Village cityhood concerns township

BY JULIE CAMPE
Clarkston News Staff Writer

Reactions to the possible cityhood of the Village of Clarkston were mixed at Independence Township Hall last week.

Supervisor Frank Ronk said there were too many unanswered questions.

"Overall, I really don't have a comment because I don't know what would happen," he said, adding he was concerned about the township-village relationship.

Clerk Richard Holman also voiced concern over the relationship between the two governmental bodies.

"What we need to keep in mind is that we are ultimately one community, not two," he said. "If we are

going to incorporate, it should be as one whole community, with the village designated as a historical district, if need be."

Unanswered questions, he said, included: What would be the benefits and extra services? When would they take place? And what would the extra costs be?

Treasurer John Lutz did not approve of the cityhood of the village.

"It will drastically change a lot of things in the community," he said. "We would have to move (out of Township Hall). We cannot be in another jurisdiction. ... (See CITYHOOD, next page)

More deputies on Deer Lake

BY JULIE CAMPE
Clarkston News Staff Writer

Boaters on Deer Lake may be surprised this summer when extra marine deputies from the Oakland County Sheriff's Department patrol the lake.

Marine Deputy Mel Schmittel said the county bought four new boats this year (two are replacement boats) and plans to increase weekend coverage on Deer Lake off White Lake Road in Clarkston and Independence Township.

"There have been some problems in the last couple of years on Deer Lake that citizens have been concerned about," he said, mentioning reckless driving and violating the 7:30 p.m. quiet time.

"People come out after 7:30 to enjoy the tranquility, and people haven't been courteous about this," he said. "The lake is big enough that if everyone would share and

(See PATROL, Page 17)

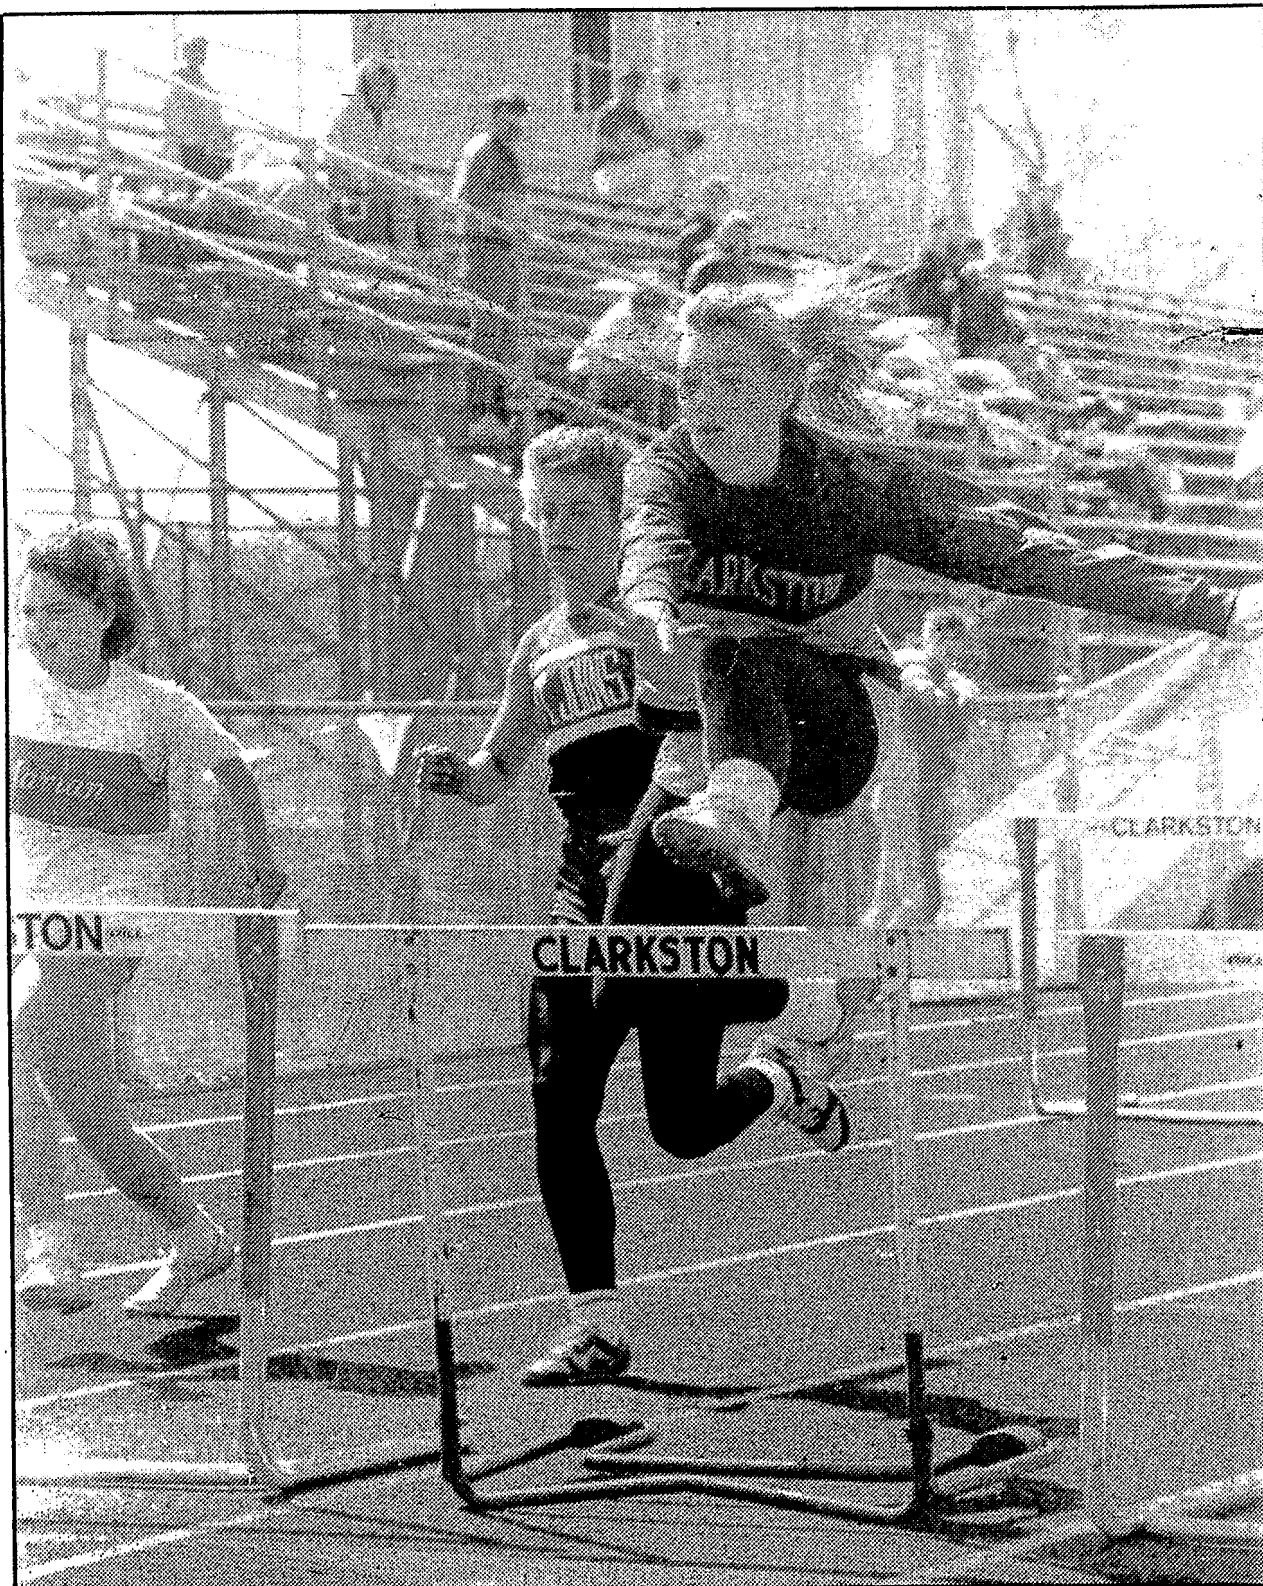

Hearing to address town retail problems

A public hearing to discuss the problems within the downtown Clarkston business district is scheduled for 7:30 p.m. Monday, May 23, in the Village Hall, 375 Depot St.

Topics for discussion include: Should the current zoning ordinance in the business district be revised to distinguish between different types of businesses, such as retail and offices? Is there a need for downtown redevelopment and how would this be financed?

The meeting is especially important to all business owners, building owners and residents. The village council sent a letter to every resident in Clarkston recently to inform them of this meeting.

Several business owners have been attending recent village council meetings asking the village do something to help increase the number of retail outlets downtown.

FLYING HIGH: The girls track team at CHS hosted its first invitational meet on sunny Saturday. Cindy Lundsford easily clears all the obstacles en route to victory during her

heat in the 100 hurdles event to help the Wolves capture the first-place team trophy. Plans are to make the invitational an annual meet. (Photo by Peter Auchter)

Villagers can attend cityhood hearing within year

(CITYHOOD from previous page)

That has me worried."

People who move to the community identify with Clarkston, he said. They have a Clarkston mailing address and think of the village as the character of the area.

"I would hate to have us split ourselves," he said. "I think cityhood (for the township) is inevitable in the years to come."

A power struggle would probably surface, as it has in the cases of Rochester and Rochester Hills and Farmington and Farmington Hills, said Lutz.

