Ecology can be fun as the two sixth grade classes at Clarkston Junior High School learned last week. Pat Burdick (with rake) and Pete Saile (on the ground) got into the spirit of things retrieving a pop can from the Clinton River near the Methodist Church. More pictures are on the back page.

Jim's Jottings

By Jim Sherman

Ever win a game you've played with yourself, that no one else even knows is going on?

I did and it's a very satisfying feeling. I've mentioned before my dislike for shaving. I usually cut my neck, but not deep enough some say.

So, I nearly always use an electric shaver. For years I've started the morning chore around my Adam's apple instead of near the sideburns as most men do.

I've done this just in case the shaver ever quit halfway through the job the biggest cut-risk area would be done.

One day last week it happened. My shaver quit right after I finished my neck.

When one has so few victories to savor he grasps at the little ones.

One other personal note. I've been dieting again. Down 12 pounds now. With this diet, as with others, I've learned you can't say you "lost" 12 pounds.

Too often the response is, "Turn

around and I'll show you where to find it."

Tip to the fashion conscious gals: If you want to see the latest fashions look at what the actresses are wearing on daytime TV soap operas.

My sister, who thinks "fashion" is a word that follows "old," gave me that tip. However, she cautions the viewer to just look at the clothes, don't listen to the dialogue.

Except for a one hour-40 minute interlude, Saturday was a super day. Joining a group of friends to a football game outing. Picnicking on a lush golf course under bright sunshine. Dinner at a fine restaurant.

The ceremonies before the start of the M vs MSU game were especially impressive, even thrilling.

During our National Anthem the air force zoomed over the stadium

in the "missing pilot" formation, with one peeling off in the distance, in tribute to the prisoners of war.

We seemed surrounded by young people (the older I get the more I'm surrounded by young people) and it sounded like more people were singing "The Star Spangled Banner" than usual. I hope so.

And, the halftime show was great. MSU's marching 180 did an outstanding job with the "Fiddler on the Roof" theme. It was a little more spectacular than M's marching 220, which saluted black culture in music.

The hour and 40 minute interlude brought people to their feet for the kickoffs and to exit at the end. It was the fastest game I've ever seen. And, it was probably the duller game I've ever seen.

We may have to start thinking of M and MSU football games like hunting and fishing... it's the fellowship that makes 'em fun.

Multiple site plans due for approval

Independence Township Planning Commission will be asked to approve two site plans for multiple development at its meeting at 7:30 p.m. Thursday, October 19, at the township hall.

Both site plans are for land already zoned multiple.

Some 13.63 acres are involved in the plan by Robert Tuson to extend Waters Edge condominiums off Andersonville on Lester Lake. He proposes 98 two-bedroom units and 33 1-bedroom units.

A total of 272 new units are planned by R&W Development Company on 28.34 acres adjacent to the northwest corner of Maybee and Sashabaw roads behind Pine Knob Plaza.

Some 80 two bedroom apartments built in blocks of four are planned for the north part of the area and another 152 two-bedroom units and 40 one-bedroom apartments are planned for the south portion.

Both developments call for a swimming pool and club house. A pond on the R&W property is to be cleaned out and left in natural state, according to Larry Burkhart, township planner.

The commission will also have a public hearing on the rezoning of three additional acres in the Pine Knob Resort area to commercial recreation. The additional land rounds out the property, Burkhart said.

Site plan approval is also due on a new car preparation garage planned by Haupt Pontiac across M-15 from its present location. The new building would be located on approximately two-thirds of an acre.

Bill Wilson (left), voting machine custodian at Independence Township Hall, readies the machines with Clerk J. Edwin Glennie for the seventh election this year, the general election November 7. Wilson has had the job of preparing the voting machines for all the elections in the township since 1961.

Village hall location explored

Clarkston Village Council has directed its attorney, Jack Banycky, to search land titles and restrictions on property the village owns behind the Town Shop off Depot Road to see if the property could be used as the site of a new town hall and community center.

The council has been considering sale of the present village offices on Main Street with the idea that any new building should incorporate more than just a council meeting room.

Village police presently operate out of the same room, and the council at its meeting last week gave verbal approval for the hiring of five new officers to bring the part time department to its full strength of 11 men.

In other business the council approved the employment of Johnson and Anderson engineers of Waterford Township as alternate engineers to review situations in which the village engineering firm of Howard Kieft is privately involved.

Children in the world of art

Clarkston area youngsters had an opportunity to explore the world of art during summer classes offered by Jan

Ferrero at the Prologue Book Store on Church Street last summer.

Young artists discovered the joys of

pencil, charcoal and pastel media and Mrs. Ferrero, now a student at Oakland Community College seeking a commercial

art degree, says they did very well. More classes on a more individualized basis are being offered soon, she said.

Civic Club endorses candidates

by Louise Cohen and Jean Saile

The newly organized Independence Township Civic Club in a meet-the-candidates forum Friday night endorsed for office Gary Stonerock for supervisor; J. Edwin Glennie for clerk; made no distinction between Donna Buhl and Elizabeth Hallman for treasurer; endorsed Chester Hensley for trustee; and took no stand on the constable election.

The club also supported an additional voted mill for the fire department, opposed an additional voted mill for roads, and made no recommendation on whether land should be purchased in the geographic center of the township for future township offices.

The 29-member club had closed off membership for two weeks prior to the meeting in order to avoid any semblance of stacking the votes, club members reported. The audience of about 75 did, however, contain 20 people whose memberships have been approved, but who were not permitted to vote.

Club officials said they expected to have voting membership to about 80 by the time of the election November 7. Formed as a non-partisan group, the Civic Club was organized earlier this fall.

During the meeting Friday, club members Joel Cohen and Richard Weld debated the three local ballot proposals. Voting by members followed their presentation and that of the candidates.

Ward Sussex, chairman of the club's campaign committee, served as moderator.

Prior to appearing, candidates were given a list of seven questions and asked to prepare themselves to answer any three. They had the option of submitting written responses and providing the audience with copies, or speaking extemporaneously from the rostrum.

A coin toss decided the order in which they appeared. Each had five minutes for prepared remarks. After both candidates for an office concluded, a 10-minute period of questions from the floor followed.

Speaking first was Republican challenger for supervisor, Robert Vandermark. Citing his educational background in public administration and six years as assessor in Troy and Berkley, Vandermark saw four major issues facing the Township. They are credibility and sincerity of the officials; planning and zoning; cooperation among board members; and spending and finances.

Incumbent Democratic Supervisor Gary Stonerock talked about the duties of his office and the difficulties of trying to please everyone all the time. He enumerated the many changes which have occurred during his administration,

mentioning especially the further attention needed to zoning and planning for future growth.

Explaining the duties of clerk, incumbent Republican J. Edwin Glennie saw them as two-fold, both legislative and administrative. Glennie offered as qualifications for the office his prior experience as a residential real estate salesman as being invaluable background for a legislator. College training in management and administration and seven years as an airline transport pilot aid in personnel and public relations as an administrator.

Karen Herron is the Democratic candidate for clerk. She has been active in partisan and township politics for ten years and sees her job-related qualifications as prior office experience and the ability to take shorthand. Mrs. Herron feels township board meetings would run more smoothly if motions were accurately recorded as made.

As one bass voice from the back of the hall said, "Finally we're going to get a lady on the Board!" Seeking the office of Treasurer are Donna Buhl (Democrat) and Elizabeth Hallman (Republican).

Mrs. Hallman has worked for eight

years in the treasurer's office and explained some of the difficulties encountered in switching over from the old township accounting system to the state required State Chart of Accounts. An additional bookkeeper at a salary of \$8,500 per year has been hired on the treasurer's staff.

Mrs. Buhl, who has business bookkeeping experience, is currently taking courses to update her accounting skills. She obtained from the State a copy of the new Chart of Accounts manual and has familiarized herself with its procedure.

Candidates for Trustee are Jerry Powell, Republican and Chester Hensley, Democrat.

Powell, who introduced himself as "everybody's garbage man," is a lifelong resident of the community, a local business owner, and active in the Jaycees. He favors more harmony on the Board.

Hensley worked against the K-Mart shopping center on Waterford Hill and supports stricter, more defensible zoning ordinances. He denied accusations made by his opponent that working nights would keep him from being an active trustee. His schedule, Hensley stated,

would leave him available during normal business hours. Further, company policy permits him time off at no pay to attend all meetings.

There is no contest for constable. Candidates seeking the two vacancies are Republican Harry Yoh and Democrat Don Trarop. Yoh appeared before the

group and spoke about the duties of the office. The constable is the chief law enforcement officer of the township, taking precedence even over the Sheriff and State Police. He acts at the direction of the board, and is paid on a fee basis.

Democrat Trarop neither came nor submitted a written statement.

All endorsements were made by a 60% majority of voting members of the club. Neither candidate for treasurer nor side of Proposal No. 3 received the required plurality.

Registered voters interested in membership in the Civic Club are invited to call either membership chairman Dick Weld, at 625-4185 or president George Phillips at 625-1739.

