Residents must repair damage

Heavy weekend rain washes out private roads

By Marily Trumper

Residents living in homes on O-aw-wen-sa and Tiohero roads in the northeast section of Independence Township are losing their roads.

Following Sunday's hard rainfall, sections of roads in that area are washing out, leaving electrical wires exposed and four-foot deep caverns.

Sunday afternoon, residents on O-aw-wen-sa had not finished staking \$950 worth of sod, when the rain stormed the ditch, washing away their work and money.

"It's all gone," said Francie Rieser, a one-year resident of her home on 5095 O-aw-wen-sa. "I've been in a catatonic state, I can't scream or yell, I just stand there."

"I've gotten over some of it since the sod man said he would bring out more dirt and sod without charging us, but we still have to do the work," she said.

The side roads leading off Algonquin are all private roads, which means its up to the individual property owners to maintain and not the county.

"These roads were platted in 1926, and engineers must feel they've been brought up to code, but drainage is not what it should be and I'm not satisfied. The answers I'm getting in regards to road up-keep and our responsibility are not good and I feel we're getting ripped off," she said.

There is a homeowners'

association in which 80 percent of the residents are members, said Coleen Waananen, who lives at 5051 Tiohero. Her husband Raymond is chairman of the road committee in the association.

"Residents are asked to pay an annual fee of \$135 for road repair and maintenance, but not everyone has it written into their land contract that they must belong," she said.

"Only about 10 to 15 people have that written into their contract, and all the others donate money on a volunteer basis," Francie said. "Most of our money goes to maintain Algonquin so that we can get mail and bus service out here."

"Algonquin has had so much oil poured on it this summer it looks like a paved street, we spent \$2,300 on that road," Coleen said. "And dues this year have not been paid on time because so many people are out of work."

Adequate draining of the private roads has not been provided in the opinion of Coleen, and that, she said, would eliminate the problem.

To have the job done right, Coleen said gravel would have to be placed inside the caverns to keep the sand from washing away.

"We would gladly turn our roads over to the county, but first we would have to bring them up to code and that would cost thousands and thousands of dollars and we don't have it," she said.

"The electric company said they would put in just enough to cover the wires, and that the rest is our responsibility. We don't have the money to do our own plowing and grading let alone this repairing," she said.

As of Monday, sections of Tiohero were blocked off to prevent cars from falling into the caverns and electrocuting

drivers. Neighborhood children are being kept indoors to prevent the same thing.

And no one is sure when repairs will begin on the roads.

"My next step is to call the county. Representative William

Broomfield said to call the county, and see if the area can be declared an emergency.

"If we can do that, we'll be all right," Coleen said, "at least for the time being."

-(Photo on Page 3)

Village appoints new commissioner

Laurie Stern of 22 E. Church Street, Clarkston, has been appointed to serve a two-year term on the Clarkston Planning Commission.

Stern, co-owner of Country

Greens, 25 South Main Street, Clarkston, was approved unanimously by the Clarkston Village Council Monday night to replace Steven Himburg who recently resigned and moved to California.

In downtown Clarkston

Sidewalks to get facelift

Bikers, walkers and shoppers can look forward to revitalized and brand new sidewalks in the Village of Clarkston.

Clarkston's Village Council voted unanimously Monday night to hire Guinn Construction of Lake Orion for the construction of approximately 1,250 feet of new sidewalk and to replace 117 feet of deteriorating sidewalk.

The bulk of the \$10,300 fee

will be paid for with Community Development funds, said Richard Adams, council member.

"We already have \$9,500 to pay for the sidewalks with community development funds," Adams said.

At that same meeting, the council unanimously approved supplementing the community development funds with \$500 specifically itemized in the

village's budget for sidewalks, and with \$300 from the village's general fund budget.

All that is left to do is for a village representative, a construction representative and someone from community development to sit down and draft an agreement, and construction will begin after that, Adams said.

Adams could not speculate on a construction date.

Balloon bonus

Helium filled spheres of color were just the right ending for SCAMPers' morning warm-up session held on Thursday, which included the launching of a hot air balloon from the grounds of Sashabaw Junior High School. For more photos of the event see page 40.

Springfield Oaks to host 4-H fair

Everything from aerospace to cooking to sheepculling will be featured at the Oakland County 4-H Youth Fair coming to the Springfield Oaks Youth Activities Center Aug. 3-9.

"The work is the culmination of many of the year's activities," says Georgina Cunningham, 4-H program assistant.

About 7,500 different projects will be on display, the handiwork of some 1,000 to 1,200 youths aged 9 through 18.

Traditional exhibits in areas such as livestock, horses, wood working and sewing have been

joined this year by wilderness survival, bicycle safety, conservation, photography and many other topics.

Special events are scheduled throughout the fair, including Kiddie's Day on Wednesday, featuring a clown workshop, reduced carnival ride prices and a visit by McDonald's Ronald McDonald.

A demolition derby highlights Thursday's activities, and Fri-

day a livestock auction will be featured.

Carnival rides will be held every day. Admission to the fair is free, although parking costs \$2.

The fair will run from 9 a.m. to 11 p.m. each day at the activities center, located on Andersonville Road at Hall Road in Springfield Township.

More information may be obtained by calling 858-0892.

Smoother voting

In a move intended to eliminate long waits at the polls in November, the Springfield Township board voted unanimously earlier this month to purchase two additional voting machines for the township.

We've determined not to have a repeat of what happened in 1976," said Collin Walls, Springfield Township supervisor.

"Some people had to wait as long as two hours to vote and

that was with a 50 percent turnout."

The board had the option of purchasing new machines for \$2,700 apiece or rebuilt models for \$1,650. The decision to go with the rebuilt machines was prompted by the money it could save the township, said Walls.

The warranty was almost the same for either the new or the rebuilt machines. Our primary concern then, was the money we would save," he said.

Independence ZBA turns down hotel requests

Pine Knob's \$30 million lawsuit to resume in Oakland County Circuit Court

By Marilyn Trumper

Whether Pine Knob will sport a proposed 20-story ski-run roof hotel is a decision now out of the hands of Independence Township governmental bodies, and back into the jurisdiction of the Oakland County Circuit Court.

Without discussion and in unanimous agreement on July 23, the Independence Township Zoning Board of Appeals (ZBA), denied a 200-foot height variance request and a 1,000 space parking lot request for the proposed hotel at Pine Knob.

Co-owners of Pine Knob In-

vestment, Joseph Locrichio and Gary Francell, are free to resume their \$30 million lawsuit against the township.

The motion to deny Pine Knob's request came from Jerry Powell, member of the ZBA and township board trustee.

"I move to deny the applicant's requested variance for the following reasons," Powell said to the board and 60-member audience. "First, the applicant has failed to prove hardship or practical difficulty pertaining to the height variance of the proposed hotel."

"The Independence Township ZBA considers this proposed hotel to be a building and not a structure," Powell emphasized, "as defined in Ordinance Number 83. The applicant has failed to present plans for a hotel on their property while staying within the 35 foot limitation. There appears to be room for such a proposal."

Powell also said a 600 percent variance in height limitations was both unreasonable and unwarranted, and while parking requirements did appear somewhat restrictive, the applicants had failed to

demonstrate they did not have sufficient land to meet the requirements.

"The overwhelming objections of the community at large on the height of the proposed hotel lead this board to believe the hotel, as proposed, would not be in the best interest of Independence Township," he said.

Powell then asked that a proposed finding of facts list, submitted by township attorney Richard Campbell, be included as a part of his motion and entered as a part of the permanent record in the case.

Falling short of the previous week's four-hour long meeting on Pine Knob where attorneys for the township and Pine Knob argued their case, the July 23 meeting was over in 13 minutes.

Co-owner of Pine Knob Investment, Gary Francell, refused to comment on the ZBA's decision following the meeting.

The case now goes before Oakland County Circuit Court Judge Francis X. O'Brien, who will review the record and determine whether or not the township's zoning board acted properly, said township attorney Richard Campbell.

If Judge O'Brien rules that Independence Township's Zoning Board of Appeal's decision was without merit, then Pine Knob Investment will be free to construct the hotel, Campbell said.

However, if that is the case, and the township appeals the decision, a stay proceeding can be asked for in the Court of Appeals to stop construction of the hotel while the matter is being appealed.

Campbell estimates it will be several weeks before the trial resumes in circuit court.

On July 16, in compliance with a circuit court order, the ZBA reconsidered the question of height on the proposed hotel and in addition a parking space variance request of 1,000 spaces for the hotel.

At that time the board agreed to hold its decision for one week, in order to review the township's parking ordinance and other information.

At that time, Joseph Locrichio, co-owner of Pine Knob Investments, said that he would build a 450 foot ski run without a hotel, if he was denied use of his land for the proposed 20-story hotel.

Police log

Tuesday, a car parked in the driveway of a home on Dixie Highway, Independence Township, was broken into.

Thieves smashed the left rear window and took a camera and case with an estimated value of \$400, according to police reports.

The two left wheels and tires were stolen from a car parked in the lot of Rademacher Chevrolet, 6750 Dixie Highway, Independence Township, on Tuesday.

The estimated value of the stolen merchandise is \$64.90, according to police reports.

The front picture window and screen of an unoccupied home on Pine Knob Road, Independence Township, were removed on Tuesday.

According to police reports, officers theorize thieves did not enter the home and were scared off by a neighbor.

A bicycle was stolen from inside a six-foot cyclone fence in the basement of an apartment building on Parview Road, Independence Township, on Friday.

Police reports estimated the value of the stolen 20" PRO-LINE BMX bike at \$495.

Friday, an unlocked bicycle was stolen from in front of Rudy's Market & Sons, 9 South Main Street, Clarkston.

Police reports estimate the value of the blue 26-inch, 10-speed at \$205.

Friday, \$600 was stolen from a home on Pelton Road, Independence Township, and according to police reports, nothing else in the home was taken.

Saturday, Davisburg Hardware, 653 Broadway, Springfield Township, was broken into and thieves took over \$2,275 worth of merchandise, including \$260 work gloves, a generator, several chainsaws, jigsaws, bench grinder and orbital sander.

According to police reports, the thieves entered through the rear basement window.

An unlocked home under construction on Deerhill Drive, Independence Township, was broken into on Sunday, and thieves took a Jacuzzi tub with an estimated value of \$3,000, according to police reports.

The Jacuzzi, previously installed, was ripped out of the wall, reports said.

A Centerline man traveling north I-75 on Sunday, crossed Clintonville Road and his front windshield was shattered with a rock.

Police searched the area for kids seen throwing rocks, but were unsuccessful, reports said.

Sunday, two mail boxes on Pineridge Circle, Independence Township, were destroyed by vandals.

Cost to replace the broken mailboxes is estimated at \$40, according to police reports.

Sunday, an unlocked van parked in the driveway of a home on Frankwell Road, Independence Township, was broken into and thieves took a radio, speakers and console valued at \$450, according to police reports.

Sunday, an unlocked garage on Allen Road, Independence Township, was broken into, and thieves took two BMX bicycles with a combined estimated value of \$600, according to police reports.

The above information was gathered from Oakland County Sheriff's Department police reports.

Cables passing 13,200 volts of electricity rest at the bottom of the four foot gullies opened in Sunday's hard rain. Residents living on O-aw-wen-sa and Tiohero roads in the township's north-east corner are forced to repair storm damages themselves, because roads in that subdivision are private. (Story on Page 1)

Fire call

July 18

7:25pm—Extinguished car fire on Sashabaw. Fire damage contained to engine compartment.

9:09pm—Extinguished grass fire on Woodhull. Cause of fire is suspicious.

9:53pm—EMS (Emergency Medical Service) responded to a gunshot victim on Pleasantview. CPR was started. Fleet transported to hospital.

July 19

1:56pm—Assisted a woman having chest pains at fire station No. 2. Fleet transported to hospital.

2:24pm—Extinguished wood pile fire at 5238 Mary Sue.

9:30pm—EMS treated a man with his foot cut by a lawnmower at 5119 Eastview. Riverside transported to hospital.

11:00pm—EMS responded to an injury auto accident on Clarkston-Orion Road. Three victims transported to Crittenton by Riverside.

July 20

9:13pm—EMS responded to a 67-year-old women having seizures on Chickadee. Riverside transported to Crittenton.

9:56pm—EMS responded to a 54-year-old man down, not breathing. Upon arrival, found no pulse; started CPR. Riverside transported to Pontiac Osteopathic.

10:21pm—Checked wires arcing in a tree on Clarkston-Orion Road. Notified Edison.

11:30pm—Extinguished trash fire on Waldon Road. Cause of fire was suspicious.

11:52pm—EMS treated a girl with minor injuries sustained in auto accident. No transport necessary.

July 21

12:27am to 2:02am—The fire department responded to and checked the condition of arcing and downed wires at 10 different locations throughout the township. Caused by storm. Edison notified on all incidents.

8:24pm—Responded to automatic fire alarm at Northwest Oakland Vocational Education Center. Alarm malfunction.

9:26pm—Burning complaint on Holcomb. Fire extinguished by the owner. Fire was in violation of burning ordinance.

July 22

12:53am—EMS responded to possible drowning at Pine Knob. Victim out of water at time of arrival. Administered oxygen. Riverside transported to St. Joseph Mercy.

6:47am—EMS responded to a man down because of reaction to medication at Welesley Terrace. Fleet transported to St. Joseph Mercy.

July 23

12:08am—EMS responded to an injury auto accident on Sashabaw. Victim transported by Fleet to St. Joseph Mercy Hospital.

1:25am—EMS responded to injury auto accident at Pine Knob. Victim transported by Fleet to St. Joseph Mercy.

10:49am—Extinguished motorcycle fire on Ennismore. Damage estimated at \$200.

2:30pm—EMS assisted woman complaining of dizziness at Jacob Petty's restaurant.

July 24

12:20am—EMS assisted Fleet with transporting a patient from Pinedale to St. Joseph Mercy.

2:00am—EMS responded to minor injury accident on Pine Knob Road.

10:15am—EMS responded to a kid hit by a car on Waldon Road. Minor injuries treated. Victim transported to Dr. O'Neill's office via Riverside.

3:07pm—Checked burning complaint on Pine Knob Road.

7:39pm—EMS responded to a woman with lacerations to the wrists on Holcomb. Riverside transported.

9:25pm—Checked burning complaint on Tappon Drive. Violation of the burning ordinance.

July 25

3:29am—EMS treated an injured motorcyclist on Clarkston-Orion Road. Fleet transported to Pontiac Osteopathic.

1:02pm—Answered a burning complaint on Waterford Road.

Independence Fire Department has responded to 528 alarms this year.

Letters to editor

Township union employees seek support for contract

To the Citizens of Independence Township:

Independence Township employees have been working without a union contract since April 1 of 1980.

A pact was voted on, but turned down by a vote of 22 against and 3 for. The contract offered was totally unfair and behind the times.

Township officials have received a 41 percent increase in three years, an average of \$7,026 per person.

Union employees have received 15 percent in three years, an average of \$1,910 per person.

We realize the township officials should receive higher salaries because of their responsibilities to the citizens of this township, but the food, gas and clothing they wear cost the same for us.

We feel that the citizens were misled when it was brought to their attention that township employees were given cost of living.

This was brought up at a meeting when township officials were given a raise. Instead of the 7½ percent raise, which was at

the time the president's guideline that year, they received approximately another 10 percent.

This was due to one of the township officials telling citizens of this township that we received a cost of living, but he failed to quote a figure.

We receive a mere \$50 every three months. This means roughly 10 cents an hour. This is not what you would call a cost of living, but township officials used this to better their raise.

Township officials gave back \$200,000 to the taxpayers. With the number of residents in the township, the difference was probably not even noticeable.

Yet this year, they are laying off employees because of lack of money.

This was just another political move on their part because of the upcoming elections.

Maybe just part of this surplus could have been used to keep the laid-off employees working.

These employees keep your park, beach, cemetery, library and other departments looking nice in your township while the elected officials take the credit.

Please support the employees of this township while fighting for a fair contract.

Two Concerned Township Employees

Supports millage

To The Voters Of Clarkston: On the upcoming Aug. 5th primary election, you will once again be asked to vote on a 1-mill tax increase for the Fire Department.

It has been brought to my attention that a defeat of this

increase could mean a possible elimination of the Emergency Medical Service (EMS), although you and I have the final decision on the outcome.

I am strongly in support of the entire EMS program, for without the quick response of the EMS, the Riverside Ambulance Service, and the assistance of Dr. James O'Neill, my grandfather would not be alive today.

It was the prompt, professional medical attention these units deliver that gave my Grandpa a fighting chance against his sudden breakdown.

This is why I write in support of the fire millage increase and strongly encourage you to do the same with a "YES" vote on the Aug. 5th primary election.

Who knows??? Someday it may be your grandfather taking on the fight of his life.

