumes.

Despite what today would be considered a drastic lack of medical training and education, Doctor Goodenough filled a real need in the society of his time.

The Village Players are busy rehearsing for their annual melodrama production. This year they have chosen "For Her Child's Sake" as the play which will close the season for the Players.

To be held at the Depot Theater on White Lake Road, the dates scheduled are May 5, 6, 7, 11, 12 and 12. All

DO YOU KNOW . . .

where Shawnee or Shawneetown was located? Apparently it was somewhere near the edge of Independence Township but that's all the information we have.

if there is a picture available of Frank Yeager, one of Clarkston's blacksmith's?

if there is information or pictures available of the John Green family who emigrated to Clarkston in 1832 from New Jersey. Married to Elinor Addis their family was as follows: Holly residents—Maurice, Samuel and William; Clarkston residents—Daniel (farmer), Hugh (painter and paper hanger), Peter (livery business), Mrs. Elizabeth Voorhees and Mrs. Margaret (Herwig) Scadding and a Pontiac resident—Mrs. Rebecca Osmun. Somebody's grandparent must be listed here.

if there are pictures or information on Adam and John Fisher, father and son, who come to Independence in 1832. John Fisher's sons, Edward, John, Martin G. and Adam, lived in this vicinity at least past the turn of the century.

First Nighter seats have been sold to the Drayton Plains Lions Club.

Tickets for the other performances are available from any Player member or at King's Insurance.

Directing the melodrama is Donna Fahrner and Jack Frost is the producer. The cast includes: Carl Wampler, Kathy Cummings, Homer Biondi, Char Frost, Harry Fahrner, Marlene Sewick, Jane Cain, Nancy and Jim Frady, Dick Leaf, Billie Crowley and Gay Ann Blackett.

Seymour Lake

By Gladys Sherwood

Mrs. George Scott and Miss Carrie Buckindale returned Saturday from a plane trip to Jonesville, Georgia where they were guests of Mr. and Mrs. Dale Scott. Enroute home they stopped in Cincinnati and visited Eleanor Scott.

Mrs. John Cook entertained a number of friends at her home on Seymour Lake Road Tuesday morning at a Copper demonstration. People attended from Allen Park, Pontiac, Clarkston, Ortonville and Seymour Lake.

Mr. and Mrs. Leslie Wright entertained a few friends Thursday evening for dinner as a surprise in honor of the birthday of Mrs. Wallace Guile. The evening

was spent visiting.

Mrs. George Granger entertained the W. S. C. S. for dinner this week.

SUNDAY SERVICE

"PROBATION AFTER DEATH" is the subject of this Sunday's Lesson-Sermon to be read in all Christian Science churches.

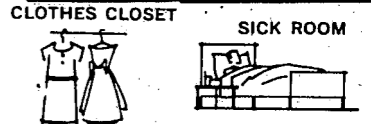

The Golden Text is from Psalms 139:

"Search me, O God, and know my heart: try me, and know my thoughts:

And see if there be any wicked way in me, and lead me in the way everlasting."

COOK WEEZ GAS FOR FLAME-KISSED GOODNESS

OUTSTANDING NEW FEATURES SAME WONDERFUL FLAME

In the new gas ranges, you'll find the same reliable flame that's always been a favorite with famous chefs. With a wizardry all its own the gas flame lends a magic taste to foods... a delicious flavor that delights everyone. Yes, the flame's the same, but my, how the rest has changed! From the swinging new styles, to the automatic features that literally think for themselves, the new gas ranges do wonderful things for a cook... and her kitchen.

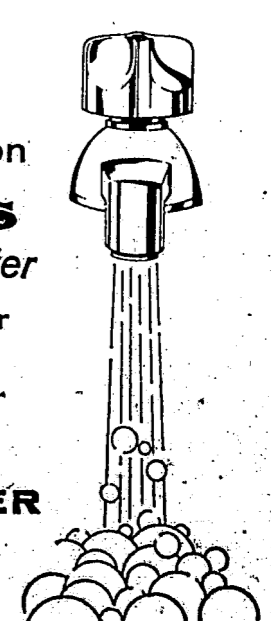

SEE YOUR GAS APPLIANCE DEALER

no muss, no fuss, when you use the wonderful **GAS FLAME** for outdoor cooking.