If the village is bent on becoming a city, then let's become one city," he said. Otherwise, it would be "a duplication of services. That's really what you don't need in a community at twice the expense."

The deciding factor for residents would be cost, he said, adding the village would probably have to provide police, fire, road, garbage, and assessing and tax collecting services.

He added that the village is not going to grow, and the tax base will remain the same.

"I really believe it's a bad venture for the village. ... It's a real big step for both of us, but I believe we have more to gain (by) not incorporating," Lutz said.

Village Council Trustee William Basinger said the petition filed with the Michigan Boundary Commission last week was only the first step and was necessary to get the information to the residents to begin discussion. The people within the village may still decide whether or not they want cityhood, he said.

Residents had been discussing cityhood for about six months and decided to file when rumors were circulating that the township was going to file, he said, adding the first petition filed had first priority.

"If the township chose to become a city, they could be a city for the entire township, including the village," said Basinger.

"Everyone would vote (on the incorporation)," he said, adding the village population is about 20 times smaller than the township population and would have

"What we need to keep in mind is that we are ultimately one community, not two."

Richard Holman
Independence Township Clerk

little say in the matter.

With a population of about 1,000, the village is barely above the 750 minimum population required for cityhood, he said, mentioning Franklin and Saugatuck as comparable cities.

Many questions are unanswered, he said, but some are known. If the village became a city, a full-time mayor or manager would be required, and the village would have to provide assessing and tax collecting and other municipal services, he said, adding the specifics, including costs, are still unknown.

Discussion on cityhood first began when the township began growing and needed extra services, such as more police coverage, he said.

"They're growing, and there's nothing they can do particularly, but it causes pressure for taxes. ... We don't need additional services, and the township does," Basinger said.

The petition did not include property outside of the present village boundary, he said, adding cityhood would not diminish the township.

"We're not interested in taking over the township," he said.

Rumors that the village planned to incorporate property on the east side of M-15, presently in the township, are untrue, he said.

The township and village had discussed that bound-

ary adjustment, but it is separate and has nothing to do with incorporation, he said.

The boundary commission is to hold a public hearing on cityhood within a year, and the village council plans to hold public meetings when it has more information.

An election will be scheduled if 5 percent or more of registered village voters request it, he said. Otherwise, the decision made by the boundary commission will determine whether the village will become a city.

Tickets available at the door - No one admitted after 7:30 p.m.

BAYCOURT CAMP on Andersonville Road is Independence Township's newest park and

camp. The 49-acre facility is also to be used as a day, sports and regional camp. With a little work, the site should be ready to use by the end of this summer.

Newest township park boasts castle

BY JULIE CAMPE
Clarkston News Staff Writer

Within two weeks, a long-time dream will become a reality for Independence Township Parks and Recreation Director Tim Doyle.

Signatures will finalize the township's purchase of 49-acre Bay Court Camp from United Community Services of Detroit.

"I look at it as a jewel in the township," said Doyle. "You can look at it from a lot of different angles - preservation, usage of a facility close to the township. ... If there's any drawback, it's that it's not in the middle of the township."

The camp on Greens Lake is in the southwest tip of the township and is almost hidden from Andersonville Road by tall pine trees and high hills.

It is to be purchased with a \$375,000 grant from the Michigan Land Trust Fund and \$125,000 from the township.

Built in 1921, it's been said that it was formerly used as a home for unwed mothers, said Doyle. In more recent years, it's been used as a scouting camp, a camp for handicapped inner-city children and as a day camp for Independence Township.

The site is completely fenced and is served by electricity and water. The main lodge, which burned in 1925 and was rebuilt in 1926 with brick and concrete, has a cafeteria and a huge kitchen with a large stove. A fireplace rests at each end, and the building holds arts and crafts areas, restrooms, offices and storage areas.

The lodge is complete with a tower and a basement and a small caretaker's apartment.

"The building has a lot of character," said Doyle. "It fits the setting. It looks like a castle. We can have a

dynamite place at Halloween. We can have the best haunted house in the state."

The camp also has a huge flat area, ideal for sports camps, said Doyle.

Six large group cottages surround the open area and sleep 25 to 45 children. Each has a fireplace and a knotty pine interior. Most need repairs to the screens and roof and a new coat of paint, he said.

Log cabins in the camp were used for camp counselors. A wooded area between the open area and the residential area to the east contains four structures that haven't been used in 15 years, Doyle said.

The lake area has a dock with boat slips and an enclosed swimming area with a sandy bottom that's about five feet deep.

On a hill overlooking the lake, a seating area surrounds a spot for an open campfire.

The entire site is perfect for a camp or park setting, said Doyle.

"The site is high, and, if you look around, it's hard to believe you're here," he said. "It keeps the outside

world at a distance. It gives you the feeling you're out in the wilderness or the country."

After some of the work is completed this summer, the camp could be used in late summer, said Doyle.

It will probably be a traditional camp for local and regional groups and an open park when the camp isn't in session.

It would be perfect for school sports teams that would like to use the facilities for an entire week to practice, play and live together. Films could be shown in the evening, he said.

"There's something to be said for that," he said. "There's a lot of cohesiveness that comes from that."

"The camp setting would be one way we could generate some revenue," he added.

Another addition that could bring revenue would be a water slide, he said. Although they're usually obtrusive protruding from the water in their huge mass, a slide at Bay court could be built into the steep hill.

"Places that have water slides recoup their money in two or three years, and after that, it's profit," he said.

Expansion eyed for Colombiere Center

A growing number of elderly Jesuits prompted a joint study on care for the elderly by Jesuits of the Detroit Province and Jesuits of the Chicago Province.

The two provinces hired a consultant to study the needs of elderly and sick Jesuits and are considering expanding services at the Colombiere Center on Big Lake Road, Springfield Township, said Ruth Mullane, conference coordinator.

The consultants also recommend what services need expansion, if any, and are to determine whether or not the building needs expansion, said Mullane.

"At this point, it's just too premature to say what will be done," she said, adding she wanted people to know about the study. "Colombiere Center is a very beautiful place, a very important facility to so many people. We certainly didn't want people to be upset about any misinformation."

The Colombiere Center, which opened in 1959 as a Jesuit seminary, serves as a residence for elderly and ill Jesuits from the Detroit and Chicago areas, and the need seems to be growing, she said.

"There is a notable fact that some of the Jesuit community are getting much older and some require care in the infirmary," said Mullane. "Right now, our infirmary is filled."

The other services housed at Colombiere will not be affected, she said, mentioning the Spirituality Center, Conference Center, Insight at Colombiere and the Clarkston campus of the University of Detroit.

Last call for candidates

Time is almost up for residents who wish to run for office in Independence Township.

Petitions are due by 4 p.m. Tuesday, May 31, but the township office is closed Monday, May 30, for Memorial Day, said Clerk Richard Holman.

"If everybody waits until the last minute to submit petitions, we just won't be in a position to confirm signatures by 4 p.m.," Holman said.

Only two petitions have been submitted in Independence Township, and Holman suggested filing as soon as possible.

Signatures of 70 registered voters are required to become a candidate for office. In Independence, the full-time positions of supervisor, treasurer and clerk and the part-time positions of four trustees will appear on the Nov. 8 ballot.

Petitions are available at the township hall.

Early deadlines

Due to the Memorial Day holiday on Monday, May 30, there will be early deadlines for the June 1 edition of The Clarkston News.

News items must be received by noon Friday, May 27. Want ads must be placed by 3 p.m. Friday, May 27. Display advertisements must be placed by noon Thursday, May 26.

The News office, at 55 S. Main, Clarkston, will be closed Memorial Day. We will resume our normal business hours of 8 a.m. to 5 p.m. weekdays beginning Tuesday, May 31. Our telephone number is 625-3370.

Clarkston man in hospital for burns

A 62-year-old Clarkston man was seriously injured in an explosion at his Lewiston cabin May 15.

Donald Miller, of North Main Street, is in intensive care at the Ann Arbor Hospital, where he is being treated for extensive burns to his face, shoulders and feet.

About 4 p.m. Sunday, Miller was carting gasoline and batteries from his cabin to his boat house, when the cart exploded, said Berneice Darazia, a family friend.

"His whole body caught on fire," said Darazia. Miller's sister Winifred Miller and his niece Janet Miller were at the cabin and put out the fire, said Darazia.

"Winifred took her sweater and went to his face first because that's where the fire was," Darazia said.

The flames were out before the firefighters and ambulance arrived, and Miller was rushed to Grayling Hospital before being flown by helicopter to Ann Arbor, she said.

Miller's neighbors, Harold and Norma Goyette, drove to Lewiston to drive Winifred and Janet, who were upset, back to Clarkston, said Darazia, adding the Goyettes' help was greatly appreciated.

"(The two women) are suffering terribly from it," she said. "To see a person on fire, I don't think there's anything worse."

Miller is a former employee of Independence Township and Clarkston schools and now delivers food to senior citizens, said Darazia, adding many people have called to voice their concern about Donald, and that, too, is appreciated.

Man dies in car crash

A 45-year-old Grand Blanc man was killed in Springfield Township May 13 after he lost control of his vehicle on Dilley Road, south of Davisburg Road.

About 1:35 p.m. Friday, Jerald Andrew Voller was driving southbound on Dilley Road, when he apparently lost control and crossed the roadway twice, spun around backwards and hit the east edge of the roadway with the rear of his vehicle, landing on the vehicle's right side, according to the reports at the Oakland County Sheriff's Department.