Sincerely,
C. Nicholas Mills
Registered Voter and
Concerned Resident

We stand corrected

Dear Editor:

I was pleased to see your prompt publication of the news of my wedding. It was with dismay, however, that I noted the caption under our picture: "Mr. and Mrs. Thomas Ahonen."

You may recall printing a picture and caption in your July 16 issue describing Mr. and Mrs. Ahonen's wedding.

Perhaps you should take another look at that picture. Although Mrs. Ahonen and I might be conceivably be mistaken for one another if the observer is exceedingly near-

sighted, Mr. Ahonen's hair is obviously as light as my husband's is dark.

I am sure it came as a shock to Mrs. Ahonen to find another man wearing her husband's name...particularly as said man is now married to one of her closest chums.

I have no wish to seem unreasonable; however, as I still have many friends in Clarkston, I do prefer to retain my own identity.

Sincerely,
Mrs. James R. Gibbs

Who are they?

by Kathy Greenfield

There's been a lot of talk about electing candidates who represent "the people" to sit on the Independence Township Board come November. The people.

I've frequently wondered exactly what that term means.

As I've listened to and reported on hundreds of township meetings, I've seen different faces in the audience as a variety of issues have surfaced.

There are regulars, too. Whenever the township board or other governmental body meets to discuss an ongoing concern like any issue dealing with Pine Knob, gravel mining, sewer taxes or police, there are faces always seen and voices always heard.

Reporters don't need to ask their names and addresses, because they know, and so do township board members. Such regulars are frequently addressed by their first names.

Are they "the people?" There's no doubt they have become, in most cases, very effective lobbying forces.

Their viewpoints probably do frequently represent the large groups of "the people," but to say they always do is ludicrous.

When meetings are heated, a common battle cry tossed at board members is that they don't listen to "the people."

An unpopular reply is that the person was elected by "the people" to make decisions based on his or her viewpoint after listening to all that is presented.

That statement comes as close to the truth as any.

And that's why it's so important citizens go to the polls and vote after paying attention to what the candidates say and taking note of where each person is coming from as far as his or her background.

You'll have that opportunity

in today's Clarkston News--to at least read about the background of each candidate and judge for yourself what each has to say about handling growth in the township.

Although clearly not the only issue in the election, the future of the township will be determined to a great degree by the board's decisions.

Indeed, as you go to the polls Tuesday, Aug. 5, as a voter you'll have a chance to make the most effective statement possible.

For Republican clerk and trustee candidates, the August primary is vitally important.

Those who cast votes on the Republican ticket will choose between two Republicans for the clerk's slot and determine who will run against the Democratic nominee in November.

On the trustee side, voters will determine three out of the four trustees who will sit on the board beginning in November.

With four-year terms on the line for the first time, each board member is bound to have an impact.

The trustees, if they form a coalition, can easily determine the outcome of the board vote, because they represent the majority.

There is only one Democratic candidate, so he has a guaranteed spot on the November ballot, as to the single Democratic candidates for supervisor, clerk and treasurer.

So, when the seven Republican trustee candidates are whittled down to four next week, three of the four are assured a spot on the board.

For the trustee representation, that makes this election at least as important as the general election in November that will decide, for sure, who sits on the township board.

Jim's jottings

Golden moments

by Jim Sherman

We've all had the experience of fulfilling a wish and being left with wonderment . . . Why did I want that so much?

Last week we fulfilled two such wishes in one day, and both were rewarding to the soul.

My, my, what warmth a person can find in small but fulfilled dreams.

All the hunting-fishing parent sportsmen we know would rather see their children bring home the big one than do it themselves. Well, most of them anyway.

Spouse Hazel, daughter Susan and I were trolling for northern pike

on a lake near Engadine last Monday.

Like a normal, gangling kid, Susan laid crossways of the rowboat, loosely absorbing the sun, fishing pole loosely held, and probably thinking of everything else but fishing with her parents.

She had already lost one lure to the lake bottom and been snagged a couple more times, when she announced she had another snag.

The snag was a 4-pound pike that gave Susan a good tussle. She fought back, bringing it neatly into our net. We parents swelled one wish fulfilled.

Elsewhere on the lake, friends were trolling. We'd planned to have a hotdog roast on the lake shore, but took along a frying pan, butter and bread just in case.

Marsha and Jerry Olrich came to shore with two pike, and the second part of our dream-day began. Marsha and Hazel prepared the fire, Jerry and I fileted the pike.

In less than half an hour we settled down to the most delicious fish dinner I have ever had.

All my adult life I've wanted a shore lunch of fish. We seldom catch enough all day to have horsd'oeuvres in a 1-man space

capule.

About 20 years ago eight of us met on a Canadian lake shore for a noon outdoor lunch. The two small fish others caught hardly could be classified as a shore lunch.

Monday the fish were flavorful and flaky and plentiful. Wow! That was l-i-y-i-n-g.

Hand held, golden pieces of fish . . . cloudless blue sky . . . a gently breeze over a picture perfect lake . . . fine fellowship . . . 300 miles from the office . . . what more can a person ask for.

It's the simple things in life that count.

Support fire millage—and study candidates

Letter to the Editor:

The election for township officials is coming up this fall, with the primary election Aug. 5. This is the time to take a good look at the candidates seeking a position and the incumbents seeking re-election.

Our township is facing a difficult period. It is a popular area to build residentially and develop commercially. We are in a slow period now, as is the rest of the nation, but the future holds continued growth.

The importance of good leadership now and in the future is obvious.

To anyone who has followed any particular situation in our township over the last couple of years, there appears to be either a lack of resources and teamwork to reach a decision or an abundance of apathy in reaching a decision.

Problems for residents in many areas, the police issue, the ongoing Pine Knob issues, the M-15 drain, just to name a few, are important issues that seemed to drag on forever.

Form a committee, leave it up to the attorney, hold a special election, drop it back in the department head's lap, all forms of decision making were used.

The one true form needed the most was used the least. That is to research it, publicly discuss it, face the facts, and make the decision. The future demands capable decision makers!

Financially this Township had a \$400,000 surplus approximately one year ago. Today we are facing layoffs in all departments, budget cuts including the

library and loss of services, and it is being blamed on a cut in revenue sharing. The poor planned use of the surplus money is ignored.

The township librarian was strung along for months before being removed, the township Police Service employees went for approximately a year not knowing when their employment would end, the animal control officer being the last dropped a month ago.

The treatment of the township police reserves was a disgrace to the people of this township as well as the reserve officers.

The fire department is trying to provide the best service possible to the residents of the township.

All the full-time and on-call members of the department are residents of this township and are affected by taxes like everyone else.

But we are well aware that the rising costs of maintaining the fire service combined with the increase in fire and medical emergency responsibilities have stretched our budget beyond the maximum.

This leaves nothing to provide for the purchase of much needed tanker, pumpers, equipment and a program of fire renovation and replacement of the central station.

These needs are very important to maintain the services presently available from the fire department.

There are at present 10 full-time members on the fire department. The on call

members total approximately 30 men.

The present fulltime firefighters continue as on call personnel when off duty. We have invested much of our free time in attending schools, training, fire programs and demonstrations, as have the on-call members. Our department provides fire protection, fire inspection and prevention, basic life support emergency medical response, CPA instruction, the use of wheelchairs, crutches, hospital beds, etc. free to township residents.

We encourage you to visit our stations and talk to members and acquaint yourself with our operation. Only your continued support of the fire department will maintain the services provided.

We operate now on approximately 1.9 mills due to the Headlee amendment. Past requests for federal funds or State Revenue Sharing Funds were put at the bottom of the board's priority list.

It was recently stated that the fire millage generates a substantial amount of Revenue Sharing Funds to the township, yet the fire department has been excluded from the benefits in the past.

A couple of years ago, we received a small amount to fulfill a township board priority to purchase property for a future fire station.

We are in the process of receiving Revenue Sharing Funds to build part of a planned addition to one station, although

funds for a fire tanker were denied.

We are personally committed to the fire safety and emergency medical assistance our department now provides and should provide for the future.

For these reasons we ask you to strongly support the request for ONE ADDITIONAL MILL FOR THE FIRE DEPARTMENT ON THE AUGUST BALLOT.

We also believe in the need for proper control and well-planned

growth for our Township. The need for capable leadership is of great importance. We support the contention to clean house and elect new people to the township board.

Don't be confused by someone changing political parties. Taking four years to decide whether you are a Democrat or a Republican does not change a decision maker.

Independence Twp. Professional Firefighters Association

Millage defeat would endanger EMS service

Dear Editor

On August 5th, there are two very important decisions that will affect the very lives of the citizens of Independence Township.

They are millage for our fire department and the emergency medical service and bike safety paths.

I believe they are very closely related because they indicate how large a value we place on human life and loving care for our kids on bikes, and for everyone who may become sick or injured.

Just three weeks ago, a senior citizen's life was saved by our EMS. Without money, it will be reduced or become antiquated.

Without bike paths we will certainly need EMS and tragically, maybe lose one of our precious kids.

Let's get out and vote YES on August 5th, and prove where our hearts and values belong.

Sincerely,
James A. O'Neill, M.D.

'If it Fitz. . .

A chance for heroics - muffed

by Jim Fitzgerald

At one of those huge, semi-public cocktail parties not so long ago, I suddenly found myself standing next to Mickey Lolich, the baseball pitcher, and I was instantly reminded of the day I severely stretched the duties of fatherhood in a magnificent attempt to become a hero to my son.

It happened in 1968, the year Lolich won three games and hit a home run for the Detroit Tigers in the World Series against St. Louis. One afternoon in the middle of that glorious summer, the famous Mickey Lolich was scheduled to visit my little hometown, Lapeer. All I could think of was Charlie Gehringer and how this was my chance to impress my son the same way my father had impressed me 32 years earlier.

Gehringer was a marvelous second baseman during the Tigers' greatest hours, in the 1930s, when they won two pennants and were always near the top, battling the lousy Yankees for pride and glory, not for money and the chance to make a TV commercial. Players didn't have agents in those days, owners weren't bribed with tax money to move their teams to a new city overnight, and life was much sweeter

for the fans.

Gehringer played badminton in the winter to keep in shape. In 1936, someone got him to play an exhibition for charity in the Elks Temple in my town. My dad was an Elk. He took me right up to Gehringer and said, "I'd like to meet my son. He is your greatest fan."

I was 10 years old. Charlie Gehringer smiled and shook my hand and gave me his autograph. I haven't felt so good since. Besides being thrilled at actually touching an old hero, I had also gained a new hero—my dad.

Anyone who could walk up to Charlie Gehringer like that, and get him to speak to a little kid—that was some kind of dad. I was so grateful to him. I swore off shoplifting for life, which lasted three weeks.

So 32 years later, when I heard Mickey Lolich was coming to town, I recognized my chance to impress my son with what an important man his dad was. Eddie was the same age I was when Charlie Gehringer and I were buddies. I knew he'd be eager to meet a real live Tiger. I discovered where Lolich would be—right outside my

office!—and at what time. I told Eddie to show up and he'd get to shake hands with his favorite pitcher. The kid seemed really excited, and he promised to be there.

But Eddie didn't show up. I met Lolich and figured he probably wondered why I kept looking up and down the street. I even sent friends searching for Eddie, to no avail. I phoned home but he wasn't there. Was that rotten little kid going to spoil my chance to be his hero?

Yes. He strolled into my office two hours after Lolich left. He said he had gotten busy playing baseball and forgotten about meeting Lolich.

I'm sure there was a moral there. Something about it being better to participate than spectate, which is not spit. That way, some day a guy might give autographs, not collect them. But I was in no mood for morals.

"Get in the car," I told Eddie. "I know where Lolich is eating and you are going to meet him. I am going to be your hero whether you like it or not."

Eddie finally got Lolich's autograph along with some gracious conversation. That was in 1968. When next I met

Lolich, at that 1980 cocktail party, I was naturally eager to reminisce. I thought Mickey might be interested to learn that Eddie is now 21 and is known as Nerd. He just dropped out of college so he could spend the winter working in a liquor store in Minnesota, a move that explains the change in name. In August, he probably will move to Florida.

Lolich didn't remember ever meeting Eddie or me, which isn't surprising. A big leaguer meets a lot of hero worshippers who are easily forgotten. But Lolich swore he had never even been in Lapeer, which is only 40 miles from his home. He had forgotten our whole town, population 6,000.

I told Lolich I had taken his picture for the Lapeer newspaper and he had cupped his pitching hand so readers couldn't see he was holding a cigaret. I told him that photo was still hanging in my home. He still couldn't remember ever being in Lapeer. It's not easy being a hero.

If Charlie Gehringer can't remember ever playing badminton at the Elks Temple in Port Huron, Mich., population 40,000, I don't want to hear about it.

Obituaries

Orrie C. Adams

Memorial services for Orrie C. Adams are scheduled tonight, July 30, at 7:30 by Cedar Lodge No. 60, F & AM; and Thursday, July 31, at 11 a.m. at the Lewis E. Wint Funeral Home, Independence Township.

The Rev. James Balfour is to officiate at the Thursday service.

with burial to follow at Ortonville Cemetery.

Adams, 91, died July 28. He was retired from General Motors Truck and Coach. A World War I veteran as a United States Marine, he was a member of WWI Barracks No 2803, Davisburg.

A member of Clarkston United Methodist Church, he was also a member of Campbell Richmond Post No. 63, American Legion and a life member of Cedar Lodge No. 60, F & AM.

He is survived by his wife Minnie Mae; children, Chester and John Adams, both of Clarkston; six grandchildren; one great-granddaughter; and his sister, Mrs. Nellie Adams Beal of Oxford.

The family suggests memorials to the Michigan Cancer Foundation.

Baby boy Filbert

Memorial service for Baby Boy Filbert, who died July 22 when he was four hours old, was held July 24.

Sister Mary Kronch led the memorial service and burial followed at Lakeview Cemetery, Independence Township.

Surviving are his parents, William and Brenda Filbert of Independence Township; and grandparents, Ivan Betts of South Branch, Mr. and Mrs. Robert Filbert of Clarkston and Eleanor Blount of Zepher Hills, Fla.

Funeral arrangements were made by Goyette Funeral Home, Clarkston.

Paid for by the Committee to elect Ralph A. Chambers, Independence Township Clerk - 6766 Paramus Clarkston, MI 48018

Independence Voters' Guide

The Clarkston News asked each candidate for nomination to the Independence Township Board to submit a

brief biographical sketch and a statement on how growth should be handled in the township. Although supervisor and treasurer candidates have no opposition within their parties in the primary election, their views also were sought to give voters another chance to become acquainted with those who will be running in the November general election.

Supervisor

Democrat

Republican

Tower

Floyd (Whitey) Tower, 48, of 177 N. Main, Clarkston, is the incumbent township supervisor, an office he has held since 1976.

A resident of Clarkston 39 years, he and his wife Dawn have six children.

Tower served a one-year term on the Clarkston Village Council and five years on the township planning commission.

He is presently serving his second term on the Oakland-Livingston Human Services Agency (OLHSA) and his second term on the Community Development Agency Advisory Board.

He has served as post commander and treasurer of the American Legion Post No. 63, Clarkston; chairman of the board of trustees of Clarkston United Methodist Church; and secretary of Mason's Temple Board, Cedar Lodge No. 60.

A 1949 Clarkston High School graduate, he graduated from Detroit Trade School in 1958.

His statement:

"Our zoned community, with its natural characteristics of lakes, woods and hills, has become a popular place for many new families.

"We have averaged approximately 500 a year increase in population since 1970.

"We can be proud of the type, quality and density of growth development our township has experienced.

"With continued updating and monitoring of our zoning ordinances and land use plan, it provides us with the tools needed to discourage an improper use of land and natural resources.

"We can have quality and orderly development, provide for health, safety and welfare of our residents and provide moderate growth pressures.

Smith

James B. Smith, 63, of 8551 Allen Rd. is president of Howard Smith Inc. of Royal Oak, designers and distributors of educational systems and equipment.

Independence Township residents since 1969, he and his wife Betty have four children.

Smith has been a member of the Independence Township Planning Commission since 1972 and has served as its chairman since 1977.

He is a member and past president of the Ferndale Rotary Club, is first vice president of the Detroit Area Boy Scout Council and is past president of TRY Inc. (Train Responsible Youth), Hazel Park.

Smith majored in business administration at Wayne State University.

His statement:

"As a planning commission member, I see continued resident commitment to preserving Independence Township's unique suburban environment and atmosphere.

"Repeatedly, citizen initiative — by petition, injunction and referendum — has been required to challenge the mammoth landfills, gravel mines, apartment complexes and hotel which those outside the township would thrust upon us.

