Vol. 48 - No. 52 Thurs., Aug. 24, 1972 Clarkston, Mich. 48016

NOW 15c

Every move a picture

Peacefully, quietly, serenely a sailboat cruises Deer Lake. On a bright sunny day every sailboat makes a pretty picture. About 40 of them will be sailing in the Labor Day Regatta on Deer Lake. It will follow the parade by 30 minutes. It's one of several activities planned for Clarkston that weekend.

Jim's Jottings

By Jim Sherman

Has red, white and blue ever been more popular than it is today? How could it be? and, why shouldn't it be?

There is nothing prettier than this combination of colors whether it be in our flag or socks.

A retired newspaper man from the other side of the state, Louis Berman, told me recently how fellow townsmen in Whitehall accused him of slanting news.

Finally, he would tell his critics, "I'm only printing God's side, the side I'm most familiar with."

My, how the talk of new stadiums in Pontiac and Detroit have died down since the Supreme Court ruled public funds could not be used for the projects.

It doesn't leave much doubt as to who the promoters were expecting to pay for their money maker does it?

With a stadium an hour away in Ann Arbor that seats 100,101 it's kind of silly to put one up in Pontiac that seats half that many.

And, Tiger stadium still looks pretty good to me. Even better when I remember my tax dollars were being considered for building a Fetzer house. Nederlander didn't ask us to build Pine Knob Music Theater.

I understand english teachers in another area are thinking of buying blazers with a crest on the pocket, and the words "teaching staff" printed on it in the school colors.

No reason the practice should be restricted to coaches, I guess.

Let's back up to Nederlander for a moment. Joey, your planners might have made a mistake in layout of restroom facilities at the Pine Knob Theater... or you have French planners... or strictly male-considerate planners.

I haven't been there, but my son tells me the boys outlet is several yards closer to the action than the one provided for gals.

Apparently, the gals capacity is no greater than boys, hence the closer facility is now a joint station of relief.

He reported a dozen girls waiting in line for the stalls, while the trenchmen turned their backs.

No one seems to be objecting, and I'm not either, just pointing out that you might be able to exchange your 'his' and 'hers' signs for one that reads 'right on'.

Pine Knob Theatre donated to Clarkston Jaycees for day

Pine Knob Music Theatre will belong to the Clarkston Area Jaycees for one day next month.

Sept 10 from 1 to 3 p.m. Bob Nederlander has agreed to donate the facility to the local club to raise money for community projects.

Nederlander, owner of the Music Theatre, made the offer through Jim Miller of Clarkston, who is supervisor of traffic and parking at the resort.

The only stipulation is that profits go for helpful activities in Independence Township.

Ron Rule, Jaycee chairman of the

event, says they will call it "Family Fun Festival" with the entire show having a family entertainment theme.

Present plans call for the facility being used for displaying local talent plus having the ski resort band, the Sam Loccrichio instrumental group.

Area Jaycees will be working the show and grounds with the help of some regular workers who are volunteering their time.

Tickets will be \$2.00 with everyone over 3-years-old needing a pass. Tickets will be available at the box office only.

Radio controlled planes zoom

over Clarkston field

You may think flying model planes is kids play, but not if you were at the corner of Clarkston road and Flemmings Lake Road Saturday or Sunday.

It's not kids play to run a model plane by radio waves over 100 miles per hour, doing loop-di-loops, inverted spins and over 15 other maneuvers.

This weekend the Pontiac Model Airplane Club hosted their third annual meet and attracted model plane enthusiasts from throughout the eastern half of the United States.

The past 2 years the Pontiac group, which has 125 members, several from Clarkston, had their show at the Pontiac Mall. They leased the Clarkston field this year and were pleased with the choice.

Roy Pinner of Waterford is president of the Pontiac Club and was chairman of the event. Sterling Smith of Clarkston was assistant contest director. He was also a judge.

Contestants participate in 3 categories, A, B, and C Patterns, each being more difficult than the other, requiring more difficult maneuvers for their planes.

Pinner said the average plane will cost about \$600, but beginners can get going with a \$50 investment. Planes weigh 6 to 8 pounds.

Planes in the higher class, run by experts, had engines that generated 1½ hp, turn 12,000 rpm's and fly 110 mph. They burn alcohol, nitromethane and castor oil. The latter is for lubrication.

The planes are as varied as their owners. Some have retractable landing gears, there are bomber styles, 4-engine units, tri-wheeled, etc.

Contestants are judged on a point system for each maneuver. A few of the maneuvers are: 3 inside loops, each exactly over the other, a figure 8, 3 horizontal rolls, 3 turn spin, figure M, slow roll, a double Immelman, and more.

Pinner said the model plane owners would put their craft through more maneuvers than conventional pilots ever could their planes.

While talking to the press, the Pontiac Club president put in a plug for members. He said they meet the first and third Wednesday in the Detroit Piper Cub

It'll do 110—Radio controlled model planes competed in Clarkston this weekend. They came from all over the U.S., east of the Mississippi. Paul A. Schmitz of Monroe holds his for the camera. It weighs 7½ lbs., burns alcohol, nitromethane and castor oil, has 1½-hp, turns 12,000 rpm's, and will do 110 mph. and has a retractable landing gear. Roy Pinner, of Waterford, and president of the contest sponsoring Pontiac Model Airplane Club, is with Schmitz.

building at Pontiac airport and welcome new members. That's at 7:30.

This weekend's meet was sanctioned by the Academy of Model Aeronautics, which has 50,000 members,

Teachers-board continue talks

Both sides in the teacher-school board negotiations agreed some progress was made at their meeting Tuesday night.

wanting to keep abreast of negotiations. Called the "hot line," the number is 625-3934.

George White, negotiator for the Clarkston Education Association, termed the progress "slight," while a spokesman for the administration said the progress was "good" and they met until midnight.

Requests denied

White said he was personally upset that the administration did not offer more during the session.

Owners of 2 lots in Woodhull Lake Subdivision were denied a variance from the zoning ordinance that would have allowed them to build on 4,000 sq. ft. lots.

The next bargaining will start at 10 a.m. Monday, eight days before the teachers are to report for work.

The Board of Appeals Monday night recommended that the property owners try to buy adjoining lots that would double the size of the proposed building lots.

White repeated the phone number offered a couple weeks ago for those

The Independence ordinance calls for a minimum lot size of 15,000 sq. ft.

Judge Sterling Smith, foreground, of Clarkston, keeps an eye on a plane's landing while clicking off points with his right hand. The points are electronically tabulated on a machine in the official's tent. Judges have to attend a 2-week school to qualify. A second judge sits with Smith, the plane controller has the radio box in his hands and the man behind calls the maneuver schedule.

Letters to the Editor

Asks youth to do good job

To the editor:

Prior to the election I wrote you asking your support in my candidacy for Independence Township trustee. I wish to thank all those who did vote for me, and also those who did NOT, as they have relieved me of a great burden.

In every election there must be losers and I feel proud to have been in the battle. It was a good clean fight. I feel sure we can have confidence in the winner.

It would appear that our next board will be made up of young, vigorous men with many years yet to live in our

township.

It is my hope and trust that having to live in the house they build will encourage them to do a good job. Whether they be Democrats, Republicans or Independents they should first be citizens of Independence.

As this year ends, my civic life will also come to a close. My thought now is to wish the young men who follow me the same happiness and feeling of fulfillment that I have had for neigh onto 18 years past.

Sincerely yours,
Joe Rhoades

Girl Scouts get to cuddle raccoons on week Ohio trip

Cadette Girl Scout Troop 733 of Sashabaw Service Unit spent the week of August 5 - 12 camping and backpacking in Hocking State Forest in Southeastern Ohio.

The ten girls set up a base camp at Old Man's Cave Campground and from there visited other areas of the Forest including the historical Old Man's Cave gorge with its Upper and Lower Falls, Ash Cave, Cedar Falls, Conkle's Hollow and Rock House.