Voller was pronounced dead at Pontiac Osteopathic Hospital around 3:10 p.m.

He was not wearing a seat belt, according to the report.

Sheriff's Log

Thursday, a \$150 garage window was smashed in an apparent breaking and entering attempt on Dartmouth, Independence Township.

Thursday, a vehicle hit and damaged a gas pole on Dvorak, Independence Township.

Thursday, paint was scratched on a vehicle at the Clarkston High School parking lot, Middle Lake Road, Independence Township.

Thursday, a 30-year-old Independence Township resident was hit in the elbow by a vehicle while riding his bicycle on Sashabaw Road, Independence Township.

Thursday, a mailbox was smashed for the second time in three weeks on Waldon Road, Independence Township.

Thursday, a \$250 boat, owned by an Independence Township resident, was stolen from Upper Bushman Lake, off Sashabaw Road, Brandon Township.

Thursday, a \$150 socket set was stolen from an unlocked vehicle on Edgar Road, Springfield Township. A speaker was also stolen and later found smashed at the end of the driveway, where the mailbox was also smashed.

Thursday, someone attempted to break into the Video Vault, Dixie Highway, Springfield Township, but was apparently scared away by an audible alarm.

Thursday, a vehicle window was smashed on Haylock, Springfield Township. Stolen were a box of tools, an air compressor, a \$45 electric drill and a \$300 radar detector.

Thursday, a 9-year-old boy playing on Kropf Road, Springfield Township, was approached by a male in a vehicle who tried to coax him into his car. The boy twice refused, and the man drove away when a neighbor came outside.

Friday, a 16-year-old Cramlane resident, one of 10 teens outside Marco's Pizza, M-15, Independence Township, was given a ticket for loitering. The other teens fled on foot when the police arrived.

Friday, two cassette tapes were stolen from an unlocked car on Cramlane Drive, Independence Township.

Friday, a 1988 Chevrolet Blazer, stolen from Bloomfield Township, was found in a field off Pine Knob Road, Independence Township.

Friday, four sprinkler heads were stolen from the lawn at the Clarkston Professional Building, M-15, Independence Township.

Saturday, a \$100 vehicle window was smashed, apparently with a marble and a slingshot, on Waterford Hill Terrace, Independence Township.

Saturday, two vehicle windows were smashed on Clarkston Road, Clarkston.

Saturday, windows on two vehicles were smashed with a pellet or BB gun on Waterford Hill Terrace, Independence Township.

Saturday, a \$10 plastic "bill box" containing miscellaneous papers and a half-eaten submarine sandwich was stolen from a vehicle on Stevens, Independence Township.

Saturday, someone used a sharp tool to scratch paint on a vehicle on Shore Court, Springfield Township.

Sunday, a \$300 gold necklace and a \$1,700 diamond ring were stolen from a Mohawk, Independence Township, residence.

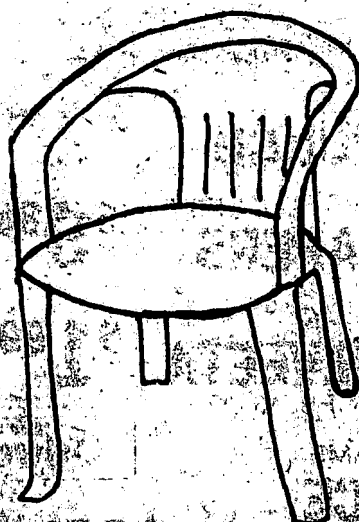

The above information was compiled from reports at the Oakland County Sheriff's Department.

DURING SPRING CLEANUP May 14 and 15, Don Draper and other employees from BFI North Metro emptied car and truckloads of trash from Independence Township residents' vehicles. About 850 loads of tires, metal, wood and household refuse were dumped at the Department of Public Works

over the weekend, said Director George Anderson. The total cost so far is over \$30,000, but BFI isn't finished clearing the site, he said, adding the fees charged to township residents won't cover the entire cost.

Photo by Julie Campe

Site becomes tax exempt

Sale of property to a tax-exempt organization has resulted in the cancellation of a tax abatement by the Springfield Township Board.

On May 12, the board canceled the Facilities Exemption Certificate for Functional Gage, a business formerly located on Dixie Highway between South Holly and Enterprise roads.

New owner of the property is New Horizons, a non-profit corporation that operates throughout the area, providing rehabilitation and job training services for the physically and mentally impaired.

Fire truck gets 25 bids

"I wish we had several to sell" was the comment from Springfield Township Supervisor Collin Walls when the township received 25 bids on a 1967 International fire truck chassis and cab that was replaced by newer equipment for the Springfield Township Fire Department.

The bids ranged from \$355 up to \$3,250, and the township board unanimously awarded the truck to the highest bidder, who was from Pontiac. He had one week from the May 12 board meeting to purchase the truck for \$3,250.

Dreams

Kathy Greenfield

She wanted apple or banana. Definitely not blueberry. And if they didn't have A or B, then she'd take a donut, she guessed.

Standing in line, I spotted apple. I was almost sure. The sugar topping was in place, but there was no little hand-lettered sign, so I had to wait and ask.

Peach. Oh rats, the muffins were peach. Sounded good to me. But if you don't like blueberry, would you like peach? I ordered a donut.

As I delivered it to her desk, she didn't look too thrilled, but I didn't tell her about the peach. What if peach was her third favorite kind of muffin in the whole world? I didn't want to know, at least not then.

The next time I make a bakeshop run and she wants a muffin, I might ask, "And how do you feel about peach?" She'll say she loves peach, and then they'll have some other variety of muffin-of-the-day. And so on.

All this for plastic foam container of coffee.

Moving right along, I listened to a news special last week that featured church leaders in several denominations.

One striking similarity was voice quality. These men have golden voices. I wondered if they became ministers at least partially because of their voices. Making speeches can be practiced, but voice quality is something people are born with. Call it destiny.

Every once in a while, though, I meet someone who should be on the radio - or at least a telephone operator - and they aren't.

Remember "Laugh-In"? Goldie Hawn had such a funny, squeaky voice that it made you laugh, which was good because she's a comedian. Since then, she's become well-known for her acting abilities. Who would have guessed.

Other voice standouts: Bette Davis, John F. Kennedy, Donald Duck, Henry Kissinger, Wally Cox, Barbara Walters, Sylvester Stalone, Michael Jackson, Kathryn Hepburn.

It's fun, too, to make a list using people at work, in your neighborhood, in your circle of friends.

I was describing in detail the kind of car I'd like to own, when someone pointed out that it was an impossible dream.

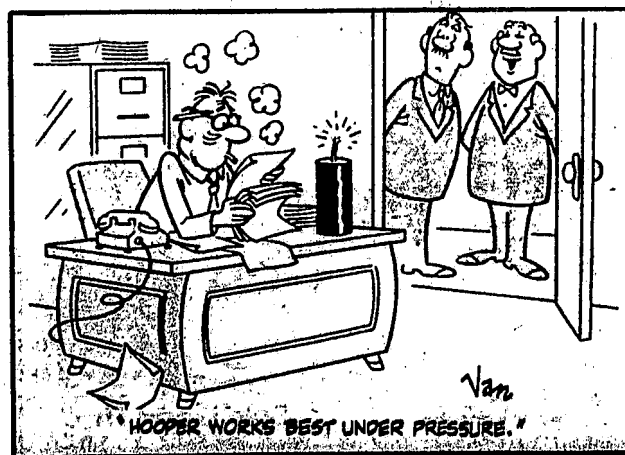

"This is my fantasy, so anything goes," said I.

The person argued that it's silly to dream. Why waste time on something that won't happen? Think of things you want and go for them. Rah-rah-rah.

All I can say is different personality types have different characteristics.

I've always been perfectly comfortable imagining my perfect cottage in the forest, flower garden, collection of jewels, Pulitzer Prize.

I'm even good at spotless house.

Opinions

ON THE CROP WALK May 15, William Baranyal (left) and John Priebe, here in front of St. Daniel Catholic Church, were among the about 110 walkers who raised about \$6,800

In the 10 kilometer walk to fight hunger sponsored by the Independence Township Ministerial Association. One-quarter of that amount is to help local people.

Jim Sherman

Jim's Jottings

Enroute to Engadine:

Wheeler's restaurant in Standish is a fine place to stop for breakfast. Fast and friendly.

Lots of folks along M-33, M-32, M-68, etc. have cut many cords of firewood this past winter. None have cut and stacked more than the people just north of Alger on 33.

The single wild turkey that ran across the road in front of our car near Rustic Inn south of Lewiston seemed unaware it was his hunting season.

A stop at Ma Deeters is always necessary when off the beaten freeway path on M-72 at Luzerne. Jack Stefani has been the owner the past 14 years. Ma died in 1965.

You know you're at Ma Deeters when you see the sign, You're in God's Country. Stefani is the grandson of John Ivory, known in southeastern Michigan for his polo teams and moving vans. Crossed polo mallets hang on the back bar.

On a nearby wall is Jack Stefani's creed: "Open most days about 9 or 10-occasionally as early as 7, but some days as late as 12 or 1:00."

"We close about 5:30 or 6:00-occasionally about 4 or 5, but sometimes as late as 11 or 12. Some days or afternoons we aren't here at all, and lately I've been here just about all the time, except when I'm somewhere else."

