Supervisors react to sheriff's letter

By Marilyn Trumper

Sheriff Johannes F. Spreen's letter to Oakland County supervisors warning of slack police protection left Springfield's Collin Walls and Independence's James B. Smith confused.

"I am not convinced any one of our deputies is in any more jeopardy than a year ago," Walls said. "We never had a large group of sheriff's deputies working the township, and until I see what (the sheriff) is proposing it's going to be difficult to respond."

Smith agreed.

"With the cuts of the 27 deputies, it's gotten to the point where it's a dangerous situation. When the cuts were made, we were told our coverage would be no different. (The sheriff's) letter doesn't jibe with that.

"The board will first wait to see what the (Oakland County Board of Commissioners) does (about reinstating the laid-off deputies) before addressing the sheriff's letter," Smith said.

Early last week, Spreen sent letters to every township supervisor in Oakland County.

Contacted last week, he explained why he wrote the letter, which cited "...unsafe conditions out there, where our deputies are in jeopardy. There is no back-up support. That's the reason I sent the letter."

"What I'm going to do is call an emergency meeting of all the township supervisors and explore the six alternatives I have to financing lower price deputies and allow the supervisors to have more at lower prices, under different arrangements," he said.

Spreen remains critical of local governments he knows are exploring alternatives to the OCSD.

"If some township is looking for its own police

department, I'm not going to stand in the way," he said.

The Oakland County Board of Commissioners' layoff of 27 deputies last December was the result of a \$4 million budget cut recommended by the finance committee and ordered by the legislature.

Newly elected Commissioner Richard Kuhn, who did not hold office at the time the layoffs were an-

nounced, favors rehiring the 27 deputies.

"I support the reinstatement of the deputies. I think Springfield and Independence Township need that service and don't have adequate back-up protection now," Kuhn said.

The Public Service Committee was expected to discuss the issue at a meeting early this week, according to Kuhn.

DNR sets hearing date on gravel mine

By Marilyn Trumper

After months of waiting, a public hearing has been scheduled on the Edward C. Levy Co.'s application to mine 300 acres near the headwaters of the Clinton River.

The Department of Natural Resources (DNR) and Army Corps of Engineers have scheduled the joint hearing for Wednesday, March 23, at 7 p.m. in Independence Township Hall, 90 N. Main, Clarkston.

Officials from both arms of the state said they expect a big turnout and point to a similar meeting in February of 1981 when hundreds of township residents and a half-dozen interest groups voiced opposition to the plan.

This will be the second such hearing on the controversial plan to mine acreage adjacent to Independence Oaks County Park and Independence Township's Clintonwood Park.

In November, the Levy Co. filed a revised Environmental Impact Statement regarding the proposed operation.

The second study was termed "more inviting" than the first by DNR officials, and outlined ways to lessen the impact mining would have on the wetlands.

Follow the leader

She doesn't usually bring her son to her exercise class for pregnant women, but it was that or not attend, so Chris Erisminger called and received permission from the instructor. Holding onto Snoopy, Ryan does a few exer-

cises with his mom, sits quietly on a chair at times and asks to be taken to the rest room eleveny-seven times. The story about the class is on Page 44.

Work starts to whittle committee list of 20 to 5

By Marilyn Trumper

Sifting through the over 20 names submitted to fill the five-member historic ordinance committee, village President Jackson Byers announced his work's cut out for him.

"I'll make personal contact with each one of these people to see if they're interested," Byers said at the March 14 Clarkston Village Council meeting. "Hopefully we can appoint the committee at the next meeting."

The committee is to draft a new law in conjunction with establishing a new Historic District Commission, which approves all construction, repairs and renovation to houses and outbuildings in the 174-home historic district.

When the law is adopted, the committee disbands. Two members must come from the local historical society, all should be village residents and should live in the historic district, Byers said, adding the latter is not a requirement.

Denise Symons, president of the Clarkston Com-

munity Historical Society, offered the council copies of "Standards for Rehabilitation," a federal government publication offering guidelines for rehabilitating historic buildings.

Symons asked the council to consider incorporating the three-page document into the proposed new ordinance.

A resolution from the historical society cited the following reasons for inclusion:

- The standards offer consistent decision-making guidelines for the commission.

- They must be followed before commercial historic structures qualify for tax incentives or rapid depreciation.

- They offer a common-sense approach to restoration while protecting the historical integrity of historic structures.

Following complaints from residents in November, the council repealed the controversial historic ordinance, thereby disbanding the regulating Historic District Commission.

The decision produced one resignation on the council and spurred a veteran trustee to bow from politics and not seek a sixth term in the coming election.

Residents charged the commission with poorly educating the public and with arbitrary decision-making, and complained about the council's failure to regulate the powerful body.

The only appeal to a commission's decision is through the Oakland County Circuit Court.

Sewer bills up \$1

Village residents' March 15 sewer bills will be \$1 more.

The Clarkston Village Council voted unanimously March 14 to increase sewer bills by \$1 to cover administrative costs.

County increases have eaten away at the margin traditionally used by the village to cover the cost of mailing and billing, according to Treasurer Artemus Pappas.

The village has been absorbing those costs and is losing money, he said.

Instead of the \$28.50 per unit, per quarter paid by village residents, the March bill will be \$29.50, Pappas said.

Big turnout expected for Levy hearing

[Continued from Page 1]

a primary concern with state officials during the first review, according to Brad Wilkins, water quality specialist with the DNR.

The revised statement outlines the following:

- Mining 300 acres with 80 acres reclaimed for an "upland habitat," a kind of wetlands area that does not exist now.

- Developing a 200-acre lake.

- Creating a 21-acre shallow wetlands area in the northwest.

- Developing within the first five years a township beach on a 12-acre lake abutting Clintonwood park, isolated from the rest of the mining operation.

- Including non-development areas outside the 500-foot buffer along the river.

Since Levy made its first bid to mine in 1979, it's been tangled in a bitter legal battle with township government and interest groups determined to block the proposed operation.

In 1979, voters approved a .5-mill levy to pay for the condemnation of 80 acres already owned by the firm. Officials say the land will be used to expand Clintonwood Park.

-Correction-

The name of the matron of honor for Bettjean Collins and Thomas Kloes' wedding was incorrect in last week's Clarkston News.

Doreen Schwarze of Clarkston served as matron of honor for the Jan. 1 wedding.

Independence adopts its cable TV ordinance

By Marilyn Trumper

Cable TV is here.

At the special joint meeting of the Independence Township Board and Clarkston Village Council Feb. 17, both bodies unanimously adopted the 65-page cable TV ordinance that's been under draft for the past six months. It is a 15-year franchise.

Multi-Cablevision's representative Gil Clark says it will be at least six months before crews are out laying cable, and the system will take a year to complete.

"Although we hope it won't take that long," Clark said. "We've already done the (surveying), now all we have to do is negotiate with the utilities for pole space."

The law takes effect 30 days after publication leaving Multi-Cablevision free to begin construction of the \$2.5 million system with 40 active stations.

"It feels good. This has been a long process," Clark said, describing final adoption of the ordinance.

The complete 56-channel system's lowest monthly rate Clark calls the "senior citizen's package." It costs \$6.95 a month and offers Detroit's channel 2, 4, 7, 50 and 56, and the public access station that will be utilized by township citizens and the schools.

The next package costs \$9.95 a month and offers the satellite system, stations from Atlanta, Chicago, 24-hour sports, news, children's programming and M-TV, a video-rock station, and Detroit programming.

Customers must pay an additional \$8.95 per month for each additional station like HBO, The Movie Channel, Showtime and Cinemax, with discount incentives for each station added, Clark said, which when fully loaded will cost \$39.95 a month.

What's more, Hockey Night in Canada will soon be out in the township and village for cable subscribers.

In fact, they can say goodbye to all of CBET-TV. Branded as a "distance signal" by the Federal Communications Commission (FCC), cable companies must pay a premium to carry the Canadian station.

Multi-Cablevision has opted to offer shows from Atlanta and Chicago instead of the familiar Channel 9 from Windsor. To receive that station, subscribers must unhook their cable system or not receive cable at all.

"From the original ordinance the township has gained a number of things," Clark said. "The right to purchase the franchise in the event of termination or expiration and an increase in the franchise fee for local programming."

"From a contract point of view, the township has gotten a good deal and we have, too."

Complete text of the cable ordinance begins on page 18

The ordinance does not target a studio site, but does guarantee the township \$15,000 to cover the cost of home safety inspections following installation of cable, according to Clerk Christopher Rose.

"It also designates the township board as the cable authority which makes decisions, but gives the village council veto power over those decisions," Rose said.

The ordinance also calls for a four-year rate freeze, gives the township control over those rates during that time and allows the company after that period to increase fees only by 5 percent.

The next hurdle, according to Rose, will be targeting a studio site. That must be done before construction begins, he said.

Five new safety paths eyed

By Marilyn Trumper

Independence Township engineers have put five proposed bike path routes in the hopper to look at cost and safety as the board prepares to target its next construction.

And it appears local government has responded to citizens' efforts to have the controversial library path moved up the list of priority routes.

In addition, there's new opposition to the proposed Maybee Road path.

At the Feb. 15 meeting, township officials targeted the following five routes for review:

- The east side of White Lake Road from Mustang Drive, north to connect with the Village of Clarkston's existing sidewalk near Deer Lake Beach.

- The south side of Maybee Road west to Chickadee, across Maybee Road to the north side and west to the Pontiac State Bank driveway.

- Three alternate paths to the library. The first along Clarkston-Orion Road from village limits to the library. The second, on the north side of Clarkston-Orion Road to the Episcopal Church of the Resurrection, and along the south side of the road from the library to Snowapple. The third alternative path is proposed along Wealthy Street, away from busy traffic and the curves on Clarkston-Orion Road, a safety concern expressed by some citizens.

- And the final plan, Eston Road, north of Clarkston-Orion Road to Algonquin, in the township's northeast quadrant.

Officials say they anticipate paving 3.4 miles with the \$113,000 to be collected this year, revenue from a .5 mill voters approved in August 1980 to finance 10 years of construction.

Charlotte Wall of Maybee Road argued against path construction on her side of the street.

'If this bike path goes through,

I won't have a front yard left'

"If this bike path goes through, I won't have a front yard left," Wall said. "My house sits 15 feet from the road. Everybody who goes by will be knocking on my window. What's this going to do to me?"

"I don't see that you have room for a path, and I'll fight it. I'll fight it very hard. I don't want my living room blacktopped, especially when it's empty across the road."

William Swick, also of Maybee Road, agreed. "I can't understand why the north side of the road isn't being utilized the whole way. There are only four houses on that side."

Trustee Dale Stuart expressed concern over validation of "safety" on pathways near on streets and curves.

"When we create paths we invite people to use them and I think, expose ourselves to a liability," Stuart said. "Therefore, I think we need to take steps to make sure that if the addition of a guardrail is needed, that it go in."

"And," he said, "require the engineer to address the issue of safety and have it on file."

Chris Shull of Allen Road, active in Friends of the Library, made a plea for immediate construction of the controversial path to the library, regardless of where it goes in.

"As long as it's a priority," Shull said. "There is a need for it now. It should be dealt with this year."

Did you miss the snow?

"It seems like spring is coming sooner. There's nothing wrong with that," Martha Wheeler of Hummingbird Lane in Independence Township.

"No way did I miss it, because I drive into work 26 miles. That's a long haul and it's safer," Doris Singelyn of Sashabaw Road in Independence Township.

"Not in the least. There's no shoveling to do," Richard St. Louis of Hummingbird Lane in Independence Township.

Fall semester opening moves closer for U of D

By Dan Vandenhemel

Area students accepted at the University of Detroit's new campus won't have far to drive.

Because the campus at Springfield Township's Colombiere Center will be for commuters only, research was conducted prior to plans to open U-D's only site outside Detroit.

"Research has shown a large number of students here, including children of alumni," said campus director Robert O'Neil. "A lot go to Oakland (University) and most of the others go to (Michigan) State. State has to be our major competition."

O'Neil said U-D has proposed branching out of the city since 1971 and the existing campus was a major factor in the move.

As the fall enrollment date nears for the charter class of 150, some changes are underway in the building that was constructed in 1959 as a seminary for Jesuit priests and changed to a conference center in 1971.

"There will have to be some slight renovations made," O'Neil said. "A student lounge will have to be built, the sidewalk to the entrance will have to be widened. Since the campus is already here, the tuition will be the same here as at the main campus."

The tuition is \$5,075 a year. O'Neil admits that seems high, but adds that 80 percent of the students get some form of financial aid.

Classes will be offered Monday through Thursday in the morning and each will last 75 minutes. Six classrooms are to be available along with a library, an auditorium and the lounge area.

"We are going to experiment in the classroom with comfortable chairs for the students," O'Neil said, "After a while in those hard desks, students get tired of sitting."

"We have our top rate faculty coming out here," he added. "There won't be any part-time instructors."

The incoming freshman class will be limited to 150 students. They will be required to take classes in liberal arts and business programs.

The business school at Colombiere will be the only one with accreditation in Oakland County by the Accreditation Council of the American Assembly of Collegiate Schools of Business, O'Neil said.

By having students split their classes between liberal arts and business, they will get experience in both, he said.

"Plus it will be a relief to the parents," he said. "Some students change majors a couple of times and this will cover most core requirements. I'm real happy with the curriculum."

The campus is expecting to accept 150 new students each year.

"It's going to be exciting for the first class of students," said admissions officer Elizabeth Hershey. "They will start organizations, the clubs. They will get the campus off the ground."

The doors to the University of Detroit Colombiere Center are to open in September. Campus director Robert O'Neil and admissions officer Elizabeth Hershey discuss the coming event.

Shifting fines

Shifting the way traffic fines are written can bring Independence Township a few hundred dollars more a year.

And that, apparently, is what the board wants. At the Feb. 15 meeting, the board voted unanimously to have traffic fines written under local ordinance rather than state law.

The new procedure means the township gets a greater percentage of fines levied in court, according to township attorney Gerald Fisher.

"Really it's nothing more than a formality. The township just has to write a letter to the (Oakland County Sheriff's Department) and notify of them of the change," Fisher said. "It should begin after that."

According to Fisher, the burden of prosecution now falls on the township rather than the county, but the number of protests is not expected to increase.

HEALTH NEWS

Recurring Headaches?

By Paul A. Rumph D.C.

Suffering from throbbing pain, stiffness in the neck, nausea, dizziness, eye and ear problems (spots in front of eyes, occasional ringing in ears), nervousness, insomnia or chronic tiredness? The above problems could lead to more serious complications or even a nervous breakdown if not corrected promptly.

These symptoms indicate a great possibility that there are spinal fixations with nerve degeneration. Dr. Rumph seeks the exact location of these spinal fixations and corrects them through scientific healing. The treatments correct the cause, not cover up the effect.

The Rumph Chiropractic Clinic asks: "Why be sick when you can be well again?" This week only we are offering a FREE spinal examination and nerve test as a public service (If you mention this article) to see if your problem can be helped by Chiropractic. Pick up the telephone now and make an appointment with Dr. Rumph.

Don't ignore these danger signals:

- Lower back and leg pains
- Difficulty in breathing
- Recurring headaches and nervousness
- Numbness in hands, legs or feet
- Painful joints and restless nights
- Neck, shoulder, or arm pain

If not corrected, these can lead to more serious complications.

Letters to editor

Teachers' association president strikes back

It is apparent to us that the Clarkston Community Schools and its superintendent, Milford Mason, are playing a giant game of chess.

Unfortunately, the citizens, teachers and children are being used as the pawns.

We make specific reference to the constant "gloom and doom" philosophizing of Mr. Mason.

Just last week he was reported saying in The Clarkston News that "the February state aid payment of \$486,300 will definitely be delayed and may never be received" and "the possibility of a delayed (payroll) payment in June continues to be quite real at this point."

Statement after statement has appeared in numerous issues of The Clarkston News in which the prophecy of doom was preached.

The membership of the Clarkston Education Association has never disputed the fact that Clarkston Community Schools has lost revenue due to the state cuts in funding.

We realize that such cuts have placed a strain in providing all the necessary services for our students.

We totally agree that it is paramount for the 5-mill renewal to pass in June so that we can continue to educate our young people in an effort to provide them with happy, productive lives and keep them off tomorrow's unemployment lines.

We disagree in the approach taken by Mr. Mason and board of education.

First, Mr. Mason failed to state that school districts that can prove destitution have the right to petition the state for that February payment—44 have petitioned and received that payment.

Second, when the board of education was given the opportunity to set the millage rate for this year, it refused to levy the total amount the taxpayers had authorized—thus costing the school district over \$100,000.

Third, Mr. Mason speaks of the need to "tighten our belts," but the board of education recently approved expenditures of \$3,800 for six months to hire former State Senator Kerry Kammer as a lobbyist and \$6,000 for hiring a new business manager.

If Mr. Mason means that we cannot afford teachers and programs for our kids, we completely disagree.

The board's approach so far has been to place the burden on its school employees.

Since September, the teachers (and other school employe groups) have worked in good faith without a contract.

Our students have not suffered; our kids have had a band, gone to camp, have had holiday celebrations in class, have had football games, as well as one of the best educations possible (as attested by the 73 percent A or B ranking given on the recent survey).

In short, it's been "business as usual."
We have done so even though we have seen every

other Oakland County school district settle new teacher contracts for 1982-83 but one (Lake Orion).

We only receive our negotiated salary increases—no cost of living, no overtime for hours spent grading, and no profit sharing plan.

It is foolish to expect our membership to go much longer without a contract. We will not be the source of this board increasing its fund equity.

Yes, we believe that you, too, should be angry. It is foolish, however, to take it out on our kids by saying "I'll get you" at the voting booth.

It's time for all of us to make this board of education tell the entire story and to hold it accountable for its actions.

Al Bartlett, President
Clarkston Education Association

Board behavior 'outrageous'

Why is the township board forcing flood insurance on 100 families in Independence Township?

They must know the families and or homes involved in the flood plain.

I say a vote by the people directly involved is the democratic way to do this and not by the choice of six people.

If the majority of homeowners vote for this flood insurance, fine. But if not, then no way should a few say what is good for so many.

No one seems concerned about this flood insurance and its cost except for the few families involved.

I, for one, am against the way we were forced into this program.

I am going to write to the state senators and representatives about the outrageous behavior of the township board.

Burnell A. King

Editorial

State's judge switch looks bad

The Michigan State Supreme Court changed its mind. Perhaps that's unfair, since just one justice, Charles Levin, is the only one who actually switched his vote.

The case that brought about this non-justice was over the appointment of Dorothy Riley to the high court by former Governor Milliken. He made the appointment following the death of Justice Blair Moody, who died between being re-elected in November and taking the seat Jan. 1.

Republican Milliken felt law was on his side in making the appointment. Newly-elected Governor James Blanchard felt he had the right to name Moody's replacement.

Last Friday two Republican justices James Brickley and James Ryan, and independent Levin voted to not unseat Mrs. Riley.

Three Democrat justices, G. Mennen Williams, Michael Cavanagh and Thomas Kavanagh voted to not seat Mrs. Riley.

The fact that politics was involved at all is

both frightening and maddening.

The Supreme Court was to base this decision on the Constitution.

When Levin reversed himself Wednesday we read no detail of the account that said his decision was based on the Constitution.

He said he felt four justices should have voted one particular way and he didn't see four for Riley.

Isn't that a great way to dispense justice?

The six men who preside over this tribunal have reduced its reputation to near zero. Citizens of Michigan can hardly look up to these justices with the same plea and hope for impartial, lawful judgements.

Decisions will be more suspect than ever. One can only hope that should a case he or she is involved in reaches the Supreme Court of Michigan, it has the backing of the Democratic party.

—J.A.S.

Jim's jottings

Gotchas!

By Jim Sherman

I have a couple questions that bother me this week.

The first one has to do with merchandising. How many bread, milk and soap companies thought, 15 years ago, their products would be sold in gas stations, hardware, and drug stores?

An even bigger question in my mind is, did these manufacturers originate the idea, or did the innovative merchant experiment first?

My bet is with the merchant.

Next question. Almost forever Michigan's Secretary of State has forbid the manufacture of license plates with vowels. They didn't want someone to be able to make an offensive word from an innocent assembly of three letters.

Then came the vanity plate, where, for \$25, you can get "Sherm", or "Huggum", or "MFG-1",

but still they had to be clean.

Now vowels are in. Question: When and why? Are our morals so bad there are no such things as dirty words?

Judging from what little I've seen on cable tv, the latter might be true.

Next question: Where is this recovery the "experts" say is underway in the economy? Not with a couple auto dealers I've talked to. Not in the newspapers I'm familiar with. Not in the clothing, hardware, and home furnishings operations in small town, Michigan.

Maybe in the stock market? Maybe theaters? Maybe Atlantic City, but not Las Vegas? Maybe to republican politicians, but not democrats?

Next question: Why did God, Mother Nature, or Old Man Winter give Michiganians

the kind of winter we've had this year? Eighty-year-olds, who have lived here all their lives are saying, "I've never seen a winter like this in Michigan".

Weather question 2: How come no one is promoting the Farmer's Almanac as having predicted this mild, mild winter? Had we had a blizzard the weather man critics would have made certain it was predicted a year ago.

More questions: Can a duck go on a wild goose chase? Can a snail worm its way out of a bad situation? Who do hotcakes sell better than anything else? What harm can music do when we face it?

Can a piano really be played by ear? Can a crew of women man a ship? Can food be a drug on the market? And where is the weather when you are under it?

