

Jim's Dottings

By Jim Sherman

About the time my son reached his teens a friend told me I could look forward to his being hit by a malady at age 16.

He said boys' hearing is affected at that age and you have to be very exact in your instructions.

I've been reminded of this several times, and was remarking about it last week to Red Collier, owner of the bowling alley in Oxford.

Red topped all my stories with one that he was familiar with. To protect the innocent, I'll withhold names.

A couple months ago Red's son, Del (that's his real name) had a heart attack. Some friends, wanting to relieve the work load for Del's wife, offered to do their laundry.

When the laundry was finished and folded the friend asked their 16-year-old son to take it to Del's house.

Some time later, at home, his parents asked him if he delivered the laundry to the Colliers. The shock of his answer must still have them quaking.

He said he thought they had told him to drop the stuff in the Salvation Army drop box downtown.

I've got to give this couple credit for not losing their cool completely, however. They probably could have gotten a leniency recommendation from any jury in the land had they chosen to become violent.

Instead, they looked around their house for their youngest child and headed for the drop box. They put the child in the chute and had her start tossing out clothing.

Practically all the clothes of Del's 2 children were in that laundry. Quite a bit of it was recovered.

Returning now to our house . . . son Jim and I were at our new plant Saturday preparing the floor for painting. I asked him to go to the hardware to get a couple gallons of muriatic acid.

He went to the hardware and even remembered what I wanted. But he forgot where I was. He took a trip home before he realized I was waiting to yell at him again at the office.

No one has told me yet if girls suffer the same lapse when they reach a certain age. Do they? I'd like to be prepared in advance.

Springfield group collects glass

Withhold ratification

Teachers give verbal acceptance of contract

The Clarkston Education Association (CEA) voted, by a 3 to 1 margin, to verbally accept the negotiated non-economic portion of the master agreement contract at their meeting on Sept. 20, but withheld ratification until a complete contract is presented, hopefully by November 15.

George White, CEA president, explained the actions of the group. "Our members liked what they saw in this portion of the contract, but felt it

important that they see the whole picture before they agreed to ratify."

The master agreement contains a no-strike clause and, according to White, members were concerned that signing this portion would, in essence, leave them with no bargaining power when negotiations resume.

"We feel that our actions will have no effect on the operation of the schools," said White. "We will continue working in good faith under the same provisions that

have prevailed since school started in early September."

Members of the School Board ratified the 2-year non-economic portion of the contract at their meeting on Sept. 13.

According to Dr. John Pagen, Superintendent of Waterford Schools, the Metropolitan Bureau of School Studies has figures that indicate eight school districts of the 28 located in Oakland County have signed contracts, 19 are still in the process of negotiation and 1 is embroiled in a strike.

Donald C. Auten

Name Auten to Village Council

The Clarkston Village Council named Donald C. Auten, Clarkston businessman to fill the vacancy caused when Richard C. Johnston was elevated to the presidency. The proprietor of Auten Furniture, presently relocating its headquarters at 21 S. Main St., will fill the post until March, 1972 when the next Village election is scheduled.

Johnston's elevation was the result of the resignation of President Donald C. Cooper, who moved to Greenville, Michigan.

The Council remained one member short when Thomas R. Irwin, 144 N. Holcomb announced his resignation. Irwin indicated that he, too, is moving from the area.

This action left the council with 6 members, 1 less than provided by State law.

Meet to discuss school bussing

A group of Clarkston parents have scheduled a meeting at the Little Theater of the Clarkston High School to discuss school busing practices in the area.

Mrs. Irene McCabe, a spokesman from the Pontiac Chapter of the National Action Group (NAG) will attend the meeting which will be held at 7:30 p.m. on Saturday, September 25.

"We are not racist. Our aim is simply to keep our children near us, attending the schools that have been built with our tax monies," said Mrs. Karlene Jensenius, publicity chairman for the group.

"We hope to establish a local Chapter to stop any action that would bring the problem to our community."

Mrs. Joan Phillips is a newcomer to Clarkston and a member of the Pontiac

Chapter of NAG. Mrs. Phillips outlined 2 reasons for continuing her participation and being instrumental in forming a local group. "First," she said, "I think that our formation would demonstrate our sympathies with the Pontiac Chapter and secondly, might ward off circumstance that would affect us if present busing laws are changed."

The concern expressed by the group centers around a law suit that would affect busing in the Tri-County Area (Wayne, Oakland and Macomb).

Milford Mason, Administrative Assistant to the Superintendent of Clarkston Schools, stated that at the present time busing students from one district to another, with the exception of special education and sporting events, is prohibited by State law.

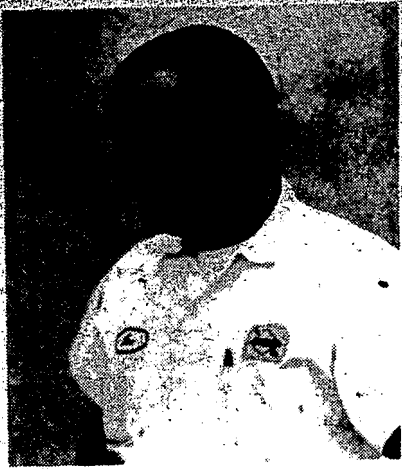

Autumn is in the air. Walter Souter stacks his stand at 10335 M-15 with home-grown produce. "I grow everything right here on these 10 acres," said Souter, a retiree who spends his summers gardening and winters fishing on local lakes. "It keeps me busy," he said.

Highway; Springfield Veterinary Clinic, near Dixie and Davisburg Road; Quinlan Party Store, Big Lake; Andersonville Elementary School; Davisburg Elementary School and Springfield Township Hall, Davisburg.

obituaries

Joseph Borden

Joseph Borden, 38, of 3851 Hillcrest Drive, Highland, died at Pontiac Osteopathic Hospital after a short illness on September 17.

Mr. Borden, who was called "Sunny Joe," was born in Pontiac and had lived in the area all his life. He married Joan Antle, in St. Johns, Newfoundland in 1950.

He was the owner of Sunny Joe's Sunoco Service Station in Clarkston. A veteran of the Korean War, he was a member of the Clarkston Rotary, B.P.O.E. 810, the Clarkston Eagles 3373 and the American Legion Post 63.

Surviving beside his wife is his mother, Mrs. Helen Lemon of Pontiac, 2 children, E. J. Borden at home and Mrs. Kerry Sims, Lake Orion.

Also surviving are his sisters, Mrs. Thorai Francisco, Waterford Township; Mrs. William Ware, Pontiac; Mrs. Henry Pethers, Albion; and 2 brothers, Stanley Borden, Medford, Oregon and Edward Borden, Seattle, Washington.

The Rev. Henry Stenner conducted

James G. Hitchcock

Clarkston resident James G. Hitchcock of 62 N. Main St. has been appointed to a leadership post in the building and transportation unit of the 1971 Torch Drive.

Hitchcock, traffic manager of Ford Motor Co., will serve as a division chairman in the campaign unit. He will direct Torch Drive solicitations of railroads, steamship lines and docks, and airlines.

His appointment was announced by Richard Haupt of Birmingham, chairman of the campaign's transportation group. Haupt is director of Ford's transportation and traffic office supply staff.

The 23rd annual United Foundation campaign is scheduled Oct. 12 through Nov. 4. It seeks a record \$31 million to underwrite operating budgets of 164

funeral services from the Milford Presbyterian Church on September 21. Burial was in Highland Cemetery.

Arrangements were made by the Sharpe-Goyette Funeral Home.

Hitchcock named U.F. chairman

health and community agencies in Wayne, Oakland and Macomb Counties.

Hitchcock received a bachelor of science degree in industrial engineering from Lehigh University and earned a master's degree in industrial purchasing at Columbia University.

He and his wife, Janette, have three children: John, 14; Betty, 12 and Sally, 11.

Last year's UF campaign raised \$30.4 million of which nearly \$1 million was reported by the building and transportation unit, one of six major

Torch Drive chapter groups.

Combined, the chapter units annually raise more than 90 percent of the campaign total.

LAKE ORION

Dennis Angrisani, Director of the Resident's Awareness Program (RAP), and his two assistants hang one of the colorful tie-dyed murals in their new headquarters at 2955 Watkins Lake Rd. at the corner of Scott Lake Road in Waterford.

