CLARKSTON, MICHIGAN 48016

THURSDAY, JULY 25, 1968

3 SECTIONS

NUMBER 48

WHAT'S THIS—9 month old Nancy Bishop was on the sidelines with her parents watching her brother Steve pitch for Perry Pharmacy. For more pictures of Clarkston recreation league baseball action last Tuesday night see inside.

## Swimming accident injures local youth

John Dark, known to his friends as "Gerry" suffered a fractured neck while swimming with friends in the mill pond last Thursday afternoon. The 19 year old youth, son of Mr. and Mrs. Gerard Dark of 53 Robertson Court is in Pontiac General Hospital. Upon arrival there by ambulance he was immediately placed in a Stryker frame or as is more commonly known a "circular bed".

and from his room in 526 manipulates himself in the specially designed bed equipped with traction.

The mishap occurred at the rear of the Malen Ellsworth home about 2:30 P.M. on Thursday. Four youths were swimming together; Gerry, King Robinson, Stu Cooney, and Chris Torr. Gerry now remembers that he slipped as he was about to dive from the shore and believes that he struck his head on the bottom of the pond. His companions immediately realizing the extent of his injuries hastily summoned an ambulance.

Gerry attended Flint Junior College last year and was enrolled at Central Michigan University for the fall term. His father was on a fishing trip in Canada at the time of the mishap. He had tried to reach home by phone that evening but phones on Robertson Court were out, due to a wet cable, and so it was not until the following evening when he called home that he was notified of the accident. He then began the long drive home and arrived here on Saturday morning.

Gerry welcomes all visitors and is heartily cheered by mail. There will be a prolonged stay of 6-8 weeks in the hospital for the lad report family members.

The youth, who was immediately told the extent of his injuries is in excellent spirits according to a spokesman for the family. Physical therapy was to begin on Tuesday but as of Monday afternoon he had retained the use of his hands, arms, and shoulders.

He thoroughly enjoys visitors

## Independence Township Board notes from Tuesday

Complaints were heard from several areas; noxious weeds, outdoor dance pavilion; loose horses, and skin diving at Deer Lake.

The noxious weed ordinance was explained by supervisor Duane Hursfall. He said where a subdivision was 60 percent developed weeds had to be cut if they reached 12 inches. Acreage control is not covered in the law.

The dance pavilion, being constructed at Pine Knob Ski Resort, was criticised as possible noise nuisance. Hursfall said the resort qualified for the building permit under their "recreation" category in the ordinance.

Clerk Howard Altman raised the question of the resort's present liquor license would allow them to sell spirits outside the resort building. It is to be checked.

Horses on the loose was brought up by another citizen. She wondered if they couldn't be fenced in rather than staked out. Hursfall said the matter was being taken care of, probably this week.

Mrs. Brzeyinski appeared before the board to seek permission for she and her husband to skin dive in Deer Lake. She said, "I feel anyone who owns property here should be allowed to use Deer Lake." The township Board, expressed the feeling she had a good point.

She explained they had invested \$4,000 in property here for the sole purpose of being able to skin dive in the lake and had been refused a permit to do so. She said the real estate agent had discouraged them

from buying property on the lake because they could use the public beach.

It was the decision of the Board that, since the recreation committee had spent so much time on the beach question, they should be consulted on any possible changes in rules. One possible change is to issue permits to non-resident property owners, but not allow them to bring guests.

The rule is now that only township residents and their guests can use the Deer Lake beach.

The Board passed a resolution favoring the county road commission's millage vote of August 6. County residents will be voting on a 1 mill increase for road maintenance. It was a 3-2 vote with Clerk Altman and Trustee Bennett opposing.

Because of the election date conflicting with the next regular meeting of the Board the date was changed to August 7. The time is the same, 7:30, and the place the same, Township Hall.

## Rotary speaker

Clarkston Rotary will have as its program on July 29th, a representative of Synanon in Detroit.

He will discuss how they help "People to be absorbed into a responsible community", after the people become astray. Clarkston Rotary meets at 6:30 p.m. Monday at Howe's Lanes.

From the farmer's field

## Wins county Soap Box Derby

Mark Witherup of Clarkston was the winner Saturday in the Oakland County Soap Box Derby. He is the 15 year old son of Mr. and Mrs. John Witherup of Chickadee Lane. He topped the 41 entries in a photo finish and as a result took the top prize of a \$500 savings bond. He will now travel to Akron, Ohio in August to enter the National Finals of the Derby.

Mark won in the 10th round of race competition. Second place honors went to Mike Guzman of Pontiac and winning third place was John Richert, also of Clarkston. He lives on Orion Road and is 12 years old.

It was the first Soap Box Derby to be held locally since 1936 and it is estimated that 10,000 people watched it. It was 6:30 P.M. before the race was over.

When Mark gets to Akron on August 24, he will be competing for \$30,000 in scholarships. There will be entries from all 50 states. Cheering him on will be all of the 43 county contestants who are being furnished with a trip to Akron by the participating Chevrolet dealers. Tom Rademacher, Clarkston is the local sponsor as well as the Clarkston Area Jaycees.

The days festivities began at the County Service Center with a fifteen (15) unit parade including drivers of the racers (43); Rae Vens a nationally acclaimed girls drill team; Optimist Band of Windsor, Ontario; Waterford Kettering High School Band; various celebrities, The Camel Drivers recording group; Toby David (Captain Jolly), Dave

MARK WITHERUP

Diles sports announcer of Channel 7 T.V. Detroit; Pete Harlow (Detroit Soap Box Derby Director), and many others; antique automobiles and an old fashioned Calliope.

To begin the racing day was the celebrated Oil Can Derby where the celebrities of the day drove specially prepared derby racers down the race track trying for the coveted Oil Can Derby trophy. Winner of this event was Tom Tracy of Firebird Football team.

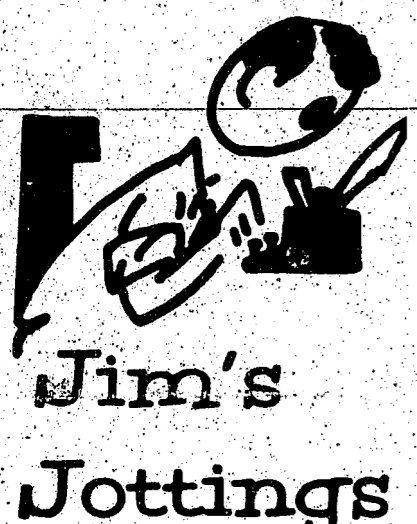

After this event the serious racing began for the 43 boys and their cars, in a double elimination competition. This competition started at 1:30 p.m. and was not finished until 6:00 P.M. with the final race of Mark Witherup and Mike Guzman.

The chairman representing the Jaycees and coordinating manpower and publicity was Lyle Kittridge of the Waterford

Jaycees. Dick Wilton, State Vice President of the Michigan Jaycees from Clarkston was Heat director for the race events.

Kurt Richter, past president of Rochester Jaycees represented Toledo Scale for the official weighing in of cars and drivers.

All participating boys received a trophy commemorating the Derby. These trophies were presented by Dick Wilton State Vice President in the name of all Jaycee Chapters of District 18. Second, third, and fourth place winners received bicycles provided by the 6 participating Chevrolet dealers. First place Trophy, \$500 Savings Bond and expense paid trip to Akron provided by the Chevrolet Division of General Motors. All boys also received helmets and sweatshirts commemorating their day of Soap Box Derby competition.

In a couple weeks the National conventions will take over the front pages and the tube. It was while thinking of that and listening to a crowd in Illinois cheer Rocky that the thought came to me... Will there ever be a candidate for any public office that will influence me to the extent that I will yell, whistle and stomp my feet?

There hasn't been one yet and there are none on the horizon. Watchin' the conventions I get the idea I'm in the minority.

A few years ago we in Oakland were asked by ballot to vote 4 mills for building a new county court house. We were flatly told that if we didn't vote the millage the house would be built anyway. We didn't and it was.

It was built out of a fund referred to in the vernacular (always wanted to use that word) as the "slush fund."

