RAINDROPS KEEP FALLING: Nothing, not even the rain, deters the Holly High School marching band. They simply bring out their raincoats and keep time with the rainfall. They were

one of about 50 entries in Springfield Township's sesquicentennial parade Saturday, the largest parade in the township's history. The rain

poured from the sky for about 20 minutes before the show began, but it weakened to a drizzle for the marchers. [Photo by Julie Campe]

CHS football player off team

By Chris Gerbasi

The athletic code of conduct at Clarkston High School remains intact.

The school's decision to suspend football player Mike Norman for the season was upheld by administrators and coaches last week.

Norman had been suspended from school for three days and kicked off the team for chewing tobacco. His parents appealed to the school board, saying the punishment was too harsh for a first offense.

The board voted 4-2 against a motion to reduce the suspension to two games, but asked that the administration review the case.

School Superintendent Milford Mason met with principal Dr. Robert Burek and athletic director Paul Tungate and 16 of the 17 varsity coaches were consulted.

"The coaches support the rule and its application in the Mike Norman case," said Mason. "Number one, they felt that it was fair and appropriate and number two, they felt that notification to athletes and parents was thorough and complete."

The high school policy for athletes states that anyone caught with drugs or alcohol will be suspended for the remainder of the season. That includes both chewing and smoking tobacco. Norman is eligible to play another sport this winter or spring.

"I guess I should have been aware of it," said Gary Norman, Mike's father. "It was on a consent form we signed for him to play. To be honest, I didn't really read it. I've been signing those things for a long time."

According to Tungate, having both athletes and parents sign a consent form was a new procedure this year.

Mr. Norman said Mike also should have been aware of the rule.

"Maybe he had a false sense of security," said Norman. "Last year, in some instances, it was enforced and in some instances, it wasn't. I don't know if it was haphazard or what. I guess he was aware of it."

Tungate worked part-time as athletic director last year.

"Some cases were overruled," he said. "I had no control over the rules and administrators would make decisions. We also have a new principal who believes very strongly in enforcing rules."

Mason said a junior varsity football player was also kicked off his team this season for tobacco use

and that a softball player was dropped from the team last spring. That player appealed the rule and Mason upheld it, he said.

The athletic policy has been in effect for a number of years and has been modified over the years, Tungate said.

"I think it's too strict for a first-time offense," said Gary Norman. "I think it's wrong, that's about all I can say."

"The policy is reviewed at the end of each year," said Tungate. "We can't change it during the year."

"It's not that we're trying to be tough or hard-nosed," he said. "We're concerned for the health" of the athletes.

The News wins six awards

The Clarkston News won six awards in the Michigan Press Association 1986 Newspaper Contest including second place in general excellence.

The News also won third place in lifestyle/family section and honorable mentions in editorial page or pages, use of graphics, sports coverage and lifestyle/family section.

Members of the Kansas Press Association judged the 1,562 contest entries from 81 weekly newspapers and 44 daily newspapers.

In the News' circulation class, 16 newspapers won awards.

The South Lyon Herald also won six awards; five were awarded to the Charlevoix Courier, L'Anse Sentinal and Romeo Observer; three to the Iron River Reporter; and one to the Clinton County News, Eaton County Newschronicle, Frankenmuth News, Galien River Gazette, Grand Ledge Independent, Hastings Banner, Osceola County Herald, Oxford Leader, Pigeon Progress and Sebewaing Blade/Unionville Crescent.

The Michigan Press Association announced the winners in conjunction with National Newspaper Week, Oct. 5-11, with the theme: "A Free Press Serves a Free People."

-Sheriff's log-

Monday, Sept. 29, two lawn chairs and a lounge chair were stolen from a yard on Shappie Road, Independence Township.

Monday, a cable wire was snapped and grass was run over by a car at Holcomb Road Park, Springfield Township.

Monday, a gate was destroyed, possibly by a car, at Dilley Road Park, Springfield Township.

Tuesday, a car ran over the lawn at House of God Church on Andersonville Road, Springfield Township.

Tuesday, a stereo cassette player was stolen from a car on Sashabaw Road, Independence Township.

Tuesday, four tires and wheels were taken from a barn on Weideman Road, Independence Township.

Tuesday, two car windows were smashed and four tires were slashed on Whipple Lake Shores, Independence Township.

Wednesday, Oct. 1, a letter was taken from a mailbox on Ennismore Road, Independence Township.

Wednesday, a chunk of cement was thrown through a house window on Bridge Lake Road, Springfield Township.

Thursday, a woman was chased down Main Street by a large dog. She sought refuge behind a large tree and began having difficulty breathing, but was unharmed.

Friday, a rock was thrown through a house door window in an apparent attempted breaking and entering on Phelan Road, Independence Township.

Friday, there was a report of a prowler on Church

Street, Independence Township.

Saturday, two toolboxes were taken from a car on Dixie Highway, Independence Township.

Saturday, a hood ornament was stolen from a car on Waterford Hill, Independence Township.

Saturday, a lawn was run over by a car on Marconi Road, Independence Township.

Saturday, a boat motor was stolen on Clement Road, Independence Township.

Sunday, Oct. 5, sugar was put into a gas tank on Juniper Road, Independence Township.

Sunday, a car ran over a lawn on Snowapple Drive, Independence Township.

Sunday, a car ran over a lawn on Almond Lane, Independence Township.

Sunday, a tool box was stolen from a garage on Kingfisher Lane, Independence Township.

Sunday, a car sunroof was smashed on Elmdale Street, Independence Township.

Sunday, a stereo cassette player was stolen from a car on Garden Court, Independence Township.

The above information was compiled from reports at the Oakland County Sheriff's Department.

-Correction-

A report in last week's Clarkston News on the safety path proposed for Clarkston Road between the Village of Clarkston and the Independence Township Library should have said cost estimate is \$46,814 plus engineering, attorney and permit fees.

Roadwork bids let

Bids for road improvement projects in Independence and Springfield townships have been let by the Oakland County Road Commission.

Roadwork bids accepted Sept. 29 from Weisel and Weisel Inc. of Clarkston included \$18,886 to pave the approach of Norman Road at Dixie Highway in Springfield and \$60,465 to pave the approach of Oakhill Road at M-15 in Independence.

The Clarkston firm's bid of \$49,959 for paying the approach of Oakhill Road at M-15 in Brandon Township was also approved. Oakhill sits on the dividing line between Independence and Brandon.

The work is part of the Tri-County Program in which the County of Oakland, the county road commission and local communities split costs three ways.

The record-breaking rainfall is playing a part in determining construction dates, said Dennis Pajot, road commission spokesperson.

"It should be momentarily, but with this weather it's hard to tell," he said. "They are small projects; it should be this fall."

Improvements for M-15 in works

By Julie Campe

Improvements are in the works for a congested one-half mile on M-15. Work could start as early as 1988, but how to improve the road has not yet been decided.

The Michigan Department of Transportation (MDOT) proposes widening the present two-lane road to five lanes for the busy one-half mile between Paramus Road and Dixie Highway, Independence Township.

But Clarkston Village Council members aren't satisfied with the solution, said council President Sharron Catallo.

The five-lane proposal has problems, she said. It would create a bottleneck close to Main Street in the village, and the council preferred a three-lane proposal, she said.

The M-15 widening project was under review last week at a Southeast Michigan Council of Govern-

ments (SEMCOG) meeting, whose approval MDOT needs to begin the project. SEMCOG asked for input from area governments.

At the Oct. 2 SEMCOG meeting, the village council requested the implementation of lower speed limits, additional traffic signals, alternate traffic routes and fewer driveway cuts in the five-lane project, said Catallo.

Council members are concerned about future pressure to widen M-15 in the historic business district (Main Street), possible future loss of Main Street parking and adverse effects on historic homes north of the business district, she said.

SEMCOG approved the five-lane proposal, recommending MDOT include the village's requests. If MDOT agrees, the project would be more acceptable, said Catallo.

According to the MDOT report, the five-lane proposal consists of a center left-turn lane, two

through lanes for exclusive north-south traffic, and two outer lanes that will operate as continuous right-turn lanes.

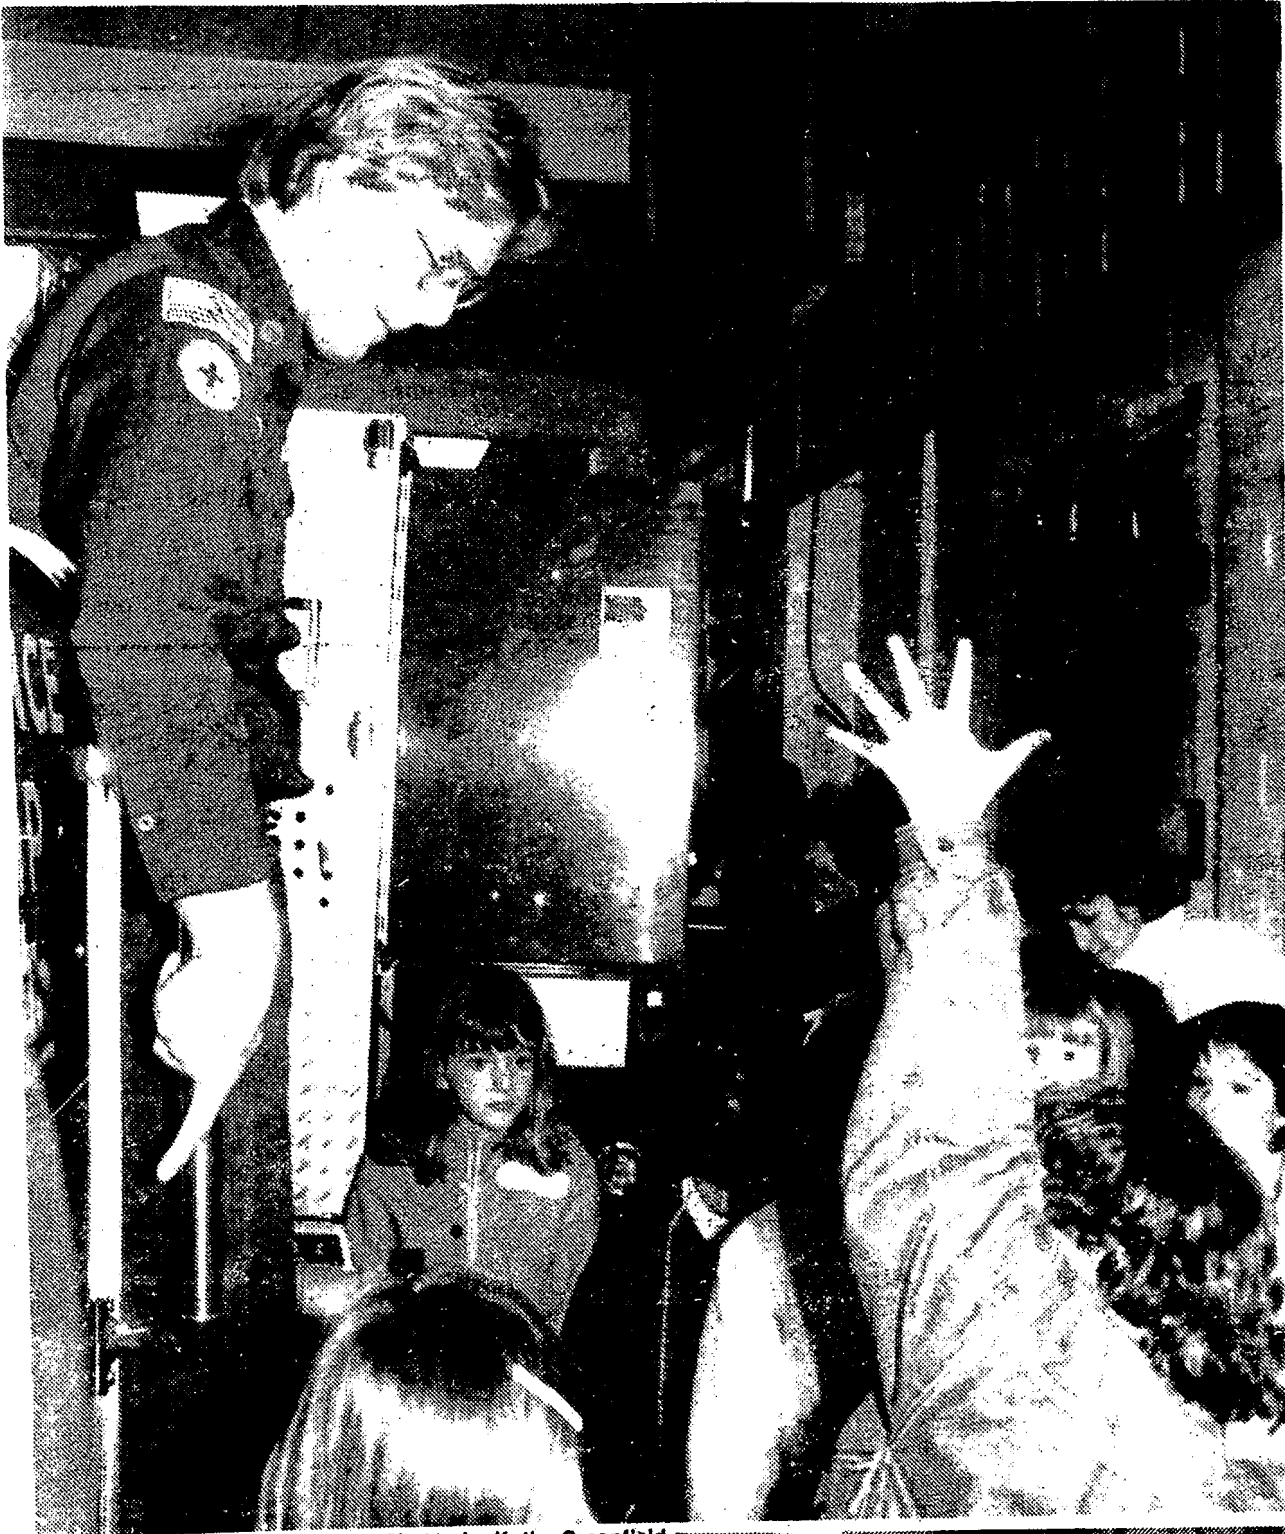

Another three-lane proposal was also considered but rejected. It would not adequately handle traffic during peak periods, and would hamper snow removal, according to the MDOT study.

High traffic volume, a high incidence of rear-end collisions and a high turn movement without turn lane provisions were the cited reasons for widening to improve capacity, safety and drainage.

The project will be paid through federal and state funds, and Independence Township will contribute to the cost of the sewers, said Catallo.

Businesses along the one-half mile strip include a shopping center, professional offices, post office, gas station and auto dealership.

According to a 1982 study, the average daily traffic of about 17,000 vehicles per day is projected to increase to 21,400 by the year 2000.

Our town

A social studies unit on community brings third-graders from Clarkston Elementary School on a quest for first-hand information in the Village of Clarkston. They stop at businesses, Township Hall and the fire station, where firefighter Dan DeLongchamp answers questions and leads a tour. In the photo at right, Kim Diggan and Nichole Knibbe (left) concentrate on the lesson. The children in this group are pupils in Sharon Wenger's class.

Report covers schools' \$21 million budget

By Kathy Greenfield

The audit report for the 1985-86 fiscal year for Clarkston Community Schools is printed on Pages 38 to 41 of this week's Clarkston News.

A state law requires the publishing of the report, and the school district pays for the expense.