Stopped to get a fishing license at a real neat tackle and hunting store, Wildlife North Sports, in Lewiston. There's a big stuffed black bear in the window.

Life's full of firsts, and this trip was no exception. Looked up Morrie Allen in Engadine, and found him fileting smelt in his garage. That's right! Fileting smelt. He said, "Betcha never saw anyone do this before, but I can clean 'em this way just as fast as any other way."

He was quick. He only fileted the big ones. The others he'll freeze to take into Canada for bait, or use through the ice next winter. Lots of people do that.

Radio station WNBX, Newberry scheduled songs of the 60's for both weekend days. I swear that if song writers of that day couldn't use the word 'baby' there would have been no music.

Some UPPERS are extra upset with the DNR. The DNR has few fans north of the bridge anyway, and now fewer. Seems the decision was made to open pike season in the lower peninsula two weeks before the upper.

Resort owners are complaining that opening day pike fishermen will start down below, and not make a second trip to patronize them.

We're complaining because we finally caught some pike and had to throw them all back.

Letters to the Editor

Avoid dark stage

Being a student at Clarkston Senior High School, I personally see the need for the millage to pass.

My three years at Clarkston have been more than enjoyable, and I owe this to the fine dramatic and music programs. These programs have taught me about life and its values and how to use my talents to their fullest potential.

Without the millage, these programs and others will be gone.

I feel as a graduating senior that it would be a shame for the underclassmen not to have a chance to get the same quality of education I received.

So please remember the saying, "Nothing is worse than a dark stage," and join me on June 13 to vote "yes" to restore all academic and extracurricular programs.

Allan Watson
Class of '88

Cannot be trusted

One of the most important issues facing the future of Clarkston schools lies in the millage election coming up on June 13. I certainly hope the action or the inaction in Lansing on school financing does not cloud your decision.

A week ago, your legislators were asked to vote for the ballot proposal that would increase your taxes by \$620 million.

Education supporters were told this was the only way to increase funding for K-12 education, yet none of the revenue of this increase was earmarked for education - it was all to go to the general fund.

Your legislators and United States taxpayers were asked to put our trust in Lansing to distribute the funds appropriately and to give more to our children's education.

I voted against this tax increase because it did not guarantee any money to K-12 education.

Tax practices in Lansing have convinced me and you, the taxpayers, that trusting Lansing to distribute money to education is a lesson in futility. And for that reason, this proposal, even if it had two-thirds approval of the Legislature, would have been doomed to fail at the ballot box, and rightfully so.

I believe in providing adequate funding for the education of our children, but money must be earmarked for this purpose. It is high time that educational funding is stopped from being a political football.

Earmarking of educational funds is essential to removing it from the whims of the political process. This is a long-term goal that must be achieved and can be if the Democratic Legislators can agree to compromise on this issue.

We had an excellent compromise package until the governor decided to hold K-12 education hostage in return for his tax increases - promising to give while refusing to earmark funds. We will continue to fight for this issue!

In the meantime, there are other ways to help out education. Wouldn't you think that out of a \$12 billion budget, a budget that has increased by 50 percent over the past five years, Lansing could afford to spend just three-tenths of 1 percent on more education this year?

Education supporters have been led to believe there is no more money. And yet several legislators and I have uncovered several million dollars in new programs in other areas proposed for this year's budget.

There is money for neighborhood incentive care, work and learn camps, government "make work" jobs for able-bodied people on general assistance, just to mention a few. But no more money for the education of our children.

Letter policy

We welcome our readers' opinions. Letters to the editor must arrive at The Clarkston News office by noon Monday to be considered for publication in Wednesday's paper. We reserve the right to edit all letters for brevity and clarity and to limit the number of letters from any one individual on any one topic. We discourage copies of letters sent elsewhere, and require all letters be signed and include a phone number and address. We may withhold names on request, but will not publish unsigned letters. Address all letters to: Letters to the Editor, The Clarkston News, 515 Main, Clarkston, MI 48016.

I plan to strive to divert \$41 million of funding from primarily new state programs to K-12 education. This would mean a 6 percent increase to most districts, which would go a long way in solving their current financial crisis.

I am still optimistic of our compromise being reached yet this year to put a proposal on the ballot in November. However, I also believe we're buying insurance.

Mat Dunaskiss
State Representative

Poppy's purpose

When you are asked to wear a Poppy on May 19, 20 and 21, remember the Veteran in the hospital who made the memorial red flower.

Our Poppy Day purpose has always been to honor the war dead by assisting the living in our community and hospitals throughout the state.

The Poppy is distributed by volunteer workers of the American Legion and the American Legion Auxiliary.

Betty Corby
Auxiliary President

Reason to vote yes

There is another millage election in Clarkston coming up June 13 asking for 5.5 mills. What happens if this millage isn't passed? What would its failure mean for the average student?

Plan A is the district plan if the millage is voted down. If Plan A takes effect, there will be a reduction of \$1.7 million in the budget.

There will be reductions that include 38 teaching positions and cutting secondary school hours by one. All extracurricular activities would be eliminated. This includes sports, drama and music for junior and senior high students.

Elementary pupils would lose music, physical education and reading support. These students already lost foreign language courses with this year's cuts. Almost all class sizes will go up.

It has already been proven that schools with less money to spend on students aren't as good as school systems with more money to spend on programs.

Right now, Clarkston is spending \$3,181 on each student, which isn't that much. We have a 26:1 student-teacher ratio and a 400:1 student-counselor ratio. These ratios are very high compared with other schools in the area. They will get worse if Plan A goes into effect.

Clarkston waits 10 or more years to buy new books. This is too long. Most schools only wait seven years at the most. This doesn't need to be increased, it needs to be lowered. But with Plan A, it will increase.

How about extracurricular activities? Plan A drops drama, band and sports, and any other extracurricular activity.

Other schools in the past have dropped extracurricular activities, and these schools are begging to have them back. Some of these schools couldn't get the programs back while others that did took a long time to get the programs to the former standards.

Sports are an important after-school activity, but they are more than that. Sports help build self-concept through participation. Sports help to develop team spirit. Sports also give students responsibility and develop social skills.

Just being in sports gives you a better chance to get into college. In some ways, taking away sports would be a crime.

Shortening school hours develops three main problems. First, teenagers would get out of school earlier and have nothing to do. This time would allow students to get into more trouble.

Second, it would be harder to meet your graduation requirements with a shorter school day since it will be harder to get classes you want. Cutting short on classes will even make it harder to get into the college of your choice, which is the third problem.

These are all ways the defeat of the millage will hurt students. So I tell you, vote for the millage so these Plan A changes won't happen.

Joel Mellen

Clarkston Junior High

'If it Fitz ...'

Expert's
opinion

Jim
Fitzgerald

For a while, I thought there was a Ford in my future. Every night, every few minutes, Tigers manager Sparky Anderson shows up on my TV screen, urging me to buy a Ford because Ford dealers are the best team in town. I was beginning to believe him.

But then I saw an Anderson interview by Bernie Smilovitz on Channel 4. Smilovitz asked what Sparky thought about a Sports Illustrated article evaluating the talents of baseball managers.

"I don't pay attention to those people," Anderson said. "If they're not baseball people, they don't know nothing about baseball."

That sounded plain enough. The only worthwhile opinions about baseball come from people professionally involved with the game, as players, coaches or managers.

Especially included among the baseball dummies, according to Anderson, are sports reporters. It doesn't matter how many years they spend watching and writing about baseball games, even for such esteemed publications as Sports Illustrated. If they're not baseball people, they don't know nothing about baseball.

Smilovitz offered no highlights of his reaction to Anderson's crushing put-down of sports reporters. Heck, everyone knows Sparky often says things he doesn't mean, perhaps just to exercise his astonishing syntax, and is liable to say something opposite the next day.

Did Sparky get traded?

For example, a few years ago he said Chevrolet was the best team in town, but now he's switched to Ford. The Tigers weren't doing so well when Anderson made Chevy commercials, and I remember writing that a Chevrolet salesman ran out into his dealership lot to catch a customer but lost him in the sun.

Nevertheless, in view of Sparky's strong disregard for baseball opinions from non-baseball people, it seems fair to ask if it is likewise true to say: "If they're not car people, they don't know nothing about cars."

Anderson is not a car person. If he were, he might substitute a one-legged auto mechanic in left field, instead of infielder Jim Morrison, which would be an improvement. Anderson is a baseball person, so why pay any attention when he tells us to buy a Ford?

Why shouldn't we simply believe he made those ubiquitous TV commercials for the money, and really has no idea if the Ford team is any better than, say, the Buick team, especially down the middle and coming off the bench.

Or how about Al Kaline, my favorite baseball person and the only baseball broadcaster who does between-innings color in beige. He's not a food person, but Kaline stars in Kroger TV ads, telling me where to buy groceries. Would Sparky Anderson say Kaline don't know nothing about supermarkets?

A case of kind words for sale

Basketball's Isiah Thomas makes TV commercials for a Japanese car because, his agent conceded, no American car offered to buy Thomas' endorsement. Is there something smelly about a famous athlete urging his fans to buy a product, not because he believes it's the best buy, but because it's the only product willing to pay for his opinion? Don't ask me. I'm a newspaper person and don't know nothing about ethics in celebrity advertising.