I really feel it is from these birds that the road commission should be getting their millions for road maintenance and not from the ballot. The county has \$2.5 million coming from the state in income tax that is uncommitted and they still have money in the slush fund. This is where the road main-

tenance money could come from and the property owners wouldn't have to be gouged again.

I get the feeling we're fighting a losing battle on this subject, though. The county is so dominated by the south portion and too many people say, "One mill. That's not much. Let's give it to 'em."

Where the vote is for one mill or less the voters seem to forget how much it is. Last year we voted (it didn't carry in this area) a quarter mill for recreation. That ended up at more than a mill because it was matched on the state level and the 2 quarters were matched in Washington.

One mill isn't much. It will only yield \$2,500,000.00 in Oakland county.

I've never seen a year when so many people seem to be involved in painting their houses. I even got into the spirit, although when I look into the mirror after a couple hours at the end of a brush I know I've been into more paint than spirit.

## Saturday window service at P.O. curtailed

Effective this Saturday, the 27th, all regular Saturday window service at the Clarkston Post Office will be discontinued. Also on Saturday, the collection of mail from street deposit boxes for Saturday's will be adjusted to the generally less-frequent Sunday collection schedules.

Postmistress Elizabeth Ronk also noted that all planned extensions of city and rural delivery were curtailed. At this time there are no plans to provide mail delivery service to new housing subdivision and apartment projects.

Mrs. Ronk has been advised by Postmaster General W. Marvin Watson to comply with the cutback required by Congress under the recently enacted tax bill by reducing some postal services and curtailing new hiring. The congressional mandate to cutback Federal employment to the June 30, 1966 level will affect 83,238 employees for the postal service.

# obituaries

## Lysle M. Basinger

Memorial services were conducted for Lysle M. Basinger in the chapel of Peters Funeral Home in Grosse Pointe on July 5. Rev. Mr. Schultze of St. Philips Episcopal Church officiated and burial followed in Forest Lawn Cemetery, Detroit.

Mr. Basinger, who was 54 had resided at 8 E. Washington Street in Clarkston for the past 3 1/2 years. He had worked in tire marketing for 30 years. He was a member of the Moslem Temple A.A.O.N.M.S. of Detroit Masonry. He is survived by his wife,

Ruth of Clarkston; three sons and four grandchildren.

## Rev. Fr. Eugene

## Bork, S.J.

Funeral services were conducted on Tuesday, July 23 at Colombiere College, Clarkston for the Rev. Father Eugene Bork S.J. Father Bork, who was 79 had been ill for 5 years. He died on Saturday, July 20.

He came to Colombiere College 2 1/2 years ago from St. Patrick's Parish in Cleveland, Ohio.

Arrangements were made by the Sharpe-Goyette Funeral Home and burial took place in the Colombiere College Cemetery.

He is survived by a sister-in-law, Mrs. Clara Bork of Tiffin, Ohio.

## Charles B. Gallas

Funeral services were conducted at 11 A.M. Monday from the First Methodist Church for Charles B. Gallas of 5976 Mary Sue in Clarkston. Mr. Gallas, who was 63 died on July 17 following an auto accident near Saginaw.

He had been an inspector at Pontiac Motors. Mr. Gallas was a member of the First Methodist Church.

Rev. Frank Cozadd officiated at his services which were arranged by the Lewis E. Wint Funeral Home. Burial followed in Lakeview Cemetery.

He is survived by his wife, Willa; one daughter, Mrs. Jack C. Frost of Clarkston; two grandsons, and two sisters; Mrs. Clara Hoagland and Mrs. Lee Senac, both of Texas.

## Donald McGrath

Funeral services were held on Monday, July 22 for Donald E. McGrath. Mr. McGrath, who was 66 was the father of Harry J. McGrath in the Clarkston school system.

Mr. McGrath died suddenly on Thursday, July 18. He had been employed as engineer and consultant with engineering firms and had also been with the Pontiac school district and City of Pontiac in various capacities. He was a member of the Pontiac Rotary Club.

His services were conducted from the Huntoon Funeral Home and burial followed in Ottawa Park Cemetery.

He is survived by his wife, Ercel; two sons, both of Waterford Township; six grandchildren and a brother.

## Myrtle Skinner

Former Clarkston resident, Miss Myrtle Skinner passed away July 17 at the age of 83. Her services were conducted on Friday, July 19 from the Sharpe-Goyette Funeral Home. Burial followed in Lakeview Cemetery.

She was a member of First Methodist Church in Clarkston and Central Christian Church in Pontiac. She was also a Clarkston Pioneer Club member.

## Bloodmobile location

The Red Cross bloodmobile will be located at the Pontiac Township Hall, 2060 Opdyke Road on Monday, July 29 from 2:00 to 8:00 p.m.

Those wishing to donate blood are asked to call 852-4545 to make an appointment.

Tim Thompson, Clarkston Shoe team's first baseman, steps on first and watches his fly ball fall safely for a single. Village Clinic first baseman Jeff Jones walks away after not getting the throw.

## Trustee and constable only to appear on primary ballot

"Terms of township officers will stand according to the state law" so said the Michigan Supreme Court in a ruling on Saturday.

Three Waterford Township residents had filed suit in their township when the clerk there refused to accept their nominating petitions for the office of supervisor, clerk, and treasurer.

Oakland County Circuit Court Judge William Beer had ruled that the law, the purpose of which was to eliminate the lame duck period was unconstitutional. Township officers previously elected in November did not take office until the following April.

The issue has caused confusion for weeks prior to Saturday's ruling. If the court had upheld the ruling, ballots would have had to have been reprinted.

In Independence of the terms of Clerk Howard Altman, Supervisor Duane Hursfall and Treasurer Ken Johnson are automatically extended. They will now have to run in the August 1970 Primary. The term of Harold Bauer, Trustee will also expire at the same time.

Appearing on the Primary ballot in the August 6 primary will be candidates for trustee and constable on the local level. Incumbent Merle Bennett and Robert Kraud are running for

trustee on the Republican ticket. On the Democrat side will be Charles Curry Jr.

Two are seeking the constable seat. They are Kenneth Pawley, Republican and Don Trarop, Democrat.

The deadline for obtaining absentee ballots is Saturday, August 3 at 2 P.M. Altman told

the News on Tuesday that he was already beginning to get the 17 voting machines ready for the election.

## Dehydrated foods more plentiful

Use of dehydrated foods is on the upswing, according to Michigan State University home economists. About 1,500 new food products will appear on the grocers' shelves across the country this year.

Among new products will be fruits and fruit products -- even applesauce -- in dehydrated forms.

Tomatoes, greenbeans, peas, and asparagus, as well as cot-

tage cheese, processed cheese, and dairy dips, will be on the market as dehydrated foods. Meats of improved quality and flavor will be available as new drying techniques emerge. Salmon from Alaska, lobster tails from South Africa, papaya powder from Hawaii and banana powder from Ecuador could be among the delicacies of the near future.

## SEE US FOR KAISER ALUMINUM Low Maintenance Exteriors

### ROUGH SAWN SIDING

Here is the most attractive all aluminum exterior today. It truly looks like expensive rough sawn select grade painted wood. But with all its natural beauty, it won't need painting for years ahead. Kaiser Aluminum Rough Sawn Eight-Inch Siding is used by architects in finest of homes. The colors are unique. The choice of matching beveled and corner caps or corner post creates a look of master carpentry.

### SCULPTURED SIDING

This classic design comes to us from architecture that is pure Americana. Kaiser Aluminum Sculptured Siding duplicates hand-crafted siding found in the most beautiful homes throughout America. Each panel presents a smooth-plated eight-inch face, with round mauling along its bottom edge. This is a premium style. With matching corner posts, it makes an exterior of unified and lasting charm.

### PATTERN 5-16

All new from Kaiser designed to stimulate the popular barn wood exterior, without the maintenance. Available in five prestige colors and guaranteed for twenty years.

### RUSTIC SHINGLE

Kaiser Aluminum Rustic Shingle is the most realistic aluminum shingle ever developed. Almost undistinguishable from hand-split shake. It is engineered to give your home a neat, finished appearance in every detail. All accessories are precision engineered, to assure proper matching and added protection.