The report breaks down the district's \$21,270,812 budget for 1985-86. The figure includes:

- \$17 million in the general fund for K-12 education, community education and preschool with salaries for 264½ full-time equated teaching positions;

- \$3.4 million in the special revenue fund for athletics, food service, the Northwest Oakland Vocational Education Center, maintenance, equipment and repairs;

- \$596,683 in the debt retirement fund to make long-term bond issue payments, which total 1.67 mills (or \$1.67 for each \$1,000 of assessed property valuation) and include payments on bonds for past additions to buildings, the construction of North Sashabaw Elementary and Sashabaw Junior High School and the construction of multipurpose rooms on the district's five elementary schools;

- \$70,701 in the building and site fund designated for new construction and repairs on buildings and sites including such projects as improvements to athletic fields, paving and fencing.

District business manager William Jackson said he hopes school district residents will spend some time studying the audit report made by Plante and Moran of Southfield.

"A lot of times, even though it is a public record, people aren't aware of how much is being spent or how well it's being spent," he said.

He added that anyone with questions about the report can contact him at the administration office, 625-4402.

Jackson also noted that the 1985-86 report covers a fiscal year when the district spent \$221,039 more than it received in revenue. He expects deficit spending to end during the 1986-87 year.

"It looks like the district is turning around with the additional enrollment we have (this year), which makes me feel a lot better, because we don't have to run out and ask for additional millage rates or make some major reductions in the district," he said. "Hopefully, the student growth will continue."

Parents asked to sign pledges

Campaign pushes drug-free homes

By Kathy Greenfield

The push is on to halt parties without parents, underage drinking and illegal drug use in homes in the Clarkston community.

Parents of junior and senior high students in Clarkston schools, an estimated 2,400 families, have the opportunity to sign a "Safe Homes Pledge" sponsored by Clarkston Area Youth Assistance and its subcommittee Clarkston Area Chemical People.

In September, pledge sheets were included in the school newsletters mailed to all families with students enrolled in Clarkston and Sashabaw junior highs and Clarkston High School.

The program was instigated "as a way to try to get everyone aware of the part they can play," said the Rev. Bill Schram, chairperson of the Chemical People.

Duane Lewis, principal of CJHS, called it "a strength through numbers" approach.

The pledge states that the parents agree they will not allow parties or gatherings unless they are present and that they will not allow underage drinking or illegal drugs in their home or on their property.

In addition, those who wish can be on a safe homes participants' list to be kept in each school's counseling office.

The Safe Homes Pledge is a nationwide program. Lewis became involved in the local campaign when he agreed to prepare a rough draft of the Clarkston community's pledge. A pledge currently in use in the Bloomfield-Birmingham area served as a guide.

The Chemical People approved the final draft and paid for printing costs. The schools agreed to cover mailing expenses.

"We agreed to participate, not formally in that it was not a school program, but that we would participate in the mailing and secondly that the schools' counseling offices would serve as a point people could

call to ask the question, 'Is such-and-such on the list?'" Lewis said.

The program is one Lewis said he's pleased to endorse.

"As an individual, even as principal of Clarkston Junior High, I endorse it very strongly," he said. "Even though it's not a school program, I would endorse every parent to participate in it."

Drinking alcoholic beverages in school is an uncommon problem at CJHS, Lewis said, "but socially it does happen" and he feels "it's worth an attempt to try to make (the Safe Homes Pledge) work."

Schram pointed out that October is Substance Abuse Awareness Month across the nation. While work began on the Safe Homes Pledge many months ago, "It seemed a nice way to tie in," he said.

LSD paper tattoo scare unfounded

By Kathy Greenfield

Paper tattoos laced with LSD are not now and never have been available in the area, according to John McLain, an officer in the crime prevention unit of the Waterford Police Department.

A flyer warning parents about the LSD paper tattoos in star form and in tabs resembling postage stamps recently surfaced in the Clarkston area when a child brought one into the community education Latchkey program.

The information was subsequently included in the Latchkey newsletter mailed last week.

McLain saw the same flyer when a detective in the Waterford Police Department brought one into the office.

Although the flyer had a "homemade" look about it, he said, it included an address for the Office of Education of the Lake Union Conference of Seventh Day Adventists in Berrien Springs, Mich.

Upon further checking, it was discovered that information on the flyer was first published in 1980.

"They (the Seventh Day Adventists) were surprised to see it surfaced again. They said every year, without explanation, someone starts distributing that thing," McLain said.

"I have never known of an incident occurring that would lead one to believe little children are having a problem with that," he added. "I have yet to see (LSD) in the tattoo form, nor has anyone in the narcotics division."

McLain has been with the Waterford Police Department 13 years.

While there is no need "to start mass hysteria in regard to this," he said, it doesn't hurt for parents to be aware of the potential problem.

"The possibility is always there, so is the possibility of getting hit by a car," he said.

A more real danger involving drugs is closer to home, McLain said, adding that he can recall cases where children have accidentally overdosed after finding drug stashes belonging to their parents.

The tall and
short of it

**Kathy
Greenfield**

Among the people I work with here at the News are a short reporter and a tall advertising manager.

Somehow over the last few months, the short person and tall person have begun bantering over their respective heights.

"If you had taken your vitamins when you were younger, you'd be tall now" is but one of the more recent stones cast.

I had to chuckle when the short person brought in the issue of age. The tall person is some 30 years older. One day, the short person reminded that tall person that when you get old, you shrink.

The worm turned, however, when the tall person found a real zinger in the daily news.

The report said tall children score better on intelligence tests than short children. This tidbit, of course, was instantly translated into the teaser "tall people are smarter than short people," it said so in the news.

Every time I read a report like that, my blood boils. The report went on to say short children may be treated differently and, therefore, test accordingly. It also said there may be physical reasons.

I've long believed people who endorse intelligence tests lack a bit in the brain department.

Studies exist that show children whose teachers were told they were bright did better in school whether or not they did well on intelligence tests. It has something to do with the way they are treated.

I guess I don't care if adults want to test themselves to see if they're brilliant. Adults matching wits on physical characteristics is OK, too. It's the labeling of children that I dislike intensely.

Actually, it's terrific if a child is deemed bright or gifted. What a nice stroke.

Unfortunately, there are those other labels: average, slow, underachiever, overachiever.

Now, for those who love to categorize, we can add short to the latter list.

And we can keep on asking these important questions: Do blondes have more fun? Do people with curly hair try harder? Do monsters have green eyes?

Does anybody really know what time it is?

Jim's Jottings

Jim Sherman

My railroad-man father discouraged his brood from ever becoming railroaders. He never bothered to tell us why. Considering the retirement program he enjoyed, he might have changed his mind in later years.

Dad didn't bother to explain a lot of things, except how he became the world's greatest euchre and canasta player (four decks, of course), greatest shuffleboard player, golfer and bowler.

Whether by his seed planting or my own thinking, I never wanted to be a car checker, engineer, or fireman anyway. Those jobs rank right up there with digging ditches, ambulance driving, and surgery as things to avoid for a livelihood.

And, even though the pay is pretty good, I don't want to be a cross country truck driver. Just riding in one for several miles was enough. It's tough on the arms, tough on the rear, tough on the nerves, and sleep provoking.

Some of that is also true of writing columns and reading them.

I'm sure as you passed through phases of your life, watching others at work you've said to yourself, I sure wouldn't want his/her job.

Being a little bit claustrophobic, the jobs I have never considered in any way are underground mining, I wince, even pain, when there's news of an underground entrapment. Even writing it gives me chills.

One time a man offered to put me through optician school. That wouldn't be bad, but the other medical professions would get to me. I've seen just about enough accidents to be slightly accustomed to blood, but watching bleeding isn't a joy, and it would be worse if I created it.

Driving across the Big Mac bridge last week I saw several more jobs I don't want: painters hanging over the side, up on the cables, and under the span... and I like to paint.

Any job that involves heights, like window washing (on the ground, too), high rise construction, and topping trees come to mind as objectionable.

What jobs are you glad you never had? Some others I would avoid are: submarine duty (same reason as mining), bartending (couldn't put up with so many people wasting their lives), running for a political office, or worse, holding one (kissing and begging and promising, etc), and linguist (I flunked Spanish 101 twice).

I saw a guy blowing glass in a movie once and thought that would be fun and creative. Then I watched one. Their working conditions are mighty hot. I don't mind heat, and even like some hard work where I can sweat a lot, but smelters and furnaces are the wrong way to do it.

Perhaps you wouldn't like my job... and for sure, there are times when I don't like it either, but hey, it's a living.

Letter

The silver lining

Dear Kathy:

Good Grief! Can that house of your daughter's be the same bungalow our daughter called home when she was on MSU's campus 12 years ago?

Sounds like the same litter, same furnace, same everything.

But hold everything. There's a silver lining among the cobwebs.

Trudi Harwood is now juggling her promising career, her family, her neat home, and none the worse for living like she did while getting her education.

Phyllis Robinson
Venice, Fla.

Bouquet

Festival thanks

To the People of Clarkston and Independence Township:

The board of the Clarkston Community Historical Society wants to thank all of you for your support of the Twelfth Annual Crafts and Cider Festival.

The members of the society and the board work together every year to put on a festival in which everyone can participate.

Our reward is watching the visitors, exhibitors and civic groups enjoy themselves, while we raise money for library books and a future local history room.

We want everyone to know how much we appreciate the help several organizations gave us in our efforts to put on a fine festival.

We want to thank the Village of Clarkston and its staff; the Independence Township Fire Department, Parks and Recreation Department, Library and Senior Citizen Center; Lakeview Cemetery and Otawa Park Cemetery; Smith's Disposal; Michigan Bell Telephone Co.; Detroit Edison; the many civic groups that added to the festival air; and last, but certainly not least, The Clarkston News.

All of these people donated their time and services, and we thank them!!!

We couldn't have done it without you!

The Clarkston Community
Historical Society Board

Fond Farewell

Carolyn Walker

The never-ending adventures in the continuing saga of our heroine Carolyn Walker: Final Installment.

Marilyn Trumper went on to edit and write for several daily newspapers. Dan Vandenhemel went on to become a sports editor. Carol Teegardin went on to become a columnist for the Detroit Free Press.

I am going on to become a mother again.

Yes. It's true.

No one was more surprised than me to learn last week that after nine years, my husband and I are going to have a baby in the house again.

I am still numb with the shock of it all.

As the old saying goes, "The best laid plans . . . And all that stuff."

For me, it will be back to burping, midnight feedings and toilet training. Back to booster shots, high-top shoes and kindergarten screenings.

I repeat, I am still numb with the shock of it all.

Several garage sales ago, figuring I would never have any more children, I got rid of my baby things. Stroller, high chairs, blankets, bottle sterilizer. The works.

An astute friend put it this way, "You obviously didn't get rid of everything." She has a point.

Anyway, as a result of this news, I have decided to leave my job here at The Clarkston News and spend the next several months indulging my own goals.

I think most mothers, if they were honest, would say they look forward to the time in their lives when their children are in school all day and they have some time to pursue a career or a hobby.

For me, it would appear, that time in my life

just moved forward by about six years.

Mind you, I am not complaining. I am really quite pleased.

The decision to quit this job did not come easily. I have loved it.

I have enjoyed getting to know the many fine residents who give Independence and Springfield townships their heart.

I have relished being privy to secrets great and small.

And I have marveled at the workings of governments and businesses. Getting a glimpse into lives and stories I would otherwise never have known.

It occurs to me that I have seen a side of the greater Clarkston area that most people will never see: the inner workings. And that, maybe, I can leave you with an important piece of advice as I depart.

Get involved.

While I believe that we have good, competent people leading us at this time, it seems to me that they are leading, in large part, without the very valuable input of the citizens.

How many public hearings have I sat through where there was no public in attendance? How many elections have I covered where only a fraction of the voters cast their ballots?

How can our officials effectively represent us and make decisions that affect our lives if we do not let them hear our voices?

If I have learned one thing on this job, it is the importance of civic awareness.

You are what makes this a special place to live. Speak out. Run for office. Attend meetings. Write a letter to the editor. Join an organization. Visit a concert in the park. Fight drug abuse. Walk for SCAMP. Cast your vote.

If you do one or all of these things, I am sure to see you around.

'If it Fitz . . .'

Praying hurricane's path

Jim Fitzgerald

The first paragraph of an editorial in the Raleigh (N.C.) News and Observer said: "Along with our edge in industrial growth, population increase and the per capita count of TV evangelists, the South has surpassed the North in still another category: the number of deaths resulting from lying on the highway."

The editorial was written several months ago, before it became apparent that one of the South's most famous TV evangelists - Pat Robertson - is a leading candidate to become a candidate for president. Ironically, it turns out an accomplishment that encouraged Robertson to seek the presidency might also encourage the entire South to lie down on the highway without fear of being killed.

I am referring to Robertson's Miracle of the Holy Diversion.

Robertson described the miracle - he modestly called it the power of prayer - during the recent televised news conference at which he announced that next year, if enough people give him enough money, he will probably announce that God asked him to run for president.

Robertson said his prayers diverted Hurricane Gloria away from his headquarters in Virginia Beach, Va., and the diversion helped persuade him to announce that he might announce. The hurricane struck New England instead.

There is no sure way of calculating how many Southern lives Robertson saved by diverting that hurricane northward, away from Virginia Beach. But he could probably save even more Southern lives by diverting cars northward, away from people lying on the highway.

This is a serious problem. According to the News and Observer: "Every two weeks, on average (in North Carolina alone), somebody is squashed flat because he is lying in the road. The human toll does not yet approach that of toads, but sensitive persons may find it worrisome nonetheless."

The grisly count was made by a medical examiner in Greenville who was struck, if one may use that verb, by the phenomenon. He found that such deaths occurred more often in the rural South than in the urban North.

The medical examiner concluded that most of the deaths followed heavy drinking. Many of the victims, feeling a chill coming on, would lie down on the road to get warm. Others would stretch out for badly needed rest.

The practice years ago inspired the Southern refrain that goes, "There was whiskey and blood on the highway, but I didn't hear nobody pray," the News and Observer editorial said.

Obviously, the key words are "I didn't hear nobody pray." And, just as obviously, that's where Pat Robertson could come in handy. If he can divert a hurricane to New England, God only knows how far northward Robertson could divert a Chevy pickup that was about to squash a person like an armadillo.

That is, God only knows until God tells Robertson.

IT IS NOT my intention to be disrespectful of the Miracle of the Holy Diversion. Certainly I am not qualified to question Pat Robertson's power to divert large moving objects without pulling a muscle or otherwise straining his credibility.

Also, I'm not grinding a personal ax. During the several months I lived in Louisiana as a member of the U.S. Army, I never once lay down on the highway (although I did once wake up to find a cow tethered to my bed, so I'm not unaware of the risks attached to falling asleep in the South without a miracle worker standing watch).

I am only suggesting that, when he's not busy moving hurricanes, Robertson should devote some attention to the disproportionate number of lying-on-the-highway deaths in the South.

Otherwise, as the Raleigh News and Observer so correctly observed, "Not all of the South will rise again."

Big wheels

Kerl Dersham waits patiently for the bike judging contest to begin. Her father, Ron, waited with her before the parade began. [Photos by Julie Campe]

The bike decorators and their parents don umbrellas Saturday morning to help keep off the rain. First-place winners in the different age

groups were: Cindy Drake, Carl Rogers, Kendra Fletcher, Amy Sturgis, Chris Lake and Holly Barber.

