Jim's Gottings

By Jim Sherman

Generally town councils and other governmental boards publicly oppose bawdy houses in their communities. Even when one becomes known the officials deny knowledge to the very end.

Part of the denial is based on their inability to have absolute proof that suspected goings on are "the real thing," as the Coke commercial goes.

More than one ordinance on village, township and city books specifically prohibit houses of prostitution. I think it even appears in the anti-litter ordinance, surely in the nuisance law, and positively they are not allowed in any of the zoning categories.

It is under the zoning ordinance that one governmental unit is going to attack the problem. "Problem" is what the neighbors call this house of ill repute. The officials more or less accept this opinion, but actual admittance to participation is lacking to establish proof positive.

Anyway, zoning seems to be the best approach from the legal standpoint. Certainly, this "house" is of non-conforming use.

Take for instance if it is located in a residential area of single family dwellings. Well, the present non-conforming use would be multiple dwelling. Or, perhaps the director of zoning would consider the use commercial.

In either the girls would have to go-go.

Such are the problems that sometimes beset some of our elected officials. What to do, what to do?

Oh, my! It may be weeks before I find some very important notes, clippings, and various and sundry items that were going to come in handy some day.

My roll top desk has been sent to the refinishers. My roll top desk with the cubby holes and small drawers and big drawers and corners to tuck things out of the way in.

I've been saving items of extreme value in that desk since May 15, 1955.

Some of the treasures pulled from nooks and crannies in that desk didn't even tingle my memory bell. But I didn't throw any of them away. I decided I would sort them when the desk returned. They are now secured by a rubber band in a bundle.

Even now, though, I know every piece I took out of and off that desk will be returned. I'll have to do it. Otherwise I'll never get to any degree of organization.

Already the confusion of this ordinary, flat top desk is getting to me. I wonder where my notes are on fears, my unused tickets to the

Humbert to speak

NAG organizes local chapter

Federal District Judge Stephen Roth's decision in finding Detroit guilty of de jure school segregation in the suit filed by the NAACP brought a surge of concern that local schools would become embroiled in the busing-for-integration controversy. The judge delayed his order that 84 suburban school districts in the counties of Wayne, Oakland and Macomb become involved.

The local movement to form a Chapter of National Action Group (NAG) was not discouraged last week when their announced meeting was forced to be canceled by their inability to get liability insurance necessary for the use of the Clarkston High School Little Theater.

They have rescheduled their organizational meeting for 7:30 p.m. Wednesday night, September 29 in the Oakland County Supervisor's Auditorium at 1500 N. Telegraph in Pontiac.

The Pontiac Chapter of NAG, under the leadership of Mrs. Irene McCabe, was supporting a boycott of the Pontiac Schools in opposition to their busing children to schools away from their homes.

Mrs. McCabe contended on the David Frost television show that a ruling of a judge did not constitute a law. "Laws are made by constitutional amendments," she said.

Keith Humbert, Independence Township Trustee, is expected to speak

at the Wednesday meeting.

"I am convinced that racist feelings are wrong," said Humbert in an interview with the Clarkston News. "I hope to get the Township to support a constitutional amendment preventing the busing of students out of their school districts. Much can be done by hard work and fighting for conditions we don't want."

Two Michigan lawmakers, Senator Robert P. Griffin and Congressman Jack McDonald in released statements advocate constitutional amendments to prohibit school busing to achieve racial balance.

"As one who wants to make more and more progress toward racial equality and an integrated society, I am deeply concerned that forced busing solely for the purpose of achieving racial balance is counter-productive. Instead of helping in the effort to promote better race relations, it is resulting in more bitterness and more polarization.

"I also believe the laws of the land must be enforced - even those we do not like - and court orders must be observed, including those that are being appealed. "I met with Attorney General John Mitchell and suggested and urged that the Justice Department intervene in the case in Pontiac and Nashville because the public issue is so important.

"I would not favor a cut-off of federal funds for VOLUNTARY busing."

Congressman McDonald announced that a discharge petition was to be presented on the House Floor last week in an effort to bring out of the House Judiciary Committee a Constitutional Amendment prohibiting school busing to achieve racial balance.

"The bill, which specifies that no public school student shall be required to attend school on the basis of his race, creed or color, has been bottled up in the Committee since its introduction last May," said McDonald.

"The solution to this problem lies within the law," he noted, "not outside it.

"The dissent and subsequent violence which have followed the recent court decisions are un-American and irrational," he stated.

The Clarkston News questioned Administrative Assistant to the Superintendent of the Clarkston Schools, Milford Mason on the position of the District Schools in relation to the lawsuit naming 84 school districts in the Tri-County area, that is pending a decision before Judge Roth.

"If our district is included in this suit we have never received any notification," said Mason. "We have requested that our attorneys keep us informed on our position."

Union votes

Eleven of the 16 people working for Independence Township have been classified as non-supervisory personnel and are eligible to vote on union representation October 1.

The election, which will be in the township hall, is to decide if the employees want to have the American Federation of State, County and Municipal Employees (AFL-CIO) represent them in negotiations.

Bd-CEA status quo

In a notice to all teaching personnel of the Clarkston Schools, George Barrie, Administrative Assistant to the Superintendent, expressed his concern over the failure of the Clarkston Education Association (CEA) to ratify the terms of the tentative agreement reached by the negotiating teams in recent contract talks.

To insure a measure of security for the staff who are working without a contract, Barrie advised the teachers that he would make 3 recommendations to the School Board.

The recommendations would be to continue to provide excellent working conditions, that providing paid and unpaid leave time for all members be continued and that services continue to

be provided that will enhance the profession and create a feeling of security for all.

The CEA, last week gave verbal consent to the tentative non-economic portion of the master agreement but withheld ratification until all terms of the contract had been resolved.

Joggers meet

The Davisburg Joggers, Senior Citizens will hold their monthly potluck dinner meeting at noon on Saturday, October 2.

A business meeting will follow the dinner at the Springfield Township Hall in Davisburg.

M vs MSU football game when Tom Cecchini was captain, my hunting and fishing menus, my my etc.

Grady L. Steele, 6721 Pear Street got himself another black bear rug. Steele shot this 2 1/2-year-old 250-pounder in Delta County in the Upper Peninsula while spending 2 weeks on vacation. He got his first trophy in 1968.

Road standards force high density, Stonerock

Last Tuesday night the Township Board passed a resolution asking the County Road Commissioners to establish more flexible road building standards.

The resolution was drawn by Supervisor Gary Stonerock with assistance from Bob Gorsline, his counterpart from Milford.

Presently there is one standard for the entire township... 25 ft. concrete curb and gutter back to back and storm drains.

Stonerock says, "You just can't maintain a rural character with this type of restriction. It may be all right for Troy and Southfield where the lot sizes are smaller and population is heavier."

The Supervisor went on to say the present, high road building standards do not lend themselves to rural estate or suburban farms zoning categories.

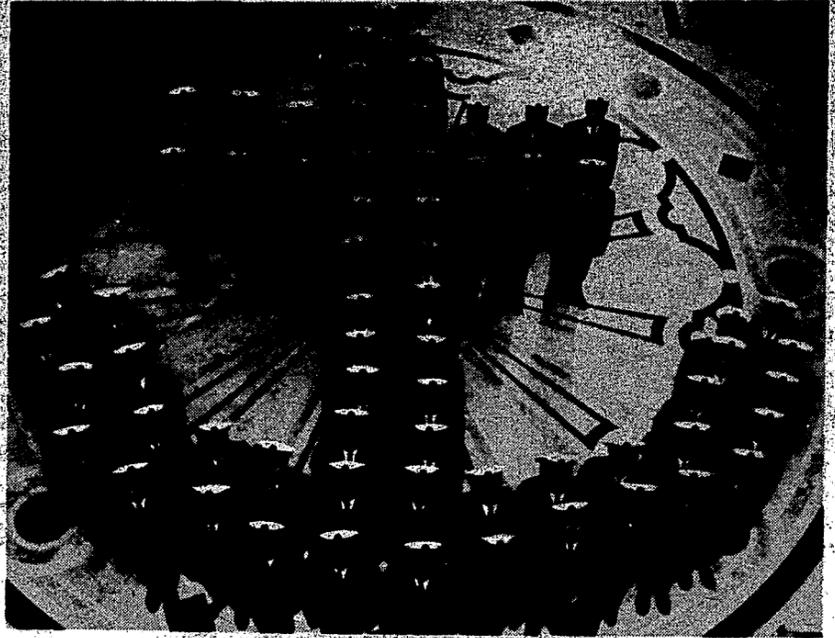

The resolution stated: These regulations do not reflect the varying character of communities throughout the

county and may indeed erase the distinctive features of these communities.