Clerk J. Edwin Glennie, Civic Club moderator Ward Sussex, and clerk candidate Karen Herron appeared before the Independence Township Civic Club Friday night seeking endorsement. Some 75 people were present.

Editorial

Apathy is rampant

This may be a biased article, considering this editor's involvement in a countywide election campaign, but I'm going to say it anyway.

Last Monday night 22 county, state legislative and local candidates appeared in a neighboring school district for a well advertised "Meet the Candidates" night.

There were 35 people in the audience. When you consider that practically every candidate there had been accompanied by another person, it left a total of little more than a dozen of interested public.

Yet, I, as a candidate hear constantly from the public about "those ineffective no-goods in government who aren't doing what

the people want and what they were elected to do."

There may be some merit in what is said, and yet it is my belief the public gets exactly what it deserves.

Candidates appearing at such a forum are indeed seeking votes. However, they are there willing to put themselves and their knowledge on the line, willing to state the goals they wish to pursue, wanting to get feedback from the public they appear before.

When there's no interest, it's no wonder that sometimes ineffective, even opportunistic candidates are able to make the jump into public office.

PEEKIN' into the PAST

25 YEARS AGO IN THE CLARKSTON NEWS

"If It Fitz . . ."

Political poo on TV

By Jim Fitzgerald

Last-minute entries may change my mind, but right now it appears Sen Robert Griffin, Richard Nixon and George McGovern will each get a nod when it comes time to pass out my awards for the lousiest TV commercials of the 1972 political season.

Sen Griffin rates a mention for sheer inanity.

His commercial features these 2 Little Old Ladies, see, looking and talking like Jonathan Winters and Johnny Carson in drag. They enter the Senate chambers wide eyed and tittering, anxiously asking each other where Sen Griffin sits.

The old gals consult a seating chart and discover, for gracious sakes, that Griffin's desk is at the front of the class. This sends them into fits of glee. He must be a very important man, they decide, clicking their dentures in delight.

The incredible commercial

helped me make up my mind about the senate race. I'm going to vote for Griffin's desk. Which really isn't so silly when you realize Griffin has been running against a school bus.

A MCGOVERN commercial tops the "most revolting" category.

It's that one filmed in a veterans' hospital where George mouths the usual bla-bla generalities about what he's going to do for "our boys." He sounds off after the camera has looked long and hard at a young paraplegic who tells how the country he was maimed for has failed him so miserably. It's enough to make viewers weep — and that's what bugs me.

God knows the veteran is telling the terrible truth. And God knows the Vietnam war is an immoral blunder that should have kept all of us awake every

kill 'n gully

Halloween, farm style

by Jean Sails

Back in Saskatchewan we didn't go trick or treating on Halloween. We just tricked.

And the tricking — even though it sometimes involved putting outhouses on top of barn roofs — was harmless as compared to the adult brand of sickness which permits razor blades to be placed in apples or drugs in candy.

We couldn't possibly have gone trick or treating as it's done here. Our nearest neighbors were a mile in one direction, two miles in another, a mile-and-a-half in another and about three miles in another.

We rode horseback, is what we did.

You really knew you were grown up at last when your parents permitted you to ride out at night to meet your friends and engage in some deviltry.

One of the funniest Halloweens I remember was one I didn't even take part in. My parents and I were on a trip to a neighboring province, and so the gang decided the time was ripe to strike our farm.

My older brother, still home, had been alerted that the deviltry might come our way and shortly after dinner he took up a hiding place out in the barnyard.

He watched quietly as all my so-called friends rode quietly in, dismounted and spread out for the plan of attack. When everything appeared all set, Mel rose up from his hiding place, fired some buckshot in the air, and watched the fun.

One kid hit the pigpen fence so hard, he somersaulted right over it and landed in the slop trough.

Others took off yelling and screaming, couldn't find their horses, and milled around the yard aimlessly and somewhat panic stricken.

By this time, Mel was laughing so hard he was hardly in any state to invite the survivors in for some cheer and conversation.

Meantime my parents and I, expecting to be home for Halloween, had encountered some car trouble.

We wound up spending the night in a ghost town in Alberta, and I spent the night being really scared to death.

The only remaining occupant of the town was a little old lady who had once run the general store for a booming oil town. She had extra beds, she said, and we opted for them.

We went to bed with the sound of the wind soughing around many abandoned old buildings, and woke once in the night to see the little old lady leaning over our beds.

Probably she hadn't had company in so long, she was just lonesome — for nothing ever happened.

But all of us — my parents included — were really delighted to say goodbye the next day.

battleships. The background voice says this is what a cut in the defense budget would mean.

And I'm saying yeah, man, yeah. Wipe away some more. How about slicing the Pentagon in half, too? That's what this country needs — less bullets and less fatheaded generals who send boys to die and then retire to become president of the factories where they bought the bullets.

But then the TV voice says it is wrong to wipe out those toy soldiers and ships. That's what dumb McGovern would do, but not smart Nixon. So vote for Nixon, the man says, he'll keep this country strong.

Geez . . . if I'd tuned out that commercial before the end, the prez might have had my vote. But, as it is . . .

I wonder if Griffin's desk would like to run for president? Joshua Doore could do the TV commercials.

A fireman's wife speaks

Dear Mrs. Saile:
I wish to refute the material published last week in a "paid political ad" regarding fire millage. My qualifications are that I am a wife of a volunteer fireman and am aware of the responsibilities and risks involved in the work of these men.

Consider the so-called "fact" that our fire department averages 2 fires per month: anyone who took advantage of the opportunity to visit one of our fire stations last Sunday would be aware that our men have responded to over 200 calls so far this year. Fortunately this has been a slow year.

Those who wish to compare Independence Township and other communities should look closer to home than Ohio. The Ohio town referred to in the article probably spends from \$7,000 to \$10,000 per man for each of its 30 some firemen in addition to its Chief's salary. Why not compare our township with Waterford or Pontiac Township, both of whom have had a full time Chief for many years. You would find that our Chief's salary is slightly more than that of a truck driver on Waterford's fire department.

Our firemen do more than fight house, grass and car fires. They give aid to accident victims, at times prying them from the wreckage; resuscitation to heart attack, diabetic, drug overdose and

epileptic patients; wash gas from pavements; guard downed electrical wires; rescue animals, people drowning or fallen through ice; they have even washed down parking facilities during ecological clean-ups.

Besides these duties they clean and repair their equipment and facilities, which can often take longer than fighting the fire; are required to attend training and work sessions, monthly association meetings and at times attend specialized workshops on such things as treatment of burn victims, delivering babies and demonstrations of new methods and equipment, all on their own time. They are volunteers, yes, but "only VOLUNTEERS" is a poor way of referring to these men who are committed to helping others.

I would urge voters to consider these facts also when voting for the millage: our volunteers' minimal remuneration makes it possible to spend available funds on a competent chief and equipment that is necessary, that may some day save your home or your life. When choosing a Chief, who is better qualified than a man who has long been our own second in command, and a dedicated fireman in this community? If you are in doubt, ask the men whose lives are his responsibility, who respect Chief Ronk and trust his judgment. Ask them who should be their Chief, and at what salary. And then vote.

Carole J. Rausch.

Letters to the Editor

On the tax proposal

Dear Editor,

On November 7, voters are going to decide if they will change the way education is financed in Michigan's public schools. Because there has been very little publicity on this vote and because of the concern of many people that local control over how much school taxes they will pay may end, we are having an open meeting so that each side of this issue may be heard.

The meeting will be at the Independence Township-Hall, Clarkston, November 1 at 7:30 p.m. We have Mr. Phelps to speak on the pro side of this proposed change. He is the Governor's aide on tax reform. On the con side, we have John Sopt, an attorney in Genessee County. He has been representing "Save Our Schools" for some 3 years.

Last week in the Detroit News, Michigan State Supreme Court Justice Black stated, "the people of Michigan were not receiving the full story on this

tax question." He stated, "the people will pay 26 mills plus 2.3% income tax for operational purposes." (The part, the taxpayer is not being told.)

That in addition they will also pay any bonded indebtedness that may be voted for by the people. The people are told their property tax will be cut in half and in its place the 2.3% income tax. If Justice Black is right, the taxpayer will pay more than he does presently.

If our present income tax is any example, this new income tax would not stay at its starting rate.

Nobody could believe that the state will not have strings attached to this proposed income tax.

I ask you to come and judge for yourself after you have heard both sides of this question.

Ed Manley, Chairman
Clarkston Chapter
National Action Group

About those multiples

To the-Editor:

In response to Mr. Hensley's letter regarding multiples at the north end of Deer Lake in last week's Clarkston News, I would like to know where he gets his information, because that property has been zoned multiple for at least 5 years!

It's nothing new! But this is typical. Scream now and gather facts and information later.

If this is the type of "alarm" reaction we can expect from Mr. Hensley, then we can expect more outrageous legal fees if he were to be elected!

I think it is hilarious how all of the local township Democratic candidates want to make the voting public believe it is the Republicans who vote for the rezonings and multiples.