RAP opens door

By Jean Sura

A new door has been opened in the community. The home of the Resident's Awareness Program (RAP) was officially opened last week to provide assistance to soft drug users in this area.

The house at 2955 Watkins Lake Rd. at Scott Lake Rd., loaned to the organization by the Delwin Richardson family, has been refurbished, under the leadership of Director Fennis Angrisani. Assisting with the work is a staff of 4 and approximately 20 actively involved participants of the 100 member organization.

"We consider our program as therapeutic in design," said Angrisani. "We don't want it to become a crutch. Our motto is — 'This place is hard to get into, but it's easy to get out!'"

"If a person comes to us with a sincere desire to get straightened around, we anticipate that this can be accomplished in 30 to 45 days.

"Our energies will be exerted only for the person who sincerely wants help. There should be no misunderstanding. This house is not a hang-out."

The RAP program which is patterned after Phoenix House in New York City has many goals, foremost of these is to hold open the door to those needing help.

Referrals are expected to come to RAP from the courts and schools, but primarily from word-of-mouth and friends.

"Our facilities make it necessary for us to confine our assistance to soft drug users," explained the director. "We are not in a position to help people who are dependent on drugs at this time.

"We will be open from 9 a.m. until 9 p.m. every day. Those participating in the program will be expected to carry their share of responsibility around the house and hopefully, we will be able to train

these people to assist in helping others."

Everybody on the staff is young and has at some time experienced the use of drugs. They will assist in helping other young people to encounter their problems and gain direction in their lives.

"Our philosophy is that our peers can turn us on, and inversely, our peers can turn us off," said Angrisani. "Peers talking to each other in encounters will provide this opportunity. They will be conducted informally, not in a classroom type atmosphere.

"Under most circumstance participants will be assigned to 3 encounters a week and the present facility will accommodate about 50 persons each day."

In the interim, the plan is that the staff will be contacting parents, teachers, school administrators and law enforcement agencies to teach drug prevention techniques and directed activities.

Parental permission for participation will be required for minors.

"Part of our program is to provide

Drain plan near halt

The inter-county drain that was initiated last spring following the flooding in Clarkston Estates, has been sidetracked, maybe forever.

Three times the Township Board has approved steps to establish a drainage area to relieve flooding, but on the fourth step the motion to continue failed.

This would have been the step to put the drain plans into the hands of the county Drain Commission. From then on the county would go about establishing the district, setting rates and maintaining it.

Supervisor Gary Stonerock, who has favored the flood relief plan from the start, said he based his decision on recommendations from the county department.

He said further that work in the Paramus area to date has cost about \$10,000 and going with the drain plan would allow the board to recoup this money.

Treasurer Ken Johnson said he was reluctant to give his okey because of this additional cost's coming right at the time the sewer cost would be hitting the property owners.

Trustee Tom Bullen suggested the board wait and see if the work done in the Paramus area might be enough to relieve the flooding. "If it is," he said, "we might be saving \$200 to \$300,000. To go into the program to get back the \$10,000 could be just sending good money after bad."

The board adopted the wait and see attitude. If the drain put in Clarkston

Estates this spring does its job, chances are the proposed drainage district will be scuttled.

Luther Fletcher, representing the Concerned Property Owners of Woodhull Lake, asked the Board to enforce its anti-litter ordinance in his subdivision. He presented addresses and pictures of violations he observed.

On another matter, Fletcher asked if the township had made any provisions for providing water in the Woodhull Lake area should wells go dry when sewers are installed.

Stonerock said the contractors had no responsibility in this area, but they frequently helped with the solution.

He said the township has no legal responsibility, only a moral obligation.

A resolution asking the Oakland County Road Commission to establish supplementary road standards passed the Board Tuesday night. The resolution was initiated by Stonerock and the supervisor from Milford.

Support will now be sought from other townships.

The reasoning is that present road building standards are so high developers are almost forced to put multiple dwelling subdivisions, or high density units.

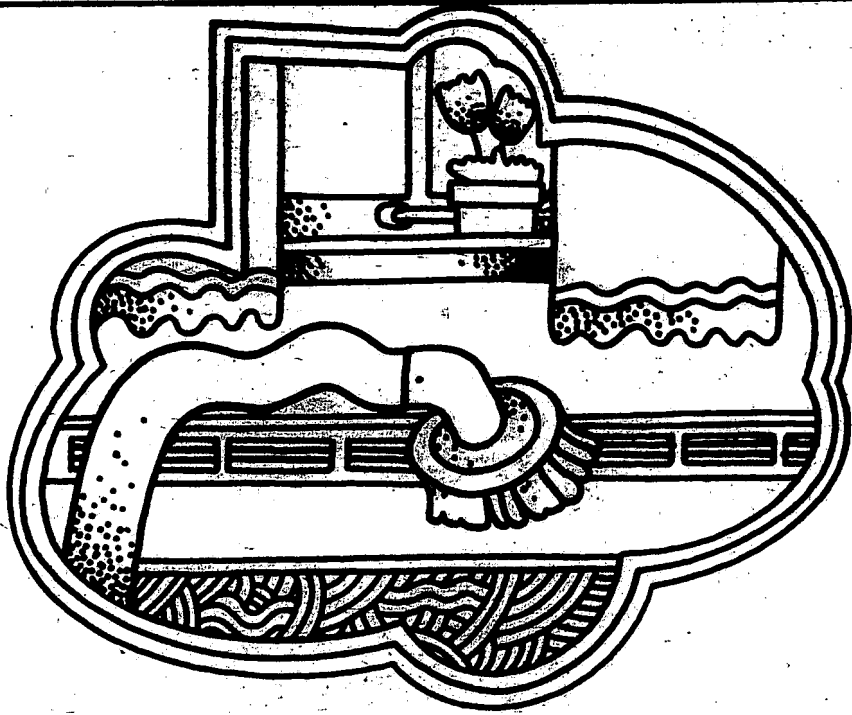

If the high road requirements are continued, the supervisor reasoned, developments of 5 acres and under might become prohibitive.

things for these young people to do," said Mr. Angrisani. "Our rules forbidding the use of drugs, alcohol or physical violence will be strict.

"If our plans for a larger operation materialize we will be able to assist the more hardened drug user with round-the-clock assistance. Right now we will be forced to put their names on a waiting list or refer them to some other source. We must confine our efforts where we can be effective."

The idea for the need of a RAP program was started by Judge Kenneth Hempstead. Four townships have volunteered to supply some financial support. The Waterford Jaycees recently donated \$10,000 which had been earned in their "Walk for Mankind."

The RAP program of assistance is just a phone call away. If you need their help or can help them just pick up a phone and dial 681-9337.

Want your heating system to work better? Take a swipe at it.

Electric baseboard heating units are clean by nature. But you can help keep them that way with an occasional vacuuming, inside and out. Clean them thoroughly a couple of times a year. Just before the heating season and during any decorating project. Keep the units clean and you'll go a lot longer between wall washings. For more electric heating tips, just send us the coupon.

We need some clarification

The householder is left holding the bag. Recent reports and findings have put the ecologically conscientious householder in a dilemma.

Should we use laundry detergents containing phosphates which contribute to the eutrophication of lakes and streams? Should we use the new substitutes that are being marketed, according to state rulings, and now reported to be so caustically dangerous that they are an additional danger instead of a solution to the problem?

The report of the death of an infant in Connecticut who had eaten a mouthful of the new phosphate detergent as well as inhaling some of a mouthful of the new phosphate free detergent as well as inhaling some of the powder caused alarm.

The Surgeon General of the United States, Dr. Jesse L. Steinfeld, before the Federal Trade Commission in April stated in his testimony:

"Tests conducted thus far indicate that some of the currently used substitutes for phosphates are clearly toxic or caustic and pose serious accident hazards, especially to children."

Most of us would willingly comply with recommendations by authorities in the field. The ultimate solution seems to lie in better handling and treatment of sewage.