The Troop participated in the nature and history programs offered at the park. Four girls received the Ohio of State Naturalist Aide patch.

Six girls backpacked the rugged and overgrown Gulf Trail along Queer Creek to Cedar Falls and later in the week took an overnite hike on a section of the Buckeye Trail, which is a part of the National Trails System. Those girls will receive a Buckeye Trail patch.

The Park Naturalist, Rick Bantz, contributed special times beyond his busy park schedule taking the girls on a two-hour night hike without flashlights and sharing evening campfires with stories of the geology and natural history of the area.

He highlighted the last evening in the "Hocking Hills" by bringing two young raccoons to be played with, fed and cuddled to sleep.

The girls who went on the memorable trip were Wendi Raciot, Michelle Sargent, Autumn Matlock, Debbie Weber, Kathy Watson, Denise Kloc, Lori Gardiner, Dawn Funck, Kay Eisenhardt and Carla Bell.

The troop was chaperoned by Leaders Mrs. Lowe and Mrs. Weber, their husbands, James J. Lowe and Mervin Weber and Mrs. George Kloc. The Webers' son, Bryan, and Mrs. Kloc's son, Robert, also enjoyed the weeklong trip.

Cats are for testing

By Jim Fitzgerald

Dear Ann Landers:

Boy, now you've really done it. The headline on your column the other day said: "People Who Don't Like Cats Can't Be Trusted."

Geez, Ann. Have you ever bit your toast and discovered a hunk of newspaper between the butter and the bread? (Your picture looks better greasy.) Have you ever driven to work hunched over, so you can see below the newspaper column pasted to your windshield?

So I got the message. Some clown in Tucson wrote you such incredible things as: "People who don't like cats are invariably mean, vicious and underhanded. . . I have never met a cat hater who wasn't a scoundrel."

And this: "We can learn much

from these scrupulously clean, unflinchingly dignified creatures. The ancient Egyptians were the wisest of all. Anyone who hated a cat was put to death."

Such rot.

Cats are good for nothing, Ann, except testing legends.

One legend is that cats always land on their feet. The only way to test this is to take a cat to a roof and throw it off.

Another legend is that cats have 9 lives. This should be tested whenever the opportunity presents itself, especially on highways. The thing to do is carve an X on a cat you think is dead. If you see X sneaking around again the next day, you know it needs at least one more test, maybe eight.

The thing that gets me most about cats, Ann, is they are so

dumb. There have been 2 cats living in our house for over 2 years. They know I hate them because I'm always testing them. But still those stupid cats will jump on my lap when I am reading or snoozing. This disturbs me no end, and I always heave the cats at the farthest wall. You'd think they'd learn to steer clear of me. But not those dumbos. The next day they'll land on me again, and I'll heave 'em again.

Only houseflies are as dumb as cats.

The Tucson clown said cats are "unflinchingly dignified." Wow, Ann. Cats flop around the house all day and lick themselves in unlikely spots. This is dignified?

The clown also says cat haters are vicious and underhanded. Yes, but only when we are crossed by cats, and then not

always. I sometimes throw small cats overhand.

It is just as easy to generalize about cat lovers, Ann. They are always people who love Doris Day, go to bed early, and talk baby-talk to everyone under 15 years old. Cat lovers can also be identified by the terrible smell of 1 room in their homes. The door can't be shut. This is the cat's bathroom.

You are probably puzzled, Ann. If I hate cats so much, why do I allow 2 of them to live under my dinner table? It's the same old answer: If I don't do as I'm told, my wife won't let me be boss of the house anymore.

Besides, we were introduced by an archeologist who said he dug her. I'm sure I married an ancient Egyptian.

— Onward and Upward

Property owner ordered to remove equipment

The Independence Township Zoning Ordinance has withstood another test in court ... at least a portion of it has.

This case was the township vs. Paul Eghigian who owns and operates a gravel operation and stone sale outlet on Sashabaw, corner of Walton.

Specifically included were Eghigian and 2 of his companies, American Stone Products and Continental Tool and Machine Co.

Circuit Court Judge Clark Adams heard the case and made his decision last week.

Eghigian has been restricted to do certain things through a previous court judgement. The township felt he violated these restrictions and asked the court to hold him in contempt.

Adams found Eghigian not guilty of contempt.

He said the sale of limestone on the property and the sale of some equipment on the property did not violate the zoning

ordinance, but was a part of normal operations.

The judges did, however, say Eghigian violated the ordinance by storing heavy equipment on the property which was not being used in his operation.

Adams ruled that the sale of limestone could be continued, and "that the defendants may maintain such equipment on the property as is necessary or expedient to operate the sand and gravel enterprise, but that the keeping on the premises of equipment which is not being used in the sand and gravel enterprise shall be enjoined and such equipment shall be removed."

Eghigian was also stopped from selling or buying equipment on the premises, and he must keep his equipment 300 feet from the road.

Adams held that no costs be awarded to either party since neither prevailed.

Indicted by grand jury

An Independence Township man was among five persons indicted last week by the citizens grand jury in connection with a major auto theft ring operating in Oakland County.

Albert Tibbitts, 26, of 6290 Crabapple is accused with the others of conspiracy to possess a stolen motor vehicle and conspiracy to receive and conceal stolen property worth more than \$100.

According to Oakland County prosecutor Thomas Plunkett the ring would steal cars then legally buy wrecked vehicles of similar description. Then identification plates would be transferred.

Cars were disposed of through auctions in Detroit and Flint.

The Oakland County Sheriff's Dept. Federal Bureau of Investigation and the National Automobile Theft Bureau have been investigating the theft ring for 4 months the prosecutor said.

All makes and models of cars were involved in the \$100,000 theft ring. They operated elsewhere in Michigan as well as Oakland.

The prosecutor said 31 cars worth an estimated \$75,000 were recovered and 24 more located.

Indicted last week with the local man were his father, Ross, 50, of Royal Oak, Margaret Kizer, 22, Keego Harbor, Richard Kolar, 21, and Patrick Flannigan, 41, both of Detroit.

The grand jury had previously indicted five others on the same charges. All 10 are accused as being part of the theft ring. The bond on the last 5 was set at \$5,000.

Family day

The Waterford-Drayton Rotary Club and the Drayton Plains Nature Center are co-sponsoring a family fun program for the benefit of the Nature Center.

The program will be held on the grounds of the Drayton Plains Nature Center, 4490 Hatchery Road (former DNR fishing station), September 3. In case of rain, it will be held September 4.

There will be a chicken barbecue at \$2.50 per adult and \$1.50 per child under 10 years old. Dessert will be extra.

There will be an art show along with games, prizes, and tours of the nature center, which boasts the largest Green Heron rookery in Michigan.

Local clubs invited to attend telethon

Representatives of clubs and civic organizations in Clarkston and Independence Township are being invited to appear in person on locally televised segments of the 1972 Jerry Lewis Telethon for Muscular Dystrophy.

The 20 hour, star-studded show, emanating live from New York, will be carried locally by WKBD-TV, Channel 50, on September 3 and 4.

WKBD will "cut away" from the Lewis show for ten minutes each hour to feature local club leaders making "on camera" contributions to MD patients at Channel 50's special "remote" location at the Michigan State Fairgrounds.

A special brochure "Put Yourself in the Picture" is available, free of charge, to local clubs and organizations wishing to

appear on the Telethon. Brochures may be obtained by calling 399-8800, or writing Jerry Lewis Telethon, 400 West Marshall, Ferndale, Michigan 48220.

Did you know that water can make a planing job smoother and easier? Large, flat hardwood surfaces are sometimes very difficult to plane smooth. If you dampen the surface before planing with clear water, the water will make the grain of the wood stand up and will make your planer run more smoothly and evenly particularly if it has just been sharpened. Shelves and tabletops will look professional this way.