Raining on their parade

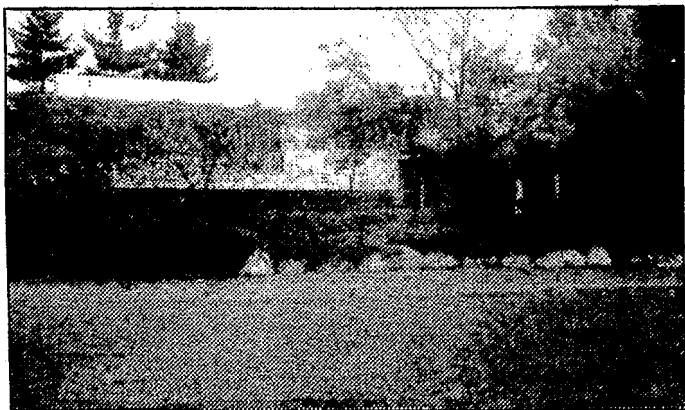

For a while, it seems the clouds will part and the sun will shine, but these marchers can only keep their umbrellas lowered for a short time. The rain soon starts again.

The Holly varsity, junior varsity and junior high cheerleaders spread good cheer along the Springfield parade route, despite the wet day.

No-shows:

75 turn out for rezoning hearing

A relatively sparse public turnout gathered at Springfield Oaks to discuss proposed rezoning changes in Springfield Township Sept. 30.

The public hearing was designed to receive input on a significant number of proposed changes throughout the entire township. It was the first meeting of its kind since 1973.

According to township Supervisor Collin Walls, about 75 people showed for the meeting. Of those, about 25 spoke up.

"Generally, the reaction was very, very favorable and supportive of the proposal," said Walls. "The only place where the commission may need to take some time is the minimum house size."

Walls said the township planning commission may move quickly on a recommendation, but he could not say whether a recommendation would come as early as the October meeting.

Walls was disappointed with the turnout.

"This was one of the most important meetings we've had in over 10 years," he said. "In order to make sure people knew what was going on, we sent a copy of the (rezoning) map, over 3,000 of them, to all property owners."

"Seventy-five is a good crowd, but in relation to 3,000 property owners, it's fairly low," he said.

Teens hurt in crash

Two Independence Township teenagers were injured when their car went off of Foster Road early Sunday morning.

According to the traffic report, Lisa Dixon, 17, and Bob LaPorte, 18, were traveling eastbound on Foster near Clement Road at about 2 a.m. Sunday.

Dixon lost control of the car and it hit a tree. Dixon was treated and released from St. Joseph Mercy Hospital, Pontiac, and LaPorte was listed in stable condition as of Monday.

Armed robbers strike

Two men, one armed with a sawed-off shotgun, held up a Jet Gas Station and stole approximately \$100 last Thursday, said Sgt. Bruce Naile of the Oakland County Sheriff's Department.

The incident occurred at about 3:20 a.m. at the Dixie Highway station in Independence Township. Both the sheriff's department and the K-9 unit of the Michigan State Police responded to the call.

No arrests had been made as of Monday. Naile said the robbers were described as white males, one with blond hair and the other with brown hair.

Walk for SCAMP this weekend

Walkers will literally put their best feet forward Sunday, Oct. 12, during the annual Walk for SCAMP.

The benefit for Clarkston SCAMP, a five-week summer camp program for handicapped children, is to begin at Depot Park in the village.

Walkers will begin three- and 10-mile hikes at 15-minute intervals from 10:30 a.m. to 12:30 p.m. Pupils who obtain \$50 in pledges and adults with

\$100 will receive special T-shirts. Gift certificates good at local eateries will be awarded to the top three pledge gatherers.

The walkers will be supported by several organizations with safety checks, refreshments and comfort stations along the routes.

Those wishing to gather pledges and join in the benefit for Clarkston SCAMP can pick up pledge sheets at any public school in the Clarkston district or call Annie Beck at 625-3330.

Friendly faces

Donuts 'n' smiles are her wares

By Julie Campe

It's only natural that Debra Smith smiles a lot when she works the morning shift at The Village Bake Shop. She likes working with people and she loves working in Clarkston.

She's worked at the shop on Main Street for one and one-half years, starting about the same time she moved from Saginaw.

"I really like Clarkston, and I've met a lot of really nice people here," she said. "People stick together in Clarkston. It's a close-knit area."

Debra works the counter in the early morning to mid-afternoon shift, selling donuts and refilling coffee cups. When people have trouble deciding what to order, she suggests the cheese danish or the new dill bread or the black bottom cupcakes, her personal favorite.

And even though she loves the food she sells, she wouldn't like to do the baking, she said.

"I like to be out here working with the people. We have regulars who come. . . . We talk a lot. I like the older people who come here. . . . I like the kids, too. We have a lot of really cute babies who come in. I like to give them cookies so their moms will bring them back."

She just plain likes working in Clarkston, she said. "It's not like work. My boss is really nice to work for."

Do you know someone who works in a Clarkston area business and deserves recognition for a job well done? We'd like to share your praise. Call The Clarkston News at 625-3370 weekdays from 8 a.m. to 5 p.m. or drop us a line at 5 S. Main, Clarkston, MI 48016.

Debra Smith likes to work and live in Clarkston.

FORTY DAYS AND . . . The Davisburg Baptist Youth Group wins best youth entry (and most appropriate float) with their Noah's Ark. They did all the work themselves, adding a bow and stern to the school bus and placing animals in the windows—even pink panthers. [Photo by Julie Campe]

A mystery is incomplete without a detective, and Russ Inman fulfills the need as Inspector Craddock.

Marty Johnson plays the role of central character Letitia Blacklock.

Mystery at the Depot

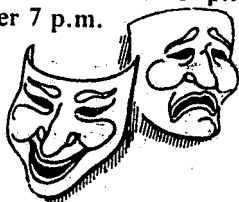

The phrase "timing is everything" rings true for theater people, and the Clarkston Village Players are on the dot with their latest production.

What better season for an Agatha Christie murder mystery than Halloween?

The community theater group's latest production counts Oct. 31 among play dates. "A Murder Is Announced" will also appear on the Depot Theatre stage Oct. 24 and 25, and Nov. 1, 7 and 8.

Curtain time is 8 p.m. at 4861 White Lake Rd., Independence Township.

Tickets may be purchased at Tierra Arts and Design in Clarkston or by calling 363-0188 after 5 p.m. or 625-1826 after 7 p.m.

The role of Miss Jane Marple belongs to Marlene Sewick in the Clarkston Village Players' upcoming production of the Agatha Christie mystery "A Murder Is Announced."

Scoreboard

Football

Clarkston High Junior Varsity

Waterford Mott 14, Wolves 12

Oct. 2—The Wolves fall to 3-2 with the loss to Mott, which had been winless at 0-3.

The Wolves score on the opening drive of the game on a six-yard pass from Scott Oppmann to Al Green. Neville Lamotte later scores to give Clarkston a 12-8 lead, but Mott goes up 14-12 at the half and that's all the scoring.

"We didn't play very well," said co-coach John Craven. "We shouldn't have lost. We were very flat."

Clarkston Junior High

Grosse Pointe North 7, Wolverines 6

Oct. 1—Playing on a muddy field, which set the tone for all football games last week, Grosse Pointe North slides by the Wolverines.

Trailing 7-0 early in the fourth quarter, the Wolverines advance when John King scores on an eight-yard run. They go for the two-point conversion, but bobble the snap.

King runs for 165 yards and gets nine tackles on defense, as does Jack Garnett.

The Wolverines are 1-4, while Grosse Pointe is 4-1.

Sashabaw Junior High

Cougars 0, Brandon 0

Oct. 1—The Cougars move the ball well in poor playing conditions, but get nothing to show for it. There is no overtime played at the junior high level.

"We moved the ball up and down the field, but penalties killed us," said Sashabaw coach Kurt Richardson.

Richardson credits Jerry Lawrence, Mark Hamelin, Glen Adams and Mike Ponkey with fine performances for the Cougars, now 2-2-1.

Basketball

Clarkston Junior High

Mason 34, Wolverines 20

Oct. 2—In a game played at the high school, the Wolverines lose to a more experienced Mason team.

Rhonda Jokisch scores five points and Jamie Lerner and Celeste Steinhilper score four each for Clarkston, 0-6.

Crary 30, Wolverines 27

Sept. 29—Except for one lapse early in the fourth quarter, the Wolverines stay with Crary, but lose.

Crary scores six quick points to start the fourth quarter and goes up by 10 and Clarkston does not recover.

Jokisch puts in 10 points and Lerner scores eight.

Sashabaw Junior High

Avondale 48, Cougars 46

Sept. 30—The Cougars lose a seesaw heartbreaker to Avondale and drop to 1-5.

Sashabaw trails by 20 points in the first half before rallying to take a lead in the fourth quarter. But with the game tied with one minute left, Avondale gets the last hoop.

Heather Konedá leads the way with 10 points and Michelle Covault grabs 10 rebounds.

Pierce 42, Cougars 20

Sept. 29—Konedá leads the Cougars with seven points in a losing cause. Lori Highlen and Tammie Mitchell score four points apiece.

Springfield Christian Academy Varsity

Eagles 45, Greenhills 39

Oct. 2—Heather House and Kim White combine for 30 points to lead the Eagles (9-1) over Ann Arbor Greenhills.

Vicki Rose and Alice Rockafellow add 15 and 11 rebounds, respectively.

Eagles 52, Springvale 45

Sept. 30—White pours in 23 and is named Most Valuable Player as the Eagles win their own four-team invitational.

SCA comes from behind in the fourth quarter, outscoring Springvale, 23-12.

White had scored 28 in the Eagles opening game 52-16 rout of Greater Life of Taylor.

The SCA junior varsity loses, 34-4, to Southfield Christian on Oct. 3 and is 2-6.

Soccer

Springfield Christian Varsity

Eagles 7, Flint Academy 1

Sept. 30—Jim Adams nets three goals as the Eagles romp. Adams has 35 goals for the season.

Matt Montgomery gets four assists and Andy Bull and Mike Boven score two goals each for SCA, which is 13-4.

The Eagles JV team loses to Southfield Christian, 4-2, and has a record of 4-6.

Golf

Clarkston High Varsity

Lake Orion 166, Wolves 168

Sept. 30—Dave Earkin shoots 39 for the Wolves, but is bettered by Mike Sherwood and Matt Wamsley of the Dragons, who shoot 38s.

Ken Mercier has a 41, Gunnar Karlstrom a 43 and Randy Nelson and Shaun McCracken shoot 45s for Clarkston.

The Wolves are 4-5 overall and 3-4 in the Greater Oakland Activities League, while Lake Orion is 6-2 overall and 5-1 in the GOAL.

Cross country

Clarkston High Varsity

Wolves 22, Waterford Kettering 33

Kettering 18, Wolves 42 (Boys)

Oct. 2—Kathleen McInnis wins yet another race as the girls win and Brian Baert once again leads the boys team.

McInnis runs a 20:14, Kate Conlen is second at 21:02 and Meredith Green is third at 21:23 for the Wolves (7-0).

Baert finishes third at 17:49 for Clarkston, now 1-6. Kettering is 7-0. Wolves 15, Pontiac Northern 50 (Girls)

Northern 26, Wolves 29 (Boys)

Sept. 30—The boys take three of the top five spots, but lose a tough one to the Huskies and McInnis finishes first again.

Baert is third with a 18:27 time and Jim Hotary (18:51) and Jeff Funck (19:10) run fourth and fifth, respectively.

McInnis wins with a time of 20:49.

Clarkston wins Mud Bowl in overtime

Todd Misiak [55] and the Wolves take a break from the mud bath at Mott. Neither team moved through the muck too well until Clarkston

quarterback Josh Newblatt scored on the first play of overtime.

By Chris Gerbasi

When the mud settled, it became apparent that Josh Newblatt had slid into the end zone on the first play of overtime to give Clarkston a 7-0 victory at Waterford-Mott last Friday night.

The game was played in swamp-like conditions, with mosquitoes and smell to match, and neither team proved to be good "mudders."

But in overtime, Newblatt ran an option play to the right side of the line, lowered his head and hit paydirt, or paymud, from 10 yards out.

Then the Corsairs took their crack on offense. On third down, quarterback Lance Courter connected with Milan O'Hala just inches short of the goal line.

But on fourth down, Courter bobbled the snap, collided with running back Kirk Brandon and the ball bounced away.

The Wolves maintain a perfect 5-0 record, while Mott remains winless at 0-4.

The victory gives Clarkston a 3-0 mark in the Greater Oakland Activities League and clinches a share of the GOAL championship.

"This was a key game. This puts us in the driver's seat," said Clarkston coach Walt Wyniemko.

The Corsairs were without the services of head coach Les Hunt, who had been admitted to the hospital two weeks ago due to severe headaches.

Assistant coach Denny Davis filled in and said that Hunt was expected back to work this week.

"They had a lot going for them," said Wyniemko. "With their coach in the hospital, they played an emotional game for him."

"They played their hearts out and it wasn't enough," said Davis. "I don't know what to say, I'm kind of in shock right now. The defense played outstanding ball. I don't think Clarkston played bad."

The biggest factor was still the field condition. Not surprisingly, both teams exchanged punts and turnovers throughout the contest.

But the Wolves were in Mott territory much of the second half. Newblatt, however, was intercepted three times and could complete just two of 13 passes. Courter was three-for-15.

[see WOLVES, Page 18]

McCormick goes to Philly

Tim McCormick is on the move and that's good news for his family, friends and fans.

The Clarkston grad was traded from Seattle, along with Danny Vranes, to Philadelphia for Clemon Johnson and a 1989 first-round draft choice Sept. 29.

From a player's standpoint, a trade is often either a new lease on life or banishment to a cellar-dweller.

"He feels very good," said Tom McCormick, Tim's father. "I think ecstatic would be the word. Let's face it, he's going from a last-place team to a potential first-place team."

"He liked living in the town and he made some friends," said McCormick. "But most of the players are trying to get out."

Tim will also be closer to home and that will give his family more opportunities to see him play in the Midwest. He's already in Philadelphia after a brief stopover in the area.

McCormick will also come to the Silverdome twice this season, rather than once with the Sonics. The Sixers come to town Feb. 14 and March 14.

When Seattle traded center Jack Sikma to Milwaukee this past summer, it appeared McCormick would inherit the starting job. Now he will likely back up Jeff Ruland at center in Philadelphia.

"Ruland has a history of injury problems and he gets into foul trouble a lot," said McCormick. "Tim may get more playing time than a lot of us think."

"He'll be in an eastern market. He'll play in front of some good crowds. It's a good healthy situation," he said. "It's a very positive trade from our standpoint. Of course, I'm selfish. I'm looking forward to seeing him. We all are."

Sports

Varsity girls slam Lakeland; JV Wolves still unbeaten

By Chris Gerbasi

Few people may realize that the hottest girls basketball team at Clarkston High is not the varsity, but the junior varsity team.

The varsity Wolves routed Lakeland, 68-32, Sept. 30. But before that game, the JV team upped its record to 8-0 with a 39-21 victory over the Eagles.

The Wolves jumped out to an 18-4 lead after the first quarter and were never threatened.

"Everything we tried worked," said JV coach Larry Sherrill, whose team begins league play this week.

"We ran two different offenses, a half-court press, the sideline break," he said. "It was like a clinic."

Jenny Grohs accounted for about half her team's offense with 19 points and Evonne Atkin scored 11 for the Wolves.

Clarkston's varsity team stopped a brief two-game losing streak with the win over Lakeland and was 6-2 heading into this week's action.

The Wolves scored in bunches. They had a nine-point streak at the end of the first quarter to go up 17-4 and 16 straight points in the third quarter erased

any doubt as to the outcome. That string gave Clarkston a 48-17 lead after three.

Seniors Michele Wyniemko and Missy Odell scored 10 points each and Odell grabbed 11 rebounds.