These regulations are such that their economic impact results in high density developmental pressures on the land, contrary in many instances to local land use policies, the resolution continued.

The plea is to get supplementary road standards, allowing a greater flexibility in dealing with roadway construction and design.

Sixty-one copies of the resolution were sent to villages, townships and cities in Oakland, seeking endorsement of the resolution.

On October 5, the United States Naval Academy will present a vocal assembly at Clarkston Senior High Gym at 1:15 p.m. Any parents wishing to attend will be welcome.

Sushil Lahiri

Open house Oct. 10 welcomes librarian

The Clarkston Women's Club is planning an open house on Sunday, October 10 to welcome Sushil Lahiri, 35, the new librarian at the Independence Township Library, his wife, Minati and 6-year-old daughter, Christina.

The Lahiris, who arrived in Clarkston last week are natives of Calcutta, India, where his father is an Anglican minister. They are making their home here on Big Lake Road.

Mr. Lahiri, who taught philosophy at the University in Calcutta for 6 years took his undergraduate work at that

school.

He has graduate degrees in philosophy, law, religion and library science. The latter two degrees were earned in Canada when he came there on a scholarship.

Previous experience in library work was gained at the Teacher's Professional Library at the University of Western Ontario in London, Ontario, Canada.

The open house will be held at 3 p.m. Members of the Women's Club urge area residents to come and meet the new librarian who will replace Mrs. Philip Smith, who resigned recently after many years of service.

Weekend offers Parade and Bar BQ

Strike up the band. Get in line. Thirty-one aeries of Eagles of the Eastern Zone Conference will be flying into town for a parade on Sunday, October 3.

Bands, drum and bugle corps, marching units, a banjo band and many other attractions are expected in the parade that will begin at noon.

The units will line up on Miller Road and M-15.

Immediately following the parade, the Clarkston Jaycees will hold their annual chicken barbecue on the corner of Main Street and Washington.

The Eagles are looking for parade watchers and the Jaycees are looking for people with appetities for chicken.

"We think the parade will be something special for the residents of Independence Township," said Irv LaDuc from the Eagles Aerie of Clarkston. "The quality as well as quantity should make this one of the very best parades ever held in Clarkston."

"I could say the same thing about our chicken barbecue," said Dave Nadolsky, Jaycee president. "We guarantee quantity and quality, too."

TREE MEETING - Three area officials were given a tour of Woodhull Lake Subdivision Sunday by Luther Fletcher, president of the Concerned Property Owners of Woodhull Lake. The immediate problem concerned trees. Rep. Loren Anderson, left, was asked to contact the utility companies to see if they would remove some trees... trees Fletcher said died after the utility companies topped them out. There are about a dozen trees involved. With Anderson was township clerk Howard Altman, center, and trustee Tom Bullen. They checked Fletcher's complaints to the township board last week on litter violations.

We Need Your Help!

You can help the Dixie Baptist Church acquire a new Sunday School Bus... Give your Betty Crocker Coupons and/or TV stamps. (Even if they are expired). If you would like to contribute to help better our community please mail or bring them to the Dixie Baptist Church. If you would like someone to pick them up please call the church, 625-2311.

Question criticism

In answer to the growing group of critics who have been assaulting the reputation of America, the National Association of Manufacturers quotes Mr. James M. Roche, chairman of General Motors Corporation:

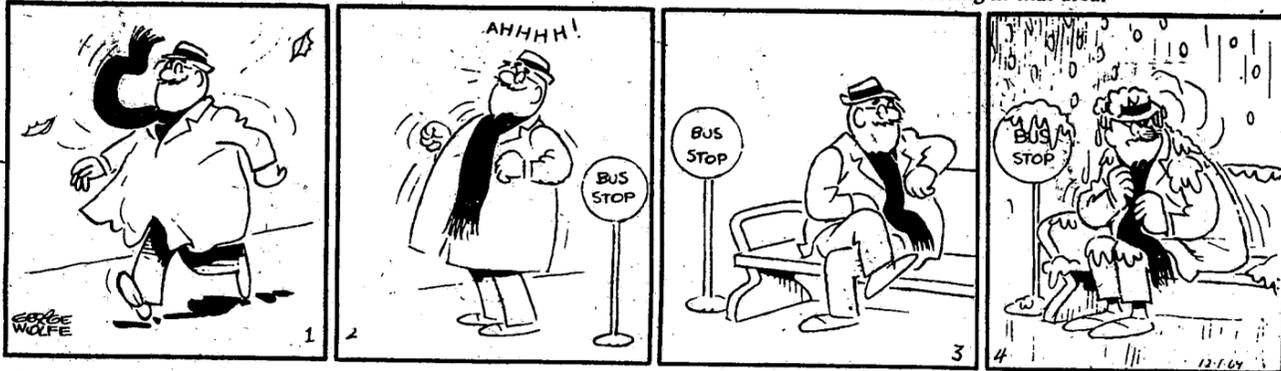

"The current disparagement of America holds many ironies. One is that the country is criticized for a relatively narrow area of shortcomings without credit for its broad range of achievements.

"For example, the nation is credited less with a superior system of public higher education than it is criticized for not making it freely available to all — even the unqualified.

"The nation is credited less with an incomparable transportation system than it is faulted for its traffic jams. The nation is credited less with having two thirds of its families own their own homes than it is condemned for its slums.

"Many of today's problems are an outgrowth of yesterday's progress. Some who criticize our system would substitute other systems which have fallen far short of ours.

"In most other countries the quality of our daily life is still no more than a hopeful vision. In those places, such criticisms as we hear would be mere frivolities, idle pastimes of the academic. Where there are no roofs, there are no leaks."

"If It Fitz . . ."

Letters to the Editor

Bussing no solution to integration chaos

Dear Editor:

I wonder if you would print another viewpoint on our bussing other than Mr. Jim Fitzgerald's?

After reading a column in this week's issue written by Mr. Jim Fitzgerald of the Lapeer County Press, I would like to express a few views of my own.

I am a Waterford Township resident, which is just outside of the bussing problem. I have two children of my own attending schools near home and I am not directly involved in the bussing situation. I have many friends in the area, having once been a resident of Pontiac.

The dynamiting of the Pontiac buses was certainly an atrocious act, and one our taxpayers could ill-afford, but in a way, I can understand the lady's feelings who said it was a beautiful sight.

No mention was made in the Pontiac papers about the violence that has resulted in that city from the bussing order.

Thank heaven for our Representative, Mr. Arthur Law, who is aware of our problems here, and has the courage to "speak out" for what he thinks is right.

Both black and white parents are taking his advice and keeping their children home to avoid the violence that is occurring in that area.

Please do not think that I am against the blacks attending our schools. They deserve an education like everyone else. We have good students in this community, kind, respectable, law-abiding citizens. We also have radical students that are ruthless, arrogant and hostile groups. These are the students we are concerned with. They have been born and raised in violence . . . this is the way they live . . . they know no other way of life. They have no respect for law enforcement, order or the human race. This was evidenced last week near Pontiac Central where three of our city policemen were beaten by groups of students. (Incidentally, this didn't appear in the Press, either).