For professional advice and quality materials, make BOB'S HARDWARE, 60 S. Main St., 625-5020 your homeowner headquarters. We carry a complete selection of all types of paint and wallpaper and will be happy to come to your home to aid you in selecting the proper color and texture of paint or wallpaper. We also feature a wide variety of plumbing and electrical supplies. Open: 8-6, Mon. - Sat.

TENNIS TOURNEY WINNERS — Kneeling left, Mike Foote and Brian Bissell. Bissell beat Foote for the championship of mens singles. The 2 boys standing, far left and far right, were runners up in the mens doubles match. Second from the left, Nancy Foster, won the girls under 15 match. She beat the girl next to her, Tam Campbell.

Dan Rollman, right, won the 15 and under boys singles crown. One of those defeated was Barry Adams, left.

List tennis champs, talk of year around program

Finals were Friday for the Independence Township Recreation Department sponsored tennis tourney.

There were four categories, though director of the tennis program, Dick Swartout, said they tried for 5. The one omitted was the over 30-years mens doubles bracket.

Only 2 men entered. They were put in the over 16 age group and won it. They are Bob Brumback and Rich Johnston. Runners up were Jeff Breckenridge and Chris Coulter.

Dan Rollman won the boys under 15

singles match and Mike Kelly was second.

Nancy Foster won the girls under 15 singles event and Tam Campbell was next.

The mens' singles champion is Brian Bissell and Mike Foote was runner up.

Recreation director Tim Doyle said 32 participated in the tournament.

He also said his department was considering starting a year around tennis club. Under this approach an annual fee would be paid that would provide lessons and tourneys.

He is awaiting information from other clubs before finalizing his plans.

Art show at Antique Villiage

More than 65 Michigan artists will again exhibit their paintings and crafts at the Fifth Annual Art Show at Keatington's Antique Village on Joslyn Road, August 26 & 27.

Paintings in oil, water, acrylic and

charcoals will be shown. Crafts include silversmithing, metal and terra cotta sculpture, weaving, pottery, china painting, plus work in stained glass, enamel on copper and wood carving. Many artists will demonstrate their talents, including portrait painters.

OXFORD

School starts Sept. 6

School opening news and notes

There's less than 2 weeks to go before the opening day of school.

As that day, September 6, draws near, interest is growing in what changes have been made within the Clarkston Community School District over the summer.

Too, parents and students are interested in knowing what programs are being initiated or continued in the various schools. Following is a paragraph on a variety of school-opening related items. Administrative assistant Milford Mason provided the details.

Here's a rundown on the administrative personnel changes:

Mel LeRoy Vaara to Central Office as curriculum coordinator, previously announced in the news.

Bill Potvin formerly assistant principal to principal of Clarkston Junior High School.

Gus Birtsas formerly assistant principal to principal of Sashabaw Junior High School.

Duane Lewis counselor at Sashabaw Junior High to assistant principal of Clarkston Junior High.

John Kirchgessner science teacher to assistant principal at Sashabaw Junior High.

Jack Hayden speech therapist to principal of South Sashabaw Elementary School.

Robert Brumback will now devote full time to directing the special services program.

Elementary school boundary lines were changed to better accommodate the children in these schools. The change in boundaries will bend to lessen the class load in some rooms as well as alleviate the long bus trip for some students.

Fourth Friday enrollment for Clarkston Schools last year was 6,891, and as of August 15 approximately 6,992 students are enrolled.

Clarkston Senior High will follow a similar curricular program as last year, which provides a selection of 225 courses in 9-week segments.

Both Junior High Schools will offer the same curriculum as last year with greater emphasis on 9-week mini-classes in the areas of English and Science. Both schools will place particular emphasis on a strong Reading Readiness Program.

Clarkston Junior High has an active cooperative program with the Clarkston Elementary School in the "Cross-Age Helper". This program involves 100 Junior High students who work on a one-to-one basis with the younger students.

The Board of Education has adopted the Revised 1971 Scott Foresman

Language Arts for K-3 for all elementary curriculum. The same curriculum will be used by all elementary schools with some having special emphasis on various projects.

Pine Knob Elementary school is developing an outdoor classroom. This term signifies the development of a nature area. There are two phases of this program, one of which is the development of a nature trail, the other of site beautification. Plans are to develop a large section of the nature trail and construct many teaching aides during the school year.

Students, teachers and parents have been working together on this project for the past year and a half. The P.T.A. is presently funding most of the development.

Bailey Lake Elementary School, 5th grade students selected four areas of high interest in Science-pollution, chemistry, physics and foods. The group utilized community, county and state personnel to supplement and highlight their study. One exciting element to the program in foods and nutrition study was the use of instructional television equipment in which students planned and produced a television show similar to the "Gallop Gourmet".

The experimental reading program in the North Sashabaw Elementary, 4th grade last year proved to be effective. Plans to expand this approach to other grades is under consideration.

Clarkston Elementary has been developing an on-going study in Progress Reporting to parents. The aim of the study is effective diagnosing problems of students at an early date with hopefully, an effective correction following the diagnosis. This school will continue with the "Cross-Age Program" in affiliation with the Clarkston Junior High School.

Andersonville Elementary will undertake a pilot program to provide a workable solution to the effective teaching of spelling. This school will continue in the teaching of I.T.A. (Initial Teaching Alphabet) in the reading program for the first grade. They also have a "Cross-Age" group in which upper elementary students assist lower grade students with reading difficulties. There also exists a very active teachers committee working on reading problems of children. An attempt is being made to solve these problems without increasing staff size, but simply as a committee working together.

Teachers will report for pre-school sessions on Tuesday, September 5th, and all student will commence classes on Wednesday, September 6th.

Lunch and mild programs will be in operation on September 6th. Prices will remain at 40c for elementary schools and 45c for secondary schools. Milk will be 3c

at all schools.

Buses will run on similar schedules as last year. Information relative to routes can be obtained by calling 625-3240.

Free and reduced meal policy

The Clarkston Community Schools today announced a free and reduced price meal policy for School District school children unable to pay the full price.

Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Total Family Size	Scale for Free Meals	Scale for Reduced Price Meals
	A.	B. C.
1	\$0 - 2450	\$2451 - 2770
2	0 - 3200	3201 - 3630
3	0 - 3960	3961 - 4490
4	0 - 4720	4721 - 5340
5	0 - 5420	5421 - 6140
6	0 - 6130	6131 - 6960
7	0 - 6760	6761 - 7640
8	0 - 7400	7401 - 8360
9	0 - 7970	7971 - 9000
10	0 - 8540	8541 - 9660
11	0 - 9120	9121 - 10300
12	0 - 9700	9701 - 10960
	575*	650*

*Each additional family member

Families falling within these scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price meals for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family, number of children attending school or preschool, and any unusual circumstances or hardships which affect the family's ability to pay for school meals. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

In order to safeguard their identity, children receiving free or reduced price meals will be treated in the same manner as full paying students.

Further assurance is given that children eligible for a free or reduced price meal shall not be required to:

- (1) Work for their meal.
- (2) Use a separate dining room.
- (3) Go through a separate serving line.
- (4) Enter a dining room or serving line through a separate entrance.
- (5) Eat meals at a different time.
- (6) Eat a different meal than those sold to children paying the full price of such a meal.

Under the provisions of the policy the Food Service Supervisor will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official he may make a request either orally or in writing for a hearing to appeal the decision. Milford Mason whose address is 6389 Clarkston Road, Clarkston, Michigan has been designated as the Hearing Official. Hearing procedures are outlined in the policy.

A complete copy of the policy is on file in each school and in the office of the Superintendent of Schools where it may be reviewed by any interested patron.

We urge you to have your child or children participate in the program since it is to their benefit to eat well-balanced meals each day.