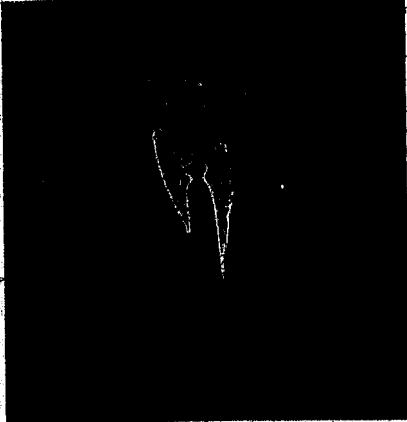

THE SMART NEW **GAS Grill** is clean, fast, economical and smokeless

A MODERN Fast-Action **GAS Water Heater** is the answer to today's demands for more **HOT WATER** at low cost

Neat and tidy, with no tracks attached, is a special study going on in the fifth and sixth grade classes at the Clarkston Elementary school. The object of the study is that priceless thing used and misused by man daily, "The Soil Beneath Our Feet". Samples of the good earth have been gathered by the students and brought to class where it is intensely dissected in order to reveal its unusual properties. Four of Mrs. Robbins participating students are Steve Mauti, Diane Fuller, Mark Hallman and Sharon Walker.

Guest speaker

Wesley R. Kimball, Director of Aerospace Education of the Great Lakes Region Civil Air Patrol, visited Clarkston Composite Squadron CAP on Wednesday, April 5th.

Mr. Kimball is assigned to the USAF/CAP Liaison Office at Wright-Patterson Air Force Base, Ohio and was in Michigan to discuss having an aviation education program introduced into the curriculum of the schools in Utica, Michigan and at the Macomb Junior College.

During his Michigan visit Mr. Kimball also addressed Mott Foundation representatives regarding the aviation and aerospace education programs of Civil Air Patrol.

Red Stocking Revue Time in Rochester

It is Red Stocking Revue time again in Rochester! The Junior Women's Club of Rochester extends an invitation to all in the Clarkston area to attend their bi-annual Red Stocking Revue.

The Revue, being presented for the fourth time, is a variety show featuring Rochester area talent. It is produced by Jerome Cargill Productions, Inc. of New York City and will be presented Friday and Saturday, April 28 and 29 at 8:30 p. m. in the Utica Community High School Auditorium.

Proceeds from this year's Revue as in previous years will benefit community projects. General Chairmen, Mrs. John Allen and Mrs. Arthur Tobiassen, announce proceeds from this year's Revue are designated for the "Recreation for Youth" program in Rochester.

CHICKEN DINNER

The Thomas O. E. S. at Oakwood are having a Chicken Dinner on Sunday, April 23rd. Serving will take place from 12 Noon until 3 P. M.

Local C. A. P. Unit Honored

For the second consecutive year Clarkston Composite Squadron Civil Air Patrol has been named the unit in Michigan Wing with the best information program.

The annual presentation of National Information Awards recognizes outstanding Civil Air Patrol information programs and the individuals who direct them. Selection is made by National Headquarters and is based on the IBM processing of data furnished monthly by the information officer. This data reflects the quantity of material released to and used by the local news media. At Wing and National Headquarters the data is evaluated for quality and scope.

2/Lt. Marilyn Moore CAP directs the information program of the Clarkston Squadron and releases articles and pictures of unit personnel and activities to the local

Marilyn Moore

papers and to the CAP Times. Spot announcements regarding the many facets of the CAP Cadet and Senior Programs are released to and used by Radio Stations WPON in Pontiac and WLDM-FM in Oak Park. A Squadron publication called the "Clarkston CAPSULE" is published monthly and keeps the unit members informed of unit and individual achievement.

Collisions cause minor injuries

A collision occurred at the White Lake Road corner at Dixie Highway on Sunday afternoon at 4:55. Alva Powell Jr., 20 of 4166 Jackson in Davisburg and his wife, Laura Lee Powell, 29 both received type C injuries. Their car was struck by one driven by Sidney Nickerson, 46 of 4725 Deerfield also in Davisburg.