In the meantime let's put our laundry supplies on the "out of reach shelf" and use utmost caution that they are not accessible to children. Let's urge that our wise heads learn the facts and keep us informed. We're willing to cooperate. But what should we do?

from EVERETT, WASH., HERALD—

"The U.S. Postal Rate Commission is being asked to establish a special low mailing charge for political publications, ostensibly to provide a greater equity in the elective process. At best, this is a backdoor approach to the U.S. Treasury, an effort to circumvent direct subsidies. At the least, it is asking the victim of unwanted political mail to subsidize his own unwanted political mail."

"If It Fitz . . ."

What's the sex of a tear?

By Jim Fitzgerald

No longer will I hide my red eyes behind a newspaper. From now on I'll blubber out loud, just like a woman.

"It is unfair that men are made to feel ashamed if they cry." So decreed the American Psychological Ass. in convention in Washington the other day. Yeah.

A woman can bawl anywhere, anytime. My wife cries tears of joy at grand openings of shopping centers. She cries patriotic tears when flags go up at railroad crossings. She cries tears of sympathy when the Tiger manager yanks a pitcher. Once we watched a bum named Sparna walk 4 men in a row and the fans booed him something terrible. She sobbed so hard I had to help her from the park.

But nobody ever makes fun of her. They just peg her for another warm-hearted dame who

must be a wonderful person and a grand friend to dumb animals.

But let some guy bawl in public and he is immediately pegged as a freak, possibly perverted and certainly a Mama's boy. People laugh at him.

An example: Recently I was trapped in the same room with that dreadful TV show, This Is Your Life. The surprised subject was fat Junior Samples from the Grand Old Opry by way of Hee Haw. I guess Junior is a comedian but you'd never have guessed it that night. He cried huge tears for 30 straight minutes, even during the commercials. They brought out some clown who'd sold him a bag of food in 1830 and Junior collapsed, a lachrymose lump, completely overcome by nostalgia.

My wife and daughter fell into each other's arms laughing. "Look at that big boob," they

said.

If it had been a woman, they would have matched her sob for sob.

Why is that, doctor?

1 of the convening psychologists explained it simply: "I can't help feeling, in situations where I want to cry, that a woman—as well as a man—would question my masculinity if I did." Men, he said, are forced to put their masculinity on the line again and again. And it isn't fair. If both sexes are to have equal opportunities and equal awards, as the women libbers insist, the right to cry must be included. The world would be a better place.

Sad movies and TV shows make me cry. There's a TV program called The Courtship of Eddie's Father that grabs me every time, even on repeat. This little kid is always giving his

prized goldfish to his worst enemy. Then the enemy kicks Eddie anyway and he must turn to a Chinese cook for comfort because his mother died of a horrible disease before he was born. At this point some member of my nosy family peeks behind my newspaper and hollers, "Hey everybody, Dad's got red eyes again."

I can then either run from the room in shame, or stay and insist that my eyes are watering because I'm allergic to the stupid cats which I certainly wish my Eddie would give to his worst enemy.

Either way, it is humiliating and an injustice to the masculine sex. A man should be able to cry, just like a woman, without fear of derision. After all, who can determine the sex of a tear?

Woman's lib, meet man's sob.

PEEKIN' into the PAST

10 YEARS AGO IN THE CLARKSTON NEWS

September 21, 1961

Robert Klann celebrated his 9th birthday Sept. 11 with four brothers and sisters.

A discount toy party will be given by Mrs. Frank Glowzinski of Plum Dr. It will be held in her garage.

The Campfire group of Clarkston met at Jill Samson's home to elect officers. President, Jill Samson; Vice President, Nanette Giles; Treasurer, Sharon Strehle; Secretary, Sharell Estman; Reporters, Judy Lessard and Barb Moore.

25 YEARS AGO IN THE CLARKSTON NEWS

September 20, 1946

Born to Mr. and Mrs. John Craven a 7 lb., 10 oz. son, Daniel Ray on Friday, Sept. 13th at St. Joseph's Mercy Hospital.

Senior class officers are elected: President, Ken Hempstead; vice president, Glenn Davison; secretary, Elas Olen; treasurer, Betty Nicholas; corresponding secretary, Eleanor Oswald.

Katherine J. Jones and Joseph E. Kelly were united in marriage Friday night at a candlelight service in the Drayton Plains United Presbyterian Church.

Sunday dinner guests of Mrs. Marguerite Miller and Mr. and Mrs. Sam Miller were Mr. and Mrs. Charles Ladensack of Saginaw.

"Welcome back, Reverend. You should've seen th' way your vacation replacement packed 'em in!"

PAUF 1971 goal set at \$3,916

The Independence, Oxford and Orion sections of this year's Pontiac Area United Fund (PAUF) Community Division campaign held a joint training session for volunteers Saturday, Sept. 18 at the Old Mill Tavern, 5838 Dixie Hwy., Waterford.

The meeting, which was sponsored by Pontiac Area businesses, was held to distribute campaign kits and give final instructions to some 120 campaign workers from the 3 townships.

Independence vice chairman, Mrs. Herbert (Sandy) Adams, 6458 Olympus Drive, Waterford, announced the Independence section of PAUF's Community Division drive would be responsible for reaching a goal of \$3,916.

"This goal does not include funds raised from larger manufacturing firms

and area schools normally solicited by other divisions of the PAUF campaign," she told volunteers.

Serving under Mrs. Adams this year as Business Group Chairman is Mrs. Robert (Sandy) Gamble, 6188 Snow Apple; Mrs. J. (Joan) Holden, 6733 Balmoral, Waterford will serve as Group Chairman for selected home calls.

F. James McDonald, 1971 PAUF General Campaign Chairman told volunteers, "Never be reticent about asking for money to help people."

McDonald said, "Asking for money is always difficult but it can be easier if you remember you're collecting it for 55 agencies who use it fully to help people."

Monies raised by the annual PAUF campaign help support the Independence Citizens' Recreation Committee and 54

other agencies providing health, education, recreation, social work and research services for the benefit of all Pontiac area residents.

This year's Pontiac Area United Fund goal is \$1,385,000, a 9% increase over the amount raised last year.

The campaign will kick off October 1 and run through November 5.

Smorgasbord

The Austin Lodge 48 will hold a public smorgasbord dinner on Sunday, Sept. 26 from 12 noon 'til 3 p.m.

It will be held at the Masonic Temple in Davisburg. Tickets will be available at the door.

Lindsey named JC of month

The Clarkston Area Jaycees honored Jim Lindsey of 6280 Crab Apple at their last membership meeting by naming him "Jaycee of the Month."

Lindsey has been a special agent for Metropolitan Life Insurance Company in Pontiac for the last five years. Prior to that he was graduated from Avondale High School and Port Huron Junior College.

Jim was cited for his work on many projects, most notably the September Village cleanup. At that time he arranged to have the Village Days decorations and flower baskets taken down and stored. He also led the workers who swept and washed the parking lot and Main Street.

Jim and his wife, Carol have 2 daughters. They have lived in the Clarkston area for 2 years.

Clancy J. Thompson, Pastor

FELLOWSHIP

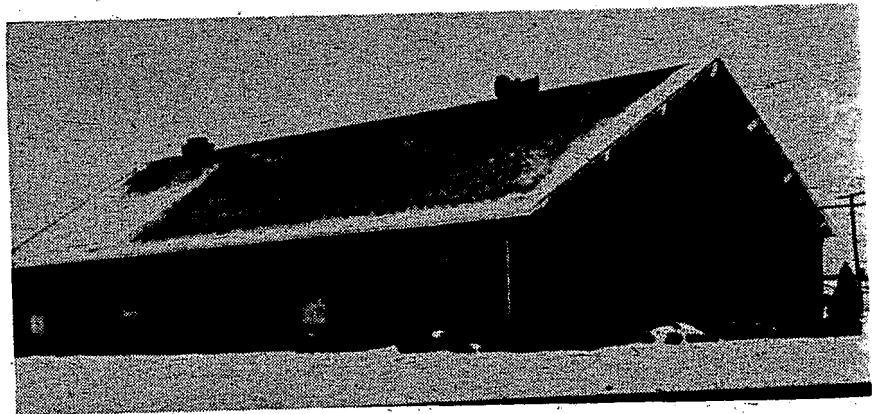

Walter Rauschenbusch, who wrote the poem, "The Little Gate to God" says: "When I enter into God, all life has meaning; without asking I know." John, the disciple of Jesus put it this way: "But if we are living in the light of God's

presence, just as Jesus does, then we have wonderful fellowship and joy with each other ---." Life has meaning when we are in fellowship with God and our fellow man.