So you see, Mr. Fitzgerald, it is not just simply that a white student doesn't want to sit next to a black, it is much more serious. Our principals and school officials will have to resolve this problem, and how they intend to do so remains to be seen. It is my opinion that all black or white students be banned from attending our schools who are known drug addicts, knife-toting wielders, habitual troublemakers and members of local leftist youth movements. We should admit all students, black or white, who have earned the right to a better education, better teachers, better sports facilities by simply exercising manly personal conduct, good citizenship records and a consideration for the rights of others. I feel we will never attain a peaceful integration program unless something of this nature is instituted.

In closing, Mr. Editor, would you send your child into this "lion's den?" Indeed, I am certain you would not, as I would not.

Respectfully signed,
A Waterford Township Housewife

At least the Klan is honest

By Jim Fitzgerald

When Robert Miles wrote that nasty letter about me, several years ago, I didn't know he was Grand Dragon of the Michigan Ku Klux Klan.

I figured he was just one more in a long line of unhappy readers who think I should hang up my typewriter and return to the Chrysler assembly line. Except Miles' letter was more articulate than most, and more full of venom. And it bugged me because I couldn't figure from it exactly what I'd written to turn him so far off.

But I soon found out. The letter appeared in the Press in Livingston County where Miles lives. The editor filled me in on Miles' underhanded activities. Such a fine fellow could hardly be expected to think much of a jerk like me. It isn't just that I'm continually rapping the racists. Gosh, I even wrote that my college daughter was welcome to date a Negro, and bring him home for Christmas dinner, if she could find a black boy who

would forgive her white skin.

Statements like that really upset a Kluxer, even the more modern type such as Miles. In recent years he has courted publicity, inviting the press to Klan meetings, and he generally comes off as a reasonable, likable, nonviolent man who doesn't hate Negroes. He just doesn't want black and white mixing and he can probably show you in the Bible where God feels the same way.

Miles is currently in the headlines because of his arrest by the FBI for conspiracy in connection with the bombing of school buses in Pontiac. I find it hard to believe he is that dumb — or the FBI is that smart. But that's for the courts to decide.

I don't find it hard to believe that Miles would be against bussing to achieve racial integration. But thousands of people are against that — people who are horrified by the Klan. That's the sad thing. You don't have to be a Kluxer to be

opposed to mixing black and white.

You can be a white liberal who attends fund-raising parties for the Black Panthers. You might even be black. But when it comes to Black Joe climbing into bed with White Jane, you see red. You want to throw up. Heck, you're still having trouble accepting Catholics marrying Protestants, I saw a Steinerberg courting Rosie O'Grady, and the Lone Ranger bunking so close to Tonto.

That's what it's all about, the tattered old bromide: "Would you want your sister to marry one?"

The cocktail-hour liberals can give you a lot of doubletalk about how they want to improve the lot of the black man. But most of them talk from behind their trimmed hedges and precious property values in Suburbia. They'd welcome a black neighbor as long as he is Willie Mays or Ralph Bunche. Otherwise, there goes the

neighborhood and you can't blame a man for protecting his investment, can you?

At least Miles and his Klan are honest. They're dead against "mongrelization" of the white race. And they know the surest way to prevent White Jane from marrying Black Joe is to keep a fence between them. The Klan works to keep that fence strong and the men in sheets get a lot of help from hypocrites who say the fence is a terrible thing — except where it touches their backyard. And please don't put any windows in it.

The Klan and the hypocrites are equally wrong, as time will prove. The only real answer is "mongrelization." Love thy neighbor like The Man said. As viewed from the moon, we are all neighbors.

The world will be a better place when none of us give a damn who our sister marries, just so long as she gets the guy she wants and he treats her right.

Which opinion should bring another letter from Mr. Miles?

Big fish story

by Joette Kunse

Mrs. Eloise Beach and Mrs. Mary Ellen Johns of White Lake Rd. have some big fish stories to tell after their recent trip to Boynton Beach, Florida. On their first deep sea fishing excursion, their catch included sailfish, kingfish, tuna, dolphin, bonito and barracuda. Mrs. Beach's prize of the afternoon was a 7 ft., 39 lb. sailfish and Mrs. Johns brought in a 6 ft., 6-in., 30 lb. sailfish. The boat that the ladies were fishing on brought in the largest catch in a 4 hour period in memory. Many of the ladies' family and friends were able to enjoy the catch at a fish fry held over Labor Day. The gals were able to bring back 40 lbs. of fish on the plane. For all the fishermen who may be heading south this winter, Boynton Beach is located near Palm Beach. Both ladies have mounted sailfish on their walls as mementoes of their first deep sea fishing trip.

The Edward Baileys of Delmar St. were guests of honor for a surprise party in honor of their 21st anniversary. Planned by their children, Alaina, Aleta and Keith, 17 guests joined to help the Baileys celebrate with a lunch and cake

baked by the children.

Visiting the Donald Places of Chickadee Lane were Carolyn's mother and father, Mr. and Mrs. Graves of Schenectady, New York. Three cheers for Mrs. Graves as she helped sort glass and remove metal rings on the Bottles for Building drive. That's a long way to come to work.

The James Eastons of Northview were glad to have son, George home for a month's visit before his assignment to Vietnam. George was an honor graduate at the Adjutant General's School in Fort Benjamin Harrison, Indianapolis, Ind. Sp. 4 Easton is assigned to Da Nang, Vietnam, 516th Personal Services Section, APO96349. We know George would enjoy hearing from his many Clarkston friends.

Also arriving at the Eastons' residence was Mrs. Easton's mother, Mrs. Mary Williams of Tucson, Arizona.

The Library was bustling with 30 youngsters to hear about Community Helpers in Story Hour last Thursday. Oct.

14 will be a "Farewell to Summer Party," so mark your calendars for 10:15 a.m.

Ten Explorer Scouts of Post 70, Cinaminson, New Jersey returned a visit made earlier by Senior Girl Scouts of Troop 206, Clarkston. Mrs. Penee Easton is the girls' troop advisor and her brother, George Williams is the Explorer advisor. The Explorer Scouts visited in Atlanta, Mich. at the Bob Morse cabin. Excursion trips were made to the Sault Locks and Mackinac Island. Jeanette Morse and Chuck Galbraith accompanied the group. On return to Clarkston, the group toured the Pontiac Motor plant and the Detroit Zoo. Swimming, picnic, horseback riding and bowling parties were held for the visitors.

Newcomers to Clarkston are Mr. and Mrs. Rudolph Fleming. They recently moved into the Parview Apts. from their former home in Birmingham. Mr. Fleming is retired from the Tax Section of General Motors Central Office in Detroit. They have a registered Morgan show horse which they also brought to a farm near Clarkston. Golf is a big interest with the

Flemings and they are quite close to Waterford Hill. Mrs. Fleming is a new member of the Clarkston Community Women's Club. A big welcome to the Clarkston-Independence community.

Mr. and Mrs. Mike Wice (Debbie Goyette) spent the weekend in Clarkston visiting Debbie's folks. Mike is a student at Western Michigan University. If Mike and Debbie are like most kids home for the weekend, they returned to their own home with full stomachs, clean clothes and a few goodies for the freezer.

Upon completion of summer school at Michigan State University, Mark Walter of Clarkston met his brother, Ron, of Milwaukee and the two flew from Chicago to Greece for an 18 day vacation. After spending time in Athens and the vicinity, they took boat trips to the picturesque isles of Mykonos, Delos and Rhodes. A bus trip through the Peloponesus and a visit to Istanbul, Turkey were also enjoyed. While in Athens they had an interesting visit with relatives of their Clarkston neighbor, Art Pappas.

Spiritual Message

Fr. Francis A. Weingartz

Hear this, you who trample upon the needy and destroy the poor of the land!