"To help preclude such crises in the future, and to provide unmistakably clear guidelines for residential and commercial development, I propose a township government widely involving citizen task groups to assess our needs, with a citizen-responsive administration recognizing and handling decisively potential problems and potential opportunities for sound community development.

Clerk

Democrat

Republican

Republican

Herron

Karen Herron, 41, of 6315 Maybee Rd. is employed by Jered Brown Brothers Inc., Auburn Heights.

She has approximately 15 years experience in typing, shorthand, bookkeeping and diversified office procedures. She is also a legal secretary.

She and her husband Ronald have six children. They are 20-year residents of Independence Township.

Herron is a member of St. Daniels Church, has been active in PTA, Cub Scouts and Camp Fire, and is past chairman of the Pine Knob School Fair and past secretary and treasurer of the Independence Township Democratic Club.

Her statement:

"I ran for Clerk previously because of my concern for all the multiple zonings and the seemingly haphazard, careless planning that will turn Clarkston into another Detroit.

"I do not want to see apartment buildings on every street and would hope to set some control and exercise intelligent planning that would be more beneficial to all residents and more in line with the wishes of the people.

Chambers

Ralph Chambers, 48, of 6196 Paramus is in automotive sales with Packer Pontiac.

A 25-year resident of Independence Township, he and his wife Doreen have five sons.

Chambers has been active in the area as a church congregation leader, music leader and Sunday school teacher for 25 years.

He has served on the school board at Oakland Christian School, was a charter officer of the Clarkston Jaycees and was an original proponent of the Clarkston Village Park.

He has been in sales for 25 years.

His statement:

"I love the historic, rural, hometown community that is the attraction of Clarkston.

"The challenge of the 80s is to maintain this kind of community as we attract new families to it because of those attributes that attracted all of us.

"We owe it to our citizens to follow our current land use plans which provide for orderly growth and to guard against any who might attempt to infringe upon the beauty of our land and people.

"We have a community that attracts let's keep it that way as it grows. I'm committed to that as Clerk.

Rose

Christopher Rose, 29, of 6767 Snowapple is the incumbent clerk, an office he has held since 1976.

A lifetime resident of Independence Township, he and his wife June have one child.

A graduate of the University of Michigan-Flint with distinction in 1972, he has completed additional courses in budgeting for townships, employee supervision, governmental accounting, cash management, collective bargaining and election administration.

His statement:

"I believe growth in our township is best handled by strictly adhering to our township master plan, which was adopted in order to plan for our township's growth.

"Every new development, every new project puts growth pressure on all areas of our township.

"Therefore, we must continually be alert to insure its effect will be a positive one.

"In my decisions on the township board, I have always tried to implement this philosophy.

"If our township is to remain a desirable place to live, we must elect board members who will follow our master plan and encourage positive growth.

Treasurer

Democrat

Ritter

Frederick Ritter, 31, of 6593 Amy Dr. is the incumbent township treasurer, an office he has held since 1978.

He previously served on the township board as a trustee from 1974 to 1978.

He and his wife Sheila are 14-year residents of Independence Township. They have two children.

As a township board member, Ritter has served as a member of the planning commission from 1974 to 1976 and a member of the zoning board of appeals from 1976 to 1979.

He is presently chairman of the Economic Development Corp. of Independence Township.

Ritter's previous experience includes 12 years in retail management.

His statement:

"I believe the majority of citizens in Independence Township recognize that growth cannot be stopped, but can be controlled.

"Independence Township has a very comprehensive Zoning Ordinance and a master plan that has proven to be an effective guide in land use.

"Continued compliance with our zoning ordinance will insure that growth is dealt with intelligently and progressively without compromising the integrity of our community.

"The increase in property values in the recent past, as well as the improved quality of developments that have come to Independence Township, demonstrate that fact."

Republican

Balzarini

Carol Balzarini, 42, of 10270 Reese Rd. is former government editor of the Reminder, a free-circulation weekly newspaper covering Independence and Springfield townships.

A 10-year resident of Independence Township, she and her husband Don have two children.

She was a member of the Clarkston Schools' Citizens Advisory Committee, and is a member of the Independence Township Republican Club and the Michigan Republican Women's Task Force.

She was a delegate to the 1980 State Republican Convention.

Balzarini holds a bachelor's degree and a teaching certificate from Michigan State University. She recently completed a course in government accounting at MSU.

Her statement:

"Growth in Independence Township should be handled with care according to the present master plan and zoning ordinance."

"It's too easy to think of new homes and new businesses in terms of increased tax dollars alone."

"These homes and businesses have a far greater impact on the community as a whole than on its treasury alone."

"We must consider an already burdened school system, increased traffic on roads, and increased responsibilities to a fire department operating at a deficit for the past two years and to police services fast approaching the limits of its voted 1 mill."

Trustee candidates

Democrat

Derryberry

Guy Z. Derryberry, 27, of 6953 Tappan Ct. is a skilled trades machine repairman for Pontiac Motor Division with nine years seniority.

A resident of Independence Township 23 years, he and his wife Loretta have four children.

A graduate of Clarkston High School in 1971, he has attended University of Detroit and Oakland University.

His statement:

"I would like to see the township maintain a semi-rural atmosphere with slow, but progressive growth.

"I think there are currently enough building and zoning ordinances on the books to maintain this existence.

"I think some consideration should be given to growth that would broaden the tax base in the township.

"I think there should be a balance in housing that would meet the needs of both the young and senior citizens."

Michigan State Bar Association, American Bar Association, National District Attorney's Association and the Oakland County Law Enforcement Association.

His statement:

"Growth in our community must be directed and molded to insure that it is quality growth which will benefit the entire township.

"Our community is growing and expanding, but haphazard, uncontrolled and unplanned growth is neither desirable nor needed.

"The master plan has given the elected and appointed representatives of our township the guidance and direction to follow in the growth of our community.

"It remains a viable document and must not be arbitrarily disregarded.

"I feel that the best results will be achieved by following the master plan where practicable to insure that the growth enhances the character of our community while benefitting the entire township."

blem which deals with land management, individual rights, court decisions and public laws.

"To accomplish a sound master plan, I would recommend using the services of a professional planner who had proven work experiences in this area.

"Without a sound master plan for growth, we will have haphazard, poorly planned growth and development which would ruin our 'good way of life.'"

Republican

Powell

Jerry Powell, 35, has served as an Independence Township trustee eight years, on the zoning board of appeals five years and has been a planning commission member three years.

The owner of Ben Powell Disposal of Independence Township, he is a lifelong township resident.

He and his wife Adele have one daughter.

Powell is past president of the Clarkston Jaycees, was a Jaycees International senator, is a former member of Clarkston Rotary and a charter member of the Clarkston Eagles.

He is former chairman of the Independence Township Republican Club.

Powell attended Michigan State University.

His statement:

"Independence Township's growth or any other community's growth is directly related to economics."

"Interest rates and availability of money will directly reflect a community's growth potential."

"What some people of this community fail to realize, or more importantly refuse to realize, is with its CURRENT zoning, Independence Township's population is destined to reach approximately 80,000 people."

"My function as a township trustee has been, and will continue to be, to see that each person, be he a developer or an individual, is treated with the same degree of fairness."

"The worst thing a community can say is, 'I'm here. Now let's close the door.'"

Republican

Mead

Lynn Edward Mead, 39, of 5495 Boyne Highland Trail is a food service instructor at Northwest Oakland Vocational Education Center, Springfield Township.

He and his wife Phyllis have lived in Independence Township two-and-one-half years. They have one child.

Mead is a former Independence Township reserve police officer. He is a member of the Active Air Force Reserves, and served over 17 years of active duty and reserve service with the Air Force.

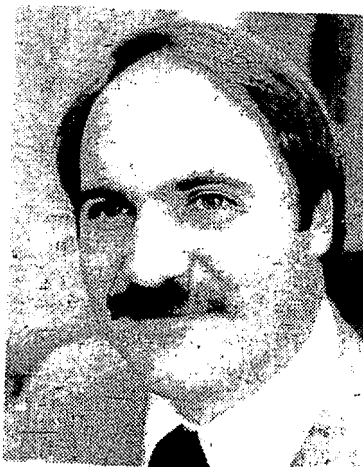

He holds a bachelor's degree in business administration from Northeastern University, Boston, Mass., and a master's degree in industrial education from Wayne State University, Detroit.

His statement:

"The township's growth should be handled by developing a complete sound master plan for growth and development."

"This is a very complex pro-

Republican

Kozma

Larence Kozma, 31, of 5190 Woodcreek Trail is an assistant prosecuting attorney for Oakland County.

Two-year residents of Independence Township, he and his wife Betty have two children.

Kozma has previously worked as a teacher, police officer and law clerk.

He is a member of the

Vote Tuesday,

selections
from seven
GOP trustee
candidates

Republican

Thayer

Michael Thayer, 44, of 46 Orion Rd., Clarkston, presently serves on the township board as a trustee, an office he has held since 1978.

Employed by Michigan Bell Telephone Co., he has worked for 23 years as a station installer, station repairman and PBX installer.

A 43-year resident of Independence Township, he and his wife Barbara have five children.

Thayer previously served on the Clarkston Village Council as a trustee for three two-year terms. He has been a volunteer township firefighter 23 years and served one year as a lieutenant.

Thayer attended Eastern Michigan University Ypsilanti, and Northern Michigan University, Marquette.

His statement:

EDITOR'S NOTE: Thayer submitted his biographical information before leaving for vacation last Wednesday. His statement would follow in the mail, he said, but it was not received by Tuesday morning as we went to press.

County Sportsmen's Club. A graduate of Westminster College, Fulton, Mo., Travis has taken graduate level courses in finance, industrial relations and corporate management.

His statement:

"With great care!

"Growth in Independence is inescapable and, if compatible with our master plan, is highly desirable.

"However, we must be ever vigilant to protect the charming, fragile and desirable characteristics of our township.

"High density land uses and high rise development are not suitable, in my judgment, for our community.

"Any developer must respect the needs of our ecological system by building to complement rather than harm. In particular, we must assure that the rivers, streams and lakes of our area are not damaged.

"This is a beautiful township and that beauty can even be enhanced if we go about development in an orderly fashion, respecting the needs of our residents and the unique features of our community."

Republican

Vandermark

William Vandermark, 39, of 6594 Cherrylawn has served as trustee on the township board since 1978.

A process engineer for Borg and Beck, a division of Borg-Warner, he has lived in the township 10 years with his wife Jeannette and their two children.

He was formerly the president of the Thendara Park homeowners' association and a Jaycee.

His statement:

"Many of us have moved here from the city. We have learned to love the character of our rural community and we hope it never changes.

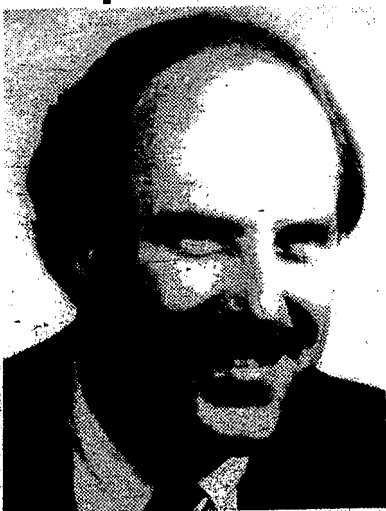

"We have a tendency to think to ourselves, 'O.K. I am here now. Shut the door. No more development. I want to be the last one in.'

"On the other hand, some would like gravel pits, amusement parks, trailer parks, apartments and high rises.

"As a balancer, we have the township master plan, and a supporting zoning ordinance.

"To control growth, we must have the courage to follow the master plan and defend the zoning ordinance as necessary."

Republican

Travis

Daniel Travis, 39, of 7973 Perry Lake Rd. has been employed by Laclede Steel Co. for the past 16 years.

He and his wife Betsy have been residents of Independence Township 12 years. They are the parents of two children.

Locally, he has been involved in the Clarkston Elementary PTO, the Independence Land Conservancy and the Oakland

Candidates at a glance

SUPERVISOR

Democrat: Incumbent Floyd J. Tower. Unopposed.
Republican: James B. Smith. Unopposed.

CLERK

DEMOCRAT: Karen Herron. Unopposed.
Republicans: Incumbent Christopher L. Rose, Ralph A. Chambers.

TREASURER

Democrat: Incumbent Frederick P. Ritter. Unopposed.
Republican: Carol D. Balzarini. Unopposed.

TRUSTEES

Four can be nominated by each party.
Democrat: Guy Z. Derryberry. Unopposed.
Republicans: Incumbent Jerry E. Powell, incumbent Michael E. Thayer, Incumbent William D. Vandermark, Larence R. Kozma, Lynn Edward Mead, Dale A. Stuart, Daniel F. Travis.

County commissioners

COUNTY COMMISSIONER, DISTRICT 1

District 1 includes Groveland, Brandon, Oxford and Addison townships and most of Independence Township.

Democrat: Lynn Charles Nelson. Unopposed.

Republican: Incumbent Richard R. Wilcox. Unopposed.

COUNTY COMMISSIONER, DISTRICT 2

District 2 includes Holly, Rose, Springfield, Highland, Milford and portions of White Lake and Independence townships.

Democrats: G. Marjorie Cavanaugh, Ardath Ann Regan, Donald W. Rogers.

Republicans: LeRoy M. Cagney Jr., Robert J. Firu.

COUNTY COMMISSIONER, DISTRICT 3

District 3 includes Orion and portions of Independence and Pontiac townships.

Democrats: John L. Blake, Jerry O'Dean, Charles J. Smalley. Also listed on the ballot is Edward W. Hoot who withdrew from the race after the deadline for removal from the ballot.

Republicans: Gary C. McMahan, Charles T. Whitlock.

County question: Park millage renewal

"Shall the constitutional tax limitation on the total amount of general ad valorem taxes which may be imposed each year for all purposes upon real and tangible personal property in Oakland County, Michigan, be increased as provided in Section 6, Article IX of the Constitution of Michigan for a period of five (5) years from 1982 to 1986, both inclusive, by one-quarter (1/4) mill, twenty-five cents per One Thousand (\$1,000) Dollars of the assessed valuation as finally equalized for the purpose of acquiring, developing, operating and maintaining parks and recreation areas in Oakland County, Michigan (such increase being a renewal of the one-quarter 1/4 increase which expires in 1981)?"

The county parks millage renewal request is for a tax used to acquire, expand and maintain Oakland County Parks.

The tax has been collected for the past 15 years, having been approved by voters three times.

One-quarter mill is 25 cents for each \$1,000 of assessed property valuation, so a homeowner with a house assessed at \$40,000 (or one-half market value) would pay \$10 yearly.

Republican

Stuart

Dale Stuart, 37, is an attorney with practice in the Wayne, Oakland and Macomb County area.

He and his wife Deborah live in Independence Township over three years. They have four children.

Stuart is director of the Republican Party for Independence Township and is a member of Drayton Heights Free Methodist Church.

Stuart graduated with honors from Lawrence Institute of Technology and received his Ph.D. cum laude from Detroit College of Law.

His statement:

"I believe in the fundamental American right of a property owner to use and enjoy his property.

"This right, however, is tempered by the rights of other property owners to have the quiet and beneficial enjoyment of their property.

"The right is also constrained by the operation of law. One of the laws that determines the use to which a property may be put is our township zoning ordinance and its master plan.

"The master plan of a township is important and should be carefully followed as it is the only reasonable means by which growth can be effectively handled."

Township voters face 5 proposals

What it says:

YES

NO

PROPOSAL NO. 1 POLICE MILLAGE RENEWAL

Shall Independence Township extend the existing one (1) mill levy for police protection, presently levied through 1980, for an additional ten (10) years, that is 1981 through 1990. Such levy is in excess of the Constitutional limitations as set forth in Article IX, Section 6 and Sections 25 through 34?

What it means:

The ballot request asks for a 10-year renewal of an existing annual 1 mill tax to pay for services currently provided by the contracted Oakland County Sheriff's Department working in Independence Township.

An annual 1 mill levy in Independence Township brings a revenue of \$204,000.

A homeowner with property assessed at \$40,000 (or one-half market value) pays \$40 for the 1-mill tax levy, because 1 mill is \$1 for each \$1,000 of assessed valuation.

What it says:

YES

NO

PROPOSAL NO. 2 POLICE MILLAGE PROPOSAL

Shall Independence Township levy an additional one (1) mill for police protection, for a total of two (2) mills, for the next 11 years, that is 1980 through 1990. Such levy is in excess of the Constitutional limitations as set forth in Article IX, Section 6 and Sections 25 through 34?

What it means:

If approved, for the next 11 years the 1-mill police increase would provide an additional \$204,000 annually to Independence Township, to pay for the Oakland County Sheriff's Department services.

Passage of the proposed 1 mill increase would mean a total of 2 mills

levied annually in the township for police services.