Fellowship with God is broken because sin has separated and divorced us from Him. Isaiah said: "But the trouble is that your sins have cut you off from God; ---." If this is true, then how can we be reconciled to God? E. Stanley Jones says: "Forgiveness clears the way; it is a means, but not an end. The end is fellowship. -- You fellowship with God on His level. In the Christian faith you do not meet God at the top rung of the ladder, but at the bottom. We do not climb to Him; He comes to us. We do not meet Him at His level; He meets us at our level!" The little gate to God is His forgiveness of our uncleanliness at our level and results in wonderful fellowship with Him.

Not only can we have fellowship with God, but His forgiveness also brings us into a proper relationship with our fellow man. Jones says: "When one is driven on in himself by fears, resentments, inhibitions, self-preoccupations, and guilt, then fellowship becomes impossible. The

shut-in are the shut-out. You are loosed from (forgiveness) self-centered preoccupation and are free to fellowship with God, your fellow man, yourself, and nature. Divine fellowship and human fellowship are two sides to one coin - forgiveness by God."

Kutting Korners

It is a well known fact that breakfast is a most important meal. Though we haven't eaten for many hours, some of us omit the meal that will set us up for our day's work.

Maybe we are bored with the limited menus that are considered breakfast fare or too hurried to take time for preparation.

The solution may be found in these recipes.

STRAWBERRY CEREAL SHAKE

1 ounce fortified ready to eat cereal
 1/2 cup sweetened, fresh or frozen fruit
 1 cup milk
 Combine all ingredients in blender and whirl until smooth.

Or how about a breakfast cookie that is jammed with the necessary ingredients to get us through 'til lunch?

BREAKFAST COOKIE BAR

1 cup margarine
 1/2 cup dark molasses
 1/2 cup firmly packed brown sugar

4 eggs
 2 cups all-purpose flour
 1 cup wheat germ
 2 teaspoons baking powder
 1/2 teaspoon salt
 1 cup rolled oats
 1 cup raisins
 1 cup coarsely chopped nuts (optional)

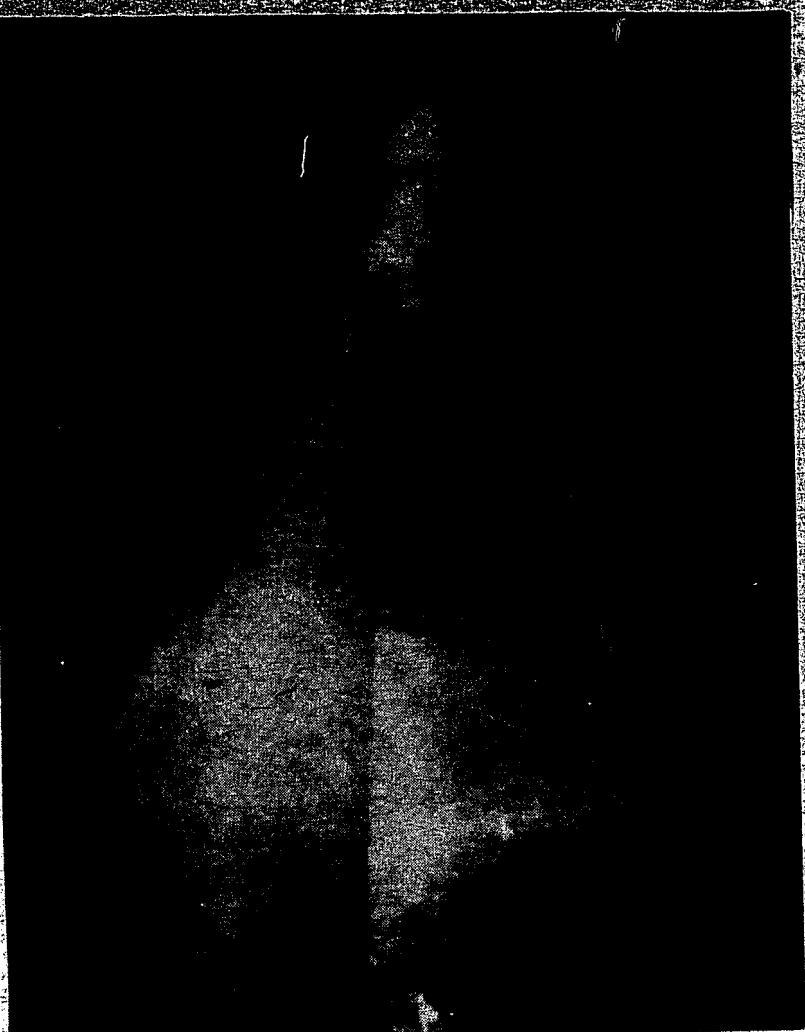

Cream shortening until fluffy. Beat in molasses and sugar. Stir in eggs. Stir in remaining ingredients. Spread mixture evenly into a greased 13x9x2 pan.

Bake at 350 degrees for 30 minutes. Cool in pan and then cut into 1x2 inch bars. Just grab one on the way out the door. Preferably, eat 1 or 2 with a glass of milk.

KUTTING KORNER KLUE (KKK)

To turn an unlined summer jacket into a warm winter one for a child, stitch either a flannel shirt or sweater of the same size to the inside of the jacket.

Next week: Two more breakfast foods for people on the run.

Mrs. John A. Wood

Newly weds to live in East Lansing

Newlyweds Mr. and Mrs. John A. Wood will make their home in East Lansing where the groom will continue his studies at Michigan State University.

Their wedding vows were spoken before Pastor Roger Campbell of the Waterford Community Church in a candlelight ceremony on September 18.

The daughter of Mr. and Mrs. Lyle Cox of Guyette Street was given in marriage by her father.

She chose a floor length gown of peau de soie trimmed with English lace and carried a lace covered Bible, which was adorned with a white orchid.

The maid of honor, Donna Thompson, wore a gown of frosted pink crepe. The gowns of the other bridal attendants were

fashioned of hot pink crepe. All carried a single pink rose.

Valerie Ganther, Cheryl Campbell and the bride's sister, Pat Coad were the maids. The groom's sister, Luann Wood was the Junior maid and Robin Cox was the flower girl.

Barry Wood was his brother's best man. The bride's brother, Mike Coad, assisted Joseph Conley and Dave Rowden as ushers.

After a reception in the church parlour the couple left on a northern Michigan honeymoon.

Mr. and Mrs. Kenneth Wood of Drayton Plains are the parents of the groom.

Town Hall series to begin Oct. 6

Vance Packard, author of several best-seller books, will be the first speaker of the 1971-72 Rochester Town Hall Season, to be held at the Hills Theatre on Oct. 6.

Following Vance Packard, on November 10 will be Peg Bracken, the witty author of "The I Hate to Cook Book," and other humorous books.

On February 2, 1972, Nancy Gould, a top-flight model since her teen years will entertain the group.

On March 15, 1972 the dynamic and controversial Lou Gordon will speak, and

to conclude the series on April 12, 1972, Rochester's own "Story Lady," Helen Williams will be featured.

The Rochester Town Hall Series is sponsored by the Rochester Crittenton Hospital Auxiliary, and all proceeds go to Rochester Crittenton Hospital.

For more information on tickets for the series contact: Mrs. C. "Bud" Shelton, 651-1150. For baby sitting, information and reservations call Mrs. William Parker, 739-4049, or write care of P.O. Box 304, Rochester, Michigan.

Square dancers teach newcomers

Shirts 'N' Skirts Square Dance Club of Clarkston is offering an adult square dance instruction class beginning Monday, Sept. 22, from 7:30 to 9:30 p.m.

The classes will be held at the Knights

of Pythias Hall, 20 W. Huron St., Pontiac, under the direction of Bob Longe.

The first night will be a free party for dancers and their non-dancing friends. For further information call 682-5095.

Around the Township

by Joette Kunse

Mr. and Mrs. Harold Weston (Martha Torr) of Indianapolis, Indiana announced the arrival of a son, Harold Etnorie III on September 18. The baby weighed 7 pounds, 6 ounces.