"When will the new moon be over," you ask, "that we may sell our grain, and the sabbath, that we may display the wheat?"

We will diminish the ephah, add to the shekel, and fix our scales for cheating! We will buy the lowly man for silver, and

the poor man for a pair of sandals; even the refuse of the wheat we will sell!"

The Lord has sworn by the pride of Jacob:

Never will I forget a thing they have done!

Amos: 8, 4-7

SOCIAL JUSTICE

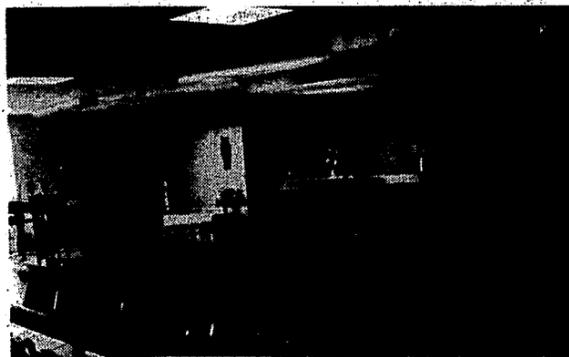

This reading is a vigorous call for social justice from the prophet Amos. Here Amos is doing what was most central to the role of a prophet - not foretelling the future, but expressing the will of Jahweh in "here and now situations and issues." The prophet's job was to call the people back to Jahweh. He was to be the "conscience of Israel." We see Amos preaching against those who divorced worship and life. He tells the people that they are faithful "Temple-goers," but that they could hardly wait for

the feast to be over so they could go out and cheat the poor.

How do these words of Amos apply to you today? There is terrible social injustice in the world today. 30% of the world population living in Europe and North America

owns 80% of the world's wealth, while 70% in Africa, Asia and Latin America owns 20%.

Have you done anything in your own life to help bring not just charity, but social justice to those in need?

Mr. and Mrs. Danny W. Fife

Jan Peters-Dan Fife exchange vows

Janice Mae Peters was married by candlelight to Danny Wayne Fife on September 11 at the United Methodist Church of Clarkston. The Rev. Frank Cozadd performed the wedding ceremony before 500 guests.

The bride chose a floor length gown of white lace over satin. Her mantilla was edged in lace that matched the trim of her gown. Daisies and stephanotis formed her bridal bouquet.

Serving as matron and maid of honor were her sisters, Mrs. Sue Allen and Debbie Peters. The groom's sister, Mrs. Vicki Greene from Chicago, Karen Caldwell, Jo Anne and Pat Hennig were the bridesmaids.

All the bridal attendants were identically gowned in purple, figured skirts and white blouses.

James Burton of Rochester was best man for his college roommate, Billy Lyle, Ann Arbor; Dan Gree, Chicago; Randy Nicosen, Terre Haute, Indiana; Tom Allen, George Lekas and the bride's brothers, Craig and Kirt Peters were the groomsmen.

A reception was held at the Knights of Columbus Hall following the ceremony. After a wedding trip to Mackinac Island the couple left for Florida, where the groom is playing baseball with a Detroit Tiger farm club.

The newlyweds are both graduates of Clarkston High School and the groom was graduated from the University of Michigan.

Their parents are Mr. and Mrs. Leslie E. Peters of Church Street and Mr. and Mrs. Duyane Fife of Dvorak.

Mrs. David C. Petrusha

Four New England on wedding trip

St. Michael's Roman Catholic Church in Pontiac was the setting for the afternoon wedding of Diana Elaine Chamorro and David Charles Petrusha.

Father Konopka performed the ceremony uniting the couple on September 25.

The parents of the couple are Mr. and Mrs. Celestino P. Chamorro of Oak Park Street and Mr. and Mrs. Louis Petrusha of Pontiac.

The bride chose a floor length gown of chiffon. It was embroidered with schiffle lace, as was her detachable chapel length train. Her three tiered veil was held by a matching lace circle crown and she carried a bouquet of white carnations and pink sweetheart roses.

Diana Bratt was the maid of honor and wore a full length lavender gown of chiffon over taffeta. The bridesmaids

were Carolyn Bowling, her cousin, Linda Chamarro; Vicki Cheek and the groom's sister, Mary Petrusha. They wore pink chiffon over taffeta and all carried baskets of pink carnations and purple asters.

Stephanie Fleming and Kevin Petrusha, the groom's nephew, were the flower girl and ringbearer.

Best man was Phil Cortez and the bride's brother, Charles Chamorro, Larry Klein, Jerry Wade and the groom's brother, Robert Petrusha were the other groomsmen.

The newlyweds greeted approximately 300 guests at the Waterford Oaks Activities Center before they left for a tour of the New England states. They will make their new home in Pontiac upon their return.

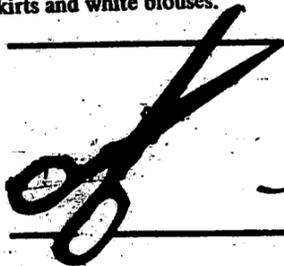

A.B.W.A. present scholarship check

The Waterford Chater Chapter of the American Business Women's Association held their Hand of Friendship Brunch Sunday at the Pontiac Country Club. Mrs. Grace Humphries of Waterford Township was general chairman of the event.

Miss Karen Ricketts, one of the

association's college sponsored students received her tuition check for the ensuing year.

New members, all from Oakland County, were Mrs. Carmen Curtis, Mrs. Ellen Lippert, Mrs. Florence Iliades, Mrs. Ruth McGoldrick and Mrs. Pacia Going.

Kutting Korners

I promised last week that I would give you 2 more suggestions for appealing "breakfasts on the run." Here they are:

FRUIT SALAD BARS

- 1/4 cup shortening
- 1/4 cup granulated sugar
- 2 eggs
- 1 teaspoon vanilla
- 1 can (8 1/2 oz.) crushed pineapple
- 1/2 cup mashed bananas
- 2 cups sifted all-purpose flour
- 1 1/2 teaspoons baking powder
- 1 teaspoon salt
- 1/4 teaspoon nutmeg
- 1 cup coarsely chopped walnuts
- 1 cup sliced pitted dates

Lemon glaze

Cream shortening, sugar, eggs and vanilla together well. Turn pineapple into strainer and drain well, pressing out all excess syrup with back of spoon. Add

pineapple and banana to creamed mixture. Resift flour with baking powder, salt and nutmeg. Stir into creamed mixture. Mix in walnuts and dates. Spread in greased 10 by 15 inch pan. Bake at 350 degrees 25 to 30 minutes. Cool to lukewarm, then spread with lemon glaze. Cool thoroughly before cutting. Cut into bars or squares. Makes three dozen bars about 2 1/2 by 1 1/4 inches.

LEMON GLAZE:

- 1 1/2 tablespoons butter, melted
 - 1 1/2 tablespoons lemon juice
 - 1 tablespoon water
 - Dash salt
 - 2 cups sifted confectioners' sugar
- Mix all ingredients and blend until smooth.

Another sweet dish that can do the breakfast stint is made with shredded

wheat, oranges, pudding and whipped cream. It will fill the breakfast bill of fare but is not recommended for the teenager who is avoiding calories.

SHREDDED WHEAT ORANGE CREAM

- 1 1/2 cups cold milk
 - 1 package (3 1/2 oz.) vanilla instant pudding mix
 - 1/2 cup whipping cream, whipped or whipped topping
 - 2 tablespoons sugar
 - 1/2 teaspoon vanilla
 - 6 shredded wheat biscuits, oblong or round
 - 1 cup drained orange sections
- Combine milk and pudding mix,

prepare as directed on package. Allow to thicken. Whip cream; fold sugar and vanilla into cream. Fold cream into pudding mixture. Split shredded wheat biscuits in half crosswise. Put together sandwich fashion in individual serving dishes, using a layer of orange sections and pudding mix as the filling. Top with additional pudding and orange sections. Serve at once. Yields six servings.