Shared warmth

The first-grade classroom burst with a warm glow. Like most school parties, a table bulged with homemade goodies to be enjoyed after the program. But, the reason for the gathering on Friday was a bit different than usual.

While I was only an observer, and not an honored guest, the experience kept me smiling all day.

And the warmth is worth sharing.

The first clue that something unusual was going on was the large crayoned poster taped to the chalkboard.

"You're Really Super" was circled inside a huge multi-colored prize ribbon.

And a large heart circled "You" in the poster's other message: "We appreciate You and what you do for us!"

The programs, all hand-decorated, were passed out by smiling children at the classroom door. They called the event "Volunteer and Other Special Persons Appreciation Day Program."

Teacher Rosemary Lewis also called it "Super Person Day."

She told the adults assembled in the Clarkston Elementary School classroom they were there to be thanked: "You have given up your time and your talents and you have helped us."

Each adult was called to the front of the classroom. The first-grader who wrote the thank-you note read it, then gave it to the honored guest.

Among the sentences in some of the tributes:

- "You are good."
- "For a woman who had helped with a minor injury, 'I wish you were a nurse.'"
- "I like you so much."
- "Sometimes you make me laugh."
- "I like you because you like me."
- "I like the ideas that you think of."
- "You deserve this party."

The adults included room mothers, volunteers who assist with math and reading, playground supervisors, library workers, the man who helps children cross Waldon Road going to and from school and the principal.

They were properly hugged.

Sean Craven reads his accolades written especially for Clarkston Elementary School custodian Jim Malone.

Photo commentary

by Kathy Greenfield

Judy Kornacki is all smiles as Heidi McFalda presents her special thank yous.

Smiles and applause from the first-graders illustrate it's fun to give as well as receive

thanks. From left are Scot Trowbridge, Janis Kornacki and Brian Bovee.

'If it Fitz. . .

Justice

by Jim Fitzgerald

The father of the 24-year-old son who never comes home got a bright idea while reading the newspaper. "We could hire someone to kidnap our son in Oakland County and bring him home," he suggested to his wife.

"Isn't that against the law?"

"Not in Oakland County," he answered. "I was just reading about it. An Oakland County woman and her husband hired eight people to kidnap her two adult daughters, who live in Washington, while they were visiting in Oakland County. When the eight people were caught, after holding the young women prisoner for four days, they were charged with kidnapping, but no charges were made against the couple who hired them."

"That's hard to believe. L. Brooks Patterson is the Oakland prosecutor and he has always been Mr. Law and Order, cracking down unmercifully on welfare cheats and insisting that no convict should be paroled until after suffering capital punishment. Why would he prosecute the people who allegedly did the kidnapping but not their employers?"

"Some cynics say it's because the couple is very wealthy and influential," the father said. "But Patterson said he didn't arrest them because they kidnapped out of love for the kidnapes. He cited precedent, which is what lawyers do best. He said that in other

cases, when parents were prosecuted for kidnapping their children, they were acquitted because they kidnapped them because they loved them."

"PRECEDENT? Patterson is always running for some other office, like governor or senator, and always losing. But every election he runs again. If he is so respectful of precedent, why does he keep ignoring the one that says he's a loser?"

"He can help it. When Patterson's mother was pregnant with him, she was frightened by a Zolton Ferency campaign poster."

"All right, I'll accept that," she said. "And there is no denying our son spends a lot of time listening to rock music in Oakland County saloons when he should be home. But what about money? Maybe that rich Oakland couple can afford to hire kidnapers, but we can't."

"Oakland county will give us the money for kidnapers. It works the same as for abortions. Abortions are legal, and it isn't fair that only rich women can afford them. So our state pays for poor women's abortions. Likewise, if it's legal for Oakland County parents to kidnap their adult children, it isn't fair that only rich parents can afford to hire kidnapers. Brooks Patterson will probably give us the money out of his office expense account."

"OK, but that Oakland couple thought her two daughters belonged to a cult and needed deprogram-

ming. Does our son belong to a cult?"

"CERTAINLY," the father said. "Several ministers of God insist rock music warps minds and causes young people to forget the important values of life. In this case, our son keeps forgetting where he lives and the important value of free room and board."

"That's right," she argued. "After the kidnapping we can lock him in the laundry room and deprogram him with our old Guy Lombardo records."

And as long as we do it in Oakland County, we have nothing to worry about. If we're caught, all we have to do is say we love our son, and we will be set free, even if he is old enough to vote. And if we can't prove Oakland County saloon patrons belong to a cult, it won't matter. Patterson didn't believe those two Washington women belonged to a cult, either. He said they were "basically the furthest thing from cultists I've ever seen."

"But it was still legal for their mother and her husband to have them kidnapped," she marveled. "Justice is certainly a strange and wondrous thing."

"It is in Oakland County. There'll soon be signs at the county limits saying: 'Kidnapers with love in their hearts will be prosecuted to the full extent of the precedent for electing L. Brooks Patterson governor.'"

Getting into shape

Independence Township firefighters put \$2,300 weight machine to work

By Marilyn Trumper

Fire Chief Frank Ronk's calf muscle screams for mercy—and so does he.

"Oh God, Neil, this hurts! Oh, this hurts!"

Sprawled on the floor in gray sweats, Ronk is only warming up for more misery.

Bending over, touching his toes, he utters, "Somebody moved the floor down."

Everyone laughs.

The next hour and a half will be spent at the mercy of the fire department's new \$2,300 weight machine.

The new department policy: All on-duty firefighters will spend at least that much time at the silver bars, pressing and lifting and pushing.

"Oh boy," grimaces Gordon Mason, flat on his back, arms shaking from the strain of the bench press. "Oh boy!"

"You've got one more, one more. Come on, you can do it," coaches Steve Ronk.

"Parts of my body hurt that I didn't even know I had," says Neil Ashley, rubbing his thighs. Then he passes on a secondhand tongue-in-cheek comment about the tool used to force open car wreckage and remove trapped victims.

"After six months of this, we won't need the Jaws of Life anymore."

On the recommendation of the National Fire

Council, Ronk pushed for purchase of the equipment, citing growing numbers of firefighters collapsing from heart attacks.

"The council's done studies and was alarmed at the number of guys who were out of shape," Ronk

said. "I got to thinking about them pulling the heavy hoses through snow, and decided we have to do something to get in shape."

From the leg-press rises an "Ohhhhhhhh!" Fire Station 2 will never be the same.

Neil Ashley (left) groans about painful thighs as he buckles under to the leg press, while Independence Township Fire Chief Frank Ronk works at sit-ups and grunts all the way up and

down. New fire department policy dictates all on-duty men use the new exercise machine an hour and a half each day—and that, according to the chief, means everyone.

Just once a year

Put a big star in the calendar square for Saturday, March 26, at 1 p.m.

That's the date and time the Independence Township Board has targeted for the annual meeting in the Independence Township Hall Annex, 90 N. Main, Clarkston.

And for the first time it's going to be held in a barrier-free atmosphere.

"Unless we have a real crowd, then we'll move next door (on the second floor of township hall)," said Supervisor James B. Smith.

At the annual meeting citizens have a vote on salary raises for elected officials and review of the 1983-84 budget.

Last year the supervisor, treasurer and clerk and four part-time trustees went without a raise.

The last salary increase for the board was in 1981, when the three full-time officials received a 7.5 percent raise making the supervisor's salary \$31,000; the clerk and treasurer's \$28,000 and the four part-time trustees \$3,500.

Used book place

If your bookshelf is full and the pile on the floor is growing, there's a place for them.

The Independence Township Library is now accepting hardcover and paperback books for its annual three-day book sale planned in mid-April at the Clarkston Mills Mall.

The books should be in good condition, and fiction and non-fiction works are wanted. National Geographic magazines will also be accepted.

Those who wish to make donations can drop them off at the library, 6495 Clarkston-Orion, Independence Township.

Call 625-2212 for more information.

Tax benefit: Park-and-ride plan rekindled

By Marilyn Trumper

The federal government's 5-percent gas tax hike means Independence Township will probably get shoulder paving along M-15.

And the park-and-ride lot at Sashabaw and I-75, a project shelved last fall, is now targeted for August construction.

Township Supervisor James B. Smith made the announcement to the board Feb. 15, and later elaborated.

"I expect that projects like M-15 will be back on the burner now that the gas tax has been approved," Smith said. "I expect the state to begin escalating with those kinds of projects."

"And we found out (this week) the state has instituted the car park-and-ride lot at Sashabaw Road and I-75 after the county arrived at a compromise."

"The county wants to see the shoulder on the right hand side of the road paved so there'll be a lane into the lot," Smith said.

Last October the county put the kibosh on the planned 100-space lot, saying traffic at the bottom of the hill created a hazard.

Currently as many as two dozen cars park on private property at Waldon and Sashabaw roads for car pooling, and have done so for years.

"I'm delighted that reason prevailed and a compromise was reached," Smith said.

Bids are expected to be let in August, with the lot completed before winter, he added.

Independence takes flood insurance plan plunge

Objecting to the federal government's strong-arm tactics forcing municipalities to join the flood insurance program, the Independence Township Board argued for a half-hour, then joined the program.

Trustee Dale Stuart was the lone dissenter and vigorously opposed the move at the Feb. 15 meeting. "Once the insurance is available, it will be required," Stuart said. "We are adding the burden of that (to the citizen) and it's an onerous charge."

Trustee Larence Kozma agreed, but favored joining the plan.

"I think more good will come of it than bad, and it will prevent construction in the flood plain. Essentially what it will do is subsidize areas in the country that are prone to flooding, like areas along the Ohio River and St. Louis."

Trustee Daniel Travis said, "I resent the intrusion, but we don't have much to say about it."

Travis, Kozma, Clerk Christopher Rose, Treasurer Frederick Ritter and Supervisor James B. Smith voted "yes" and directed the attorney to begin drafting an ordinance.

Last Jan. 28 more than half of the 102 citizens invited to a public hearing on flood insurance filled township hall to discuss what's proven to be a controversial issue.

State aid delay 'is going to be felt'

It might be as late as October before Independence Township gets its \$100,000 in state shared revenue.

That coupled with a certain \$30,000 loss will be felt in township coffers, according to Treasurer Fredrick Ritter.

"Anytime you lose 10 percent of your income it's going to be felt," Ritter said. "We're in a situation where we have the cash to get us over that hump. But we need that \$100,000."

Each year the township uses its state shared revenue to supplement the general fund. The money comes from states sales and income taxes.

The delayed payment is a result of the governor's December executive order to withhold approximately \$700 million.

"We have to get that \$100,000, but not before Oct. 1, when the state's fiscal year ends," Ritter said.

Unless the board agreed to take part in the federal flood insurance program, the 102 property owners in the 100-year flood plain would find resale and remortgaging of their homes unacceptable to banks and other lending institutions because of

noninsurable exposure of those homes to flood damage, according to Supervisor James B. Smith.

By joining the program, citizens are eligible to purchase flood insurance not available through traditional insurance agencies, Smith said.

An Apple for the Teacher

by Bonnie Valuet

Editor's note: "An Apple for the Teacher" will run every-other-week until the school year ends. It is the work of a Clarkston Education Association committee working to promote the image of teachers. The committee has selected one teacher from each school building in the Clarkston district. Said Dorothy Learning, who heads the committee: "The people of Clarkston have quite a bit to feel good about in terms of the quality of their teachers."

Teaching 12 years

Having devoted 15 years to her husband and four children, Rosemary Krause enrolled at Oakland University, Rochester, in the mid-1960s.

She student taught in Clarkston and stayed on here to teach at Pine Knob Elementary School. She has taught fourth- and fifth-graders for the past 12 years.

She earned her master's degree in 1973.

Rosemary's family and home remain very important to her.

Glen is an engineer at General Motors. Laurie, 26, is a buyer in New York City; Nancy, 25, a former teacher who student taught at Pine Knob, is married, lives in Georgia and has two babies; Tommy, 23, is mentally handicapped, lives at home and works full time; Dan, 21, is a Central Michigan University student majoring in industrial technology.

A native Michigander, Rosemary has a love of United States' history.

This is reflected in her Rochester home, a salt box she and her husband recently had built.

A warm country feel abounds here and it provides a wonderful background for the primitive antiques and handmade items Rosemary and Glen so avidly collect.

They have traveled extensively in the U.S. and Canada. New England is a favorite spot with Rosemary and she enjoys antiquing along the way.

She embroiders, crochets and sews; in fact, she makes many of her clothes.

She cross-country skis, walks, bicycles and golfs. Her favorite reading material is, of course, historical fiction.

At school, she's known for her clever art projects. In addition, this year she has her class working on a newspaper and they have made ice cream.

She brings to her students and colleagues alike a rich degree of professionalism, a positive attitude, unending patience and a cheery disposition.

Is there something worth 1,000 words that irks you or pleases you and can best be said with a photograph? We invite you to submit ideas for "Photo Commentary." Just give us a call at 625-3370 or drop us a line at The Clarkston News, 5 S. Main, Clarkston 48016.

Food available to needy folks

Local families in need of food can participate in two programs designed to keep people with low or nonexistent incomes from hunger.

The Pontiac Food Program distributes a variety of food in Independence Township. Contributing to the food distribution program are the United Way, the General Motors Care and Share Program, the Salvation Army and Lighthouse.

To take part in the program, people must register before Thursday, Feb. 24, at 4 p.m. Call 858-5301 for more information.

The Oakland Livingston Human Services Agency is distributing 5-pound bricks of processed cheese to the needy on a monthly basis.

Clients are required to fill out a surplus food registration form which includes name, address, family size, and source and amount of income.

Cheese distribution sites are located in Waterford Township, Ortonville and Lake Orion.

The cheese is also available to homebound and handicapped persons. For more information, call 858-5180 or 338-9267.

Crash kills woman

A 49-year-old woman died of injuries suffered in a car crash on M-15, just south of Oak Hill Road early Saturday morning.

The victim, 49-year-old Elizabeth Ilg of Brandon Township, was driving north on M-15 at 2 a.m. Feb. 19 when she lost control, crossed the center lane, struck a car in the southbound lane and then hit a tree.

She was pronounced dead at the scene, according to Deputy Gary Holtz of the Oakland County Sheriff's Department.

The driver of the second car, Michael Brendel, 21, of Milford, was transported to Pontiac General Hospital and treated for injuries, Holtz said.

Sheriff's log

Tuesday, thieves broke into three cars in the lot at Clarkston High School, 6595 Middle Lake, Independence Township, and stole a purse, a \$120 equalizer and caused \$250 in damage to a sunroof.

Tuesday, thieves broke into a house on Oak Forest Road, Independence Township, and stole jewelry.

Tuesday, thieves broke into a house on Dixie Highway, Independence Township, and stole jewelry.

Wednesday, thieves broke into a house on Clarkston-Orion Road, Independence Township. It is not known what was taken.

Wednesday, police asked trespassing ice fisherman to leave a lake off Tindall Road, Springfield Township.

This information came from reports at the Oakland County Sheriff's Department.

Accident takes life

A 55-year-old Independence Township woman died shortly before midnight Feb. 15 in a single-car crash on Dixie Highway.

Ruth M. Kelley of Hillcrest Drive lost control of her car on Dixie Highway near Bridge Lake Road in Springfield Township, then struck a light pole and dirt embankment, according to police reports at the Oakland County Sheriff's Department.

She was pronounced dead at the scene, according to police.

-The Scoreboard-

Basketball

Clarkston High School Varsity
Wolves 69, West Bloomfield 52

Feb. 18—Mike McCormick leads the Wolves with 20 points and Eric Kline adds 10 in the final league game. They finish 11-1 in the Greater Oakland Activities League.

Lake Orion 59, Wolves 54

Feb. 15—The game was decided in the fourth overtime period. McCormick again leads with 20 points. Ray Kubani scores 16 and Dave Jokisch adds eight.

Sashabaw Junior High Cougars
Cougars 42, Lakeland 37

Feb. 17—The Cougars win their second game of the season behind Ed Adkins' 17 points. Tom Ruelle scores six points and Dave Lederman pulls down 10 rebounds.

Mason 60, Cougars 44

Feb. 15—Despite Dale Traver's 12 points, Dave Baren's seven points and a season high 20 rebounds, the Cougars fall to Mason.

3 wrestlers going to regionals

Three members of the Clarkston Wolves wrestling team are going to the state regionals this Saturday at Rochester Adams High School.

Greg Ellis, Al Wall and Jeff Lawrence qualified for the regionals by placing fourth or better in the district tournament Saturday.

As a team, the Wolves placed fifth out of 18. Coach Rick Detkowski said that was the best the team had done in some time.

Ellis raised his record to 43-0 and set one school record and tied another in the regionals. He broke the record for the most consecutive wins during a season (41) and tied for the most in one season.

Ironically, those records were set in 1972-73 by the Wolves' present coach.

"It feels great he's doing so well," Detkowski said. "He's a tough kid, very tough."

Another reason for the good team finish was the return of Wall and Lawrence. They were injured during a match on Jan. 15 and have not wrestled since then.

"They haven't been in a match since mid-

January," Detkowski said. "You take a couple like that out of your line-up for a month and it gets the other kids down because they know it's going to be harder to win without them."

Also winning one match at the regionals were Dean Buchanan, Ken Stuk, Mike Wendorf, Keith Edwards and Jack Basham.

"They all wrestled tough," said the coach. "Brad Moshier lost his first match but it was probably the best one of the day. He lost by one point and a rough call by ref cost him two points and maybe a pin. The ref said they were out of the circle but they were still in it."

"Even people in the stands came down and told Brad that he should have won. That made him feel a little better," he said.

Sports

Wolves come back after 4-overtime loss

By Dan Vandenhemel

The Clarkston Wolves finished the Greater Oakland Activities League (GOAL) season with a 69-52 victory over West Bloomfield last Friday.

The Wolves won the league title for the first time in two years the week before by downing Rochester 49-37.

Mike McCormick led the Wolves with 20 points and Eric Kline came off the bench to add 10 points.

Coach Dan Fife said he was impressed with the way the team played after their exhausting 59-54 four-overtime loss to Lake Orion Feb. 14.

"This was a good win for us," he said. "To come back the way we did after the loss at home did a lot for the team. It was a well-played game by all the kids."

Clarkston finishes the GOAL season with an 11-1 record and the only loss came from Lake Orion.

"Things could have gone either way in all of the overtimes," McCormick said.

"Of course we're a little disappointed," Kline said. "We just didn't get the breaks."

Fife called the overtime game was a great experience for the team.

"We have nothing to be ashamed of. We had several opportunities to score, but people were getting tired and couldn't get open," he said.

The Wolves are 15-2 overall, finishing their season with games against Pontiac Northern Friday, Bloomfield Lahser March 1 and Milford March 4.

"Things could have gone either way in all of the overtimes."

—Mike McCormick

Against the Dragons, McCormick was Clarkston's high scorer with 20 points. Ray Kubani scored 16 and Dave Jokisch added eight.

Kubani sent the game into overtime with a short jump shot with 10 seconds left on the clock to tie the game at 44-44.

Luck wasn't on Clarkston's side during the overtime periods because in the first and third overtimes, the Wolves made what appeared to be winning baskets, but they came just after the buzzer went off.

Dave Jokisch of Clarkston drives past John Vackaro of Lake Orion for two points in the

Wolves' grueling 59-54 four overtime loss to the Dragons.

Boxer wins 4th national Silver Gloves title

By Dan Vandenhemel

Thirteen-year-old Mike Grable of Independence Township accomplished something that has never been done before.

He fought his way to a record fourth straight Silver Gloves National Boxing Championship on Feb. 13 in Davenport, Iowa.

"I hadn't really thought about the record until someone told me that I could break it this year," Mike said. "It gave me a little incentive to win. It feels great."

The Silver Gloves competition is for boxers 10 to 15 years old.

Like all champions, Mike combines his talent with hard work as he hones his skills in the boxing ring.

Each day, right after school at Sashabaw Junior High, he goes to wrestling practice until 5:30 then to boxing at the Michigan Boxing Club in Waterford.

"I get done around 8," Mike said. "That doesn't leave a lot of time for homework, but I'm keeping my grades up."

To go to the national tournament, Mike first had to win the district level and the state tournament.

At each level, he won three matches in the 12- to 13-year-old bracket. Mike has a 77-8 overall record since he starting boxing six years ago.

His first tournament was in 1978, when he was the national runner-up in the 8- to 9-year-old division. The following year, that division was discontinued.

He started his string of titles in 1980. He was 10 years old.

This year, three other members of the Waterford-based boxing club qualified for the national tournament.

Ron Olsen, Mike's 16-year-old stepbrother, made it to the semifinals. Eleven-year-old Scott Lamphere of Waterford finished second and Ken Dabrowski, 15, of Lake Orion lost in the opening round.

"Mike did a great job," said Ron. "We're really proud of him."

"Mike and Ron did a great job, as did the other two," said their father Dale Grable. "We have 27 boxers in the club and to send four to the nationals is great."

But Mike's plans go beyond the national titles. After the four straight wins, he's beginning to look toward the Olympics.

"My future goal is the 1988 Olympics," he said. "I will be 18 then and the time should be just right. I figure it is easier to get into professional boxing after winning the Gold Medal."

"My future goal is the 1988 Olympics."

Mike Grable

Cougars beat Wolverines for second time

By Dan Vandenhemel

The Valentine's Day volleyball victory for the Clarkston Junior High School Wolverines was one for the record books.

When the Wolverines downed the Sashabaw Cougars for the second time this season, it was the first time either team won twice in the same year.

"I guess this is history," Wolverine coach Sally Lindeman said. "This is the first time it's been done."

But although it was a record, the Cougars' coach was not disappointed in the team's efforts.

