## Jim's Jottings

By Jim Sherman

Seriously now, folks, just how many more Lion football games do you think you can afford when the team is 20 miles closer? Has the distance really been a factor?

Dollar figures are flying about how much money will be generated toward local business with the stadium in our county. When was the last time you went to a place of business next to Tiger Stadium?

And, if you reason that the neighborhood is too tough, what about Cobo Hall? How many times have you stopped anywhere except a drive-in restaurant when you went to Detroit to a ball game?

The generation of business may become a degeneration of the surrounding M-59 - I-75 intersection.

The best thing about the proposed new home of the Detroit Lions is that it might be built without legislative appropriations. The waterfront stadium would likely have taken taxpayer money.

Oh, well, like the man said when asked, "What are you doing here?" when the husband caught him in his wife's closet, "Everyone has to be somewhere!" So it is with the stadium. At least it may be closer and more accessible for traffic when built in Oakland County.

Do you have days when everything seems to go wrong? Well, when you read what happened some years ago to a man in this area, perhaps your problems will not seem so bad after all.

His letter to his employers explained what happened when he went to repair a building damaged by a hurricane:

"I rigged up a beam with a pulley at the top of the building and hoisted up a couple of barrels full of bricks. When I had fixed the building, there was a lot of bricks left over.

I hoisted one barrel back up again and secured the line at the bottom, and then went up and filled the barrel with extra bricks. Then I went to the bottom and cast off the line.

"Unfortunately, the barrel of bricks was heavier than I was and before I knew what was happening, the barrel started down, jerking me off the ground. I decided to hang on and halfway up I met the barrel coming down and received a severe

## Post Office cuts Saturday service

Officer in charge, Ray Klein, announced today that public finance windows at the Clarkston Post Office will be closed on Saturdays, starting Feb. 20.

Public lobbies will be open as usual on Saturdays, for the convenience of lock-box customers. However, manned windows, providing stamps, money orders, registry, parcel post, information and other services, will be closed.

This change in service is part of a recognition of the change in mailing habits of many postal customers and is being observed by other post offices in the area.

Mail will continue to be collected, processed and delivered as heretofore.

A scene in Nome, Alaska? No. Maybe a residence on a solitary back road way up north in Michigan's upper peninsula? No, just the mailbox of your neighbor on Eston Road in Independence Township after last week's storm!

## List drop-off centers

# Second glass collection set for February 20

The second monthly glass trash collection will be held in Independence Township on February 20. The Bottles for Building committee announced that plans have now been completed for these collections to be made regularly on the 3rd Saturday of each month for the rest of the year.

Residential pick-ups will begin at 9 blow on the shoulder.

"I then continued to the top, banging my head against the beam and getting my finger jammed in the pulley. When the barrel hit the ground it burst its bottom, allowing all the bricks to spill out. I was now heavier than the barrel and so started down again at high speed.

"Halfway down, I met the barrel coming up and received severe injuries to my shins. When I hit the ground I landed on the bricks, getting several painful cuts from the sharp edges.

"At this point I must have lost my presence of mind, because I let go the line. The barrel then came down, giving me another heavy blow on the head and putting me in the hospital. I respectfully request sick leave."

a.m. in the 27 heavily populated areas. Drop off centers will be open for 1 day only at area shopping centers.

The drop off centers are located at:

1. Township Hall Parking Lot Main Street
2. Fire Hall Sashabaw-Orion Road
3. Independence Commons, Dixie Highway
4. Gordon Bray, 9375 Pine Knob Road
5. Jack Belby, 4791 Mohawk
6. Merle Plagge, 9855 Rattalee Lake Rd.
7. Vic Kubani, 9619 Allen Rd. R.D. No. 3
8. North Point Shopping Center (A&P)
9. Pine Knob Shopping Center (Foodtown)
10. Public Loading site, Dixie Highway, Drayton Plains (Grand Trunk)

Volunteers are urgently needed to offer the loan and use of trucks and to drive the same for this month's collection. Ray Welch, 625-5235, will be glad to assign citizens who wish to contribute their share and assist in this community project.

Mike Gorrie, Manpower Chairman, 625-1738 and Ken Barks, 625-3996, Transportation Chairman, are anxious for

volunteers to assist in all phases of the collection.

The committee again stressed the importance of donors' removing all metal (including rings left after screw tops are removed), rinsing bottles of all material (paper labels may remain) and sorting glass by color: clear-white, blue-green and brown-amber.

Mrs. Joette Kunse, publicity chairman, reported that the committee is hoping that residents will set aside 3 separate containers for the 3 different colors of their trash glass. These containers will be left at their curb after the glass is dumped.

A booklet has been prepared by the committee to help other townships begin similar drives. Inquiries have come from as far as Willard, Ohio, where they heard of the Independence Township drive over WJR's Focus radio program.

Avon Township is planning an upcoming drive using the Independence Township format.

The local drive has received glass from Pontiac, Lake Orion, Drayton Plains, Waterford, West Bloomfield Township and Orchard Lake. Interested citizens of these communities have brought their glass here.

### Roger Gettig

Navy Ensign Roger L. Gettig, son of Edmund E. Gettig, Jr. of 8550 Ortonville Rd., Clarkston, soloed a Navy T-34B "Mentor" aircraft at Training Squadron One, Naval Air Station, Pensacola, Fla.

The event marked the termination of five months of intensive training and the first step to becoming a Naval Aviator.

After a total of 18 months of training he will earn his Navy "Wings of Gold."

### Alton Hamilton

Marine Pvt. Alton M. Hamilton of Waldon Rd., Clarkston, was graduated from basic training at the Marine Corps Recruit Depot, San Diego. Hamilton is a 1970 graduate of Clarkston High School.

### Walter Newman

Navy Seaman Apprentice Walter H. Newman, son of Mr. and Mrs. Wallace H. Newman of 9752 Rattalee Lake Rd.,

Clarkston, was graduated from recruit training at the Recruit Training Center, Naval Training Center, Great Lakes, Ill. He is a graduate of Holly Senior High.

### Walter J. Ollie

Marine Pvt. Walter J. Ollie, of 8459 Foster Rd., Clarkston, has completed four weeks of individual combat training at the Marine Corps Base, Camp Pendleton, Calif.

### David Ovegian

Specialist Five David A. Ovegian, 20, whose parents, Mr. and Mrs. Robert Frick, live at 5047 Frankwill Ave., Clarkston, recently received the Army Commendation Medal while serving with the 3rd Transportation Center in Vietnam. Spec. Ovegian earned the award for meritorious service as a movement specialist in the center's headquarters detachment.

He entered the Army in June 1969, completed basic training at Ft. Knox, Ky., and was last stationed at Ft. Eustis, Va.

### Douglas Soncrant

Marine Pfc. Douglas R. Soncrant, son of Mr. and Mrs. Ray B. Soncrant of 10470 King Rd., Davisburg, was promoted to his present rank upon

## Promoted

Appointment of John R. Nasi as superintendent of maintenance for GMC Truck & Coach Division has been announced by Robert W. Podlesak, general manufacturing manager. He was formerly a senior engineer - plant engineering.

Nasi began his employment with GMC as a General Motors Institute cooperative engineering student, graduating with a degree in mechanical engineering in 1963. His entire career has been in the plant engineering and maintenance departments. Appointed foreman-maintenance in 1964 and general foreman in 1967, he was transferred to the plant engineering department in early 1970.

Nasi lives at 5987 Kingfisher Lane, Clarkston.

graduation from the Second Infantry Training Regiment at the Marine Corps Base, Camp Pendleton, Calif.