A homeowner with property assessed at \$40,000 (or one-half market value) would pay \$80 for the 2-mill tax levy, because 2 mills are \$2 for each \$1,000 of assessed valuation.

What it says:

YES

NO

PROPOSAL NO. 3 SAFETY PATH MILLAGE PROPOSAL

Shall Independence Township levy one-half (1/2) mill for the acquisition of right-of-way and the construction and maintenance of safety paths within the Township the next ten (10) years, that is 1980 through 1989 inclusive. Such levy is in excess of the Constitutional limitations as set forth in Article IX, Section 6 and Sections 25 through 34?

What it means:

The ballot asks that an annual 1/2 mill be paid by the property owners of Independence Township to pay for the construction and maintenance of safety paths, for the next 10 years.

An annual 1/2-mill levy in Independence Township brings a revenue of \$102,000.

A homeowner with property assessed at \$40,000 (or one-half market value) pays \$20 for each 1/2 mill tax levy, because 1/2 mill is 50 cents for each \$1,000 of assessed property valuation.

What it says:

YES

NO

PROPOSAL NO. 4 FIRE MILLAGE PROPOSAL

Shall Independence Township, including the Village of Clarkston, levy an additional one (1) mill for fire protection, for a total of (3) mills, for the next 9 years, that is 1980 through 1988. Such levy is in excess of the Constitutional limitations as set forth in Article IX, Section 6 and Sections 25 through 34?

What it means:

The approval of a 1-mill tax increase for a fire millage in Independence Township and the Village of Clarkston, would bring a combined \$215,000 annually, for a total of 3 mills, over the next 9 years.

A homeowner with property assessed at \$40,000 (or one-half market value) would pay \$120 for the 3-mill tax levy, because 1 mill is equal to \$1 for each \$1,000 of assessed property valuation.

What it says:

YES

NO

PROPOSAL NO. 5 DETROIT EDISON COMPANY FRANCHISE

Confirming grant of franchise to THE DETROIT EDISON COMPANY, for the purpose of erection, construction, and maintenance of towers, poles, mains, wires, pipes, conduits, apparatus, etc., requisite for the transmission, transforming and distribution of electricity for public and private use.

What it means:

Approval of the Detroit Edison Company franchise would give Edison the right to continue operating within

and to continue providing services to Independence Township for public and private use.

County commissioner candidates

The Clarkston News asked County Board of Commissioners candidates to outline, in 100 words or less, the factors in their backgrounds that best qualify them for the office.

Unopposed

District 1 candidates

Democrat

LYNN CHARLES NELSON, 40, 2300 Seymour Lake Rd., Brandon Township:

"I feel the four years I spent on the Brandon Township Board and six years on the Brandon Township Zoning Board of Appeals gives me background needed to serve the six townships that make up the first district.

"I believe being aware of the township problems gives me a better idea of what help is needed from the county.

"I believe a commissioner cannot forget who elected him and he should try to comply with their wishes in his voting record.

"If elected, I will serve the people in a manner of which they and I can be proud."

Republican

RICHARD R. WILCOX, 50, the incumbent, 981 Hummer Lake Rd., Brandon Township:

"I have served on the county board 16 years.

"I served as Brandon Township supervisor from 1964 to 1968. I've been chairman of the board and served as chairman of most of its committees.

"I have been president of the Michigan Association of Counties and am now serving on the board of directors of the National Association of Counties.

"I am a strong advocate for local government and oppose regionalism.

"I feel Oakland County tax dollars should stay in Oakland County to provide public transportation.

"I am against the subway and am leading an effort to get Oakland County to withdraw from SEMTA."

District 2 candidates

Democrat

G. MARJORIE CAVANAUGH, 35, 783 Davisburg Rd., Springfield Township:

"After thoughtful reflection, I can best answer by utilizing my educational background."

"It has provided me the ability to analyze county efficiency in the use of each dollar of taxpayer's money and see clearly relevant issues."

"My goals and concerns center on the determination of just where and how we stand in the countywide planning of solid waste disposal."

"As an environmentalist, how long must taxpayers hire competent, but costly, outside specialists to keep testing our well water before we can be sure if it is safe to drink?"

"If this is not county responsibility, what is county government all about?"

Democrat

ARDATH ANN REGAN, 47, 701 E. Maple, Holly:

"Selecting a candidate involves the same concerns as hiring someone to manage your business.

"My extensive governmental and business background in foods: National Chairman, Citizens Against Historic Defamation, director of the Michigan Alliance of Small

Communities District 19, Holly councilwoman, Northwest Oakland Senior Citizens Housing Advisory Committee, Village: Planning, parks and historic commissions, former school teacher, past president of the Chamber of Commerce and Salvation Army chairperson.

"Only a full-time commissioner who already understands the problems of District 2, who is willing to listen, communicate, and be aggressive enough to battle for your fair share in Oakland County should be elected.

"I am that person."

Democrat

DONALD ROGERS, 35, 12171 Andersonville Rd., Springfield Township:

"My past experience as supervisor of Springfield Township has given me an advantage."

"I personally know the leaders at the county level and I know who to contact to get things accomplished."

"Currently I work in Milford and live in Springfield Township. Each day I drive through the district and am able to stop and meet with the residents of the community."

"Personally, I have a concern for the people in the district. I have the determination, dedication, experience, self-esteem and ability to be an excellent commissioner."

... More District 2

Republican

LEROY M. CAGNEY JR., 51, 956 S. Main, Milford:

"I am well qualified to run for Oakland County Commissioner, District 2. I am a former Milford Village councilman and am quite active in many local organizations.

I am also active in the Republican Party as township director, precinct delegate to two state conventions.

I am a small businessman in Milford where I own my own print shop.

I am endorsed by retiring Commissioner Robert Gorsline and commissioners Dennis Murphy and William Caddell.

I believe the best government is less government. I would like to continue the dedicated work that Bob Gorsline began.

Republican

ROBERT J. FIRU, 43, 10490 Tamryn Blvd., Rose Township:

"With today's economic make-up and federal and state changes, the taxpayers of this county are demanding, and rightfully so, that the needs and

not the wants of others be met.

"The SEMTA subway proposal is a perfect example. As a result of this fiscal revolution, the citizens of District 2 need representatives who have the knowledge and background to understand the changing patterns of our times."

That is why I feel my 20-years experience with General Motors and my degree in business management qualify me to best serve my district."

"I am a television program director for the GM Pontiac Motor Division Television Center."

District 3 candidates

Democrat

JOHN BLAKE, 49, 3865 Colport, Orion Township:

"Having spent over 20 years in township service in zoning and planning of Orion Township and 10 or more years with Oakland County Road Commission, I feel I know the problems of District 3."

"But more important, as my past record proves, I have always been available to all constituents."

"I have been closely involved with landfill management as well as transportation problems."

"Because of this service, acknowledged by Oakland Citizen's League, I received their endorsement as preferred and well-qualified."

Democrat

JERRY O'DEAN, 47, 810 E. Silverbell, Orion Township:

"I've had experience on the Orion Township Fire Board of Governors. I have advanced knowledge in labor relations.

"I've been the chief negotiator for the Pontiac firefighters since 1976.

"I've taken numerous seminars on budgeting and labor relations and I've been on several Act 312 State arbitration panels.

"I'm the most qualified for the job because of my experience in dealing with the public and the municipalities.

"One of the big things I'm going to push for is a county-wide Emergency Medical Service."

Democrat

CHARLES J. SMALLEY, 55, 5247 Sashabaw Rd., Independence Township:

"As an Oakland County resident for the past 34 years, I am appalled by the condition of our county today."

"The quality of life is declining at an unprecedented rate; we are barely surviving rampant unemployment."

"I would use my power as a county commissioner to prioritize county concerns to benefit working citizens and their families."

"I have dealt with both people and government at all levels."

"I was president of the Pontiac letter carriers' union 10 years; a Clarkston school board member four years; and I served as a police reservist in Independence Township."

As a retiree, I will be able to devote all my time to the office of county commissioner."

Republican

CHARLES T. WHITLOCK, 58, 5364 Drayton Rd., Independence Township:

"Compared to the other candidates, I consider myself a preferred candidate because of 30 years experience county-wide and my well-rounded knowledge of county government.

"I have an in-depth understanding of the nature of the dichotomies that exist in county government and knowledge of all communities in Oakland County and their respective needs.

"I've served with the Pontiac Police, the Oakland County

Sheriff, the prosecutor's office and I was an organizer of the Waterford Township Police Department.

My last 12 years have been spent in administrative positions with the sheriff's department and I have been in close contact with the board of commissioners."

Republican

GARY C. MCMAHAN, 20, 2871 Golden Oak, Pontiac Township:

"My past managerial experience at GM Truck and Coach combined with my current position as budget coordinator with the Waterford School District, gives me the necessary understanding of a variety of needs for our community."

"I am also president of Oakland University Congress. I deal with a variety of campus committees ranging from transportation to academic planning.

"I could continue to list my past experiences, but we all need to target our hopes for tomorrow."

"We must focus our attentions on the problems and issues of today, realizing we must develop our solutions to fit tomorrow's needs."

Man's best friend stars in 'Catch and Fetch'

Canines nationwide square off in dog vs. dog Frisbee battles

By Al Zawacky

She practices daily, exudes enthusiasm and has a good deal of natural talent.

Those are qualities that every successful athlete has, but this Independence Township resident is a little different.

For if you asked her "coach" if you could meet her, Jim Hurrell would take you through his house on Wabun in Independence Township and introduce you to Lady Diana—his black Labrador retriever.

No ordinary dog, Diana recently qualified for the regional finals in the Cycle-Whamo Catch and Fetch Frisbee Contest.

"I think there are probably a lot of people playing Frisbee with their dogs, but they're not aware of the contest," says Jim.

"It's kind of exciting to compete at something we both really enjoy. It's become a hobby."

A veterinarian with an office in Drayton Plains, Jim says it was through his contacts with the Cycle Dog Food Company that he learned of the nationwide competition.

Although the contest remains little-known, the sport recently had a spot on ABC's Wide World of Sports—and last year's national championships were held in no less an esteemed athletic theater than the Rose

Bowl in California.

"My original goal was to just get into the regionals," Jim says. "But now that we've gone this far, it'd be nice to go a little farther."

In pursuit of that goal, he practices up to three times a day with his dog, whenever he can find time in his busy day.

The dog's schedule is much less demanding, meaning that she is almost always willing to practice. Just the sight of her master going into the garage and reaching for a Frisbee is enough to start her barking.

The competitions are scored on time and style, says Jim. Points are scored on the basis of how many times the dog can catch and return the Frisbee in a two-minute period, with more points being awarded on catches where all four of the dog's paws leave the ground.

Throwers have to fling their Frisbees at least 15 yards, and must remain in a designated area while their dogs return them.

"If she had a pro thrower who could toss a Frisbee 15 yards everytime, she'd be that much better off, Jim chuckles. "If you throw over 15 feet, you're wasting time because the dog has that much further to go."

"It's really a work of art to see

the way these dogs pick the Frisbees right out of the air. It's amazing how accurate they are."

Jim recalls one smaller dog at a recent competition with a particularly remarkable jumping ability—one that could leap about three times his height when making a catch.

"It was as if you had a 5-foot-6 basketball player who could slam the ball with both hands," he says.

Sponsored by Cycle Dog Food and Whamo, the manufacturers of the popular Frisbee toys, Jim says interested dog owners can obtain information about getting their pet involved in the Catch and Fetch Contest by calling toll-free 1-800-423-3607, or by contacting local contest coordinator Mary Babcock at 224-1185.

It's too late to enter this year's national competition, he notes, but dog owners interested in joining the contest ranks can still call for information.

In the meantime, Jim is looking forward to the regionals, coming up next month in Akron, Ohio.

"It's going to be some real dog-against-dog competition," he says—an observation that draws a bark of agreement from Lady Diana.

Jim Hurrell and his dog go through a little routine practice for the upcoming regional competition in the Frisbee Catch and Fetch contest. Up to three times a day, master and dog can be found outside in the front yard practicing.

Golf outing to raise funds for B.J. Hanson scholarship

The friends of the late B. J. Hanson have planned a golf outing next month to raise money for the B. J. Hanson scholarship fund.

The "B. J. Hanson Memorial Golf Outing" will be held at Spring Lake Country Club in Independence Township Aug. 25, according to Clarkston High School Athletic Director Paul Tungate.

"We're inviting all school per-

sonnel, the people who knew B. J. and the general public to participate," says Tungate.

The \$15 registration fee includes nine holes of golf, lunch and a donation to the scholarship fund.

Participants also have the option of paying \$10 for the lunch and donation only, or just making a direct contribution to the scholarship fund, says Tungate.

Proceeds will fund a \$1,000 scholarship awarded to the CHS senior judged outstanding in both science and athletics, fields to which the late CHS athletic director and science teacher dedicated much of his life.

Those wishing to register for the outing should call the high school at 625-0900. Tee off time Aug. 25 will be 8 a.m., with lunch served at noon.

Walter Hagen tourney slated

The second annual Metro Detroit Walter Hagen Junior Golf Championship semi-final for boys and girls, ages 13 through 18 is coming to Springfield Oaks Golf Club Aug. 6.

There will be separate play for boys and girls, and age groups will be split into a "masters" division for 13 to 15 year-olds and a "golden masters" division for ages 16 to 18.

The \$20 entry fee also entitles golfers to participate in a clinic conducted by Michigan Open Champion Randy Erskine at Godwin Glen in South Lyon on Aug. 8.

The event is sponsored by the American Cancer Society to raise funds to support cancer-control programs in Metro

BMX race August 6

Bicycle moto-cross enthusiasts can participate in a special race at Waterford Oaks County Park Aug. 6 at 5 p.m.

The race is entitled "Two Against Time" and will consist of timed competition between teams of two individual BMX riders.

The age divisions are 7 and

Detroit.

For entry information, call the American Cancer Society at 557-5353, ext. 11 or 15.

8-year-olds; 9 and 10-year-olds; 11; 12; 13; and 16 and over.

The top two teams in each age group will receive two \$5 gift certificates from the Bike Route bike shop in Bloomfield Hills.

For more information on the race, contact Steve Wofford at 858-0916.

Like a basketball player with a proficiency for grabbing rebounds, Lady Diana has the natural jumping ability needed to make a successful catch.

The Point After

by Al Zewachy

Finally—a small taste of the big time

It was the realization of a dream. In my inner ear I could hear the play-by-play announcer's voice...

...and now, Dennis Hextall on the ice for the first time tonight...he takes a pass at center...Hextall, over the blue line...takes a shot...that hit a leg...now it's golfed all the way down the ice, right to the goalmouth...it's stopped there by Zawacky...

Zawacky?

ALL THESE YEARS of wondering what it'd be like to skate on the same ice with an NHL player.

You can be a spectator for years, but I figured no one could ever really know how good these guys are unless they'd actually skated with one.

Wednesday, 7:30 p.m. The phone rings.

"Hello?"

"Yea, Al? How'd you like to play hockey tomorrow night?"

"Sure. Who's playing?"

"The guys from our team, and—well, you might not believe this—but Dennis Hextall, Jimmy Rutherford and Billy Collins are supposed to show up."

It wasn't some kind of joke.

Hextall happened to be a business acquaintance of one of the members of our recreational league, and he quickly accepted the invitation to come out and play.

He even said he'd talk Rutherford and Collins into coming

along.

Billy Collins - the Red Wings' superb penalty killer, now retired... Jimmy Rutherford, the diminutive and acrobatic Detroit goaltender...and Hextall, the last guy the Red Wings had who was willing to pay the price of digging in the corners.

Hextall never was the cleanest of players - which is why he was so popular in the rowdy mezzanine section where I used to sit in the old Olympia.

I'd like to think that I was a little more intellectual a fan than the drunken Neanderthals that made up much of section seven, but when it came to Dennis Hextall, we were all in agreement.

He dished it out - and he took it, too. Hex had guts.

Thursday, 10:45 p.m. Scene: The dressing room.

A goaltender sits in the corner and dresses quietly in the midst of laughing and talking, smiling only occasionally.

Finally, someone nudges him.

"Nervous, Al?"

"Damn right."

"Don't worry. They'll take it easy on you."

"Actually, I'd rather they didn't. I want to see what they can do."

Word had spread throughout the arena who might be playing, and despite the late hour a number of curious onlookers were up in the stands and hanging around the arena doors.

Hextall arrived late - without

Rutherford or Collins - and attracted little attention from the other players when he took his seat on our bench.

Clad in a green practice jersey and the crimson socks and pants of the Red Wings, he looked like just another guy waiting for his shift - were it not for the face that I recognized from magazines, programs and Olympia Stadium.

It seemed strangely out of place at an arena like Fraser Hockeyland.

Finally, he took to the ice. Slowly at first, then gradually increasing speed.

You had to know your hockey to really be able to tell that this man in the faded green jersey was something special.