"We didn't get blown away this time," coach Sue Koslosky said. "We played extremely well, I'm not upset at all with the loss."

Sashabaw won the first game 15-11, but the Wolverines came back and won the next two by identical 15-13 scores.

In the first meeting between the teams on Jan.

"I guess this is history. This is the first time it's been done."

—Sally Lindeman

26, Clarkston dominated the match and won 15-12 and 15-5.

The Wolverines finished their season with a 10-2 record.

The Cougars finished their season Feb. 16 with a win over Lake Orion. They are 7-6 for the season.

Lindeman was relieved the match with Sashabaw at Clarkston was over.

"It was very tense in there," she said. "I didn't even notice how big the crowd was, because I was so worried about where the ball was going."

Lindeman said her most consistent players for the season carried the Wolverines in this victory: Sherry Kulaszewski, Laurie Brandt, Gina Denapoli, Kathy Mekras and Terry Sherman.

"They really got determination," Lindeman said. "I'm very happy with the kids this year."

For Sashabaw, Kris Jarrett, Michelle Taulbee, Kecia Powell and Sue Stefanski led the team.

"Stefanski was the best hustler out there," Koslosky said. "Jarrett served extremely well."

"(The Wolverines) are a good bumping team," she added. "We are trying to be a good spiking team and at this level, a good bumping team will beat a good spiking team most everytime."

Tourney on hold

The third annual Slip and Slide Softball Tournament sponsored by the Independence Parks and Recreation Department has been rescheduled for March 12 and 13.

The lack of snow caused postponement of the tournament last weekend at the Spring Lake Country Club.

"Right now we have 24 teams signed up," said co-director Sheryl Stickley. "We're still accepting registrations for teams."

The tournament is open to men, women and coed teams. Games are to start at 9 a.m.

For more information, call the parks and recreation department at 625-8223.

Up My Alley

Thanks, Mark

By Dan Vandenhemel

What a game. When the Clarkston Wolves lost 59-54 in four overtimes to Lake Orion Feb. 15, I was so caught up in the game, I wasn't even thinking about the bet I made.

The bet was with Mark Marentette, a reporter with the Lake Orion Review. The terms were whoever lost, had to wash the others clothes for a week.

Mark also was at the game and because it was so exciting, he almost forgot about the bet.

Almost. When the final buzzer finally sounded, I knew I could look forward to a bag of dirty shirts.

Going through someone's dirty laundry wasn't very appealing but because the game was so exciting, it wouldn't be that bad.

I was waiting for him to tell me where to meet him so I could wash the clothes.

But I was thinking too far ahead.

Mark told me to forget about the bet because it was a great game. He didn't care about winning the bet as much as he cared that the Dragons won the game.

Clarkston had already clinched the Greater Oakland Activities League title with their win over Rochester. The Wolves-Dragons game didn't mean anything in the standings, but it meant a lot to the players on both teams.

Pride played a big roll in the Dragons effort against Clarkston and Mark knew it.

They had lost earlier in the season in Lake Orion by one point to the Wolves and wanted to show them they could play basketball.

Mark was confident the Dragons were a better team and made the bet to prove it.

I'm glad he felt he didn't have to prove it twice by going through with the bet.

Thanks, pal.

Race threatened

The mild winter threatens to cancel the sixth annual Snow Rush Ski Race set for Saturday, Feb. 26, at the Springfield Oaks Golf Course on Andersonville Road in Springfield Township.

The cross-country race sponsored by Blue Cross-Blue Shield and the Oakland County Parks and Recreation Commission was originally set for Jan. 22, but the lack of snow forced the postponement.

The race is open to beginning and advanced skiers of all ages. They are to be divided by age and past racing experiences.

Pre-registration is \$4. The fee is \$6 to sign up the day of the race.

For more information, call 858-0906.

Skiers qualify for finals

By Dan Vandenhemel

The boys' ski team and Lisa Burkemo from Clarkston High School qualified for the southeastern championship at Alpine Valley Wednesday.

In the regional meet at Pine Knob Feb. 17, the boys' team finished first, 18½ points ahead of second-place Andover. The top two teams go to the championship and the top three individuals go.

Burkemo finished third in the giant slalom to advance. The girls' team placed fifth overall, 120 points behind second-place Kingswood.

Andy Balzarini won the giant slalom race but fell during the slalom race.

"Everyone on the team skied well," said coach Don Balzarini. "Everyone contributed to the performance."

Craig McLeod had a good day by tying for sixth place in the slalom and was sixth in the giant slalom. Other finishers in the slalom were Mike Roeser, 11th; Mark Southby, 15th; Dave Huttenlocher, 19th; and Rick Whittaker, 40th.

Whittaker was 14th in the faster giant slalom with Roeser coming in 18th and Jeff Douglas 19th. Huttenlocher finished the race in 25th place.

For the girls, Stephanie Brown was fourth in the giant slalom. Heather Laurie finished 20th, Lynn Howse was 27th and Jennifer Hodges was 41st.

In the slalom, Laurie led the team by taking 24th, Hodges was next at 28th and Howse placed 41st.

"The start of the day, we didn't ski to well," the coach said. "We had some people fall in the slalom, but we did better in the afternoon. I'm glad the boys' team made it, because I heard a couple of teams made reservations for this weekend before the regionals."

Stephanie Brown of Clarkston High school maneuvers around a gate during the girls' ski meet at Pine Knob Ski Resort on Jan. 27. Both the boys' and the girls' teams won the Michigan

Southeastern Division with 7-1 records. Lisa Burkemo and the entire boys' team qualified for the state regional championship at Alpine Valley Wednesday.

Independence - Clarkston Cable TV Ordinance

(The following text is intended to serve as notice of adoption by the Village of Clarkston and the Township of Independence of ordinances to regulate cable television. These ordinances are substantially identical, and, thus, are being published together, below. Parenthetical references to the Village are not a part of the Township adoption, and the counterpart references to the Township are not a part of the Village adoption. In addition, Article I, Section 3 is not a part of the Village adoption.)

STATE OF MICHIGAN
COUNTY OF OAKLAND
TOWNSHIP OF INDEPENDENCE/VILLAGE OF CLARKSTON

CABLE TELEVISION ORDINANCE

AN ORDINANCE to provide for the regulation, licensure and franchising of cable television systems in Independence Township (Village of Clarkston).

THE TOWNSHIP BOARD OF THE TOWNSHIP OF INDEPENDENCE (VILLAGE COUNCIL OF THE VILLAGE OF CLARKSTON), COUNTY OF OAKLAND, STATE OF MICHIGAN, DOES HEREBY ORDAIN AND ENACT THE FOLLOWING:

ARTICLE I - SHORT TITLE: INTENT AND PURPOSE: ORDINANCE CODE

Section 1. Short Title.

This ordinance shall be known and may be cited as the Independence Township (Village of Clarkston) Cable Television Ordinance and shall hereinafter be referred to as "this Ordinance".

Section 2. Intent and Purpose.

The Township Board (Village Council) has recognized in the consideration and development of this Ordinance that in view of the great impact of construction and operation of cable communications systems upon persons and property within the Township (Village), and the extent of technological and financial sophistication required in order to make necessary evaluations and decisions with respect to such systems which shall affect lives and property of persons in the Township (Village), for an extensive period in the future, and based upon the conferral of authority to the Township (Village) in the Michigan Constitution and State Law providing that local municipalities have been explicitly authorized to act for the State in the licensing and franchising of local cable television systems, it has been determined to be necessary for, and is the intent and purpose of, the Township Board (Village Council) to regulate cable television within the Township of Independence (Village of Clarkston) and require the submission and approval of an application of persons desiring to conduct and/or operate cable television systems within the Township (Village).

Section 3. Ordinance Code.

The provisions of this Ordinance shall be incorporated into the Independence Township Code of Ordinances under:

ARTICLE II - FRANCHISE REQUIREMENT

Section 1. Franchise Requirement.

No person shall occupy or use the streets, roads, highways, sidewalks or other public way within the Township (Village) for the purpose of operating a cable communications system, nor operate such a system, unless and until an application for a franchise has been submitted and approved by the Township Board (Village Council) in accordance with this Ordinance.

Section 2. Initial Franchisee.

Any franchise granted pursuant to this Ordinance on or before shall comply with all terms and provisions of this Ordinance, except Article IV.

ARTICLE III - DEFINITIONS

Section 1. Expressly Defined Terms.

For purposes of this Ordinance as well as the Franchise Agreement entered into pursuant to this Ordinance, terms defined below shall have the following meanings:

- (1) Access Channel: Any channel dedicated for use by a governmental institution, educational institution, the public, or for license.
- (2) Access Channel, Educational: Any channel or portion of a channel in which educational institutions are the only designated programmers.
- (3) Access Channel, Government: Any channel or portion of a channel to which governmental agencies are the only designated programmers.
- (4) Access Channel, Licensed: Any channel or portion of a channel available for programming for a fee or charge by persons other than the Franchisee.
- (5) Access Channel, Public: Any channel or portion of a channel utilized for programming on a nonprofit basis that is available to the general public.
- (6) Activated or Ability: A function, service, channel, or piece of equipment that is in working order and may be operated or received by a franchisee, subscriber, programmer, operator or user.
- (7) Basic Service: All subscriber services provided by the franchisee, including the delivery of cablecast signals, covered by a regular monthly charge paid by subscribers, excluding optional services for which separate charge is made. This service may be offered at various levels, such as "mini basic" and "full basic".
- (8) Broadcast: The over-the-air transmissions of an electromagnetic audio or video signal.
- (9) Building Department: The Building Department of the Township of Independence (Village of Clarkston), Michigan, or designate, which may be, without limitation, the Township (Village) Engineer, or other consultant.
- (10) Cable Communications Service: The delivery by the franchisee to television receivers, or any other suitable type of audio-video communication receivers, of all subscribers in the Township (Village), of all broadcast signals carried over the cable communications system, local origination channels, educational access channels, public access channels, government access channels, licensed access channels, pay television channels, and all other services specified in the Franchise Agreement.
- (11) Cable Communications System or Cable System:

A system of plant and equipment not exclusively regulated by the FCC designed and constructed for the purpose of producing, receiving, amplifying, storing, processing and/or distributing audio, visual, digital or other forms of electronic or electrical signals, whether owned, rented, leased, or leased-purchased by the Franchisee, which may include some or all of the following: antennas, cables, amplifiers, towers, microwave links, cablecasting studios, real property, records, conductors, home terminals, converters, equipment or facilities.

(12) A Trunk Cable: A distribution system which connects the headend to feeder cables.

(13) B Trunk Cable or Institutional B Network: A downstream and an upstream distribution system which supplies cable communications signals downstream and upstream to and from the institutional subscriber.

(14) Cablecast: Transmission of programming and signals over a cable communications system.

(15) Cablecasting Board: The agency of the Township and Village established under this Ordinance.

(16) Capability: A function, service, channel, or piece of equipment that has the potential to be operated or received at some time in the future by a subscriber, programmer, franchisee, user or operator.

(17) Channel: A band of frequencies in the electromagnetic spectrum.

(18) Chief of Fire: Independence Township Supervisor (Village of Clarkston President).

(19) Chief of Police: Independence Township Supervisor (Village of Clarkston President).

(20) Clerk: The Clerk of the Township of Independence (Village of Clarkston).

(21) Coaxial Cable: Wire used to transmit cable communications signals through the cable system.

(22) Completion of Construction: The date upon which all services of the cable communications system are available to all residents within the Township and Village, including all equipment necessary to fully activate the system, including, without limitation, the provision of programming.

(23) Converter: An electronic device, which converts signals to a frequency not susceptible to interference within the television receiver of the subscriber, and by an appropriate channel selector which also permits a subscriber to view all signals including the basic service delivered at designated converter dial locations.

(24) Downstream: Cable communications signals that travel from the headend equipment or transmitter location to the individual subscribers.

(25) Educational Institutions: Public Schools in the Clarkston Community School District, Oakland Schools and/or those colleges and universities within the County of Oakland.

(26) Effective Date of the Franchise: The date on which all parties have signed the Franchise Agreement.

(27) FCC: The Federal Communications Commission.

(28) Feeder Line: The line or cable linking a standard service drop to a main cable.

(29) Franchise: The authorization by franchise agreement and licensure granted by the Township (Village) to construct, operate, and maintain a cable communications system in the Township (Village) pursuant to this Ordinance.

(30) Franchisee: A person granted a franchise and license under this Ordinance.

(31) Gross Revenues (the following definition shall apply except as otherwise defined in the Franchise Agreement): All revenue derived directly or indirectly by the franchisee, its affiliates, subsidiaries, parent companies and/or any person in which the franchisee has a financial interest, from or in connection with the operation of a cable communications franchise authorized by the Township (Village). Gross revenues shall include but not be limited to basic subscriber monthly fees, pay television fees, installation and reconnection fees, licensed channel access fees, converter rental fees, and advertising revenues. Gross revenues shall not include any taxes or services furnished by the franchisee and imposed directly upon any subscriber or user, by the State of Michigan, the Township (Village) or other governmental unit and collected by the franchisee on behalf of said governmental unit, or deposits for converters and deposits for other items similar to converters.

(32) Headend: The electronic control center of the cable communications system where incoming cable communications signals are amplified, filtered and converted before being delivered to the subscriber home.

(33) Initial Groundbreaking: The first step in construction, either stringing of cable or installation of a pole.

(34) Institutional Subscriber: Any place of business, public agency or institution, educational institution, community service agency, school or nonprofit corporation receiving institutional services on the institutional subscriber network.

(35) Institutional Subscriber Network: A cable communications network designed principally for the provision of non-entertainment interactive services to businesses, schools, public agencies, or other nonprofit agencies for use in connection with the on-going operations of such institutions.

(36) Interconnection: The linking of a separate cable communications systems by microwave, coaxial cable, or other means.

(37) Local Origination Channel: Any channel or portion of a channel on which the franchisee is either the only designated programmer or has delegated programming to a third party, and which is utilized to provide television programs to subscribers.

(38) Microwave: A high-frequency transmission facility used to relay messages, including cable communications signals from point to point.

(39) Monitoring: Observing a communications signal or the absence of a signal, where the observer is neither the subscriber nor the programmer, whether the signal is

observed by visual or electronic means. Monitoring shall not include a systematic, nonindividually addressed sweep of the system for the purpose of verifying system integrity, controlling return pass transmissions or billing for pay services.

(40) Operator: The franchisee.

(41) Parent Corporation: Any corporation of which the franchisee is a subsidiary.

(42) Pay Channel or Pay Television: A channel on which programming is delivered to subscribers for a special fee or charge to subscribers over and above the regular charge for basic subscriber services, on a per program, per channel, or other subscription basis.

(43) Person: Any individual, firm, partnership, association, corporation, company, or organization of any kind or combination of these.

(44) Pole Agreements: The authorization from utility companies to the franchisee for use of space in their easements, equipment, poles, or other facilities for installation of equipment related to the cable communications system.

(45) Programmer: Any person who produces or otherwise provides program material or information for transmission by means of the cable communications system.

(46) Proposal: An application filed with the Clerk in response to the Township's (Village's) Request for Proposal, or any additions or amendments thereto.

(47) Related Persons: Any agent or employee of an applicant or its parent corporation; any person to whom an applicant or its parent corporation has paid or has promised to pay any money or compensation of any kind whatsoever for that person's services in promoting the applicant's proposal for the Township (Village) cable communications franchise before the Township (Village), its employees, agents, servants and/or elected or appointed officials or any community service agencies or newspaper reporters in the Detroit Standard Metropolitan Statistical Area; officers and directors of any applicant or its parent corporation; persons owning one percent (1%) or more of any class of outstanding stock or securities convertible into stock of an applicant or its parent corporation; partners of an applicant; and the spouse, parent, child or sibling of any such person described in the foregoing definitions.

(48) School District: The Clarkston Community Schools of Oakland County, Michigan.

(49) Standard Service Drop: The line or cable connecting the feeder line to individual subscribers and other recipients of cable services.

(50) Strand Mapping: The designation on maps of where feeder lines and trunk cables will be placed above or below ground.

(51) Street: The surface of and the space above and below a public street, road, highway, freeway, path, public place, sidewalk, alley, boulevard, parkway, drive or other easement or public way.

(52) Subscriber: A paying recipient of services which are delivered over the cable communications system.

(53) Tamper or Tapping: Observing a communication signal which is transmitted over the cable system when the observer is neither of the communicating parties, whether the exchange is observed by visual or electronic means.

(54) Township: The Township of Independence, County of Oakland, State of Michigan.

(55) Upstream: Cable communications signals traveling from subscribers to the headend.

(56) User: A person utilizing a cable communications system channel for purposes of production and transmission of materials to subscribers.

(57) Village: Village of Clarkston, County of Oakland, State of Michigan.

Section 2. Terms Not Expressly Defined.
Terms not expressly defined, above, shall have the meanings customarily assigned to them, unless otherwise expressly defined in the Franchise Agreement.

Section 3. Grammatical Usage.
Words used in the present tense include the future tense. The singular number includes the plural, and the plural the singular. The word "shall" connotes the mandatory, and the word "may" connotes the permissible.

ARTICLE IV - SELECTION OF FRANCHISEE

Section 1. Request for Proposal.

In selecting a franchisee pursuant to this Ordinance, the Township Board (Village Council) shall prepare a Request for Proposal to seek bids for a cable communications system to be established under franchise by the Township (Village).

Section 2. Application Process.

(1) The Township (Village) shall only consider those applications for a franchise that may have been submitted on the application form approved by the Township (Village). Applications shall only be considered if submitted to the Township Clerk's (Village Clerk's) office prior to the deadline authorized by the Township Board (Village Council) and if accompanied by the application fee required hereunder.

(2) The Requests for Proposal shall be sent to prospective applicants by the Township Board (Village Council).

(3) (a) Notice soliciting the submission of applications shall be sent to all persons who have previously indicated, in writing, an interest in obtaining a franchise and shall be advertised in a local newspaper of general circulation and at least two national trade magazines.

(b) Applications shall be opened no earlier than 90 days after the initial publication date of the newspaper notice.

(4) Distortion, falsehoods or misinformation by an applicant may be grounds for elimination of the proposal if the Township (Village) should choose.

(5) The Request for Proposal shall clearly state that the Township Board (Village Council) reserves the right to reject any and all bids and/or choose the bid most favorable to the Township (Village). The Township (Village) shall have

the right to award the franchise to the lowest bidder.

(6) The Township (Village) shall have the right to award the franchise to the lowest bidder.

(7) The Township (Village) shall have the right to award the franchise to the lowest bidder.

(8) The Township (Village) shall have the right to award the franchise to the lowest bidder.

(9) The Township (Village) shall have the right to award the franchise to the lowest bidder.

(10) The Township (Village) shall have the right to award the franchise to the lowest bidder.

(11) The Township (Village) shall have the right to award the franchise to the lowest bidder.

(12) The Township (Village) shall have the right to award the franchise to the lowest bidder.

the right to negotiate with any person that has submitted an application within the deadline.

(6) The Township Board (Village Council) shall adopt a procedure deemed appropriate to and announced by the Township Board (Village Council), for the selection of franchisees in connection with the respective bid process and, after a public hearing, select the franchisee.

Section 3. Application Fees.

(1) Applications shall only be considered if accompanied by a certified check in the amount of \$2,500, which fee shall not be refundable.

(2) In the event the \$2,500 fee proves inadequate, the Township Board (Village Council) may require the submission of additional fees.

(3) Revenues from application fees shall be used to offset the cost of consulting services, if any, and administration of the franchise selection process. In the event the costs of consulting services, if any, and other administrative expenses shall exceed the total revenues from the application fees, the person to whom the cable communications franchise is awarded shall pay the excess costs and expenses.

Section 4. Criteria for Selection of Franchisees.

Applicants will be evaluated according to criteria which shall include, without limitation, the following:

(1) **Service Priorities:** System capability in terms of cost or low cost telecasting production facilities and service available to municipal and educational institutions, community groups and individuals; system provisions for two-way communications; and the maximum total channels provided by the system.

(2) **Installation Plan:** An installation plan that would provide the flexibility needed to adjust to new developments, maintenance practices, and services that would be available to the subscriber and the community upon initial activation and throughout the duration of the franchise.

(3) **Rate Schedule:** Installation and subscriber rate schedule.

(4) **Financial Soundness:** The evidence which the applicant has provided regarding the following: (a) its financial ability to assure completion of initial construction as called for in the application and franchise agreement within a minimum period following the effective date of the franchise; (b) its ability to sustain and enhance a fiscally sound system throughout the duration of the franchise; (c) its ability to obtain necessary performance bonding should it be awarded the franchise. Evidence of current financial capability shall include but not be limited to, the most recent three years audited or reviewed financial statements of the applicant and of any parent entities. To permit the evaluation required by this subparagraph (4), a copy of the most recent published annual report and 10-K report shall be submitted if the applicant is, or is a subsidiary of, a publicly-held company.

(5) **Demonstrated Experience in Operating a Cable Communications System Under Local Franchise.**

(6) **Educational Programming:** The extent to which the system presents a program whereby the local school district and other educational institutions may benefit, utilize and develop educational programs for students and subscribers. An activated two-way system and a plan to interconnect public schools within the school district through a cable communications network will be given particular weight.

(7) **Technical Standards:** The extent and quality of technical standards and specifications proposed.

(8) **Pay Cable Service:** The extent to which the system offers alternate levels of pay cable services.

(9) **Interconnection Plan:** The extent to which the system includes a firm timetable for active interconnection with other political subdivisions in the Detroit Standard Metropolitan Statistical Area.