### SHUTTERS

Coated with a beautiful satin-finish baked enamel. Hastings Aluminum Shutters are ready to install without further painting. And it takes only minutes to install them using only a screwdriver. Colored mounting screws are furnished with each pair.

### SOFFIT AND FASCIA

This is the hardest place on your home to keep painted. Let us cover your soffit and fascia with permanent finished aluminum. Make your home maintenance free.

### GUTTERS and DOWNSPOUTS

White aluminum gutters will guarantee you years of maintenance-free service. Made of heavy gauge aluminum with baked on Kalsield finish they are not only beautiful but practical.

**CURVE COMING**—Over on another diamond the bigger boys were battling. Ed Medlin, American Legion Post 63 pitcher, lets a warm-up pitch go. His team defeated Haupt Pontiac 6-3 Tuesday.

### Swimming relays Saturday

There will be lots of activity at MacDougall's at Deer Lake on Saturday. The annual swimming relays will take place at 2 p.m.

Swimming classes have been going on there daily, under the direction of Mr. MacDougall for the past several weeks. And now the relays between the boys and

girls will be taking place. A special match will also take place between two 6 year old swimmers. They are Sammy Swab and Mike Gardner. They have been swimming in 14 seconds flat, but this will be their first match. For real fun and enjoyment, plan to get out to Deer Lake on Saturday to watch.

### Sheriff reports accidents

Three accidents were reported by the sheriff department for this area over the weekend. A driver with nine children in her car was cited for failure to yield when she did not stop as she turned off from White Lake Road onto Dixie Highway. She was Virginia Lutz, 38, of 5585 Halstead in Walled Lake. She was struck by an auto driven by Irwin Kampner, 61, of 141 Ogemaw, Pontiac.

He told officers that he was travelling south on Dixie Highway when Mrs. Lutz pulled out in front of him. The accident happened at 3:45 p.m. on Friday. No one was injured.

Sunday, at 7:47 p.m. a driver became confused as he came off from the expressway and collided with another car on Ortonville Road, south of Northview. The impact knocked the second car into a parked car at the Haupt lot.

Driver of the first auto was Robert Bock, 41, of 4539 Trumbull Drive in Flint. With him were two passengers, Shirley Bock, 42 and Lester Bock of Swartz Creek. They both received injuries and were taken to Pontiac General Hospital.

Also, taken to the same hospital with injuries was the driver of the car which he hit. She was Christine Nowlin, 36, of 4661 Riverview in Drayton Plains. Bock saw a patrol car sitting near the intersection and as he drove over to ask directions he crossed the right lane and struck the Nowlin vehicle. Bock was cited for making an improper turn.

Friday night at 10:10 p.m. at the intersection of U.S. 10 and M-15 two cars collided. Alice Brown, 37, of 2062 Commonwealth of Pontiac was cited for failure to yield the right of way. She had stopped for the light but her auto was so far ahead that it was struck by one driven by Donald Bair, 17, of 2488 Edward in Grand Blanc. Neither driver was injured.

### Aboard "Constellation"

Aviation Machinist Mate Kenneth L. Rolston, USN, 20, son of Mr. and Mrs. Clarence W. Rolston of Clarkston is serving with Attack Squadron 27 aboard the attack aircraft carrier USS Constellation (CVA-64).

During the ship's recent visit to Yokosuka, Japan, crewmembers of the squadron took the opportunity to enjoy some rest and relaxation before returning to Subic Bay, R.P. for an operational visit.

## Wilson-Barraco vows spoken here Saturday

Linda Kay Wilson became the bride of William P. Barraco in a ceremony performed Saturday evening, July 20 in First Methodist Church, Clarkston. She is the daughter of Mr. and Mrs. Carl F. Wilson, Sr. of 6543 Orion Road, Clarkston. Parents of the groom are the William Barracos of Kohler Street in Drayton Plains.

The 7 p.m. nuptials were read by the Rev. Frank Cozadd, pastor of the church in the presence of 250 guests. The altar was decorated with white blooms for the occasion.

A gown of silk organza was chosen by the bride for the ceremony. Appliques of venise lace were embroidered on the gown; the sleeves flowing at the elbows had the same applique and the skirt was bell shaped. She wore a removable chapel train and her bouffant veil was held by a crown of the same venise lace. She carried a bouquet of white orchids and stephanotis.

Attendants included the bride's two sisters, Mrs. John Ellett and Mrs. John Marsh and Miss Kerry Sanford. They carried bouquets of white pom poms and yellow roses to match their gowns of yellow silk organza.

The groom's brother, Donald Barraco of Long Beach, California served as the best man and his uncles performed the duties of ushers, Melvin, Alvin, and Donald Hall.

A buffet dinner was held at the Italian-American Club following the ceremony. The yellow and white theme in decorations was carried out throughout the hall. The couple travelled to the Pocono Mountain region of Pennsylvania for their honeymoon.

Upon their return, they will reside in Drayton Plains.

Susan Lee Davis of 5326 Williamston and Katherine E. Matlock of 4870 Crestview both of Clarkston spent Tuesday and Wednesday attending orientation

at Central Michigan University. A total of 9 registration periods were scheduled during July and August with about 300 accommodated each time. Four more groups are scheduled yet. They registered for classes, got acquainted with the campus and had their first experience in dorm living.

Doesn't seem possible that only a few short weeks ago, amidst all that cold damp weather we went around wondering if summer would ever come to stay. The warmer weather seems to have brought out lots of company and activities.

Up from St. Petersburg, Florida are Mr. and Mrs. Garnet Stockwell, aunt and uncle of the John Adams of 64 N. Holcomb Street. The first of this week they left for a visit with relatives and friends in Toronto and South Hampton, Ontario. They delayed their leavetaking for a few days in order to help celebrate Tim Adams 14th birthday Saturday, July 20. Tim spent the previous week at Boy Scout Camp Agawan in Lake Orion along with the other members of Clarkston Methodist Church Troop #126. All the boys have been working hard on their various merit badges. Tim arrived home Saturday in time for his own birthday celebrations.

The Ray Butler's of 6654 Almond Lane just returned from a camping trip that sounds absolutely wonderful. They were accompanied by Mr. and Mrs. Dean Hetherington of Waterford. Taking a camper the two couples drove 1100 miles into Canada to Farrow Lake near Longlac, Ontario. Their camp site was in the deep woods and their nearest neighbors were several Indian families who made summer camp on the lake shore, as they have done for a number of years, just for the fishing.

The F.A. Verhey family, formerly of Plum Drive, moved up to Saginaw just a short while ago. Betty, active in the neighborhood circles, has been missed. Wednesday Mrs. Charles Klann, Mrs. Jack Dougherty and Mrs. Douglas Griffith, all of Pear Street drove up to Saginaw in the early morning hours for a days' visit and some hours of bridge.

Pat and Bob Kloc of 6370 Waldon Road just returned from a delightful two weeks vacation. Along with little ones Mark, Robin and Danny they enjoyed a week of surfing, touring and swimming at Miami Beach, Florida. This was followed by a weeks visit to Houston as guests of Mrs. Kloc's sister and brother in law, Mr. and Mrs. Thomas Preseau.

The Ted O'Rourke of 11850 Big Lake Road have been entertaining some very special guests the last few weeks—the parents of Mrs. O'Rourke's, Mr. and

Mrs. Joseph J. Masi. The Masi's are here from Fort Lauderdale, Florida. Especially delighted with the visit of the grandparents are the O'Rourke children, Kathy, Nancy, Jeannie, Linda, Patty and Chris.

All the friends of Jim English will be glad to hear he has returned home after a stay at Pontiac General Hospital of 3 weeks and 2 days. He was even beginning to count the hours. Stricken while at work at the Buick Plant in Flint, he is now recovering at home. The English's, Jane and Jim, with 10 year old son Jim II make their home at 6650 Transparent Drive. Son Spec. 4 Larry English who was stationed at Fort Belvoir, Virginia was on his way home on furlough at the time. He left to go to Camp Oakland, California July 18.