KUTTING KORNER KLUE

Slice a loaf cake or fruit cake before wrapping and freezing. The right amount for a snack or a family meal can be removed easily and thawed quickly

An open house will be held from 1 to 5 p.m. at the Masonic Temple in Bloomfield Hills on October 4th, to honor Mr. and Mrs. James Dodd on the occasion of their 50th wedding anniversary. The Dodds were married on October 4, 1921 in Cumberland, Maryland. Hosts and hostesses at the party will be their children: Mrs. Martha Wheeler, Pontiac; James Dodd, Capac; Blair Dodd, Drayton Plains; Dale Dodd, Clarkston; Mrs. June Badder, Southfield; and Mrs. Ruth Anna Turner, Birmingham. The Dodds have 16 grandchildren and 4 great-grandchildren.

"Never too Late" cast selected

The first production for the 1971-72 season by the Clarkston Village Players has been cast and is now in rehearsal. Play

(Advertisement)

Clarkston-Ortonville Commuter Service Proposed

Plans are being made to have direct express commuter bus service to Detroit, on a regular schedule, for the convenience of commuters from Ortonville and Clarkston. A return trip is also scheduled.

This service is intended to be of a personalized nature with all seats reserved in advance.

Ortonville and Clarkston residents will now be able to travel to Detroit without the aggravation of traffic jams, parking problems and parking costs.

The bus is a Greyhound type bus, equipped with air-conditioning and lavatory for passenger comfort.

The pilot plan is tentative for mid-1972 or sooner, depending on commuter response with the following schedule proposed:

Bus departs Ortonville-Clarkston area VIA I-75 at 6:45 a.m.

Arrives at Jefferson and Woodward at 7:45 a.m.

Departs Jefferson and Woodward at 5:15 p.m.

Arrives Clarkston-Ortonville, 6:15 p.m. VIA I-75.

All commuters interested in using this service should call collect (313) 834-4217 since proposed service depends solely on response.

Seats are limited to 34 in number so it is suggested that reservations be made as early as possible.

dates are November 5 and 6 and November 12 and 13 at the Depot Theater.

The play by Sumner Arthur Long is a comedy. John Witherup and Jean Hendricks have been cast as Harry and Edith Lambert, a middleaged couple who find they are to be visited by the stork.

Doris Libstaff and Hugh Rose portray the live-in daughter and son-in-law. Edith's bosom friend and advisor is played by Betty Richard, while Homer Biondi is the family doctor.

The play also has "Doc" Denne as a typical carpenter and Pete Rose who comes on as the Mayor. Mike Crowley tries to restore order as the policeman.

The Players are enthusiastic about the play and hope it will prove to be a great season opener, well supported by local patrons.

Order your Christmas cards at the Clarkston News. See our large assortment. Stop in at the News, 5 S. Main St., this week. We're looking forward to helping you.

Midget footballers hold home opener

On Sunday, October 3 at 1 p.m., more than 140 midget gridders and cheerleaders will be initiating the home season for the Independence Township Chiefs at the Clarkston Senior High football field. The public is cordially invited. There will be no admission charged.

The Chiefs are members of the 12-team Suburban Midget Football Conference. Through the efforts of the community, the Independence Township Athletic Association has secured a football franchise for boys, 9 through 12 years old, who live within the boundaries of the Clarkston Community School system.

Practice for the 3-team unit started right after Labor Day and continues at 3 different sites: freshman team at Sashabaw Elementary School, junior varsity team at Pine Knob Elementary School and the varsity team at Clarkston Senior High School.

With more than 300 spectators on September 19 at Clarkston Junior High football field, a scrimmage was held between the 3-team unit of the Chiefs and the Walled Lake Eagles.

The players and the cheerleaders are now in the process of a candy sale to help raise funds for their program.

Schedule for the Chiefs:

Sept. 26, Madison Heights Wildcats (away); Oct. 3, Troy Cougars (home); Oct. 10, Lakeland Corsairs (home); Oct. 17, Clawson Mustangs (away); Oct. 24, Lakelake Lakers (home); Oct. 31, Madison Heights Wolverines (home); and

Nov. 6, Walled Lake Eagles (away). The first four games start at 1 p.m.; next two at 12:30 p.m. and the last one at 6 p.m.

Fish assists needy

Fish is a new program that will be started in the Independence Township area. Fish, the ancient symbol of the Christian Church, is an organized group of over 400 volunteers in the Greater Pontiac area who are extending a hand of friendship and assistance to help people in need.

The local group is being formed by members of the Clarkston United Methodist Church. They have established a food cupboard and a clothes closet at the church to be used in emergencies.

"When troubles come we hope that people will call upon us and let us assist them through their emergencies," said Mrs. James Benson, one of the organization's workers. "We welcome calls from people who know of situations that would warrant our help."

Fish is geared for action 24 hours a day, 7 days a week.

"If you know of anyone needing help or if you would like to contribute to this project, we would appreciate your calling me at 625-2314, Mrs. Norma Harris at 625-5586 or Fish headquarters in Pontiac at 334-5555," said Mrs. Benson.

Interesting people

Busy people

By Jean Sura

Versatile Nancy Prucher, who sews and works in macrame designs and executes, with skill, the creation of a wall hanging at her loom. Mrs. Prucher's crafts were among those selected by the jury of the Creative Arts Show and Market to be displayed. The hanging on the wall was a winning entry. The Creative Arts Market in Pontiac is open from 9:30 a.m. 'til 4 p.m. through September 30.

Bryan Prucher holds the pipe with which he makes Venetian blown glass. On the counter are pieces that are the result of his art. His entries in the Creative Arts Show and Market were selected by the jury to be shown.

Spider bites

The brown recluse spider, which is almost as lethal as the black widow, has "escaped" from its original home in a belt stretching across Oklahoma and Arkansas. It has now been observed from Ohio to Louisiana, and from Denver to Georgia. Experts now believe it will be found in every state within the next couple of years.

Don Brown, of the Oklahoma Poison Information Center, has suggested that one reason for the migration may be some sort of mutation that has made the recluse spider a hardier breed. The mutation could also have made the spider more deadly.

The number of deaths reported following a recluse spider bite is on the increase. The less severe signs are fever, nausea, a breakdown of the red blood cells in the body, and a permanent scar that looks like a small bullet wound.

The spider is a small one—about half-an-inch across—and is tan or yellow and brown. It has a distinctive "fiddle" mark on its back that aids in its identification. It hides in dark corners (from which it gets its name) and may be in shoes or seldom worn clothing, biting you only because it's been disturbed.

If you should be bitten by a spider, consult a doctor at once and, if possible, bring along the spider for positive identification. Treatment is generally effective if started quickly and if the proper diagnosis has been made at the beginning.

Mr. and Mrs. Bryan Prucher and son, Matthew take a break from work and hobbies at their artistically comfortable home that looks over Parke Lake.

Idleness, along with many other vices, is considered an invention of Satan. If this is true, the devil's advocate will find it difficult to implicate Nancy and Bryan Prucher who live on Clarkston's Main Street.

Nancy and Bryan are a young couple who have successfully found avenues of activity to keep them busy. Recently their energies were rewarded when the products of their hobbies were selected by a jury to be placed in the Creative Arts and Crafts show and sale in Pontiac.

The creative trend really got rolling in the Prucher home shortly after they were

married about four years ago.

A classified ad in a Detroit daily paper caught their attention.

"For sale," the ad said, "used looms and other equipment."

The ad had been placed by the Cranbrook Institute of Fine Arts.

"Look at this little one," said Nancy as they looked at the items on sale.

"I think you'll get tired of making place mats and scarves," answered Bryan. "I vote for the big one. It has more possibilities."