Jane Selent hit for nine points, all in the first half. Jackie Patrick and Stephanie Stamas had seven points each off the bench as every player got in the scoring column.

Melissa White had a game-high 13 points for the Eagles, now 2-5.

Despite a 15-point halftime lead, coach Dave McDonald wasn't all smiles.

"We were a little slow coming out," McDonald said. "We missed a lot of shots early. We weren't as pumped up as we could've been. At halftime, I said, 'Ladies, you've got to capitalize on some of those close shots.'"

The Wolves did just that. Lakeland tried to rally early in the third quarter, but Clarkston sped away on its 16-point streak.

"When it's 10 or 11 points, they're (Lakeland) thinking they're still in it," said McDonald. "But when it's 20, the game's all over."

Wolves win on Newblatt score

[WOLVES, continued from Page 17]

Late in the third quarter, Clarkston moved to the Corsair 10-yard line. But on fourth and one, the Wolves were stopped for no gain.

In the fourth quarter they again slid downfield, this time to the 14. But Newblatt was intercepted inside the 10.

Clarkston gained 120 yards to Mott's 109. The Wolves defense was eighth in Oakland County going into the game and the team has now outgained its opponents 1,291 yards to 672 yards.

Clarkston has also cracked some Top Ten rankings in the metro area.

Senior Todd Misiak walks the sidelines partially covered in mud during the Clarkston-Waterford Mott game at Mott last Friday night.

"That just means we've got to work harder," said Wyniemko.

On deck

The Wolves are on the road again this week, traveling to Flint Central on Friday night for a 7:30 game.

At 5-0, Clarkston is one of only 16 undefeated teams in the Detroit metropolitan area.

Flint Central is 4-1 after beating Saginaw last Friday, 33-22. Central's only loss came at the hands of Saginaw Arthur Hill.

GARAGE SALE

GUARANTEE OF CUSTOMER SATISFACTION

We guarantee your satisfaction with any product you buy at Wickes Lumber. If you are not satisfied with your purchase, simply return the item together with proof of purchase, within 30 days of purchase and we will gladly exchange it or, if you prefer, refund your purchase price in full.

24'x24' 2-Car Garages

Prices Start At

\$1,888

Packages include all materials you need except the foundation.

BASIC GABLE MODEL

These beautifully designed garages with standard or gambrel roofs are just two of many garage designs Wickes has in store for you. Wickes has an assortment of garages that fit anyone's needs and budget. They're easy to build with quality materials, detailed plans, free helpful advice. If you prefer to design your own garage, just ask one of our trained sales staff to help you with the plans and estimating the cost. Both free services from Wickes. Come in today and you'll find that Wickes has all it takes to build all the garage you need.

Wickes Garage Package

Our standard and deluxe garage packages are made from the same high quality materials as our 2-car garages. Free easy-to-read plans and all the materials you need, except the foundation, are included.

Standard Garage Package Includes:

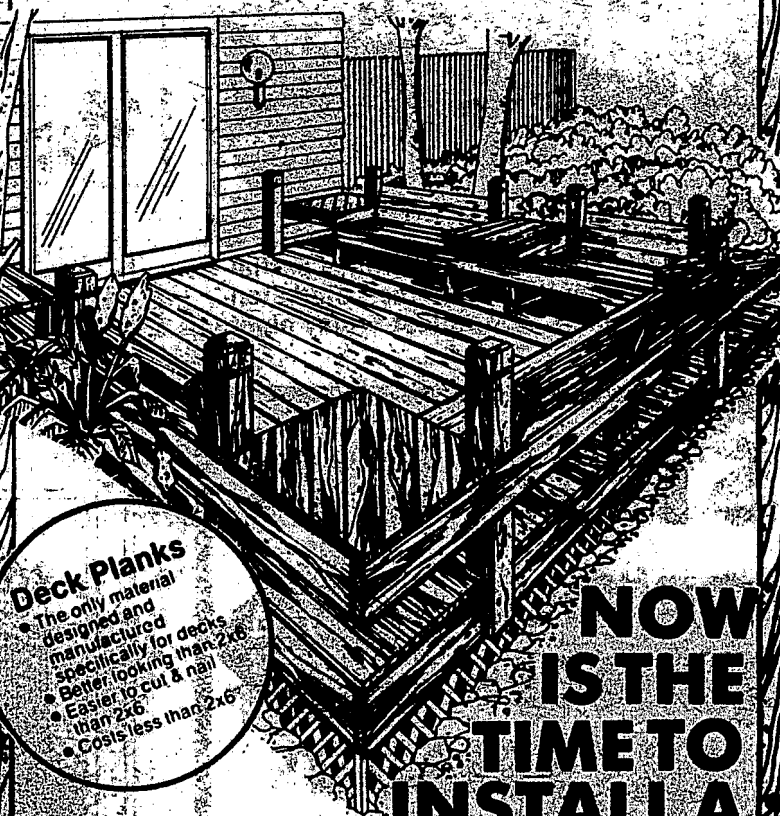

- 2"x4" studs, 16" o.c.
- 2"x6" rafters & joist
- Treated plate stock
- Roof sheathing
- Roof shingles
- Roofing felt
- Overhead garage door with hardware
- 4"x8" plywood siding
- Trim, nails, caulk, exterior paint
- Easy-to-read plans

\$1,088 Pkg.

In addition, the Deluxe Garage Includes:

- Truss roof system w/eave overhang to replace 2"x6" rafters & joist
- Entry door
- Window

\$1,388 Pkg.

Deck Planks

- The only material designed and manufactured specifically for decks
- Better looking than 2x6
- Easier to cut & nail than 2x6
- Costs less than 2x6

Netters play second fiddle to Dragons once again

Lake Orion continued to be a nemesis to Clarkston tennis Monday.

The Dragons captured the Greater Oakland Activities League title by downing the Wolves, 24-21, in the league meet. It is the third straight year Lake Orion has won the championship and the Wolves have finished second.

The league meet counted for half the championship and dual meets counted as the other half.

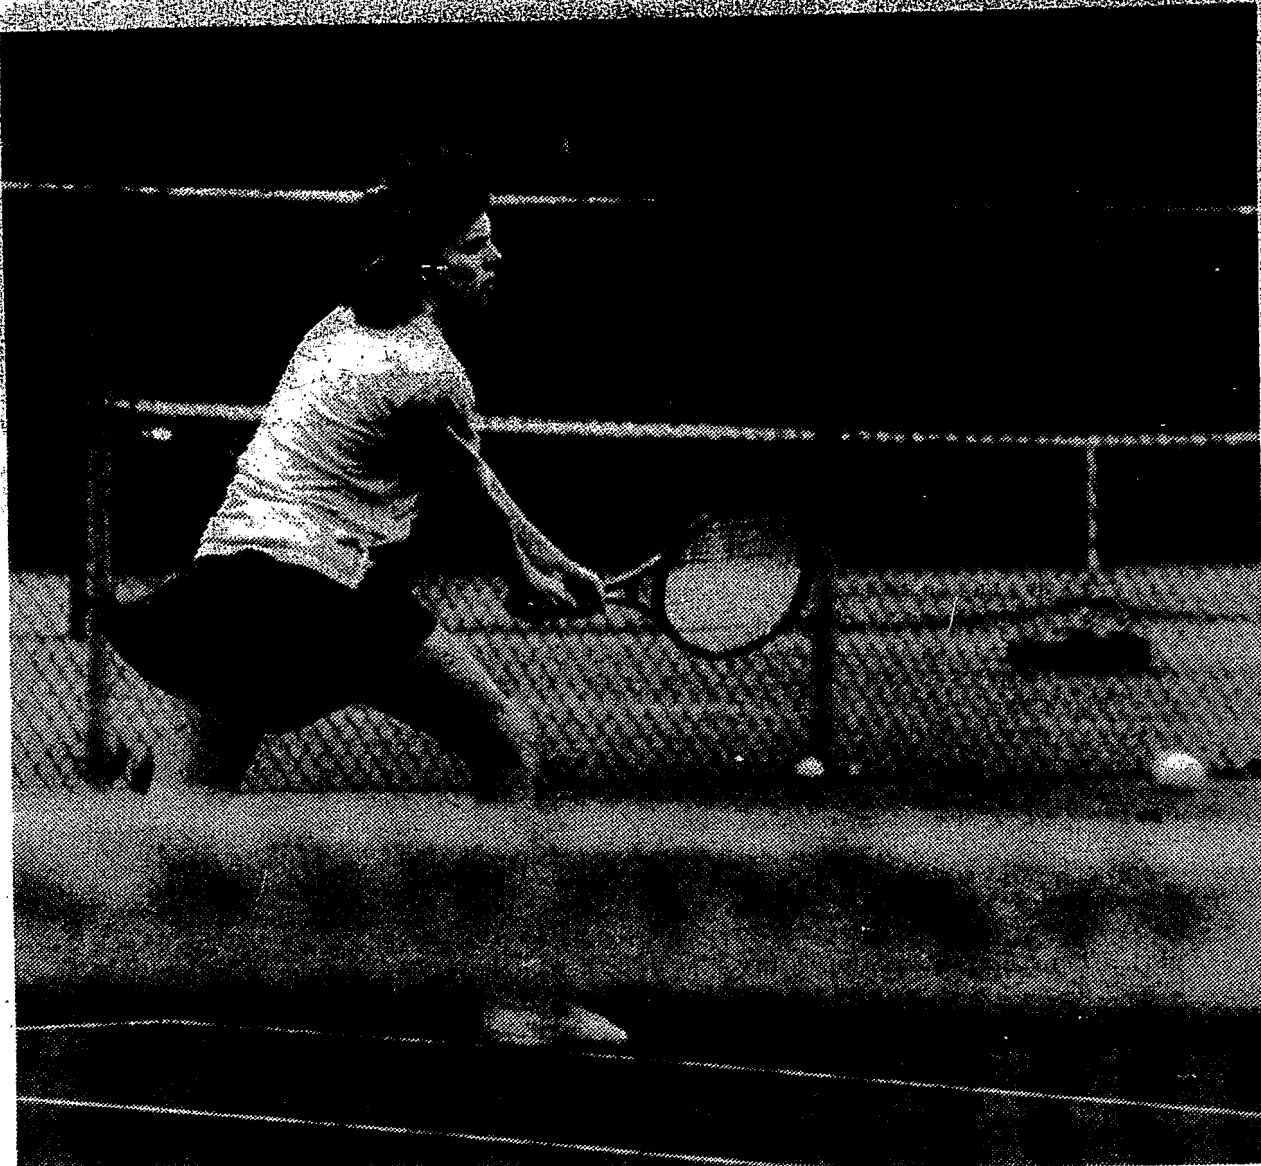

Lake Orion had defeated Clarkston earlier this season, 5-2. Last week's second meeting between the teams was washed out and would have been made up if Clarkston had won the league tourney.

Number one singles player Ashley Adams and number four Shelley Rood won their divisions for the Wolves. Adams had to win three matches and is still unbeaten this season. Rood won twice to capture her class.

Clarkston's number two and number three singles players were knocked off by Dragons. Coreen Hummel lost to Tricia Paswater, 6-3, 6-4 and Rhonda Bowes lost for the first time this season, 6-3, 7-5 to Kellie Schram.

Ashley Adams gets set to return a shot against Lake Orion's Kim Watrous during the GOAL league meet Monday. Adams went on to win

the number one singles division for Clarkston as the Wolves were runners-up to the Dragons.

Crystal clear

No winners

Chris Gerbasi

"Just a pinch between your cheek and gum gives you real tobacco-chewing flavor."

Walt Garrison, cowboy, ex-football player.

I think I tried chewing tobacco a couple of times in high school. I put a pinch between my cheek and gum. It sat there. I didn't know what to do with it and I didn't know when to spit. It tasted horrible and did absolutely nothing for me.

I didn't chew it at school and I didn't get caught by an authority figure. What would have happened if I had been caught? Nothing.

There was a smoking area at my school anyway and my parents would've just said it's not good for me, which I had already found out for myself.

Mike Norman got caught. As a result, he's not playing football in this, his senior year.

Dr. Robert Burek stepped in as Clarkston principal and banned smoking at the high school. Both athletes and parents were made aware that if an athlete was caught with alcohol, drugs or tobacco, that player would be kicked off his or her team for the rest of the season.

In situations like this, there's a tendency to try to figure out who's right and who's wrong, who wins and who loses. I don't think anybody's right here.

Norman was in the wrong place at the wrong time. But certainly he must have known about the rule and chewing tobacco at school was a bad move, no question.

The idea of an athletic code doesn't sit well with me, either. It gets back to my dislike of society's need to separate athletes from other people and give them

privileges and penalties they don't deserve.

If a student involved in no outside activities gets caught smoking, is that student dropped from American Government for the rest of the term?

An athletic code does exist and the problem with it is the phrase "remainder of the season." If Norman gets caught chewing on Oct. 27, and not in September, he misses one game and nobody says a word about it.

At a hearing last week, a school board member motioned to reduce Norman's suspension to two games.

That seemed fair, but the board upheld the suspension and the school administration supported the decision. That's not surprising. They made a rule and they had to stick to it. They didn't want to lose face just six weeks into the school year.

Of course, there must be rules. For a first offense, suspend an athlete from competition for two weeks. Most athletes at Clarkston play more than one sport, so if it occurs at the end of one sport, carry it over into the next sport.

For a second offense, kick them off the team for the remainder of the season or for eight weeks, whichever is longer.

These athletes are 16-, 17- and 18-year-olds who make mistakes. With a second chance, the athletes would have an opportunity to come back and prove themselves rather than be completely demoralized.

The school administration reviews the code at the end of each year and perhaps it will take another look at this section. While it's hard to say who's right and who's wrong, it's clear who loses. Mike Norman.

Martina (Stahl, not Navratilova)

comes to town

By Chris Gerbasi

Great things might be expected from any girl who has the name Martina and plays tennis.

But it's no concern to Martina Stahl, who is not a particularly big fan of her namesake, Navratilova, who rules women's tennis.

"She plays great tennis," said Stahl. "I get teased about it sometimes, but I don't play like her."

Stahl does play on Clarkston's tennis team, primarily doubles, and is from Europe. She's here from West Germany for a year as part of a student exchange program.

She's staying with Tom and Brenda Martin of Springfield Township, their 17-year-old daughter Kelly and 21-year-old son Todd and has been here for about eight weeks.

"It's not a lot different (here)," said Stahl, who went on to list several differences.

Her hometown has a population of about 17,000, much larger than the Village of Clarkston's 1,000, and the winter is a little shorter there.

"At first, I saw (Clarkston) as a street. Now I try to see it as a town," said Stahl, who had six years of English in school. "It's too good here to miss (home). Maybe in four more months, when there's snow on the ground."

Stahl wanted to learn about the culture of the United States. What she's learned so far is that "You

Tennis team has foreign flavor

[TENNIS, continued from Page 21]

eat much more fast food here. It goes down on my weight. I love it, that's my problem." Snickers is her favorite junk food.

The senior has been kept busy with tennis and other school activities, such as working on homecoming floats.

She said there aren't many extracurricular school activities in West Germany and that she played tennis for fun in a club. Here, she's playing doubles for the first time, under coach Dick Swartout.

"I'm satisfied with my playing," she said. "It's interesting to play doubles. He's (Swartout) a good coach. He knows where to put the people and how to cheer you up again and make you want to play and want to win."

With the tennis season winding down, Stahl may have more time for parties, which she said are comparable to West German parties.

She also said Americans seem to be open and friendly and although she may not want to live here, it'll be a nice to visit again.

Martina Stahl, a foreign exchange student from West Germany, sits with Brenda Martin on the porch of Martin's Country Store. Stahl is staying with the Martins for a year.