### Robert Studebaker

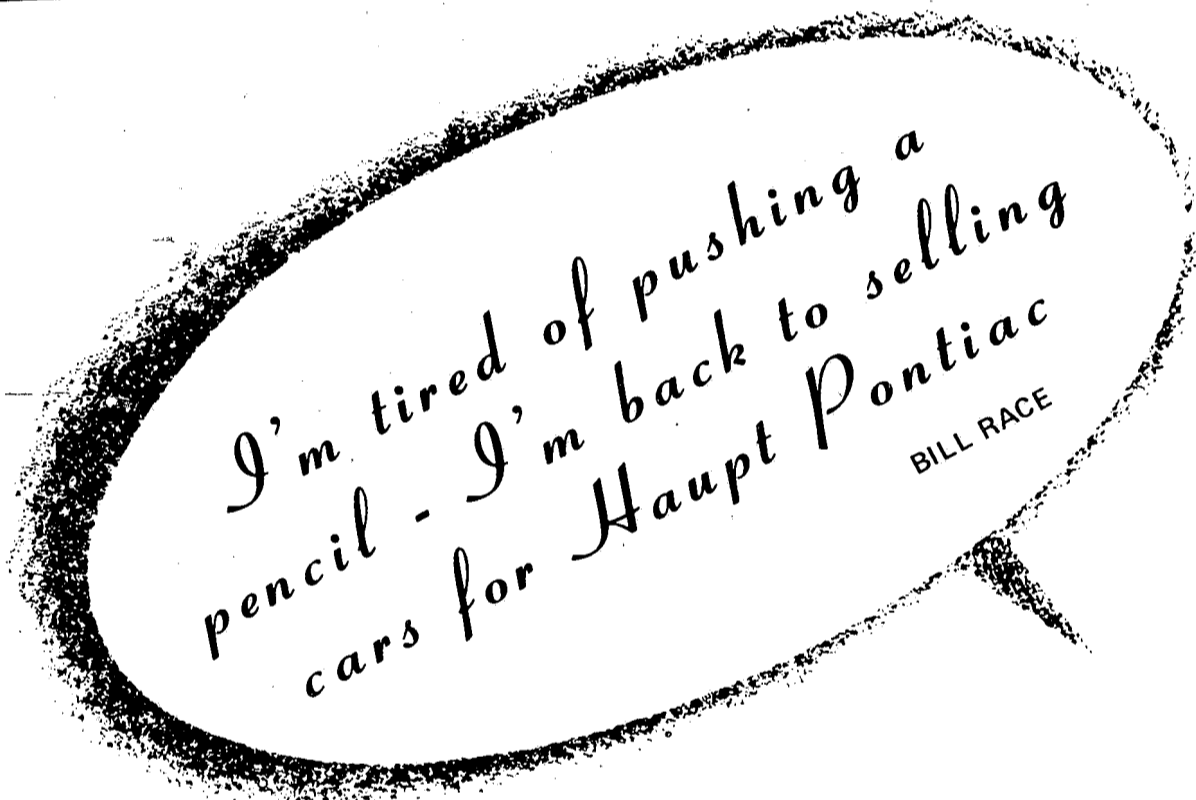

Navy Seaman Apprentice Robert W. Studebaker, son of Mr. and Mrs. E. H. Studebaker of 3 N. Holcomb, Clarkston, is serving aboard the newly commissioned tank landing ship USS Saginaw at San Diego.

The Saginaw is capable of fast and efficient landing of tanks, combat

vehicles, artillery and troops under assault conditions and will be ultimately assigned to the Amphibious Force of the Atlantic Fleet. Studebaker is a 1970 graduate of Clarkston Senior High.

### Robert Woodward

Marine Pvt. Robert J. Woodward, son of Mr. and Mrs. Ronald R. Woodward of 4300 Sashabaw, was graduated from recruit training at the Marine Corps Recruit Depot, San Diego. He attended Evangel College, Springfield, Mo.

Bill Race has been working on, with or selling cars, both new and used, since he was 12 years old. He has had his own used car sales and owned his own dealership.

Bill came to Haupt Pontiac in 1963 in sales; however, 4 years ago we made him office manager.

The pull of sales has proved too strong. He is now back on our sales floor and lots, ready to serve buyers of both new Pontiac Motor products and used cars.

We now have seven salesmen to help customers select the car they want and to work with them on financing. Call 625-5500 and ask for one of them... Don Short, Jim Leitner, Jim Beebe, Roy Haskins, Cliff Bennett, Skip Williams and now Bill Race.

## Viola Gardiner

Viola M. Gardiner of Waterford Township died after a long illness on February 3. She was 49.

Mrs. Gardiner was a member of Sunnyvale Chapel in Waterford Township.

She is survived by her daughters, Mrs. Rosemary Sexton, Waterford; Diane L. Gardiner, Waterford and William P. Gardiner, Pontiac.

Also surviving is one grandson and brothers, Clifford Bentley of Waterford and George Bentley of Lake Orion.

Rev. Paul S. Crossman conducted funeral services from the Lewis E. Wint Funeral Home on February 6. Burial was in Crescent Hills Cemetery in Waterford.

## Floyd Lawrence

Floyd E. Lawrence, 5970 Lakewood Blvd., Clarkston, died after a short illness on February 7. He was 81.

The retired farmer and real estate broker is survived by his wife, Edna.

Seven children also survive. They are Jack Lawrence, Dixon Lawrence and Mrs. Don (Doris) Menzies, all of Clarkston; Leon Lawrence, Oregon; Leonard Lawrence, Berkley; Floyd, Jr. of California and Mrs. Ren (Thelma) DeMain, Davison.

Mr. Lawrence had 17 grandchildren and 17 great-grandchildren.

Funeral services were conducted by the Rev. Dorr W. Fockler of the Mendon Lake Community Church at Union Lake and burial was in Union Corners Cemetery.

Funeral arrangements were made by the Elton Black and Son Funeral Home in Union Lake.

## Rufus Mc Gaughey

Rufus (Mac) McGaughey, 3461 Sashabaw Rd., Waterford Township, died after a long illness on February 6. He was 73.

The retired machinist is survived by his wife, Goldie I. McGaughey and his children, Mrs. Donald (Darlyne) Bradley, Drayton Plains; Mrs. Harold (Joan) House, Clarkston; Mrs. Bonnie Beach, Pontiac and James McGaughey, Pontiac.

Also surviving are 2 sisters in Kansas, 10 grandchildren and one great-grandson.

Dr. Paul S. Vanaman conducted funeral services from the Lewis E. Wint Funeral Home on February 9. Burial was in Oak Hill Cemetery in Pontiac.

## Katherine Parlette

Katherine L. Parlette, 75, of Detroit died after a short illness on February 4.

Surviving are her husband, Roscoe D. Parlette and 8 children: R. J. Taylor, Clarkston; Lee Taylor, Ohio; David Taylor, Illinois; Thomas Taylor, Lansing; Retta Allen, Mrs. Katherine Garlow, Miss Mary M. Smith and Mrs. Kathelen Grover, all of Detroit.

Also surviving are 3 brothers, 18 grandchildren and 13 great-grandchildren.

Funeral services were conducted from St. Daniel's Church on February 6 and burial was in Catholic Cemetery, LaSalle, Illinois. Funeral arrangements were made by the Sharpe-Goyette Funeral Home.

## John Sholts

John H. Sholts, 78, 8820 Sashabaw Rd., died on February 7.

His wife, Elizabeth Sholts, survives.

A member of the Pontiac Eagles Lodge 1230, Mr. Sholts was retired.

Also surviving are his children, Mrs. James (Barbara) Finch, Clarkston; Mrs. Elmer (Lydia) Yanke, Florida; Mrs. Lloyd (Donna) Estes, North Carolina; Mrs. Julius (Addie) Hustek, Pontiac; Mrs. James (Mary) McGaughey, Pontiac; John A. Sholts, Berkley; Joe P. Sholts, Metamora and 17 grandchildren.

Funeral services were conducted from the Lewis E. Wint Funeral Home on February 10 and burial was in Ottawa Park Cemetery.

## Fear another govt.

# Troy men come to tell opposition to SEMCOG

Two men from Troy appeared before the Independence Township Board, and about 45 residents, Tuesday night and explained why their community dropped out of Southeast Michigan Council of Governments (SEMCOG).

Supervisor Gary Stonerock had asked the city of Troy to send any representative they wished to discuss the topic. This stemmed from citizen reaction at the previous meeting when SEMCOG representatives came before the board and explained the organization.

Carl Lynch, Mayor pro tem, and Don Quinn, a member of the committee which studied SEMCOG for Troy, were very vocal in their opposition to the regional planning body.

At one time Quinn said the way SEMCOG is run "borders very close on the way communism got started."

Quinn and Lynch said they had much

data that proved SEMCOG had done nothing on its own, but had taken programs started by communities, incorporated them into their plans, and taken credit.

They said Troy had joined the planning group, but after one year questioned the decision. A study committee was appointed, 2 for and 2 against. After the study, all 4 opposed membership.

Lynch said Independence should first ask what benefit it would receive. Troy couldn't see any. They felt the benefits were all for Detroit.

Census figure distribution is left to SEMCOG. Lynch said, "We taxpayers paid for the census and SEMCOG charges for information from it."

Mostly the two were concerned, they said, with SEMCOG becoming another form of government, with taxing powers, and the elimination of local governmental

authority.

\*\*\*

Prior to the Troy presentation, John Bassett, 5196 Greenview, gave the board 16 sheets containing 225 signatures asking that the decision on joining SEMCOG be brought to the voters on a ballot and that the board hold an open forum on the subject.

The open forum is being considered by the board.

## A message to our customers

Starting on the 15th of February, 1971, we will be serving you from one location instead of the present two.

The prescription files, inventory, and personnel at this location will be combined with our larger facility, HALLMAN APOTHECARY, located in downtown Clarkston.