Shortly after, Nancy was the owner of a large loom and enrolled for classes at the Bloomfield Arts Association where she learned the difference between warp and woof. Her instructor was the well known Urban Jupena.

Just a year ago, Bryan went to an art show and became interested in a display of the old Venetian art of blowing glass.

He now attends classes and works with the facilities at the Bloomfield Art Association twice a week.

"When I get tired of weaving I work at other hobbies, sewing or macrame," said Nancy.

One project that the Pruchers have in common is an "almost two," brown-eyed brunette son named Matthew. They also have a beautiful big collie dog.

Matthew has a normal boy's penchant for keeping busy. His hobbies presently are playing, eating cookies and watching through the window of their home, antics of the wild life on Parke Lake.

Nancy and Bryan were born and raised in the Detroit area. Nancy graduated from Eastern Michigan University and has done graduate work in reading and working with emotionally disturbed children at both Eastern and the University of Hawaii.

Bryan, a graduate of General Motors Institute, works in supervision at General Motors in Flint.

There is another adage, "If you want to get a job done well, ask a busy person."

I know who I would recommend!

* AND WERE AFRAID TO ASK

By Nia Kraud
Submitted by Grayce Warren

What occurs behind the closed doors of Room 342 has always puzzled incoming "band" students. What is "band"? "Band" is a four-letter word defined by Funk and Wagnall's to be "A company of persons organized to play musical instruments, especially wind and percussion instruments."

The band's first major and stumbling footstep is marching: learning one's left foot from right. "Left face," "right face" and "about face" end up with a few less coordinated souls face down on the pavement. Marching to the practice field and plotting formations by dividing the band in half on a dry day generally results in choking and sneezing on dust and eventual total wipe-out of some fifty students.

The director, Mr. Sipos, is the "key to success," as he will soon tell (and tell and tell...) everyone concerned. Underneath the mild-mannered, meek, shy exterior of Mr. Sipos there lurks a hard-working, lustrous, muscle man who bursts out at 1:00 p.m. every weekday afternoon to become Keith Sipos, Superstar. With his magic wand he performs miracles with even the poorest excuses for human beings.

Providing money for scholarships to send deserving students to music camp is all taken care of by fund-raising projects, such as bake sales, car washes and concerts. Bake sales take place on Friday

afternoons, the first one today. They are examples of how to either spend more time and money making some goodies compared to how much profit is made or "how to get fat and penniless in one easy lesson" after storming Mr. Sipos' office. Car washes are a show of how a group of the most disorganized kids can earn over \$50 in one day while getting wet, having fun and being helped by one neurotic student who has the nerve to dress up and parade for the sake of luring more customers. This little exposé will take place September 25th. Concert band students are the "lowest paid workers" in the business. They slave over music for two months or more and only earn \$50 toward the band fund.

The shock of truly realizing one's importance in band hits most newcomers in the face at the first football game under the field lights. After the small pre-game show, upperclassmen, equipped with smelling salts, have only enough time to revive underclassmen so these weak-kneed subjects will be prepared for halftime.

Band is a four-letter word, but it's a word that can be associated with hard work, times of fun and pride in self-accomplishment. A band has always been something taken for granted by the rest of the student body, but then, they don't have classes with so much of those three important ingredients.

Jayettes say thank you

The Clarkston Area Jaycee Auxiliary held their annual "thank you" dinner meeting on Sept. 22 at the Church of the Resurrection. The dinner was prepared by the Auxiliary Board members for the entire membership. Other Jaycee wives who are not members of the Jaycette group but who worked over the Labor Day weekend were guests for the evening.

The dinner was a way to say "Thanks" for the efforts contributed to make the long weekend successful.

President Adele Powell expressed the auxiliary's thanks to the community residents who supported the activities and made the success.

Marj Moehlman, Jaycettes District vice president, from Lake Orion, was a special guest of the evening.

The Jaycettes are busy helping the Jaycees plan their chicken barbecue on Oct. 3. The group is also making preparation for serving the Jaycees' October dinner meeting and providing lunch for the Jaycees and other workers on the October "Bottles for Building" pick-up.

It was announced that the November

CARD OF THANKS

We would like to extend our sincere thanks to the Clarkston Fire Department for their fast service in giving my husband oxygen when he had convulsions and also to the Police Department, the Fleet Ambulance and last but not least to Mr. Richard Burton, who lives in our apartment and suggested the fire department. Thanks to all of you.
Leenea Carlson and family
5-1p

Junior Miss Pageant preparations are well under way.

A change has been made in the club's October pie sale. This year a variety of home-made pies will be offered. In other years it was just a pumpkin pie sale.

Proceeds from the pie sale will be used for postage to mail books collected last year by the 5th grade class of Mrs. Terry Thomas at the Clarkston Elementary School. The books will be given to children living on an Indian Reservation in the Upper Peninsula.

S.S. office change hours

The Pontiac Social Security office will no longer be open on Wednesday evening beginning next week, Eino Heino, District Manager announced today. "Our expanded telephone service has eliminated the need for keeping the office open during the evening."

Almost anything that a person could do by visiting the office can be done by a telephone call, Heino said. Trained interviewers in the Pontiac office accept applications over the telephone for all types of benefits. The entire job can be done over the telephone and through the mail, he pointed out.

"If you are going to visit our office, it's a good idea to call first and find out what papers you should bring along. This can help avoid delays as the claims are being handled."

The Pontiac office hours will now be 8:30 to 4:30 Monday through Friday. The telephone number is 334-4711.

I've been bussed

by Jean Sura

"This bussing thing sure has me confused," I remarked putting down the paper.

"You're kidding," answered my husband peering over the top of his glasses. "Do you mean to tell me that you are reading the news? Tell the truth. I didn't think that you read anything but the recipes, the Landers girls, Heloise and the funnies."

"That's the trouble. You know I like crossword puzzles. You never give me any credit for anything."

"Oh, I don't know," he put the paper back up in front of his face, "I think I made a big fuss the day that you had all my socks paired up, right and in the drawer where they belonged."

"That figures," I pouted. "Cinderella, Cinderella, wash the dishes, mop the floor, what's for dinner? That's the only conversation I get around here."

"Someday you'll realize I'm not stupid. I do a lot of research when I read."

"You do research?" he snorted. "I'm sorry if I have underestimated your

intellectual capacity. Tell me about some of your discoveries."

"Well, take bussing for an example. They all want to do it their own way," I sighed. "I just can't figure who is right."

"Good deduction," Gene said. "Now tell me about your research. I don't think I can live if I don't hear this."

"See, there you go again, making fun of me."

"No, I'm not. I agree with you. The bussing is a serious problem. Tell me what opinions you've arrived at."

So I explained. "According to my research, a bus is a large motor driven passenger vehicle. That's the noun. The verb form is bus, bussed, bussing. That's right out of Webster's new Student Dictionary."

"But then on the next page it says, buss is a kiss and it doesn't give a past tense."

"Roget's Thesaurus just confused me more. It doesn't even list 'bus' or 'buss' but says that a synonym for 'kiss' is a caress, a mere touch or to brush lightly. As I understand - something gentle and

good. "It all boils down to the fact that whatever we're doing all over our country doesn't fit the description. The words bussing and children should both be used in terms of kindness and agreement and use the hard words like violence and bombing when you are talking about war."

"The Dictionary of Modern English Usage says that the word 'bus' is sufficiently established to require no apostrophe. Then I looked up apostrophe and it said, 'See possessive puzzles.'

"That made sense cause 'possessive' means belonging to us and the dictionary says that a puzzle is a question or problem designed for testing ingenuity."

Gene nodded, "Seems that you are right. What got you started on all this?"

"Well, I didn't know how to spell bussing. Every time I saw it spelled 'busing' it sounded like 'abusing' and I didn't like the sound. Then when I saw it spelled 'bussing' it sounded like 'kissing' and what was going on didn't fit that, either."