(10) **Innovative Technology:** The extent to which the system offers technology sufficiently flexible and progressive to adapt to new services. Particular emphasis will be placed upon applications that submit a plan for implementing at least the following services: home security, energy management, meter reading, home computer for entertainment, educational, business or personal purposes, two-way computer data transmission and traffic signalization.

(11) **Extent of system availability throughout the municipality.**

Section 5. Prepayment of Franchise Fee.

In order to concentrate attention on competition in features offered by the Cable Communications System, no consideration shall be given to offers of advanced payment of the Township's (Village's) franchise fee.

Section 6. Disclosure Requirements.

(1) Each applicant for a franchise shall file with its application a sworn statement setting forth in such detail as shall be satisfactory to the Township (Village) the identification and description of all relationships which such applicants (or related parties, as that term is defined in this Ordinance) may then have, or may have had during the year prior to the date of filing of such application, directly or indirectly, with the Township (Village), its employees, agents, servants and/or elected or appointed officials, including but not limited to the following:

(a) Written or oral arrangements or undertakings of any nature whatsoever, including as vendor, vendee, or the provider of services, credit, or counsel or otherwise;

(b) All lending relationships (whether as borrower or lender);

(c) All investing relationships (as stockholder, partner, joint venturer, co-adventurer or otherwise, or as the entity, vehicle or recipient of such investment);

(d) All relationships entailing the granting or holding of security in any property, tangible or intangible, real or personal;

(e) All relationships in which any consideration shall have been required, offered, received, paid or extended, whether in cash, in kind or in services, and whether contemporaneous or deferred in whole or in part; and

(f) All relationships involving the assertion of any claim of any nature whatsoever, including administrative proceedings or litigation.

(2) Each applicant shall affirmatively undertake to ad-

verse the Township (Village) during the pendency of the application, and prior to its rejection or acceptance, of any additional such relationships which shall come into being, and of the termination or other material change in any such relationships as shall have been required to be disclosed prior thereto. Each franchisee shall also affirmatively undertake to so advise the Township (Village) on a continuing basis, and shall recertify the existence or nonexistence of all such relationships (other than as a franchisee pursuant to this Ordinance) on each annual anniversary of the Franchise Agreement under which such franchisee shall derive rights pursuant to this Ordinance.

Section 7. Award of Franchise.

The Township Board (Village Council) shall not award a franchise to an applicant until a public hearing on the application and proposal has been conducted, notice of which hearing shall be published in a local newspaper of general circulation at least twenty (20) days before the date of the hearing.

Section 8. Franchise Agreement.

(1) The applicant awarded a franchise by ordinance shall execute a Franchise Agreement, agreeing to the terms and provisions of this Ordinance and the Request for Proposal.

ARTICLE V - FRANCHISE TERRITORY; TIMETABLE

Section 1. Service Area.

The franchise territory shall include the entire territorial limits of the Township (Village) and shall include any future area that shall become part of the Township (Village) during the term of the franchise, by annexation, consolidation, merger, realignment, subdivision development, or other means. Any portion of the Township (Village) which, during the term of the franchise, is annexed from the Township (Village) or which by consolidation, merger, realignment or other means, shall cease to be within the territorial limits of the Township (Village) shall cease to be included in the franchise territory; in such event, the Township (Village) shall, if requested by the franchisee, agree to negotiate with respect to any negative impact resulting from such action taking into consideration all relevant interests, including those of the Franchisee.

Section 2. Minimum Coverage.

Cable communication Service must be available to all potential subscribers within the Township (Village) within the period set forth in the Franchise Agreement.

ARTICLE VI - NATURE OF FRANCHISE

Section 1. Nonexclusivity of Franchise.

Franchises shall be nonexclusive awards and authorizations to construct, erect, operate and maintain in, upon, along, above, over and under the streets, alleys, public rights-of-way and public places, now laid out or dedicated and all extensions thereof, and additions thereto, subject to Franchisee obtaining construction and placement authorization from entities having jurisdiction in the franchise territory, poles, wires, cables, underground conduits, manholes, and other conductors and fixtures necessary for the operation and maintenance of a Cable Communications System, and to furnish and to sell service from such system to the inhabitants of the entire franchise territory pursuant to the terms of this Ordinance and the Franchise Agreement entered into between the Township (Village) and the franchisee. The Township Board (Village Council) specifically reserves the right to grant franchises to any person at any time; provided, however, that no such franchise shall be granted on terms more favorable to such franchisee, considered as a whole, and determined in the discretion of the Township Board (Village Council), in relation to then existing franchises.

Section 2. Length of Franchise.

The term of a franchise shall be not more than fifteen (15) years from the effective date of the franchise, as specifically set forth in the Franchise Agreement. The franchise may be terminated sooner pursuant to the provisions of this Ordinance.

Section 3. Conditions for Initial Franchise Validation.

(1) The continued validity and effectiveness of a Franchise shall be conditioned upon franchisee meeting a timetable for construction, installation and commencement of operation. The Franchise Agreement shall specify such timetable in detail.

(2) Failure on the part of the franchisee to commence and diligently pursue the construction requirements of the Franchise Agreement shall be grounds for revocation of the franchise and forfeiture of the franchisee's Security Fund and performance bond in accordance with Section 6 of this Article; provided, however, that the Township Board (Village Council), upon formal application of the franchisee, in its discretion may extend the time for the commencement and completion of construction and installation for additional periods in the event the franchisee, acting in good faith, experiences delays by reason of circumstances beyond its control. The renovation provisions of this Section shall not apply if the acts or omissions giving rise to same were caused by any of the following: act of God; riot; emergency declared by competent government authority; a general strike of the employees of the franchisee or other cause beyond the franchisee's control and which franchisee could not reasonably have foreseen.

Section 4. Franchise Renewal

(1) The franchise may be renewed by the Township Board (Village Council) upon application by the franchisee pursuant to the procedures established in this section and in accordance with the then existing rules of the FCC, the State of Michigan and other applicable laws and ordinances.

(2) At least twelve (12) months prior to the expiration of the franchise, the franchisee shall inform the Township Board (Village Council) in writing if it intends to seek renewal of the franchise.

(3) After giving public notice, the Township Board (Village Council) shall proceed to determine whether the franchisee has satisfactorily performed all obligations under the franchise. To determine satisfactory performance, the Township Board (Village Council) shall consider, among other things, technical developments and performance of the system, programming, other services offered, costs of services, and any other particular requirements set out in this Ordinance. The Township Board (Village Council) shall also consider the records of the Performance Evaluation Sessions required hereinafter as well

as the franchisee's annual reports made to the Township (Village) as required by this Ordinance. The Township Board (Village Council) may also consider or compare the franchisee's performance with the performance of other systems of comparable configuration nationally in arriving at its decision. The Township Board (Village Council) shall also consider comments of subscribers to, and users of, the system submitted during the process of consideration.

(4) Within four months of receiving notice from the franchisee of its desire to renew the franchise, the Township Board (Village Council), after a public hearing, shall arrive at a decision on the eligibility of the franchisee for renewal. Notice of the public hearing shall be given as hereinafter provided. Upon the finding by the Township Board (Village Council) that the franchisee's performance is satisfactory, and that superior service for subscribers may not be obtained from other persons, a renewal with any amendments may be granted for a period of not more than fifteen (15) years.

(5) Upon finding that the franchisee's performance is not satisfactory or that superior service for subscribers may be obtained from other persons, the Township Board (Village Council) may begin to seek other applicants for the franchise and a new franchise may be awarded utilizing the procedures set forth in this Ordinance.

Section 5. Franchise Termination.

Any franchise granted by the Township (Village) pursuant to this Ordinance may be terminated at the discretion of the Township (Village) for any material violation by the franchisee of the provisions of this Ordinance or the terms of the Franchise Agreement, pursuant to the procedures set forth in this Ordinance.

Section 6. Termination Procedure

(1) Upon resolution of the Township Board (Village Council), or upon receipt by the Township Board (Village Council) of a petition seeking termination of the franchise for cause, as determined by the Township Board (Village Council) in its discretion and signed by five percent (5%) of Cable Communications System subscriber households in the Township and Village but in no event less than 240 subscriber households, or upon receipt by the Township Board (Village Council) of a written report of the Cablecasting Board recommending investigation into the possibility of franchise termination, the Township Board (Village Council) shall by resolution, either: (a) direct the Cablecasting Board to: (i) investigate all areas of concern in the operation of the franchise, (ii) hold public hearings to receive the viewpoint of the franchisee and the general public, (iii) report to the Township Board (Village Council) within a specified period of time regarding the condition of the franchise and (iv) set forth the recommendations of the Cablecasting Board on termination of the franchise; or (b) mail to the franchisee at least thirty (30) days in advance, a notice of the time, place and date of a public hearing to be conducted by the Township Board (Village Council) and a specification of the grounds alleged for termination. Public notice of the hearing shall be given as hereinafter provided. A copy of the Township Board (Village Council) resolution shall be sent to the franchisee after its passage.

(2) If so directed by the Township Board (Village Council), the Cablecasting Board shall investigate and collect all relevant data regarding the operation of the franchise. The Cablecasting Board shall, if so directed by the Township Board (Village Council), hold a public hearing to hear the comments and concerns of the general public and to hear the position of the franchisee. Written notice of the time, place and date of such hearing and a specification of the grounds alleged for termination shall be mailed to the franchisee at least thirty (30) days prior to the scheduled hearing date. Public notice of the hearing shall be given as hereinafter provided.

(3) Upon completion of its investigation, the Cablecasting Board shall prepare a written report outlining the scope of its investigation and the information received, and setting forth its recommendations regarding termination of the franchise. A copy of the report shall be mailed to the franchisee. The report shall be forwarded to the Township Board (Village Council) which shall either review the record of the public hearing conducted by the Cablecasting Board, or schedule a public hearing to hear and determine the issue of franchise termination. Written notice of the public hearing shall be mailed to the franchisee at least thirty (30) days prior to the scheduled hearing date. Public notice of the hearing shall be given as hereinafter provided.

(4) The Township Board (Village Council) shall consider the views of interested persons, including the franchisee, shall consider the issue, and shall determine in its discretion one of the following courses of action: (a) to continue the franchise without imposition of sanctions; (b) to set a date certain for termination if franchisee fails to cure its default within such reasonable period of time as is established by the Township Board (Village Council) or (c) to terminate the franchise without an opportunity to cure upon a finding that affording an opportunity to cure would not be equitable under all of the circumstances. In all events the Township Board (Village Council) shall issue a written report within thirty (30) days after making a determination of an appropriate course of action. Such report shall specify the grounds for determining a failure of compliance with this Ordinance or the Franchise Agreement, the actions which can be taken to cure franchisee's default, if any, the date by which such cure can be effectuated and the sanction to be imposed (including the possibility of termination) if a cure is not effectuated by such date or the grounds for determining that the opportunity to cure would not be equitable. In such report the Township Board (Village Council) may in its discretion establish a supervisory board or person to oversee franchisee's curative actions. A copy of the Township Board (Village Council) report shall be mailed or otherwise delivered to the franchisee.

(5) Notwithstanding anything to the contrary set forth herein, in no event may action be taken by the Township Board (Village Council) unless and until franchisee is afforded notice of its alleged default and a public hearing at which to respond. Further, no sanction may be taken if the

acts or omissions giving rise to franchisee's alleged default were caused by any of the following: act of God; riot; emergency declared by competent government authority; a general strike of the employees of the franchisee or other causes beyond the franchisee's control and which franchisee could not reasonably have foreseen.

Section 7. Removal of System.

The Franchise Agreement shall provide for the removal of the system upon termination by expiration or otherwise, and for the bonded security for the accomplishment of such removal.

Section 8. Right to Purchase

(1) Upon expiration or any other termination of the franchise, or upon notice of intent to sell all or a portion of the franchise and/or the cable system, the Township (Village) at its option shall have the right to purchase the cable communications system. The Franchise Agreement shall provide for the manner in which the Township (Village) may exercise the option and the manner in which any price is to be paid.

(2) The value of the franchise shall be determined according to provisions set forth in the Franchise Agreement.

Section 9. Transfer of Ownership or Control.

(a) The transfer of interests of the franchisee shall be restricted in the Franchise Agreement so as to require prior approval of the Township/Village so as to insure the presence of responsible franchisees, the compliance with the terms and provisions of this Ordinance and the Franchise Agreement, and the provision of continuous subscriber services.

(b) In no event shall a transfer of ownership or control be approved without the successor in interest becoming a signatory to the Franchise Agreement.

ARTICLE VII - RESOLUTION OF DISPUTES

Section 1. Arbitration.

Subject to the following sub-paragraphs, all unresolved disputes arising under the Cable Ordinance and Franchise Agreement shall be resolved by submitting such dispute to binding arbitration pursuant to Chapter 50 of the Revised Judicature Act for the state of Michigan, with each of the parties appointing one (1) arbitrator and the two (2) arbitrators thus appointed appointing a third arbitrator.

Section 2. Circuit Court.

In the event a remedy which is reasonably necessary to accord complete relief is not available by the way of arbitration, the party seeking such relief may institute an appropriate action in the Oakland County Circuit Court, e.g., seeking injunctive relief. In such event, all disputes arising out of the common nucleus of fact shall be litigated in the same Circuit Court action.

Section 3. Specific Exclusions from Arbitration.

Notwithstanding the provisions, above, the obligation to submit a dispute to arbitration shall not apply, and a party may seek relief in the Oakland County Circuit Court with respect to the issue of franchise revocation and/or appeals from orders entered by the Cablecasting Board (following appeal to the Township Board (Village Council)).

ARTICLE VIII - SYSTEM DESIGN AND SPECIFICATIONS

Section 1. Franchise Agreement Provisions.

The Franchise Agreement shall set forth the system design and specifications required to be provided by franchisee as part of the franchise. Provision in the Franchise Agreement shall be made with respect to the following:

- (1) Channel capacity, providing for a capability of carrying at least fifty (50) channels.
- (2) Lock-out device to prevent viewing of a specific pay television channel or channels, which devices must be provided to each subscriber upon request without charge.
- (3) Services to educational institutions throughout the term of the franchise.
- (4) Government access channels.
- (5) Public access channels.
- (6) Licensed access channels.
- (7) Additional services
- (8) Interconnection.
- (9) Standby power.
- (10) Underground and above ground installations.

(a) When and where practical, the poles used by the franchisee's distribution system shall be those erected and maintained by utility companies operating within the Township (Village) provided mutually satisfactory agreements can be reached.

(b) In those areas of the Township (Village) where some or all transmission or distribution facilities of utility companies are overhead, the franchisee may likewise construct, operate and maintain all of its transmission and distribution facilities overhead, in accordance with the then current edition of the National Electric Safety Code, and the Telephone System Practices Governing Joint Attachment Practices, and their successor documents, as well as in conformance with all applicable laws, statutes, ordinances, regulations and/or codes of the federal, state or municipal governments, and subject to obtaining necessary and appropriate approvals for same. If all utilities are underground, the franchisee will construct its facilities underground. If and when necessary, amplifiers and/or transformers in the franchisee's transmission and distribution lines may be in appropriate housings on the surface of the ground with respect to underground facilities.

(c) All transmission and distribution structures, lines, poles, conduits, fixtures, and equipment erected by the franchisee in the Township (Village) shall be located so as not to endanger life or property or interfere with the normal use of streets, alleys or other public ways and places, so as to cause minimum interference with the rights or reasonable convenience of the general public and adjoining property owners and so as not to interfere with existing traffic control, street lighting, gas, electric, telephone, water hydrant, or other public utility installations and so as to comply with the then current edition of the National Electrical Safety Code, and the Telephone System Practices Governing Joint Attachment Practices and their successor documents, as well as in conformance with all applicable laws, statutes, ordinances, regulations and/or codes of the federal, state, and municipal governments. In the event the Township Building Director determines any of the above

mentioned equipment erected by the franchisee violates the provisions outlined in this paragraph, he may require the franchisee to alter or remove any or all of the offending equipment.

(d) Prior to the commencement of construction, the franchisee shall file with the Director of the Township Department of Building and Planning all maps of the locations and character of all facilities to be constructed, including underground facilities. The franchisee shall maintain current and accurate maps, plats and permanent records for public inspection and shall file any changes or modifications thereof as soon and as often as made by franchisee.

(e) In the case of any disturbance of pavement, sidewalks, driveway, lawn or other surfacing, the franchisee shall, at its expense, promptly replace and restore all such surfacing to its original condition.

(f) The Township (Village), or entity having jurisdiction, may, upon reasonable notice, require the franchisee, at its expense, to protect, support, temporarily disconnect, relocate or remove the franchisee's equipment from a particular area of the streets within the Township (Village) if reasonably necessary by reason of traffic conditions, public safety, street construction or vacation, change or establishment of communication lines, tracks, traffic signals, street lighting or by reason of other conditions. Reasonable notice for this provision of the ordinance shall be construed to mean at least ten (10) days, except in the case of emergencies.

(g) The Township (Village) shall have the right to inspect all construction and installation work to ensure compliance with all applicable laws, ordinances and codes. Franchisee shall provide the Township (Village) Building Department with a complete list of installations made on a weekly basis. In the event that the Township (Village) Building Department determines that the initial installation violates the National Electrical Code and/or National Electrical Rules, as adopted from time to time, the Director of the Building Department shall have the right to direct franchisee to correct such work so as to comply with the National Electrical Code and National Electrical Rules, as adopted from time to time. After such corrective work has been completed, the Township (Village) Building Department shall have the right to re-inspect such installation.

Section 2. Maintenance and Updating of Equipment.

(1) All maintenance, repair, and periodic update/replacement of the original equipment shall be provided by the franchisee at no charge to the educational institutions or any other governmental agency, unless provided otherwise in the Franchise Agreement.

Section 3. Construction Standards and Technical Requirements.

(1) All of the franchisee's plant and equipment, including but not limited to, the antenna site, headend, distribution system, towers, house connections, structures, poles, wire, cable, coaxial cable, fixtures and appurtenances shall be installed, located, erected, constructed, reconstructed, replaced, removed, repaired, maintained and operated in accordance with good engineering practices, performed by experienced poleline construction crews and so as not to (a) endanger or interfere with the safety of any person or property, (b) interfere with improvements, (c) interfere in any manner with the rights of any property owners, or (d) unnecessarily hinder or obstruct pedestrian or vehicular traffic on Township (Village) property.

(2) All of the franchisee's system, including all plant and equipment and all construction shall, meet, at a minimum, all relevant and applicable specifications as set forth in the Township's (Village's) Request for Proposal, the franchisee's proposal, this Ordinance, the Franchise Agreement, and the applicable building codes and regulations, when not in conflict with any rules and regulations of the Federal Communications Commission. The aforesaid specifications, construction standards, and performance characteristics shall include, but shall not be limited to, the following listed construction and technical standards:

(a) Construction Standards

(1) Methods of construction, installation and maintenance of the Cable Communications System shall comply with the then current edition of the National Electrical Code to the extent that such Code is consistent with the location, and maintenance of electrical supply and communications lines. To the extent that such Code is inconsistent with other provisions of this chapter or with local law, the latter shall govern.

(2) Any tower constructed for use in the Cable Communications System shall comply with the standards contained in the Structure Standards for Steel Antenna Towers and Antenna Supporting Structures, EIA Standards RS-222-A as published by the Engineering Department of the Electronic Industries Association, 2001 Eye Street, N.W., Washington D.C. 20006.

(3) Installation and physical dimensions of any tower constructed for use in the Cable Communications System shall comply with all appropriate Federal Aviation Agency regulations, including, but not limited to Objects Affecting Navigable Airspace, 14 C.F.R. 77.1 et. seq. February, 1965.

(4) Any antenna structure used in the Cable Communications System shall comply with Construction Marking, and Lighting of Antenna Structure, 47 C.F.R. 17.1 et. seq., September, 1967.

(5) All working facilities and conditions, used during construction, installation and maintenance of the Cable Communications System shall comply with the standards of the Occupational Safety and Health Administration, both state and federal.

(6) Each cable distribution system in the public streets shall comply with all applicable laws, ordinances, codes, and governmental regulations regarding clearance, above ground, and between other utility wires and cables.

(7) The strand or messenger cable used throughout for trunk shall be one-quarter (1/4) inch in diameter or larger, high strength, seven-wire, pre-formed with galvanized zinc coating.

(8) Stainless steel lashing wire, 0.045 inch in diameter, or larger, shall be used in securing the cable to the supporting strand. Tension in the lashing wire shall vary according to the size of the cable being secured. Cable extending over

long spans and steep grades shall be doubly lashed. The lashing wire shall terminate at each side of the pole with a lashing wire clamp. The cables shall be fastened to the strand at each side of the pole with a maximum of ten (10) inches from the suspension clamp bolt.

(9) All electronic equipment shall be protected by a housing which is corrosion-resistant and weather-proofed, and shall be installed so as to be readily accessible for maintenance. Power supply locations shall be provided with self-healing arresters and fused cutout cabinets.

(10) All exposed splices, connectors, and terminators shall be waterproofed, and there shall be no more than two splices per mile of trunk cable in the initial system design.

(11) All distribution cable shall be installed and grounded in accordance with the aforementioned National Electrical Safety Code and Occupational Safety Standards.

(b) Technical Standards

(1) The franchisee shall comply with all the rules and standards for cable communications operations as adopted by the Federal Communication Commission. 47 C.F.R. 76.601-76.613 (1972).

(2) The franchisee shall comply with all rules and regulations contained and promulgated within this Ordinance except when in conflict with rules and regulations of the Federal Communications Commission.