Sparky Anderson raised a question not confined to sports stars. A current TV commercial says I should buy a Volvo because I'm not a turtle. The unseen sexy voice making this usual sales pitch is that of Sally Kellerman of TV-movie fame. Her reasoning is that Volvo is a sturdy car, a protective covering that will prevent my injury in case of accident, the same way shells or similarly tough exteriors save certain animals from being crushed by an errant footstep.

But Sally Kellerman is an actor person. She don't know nothing about the protective covering of cars, not to mention animals, otherwise she'd be embarrassed by all the flattened armadillos along many freeways.

Finally, it should be noted that Sparky Anderson writes a column for the Detroit News. Don't pay no attention to him. Baseball people don't know nothing about writing newspaper columns. At least, not as much as me do.

INDEPENDENCE POINT is a three-building, "campus-like" setting, proposed for 6.12 acres east of M-15, between I-75 and Northview Drive. Designed by the architectural firm Smith/Schurman Associates of Bloomfield Hills, the space is to hold professional offices, specialty retail stores and possibly a restaurant, says developer Tim Afolder. A public hearing on the proposed planned unit development is scheduled for 7:30 p.m. Thursday, May 26, at the Independence Township Annex, 90 N. Main, Clarkston.

Little time left to file for Springfield election

Springfield Township residents still have time to pick up a petition if they want to run for a position on the township board, the library board or the parks and recreation commission.

Deadline for filing petitions, which must have at least 26 registered voters' signatures, is 4 p.m. May 31. People may pick up and return petitions at the township offices, 650 Broadway in downtown Davisburg.

But residents should be aware that Monday, May 30, is a legal holiday and offices will be closed. They might want to plan on turning in petitions by Friday, May 27, to give the township plenty of time to verify signatures on petitions.

At press time, no petitions have been filed in Springfield Township, but some elected officials have expressed an intent to run, according to Clerk J. Calvin Walters.

Supervisor Collin Walls expressed a concern that people should have a choice, and that not enough residents have expressed an interest in running for election.

"It's a community that seems to, for whatever

reason, find the current people acceptable," Walls said. "People might assume that all are running for re-election, and that is not so."

Walls has stated that he does plan to run for re-election as township supervisor.

All elected positions are up for election in November, including seven township board members (the supervisor, clerk, treasurer, and four trustees), six library board members and six park commission members.

The township supervisor's salary is \$30,500. Clerk and treasurer salaries are \$27,100.

Trustees, as members of the board, vote on all legislative and policy matters within the charter township.

"It's an important position," Walls said.

Trustees attend monthly meetings on the second Thursday of the month, and occasionally attend special meetings during the month. The trustee salary is \$850 annually, plus \$63 per meeting attended.

Park and recreation commission members meet on the second Tuesday of the month, plus occasional special

meetings. The six-member board sets policy and serves the public interest in the parks and recreation programs of the township. They make \$30 per meeting attended.

The six-member library board sets policy and administers the township library. By state law, they cannot receive compensation and work strictly in a voluntary capacity as a library board.

Tax hearing planned

Clarkston Board of Education will hold a Truth in Taxation public hearing at 5 p.m. June 6 in the board offices, 6389 Clarkston Rd.

The public hearing is necessary, by state law, in order for the school board to levy the current operational millage rate (32.1294 mills), minus any Headlee rollback, when property tax assessments have increased. It is also necessary before the additional 5.5 mills is levied, if passed in the June 13 election.

Schools strive to better all-around communication

BY PAT YOUNG
Clarkston News Staff Writer

Two-thirds of Barbara Banker's job deals with supervision of the career planning and placement component of adult education. But the toughest third of her job as Community Services Coordinator for the Clarkston school district deals with communications.

She is faced with the challenging task of disseminating internal and external information about Clarkston's educational machinery. That machinery is in financial trouble right now, and part of the reason, according to Banker, is lack of communication.

"Communication is more than words in print," she says. "It needs to move up two levels: show them and involve them (citizens and parents) in the schools. Don't just tell them."

She says people who are correctly informed feel better about their schools. She believes people who are correctly informed will approve the millage increase, and she is working, along with numerous others, on new ways to inform people before the June 13 school election comes up.

"We've failed two millage requests, partly because people didn't get the right information. They didn't understand the need," she says from her office in the Clarkston Learning Center.

This time, a new approach is being tried. Millage workers and the Communications Committee are trying to reach people who care on a person-to-person approach. They are putting together "tough answers to tough questions." They are attempting to educate people with the facts.

Banker reported on activities of the Communications Committee at the May 9 Clarkston school board meeting.

In addition to Banker as chairman, the committee consists of: George White, Kerry Gross, Vince Licata, John Tucker and Mel Vaara. As a group, they are responsible for implementing districtwide communica-

"We've failed two millage requests, partly because people didn't get the right information. They didn't understand the need."

Barbara Banker

tions to increase understanding and build support for Clarkston schools.

Among their activities in 1987 were a staff newsletter called "In Touch," a random telephone survey, development of publicity for the June 1987 millage election, development of a district information packet and a realtor seminar, and a communications audit in the fall of 1987.

During the 1987-88 school year, they worked on publicizing the October millage election, conducted a two-day communications audit and report, prepared a post-election survey, conducted a publications workshop for district staff, and initiated a program to get in touch with approximately 600 people in the community identified as key communicators to help spread the word about the school district.

Banker just completed the first issue of the Clarkston Key Communicator, a newsletter going out to those key communicators. She is also responsible for another newsletter, the Clarkston Connection, which goes out three times a year to everyone in the Clarkston school district.

In addition, the committee prepared communications recommendation and budget for the next school year.

Under Plan A (failure of the 5.5 millage increase),

recommendations are for a 1/3-time communications coordinator (same as current), a secretary 15 percent of the time, plus an annual calendar, handbook, three Clarkston Connections, monthly In Touch staff newsletter, and one Key Communicator. Committee changes would also be necessary, because of staff cuts implemented under Plan A. Recommended budget for Plan A is \$26,200.

Under Plan B (approval of the 5.5 millage increase), a 1/2-time communications coordinator is recommended, along with a 1/2-time secretary. Also included in the budget recommendation are an annual calendar, handbook, four Clarkston Connections, a monthly In Touch, three Key Communicators, an expanded communications committee, district information folders, internal communication activities, and a Macintosh and Page Maker program. Plan B budget would be \$21,105 in addition to the \$26,200 recommended under Plan A.

Banker points out that of 14 in-formula schools in Oakland County, eight of them rank communications a higher priority than Clarkston. Seven of them, including Pontiac, have full-time communications coordinators.

"We're surrounded by all kinds of evidence which points to the need for better communication," Banker says. "For example, the communications audit last fall highlighted the discrepancies between the image and the reality held by a good number of people in the community."

"People come into the community thinking we have this wonderful school district," she says, "But we don't have the programs of Bloomfield or Birmingham."

"There is this mystique about Clarkston schools," she says. "We've always maintained a reputation of providing quality instructional programs with sound money management."

But there has been no millage increase in Clarkston since 1981, and without additional funding, our schools are in trouble, Banker says.

"You just don't get cheap, good schools."

Holcomb paving quest continues

Residents who use Holcomb Road in Springfield and Independence townships have decided paving the high-traffic road is long overdue and have begun an effort to remedy the situation.

Jon Zerba, a Springfield Township resident who uses Holcomb road, was at the May 12 Springfield Township board meeting to support the effort.

Petitions signed by the owners of over 50 parcels of property along Holcomb road were submitted to both Springfield and Independence townships for paving.

Following an April board meeting, Independence Township Supervisor Frank Ronk forwarded the petitions to the Oakland County Road Commission. He said that because Holcomb Road is a through road from Independence to Springfield Township, it serves more people than just the residents, so a special assessment district couldn't be formed to pay for paving in that circumstance.

He also said that Independence Township had asked OCRC to place the road on its priority list for paving three years ago.

At the May Springfield Township Board meeting, Supervisor Collin Walls suggested that they, too, forward the petition to the OCRC.

Walls said he would express to the road commission the township's interest in paving, with a request that they put the road high on their priority list.

Cable test for council

Lights, camera, action!

Officials from the United Cable company have asked the village council for permission to air taped meetings as early as late August.

Joel Burnell of United Cable recently ask President Sharron Catallo for permission to test out the system during the May 23 meeting and she agreed.

Should the test session go well, the village council meetings will be on the air beginning sometime in the fall, said Catallo.

The cable company began taping Independence Township Board meetings last June.

Planners scorn mixing gas, beer; approve plan

BY JULIE CAMPE
Clarkston News Staff Writer

Hours of operation and beer and wine sales dominated the discussion May 12 over a special land use and conceptual site plan for a proposed gas station and 24-hour convenience store on Dixie Highway, Independence Township.

Developers from SuperAmerica, a gasoline and convenience store company based in Wisconsin and Minnesota, said they planned to apply for a beer and wine license if they're granted approval for the convenience store, and they plan to construct a new building on the site that presently holds Payless gas station, near Maybee Road.

After one-and-a-half hours of discussion, the planning commission voted 6-0 to approve the special land use for the convenience store, with no alcohol sales after bars close in the area.

The commission also voted 6-0 to approve the conceptual site plan for the proposed 3,300-square-foot building with three pump islands covered by a canopy. The about one-acre parcel is zoned for motor vehicle service stations.

Commission member Carol Balzarini was absent. Before the vote, commission members voiced concern over the hours of operation and about selling beer and wine from a gas station.

"I feel the convenience store being open 24 hours a day could cause some problems," said Jo Fussman. "We have loitering problems around the corner."