Around the township

by Shanna Nadolsky

625-2837

Demian Joseph was born August 15 to John and Betsy Slade who are currently residing in Los Angeles, California. Demian weighed eight pounds one and one half ounces. Elated grandparents over their first grandson are the Archie Slade's of Waldon Road and Mrs. Joseph A. Stoll, Jr. of Baltimore, Maryland. John, a former Clarkston graduate, is free lancing in Hollywood involving himself with the film industry and some television commercial work.

August 3 was the date chosen by five pound two ounce Jason Andrew. Jason is

the son of Raymond and Robin Ott on Grafton Street in Lake Orion. Proud grandparents are Mr. and Mrs. Larry Ott of Cecelia Ann and Mrs. William Kickery of Sashabaw Road.

The Robert Vandermark's, the Jerry Bradley's, the Jim Brueck's, and the Mark Pankner's, all of Clarkston, attended the Michigan Jaycee summer state meeting in East Lansing last weekend. The event was hosted by the East Lansing-MSU Jaycees with all activities taking place on State's Campus.

Proud new parents are Lou and Karen Jaenichen of Dixie Highway. Dark haired, blue eyed Louisa Michelle arrived August 20, weighing eight pounds, two ounces. Grandparents anxious to dote over her are Mr. and Mrs. William C. Wooley of Hadley Road and Mr. Lou Jaenichen, Sr. (I think the IV is more accurate) also of Dixie Highway.

Bob and Barb Suran and children Mike 7 and Lisa 4 recently visited in and around Toronto, Canada with close friends Colin Thomson and his sister Joan.

After their return, they spent Sunday at the Waterford Sportsman Club to take part in the Archery Meet and feasted on the delicious barbequed ribs and chicken. Joining them were George and Shelly McClure and children Mike and Karen. Little Lisa Suran was selected to draw the winning raffle ticket winners for a boat and television which really made her day.

Following the excitement of the Canadian trip and Sunday's festivities, the Suran's enjoyed a picnic dinner Monday night at Mr. and Mrs. John B. Meyers home in Roseville Park with Barb's twin sister and family of Bloomfield Hills.

Time to rehearse for Labor Day parade

The Clarkston High School Band will begin morning rehearsals for the Labor Day parade August 28 at 10 a.m. at Clarkston High School.

"If you will be using a school

instrument, please arrive early to have an instrument issued to you," said Keith J. Sipos, band director.

Rehearsals will last until 12:30 p.m.

Expect 100 horse for 30 mile trail ride

Competitive trail riding is a sport among horseback riders and the Dixie Saddle Club of Clarkston is working at stimulating interest in it.

September 24 they will host their 3rd annual meet, and they have already attracted entries from New York, Ontario, New Jersey and throughout the midwest.

Axel Girschner, 8620 Pine Knob Road, is co-chairman of the contest with Trevor Wingfield, 12945 Rattalee Lake Road, Davisburg. They have set Sept 10 as the deadline for mailing entries to the secretary, Mrs. Georgia Bethea, 8380 Pine Knob Road, Clarkston, 48016.

Girschner said the course will be 30

miles this year over an area on and around the Flying 'M' Ranch, 5813 Honert Road, Ortonville. Hornert runs north off State Park Road. The ride will begin at 7 a.m.

Last year 76 competitors took to the trail according to Girschner, and this year they are making accommodations for 100.

He said this race is a true "test of a horse's condition and training and the driver's skill."

There are 4 award classes. Lightweight, up to 155 pounds; middleweight, 156-190 pounds; heavyweight, 191 pounds and over; junior, riders up to and including 15 years. There will be special awards from associations.

Regatta draws 40

The ninth annual Labor Day sailboat race will be on Deer Lake again this year. It will start about 30 minutes after the parade ends . . . "providing we have some wind", chairman Everett MacDougall added.

All small boats, Sunfish, etc, will start at MacDougalls. The larger boats will start at the beach end of the lake.

There will be 5 prizes donated by the Deer Lake Property Association. Three prizes will be awarded to the first 3 small boats, and the others to the first 2 larger boats to cross the finish line.

The Deer Lake Sail Club will also have prizes plus the big trophy for the boat

and crew who finish highest in the 3 best races of the season, Memorial Day, July 4th and Labor Day.

This race is open to all classes and there is no entry fee." Last year we had 26 boats", MacDougall said, "and we will have over 40 this year so it could be an interesting colorful race."

The route will be very similar to last year. Sailboats start at different spots, but there will be only one finish line for all. It'll be once around the course, but all boats must navigate through Whisker islands in a figure 8 to complete the race.

Judges are Ed Farrell and Bob White. The sailing committee is Brooks Bennett, Vince Luzi and MacDougall.

Thanks...

To the citizens and voters of Independence Township for supporting my candidacy for Township Supervisor.

Bob Vandermark

Spiritual Message

CHOICES

"... Choose this day whom you will serve."

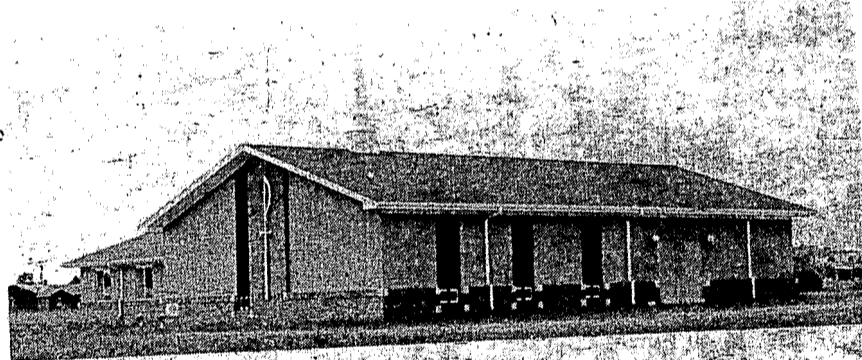

-Joshua 24:15

Did you ever get the feeling when you go into a beautiful super market that "big brother" was looking over your shoulder to see what you choose to buy? Will you stick to the list you brought with you or will you impulsively pick up

something from an attractive display? The psychology behind these choices is all research by the advertising and food industries to take advantage of all the possibilities in favor of an extra choice. This is true of merchandising of every kind from cars to carrots.

Some of the same problems face us in this election year from choosing township trustees and school board members to national nominees for the office of president.

Do we make choices on the basis of impulse affected by looks or sympathy or do we take time to check past record of performance or present promise of intention? How many times have we gone into that election booth unprepared for reasonable choice or how many times have we neglected to go because we were baffled by the confusion we expected to find there?

SASHABAW UNITED PRESBYTERIAN CHURCH

Mark H. Caldwell, Pastor

Both as citizens in a democracy and as people of faith in local churches we ought to do some homework in making choices so that they are based on positive, forward-looking expectations for the general welfare, rather than

only on fear or protective exclusion or special privilege for us as individuals. These human choices are contingent on that overarching choice we make about the God of the universe whom we claim to serve.

Howe's Lanes coached by Bob Pearson and Bill Foster are the Clarkston Midget League champions with a 11 win and no loss record and also won the Michigan State district championship. The district game was held in Waterford, defeating the Waterford representative team 2-1.

CAP simulates search missions

Civil Air Patrol personnel from units in southeastern Michigan operated from the Michigan Wing Headquarters at Grosse Ile Municipal Airport August 12-13 in the 1972 CAP Search & Rescue Evaluation

Test. "Island Base" was one of the three bases used in the weekend exercises, designed to assess the ability of CAP to search for and rescue downed pilots, when a mission is authorized by the United States Air Force Aerospace Rescue & Recovery Centers.

Four simulated search problems were assigned to the CAP members:

- * A Cessna 172 with 3 persons aboard

that left Grand Rapids at 7:00 P.M. August 2nd bound for Charlevoix.

- * A Cherokee 260 that left Jackson at 5:15 August 2nd bound for Pontiac with 3 persons aboard.