(3) Antenna used in the system shall be constructed so as to be able to withstand 70 mph winds when there is one inch of radial ice on such antenna or 100 mph winds with no ice. All exposed metallic parts of antenna shall be weather-proofed.

(4) A separate broad band log periodic search antenna of rugged construction with an industrial, heavy duty rotor shall be mounted at the highest available location on the tower.

(5) The cable system shall be capable of delivering all National Television Systems Committee (NTSC) color and monochrome standard signals, developed and presented to the Federal Communications Commission on July 21, 1953, to standard Electronics Industries Association approved television receivers without noticeable degradation.

(c) Performance testing.

(1) Performance requirements and standards specified in this Ordinance, and in all FCC requirements and standards, shall be measured at the time of initial testing as provided in Section 3, Article VIII of this Ordinance, to ensure compliance with all specified requirements and standards for construction. Measurements shall be taken and recorded as specified in FCC specifications. All costs of such tests shall be borne by the franchisee.

(2) Initial proof of performance testing shall occur and be filed with the Township Building Department within ninety (90) days of the commencement of cable service with respect to each section of construction of the system.

(3) All measurements shall be made using instruments which are appropriate for making each performance test. Such instruments shall be sufficiently sensitive to measure each parameter accurately. The accuracy of the instruments must meet those standards developed by the National Bureau of Standards for Test Equipment. Such test equipment and instruments shall be sufficiently sensitive to measure each parameter accurately. The accuracy of the instruments must meet those standards developed by the National Bureau of Standards for Test Equipment. Such test equipment and instruments shall know a correction factor for band width and scale position where applicable. All measurements shall be taken at test points to be designated in the franchisee's application, which shall also be included in the Franchise Agreement.

(4) Test and measurements to ensure compliance with the technical standards shall be performed in a manner that is consistent with the provisions of 47 C.F.R. 76.609, et. seq. (1972).

(5) Performance requirements and standards specified in this document, including all FCC requirements and standards of 47 C.F.R. 76.601 et. seq., (1972), and all local performance guidelines, shall be measured annually to ensure compliance with all specified requirements and standards. Measurements shall be taken and recorded as specified in this subsection. All costs of such tests shall be borne by the franchisee.

(6) Routine tests shall be made on a periodic basis to ensure compliance with applicable performance standards. Measurements shall be taken and recorded as specified in this subsection. All costs of such tests shall be borne by the franchisee.

(7) When substantive complaints have been made or when other evidence exists which, in the judgment of the Township Board (Village Council), cast doubt on the reliability of quality of cable service, the Township (Village) shall have the right and authority to compel the franchisee to test, analyze and report on the performance of the system. Such test or tests shall be made and the reports of such tests shall be delivered to the Township (Village) no later than twenty (20) days after the Township Board (Village Council) formally notifies the franchisee.

(8) The Township's (Village's) rights under Subsection (7), above, shall be limited to requiring tests, analysis, and reports covering specific subjects and characteristics based on said complaints or other evidence when and under such circumstances as the Township (Village) has reasonable grounds to believe that the complaints or other evidence require that tests be performed to protect the public against substandard cable service. All costs for such tests shall be borne by the franchisee.

(9) Reports required pursuant to Subsection (7), above, shall include information setting forth the nature of the complaint or other evidence which precipitated the special tests; what system component was tested; the equipment used and procedures employed in said testing; the results of the testing and the resolution of the complaint or problem. Any additional information pertinent to the special test or specifically requested by the Township (Village) shall be reported.

(10) All performance testing shall be done under the supervision and direction of a person qualified to perform such tests for purposes of FCC requirements and filings.

(3) If, at any time, the Cable Communications System

or any portion thereof fails to comply with any of the standards set forth in this section, the Township Building Department shall send written notice to the franchisee listing any deficiencies and requiring the franchisee to repair, alter or correct the deficiencies so as to meet all such standards. The franchisee shall have thirty (30) days after the date of the notice within which to correct the deficiencies. The franchisee's failure to correct the deficiencies within thirty (30) days shall subject it to the penalties provided hereinafter. If deficiencies in the Cable Communications System remain after the thirty (30) day period, the Township Board (Village Council) may direct the Building Department to cause such deficiencies to be corrected and the franchisee shall pay all reasonable costs associated therewith.

(4) Where the provisions of any codes or regulations referred to in this section are in conflict, as determined by the Building Department, the provisions of the Codes adopted by Independence Township (Village of Clarkston) shall prevail.

Section 4. System Design Changes.

(1) The franchisee shall not, without prior written approval (which approval shall not be unreasonably withheld) of the Township Board (Village Council) delete any services and/or equipment set forth in its proposal and/or in the Franchise Agreement, provided such services are available. Substitution of equivalent equipment shall not be considered a deletion.

(2) The franchisee shall notify the Township (Village) Clerk, in writing of any proposal to make the following changes:

- (a) Reduction in the number of channels;
 - (b) Change in location of the headend and/or antenna sites;
 - (c) Addition to or change in location of centers for origination of programs;
 - (d) Interconnection with other cable systems.
- (3) The written notice shall set forth, in detail, the proposed changes or substitutions, the reasons for the proposed changes or substitutions and any material, documentation, or other information supporting or justifying the proposal.

(4) If granted, the franchisee shall receive formal Township (Village) approval, in the form of an amended Franchise Agreement. Before implementation of any of the aforementioned changes, this amendment shall be fully executed. Approval shall not be unreasonably withheld.

(5) The franchisee shall provide the Township (Village) with advanced written notice of the activation of bi-directional facilities.

Section 5. State of the Art.

The franchisee shall upgrade its facilities, equipment and services so that its system is as advanced as the current state of production technology will allow. If the Township Board (Village Council) determines, giving due regard to technological limitation and economic feasibility, that any part or all of the cable television system shall be improved or upgraded (including, without limitation, the increasing of channel capacity; the upgrading of converters, and the institution of two-way transmission), then, the Township Board (Village Council) shall be and is hereby authorized to order such improvement or upgrading of the cable television system, to be effected by franchisee within a time reasonably determined and ordered by the Township Board (Village Council). In all events, however, the Township Board (Village Council) shall not be authorized to require improvement or upgrading of the system such that it will exceed the technological state of the art as measured against industry standards for comparably sized cable television systems of similar densities.

Section 6. Subscriber Privacy.

(1) No signals of a cable communications channel shall be transmitted from a subscriber's premises for purposes of monitoring individual viewing patterns or practices without the express written permission of the subscriber. The request for such permission shall be contained in a separate document with a prominent statement to be signed by the subscriber acknowledging his full understanding of the provisions of the request and permitting the activity to occur. No penalty shall be invoked for a subscriber's failure to provide such an authorization. The authorization shall be revocable at any time by the subscriber without penalty. The franchisee may keep such records of viewing or purchasing of services by individual subscribers for such services.

(2) The franchisee shall not monitor or tabulate any records or test results in any manner that would reveal the economic status, commercial product preferences or opinions of individual subscribers or their families, except as an integral part of services to which the subscriber expressly subscribes. The franchisee shall not maintain or tabulate any data on the political, religious, moral or social preferences or opinions of individual subscribers or their families.

(3) The franchisee, or any of its agents or employees, shall not, without the specific written authorization of the subscriber involved, sell, or otherwise make available to any party except the Township (Village) in connection with its regulatory functions under this Ordinance:

- (a) List of the names and addresses of such subscribers;
- (b) Any list which identifies the viewing habits of subscribers.

(4) The franchisee shall be actively alert to possible abuses of any legal right of privacy or other legal rights of any subscriber, programmer or general citizen resulting from any device or signal associated with the Cable Communications System. The possibility of such abuse may be discussed at every scheduled review session.

Section 7. Continuity of Service.

(1) The franchisee shall take all reasonable actions to ensure that all subscribers and programmers receive continuous, uninterrupted service.

(2) In the event of a change of franchisee or in the event a new person acquires the system, the franchisee shall cooperate with the Township (Village) and the new franchisee or person in maintaining continuity of service to all subscribers and programmers.

Section 8. Customer Service Standards.

(1) The franchisee shall (a) maintain an office in the Township or Village which shall be open during all usual business hours and be staffed so as to receive payments on the accounts of its subscribers, (b) have a locally listed telephone which shall be staffed or answered so that complaints and requests for repairs or adjustments may be received at any time, (c) designate such office as the place where all notices, directions, orders and requests may be served or delivered under this Ordinance, and (d) provide for regular billings of accounts. The Township Clerk (Village Clerk) shall be immediately notified of the location of the franchisee's office and any change thereof.

(2) The franchisee shall furnish each subscriber at the time service is installed written instructions that clearly set forth procedures for placing a service call, or requesting an adjustment. Said instructions shall also include the fact that the system is being operated under a franchise granted by the local municipality.

(3) The franchisee shall provide "same day" service response seven (7) days a week for all complaints of service outage received prior to 2:00 p.m. each day. In no event shall the response and commencement of repair time for calls received subsequent to 2:00 p.m. exceed twenty-four (24) hours, provided, repair service shall proceed diligently until completed.

(4) The Franchisee may interrupt system service after 7:00 a.m. and before 1:00 a.m., but only with good cause and for the shortest time possible and, except in emergency situations, only after cablecasting notice of service interruption for two days prior to and on the same channel and at the same time as the anticipated interruption. Services may be interrupted between 1:00 a.m. and 7:00 a.m. for routine testing, maintenance and repair, without notification, any day except Saturday, Sunday, the day preceding a holiday, or a holiday.

(5) Except for system area outages of 100 contiguous homes the franchisee shall separately maintain written records listing the date and time of customer complaints, identifying the subscriber and describing the nature of the complaints and when and what actions were taken by the franchisee in response thereto; such record shall be kept at the franchisee's local office, reflecting the operations to date for a period of at least three (3) years, and shall be available for public inspection during regular business hours. In cases of system area outages affecting 100 subscriber households or more, franchisee shall maintain a record describing the problem and remedial action taken.

Section 9. All Channels Emergency Alert.

The franchisee shall in the case of any emergency or disaster, make its entire system available without charge to the Township (Village) or its representative, or to any other governmental or civil defense agency that the Township (Village) shall designate. The system shall be engineered to provide an audio alert system to allow authorized officials to automatically override the audio signal on all channels, and transmit and report emergency information. The system shall provide for visual transmission of emergency messages on the Government Access Channel.

Section 10. Home Security.

No home security program shall be promoted, nor shall a home security device be installed by franchisee, without the prior written approval from the Township (Village) of the overall home security system design. This provision shall include alarm systems, the purpose of which is to detect and warn monitoring agencies of medical emergencies, fires or illegal entry. This section shall be interpreted to cover the general plan and scope of activities, not individual service hook-ups.

ARTICLE IX - FRANCHISE FEE AND RATES

Section 1. Franchise Fee

(1) As compensation for any franchise granted under this Ordinance, and in consideration for the right to operate a Cable Communications System within the Township (Village), and for the administration and monitoring of construction, operation, maintenance and reconstruction in the normal course of business of a system within the Township (Village), the franchisee shall pay to the Township (Village) an annual amount equal to three percent (3%) of the franchisee's gross revenues from all sources attributable to the operations of the franchisee within the Township (Village). This payment shall be in addition to any other tax or payment owed to the Township (Village) by the franchisee. All funds received under this payment shall be used at the discretion of the Township (Village).

(2) In addition, during the term of any franchise granted pursuant to this Ordinance, the Franchise Agreement may also provide for additional fees, as authorized under applicable law and regulation.

(3) For purposes of this Ordinance, gross revenues shall be calculated on a cash or accrual basis as specified in the Franchise Agreement.

Section 2. Payments

(1) Payment of the franchise fee shall be made quarterly, for each quarter as specified in the Franchise Agreement to the Township (Village) Treasurer. Each payment shall be accompanied by a financial statement in a standard form, approved by the Township (Village) Treasurer, setting forth the basis for the computation and specifically showing the gross revenues attributable to the franchise during the quarter for which payment is made, as well as such other relevant facts as may be required by the Township (Village).

(2) Each quarterly payment and accompanying financial statement shall be filed with the Township (Village) Treasurer within twenty (20) days after the last day of the quarter for which the payment is due.

(3) The franchisee shall file with the Township (Village) Clerk within one hundred-twenty (120) days of the close of the franchisee's fiscal year, an annual report prepared and certified under oath by the president or chief financial officer of franchisee, including but not limited to the annual gross revenues attributable to franchisee's Cable Communications operation in the Township (Village) as well as those other items of information required by this Ordinance. Extension of such period up to thirty (30) additional days may be granted by the Township Board (Village Council) upon request by the franchisee.

(4) The Township (Village) shall have the right to in-

spect the franchisee's financial records, and the rights of audit and recomputation of any amounts that may be determined to be payable under this Ordinance, provided, however, that such audit shall take place within twelve (12) months from the filing of franchisee's annual report with the Township (Village) and provided further, the Township (Village) shall be entitled to audit franchisee's financial records back to the date of the last audit performed by a certified public accountant pursuant to Article X, Section 8 (2) hereof. Any additional amount due the Township (Village) as a result of the audit shall be paid within thirty (30) days following written notice to the franchisee by the Township (Village), which notice shall include a copy of the audit report. The cost of the Township (Village's) audit shall be borne by the franchisee if it is properly determined that the franchisee's annual payments to the Township (Village) for the preceding year are increased thereby by more than five percent (5%).

(5) In the event that any franchise fee payment or recomputed amount is not made on or before the applicable dates heretofore specified, and if such amount is not withdrawn from the Security Fund, a monthly service charge of one and one-half percent (1.5%) of the total unpaid amount shall be paid to the Township (Village) by the franchisee.

(6) No acceptance of any payment by the Township (Village) shall be construed as a release or as an accord and satisfaction of any claim the Township (Village) may have for further or additional sums payable as a franchise fee under this Ordinance or for the performance of any other obligation of the franchisee.

Section 3. Renegotiation of Franchise Fees.

The franchise fees have been established in conformance with the current FCC Rules on Cable Television Systems as stated in 47 C.F.R. 76.31 entitled "Franchise Standards." In the event that the FCC shall modify such Rule so as to eliminate or adjust upward the franchise fee limitation, or in the event that such franchise fee limitation shall be eliminated or adjusted upward by final judicial determination, the Township (Village) shall have the right to renegotiate the amount of the fee.

Section 4. Rates and Charges for Service.

(1) The Franchise Agreement shall set forth the rates for basic services, connection and installation, disconnection, reconnection, and for nonentertainment services.

(2) Initial maximum rates for services of the Cable Communications System shall be those delineated in the Franchise Agreement. Initial maximum rates shall not be increased for a specified period after the effective date of the franchise.

(3) The franchisee shall have the right to conduct promotional campaigns which permit subscriptions to the system at lesser rates than those set forth in the Franchise Agreement, provided, those promotional rates shall be available on a nondiscriminatory basis.

Section 5. Revision of Rates for Services.

The mechanism for the revision of rates for services shall be as set forth in Article XII of this Ordinance.

Section 6. Refunds to Subscribers and Programmers.

If a subscriber is without service for a period of twenty-four (24) hours or more the franchisee shall promptly provide a pro rata credit for all advance charges paid. The 24 hour provision of this section shall not apply if through no fault of franchisee, there is an outage of service to more than 50 contiguous subscriber households, in which event credit shall not be made until after 72 hours after the occurrence of such outage, without a return of service.

ARTICLE X - ADMINISTRATION AND REGULATION

Section 1. Performance Review.

(1) In order to monitor the franchisee's performance and adherence to this Ordinance and the Franchise Agreement, the Township (Village), through the Cablecasting Board, and the franchisee shall hold no less than the following scheduled review sessions: within thirty (30) days after the second anniversary of the effective date of the franchise; and each three (3) years thereafter during the term of the franchise. All such review sessions shall be open to the public and notice thereof shall be published not less than ten (10) days nor more than thirty (30) days before each review session in a local newspaper of general circulation. The published notice shall specify the suggested topics to be discussed. Notice shall be given as hereinafter provided.

(2) Special review sessions may be held at any time during the term of the franchise, providing both the franchisee and the Township (Village) agree on the time, place and topics to be reviewed. All such review sessions shall be open to the public and public notice of the review sessions shall be given:

(3) Following is a suggested list of topics to be discussed at every scheduled review session:

- Judicial and Federal Communications Rulings.
- Rate Structures.
- Application of New Technology or New Developments.
- System Performance.
- System Extension Policy.
- Services Provided.
- Programming Offered.
- Customer Complaints.
- Privacy.
- Amendments to the Ordinance.
- Interconnection.
- Public, Governmental and Educational Access Programs and Performance.
- Studio Facilities and Service.
- Insurance.
- New Services.

Other topics may be added by either party. Members of the general public may also request discussion of additional topics.

(4) The Township (Village) at its discretion may utilize the services of one or more consultants to gather additional information for use during the review sessions and/or rate hearings. The franchisee shall cooperate with such consultants and the Township (Village) in all aspects of the performance review.

(5) The Cablecasting Board shall, at the conclusion of all review sessions, issue a public report to the Township

Board (Village Council) on its findings and recommendations for enforcement of or modifications to this Ordinance or the Franchise Agreement.

Section 2. Security Fund.

(1) Within twenty (20) days after the grant of a cable communications franchise, the franchisee shall deposit with the Township (Village) Treasurer, and maintain on deposit through the term of the franchise, the sum of Fifty Thousand (\$50,000) Dollars as security for: (a) the faithful performance by it of all the provisions of this Ordinance and the Franchise Agreement, (b) compliance with all orders, permits and directions of any agency, commission, board or department of the Township (Village) having jurisdiction over its acts or defaults under the Franchise Agreement, and (c) the payment by the franchisee of any claims, liens and taxes due the Township (Village) which arise by reason of the construction, operation or maintenance of the system. The monies in the Fund may be invested and reinvested in the discretion of the Township (Village) Treasurer. As an alternative to providing a cash fund, franchisee may elect to provide an irrevocable letter of credit in the amount of Fifty Thousand (\$50,000) Dollars provided that the form and content of the document establishing and governing same has been approved in advance by the Clerk of the Township Board (Village Council); such letter of credit shall be maintained according to the same requirements and for the same purposes as the cash fund, and shall also be referred to as the Security Fund. The Letter of Credit shall be released within ninety (90) days of the termination or expiration of the franchise, as determined by the Township Board (Village Council). The Letter of Credit shall contain the following endorsement: "At least thirty (30) days prior written notice shall be given to the Township (Village) by the bank or savings and loan association issuing such Letter of Credit of any intention not to renew such Letter of Credit, or to cancel, replace or materially alter same, such notice to be given by registered mail to the Township and Village Clerk."

(2) Within ten (10) days after notice to it that any amount has been drawn against the Security Fund, the franchisee shall pay to or deposit with the Township (Village) Treasurer a sum of money in the full amount withdrawn or take such action as is necessary to insure that the Letter of Credit is maintained in the amount of \$50,000.

(3) The Township (Village) may draw against the Security Fund on each occasion the franchisee fails:

(a) To pay to the Township (Village) any fees within the time fixed in this Ordinance. If franchisee has failed to make a quarterly payment of franchise fees, the Township (Village) may draw an amount equal to the previous quarter's franchise fee.

(b) To pay to the Township (Village) any taxes prior to the attachment of interest and/or penalties.

(c) To repay to the Township (Village) any damages, costs or expenses incurred or expended by reason of any act or default of franchisee in connection with this franchise.

(d) To comply with any provision of the Franchise Agreement and/or this Ordinance in connection with which the Township (Village) reasonably determines that such failure of compliance can be remedied in whole or in part by such withdrawal (or draw).

(e) To make a contribution to the Cablecasting Fund as required under Article XI, Section 2 hereof.

As a condition to the Township (Village) drawing against the Security Fund, it shall provide the franchisee with ten (10) days' written notice of its intention to do so if franchisee's default is not cured.

(4) The Security Fund deposited pursuant to this section shall become the property of the Township (Village) in the event that the franchise is terminated by reason of the default of the franchisee. The franchisee, however, shall be entitled to the return of such security fund, or portion thereof, as remains on deposit at the expiration of the term of the franchise, provided that there is then no outstanding default on the part of the franchisee. If a cash fund is established, interest earned by the investment of the security fund shall become part of the security fund and unless consumed by the payment of penalties, fees or other charges under this Ordinance, shall be returned to the franchisee at the expiration of the franchise term, provided that there is then no outstanding default on the part of the franchisee.

(5) The rights reserved to the Township (Village) with respect to the security fund are in addition to all other rights of the Township (Village) whether reserved by this Ordinance or authorized by law, and no action, proceeding or exercise of a right with respect to such security fund shall affect any other right the Township (Village) may have.

Section 3. Performance Bond.

(1) Within sixty (60) days of the effective date of the Franchise Agreement, the franchisee shall file with the Township (Village) a performance bond or an irrevocable letter of credit issued by an institution acceptable to the Township Board (Village Council) in favor of the Township (Village), in the sum of \$250,000, or in any greater amount specified in the Franchise Agreement, conditioned that the franchisee shall well and truly observe, fulfill and perform each term and condition of this Ordinance and the Franchise Agreement with respect to construction and removal of the system. This bond or letter of credit shall be maintained by the franchisee throughout the construction period and until such time as reasonably determined by the Township (Village).

(2) In the event the franchisee fails to comply with any law, ordinance or regulation governing the franchise, or fails to well and truly observe, fulfill and perform each term and condition of the franchise, including the franchisee's proposal, there shall be recoverable, jointly and severally, from the principal and surety of the bond, any damages or loss suffered by the Township (Village) as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of any property of the franchisee, plus a reasonable allowance for attorney's fees and costs, up to the full amount of the bond.