On the contrary, that large Democratic sign on the north side of Waterford Hill just happens to be on the property (38 acres) that Stonerock and Humbert voted in favor of rezoning to multiples long before Mr. Glennie was on the board.

And, has anyone forgotten about the 20 acres on Clintonville Road that Stonerock and Humbert rezoned multiple for their friend Jack Raisin? There is no one in this township who works more closely with developers and real estate companies than our fearless leader, Stonerock, in his surveying business.

Is it not true also that the developers of Keatington want to extend into Independence Township and that particular developer is one of Stoney's largest clients in his surveying business? Talk about buttering your own bread, when that proposal comes to the board, I doubt that Humbert or Stonerock will object. Let's call a spade a spade, Mr. Hensley. I suggest you check into all the facts before you accuse.

Have you forgotten that there are 5 men on the board and not just Mr. Glennie? There can be no "under-the-table" dealings when all 5 members must vote! If Mr. Stonerock would stay in his office during business hours instead of off running his surveying business, he might know when someone comes in with a request.

I'd like to see the Democrats stop throwing mud and try to run on their own qualifications, or don't they have any!

Clubhouse dedicated

By Betty Hecker
 The Oakland County Parks and Recreation Commission held dedication ceremonies Saturday for the new Springfield-Oaks Golf Course Clubhouse. At 12 o'clock noon, the Clarkston Boy Scout Troop No. 49 presented the colors in the Flag Raising ceremony. Jerry Lacey, park manager, acted as the master of ceremonies, with Mrs. Frances P. Clark, chairman of the Oakland County Parks and Recreation Commission, giving opening remarks and introductions. The invocation was delivered by the Rev. Goudie from Trinity United Church of Waterford.

Eight senior citizens braved the chilly morning temperature to vie for the complimentary 1973 club membership. The winning shot was 7 3/4" from the

cup on the ninth green and was hit by Harry Bellinger Sr. of Flint.

The winner of the under-62 age approach shot was a local man, Dale Cook of the Cook Construction Co., 9700 Dixie Highway, Clarkston. His shot landed 15' 10" from the cup and won the complimentary 1973 membership.

Also honored and presented with a copy of the book, Oakland County Book of History, and a dozen golf balls, was Matthew Berres. Berres paid the first greens fee in 1928 at the Davisburg Golf Course, and he hopes to be the first to pay and play on the new "9."

Another book and golf balls were given to Merrill Walls who is the longest continuously active member (since 1928) of Springfield-Oaks (Davisburg) Golf Course.

Old houses controlled

By Gloria Bellairs
 An attempt to eliminate the danger connected with the misuse of abandoned, older homes has been undertaken in Springfield Township with the passage of a Dangerous House Ordinance.

The ordinance provides that a notice be given the owners of the property ten days prior to the scheduling of a condemnation hearing. If the property is not improved, the ordinance gives the township the right to see that the house is torn down.

An amendment to the township's sand and gravel ordinance states that there be no mining closer than 500 feet from a boundary line. A \$300 annual permit and the posting of a \$10,000 surety bond is required. The sites are to be reviewed each December by the township engineer.

The ordinance also provides that no more than 40 acres of any parcel may be mined at one time. A tree belt or sand berm around the mined area is required.

Hours of operation are limited from 6 a.m. to 8 p.m.

A crowd of more than 100 people were in attendance at the township board meeting last week in regard to the application of Dave Field, Emmett Lieb and Earl Voorhees to mine sand and gravel on approximately 518 acres off Ormond Road.

It was reported that Oakland County Planning Department has recommended that an environmental study of the area be done, and the board voted to table action until it is complete.

PD. ADV.

Behind the Counter
 From Keith Hallman

What is Trichnosis

One of the diseases most easily prevented—and yet one still found throughout the world—is trichnosis, a disease associated with the eating of pork that has not been properly cooked.

It's estimated that 17% of the population is (or has been) infected with trichinae, the larva of a round worm that causes trichnosis. Fortunately, few people die from the disease.

It is caused by the larvae invading muscle tissue, where they cause an inflammation. The diaphragm, tongue and chest muscles are most vulnerable. The symptoms range from muscle soreness, weakness, fever and sweating, to diarrhea and dehydration.

Many mild cases remain unrecognized, and are discovered only by the presence of trichinae in the muscles. There is no specific treatment, apart from bed rest, pain-killing drugs, and possibly corticosteroids.

Physicians also keep an eye out for associated diseases that may aggravate or prolong trichnosis.

The disease can be prevented by eating inspected pork and pork products that have been thoroughly cooked. The trichinae larva will be killed by cooking the meat to 150 degrees inside temperature, or by freezing it at 16 degrees below zero for 36 hours.

Davisburg church celebrates

By Betty Hecker

The First Baptist Church of Davisburg celebrated its twentieth anniversary Sunday, concluding a week of nightly special services.

Rev. Ding Teuling, "Gospel Artist," was present at the founding services of the First Baptist Church, then called Davisburg Community Church, and he returned to conduct a series of nightly services and to present his "Black Light" chalk artistry.

Also returning for the all-day Sunday celebration were Rev. John Bell, the church's first pastor, and Missionary Florent Toirac. They shared the Sunday program with the present pastor, Mr. Robert Hazen.

Highlights of the day included morning worship, dinner at the church, open house at the parsonage, moments of music, history, slides and evening services.

Mrs. Hecker is new Springfield Township reporter

Mrs. Robert (Betty) Hecker, 6733 Bridge Lake Road, is the new Clarkston News Springfield Township reporter. She takes over from Gloria Bellairs whose business, Chien Belle Grooming Service, is growing to the point where Gloria has little time for reporting.

Mrs. Hecker has lived in the Springfield area for three years. She's a past president of Andersonville PTA, active in Clarkston United Methodist Church as a Sunday School teacher, and is den mother for Cub Scout Pack 133.

A graduate of Clarkston High School, she attended Michigan State University where she worked on The Spartan publication.

Mrs. Hecker will be writing club affairs, people stories and what's happening on the community scene. She'll also be involved in Springfield Township governmental coverage.

Mrs. Hecker's phone number is 625-5726. Call her with your news.

by Bob & Geri Wertman

Does anything smell any better than something made of cedar? What housewife does not prize a cedar chest for woolens and other storables? Cedar can be used for many different purposes. Use it to panel a closet or a cupboard for a smell that is always fresh. Use it to line the inside of a bureau or to panel a kitchen or bath. The fragrance is always welcome. And what prettier fence is there than one made of cedar posts? Why not try for yourself and see?

Frequent visits to BOB'S HARDWARE, 60 S. Main St., 625-5020 will keep you well supplied with all your homeowner needs. And remember, we'll repair your damaged window screens or install new glass in that broken storm window. Your local Detroit Edison Agency, we accept payment of electric bills and repair electrical appliances. Open: 8-6, Mon.-Sat.

HELPFUL HINT:

Not only is cedar durable, but it takes a good finish and stain.

Married at First Baptist

Snyder-Wentz vows said

Marilynn Janet Wentz and Armond Walter Snyder were wed September 30 at St. Trinity Lutheran Church in Waterford.

The bride is the daughter of Mr. and Mrs. Carl P. Wentz of Clarkston. Her husband is the son of Mrs. Gertrude Snyder of Detroit.

Some 250 guests were present for the evening ceremony.

The bride chose a gown of heavy slipper satin with chapel train. The bodice was of Fenis lace styled with long bishop sleeves and wide cuffs. The veil, fashioned of three tiers of French illusion, was held by a cap of Venis lace and seed pearls.

Donna Pittenturf of Clarkston was maid of honor in an empire gown of peau de soie and velvet. Peggy Rutledge and the bride's sisters, Patricia and Beverly Wentz, bridesmaids, were gowned in fall colors.

Shelley Nichol of Drayton Plains was flower girl and Edward Wentz, brother of the bride, was ring bearer.

Dennis Kozicki of St. Clair Shores was best man. Frank Defer, Carl and Don Wentz seated guests.

A reception at the Mountain View Country Club in Waterford Township followed the ceremony. Out of town guests were from South Bend, Indiana, Clawson and Ann Arbor.

Their wedding trip was to Florida and the Smoky Mountains.

Laura Lee Watterworth became the bride of Mark R. Surre in a double ring ceremony September 30 at First Baptist Church in Clarkston. Rev. Clarence Bell officiated.

The bride, daughter of Mr. and Mrs. C. N. Watterworth of 7445 Bridge Lake Road, chose an organza gown with reembroidered lace, high neckline, fitted bodice and long fitted sleeves over an A-line skirt. Her fingertip veil was held with a Juliet cap. She carried white carnations, white roses and baby's breath.

Patti L. Watterworth was her sister's maid of honor in a long velvet and crepe gown of rust and mango. She carried white and orange daisies with star flowers and orange miniature roses.

Bridesmaids attired similarly in rust and apricot, velvet and crepe gowns were Chris Watterworth, the bride's sister, Sue Surre, the groom's sister, Mrs. Sheryl Gibbens of Marquette, and Sandi Stevens of Farmington.

Michelle Gustafson of Madison,

Wisconsin, the bride's niece, was flower girl.