I could hear the play by play...

...Hextall at his own blue line, beats his check...now a good move to get around one defender...Hextall, skating into the goalmouth area...he's in a good spot to get a shot away...but decides to pass off instead...

I had to grin right through the heavy fiberglass mask. Same old Hex, the classic centerman - always looking for the open winger, never shooting.

IT WOULD BE nice to say that I played well, but I didn't - there were a lot of bad goals, and with Dennis Hextall

on my team, I felt pretty bad for a while - as if I had let him down.

But hey - it was only a pick-up game. Hextall was a long way from the Montreal Forum.

"I just want to tell you that I enjoyed watching you play in Detroit," I said to him afterwards.

"Thanks, I enjoyed playing here."

"Still play a lot?"

"Naw, I haven't played in a while. I run a lot to stay in

shape, though."

At 37, he is no longer the player that scored 30 goals for the Minnesota North Stars 7 years ago.

He probably isn't even the same man that scored 16 goals for the Red Wings during their Cinderella season in 1978-79.

But by playing that night, this writer came as close as he ever will to the NHL, and for that he's grateful.

Thanks, Hex. Section seven still misses you.

Firefighters need millage to continue effective service

To the editor:

Our local police department has been terminated, will our fire department be next?

I am not saying this is going to happen, but I do want to get your attention.

Have you ever thought about the people who, in the event of a tragedy, would come to your assistance or what you would do if they could not?

Would you question whether there is enough manpower and adequate equipment to perform this service? To say they are willing and dedicated may sound corny in this day and age, but if

they were not, why would they travel in all types of weather to help their fellow man.

You are probably thinking, well I am paying for that service; which you are, but you are not so naive as to think any fire department could possibly operate efficiently without sufficient funds.

They do not want your sympathy, but they do need your support.

The people performing this service are our friends and neighbors. Fire fighting is the "number one most hazardous

occupation."

We cannot change the statistics, but we can help beat the odds by providing our department with up-to-date equipment and necessary training to protect their lives as well as ours.

In 1969 they responded to 242 calls, in 1970-837. With growth comes the need for more manpower and equipment to service our community.

It has been said that our Fire

Chief is one of the "most aggressive department heads" in this township. He wants to give us the best possible service and aren't we entitled to it?

In the business world, if business is slow people are laid off to conserve money. The fire departments "business" continues to grow regardless of the economy.

The Independence Township Fire Department cannot continue to operate efficiently on

the amount of money it is now receiving.

The future of the Fire Department is ours to determine. The funds they now receive are not being wasted.

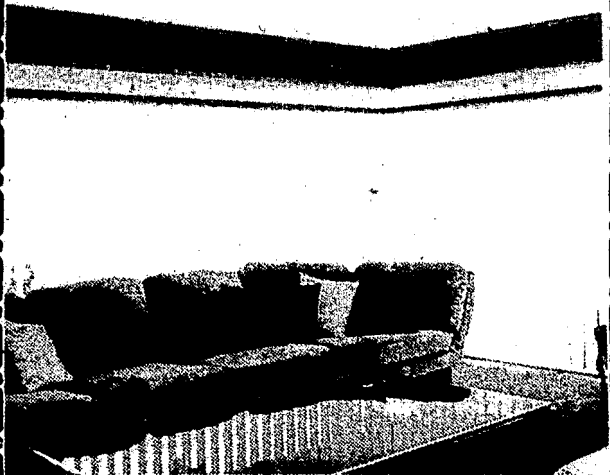

Ask yourself which services, that you have already used or may someday need, are so unimportant that they should be terminated for lack of money.

IT'S YOUR DECISION - VOTE 8-5-80.

Springfield Voters' Guide

The Clarkston News asked all seven Springfield Township Board candidates to submit brief biographical sketches and respond to the question: What do you think the issues are in Springfield Township and what are your stands on these issues? We also talked briefly with each of the six library board and park commission candidates, asking them what they would like to accomplish should they be elected. Although none of the township board members face opposition in their own party and only one candidate in the park commission and library board races will be eliminated as a result of the primary balloting, all the candidates were interviewed to give township voters a chance to become familiar with all those running in the general election in November.

Clarkston News

SECTION TWO

The Clarkston (Mich.) News

Wed., July 30, 1980 21

Supervisor

Republican

Walls

Incumbent Republican Collin Walls has been Springfield Township supervisor since December 1976.

Walls, 37, of 8055 Marquoit is a lifetime resident of Springfield. He and his wife Diana have two children.

A graduate of Western Michigan University, Walls served on the Springfield Township Park Commission for three years prior to becoming supervisor.

He is active in Holly Area Youth Assistance, the Boy Scouts, and serves as secretary and president of the Davisburg Rotary Club.

His statement:

"The real estate tax reform

amendments will all change the township's financial status. The Tisch Amendment should eventually result in stronger local government, and it should be approved.

"Our second issue, growth, is going to be difficult. We must maintain the rights of individual property owners and protect the community while preserving our open space and natural features."

Democrat
Mulloy

John H. Mulloy Jr., 37, of 9358 Eagle Hill, is the unopposed Democratic candidate for Springfield Township supervisor.

A six-year resident of Springfield Township, Mulloy is married and the father of three children. He attended the Lawrence Institute of Technology and has been a member of the American Legion.

Mulloy said he has not had any prior governmental experience, but had always been interested in public affairs and local government.

Mulloy said he did not wish to make a statement or submit his photograph at this time.

Treasurer

Republican

Democrat

Kramer

Patricia L. Kramer, 45, of 8585 Eaton Rd., has served as Springfield Township treasurer since 1974.

A Republican, Kramer has lived in Springfield 25 years. She and her husband William have five children.

She held the position of deputy clerk prior to becoming treasurer, holds a degree in business administration and attended the University of Michigan.

Kramer is a member of the Davisburg United Methodist Church and is secretary of the United Methodist Women organization.

Her statement:

The different tax relief proposals on the November ballot and how they affect Springfield Township will be the main concern in the coming year. I feel that no concrete decisions can be made until we know for sure which proposal is passed."

Kirk

Democrat Marjorie Kirk, 38, of 10387 Big-Lake Rd., served as Springfield Township's deputy treasurer in 1976-77.

She and her husband Harry have been married seven years and have lived in Springfield Township eight years.

Kirk is a past president of the Davisburg Rotary Anns, is active in Holly Youth Assistance and currently serves as president of the Springfield Township Historical Society.

Her statement:

"Some of the issues this election year are the size, effectiveness and affordability of local government.

The primary function of effective local government is to protect people and property values. This requires each board member to invest the time necessary to insure all decisions are made in the best interest of the majority of the people in our community."

Clerk

Republican

Walters

J. Calvin Walters is a lifetime resident of Springfield Township and has served as township clerk since 1972.

Walters, 45, of 7225 Ormond Rd., is married and has four children.

A member of the Davisburg United Methodist Church, Walters is running unopposed in the Republican primary, and with no opposition filed on the Democratic ticket.

His statement:

"One issue is Springfield being a rural and steadily growing community. We need to continue future planning to control growth and enable us to continue to be proud of our community.

"Another issue is the possible tax reform and loss of revenue. We need to work together to provide funding for township services, even if we have only one priority."

Candidates at a glance

SUPERVISOR

Democrat: John H. Mulloy Jr. Unopposed.

Republican: Incumbent Collin Walls. Unopposed.

CLERK

Democrat: No candidate.

Republican: Incumbent J. Calvin Walters. Unopposed.

TREASURER

Democrat: Marjorie Kirk. Unopposed.

Republican: Incumbent Patricia Kramer. Unopposed.

TRUSTEE

Democrat: Incumbent Glen J. Vermilye. Unopposed.

Republican: Incumbent William K. Whitley. Unopposed.

PARK COMMISSION

Two Members for Six Year Terms

Democrats: No candidates.

Republicans: Incumbent Charles A. Going, Frederic Stewart, Robert J. Stiles.

LIBRARY BOARD

Two Members for four-year terms

Democrats: Incumbent Ina J. Golden.

Republicans: Incumbent Mary J. Watson, Shirley Secatch.

Two millage proposals on ballot

Springfield Township voters will decide the fate of two tax proposals when they go to the polls Tuesday.

On the ballot are a proposed one-mill levy for road improvement and a one-mill levy for the township library.

If approved, both millages would be in effect through 1984. One mill is \$1 for every \$1,000 of assessed property valuation.

The road millage proposal

reads as follows: "Shall one mill levy upon all property within the Township of Springfield, County of Oakland, be established for a period of five years for the years 1980 through 1984 inclusive, for the purpose of providing additional funds to be used solely for the repair and resurfacing of paved roads, repair and resurfacing of gravel roads and for dust abatement on gravel roads in the township?"

The library millage reads: Shall the Township of Spr-

ingfield increase the general ad valorem tax limitation on real and personal property by \$1 per \$1,000 of State Equalized Valuation through the levy and collection of up to one mill for a free public library, to be effective for a period of five years, 1980 through 1984 inclusive, to be known as the library fund to be used for the purpose of establishing, supporting and maintaining the Springfield Township Library as a free public library?

Trustee Candidates

Republican Democrat

William K. Whitley

Whitley

William K. Whitley, 31, of 9850 Gibbs Rd. is seeking his first elected term as trustee on the Springfield Township board.

Appointed trustee earlier this year to fill a vacancy created by the resignation of Glen Underwood, Whitley had previous experience on the Springfield planning commission.

He and his wife Donna have been married seven years, and have made their home in Springfield since 1977. An engineering graduate from the University of Michigan, Whitley is employed as a senior project engineer at Pontiac Motor.

His statement:

"Explosive growth is the greatest issue facing Springfield. Of our 8,110 residents, half arrived within the last 10 years. We came here to enjoy the rural beauty; my job is to provide for the preservation of this rural character for all residents, new and old.

Continuing the spirit of honest, open and personal government in our community is my greatest contribution."

Vermilye

Incumbent Democrat Glen J. Vermilye has served as trustee on the Springfield Township Board six years.

Married and the father of four children, Vermilye, 43, makes his home at 12601 Andersonville Rd. He and his family have been Springfield residents 15 years.

A Pontiac High School gradu-

Glen J. Vermilye

ate, Vermilye attended the Detroit College of Business and is employed as a service manager with the Monroe Calculator Company.

He also currently serves as a member of the Springfield Planning Commission.

His statement:

"My position remains to assure that residents get the best services at the lowest possible cost; and by using the master plan we manage development to maintain our community's rural aspects.

The Tisch Amendment is not the desired reform, but I will support it hoping it will get elected officials in Lansing to act on tax reform."

Park Commission

Republicans

Charles Going

Republican Incumbent Charles A. Going is seeking a second six-year term on the Springfield Township Park Commission.

Going, 70, of 4151 Parker Rd., is a graduate of Albion College. He and his wife have made their home in Springfield 20 years.

Going is the founder of the Davisburg Rotary Club and has served on the park commission six years.

"I'd like to have the opportunity to continue to provide good recreational facilities to the youth in our area," Going said.

Frederic Stewart

Frederic Stewart, 53, of 9901 Gibbs Rd., has been a resident of Springfield Township 10 years.

Married and the father of four children, Stewart is running as a Republican. He holds a mathematics degree from Western Michigan University.

Stewart is active in the Boy Scouts and Davisburg Little League.

"I'm interested in parks and recreation, and would like to get involved," Stewart said. "I'd like to make sure that we are doing the right things with the money available."

Robert Stiles

Robert J. Stiles, 47, of 10735 King Rd., is making his first attempt at elected office.

A Republican, he and his wife Lois have been residents of Springfield Township 12 years.

Stiles attended Eastern Michigan University. He currently owns The Bootery shoe store in Holly after having previously operated a shoe business in Clarkston for 24 years.

The opportunity to work on behalf of the township was the major factor that prompted him to run for the park commission, he said.

"I just mainly want to give a little service to the people of the community," said Stiles.

Library Board

Republicans

Mary Watson

Mary J. Watson, 57, of 13450 Rattalee Lake Rd., has been a member of the Springfield Township library board two years.

Married and the mother of three children, Watson is running as a Republican and has been a Springfield resident over four years.

In addition to her service on the library board, she is active in the Clarkston Church of God, currently serving as the church's

choir director.

"I would like to assist the library in providing better service for the public good," Watson said.

Shirley Secatch

Republican Shirley Secatch, 31, of 8612 West Ellis Rd., has been a resident of Springfield Township two years.

The only non-incumbent seeking election to the library board, Secatch is married and the mother of two children.

A regular user of the Springfield Library, she has been active in the Cub Scouts, Davisburg Little League and Lady's Auxiliary.

"I'd like to see better representation of the library board at township board meetings," Secatch said.

Democrat

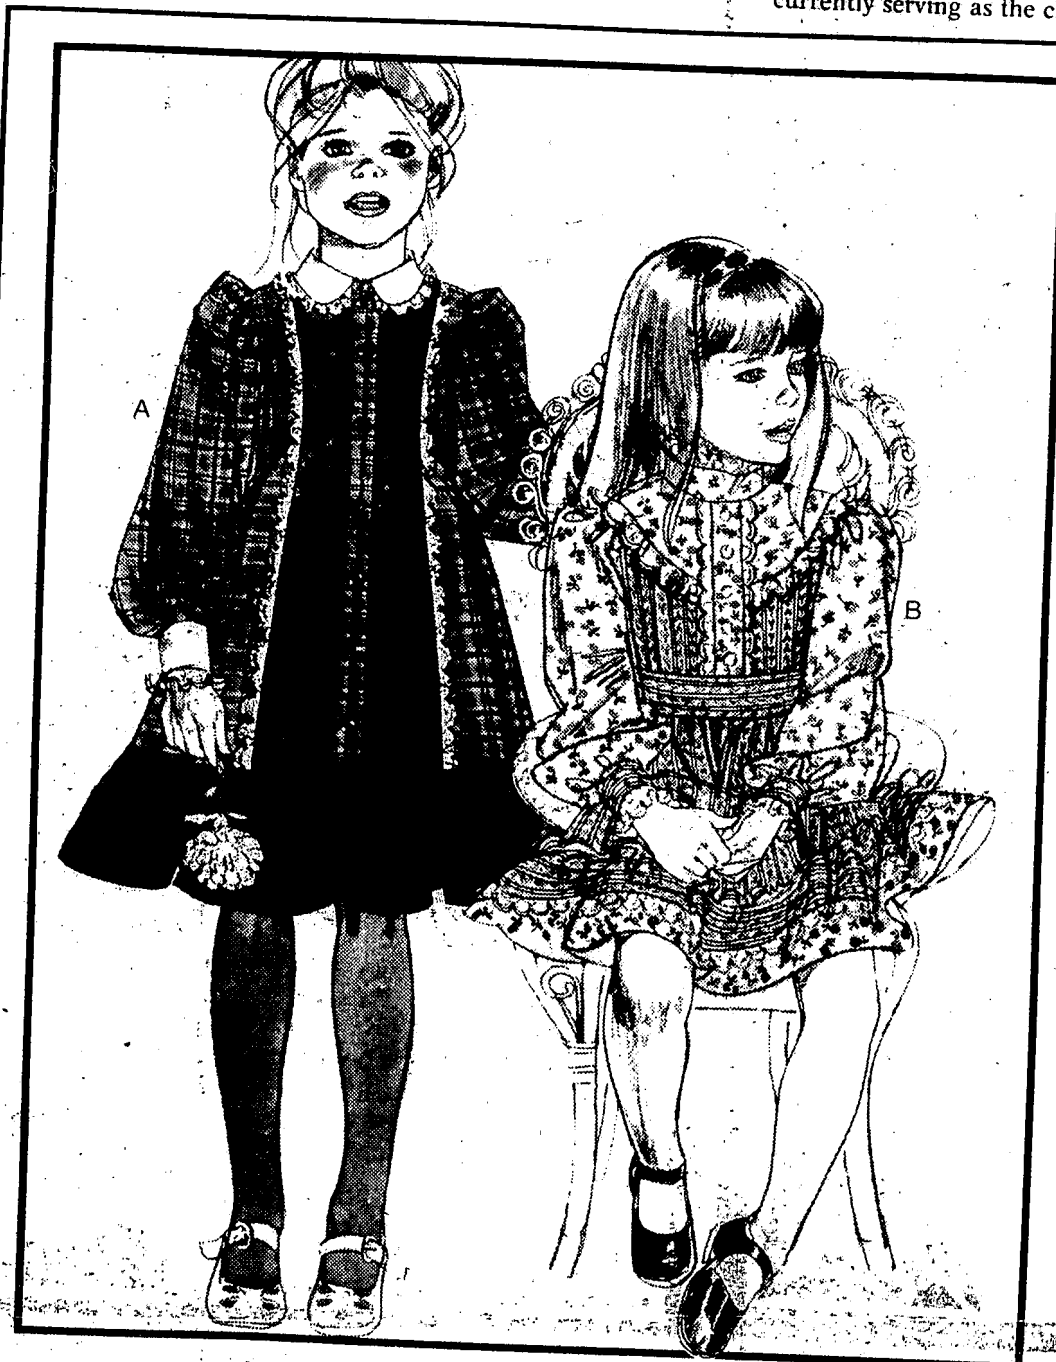

Ina Golden

Incumbent Ina J. Golden, the only Democrat seeking election to Springfield Township's library board.