Both cars had stopped for the red flasher light, and Nickerson who was driving a Ford pickup reached down to pick up a dog from the floor of the vehicle when his pickup ran into the Powell auto. Nickerson was cited by sheriff officers for "following too closely."

Saturday evening at 6:10 two cars collided on Main street in Clarkston. Mrs. Cynthia Kelly Kirby, 17 of 5050 White Lake Road received type B injuries.

Her car was struck by an auto being driven by David Wood, 18 of 6787 Transparent. He was travelling west on Church street, he stopped at the main street intersection, but a parked car obstructed his vision and he pulled out in front of the Kirby car. She was going south on Main street at about 10 miles per hour she told sheriff officers who investigated.

Wanted: Mothers for counselors

Dear Ladies of Clarkston:

Our annual Girl Scout Day Camp is just around the corner and we can't find enough mothers to be our counselors. Our leaders told us the training starts April 26th with two more sessions on May 10-17. We don't have much time left to find 20 mother's so we thought we'd write to you. If we can't find counselors by April 23rd, we just won't be able to have Day Camp this year. Do you have anything planned for the week of June 19-23? Please, won't you call Mrs. Gallivan at 625-3556 and go day camping with us?

Sincerely,
The 150 + Girl Scouts of Clarkston who are planning to go day camping.

Women attend "House" conference

Twelve Clarkston women attended the very informative and enjoyable Oakland University "Every Woman Has a House" Conference on April 12, 1967. The speakers dealt with many aspects of the home as well as different types of women. They made the participants think about their particular situations and how the information applied to them as individuals. Those attending from Clarkston were Mrs. Harold Ford, Mrs. Donald Cooper, Mrs. Gray Robertson, Mrs. Peter Elliman, Mrs. Robert C. Jones, Mrs. Frank Russell, Mrs. Lewis Sutton, Mrs.

Peter Rose, Mrs. Kenneth Barks, Mrs. Richard Johnston, Mrs. James Cowen, and Mrs. Charles Robertson.

The last of the Spring conferences will be on May 6, 1967 and is entitled "The Dual Role". This conference pertains to working mothers and how woman's role has evolved from the farm wife and neighbor to the jet-age mother of many talents. For further information contact either the Dept. of Continuing Education Conferences at Oakland University or call Mrs. Charles Robertson at 625-2317.

Scouting in Sashabaw

Reports were submitted at our monthly meeting on the successful 4th Annual Banquet held April 6. Over 400 mothers and daughters attended. Cadettes acted as toastmistress and Mrs. Jos. Crosby and her daughter Lora Ann, a Brownie, gave a mother and daughter reading.

This year our neighborhood Scouts sold 8496 boxes of cookies. This was more than any other year.

Troops now are working hard to prepare themselves for a Week End Encampment to be held in May at Camp Sherwood. One troop under the leadership of Mrs. Alfred Watson went to Sherwood for a weekend recently to look over the sites and get experience for this coming outing.

During the year troop 877 has been collecting extra pennies in their Penny Bin. They recently divided the money and made donations to Care, March of Dimes and Foundation of the Blind. They also took a field trip to Cranbrook which they greatly enjoyed. Mrs. Steve Karpovck is their leader.

District Meeting at the Drayton Heights Free Methodist Church, Maybee at Winell Roads, Independence Township. Dr. Byron S. Lamson, editor of THE FREE METHODIST, the official organ of his denomination, will be speaking in all the services April 21-23. His messages will be enriched by his first-hand knowledge of conditions in many parts of the world. During his tenure as missionary secretary Dr. Lamson visited all the Free Methodist mission fields of Latin America, Africa and Asia. He will be speaking in the evening services at 7:30 and at the 11:00 a.m. and 7:00 p.m. services on Sunday. Rev. Dale Woods, the Pontiac District Superintendent, and Rev. Thomas Dunn, the host pastor, cordially invites you to attend.