The groom, son of Mr. and Mrs. Richard Surre of 7160 Perry Lake Road, was attended by Bernard Starnes of Drayton Plains. Paul Watterworth, Gerry Gibbens, DeWayne Surre, Joe Day and Lee and Lynn Surre seated the guests.

A reception in the church parlor followed the ceremony. Following a trip to Florida, the young couple is residing in Clarkston.

School menu

October 23-27

MONDAY—Hot dog on buttered bun, corn, fruit and milk.

TUESDAY—Meat loaf, mashed potatoes, spinach, bread & butter, raisin rice custard, and milk.

WEDNESDAY—Toasted cheese sandwich, pickle slices, hot vegetable, fruit jello, and milk.

THURSDAY—Spaghetti and meat sauce, buttered carrots, roll & butter, fruit cup and milk.

FRIDAY—Baked beans and franks, apple salad, bread & butter, dessert and milk.

Scouts Halloween

Pack 49 Boy Scouts decorated pumpkins and made masks for their pack meeting Wednesday, October 18. Games and dunking for apples were planned as part of the festivities.

Pack 49 meets every third Wednesday of the month at 7:30 p.m. in the township hall. Boys who wish to become Cub Scouts are invited to attend the meetings.

Around the township

A passel of pumpkins by Shanna Nadolsky

625-2837

A patch of pumpkins, and a passel of pickers can only make for a perfect pumpkin picking party. That's exactly what Vic and Sally Kubani on Allen Road arranged for their three children Mary, Ray and Gary — and all their cousins — with all the aunts and uncles — and, of course, grandpa and grandma getting all the fun on film. Properly pursuing the picking of pumpkins of at least 7 pounds were: Chris, Ron and Carol Kubani; Chuck, Ann, Joe and John Giacomazza; Mike, Susie and Paul Mackey.

Mrs. Cal Beattie, the former Ruth Smith, has been visiting the Clarkston area for several days from Florida. Mrs. Beattie was feted by many of her friends Friday afternoon at a luncheon at the Clarkston Cafe; and Saturday evening, a surprise family gathering was planned by her son, Sheldon Smith. Sunday found Mrs. Beattie the honored guest at an afternoon tea at the home of Mrs. Earl Terry on Lingor Drive, where she had been staying during her visit. No doubt Mrs. Beattie enjoyed her stay and did not lack for things to do.

Mr. and Mrs. William Johnston have moved. Their new address is Springfield Estates, Davisburg. The Johnstons are long time Clarkston area residents, most recently making their home on Lingor Drive.

The Gray Robertsons of Robertson Court were at Canada Creed, near Atlanta, this weekend. Enjoying the beautiful colors and brisk weather with them were friends from Pontiac.

King and Jan Robinson on Peach Street attended Homecoming events last weekend at Northwood Institute in Midland, King's alma mater. They stayed with good friends, Dr. and Mrs. Schoff while there and made time to see the Auto Show between ball games and alumni parties. Before returning home, they stopped in Bay City to visit with Jan's parents.

The Thomas Lamms and children, Janet and Fritz of Robertson Court, and the Thomas O'Briens and children, Erin and Shauneen of Snowapple spent the weekend in Grayling at the Lamms' cottage. The men spent some time small game hunting (I understand they aren't bragging about the outing), the women relaxed, and the children were determined to build a snowman from a few flakes which barely made ground cover and then disappeared. Show and Tell must have been great Monday morning!

Robert L. Jones of Robertson Court underwent open heart surgery last Friday

morning at the Cleveland Clinic. The family was able to visit him for the first time Sunday for a short time, and visits will increase with his progress. Mrs. Jones is also staying at the clinic as they make available excellent accommodations for the family. I am sure Bob would like hearing from you; Cleveland Clinic, Cleveland, Ohio 44106.

October 5 through 8 was the Airstream Rally in Traverse City. Nearly five hundred Airstream families took advantage of this location to see the colorful North. Many side trips are available to the travelers which are planned by the Rally officials. Interlochen and several scenic color tours highlighted these four days. Clarkston was well represented with the Keith Leaks, the C. L. Reicherts, the David Stewarts, and the Ralph Thayers all attending.

The outgoing newly elected board members of the Chatham Dance Club met last week at the home of the Don Places. The new officers and their offices are as follows: chairmen, the M. Thayers; secretaries, the F. Crowleys; treasurers, the C. Currys; correspondence, the A. Ripleys; membership and publicity, the C. Guses; arrangements and orchestra, the D. Traverses; and decorations, the J. Powells. The annual formal Christmas

dance will be held at the Spring Lake Country Club in early December.

The annual Clarkston Jaycee hayride held last Saturday night at Jaenichens' was a great success. Hot dogs, marshmallows, hay, stars, brew, and people, were plentiful. The hay wagon traveled the fields nearly all evening with its driver, Randy Heltman manning his trusty tractor — good work, Randy.

Mrs. John (Shirley) Lynch of Eastlawn, 18th District President of the American Legion Auxiliary, was guest of honor recently at the regular meeting of the Junior Auxiliary Unit No. 377, Chief Pontiac.

A highlight of the evening was the memorial service in which Jan Yarbrough, Roxanne Edler, Karin Charter, Mary Wyland and Jennifer Saunders participated.

It was announced that Jan Yarbrough has been named Senior Miss Poppy and Roxanne Edler Junior Miss Poppy. Junior girls are now busy making Halloween trays as favors for hospitalized veterans and the pediatric wards of local hospitals. A Halloween party is planned for Friday, October 27, complete with hayride. Further information is available from Leona Heese at 373-8180.

Newlyweds Live in Clarkston

best man, Dave White and Bill Dillon seated guests.

Serving as maid of honor was Terry Lamerson of Pontiac. She wore a purple velvet empire dress trimmed in orchid organza. Janice Campbell, Pat Kirksey and Pam Rowe, bridesmaids, were similarly attired.

Jena and Jeff Campbell were flower girl and ring bearer.

A reception for 250 guests at the Knights of Columbus Hall in Lake Orion followed the ceremony. Following a wedding trip to Niagara Falls and Toronto, the couple will live in Clarkston.

White carnations decorated the altar of Clarkston United Methodist Church for the October 7 wedding of Janet Young and Terry Schreib. Rev. Frank Cozadd performed the ceremony.

The bride, daughter of Mr. and Mrs. Donald Young of 651 East Tennyson, Pontiac, wore a white satin A-line gown trimmed with beaded flowers and a mantilla veil. She carried a cascade of white carnations centered with a purple orchid.

The bridegroom, son of Mr. and Mrs. Francis Scheib of 25 West Cornell, Pontiac, was attended by Craig Deaton as

Fishwick in recital

Clarkston Conservatory of Music will present Wesley Fishwick, pianist, in recital at 3:30 p.m. Sunday, October 29, at Clarkston High School Little Theater.

Fishwick will perform works by Tchaikovsky, Brahms, Debussy and Barber.

A reception following the recital will enable concert goers to meet the artist, a member of the Wayne State University staff who also teaches at the Conservatory.

Mr. and Mrs. Warren Cameron of Atlanta have announced the engagement of their daughter, Carolyn Sue to Larry Green, son of Mr. and Mrs. Frank Green of Clarkston. The bride-elect graduated from Atlanta Community School and is presently employed at Sachs Allied Building Center in Atlanta. Her fiance graduated from Clarkston Senior High School in 1968 and is employed by the Fuelgas Company of Atlanta. A May, 1973 wedding is planned.

Spiritual Message

"And all the assembly kept silence; and they listened to Barnabas and Paul... Then it seemed good to the apostles and the elders, with the whole church... in assembly to choose men and send them."

-Acts 15:12a, 22, 25

DO ASSEMBLIES ERR?

The writer's national church assembly has just taken action to withdraw from negotiations on a nine-body plan of church union which one of our churchmen

initiated and in which we have been intensively involved over several years.

The question raised by this action was whether the assembly made a mistake. Our whole history of churchmanship has been committed to the idea demonstrated in the early church record in the book of ACTS that churchmen who differ should sit down in direct or representative assembly, look at the testimony or facts, ask God's Spirit for direction in prayer, then take the best action they can see to take. But, after the fact, some church decisions seem to have been wrong.

This only highlights the fact that God deals with men who are sinners and even redeemed sinners do not perfectly follow God's will. But instead of giving up on the Church we stand with those who love her and see her growing and maturing and learning to love and cooperate. If pulling out from a specific plan is a mistake, we say to our brothers

we are sorry, and perhaps another year can show a new way to follow.

Yes, assemblies and church officers can err, but God can do things even with our mistakes.

Linda DeArmond is DAR good citizen

Linda DeArmond

The qualities of dependability, service, leadership and patriotism have won for 17-year-old Linda DeArmond the title of DAR Good Citizen at Clarkston High School.

Linda, daughter of Mr. and Mrs. Raymond DeArmond, 5380 Sashabaw Road, has been active in the Varsity band, Drama Club, orchestra and league band. She's been a candy striper at Pontiac General Hospital, is active in her church youth group and president of the senior class.