The busy Robert Tilley family of 6705 Transparent Drive attended the soap box derby Saturday, July 20. This was held at the Oakland County Service Center. Complete with a parade at 12:30 there was an oil can derby that preceded the actual soap box derby. The Tilley's then dashed home in time to attend the dinner at the Waterford home of Mike and Sandy Patterson on Parview Street. This was the final meeting of the "On to Phoenix" committees for the J.C.'s, regarding the national convention held there June 16th.

Raymond Hoopengartner of 6365 Orion Road is making good progress in his bout with pneumonia at the Wheelock Memorial Hospital. He went into the hospital July 16 and is expected home this week. Arriving July 20 for a visit of several weeks, was Mrs. Margaret Zielinski of New York sister of Mrs. Hoopengartner. She was accompanied by children Marcia, Camille and Dennis.

The Jayettes held their general membership meeting at the Calvary Lutheran Church Wednesday, July 10. Hostesses for the occasion were Mrs. Jerry Bradley of Snowapple Street, Mrs. Ronald Draper of Orion Road and Mrs. Richard Wilton of Paramus Drive. Sixteen members and one guest were present and reports were read regarding the very successful ice cream social held following the July 4th Parade. The evening also included several hours of workshop on papier mache articles to be sold at the Jayette booth on Labor Day. Instructors for this work were Mrs. Robert Tilley and Mrs. Jerry Powell.

SECTION TWO THE CLARKSTON (Mich.) NEWS Thurs., July 25, 1968 5

## SALLY ANN ARRIVES

Ralph and Linda Kenyon of 75 S. Holcomb Street became the proud parents of their fourth child, second daughter on July 11. Born at Pontiac General Hospital, Sally Ann weighed 8 pounds 8 1/2 ounces. Grandparents are Mr. and Mrs. Howard Larick of Birmingham, Michigan and Mr. and Mrs. W.C. Kenyon of Battle Creek. Sally Ann has a great-grandmother, Mrs. Ralph Glew also of Battle Creek. Awaiting at home to greet the newcomer were brothers David and Jon and sister Jane.

## Eldred-McArthur vows repeated in Pontiac

Mr. and Mrs. Bruce McArthur will make their home on Joslyn Road in Lake Orion following their July 12 wedding. They were married in an evening ceremony at the Leach Road Community Church in Pontiac. The bride is the daughter of Mr. and Mrs. Millard Eldred and the groom's parents are the Jack Wignalls, all of Clarkston.

Forty members of their immediate families witnessed the nuptials performed by Rev. Theodore Moses. White glads and mums formed the setting around the altar for the double-ring ceremony.

The bride, who was given in marriage by her father wore a street length dress of delicate white lace over satin. The empire waist and the short sleeves were accented with baby blue ribbon. Her veil was held by a large white satin bow and she carried a bouquet of white rosebuds and lily of the valley.

Terri Coad of Clarkston was her Maid of Honor. She was gowned in a street length dress of yellow and her flowers were yellow and white daisies.

Russell Simonson of Pontiac, formerly of Clarkston performed the best man duties. A reception and dinner followed at the Old Mill in Waterford after which the couple left for a honeymoon at East Tawas on Lake Huron.

## At orientation

Mary Lou Smith of 6159 Eastlawn in Clarkston will be a freshman at Western Michigan University in the fall. She recently visited the campus for

testing, orientation and registration. When the fall semester begins on September 2, she will have additional orientation and meetings before starting the first classes on September 4.

Register your child before August 13 for pixie King and Queen contest.

Child must be 3-6 years old.

## WIN \$500 SAVINGS BOND

## PLUS HUNDREDS OF OTHER VALUABLE GIFTS & PRIZES

**CLIP AND SAVE--THIS IS YOUR PLAYING FORM**

**MAKE YOUR OWN GOOD LUCK WORK FOR YOU!**

**"PLAY KEY-NO"**

MAKE YOUR OWN GOOD LUCK WORK FOR YOU

It's easy to win! PRIZES!

Choose your own set of Key Numbers

It's easy to enter!

RULES FOR PLAYING "KEY-NO"

- The newspaper will publish each week, TWENTY DIFFERENT numbers from the total of eighty numbers on the playing form. If a number is published that you have marked on your form that number constitutes ONE Key-No. Each additional number so published and marked on your playing form is an additional Key-No. The total number of Key-Nos, you have in any one game, determines your lucky chance to win.
- EVERY PARTICIPATING FIRM WILL POST A COMPLETELY SEPARATE SET OF KEY-NUMBERS EVERY WEEK. NO TWO FIRMS WILL HAVE THE SAME SET OF NUMBERS. EACH IS A SEPARATE GAME AND CONSTITUTES A NEW AND ADDITIONAL LUCKY CHANCE TO WIN. VISIT AS MANY FIRMS AS YOU WISH. CHECK YOUR NUMBERS WITH THEIRS. THE MORE PARTICIPATING FIRMS YOU VISIT THE MORE LUCKY CHANCES YOU HAVE. AWARDS FOR EACH GAME WILL BE PUBLISHED IN THE NEWSPAPER.

INSTRUCTIONS — How To Set Up Your Playing Form

- Choose any ten different numbers on playing form. It makes no difference which ten numbers you choose.
- Plainly mark the ten numbers you have chosen making sure that only those ten numbers are marked, and there can be no question as to adjacent numbers. You may use ink, crayon, or pencil, and either check the number or blot it out as you desire.
- Your playing form is now completely filled in and your numbers are probably entirely different from that of anyone else, however, it makes no difference in your chances of winning as anyone can win.
- FILL IN THE DUPLICATE with exactly the same numbers you have on your playing form. Send duplicate with your name and address to your sponsoring local newspaper. The newspaper must have your duplicate in its files by noon, Monday of the week, before the series which you plan to play the game is published.
- Keep the same playing form throughout the entire number of weeks that this promotion runs in your community, as sponsored by your participating local newspaper. More than one entry per person will disqualify any potential winner.
- Use the same number arrangement whenever you play Key-No. Do not make out a new form each week. Mount your form on a card if you like, and carry it with you on trips to town.
- Remember... you do not play on a blank form. EVERY form should have ten numbers marked plainly and your duplicate of these numbers on file at the newspaper BEFORE you can win on Key-No.
- Read our instructions carefully. Not corrections can be made on your duplicate after it has been sent in.
- Every adult member of the family living within the trading area can fill in a duplicate and send to the newspaper. But be sure to put his or her name on the form you KEEP AT HOME, so that you'll know which card belongs to whom.
- See your local participating newspaper for more complete details and awards involved in each game. The local newspaper and C. R. Holmberg & Assoc. of Denver, Colorado are the final judges on all matters pertaining to this promotion.

PLAYING FORM

## Increase gas tax

Residents of the Community School District living in Oakland County are facing the proposition that their property taxes will be increased by 3-1/2 mills. All the millage increases are necessary, but some are more important.

The Oakland County Road Commission, August 6 is asking for 1 mill.

From our point of view, the Oakland County's books have always been out of whack. When the Road Commission can't get the support of the County of Board of Supervisors, we don't feel that we should be forced to be held accountable for the Supervisor's folly. If they want to spend our money for airports and things, and have turned their backs on our roads, then we recommend that the situation remain static.

The Road Commission's request is for a 5 year period. We feel that if residents of Clarkston area, or any other area, are overly concerned about the conditions of their roads, they should appropriate their own additional millage earmarked for their own roads.

Since the Road Commission said that it has the equipment and manpower to operate landfill dump sites, we suggest that they use this talent on our roads.

Basically, millage requests should remain as the domain for school's support. We feel that odd fellows, like the Road Commission, should stay out of this area of finance. If they really need money for roads, let them go to the State legislature and get the gas and weight taxes increased.

"If It Fitz . . ."

## How to keep a clean kitchen

By Jim Fitzgerald

It was freezing out the other day, but my wife cooked steaks on the outdoor grill and then rushed them inside to eat. "I don't want to get the oven dirty," she explained.