Grandparents are Mr. and Mrs. Charles Torr of Clarkston and Mrs. Gwen Weston of Grand Rapids.

Mr. and Mrs. Richard Powers of Elmwood, Drayton Plains announce the arrival of their new daughter, Marcie Anne on Sept. 5. Baby Powers weighed in at 8 lbs., 2 oz. Proud grandparents are Mrs. Jeannette Powers of Inlay City and Mr. and Mrs. Emerson Teal of Romeo.

The Watson Sloczynski of Glenburnie Drive are proud new grandparents. Sp. 4 and Mrs. Robert Fletcher (nee Kathy Sloczynski) are parents of a new baby girl, Rachael Diane. Little Rachael arrived Aug. 11, weighing 8 lbs. even, at Ft. Leonardwood, Mo., where her dad is stationed in the Army. Rachael is a fifth generation girl in her family.

grandparents are Mr. and Mrs. Everett Fletcher. Great-grandparents are Mr. and Mrs. Carl Gram of Hazel Park and James Sloczynski of Rogers City. Great-great grandparents are Mr. and Mrs. Steve Stevens of East Point, Ga.

Baby brother Frederick Thomas arrived September 12, much to the delight of big sister Janet Lamm, 5-year-old daughter of Mr. and Mrs. Thomas Lamm of Robertson Court. Baby Frederick tipped the scales at 9 lbs., 6 oz. Maternal grandparents are Mr. and Mrs. Clyde Smith of Grayling. Paternal grandmother is Mrs. Fred Lamm of Zephyrhills, Florida.

The Doug Piersons of Lakeview are proud to announce the addition of a baby son, Mark Douglas to their family. Proud grandparents are Mr. and Mrs. John Quick of Trenton and Mr. and Mrs. Leonard Pierson of Cement City.

New residents of Snow Apple Drive are Mr. Betty Smith and daughter, Jane

who moved here from Westerville, Ohio. Jane is in the 8th grade at Clarkston Jr. High. A big welcome to Independence.

The Frob Gruenbergers of Deer Lake Road celebrated their anniversary with a family party planned by their children. Daughter, Sigrid baked Mom and Dad a cake.

New residents in Cranberry Lake Estates are the William French family of Pontiac. Daughter, Nanette is a sixth grader and son, Craig is in 2nd grade. Bill is employed at Pontiac Motors. When asked what her hobbies were Mrs. French replied her registered boxer show dog was having puppies today. Along with the care of their dog, Mrs. French enjoys ceramics.

The Don Dancy family of Shelly Drive spent their summer vacation visiting Don's brother and family in West Lake Village in Southern California. Among their sights to remember were Disneyland, Disney's Fairy Farm

Marineland, and Japanese Village. They also toured Hollywood and Grauman's Chinese Theater. One of the family's favorite places was the new Magic Mountain. In the amphitheatre they saw guest stars, Mel Torme and Bill Dana. While in California, David celebrated his 9th birthday. The trip was complete with a return flight to Detroit on a 747.

Remember, if you have new neighbors, call us and let us introduce them in the Clarkston News. It's a great way to make friends. 625-5030.

Henry Woolfenden of North Main Street was honored recently when he was asked to present from Mayor Roman Gibbs, the key to the City of Detroit to Alfred Bexelius, Sweden's Ombudsman, in Stockholm. Woolfenden made the presentation for Marvin R. Aderson, president of the Detroit-Swedish Council, as a result of Bexelius speaking to the Economic Club of Detroit in 1970.

Mrs. Woolfenden accompanied her husband to Sweden for the occasion.

State releases school aid figures

State Representative Loren D. Anderson released figures from the Department of Education revealing the specific amount of state aid which school districts in this legislative area will receive in their next state aid payment.

Payment dates during the school year are August 1, October 1, December 1, February 1, April 1 and June 1.

Also included on the list is the total remitted to these districts since the last report under Title I of the Elementary and Secondary Education Act of 1965.

The boundaries of school districts commonly overlap those of legislative areas. This statement includes all school districts located in the legislative district. In some instances only a small part of a given school district is located in this district.

School District Name	State	Title I
Pontiac City	945,290.00	372,134.00
Clarkston Community	479,040.00	17,623.00
Holly Area	248,710.00	
Huron Valley	463,760.00	
Walled Lake Cons'd.	583,520.00	32,663.00
Waterford Township	1,176,780.00	

Care-A-Fair '71 tells PAUF story

Care-A-Fair '71, a week long Pontiac Area United Fund agency display will begin Monday, Sept. 27 and run through Saturday, Oct. 2, at the Pontiac Mall.

Residents of Pontiac and the townships of Oxford, Orion, Independence, Waterford, Brandon and Pontiac will have an opportunity to view action displays,

live demonstrations and photo exhibits depicting how their United Fund contributions are used to help people.

PAPER TABLECLOTH available at the Clarkston News office. Just \$4.04 per 300 ft. roll. Ideal for parties, receptions and club dinners.

County secretaries hold seminars

Secretaries in Oakland County will have their choice of seminars on self evaluation, qualities sought by employers and how to get along with others in a Saturday, September 25 workshop at the Sheraton Motor Inn in Pontiac.

Sponsored by the Pontioak Chapter of the National Secretaries Association, the meeting will feature Larry Dennis of the Dale Carnegie Institute as a keynote speaker. "How to Get Enthusiastic Cooperation," is the title of his address.

Myra Bretzius, Administrative Assistant of Pontiac Business Institute, will conduct a seminar on constructive self criticism.

"The Chemistry of a Good Employee" is the title of a seminar to be led by John Holmes, supervisor of salaried employment, Pontiac Motor Division of General Motors. Frank Paone, Dean of Detroit College of Business will explain means of increasing office harmony through office psychology.

State president addresses JC's

Past Jaycee State President, Patrick J. Duggan addressed the Clarkston Area Jaycees, their wives and guests at Howe's Lanes on September 15.

Prior to his term of state president in 1967-68, Mr. Duggan served as president of the Livonia Jaycees, vice president of the state group and a member of the Board of Directors of the United States Jaycees.

He is the recipient of the highest award

in the organization, the J. C. Senatorship. Dick Wilton was the host of the meeting and Lew Wint acted as M.C.

The Jaycettes served snacks and punch prior to the meeting and during the mid-meeting break.

"The enthusiasm of Mr. Duggan proved to be contagious," commented one member. "Six new members were welcomed into the chapter as a result of the evening."

1972 Grand Ville. Our most luxurious Wide-Track ever... with a new front bumper that "gives" on minor impact and then returns to position.

1972 Grand Prix. You'll have to decide what's better... the style or the ride.

1972 Luxury LeMans. All the luxury you want without buying more car than you need.

1972 Firebird. Pontiac has taken the rough ride out of the road car. For good.

1972 Ventura II. The new small Pontiac with the small-car price.

They're all at your Pontiac dealer's now.

That's what keeps Pontiac a cut above. Don't forget to buckle up for safety.

Jim, left, and David, sons of Mr. and Mrs. Wendell Cowdrey of Dvorak St. found a high perch to view an old fashioned threshing day.

—Photo by Leona Hutchings

Old time "thrashing day" brings out crowd

By Leona Hutchings

Several hundred people enjoyed the old time "thrashing day" at the Manwell Farm south of Mayville Saturday, August 21.

With the temperature in the high seventies and just enough rain the evening before to dampen the dust, the crowds turned out by the hundreds for both the parade and the threshing.

Leading the parade of steam engines, horse drawn vehicles and horses were

local residents, well known all over Michigan, the Bud Guests. Mr. and Mrs. Guest are farmer neighbors, so do their part each year to make the day fun.

The steam engine, owned by Nelson Scott and Bill Leach of Holly, furnished the power to thresh the many loads of oats hauled from the back field.

Several food booths were set up in the front yard of the Manwell farm, as well as the large tables with their checkered tablecloths to serve all the threshing crew. Women assisting Mrs. Manwell wore old fashioned dresses. Many tempting dishes were served from the old fashioned green and cream cookstove, including ham, meat loaf, scalloped potatoes and desserts. A chicken barbecue was in progress in the side yard and the aroma of chicken was tempting.