Fussman also did not approve of selling beer and wine from gas stations after bars close.

"To me, they're like oil and water," she said. "They don't mix. I have a real problem on Dixie Highway with the accident problems."

Fussman suggested shortening the hours to prevent beer and wine sales between 2 a.m. and 6 a.m.

Karl F. Kaupp, of SuperAmerica, said he has been in business for over 25 years and his company provides a model for other 24-hour stores. They would be willing to shorten hours, he said, adding SuperAmerica doesn't have loitering complaints.

"We don't have that problem at SuperAmerica because we simply don't permit it," he said. "Our people are taught safeguards and ways to handle all situations. ... Everybody goes through a training program."

Chairperson Brent Bair said he didn't object to the convenience store and said it might actually cut down on stops along Dixie Highway if residents could pick up milk or bread at the same time they buy gasoline. He was concerned over the store's primary business.

"I wonder if we have a 7-11 that also sells gas or an

Amoco with a couple of candy bars," he said.

Kaupp said gas accounted for two-thirds of sales at other SuperAmerica stores, and the items sold would include: baked goods, snacks, candy, soda, frozen food, dairy products, health and beauty products, automotive foods and self-serve foods that may be cooked in the store microwave.

"We don't like to be compared to a 7-11," he said. "We were one of the very first stores in the country to pull girly magazines from the shelves to a tune of \$3 million a year of lost revenue. We're a family store. We feel we're first rate. ... We are a community oriented company, and I'm very proud of it."

Other commission members said the sale of beer and wine at a gas station might encourage drinking and

driving, particularly after bars close.

Joseph Figa said alcohol shouldn't be sold.

"I prefer no booze there at all," he said. "We have enough party stores."

Planning Consultant Richard Carlisle said the township has no authority to control those issues.

"What gives you the right to regulate what is sold in a convenience store?" he asked. "I guess the question is what makes beer more dangerous than cigarettes? ... Beer is available all up and down the road."

Bair said alcohol sales could change the primary usage.

"My personal concern is if you get a large enough party store, you are indeed generating trips that a normal gas station would not attract," he said.

Photo by Julie Campe

NOONTIME SEEMED LONG AND HOT May 11 for both drivers involved in this minor accident on Main Street at Clarkston Road, Clarkston. After he ran into Independence Township resident Sharon Malone's vehicle, Michigan State Police Trooper T.W. Blazak had to direct traffic and, at the same time,

write Malone's citation for failing to yield, according to Trooper Terry Guernsey, of the Michigan State Police. Blazak didn't have time to avoid the accident, said Guernsey, but no one was injured, and both vehicles suffered minor damage.

Tossed object damages vehicle

A Snowapple Drive resident was upset May 15 after someone threw a brick or other heavy object at her van as she was driving on Clarkston Road between the library and the school board office.

"It was big enough to dent in the passenger door of our car," said Deborah Ballard of Independence Township.

"If it would have hit a window, I'm sure it would have hurt someone," she said.

Deborah and her family had attended her daughter's dance recital Saturday evening, May 14, and were returning from dinner in Grand Blanc just after midnight when someone threw the object, causing \$520 damage.

"We never saw anybody. We didn't know what happened," she said. "My arm was on the armrest, and I could feel the impact through the door."

"I was in a van, so I was up high, but my children were in the car ahead of us. If it had hit their car, somebody could have been killed."

Ballard said parents should keep closer supervision of their children.

"I don't understand what kind of parents let their kids just hang out and do damage," she said, adding Sunday morning she saw beer bottles and a picnic table at the library, so the parties may have been responsible.

"I felt so violated, here in my own neighborhood. You hear about shooting in Detroit, and here I could have been killed," she said. "It really upset me."

Budget is meeting topic

The annual budget hearing for Clarkston Community Schools is scheduled for 7 p.m. June 13, prior to the regularly scheduled board of education meeting at the administrative offices, 6389 Clarkston Rd.

The budget hearing must be completed before the budget for the 1988-89 school year can be adopted.

Lot nears completion

New gravel and concrete bumper blocks will provide the finishing touches for a 200-car parking lot next to the soccer fields in Clintonwood Park.

The \$4,600 worth of gravel is the last half of work begun last fall by R.R. Farms, Ortonville.

The Independence Township board unanimously approved the gravel purchase and gave permission to let bids for the 200 bumper blocks at the park off Clarkston Road.

Community awards to go out next week

Recipients of the Third Annual Clarkston Community Awards are to be honored at a breakfast at 7:30 a.m. Wednesday, May 25, at the Deer Lake Racquet Club.

Artemus Pappas was chosen for the citizen award for his 26 years as Treasurer for the Village of Clarkston and for his commitment and dedication to the community.

Beverly's of Clarkston was selected for the property beautification award for creativity in turning a used car dealership into a new business on M-15 near I-75. Using leaded glass and unique landscaping, the owners enhanced the entrance to the village.

The volunteer award was given to the husband and wife team of Edward and Lila Fletcher, who devoted time to their church, SCAMP, Pine Knob Elementary School and fund-raisers for Clarkston Schools, and for their active work on the school millage campaign.

For his dedication to the job as Independence Township Fire Chief and for his years of service to the

community, Roland G. (Gar) Wilson is the recipient of the business person award.

Stephen and Kelly Hudson were selected for the historic preservation award for their work on two Clarkston homes. Their Main Street home was built in the 1900s in a Victorian style, and the Hudsons stripped the oak woodwork and restored the interior. For the exterior, they removed the aluminum siding and returned the house to its natural style. Six months ago, the Hudsons moved to a Buffalo Street home, built in the 1860s, and are restoring that home, as well.

Church plan revised

A final site plan for a church on Maybee Road, Independence Township, that had been approved by the planning commission in August 1987 was approved again - this time with a different parking configuration.

Engineer David Crane, representing Mt. Zion Temple, said the parking lot change was necessary to obtain permits from the Michigan Department of Natural Resources, which governs building in wetlands.

The proposed 26,000-square-foot building is planned for 20 acres on Maybee Road, near I-75. The church's present location is on Clintonville Road in Waterford Township.

Groundbreaking is to begin as soon as possible, said Crane.

Banquet to honor retiring employees

The annual employee retirement banquet for Clarkston Community Schools is planned for May 25 at the Deer Lake Racquet Club, 6167 White Lake Rd.

Social hour is at 6 p.m. with dinner at 7. Following the dinner, 11 employees retiring from the Clarkston school district will be honored.

Tickets at \$13 each are available to the public and can be purchased at any Clarkston school building or at the board offices on Clarkston Road. Deadline for purchasing tickets is May 20.

One of the retiring employees is Milford Mason, who has been superintendent of Clarkston schools for 12 years and a part of the Clarkston school staff for 27 years.

Also retiring are: Doris Aldrich, bus driver; Doris Amos, cafeteria manager at Pine Knob Elementary; Margaret Dougherty, secretary at the bus garage; Stanley McClelland, groundskeeper at the bus garage; Eugene McCurdy, Clarkston High School teacher; Virginia Shelton, Clarkston Junior High teacher; Jean Thompson, office manager and superintendent's secretary at the administrative office; Renold Veltre, custodian at Andersonville Elementary; Carolyn Young, Pine Knob Elementary teacher; and Norma Young, secretary at Andersonville Elementary.

The annual banquet is co-sponsored by the Clarkston Board of Education and the Employee Recognition Committee.

Lake patrol up

(PATROL, continued from Page 1)
be courteous, everything would work out."

While the new boats won't stay solely at Deer Lake the entire summer, most weekends will be covered, he said.

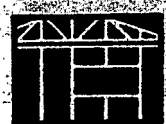

Deputies plan to stop obvious violators, as well as perform spot checks for such things as boater registration, life jackets and fire extinguishers (on Jet Skis, too) or horns and throwable devices on 16-foot or greater size boats.

Also, if a boat is pulling a skier, there must be a mirror and at least one observer, he said, adding that Jet Skis can't probably can't pull anybody without violating the law.

Schmittel presented the proposed lake coverage to about 35 lake residents at a public meeting May 10, he said.

"People were very positive," he said.

Scoreboard

Soccer

Clarkston High Varsity
Wolves 1, Brandon 1

May 11 - Tami Mitchell scored early in the first half to put the visiting Wolves out in front. Brandon rallied with a goal after halftime to force the 1-1 draw.

Tennis

Clarkston High varsity
Andover 6, Wolves 1

May 12 - Clarkston dropped its second match of the season against a tough Bloomfield Andover squad on the road.

SINGLES - Nick Ospina (A) def. Keith Turner (C), 6-1, 1-6, 6-4; Samer Salah (A) def. David Reading (C), 6-1, 6-0; Victor Beletski (A) def. Ian Halleran (C), 6-1, 6-1; Brad Haber (A) def. Steve Hollis (C), 6-2, 6-0.

DOUBLES - Mark Velilla and Rob Rhew (A) def. Brad Dedrick and Corey Whisner (C), 6-2, 7-6; Dave Riechel and Pavan Garlapaty (A) def. Kevin Ortwin and Todd Cook (C), 6-1, 6-0; B.J. Deloney and Eric Chambers (C) def. Dave Krivan and Andy Linovitz, 6-4, 1-6, 7-6.

Baseball

Clarkston High junior varsity
Waterford Kettering 5, Wolves 3
Wolves 4, Waterford Kettering 0

May 12 - Eric Phillips pitched an excellent game for the Wolves in the opening contest, said Coach Kurt Richardson.