Galilee. That is where Jesus of Nazareth spent much of His time spreading the good news of salvation. Sunday April 23 at 7:00 P. M. is when area residents have the opportunity to hear this same gospel message through the Galileans Quartet. They will present their musical ministry at the Andersonville Community Church, 10350 Andersonville Road—5 miles west of Waterford and 1 1/2 miles east of Davisburg. Following their ministry, Joe Luketich of Detroit Bible College will deliver an evangelistic message.

Cancer Crusade will conduct survey

Mrs. Maynard Kizer, 80 North Main Street, Clarkston area Chairman for the Michigan Cancer Foundation's annual April Education Crusade, is meeting with volunteers to train them for the April 24th house-to-house survey on Breast Cancer which is being conducted by the Foundation's Research Department.

The Michigan Cancer Foundation hopes to cover 250,000 homes in Southeastern Michigan and gather information of vital interest to a research study into possible pre-determining factors in the development of breast cancer.

John Dinu, Field Representative for Oakland County will meet with the volunteers and tell the importance of conducting such a survey. "Breast Cancer is the No. 1 killer of women in America today. Our Research Division is directing all of its facilities toward seeking pre-determining factors within the human body—perhaps in the genetic make-up of a woman—which may pre-dispose her to this disease. We are asking our volunteers to participate in this most worthwhile endeavor."

Mrs. Kizer stressed the fact that "this is not just a Crusade for the purpose of distributing informational

literature to homes in our area—although this will be a part of it. This actually is a Crusade to save lives—to save more than 26,000 women marked for death every year by breast cancer."

As a cancer control agency supported by the United Fund, the Michigan Cancer Foundation does not solicit funds during the Crusade.

It's cold up there!

Seaman Apprentice Thomas R. Hawke, USCG, son of Mr. and Mrs. Robert L. Hawke of 5553 Pleasant, Drayton Plains, is participating in the International Ice Patrol as a member of the U.S. Coast Guard Cutter Evergreen.

The Ice Patrol is conducted in the Grand Banks near Nova Scotia and covers an area of approximately 300,000 square miles.

In addition to spotting and reporting locations of icebergs, the patrol gathers all available information concerning tides, currents, water temperature, and weather conditions in the patrol area.

The Evergreen will also be available to render assistance to any vessel in distress in the area until the conclusion of the patrol in June.

GRADUATES FROM WMU

Mary Cathlene Hinkley of 6655 Langle, Clarkston received her Bachelor of Science Degree and Elementary Provisional certificate at Western Michigan University's commencement. It was held at 3 p. m. on Saturday, April 15 at Read Field House.

More than 1,400 diplomas were awarded at which time Agnes de Mille, famed dancer, author, and choreographer presented the Commencement address. During the program she received an honorary Doctor of Fine Arts degree. She is a niece of motion picture director Cecil B. de Mille and a cum laude graduate of the University of California.

Phone 625-4921

Today Carol and I dusted her doll collection and packed it away. I must admit to a feeling of sadness for the moment made all of the wedding preparations suddenly become real. Carol is being married in less than a month, yet it seems only yesterday John and I brought her home from the hospital.

Hansel and Gretel were last, and I smiled as I packed them. For they remind me of Carol and her young man. They seem such dreamy young innocents, but are really quite practical. Already they've solved many of the problems John and I never thought of until after our marriage. Yes, their path is well marked through the forest of matrimony.

To be sure, they may have troubled times, but they share a deep and abiding love for God that promises strength and comfort beyond their own resources. With God and His church at the center of their lives, they cannot fail.

THE CHURCH FOR ALL

ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sparking a spring theme in the 5th grade room is a bulletin board of high flying kites. With Miss Marlene Sewick as their teacher the class did a bang up job of adding character to the paper people. Taking their imagination a little further are (l. to r.) Lawrence Perkins, Shawn McAnally, and Dale Baumgardner while Sherry Chambers and Patti Easton are either ducking or tying on kite tails, just can't remember which.

Decided the only place for Larry Young was on a pedestal. Larry, who is a student of Mr. Krugar's at the Bailey Lake school returned from the District Spelling Bee with an 11th place ribbon. This automatically makes him school champ. Rebecca Smith, another 6th grader (a student of Mr. Griffiths) was the runner-up, an honor to be very proud of. The contest was held this year at the West Junior High in Rochester.