(3) The Township (Village) shall, upon completion of construction (and following such additional time

reasonably determined by the Township (Village) as aforementioned, reduce the requirement of the franchisee with respect to said bond or letter of credit, to \$50,000 to guarantee performance with respect to removal of the system. However, the Township (Village) may require a performance bond or letter of credit in a reasonable amount to be posted by the franchisee for any subsequent construction, in a reasonable amount and upon such terms as determined by the Township Board (Village Council).

(4) Any bond given under this section shall contain the following endorsement:

"It is hereby understood and agreed that this bond may not be canceled by the surety nor the intention not to renew be stated by the surety until thirty (30) days after receipt by the Township (Village), by registered mail, of a written notice of such intent to cancel or not to renew."

Any letter of credit given under this section shall contain the following endorsement:

"At least thirty (30) days' prior written notice shall be given to the Township (Village) by the bank or savings and loan association issuing such Letter of Credit of any intention not to renew such Letter of Credit, or to cancel, replace or materially alter same, such notice to be given by registered mail to the Township and Village Clerk."

Section 4. Insurance.

(1) The franchisee shall maintain throughout the term of the franchise, insurance insuring the Township (Village) and the franchisee in the minimum amount of:

(a) **Workers' Compensation:** As required by all applicable federal, State, Maritime, or other laws including franchisee's liability with a limit of at least \$100,000 for each occurrence.

(b) **Comprehensive General Liability and Extended Coverage Endorsement:** Including Broadcaster's liability, nonownership and hired car coverage, as well as owned vehicles, with minimum limits as follows: Bodily injury for each person \$1,000,000 and each occurrence \$1,000,000; property damage for each occurrence \$500,000.

(c) **Excess Liability:** Bodily injury and property damage, \$5,000,000 for each occurrence, or in such greater amount as either the Township or Village shall carry, whichever amount is higher.

(2) Certified copies of such insurance policies or certificates evidencing the required coverage and provisions, along with written evidence of payment of required premiums, shall be filed and maintained with the Township (Village) Clerk during the term of the franchise. Such certified copies or certificates may be changed from time to time to reflect any increase in liability limits. There shall be no decrease in liability limits. The franchisee shall immediately advise the Township (Village) of any litigation that may develop that would affect this insurance.

(3) Neither the provisions of this section nor any damages recovered by the Township (Village) thereunder, shall be construed to limit the liability of the franchisee under any franchise issued hereunder or for damages.

(4) All insurance policies or certificates maintained pursuant to this franchise shall name the Township (Village), its employees, agents, boards and officers as additional named insured parties as their interests may appear, and contain the following endorsement:

"It is hereby understood and agreed that this insurance policy may not be canceled by the insurer nor the intention not to renew be stated by the insurer until thirty (30) days after receipt by the Township (Village), by registered mail, of a written notice of such intention to cancel or not to renew."

Section 5. Indemnification.

(1) The franchisee shall, at its sole cost and expense, fully indemnify, defend and hold harmless the Township (Village), its officers, boards, commissions and employees against any and all claims, suits, actions, liability and judgments for damages, including but not limited to expenses for reasonable legal fees and disbursements and liabilities assumed by the Township (Village) in connection therewith:

(a) In any way arising out of or through the acts or omissions of the franchisee, its servants, agents, or employees, or to which the franchisee's negligence shall in any way contribute.

(b) Arising out of any claim for invasion of the right of privacy, for defamation of any person, firm or corporation, or the violation or infringement of any copyright, trademark, trade name, service mark or patent, or of any other rights of any person, firm or corporation, excluding claims arising out of or relating to Township (Village) programming.

(c) Arising out of the franchisee's failure to comply with the provisions of any federal, state, or local statute, ordinance or regulation applicable to the franchisee, in its business hereunder.

provided, however, that the indemnity granted hereby shall not extend to liabilities of any type or kind whatsoever arising out of any acts of negligent or willful misconduct on the part of the Township (Village), its officers, elected or appointed officials, servants, agents, employees, contractors or otherwise, while acting on behalf of the Township (Village).

(2) The foregoing indemnity is conditioned upon the following: The Township (Village) shall give the franchisee prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of this section. Nothing herein shall be deemed to prevent the Township (Village) from cooperating with the franchisee and participating in the defense of any litigation by its own counsel at its sole cost and expense. No recovery by the Township (Village) of any sum by reason of the Security Fund shall be any limitation upon the liability of the franchisee to the Township (Village) under the terms of this section, except that any sum so received by the Township (Village) shall be deducted from any recovery the Township (Village) might have against the franchisee under the terms of this section.

Section 6. Foreclosure.

Upon the foreclosure or other judicial sale of all or a substantial part of the Cable Communications System, or upon the termination of any lease covering all or a substantial part of the Cable Communications System, the franchisee the lessor under such lease, and all parties interested in such a foreclosure shall notify the Township

(Village) of such fact, and such notification shall be treated as a notification that a change in control of the franchisee has taken place, and the provisions of this Ordinance and the Franchise Agreement governing transfer or change in control of the franchisee shall apply.

Section 7. Receivership.

The franchisee herein granted shall, at the option of the Township (Village), cease and terminate ninety (90) days after the appointment of a receiver, or trustee, to take over and conduct the business of the franchisee, whether in receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said ninety (90) days.

Section 8. Reports and Records.

(1) No later than one hundred twenty (120) days after the close of the franchisee's fiscal year, the franchisee shall submit a written and certified report to the Township (Village), through the Township (Village) Clerk's office. Financial information provided by the franchisee shall be in a form approved by the Township Board (Village Council) and shall include the following certified statements:

- (a) Statement of Revenue and Expense.
- (b) Statement of Financial Condition (Balance Sheet)
- (c) Statement of Changes in Retained Earnings.
- (d) Statement of Sources and Applications of Funds.
- (e) Statement of Capital Expenditures.
- (f) Statement reflecting the calculation of the franchisee fee.

Each statement required by subparagraphs (a) through (f) of this subparagraph shall include appropriate information pertaining to the cablecasting system as a whole.

(2) The financial statements required by subsection (1) of this section shall be prepared in a manner consistent with generally accepted accounting principles. With respect to the results of current operations, the aforesaid statements shall be certified under oath by the president or chief financial officer of franchisee or of each joint venturer if franchisee is a joint venture, except that franchisee shall, at its expense, provide the Township (Village) with an audited and certified statement prepared by an independent certified public accountant with respect to any two years during the life of the franchise, as determined by the Township Board (Village Council) if requested to do so by the Township (Village) at least ninety (90) days before the end of franchisee's fiscal year. Footnotes to the financial statements shall be provided for all significant accounting policies and other items, including future lease obligations.

(3) In addition to the aforementioned financial statements, the written report required by the preceding subsections shall include, if requested by the Township (Village), the following:

- (a) A summary of the previous year's activities in development of the system, including, but not limited to, services begun and dropped, subscribers gained and lost.
- (b) A summary of complaints, identifying the number and nature of complaints and their disposition.
- (c) A list of officers and members of the Board of the franchisee and parent corporation.
- (d) A list containing the names and addresses of all stockholders holding one percent (1%) or more of any class of stock or securities convertible into stock of the franchisee and the parent corporation.

(e) All rules, regulations, terms and conditions which it has adopted for the conduct of its business.

(f) A report on such other topics as may be requested by the Township (Village) at least one hundred twenty (120) days in advance of the date the reports are due.

(g) A list containing the names and addresses of persons having loaned the franchisee in excess of \$50,000 during the preceding year.

(h) A statement setting forth the amount of money on deposit in the Cablecasting Fund.

4. The franchisee shall fully cooperate in making available upon five (5) days notice, and representatives of the Cablecasting Board and the designated representative of the Township Board (Village Council) shall have the right to audit and inspect, the books records, maps, plans and other like materials of the franchisee applicable to the cablecasting system, at any time during normal business hours. Where volume necessitates, the franchisee may require inspection to take place on its premises within the Township (Village).

Section 9. Other Petitions and Applications.

With the report required under Section 8 (1), the franchisee shall provide the Township (Village) with a list of all petitions, applications, communications and reports submitted by the franchisee to the Federal Communications Commission, Securities and Exchange Commission, or any other federal or state regulatory commission or agency having jurisdiction in respect to any matters affecting cable communications operations authorized pursuant to the franchise. The franchisee is to provide copies of any such documents to the Township (Village) within seven (7) days of request.

Section 10. Nondiscrimination Requirements.

(1) The franchisee shall not deny service, deny access, or otherwise discriminate against persons on the basis of race, age, color, religion, handicap, national origin, or sex. The franchisee shall comply at all times with all applicable federal, state and local laws and regulations, and all executive and administrative orders relating to non-discrimination.

(2) The franchisee shall strictly adhere to the equal employment opportunity requirements of the FCC, federal, state and local regulations, as amended from time to time.

Section 11. Compliance with State and Federal Laws.

The franchisee shall at all times comply with all laws and regulations of the state and federal government or any administrative agencies thereof, provided, however, that the franchisee shall, in all events, comply with this Ordinance and the Franchise Agreement. If any such state or federal law or regulation shall require the franchisee to perform any service, or shall permit the franchisee to perform any service or take any action or shall prohibit Franchisee from the performance of any service in conflict with the terms of the franchise or of any law or regulation of the Township (Village), then as soon as possible following knowledge thereof the franchisee shall notify the Township

(Village) of the point of conflict believed to exist between such regulation or law and the laws or regulations of the Township (Village) or the franchise. The Township Board (Village Council) shall review the possible conflict and determine what action, if any, it shall take regarding the point of possible conflict.

Section 12. Theft of Service and Tampering.

(1) No person shall intentionally or knowingly: (a) Damage or cause to be damaged any wire, cable, conduit, equipment, apparatus or appurtenance of franchisee or commit any act with intent to cause such damage. (b) Tap, tamper with or otherwise connect any wires or device to a wire, cable, conduit, equipment, apparatus or appurtenances of the franchisee with the intent to obtain or send a signal or impulse from the cable system without authorization from franchisee, or to obtain or send cable television or other communication service with intent to defraud the franchisee of any lawful compensation to which it is otherwise entitled.

(2) Each day's violation of this section shall be considered a separate offense.

Section 13. Public Notice.

Unless otherwise specifically set forth in this Ordinance, minimum public notice of any public hearing relating to a franchise shall be given by the Township (Village) by publication, or least once per week, in a local newspaper of general circulation beginning at least fifteen (15) days prior to the meeting. Announcement by the Township (Village) on at least one channel of the Cable Communications System between the hours of 7:00 p.m. and 9:00 p.m. for five (5) consecutive days prior to the hearing shall also be provided, without charge by the franchisee.

ARTICLE XI - PENALTIES

Section 1. Misdemeanor.

Any person charged and convicted for violation of the provisions of Section 12 of Article X shall be guilty of a misdemeanor, punishable by imprisonment for up to ninety (90) days or a fine of up to five hundred (\$500.00) dollars, or both such imprisonment and fine.

Section 2. Cablecasting Fund Contributions.

Notwithstanding the existence of other penalties, upon the occurrence of any violation of this Ordinance or the Franchise Agreement, the franchisee shall make a contribution to the Cablecasting Fund in the amount of fifty (\$50.00) dollars per day for each calendar day, or portion thereof, during which the violation occurs. Such fund shall constitute a separate account of and shall be held by the franchisee. The Cablecasting Board shall have exclusive authority to determine the manner and timing of the expenditure of such funds, provided, all expenditures shall be for such equipment and/or services as determined in the discretion of the Cablecasting Board. Franchisee shall have a reasonable opportunity to cure without the imposition of penalty. However, in the event thirty (30) days elapses following the transmittal of notice to the franchisee with respect to the occurrence of an event, it shall be rebuttably presumed that there has been a failure to cure within a reasonable period, provided, however, this presumption shall not preclude the imposition of a penalty for failure to cure within a shorter period if all of the attendant facts and circumstances dictate that a reasonable period would have been shorter than thirty (30) days or a shorter period as specified elsewhere in this Ordinance.

Section 3. Compliance with Construction Timetable.

In the event of failure to complete construction of the system in a timely manner or to make cable service available to and in all homes desiring service in the Township (Village) as required under the Franchise Agreement, the franchisee shall, as determined and directed by the Township Board (Village Council) (a) provide all labor and materials to energize and fully activate the following additions to the Cable Communications System: For each week taken for completing construction or making service available following the applicable deadline, the franchisee shall make operational 8,000 feet of two-way service within the System in locations determined in the discretion of the Township Board (Village Council), or (b) pay to the Township (Village) as liquidated damages (and not a penalty) \$2,000 for each week taken for completing construction or making service available following the applicable deadline.

Section 4. Waiver of Penalties.

Upon written petition to the Township Board (Village Council), all or part of the penalties provided for in Sections 2 and 3, inclusive, of this Article shall be waived upon a clear demonstration by the franchisee that it has made a diligent effort to comply but has been unable to do so, as a result of the occurrence of: act of God; riot, emergency declared by competent government authority; a general strike of the employees of franchisee; or other cause beyond franchisee's control and which franchisee could not reasonably have foreseen.

ARTICLE XII - CABLECASTING BOARD

Section 1. Creation and Membership.

There shall be established by the Township Board and Village Council a Cablecasting Board consisting of seven (7) members. The Township Board shall appoint five (5) members; the Village Council shall appoint two (2) members.

Section 2. Compensation and Term.

Members of the Cablecasting Board shall serve without compensation for a term of three (3) years. At the time of initial appointments creating the Cablecasting Board, three (3) members shall be appointed for terms of three (3) years each, two (2) members shall be appointed for a term of two (2) years each, and two (2) members shall be appointed for a term of one (1) year each. Designation of the length of terms for members selected in the initial appointments shall be determined by lot.

Section 3. Officers and Ex Officio Members.

(1) The Cablecasting Board shall elect officers as deemed by such Board to be necessary or expedient including a chairperson and a secretary. (2) The Township Supervisor (Village President), and a representative of each franchisee in the Township (Village) shall serve as ex officio members of the Cablecasting

Board, but shall have no voting rights.

Section 4. Quorum.

Four (4) voting members of the Cablecasting Board shall constitute a quorum for the transaction of business.

Section 5. Meetings.

Meetings of the Cablecasting Board shall be held at the call of the Chairperson, and at such other times as the Cablecasting Board may be resolution determined, but not less frequently than once per quarter. The Cablecasting Board shall adopt rules of procedure and keep minutes of its meetings, which shall constitute a public record.

Section 6. Duties and Powers.

The Cablecasting Board shall perform the following roles and functions:

- (1) Advise the Township Board (Village Council) on matters related to cable communications. (2) Monitor the franchisee's compliance with the Franchise Agreement and this Ordinance. (3) Conduct performance reviews as outlined in this Ordinance. (4) Act as liaison between the franchisee and the public; hear complaints from the public and seek resolution of such complaints as hereinafter provided. (5) Consider and make adjustments of rates and services according to the procedure outlined in Sections 8 and 9 of Article XII. (6) Advise the Township Board (Village Council) on renewal, extension or termination of franchise. (7) Appropriate such monies, if any, as are deposited in an account in the name of the Cablecasting Board for and in relation to the Cable System, and submit an annual budget to the Township Board and Village Council. (8) Oversee and make recommendations to the Township Board (Village Council) with respect to the operation of the educational, governmental and public access channels. (9) Advise the Township Board (Village Council) of new developments in cable communications technology.

Section 7. Proceedings for Complaint Resolution.

(1) Upon receipt of a complaint on a form approved by the Cablecasting Board, the Cablecasting Board as a body, or through one or more designates selected by the Cablecasting Board, shall seek on an informal basis to resolve the complaint.

(2) In the event the complaint cannot, in the discretion of the Cablecasting Board, or its designate, be resolved on an informal basis, a formal complaint shall be issued by the Cablecasting Board, and served upon all parties to the complaint or their representatives at least fifteen (15) days prior to a hearing at which such complaint shall be discussed. The Cablecasting Board shall, along with the complaint, serve a notice of the date, time and place of the hearing.

(3) At the hearing, the parties in interest shall be afforded a reasonable opportunity to be heard. The hearing may be adjourned from time to time.

(4) Minutes of the hearing shall be kept by the Secretary of the Cablecasting Board.

(5) Following the hearing, the Cablecasting Board, by majority vote, shall make its determination, and enter such order as it deems appropriate pursuant to such determination. Written reasons for the determination shall be made and entered in the minutes. The order made by the Cablecasting Board shall be in writing.

(6) The Cablecasting Board's determination and order shall, twenty (20) days following rendition, be final unless an appeal to the Township Board (Village Council) is taken from such determination and order within the time hereinafter set forth for appeals. In the event of such appeal, the effect of the determination and order shall be stayed unless the Township Board (Village Council) determines otherwise.

Section 8. Changes in Rates.

(1) The franchisee shall be entitled, on an annual basis, to file a petition seeking a change in rates, subject to any specific provisions with respect thereto contained in the Franchise Agreement.

(2) The petition shall be filed with the Township (Village) Clerk and include the alleged justifications for the proposed modifications. With respect to proposed rate changes, such petitions shall be filed at least one hundred twenty (120) days prior to the requested implementation date of the rate change.

(3) One copy of the petition shall remain on file with the Township (Village) Clerk and be open for public inspection.

(4) Within sixty (60) days of the filing of the petition, the Cablecasting Board shall hold a public hearing to consider the proposal, at which hearing all persons shall be given the opportunity to be heard, including the franchisee, with respect to the matter at issue.

(5) Upon notice of such public hearing, the franchisee shall provide, free of charge to the Cablecasting Board, channel access to notify subscribers of the date, time, place and subject matter of the hearing by announcement on at least one (1) automated (e.g., weather) channel of its system between the hours of 7:00 p.m. and 9:00 p.m. for at least five (5) consecutive days prior to the hearing. In the event of a rate change, notice of the public hearing shall be published by the Cablecasting Board in a newspaper of general circulation at least once, not less than seven (7) nor more than thirty (30) days prior to the public hearing.

(6) Minutes of the hearing shall be kept by the Secretary of the Cablecasting Board.

(7) Within thirty (30) days after the hearing, the Cablecasting Board shall render a written decision on the proposal, either accepting, rejecting or modifying or deferring the same and reciting the basis for its decision. On a schedule specified by the Cablecasting Board prior to its decision, the parties in interest may be permitted by the Cablecasting Board to submit proposed findings of fact and conclusions.

(8) In the event the franchisee seeks a change to which it is not otherwise automatically entitled under the Franchise Agreement, and has filed a petition hereunder, the franchisee shall pay the fee of one or more consultants selected by the Cablecasting Board if the Cablecasting Board deems such service to be reasonably necessary in the consideration of the proposal. Moreover, with a petition proposing a rate increase, the franchisee shall include the following financial reports, which shall reflect the fran-

chisee's operations in the franchise area:

- (a) A balance sheet; (b) Income statement; (c) Cash flow statement; (d) Statement of sources and applications of funds; (e) Details supporting schedules of expenses, income, assets and other items as may be required; (f) Statement of current and proposed subscribers and penetration.

Further, the franchisee's accounting records applicable to the Township (Village) system shall be available for inspection and copying by the Cablecasting Board at all reasonable hours, after five (5) days notice to franchisee, and the Cablecasting Board shall have access to records of financial transactions for the purpose of investigating entitlement to a grant of the petition, in whole or in part.

(9) The Cablecasting Board's determination and order shall be, twenty (20) days following rendition, final unless an appeal is taken to the Township Board (Village Council) from such determination and ordered within the time hereinafter set forth. In the event of such appeal, the effect of the determination and order shall be stayed unless the Township Board (Village Council) determines otherwise.

Section 9. Change in Services, System Facilities and Equipment.

(1) The franchisee and/or two or more members of the Township Board (Village Council) shall be entitled to file a petition seeking a change in services and/or system facilities and equipment, subject to express limitations with respect thereto contained in the Franchise Agreement.

(2) The procedure for consideration of such petitions shall be the same as that set forth in Section 8, above.

Section 10. Appeals.

If aggrieved by a decision and order of the Cablecasting Board, any member of the Township Board (Village Council) and/or franchisee shall have the right of appeal to the Township Board (Village Council), on the condition that, within twenty (20) days of the date of the decision and order, a written notice of the intention to appeal the decision and order is filed with the Secretary of the Cablecasting Board, the Clerk of the Township (Village), and with the franchisee. Such notice shall contain a statement of the grounds for appeal. Appeals shall be based upon the record made at the Cablecasting Board hearing. The appellant shall, within twenty (20) days of filing of the notice of intention to appeal, file any desired written arguments and authorities with the Township Board (Village Council), and serve copies of same upon other interested parties (or their representatives). Such other interested parties shall have twenty (20) days thereafter to file and serve any desired written responsive arguments and authorities. The Township Board (Village Council) shall render a decision on the appeal within twenty (20) days of the expiration of the time in which all written arguments must be filed. There shall be no right of rehearing.

ARTICLE XIII - INTERGOVERNMENTAL COOPERATION

Section 1. Authorization.

The Township Board (Village Council) may, in its discretion, enter into intergovernmental arrangements in connection with the consideration, award, administration and/or termination of the franchises.

Section 2. Agreements.

In the event that any one or more of such intergovernmental arrangements are entered into, prior to the effectiveness of such arrangement, an agreement (with respect to each arrangement) shall be prepared, approved and executed specifying, among other things, the manner in which authority shall be exercised and for the coordination of reporting and other requirements, so as to minimize, where determined appropriate, duplication of expense and effort.