Women of the Mayville community set up a display booth of handiwork. In the living room window of the Manwell home was a display of antiques for the old and young to enjoy.

The bleachers, set up under the trees, drew many throughout the day. There were many chairs and everyone was in a happy mood. It was a day of leisure for many retired farmers who recalled their own threshing experiences.

Old time music provided a background and at times community singing could be heard above the sound of the steam engines. The whistle blew frequently to remind us that we were really at the Manwell Farm to enjoy an old time "thrashing day."

A large sawmill was in operation. The chaff from the oats being blown into a straw stack, combined with the shavings of the saw mill, made bystanders fortunate not to get a few "itch" particles down their back.

The children attending enjoyed rides in

David and Maria hopped in the box and made it difficult for their mother, Mrs. Faye Easley, to pack the samples of new name brand sample clothing that will be taken to the Church of the Resurrection on Orion Road for their annual sale. The sale will be held this year on September 24 and 25. Hours of the sale will be from 3 to 6 p.m. and 7 to 9 p.m. on Friday and from 9 a.m. to 3 p.m. on Saturday. Proceeds from the sale will be used to benefit the church.

SCHOOL MENU

CLARKSTON COMMUNITY SCHOOLS
September 27 - October 1

MONDAY—BBQ on bun, hot vegetable, fruit cobbler and milk.

TUESDAY—Cook's choice.

WEDNESDAY—Meat balls, mashed potatoes, buttered corn, rolls & butter, jello fluff & milk.

THURSDAY—Potato salad, cold cuts, hot vegetable, bread & butter, fruit and milk.

FRIDAY—Fish stick, hash brown potatoes, cabbage salad, bread & butter, cake and milk.

the many horse drawn carts and buggies. Cameras clicked away all day and many old friends had the opportunity to visit in leisure and thank the Manwells for an interesting day away from the busy life.

Holding the key to community involvement and poised to turn it in community services are the new officers of the Clarkston Community Women's Club. They are, from left to right, Mrs. William Vastine, president; Mrs. Cliff Irwin, vice president; Mrs. Theron Taylor, corresponding secretary and Mrs. Stan Darling, treasurer. Mrs. Thomas Lamm, recording secretary was not present when the picture was taken. The officers and members invite area women to join them Thursday, Sept. 23 at Howe's Green Room, 8 p.m. for the first fall meeting. Come casual and get acquainted.

Boy Scouts

TROOP 189

Members of Troop 189 enjoyed a fun-filled, eventful summer.

Weather conditions were perfect during a 12-mile canoe trip down the Manistee River the weekend of June 19-21. Nine fathers and 14 Boy Scouts highlighted their camping weekend in Grayling with the canoe trip. They paddled 5 hours, stopping midway for a hearty lunch.

Dunking of canoes and each other, along with retrieving their pop cooler from the sandy riverbed kept the scouts actively involved.

The following week, June 27 through July 5, 9 members of the troop attended summer camp at Camp Agawam. They stayed at the Apache Campsite, working on advancements and merit badges. Attending the council fire and participating in the water carnival added to the week's outdoor events.

Leadership was provided by Scoutmaster William Purves and committeemen Roger Eriksson, Herschel R. Fry and Ray Loba.

Scoutmaster William Purves attended the Clinton Valley Council Fall Kick-off Dinner August 12 at Haas Lodge, Camp Agawam and received a Troop Participation Ribbon for marching in the Memorial Day Parade. He also received a Certificate of Appreciation for Troop 189's being an Honor Unit.

Troop 189 has resumed their weekly meetings at Calvary Lutheran Church. Any boy interested in joining boy scouts, please contact William Purves at 625-3617.

Geriatric

Medicare patients can now afford doctors and hospitals, but some of them can't afford to get well. At least, that's the theory of Dr. Don R. Lipsitt, of Harvard Medical School.

The people he's talking about have chronic and ill-defined problems their doctors can't do much about. Such conditions are often related to deep, prolonged and unrecognized depression.

The doctor may feel frustrated because he can't help the patient to feel better—or he may feel it's not a "real" illness. Most physicians are trained to deal with acute conditions that can be treated, and this may be their basis for deciding who "has a right" to their time or to medical care. "Some complaints legitimately command the doctor's interest, while others do not," Dr. Lipsitt said.

He discards the idea that these patients "enjoy their misery" or "need to suffer." However, they do respond when allowed to talk about their problems. "Perhaps they are satisfied with the visits their doctors call useless," he said. "Perhaps they hope repeated contacts will reveal an explanation and a remedy for what ails them."

In going from doctor to doctor, the patient learns it is his symptoms that entitle him to medical attention—he is eligible for care only as long as he's ill. Then he literally "cannot afford to be well," Dr. Lipsitt concluded.

He sees value in assuring the older patient of continued care and attention regardless of an illness; then his attention can be directed to more constructive ways of dealing with the underlying problem.

Interesting people

By Jean Sura

Surprise! Surprise!

There are a lot (at least 7) happy faces around the home of the William Kerby family on Orion Road. The smiling children of the family are, from left to right, Kathy, 22; Mike, 24; Dave, 18; Billy, 13 and Karen, 9. The happy faces and welcome home sign were provided by the four youngest to greet Mike when he returned from duty with the Army in Vietnam.

Surprise! Surprise!
A routine assignment brought a handful of surprises to light. A neighbor of the William Kerbys who live on Orion Road called the Clarkston News and reported that a soldier had returned home after being in Vietnam for 1 year.

"Mike Kerby's brothers and sisters, Kathy, 22; Dave, 18; Billy, 13 and Karen, 9, have built a welcome home display in the front of their home," the neighbor continued, "to surprise him and brighten his homecoming."

Follow-up on the call revealed that Mike out-surprised the surprisers. On the evening before he was expected to arrive at Metropolitan Airport, he quietly strolled through the door. "Surprise!"

Several months ago the surprises began when Mike and Kathy combined their resources and built a bank account. The money was to be used to surprise their parents on their 25th anniversary. Dad received a new set of golf clubs and Mom a beautiful fur coat.

"I had the coat out of storage," said Mrs. Kerby. "I planned to wear it to the airport if it was 100 degrees, just to surprise Mike."

Mike, 24, is a Specialist 4 and served in the finance division while in Vietnam. He will complete another year of his enlistment, after his furlough, at Indianapolis, Indiana.

He is a graduate of Grosse Pointe St. Paul High School, where he was a member of the state championship basketball team, and Michigan Tech University.

The theme of the Kerby homecoming

decorations were the signs of happy faces that have become popular recently in pins, posters, shirts and bumper stickers. They were all around and matched the smiling, sunny faces on each member of the family.

Mike had preempted the craze and had signed his letters from Vietnam with the simple little sunny, smiling face for the past year.

The final surprise was the reporter's. Having breathed a TGIF (Thank gosh it's Friday) sigh, I was ready to head for home, resenting having to delay the weekend. Reluctantly, I took the directions. After all, it was right on my way home, an easy stop.

Any family is overjoyed to have their soldier back home safe. But the Kerbys seemed a little more so!

They are interesting people who radiate strong family feeling for each other. It shines through.

Clarkston is fortunate that they elected to make their home in this community a year ago. They would be an asset to any place they chose to live.

And that's no surprise. ☺

TOUCHDOWN — Clarkston went ahead 6-0 on this td in the second period Friday night. Quarterback Mark Warren punched in from the 1. Other Wolves are: Craig Walters, 73; Mel Johnson, 66; Rich Butler, 55 and Rod Latimer, 21. Friday night the Wolves have their home opener, hosting Southfield Lathrup at 8 p.m.

"Oh, my!" Coach Paul Rakow tried many things Friday night, but he couldn't stop a final minute, long run by Oxford. His Wolves lost the opener, 12-6.

Wolves lose in season opener

By Craig Moore
Clarkston's Wolves had visions of winging it home from Oxford last Friday night with a big upset, but a scoring 92 yard Wildcat run with only 1:35 remaining in the game ended all Clarkston's hopes.

The Wolves' offense was limited to only 30 yards running by the Oxford defensive unit.