- * A student pilot flying a Cherokee 140 on a round trip training flight from Flint to Port Huron.

- * Two persons aboard a Piper Tri-Pacer that departed Monroe at 10:00 P.M. August 2 bound for Frankfort.

Captain Gerald Lawrence CAP, Commander of Clarkston Composite Squadron CAP, served as the Base Mission Coordinator, dispatching the available aircraft and land rescue teams in radio-equipped vehicles to search the lines of proposed flight in areas that could be reached from the base.

Forty CAP members from Oakland County units reported to Grosse Ile to serve in some of the many positions that need to be filled in a search and rescue operation.

Did you notice that those summer television repeats aren't any better the second time around?

Behind the Counter
From Keith Hallman

Arthritis

One of the many puzzles about rheumatoid arthritis is the way it seems to come and go erratically, sometimes "disappearing" for months or years at a time. It really just goes into hiding, advises Dr. Ralph Wolpaw, of Cleveland.

He admits the experts have no explanation for these "spontaneous remissions," but much research is now focusing on this.

"I cannot emphasize too strongly that arthritis patients should remain under their doctor's care even during period of remission," he added. "A prescribed drug should not be stopped just because the symptoms disappear. It may be needed to keep the inflammation under control."

Dr. Wolpaw said no qualified or conscientious doctor would credit his treatment with "curing" the disease if the patient improved dramatically under his care. "He knows no cure has yet been found, and that remissions are seldom permanent."

But quacks and charlatans who exploit the misery of arthritis sufferers have no such qualms, when remissions occur while their treatments or devices are tried. That's one reason they continue to thrive, despite repeated warnings of the hazards of letting the disease go untreated.

Ice cream social for old mill museum

The "Old Mill" Museum in downtown Ortonville is expected to be a busy and happy place this Friday, between 5 and 8 P.M. There an old-fashioned ice cream social with plenty of home-made cakes and pies and free entertainment being sponsored by Ortonville Community Historical Society.

Rowena, traditional folk-singer from Oxford, will be the star performer. Rowena accompanies her singing with guitar, banjo, mountain dulcimer, and autoharp.

Real Estate HAPPENINGS

by Bob & Marvel White

Most leases are drawn up with definite rules as to whether or not subleasing is to be allowed. But subleasing, no matter what a nuisance it may seem to some landlords, is a real convenience in commercial leasing. If a businessman can no longer carry on his business in a certain area, he can move while he is still solvent and rent his space to another merchant who can try his luck. This makes certain that the landlord will always receive his rent!

BOB WHITE REAL ESTATE, 5856 S. Main St., 625-5821 handles all forms of real estate including commercial real estate, raw acreage and parcels of lands. Participants in the development of Waterford Hill, Clarkston Gardens, Clarkston Hills Estate, and Deer Lake Knolls, we have the know-how and experience to help you develop your land, no matter how large or how small. Open: 9-8, Mon.-Thur.; 9-6, Fri., Sat.; 12-5, Sun.

obituaries

Lydia Allen

Funeral services for Lydia A. Allen, 6221 Orion Road, Clarkston, were conducted Wednesday. She was 87 years old.

Born in Leonard, Mrs. Allen was widowed and living in Glenn Acres Nursing Home. She died Sunday.

She was a life member of the United Methodist Church of Clarkston and had lived in Oakland county all her life. She also belonged to the Royal Neighbors Clarkston Senior Citizens.

Surviving are her daughter, Mrs. Richard Snover of Clarkston, son, William Allen of Clarkston, 6 grandchildren and 8 great grandchildren.

Memorial services were from Sharpe-Goyette Funeral Home and burial in Lakeville Cemetery.

PVT CORONADO

Anthony Coronado

Private Sabino Anthony Coronado, 5360 Frankwell, Clarkston was buried here Saturday with full military honors.

Private Coronado died while with the U.S. Army in Fort Bliss, Texas. He was 20 years old.

The son of Mr. and Mrs. John Newbigging, Pvt. Coronado was a 1971 graduate of Clarkston High School.

Surviving besides his parents are his grandparents, Mr. and Mrs. John Newbigging Sr., of Pontiac, sisters Mrs. Mark Taylor of Clarkston, Mrs. Michael Morrison of Orchard Lake, and Mrs. William Whitaker of Lake Orion and brothers, Reyes Coronado of Drayton Plains, Robert of Pontiac, and Joseph Newbigging of Clarkston.

Pvt. Coronado was a member of Our Lady of the Lakes Catholic Church and Rosary service was at Sharpe-Goyette Funeral Home here Friday evening.

Funeral services were at Our Lady of Lakes and burial at Lakeview Cemetery.

Barbara Chamberlain

Memorial services for Mrs. Charles C. (Barbara E.) Chamberlain, 74, were conducted Friday from Clarkston United Methodist Church.

Mrs. Chamberlain lived at 6181 Middle Lake Road. She died August 15. She was a member of the Clarkston United Methodist Church and was a member of WSCS and Mary Circle.

Survivors include her husband, sons, B. F. Chamberlain of Lathrup Village and Calvin M. Chamberlain of Birmingham, 6 grandchildren, 2 great grandchildren, and 2 brothers, Bradley S. Miller of Clarkston and Clark J. Miller of Ortonville.

Funeral arrangements were made by Lewis E. Wint Funeral Home and burial was in Lakeview Cemetery.

MEN IN SERVICE

Aberdeen Proving Ground, Md. (AHINC) August 2 - Army Private Ronald H. Evely, 18, Son of Mr. and Mrs. Brian Evely, 5940 Pinehurst, Clarkston, Mich., recently completed a 7-week Recovery and Evacuation Specialist Course at the U.S. Army Ordnance Center and School, Aberdeen Proving Ground.

He learned to perform recovery and evacuation operations for abandoned, damaged, disabled and mired vehicles. He also was taught to operate light and medium track recovery vehicles, wrecker trucks and tank transporters.

Pvt. Evely entered the Army in March 1972 and was last stationed at Ft. Knox, Ky.

A Miami paper carried an ad for a lost, three-legged dog answering to the name of Tripod.

The Clarkston (Mich.) News Township of Independence Synopsis of Regular Meeting August 15, 1972

Present: Bullen, Glennie, Humbert, Johnson, Stonerock.
Mr. Howard Kieft of Kieft Engineering, on behalf of John Halveston, developer, asked that their request for Stage II sewer system in Cranberry Lake Subdivision be withdrawn temporarily. A large contingent of Cranberry Lake residents appeared to protest Stage II sewers in their Sub.

A delay of 120 days on the increase of water rate billings to customers in the township was decided until a further study can be made by the board.

Action on a water system ordinance was tabled until the Sept. 5 meeting. Amendment to section 4.2 of Ordinance No. 51, effective immediately, was passed. Also effective immediately is an amendment to section 13.1 (b) of Ordinance No. 51.

The Township Board strongly encouraged the members of the Board of Appeals to select their 3rd member (member at large) from an area of the township where the largest number of appeals come from.

Motion carried instructing the OC Prosecutor to investigate and prosecute the irregularities in regard to the Plat Act in the Deer Lake Knolls area.

Request for Class 'C' liquor license approved, located at 6722 Dixie Highway, Independence Township. Ayes: Bullen, Glennie, Johnson; Nay: Humbert, Stonerock.

Board approved a two way lot split in Supervisors Plat No. 6. Three way split requested originally was denied.

A split of lot 3 in Grandview Sub was approved subject to survey. Township bills approved for payment: General \$13,417.91; Payroll, \$42.32; Water \$6,677.13; Fire \$1,396.25; Police \$4,248.00.

Meeting adjourned until Tuesday, Aug. 22, at which time agenda will be continued.