As DAR Good Citizen, she will be sponsored by General Richardson Chapter, National Society, Daughters of the American Revolution, in a statewide contest March 15.

Winner at that time will receive the State Good Citizen pin and two bonds worth \$150 from the national and state DARs.

Linda has one sister, Kathy, a teacher at Clarkston High School.

Jaycettes aid foundation

The Clarkston Jaycettes as a part of the Michigan Jaycee Auxiliary has adopted a program to assist the Michigan Chapter of the National Foundation for Sudden Infant Deaths Inc. to make local communities aware of the foundation as well as the affliction itself.

S.I.D.S. or crib death has brought death to between 10,000 and 15,000 American infants between the ages of one month and one year. The affliction is not new. It's not found in this country alone. It's not hereditary, nor is its rate increasing.

There has been little research on the problem thus far, but it has been recommended by the Senate to appropriate \$10 million for research.

The Jaycettes have been distributing literature and information about the organization to local funeral homes, police and fire stations, doctors' offices, area churches and independence center.

The information is available to pass along to families or interested individuals who want more information on the S.I.D.S. Foundation. Adele Powell, 625-2329, would welcome calls requesting information.

Christmas cards are being offered for sale. Blue and gold with a Biblical figure of mother and child on the front, they are \$3.50 for a box of 25. The cards are available from the Michigan Chapter of the National Foundation for Sudden Infant Death, Inc., P.O. Box 2223, Livonia, Mich. 48151.

Over one million pounds of raspberries were produced commercially in Michigan in 1971.

PTA council organizes here

Mrs. Judy Pearson has been elected temporary chairman of an organizing Clarkston Area PTA Council.

She was named at a meeting October 10 at Bailey Lake School in which the PTAs of Andersonville, Bailey Lake, Pine Knob and Sashabaw schools sent representatives. Also present were principals, Doris Mousseau of Andersonville, Ruth Purslow of Sashabaw, John Hayden of Clarkston and John Reabe of Bailey Lake.

Advantages in having an area council include better communication between the state and national PTA organizations the group was told. Local groups would also have the means to work closer together, exchanging ideas and possibly working on programs together through the council, it was reported.

Mrs. Marge Sands, PTA Director for the Oakland County District, spoke to the group.

OES to install

Officers of the Joseph C. Bird Chapter, Order of the Eastern Star of Clarkston, will be installed at 8 p.m. Saturday, October 21, at Davisburg Masonic Temple.

Turning the gavel of authority over to their successors, Mr. and Mrs. Joseph E. Saul of Drayton Plains, will be the present Worthy Patron and Matron, Mr. and Mrs. Russell Arnold of Ortonville.

Other line officers to be installed will be Mrs. Norman Mohler, associate matron; Kenneth Thomas, associate patron; Mrs. Vern Kath, conductress; and Mrs. Marshall White, associate conductress.

Mrs. Jess Sparkman, past matron, will be installing officers.

The public is invited to attend.

Bottle Drive Saturday

The Bottles for Building collection is Saturday under the direction of the Clarkston Education Association. George White and Larry Rosso have charge of providing manpower and trucking to the Oakland County Recycling Center.

Drop-off spots for bottles, bundled newspapers and aluminum cans have been designated at the A&P supermarket, Foodtown, the Independence Township Hall and the fire hall at Sashabaw and Clarkston-Orion roads.

Group appoints

Phoebe Riley has been appointed chaplain and Laila Rohloff patriotic instructor and Americanism chairman by the Clinton Valley Barracks No. 2803 Auxiliary.

The group met at Davisburg Town Hall October 14 for a co-op dinner and to attend the funeral of Aubrey Coleman of Davisburg.

It was announced Mrs. Lucile Gries and Mr. and Mrs. John Boise had attended the 5th District meeting October 3 in Rochester, where Mrs. Gries was elected district treasurer and Mrs. Boise named community service chairman.

The group will meet November 11, Veterans Day, at the Davisburg Town Hall for a Thanksgiving potluck dinner.

Sometimes you have to sit down to talk about what you stand for.

HERE ARE THE THINGS WE STAND FOR:

We Four Chevrolet Dealers have joined together to serve our customers better. We intend to raise our standards of operation to new heights of excellence. We intend to get more involved in what we consider the North Oakland "community." Quite naturally we hope to benefit. More importantly, we want you to benefit by finding it more reasonable, convenient, and profitable to buy from one of us here — in your own community.

1. **Personal Touch** — You won't be involved in any "Big City Maze" or caught in the crowd. To us you are not just another nameless face. You're an individual... a neighbor. In a sense, our reputation in the community rides on every deal. When you buy from us, we know it. If you have a problem we can fix, we know it. If you are happy or unhappy, pleased or displeased, we want to know it.
2. **Straight Talk** — we will not double-talk you, con you, or make promises of

deals we have no intension of keeping. We are honest businessmen who talk straight. This assures you of one of the most important elements in any deal — confidence.

3. **Fine Cars, Fairly Priced** — if you can get a better deal — either from one of us or any other dealer — on similar type cars, we'll tell you to take it. We may have to swallow a lump in our throat, and we'll probably advise you to look at all angles of the deal, but we'll have to admit the fairness of your viewpoint. But we're confident enough in our individual pricing policies to feel that deal for deal we will match

or better any other dealers — particularly Detroit dealers.

4. **Good Service** — we are fully aware that service is one of the most irritating aspects of car ownership. People are only human, mistakes are made and customers get impatient. We are determined, individually — and we have each talked to our people — that we will do our human best to give you prompt, courteous and efficient service — priced as low as our costs permit.
5. **Used Cars** — We serve many customers by running good used car departments. We will continue to do so. We will give as much care and consideration to a used car customer as to new. All customers are citizens of the North Oakland Community.

The independent view

There are some nice young people at St. Daniel's Church. Saturday, October 21, they'll be conducting a car wash and bake sale to raise \$200 which will help send a young muscular dystrophy victim to his Star-Trek fan club convention in Detroit. The church religious education classes will conduct the car wash at the Village Parking Lot and the bake sale on Rudy's lot next to The Clarkston News.

Bathtub grout has assumed new importance in Supervisor Gary Stonerock's life. He came to the Independence Township Democratic rally Saturday night with a false tooth held in place by the only adhesive at hand. The tooth, dating from an accident shortly after high school days, held firm up until Saturday when he was out campaigning for reelection. He talked it out, he thinks.

It may take longer than the Drain Commission originally thought, but work

Please give

Dear Editor:

As vice chairman of Independence PAUF drive this year, I would like to encourage all your readers, when contacted by our many volunteers to give their fair share.

Those new residents in our area can call Shanna Nadolsky (625-2837) and new businesses can call Carolyn Fitch (625-4828 after 5 p.m.) if they have not been contacted and wish to donate.

PAUF is working in Independence Township helping such agencies as:

1) Salvation Army branch in our area, enabling them to have many fine programs including an excellent Senior Citizens' program once a month.

2) Independence Citizens Recreation Committee.

3) Through independence center it services some of the volunteer agencies such as Catholic Social Services of Oakland County and Family and Children Services in Oakland County.

These are a few that involve our community not to mention that we are affected many times by any one of the other 55 vital community agencies such as Red Cross Blood Donor, Kidney Foundation of Michigan, Michigan Cancer Foundation, Michigan Heart Association, to name a few.

And may I please reiterate — please give your fair share when called!

Thank you,
Adele Powell,
Vice-Chairman
Independence PAUF

is going ahead to alleviate flooding on the Dixie Highway below Walton Boulevard. It turned out that it wasn't that the pipes were clogged, but that somebody had removed them, sources said. The lake which forms over the highway after any light must has plagued Clarkston area motorists for a long time.

Ethel Vandawaker, Mrs. Harold Bauer and Tom Boothby make plans for October 26 when Boothby's at Dixie and White Lake Roads will turn over all proceeds from the day's sales to Dorcas Circle of Clarkston United Methodist Church's WSCS.

OES to install

Austin Chapter No. 396 Order of the Eastern Star of Davisburg will install officers for the coming year at 8 p.m. Friday, October 20, at the Masonic Temple in Davisburg.

Mrs. George Kidle of Union Lake will become Worthy Matron; Harold Vines of Davisburg, Worthy Patron; and Mr. and Mrs. David Wood of White Lake will be installed as Associate Matron and Associate Patron.

Other officers to be installed are Rosalee Conklin of Davisburg, conductress; Carol Jones of Holly, associate conductress; Edith Tower of Davisburg, secretary; and Mrs. Harold Vollink of Holly, treasurer.

YES, WE OFFER YOU THE OPPORTUNITY TO DO ALL THESE.

As developers of Northern Properties since 1968, we now have parcels available in minimum of 1 acre in size with at least 150 feet of frontage and best yet, it's less than 2 hours from home.

Adjoins to approx. 70,000 acres of state land with THREE LAKES, finest of DEER HUNTING and no limit of SNOWMOBILE and BIKE trails.

LOCATED 16 MILES NORTH OF GLADWIN ON M-18 IN VILLAGE OF MEREDITH.