The score was tied at 3-3 in the fourth inning when the visiting Captains knocked home a couple of runs to win the game.

Todd McGlaughlin paced the offense with two hits. Kevin Keilitz fanned six batters, including one for the final out of the game, and allowed just one hit while shutting out Kettering in the nightcap.

Brian Riganon went 3-for-3 at the plate and Larry Liford hit two doubles for the Wolves.

Clarkston opened the scoring in the second game by getting two in the bottom of the first on an RBI single by Tony Simmons.

Liford and Riganon each added run-scoring hits in the bottom of the second to close out the scoring in the five-inning game.

"We played our best game of the year," said Richardson.

The team's record now stands at 10-6.

Clarkston Junior High
Wolverines 8, Pierce 7

May 10 - Winning pitcher Chad Hetherington fanned 15 batters and collected the game-winning hit with a bases-loaded single in the bottom of the seventh.

Jerrold Johnson was the team's top hitter once again. He had four hits in five trips to the plate.

Larry Loehne, Andy Deloney and Kevin Juzysta added two hits apiece for Clarkston. The team has now won two games in a row for the first time this season.

Sashabaw Junior High
Cougars 6, Brandon 3

May 10 - Darrin Master was the winning pitcher for Sashabaw. He struck out eight batters and allowed six hits.

Ryan Roberts knocked in two runs and had a double, Tom Hackbardt hit two singles, scored a run and collected an RBI, and Chris Wasilk added a run-scoring single for the victors.

Pierce 11, Cougars 1

May 12 - Sashabaw allowed Pierce 16 hits, and added fuel to the fire by committing five errors as they lost a mercy contest.

Roberts had an RBI double for the Cougars' only run of the day.

As the season draws to a close, Sashabaw's record stands at 7-3.

Track

PAM McCAIN prepares to let loose with the shot put during the field events portion of the first annual Clarkston Invitational girls track meet at the high school Saturday morning. The Wolves easily outdistanced the competition to win first place in the team standings.

Clarkston High Varsity
Wolves 71, Pontiac Northern 57

May 10 - In its first big meet of the year, the girls team beat up Northern on its own turf to remain unbeaten this spring.

Coach Gordie Richardson said before the match at Northern that the Huskies would be tough in the field events. He predicted correctly, as the home team took three of the four events.

First-place winners were as follows:

DISCUS: Ali Fedio, C, 115-8.

SHOT PUT: Lisa Miles, PN, 31-8.

LONG JUMP: Felecia Brooks, PN, 15-1/2.

HIGH JUMP: Miles, PN, 4-10.

3200-METER RELAY: Clarkston, 12:25.
100 HURDLES: Brooks, PN, 15.7.
100 DASH: Tyesha Anthony, PN, 12.8.
800 RELAY: Pontiac Northern, 1:48.9.
1600 RUN: Jenny Mahler, C, 6:03.
400 RELAY: Clarkston, 51.9.
400 RUN: Sonya Schaffer, C, 62.4.
800 RUN: Mahler, C, 2:31.
300 HURDLES: Brooks, PN, 52.1.
200 DASH: Anthony, PN, 27.2.
3200 RUN: Mahler, C, 12:31.
1600 RELAY: Clarkston, 4:23.

Softball

Clarkston High Varsity
Waterford Mott 6, Wolves 2

May 2 - The Corsairs scored four runs in the first inning and never trailed en route to victory.

Clarkston scored its two runs in the sixth inning on singles by Kris Castillo, Stacey Shurtz and Heather Behrens.

Wolves 10, Bloomfield Andover 8

May 3 - The Wolves got out in front early but had to rally in the end to capture the victory.

Shurtz was 1-for-3 at the plate with an RBI and two runs scored. Jackie Patrick added two RBIs and a double.

Wolves 7, Brandon 1

Wolves 8, Brandon 4

May 5 - Heather Luchenbach was the winner of both games, as a starter in the opener and in relief in the nightcap.

Castillo smacked a home run and a double, scored three runs and collected three hits for the victors in the first game. Luchenbach (triple) and Wendy Scroby (double) also contributed at the plate.

Clarkston trailed 4-2 in the fifth inning of the second game before scoring three times in the fifth and sixth innings to win the game.

Shurtz, with two RBIs, and Behrens, with a run-scoring single and a double, led the team in the nightcap.

Clarkston Junior High
Wolverines 8, Pierce 3

May 10 - Jenny McChesney was the winning pitcher for Clarkston as the ninth-grade softball team picked up its eighth victory of the spring.

Becky Kosack and Heidi Parrott each had two hits for the victors.

Lapeer East 16, Wolverines 15

May 12 - Clarkston gives this game away as the Wolverines are guilty of 12 errors, costing them 15 unearned runs.

Before this contest, the team had committed only six errors in five games, a very good total for a ninth-grade team, said Coach Dennis Bronson.

Soccer team keeps on kicking

Photo by Peter Auchter

JACKIE JABLONSKI prepares to boot the ball upfield against Brandon on May 11 to keep the pressure on the host Blackhawks. The game ended in a 1-1 draw.

Wolves continue struggling on diamond as playoffs near

After 18 games, the up-again, down-again varsity baseball team is no further along than it was at the start of the season record-wise.

The Wolves' overall mark stands at 9-9 and their Greater Oakland Activities League record is 4-4.

Last week, Bloomfield Lahser battled back and forth with the Wolves and finally ended up on top, 8-5.

Clarkston got kind of lucky since it scored its five runs on only five hits, said Coach Roy Warner. Matt Carson and Jeff Tungate (who smacked a home run) paced the team with two apiece and Ben Underwood added one hit to the attack.

Jamie Shuttlesworth was pitching for the Wolves.

Clarkston then returned to GOAL action with a double-header against host Waterford Kettering Thursday afternoon.

Behind the excellent pitching of junior Jim Miller, the Captains rolled to a 7-1 victory in the opener.

Tungate, who leads the pitching staff with an earned run average of 2.93, pitched for Clarkston. He allowed just seven hits.

Offensively, the Wolves couldn't do much against Miller. Doug Lederman, Underwood and Josh Newblatt each collected one hit apiece for all of Clarkston's hits.

The first game of double-headers are the only ones that count in league standings. Clarkston hasn't had

much luck in twinbills this spring, dropping the first game of the series against league opponents three times out of four.

In the nightcap, the Wolves rebounded - as they always have managed in the past - to pound Kettering 12-3. The team rapped the Captains for 13 in the game.

Lederman paced the Wolves with four in five trips to the plate. John Koslosky had three, and Tungate and Underwood added two apiece.

Zach Brown was the winning pitcher. He threw a 6-hitter.

Several Clarkston hitters have turned in excellent performances this spring and sport batting averages over .400.

Underwood leads the pack with a hefty average of .450; Tungate is right behind him at .448. Lederman, just up from the junior varsity squad, is hitting at a .444 clip.

Carson (.360) and Mark Galan (.353) also are having outstanding seasons at the plate. Warner hopes the hitting will continue into post-season play.

The regular season ends May 23 against Lapeer East on the road.

Clarkston then participates in pre-district action at Rochester Adams High School beginning on May 27. Should they advance that far, the regionals begin on June 11.

Injuries, tough calls and all, the varsity soccer team keeps rolling along.

Last week, the Wolves went 1-0-1 against two Greater Oakland Activities League foes to up their overall record to 4-2-3.

Against Brandon on May 11, the visiting Wolves controlled the play and scored the first goal of the game when Tami Mitchell booted one into the net during the first half.

Good defensive play, especially by Ashley Adams and goaltender Sue Haran, said Coach Hana Olsen, kept Brandon off-balance and off the scoresheet for most of the ball game.

A questionable call provided the home team with a free kick with about 10 minutes left, said Olsen. Brandon cashed in on the opportunity and tied the game, 1-1.

The Wolves paid no attention to Brandon's image as the league's powerhouse team and it almost brought them victory.

"We played very good offensively," said Olsen. "We also did super on defense."

Clarkston followed up that inspiring performance with another road game against Waterford Kettering Friday night. This time the Wolves scored first and made it stand up as they shut out the Captains, 1-0.

Mitchell was the goal scorer for Clarkston. Haran played well in the nets even though the ball rarely went into Clarkston's end of the field.

The 1-0 score was not a good indication of the contest at all, the coach said. Clarkston carried the play to the Captains the entire evening and peppered the Kettering goal with at least 25 shots.

"I was somewhat disappointed," she said. "Nothing went in. It was just one of those games."

But the coach was extremely happy with the efforts of all the girls on the team. Before the season began, she predicted it would be a rebuilding year for the Wolves and they would struggle.

Nine games into the schedule, the team has passed all expectations.

"I'm really pleased," she said. "Everyone is being positive and are coming together as a team."

As of May 15, the team had only two games left before the playoffs. Waterford Mott on the road May 16 and Brandon at home May 18.

Both games are winnable, especially the Mott game, Olsen said.

"We are not going to give this one up," she said referring to a tough 2-1 defeat the Corsairs dished out on the Wolves' home field a few weeks back.

Athletes wanted

North Oakland County youths will have a chance to qualify for the AAU or TAC National Track and Field Championships for 1988 this summer with the help of a nearby track club.

Athletes, age 8 to 18, are invited to join the North Oakland County Track Club that is organized for the purpose of summer track and field competition.