ARTICLE XIV - FORCE MAJEURE

As a condition to franchisee's right (as set forth in this Ordinance and the Agreement) to rely upon the occurrence(s) of: act of God; riot; emergency declared by competent government authority; a general strike of the employees of the franchisee or other causes beyond the franchisee's control and which franchisee could not reasonably have foreseen, as a defense to its failure to comply with the requirements thereof, Franchisee must have first, within ten (10) days following written notice from the Township (Village) of the occurrence of a violation or default, transmitted to the Clerk of the Township (Village) written notice of its intent to assert such defense. It shall be franchisee's burden to prove such defense.

ARTICLE XV - SEVERABILITY AND ADOPTION.

Section 1. Severability.

If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity and effectiveness of the remaining portions thereof.

Section 2. Adoption.

This Ordinance is hereby declared to have been adopted by the Township Board of the Township of Independence, (Village Council of the Village of Clarkston), County of Oakland, State of Michigan, at a meeting of said Board (Council) duly called and held on the 17th day of February, 1983, and shall be effective 30 days from date of publication.

CAYA hosts free program on sexuality

Junior and senior high school students and their parents, together, may attend a free program Thursday, March 3.

Its title: "Adolescent Sexuality...Beyond the Biology."

"A lot of times, teens and parents don't discuss sexuality and that's exactly why we're having them together," said Garry Pullins, social worker for the Clarkston Area Youth Assistance Committee.

The youth assistance committee is sponsoring the family program to begin at 7:30 p.m. in the Clarkston High School Little Theatre. Free refreshments are to be served.

The topic is the result of a survey at the youth assistance-sponsored program last fall on alcohol abuse.

"The overwhelming number of parents put down adolescent or teen-age sex," Pullins said.

Speaker is Dr. Sylvia Hacker, a University of Michigan professor who has authored books on the topic of adolescent sexuality.

Questions to be discussed include:

- How can parents be sex educators?
- Why aren't the facts enough?
- How do attitudes about sexuality affect one's self-image?
- How do values affect one's decisions in a relationship?
- Does open discussion of sexuality lead to promiscuity?

Clarkston High School is located at 6595 Middle Lake, Independence Township.

The motto of the Clarkston Area Youth Assistance Committee is: "Delinquency Prevention Through Community Involvement."

For more information, call Pullins at 625-9007.

Schools rate A's, B's in phone survey

By Kathy Greenfield

Clarkston schools merit a grade of A or B, according to 72.6 percent of the 332 people who answered the question in a recent telephone survey conducted by the district.

"I was a little flabbergasted that they came out as strong," said George White, who heads the committee working on improving communication within the school district.

"I was hoping they would come out this way, that we would get a good rating, and I was very, very excited that they came out the way they did."

Forty-five volunteers called 395 district residents Jan. 25 and asked the 49 questions.

Statistically, if the identical number were called again at random, the results would be within 95 percent the same, White said.

The results were tallied by computer and White presented them to the board of education last week.

The survey is the result of a target goal set by the board last year to answer the need of increasing communication within the school district.

"The most important thing, and the thing we're trying to achieve with the communications project, is a two-way dialogue between the school system and the community," White said.

With a \$5,000 budget provided from a federal grant, the district is covering costs for the project including the purchase of a plan developed by William

Clarkston News

SECTION TWO

The Clarkston (Mich.) News Wed., Feb. 23, 1983 25

Banach of the Macomb Intermediate School District.

The central theme is "Your public schools... There's no better place to learn."

A 30-minute video recording titled "The Best of Banach" was presented to the board of education, with Banach talking about his ideas let people in the community know the schools do a good job.

As the project continues, the next highly visible step will be the introduction of "Friday Folders" purchased for all elementary school pupils and expected to arrive in the next couple of weeks.

Constructed of heavy paper, the envelopes sport the No. 1 apple logo and the theme. Children are to carry their school work home each week, have their parents sign the envelope, and return it to school.

The idea is to for children to share what goes on in the classroom with their families.

Survey results are also under scrutiny, White said.

"I feel pleased with the results overall. There was a favorable rating of the schools," he said. "The areas where there was some concern will be areas we'll be taking a look at."

The question asking residents to grade Clarkston schools was number five on the survey. The percentages and actual numbers were: A—13.6 percent (45 people), B—59 percent (196), C—22 percent (73), D—3.3 percent (11) and E—2.1 percent (seven).

As a means of comparison, White presented other poll results. In the 14th annual national Gallup poll, 37 percent of the respondents rated their school districts with an A or B. A 1981 survey by the state put the tally at 42 percent.

Across Oakland County in a 1982 telephone survey, the high grades were given by 44.6 percent of those contacted. And in an Oakland County school district similar in size to Clarkston schools, the percentage was 60.9 percent.

Those telephoned in the Clarkston district were selected at random from a phone book, using the method of calling every 15th person. The list included the next four telephone numbers which were called in sequence if the phones were not answered, were busy or out of order, or if the person refused to participate.

Some highlights of the Clarkston schools' survey follow.

•52.7 percent of those called have lived in the district 11 or more years.

It won't be long before kids all over Clarkston fill their "Friday Folders" with the work they've done all week and carry them home to their

•59.2 percent have children of school age or younger and 40.8 percent do not. That answer came as a surprise, White said, because the national figure is 30 percent with children, 70 without.

•83 percent of the children attend public schools and 4.8 percent attend private schools.

•32.5 percent attend elementary school; 17.2 are in high school; 8.9 percent in junior high school; and 1.4 percent in college.

•51.6 percent responded with positive words when asked to say what comes to their minds when they hear "Clarkston schools"; 31.1 percent had neutral responses; and 17.2 percent were negative.

•55.8 percent called the biggest single problem facing the schools lack of proper financial support; 8.4 percent said teachers and teaching methods; and 7.4 percent said lack of discipline. In national surveys, the discipline problem is usually mentioned first, White said.

•29.8 percent identified the school staff as particularly good; 15.4 percent said it was the curriculum; and 11 percent said everything is good.

•31.7 percent receive most of their information about the school district from newspapers; 28.8 percent rely on students and their children; and 11.9 percent talk to school employes.

•23 percent said they'd like more information on the curriculum; 15.2 percent on their children's progress; and 12.2 percent want more financial information.

•70.1 percent said more emphasis should be placed on reading.

moms and dads. North Sashabaw Elementary third-grader Tracy Doyon demonstrates the desk-emptying procedure.

•71.5 percent said more emphasis should be placed on writing skills and grammar.

•59.3 percent said more emphasis should be placed on mathematics and 40.7 percent said it should stay the same.

•65.2 percent said more emphasis should be placed on job training.

•58.9 percent said more emphasis should be placed on helping students choose careers.

•55.7 percent said more emphasis should be placed on preparing students for college.

•62.2 percent said extracurricular programs like sports, bands and clubs should stay the same.

•50 percent said reporting student progress should stay the same, and 49.2 percent said more emphasis should be placed on reporting progress.

•83.7 said their most recent contact with the schools was positive.

•30.3 percent said that contact was a parent conference; 11.3 percent said it was by telephone.

•78.5 percent said there should be more citizen involvement in the schools.

•30.9 percent gave miscellaneous responses when asked to suppose they were school board members and state the one thing they'd do to improve the school district; 16.4 percent said they'd improve financial management; and 11.1 percent called for increasing teacher accountability.

•40.2 percent said more adult education programs would be helpful to them; 16.8 percent said present programming is fine; and 16.8 percent said

(Continued on Page 36)

... within the inkwell

by Mary Ellen Hanson and Pat MacArthur

Editor's note: Work is underway to submit reports about Clarkston schools to the North Central Association, the organization that grants accreditation to school districts.

As members of the North Central Evaluation Committee, Clarkston High School librarian Mary Ellen Hanson and English teacher Pat MacArthur were looking for a way to keep residents informed of the progress of the year-long process.

They came up with the idea of writing letters to a pen pal, and "...within the inkwell" came to be. Columns bearing the title will appear in The Clarkston News on a monthly basis.

Exciting potential

Dear Pen Pal,

In your last letter you asked what this newest project, North Central Self-Evaluation, is all about.

It's rather complicated, but I'll try to explain.

North Central Association is an organization to which Clarkston High School voluntarily belongs along with hundreds of other schools in this part of the United States.

These schools belong to the NCA because it helps them to maintain a high level of educational standards.

Every seven years, North Central requires member schools to do a self-evaluation.

No, it's not a way for North Central to evaluate us; it's a way for us to step back, look at our school programs, improve weaknesses, and take pride in strengths.

I know you'll want to know who is involved in this huge evaluation which takes more than a year to complete.

Generally the faculty does the majority of work on its own time.

This year, of course, we've faced enormous obstacles with cutbacks and no contract, but many of our staff are already busily preparing committee reports.

Well, of course, they would be more enthusiastic without these obstacles; wouldn't we all?

Right now all committees for the evaluation are formed, and the first two committees, "Philosophy and Objectives" and "School and Community" are at work.

Reports of these two committees must be made and accepted before others can proceed.

This year we would like to involve some people from the community as well. To do what, you ask?

Perhaps they could discover more about our school or even become more active in the evaluation.

After all, the school is probably the single most important organization in our community, and we all have a stake in the outcome of the people who attend it.

The way I see it, we can sit back and complain about how expensive education is and how awful it is that programs are being cut.

Or we can, as one staff member put it, "get in there and make what we have the best we possibly can."

Our evaluation can help us to do just that, and that's why I'm so excited about the potential of this project.

Of course, I'll keep you informed, and anything more you'd like to know be sure and let me know.

Looking forward to your response.

Sincerely,
I.M. Quill

Successful blood drive

The Student Government at Clarkston High School was reportedly pleased with the plus-50 turnout for its second annual blood drive Monday in the library. Teachers, parents and students readily pushed up their sleeves and

extended their arms for the American Red Cross. A few with queasy stomachs were spotted, but all survived their first time on the gurney and old hats were heard to snicker at the wary.

Obituaries

Agnes E. Campbell

Former Independence Township resident Agnes E. Campbell of Belmont died Feb. 15 in Grand Rapids.

Miss Campbell, 86, was born and raised in Independence Township. She was a member of the Sashabaw Presbyterian Church.

Surviving are her sisters, Mrs. Ruth Beattie of Otisville and Mrs. Richard (Irma) Annis of Belmont; and several nieces and nephews.

Memorial services are to be announced at a later date.

David R. Schaller

Funeral mass for David R. Schaller of Independence Township was held Feb. 19 at St. Daniel Catholic Church with the Rev. Charles Cushing officiating.

David, 16, died of natural causes Feb. 16. He was a member of St. Daniel Catholic Church in Independence Township and a student at Clarkston High School.

Surviving are his parents, Albert and Marilyn Schaller; brothers and sister, Larry, Steven, Richard and Christine, all at home; and grandparents, Mr. and Mrs. Lawrence Lang of Detroit and Justin Schaller of North Lakeport.

Following the service, burial took place in Mt. Hope Cemetery, Port Huron.

The family suggests memorial tributes to the Children's Leukemia Foundation of Michigan.

Arrangements were made by the Lewis E. Wint Funeral Home, Independence Township.

Junior highs net slew of music medals

Sound the trumpets. Band members from Clarkston and Sashabaw junior high schools returned with a slew of medals from the junior high annual Solo and Ensemble Festival, sponsored by the Michigan State Band and Orchestra Association at Oakland Community College on Feb. 19.

Clarkston band director Julie Mathews and Sashabaw director Douglas Doty complimented the performances of their students.

"It's the best we've done in the history of the school as far as the number of events and the superior ratings," Mathews said.

"This is probably the best results we've had since I've been here," Doty said. "I'll hate to lose these ninth-graders to the high school next year. They have been a good group of students for three years."

Band students receiving first-place medals and superior ratings of I were:

—from Sashabaw: Jeff Billig, Kim Billig, Dave Cipparone, Jennifer Danielson, Jennifer Fenton, Laurie Fransico, Kris Heaton, Eric Hofer, Karen Jordan, Mike Koslosky, Ken Meissner, Julie Monroe, Jackie Roberts, Tom Ruelle, Martin Simpson, Kristin

Spiece, Tami Topous, Jeff Toretta and Kristin Whisner.

—from Clarkston: Kerri Bartlett, Kelly Cruz, Dawn Diederich, Erin Dupree, Jenny Dupree, Kelly Dupree, Julie Everett, Matt Fry, Shelly Heyman, Tracy Hill, Michelle Keech, Kim Millard, Claire Needham, Julie Richards, Kristen Reid, Michelle Sexton, Amy Travis, Dan Travis, Ingrid Vaara, Tasha Vaara, Kristen Wagner, Ruth Webb and Rachel Young.

SCAMP hires its new development coordinator

By Kathy Greenfield

"Interviewing for a job as a fund raiser in 1983 is not, perhaps, the brightest thing to do," says Margaret Olesnavage.

But she not only interviewed, she got the job as the coordinator of development for the SCAMP Funding Corp.

She's been at work since Jan. 10.

Among the duties of her 20-hour-a-week job is planning fund raisers for Clarkston SCAMP, the six-week summer program for children and youths from seven northern Oakland County school districts who may have special needs or physical handicaps.

And her enthusiasm continues to grow for the program and the potential increase in funds for the program.

"I'm really still very, very pleased," she says. "It was a difficult decision to leave my old job—I'd been there four years.

"I'm extremely impressed so far with the amount of energy and time that people put into the SCAMP program. It's not like I've come here and there's a negative image out there for SCAMP."

She formerly worked for the Association for Retarded Citizens as the executive director for the northwest portion of Oakland County.

She and her husband, John, have lived in Independence Township since October. They have two sons, Curtis, 13, and Mickey, 8.

The funding corporation was formed seven years ago to handle contributions to the SCAMP program. The first year, \$10,000 was raised.

Over the years, it became apparent the camping program could continue only if enough money was raised to cover almost all expenses, and that was an early goal.

Last year, about \$40,000 was raised. The amount needed this year is close to \$50,000 and about \$41,000 needs to be collected between now and December 1983.

"With the economy the way it is, the state dollars have dried up and the federal dollars are much, much lower than before," Olesnavage says.

Her job includes going after grants from the government and from private corporation foundations and clubs.

There are also local fund raisers, and the Walk for SCAMP, Christmas card sales, Fun Run with the Northwest Oakland Vocational Education Center and the SCAMP Carnival in conjunction with the Clarkston Village Business Association's Old-Fashioned Fair will continue.

Music maker call

Dust off those flutes and tubas stored in the attic and pucker up.

The Orion-Oxford Community Band is looking for new members.

In existence three years, the band performs several times throughout the year. Membership is open to adults, although responsible high school students may participate.

"We encourage people who have not played in a while—it's been 20 years for some members—to get their instruments out again and to come join us," said band member Barbara Elenbaas.

Practices are held weekly, on Tuesdays from 7 to 9 p.m. at Elizabeth Street School, 55 Elizabeth, Lake Orion.

For more information, call Elenbaas at 693-2534 or Nancy Popchock at 652-7276.

Margaret Olesnavage: \$41,000 is her goal.

New events include a horse race and a historic home tour.

Planned in the late spring, the horse race is a party theme with bets placed on horses and films to determine the winners.

The home tour in early summer is to include houses that stress modern and old-fashioned decors and styles.

This summer will mark SCAMP's eighth year. Two hundred campers participated last year and about the same number is expected in 1983.

But studies have shown there are close to 700 youngsters who could benefit from the summer camp program.

"And that was the first big shock," says Olesnavage.

So, while there are no plans for immediate expansion, she looks to that time.

"The funding corporation's philosophy is: 'No child or adult should not be allowed to participate in SCAMP because of lack of money,'" she says.

She stresses that the real success of any fund raising effort depends on people, and volunteers are needed for a variety of jobs.

She may be reached at the Clarkston schools' Special Services Building. The phone number is 625-3330.

"It was a difficult decision to leave my old job..."

Rosetta LaMagna retires from social work post

By Kathy Greenfield

Rosetta LaMagna cleared out her desk, took boxes home to sort out later and began a new phase of her life last week.

After 16 years as a social worker for Clarkston schools, she said good bye to her career.

"My husband decided to retire, so I decided to go with him," she said. "It (was) a very sudden decision and I haven't had time to get used to it myself, but now it's made and it's for the best."

Her work in education goes back 26 years. Before joining the staff in Clarkston, she worked 10 years in

the Lake Orion school district, five as a social worker and five as a teacher.

Social work in a school is quite different from teaching, and she explained her duties.

"Because we work with children who have problems in school and their social lives, we work with the child and their families and teachers," she said.

"It's very rewarding. I always said if I had to choose three words to explain what we do, they would be challenging, rewarding and stimulating.

"We're not always successful, but when you are it really is very rewarding.

"We work a lot of unusual hours to help meet the needs of families and that's where an understanding family comes in—you can't limit your hours to a school day. It just isn't possible."

Rosetta's husband, Michael, also retired last week. He was assistant principal of Lake Orion schools.

"For a while, we're just going to vacation and enjoy each other," she said.

Their children have kept the family teaching tradition going—Mike LaMagna teaches industrial education at Clarkston High School and Carol LaMagna is an elementary school teacher in Lansing.

Last week was a whirl of parties for the LaMagnas, with some just for each of them and some where both were invited as their co-workers said farewell.

Rosetta received a gift from the Michigan School Social Workers Association. She was president of the organization in 1970-71, sat on the board of directors and was parliamentarian before her retirement.

Presents also came from other professional organizations she was active in, the Oakland County region of the state social workers association and Alpha Lambda Chapter of Alpha Delta Kappa, an international sorority for outstanding women in education.

"It's been a really pleasant time," she said. "People have been so kind it chokes me up. You can handle criticism sometimes, but handling the nice things is really difficult.

"I have enjoyed working in Clarkston," Rosetta added. "The staff people have been really great to work with."

With only one more day to go on the job before retiring, Rosetta LaMagna pauses to pose for a photo. She has been a social worker for Clarkston schools 16 years.

SYNOPSIS

CLARKSTON COMMUNITY SCHOOLS BOARD OF EDUCATION

Regular Meeting - February 14, 1983

1. Approved minutes of the January 10 regular meeting and January 20 special meeting.
2. Approved expenditures in the amount of \$367,115.
3. Accepted, with regret, the resignation of Board Trustee, Addison Hubbard.
4. Introduced William Jackson, the new business manager for the district.
5. Received MEAP district test results.
6. Viewed Marketing Communication Program video tape.
7. Commended parent volunteers who participated in the community telephone survey.
8. Recalled Wendell Jennings, Social Worker, due to the retirement of Rosetta LaMagna.
9. Received district fiscal update from Mr. Mason.
10. Determined not to pave the portion of Pine Knob Road between the north and south driveways of Bailey Lake Elementary School.
11. Gave approval to submit an application to the Michigan Council for the Arts for a grant in the amount of \$20,000.
12. Met in executive session to discuss employee negotiations.
13. Adjourned at 11:25 p.m.

HANNAH
By Kim Ward

i started this poem
to work i must drive
i'm crying this morning
you're soon to be five.

a "big girl" you say
yes...that you are
i'll never forget
the year you were four.

the sentences are infinite
your questions the same

and yes i do boast
"she can write her full name."

no more you're "my baby"
"mom—i'm a big girl"
i can hardly believe
you want to wear curls.

you want to wear dresses
how long will that last?
i'm holding my tears—
time's moving too fast.

you help clean our house
except for the toys

i really don't mind
just one of life's joys.

You walk into dance school
my heart strings are pulled
i know i've been blessed
with this special girl.

my baby? still you are
i praise god you're alive
i'm crying again
you're soon to be five.

i love you,
mommy

Millstream

Cook-Herron

Ann E. Cook and Donald P. Herron are planning an August wedding. A Clarkston High School graduate, the bride-elect is employed by Aco Hardware, Highland. Her parents are Aloma Cook of Eastlawn Avenue, Clarkston, and Claude Cook of Pontiac. Also a CHS graduate, her fiance is self-employed. His parents are Karen White of Maybee Road, Independence Township, and Ronald Herron of Troy.

Kline-Robertson

Mr. and Mrs. Robert Kline of Almond Lane, Independence Township, announce the engagement of their daughter Kimberly Kay to Douglas John Robertson, son of Mr. and Mrs. Laurence Robertson of Pontiac. The bride-to-be is a 1980 Clarkston High School graduate. Her fiance, a Waterford Township High School graduate, attends Oakland Community College. Both are employed by RGIS Inventory Specialists, Rochester. An August wedding is planned.

Coupon Club changes its meeting time

The coupon club that meets in the Springfield Township Library has changed its meeting time to the first Wednesday of every month at 1 p.m. New members are welcome to come and ex-

change coupons and refunding forms. The library is located at 10900 Andersonville, Springfield Township. Call 625-0595 for more information.

Barbershoppers to join in harmony

Joining in the sweet harmony at the 40th annual Pontiac Chapter Barbershop Show at Pontiac Central High School will be several local members of the Merry Motor Men Chorus.

About a dozen of the group's 36 singers live in the Clarkston area, says barbershopper Dick Johnson.

The date is Saturday, Feb. 26, and curtain time is 8 p.m. Tickets are \$7. They may be purchased at

Hallman Apothecary in downtown Clarkston.

Joining the Merry Motor Men in their "Reflections of Harmony" are to be the Mill Valley Chapter from Milford and two quartets, the Bowery Boys from Columbus, Ohio, and The Four Henchmen from Arlington Heights, Ill.

For more information, call Merry Motor Men Chorus director Bill Pascher at 391-0572.

Free class offered for senior citizens

Images of Aging in Literature is the topic of a new class for senior citizens at the Springfield Township Library.