Call Royal Oak, 313-576-2620 or Meredith, 517-426-8097

MEREDITH RESORT PROPERTIES, INC.

Sports

Democratic Sheriff's candidate Johannes F. Spreen has accepted the invitation of the Clarkston Rotary Club to address the group at its Monday, October 23, meeting.

Club officials said a similar invitation had been extended to Republican Leo Hazen, also a candidate for the office of sheriff. They said Hazen had failed to respond.

Cub Scout Pack 134 will attempt to recruit new members during its parent-get-acquainted meeting at 7:30 p.m. Thursday, October 26, at North Sashabaw School.

SPORTS Go-Round

by Jerry Savoie

Ever hear of Roquepine? She is a horse and was at one time known as the most exciting race horse in the business. Roquepine is a French mare who retired in 1969 as the world's best moneywinner. How did she do it? By winning the Prix d'Amerique, a European prize, three times, and by trotting away with Roosevelt's International twice! She was a beautiful trotter. Now it remains to be seen how her progeny will perform.

You'll get top performance from the expert crews available for installing everything sold at SAVOIE INSULATION CO., 64 S. Main St., 625-2601. Handling all kinds of aluminum siding jobs, we invite you to call for a free estimate at your home. The do-it-yourselfer can consult Dick Dixon, our siding expert, for advice and information. Open: 7:30-5:30, Mon.-Fri., 8:12, Sat.

HELPFUL HINT:

An inch or two of candle can substitute very well for a lost cork. Soften the wax to fit it tightly.

Former school chief dies

Wallace Ridgley, 65, superintendent of the Clarkston School District from 1949 to 1951, died October 12 at Adrian.

He was a graduate of Western Michigan University, Kalamazoo, and received his master's degree from the University of Michigan.

Having retired as a teacher in 1971 from the Blissfield High School, his career spanned a superintendency at Hopkins as well as teaching jobs at Plainwell, East Detroit and Hudson.

Surviving are his wife, Adina, and daughter, Mrs. Carolyn Krebs of Toledo. Funeral services were Sunday in Blissfield.

Men in service

U.S. Air Force Lieutenant Colonel Victor H. Lipsey, son of Mr. and Mrs. James O. Lawrence of Clarkston, has received his second through sixth awards of the Air Medal at Maxwell AFB, Ala., for air action in Southeast Asia.

Colonel Lipsey, who holds the aeronautical rating of command pilot, was cited for his outstanding airmanship and courage on successful and important missions completed under hazardous conditions.

He is presently attending the Air War College, the Air Force's senior professional military school, at Maxwell. The 10-month university level course

prepares senior officers and specially selected civilians for higher command and staff positions by developing an understanding of military strategy in support of national security policy.

Colonel Lipsey, who entered the Air Force in June 1954, was commissioned in 1955 through the aviation cadet program.

His wife, Annette, is the daughter of the Rev. and Mrs. W. H. Jackson, Sr., 45 Harvard Place, Abilene, Tex.

Cars of yesteryear meet in Springfield

By Betty Hecker

The bright autumn sun glinted and sparkled on the polish and chrome of over sixty vintage cars Sunday, on the annual Fall Color Tour of the Veteran Motor Car Club of America.

After leaving Royal Oak Sunday morning, the Southeastern Michigan members of the VMCCA toured Oakland County, meeting in Springfield Township at the Springfield-Oaks Youth Activities Center for a picnic and afternoon of entertainment.

A barbershop quartet and the Franklin Village Brass Band sang and played music of yester-year for over 200 members of the early 20th Century car club.

Purchase all your OFFICE SUPPLIES at the Clarkston News Office, 5 South Main, Clarkston.

by Bob & Marvel White

If you are buying a house up to resale, there may be a mortgage on the property already. Taking over the mortgage on a house can save a good deal of money. This is especially true if the mortgage was made at a lower rate of interest than the current rate. You would also be able to spare the expense of getting a new mortgage. If you assume an existing mortgage, you alone are responsible for payment.

The knowledgeable staff at BOB WHITE REAL ESTATE, 5856 S. Main St., 625-5821 can assist and advise you in the financial details of obtaining a mortgage. We do all the processing for a mortgage and keep you informed on its progress. Also experienced in land development, we can aid you in developing your load, no matter how large or how small. 24 hour answering service. Open: 9-8, Mon.-thur.; 9-6, Fri., Sat.; 12-5, Sun.

HELPFUL HINT:

If you assume a mortgage, make sure that the rate of interest stays the same.

America's finest architectural heritage revisited...

Just beyond the Village of Clarkston on Greene Haven. The authentic architecture has been carefully preserved in the New England tradition. Much of the appeal of the early New England Colonial farmhouse stems from the apparently almost unplanned rambling character imparted as each generation made its interesting additions to the original homestead. It is this extenuation of an appeal that tugs at the heartstrings through three centuries of time. If you're thinking of building, consider us first...

Queen Darla Hoopengartner finds she's the one to reign over Homecoming festivities October 20 and 21. Her senior maids are Debbie Sartell and Alice Marshall. Joel Griffiths, Steve Ogans and Ken Johnson had the attendant honors.

Recreation report

A total of 301 youngsters became more proficient in the water this summer as a result of Independence Township Recreation Department's swimming program.

Five instructors taught classes at Deer Lake Beach, Sunny Beach and the pools of Dr. Al Hamilton and Del Lohff, the department's summer report shows.

The water at Deer Lake Beach was enjoyed by 569 families who purchased keys to the beach. Average daily attendance was figured at 350 to 450 people with the figure growing to 450 to 600 on hot days.

A total of 97 were involved in the tennis program — in lessons, on teams and playing in tournaments.

An average of 781 youngsters each week took part in the eight-week summer playground program under the direction of 15 full time and five part time supervisors.

The kids took part in cheerleading, softball, a bike rodeo, doll and dog shows, treasure hunt, bubble gum contest, junior olympics, pet show and arts and crafts activities among other things.

In the eight-week baseball program 773 youngsters eight to 15 years of age played on 49 teams before a total attendance of 9,000 people. Some 46 games were played each week, making 368 games during the season.

Voter transportation offered

The Clarkston Area Jaycees in cooperation with independence center will do everything possible to make getting to the polls easier for voters who have transportation problems.

Free rides will be provided by the Jaycees for the physically handicapped, senior citizens or those voters who have a transportation problem on election day, November 7. Any registered voter in the township unable to vote for any of the above reasons can request transportation. To arrange for emergency transportation, call Mrs. Alice Salzano, independence center coordinator, at 673-2244 between 9 and 4 daily.

SPRINGFIELD TOWNSHIP SUPERVISOR CLAUDE TRIMS CHOICE

ALICE DAVIES FOR COUNTY COMMISSIONER DISTRICT 2

CLAUDE TRIM SAYS:

Springfield Township needs a County Commissioner who knows the special problems and needs of our township, and who can offer constructive help and leadership.

As the people of our township know, I am very concerned with the present assessing procedures. To sum it up, it amounts to high taxes and few services to our rural areas. Western Oakland County deserves its fair share of county services for its tax dollars.

I am convinced that Alice Davies is the best qualified person to represent us and the township on the Board of County Commissioners. She has experience and a record of accomplishment in public office. She is able to listen to others, and then take the action required by each

given situation I believe her judgment, intelligence and integrity can be trusted.

In short, I ask you to join with me to elect Alice Davies as County Commissioner in District 2.

YOU AND ALICE DAVIES CAN MAKE A DIFFERENCE

Withhold payment?

Special meeting

Twp. miffed at sheriff

By Pat Braunagel

The Independence Township Board is threatening to withhold payment for police protection until it is better satisfied with the service the township receives from the Oakland County Sheriff's Department.

Being used as a lever to obtain satisfaction from the sheriff's department is a bill for more than \$12,000 for three month's service from the county police unit.

Board members are miffed that the two squad cars which cover the township do not bear Independence Township decals and that, according to the complaint of a resident, the sheriff's department denies having a decibel meter which the township purchased for use here.

Discussion of the complaints at Tuesday night's board meeting was prompted by a letter from Mrs. Kathryn Kluesner, 7350 Pine Knob Rd., who said she had requested the decibel meter Oct. 4, the day of the last summer concert at the Pine Knob Music Theater. She was told by sheriff's deputies that they had no such meter, she said.

Supervisor Gary Stonerock added that he had had "absolutely no response" to requests for the township decals on squad cars.

The board voted 4-1 not to pay the sheriff's department bill received Tuesday night for services during August, September and October until the two matters are cleared up.

Casting the dissenting vote was Trustee Tom Bullen, who commented he was concerned the police unit "would withhold service over a couple of decals and a decibel meter."

In other action, the township board forewarned Pine Knob operators that it

will keep its eye, and ear, on rock festivals at the music amphitheater next summer.

Reacting to newspaper stories that more youth-oriented programs are planned at Pine Knob for next summer, the board passed a resolution that it would consider seeking a restraining order against the theater upon the petition of area residents.

"I think we should be on record that we will not put up with any nuisances," Stonerock said. "And we should let (music theater proprietor Joseph Z.) Nederlander know in advance."