Golden, 28, of 8569 Tindall, has been a Springfield resident four years. She is married and the mother of two children.

A hospital corpmen in the U.S. Navy from 1973-75, Golden is currently a Jaycette vice president and a student nurse at Oakland County Community College.

"My main goal is to get the kids involved in the library and to provide books and reading material for adults in the community as well," she said.

GIRLS ARE DOUBLY PRETTY IN DRESSES FROSTED WITH LACE AND TWIN-PRINTED.

Carefree charm to skip thru summer and into fall. Each with flounce hem; lace trim detailing the front, collar and cuffs. In ecru and berry polyester/cotton, sizes 7-14.

A. Plaid/floral print dress with an apron effect. Also hued in ecru and navy, \$28.

B. Wallpaper stripe/floral print on dress with demure Victorian styling, \$29.

The Clarkston News

THE NEED TO BRING RESPONSIBLE, ORDERLY, AND EFFECTIVE government to Independence Township has brought together a group of dedicated local citizens who are endorsing seven candidates for election in the August 5th primary. We call our group "Independence Residents for Responsible Government," and our membership is from throughout the township.

We are concerned that the majority of the current

Township Board has not acted responsibly to assure that the quality of life for which we all settled here will be protected from such incompatible development as gravel pits and high-rise zoning.

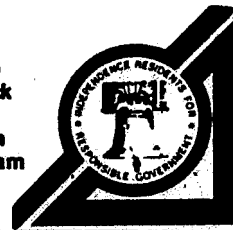

After reviewing the candidates seeking election, we have chosen to endorse seven as those we believe to be the most capable and dedicated to preserving the clearly-voiced values of township residents.

WE ENDORSE THE FOLLOWING CANDIDATES:

BILL
VANDERMARK

City, country blend attracts Trents

The old saying "East meets West" speaks to compromise and striking a happy medium.

One couple living in Independence Township could be the proverbial example of "City meets Country," and where they've chosen to live is the happy medium.

Kelly and Judy Trent live in an apartment complex nestled against Greens Lake off Parview Road.

Originally from Davison, Judy, 26, drives each day to Flint where she's local sales manager at radio station WGMZ.

Kelly, 27, grew up in Detroit,

and drives each day to his job in Warren where he's an industrial engineer with the Chrysler Corporation.

"It's beautiful out here," Kelly said, sitting in his third floor level apartment and viewing the spanning shoreline of the lake through the doorwall and past the balcony.

"We moved to the Clarkston area because it's kind of in the country and not too far from the city."

"But also because it is halfway to both of our jobs," Judy added. "Kelly grew up in the city and he's really enjoying all this open space with the lakes and everything. I grew up in the country, so I'm used to it."

"I'm all mellowed out now," Kelly joked, stretching his well-over-six-foot frame in exaggerated relaxation.

The Trents have been married

a little over a year, and first met when attending Ferris State College in Big Rapids.

"He was going to school and looking for a wife," Judy said, leaving her husband.

Immediately Kelly agreed with laughter and said, "I wanted to marry a woman who would make a lot of money and support me, and I did."

While working for a radio station is a job held by few people, Judy said she enjoys it, and she likes working in sales.

Kelly also plays basketball, and in the past was on the Ben Powell Trucking residential team.

"I used to go down to St. Cecilia's in Detroit four times a week and play," Kelly said. "Now that was competition. All the college and pro and high school guys would go down there and play. I really learned a lot."

Judy is vice-president of the Flint Quota Club, an organization of business and professional people donating their service

Country Living

by Marilyn Trumper

'We moved to the Clarkston area because it's kind of in the country and not too far from the city.'

—Kelly Trent

"It's an interesting job. You meet a lot of people, but the one thing about this job is that you have to sell yourself first," she said.

"We have two radio stations in Flint, WKMF which is country and WGMZ which is beautiful music.

"We're the two best stations in the city, all the rest are rock and roll," she said, her brown eyes lighting up with pride.

"I once met Gordon Jump, he plays the 'big guy' on the television show WKRP," she said.

"He was in town to do some promotions for the country station. He was a really nice guy and very down to earth."

In the Trent household, the radio is never dialed to beautiful music stations.

"I like jazz, but not that beautiful music," Kelly said. "I don't like it on in the house."

"And I like easy listening," Judy said. "He doesn't really care though, as long as beautiful listening brings in the money," she said, laughing.

WGMZ is geared to a more adult audience, Judy said, and the couple prefers more contemporary sounds.

"Mo-Town," Kelly said. "Now that's when music was good. Everybody could relate to that."

"People could sing these songs, and dance to those songs, it was cruising music," said the Detroit-raised Kelly.

Judy and Kelly enjoy golfing and in the past participated in a league at Holly Greens.

"This year I've been working a lot, so I've only been out on a course a few times," Kelly said. "I'm what you call a winter golfer."

"In the early spring when the course is in rough shape, golfers are allowed to nudge the ball a little bit before they swing."

"Well I'm a winter golfer year-round," he said, laughing. "When I'm on the fairway I give the ball an inch or two nudge until it's where I feel comfortable with it."

and time to aid the hearing and speech impaired.

She is also involved in the Sales and Marketing Executives of Flint, which is more a social organization than business, Judy said.

Up against one wall in the couple's apartment rests a claw-foot table.

"That's an antique and Judy is into antiques," Kelly said.

"I enjoy going to auctions," Judy said. "We don't really have that many antiques, but when I see something I like, I buy it. The best day to go to an auction is on a rainy day."

"That's when smaller crowds show up and bidding is always lower," she said with expertise.

In the future, she said she would like to learn about photography.

"Kelly bought me a camera for Christmas, and I'd like to learn how to really use it," she said. "But it's so time consuming and I don't really have that much time. I'd like to have a wider variety of subjects, take the time to walk around and really learn what to shoot at."

With just the two of them, hours after work can be spent in a variety of ways.

"We have a lot of freedom to do what we want to do and go where we want to go," Kelly said. "One of our favorite things to do is eat out, usually we're both too tired to cook."

"We do a lot of entertaining and we have a lot of friends," Judy said. "Because I'm from Davison and he's from Detroit, we do a lot of traveling back and forth to friends' homes."

The Trents agreed one day they'd like to settle permanently in the Clarkston area, but with that ideal they also would like to own a business.

"We're not real sure what kind, whatever is hot at the time," Kelly said.

"But when we have it, she can run it, and I'll run around with my buddies all day long while she works," he laughed.

"There," Judy smiled, "I always knew you weren't a male chauvenist."

The advantage of being young and having the freedom to come and go is a lifestyle for the Trents. Judy and Kelly work during the day, then come home to their apartment in Independence Township and plan leisure activities.

Silver anniversary

Mr. and Mrs. Malverne Hillman plan to celebrate their 25th wedding anniversary with an open house Saturday, Aug. 2 from 2 to 5 p.m. at 6451 Dixie Highway, Independence Township. The party is being given by their four children. The Hillmans were married Aug. 6, 1955 at the Seymour Lake United Methodist Church, Brandon Township, and have lived in the area since. They have made their home on Eastlawn Avenue, Independence Township, 19 years. The couple has five grandchildren.

Recipe File

By Lorna Bickerstaff

Last October at the Midwest Draft Horse show at the Fair Grounds in Detroit, Dora Beamish passed around a box filled with the best cookies. One of them was this Orange and Date Bar. Dora and Bill reside in Dafter, Michigan.

Orange and Date Bars

- 1 c shortening
- 1 c brown sugar
- 2 eggs
- 2 T hot water
- 1 t soda in 1 T hot water
- ¼ t salt
- 1 t vanilla
- 1¾ c flour

Cream shortening and sugar, add balance of ingredients.

Filling

- ½ lb. dates
- 2 T flour
- ¼ c white sugar
- ¾ c water

Cook until thick. Add 15 cut-up orange slices. In a greased pan, put half of the mixture, then add filling and put the other half of mixture on top.

Note: If you have a recipe you would like to share with us, please mail it to us or drop it off at the office. Give us your telephone number in case we have a question.

Art entry award

The Little Feathers of Davisburg [Blue Bird Club of the Detroit Area Council of Camp Fire] were presented with a special merit award for their art entry in the 1980 Camp Fire National Art Competition. The third graders from Davisburg Elementary worked several meetings to create their soft-sculpture head of a pigtailed Blue Bird, complete with pigtails and cap. The medium theme in this year's competition was fiber, said troop co-leader Fran Groleau. All the girls stuffed, sewed, braided and colored to make the sculpture a success. Because the head is on exhibit throughout the United States, the troop offers instead practice examples, with which they learned their skill. From left, beginning with the first row, Denise Yuhas, Sheri Krellwitz, Tara Kozar, Tammy White, Diane Sleeman. Third row, Carrie Groleau and co-leader Fran Groleau. Missing from the photo are Kathy Lake, co-leader, and Jennifer Lake.

At college

Two Clarkston area students have won Student Life Scholarships to attend Oakland University, Rochester, in the fall.

Eligible for \$1,000 a year for four years are Sara Hennig and Constance Holmyard.

Sara, who lives on Allen Road, Independence Township, plans to major in engineering and computer and information science.

Constance, who also lives on Allen Road, Independence Township, plans to major in biology.

Leslie Demaree plans to study abroad this fall as a participant of the off-campus program at Bucknell University, Lewisburg, Pa.

Leslie, a junior, is scheduled to attend Beaver College in London, England, during the fall semester.

She is the daughter of Mr.

and Mrs. James Demaree of Parview Drive, Independence Township.

Two Clarkston High School graduates have been awarded scholarships to Oakland Community College's Highland

Lakes campus.

Tuition and fees for the fall of 1980 are included in the Highland Lakes Scholarship presented to Edna Shaver, a medical laboratory technician major; and Sharon Wilson, a liberal arts major.

In service

Marine Pvt. David P. Hennig has completed recruit training at the Marine Corps Recruit Depot, San Diego, Calif.

During the 11-week training cycle, he learned the basics of battlefield survival.

Hennig, who joined the Marine Corps in March 1980, is the son of America Martinez of Linholm Road, Springfield Township.

Navy Seaman Recruit Martin Cartier has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training.

Cartier, who joined the Navy in April 1980, is the son of Vincent and Peggy Cartier of Reese Road, Independence Township.

Navy Electrician's Mate 3rd Class Kevin L. Ridley recently completed the basic electrician's mate course.

A 1976 graduate of Clarkston High School, he joined the Navy in November 1979.

Ridley is the son of Franklin and Janet Ridley of Marvin Road, Independence Township.

New arrival

Helen Rossano of Hillside Drive, Independence Township, is a proud grandparent for the second time.

Barton Chandler Rector, weighing 7 pounds, 8 ounces, was born July 9 at Crittenton Hospital, in Rochester.

Barton is the first child of Brian and Lee Rector. Lee, a former Clarkston resident, lives now with her husband in Leonard.

Other grandparents are Mrs. Thomas C. Rector of Arizona and Nichols Rossano of Flint.

Great-grandmother is Mrs. Lee Wilson Hutchins of Grand Rapids.

Grads

Advanced degrees from Eastern Michigan University, Ypsilanti, were recently presented to two local residents.

Gary Crewson of Oakhill Road received a master's degree in business administration.

Jack Dougherty of Holcomb Street received a master of arts degree.

Two local residents attended Blue Lake Fine Arts Camp during its second summer session.

Sarah Paalman majored in band while at the camp. She is the daughter of Mr. and Mrs. John Paalman of Deerwood Road, Independence Township.

Her sister Elizabeth Paalman majored in theater during the two-week session.

The camp offers fine arts instruction for elementary through high school students. It is located 15 miles north of Muskegon in the Manistee National Forest.

Around town

Does your group have an activity planned that is open to the public?

As a community service, The Clarkston News will print details about the event in Around Town.

If possible, let us know about your plans at least two weeks in advance.

There is no charge.

Call us at 625-3370, drop us a line at 5 S. Main, Clarkston 48016, or stop by the office.

Friday, Aug. 1—Old-fashioned band concert in Depot Park, on Depot Road just west of Main Street, Clarkston, 7

p.m. free, popcorn and refreshments sold.

Sunday, Aug. 3, through Saturday, Aug. 9—Oakland County 4-H Fair, Springfield Oaks Activities Center, 12451 Andersonville, Springfield Township, special activities planned each day including 4-wheel drive pull Sunday, Hurricane Hell Drivers Monday, rocket launch Tuesday, kids' day Wednesday, demolition derby Thursday, "Bong Show" and livestock sale Friday, heavyweight horse pull Saturday, horse judging and exhibition each day. Call 858-0889 for times.

Aug. 1, 2, 3, 4, 5 and 6—St. Pine Knob, Beach Boys and guest star act, The Tumbblers, are scheduled to bring California sun to the stage on 1 Aug. 1, 2 and 3; 1 on Aug. 4, the exciting team of Daryl Hall and John Oates is slated to perform; Johnny Mathis, is up next for Aug. 5 and 6. For more information, phone the Pine Knob Hotline at 647-7790.

Diana Ross dazzles crowd

By Kathy Greenfield

The Pine Knob crowd grew restless.

Rhythmic clapping and whistles filled the evening air as 9:30 came and passed while they waited for Diana Ross.

When Ross hit the stage at 9:40, all was forgiven.

She was visibly pleased as her act began with a standing ovation from the full house.

Ross talked a lot about being home during the course of her performance, the first of a three-night engagement that ended Monday.

But, more importantly, she gave her audience the feeling the word home evokes, dropping tidbits about herself into her comments and making everyone feel welcome.

Problems with the sound system caused some concern.

She mentioned buzzing, feedback and, early on, that the sound was "too loud."

"You know it's opening night," she reassured the crowd. "You can handle what happens."

"I'm going to try not to panic about anything, because things are too good, too nice. I'm home."

Backed by a 27-piece orchestra and a quartet of singers, all dressed in formal white gowns and tails, the visual portion of the show dazzled.

A screen featured pictures of Ross from infant to adult during

Pine Knobbing

one number and, later, a collage of recent films of Ross that would do a high fashion model proud.

Pulling a tune from her beginnings in Detroit with the Supremes, Ross sang "Baby Love," and called the time past "the good old days."

She reminisced awhile, telling the audience she began singing with the group when age 16, left home at 18, moved to California at age 25 and that she now lives in New York.

"This is the year that I started singing 20 years ago," she said. "I know there are a lot of youngsters out there who are in their 20s and I've been singing all their lives."

Some musical highlights were the opening number — "Ain't No Mountain High

Enough" — and "Touch Me in the Morning" and "Touch Someone's Hand."

She meandered through the audience, encouraging those who could, or wanted to try, to sing the line — "Reach out and touch somebody's hand and make this a better world if you can."

The amiable concertgoers joined hands above their heads, under Ross's direction, and sang the song while swaying to the beat.

As she completed her show, just before the traditional curtain call number, she left the stage with a wave goodbye.

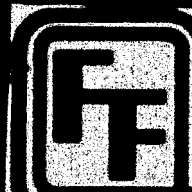

Caught in the closeness, many hands raised to return her farewell.

Growing things

Fall garden harvest

Few of us are aware that Oakland County with so much of its land taken up by cities, villages, housing developments, roads, etc. still is among the leading counties in Michigan in the production of honey.

Beekeepers in north Oakland stand to harvest some of the choicest and most abundant honey of the season during this late summer period from a colorful weed known as "Star Thistle."

Most of the idle acres in this part of the county have been taken over by this plant. It grows to three feet high and has many lavender or pink-purple flowers that are very attractive to the honeybees.

While we regard "Star Thistle" as a weed, it does have the redeeming feature of adding color to our landscape and supplying an excellent grade of honey--tasty, full-bodied and light-amber in color and a favorite with honey lovers.

It is generally available in local stores or from local beekeepers. Other local plants

considered to produce choice honey include the milkweed, basswood trees, clovers and - top of all - the flowers of raspberries.

Are you wondering what is best to do with your garden soil once the crop it produced is harvested?

There are several choices: If you feel there is a need to improve the soil, try planting a quick growing "green manure" crop-one that will grow rapidly so that its stems, roots and leaves can be mixed with the soil with a tiller, plow or spade. Good green manure choices are buckwheat and annual rye grass.

A second choice is to plant a fall garden. Many of the vegetables grown in the spring will also grow well in the fall.