Clarkston's defense kept the Wildcats in check for all but a few plays, but those few plays were all the Oxford runners needed for the 12-6 win.

Clarkston quarterback Mark Warren was responsible for the only Clarkston

touchdown. With fourth down and 8 to go on the Oxford 14-yard line, Warren, who looked about to be taken for a loss, scrambled to the 2-yard line for a first down.

After three unsuccessful attempts, late in the second quarter, Warren slipped into the end zone for the score.

Oxford scored in both quarters of the second half.

The Wildcats' scores came on a 5-yard run climaxing a 72-yard drive and a 92-yard sprint to the goal line late in the fourth quarter to close the game.

Coach Rakow commented, "We did have some bright spots. We have a

number of juniors playing a great deal and as a result lack experience in these positions." He continued, "Our one touchdown was made because of a mental error."

Friday, September 24, the Clarkston Wolves will battle the Southfield Lathrup Chargers on their home field. Game time is 8:00 p.m.

OXFORD	0	6	6-12

Assistant coach Rob White waits for the break in the action to send in another play.

There are no happy faces in Wolftown as the Oxford Wildcats score the tie-breaking touchdown in the season football opener on Friday night. The winning play came with less than 2 minutes to go in the game.

Hockey Club organize

The Clarkston Flyers Hockey Club will hold an organizational meeting on Tuesday, September 28 at 7:30 p.m. at

the Independence Township Hall. All interested persons are urged to attend this meeting and hear the plans for the season.

ORDINANCE NO. 63
(Effective Date Oct. 22, 1971)

TOWNSHIP OF INDEPENDENCE
ORDINANCE TO REGULATE SNOWMOBILES

PREAMBLE:

An ordinance to provide for the licensing and registration and regulation of snowmobiles in the Township of Independence for the purpose of protecting the public health, safety and general welfare of the persons and property in Independence Township, and recognition of the fact that snowmobiles are being increasingly used and operated on and about properties, both public and non-public, in Independence Township, and that the continued use of said snowmobiles without proper licensing, registration and regulation constitutes a public hazard.

The Township Board of Independence Township, County of Oakland, State of Michigan, pursuant to the authority vested in it by Act 246 of the Public Acts of the State of Michigan for 1945, as amended, ordains as follows:

ARTICLE 1: SHORT TITLE.

Sec. 1.1. This ordinance shall be known and may be cited and referred to as the "Independence Township Snowmobile Ordinance" and hereinafter shall be referred to as "This Ordinance."

ARTICLE 2: DEFINITIONS.

Sec. 2.1. "Operator" means any person who operates or is in actual physical control of a snowmobile.

Sec. 2.2. "Owner" means any person, other than a lienholder, having the property in or title to a snowmobile and entitled to the use and possession thereof.

Sec. 2.3. "Operate" means to ride in or on and to control the operation of a snowmobile.

Sec. 2.4. "Person" means an individual, partnership, corporation, the state and any of its agencies or subdivisions, and any body or persons whether incorporated or not.

Sec. 2.5. "Snowmobile" means any motorized vehicle designed for travel primarily on snow or ice steered by wheels, skis or runners.

Sec. 2.6. "Highway or Street" means the entire width between the boundary line of every way, whether private or publicly maintained, when any part thereof is open to the use of the public for the purposes of vehicular travel.

Sec. 2.7. "Roadway" means that portion of a highway improved, designated, or ordinarily used for vehicular travel. If a highway includes two or more separate roadways, the term roadway refers to any such roadway separately, but not to all such roadways collectively.

ARTICLE 3: REGISTRATION, DISPLAY AND INSPECTION OF CERTIFICATES OF REGISTRATION, DISPLAY OF IDENTIFICATION NUMBERS.

Sec. 3.1. Except as otherwise provided in this ordinance or by State law, no snowmobile shall be operated within the Township of Independence unless registered by the owner pursuant to the state law of the State of Michigan.

Sec. 3.2. The certificate of registration as above obtained, shall accompany the vehicle and be available for inspection upon demand by any peace officer.

Sec. 3.3. The owner of any snowmobile shall paint or attach in a permanent manner on each side of the forward half of the snowmobile the identification number as it appears on the certificate of registration in black characters of good proportion, not less than 3 inches in height reading left to right. The numbers shall contrast so as to be distinctly visible and legible. No number other than the number awarded to the snowmobile in accordance with the laws of the State of Michigan shall be painted, attached or otherwise displayed on either side of the forward half of the snowmobile.

Sec. 3.4. No registration is required for snowmobiles operated exclusively on lands owned or under the control of the snowmobile owner.

Sec. 3.5. No registration is required for a snowmobile which is exclusively operated in a special snowmobile event of limited duration which is conducted according to a prearranged schedule under a permit from a governmental unit having jurisdiction.

Sec. 3.6. A snowmobile registered in another state or in a province of Canada to a non-resident of this State may be operated within the State under authority of such registration for a period not to exceed twenty (20) days.

ARTICLE 4: OPERATION OF SNOWMOBILES; PROHIBITIONS; RESTRICTIONS; EXCEPTIONS.

Sec. 4.1. No person shall operate a snowmobile upon the main travel portion of any roadway or on any highway or street within ten (10) feet of such roadway with the following exceptions:

- (a) Properly registered snowmobiles may cross public highways, excluding limited access highways and freeways, if such crossing can be made in safety and does not interfere with the free movement of the vehicular traffic approaching from any direction on said highway. The snowmobile operator shall yield the right-of-way to all vehicular traffic upon any highway.
- (b) Snowmobiles may be operated on the highways in the county road systems which are not maintained for winter wheel vehicular traffic by removal of snow.
- (c) Snowmobiles may be operated on a street or highway during a period of emergency when so declared by a police agency having jurisdiction, and travel by conventional automotive equipment is not possible.
- (d) Snowmobiles may be operated on the highways within the restrictions set forth herein for the purposes of crossing bridges and culverts.
- (e) Snowmobiles may be operated on county highways not having ten feet or more of traversable right of way outside the traveled portion of the roadway as far off the roadway as possible.

- (f) Snowmobiles may be operated on a street or highway for a special snowmobile event of limited duration which is conducted according to a prearranged schedule under permit from the governmental unit having jurisdiction.
- (g) Whenever it is impractical to gain immediate access to an area adjacent to a public highway where a snowmobile is to be operated, the vehicle may be operated adjacent and parallel to the highway for the purpose of gaining access to the area of operation. This sub-section shall apply to the operation of a snowmobile from the point where the vehicle is unloaded from a motorized conveyance to and from the area where the snowmobile is to be operated when loading and unloading cannot be effected in the immediate vicinity of the area of operation without causing a hazard to vehicular traffic approaching from either direction on the highway. Loading or unloading must be accomplished with due regard to safety at the nearest possible point to the point or area of operation.

Sec. 4.2. No snowmobile shall be operated in the Township unless it has one headlight, one tail light and adequate brakes capable of producing deceleration at 14 feet a second on level ground at a speed of 20 miles an hour.

Sec. 4.3. No person shall operate a snowmobile:

- (a) At a rate of speed greater than is reasonable and proper having due regard for conditions then existing.
- (b) While under the influence of intoxicating liquor or a narcotic drug, barbitol, or any derivative of barbitol.
- (c) During the hours from one half (½) hour after sunset to one half (½) hour before sunrise without displaying a lighted headlight and a lighted tail light.
- (d) Unless it is equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and annoying smoke.
- (e) While transporting thereon a bow or firearm unless the same be securely encased.
- (f) Unless the operator is fourteen (14) years of age or over or accompanied by a parent or lawful guardian.
- (g) On the private property of another without express permission to do so by the owner or by the person in control of said property.
- (h) On public school grounds, park property, playgrounds, and recreation areas or any other public property, without express permission or provision to do so by the proper public authority.
- (i) During the hours from 10:00 P.M. to 7:00 A.M. Sunday through Thursday, and during the hours from 12:00 midnight through 7:00 A.M. on Friday and Saturday on any frozen lake or river within the township.
- (j) Any later than the first Sunday following February 20 of each and every year on any frozen lake or river within the Township.
- (k) When said snowmobile is emitting loud or unusual noises so as to offend the peace and quiet of the persons of ordinary sensibilities.