I ate the steak with my fingers, so as to not dirty silverware, and that night I suggested we sleep on the floor, so as to not muss up the bed. And I was thinking how neat the hospital would be if the patients would just go somewhere else to be sick.

A week later I noticed something new spinning slowly on the outdoor barbecue spit (and isn't "spit" a lovely word for a cooking utensil?). It was a sort of wire cage, cylinder shaped.

"I bought that at Yankee's," my wife explained proudly. "You just fill it with chicken thighs and legs and then attach it to the spit and it revolves slowly over the fire. It's better than spitting a whole chicken."

"Gee," I said.

A few minutes later I heard a terrible scream, followed by sobs. The door on the revolving cage had flipped open and all the thighs and legs fell into the charcoal fire.

"As a chicken cooker," I told my distraught wife, "you do not

remind me of that white bearded Kentucky colonel who always smiles as he produces delicious chicken on TV. But this is probably because you shaved this morning."

"I will wash this chicken and then put it back in the cage," she said. "No one will taste the difference."

"Certainly," I said. "And scrub it good. There is nothing I like better than Rins chicken with a charcoal flavor. It's like taking a bath in the fireplace."

"You are a riot," my wife said. "It doesn't even occur to you that this is your fault. In other families, the husbands do the outdoor cooking. If you had been out here watching, the chicken wouldn't have fallen in the fire."

"That's right, Daddy," said 2 little brats. "Other dads do the outdoor cooking. How come you don't?"

"It's because I'm afraid of the wild outdoors," I explained. "I might get attacked by a bear or something. Gee, the last time I went alone to our outdoor cooking spot I almost got lost. I had to follow the extension cord back home."

Which brings us to the incredible part of this open air cooking mania

which is swiftly burying our nation in charcoal dust. I wouldn't mind if all these nuts wanted me to go to an old-fashioned picnic in the woods. I would simply refuse, explaining I have still not recovered from World War 2 battle fatigue. I got my fatigue while battling to keep the peas out of my peaches, and the rain out of my coffee. I forgave the Germans and the Japanese long ago. But I have never forgiven the cross-eyed mess sergeant who splotted a whopping spoonful of creamed crud into my pocket containing a scented letter from my girlfriend.

Any patriotic American must understand my refusal to risk opening old wounds with a rusty can opener, around a campfire, swatting bumblebees, sitting on burrs, 30 feet downwind from a newly dug john. But that is not what outdoor cooking means today. The modern picnickers never leave home. They do their grilling and spitting on the patio, 10 steps from a \$500 GE oven which is turned on every Christmas. During blizzards, some families cook in the living room fireplace. The important thing is to NOT cook in the kitchen.

A sane man might well wonder why an electric civilization is returning to the open flame of the cave men. The most often heard reason is that charcoaled food tastes better. This is hooey. Most outdoor-cooked meat is either burned or raw. The only way you can stomach it is to drench it in sauce made from hot peppers and brimstone. And the only way you can sleep that night is in an Alka Seltzer bottle.

The one big reason for the popularity of outdoor cooking is the cunning of the female. Mabel wants to move the mess out of her kitchen and into the yard, so she doesn't have to get the oven dirty. With the aid of Sears Roebuck and national advertising, she has convinced her husband there is something rugged about preparing meals in the fresh air. It feeds his ego to don a corny apron and play Mrs. Tarzan of the patio. He thinks it is man's work, so the big clown does it. It is really Mabel's work but she has escaped it by moving the pots and pans outside.

Mabel is no dope. But her husband is.

Backward and downward. †

## PEEKIN' into the PAST

10 YEARS AGO IN THE CLARKSTON NEWS  
July 24, 1958

Mr. and Mrs. Rudolf Schwarze and sons, Bob and Fred, returned on Tuesday after enjoying a few days at their cabin near Roscommon.

Mr. and Mrs. Duane Hursfall and family have returned after spending a week and a half at the Silver Sands Resort north of St. Ignace.

Charles N. Fusilier, personnel man third class, USN, and Wallace E. Fusilier, seaman, USN, sons of Mr. and Mrs. O.J. Fusilier of 8970 Dixie Highway, participated in the U.S. Sixth Fleet amphibious operation that landed a reinforced battalion of 1800 U.S. Marines over the beach at Beirut last week.

A birthday party was given in honor of Debby Cabin of Snowapple Drive on July 15 for her seventh birthday. Twelve of her friends were present to help her celebrate.

25 YEARS AGO IN THE CLARKSTON NEWS  
July 23, 1943

Fifteen young people of the Clarkston and Seymour Lake Methodist Church took a "Bike Hike" Friday to the Michigan State Park at Orionville. They were accompanied by the Pastor and Mrs. Ralph Marshall.

Donald Steiner is spending a furlough with his parents, Mr. and Mrs. Fred Steiner.

On Tuesday night the Campbell-Richmond Post of the American Legion held their regular business meeting. The following officers were elected: Commander, William Viet; Senator Vice Commander, Henri Buck; Junior Vice Commander, Ray C. Ainsley; Adjutant, James Sutton; Finance Officer, Lyman Girst; Historian, Percy Craven; Chaplain, William H. Stamp; and Sergeant-at-arms, John Tromper.

Mrs. E.S. Waterbury and son, Maurice, and Mr. and Mrs. J.E. Stoff are enjoying a ten days stay at the Stoff farm near Sumner, Michigan.

Sure enough, after fishing the Drum river, AuSable for you who read maps, I decided that the time had come for my little ones to learn something about canoeing. Drum river is a coined expression I picked up from some of the local folks. The name comes from the sound of the metal canoes thumping their way down the river being driven by the unskilled.

I haven't got much to say about my own skill after dumping Bob Beemer's uncle, Ed Grumley, a couple of weeks ago. But, for

my children, I feel that it is important that they learn how to swim and handle watercraft. What's the use of their living in the Winter-Water-Vacation-Wonderland-and-Etc. if they can't swim?

Just as Calhoon is an excellent swimmer, I was sure that this would be an inherited characteristic for the children. Not so. They take to water like ducks and swim like stones. At least their willingness to keep on trying stays with them. Living out in the boonocks as we do doesn't really give the children lots of opportunities to test their waterwings. Between Cal and I, we spend as much time as we can taking them to various beaches. A big effort.

This going to the beach, plopping them in the water and watching them in the water and watching them scramble for survival can get boring. Then came the introduction of the canoe. For safety's sake we put life preservers on them.

They jumped into the craft, a small one, like they were boarding the Queen Mary, flomph. Unlike the Queen Mary, it wobbled under them. Quickly

## Sportsman and Insurance

By Bob Beemer

Nobody needs insurance like a sportsman. And, if the nimrod in the family has already turned the page Mrs. Sportsman, you keep on reading.

Last fall after tying that five pointer on the top of the car, two very tired deer hunters started for home. They were anxious for the soft sheets. Being reasonably dutiful husbands, we stopped after about one-third of the way to call our wives.

Telephone service being what it is at that time of the year, we had the car filled with gas and stood around in the gas station for twenty minutes or more. "Yes. We would be home in time for dinner and a libation," we told them.

Call completed, we continued on our journey.

Sounds innocuous enough. However, while we were talking with the local yokels, somebody relieved me of my hunting jacket which was lying loose in the back seat of our unlocked car.

The loss was not discovered until after ice fishing time when all winter gear is stored in mothballs for the upcoming fall. And, if you know me, that jacket was a veritable gold mine for a thief.

In the pockets were stashed: compass, two knives (a Buck and Swiss Army), gold pocket watch, predator call for bobcats, and more which was bare-

ly conceivable to the insurance adjuster.

If this had happened to you, chances are you would have been out of luck. Remember that car was unattended and unlocked. But, since I happen to know a bit about insurance, I had a special coverage on my homeowner policy called "extortion." For \$6.00 a year in Oakland County, the insurance company had to cough up \$188.00 and some change.

Think it was worth sixbucks? I do.

And how about those credit cards most of us are hardly ever without. Say, Standard Oil for instance, \$1,000.00 worth of unauthorized use if stolen costs about \$6.00 per year. "Pretty handy if that wallet is lifted in the deer camp or motel.