We realize that in some instances this location change will be an inconvenience to you. However, we feel that the following advantages will more than off-set the inconvenience:

- 1—Better prices to the customer due to reduced overhead and increased operating capital.
- 2—Increased operating hours (9 to 9).
- 3—Three pharmacists to serve you.  
Rowley Hallman, Keith Hallman, Dave Nadolsky.
- 4—Larger inventory and greater selection of non-prescription merchandise.

We appreciate your patronage for the past eleven years at this location and we hope to continue to serve you.

Sincerely,

Keith Hallman  
Registered Pharmacist

# FEATURE PAGE

## Letters to the Editor

### Post time

Dear Editor:

According to public statements by our supervisor, he does not need this job, while the job needs him. I salute both his independence and his tact.

Perhaps now, those who launched our new township officials' careers and sent them into orbit last November, could try to get them back to earth. Several months have passed and the circus should come to an end.

These gentlemen still bark up the tree. They should remember the election is over and they won. The tree is theirs now. A township is a vital part of government, not a block club.

Ingrid Smith

P.S. By the way, what is wrong with someone doing a job well, even if he happens to need it?

### Well done

Dear Jean and Jim,

Just a note of appreciation for the nice center spread coverage in last week's issue.

The pictures and reproduction quality were outstanding. I've had all kinds of

compliments on it, not only on the content, but on the technical aspects of the page as well.

A good job well done.

Sincerely,  
Herb Olson, principal

### Encouraging

Dear Editor:

This is to express my appreciation for the publicity given the Northwestern Oakland County Vocational Education Center.

Your coverage, I am sure, will stimulate interest in the community as well as encourage students to attend and benefit from this facility.

I am sure that the whole staff shares with me a profound thank you for a job well done. Needless to say, I hope that you will visit our Center often to see it grow and develop into a facility that meets the specific needs of our youth and the over-all good of the community.

Sincerely,  
(Mrs.) Louise M. Dube  
Teacher, Total Office Occupations  
NOAVEC

## PEEKIN' into the PAST

10 YEARS AGO IN THE CLARKSTON NEWS  
February 9, 1961

Boy Scout Sunday will be observed at First Methodist Church this year with five Boy Scouts of Troop 126 receiving the "God and Country" award. Receiving the award are Charles R. Beach, Jack W. Frost, Royce M. Hyatt, William K. Richards and William A. Walts.

\*\*\*\*\*

Three local students will be among the candidates receiving degrees from Wayne State University's mid-year commencement exercises. Joan E. Dark will receive her Bachelor of Art degree, Lucille M. Richley will receive her Bachelor of Science degree and William J. Wickline will receive his Master of Science degree.

\*\*\*\*\*

A daughter was born last Saturday to Mr. and Mrs. Robert Jacober in Glendale, Arizona. With a record of boys in the family, the new baby is the first Jacober girl in about fifty years.

\*\*\*\*\*

25 YEARS AGO IN THE CLARKSTON NEWS  
February 8, 1946

Mr. and Mrs. Erwin Baker of Clarkston announce the marriage of their daughter, Marjorie Jean, to Frederick Haywood of Hastings, Michigan. The wedding took place at the Clarkston Baptist parsonage.

\*\*\*\*\*

Mrs. Edward L. Porritt entertained at her home in honor of Mrs. Winifred Porritt's birthday. The guests were school girl friends of Mrs. Porritt.

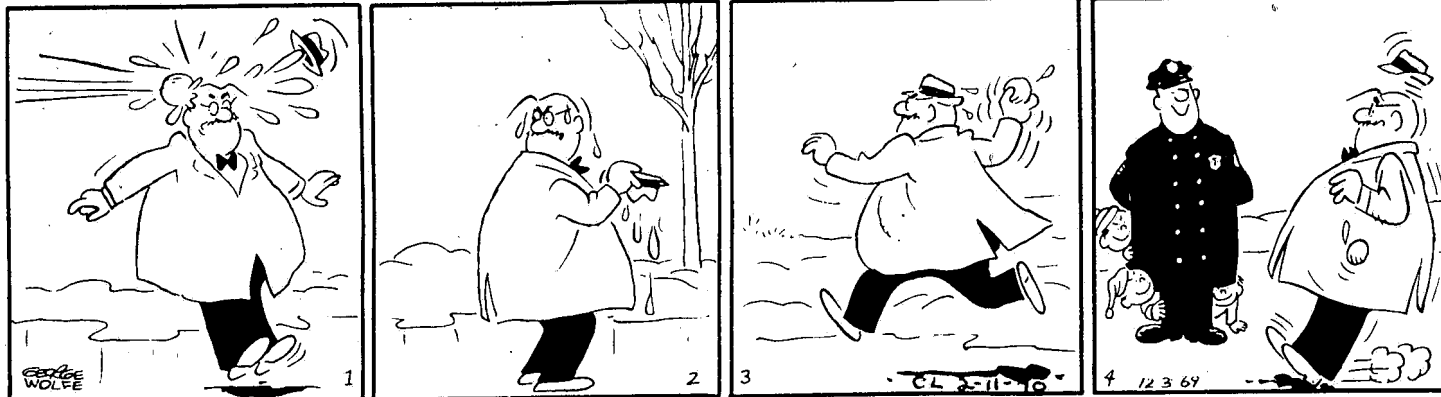

\*\*\*\*\*

Initial steps have been taken this week to provide the young and old of Clarkston with adequate skating facilities on the Mill Pond. By support of the Village Council and the Clarkston Rotary Club, flood lights have been constructed to provide good skating after dark. Everyone is invited to come out and enjoy the winter's fun.

\*\*\*\*\*

The Clarkston Methodist Church was the scene of a pretty wedding on Sunday night when Miss Muriel Boyns and Roy Spencer, Jr., spoke their marriage vows at a double ring ceremony performed by the Rev. Walter C. B. Saxman.

"If It Fitz . . ."

## Love Story is sorry

By Jim Fitzgerald

Some day when I weary of being an editor and a smartie columnist, I will retire to a big-city penthouse from where I shall drop upon an admiring world the most erudite critiques of movies, plays and books ever written, each one containing multitudes of sentences even longer than this, God help us all.

By way of practice, the subject for today will be Love Story, the soggy movie that became a soggy novel, thus proving that Kleenex can float upstream. Usually, the book comes before the movie. But Erich Segal, the Harvard professor, who wrote both, reversed the procedure for reasons you can hear him explain on the Johnny Carson show most any night.

Not to be outdone, I saw

Love Story before I read it. The most surprising thing was to discover it took longer to watch the movie than it did to read the book. I finished the book in an hour. And I don't think it took Segal much longer than that to write it.

That's right, I think it's a lousy book. The movie was entertaining enough, because it featured some attractive people. But the book reads as if it were written by a high school sophomore on the back of his lunchbag as he rode to school on the bus. Yes, I know Love Story has led the best seller list for months and countless TV personalities have praised it and Segal is making enough money to buy Harvard and move it to Hollywood.

But it's still a "banal book" to

quote from the prestigious National Book Committee which refused to consider Love Story for this year's fiction award no matter how many book sellers nominated it. This was an admirable action for which I send 3 hoorays to the committee members although they may hesitate to accept congratulations from a guy who always thought Saul Bellow was a glassblower's tool.

Love Story, in case you've been hiding out in a museum, is the tale of a rich young man who gives up the family fortune for the love of a beautiful but Italian girl who swears a lot and dies soon after the wedding. The movie and the book are exactly alike except for the ending.

As the book closes, the hero forgives his father for being Establishment and they weep in

each other's arms. But in the last scene of the movie, the hero rejects his father and goes off to sit in the snow without his coat.

It's easy to explain why the movie is rougher on Old Dad. It is currently fashionable for film heroes to put down their elders. If Wallace Beery were alive today, Jackie Coogan would spit in his eye. The idea is to make the young people happy because they buy most of the movie tickets. Old people don't have time for movies because they're too busy counting their money and violating the civil rights of their children.

Anyway, the theme of Love Story is the same in book and movie: If you love someone you never have to tell them you're sorry, no matter what you did. Erich Segal is a bachelor. †

# Winter carnival builds

Interest in the February 21 first annual Winter Carnival sponsored by the Clarkston Area Jaycees is building rapidly after a slow start, according to members of the committee.

Skating races will be open to all area youngsters who are in the 5th through 12th grades. They will be held on the Mill Pond as will the snow or ice sculpturing contest which is hoped to attract the 9th through 12th grade classes.

Individual prizes will be awarded to the winners of the skating races. If a sufficient number of entrants compete in the various classes, the races will be run in heats. Races will be run from 1 to 5 p.m.

A traveling trophy will go to the class who creates the best sculpture entry. The figures must be constructed on the day of

the carnival. Work may begin in the morning.

Boy Scouts will demonstrate some of their skills and a dog sledding exhibition is being arranged.

Roland Elkins, carnival chairman said, "We are starting out on a modest scale but if interest in the carnival warrants the continuation of the event, we will expand the competitions to junior hockey, figure skating, ice fishing derbies, a winter queen contest and other competitive events.