In fact some vegetables will taste better when harvested during the cooler fall months. (Fewer mosquitos to swat too!)

There are several reasons for planting fall gardens. It extends the season for fresh vegetables after warm season crops cease to

bear.

Most fall vegetables are cool season crops grown for their foliage or roots. They tend to be crisper and have a sweeter flavor than when grown during the hot summer months.

Vegetables for fall gardens that can be planted in late July and early August include table beets, carrots, chinese cabbage, cucumber, lettuce, mustard, radishes, snap beans, spinach, swiss chard and turnips.

Seeds germinate quickly in the warm soil, weeds are less of a problem and the fall vegetables tend to grow quickly and many are ready to harvest in four to nine weeks from sowing.

To be certain the seeds will germinate quickly, have a firm seed bed, plant at a shallow depth, soak the seeds overnight before planting and water well.

Enjoy your fall vegetables!

SEE OUR complete line of Wedding Invitations and accessories. Clarkston News, 5 S. Main Street.

Coping with kids

by Jim & Ellen Windell

Teenage rage eases with therapy

If you have a depressed or suicidal teenager and you take him to see a therapist or counselor, what can you expect? Probably, a lot more than you bargained for.

One of the ways of viewing a teenager's depression is as anger that is bottled up. The problem for the therapist is to unclog the bottled up resentment and rage and support its expression.

In most cases, however, the anger will be related to his parents.

Not because parents are usually "bad parents" or have "gone wrong" in bringing the teen up, but because our basic problems and conflicts are generally with those we are closest to.

When a teen starts expressing underlying anger and hostility,

he changes. He may begin to be more demanding, out-spoken and critical.

The anger that has been inner-directed may come out in the form of "sassiness" or "talking back" or rebelliousness.

It is at this point that a parent may wonder what the therapist is up to and wouldn't it have been better to have a depressed adolescent rather than one that is so obnoxious and difficult to handle.

In the long run, both parents and teen will be better off.

However, it may be hard for mothers and fathers to put up with a teen who doesn't seem to appreciate or respect his parents — or even like them much of the time.

This will be particularly dif-

ficult for parents who normally are very concerned about power, respect and control.

These are the issues and battlegrounds that often, when the parents have won, may have contributed to the depression in the first place.

Given some leeway, teens do not become delinquent nor do the parents lose control although they may worry about both.

Talking to the therapist can be helpful to be reassured that indeed they have not failed as parents and that in the end the

therapist wants for the teen about the same as the parents want.

And often, after the anger has been discharged, the once-depressed adolescent becomes quite likeable again.

The Polls of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p.m. of said day of election.

CHRISTOPHER L. ROSE
Township Clerk

RUBBER STAMPS made for every business. Personal or professional. Clarkston News, 5 S. Main Street.

PUBLIC NOTICE

INDEPENDENCE TOWNSHIP

REGISTERED VOTERS MAY VOTE ABSENTEE BALLOT IN THE AUGUST PRIMARY ELECTION IF THEY QUALIFY IN ONE OF THE FOLLOWING CATEGORIES:

I expect to be absent from the community in which I am registered for the entire time the polls are open on election day.

I am physically unable to attend the polls without the assistance of another.

I cannot attend the polls because of the tenets of my religion.

I have been appointed an election precinct inspector in a precinct other than the precinct where I reside.

I am 60-years of age or older.

I cannot attend the polls because I am confined to jail awaiting arraignment or trial.

Independence Township residents who qualify and wish to vote Absentee Ballot should call the Clerk's Office at 625-5111 or write the Clerk at 90 North Main Street, Clarkston, MI for an application for Absent Voter's Ballot.

The deadline for applying for absentee ballots to be mailed is August 2, 1980 at 2:00 p.m. However, voters qualified to vote absent voter ballot may vote in the Clerk's Office up until 4:00 p.m. on August 4, 1980.

The balloon's pilot is Ted Gauthier who worked in cooperation with Pontiac State Bank for the exciting presentation.

His arm shielding his eyes from the bright sunlight, this youngster watches the balloon quickly rise over the watchful crowd.

Up, up and away

Jim Brittain, a SCAMP volunteer, doles out balloons provided by Pontiac State Bank. The helium-filled spheres of color were just the right ending for the SCAMPers' morning warm-up session that included the launching of a hot air balloon from the grounds of Sashabaw Junior High School Thursday. Jim lives on Susin Lane, Springfield Township.

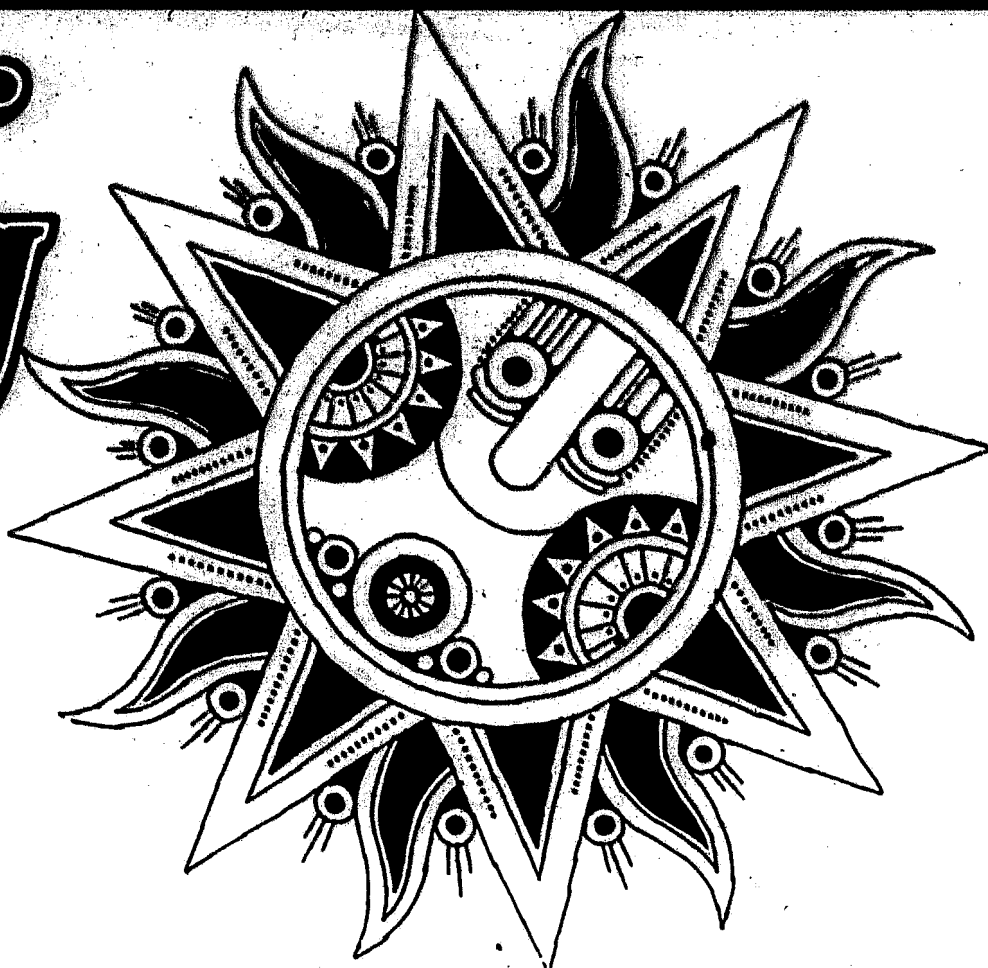

As the mammoth hot air balloon heads for the skies, the kids wave goodbye. Other activities during the morning warm-up included some lively songs and an awards presentation. The event took place on Sponsors' Day and in attendance were kids who go to the camp, several of their families and many of those who assist with the camp. SCAMP serves over 1,000 youth, ages 3 through 26, from northern Oakland County who may have special needs or who may be handicapped.

SCAMPer Megan McClanahan of Waterford, who is an Easter Seal Poster Child, enjoys a warm embrace from her SCAMP teacher Mary Kiewicz.

Summer Living

Inflation Fighter

Summer Cook Book

Special Supplement to the Clarkston News July 30, 1980

Main dishes for hot summer days

Seafood —

HEARTY HALIBUT

From Captain Dick's Seafood Market,
Waterfall Plaza

2 lbs. fresh halibut
2/3 c thinly sliced onions
1 1/2 c chopped fresh mushrooms
1/3 c chopped tomato
1/4 c chopped green pepper
1/4 c chopped parsley
3 T chopped pimento
1/2 c dry white wine
2 T lemon juice
1 t salt
1/4 t dill weed
1/8 t pepper
Lemon wedges

Arrange onion in bottom of a greased baking dish -- 12 x 8 x 2. Place fish on top of onions.
Combine remaining vegetables and spread them over top of fish.
Combine wine, lemon juice and seasonings. Pour over vegetables. Bake in a moderate oven, 350 degrees for 25-30 minutes.
Serve with lemon wedges.

MACARONI-TUNA FISH SALAD
BY Joann Menke, Independence Township
8 oz. seashell macaroni,
cooked and drained

1 6 1/2-oz. water-packed
tuna fish, drained
1 c diced celery
1/2 c minced onion
1 medium tomato, diced
1/2 c mayonnaise
1 T lemon juice
1 t salt
1 t sugar
1/4 t celery seed

Combine first five ingredients in large bowl. Stir remaining five ingredients together in measuring bowl. Gently fold into salad. Chill several hours.

Add additional salt and freshly ground black pepper to taste. Serve on lettuce greens.

Complete the meal with your favorite muffins or dinner rolls and lots of iced tea. Perfect for a hot summer day and can also be transported to the beach or concert in a cooler.

SCALLOP-VEGETABLE SALAD

From Captain Dick's Seafood Market,
Waterfall Plaza

1 1/2 lbs. fresh scallops
1 qt. boiling water
2 T salt
1 can (1 lb.) cut green beans, drained
1 c sliced celery
1/4 c chopped celery
1/4 c chopped green pepper
1 T chopped pimento
Marinade
1/2 c cider vinegar
1 T sugar

1/4 t salt
Dash pepper
1/2 c salad oil

Combine vinegar, sugar, salt and pepper. Add oil gradually, blending thoroughly. Makes approximately 2/3 cup.

Rinse scallops in cold water. Cover and return to boiling point. Reduce heat and simmer 3 to 4 minutes, depending on size. Drain and cool.

Slice scallops. Combine all ingredients. Cover and chill for 1 hour. Drain and serve in six lettuce cups. Serves six. Approximately 140 calories per serving.

Eggs —

QUICHE LORRAINE

By Gloria Tuson, Springfield Township

1/2 lb. bacon, crisply
cooked, crumbled
1 1/2 c milk
4 eggs, slightly beaten
1/2 t salt
dash pepper
1 6-oz. pkg. (1 1/2 c) Swiss
cheese, finely chopped
2 T flour
1 9-inch pastry shell

Heat oven to 350 degrees. Combine milk, eggs and seasonings. Mix well. Toss cheese with flour. Add cheese mixture to egg mixture. Pour into pastry shell. Bake at 350 degrees 40 to 50 minutes. Six servings.

Dorothy's solution to high food costs is a natural

Take strawberries, yogurt and bananas, then spin and munch. That's a favorite recipe of Dorothy McPhee. Not only is the concoction nutritious, it's fast too.

In today's inflationary times, Dorothy McPhee, of Eddystone Court, Independence Township, has found an economical and sensible way to feed her family.

Dorothy is into health food, and while she does not propose to be a full-tilt vegetarian, she does try to incorporate as much health food into the family's diet as they will accept.

"We eat meat and every once in a while I crave a McDonalds," she laughs. "But my sons have really cut down on their salt intake, they eat the fruit dishes I prepare and they like the homemade soups too."

"I think you have to acquire a taste for health foods. It's something you have to accept in your mind first. The way we are brought up to eat is a psychological thing. If you change the way you eat, it's enjoyable to eat health foods," she said.

Dorothy belongs to Meadowbrook CO-OP, in Rochester, part of the Peoples CO-OP of Rochester. The group introduced Dorothy to health food.

"It's less expensive to buy health food when it's bought in quantity, and it's better for you to eat too," she said. "When we have our meetings the group keeps me on the ball as far as eating junk-food, and I need that."

The Tofu Quiche recipe below is made of a soybean mixture, Dorothy said, and needs seasonings to create a significant flavor.

"If seasonings are not added it will be very bland," she said. "But if you add a salad there's a complete meal for six people at a cost of just \$3."

The Oatmeal Squares are a good way to get children to eat their oatmeal and wheat germ, and the Frappe is quick, easy and nourishing, she said.

"When you shop in the super-market today all you see are

women with their carts loaded with frozen food packages, and that's not nourishing," she said. "They are also very expensive. Cooking with health foods is less expensive and it is nourishing."

Below are several of Dorothy's favorite recipes for the health food fans, or just plain interested folk willing to experiment.

OATMEAL SQUARES

1 stick margarine
½ c brown sugar
1 c rolled oats
½ t baking soda
½ c wheat germ
1 t flour

Melt the margarine in a pan and add brown sugar, stirring until the ingredients are mixed together.

Toss in the remaining ingredients mixing well, and place them in a 9-inch baking pan.

Bake at 350 degrees for 10 minutes or until golden brown, but do not overbake.

When cooled, cut into squares.

STRAWBERRY BANANA YOGURT FRAPPE

1 carton Dannon Vanilla Yogurt
3 bananas
15 strawberries

Toss the ingredients into a blender until well mixed, then sit down to a treat.

TOFU QUICHE

8 oz. tofu available at Kroger's or any health food store
6 oz Swiss cheese (grated)
1 c milk or cream
2 eggs (beaten)
1 onion (chopped)
2 or 3 slices bacon
Whole wheat pastry crust for 9" pie pan

Fry the bacon until crisp, drain and crumble onto the top of the pastry in the pie pan, along with chopped onions.

Beat tofu with a fork until it resembles cottage cheese and add beaten eggs, mixing well.

Then add the milk and grated cheese and a dash of salt and pepper.

Pour these ingredients into the prepared pie crust.

Bake at 400 degrees for 10 minutes, then decrease the temperature to 325 degrees and continue baking until the quiche is firm and golden brown.

SQUASH AND TOMATO

3 c chopped winter or summer squash
2-3 tomatoes
1 onion
2 T butter or margarine
1 T flour

Melt butter in a cooking pot, add onions and brown until golden brown. Then add tomatoes and squash.

Continue browning these ingredients for a short time.

Add the flour, mixing it in well with the vegetables. Then pour in a small amount of water gradually into the vegetables, mixing until smooth.

Do not add a lot of water, just enough to make a smooth sauce, then cook over a slow heat in a covered pot until tender.

HONEY BREAD

2 c white flour
1 t ginger
1 t baking powder
1 t baking soda
½ t cinnamon
¼ t salt
1 egg
1 c milk
½ c honey

Mix and sift the dry ingredients, add those remaining and beat thoroughly.

Bake the mixture in a greased loaf pan at 350 degrees for 45 minutes.

Grains

BANANA NUT BREAD

By Pat Crowley, Clarkston

2 c sifted enriched flour
1 t baking soda
1 t salt
1/2 c shortening
1 c sugar
2 eggs
1 c mashed ripe bananas
(2-3 bananas)
1 T vinegar plus milk to
make 1/2 c liquid

Sift together flour, soda and salt. Cream shortening, blend in sugar, add eggs one at a time. Beat until fluffy.

Add flour mixture alternately with bananas and liquid, beating well after each addition. Place in greased 9 1/2-by-5 1/2-by-2 1/4-inch loaf pan.

Bake at 350 degrees 60 to 70 minutes or until done. Remove from pan and cool several hours or refrigerate before slicing. Makes one loaf.

BUCKWHEAT GROATS

[Also called Buckwheat Berries or Polish Kasha]
By Flo Kuta, Adelphi, Md.

1 c buckwheat groats
2 c water
1 c milk

Bring liquid to a boil, gradually stir in groats. Add 1 or 2 T butter or chicken fat and pinch or two of basil, oregano, marjoram and dill.

Simmer up to 45 minutes. Don't overcook to a mushy meal. Add a bit more butter when serving.

Very economical. (I bought at a co-op health food store for 33 cents a pound.) Very nutritious and very tasty.

CHICKEN BARBECUE SAUCE

By Randy Schuck, Kentington

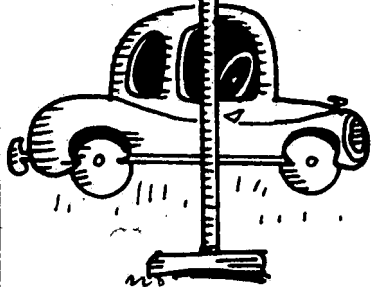

4 t oregano
1 t ginger
1 T brown sugar
1/4 c soy sauce
1/8 c oil
1 c (or more) rose wine
3 cloves garlic (crushed)

Combine all ingredients. Use immediately.
Cook chicken on open grill only, with very low heat. Place chicken skin side down to begin, then turn and baste every 10 minutes.
Cooking time: 1 hour.