Sportsmen who don't have a homeowner policy are courting financial disaster. That "comprehensive liability" portion is worth the price alone.

Suppose you accidentally shot somebody and he sued. Who would pay for that lawyer you'd

ing, like most brother-sister relationships they get along well with certain reservations, but when the chips are down and they have to work as a team they come through.

By the end of the two hour session, they had learned how to paddle a canoe, right it when it flipped and get it to shore so that it could be bailed out. While involved with hanging on to their paddles, they over-came their fear of water and were actually beginning to swim. Great success.

With a couple more lessons they will be ready for their first river trip. I'm looking forward to it, or something.

PAPER TABLECLOTH available at the Clarkston News office. Just \$3.60 per 300 foot roll. Ideal for parties, receptions and club dinners.

have to hire? Or if you put out a man's eye with a golf ball? Or ran down a scuba diver when fishing. But, watch that one. It's tricky. Remember to report to your agent the horsepower on any boat you own. You may need a special policy over and above your homeowners.

If you own a lot of fine fishing tackle and several good guns, assuming the President continues to permit it, you might consider a special floater policy. These floater policies can be "junk" which means

they cover anything which might happen to your stuff. Only costs literally pennies per day, too.

We all carry life insurance, or at least I assume you feel that strongly about your family. If you do, about sixteen bucks will buy about \$33,000 for eight days and you don't have to take a physical either. Great for the guy who has diabetes, high blood pressure, or a tricky heart. Specially if it beats a little extra hard for the family.

Let's put it this way. Your circumstances, hobbies and activities are special to you alone.

While it's still fresh in your mind, why don't you call your insurance counselor and give him a run down of your needs or just questions. He may or may not suggest some new insurance coverage for you. He probably would have mentioned it to you before but was afraid you'd think he was just trying to load you up for the commission.

An agent will be completely honest with you if you call him and it's all your idea. It may be worth your while some day.

## Summer festival at Holly

An Antique Show and Sale, and Arts and Crafts show, will feature Holly's Summer Festival, Friday and Saturday, July 26-27.

The Antique Show and Sale, to be held in Wheeler Motor Sales, will feature eight area antique dealers. They are: "Crompton's Antiques," Clio, featuring Primitives displayed by Mr. and Mrs. Ed Crompton; "Coach and Four," Flushing, featuring Primitives, Brass and Iron, displayed by Mrs. William Hylen; "Wooden Peg" and "Carrriage House," Clarkston, featuring Primitives and a general line; "Red Pump," Davisburg, Glass, cut and pressed, China, displayed by Mrs. Harry Sweet;

"Green Shutters," Clarkston, general line, displayed by Mrs. Marge Henry; "Antiques and Such," featuring Furniture, Primitives and Early Victorian, displayed by Mrs. Grace Brunger, Corrunna, and "The Farm House," Grand Blanc, general line, displayed by Mrs. Gordon Bennett.

A number of area artists and craftsmen have entered displays for the Arts and Crafts show which will be held at the corner of Martha and Saginaw streets, downtown. Mrs. Vera Cook Huts-

ted invites all area craftsmen and artists to display their work. Other features include: free motorcycle rides by the Freedom Riders Motorcycle club; free balloons; free kiddie matinee at the Holly Theatre; barbershop quartet singing; dance band entertainment; "Mystery Shopper," and 15 cent hotdogs served by Holly Girl Scouts. There is no admission charge for any of the activities.

*Signature*, Township Clerk

WHEELING—Mark Wells was on the mound for Richardson Dairy.

### Series of parties honors bride

Mrs. William P. Barraco was the honor guest at a series of showers preceding her marriage Saturday evening in First Methodist Church. She was the former Linda Kay Wilson, daughter of the Carl Wilsons of Orion Road.

Sixteen guests were present when Mrs. John Marsh and Mrs. John Ellett entertained at the Drayton Plains home of Mrs. Marsh in honor of Linda. Relatives and neighbors showered her with miscellaneous gifts and the collation table was centered with a specially decorated cake for the occasion.

Fifteen high school girl friends from Clarkston attended a personal shower hosted by Mrs. Jarrett Day in her Waterford home. Many of them were Linda's classmates from the CSH 1965 graduating class.

A bridal luncheon was held at the home of Mrs. Jack Storm on S. Main for Linda. Co-hostess was Mrs. Richard Christenson. Guests were members of the Women's Study Group. Yellow

and white decorations were used throughout to carry out the theme of Linda's wedding. Miscellaneous gifts were received by the bride-to-be.

A couple's shower and dinner was hosted by Mrs. Helen DeNoyer, the groom's aunt at her home on St. Joseph in Pontiac. The 42 guests also showered the couple with miscellaneous gifts.

Co-workers of Linda's from the Triple A. office gathered at the Maceday Lake home of Miss Sue McManus for an evening party just prior to her marriage.

### Seymour Lake

By Gladys Sherwood

Mr. and Mrs. Francis Mickle accompanied by Mrs. Millard Bixler and Mrs. Clark Miller attended a funeral in Saginaw on Friday. The deceased was a sister of Mrs. William Harrison.

Mr. and Mrs. Paul Winklepeck have sold their home on Seymour

Lake Road and will leave in August for Ellington, Florida where they will make their home.

Loren Hotchkiss has purchased 10 acres on Sashabaw Road of Mrs. Lee McIntyre. Mrs. Tom Trese of Oak Hill Road has returned from Toledo, Ohio where she spent a week as a guest of her mother.

George Granger of the Seymour Lake Methodist Church occupied the pulpit of First Methodist Church in Davison for both services on Sunday. He is a conference Lay leader.

### With 7th fleet

Radioman Seaman Guy R. Riddle, USN, 20, son of Mr. and Mrs. Merle B. Riddle of 6969 Tappan Drive, Clarkston is providing communication support to the U.S. Seventh Fleet while serving aboard the major communication relay ship USS Annapolis.

He helps to supplement shore-based communication stations and to provide a voice for command in remote corners of the world where communication facilities are inadequate or have

never existed.

Unlike most U.S. Naval ships, Annapolis is a non-rotating unit. The ship does not go back to the U.S., instead, the crew is rotated on an annual basis.

### On Dean's list

Two Clarkston students at Northern Michigan University were named to the Dean's list at Northern Michigan University for the spring semester. They are Richard L. Funk of 6164 Cramlane Drive and Paul D. Walker of 5980 Clarkston Road.

Approximately 12 per cent of the school's undergraduate enrollment were cited for academic excellence.

### Letters

Dear Mrs. Poole,  
The Clarkston Youth Assistance organization would like to thank post 63 of the American Legion. Through their financial assistance two needy Clarkston children were sent to summer camp for two weeks completely free of charge. This is only one of the many contributions post 63 has given to the people of Clarkston.

Sincerely,  
Clarkston Youth Assistance

SECTION THREE THE CLARKSTON (Mich.) NEWS Thurs., July 25, 1968 9

## Nagy-Stenquist vows spoken in Lake Orion

Mr. and Mrs. Harold William Stenquist Jr. will make their home in Oxford following their July 12 wedding. The bride is the former Nancy Jean Nagy daughter of Mr. and Mrs. Eugene Nagy Sr. of Lake Orion. The groom's parents are Mr. and Mrs. Harold Stenquist Sr. of Indianwood Road, Clarkston.

The marriage ceremony was performed by Pastor Dean Beckwith in the King of Kings Lutheran Church in Lake Orion. The bride wore a cathedral gown of chantilly lace with scalloped neckline and long tapered sleeves. Her finger tip veil was held in place by a petal headpiece. She carried a cascade bouquet of white roses and stephanotis.

Sandra Gallmeyer of Lake Orion was Maid of Honor. She wore a Nile green linen gown

with a matching color picture hat. Vicki Furney served as flower girl dressed in a powder blue dress with streamers of daisies in her hair.

David Stenquist, the groom's brother was best man and Charles A. Meyers Jr. and Edmund H. Adams served as ushers.

A reception in the church parlors followed the ceremony. The couple travelled to Cedar Point in Sandusky, Ohio for their honeymoon.