"We hope that this will be a good way to put some spark in the long, drab winter season," he concluded.

Spectators are encouraged to attend. All prizes will be awarded at 5 p.m. at the village parking lot on the day of the carnival.

# Suggests full time planner

A full time planner may be in the near future for Independence Township. Supervisor Gary Stonerock suggested the need at Tuesday's board meeting.

Stonerock said he had given a lot of thought to planning and growth of the township and thinks this is the most critical problem he and other township residents will face.

He recommended that the board consider hiring a full time planner instead

of a consultant as has been the practice in the past.

"I think it will be money well spent," Stonerock said. "It could be figured into the budget at the annual meeting. I'm not thinking of a recent college graduate at \$7,000 or \$8,000 a year, either, but one with experience in the zoning game."

He asked the board to give his suggestion careful consideration.

# Seek two tax collections

The Waterford School District Board of Education has asked the Independence Township Board to consider collecting taxes semi-annually, June and December.

They mentioned the impact once-a-year collections have on the individual.

Treasurer Ken Johnson said such a move would mean two tax rolls and 2

billings. "It might be wise, but it won't be cheap," Johnson added.

Supervisor Gary Stonerock pointed out that the townships are collecting school taxes now (the bulk of local tax dollars) without getting paid and an additional collection would double township costs without adding to the treasury of the township.

# Frozen pipes cause fire

An attempt to thaw frozen pipes brought a call to the Independence Township Fire Department for the second time in a week.

The home of David Johns at 7035

Andersonville Rd. suffered minor damages when plastic drain tile caught fire as an attempt was made to thaw a bathtub drain.

The fire occurred at 8:25 p.m. on February 2.

\*\*\*

The department was called again at 11:40 p.m. on February 5 to extinguish a blaze believed to have been started by a

cigarette in an upholstered piece of furniture.

The fire occurred at the home of Jack Skarrett at 43 E. Washington. There was no estimate of the amount of damage caused.

\*\*\*

Two inhalator calls, 2 smoke investigations and 1 pavement wash which was necessary when a driver backed into a gas pump at the Roy Brothers Gas Station and broke a line causing the gasoline to pump onto the ground, rounded out the week's activities. The station is located at U.S.10 and M-15.

Richard Love, 5870 Waldon, will be installed as Master Councillor of Cedar Chapter Order of DeMolay Saturday, Feb. 13, at the Davisburg Masonic Temple. Taking office with him at the 8 p.m. ceremony will be Douglas Kath, Senior Councillor; Gerald Kenyon, Junior Councillor; and other officers.

Al Vollad, 15, rolled a 635 series when he bowled games of 181, 167 and 287 at Howe's Lanes on February 6. The 10th grader has been bowling regularly at Howe's since he was 7 years old. He is a member of Howe's team in the Oakland County Junior Classic Traveling League where he carries an average of 161. Howe's Lanes will be the site of the Youth Bowling Association Singles Tournament on March 27 and 28 and April 3 and 4.

## Kutting Korners

Mrs. Jack R. Sansom

### Double ring rite unites J.R. Sansoms

Jeannette Erkfritz of Clarkston became the bride of Jack R. Sansom in the January 23 evening ceremony at the Clarkston home of the groom's mother, Mrs. Dorothy R. Sansom.

Jeannette is the daughter of Mr. and Mrs. Donald Erkfritz, formerly of Clarkston, now residing in Rockford, Illinois. The groom's father, H. J. Sansom, is of Pontiac.

Grandfather of the bride, Clarence Erkfritz, performed the double ring ceremony. One brother of the bride, Mike, was an usher, while the other, Keith, was ringbearer. Denby Smith of Royal Oak was best man.

The bride wore a white floor length gown of Galloon Peau de Ange lace over white taffeta while a matching lace covered cap held the tiered illusion veiling. She carried a full cascade of white

carnations and lilies of the valley.

The matron of honor, Mrs. Harvey Gauthier of Kingsley, and bridesmaid, Mrs. Denby Smith, wore pale blue street length dresses, while the flower girl, Lisa Erkfritz, wore deep gold. All three attendants carried nosegay arrangements.

A reception was held immediately following the ceremony.

The young couple are residing in Clarkston.

**ACCESSORIES FOR THE WEDDING RECEPTION.** Cake boxes, place cards, coasters, cake bags, place mats, ashtrays, stirrers. All available with name and date imprinted. Come in now and place your order at the Clarkston News, 5 South Main, Clarkston.

There was a bumper crop of onions this past season. The abundance of top quality onions is reflected in good buys for the consumer.

Low in calories, the onion is a source of vitamin C and such necessary minerals as calcium, potassium, phosphorus and iron.

Here are a few tips that you may find convenient.

The onion is a potent germ destroyer, according to a Soviet scientist. According to American experiments, a raw onion chewed for 5 minutes or less renders the lining of the mouth completely free of all harmful bacteria.

It probably renders the chewer completely free of friends, too.

To keep eyes from watering while cutting onions: Slice or cut onions under cold, running water. Slice onion from top rather than root end.

Onions will behave, even with company in the parlor, if you cook them, uncovered, in a large amount of boiling salted water. The flavor's better, too.

And here is a timely tip. Your windshield won't frost in winter weather if you rub the cut side of a raw onion over it.

I hope that they mean on the outside of the car!

So — while onions are priced so reasonably, let's try some of these recipes.

#### MARINATED ONIONS AND BLEU CHEESE

2 cups thickly sliced onions (large)  
½ cup vegetable oil  
1 teaspoon salt  
2 tablespoons lemon juice  
Freshly ground pepper to taste  
Dash of paprika  
½ teaspoon sugar

¼ cup crumbled bleu cheese (optional)  
Mix oil, lemon juice, seasonings and sugar. Stir in cheese if you are using it. Pour over onions, cover and chill at least 2 days. Delicious served with thin, buttered slices of pumpernickel or on a relish tray.

#### QUICK DILLED ONIONS

Save the leftover liquid from your favorite dill pickles. Heat to boiling point. Pour over ¼ inch thick onion slices. Chill 8 to 10 hours. Store in covered dish in the refrigerator for quick, convenient serving. Use the full slices in sandwiches, or separate into rings as garnishes or in salads.

Area girls, from left to right, Margaret Raymer, Maryellen Davis and Marcia Fahrner, reached the first plateau of their training enroute to becoming registered nurses when they received their caps at Hurley Hospital School of Nursing's capping ceremony on February 5. Kathleen Altman was not present for the picture.

### Around the town

## Baby boom

by Donna Fahrner

Mrs. Vera Hubbard of Buffalo Street has received word that she is a grandmother. Daughter Shirley and husband Bryan A. Doucette have a daughter, Angelia Maria who arrived on February 3rd and weighed 7 lbs., 2 oz. The Doucettes live in Ludington. It was a first grandchild for Mrs. Jean Doucette of Ithaca, too.

February is the month for first grandchildren. Mr. and Mrs. David White (Gloria Swift) of North Olmstead, Ohio have a little girl, Michelle Lynn, born February 5th. The baby weighed 7 lbs., 10 oz. Grandparents are Mr. and Mrs. E. G. Swift of Cramlane and Mr. and Mrs. E. White of Negaunee, Michigan.

Linda Skarritt informs me that

members of Jobs Daughters are very busy making plans for their annual fund raising party. It will be held March 12th at the Masonic Temple. An order for housewares entitles the buyer to entertainment and refreshments.

The girls will be taking orders from now until the date of the party. You can call any Jobs Daughter or Linda Skarritt, 625-1804, for further information. This sounds like a fun evening, so mark the date on your calendar.

Word has been received that Ward Dunston is ill in Florida. He would like very much to hear from his friends in Clarkston. His address is 14 Main Dr., Sunset Trailer Village, Bradenton, Florida 33505.

Mr. and Mrs. Gary Parrott (Bonnie Hess) are the proud parents of a baby girl, Tammie Lynn, born February 2. She weighed 6 lbs, 3½ oz. Grandmothers are Mrs. Herbert Parrott of Parview and Mrs. Gerald Hess of Flemmings Lake Rd. Great-grandparents are Mr. and Mrs. Ray Poulton of Flemmings Lake Road.

Reginald Clare Bird, son of Mr. and Mrs. Reginald Bird of Allen Road, was in Clarkston for the weekend of January 30. It was the first time he has been home in 2 years. It was a business trip, so his wife, Ann and sons, Nicholas, 3 and Adam, 5, remained at home in Geneva, Switzerland. A visit to his grandmother, Mrs. George Perry, completed his stay in

Clarkston.

Dwight Pettengill of Transparent is a patient at Pontiac General Hospital. A card from his many friends will help speed his recovery.