Board members also arranged a meeting between Pine Knob and township attorneys to discuss the status of rezoning for the entire Pine Knob complex.

In approving the rezoning for the proposed \$60-million residential, recreational and commercial development, the board was assured in April that scenic easements on the site would be deeded to the township.

These easements are forthcoming when site plans have been completed, the board was told by a Pine Knob spokesman Tuesday night.

A move by Independence Township Supervisor Gary Stonerock to add a one percent collection fee to township property taxes was rebuffed by his colleagues on the township board Tuesday night.

"The law provides for this, although we have never done it," Stonerock said. "All cities and some townships do."

He noted the township would net some \$30,000 from the fee.

"We have one of the lowest tax rates of any township in the county," he said.

"We're not extravagant, but right now we're fighting some very important

battles."

Commenting that the fee would amount to nearly a half mill in the Clarkston School District, for instance, Trustee Bullen said, "If we can't live within our budget, then we should cut it."

"We have two choices - to raise taxes or cut expenses. I'm for cutting expenses," he said.

"I can't see penalizing taxpayers for paying taxes," said Township Treasurer Kenneth Johnson, who joined Bullen, J. Edwin Glennie and Keith Humbert in opposing the suggestion.

By Pat Braunagel

Street name changes, an employe contract and a wetlands ordinance will be considered at a special meeting of the Independence Township Board Oct. 27.

The session will begin at 7 p.m. with a public hearing on street name changes throughout the township, most of which are aimed at ending duplication of names.

Board members then will consider ratification of a union contract with township employes and a proposed wetlands ordinance.

The contract, the first for township employes, was ratified by the union Monday and was to be considered at Tuesday night's township board meeting. However, the item was tabled to allow board members and Township Attorney Richard Campbell time to review the agreement.

Big 35-8 win for Wolves

By Craig Moore

Clarkston's Varsity Wolves put on an impressive offensive show and rambled to a 35-8 victory over the Clarenceville Trojans, Friday.

The Wolves took hold of the game early in the first quarter when Dave Partlo ran an amazing 82 yards into the end zone to score the first Clarkston touchdown. The extra point kick was blocked and the Wolves led 6-0.

Minutes later, two points were added to the Clarkston score for a safety. Fred Willocyx tackled the Clarenceville punter in the end zone for the safety.

Sophomore Mark Blumeneau scored the first of his three touchdowns in the second quarter on a 4 yard plunge across the goal line. Ken Foster's kick for the extra point was blocked.

Tom Anderson grabbed an 8 yard touchdown pass and Foster kicked the extra point to give the Wolves a 22-0 lead at the half.

Blumeneau scored twice in the second half for Clarkston.

In the third quarter, the aggressive Clarkston offense advanced to the Clarenceville 7 yard line with Blumeneau gaining the needed 7 yards to score.

Blumeneau romped into the end zone for a third time in the game during the fourth quarter, this time from 10 yards out. The kick failed and Clarkston had a 35-0 advantage.

Clarenceville took the major portion of the game to put together their fumbling offense, but the Trojans finally started to look alive in the fourth quarter and Clarenceville scored a touchdown on a 32 yard pass. The extra point conversion run was good and the score held Clarkston 35, Clarenceville 8 for the remainder of the game.

A look at the game statistics confirms Clarkston's overwhelming domination of the game.

The powerful Wolves' ground game massed 326 yards and the Wolves gained 57 yards passing. Clarenceville moved 51 yards on the ground and 65 yards in the air.

Father-son football trip

A father-son football trip October 28 to see Michigan play Minnesota is being promoted by the Independence Township Recreation Department.

Tickets are \$5 each. The bus will leave Waterford Township High School at 11 a.m.

Those interested may sign up at the township recreation department, 90 North Main, Clarkston, or call 625-8223.

Clarkston intercepted 3 Clarenceville passes and grabbed 2 Trojan fumbles. The Wolves were forced to punt only once in the game.

The victory boosts the Wolves' season record to 2-3 and gives Clarkston a 1-2 league record.

Clarkston plays its toughest game of the season Friday, October 20. The Wolves' Homecoming game against the Wayne-Oakland League leading West Bloomfield Lakers starts at 8:00 p.m.

Flag football underway

Kevin Hanson led all players with 19 points on touchdown runs of 30, 20 and 15 yards in Saturday morning flag football, sponsored by the Independence Township Parks and Recreation Department.

Ron Davis, Kim Allen and Eric Moffat each scored twice as the 10 teams racked up 18 touchdowns. Gerald Ruelle, Pat Noonan, Tom Brand, Ken Temple, Dave Lewis, Jim Vaermilar, Neil Haven, Rayne Trim, and Russ Shedd all scored touchdowns and Mike Bertling scored 4 extra points.

The Pee Wee League (grades 1-2-3) has six teams playing each Saturday at 10 a.m. at the Junior High field and four Midget (grades 4-5-6) teams play at 11 a.m. The program will last four more weeks and boys can still join by sending the registration fee of \$3.50 to the recreation office or by coming next Saturday.

The teams are coached by high school football players and school athletes.

GAME RESULTS:

PEE WEES

Richardson's Lions 18

CAP gets airport headquarters

The Oakland-Pontiac Airport Commission has made space available for a Civil Air Patrol office at the airport. Located in hanger 3, the one-room office will be used by Civil Air Patrol units in northern Oakland County.

Captain Gerald A. Lawrence CAP, who

requested the space from the commission, stated that "office space for CAP use at the airport will benefit Civil Air Patrol's search and rescue program by allowing Oakland County Group to base a headquarters at Oakland-Pontiac Airport if a search mission includes this area."

Senior powderpuffers clobber the juniors

Powderpuff football was serious business Saturday as senior girls beat the juniors.

Somehow girls in football gear still don't look the same as boys.

By Roger Zander

The annual Powderpuff football game between the senior and junior girls ended with the somewhat lopsided score of 30 to 0.

The juniors, although they worked hard in preparation for this game, were no match for the mean and determined seniors. The tough offensive line of the seniors provided the protection for the swift and coordinated backfield.

The first quarter was scoreless with the junior girls gaining only 1 yard in the whole period. The seniors advanced to the juniors' 25 yard line on a run by Sunni Jones and on the first play of the second quarter Cindy Booker scored the first touchdown.

The juniors' only real scoring threat was in the second quarter when they moved to the 16 yard line. However, the hard rushing defense stopped them cold at the 15. The first half ended with the senior powderpuffers ahead 8 to 0.

In the third quarter, Jan Johnson ran back the junior kickoff, but the seniors were penalized to their own 25 for clipping and then lost another 15 yards for offensive holding. Two more clipping penalties nullified the yardage gained by Cindy Booker and Sunni Jones. Debbie

Gibbs started the girls rolling again with a first down on the 48 yard line. Then Sunni Jones ran to the juniors' 27 and Booker powered down to the 17 for yet another first down. Cindy made the score on a 14 yard dash and Jan Johnson ran the conversion.

The junior girls never had possession in the entire third quarter.

In the beginning of the fourth quarter, the juniors had to punt on 4th down and 28 to go. Cindy Booker returned the punt to the 11 yard line and Jan Johnson ran the ball in for the seniors' third touchdown.

Late in the game the junior girls had another scoring threat stopped when Judy Swanson intercepted a pass. The seniors capitalized on this when Cindy Booker scored her third touchdown on a 27 yard run.

This year's flag football spectacular proved just how great the Class of '73 is. Better luck next year juniors!

BODYBUILDING

Bodybuilding, volleyball and basketball will be offered in a Men's Gym class sponsored by the Township Recreation Department from 7 to 9 p.m. Tuesdays at the Clarkston High School gym through December 5. The fee is \$8.

**PRESENTING THE NEW '73 SNOWMOBILES
AT THE "WINTER SPORTS FUN SHOW"**

THIS WINTER ...

break away on a Brut.

**IT'S THE ROLLS-ROYCE OF THE
SNOWMOBILES**

TWO BEAUTIFUL BRUTS

No compromise. That's Brut. We build it to give you everything you want in snowmobile performance and reliability as standard equipment. Brut's liquid-cooled engine all but eliminates the fouled plugs and vapor lock grief you get with air-cooled engines which operate over a wide heat range. Because our Brooten engine operates at a constant temperature, you don't have to worry about seized pistons, either.

It's simply a precision machine.

the liquid-cooling concept

Why break away from the air-cooled tradition? Brutanza has started a liquid-cooled revolution. And here's why. Snowmobiles operate under a wide range of outside temperatures. Anywhere from 30° below to 50° above zero. And air-cooled engines just can't adequately compensate for these changes. That's why they eat plugs, vapor lock and seize pistons on you. But it's all the same to a Brut. Our Brooten engine runs forever at a constant cylinder head temperature maintained by a liquid-cooling system thermostatically controlled at 180° (±4°). And that means your Brooten engine will put out its maximum power over extended periods of high-rev running and it will live longer than air-cooled engines.