PREP PROFILE:

Karlstrom likes to clean up

Gunnar Karlstrom is a senior golfer who recently finished seventh in the Oakland County tournament. One of the Wolves' most consistent golfers, he also skis and runs track.

Born: Dec. 12, 1968.

Occupation: Works part-time at Pine Knob Car Wash.

Favorite sport: Golf.

Favorite food: Lasagna.

Favorite music: Bryan Adams.

Favorite movie: "Caddyshack."

Favorite TV show: "Magnum P.I."

For fun: He likes to go out with friends to movies or parties.

Idol: Jack Nicklaus or Arnold Palmer.

Biggest thrill: Owning his 1969 Torino.

Biggest accomplishment: Every Thursday he cleans his room; playing in tournaments.

Goal: "To make it to states and win. Or do really good."

If he could change one thing: "I would make myself a better golfer."

Most embarrassing moment: At a country club driving range, he knew he wasn't supposed to use his driver, because he could drive the ball over the fence. He used it anyway and the first ball he hit went over the fence and hit a passing car. "I pulled out my wedge and put my driver away." The driver of the car pulled in and Karlstrom started to walk away, but eventually confessed. Coincidentally, the man's name was Gil Morgan, the name of a professional golfer.

The Importance of Water

Water is our most important nutrient. One half to three-fourths of the body's weight is water.

A human being can live for weeks without food, but only a few days without water.

Water is the basic solvent for all the products of digestion, and is essential for removing wastes.

There is no specific dietary allowance since water loss varies with climate situations, and individuals, but under ordinary circumstances six glasses daily is considered healthy. Water regulates body temperature, keeps all your bodily functions functioning, aids in dieting by depressing appetite before meals, helps prevent constipation.

The deficiency disease is dehydration.

Best natural sources: drinking water, juices, fruits and vegetables.

There is no known toxic effects but an intake of one and a half gallons in about an hour could be dangerous to an adult. It could kill an infant.

If you're running a fever, be sure to drink lots of water to prevent dehydration and to flush the system of wastes.

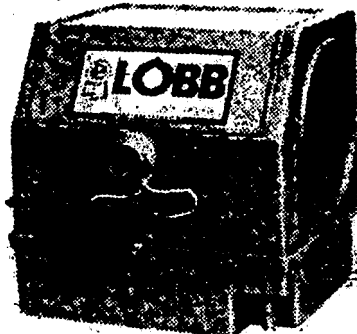

If you live in an area where there is hard water, you're probably getting more calcium and magnesium than you think.

The ski patrol is a club for helpful skiers

By Julie Campe

When you hit the slopes this winter, the Pine Knob Ski Patrol will be there, too.

They'll be dressed warmly, sometimes pulling a toboggan or riding a snowmobile. But mostly they'll be skiing.

The ski patrol is part of a national organization of volunteers who patrol ski areas and take care of injured people.

If you take the moguls a little too fast or try the "wall" before you're ready, they'll be there.

The 80 to 90 volunteers each work two shifts a week, about 10 hours total. But before they can become members of the ski patrol, they have to undergo several tests.

They have to pass the Advanced Winter First Aid requirement, and they have to be adequate skiers. Then they take the weekly ski patrol training. Finally, they're official members, and their reward is free skiing.

"You have to like to ski and you have to like working with people," said ski patrol spokesperson Barb Burge. "If you're just out there for the free skiing, it's not going to be worth your time."

The group buys all of its own equipment. They furnish their own skis, boots, patrol jackets and backpacks. They have an annual ski swap to raise money for toboggans, snowmobiles and even the building.

The ski resort buys the splints and bandages

and helps out with the building costs, said Burge.

An auxiliary patrol includes members with excellent first aid skills, but less than excellent skiing skills. They're stationed in the building to help when the injured are brought down from the slopes.

A junior patrol, kids 15 years old and up, helps out the ski patrol on the slopes.

"If you can snowplow strong and aren't afraid to go down any hill, then you might be a good candidate (for ski patrol)," said Burge.

For more information, call patrol director Jim Grimm at 228-4847 or 542-3910, or leave a message at Pine Knob for him.

GUARANTEED BRAKE SHOES & PADS

Never pay for new shoes or pads again. Midas guarantees them for as long as you own your car.

**WE'LL MAKE SURE YOUR CAR STOPS.
AND GIVE YOU A GUARANTEE
THAT DOESN'T.**

Come to Midas for a brake job and we'll give you our nationwide guarantee on your new brake shoes and pads.

If they should ever wear out, we will replace them free at any of over 1545 Midas locations in all 50 states, for as long as you own your car.

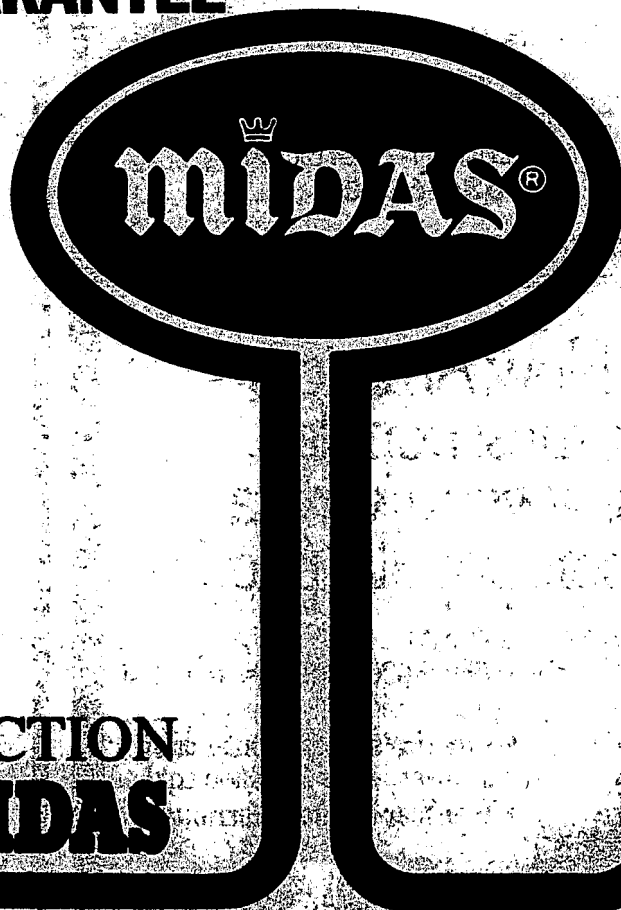

And before we do any work, we'll even give you a free brake inspection (which includes pulling all four wheels).

Plus a free estimate. Because no one can tell you how much it will cost until they inspect your brakes.

So if your brakes are starting to squeal a bit, be sure to stop at Midas.

While you still can.

**FREE BRAKE INSPECTION

Clubs provide choices for social and volunteer activities

By Julie Campe

There's a club for almost every purpose and every person. If you have time on your hands, or if you want to help other people in some way, or if you want to learn a specific skill, there's a club for you.

One such club is the Davisburg Scotties, although they're not Scottish. Well, two of the members are, but they're named the Scotties because the first members lived on Scott Road.

The Springfield Township group has about 25 members. They do volunteer work and learn about homemaking. In the summers, some of the members attend Michigan State University for a week and take classes. They have special classes during the year, too. And they enjoy each other's company.

"It's just the kind of thing where you meet all different types of people," said President Recafa Childress. "We come from all walks of life, all different ages, all different backgrounds, all different religions."

"It's really been beneficial to me because I've met a lot of different women," she said.

Part of a worldwide homemakers organization, the group learns different crafts and skills. And they learn to cope with everyday life. Some of the classes they've taken have been about computers, learning to live alone, makeup, investments, textiles and fabrics and coping with teenagers.

"Our club is kind of unique," she said. "We're kind of close."

A lot of club members feel that way. Following is a list of clubs and organizations in the area. If you'd like to join, give them a call. If your club isn't listed, give us a call at The Clarkston News by noon, Monday, and we'll publish information about your organization next week.

Alpha Delta Kappa of Epsilon Chapter

Meetings: Third Thursday of each month, 7:30 p.m., location varies.

Coming up: Founders' Day, Oct. 12-18, to celebrate the sorority's existence by doing special things for other teachers. Also, educational field trips, altruistic projects.

Membership: By invitation only. An international honorary sorority for women educators. Its members are chosen for outstanding contribution to the field of education. For more information, call president Pat Smith at 673-9740.

American Legion Auxiliary

Meetings: Second Tuesday of every month, 8

p.m., American Legion Hall, M-15.

Coming up: The district president is coming to Post 14 in October. The auxiliary is planning a dance. Every Thursday evening at 6:30, they play bingo.

Membership: Any woman whose husband has served in a war may join. There are 37 members. For more information, call president Betty Corby at 625-1874.

Business Association of Independence Township

Meetings: As needed.

Membership: Any person with a business in the Independence Township area may join. For more information, call president Stewart McTeer at The Clarkston News, 625-3370.

Clarkston Area Jaycees

Meetings: Third Wednesday of each month, 7:30 p.m., Green Room at Cherry Hill Lanes North (formerly Howe's Lanes).

Wrapping up: A concession at the Michigan Renaissance Festival.

Coming up: The group sponsors a Punt, Pass and Kick contest for school-age children. They plan to take a group of kids to a Piston's game and plan to host a senior citizens breakfast in the spring.

Membership: Open to men and women ages 18-35, the club's goals are community service and leadership development. They have 35 members. For more information, call president Mark Hallman at 625-0530 or vice president Bill Wint at 625-5231.

Clarkston Area Youth Assistance

Subcommittee: Clarkston Area Chemical People

Meetings: The General Citizens Committee meets the second Tuesday of each month, 7:30 p.m., at Clarkston Schools Special Services building.

Coming up: Chemical People plan to sponsor an introduction to chemical and alcohol dependency at NWOVEC in November.

Membership: Any concerned citizen in the area may join. There are about 40 members. The goal is to prevent juvenile delinquency and neglect in the Clarkston school district. For more information, call caseworker Garry Pullins at 625-9007 or Chemical People chairperson, the Rev. Bill Schram, at 673-3101.

Clarkston Community Women's Club

Meetings: Third Wednesday of every month, 7:30 p.m., Church of the Resurrection.

Coming up: They're planning a blood drive, and they plan to donate money to the Independence Township Library and Clarkston Area Youth Assistance. They also sponsor the coming Health-o-rama.

Membership: Any woman in the Independence Township area may join. The club's goal is to assist other organizations and to provide social contact. For more information, call president Grace Gwisdalla at 625-1270 or membership chairperson Barb Richards at 625-3117.

Clarkston Community Historical Society

Meetings: Fourth Wednesday of every month, 7:30 p.m., at the Clarkston Village Hall.

Wrapping up: Their 12th Annual Crafts and Cider Festival, their biggest fund raiser.

Coming up: Christmas caroling in December.

Membership: Open to men and women in the Independence Township area. The society's goal is to educate the public in the preservation of history in all its forms. For more information, call membership chairperson Elizabeth Doyle at 625-9665 or president Jennifer Radcliff at 625-8181.

Clarkston La Leche League

Meetings: First Wednesday of every month, 9:30 a.m., location varies.

Coming up: Open discussion between expectant mothers and mothers of young children.

Membership: Any parent or expectant parent may join. About 5 to 20 members usually attend each meeting. For more information, call Mary Walsh at 625-8886 or Diane Knakal at 394-1095.

Clarkston Rotary Club

Meetings: Dinner meeting every Monday, 6:30 p.m., Back Court Restaurant.

Wrapping up: Labor Day parade.

Coming up: Children's shoe program with the Goodfellows. Christmas decorations in December.

Membership: By invitation. Prospective members must attend three meetings and be approved by the membership committee in a business classification provided by the international organization. Men, ages 21 and up, are eligible. They must live or have business in the community. There are 71 members. For more information, call president Floyd Seal at 642-2803.

Clubs abound in area for joiners

(CLUBS, continued from Page 26)

Clarkston Village Players

Meetings: First Tuesday of each month, 7:30 p.m., Depot Theatre.

Wrapping up: "Bullshot Crummond," fund raiser for an addition to the Depot Theater.

Coming up: "A Murder Is Announced," a mystery by Agatha Christie.

Membership: Any adult in the area should attend a meeting to join. For more information, call president Marlene Sewick at 363-0188.

Daughters of the American Revolution Sashabaw Plains Chapter

Meetings: First Wednesday of the month, September through May, at the Northwest Oakland Vocational Education Center.

Wrapping up: A booth at the Crafts and Cider Festival.

Coming up: A birthday party for this chapter of the D.A.R.

Membership: Any woman can join who can prove an ancestor helped in the American Revolution in any way. There are 27 members. The group sponsors a history essay contest and a good citizens award at Clarkston High School. For more information, call Dora Green at 625-4358.

Davisburg Rotary Club

Meetings: Every Wednesday, 7 p.m., in the basement of the Springfield Township Hall.

Wrapping up: A concession booth at the Michigan Renaissance Festival.

Coming up: Halloween party for Davisburg Elementary area children; quilt raffle with the sesquicentennial committee; food basket program at Christmas time for needy children.

Membership: By invitation only. Men ages 21 and up are eligible. Prospective members must attend three meetings and be approved by the membership committee. They must live or have business in the community. For more information, call Pat Tinson at 625-5215.

Davisburg Scotties

Meetings: Third Monday of the month, 9:30 a.m., Springfield Township Hall.

Coming up: Christmasfest, lunch for senior citizens.

Membership: Women in the Davisburg area may join the club that is a part of Michigan Homemakers Extension and a part of an international homemakers organization. For more information, call president Recalia Childress at 634-4182. For information about other homemakers organizations in the area, call Oakland County Council member Jan Jensen at 634-4644.

Clarkston Eagles

Meetings: Every Thursday, 8 p.m., at Eagles Hall on Maybee Road. Women's auxiliary: Second and fourth Wednesday of every month, 7:30 p.m.

Coming up: Bowlathon and Octoberfest to raise money for the Eagles' four charity funds: heart, cancer, children and education.

Membership: Must have sponsorship by a current member. Women must have a relative in the organization. For more information, call president Bob Schneider at 373-1572. Women's Auxiliary president is Jan Ayotte.

Independence Township Senior Citizens

Center Hours: Monday through Friday, 9 a.m. to 5 p.m. at the Independence Township Senior Citizen Center. Lunch at noon.

Coming up: Halloween party steak roast, hay ride, color trips. Regularly scheduled crafts, bingo, ceramics, singing, bowling, volleyball, pool, shuffleboard and various classes.

Membership: Open to men and women ages 55 and over. For more information or to fill out an application, call Rina Chemin at 625-8231.

Mothers of Multiples

Meetings: Second Tuesday of each month, 8 p.m., Bailey Lake Elementary School.

Coming up: Clothing and equipment sales, speakers (pediatricians, psychologists, make-up artist), Halloween, Christmas and Easter parties for the children.

Membership: Any person expecting the birth of twins, triplets (or more) or anyone who already has experienced a multiple birth. About 35 members including parents, grandmothers and foster parents. For more information, call Mary Zahm at 394-0326.

Clarkston Optimists

Meetings: Every Wednesday, 7:30 a.m. at Zim's Bowling Alley.

Coming up: The group is planning activities to benefit children including an oratorical essay and scholarship contest.

Membership: Open to men in the Independence Township area, the club has about 40 members. For more information, phone president Jim Evans at the Consortium for Human Development, 625-9600; or treasurer John Lutz at Independence Township Hall, 625-5111.

Pine Knob Ski Patrol

Meetings: Each member volunteers twice a week during the winter.

Coming up: Ski swap to raise money for equipment and first aid supplies.