An epidemic of the mumps put a crick in the birthday plans of John Harken, Sr. Daughter, Donna of Mt. Clemens, took the Harkens out for dinner to celebrate but the John Harkens, Jr. were unable to go along. Grandson Danny came down with the mumps first and was followed by brother Richard. Then it was Dad's (John Harken, Jr.) turn.

They compromised by having cake and ice cream at the home of the invalids.

# To study present and past in sewer program

A citizens' committee is being organized to study the present status of the township's sewer project. Stage one will be reviewed along with future stages, according to the request by trustee Tom Bullen.

Bullen said the original estimate in 1967 of the first sewer lines here was \$6 million and this has now climbed to \$11 million.

Supervisor Gary Stonerock said he had found several streets had been left out of the first stage "just because people on those streets asked to be excluded."

The supervisor also mentioned that proposed connection charges could go as high as \$2,500. The township preliminary report and estimates in 1960 were \$1,500.

A spokesman for the county Department of Public Works told the News that the engineers, Johnson and Anderson, have updated their estimates and they are about the same as previous estimates.

He said laterals are expected to start before June 1 and some within 90 days. The big interceptor in Macomb county that will carry effluent from the Clinton-Oakland interceptor will not be

complete until late this year or early next year.

Each member of the township board will appoint one person, plus there will be several ex-officio members in the new committee.

## OK multiples

The Double D Ranch site on Clintonville road has been rezoned for multiple dwellings. The change from Residential 1 to RM came at the request of Mr. and Mrs. Jack Raisin of Walters Lake.

Raisin, a representative of U. S. Steel, plans to erect modular town house units. Ultimately, he said, the project cost would run to \$4 million.

There are 19.75 acres in the 4980 Clintonville Rd. property. It is on the east side of the road and south of I-75. Neighboring property is zoned multiples and mobile home parks.

Raisin's next step is to submit a site plan to the Independence Planning Commission.

## Spiritual Message

Fr. Francis A. Weingartz

### THE GOSPEL ACCORDING TO ST. LUKE

The Gospel according to Luke is a Gospel of mercy and forgiveness. Luke's Gospel is a Gospel of mercy and forgiveness because he is the one who gives us the accounts of the Good Samaritan, the Prodigal Son, the Penitent Thief, and the Repentant Woman. Only Luke gives us the words of Jesus as he was being nailed to the cross: "Father, forgive them; they do not know what they are doing." (Luke 23:34).

Our world today is filled with fear and frustration which shows itself in acts of anger and bitterness and resentment. We are all standing with minorities today and one who stands with a minority is threatened very easily and feels insecure. When we are threatened and feel insecure, we so often act out our frustrations in anger and in name calling. But this does no good. It only makes things worse.

What's needed? We need the qualities of Christ as painted by Luke in his Gospel. We need the mercy, the gentleness and the forgiveness of Christ. We need

Good Samaritans who will bind up wounds, pouring on oil and wine. (Luke 10:34). We need fathers who will welcome home a prodigal son or daughter (Luke 15:24). We need real Christians who will say with Christ: "Father, forgive them; they do not know what they are doing" (Luke 23:34).

# BOY SCOUT News

January 30 was a bitter cold day and the day after a big blizzard. The weather conditions didn't stop Clinton Valley Council's Manito District from holding their annual Boy Scout competitions at the American Legion Chief Pontiac Post 377 in Drayton Plains.

Troop 189, sponsored by Calvary Lutheran Church of Clarkston was one of the competing troops in a contest of scout skills.

The troops were divided into patrols and proceeded from station to station to be judged in the following skills: compass, firebuilding, signaling (Morse code or Semaphore), ice rescue, first aid and sled judging.

The Boy Scouts carried lunches and were served hot dogs and hot chocolate in the hall. All of the Boy Scouts received a patch for participating in the Arctic Olympics.

Leadership was provided by scoutmaster Bill Purves, Ass't. Scoutmaster Herschel Fry and committeeman Frob Gruenberg. Boy Scouts attending were: Mark Baynes, John Fry, Eric and Leif Gruenberg, Mike Jewell, Dave Johnson, Dennis Loba, Craig and Matthew Moore, Tim Purves, Franz Tresenreiter, Mark Wood and Mark and Paul Zelenak.

### TROOP 49 News

Troop 49 Scouts and fathers journeyed to Oakland Hunt Club at Curran, Mich., the weekend of January 15 as guests of Jim Huttenlocker. The boys spent the weekend working on many of the outdoor activities toward advancement.

Scouts attending were Bill McMasters, Bob Bradley, Keith Bradley, John Petterson, Craig Newlin, Jim Allard, Ric Huttenlocker, Greig Giegler, Brian Collins, Bob Ellico, Jeff Blackett, Mike Rauth, Doug Roosa, Dale Verhey, Dennis Boberg, Chris Cowdin, Steve Darling and Dan Biron.

Fathers accompanying the boys were Jim Huttenlocker, Jim Giegler, Jim Allard, Ron Collins, Darrel Blackett, Vincent Rauth, Stan Roosa, Paul Verhey, Phil Boberg, Jerry Bradley and Doug Cowdin.

### TROOP 126

On January 20, Boy Scout Troop 126 attended the annual Winter Olympics held at American Legion Post 377. The Olympics are performed by using skills learned from Scout achievement requirements.

### PACK 341

Cub Scout Pack 341 held its January 21 meeting in Sashabaw Junior High School with displays of projects contributed by each den along the theme "Constellations of the Universe." A skit explaining the characteristics of the zodiac signs was presented by Den 2.

Billy Edwards, Don Simmons and

Brian Campbell crossed the bridge to become Webelos Scouts. One year service stars were awarded to Webelos Don Ferguson and Joe Brown. Jeff Dawley received his two year star.

Cubs awarded Wolf badges were Rick Warthen, Bill Campbell and Edward Eaglen. Jim Wood and Edward Jameyfield both received Bear badges. David Cross of Den 6 received 3 silver arrows, while David Brown and Mike Zografos each received one.

Gold arrows were awarded to Bradley McGuire, Bill Campbell, James Moore. Kevin Trulu, Edward Jameyfield and Edward Eaglen.

Webelos Activity awards went to Larry Martin, engineer; Tim Roberts, geologist; Don Ferguson, engineer; Steven Benscoter, citizen, scientist and showman; Joel Humphreys, scholar, engineer and showman; Norm Hunt, aquanaut; David Willits, forester; and Joe Brown, traveller.

Bob Bray and Scott Turnbull received Recruiter Awards. Denner and Assistant Denner Awards were received by Scott Erikson and Jim Wood. Den 1 won the Cubby Award.

Plans were announced for the February 18 Blue and Gold Banquet and the Webelos Ice Carnival to be held February 27.

Nine boys from Den 1 visited the Cranbrook Institute of Science planetarium on January 28.

## Elected

*James A. Sherman, publisher of the Clarkston News and Oxford Leader was elected to the board of directors of the Michigan Press Association at the 103rd annual meeting at Kellogg Center in East Lansing recently. The MPA will be headed during the coming year by Blair C. Bedient, publisher of the Albion Recorder.*

Arch-villain, played by Pete Rose, perpetrates one of his dastardly deeds against the hero in the Village Players repeat 10th anniversary performance of the side-splitting melodrama, "Dirty Work at the Crossroads." Performances will be given at the Depot Theater on Feb. 19, 20, 21, 26, 27 and 28. Friday and Saturday curtain time is 8:30 and 7:30 p.m. on Sundays. Tickets, at \$1.75, are on sale at the office of Dr. Denne, or at the door or call 625-3686. The hero is played by Chuck Roberts.

## SCHOOL MENU

### Epilepsy

Epilepsy is so often misunderstood — even by well informed persons — that those who suffer from this nervous disorder often undergo a great deal of social stress. Not only is this unnecessary stress, it can add to the patient's physical problem.

It seems there is something that interferes with the epileptic's supply of nervous energy; instead of it being released in a steady and controlled way, it may become spasmodic and irregular. If this becomes severe, we see a seizure typical of epilepsy. Fortunately, there are now several drugs that are effective in controlling the disorder.

As a matter of fact, 75% to 85% of those with epilepsy can now control their seizures sufficiently with drugs, to live a normal life.

But they may still find it difficult to get a job, or can do so only by concealing their condition. Employers are nervous about the possibility of a seizure on the job that may cause self-injury or a disruption of work. Like many people, they tend to be afraid of the epileptic for no particularly good reason.

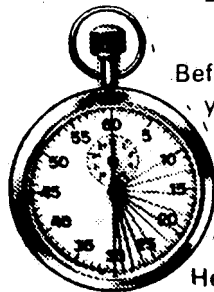

The patient (who realizes there is nothing else physically wrong with him) ends up feeling shunned by society. This negative view of himself makes it all the more difficult for the epileptic to get or hold a job, making the problem steadily worse.