Local girl will tour with Albion college choir

Mary G. Wertman, daughter of Mr. and Mrs. Robert D. Wertman of 52 South Holcomb in Clarkston is one of the 70 member Albion College Choir who will perform six concerts in Michigan, Delaware, and Maryland during their 36th annual spring tour April 19-23.

The first concert is scheduled for Friday, April 14 at the Goodrich Chapel on the Albion campus. The following week the choir will make appearances in Port Huron and in Milford, Delaware, also scheduled are concerts in Severna Park, Maryland and Beltsville, Maryland.

The tour will conclude on Sunday, April 23rd with concerts at Nardin Park Methodist Church in Farmington at 10:45 A. M. and St. James Methodist Church

in Detroit at 4:00 P. M.

Under the direction of David L. Strickler, chairman of the Albion music department, the choir will offer a varied program which will feature two sides of the famous 19th Century composer Johannes Brahms.

The choir will sing one of Brahms' sacred motets, "Wherefore is the Light Bestowed on the Disconsolate," and follow it with the entire second set of Love Song Waltzes composed by Brahms relatively late in his career. The program will also include three hymns especially created for the choir and recorded by them in 1966 in their album "An Introduction to the New Methodist Hymnal." The selections are "Turn Back O Man," "Now the Green Blade Riseth" and "The Lord Will Come and Not Be Slow."

The album of 14 hymns was the second album re-

corded by the choir for the Board of Education of the Methodist Church. In 1964, the choir recorded 12 hymns entitled "Hymn of the Month, Album 2."

David L. Strickler is in his 24th year as conductor of the Albion College Choir. Organist Dr. John Obtez, assistant professor of music, will accompany the group.

Show-O-Ree scheduled for May 20

The annual Manito District Scout Show-O-Ree featuring live demonstrations and exhibits covering a wide variety of Scouting subjects and skills will be staged at McFeeley's Resort just south of Ortonville on May 20th. The Saturday event will be open to the public from 1-5 P. M. Two thousand Cub Scouts, Boy Scouts and Explorers have launched a campaign to sell tickets for the affair.

The theme for the show

is "Scouting, For Friendship," in keeping with the theme of Scouting's Diamond Anniversary and the world Jamboree in Idaho next August.

Special events this year will include a "Cub-O-Rama" featuring skits performed by several Cub Scout packs from throughout the district, and an "Explorama" which will feature such activities as actual sailing demonstrations, shooting gallery, and safe driving demonstrations all conducted by the Explorers.

Tickets for the show will be available from any Cub, Scout or Explorer, or may be purchased at the event on May 20.

At Sea near Vietnam

Seaman Apprentice Brian J. Palcsak, USN, son of Mrs. Pearl A. Palcsak of 3534 David K. Drive, Waterford, is at sea off the coast of North Vietnam as a crewman aboard the world's largest warship, the nuclear-powered attack aircraft carrier USS Enterprise.

With her angled flight deck four and a quarter acres in area, the mighty "E" has a complement of 120 officers, and nearly 3,000 men. As part of the ship's crew, he

helps to launch and recover the approximate 100 planes attached to the various air squadrons. These planes are flying round-the-clock air strikes over enemy targets in support of U.S. allied forces.

As their primary targets, pilots are attacking the railroads, bridges, troop concentration areas, and supply routes which are so vital to the enemy's war effort.

The Enterprise is homeported in Alameda, Calif.

RUMMAGE SALE

The Women's Association of the Sashabaw United Presbyterian Church will be holding a Rummage Sale on Friday, April 21st. It will be held at the Power House at 90 N. Main Street, Clarkston. Hours are from 9 A. M. until 2 P. M.