"Listen, honey," Gene said, "you just keep on spelling it with two | -ss." "And you know what? He gave me a big buss."

Lathrup blanks Clarkston team

By Craig Moore

Clarkston's Varsity Wolves were unable to hold back the Southfield Lathrup Chargers, who charged through the Wolves' defensive line and over the goal line 5 times on Friday, Sept. 24 to shut out the Wolves, 34-0.

Because an interception or a fumble shorted Clarkston attempts, Lathrup controlled the ball most of the game.

Southfield posted a bold 14-0 lead by the opening quarter's close. A 47 yard pass climaxed a 59 yard drive to the goal line. The kick was good and Lathrup picked up its first 7 points with another 7 to follow before the end of the first quarter.

In the next series of plays Clarkston quarterback Mark Warren lost the first of 4 fumbles on the Clarkston 43 yard line.

After 5 plays and 42 yards, Charger Larry Weinberg knifed in from the 1 yard line. The kick was good and so the first quarter ended.

By halftime, Clarkston was plowed under, 27-0. Lathrup halfback Bruce Ruhl scored twice, coming in from the 8 and 9 yard lines.

The third quarter looked better for Clarkston, who kept Lathrup from scoring but couldn't manage to score themselves.

Ruhl scored for Southfield again, this

time in the final quarter on a screen pass from Tracey in a 52 yard play. Clarkston tried valiantly to score but was foiled again and again in the 34-0 shutout.

Clarkston tallied 94 yards rushing and 93 passing, but were overshadowed greatly by Lathrup's 292 rushing and 150 passing. Lathrup earned 18 first downs, Clarkston only 7.

Clarkston quarterback Mark Warren completed 10 of 18 passes, but most were for short yardage.

Coach Rakow commented, "Southfield Lathrup has a fine football team."

The Wolves are now 0-2 for the season.

The Clarkston Wolves will take on the Bloomfield Hills Andover Barons at home Friday, October 1. Opening kickoff is at 8:00 p.m.

"Andover doesn't have as good a team as in years past," said the coach. "Now that we are playing in the league, we hope we can get it together."

Punt, pass, kick time here again

The annual Punt, Pass and Kick contest will be held this Saturday, October 2, according to Bill Halsey, Jaycee chairman.

The contest is open to all boys from 8 through 13 years of age and will be held at the Clarkston High School Athletic field at 10 a.m.

Winners of the local contest will receive trophies and will then be eligible to compete in the regional contest at Wisner Stadium in Pontiac.

The goal of these area winners will be to continue on to the national meet. The winner of the national contests will be awarded a trip to the Super Bowl football game with their parents later in the year.

"We hope we'll have a good turnout," said Halsey. Further information can be obtained at all local schools.

The most solemn place on a football field at the end of a game is the losing team's bench.

ACCOUNTANTS' REPORT

The Board of Education,
Clarkston Community Schools
Clarkston, Michigan

We have examined the balance sheets of the General Fund, Debt Retirement Fund, and the Building and Site Fund of

CLARKSTON COMMUNITY SCHOOLS

and the Northwest Oakland County Vocational Center, as of June 30, 1971, and the related statements of revenues and expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The statements have been prepared, as in prior years, on the "modified accrual basis of accounting". Under this method, generally, revenues are recognized at the time they become receivable and expenditures are recognized when incurred. An exception to this rule is the purchase of transportation equipment, the cost of which is not recognized as an expenditure until payment is made; when transportation equipment is acquired on contract, only the current payments are recognized as expenditures during the year. Also, on the modified accrual basis, inventories on hand at June 30, and the related accounts payable for supplies applicable to the following year are not reflected in the balance sheet.

Our examination did not extend to the child accounting records of the school system. However, State school aid payments which are based on such records were confirmed by us directly with the State authorities. We also inspected a letter from the County superintendent of schools which stated that the child accounting records had been audited during the period and found to be correct and to comply with the laws of the State of Michigan.

In our opinion, the accompanying balance sheets and statements of revenues and expenditures present fairly the financial position of Clarkston Community Schools at June 30, 1971 and the results of its operations for the year then ended, in conformity with accounting practices generally followed by Michigan school districts as set forth in Bulletin 1022 issued by the Michigan Department of Public Instruction, applied on a basis consistent with that of the preceding year.

Signed, JAMES F. MOORE & COMPANY

Five homes set for house tour

A house tour is being planned by the Clarkston Community Women's Club.

Five homes in the area will be open for public inspection from 2 'til 5 p.m. on Sunday, October 24.

Style and decoration will be varied in the homes selected by the committee. The homes belong to Mr. and Mrs. E. Nelson Kimball on Main Street, Mr. and

Mrs. Vincent Bronsing on Thendara, Mr. and Mrs. Dale Hill on Scenic Drive and Mr. and Mrs. Jack Land on Allen Road. Tickets at \$2 can be purchased at the Bob White Real Estate Office on M-15 or at the Clarkston News office on Main Street. Address requests to P.O. Box 321, Clarkston, call 625-5030 or contact any member of the Women's Club.

Briefly told

There will be no more reading of minutes of previous meetings at Independence Township Board meetings. Supervisor Gary Stonerock recommended dispensing with this along with reading of written communications, except when it's something pertinent.

Now if they can just table a few more

items a little quicker, the meetings can be adjourned at 10 p.m.—like the last one.

At their last meeting the Township Board recognized Sweetest Day (October 16), which prompted treasurer Ken Johnson to say, "I wish we had our meetings on one of those days."

CORRECTION NOTICE OF PUBLIC HEARING

Notice is hereby given that a Public Hearing on the Independence Township Budget for the fiscal year 1971-72 will be held in conjunction with the regular Township Board meeting on October 19, 1971.

Howard Altman
Independence Township Clerk

SYNOPSIS

Independence Township Board Meeting September 21, 1971

The Township Board was given notice that October 1, 1971, was the scheduled employee union election.

By resolution, the County Road Commission will be asked to permit certain variances in road and street construction for development within the Township.

The Board rejected the continuing of an intra-county drain project under Chapter No. 20 of the Drain Code — the area considered was Clarkston Estates Sub. No. 2.

Blacktopping bids for the library parking lot (\$7,862.50 + 7200.00) were received — Purchase of \$20,000 in time certificates from the Water Revenue Account was approved and minor repairs to the Fire Station 320 were approved.

The Clarkston (Mich.) News Thurs., Sept. 30, 1971 - 19 Village Council, Village of Clarkston Minutes of Regular Meeting September 14, 1971

Meeting called to order by President Johnston.

Roll: Present — Basinger, Irwin, Weiss, Tower, Jones.

Minutes of the last meeting were read and approved.

Moved by Trustee Basinger that the following bills be paid:

Police Department	618.54
Publications	81.75
Village Hall Maintenance	22.50
Municipal Services	196.54
Village Hall Insurance	259.00
Office Equipment Repair	44.50
Administrative Salaries	250.00
Bronner Displays	811.53

Seconded by Trustee Jones. Roll: Jones, yea; Basinger, yea; Irwin, yea; Weiss, yea; Tower, yea. Yeas 5. Nays 0. Motion carried.

The financial statement through August 31 was presented and the Clerk was instructed to furnish the Council a six-month statement through September 30.

Mr. Tudor ApMadoc was present to request a zoning deviation for property on Main Street. The Council instructed Mr. ApMadoc to submit his request to the Chairman of the Zoning Board of Appeals.

The Village Attorney recommended to the Village that the Council remain neutral with regards to the question of zoning violation by Mr. Harold Goyette (letter on file) until this question is determined by the Circuit Court.

Moved by Trustee Tower, that the Village of Clarkston give no consideration to the request for reimbursement by the attorney for Donald Cooper with regards to vacating a portion of Buffalo Street and legal fees involved. Seconded by Trustee Basinger. Roll: Jones, nay; Basinger, yea; Irwin, yea; Weiss, nay; Tower, yea. Yeas 3, Nays 2. Motion carried.