Epilepsy is nothing shameful, to be whispered about. It is a neurological disorder you should become informed about, so that you can counter the irrational fear that patients meet every day.

# Let it snow!

*CHS News* . . . By Beverly Morse

The Clarkston students had another snow day. This brings the grand total to 3½ days off. If this keeps up, we might even set a new school record for snow days.

\*\*\*

Along with new classes, high school students have some new rules. Before, when the students had unscheduled time, commonly called free time, they were allowed to be in the cafeteria Common's Area, the library or the gym area. Now all the gates are kept locked and the gym area is restricted. If a student is late for class, he doesn't get up in the upper halls without a pass. This means he misses the whole class and it is counted as a skip. If a student has to leave school for any reason, he must have a pass to allow him to re-enter.

All the grades were informed of this new procedure at special meetings. We were told it was to prepare us for next year when, as rumor has it, we are to have study halls and become a computerized school.

\*\*\*

Report cards are out. Students received them during the last fifteen minutes of school last Wednesday. Each student had to go to the room where they had all the cards with his last initial. There were lots of groans and lower grades than expected. Some report cards were held in the library where the student had an overdue book or unpaid fine.

\*\*\*

The Junior class has started plans on the Junior-Senior Prom. As of now, the cost will be \$15.00 per couple.

It will be on May 22, from 9 p.m. to 5 a.m. at Addison Oaks, near Lake Orion.

The price includes dancing and dinner and a souvenir of some sort. There is a swimming pool for those who want to swim, and smaller rooms for games or fast dancing. This is really much cheaper than in past years and sounds like much more fun.

\*\*\*

Friday is slave day. Here the guys are masters and the girls the slaves. They carry their books, open doors, anything a slave would do. Then comes Saturday night and the annual Sadie Hawkins dance. The girls have to ask the guys to the dance. It will cost \$1.50 per couple, from 9:30 to 11:30.

Prizes will be given for the best-dressed and the best "corsage" (they're made from vegetables!). Y-Teens is sponsoring the dance and the United Septep will be playing.

Marryin' Sam will be there too!

*THANK YOU NOTES, available at all times at the CLARKSTON NEWS office. Package of 25, 69c.*

*Purchase all your OFFICE SUPPLIES at the Clarkston News Office, 5 South Main, Clarkston.*

## Ask court to lift order

No dates were set Tuesday night for referendum votes. The Board is still waiting for resolution of the Gerald L. Anderson vs. Township case. Anderson has a restraining order from the court prohibiting the clerk from completing the signature count on petitions.

Petitioners asked for the referendum when the Township Board rezoned Anderson's property on Waldon for town houses last spring.

Richard Campbell, Independence's attorney, has now been asked to go to court and ask dismissal of the restraining order. He will use the argument that it would be a savings to the township to have all three referendums (shopping center, trailer court, multiples) on one election date.

Anderson has said he is not in favor of having his property vote on the same ballot with the others.

## Tower fills planner list

The Planning Commission of Independence Township has been completed. A village resident, Floyd Tower, 177 N. Main, was named Tuesday night as the ninth member of the board.

His term will expire December 31, 1971. However, supervisor Gary Stonerock said Tower would be re-appointed for a 3-year term should he desire at the end of the year.

The other Commission members and their term expiration dates are: Frank Reynolds, 6455 Waterford Hill Terrace, 1973; Jack Belby, 4791 Mohawk, 1973; George Woody, 4735 Circle Lane, 1973; Joe Rhoades, 8954 Woodlawn, 1972; Mel Vaara, 6932 W. Church, 1972; Keith Humbert, 6440 Snowapple, 1972; Jean Bray, 9375 Pine Knob Rd., 1971; Glen Brokenshaw, 5592 Pine Knob Rd., 1971 and Tower, 1971.

## If you plan on building or remodeling... plan on modern ELECTRIC HEAT

When you build a new home or add on a new room, you naturally want everything to be new, clean and modern. That's why you should insist on flameless electric home heating—the truly modern kind of heat. It's quiet, trouble-free, as clean as electric light itself. And it can give you that wonderful exclusive feature—individual room temperature control.

An Edison-Approved Electric Heating Contractor will be glad to tell you all about comfortable, moisture-retaining electric heat. He'll figure your operating cost, and there'll be no obligation. Call him for an electric heat survey, or mail the coupon below.

Gary L. Craven, son of the late Mr. and Mrs. Percy Craven of Clarkston, has been promoted to an Assistant Cashier of the Belmar-Wall National Bank, Belmar, N. J., according to a recent announcement. Mr. Craven, formerly of Clarkston, and a brother of Jack Craven of 6666 Wealthy St. resides with his wife, Dorothy and their two children in Neptune City, N. J.

# People's choice

By Haslett Hemmor

Never could quite figure out why Elwyn Dirkson Devine wanted to be Town Marshal. Actual fact, it surprised most of us that he even took up bowling. Figured that was right strenuous for "Pretty Boy" Devine.

Now fair is fair, and a guy can't really help it if he has platinum blond hair and real smooth pinky skin with no beard. And I mean NO beard. Not even a faint fuzz. Twice as pretty as his sister, Margaret Anne, he is, and some folks claimed his walk was much daintier than hers.

There was them, too, that said he plain hated all women. Could be, but can't say from personal observes. Extra polite, he always was, but don't recollect no time he was extra nice or extra mean to no one.

Might call him a lone wolf or something. Just never did mingle much until he started bowling, and he sure didn't act none too happy about that. Musta knowed he was going to run for Marshal.

Guess it was six months, more or less, that he bowled before he announced in the paper that he figured local folk should vote for a fellow born and raised

right here, local. Sure raised a lot of eyebrows hereabouts that old Elwyn would even think about anything that might even remote be dangerous.

Only gink what opposed Pretty Boy was a character everybody called "Burp" Bowns. Come by that "Burp" handle honest, he did. Some claimed they never saw him without a mug of beer and he sure had the belly to prove it.

Hadn't been around these parts but a couple of years, Burp hadn't, and did nothing but occasional odd jobs. Claimed he could fix a washer or sharpen mowers or even do some welding.

Didn't get much in the way of call-backs, so maybe people weren't too extra impressed by his work. Only real complaints I heard was he'd promise something for next Monday, and it took a lot of prodding to get him to do a job in a month.

Guess he charged plenty, too, whether he fixed stuff proper or not.

So like big old Rose Carter remarks to me, the choice for Marshal sure leaves us between the devil and the deep blue briney.

Where Burp even got the money for his

goofy political ads is something quite a few of us pondered on. Come right out and asked Dutch Vanderburg down at the Clarion if he was putting those Burp ads on the cuff.

Dutch says he never allowed no charge ads for political, so Burp got the cash someplace. Come to think of it, he must of paid cash for all that beer he swilled away, too. Got it someplace.

The long and short of it is that "Pretty

Boy" won out by three votes and we sure's shootin' got the prettiest Marshal in the whole U.S. of A.

"Some day," Rose Carter remarks to me when we read the results next day in the big city daily, "Some one of these days, I'm going to have me the pleasure of really voting FOR someone instead of voting AGAINST someone I figure is even less qualified. I'd say Burp got three more NO votes than Pretty Boy did."

## VILLAGE OF CLARKSTON VILLAGE COUNCIL Minutes of Regular Meeting January 23, 1971

Meeting called to order by President Cooper.

Roll: Present — Basinger, Johnston, Jones, Kushman, Westlund, Hagen.

Minutes of the last meeting were read and approved.

Also present were Billie Farnum, Financial Advisor to the Village Council and Howard Kieft, Village Engineer.

Mr. Farnum presented the Council with the proposed Sewage Disposal Ordinance and a report on Collecting Sewer Construction Grants.

Discussion on the Lot Split Ordinance, Zoning Ordinance and Burn Ordinance proposals was tabled.

Moved by Kushman that the following bills be paid:

Billie S. Farnum Associates — \$2,050.00  
Day's Sanitary Service — \$350.00

Seconded by Hagen. Roll: Basinger, yea; Johnston, yea; Jones, yea; Kushman, yea; Westlund, yea; Hagen, yea. Yeas 6, Nays 0. Motion carried.

Mr. Kieft reported that he would present the findings of the study on Waldon Road at the next regular Council meeting.

Moved by Hagen that the Affidavit from the Michigan Liquor Control Commission regarding ordinance enforcement be completed by the Clerk and submitted as required. Seconded by Westlund. Motion carried.

Moved by Hagen that the following increases in Street Wages be made effective January 1, 1971: Street supervisor, \$4.00 per hour; Assistant, \$3.50 per hour, Helpers, \$3.00 per hour. Seconded by Kushman. Roll: Westlund, yea, Johnston, yea, Basinger, yea; Kushman, yea; Jones, yea; Hagen, yea. Yeas 6, Nays 0. Motion carried.