Voices of Spring

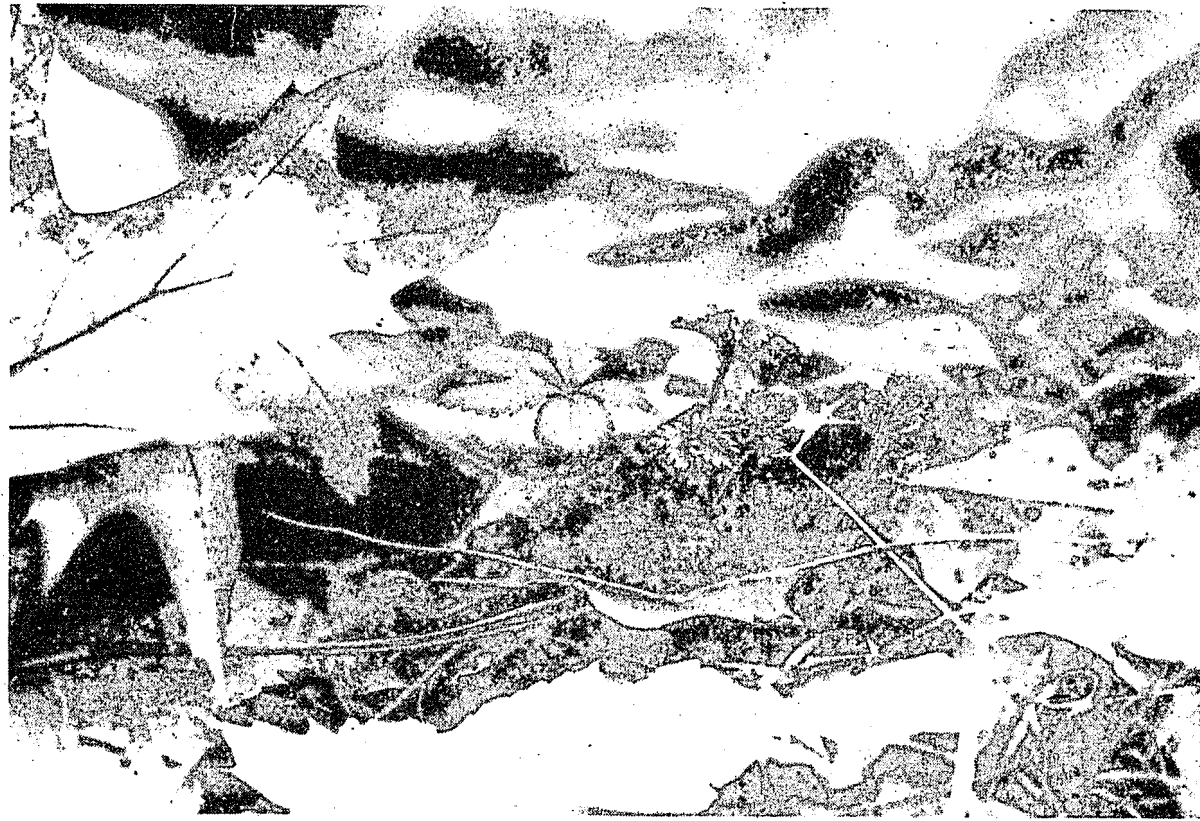

REMEMBER?—When you were a little fellow, your joy was finding mud puddles to get your bicycle stuck.

YOU GREW UP—The joy of bicycles and mud puddles left when you got your first car. No more was there any fun in getting your machine mired in. Our back roads are a mess—fair warning to sightseers.

Photo Feature

START MAKING SHORTCAKE — Wild strawberries are pushing their tender runners through last years ground cover.

SNAKES ALIVE—The garden variety, as well as others, are slithering about.

HEAR IT?—The sound of children playing in periodic woodland ponds.

Tootie Robinson and Kyle Anderson strike a fitting Gay Nineties pose, one they'll repeat for the public in the "Our Musical Heritage" program.

VACANCIES ON SCHOOL BOARD

There will be 2 four year terms of office expiring on the Clarkston School Board of Education. Qualified electors seeking nomination to the Board of Education must have their petitions in the office of the Board of Education not later than 4:00 P. M., May 13, 1967. Such petitions must be signed by not less than 50 registered school electors of the district. Nomination petitions may be obtained from the Board of Education office located at 6595 Middle Lake Road, Clarkston, Michigan.

Walter Wilburg
Secretary, Board of Education