Schwartzes cut costs with cut of beef

After working with meat for 22 years, it stands to reason Bob Schwartz knows about best cuts.

"One of the most economical and versatile cuts of meat is the chuck steak roast or boneless pot roast," Bob said. "But you have to know what to ask for as a customer when you're buying this type of meat."

Working behind the meat counter in Rudy's Market on Main Street, Clarkston, Bob and his wife Pam tally up the number of ways to use the boneless pot roast.

"You can ask for it to be halved and make steaks which are really tender," Bob said.

"Or you can cook it as a roast with potatoes and carrots, cube it and use it as a stew meat, make shish kabob or sauerbraten to use in any way you want," Pam said.

"But it can also be used as a leftover by making hash or barbecue," Bob added. "People seem to forget these days how many ways you can use pot roast, and the best thing is that it's 30 cents cheaper per pound than the popular round steak."

"And it's a good meat too, really full of flavor," he said.

Below is one of the couples favorite boneless pot roast recipes.

MARINATED CHUCK BLADE ROAST

1 three-pound pot roast or chuck steak pot roast, halved
1/4 c Mazola Oil
2-3 T vinegar
1/4 c wine
1/4 c La Choy soy sauce
garlic salt to taste
pepper to taste
tenderizer

Combine oil, vinegar, wine, La Choy sauce, garlic and pepper in a bowl.

Take steak and rub on tenderizer, place in the marinated sauce overnight. Keep refrigerated.

Remove the meat on the following day and cook on an open grill.

Exhibiting the fastest and best way to slice a roast in halves, Bob Schwartz deftly performs the cut to the amusement of wife, Pam.

Fruit sweetens sauce, salads **Brinker's**

FROZEN BLUEBERRY SALAD By Bev Gavette, Independence Township

1 20-oz. can crushed pineapple, drained
1 can 20-oz. size blueberry pie filling
1 c Cool Whip
1 c sour cream
nuts (optional)
Mix together and freeze until ready to serve.

BLUEBERRY SAUCE Oakland County Cooperative Extension Service

1 c sugar
2 T cornstarch
¼ t ground nutmeg
1 c boiling water
2 c fresh blueberries
3 T lemon juice
Combine sugar, cornstarch, nutmeg and dash salt in saucepan. Gradually add water; mix well. Cook, stirring constantly until mixture thickens and boils; cook 2 minutes more.
Add blueberries; return to boiling. Remove from heat and stir in lemon juice; cool. Makes about 3 cups sauce.

ROSE MARINA SALAD By Bev Gavette, Independence Township

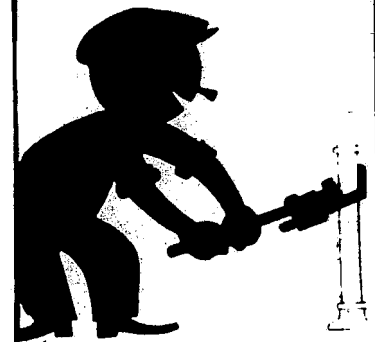

2 eggs, beaten
2 T flour
¼ c sugar
2 large cans chunk pineapple
2 11-oz. cans mandarin oranges
1 lb. box Rosa Marina alphabet (rice form macaroni) (Food Town has them)
2 pkgs. Dream Whip

Mix the juices from the fruit with eggs, flour and sugar in small sauce pan and cook until thick. Cool.

Cook the one lb. box of alphabet macaroni as directed on box. Rinse with cold water and drain. Mix the fruit juice mixture with macaroni.

Let set overnight in refrigerator.
Prepare 2 pkgs. Dream Whip and fold into macaroni mixture. Then add drained pineapple and mandarin oranges.

Tasty, hot soup a la Mike O'Neill

By Al Zawacky

Hard work and long hours seem to be indigenous to the restaurant business.

But the work can be truly gratifying, says Mike O'Neill, owner of the "Keg and Kettle" restaurant and bar.

"I closed last night, was in at 9:30 this morning and probably won't get out until about 2:30 (a.m.)." O'Neill says without batting an eye. "It's not a 9-to-5 job."

"Sometimes, you really feel the pressure when it gets busy, but I enjoy working with people. To see them happy, having a good time and enjoying themselves really gives a person a sense of accomplishment."

O'Neill, an Independence Township resident and graduate of Clarkston High School, began his restaurant career as a waiter and bartender at the Clarkston Cafe.

"I'd lived on a farm all my life, so I studied agriculture at the University of Arizona," he says. "Later, I decided that it just wasn't for me and that I wanted to do something else."

O'Neill applied and got a job at the Cafe, enjoyed the work, and by saving his money and dipping into his investments was able to buy the Keg and Kettle.

"We've only been open five weeks," he says. "There was a lot of work to do--plumbing work, electrical work, re-decorating--that all had to be done before we could open."

Located at 8095 M-15, seven miles north of Davison past Mt. Morris Road in Genesee County, the Keg and Kettle offers a full bar, food, and dancing to a live band Wednesdays through Saturdays.

Under the previous owners it was primarily a bar, but O'Neill is putting greater emphasis to the food aspect of the business.

"We've gotten some compliments on our salad bar--we make our dressings ourselves," he says.

One item on the menu which O'Neill is particularly proud of is the soup of the day. Each soup is prepared homemade-style from scratch using recipes his cooks have accumulated through the years, he says.

The Keg and Kettle's cream of mushroom soup makes a good, hot meal on a budget, using chicken broth as its base.

The Keg and Kettle's Cream of Mushroom Soup

2½ pints of chicken broth
½ pint whipping cream
2 ounces butter
2 ounces flour
small pinch bay leaf grounds
2 ounces chopped onion
1 stalk celery, chopped
1 ounce butter
½ pound sliced mushrooms
1/8 t baking soda

Prepare chicken broth. Lightly saute celery and onions with two ounces of butter, then add flour slowly to make a roux. Add this to heated chicken stock, stirring vigorously with wire whip until smooth.

Saute mushrooms in remaining butter (one ounce) and add mushrooms and baking soda to broth mixture. Heat whipping cream and add to broth-mushroom mixture. Stir well and heat to serving temperature. Serves six.

Homemade soup of the day is one of the specialties at the Keg and Kettle. Here, Mike ladles out a sample of the house clam chowder for fiancée Kathy Watson.

31 S. Main - Clarkston - 625-1019 Layaway Available

Cabbage lovers:

Two casseroles to tempt your palate

BRUSSELS SPROUT - EGG BAKE by Mrs. R. Taylor, Independence Township

- 1 lb. (or 2 10-ounce pkgs. frozen) brussel sprouts
- 1 c boiling water
- 3 hard-cooked eggs, sliced
- 1 c shredded sharp pasteurized process American cheese
- 1/4 c milk
- 1 10 1/4 ounce can cream

- of mushroom soup, undiluted
- 1/2 c cornflake crumbs
- 2 T melted butter or margarine

Drop brussel sprouts in boiling water; return to a boil. Cover and cook 5 to 10 minutes or until tender; drain and cut sprouts in half.

Place in a greased 10-by-6-by-1 1/4-inch baking dish. Arrange eggs over brussel sprouts; sprinkle with cheese. Combine milk and soup; spoon over cheese.

Combine cornflake crumbs and cheese; sprinkle over top. Bake at 350 degrees for 25 to 30 minutes. Yield: 6 to 8 servings.

GREEN BEAN CASSEROLE By Mrs. R. Taylor, Independence Township

- 4 to 5 c fresh green beans, sliced and cooked tender
- 2 10 3/4 oz. cans cream of mushroom soup, undiluted
- 1 c diced celery
- 1 c diced green pepper
- 1 c diced onion

- 6 ripe olives, sliced (More if wanted)
- 3/4 c crushed potato chips
- 1/4 c slivered almonds
- 6 pimento stuffed olives, sliced (more if wanted)

Layer half of first five ingredients in a buttered two-quart casserole; repeat layers.

Top with a layer of ripe olives, chips, almonds, and end with stuffed olives. Bake at 325 degrees 35 to 40 minutes. Yield: 8 servings. Can be reheated until bubbly.

For after-supper sipping...

KAHLUA

By Mrs. Derrel Batchelder, Springfield Township

- 3 c water
- 3 c sugar
- 10 t 100 percent instant coffee

Bring to boil. Then simmer one hour. DO NOT STIR. Cool. Then add the following:

- 4 t vanilla
- 1 fifth vodka

Serve cold.

Green beans make zesty salad a snap

MARINATED VEGETABLES

BY Jo Vaara, Independence Township

- 1/2 lb. fresh green beans,
cut in 2-inch pieces
(about 2 cups)
- 1/2 cucumber, peeled and
sliced
- 2 ribs celery, sliced diag-
onally
- 1/2 c sliced green onions
- 1 tomato, cut into wedges
- 1 green pepper, cut into
rings

Soy-sesame dressing

Stem green beans in vegetable steamer over
simmering water 5 minutes or until crisp-tender;
drain.

In large bowl, combine beans with other raw
vegetables. Pour Soy-Sesame Dressing over salad.
Cover. Refrigerate several hours.

Makes six servings.

Note: If salad is to be marinated overnight, add
cucumbers during last hour of marinating.

SOY-SESAME DRESSING

- 1/4 c vegetable oil
- 3 T lemon juice
- 2 T soy sauce
- 1 clove garlic, minced
- 2 t toasted sesame seeds
- 1/4 t ground ginger
- 1/4 t salt
- 1/4 t liquid hot pepper
sauce

Stir all ingredients together and pour over vege-
tables.

From garden to table:

Hot vegetable dishes fill the bill

MIXED VEGETABLE DISH

By Demetri Stamos, Independence Township

- 1 box frozen string beans or fresh
- 1 eggplant, 2 if small, sliced thin
- 2 large potatoes, sliced thin
- 2 medium zucchini squash, sliced thin
- 4 stalks celery cut in small pieces
- 4 cloves garlic
- 1 can tomato sauce
- 2 large onions, sliced thin
- 1/2 c chopped parsley
- 1/4 c chopped dill
- Salt and pepper to taste
- 6 T vegetable oil

Layer vegetables in a large baking pan—in order, zucchini, egg plant, string beans, celery, potatoes, onions, garlic, parsley, dill.

Salt and pepper to taste (we use only the garlic), and again layer vegetables in order.

Top with oil and tomato sauce with a small amount of water. Cover and bake at 450 degrees 20 minutes. Lower heat to 350 degrees and bake 20 minutes or until all vegetables are cooked.

Remove cover and place on the top oven rack until the vegetables are slightly browned.

SUGAR SNAP PEAS

By Madelaine Husic, Chevy Chase, Md.

An all-new vegetable, crisp, crunchy, sugary sweet and juicy. Eat peas and pod when thick and fleshy. They're packed with vitamins and protein.

Delicious eaten raw. Include on relish tray or sliced into a garden salad or use with a sour cream dip.

Cooked: About eight peas provide a generous helping for one. May be steamed or broiled in a small amount of water (cook no more than four minutes). Serve plain or with butter.

My favorite way is to slice diagonally into 3/4 inch pieces and stir fry in oil or margarine, Oriental fashion. Keep crisp and tender. Never overcook.

Gardeners' note: Sugar snap peas must be planted in very early spring. They reach maturity in 70 days. High yield—a modern miracle.

BILL'S METRIC ZUCCHINI

By Bill Malers, Independence Township

- 4 to 6 zucchini
- 2 medium onions
- Mushrooms
- 1 lb. mozzarella cheese
- 1 lb. colby cheese
- Grated romano and parmesan cheese (if desired)

Salt and pepper to taste

Slice zucchini and onions 7 millimeters thick (about 1/4 inch). Grate mozzarella and colby cheeses.

Place layer of zucchini in bottom of 9- by 13-inch pan. Top with layer of mozzarella. Top with layer of zucchini. Top with layer of onions. Top with layer of zucchini. Top with grated colby cheese and mushrooms.

If desired, top with grated romano and parmesan cheese. Bake at 300 to 325 degrees for 1 to 1 1/2 hours, until squash is soft.

NOTE: To make this dish more of a main meal, add 1 lb. pork sausage browned lightly and crumbled over the mozzarella cheese layer.

This dish freezes well, so it can be made in volume when zucchini is plentiful.

ITALIAN ZUCCHINI PIE

By Mary Lou Barker, Independence Township

- 4 c thinly sliced, unpeeled zucchini
- 1 c coarsely chopped onion
- 1/2 c margarine or butter
- 1/2 c chopped parsley or 2 T parsley flakes
- 1/2 t salt
- 1/2 t black pepper
- 1/4 t garlic powder
- 1/4 t sweet basil leaves
- 1/4 t oregano
- 2 eggs well beaten
- 8 oz. shredded muenster or mozzarella cheese
- 8 oz. can crescent dinner rolls
- 2 t prepared mustard

Heat oven to 375 degrees. In 10-inch skillet, cook

zucchini and onion in margarine until tender, about 10 minutes. In large bowl, blend eggs and cheese. Stir in vegetable mixture.

Separate dinner roll dough into 8 triangles. Place in ungreased 11-inch quiche pan, 10-inch pie pan or 12-by-8-inch baking dish. Press triangles over bottom and up sides to form crust. Spread crust with mustard. Pour vegetable mixture evenly into crust.

Bake at 375 degrees for 10 to 20 minutes or until knife inserted near center comes out clean. (If crust becomes too brown, cover with foil during last 10 minutes of baking.) Let stand 10 minutes before serving. Cut into wedges to serve. Serve hot. 6 servings.

LAYERED CABBAGE CASSEROLE

By Mrs. R. Taylor, Independence Township

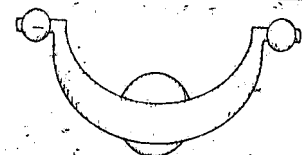

- 1 medium size head cabbage
- 1/4 c butter or margarine
- 1/4 c all-purpose flour
- 1/2 t salt
- 1/4 t pepper
- 2 c evaporated milk
- 1/4 c chopped green pepper
- 1/4 c chopped sweet red pepper
- 1/4 c chopped onion
- 3/4 c shredded cheddar cheese
- 1/2 c mayonnaise
- 3 T chili sauce

Cut cabbage into small wedges; cook in boiling salted water until tender. Drain. Place wedges in a 13-by-9-by-2-inch baking dish. Set aside.

Melt butter in a small saucepan; stir in flour, salt and pepper. Gradually stir in milk; cook over medium heat until thickened, stirring constantly. Pour sauce over cabbage wedges. Bake at 350 degrees for 20 minutes.

Combine remaining ingredients, mixing well. Spoon over cabbage. Return to oven and bake 20 minutes. Yield: 8-12 servings.

Note: Shredded cabbage may be used. Can be reheated until bubbly.

Rhubarb, anyone?

RHUBARB BREAD
By Norma Goyette, Clarkston

1 egg
1 1/2 c brown sugar
1/2 c oil
1 1/2 t cinnamon
2 1/2 c sifted flour
1 t soda
1 t salt
1 c sour cream
1 1/2 c rhubarb (finely
chopped)
1/2 c nuts

Topping: 1/2 c sugar, 1 T
butter

1. Combine egg, brown sugar, oil and cinnamon.
2. Beat until smooth.
3. Sift flour with soda and salt.
4. Add to first mixture alternately with sour cream.
5. Stir in rhubarb and chopped nuts. Turn into greased bread pans.
6. Crumble sugar and butter together and sprinkle over loaves.
7. Bake at 325 degrees for 60 minutes or until lightly browned.

RHUBARB CREAM CHEESE PIE
By Juanita LePere, Independence Township

3 c rhubarb, cut
1/2 c sugar
1 T flour
9-inch pie crust

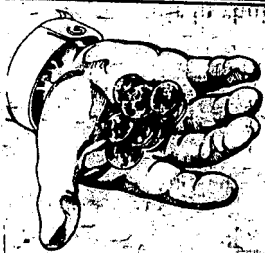

Mix 1/2 c sugar, flour and rhubarb. Turn into crust and bake at 425 degrees for 15 minutes.

3 3-oz. or 1 8-oz. pkg.
cream cheese, softened
1/2 c sugar
2 eggs

Beat cream cheese with remaining 1/2 c sugar until fluffy. Beat in eggs one at a time. Beat until creamy smooth. Pour over hot rhubarb layer and continue baking at 350 degrees for 30 minutes. Remove from oven and immediately spread with following topping.

1 c sour cream
1 t vanilla
2 T sugar

Blend topping ingredients thoroughly. Spread immediately over hot pie and cool to serve.