Trustee Hagen reported that he would study on-street parking with the Police Department and report to the council on that matter.

Meeting called adjourned by President Cooper.

Artemus M. Pappas  
Village Clerk

## Seven ordinances asked from attorney

Seven laws affecting land use will either be rewritten or written anew by township attorneys at the request of the township board.

The gravel section of the zoning ordinance will get an overhaul. In asking for the revision, the board set a 30-day period for holding all gravel zoning requests in abeyance.

Gary Stonerock, Independence's supervisor, said he had two gravel zoning requests since taking office in November.

Also up for revision is the Mobile Home Park district ordinance.

Complete new documents have been requested covering shopping centers, signs, garbage dumping and open space. The latter would allow the township to accept lands as donations and to acquire

lands for township use.

A snowmobile ordinance is now being studied by the board.

A year of happy reading to our new friends.

### Briefly told

Community and church organizations which wish to raise money for charity are invited to attend a meeting in the Pontiac Mall Community Room on Friday, February 26 at 1:30 p.m.

The Pontiac Mall has scheduled the week of October 18 through 23, 1971, as "Charity Bazaar Week in the Mall." Community and church organizations raising money for charitable work and interested in selling homemade foods and baked goods, fancy work, Thanksgiving and Christmas decorations and other handcrafted items are invited to attend this meeting to discuss and plan this 6-day event to be held at The Pontiac Mall.

Proceeds from the space rental will go to the Drayton Plains Nature Center.

Sigma Beta Sorority is holding a Millionaires' Party on Saturday, February 20 at 8 a.m. at the Waterford Oaks Recreation Building at 2800 Watkins Lake Rd. in Waterford.

A donation of \$5 will be used to further the program of R.A.P. (Residents Awareness Program). Mrs. Linda Marcom, 625-2878 has tickets.

## NOTICE

TOWNSHIP OF INDEPENDENCE  
COUNTY OF OAKLAND STATE OF MICHIGAN  
AMENDMENT TO INDEPENDENCE TOWNSHIP ZONING ORDINANCE NO. 51  
ADOPTED: February 2, 1971  
EFFECTIVE: March 12, 1971

TITLE: AN AMENDMENT TO INDEPENDENCE TOWNSHIP RURAL ORDINANCE

THE BOARD OF INDEPENDENCE TOWNSHIP OF THE COUNTY OF OAKLAND, STATE OF MICHIGAN, ORDAINS:

THAT the Rural Zoning Ordinance of Independence Township Ordinance No. 51 and Zoning Map a part thereof is hereby amended as follows:

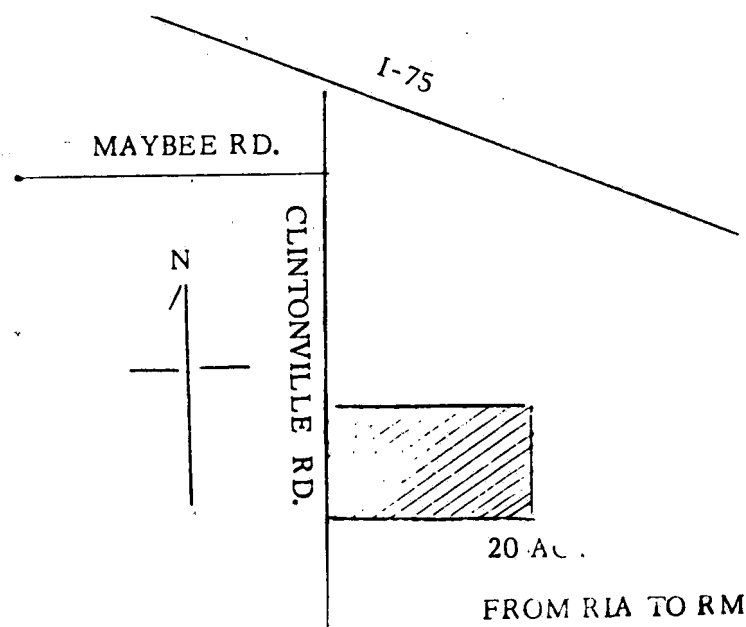

TO WIT:

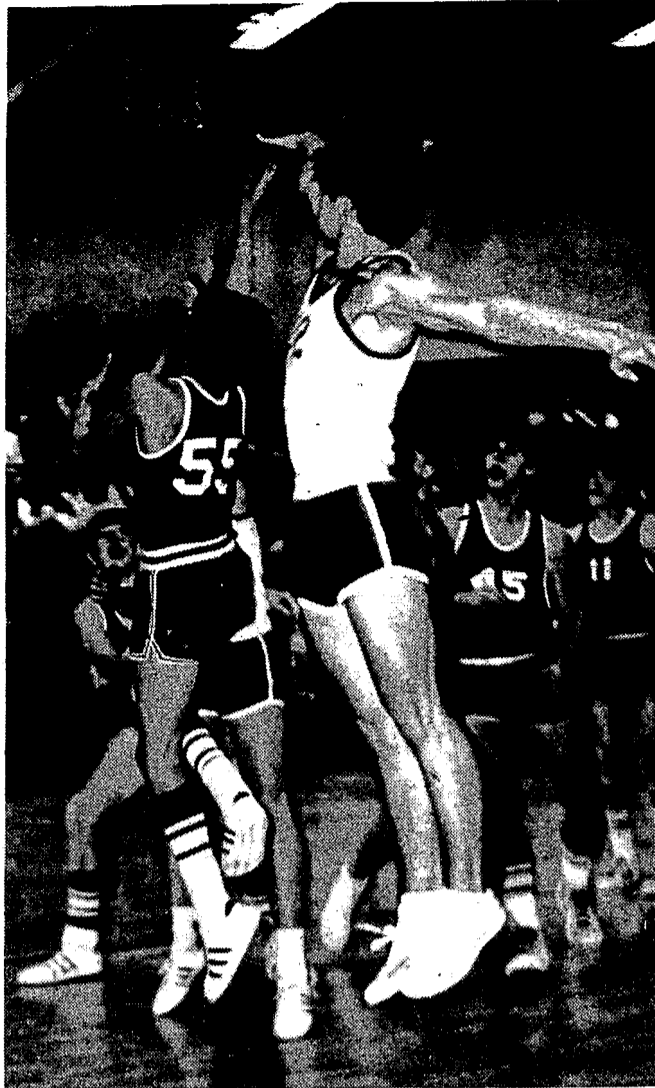

Case 140: To Rezone from R1A to RM District located in Section 36 and described as follows:

N½ of NW¼ of SW¼ of Section 36, T4N, R9E

Passed this 2nd day of February, 1971 A.D. by the Independence Township Board.

Howard Altman, Clerk  
Independence Township

Steve Mauti, 55, works his way under the basket to help the Clarkston Wolverines as they beat Milford Muir.

Photo by Ron Brittan

# Matmen crush Milford

With a roar the Clarkston wrestling Wolves brought their dual meet season to a close by trampling Milford 35 to 9. This was the team's 5th league victory against 2 losses, and gives them an overall 5-5-0 record for the season.

Tim Lekander took a (10-0) decision. Mike Packer, wrestling up a weight at 108, settled for an 11-0 shutout.

Rick Detkowski, 115, scored a first period fall to rack up 5 more team points. Kirk Dougherty, 122, decisioned and Brian Gerber, 129 pounds, added another decision (5-1) for 3 more points. Brian Knake, 141, outpointed his opponent (10-1).

Al Knake, at 170 pounds, scored a very fast first period fall (:09 seconds), possibly an area record.

Mark Willis, performing well at 188 pounds, scored a clean pin. Willis, incidentally, has been spotting his opponents 10 to 15 pounds all season, and has simply outwrestled the bigger men.

Mark Hoxsie, heavyweight, rounded out the team effort by pinning the "big heavy" from Milford in the third period.

With the duals behind them, the tournament for the conference title here in Clarkston on Feb. 13 looms ahead. The wrestling starts at 11:00 in the morning.

The 8 school, all day event will culminate with the finals beginning at 7:00 p.m. on Sat. night.

The Wolves are aiming for their second league championship.

Gary Mason, 5'10 1/2", 135-pound forward for the Clarkston Wolverines, set a Clarkston Junior High School record for scoring in the February 2 game against Avondale when he scored 34 points.

Photo by David Leaf

## Wolverines salt 10th win

By Lynn Surre

The Clarkston Wolverines, with a current record of 10 wins and no losses, defeated the Avondale and Milford Muir teams last week by scores of 83-70 and 61-53, respectively.

Against Avondale the Wolverines played a great catch-up game as they lagged behind in the first half, at one time, by a score of 27-14. Early in the

4th quarter they pulled ahead and coasted on to the win.

Against Milford Muir the Wolverines controlled the first half and went off the floor at halftime leading by 9 points. Muir showed a strong offensive in the second half, which the Wolverines managed to bridle. They won 61 to 53 with an 8 point bulge.