Sec. 4.4. No owner shall permit or consent to the operation of a snowmobile by an operator or person under the age of fourteen (14) years unless said person is accompanied by a parent or lawful guardian. For the purposes of this section, it shall be presumed that any operator who is a member of the immediate family of an owner is operating said snowmobile with the consent of the owner. This presumption may be rebutted by competent evidence.

ARTICLE 5: RESTRICTED AREAS AND TIMES; ADDITIONS.

Sec. 5.1. The Independence Township Board may by resolution restrict additional areas and times of operation and in the event such area or time is restricted and either posted and/or notice thereof given by the placing of notice in a newspaper regularly published and/or disseminated in the Township on at least two occasions, and the operation of snowmobiles then continues in violation of said restriction, said operation shall be deemed a violation of this ordinance.

ARTICLE 6: ACCIDENTS, NOTIFICATION TO AUTHORITIES.

Sec. 6.1. The operator of a snowmobile involved in an accident resulting in injuries to or death of any person, or property damage in an estimated amount of \$100.00 or more, or some person acting for him, or the owner of the snowmobile having knowledge of the accident shall immediately by the quickest means of communication notify a State Police Officer or officers or the Sheriff's Office of the County wherein the accident occurred, or the office of the Police Department of the Township of Independence of said accident.

ARTICLE 7: SEVERABILITY, LAWS.

Sec. 7.1. If any section, provisions, or phrase or word of this ordinance shall be held void, ineffectual or unconstitutional, by a court of competent jurisdiction, then such finding shall not affect the validity of the remaining sections, provisions, phrases or words thereof.

ARTICLE 8: PENALTY.

Sec. 8.1. Violation of any of the provisions of this ordinance shall be punishable by a fine of not more than \$500.00 and costs of prosecution or by imprisonment in the County Jail for a period not to exceed ninety (90) days or by both such fine, costs and imprisonment as may be determined by a court of competent jurisdiction.

ARTICLE 9: EFFECTIVE DATE AND DECLARATION.

Sec. 9.1. This ordinance is hereby declared to have been adopted by the Township Board of the Township of Independence, Oakland County, State of Michigan at a meeting thereof duly called and held on the 7th day of September, 1971, in order to be given publication in the manner prescribed by law.

HOWARD ALTMAN
Independence Township Clerk

Eagles parade on October 3

Five marching bands, 15 drum and bugle corps and drill teams and a 15 piece banjo band will be featured in a parade in Clarkston on October 3.

The Clarkston Eagles will sponsor the parade which will promote the theme "Let's support our local police."

In addition to the marching units the parade will be laced with clowns, fire departments and Michigan State's Eagle beauty queen.

Parade time is 12 noon and the units will assemble on Miller Road.

Briefly told

On Saturday, Sept. 25, the Oakland County REACT Team will be collecting newspapers for recycling. For pick-up, call Oakland County REACT Headquarters, 10th floor Riker Building, at 338-3575, between 8 a.m. and 12 noon on Sept. 25, and a vehicle will be two-way radio dispatched.

Rotary hear congressman

The Clarkston Rotary Club had the Honorable Jack McDonald, 19th district congressman as guest speaker.

Representative McDonald has been very involved with politics for over 10 years and during the past 6 years has been a member of the 90th, 91st and 92nd Congresses. During this time Congressman McDonald has served on a number of pertinent and timely congressional committees.

McDonald addressed the Clarkston Rotarians on the implication of the wage price freeze and our responsibility to a more stable financial picture.

Jack Frost, Rotary program chairman reports that on November 27 a representative of the Pontiac State Bank will discuss investment, stocks, bonds and the financial picture.

The first of two rotary pancake suppers will be presented October 18. More information will be available in the near future. Tickets may be obtained from any Rotary member.

STATE OF MICHIGAN
THE PROBATE COURT FOR
THE COUNTY OF OAKLAND

Estate of Kenneth F. Ealy, deceased.

It is ordered that on October 13, 1971, at 9 a.m., in the Probate Courtroom Pontiac, Michigan a hearing be held on the petition of Lorna Ann Ealy for the admission to probate of an instrument purporting to be the Last Will and Testament of said deceased, and for the granting of administration of said estate to Keith Phillip Ealy, the executor named therein or to some other suitable person, and to determine who are or were at the time of death the heirs at law of said deceased.

Publication and service shall be made as provided by Statute and Court Rule. Dated: September 14, 1971

Norman R. Barnard
Judge of Probate
Sept. 23; Oct. 7, 14

Mrs. Mary Hodge, an enthusiastic member of the Weigh Rite classes held at the Church of the Resurrection on Orion Road, steps on the scale for her weekly weigh-in. Chief weigher, Gladys Bates, left, records the figure as Priscilla Tincher, founder and director of the program looks on. Mrs. Hodge has lost 2 pounds per week since she enrolled in the program. Last week the class of 15 lost over 60 pounds. A new class is opening at 10 a.m. on Tuesday mornings. New members are welcome.

William Crouch of Wyandotte, center, gives instructions in gun handling to Harry Hoffman, left, of 8050 M-15 and Steve Morley of Pontiac. The boys were part of the Oakland County Sportsmen's Club's first Hunter's Safety Clinic. Over 100 volunteer instructors provided instructions for children from 12 to 17 who are required by State law to attend a clinic to qualify for a hunting license. George Kloc of Clarkston was the general manager of the Clinic which was held at the Sportsmen's range on September 19. Over 400 youngsters attended.

Mrs. Peg Miholcheon of Waterford accepts her prize from Jack Hagen of Holcomb Street. The chest was the prize in a fund-raising drawing to benefit the Clarkston Flyers Hockey Club.

Bang, shingle, bang

by Jean Sura

I'm not a red-hot bridge fan, probably because I am a lousy player. Nevertheless, I hate to turn down the opportunity to play because I pick up such interesting tid-bits at the bridge table. Like the other day —

I had just pulled a blooper and led from a king — a black sin, I'm told.

"I read last week that the distinctions between male and female are vanishing," said Aldora, to fill in the cold silence that followed my goof.

"Well, now, I can't go along with that," said Clara as she riffled her cards like a river-boat gambler.

"All I know is that some psychiatrist, after studying 1,400 Rorschach test results came up with that conclusion," said Aldora.

"It sure doesn't make any sense to me," said Elizabeth, munching on a whipped cream, maraschino, nut-filled éclair. "After all, look at today's women. Only the models are gaunt and skinny and unfeminine. The trend in the normal woman is to have a well filled-out figure. I don't think it will be long before the

figure of Reubens and Michelangelo, you know, nicely rounded, will be in high style. What could be more feminine?"

"Come on, girls, deal the cards," chimed in Aldora. "I've got an appointment for a golf lesson. My kids are betting that I'll beat their dad before the season is over. I don't want to let them down."

"Two spades," I blurted.

"Two spades?" shrilled my partner. "Do you know what you are saying? That's one of the highest bids you can make. It means you have almost every card in the deck."

"This rubber won't last long," said our opponent, Elizabeth, rolling her eyes at her partner. "Pass me that last almond cream, will you? I hate to leave just one."

"I still think that psychiatrist is crazy. The idea that men and women are getting more alike just kills me," Clara interrupted. Then, laughing, she slammed her deuce of trump on my good ace of hearts and took the next four fast tricks.

"You didn't know I was void in hearts, did you?" she gloated.

The hand ended. I was down five tricks.

"That does it. Here, let me help you carry all these sticky dishes out to the kitchen," said Aldora to the hostess.

"If you will excuse me," I said, "I'm running a little late. I've got to stop at the men's store and pick up a can of hair spray for my husband. Then he wants me to buy him a tie to go with his lavender and peach striped shirt. Then I want to stop in the barber shop and get my hair cut."

"You mean that you have your hair cut at the men's barber shop?" asked Clara.

"Sure, he does a good job shingling it up over my ears and with all the men wearing their hair long, he isn't very busy, I don't have to wait around."

"It's early. I still don't understand your rush," said Elizabeth.

"The truth is," I said, "that my husband had an appointment with Sir Reginald to have his hair styled and I can't wait to see what he looks like. Poor fellow, he's been having a terrible time

training his bangs."
Bang, bang, shingle, bang!