Membership: Any adult who can ski and has an Advanced Winter First Aid certification may join. Must provide own equipment, free skiing. Junior Ski Patrol and Auxiliary Patrol also. For more information, call patrol director Jim Grimm at 228-4847 or 542-3910.

Waterford-Clarkston

Business and Professional Women's Club

Meetings: Second Thursday of every month, 6:30 p.m., King's Court Restaurant.

Coming up: Guest speaker Linda Ferrens, candidate for state senator; fund raisers for new national headquarters; fashion show to raise funds for scholarships for local women.

Membership: Any working person in the area may join. The association's goal is to raise the standards of women in business through educational opportunities. For more information, call president Sharon Johnson at 634-2020 or write P.O. Box 518, Clarkston, MI, 48016.

Welcome Wagon Club of Waterford-Clarkston

Meetings: Coffee meeting second Tuesday of the month, 10 a.m. Call for location. Evening meeting once a month, also. Call for location.

Coming up: Halloween party, road rally, fund raisers.

Membership: Any new resident in the area may join. It's a social club, and a charity fund raiser. For more information, call Julie Westbrook at 625-0249.

Village Business Association

Meetings: As needed at the Clarkston Village Hall.

Membership: Any person with business in the Village of Clarkston may join. There are 30 members. For more information, call president Stewart McTeer at The Clarkston News, 625-3370.

Volunteers in Partnership with Schools

Coming up: Volunteers needed in the classrooms, media centers, computer labs and offices to tutor or assist with paperwork and noninstructional tasks.

Membership: Open to anyone—parents, grandparents, senior citizens, college students and business people. For more information, call the VIPS office, 674-3141.

Love triumphs; wedding to follow

By Carolyn Walker

During their darkest hour, as Tom Boufford lay near death, his fiancé of nine years, Katie Cover, found the courage and faith to keep on keepin' on. And Tom ended up getting well.

Next month, before an estimated 200 guests, they are finally going to get married.

Their trip to the altar comes after Tom's successful summer battle with triple bypass heart surgery, four subsequent cardiac arrests, surgery to remove a gangrenous gall bladder, pneumonia and septic shock.

They lay his recovery up to faith, pure and simple.

"It's just a miracle," Katie says. "He had a lot of prayers. A lot of love."

Tom adds, "The thing we should stress here is the faith of this gal. She was convinced I wasn't going to die. Everybody else said I was going to die."

"I think people have gut feelings about things, and mine was that he wasn't going to die," Katie responds. "They thought I had sort of a Pollyanna attitude."

Tom, a medical supply salesman who is only too familiar with the workings of the medical world, began his struggle for life with what he thought was a case of indigestion.

Diagnosed on Memorial Day as having angina pain at the Clarkston Ambulatory Care Center, Tom was transferred to Pontiac General Hospital and, later, St. Joe's where a heart catheterization showed blockage of three arteries.

He came through the triple bypass surgery fine, only to suffer a cardiac arrest six days later, Katie says.

Subsequently, he suffered three more cardiac arrests, on three consecutive days. Each time he was restored to life with cardio-pulmonary resuscitation, electric paddles and all.

Surviving that, some 10 days later Tom, in excruciating pain, was diagnosed as having a gangrenous gall bladder, most likely the result of the blood supply being inhibited during the triple bypass, Katie says.

Surgery offered him his only hope. But his surgeon warned that he could only withstand 45 minutes of anesthesia. He survived that, to face septicemia, a poisoning of the blood system.

While the setbacks were hard on Katie, Tom,

"The thing we should stress here is the faith of this gal. She was convinced I wasn't going to die. Everybody else said I was going to die."

—Tom Boufford

"I think people have gut feelings about things, and mine was that he wasn't going to die. They thought I had sort of a Pollyanna attitude."

—Katie Cover

who spent nine weeks on a respirator and was unconscious much of the time, says he has no recollection of his many trials.

"I don't remember anything during the whole operation," he says.

During the ordeal, Tom's short-term memory was affected. At times, he didn't recognize Katie or his relatives.

"All those things were heartbreaking," Katie says. "I felt like he was slipping away and we didn't have any answers."

At one point during his hospitalization, a nurse working with Tom spoke to him in French, aware that he spoke it as a youth with his French/Canadian parents.

"He would answer her fluently (in French)," Katie says, marveling at the abilities of the subconscious mind. Tom had not spoken French since he was about 4 years old.

As they sit in Tom's living room, recounting their difficult summer, Katie remembers the time nine

years ago that Tom gave her a "whatever ring."

"I said, 'Oh my, are we engaged?' and he said, 'Whatever,'" Katie recalls with a laugh.

Admitting that he is a procrastinator, Tom says he was spurred to finally take the marital plunge after his brush with death. "It hastened it a little," he says.

Katie elaborates: "We had the best of both worlds (during our courtship) and all of a sudden it was going to be taken away from us. We realized it wasn't the best of both worlds."

When the Rev. Charles Cushing of St. Daniel Catholic Church received the request to marry them, he asked them how soon they wanted the ceremony, Katie says.

She responded by saying as soon as possible.

He then asked their ages.

Upon hearing their reply, 77 and 56, he said, "I think you two had better hurry right down, you don't have a lot of time," Katie says, marveling at the irony of his comment.

He didn't even know Tom had been sick.

Tom Boufford and Katie Cover, both Springfield Township residents, plan to be married in

November. They are ecstatic over their second chance at happiness.

Science: 'A way to look at the world'

"This is great. The kids will love it," said teacher Anne Stone as her Super Tube floated gracefully to the floor.

In addition to constructing the paper cylinders, Stone and fellow Clarkston Community Schools kindergarten and first grade teachers mixed primary-colored frostings on graham crackers to make new colors, counted animal crackers and watched the power of static electricity as a balloon moved a banana hanging from a string on the ceiling.

It was all in the name of science.

The teachers attended science workshops last week at the district's administration office. Earlier, teachers of grades two and three participated in projects designed for their age groups.

The workshops were led by district science curriculum committee chairperson Roger Bower and committee member Chuck Keegan. Bower teaches science at Sashabaw Junior High and Keegan teaches at Clarkston Junior High.

The elementary school teachers left the workshops with booklets of science projects compiled by the committee that has been working on steps to improve the district's science curriculum for two years.

The kindergarten-first grade activities were designed to teach what Bower calls "the process of science."

"Science is not just the facts. Science is a way to look at the world," he said during the Wednesday afternoon workshop. Afterward, he expounded.

"Science is obviously a body of knowledge you get from textbooks, but in addition to that we want (pupils) to solve problems—predict, infer, graph, all

Teachers Pat Johnson (left) and Geri Allison stir together frosting that's been tinted primary colors in an exercise called "Color My World." The activity illustrates color mixing—and the children can snack on the frosted graham crackers after the experiment.

these things in science are a way to solve problems," he said.

"We want them to have a good time doing it, but we want them to solve these problems and do these kinds of things because that's what life is all about."

Workshops highlighting more complex experiments are planned for teachers of grades four, five and six; and next year junior and senior high school teachers will meet in sessions designed to enrich the secondary science programs.

—Kathy Greenfield

In a "here's how" demonstration, science workshop leaders Roger Bower (left) and Chuck Keegan add water to a plastic bag with paper toweling and plant seeds inside.

60 years for Weilers

Milton and Emlee Weiler celebrate their 60th wedding anniversary this month. The couple were married Oct. 16, 1926, at the Immaculate Conception Church in Lapeer.

Their daughter Patricia Weiler is hosting an open house Oct. 12 to celebrate their years together.

The Weilers have five children and 12 grandchildren. They have lived on Hillcrest Road in Springfield Township for about 10 years.

Williamson-Topping

Mr. and Mrs. Hack Williamson of Eastlawn Avenue, Independence Township, announce the engagement of their daughter Lori Ann to Airman 1st Class Joey A. Topping, the son of Mr. and Mrs. Thomas Topping of Hawthorne, Fla. The bride-to-be, a 1984 graduate of Clarkston High School, is employed as a certified medical assistant by a Pontiac physician. Her fiancé is stationed at Tyndall Air Force Base, Panama City, Fla. They plan to be married in February.

New arrivals

It's a boy for Dr. and Mrs. Mark E. Frenchi of Treece Road, Springfield Township.

Michael James was born Sept. 5 at Saint Joseph Mercy Hospital, Pontiac. He weighed 7 pounds 3 1/2 ounces and measured 19 1/2 inches long.

Grandparents are Mrs. Francis X. Riopelle of River Rouge and Mr. and Mrs. James Frenchi of Redford Township. Great-grandmothers are Mrs. Alice King of Lincoln Park and Mrs. Mary Frenchi of California.

Alan and Laurie Hyde of California, and formerly of Independence Township, brought home two babies.

Twins Nigel Douglas and Michelle Marie were born Sept. 15 at Alta Bates Hospital in Berkley. They weighed 9 pounds and 8 pounds 4 ounces respectively.

Grandparents are Mr. and Mrs. Les Hyde of Waldon Road, Clarkston.

Grad

Judie Minjoe received an associate in special technology degree in visual communications from the Art Institute of Pittsburgh in Pittsburgh, Pa.

The two-year commercial design school has an enrollment of about 2,000.

Minjoe resides on Peach Street in Independence Township.

White, Kowalczyk wed in Oxford

Jacqueline Lee White and Gary Lee Kowalczyk were united in marriage in a ceremony at the Dominican Sisters Chapel, Oxford.

The Rev. Robert Bretz officiated at the traditional double-ring ceremony at 5 p.m. on May 24. Soloist Margaret Ahee of Grosse Pointe was accompanied by organist Don Zielinski of Pontiac.

The bride's gown of white, crystalized silk organza over satin featured a fitted bodice appliqued with lace and pearls. The voluminous tiered skirt of fluted ruffles fell from a dropped waistline. Completing the bride's ensemble was a satin hat appliqued with matching lace and pearls and a double-tiered fingertip veil.

The bride's sister, Jennifer White of Atlanta, Ga., was the honor attendant. Bridesmaids were Peggy Thomas of Clarkston and Michele Chludzinski of Livonia.

Best man was Monte Tuffs of Grand Rapids. Groomsmen were Thaddeus Falarski and Stuart Spears. Ushers were Kevin Freeman and Scott Kowalczyk.

The dinner reception was held immediately following the ceremony at Spring Lake Country Club, Independence Township.

The bride's parents are Otto and Norma White of Hummingbird Lane, Independence Township. A 1979 Clarkston High School graduate, she graduated in 1984 from the School of Pharmacy, Ferris State College, Big Rapids. She is a registered pharmacist and assistant manager at Perry Drug Store Inc., Albion.

The bridegroom's parents are Bert and Dorothy Kowalczyk of Grandville. A 1977 graduate of Grand-

Newlyweds: Jacqueline and Gary Kowalczyk.

ville High School and a 1979 graduate of Ferris State College, he is presently attending Western Michigan University in Kalamazoo. He expects to graduate in May 1987 with a degree in mechanical engineering.

The couple spent their honeymoon in Mexico and now live in Battle Creek.

In service

Debra Miller has been appointed a sergeant in the United States Air Force.

The new non-commissioned officer completed training in management, leadership, human relations, and NCO responsibilities before being awarded this status.

Miller is an aircrew life support specialist with the 549th Tactical Air Support Training Squadron at Patrick Air Force Base, Fla.

She is the daughter of Michael and Beth Miller of Kingfisher Lane, Independence Township.

Sgt. Randy Miller has been decorated with the second award of the Army Achievement Medal in West Germany.

The medal is awarded to soldiers for meritorious service, acts of courage or other accomplishments.

Miller is a turret mechanic with the 29th Field Artillery. He is the son of Phyllis Miller of Waterford Township and the grandson of Ruth Miller of Springfield Township.

Army Private Daniel Elkins has completed basic training at Fort Dix, N.J. He is the son of Roland and Linda Elkins of Mary Sue Street, Independence Township.

Thom Bennett has been promoted in the United States Army to the rank of private first class.

Bennett is a helicopter repairer in West Germany with the 8th Infantry Division.

His parents are J. Brooke and Suzanne Bennett of Andersonville Road, Springfield Township.

Airman James Condron has graduated from Air Force basic training at Lackland Air Force Base, Texas. He is the son of William and Shirley Condron of Eckles Road, Independence Township.

Army Pvt. John Blanton has arrived for duty at Fort Bragg, N.C.

Blanton is a personnel records specialist. He is the son of James and Carmen Blanton of Waterford Township.

His wife, Denise, is the daughter of Dennis and Deanne Lankton, Clarkston area residents.

At college

Gregory Wagner has been accepted as a member of the saxophone section of the 1986 Marching Band at the University of Notre Dame in Notre Dame, Ind.

He is the son of Ron and Betty Wagner of Deer Park Trail, Independence Township.

Each year the Notre Dame Band performs before thousands of fans at home games and millions in television appearances. Its 225 members were selected after rigorous tryouts for the honor.

Lisa Glenn has been selected for the 1986 Mount Holyoke College Varsity Crew Team.

A Clarkston area resident, Glenn is a member of the Class of 1988. Mount Holyoke is a small, private college for women located in South Hadley, Maine.

Around town

Local events open to the public are printed in Around Town as a community service. Call 625-3370 or write to The Clarkston News, 5 S. Main, Clarkston, MI 48016 two weeks in advance.

Is it true that coffee is addictive?

Dear Cat Paw:

Why does crack give you such a great high? It must be because it's so strong.

User

Dear User:

According to Dr. Arnold M. Washton, director of research for 800-COCAINE, the national cocaine hotline, "The more intense high derives solely from the method by which it's used, namely smoking."

"Smoking a drug sends a high concentration of that drug directly to the brain in less than 10 seconds. In addition, the heating process also changes some of the impurities that are left in crack into other drugs, which could have more toxic effects."

"Think of drugs as environmental pollutants. These are toxic substances out there in the environment that we choose to put into our bodies."

"Although we're more afraid of radioactivity and chemical additives in our food than we are of drugs, they all fall into the same category."

Dear Cat Paw:

Is it really true that you can get hooked on coffee?

All Day Sipper

Dear All Day Sipper:

New studies show that a dependence on coffee isn't just in the drinker's mind.

People who drink lots of coffee are actually dependent on it and develop painful withdrawal symptoms if they stop drinking it. People who drink 10 or more cups per day are addicted to the caffeine in the brew.

The withdrawal symptoms associated with caffeine use are headaches, sleepiness, laziness and decreased activity level.

The effects start about 10 hours after giving up coffee and peak on the first or second day after quitting. The symptoms progressively taper off for about six more days.

Dear Cat Paw:

What exactly is Valium?

Long Time User

Dear Long Time User:

Valium has properties that make it an effective muscle relaxant and anticonvulsant sedative and it is often prescribed as a temporary remedy for stress and

to relax patients prior to surgery.

It is used legitimately in several fields of medicine including anesthesiology, psychiatry and neurology.

Tolerance to Valium builds slowly and users will gradually require larger doses to achieve the desired effect. Valium is intended for use as a short-term relaxant and should not, except under strict medical supervision, be used regularly for long periods of time.

The drug takes effect within 90 minutes after ingestion and remains in the system for 24 to 36 hours. A daily administration will keep it in the bloodstream constantly.

Valium, like any other central nervous system depressant drug, should not be consumed simultaneously with other drugs.

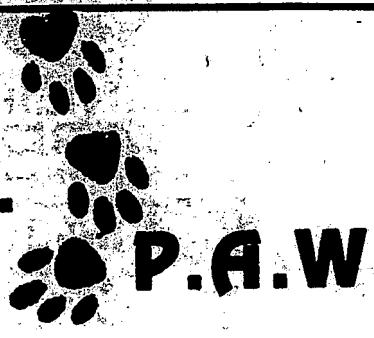

Dear Cat Paw:

What is a liquid lady?