## Raise funds for football

On Thursday, Feb. 25 the Independence Township Athletic Association will sponsor a family roller skating party at the Rolladium Skate Club on Highland Road. The party will be held from 7-9:30 p.m.

All families residing in Independence Township are welcome.

The purpose of this roller skating party is to secure funds for football equipment for the coming fall football program for boys, aged 9-12.

For further information concerning the family roller skating party, contact Mrs. Fred Dyke, 674-3375; Dave Larkin, 623-0812; or Dick Heath, 673-1950.

**Season record 6-6**

# Wolves fall to Andover

By Craig Moore

Tuesday, February 2, the Andover Barons got a fast start and downed the Clarkston Wolves in a 52-37 setback.

Andover grabbed a quick 15-6 first quarter lead. Taking advantage of the Wolves' poor shooting, the Barons posted a 30-16 halftime margin.

Bloomfield's Barons led by 15 points, 35-20, in the third quarter when Clarkston gunned in 10 consecutive points to come within 5 points, 35-30.

But Andover manipulated its defense to counter the Clarkston scoring attack and allow only 4 free throws in the fourth quarter to close the game, 52-37.

Bill Craig topped the Wolves in scoring with 10 points, Don Brown totaled 9 points.

\*\*\*

After a close 17-16 first quarter, the Clarkston Wolves opened up the game

## C.H.S. musicians

### in All-Star Band

Chris Harrison, clarinetist and Becky Byers, oboeist in the Clarkston High School Band, were among 226 top high school musicians who invaded Lansing on February 6 and 7. The musicians came from all over Michigan, from the shores of Lake Michigan, the east, the north, the tip of the Thumb, to the Ohio line.

The All-Stars musicians were there January 9 to compete for all parts in the 1971 tenth annual Greater Michigan All-Stars Bands.

Seventy high schools were represented. These students were selected from 5,221 originally considered for membership.

The All-Stars Bands prepared for a Sunday concert on February 7 at Everett High School, Lansing. The 4:00 p.m. concert was given in the high school gymnasium.

\*\*\*

The Clarkston High School instrumental music department will present a winter concert on February 11. Tickets are being sold by band members and will be available at the door.

The concert, the first under the baton of Keith Sipos, music director, will begin at 8 p.m.

## Dean's list

More than 2,330 students have been named to the academic honors list at Central Michigan University for the 1970 fall semester.

Linda K. Heath of Pear Street, a senior; Alan A. Kodrofske, a freshman of Parview Drive and Katherine Matlock, a senior from Crestview Drive were among those honored.

and slaughtered the Clarenceville Trojans 73-58 last Friday.

By the end of the half, the hot-shooting Wolves established a 37-28 bulge, to ice the game.

Clarkston led by as many as 18 points in the second half.

The Wolves then coasted through a 19 point third quarter and romped past the Trojans in the upset.

Bill Craig ranked high scorer with 20 points, 7 buckets and 6 of 17 free throws. Following suit were Gary White with 19 and Don Brown, 17.

Brown and White grabbed 14 rebounds apiece.

Clarkston holds a 5-5 league record and is 6-6 for the season.

Comparing the week's games, Coach Hanson said, "Our rebounding wasn't good and defense wasn't working too hard in the Andover game. We weren't hitting. Things were turned around in the Clarenceville tilt. Defense was good, we hit baskets and out rebounded Clarenceville over 2 to 1. It was almost a diametrically opposite game."

\*\*\*

The Wolves' Junior Varsity picked up two victories in basketball action last week.

The Wolves whipped Andover 49-34. Andover led at the close of the first quarter, but by halftime Clarkston took over, 21-11. The Wolves then increased their margin for the win.

High scorers were Bruce Souby, 11 and Larry Miracle with 10.

\*\*\*

Clarkston edged Clarenceville in overtime, 63-61 on Friday.

Dave Partlo played at both ends of the court, firing in 22 points and collecting 15 rebounds to lead the Wolves' JV to their victory.

It was a close game throughout, the first half closing, 35-32 for the Wolves.

Clarkston led 48-44 at the third quarter's end, but the Trojans stormed back to tie the game, 56-56 as the final 8

minutes ran by.

A three minute overtime resulted and Clarkston came out ahead, 63-61.

Bill Hamilton followed Partlo with 12 points and 12 rebounds.

The JV currently holds a 9-3 record.

Coach Pierson commented on the Clarenceville game, "It was close! Clarenceville shot well and we couldn't stop them. We controlled the ball most of the game. I think we're a better team than we showed in this game."

Friday, Feb. 12, the Wolves travel to Northville. The JV game starts at 6:30 and the Varsity game follows.

Last week's storm caused some damage to the Northville gym so next week's game against Northville will be played at the Schoolcraft Community College on Haggerty Road near 6 Mile Road.

## Graduates

Two students from this area were among some 1,050 awarded degrees at Central Michigan University at the end of the fall semester.

Jane Ellen Hallman of Overlook Drive received a B.S. degree in education; Michael J. Donovan of Holcomb, an M.A.; Gregory J. Gordon, Wompole Drive, B.S. degree in business administration and David Gunter of Eastlawn, a B.S. in education.

## Girl Scouts

Brownie Troop 757 has been active for the past months. Some of the things they have been doing are: going to the cider mill, a square dance, a tree farm, singing Christmas carols, having Halloween and Christmas parties.

The girls have made paper Brownies, bird feeders, Christmas candles, a table setting guide and written thank you letters.

Future trips include going to the fire hall, the zoo and the library.

They're also planning to learn tumbling. "We would like to learn to do cartwheels and somersaults," said their scribe, Jennifer Maas.

# Court of Honor names Eagle

Gerry Adams

By Jean Sura

For the second time in as many years, Mr. and Mrs. John Adams stood by proudly as their son received the coveted Eagle Award from the Boy Scouts of America.

The Adams, who live at 64 N. Holcomb, were on hand at Troop 126 Court of Honor at the Clarkston United Methodist Church on February 9 to see

Wally Hillman present the prized award to their son, Gerry, 14. Tim, 16, received the award last year.

Gerry, a 9th grade student at the Clarkston Junior High School, is a member of the 9th grade varsity basketball team and is an avid sports fan.

Cubbing introduced Gerry into the world of scouting which he has pursued diligently to acquire the necessary 21 merit badges. Eleven of these badges are basic requirements established by Scout headquarters. The other ten are of the scout's individual choice. Most of Gerry's were earned in the area of nature, outdoors, camping and sports.

Gerry attributes his continued interest to Mr. Brook Bennett, his Webelos Leader and his first Scoutmaster, Mr. Henry.

An unpleasant side to scouting? "You bet," said Gerry. "I never did like to wash dishes, at home or in camp."

The Adams family attends the Church of the Resurrection. There are 2 more boys in the family, Barry, 10 and Paul, 8.

Gerry's immediate plans are to continue on in Scouting as an Explorer.

\*\*\*

Other awards that were made at the Court of Honor were as follows: Tenderfoot, Barry Adams, Kevin Cruickshank, Mike Lee and James Norton;

Second class rank was given to Scot Gardiner and Kurt Townsend.

Rip Crandall, Rick Gunter, Tom Jones and Dan Priebe achieved Star rank and Life rank was earned by Tim Humphreys and Terry Johnson.

## Award contracts for County youth complex

Today the Oakland County Board of Commissioners awarded contracts for the construction of the Oakland County Youth Activities Complex. The contract for the construction of the buildings was awarded to the P. J. Mason Construction, Inc. of Pontiac, in the amount of \$442,730; the site work contract was awarded to the J. D. Armstrong Landscape Company of Fraser, Mich. in the amount of \$123,900, and the water tank construction was awarded to the

Chicago Bridge and Iron Company in the amount of \$102,500.

The Youth Activities Complex will be located in Springfield Township on part of the Springfield-Oaks County Park. The Center will be located on about 40 acres of the Park at the southeast corner of Andersonville and Hall Rds. The Youth Activities Complex will be located about one mile from a proposed exit off the M-275 freeway and is about five miles from the nearest exit off I-75.

The County of Oakland is constructing the complex and the County Parks and Recreation Commission will operate the facility. The facilities will be available for indoor and outdoor activities by any type of club and organization, and will be the County headquarters for 4-H activities including the annual County Fair.

In general the building portion has been designed as a multi-purpose space, and about any type of activity desired could be conducted. Specifically, there is about a 4,000 square foot area available

for meetings, classes, conferences, etc. This area can be divided into small areas or could be used as one large area. Also, there is an 8,500 square foot, high bay area which can be used for shows, sport events, etc. Of course, because the buildings are to be constructed on part of

the County park, there will be golfing, picnic areas, swimming (outdoor), and other related facilities available on the site for outdoor type activities including an outdoor amphitheater.