**THANK YOU NOTES,** Available at all times at the CLARKSTON NEWS office. Package of 25, 69¢ each. Choice of gold, silver or blue lettering.

## Round the Town

Doesn't seem possible that only a few short weeks ago, amidst all that cold damp weather we went around wondering if summer would ever come to stay. The warmer weather seems to have brought out lots of company and activities.

Up from St. Petersburg, Florida are Mr. and Mrs. Garnet Stockwell, aunt and uncle of the John Adams of 64 N. Holcomb Street. The first of this week they left for a visit with relatives and friends in Toronto and South Hampton, Ontario. They delayed their leave-taking for a few days in order to help celebrate Tim Adams 14th birthday Saturday July 20. Tim spent the previous week at Boy Scout Camp Agawam in Lake Orion along with the other members of Clarkston Methodist Church Troop #126. All the boys have been working hard on their various merit badges. Tim arrived home Saturday in time for his own birthday celebrations.

The Ray Butler's of 6654 Almond Lane just returned from a camping trip that sounds, absolutely wonderful. They were accompanied by Mr. and Mrs. Dean Hetherington of Waterford. Taking a camper the two couples drove 1100 miles into Canada to Farrow Lake near Longlac, Ontario. Their camp site was in the deep woods and their nearest neighbors were several Indian families who made summer camp on the lake shore, as they have done for a number of years, just for the fishing.

The F.A. Verhey family, formerly f Plum Drive, moved up to Saginaw just a short while ago. Betty, active in the neighborhood circles has been missed. Wednesday Mrs. Charles Klann, Mrs. Jack Dougherty and Mrs. Douglas Griffith, all of Pear Street drove up to Saginaw in the early morning hours for a days visit and some hours of bridge.

Pat and bob Kloc of 6370 Waldon Road just returned from a delightful two weeks vacation. Along with little ones Mark, Robin and Danny they enjoyed a week of surfing, touring and swimming at Miami Beach, Florida. This was followed by a weeks visit to Houston as guests of Mrs. Kloc's sister and brother-in-law, Mr. and Mrs. Thomas Preseau.

The Ted O'Rourke's of 11850 Big Lake Road have been entertaining some very special guests the last few weeks — the parents of Mrs. O'Rourke's, Mr. and Mrs. Joseph J. Masi. The Masi's are here from Fort Lauderdale, Florida. Especially delighted with the visit of the grandparents are the O'Rourke children, Kathy, Nancy, Jeanie, Linda, Patty and Chris.

All the friends of Jim English will be glad to hear he has returned home after a stay at Pontiac General Hospital of 3 weeks and 2 days. He was even beginning to count the hours. Stricken while at work at the Buick Plant in Flint, he is now recovering at home. The English's, Jane and Jim, with 10

year old son Jim II, make their home at 6650 Transparent Drive. Son Spec. 4 Larry English was stationed at Fort Belvoir, Virginia was on his way home on furlough at the time. He left to go to Camp Oakland, California July 18.

A family picnic dinner was held at the home of Mr. and Mrs. George Lawson on Orion Road on Sunday. Present from South Lyon was Mrs. Lawson's mother, Mrs. Florence Emery and coming from Birmingham were Mr. and Mrs. Robert Vibbert and family. Mrs. Vibbert is a sister of Mrs. Lawson.

Returning last week from several days spent in Toronto, Ontario were Mr. and Mrs. Robert Wertman. While there they visited cousins and toured the area and its favorite eating spots.

A bus load from Clarkston made the trip to Chensaning on Saturday evening for the annual "Showboat performance". Arrangements were made by Mr. and Mrs. Robert Watters, complete with picnic supper eaten enroute.

Mrs. Merle Riddle and children, Nancy and Gordon of 6969 Tappan Drive were visiting last week with her parents, Mr. and Mrs. Oscar Walz of Atlanta, Michigan.

On Sunday the Merle Riddle family attended a birthday dinner for Mr. Riddle's mother in Holly.

First Class Chris Torr, son of Mr. and Mrs. Charles Torr of North Holcomb came home on leave on June 28th. He left on July 24 to board the USS. Isle Royal in Long Beach, California.

Attending the Torr family reunion at Greencastle, Indiana on July 7th were: Mr. and Mrs. Charles Torr and son Chris; Mrs. Albert Poole and son Todd of Grosse Point Woods; and Mr. and Mrs. Harold Weston of Indianapolis, Indiana.

Out of state guests here for the Saturday wedding of Linda Wilson and William Barracc included the bride's grandparents, Mr. and Mrs. Curtis Neese of Terre Haute, Indiana. Also from that city were Miss June Neese, Mr. and Mrs. Edward Fisher and Miss Donna Fuik and guest and Mrs. Dorothy Young. From Brownsburg, Indiana came Mr. and Mrs. Leroy Miller for the occasion. Attending the ceremonies from Flint were Mr. and Mrs. O.H. Wright and Mary.

THE NEW BREED will be playing at the "Summer Spectacular" Friday evening on the High School tennis courts. The dance for teen-agers is under the sponsorship of the Clarkston Area Jaycees. Members of the group are I. to r. Larry Stubbe, vocalist; John Garlak of Clarkston, lead guitar; Bob Zajac, bass guitar and vocalist; and on the drums, Nick Gura of Clarkston. John Stevenson, upper left from Maceday Lake plays the organ.

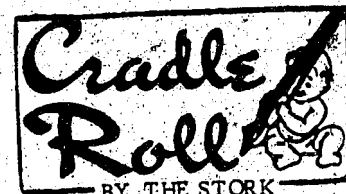

## Let's dance

This Friday night on the Clarkston High School Tennis Courts there will be real entertainment for area young people.

To be known as a "Summer Spectacular" the Clarkston Area Jaycees under the chairmanship of Terry Kelly have arranged a real fine evening of dancing.

Clarkston's own New Breed will be playing. Nobody's Children will also be there as well as several special guest recording stars.

The dance will continue from 8-11 P.M. Refreshments will be available there for the dancers.

SECOND SON FOR THE MAX INMAN'S

Matthew Allen Inman arrived July 7 at the Pontiac General Hospital weighing 6 pounds and 14 ounces. He is the son of Max and Kathy Inman of 6700 Princess Lane and has an older brother 2 1/2 year old Troy. Proud grandparents included Mr. and Mrs. S.L. Brown of Mt. Pleasant, Mr. and Mrs. Victor Inman of Ionia, and Mr and Mrs. Jerry Frost of Hastings. Matthew is fortunate enough to have several great grandparents — Mr. Herbert Brown of Olen, New York and Mr. and Mrs. F.O. Grounds of Stanton, Michigan.

Returns from New Mexico

Michael Packer of Clarkston returned recently from an exciting 16 days spent at the Philmont Scout Ranch in New Mexico. He is the son of Mr. and Mrs. Robert Pakcer of 4914 Clinton Drive in Clarkston.

An Eagle Scout, he is affiliated with the Explorer Unit Troop #126 sponsored by the Methodist Church.

Although he was the only representative from this area he went with a group of 17 boys and 4 Scout executives from surrounding councils. The group travelled by bus to Chicago where they boarded a train for the trip to Denver. From that city they travelled again by bus to Philmont.

The experiences during the 16 days were exciting, varied and rugged. They toured the Air Force Academy at Colorado Springs, spent over-night at Fort Carson, the Army Camp in Colorado. On the rugged side, they hiked 85 miles over mountainous terrain, lived in tents and had the experience of a bear breaking into their camp. Mike has been in scouting for

5 years and made Eagle rank last February. He is 15 and a sophomore at Clarkston High. He is also active in sports and took part in wrestling, football and track while in Junior High.