J. Edwin Glennie
Clerk

AMENDMENT TO SECTION 4.2 OF ORDINANCE NO. 51

ADOPTED: August 15, 1972
EFFECTIVE IMMEDIATELY

2. Non Conforming Lots of Record. This sub-section applies to single family dwelling districts only and is intended to provide relief for the owners of non-conforming lots of record where said lot or lots in combination do not meet the minimum standards of this ordinance. It is not intended that this sub-section be used to permit construction of a dwelling on all non-conforming lots of record; it is recognized that some such lots are simply too small to permit the construction of an adequate dwelling, the storage of family automobiles, (in recognition of the fact that on street parking is not desirable) the maintenance of sufficient open space to permit fire protection, reasonable light and air, as well as room and view to permit and encourage property maintenance.

(a) No permit shall issue hereunder except as provided in sub-paragraph (c) below, except with approval of the Board of Appeals after public hearing in accordance with Section 13.1 (b) of this ordinance. The application to the Board of Appeals shall simply state, "Non-Conforming Lot of Record", and the Board of Appeals may grant such variances as are necessary to permit construction on such lot, subject to the following standards:

1. Permits shall not issue hereunder unless the construction that will result from the issuance of said permits will be in keeping with the general character of the neighborhood in which the construction will take place.
2. The Board of Appeals shall at all times consider and reconcile the interests of adjoining and nearby property owners.
3. Subject to the above, where the owner of a non-conforming lot of record cannot reasonably acquire sufficient land to enable him to conform to the requirements of this Ordinance relating to lot area, lot width, or both, such lot of record may be used by such owner as a building site, provided that, as required by the Board of Appeals, the other requirements of this Chapter are met, which requirements for the purpose of this section, shall be deemed to include reasonable provisions for automobile parking.

(b) For the purpose of maintaining building sites in compliance or near compliance with this Ordinance in those instances where the same owner has adjoining non-conforming lots of records, the following regulations shall apply:

1. Where two (2) abutting lots of record are held under one (1) ownership; and where one or both of these lots are non-conforming, they shall each be considered as a single lot of record and are subject to the provisions of Section 4.2 (c) of this Chapter, and no portion of said parcel shall be used or sold in a manner which diminishes compliance with lot width and area requirements established by this ordinance.
2. Where three (3) or more abutting lots of record are held under one (1) ownership, and where one or more of these lots are non-conforming, the lots shall be held and maintained in such a manner as to comply with the area and width provisions of this ordinance, and the provisions of this Chapter relating to lot area and lot width shall not be avoided by the sale or conveyance of any of or any portion of such lots of record.

(c) Notwithstanding the above provisions, the Building Department may issue a building permit in those instances where a non-conforming lot or combination of lots of record meets 80% of the minimum frontage, setback, or area requirements of this ordinance upon a determination that said 80% is in conformance with the general standard of the neighborhood.

(d) In no event shall the side yards be less than five (5) feet to permit fire equipment reasonable access and further to prevent the spreading of fire; the Board of Appeals shall not have the right to vary this provision.

Section 4.2 of Ordinance 51 as it existed prior to this amendment is repealed in its entirety.

This amendment was adopted by the Independence Township Board at a meeting held on August 15, 1972.

Ayes: Bullen, Glennie, Humbert, Johnson, Abstained: Stonerock.

J. Edwin Glennie
Clerk, Independence Township

AMENDMENT TO ORDINANCE NO. 51, Section 13.1(b)

ADOPTED: August 15, 1972
EFFECTIVE IMMEDIATELY

13.1. (b) The Board of Appeals shall fix a reasonable time for a hearing, not to exceed 30 days from the filing of the notice of appeal. Public notice shall be given of said hearing. Said notice shall be in conformance with Section 14 of Act 184 of the Public Acts of 1943, as amended (M.S.A. 5.2963 (14), Compiled Laws 1948, §125.284) except that publication shall not be necessary and if notice is by mail, an affidavit of mailing shall be filed with the Board of Appeals rather than with the Zoning Board. At the hearing, any party may appear in person or by agent or attorney.

Section 13.1 (b) of Ordinance 51 as it existed prior to this amendment is repealed in its entirety.

This amendment was adopted by the Independence Township at a meeting held on August 15, 1972.

Ayes: Bullen, Glennie, Humbert, Johnson, Stonerock.

J. Edwin Glennie
Clerk, Independence Township

The Johnny Cash Show starring Johnny Cash, and the Tennessee Three, plus June Carter, Carl Perkins, the Statler Brothers and the Carter Family will be appearing at the Pine Knob Music Theatre on Monday, August 28 at 8:30 P.M. Tickets for the Cash Concert are on sale now for \$7., and \$5. for reserved seats and \$3. for unreserved lawn seats. They are available at the Fisher Theatre Box Office, the Pine Knob Box Office, and all J. L. Hudson stores.

TWP. Adds lines

Michigan Bell's commercials are promoting dial direct calls, and so is Independence township to some extent. Three lines have been added in the expanded township offices. You can now call the building supt. Ken Delbridge at 625-8111, water and sewer system supt, Bill Wilson, 625-8222 and Tim Doyle at the recreation dept. 625-8223.

WW I picnic

Clinton Valley Barracks and Auxiliary held their August picnic recently at the home of Mr. and Mrs. John Landon on Oak Hill road.

Twenty four members and 6 guests sat down to the co-op dinner.

The September meeting will be held on the ninth at the Davisburg Town Hall with a pot luck dinner at 12 noon. All buddies, their wives and widows are invited to join the World War I group.

HARLIE ARNOLD, Plaintiff

vs.
MAUDE ARNOLD, Defendant.
Order To Answer
File No. 72-88347

On July 10, 1972, an action was filed by Harlie Arnold, Plaintiff, against Maude Arnold, Defendant, in this Court to obtain a Divorce from the bonds of matrimony.

It is hereby ordered that the Defendant, Maude Arnold shall answer or take such other action as may be permitted by law on or before October 27, 1972. Failure to comply with this order will result in a judgment by default against such Defendant for the relief demanded in the complaint filed in this Court.

James S. Thorburn
Circuit Judge.

DELOS C. HOOD and
AMIE A. HOOD, his wife, ORDER TO ANSWER
Plaintiffs

vs. Case No. 72 88857
WARREN D. NEJEDLO, VIOLET
N. BERSCH, VERNA N. HENDERSON,
the sole heirs-at-law of
ANNIE NEJEDLO, Deceased, or
any other unknown heirs,
devises, legatees or assigns
of Annie Nejedlo, Deceased,
Defendants

At a session of said Court held in the Court House in the City of Pontiac, Oakland County, Michigan, this 25th day of July, A.D. 1972.

PRESENT: THE HONORABLE WILLIAM
R. BEASLEY, Circuit Judge.

On the day of July, A.D. 1972 a Complaint to Quiet Title was filed by the above named plaintiffs, DELOS C. HOOD and AMIE A. HOOD, his wife and against the above named defendants, WARREN D. NEJEDLO, VIOLET N. BERSCH, VERNA N. HENDERSON, the sole heirs-at-law of ANNIE NEJEDLO, Deceased, or any other unknown heirs, devisees, legatees or assigns of Annie Nejedlo, Deceased, said Complaint to Quiet Title seeking a Decree of this Court that title of the following lands and premises described herein be decreed to be the plaintiffs', DELOS C. HOOD and AMIE A. HOOD in fee simple and the title to the same may be forever quieted by such decree, said property described as follows, to wit:

Lots 73, 74, 80 and 81 of "Supervisor's Plat No. 6", according to the plat thereof recorded in Liber 66 of Plats, Page 30, Oakland County Records, together with that portion of Westview Road shown upon the plat of said subdivision lying southerly of the northerly lines of Lots 74 and 80 extended to the center of said road. Subject to easements and restrictions of record, and the rights of others in and to that portion of Westview Road above described.