There is no charge for the class sponsored by the National Endowment for the Humanities, said instructor Ann Williams.

"We read stories and talk about them," she said. "The stories have to do with problems and things encountered by people as they grow older.

"It's going to be learning and having fun in this new class for seniors."

Williams has previously taught the class at the Independence Township Senior Citizen Center.

A manual with the stories is loaned to each class member, and group discussions are an important part of the class, she said.

To sign up, or for more information, call Williams at 625-5680 or the Springfield Township Library at 625-0595.

The library is located at 10900 Andersonville.

Stuart-Moncivaiz

Mr. and Mrs. Dale Stuart of Mustang Drive, Independence Township, announce the engagement of their daughter Dawn Elizabeth to Ruben Moncivaiz of Gillette, Wyo.

The son of the Rev. and Mrs. Milton Moncivaiz of Phoenix, Ariz., he is employed as a safety trainer by the Cordero Mining Co. of Gillette. She graduated from Clarkston High School in 1981. A June wedding is planned.

Honors

Two local students have been named to the dean's list for the fall semester at Adrian College.

Clifford Matushin, a junior biology major, resides on Eston Road.

Marcia Veltre, a freshman music major, resides on Allen Road.

New arrival

Todd and Joyce Norton of Holly welcomed their first child into the world Feb. 3.

Daniel Aaron weighed 6 pounds, 9½ ounces and measured 19 inches tall.

Grandparents are Joyce Thompson of Davisburg and former Clarkston residents Neal and Jody Norton of Silver Point, Tenn.

Great-grandmother is Leetha Phelps of Walled Lake.

Recipe file

Yummy cheese snack

By Lorna Bickerstaff

Mrs. Nick (Elaine) Palmer of Rochester served these delicious Cheese Roll Ups at our club Christmas party preceding our dinner. They may be made ahead and frozen.

Cheese Roll Ups

- Bread slices (large, like Silvercup)
- Cheese Whiz
- Butter
- Parmesan cheese

Cut crusts off bread slices. Roll out each slice individually with rolling pin. Spread with Cheese Whiz. Roll up. Pinch end together. Dip in melted butter. Roll in parmesan cheese. Cut in two. Bake at 375 degrees for about 8 minutes until golden brown. Serve warm.

If any reader would like to contribute a recipe, we would be most happy to have it. Call Lorna Bickerstaff at 625-3370 weekday afternoons or write her at The Clarkston News, 5 S. Main, Clarkston, MI 48016.

Aninos-Brown

Mr. and Mrs. Edward Aninos of Bird Road, Brandon Township, announce the engagement of their daughter Paulette Noel to Richard Wayne Brown, son of Mr. and Mrs. Richard Brown of Bridge Lake Road, Springfield Township. An August wedding is planned.

Around Town

Local events open to the public are printed in Around Town as a community service. Call 625-3370 or write to The Clarkston News, 5 S. Main, Clarkston 48016 two weeks in advance.

Wednesday, Feb. 23—How to Select a Micro Computer for Home or Business Use; a free seminar sponsored by the Clarkston Community Education Department in cooperation with the Business Association of Independence Township and the Clarkston Village Business Association; 6:30-9:30 p.m.; IBM, Commodore 64 and Apple 3 computers on display with representatives to answer questions; Sashabaw Junior High, 5565 Pine Knob, Independence Township. (673-7756)

Thursday, Feb. 24—The gifted child is the topic of a meeting with Dr. Beverly Parke of Wayne State University, Detroit; hosted by the Clarkston Community Schools' Academically Gifted Program; 7:30 p.m.; Clarkston Elementary School, 6595 Waldon, Independence Township. (625-4900)

Thursday, Feb. 24—Bailey Lake PTA hosts speaker Mary Paonessa; topic: Sex Education and Your Children; 7:30 p.m.; Clarkston High School's Little Theatre, 6595 Middle Lake, Independence Township; event is free but tickets are required for entry and can be picked up at Bailey Lake Elementary, 8051 Pine Knob, Independence Township. (394-0207)

Friday, Feb. 25—"Creatures of the Darkness" is the topic of tour at Independence Oaks County Park under the direction of parks naturalist Kathleen Dougherty; 7:30 to 9 p.m.; if snow conditions permit, the program will be conducted on cross-country skis; participants should bring their own skis; no charge beyond park entry fee of \$2.50 a vehicle for Oakland County residents and \$4 for non-residents; the park is located 2 1/2 miles north of I-75, on Sashabaw Road in Independence Township. (Call 858-0903 from 8:30 a.m. to 5 p.m. weekdays to preregister.)

Friday, Feb. 25—Brunch at the Northwest Oakland Vocational Education Center's Northwest Inn; 9:30 a.m. to 1 p.m., \$3.50 a person including tax; menu includes ham, scrambled eggs, french toast, chicken casserole, potatoes, assorted pastries and beverage; service and preparation by students enrolled in the food service program from Clarkston, Waterford, Holly and Brandon; reservations not necessary. (625-5202)

Saturday, Feb. 26—Naturalist-led Cross-Country Ski Tour (weather permitting); 10 a.m.; four miles to be covered on trails good for novice skiers; tour to last about 2 1/2 hours; bring light snack, if desired, and skis; free with vehicle entry fee of \$7 for annual permit (\$2 for senior citizens) or \$2 for one-day permit; Indian Springs Metro Park, 5200 Indian Trail, Springfield Township. (To register, call 625-2781)

Sunday, Feb. 27—Antiques Market at Springfield Oaks County Park; 10 a.m. to 5 p.m.; free admission; free parking; in the activities center, 12451 Andersonville, Springfield Township. (625-8133)

Monday, Feb. 28—Clarkston Athletic Boosters meeting; 7:30 p.m.; the non-profit organization works to support all athletics in Clarkston schools; new members welcome; Clarkston High School Library, 6595 Middle Lake, Independence Township. (625-3166)

Tuesday, March 1—Think Spring is the theme for the buffet at the Northwest Oakland

Vocational Education Center's Northwest Inn; 11:30 a.m. to 1 p.m.; bar round of beef, whole roasted pig, 12-foot-long salad bar, dessert cart; \$5.50 a person including tax; students prepare and serve the meal; 8211 Big Lake, Springfield Township. (Call 625-5202 for reservations.)

March 1, 3, 8, 10 and 12—Soccer Clinic for youth and parents, and present and future coaches; 7:30 to 9:30 p.m. Tuesdays and Thursdays, March 1, 3, 8 and 10; 10 a.m. to noon Saturday, March 12; Clarkston Junior High School gym, 6300 Church, Independence Township; topics include injury prevention and treatment, skill development, effective training techniques and rules of the game; \$25 a person; advance registration required at the Independence Township Parks and Recreation Department, 90 N. Main, Clarkston. (625-8223)

Wednesday, March 2—"The Art of Breastfeeding and Overcoming Difficulties" is the topic of the Clarkston La Leche League meeting; 9:30 a.m.; 10400 Ellis, Springfield Township; second in a series of four; come before the baby is born to be prepared or bring baby along. (625-6839)

Wednesday, March 2—Preschool Story Time at the Independence Township Library; 11 a.m.; stories and games; movies—"The BooBoo Monster," the story of a friendly green-skinned monster who finds his color isn't as important as being himself, and "Lend a Paw," in which Pluto rescues a kitten; 6495 Clarkston-Orion, Independence Township. (625-2212)

Wednesday, March 2—After School Movie Hour at the Independence Township Library; 4:30 p.m.; Mexico and its legends are featured with the films, "Golden Lizard," "Pancho" and "Tepoztlan"; also to be shown is "The Emperor's New Clothes," a Hans Christian Andersen fairytale; 6495 Clarkston-Orion, Independence Township. (625-2212)

Clarkston schools rated tops

[Continued from Page 25]

more job training is needed.

•81.8 percent agreed that most students here like school; 18.2 percent disagreed.

•66 percent agreed that our public schools emphasize reading, writing and arithmetic; 34 percent disagreed.

•85.4 percent agreed that our public schools can be described as "a good place to learn"; 14.6 percent disagreed.

•58.4 percent agreed that the teaching staff expects students to do well; 41.6 percent disagreed.

•86 percent agreed that principals expect the best from their staff and students; 14 percent disagreed.

•42.1 percent agreed that administrators in our public schools won't tolerate poor teaching; 57.9 percent disagreed.

•81.7 percent agreed that students who have learning problems can get extra help; 18.3 percent disagreed.

•76.4 percent agreed that most graduates know how to read, write and do arithmetic; 23.6 percent disagreed.

•62.4 percent agreed that class sizes are too large; 37.6 percent disagreed.

•76.3 percent agreed students are encouraged to do their best; 23.7 percent disagreed.

•73.8 percent agreed that the school staff is "warm" and cares about students; 26.2 percent disagreed.

•87.7 percent agreed that they would like to know more about what students are learning; 12.3 percent disagreed.

•59.2 percent agreed that classrooms are well disciplined; 40.8 percent disagreed.

•72.7 percent agreed that most parents believe the school system is doing a good job; 27.3 percent disagreed.

•73.4 percent agreed that they are pleased with the quality of public education; 26.6 percent disagreed.

•7.5 percent agreed that there is too much homework; 92.5 percent disagreed.

•90.7 percent agreed that the schools provide a pleasant atmosphere; 9.3 percent disagreed.

•86.2 percent agreed the schools are run in an orderly manner; 13.8 percent disagreed.

•35.2 percent agreed that there is enough individual attention from teachers; 64.8 percent disagreed.

•21.9 percent of the respondents work in professional or technical areas; 20.8 percent are homemakers; 10.8 clerical; and 10.5 retired.

•37.2 percent of the respondents said high school was the last grade completed; 19.1 percent said they had some college; 14.3 percent said they were college graduates; 9.9 percent said they had some high school.

•32.3 percent were born between 1940-49; 23.8 percent between 1930-39; 16.9 percent between 1950-59; and 14.9 percent between 1920-29.

•69.1 percent of the respondents were females; 30.9 percent males.

Complete results of the survey are available by contacting White, the assistant principal of Sashabaw Junior High School, at 674-4169.

February brunch

Munch on brunch in February and dine on a sumptuous buffet in March at the Northwest Oakland Vocational Education Center in Springfield Township.

Students enrolled in the food service program prepare and serve the meals in the school's Northwest Inn.

Brunch is planned Friday, Feb. 25, from 9:30 a.m. to 1 p.m. Reservations are not required.

The \$3.50 price includes ham sliced to order, Potatoes O'Brian, scrambled eggs, french toast, Chicken Chasseur, assorted pastries and beverage.

"Think Spring" is the theme for the buffet planned March 1. Serving times are 11:30 a.m. to 1 p.m.

On the menu are a Bar Round of Beef and whole Roasted Pig, hot potatoes and vegetables, a 12-foot salad bar and a dessert cart blooming with meringue shells filled with strawberries, daffodil cake and key lime pie.

The price is \$5.50, including tax. Reservations are recommended. Call 625-5202.

SYNOPSIS

of Action Taken at the Special Meeting of the Independence Township Board, February 10 1983

Meeting called to order at 8:10 p.m., at the Independence Township Hall Annex.

Roll: Ritter, Rose, Smith, Stuart, present; Kozma, Travis, Vandermark, absent.

1. Approved resolution opposing the proposed Stalex Plant in Groveland Township.

2. Closed the meeting to discuss labor negotiations.

3. A short closed session was held.

4. Trustee Travis was now present.

5. The meeting reopened.

6. The meeting adjourned, the time being 7:26 p.m.

All votes were unanimous unless otherwise indicated.

Special meetings of the Township Board are called as necessary with notices of the meetings posted on the doors of the Township Hall at least 18 hours in advance of the meeting.

Christopher L. Rose, Clerk
Independence Township

PUBLIC NOTICE

The Independence Township Board of Review will meet at the Township Hall, 90 N. Main Street, Clarkston, on March 8th at 9:00 A.M. for the purpose of assessment roll examination and review. The Board of Review will also meet on the following dates to hear 1983 assessment appeals: March 14 (9AM to 5PM) and March 15 (1 PM to 9 PM).

The 1983 tentative equalization ratio is 50% and the estimated multiplier is 1:00 for all property classifications.

If you wish to officially appeal your assessment, it is recommended that you call for an appointment. Appointments can be arranged after March 8th by calling 625-8114. Please use your Parcel Identification number when referring to your property so that your records can be quickly located.

Christopher L. Rose, Clerk
Township of Independence

2-23-83, 3-2-83

SYNOPSIS

of Regular Meeting of the Village Council February 14, 1983

Present: Basinger, Schultz, Raup, Sinclair, Eberhardt

Absent: None

Motion made to pay Village bills in the sum of \$29,913.90.

Report from Pappas and Eberhardt on the sewer increase from \$28.50 per unit to \$29.50. Starting in May the 15th. Motion made and carried.

The council decided to wait until after the election to replace Symons on the council.

Mrs. Symons gave a report from the Clarkston Historical Society. The Crafts and Cider Festival will be Sept. 16th, 17th, 18th. Mrs. Symons read a Resolution from the Historical Society. Resolution - Be it resolved, Clarkston Community Historical Society hereby declares its position to the Study Committee and Clarkston Village Council that they should incorporate the Secretary of the Interior's Standards for Rehabilitation of Historic Buildings in the new Historic District Ordinance hereafter drafted and enacted.

Chris Rose and the village attorney Greg Need explained the Cable T.V. The Council had a lot of questions about the Rates and the permits. The meeting will be the 17th of Feb. at the Township Hall.

Bike paths were discussed.

Raup gave a report on the Park Gazebo and they have a man that will draw the plans for them.

Motion to adjourn at 9:57 P.M.

All votes unanimous unless otherwise indicated.

Norma Goyette
Village Clerk

SYNOPSIS

of Action Taken at the Regular Meeting of the Independence Township Board, February 15, 1983

The meeting was called to order at 7:35 p.m., at the Independence Township Hall Annex.

Roll: Kozma, Ritter, Rose, Smith, Stuart, Travis, present; Vandermark, absent.

1. Authorized the Supervisor to request the rebidding of the paving project on Pine Knob Road as suggested by the Road Commission.

2. Approved the agenda with additions.

3. Approved the minutes of the regular meeting of January 18 and the special meeting of January 25 as presented.

4. Approved bills totaling \$87,944.42.

5. Discussed the safety path committee's proposal, and other proposals, for the routing for safety paths during 1983.

6. Decided to ask the Township's engineers to provide a cost and safety estimate for the placement of safety paths in the following areas:

- a. Along White Lake Road
- b. Near the Township Library
- c. Along Maybee Road

7. Added to the list of safety paths routes to be examined by the Township's engineers the following:

- a. Along Clarkston Road near Sashabaw
- b. Along Eston Road north of Clarkston Road.

Ayes: Smith Travis, Kozma, Ritter, Rose; Nay: Stuart; Absent: Vandermark.

Treasurer Ritter left the meeting.

8. Adopted an amended "Resolution of Necessity" regarding the proposed condemnation of property for additional Township park land along Clarkston Road.

Treasurer Ritter returned to the meeting.

9. Discussed the proposed federal flood insurance program and agreed to begin the application process to have the Township join the program effective May 15, 1983. Ayes: Kozma, Ritter, Rose, Smith, Travis; Nay: Stuart; Absent: Vandermark.

10. Reappointed a member to the Township Board of Review.

11. Approved a resolution commending a retiring Township employee.

12. Received comments from the Clarkston Area Youth Assistance Group on their organization.

13. Agreed to have the Township's 1983 Annual Meeting at the Independence Township Hall, at 1:00 p.m. on March 28, 1983.

14. Directed the Township Supervisor to request the Sheriff's Deputy to write all traffic violations under local ordinance rather than State law so that the Township would receive the additional revenue from this.

15. Closed the meeting to discuss pending litigation with the Township's attorney and labor negotiations with the Township's labor negotiating team.

16. The meeting was closed for a short time, the meeting reopened.

17. Discussed the need to begin review of the Township budgets.

18. The meeting adjourned the time being 12:32 a.m.

All votes were unanimous unless otherwise indicated.

The next regular meeting of the Independence Township Board will be March 1, 1983, at the Independence Township Hall, 90 North Main Street, in Clarkston, at 7:30 p.m. All citizens are urged to attend.

Don't forget the Township's 1983 Annual Meeting to be held at 1:00 p.m. March 28, 1983, at the Independence Township Hall Annex. At this meeting all citizens are allotted one vote toward the decisions which are made at that meeting. The agenda will include a review and recommendation on the Township's 1983/84 budget, and salaries for Township Board members for 1983/84 fiscal year.

Bumper legacy's gone

A bit of history on wheels quietly rolled into oblivion a couple of months ago.

The 1970 Nova, once the property of George White, was sold.

Gone is the eight- or nine-year-old Pine Knob Music Theatre bumper sticker.

Scraped off are the school millage messages: Kids Count in Clarkston and Kids STILL Count in Clarkston.

Trashed is the 1978 cheer for Michigan State University NCAA basketball championship.

"People accused me of putting the bumper stickers on to hide the rust and hold the car together," said White.

But he admitted, with reservations, the car held a legacy of things near and dear—Pine Knob, MSU and the schools.

"Close to that," he said. "My wife and boys wouldn't like that, but other than that, those are my three most important things."

The Nova's still in the area, chugging along, adding miles to the 144,000 logged by White, assis-

tant principal of Sashabaw Junior High School, director of communications for the Pine Knob Music Theatre in summer months and Michigan State University graduate.

"The car's still here, but the bumper stickers are gone," he said.

Tears.

Some sequel seekers

The scramble is on to find out what happened next to the pretend Henry family made famous by the 18-hour TV epic that ended last week.

"All I know is that we won the war," says Independence Township librarian James Hibler, who hasn't read the sequel to "The Winds of War."

That knowledge hasn't helped the library.

It's under siege by persons looking for Herman Wouk's follow-up on the Henry family's adventures, "War in Remembrance."

Hibler was prepared for those who wanted to read the first book. He bought extra copies. There is a short waiting list for the four books.

But the sequel is a different story. The waiting

list is growing for the two copies and the book cannot be purchased.

"I checked with a distributor and she just laughed when I said that title," says Hibler.

He ordered it anyway. And, with a little luck, more books will come in a couple of weeks.

Who says TV keeps people from reading?

"Quality Proves Performance"

The Clarkston Depot was built around the turn of the century. It helped make Clarkston a resort community during the first quarter of the 20th century, providing a stopping point for summer vacationers who would then be delivered by horsedrawn carriages and, later, motorized open-air mini-buses to one of several local hotels. The building was destroyed by fire

in May 1923. The present station served train passengers until 1959. It is now the home of the Clarkston Village Players who must pause during productions when trains pass by. Called the Depot Theatre, it is located on White Lake Road, right next to the tracks. (Photo courtesy of Bob Jones and the Clarkston Community Historical Society.)

-Peeking into the past

25 YEARS AGO
Feb. 27, 1958

Sheldon Smith, 19, is on the air seven hours a day on Radio Station KMAN in Manhattan. He is the son of Mr. and Mrs. Rolfe Smith of Maybee Road.

Mr. and Mrs. Earl Terry have returned from a Florida vacation. They claim the temperature there was a little cooler than usual, but they had a good time and enjoyed a bit of relaxation.

Grocery bargains: three cans of tuna—79 cents; spare ribs—49 cents a pound; pie cherries—15 cents a can; salmon—29 cents a can.

CARD OF THANKS

THANK YOU OXFORD: My most sincere thanks to the hundreds of kind people who sent cards of encouragement, phone calls & visits over the past two months; also the many merchants and organizations who sent gifts & flowers. Only in a community like Oxford could there be so many caring people. Special thanks to Dr. Jennings and the two Oxford Police officers who came to our aid so quickly and to my own family for their loyal support. Each of you made each day more pleasant. Areyne Garbett!!ILX-7-1*

Instructor Michaelene Hearn shouts encouragement to her class as she leads them in exercises. The class meets Monday and

Wednesday evenings in Independence Township Hall.

Expectant exercisers

If this were a regular exercise class, the rounded bellies would be a surprise.

But Michaelene Hearn's students are all pregnant...and so is the teacher.

She leads the Prenatal Health Session offered Mondays and Wednesdays through the Independence Township Parks and Recreation Department on the top floor of township hall.

"Nutrition and exercise are the insurance policy for a healthy delivery and a healthy baby," she says.

A former elementary school teacher, Hearn is a physical therapist, Lamaze teacher and the mother of three.

After her first child was born, Hearn said she became involved in exercise classes. She developed her program after reading and speaking with experts in the field.

Those who enroll must have a doctor's permission and be at least three months pregnant. Women who just had babies may also attend, beginning four to five weeks after delivery with their doctor's permission.

Her class is the only one of its kind offered in the Clarkston and Waterford areas, she says.

"It's a class geared for pregnant ladies and that's what makes it unique," she says. "A lot of them were enrolled in regular aerobics classes and it got too strenuous."

"Although this class isn't easy, we focus on areas that are specifically going to need help during pregnancy—the abdominal area because of the excessive stretching and the added weight load the woman is going to carry, the back, pelvic area and chest."

In addition to exercises designed for the pregnant and aerobics, Hearn discusses nutrition.

"I find through my classes the majority of doctors don't address the nutritional needs of pregnant women," she says. "They tell her to eat well, but they don't tell her what to eat."

The class is offered in six-week blocks. Call 625-0156 for more information.

—Kathy Greenfield

back page

Jan Scislowicz takes part in the aerobics portion of the class, designed to keep cardiovascular systems in top shape.

One series of exercises is designed to strengthen parts of the body weakened through pregnancy, and Leslie Bradford smiles through it all.