THE
BROOTEN ENGINE

Nature Center seeks young naturalists

Three clubs, designed for youth six to 16 years of age, are being formed by the Drayton Plains Nature Center, 2125 Denby Rd.

A Youth Nature Club for youngsters six to eight, limited to a membership of 40, will explore the wonders of nature at 15 meetings starting Saturday, October 28. A study of seeds, capped off by a hayride and apple carving contest is scheduled for 12:30 to 3 p.m. that day at the center.

The group will meet every other Saturday through June 3. Field trips, stories, games and special movies will be featured.

Children nine to 12 years are invited to participate in "Nature Experience" programs throughout the year designed to give them a variety of experiences.

Chiefs win 2 of 3

The Independence Township Chiefs traveled to Waterford Mott High School Sunday to play the Lakeland Corsairs and won two of their three games.

The freshmen won 20-0, the Varsity 19-6, and the JV lost 20-0.

The Chiefs entertain the Troy Panthers under the lights at Clarkston Senior High School football field Saturday, October 21, beginning at 6 p.m.

Tickets are still available for the snowmobile raffle to take place November 5. The Independence Township Athletic Association is sponsoring the raffle to help pay the expenses of the team.

The second annual dinner honoring the Chiefs players and cheerleaders will be Thursday, November 9, at Waterford Mason Junior High. Joan and Bob Pearson are co-chairmen.

Knowledge of the environment and the natural history of the Southeastern Michigan area.

Membership is limited to the first 20 who apply at the center.

Pioneer life will be explored in three meetings beginning at 9 a.m. October 28. Children will make butter, ice cream, natural dyes, candles, learn how to split rails, rive boards, hew logs, make apple and corn husk dolls and other pioneer toys and games. They will be served dried meats and fruits, homemade and sourdough bread and other pioneer foods.

Other succeeding sessions will be devoted to rocks and fossils, birds, winter nature study, ice fishing and weather.

Young naturalists for children 13 to 16 years of age will be taking part in a trip to the Detroit Zoo, a special course in Nature Photography, run a maple sugar operation, go on a three-day campout and a 30-mile bicycle hike.

To become a member of the Young Naturalist Club, a student must be from a family which is a member of the Drayton Plains Nature Center. The fee is \$25 per year or \$15 per semester. Enrollment is limited to the first 30 who apply.

Largest in state

MG Sales at 4667 Dixie Highway, Drayton Plains, is the largest Rupp dealer in the state, carrying 11 different Rupp Snowmobile models.

Best sellers are the Rupp Nitro, a high performance machine for speed, and the Rupp Yankee, a family machine.

MG also carries seven models of Suzuki snowmobiles and a full line of winter sportswear and accessories.

All types of snowmobiles are serviced in their large service department.

CJH loses to Waterford

The Clarkston Junior High Wolverines dropped games to Crary Junior High and Mason Junior High on the last two Wednesdays. After winning their first two games, this evens their record at 2 wins and 2 losses.

On Wednesday, October 4, Crary defeated the Wolverines 44-14. Both teams played fairly even ball through the first half, but Crary took charge for the win in the second half. Clarkston's leading ground gainer was Wayne Thompson with 106 yards. The

Wolverines' two scores were made by Thompson and Mike Fahrner.

On Wednesday, October 13 the Wolverines suffered their second loss of the season to Mason Junior High by a score of 32-12. Clarkston's two scores were made by Larry Bennett and Tom Bosquez.

The Wolverines' next host-home game of the season is this Wednesday, October 18, against Walled Lake Western. Tickets are 75c at the gate. Game time is 7:00 p.m.

The William Allen family of Buffalo get together up north.

Snowmobiling in the Manzelona and East Jordan area.

Local golfer runner up in national tournament

By E. J. Leonard and Terry Thomas
Evan J. Leonard of 6341 Waldon Road, Clarkston, was runner up in the recently held Hale Open National Golf Tournament at Fort Wayne, Indiana. Jake, who started the back nine 2 strokes down, electrified the crowd with an eagle on the 575-yard 10th hole which set the pace for the field. The eagle pulled Jake even with defending champ Big "T" Thomas.

Big "T" finished the front nine with a brilliant 32 tying the course record previously held by Julius Boros. It was obvious to the crowd at this point that favorite Carl Birkelo, pro at Butte Country Club, Butte, Montana, had faded from contention.

Going into the 18th hole, the two local golfers, Thomas and Leonard, and Chuck Voller, pro from Cincinnati Golf Club, were tied for the lead. Voller bogied the last hole while Jake sank a 40 foot putt for a par. Big "T" Thomas chipped in from 10 feet off the green for a birdie and the championship.

Chuck Hadden and Paul Rice finished 1 and 2 in the Pro-Am division bringing more fame to the local area.

Because of local interest in this national event, we are publishing scores of other area golfers.

Champion - Terry Thomas, 73, 1 under par. Runner up - Jake Leonard, 74, even par.

OTHER RESULTS

Jerry Anderson - 75, 1 over. Hal Ford - 80, finished 37th. Al Hamilton - 81, finished 38th place.

Gary, Arnie, Billy, Jack, Lee and Ron LePere were no shows.

VILLAGE OF CLARKSTON

Minutes of Regular Meeting

Village Council

Oct. 10, 1972

Meeting called to order by President Johnston.

Roll: Present - Auten, Basinger, Jones, Tower, Weiss, Wilford. Absent - None.

Minutes of the last meeting were read and approved.

Moved by Jones that the following bills be paid:

P. E. P. Wages	\$870.07
Municipal Services	498.48
Police Dept.	592.74
Clarkston News	75.80
Administration	510.50

TOTAL \$2547.59

Seconded by Tower. Roll: Auten, aye; Basinger, aye; Jones, aye; Tower, aye; Weiss, aye; Wilford, aye. Ayes, 6. Nays, 0. Motion carried.

Mrs. Savallisch was present to make some complaints about the gas station near her property, located on M-15 and Clarkston Rd. Among her complaints were the weeds surrounding the gas station property, the late hours that it was being kept open, and the unattractive appearance of the property. President Johnston mentioned that the gas station is a non-conforming use of the property. Trustee Jones recommended that a representative of the Clarkston Police Dept. and the Village Fire Marshall inspect the gas station for any possible violations. The Council agreed that this would be done as soon as possible.

Sgt. Jack McCall of the Clarkston Police Dept. gave a report to the Council regarding the need for some new policemen to replace four men that had to resign recently. They were going to be interviewing five applicants, which would bring the Police Dept. strength up to 11 men. The Council felt that this would be necessary, due to the increased amount of complaints of violations that the Police Dept. has been receiving recently. Purchasing a Radar Unit to control the speeding problem on M-15, Holcomb Rd. and Clarkston-Orion Rd. was also discussed, but no action was taken at this time.

Trustee Jones mentioned that the Council had received three bids for tree trimming and removal that ranged from \$1100.00 to \$1650.00. A tree care program was discussed.

Moved by Tower to accept the low bid of \$1100.00 from Johnson's Tree Experts, Inc. in Rochester for tree trimming and tree and stump removal. Roll: Ayes - Auten, Basinger, Jones, Tower, Weiss, Wilford. Nays - none. Motion carried.

Trees and landscaping for the Village Parking Lot were also discussed. Moved by Basinger that the Village of Clarkston concur with the Open Space Policy for the Oakland County Planning Commission, namely Growth Policies 2.01 through 2.08. Seconded by Auten. Roll: Ayes - Auten, Basinger, Jones, Weiss, Wilford. Nays - Tower. Motion carried.

It was mentioned that the next Village Council meeting will be held at the Independence Township Hall on Oct. 24, due to the Clarkston Police Dept. needing the Village Hall on that date.

The Council discussed hiring Johnson & Anderson, Inc. as an alternate Village Engineering firm.

Moved by Weiss to appoint Johnston & Anderson, Inc. as our alternate engineer based on their present fee schedule. Seconded by Wilford. Motion carried unanimously.

Trustee Auten presented sketches to the Council of a proposed new Village Hall. He mentioned the possibility of having a large building that could be rented out for weddings, parties, etc. The need for such a place in this area was mentioned, as well as the Village's need for more administrative and storage space. No action was taken.

Meeting called adjourned by President Johnston.

Nature study the easy way

Members of Clarkston Junior High School's two sixth grade classes come down the hill behind the Clarkston United Methodist Church bent on a nature hunt and cleanup campaign. The students collected leaves and freed the stream on the other side of church property from assorted cans and bottles.

Mrs. Clarence Johns, Mrs. Frank Roselli and John Mathews use a book to identify some leaves collected by the students.

Sixth grade boys found good picking in the creek. Pop cans, beer bottles, even an old rummage sale sign were retrieved.

Lisa Gieger studies a leaf.

Janice Adams thinks it might be a rhubarb leaf.

Sally Sobocinski collected a whole boxful of garbage.

Preparing for winter

The Nature Center Organic Club will meet at 7:30 p.m. Wednesday, October 25, to hear J. M. Lendway of the Royal Oak Organic Club, discuss winter vegetable storage and preparing for winter. The group meets at the Drayton Plains Nature Center.