Student

Dear Student:

Cocaine dissolved in water.

C.A.T. P.A.W.

Selective Service System

DO YOU KNOW AN 18-YEAR OLD MAN?

If you do, he should know that he is required to register with the Selective Service System. Young men born on or after January 1, 1960 must register within 30 days of their 18th birthday. All it takes is five minutes to fill out the simple form at the local post office.

So if you have a student, son, relative or neighbor who is 18, or about to turn 18, make sure they know about Selective Service registration.

For posters, brochures and speakers, contact the Selective Service System, Washington, D.C. 20435.

Registration. It's quick. It's easy. And it's the Law.

Printed as a public service.

—Senior notes—

Square dance party

A busy autumn season is in store for the Independence Township Senior Citizens group.

Classes sponsored by the American Red Cross and the Clarkston Community Education Department begin the week of Oct. 12 at the senior center on Clarkston Road.

Included in the selection are "The Lowdown on Blood Pressure," oil painting, Chinese brush painting and a straw Christmas wreath workshop. For details, call the senior center at 625-8231.

The Halloween Party Steak Roast Dinner Dance begins at 6 p.m. on Friday, Oct. 24, at the senior center. The \$7 cost includes dinner; prizes for the scariest, funniest and most original costumes; live musical entertainment by "Shades of Blue"; and dancing. Reservations must be made by Oct. 22.

A fall hay ride, bonfire and hot dog roast is scheduled Wednesday, Oct. 29, at 6 p.m. at the center. The \$4 fee covers an all-you-can-eat hot dog roast, games, songs around a campfire and the hay ride. The reservation deadline is Oct. 27.

On Friday, Nov. 7, the party theme is Senior Square Dance and Ho'down at Independence Township Hall. A sloppy joe dinner at 6 p.m. is included in the \$7 fee. Reservations are required by Nov. 5.

An outing to the Vic Theater in Flint is in store Wednesday, Nov. 5. Cost for transportation and the theater ticket to see the comedy "Foreigner" is \$13. Departure time from Independence Township Hall is 5:30 p.m.

Other weekly activities include bowling, ceramics, bingo, woodshop, crafts, cards, pot luck, shuffleboard, volleyball, exercise classes, sing-alongs, pool, darts and more. For more information, call 625-8231.

Clowning around

This clown [above] has a funny walk, but is the audience laughing at him or at emcee Lennie Howarth's jokes? After the clowns marched in the parade, they enchanted more onlookers with skits and magic shows at Davisburg Elementary School. The Springfield sesquicentennial parade was organized by Janet Stack and Diane Giolitti.

Autumn sounds

The first of many concerts offered to the public by the choir of Clarkston High School carries a title worthy of the season: "Fall Into Music."

The concert is planned Wednesday, Oct. 15, in the CHS Little Theatre at 7:30 p.m. There is no admission charge, but donations will be accepted. Refreshments will be served following the program.

Featured groups are the 38-member Mixed Chorus, 38-member Chorales, 18-member Madrigal Singers and 68-member Varsity Concert Choir.

Two groups that rehearse after school will debut at the concert: the Girls' Select Ensemble and the Male Barbershop Ensemble.

The choir is led by CHS Music Department director Grayce Warren.

Library calls for books

The call is out for used books to help with the sale planned to benefit the Independence Township Library.

Community members are asked bring bags or boxes of used books to the library during business hours. The library is located at 6495 Clarkston Rd.

The Annual Used Book sale is planned Thursday through Saturday, Oct. 23, 24 and 25, at the Clarkston Masonic Temple on the corner of Main and Washington streets, Clarkston.

No textbooks, National Geographic magazines or condensed books can be accepted for the sale. For more information, call 625-2212.

Incredible edibles

Munch a bunch of sweet treats

A comfortable chair, good book, cozy fire—and bowls of goodies await those willing to add a cooking preamble to the relaxation session.

The following suitable sweets are from the Clarkston Community Women's Club "Incredible Edibles" cookbook.

Mary Jane Chaustowich of Clarkston submitted Mama's Six-Minute Fudge; Ruth Brueck of Clarkston submitted Date Nut Snack; and Elsie Metcalf of Geritask submitted Cracker Jack Popcorn or Balls.

MAMA'S SIX-MINUTE FUDGE

- 1 (6 ounce) package semi-sweet bits
- 1 1/2 (4 ounce) bars German's sweet chocolate, broken
- 2 1/2 cups miniature marshmallows
- 1/2 teaspoon vanilla
- 2 cups sugar
- 1/2 teaspoon salt
- 3/4 cup evaporated milk
- 1/2 cup chopped nuts

Combine first 4 ingredients in large bowl. Combine last 3 ingredients in 2-quart aluminum saucepan. Bring to boiling point, reduce heat and simmer 6 minutes, stirring constantly.

Pour cooked mixture over contents of bowl and beat until blended. Add nuts. Pour into 8-inch-square pan.

DATE NUT SNACK MIX

- 1 (1 pound) package dried chopped nuts
- 1 jar dry roasted nuts
- 1 (1 pound) package raisins

Mix together. Serve.

CRACKER JACK POPCORN OR BALLS

- 1 cup sugar
- 1 cup dark molasses
- 1/2 teaspoon salt
- 1 tablespoon butter
- 3 quarts popped corn

Hard boil; stir quickly into 3 quarts popped corn. Peanuts are optional. Form into balls with greased or buttered hands, if desired.

Proceeds from the sale of "Incredible Edibles" cookbooks are used on community service projects. The 56 cookbooks are available at the Independence Township Library, Village Book Store, Carol's Village Grill, Gayanne's Floral Concept and Pontiac State Bank's downtown Clarkston branch.

Board of Education
Clarkston Community Schools

We have examined the general purpose financial statements of Clarkston Community Schools as of and for the year ended June 30, 1986, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Clarkston Community Schools has not maintained a historical cost record of its general fixed assets and, accordingly, a statement

of general fixed assets, required by generally accepted accounting principles, is not included in the general purpose financial statements.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly the financial position of Clarkston Community Schools at June 30, 1986 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The additional information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the general purpose financial statements of Clarkston Community Schools. This information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

CLARKSTON COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1986

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of Clarkston Community Schools conform to generally accepted accounting principles as applicable to school districts. The following is a summary of the significant accounting policies:

REPORTING ENTITY. - The accompanying general purpose financial statements have been prepared in accordance with criteria established by the Governmental Accounting Standards Board for determining the various governmental organizations to be included in the reporting entity. These criteria include oversight responsibility, scope of public service and special financing relationships.

FUND ACCOUNTING. - The accounts of the District are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped in the general purpose financial statements in this report, into generic fund types in two broad fund categories as follows:

GOVERNMENTAL FUNDS. - Governmental funds are those funds through which most school district functions typically are financed. The acquisition, use and balances of the school district's expendable financial resources and the related current liabilities are accounted for through governmental funds.

Cont. on page 40

Con't from page 39

**CLARKSTON COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1986**

General Fund - The General Fund is used to record the general operations of the School District pertaining to education and those operations not provided for in other funds. Included are all transactions related to the approved current operating budget.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted to expenditure for specified purposes. Included in the District's Special Revenue Funds are the following:

Northwest Oakland County Vocational Center Fund - The Northwest Oakland County Vocational Center Fund is administered by the Clarkston Community Schools under an agreement with the Oakland County Intermediate School District and is used to record all transactions of the Center for vocational education purposes.

School Service Funds - The School Service Funds are used to segregate, for administrative purposes, the transactions of a particular activity from regular revenue and expenditure accounts. The School District maintains full control of these Funds. The School Service Funds maintained by the School District are the Food Services and the Athletic Funds. The annual operating surplus or deficit generated by the Athletic Fund is transferred to or from the General Fund.

Maintenance, Equipment and Repair Fund - The Maintenance, Equipment and Repair Fund is used to segregate, for administrative purposes, expenditures related to major repairs and improvements to existing buildings. No expenditures related to new construction are made from this Fund.

Debt Retirement Funds - The Debt Retirement Funds are used to record tax and interest revenue and the payment of interest, principal and other expenses on long-term debt.

Building and Site Funds - Building and Site Funds are used to record bond proceeds or other revenue and the disbursement of monies specifically designated for acquiring new school sites, buildings, equipment and for major remodeling and repairs. The Funds are kept open until the purpose for which the Fund was created has been accomplished.

FIDUCIARY FUNDS - Fiduciary funds are used to account for assets held by the School District in a trustee capacity or as an agent. Agency Funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

Activities (Agency) Fund - The School District presently maintains an Activities Fund to record the transactions of student groups for school and school-related purposes. The funds are segregated and held in trust for the students.

ACCOUNT GROUPS - Account groups are not funds - they do not reflect available financial resources and related liabilities or the measurement of results of operations - but are the District's accounting records of the general long-term debt. The General Long-term Debt Account Group is used to record the School District's outstanding bonded debt, long-term notes payable and other noncurrent obligations of the School District.

BASIS OF ACCOUNTING - Governmental funds utilize the modified-accrual basis of accounting. Modifications in such method from the accrual basis are as follows:

a. Property taxes and other revenue are recognized in the accounting period when they become measurable and available to finance operations.

Properties are assessed as of December 31 and the related property taxes are levied and become a lien on July 1 for approximately 50 percent of the taxes which are due September 15 and December 1 for the remainder of the property taxes which are due on February 14. The final collection date is February 28 after which they are added to the county tax rolls. Other revenue is recorded when received.

b. Principal and interest on general long-term debt is not recorded as an expenditure until its due date.

c. The noncurrent portion of vested sick and accumulated vacation days and self-insured liabilities are reflected in the General Long-term Debt Account Group.

The financial activity of the Agency Funds is limited to collection of amounts which are subsequently returned or paid to third parties and, accordingly, is limited to cash transactions.

CASH EQUIVALENT INVESTMENTS - Cash equivalent investments are stated at cost and are comprised of certificates of deposit, commercial paper and savings accounts.

INVENTORY - Inventory in the General Fund consisting of gasoline is stated at cost. The School Service Funds' inventory consists of food and supplies and is stated at cost. Disbursements for other inventory-type items are recorded as expenditures at the time of purchase.

GENERAL FIXED ASSETS - General fixed assets (including buses which costs are partially reimbursed through state aid payments) are recorded as expenditures in the General, Special Revenue or Building and Site funds in the year payment is made or expenditure accrued.

LONG-TERM LIABILITIES - Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-term Debt Account Group, not in the governmental funds.

ELIMINATIONS - The total data presented in the combined financial statements is the aggregate of the data for all the fund types and account group shown on each of the respective statements. There have been no interfund or similar eliminations made in these columns.

Other accounting policies are disclosed on the face of the combined financial statements or in the other notes to combined financial statements.

NOTE 2 - BUDGETS

The School District formally adopted General, Maintenance, Equipment and Repair, Food Services, Athletic, Debt Retirement, and Northwest Oakland County Vocational Center Funds' budgets by function for the fiscal year ended June 30, 1986. The budget information presented on the combined statement of revenues, expenditures and changes in fund balances - budget and actual is the actual budget adopted. The General Fund budget was amended once during the year resulting in an increase in budgeted revenues of approximately \$96,000 and an increase in budgeted expenditures of approximately \$76,000.

The Maintenance, Equipment and Repair, Northwest Oakland County Vocational Center, Debt Retirement, Food Services and Athletic Funds were also amended once during the year. These amendments resulted in an increase in both budgeted revenues and expenditures in the Northwest Oakland County Vocational Center Fund of approximately \$159,000 and an increase in both budgeted revenues and expenditures in the Athletic Fund of approximately \$30,000 and an increase in both budgeted revenues and expenditures in the Maintenance, Equipment and Repair Fund of \$50,000. The Food Services Fund budget amendments resulted in an increase in budgeted revenues of \$53,000 and an increase in budgeted expenditures of approximately \$68,000. The Debt Retirement Fund budget amendments resulted in an increase in budgeted revenues of \$888 and an increase in budgeted expenditures of \$196.

NOTE 3 - RETIREMENT PLAN

Substantially all school district employees are covered by the Michigan Public School Employees' Retirement System. The District is required to contribute a fixed percentage, as determined for all districts by the State of Michigan, of gross wages of the participants to the Retirement Fund. The District's contribution to the plan for the year was approximately \$658,000. Information as to the actuarially computed value of vested benefits as compared to plan assets is not determined on a district basis by the Retirement System. The State of Michigan is responsible for the adequacy of funded contributions and payment of benefits.

NOTE 4 - LONG-TERM DEBT

The following is a summary of long-term obligations for the District for the year ended June 30, 1986:

	BONDS	SPECIAL ASSESSMENT PAYABLE	OTHER OBLIGATIONS	ENERGY CONSERVATION IMPROVEMENT NOTES
Balance at June 30, 1985	\$4,555,000	\$56,889	\$756,700	\$660,000
Additions	-	-	114,300	-
Retirements and payments	(305,000)	(19,085)	(68,000)	(50,000)
Balance at June 30, 1986	\$4,250,000	\$37,804	\$803,000	\$610,000

Bonds payable at June 30, 1986 are comprised of the following individual issues:

\$1,500,000 serial bonds due in annual installments of \$145,000 through May 1, 1991; interest at rates of 3.5 percent to 3.6 percent; currently callable \$ 725,000

\$1,500,000 serial bonds due in annual installments of \$60,000 through May 1, 1996; interest at rates of 3.7 percent to 3.8 percent; currently callable 660,000

\$2,500,000 serial bonds due in annual installments of \$100,000 to \$125,000 through May 1, 1996; interest at rates of 3.5 percent to 4.7 percent; currently callable 1,175,000

\$1,750,000 serial bonds due in annual installments of \$25,000 to \$275,000 through May 1, 1996; interest rates ranging from 9.25 percent to 11.25 percent; callable after 1993 at par plus premium 1,750,000

Total bonded debt \$4,739,000

The District has outstanding energy conservation improvement notes totaling \$610,000 due in annual installments ranging from \$30,000 to \$115,000 through April 1, 1993 plus interest at rates of 8.4 percent to 11.25 percent. These notes will be paid by the General Fund.

The principal requirements to amortize the bonded debt and energy notes to maturity are as follows:

	BONDS	NOTES
1987	\$ 385,000	\$ 66,000
1988	385,000	70,000
1989	330,000	75,000
1990	355,000	85,000
1991	335,000	100,000
1992-98	2,600,000	220,000
	\$4,250,000	\$610,000

The Debt Retirement Funds have \$67,628 available to service the general obligation bonds. Interest expense on all debt was \$351,430 for the year ended June 30, 1986.

Con't on page 41

Community cable guide

Programs on public access cable TV channel 11 are broadcast from the Independence Township studio of United Cable.

Monday through Thursday

Oct. 13-16

6:30pm—This Is the Life: "False Witness" is this week's episode in the drama series sponsored by St. Trinity Lutheran Church of Independence Township. It's the story of a college professor forced to resign after a coed falsely accuses him of improper conduct toward

7pm—Microwave Plus: "Easy Meals With Dairy Products" is this week's theme for Betty Wagner's show. Special guest is Irene Cameron of the Michigan Dairy Council.

7:30pm—Independence Update: The program of local news and features is produced and anchored by Clarkson High School Media II students.

8pm—Oakland County Parks and Recreation Presents: The weekly program features information about the county park system.

8:30pm—Program to be announced.