AMENDMENTS TO JUNK YARD ORDINANCE,  
ORDINANCE NUMBER 50

Notice is hereby given that Independence Township Ordinance #50, an ordinance for the regulation and licensing of Junk Yards, is amended as follows:

Section Number 4, Paragraph c of said Ordinance Number 50 shall be amended to read as follows, to-wit:

Such establishment and/or operation shall be enclosed with an 8 foot high fence, said fence to have 2 entrances or exits only, both of which shall be plainly visible from the road or highway of such establishment or premises, such entrances or exits to have gates of the same construction and equal height as the fence. The applicant of such establishment shall have the option of constructing the fence, in either one of the following manners, to-wit:

A. A well painted, board fence of solid construction consisting of posts of a minimum of four by fours of a 12 foot length, which must be placed in the ground a distance of 3 1/2 feet below the surface of the surrounding ground; all posts are to be of a minimum of 10 feet apart; horizontal cross ties to be two by sixes and to be constructed 2 foot on centers and must have double bottoms; all wood parts to be 8 pounds per cubic foot Penta treated; 20 pound Zinc plated spikes are to be used to affix all wooden parts together; or

B. A painted metal fence of solid construction consisting of 2-1/2 inch corrugated steel, 28 gauge, 4-1/2 ounce per square foot of Zinc galvanized coating; all metal parts are to be fastened together with 1-3/4 inch ring shank nails.

Section 4, paragraph "D" GREENBELT: Such an establishment or business shall provide for a greenbelt between the fence of such business or establishment and road or adjacent premises as follows: Said greenbelt shall consist of not less than two (2) rows of four (4) foot high evergreens or such upright trees as will satisfy the intent of this ordinance and/or in conformity with the Township Zoning Ordinance, check rowed, and so planted that with normal growth they should in two (2) years attain sufficient density to form an effective barrier between two zones or abutting properties of dissimilar use.

In the event that weather or seasonal conditions prevent transplanting of such trees, cash or certified checks shall be deposited with the Township of Independence in an amount to be established by the Building Inspector to insure compliance with this provision. The landowner shall, by means of an effective agreement authorize the Township of Independence upon failure to complete transplanting within one year of application for permit, to commence and/or complete same and utilize the funds so deposited to defray expenses of such transplanting. Excess funds, if any shall be returned to the depositor upon completion of transplanting by the Township. It shall be the responsibility of the property owner to maintain said Greenbelt for its original intent and purpose.

Roll: Hursfall, yes, Altman, yes, Johnson, yes, Bennett, yes. Motion carried.  
Passed the 11h  
Passed the 11th day of July 1968 by the Independence Township Board, the amendments as approved shall be effective on the 26th day of August 1968.

Howard Altman  
Independence Township Clerk

"HOW IT ALL BEGAN"

Adam had a wife named Eve, and that's how it all began. Eve could have served figs and pomegranates and Sunkist oranges for every meal, but she got to fooling around with some new recipes. One of the new concoctions called for an apple, and Eve knew that she wasn't supposed to eat apples, but she sliced one up in this pie anyhow. And the reason she did was that this snake, named Serpent, came along and suggested that apples would taste much better in pie than rhubarb.

So she did, and sure enough that was against the Rules. Then Eve and Adam got evicted and had to go out and hustle some living quarters of their own, in places like Wormwood and Gall, and other undesirable suburbs.

We miss the fascination, insight, and power of the story of Adam and Eve because we look at it in the wrong way. Hollywood would play up the sex angle. The scientist would analyze the apple. Kids in the confirmation class would ask

whether snakes really talked in "olden times". All miss the point. Adam and Eve don't tell about sex, apples, or snakes, but about ourselves. It is a story about how we try to be equal with or "one up" on God. Then after we have tried to do this, we hide from God. Consider the trees we hide behind. The tree of superficiality where life is lived on the surface and there is no serious involvement with other people or the problems of our age. The tree of an outdated or irrelevant form of Christianity which we keep compartmentalized into one small area of our lives. The tree of feverish activity. The tree of rationalization. The tree of the pursuit of pleasure, and many other trees.

We hide, but in the game of life, God is "it". He seeks us not to "catch" us and help us to find ourselves. "Adam, where are you?" means come out of hiding. It's safe to do so.

## Area men severely burned in gun show

Gary Defendorf, 23, of 9418 Dixie Highway, Clarkston is in the University of Michigan Medical Center suffering from severe burn injuries. He was one of 20 persons who received injuries on Sunday during a demonstration of Civil War cannon at Somerset Center.

Five were critically injured including two others from Davisburg, and several from Oakland County. The two Davisburg men were James Broegman, 19, and Walter Simons, 37. They too are in the Ann Arbor hos-

pital after being given emergency treatment at Foote Hospital in Jackson.

Twenty cannons were set up along a quarter-mile line, and members were firing rounds at makeshift forts. Standing around a powder keg scooping out powder for their weapons were these men as well as many spectators. It is reported that a piece of wadding in one of the cannons which should have been blasted forward with the charge was blown by the wind 65 feet back and fell with sparks into the powder keg.

Somerset is in Hillsdale County and the annual shoot attracts visitors and participants from Michigan and other states. Two years ago the affair was held at Davisburg where there is an active chapter of these Civil War gun enthusiasts. The musketeers usually come dressed in Civil War uniforms.

Defendorf in addition to receiving burns over 80 percent of his body also received a head injury. Lapham and Simons have burns on 60 percent of their bodies.

Weekly Health Tip

from Keith Hallman

"Sun poisoning" is a term for a variety of acute and chronic reactions to the sun's rays. The patient develops this "allergy" to the sun in response to a severe sunburn. This sensitivity to the sun can last for several years, or indefinitely, and greatly restricts one's outdoor activity — one more reason to suntan but not to sunburn.

## Court rules 2 Why sewer bids are up cars can make a junk yard

### Transferring License

The transfer of a class C SDM from Lyle Tatu to Mrs. Martha Kurko was approved by the Independence Township Board Tuesday night.

Mr. Tatu had held the license in escrow for about 2 years. He formerly operated the Tally Ho tavern on Dixie Highway.

Mrs. Kurko, whose son, Dave, has a license in his name at Sportsmens Inn, plans to use the liquor license at 7504 Dixie Highway. This is the address of

the tavern formerly operated by and known as Manzella's.

The township approval now goes back to the state Liquor Control Commission for a final decision. They had asked the township if it had any objections, and to pass a resolution on their decision.

PLANNING A WEDDING RECEPTION OR ANNIVERSARY PARTY? We invite you to inspect our full line of invitations, napkins, coasters, social stationery and all items to make your affair a perfect one. Come to the Clarkston News Office or call 625-3370 for information

Independence Township's ordinance covering junk yards has been upheld by the Michigan court of appeals. On June 26 the Appellate Court ruled in favor of the township in the case of Independence vs. Roy Brothers.

In a letter to the Board from their attorney, Paul Mandel, it was stated that Roy Brothers could appeal to the state Supreme Court, however, he said, this didn't seem likely since they had indicated they wished no further court action with the township.

The portion of the ordinance questioned was "two or more unlicensed and unoperable vehicles for 15 days or more" define a junk yard.

The case had gone through the county Circuit Court where the same decision was rendered by Judge Ziem.

### Another accident; same place

A corner which invariably is the scene of an auto collision was the scene of another one on Wednesday morning.

Sheriff officers report that an auto driven by Margaret V. Brady, 48, of 3063 Greenwood in Pontiac had stopped to turn left off Dixie Highway at Maybee Road. With her was a passenger, Ruth Leigh, 72, of 7251 Sandy Beach Drive in Waterford. Both women were injured and taken to Pontiac General Hospital.

Their car was struck by an auto driven by Robert Clark, 41, of 9765 Dixie Highway in Clarkston. He was cited for failure to stop in a clear distance.

### Wins Meadowbrook scholarship

Michael Wiley, violin student at the Clarkston Conservatory of Music is the recipient of a scholarship at the 1968 Meadow Brook School of Music.

Michael is a member of the Meadow Brook Orchestra and attends daily classes in the theory of music, and receives private lessons from his instructor, Taras Hubicki.

Michael is the son of Mr. and Mrs. John Wiley of 3120 Francesca, Waterford and will enter his senior year at Waterford Kettering High School this fall. He is a member of the varsity Debate team, plays trumpet in the band and is the Concertmaster of the Waterford District Orchestra. His hobbies are astronomy, skin diving, and painting.