Moved by Tower that the following ordinance be adopted:

Ordinance No. 65

The Village of Clarkston ordains that the Independence Township Building Code, being Ordinance No. 5.A and any amendments thereto, be and the same is hereby adopted by reference and shall be Ordinance No. 65, Village of Clarkston, Building Code.

Printed copies of the Code are available for inspection by and distribution to the public at all times by the Clerk for the Village of Clarkston, South Main Street, Clarkston, Michigan.

The purpose of said Code is to establish regulations in regards to building construction in the Village of Clarkston.

All ordinances or parts of ordinances in conflict with the aforesaid Building Code are hereby repealed to the extent that it is necessary to give this ordinance full force and effect.

This ordinance shall become effective on October 9, 1971.

Passed and adopted at a Regular Meeting of the Village Council, September 14, 1971.

Seconded by Trustee Basinger. Motion carried.

Moved by Trustee Tower that the following ordinance be adopted:

Ordinance No. 66

The Village of Clarkston ordains that the Uniform Electrical Rules of the National Electrical Code of 1971 and any amendments thereto, be and the same is hereby adopted by reference and shall be Ordinance No. 66, Village of Clarkston Electrical Code.

Printed copies of the Code are available for inspection by and distribution to the public at all times by the Clerk for the Village of Clarkston, South Main Street, Clarkston, Michigan.

The purpose of said code is to establish regulations in regards to electrical installations in the Village of Clarkston.

All ordinances or parts of ordinances in conflict with the aforesaid electrical code are hereby repealed to the extent that it is necessary to give this ordinance full force and effect. This Ordinance shall become effective on October 9, 1971.

Passed and adopted at a Regular Meeting of the Village Council, September 14, 1971.

Seconded by Trustee Irwin. Motion carried.

Moved by Trustee Tower, that the following ordinance be adopted:

Ordinance No. 67

The Village of Clarkston ordains that the State of Michigan Motor Vehicle Code and any amendments thereto, be and the same is hereby adopted by reference and shall be Ordinance No. 67, Village of Clarkston Motor Vehicle Code.

The purpose of said code is to establish regulations in regards to Motor Vehicle operation in the Village of Clarkston.

All ordinances or parts of ordinances in conflict with the aforesaid Motor Vehicle Code are hereby repealed to the extent that it is necessary to give this Ordinance full force and effect. This ordinance shall become effective on October 9, 1971.

Passed and adopted at a Regular Meeting of the Village Council, September 14, 1971.

Seconded by Trustee Basinger. Motion carried.

Mr. Fred Falls of the Oakland County Planning Commission discussed with the Village Council the structure and organization of the Planning Commission along with its philosophies and objectives. The "Partners in Planning" theme was discussed and the Council agreed to cooperate with the Commission. Mr. Falls was informed that the Council would formalize any requests for assistance by letter and the council would be receptive to any communications from the Commission with regards to planning.

The subject of painting the Village Hall was tabled pending receipt of additional bids.

Trustee Basinger reported on the County program for the Emergency Unemployment Act. It was reported that this program will be funded for two years, one year through the County with possibilities of amendments in the second year's funding.

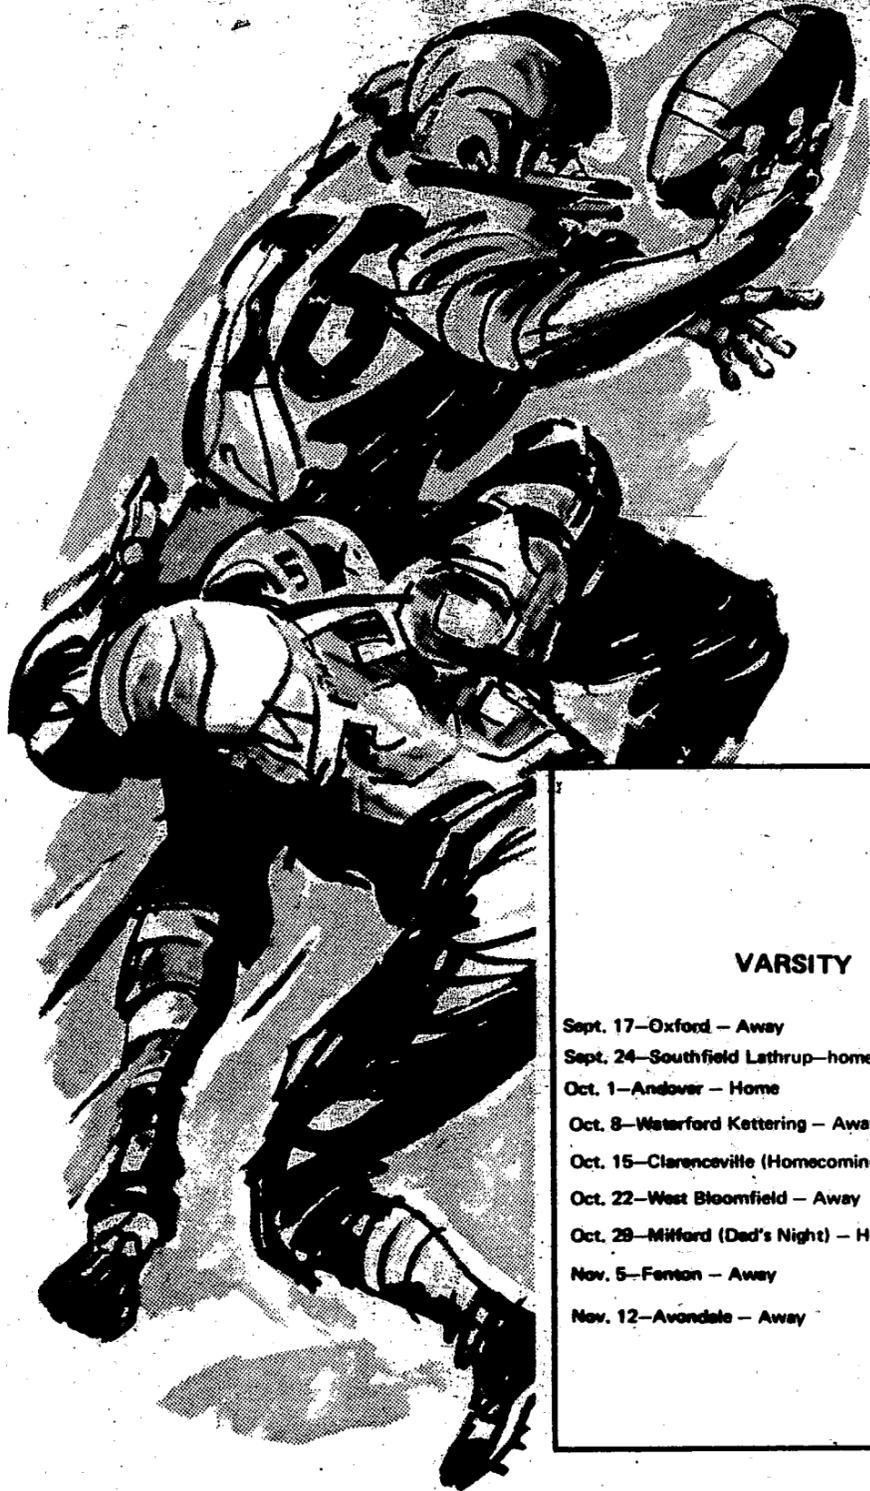

Moved by Trustee Tower, that the resignation of Trustee Irwin be accepted with regrets. Seconded by Trustee Jones. Motion carried.

Moved by Trustee Tower, that Mr. Donald Auten be appointed to fill the vacancy created by Mr. Johnston's appointment as Council President. Seconded by Trustee Jones. Motion carried.

Meeting called adjourned by President Johnston.