9pm—Shirley's World: "Unusual Health Problems and Unusual Cures" is the topic of discussion as Independence Township psychic Shirley Lynch talks with special guest Nancy Alexander.

Independence Township cable channel 11 programs are broadcast Monday through Thursday evenings. Other times, the station features a billboard with community service announcements and the schedule of the evening's programs.

OFFICIAL NOTICE

Village of Clarkson

Clarkston Village Zoning Board of Appeals will meet on October 23, 1986 at 7:30 p.m. at 375 Depot Road, Clarkston, Michigan 48016, to hear Case A-82.

An appeal by Corian Wayne Johnston, 24 Robertson Court, Clarkston, Michigan—Lot 33 and west 10 feet of Lot 34. The applicant request a lot coverage variance to permit an extension to an existing detached garage.

James Schultz
Secretary

10-8 & 10-15

OFFICIAL NOTICE

Charter Township of Independence Independence Township Notice of Public Hearing

The Planning Commission of Independence Township, Oakland County, Michigan, will hold a Public Hearing on 10-9-86 at 7:30 p.m. at the Independence Township Board Room, 90 North Main St., Clarkston, Michigan, 48016, to consider the proposed Revisions to the Independence Township Zoning Ordinance 83 as follows:

Amend Section 3.01 Definitions, to add the following: Planned Shopping Center. Two or more commercial or service establishments within a structure or group of structures bound by a common architectural style and served by common parking area.

Amend section 7.02, Table of Off-Street Parking Requirements, to add the following: p. Planned Shopping Center. One (1) for each one hundred (100) square feet of usable floor area for the first 15,000 square feet. One (1) for each one hundred-fifty square feet of usable floor area in excess of 15,000 square feet.

Revise Section 7.03, Off-Street Parking Space Layout, Standards, Construction and Maintenance, as follows: 6. Plans for the layout of off-street parking facilities shall be in accordance with the following minimum requirements:

Parking Pattern	Maneuvering Lane Width	Parking Space Width
0° (parallel parking)	12 feet	9.0 feet
30° to 53°	15 feet (Ord. of 2-5-80)	9.0 feet
54° to 74°	18 feet	9.0 feet
75° to 90°	24 feet	9.5 feet

Any further information regarding the above hearing may be obtained at the Township Planning Office during regular office hours 9:00 a.m. to 5:00 p.m., Monday thru Friday, or by phone at 625-8111.

Richard A. Holman
Clerk

OFFICIAL NOTICE

Charter Township of Independence Independence Township Notice of Public Hearing

The Planning Commission of Independence Township, Oakland County, Michigan, will hold a Public Hearing on 10-9-86 at 7:30 p.m. at the Independence Township Board Room, 90 North Main Street, Clarkston, Michigan, 48016, to consider the following request:

Rezoning Petition by Sharon Berridge Alexander, Tomas Bosco, Agent, from R1R (Rural Residential District) to R/O (Research Office District) and O (Office). Parcel Identification Number 08-15-451-002, Common Description: S.E. corner of Sashabaw and Clarkson Rds., 29.26 acres of land.

Any further information regarding the above Public Hearing may be obtained at the Township Planning Office during regular office hours 9:00 a.m. to 5:00 p.m. Monday thru Friday, or by phone at 625-8111.

Richard A. Holman
Clerk

OFFICIAL NOTICE

Village of Clarkson

Amendment to Ordinance No. 62

Ordinance No. 62 is hereby amended to modify Section IV.

THE VILLAGE OF CLARKSTON HEREBY ORDAINS:

SECTION I. AMENDMENTS TO ORDINANCE ADOPTED

The sub-section labeled "Section IV" shall be amended to read as follows:

SECTION IV

a. The Village Council shall not approve the partitioning of any lot within a platted subdivision, unless the resulting parcels meet the minimum width and area requirements imposed by the applicable provisions of the Village of Clarkson Zoning Ordinance.

b. Notwithstanding the provisions of Section IV (a), the Village Council may approve the partition of platted property even if the requirements of Section IV(a) are not met, when the proposed adjustment reduces the width and area non-conformity, if any, of the resulting parcels.

SECTION II. NOTICE TO BE PUBLISHED

The Clerk shall publish this Ordinance in the Clarkson News, a newspaper of local circulation.

SECTION III. CONFLICTING SECTIONS REPEALED

The Section currently entitled Section IV in the current Ordinance is hereby specifically repealed and substituted with the language above specified. All other ordinances or provisions contained within Ordinance No. 62, which are inconsistent with the provisions of the amended section are, to the extent of such inconsistencies, hereby repealed.

SECTION IV. WHEN EFFECTIVE

This Ordinance shall become effective upon its publication.

Made and passed by the Village Council of the Village of Clarkson, Oakland County, Michigan, on this 15th day of September, 1986.

Ayes: 7
Nays: 0

Con't from page 40

CLARKSTON COMMUNITY SCHOOLS NOTES TO FINANCIAL STATEMENTS JUNE 30, 1986

NOTE 4 - LONG-TERM DEBT (Continued)

The District has a special sewer assessment payable in annual installments of approximately \$15,000, including interest at a rate of approximately 6 percent, through 1989. The assessment is included in General Fund expenditures at the time of payment.

The other obligations in the General Long-term Debt Account Group are as follows:

Accrued sick pay	\$693,000
Accrued vacation pay	83,000
Self-insured workers' compensation claims	27,000
	<u>\$803,000</u>

NOTE 5 - LAND CONTRACT RECEIVABLE

The District sold land for \$215,000 in the current year. This land had been purchased by the Building and Site Fund and financed through proceeds from a 1958 bond issue. All debt related to the purchase of the land has been paid off. Terms of the contract included a \$40,000 downpayment, monthly interest payments of \$1,404 and a balloon principal payment of \$175,000 due May 14, 1989.

The District has recorded the sale in the Building and Site Fund. The District has recorded deferred revenue equal to the land contract receivable.

NOTE 6 - WORKERS' COMPENSATION CLAIMS

The School District is partially uninsured for workers' compensation claims. Under the plan, the School District's

maximum loss is limited to an amount equal to a percentage of the normal workers' compensation premiums. Losses in excess of this limitation are insured up to an aggregate limit of \$3,000,000. At June 30, 1986, the School District has \$27,000 in the General Long-term Debt Account Group for claims filed but not yet paid. The difference between the amount computed at rates ranging from 95 percent to 135 percent of the normal premium and the payments actually made or accrued for claims filed represents the exposure of the School District to future claims for past liabilities. That exposure approximates \$749,000 at June 30, 1986.

NOTE 7 - INTERFUND RECEIVABLES AND PAYABLES

FUND DUE TO	FUND DUE FROM		
	GENERAL	TRUST AND AGENCY	TOTALS
General	\$ -	\$2,559	\$ 2,559
Food Services	120,530	-	120,530
Northwest Oakland County Vocational Center	16,332	-	16,332
Maintenance, Equipment and Repair Fund	2,536	-	2,536
	<u>\$139,398</u>	<u>\$2,559</u>	<u>\$141,957</u>

NOTE 8 - INTEREST ON PROPERTY TAX COLLECTIONS

Recently, the Michigan Court of Appeals ruled in Grand Rapids Public Schools vs. the City of Grand Rapids that interest earned by the city in connection with the collection of school property taxes belongs to the school. Subsequently, additional legal action has been initiated by several municipalities and school districts to clarify this legal issue.

In this connection, Clarkson Community Schools has entered into an agreement with the major taxing authorities that provides for the prompt payment of taxes from such authorities.

Free winter inspection

Motorists can prepare for winter by taking advantage of a free 12-point vehicle inspection offered by AAA of Michigan.

The seventh annual Winter Car Care clinic includes inspections from 10 a.m. to 5:30 p.m. on Tuesday, Oct. 14, at the Summit Place mall, 315 N. Telegraph, Waterford Township.

The five-minute inspections will be performed by emergency road service representatives.

Items to be checked include air filters; battery terminals; belts and hoses; lights; tire pressure; wiper blades; and oil, antifreeze, windshield washer solvent, transmission, power steering and brake fluid levels.

Following the inspection, motorists will receive a written assessment of the inspection, a car expense record booklet and a pamphlet entitled "If You Don't Take Care of Your Car, Who Will?"

The Summit Place inspection is one of 21 planned across the state.

—Obituaries—

Aldah B. Smith

Aldah B. Smith, 74, of Orion Township died Oct. 3.

She is survived by her husband, Elbert; children, Barbara Block of Clarkston, Michael Smith of Clarkston and Mildred Thompson of Benton Harbor; 11 grandchildren; six great-grandchildren; and sister, Ruth Leftwich of Martinsville, Va.

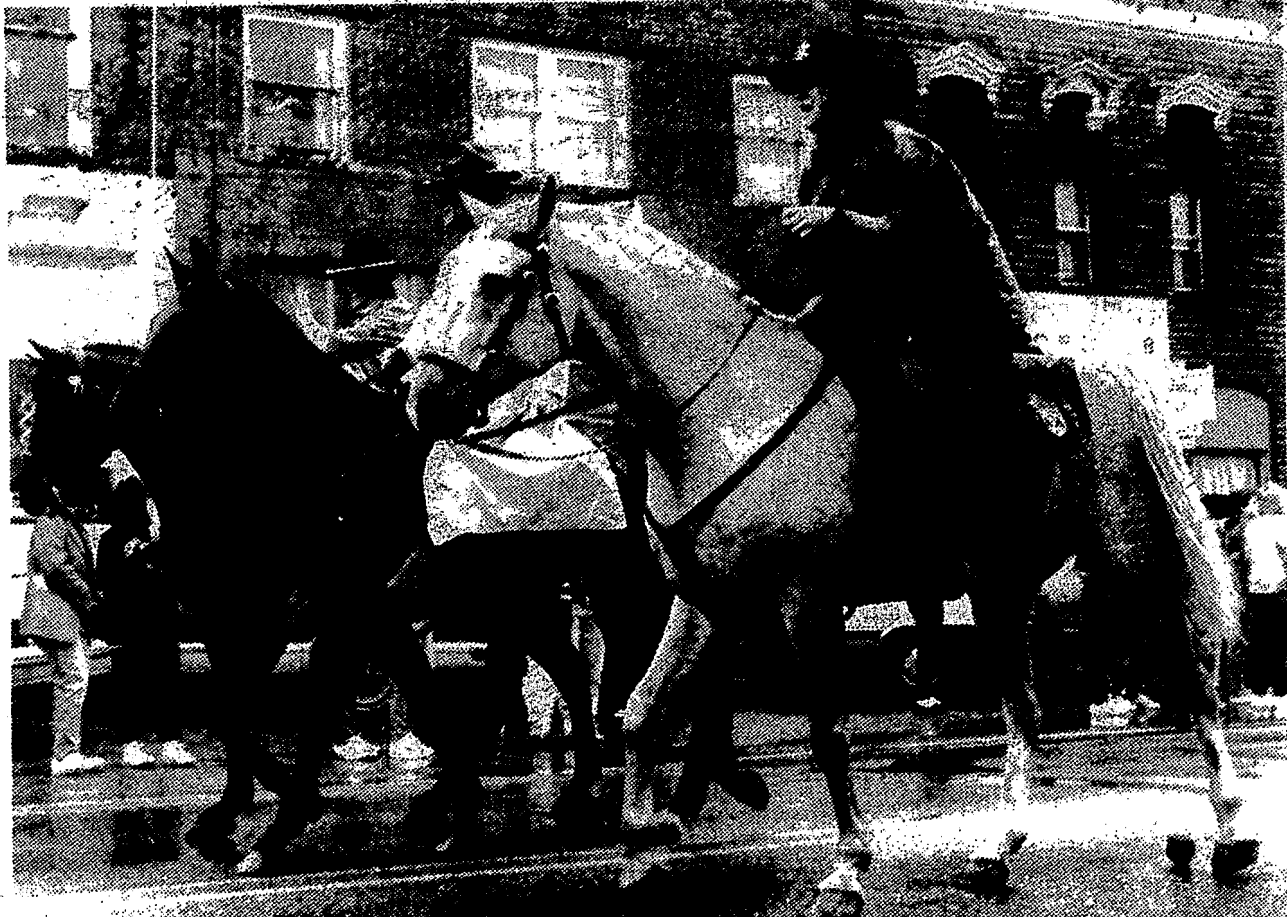

The funeral service was held Oct. 6 at the Goyette Funeral Home, Clarkston, with the Rev. Dwight Murphy officiating. Burial followed in the Christian Memorial Cultural Center Cemetery, Rochester Hills.

Jeffrey James Stoglin

Jeffrey James Stoglin, 24, of Clarkston died Oct. 2. He graduated in 1984 from the Wayne State University, Detroit, College of Business.

Surviving are his parents, James and Penny Stoglin of Clarkston; sisters, Deborah, Annette and Lisa, all at home; grandparents, Mary Lou Stoglin of Pontiac, Reah Tatro of Pontiac and Mr. and Mrs. Clarence Hanson of California; and dear friend, Jennifer Davis of West Bloomfield.

The funeral service was held Oct. 4 at the Lewis E. Wint & Son Funeral Home, Independence Township, with the Rev. Harold Drum officiating. Burial followed in Ottawa Park Cemetery, Independence Township.

First it sprinkles. Then it drizzles. Then it downpours. But the rain doesn't stop the mounted police from trotting down Broadway

during the sesquicentennial parade on Saturday.

Horses of different colors

This pony doesn't seem to mind the drizzle last Saturday, and neither do its passengers. The parade entrants lasted through sprinkles and

even and bucketfuls of water. [Photos by Julie Campe]

PRAYER TO THE Holy Spirit, Holy Spirit you who make me see everything and who show me the way to reach my ideal. You who give me the Divine gift to forgive and forget the wrong that is done to me and you who are in all instances of my life with me. I in this short dialogue, want to thank you for everything and confirm once more that I never want to be separated from you, no matter how great the material desires may be. I want to be with you and my loved ones in your perpetual glory. Amen. Thank you for your love towards me and my loved ones. Pray this prayer 3 consecutive days without asking your wish, after the third day your wish will be granted, no matter how difficult it may be. Then promise to publish this prayer as soon as your favor has been granted. Wish granted. ILLX39-2

130-IN MEMORIUM

ITS BEEN THIRTY-FOUR YEARS now since our Lord took my Mother home, though it seems like only yesterday we were sitting at my kitchen table sharing coffee and talking over the current events in our lives. I still feel the pain of her passing, and miss her with each day, but when its late at night and everyone's asleep, I'll see her smiling face, her cheerful eyes, and her beautiful wavy hair. I'll hear her gentle voice soothing my troubles away, and I'll almost feel her warm embrace. And then I'll know as I always do, that she hasn't really gone forever, as she lives on with me here, in my memories and in my heart. In loving memory of Gertrude Mae Clyne who passed away Oct. 1, 1952. Sadly missed by her daughters & son. Mable Spring, and family. On-tonagon, MI, 49953. IILX40-2

Parade march for Springfield

Best float is the award given to the Davisburg Elementary School by judges H.B. Childress,

Joan Clements and Gerald McNally. Principal Steve Gaynor is the schoolmaster.

Photos by Julie Campo

The Davisburg Scotties march in the parade, throwing candy to the dedicated onlookers.

They're a local group, part of the worldwide organization of homemakers.

After marching in the parade, the Hartland High Filers performed in Davisburg Elementary School.

In the animal section of the parade, this participant is dressed in full festival attire.

Best animal entry is given to Jay Tindall's dogsled team that pulls a wheeled vehicle on the wet pavement. Best theme is Calvary

Methodist Church of Holly, most entertaining, Andersonville Elementary School, and best auto, Matt Jones' miniature ice truck.