It further appearing to this Court that personal service cannot be made on any of the unknown heirs, devisees, legatees and assigns of Annie Nejedlo, therein, except for three of said heirs, WARREN D. NEJEDLO, VIOLET N. BERSCH, AND VERNA N. HENDERSON, and it further appearing that this is a civil action in which personal jurisdiction of said defendants is not required and the Court being fully satisfied and advised in the premises.

NOW, THEREFORE, IT IS HEREBY ORDERED AND ADJUDGED that the above named defendants, WARREN D. NEJEDLO, VIOLET N. BERSCH, VERNA N. HENDERSON, the sole heirs-at-law of ANNIE NEJEDLO, Deceased, or any other unknown heirs, devisees, legatees or assigns of Annie Nejedlo, Deceased shall answer in the above Court or take such action in this cause as be permitted by law on or before the 6th day of September A.D., 1972.

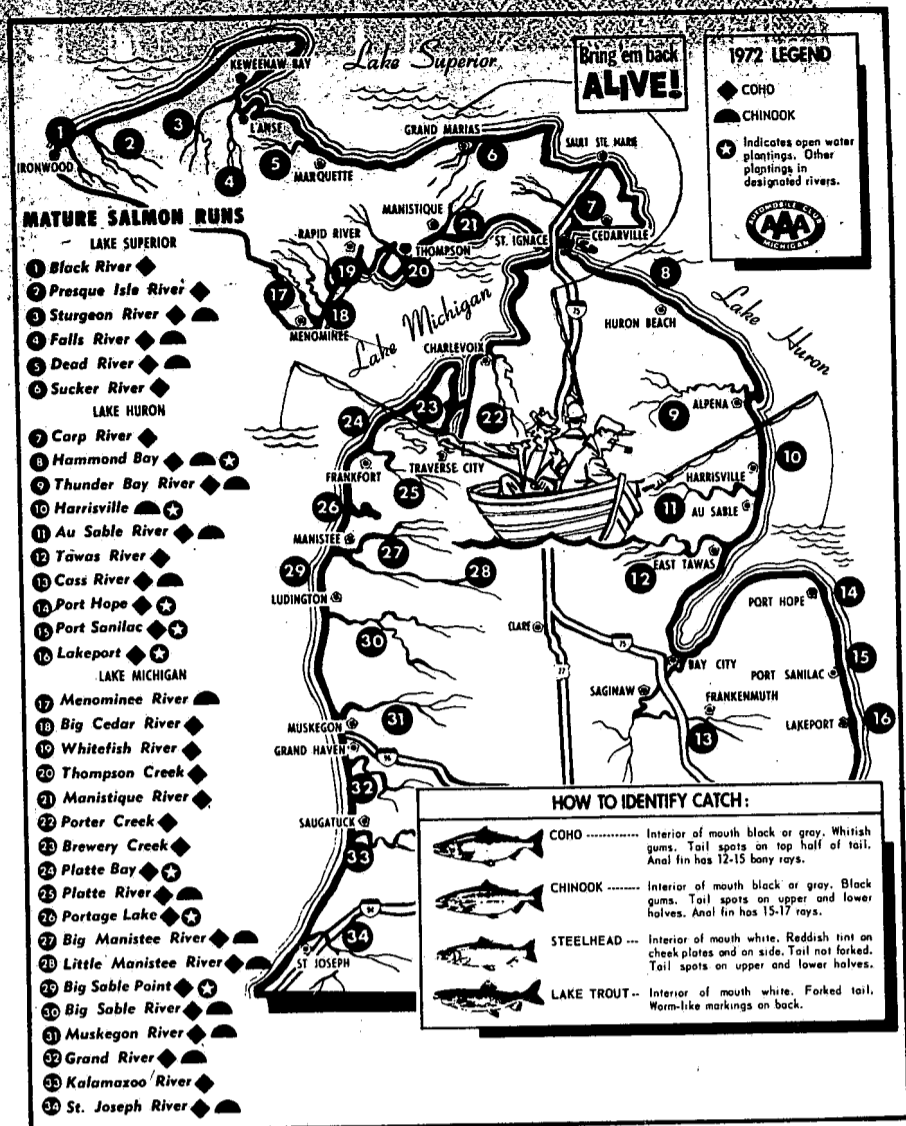

IT IS FURTHER ORDERED AND ADJUDGED that the failure of any of the said defendants to comply with this order shall result in an order of this Court awarding title to said lands and premises above described to be decreed to be in the name of the plaintiffs, DELOS C. HOOD and AMIE A. HOOD, his wife, in fee simple and the title to be the same, may be forever quieted by said judgment.

IT IS FURTHER ORDERED AND ADJUDGED that in addition, this Court shall enter an order directing that such person as the Court may subsequently determine to receive from the plaintiffs the land contract balance due of \$274.37 and to retain said funds for the use and benefit of the three known heirs of Annie Nejedlo, Deceased, said heirs being Warren D. Nejedlo, Violet N. Bersch, and Verna N. Henderson.

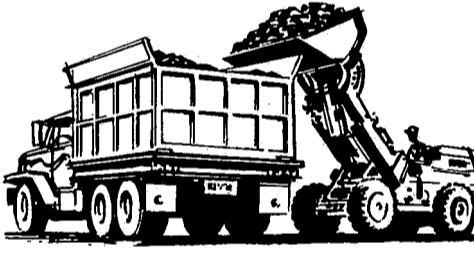

WILLIAM R. BEASLEY
Circuit Judge

1972 Michigan Coho, Chinook Salmon Fishing Map

SINCE THE FIRST coho and chinook were planted in Lake Michigan six years ago, Michigan has surpassed such dominant West Coast fishing states as Washington and Oregon to become "The Salmon Fishing Capital of the World," according to Automobile Club of Michigan. Last year, state anglers caught more than one million salmon from the Great Lakes and tributaries for the first time, and despite the absence of large numbers of early spawning Alaskan coho this year, the million mark should be equalled again in 1972.

Bruce Rogers
Village Clerk

NOTICE

TO INDEPENDANCE TOWNSHIP RESIDENTS

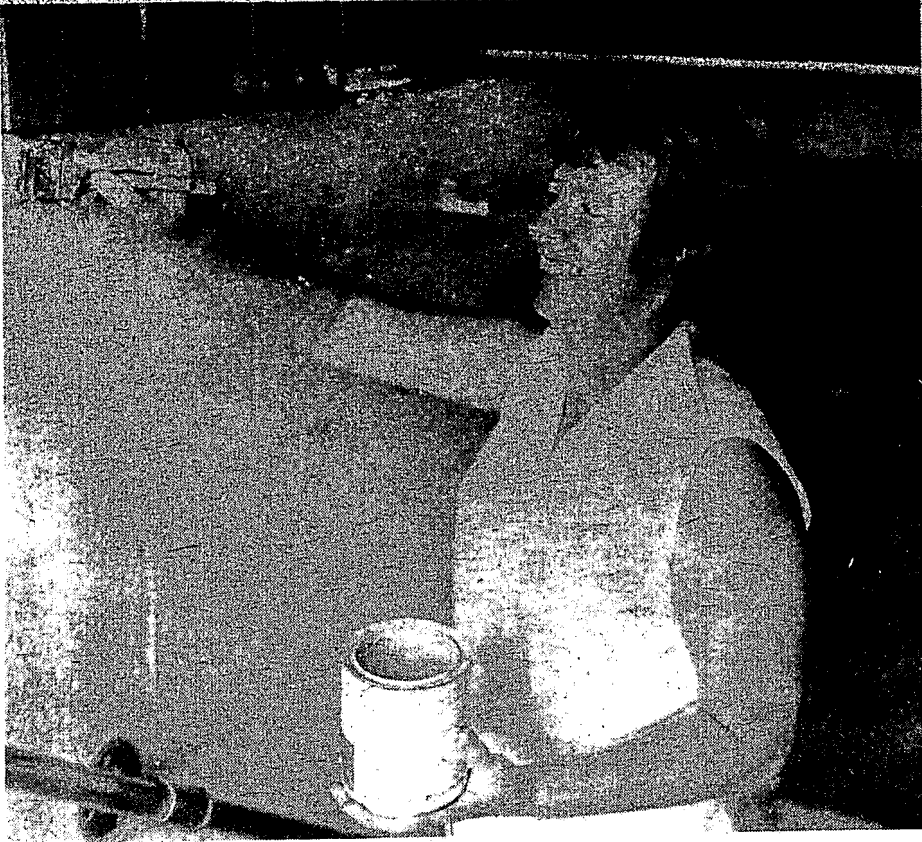

Due to expansion of the Township Office direct telephone lines are now in use for the following departments:

Building Department 625-8111
Mr. Ken Dalbridge, Superintendent

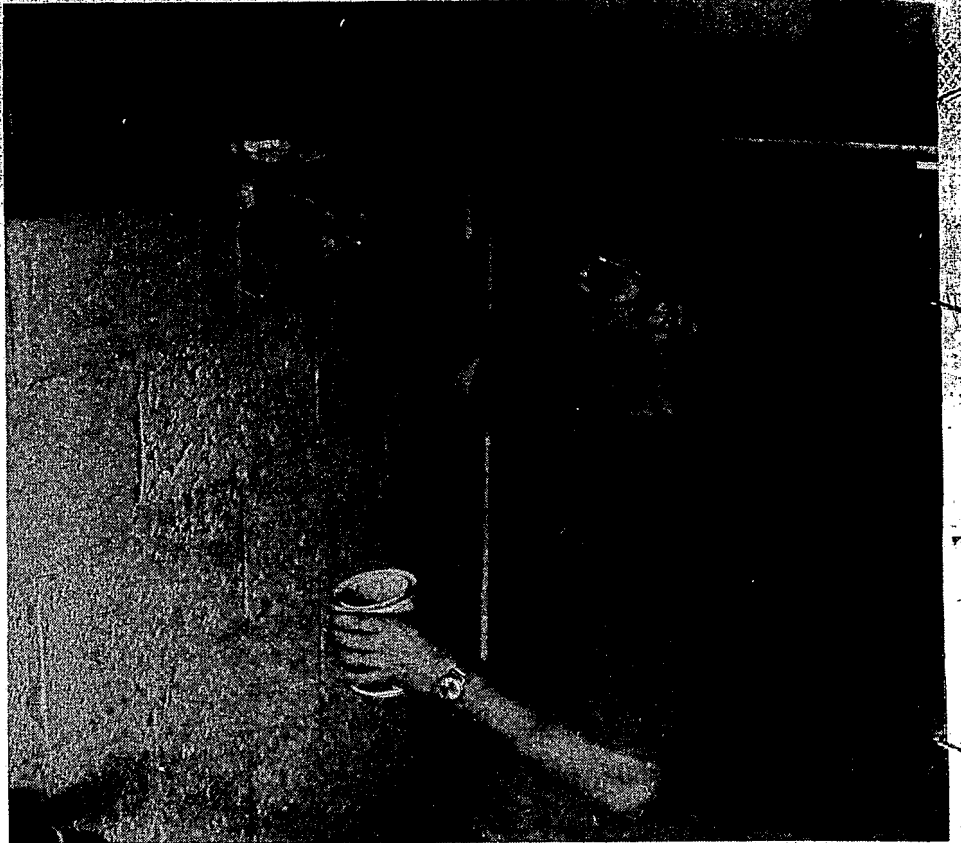

Water & Sewer System 625-8222
Mr. Bill Wilson, Superintendent

Recreation Department 625-8223
Mr. Tim Doyle, Director

Gary R. Stonerock
Supervisor

In Mrs. Alice Salzano, 8220 Reese Road, the Center has a working coordinator. She was busy painting Saturday morning, working toward the Sept 10 open house date for Independence Center. Mrs. Salzano is hoping for some donations to outfit the rooms. Since the upstairs will have a soft setting, sofas and upholstered chairs are needed along with office equipment and furniture, chairs, lamps, and tables.

A few workers bees turned out Saturday morning to help decorate the new Independence Center. It's the old and former Presbyterian Church on Maybee road. Don Hamaker, lent his brushing ability above, said, "For it's age the building is in great shape." He got involved through the Jaycees and is now assistant chairman of Independence Center. The chairman is Don Place. The downstairs is 36x48 and will be used for 3 offices. Upstairs is 36x58 and will be used primarily for larger meetings. The Clarkston Women's Club is going to carpet the upstairs, Hamaker said.

Center names coordinator

Mrs. Michael (Alice) Salzano has been chosen as the coordinator for the soon to open Independence Center.

She resides on Reese Road and is the mother of four children. Mrs Salzano has worked with the Camp Fire Girls for two years as a leader, served as a church guild chairman, a United Fund solicitor for two

years and has worked as an Income Tax Consultant. She has also been actively involved in the Residence Awareness Program.

Independence Center will open in September as a counseling and referral center for people in Independence Township who need help of various kinds

including: a telephone assistance line; emergency transportation, food clothing or shelter; direct counseling by agency representatives or referral to the agency for such problems as misuse of drugs, problem pregnancies, alcoholism, marriage conflict, aged parents, family problems, health problems; job market

for odd jobs; and coordination of the needs of the community with available resources.

There will be an Open House at the Center on September 10. Independence Center is located at 5331 Maybee Road and is housed in the old Sashabaw Presbyterian Church.

Excitement growing for Labor Day festival

The popular Labor Day parade and celebration is closing in. And though there is considerable work yet to be done, rest assured everything will be ready next weekend.

The promoters of this annual event are urging local residents to stick around home this year and invite friends in to enjoy the day with them.

The entire celebration is called Village Days and it truly is. It is a cooperative venture among several local organizations.

The parade and float judging comes

under the direction of the Clarkston Rotary Club with Irv LaDuc chairman.

The Independence Township Fire Department has charge of the bucket brigade and water fight. Chief Tink Ronk is organizing these events.

The Jaycees, Mark Pankner chairman, are bringing in the carnival and have charge of the booths.

Labor Day afternoon, there are 2 events which are growing in interest.

The sailboat regatta on Deer Lake is attracting about 40 boats this years. Everett MacDougall is chairman again for the 9th straight year.

North of town at the American Legion Hall the Legionnaires will be cooking sweet corn, bushels of its.

The Clarkston Women's Club will again this year award five one dollar prizes for the children with the most original costumes in the Labor Day Parade, September 4.

PIONEER DAYS PARADE

LaDuc said the parade will be "one of the greatest and most spectacular events of the year".

The Rotary Club has chosen the theme Pioneer Days and are asking participants to create their entries along these lines.

LaDuc pointed out that help of local people is needed to assure complete success of the day. He asks those considering entries to contact the committee, which is his at 623-6887, or Dick Logan 625-2250, or Bob Newlin, 625-1648.

Educator in pulpit

Mel Vaara, elementary coordinator of Clarkston School District, will be guest preacher at the Calvary Lutheran Church Sunday.

He will be at the 9:30 service, and will share the gospel out of experiences as a professional educator.

Vaara will be taking the place of pastor Robert D. Walter who will be attending the Lutheran Church of America regional youth conference at the University of Illinois.

Accompanying the pastor on this August 25-27 trip will be Esther Hoffman, Mick McClean, Cheryl Phelps and Kathy Helm.

Walter is on the planning committee for the Un-conference exercises in Christian Community.

Next week the News will carry the calendar of events with the latest update on times and places.

A parade wouldn't be a parade without clowns. Here's 3 that appeared in the Labor Day parade here last year. They may be back, and surely others will. And, besides the parade there is a carnival, booths, sailboat races, corn roast, merchant sales and much more. That's Labor Day Weekend in Clarkston.