The purpose of the club is to introduce area youth to the enjoyment of and the personal rewards experienced from individual and team track competition. It also provides the opportunity to develop their skills to the National Championship level.

The track club is sponsored by Willow Creek Driving Range and Adventure Golf on M-24 in Lake Orion. Practices will be at Lake Orion High School, but the club isn't affiliated with the school system.

Mike Weger, his wife Becky, and Corey VanFleet will direct the club. Weger owns Willow Creek Driving Range and is coaching the Lake Orion seventh- and eighth-grade boys and girls track program.

Registration day will begin at 6:30 p.m. on Tuesday, May 24, at the Lake Orion High School Track.

Competition will be by age groups for both girls and boys as follows:

Bantam (age 10 and under), Midget (age 11 and 12), Junior (age 13 and 14), Intermediate (age 15 and 16) and Senior (age 17 and 18).

Wolves practice for regionals at Oxford

Competing against some of the toughest competition in the area Saturday, the boys track team finished sixth in the Oxford Invitational.

Clarkston managed to pick up 47 points at the meet and that's a respectable total, said Coach Walt Wyniemko.

Pontiac Central won the competition, and host Oxford and Troy also did very well.

"It's a very high-powered meet," he said. "It's a good preview for the regionals that will be run this Saturday."

The Wolves, undefeated in dual-meet competition this spring, will go to the West Bloomfield regional Saturday.

At Oxford, several athletes turned in excellent performances for the Wolves.

Jeff Shupe finished third in the 200 dash with a time of 22.9 seconds and fifth in the 100 dash at 10.9.

The 100 relay team of Marc Pierson, Stacy Turner, Dane Davis and Shupe turned in a time of 44.8 seconds to finish in a tie for third place.

Chris Blimka also finished third in the 400 run with a time of 52.8 and Paul Reading was fifth in the 1600 run. He clocked in at 4:36.6. Mike Barnes (2:00.7) ran well in the 800 run and finished fourth.

Jody Lueck continued to excel for the Wolves by placing in three individual events.

He finished third in the long jump (20-6), fourth in the high jump (5-0) and fifth in the high hurdles (15.7).

The relay teams of Chris Vandermark, Reading, Mike Kovalsky and Barnes (8:19.9) and Shupe, Pierson, Keenan Powell and Lueck (1:34.09) finished third and fourth in the 800 and 200 races, respectively.

Beating Pontiac Northern for the first time in a very long time was no small feat, but the boys track team has no time to rest on its laurels, said Coach Walt Wyniemko.

Clarkston topped Northern, 70-67, on the road May 10.

The true test for the team this spring is whether or not it will be able to withstand the constant pressure during the next few weeks as the season draws to a close, he said.

Lake Orion remained as the only team that could spoil the Wolves' run to a perfect record and a league title.

Clarkston had a 4-0 Greater Oakland Activities League record to go along with its unblemished 5-0 overall mark heading into a meet against the Dragons May 17. Results were not available at press time.

Jody Lueck was once again Clarkston's top winner by taking firsts in three individual events against the Huskies. He won the long jump with a leap of 21 feet, 6 inches; the high jump at 6-4; and the 110-meter hurdles with a time of 15.01 seconds.

Other winners for the Wolves included Kennan Powell in the shot put, Ron Gibson in the pole vault and Mike Barnes in the 800 run.

The relay teams in the 800 and 400 events also were winners.

Second-place awards went to J.J. Price in the discus (136-1), Jeff Locher in the pole vault (8-6), Jeff Shupe in the 100 dash (11.31) and 200 dash (23.34) and Jim Hotary

in the 3200 run (10:18).

Wyniemko said the team's times have been getting better and better as the season has progressed. The Wolves will need to continue that trend the rest of the year, he added.

Time out

Fantastic

Peter Auchter

Judging by the smiles and wisecracks of the participants, the first annual Clarkston Invitational Girls Track Meet was a rousing success.

Four teams (Flint Central, Birmingham Marian, Lansing St. Johns and Auburn Hills Avondale) along with the gracious hosts - who beat the pants off everybody - raced around the track in search of gold and glory Saturday.

Clarkston helped things out by winning the shindig handily to send the crowd (OK, maybe there were just handful, but it's still a crowd in my book) happy and satisfied that they got their money's worth.

Actually, since it cost only \$1 for admission, people got more than their money's worth. Let's say, for the sake of argument, they got 10 times their money's worth. How's that for entertainment value?

Since this was the first invitational Clarkston hosted, it was only natural to expect delays as officials sorted things out among themselves.

Delays tend to turn off both fans and athletes during all-day events such as this one. These events sink or swim on whether or not there are enough competent people running the show. (What do you mean, you forgot to start the timer?)

Throughout the early parts of the day, athletes could be overheard saying things like, "I hate Saturday meets."

But once it was all over, less than four hours total, everyone was all smiles. Especially the

Clarkston girls with all the medals.

Boy, talk about letting winning go to your head. During the awards ceremony after the meet, I thought they were going to crush Coach Gordie Richardson with their exuberance. Jeesh! But that's another story.

The big deal on Saturday was the efficiency factor.

The delays and mistakes were kept to a minimum, however, making CHS girls coach Gordie Richardson a happy man after it was all over.

"They were just outstanding," he said of the entire crew who helped make this invitational a success. "Administrators, parents, students and district coaches, everyone helped out."

Graduated Clarkston High School students and their parents also volunteered to be a part of the work crew, he added.

It was practically a Clarkston High School who's who standing on the infield grass with either a clipboard in hand or a stopwatch around the neck. Everywhere you turned, there was a familiar face.

Right from the start to the finish - I was there for most of it - the meet cruised from event to event without any major problems or controversies. It truly can be said that a good time was had by all.

Hopefully, this is just the start of something big.

Do you have a story idea?

JENNIFER ROSELLI rifles the ball back to the infielders after a Waterford Kettering hit dur-

ing a junior varsity softball game Thursday afternoon at CHS.

Errors galore but JV Wolves are victorious

BY PETER AUCHTER
Clarkston News Staff Writer

Despite a barrel full of errors, the junior varsity softball team rolled to victory in game one of a double-header against Waterford Kettering last week.

The Wolves won the first game, 10-9, but fell in the five-inning nightcap, 17-7.

Clarkston, now 14-6, fell behind early in the first game due to errors. The Wolves made 12 miscues, but since they won it didn't matter.

"We made errors, errors and more errors," said Coach Al Cuthrell. "But we did some good things in the end."

Jami Law was the winning pitcher for Clarkston.

Kettering scored four times in the second inning and could have had more if Michelle Sykes didn't make a running, bobbling catch of a fly ball in center field. Kettering led, 4-1, after two innings of play.

The Wolves had opened the scoring in the bottom of the first when Jenny Roselli was safe on a bunt hit. She proceeded to steal second on the next pitch. When the throw to nab her went into center field, she easily circled the bases to score.

Clarkston closed the gap to 4-2 in the fourth inning on two walks and another bunt by Roselli. Kettering answered with four runs of its own to bump the lead to 8-2 heading into the bottom of the fifth.

While the score was a little lopsided, Cuthrell still had confidence in his troops.

"The kids are coming around," he said. "They are hitting the ball and we are getting results."

The Wolves showed the visitors from Kettering a (See WOLVES, Page 27)

Wolves don't look back during invitational

BY PETER AUCHTER
Clarkston News Staff Writer

The first Clarkston Invitational Girls Track Meet will go into the history books as a resounding success in more ways than one.

Not only did the Wolves finish first in the team standings by nearly 30 points, several athletes turned in excellent individual performances and qualified for the upcoming Oakland County Meet.

"I think it was a success," said Coach Gordie Richardson. "The kids seemed to have a good time."

Clarkston won its own invitational with 91 points. St. Johns was second with 62. Those teams were followed

by Birmingham Marian with 60, Auburn Hills Avondale with 31 and Flint Central with 7. Because the prom was the night before the meet, Central sent only five athletes to Clarkston.

Individually, Jenny Davis qualified for the Oakland County Meet in the long jump with a leap of 14 feet, 6 inches.

Bree Michelsen did likewise in the 100-meter hurdles when she won in 16.94 seconds. She also finished first in the 300 low hurdles with a time of 52.91.

"Bree had a real good day," the coach said.

Other multiple-event winners for Clarkston included Michelle Baker, Nicole Hocking, Jenny Mahler, Davis, Sonya Schaffer and Lisa Palazzola.

Baker raced to a first-place finish in the 100 dash with a time of 13.12. She also was a part of the winning 400 and 800 relay teams for the Wolves.

Hocking won the long jump with a leap of 15 feet. She also finished first in the 200 dash with a time of 27.87 and took part in the winning 400 and 800 relays.

Schaffer took second in the 400 dash with a time of 64.18 and anchored a leg in the 800 relay race for Clarkston.

Folwell, besides helping the team win the 400 and 800 relays, took a pair of thirds individually. In the 200 dash, she finished in 28.58 and in the 100, her time was 13.20.

Clarkston continued to be extremely tough to beat in the distance events as Jenny Mahler and Lisa Palazzola finished first and second, respectively, in the 1600 and 3200 runs.

Mahler crossed the finish line in the 1600 run with a clocking of 5:50. Palazzola stayed with her the whole way and finished in 5:50.61.

The runners were a little more spread out in the 3200 (2-mile run) event. Mahler (12:37.91) and Palazzola (12:45.68) finished the race way ahead of the pack.

Besides her excellent performance in the long jump, Davis ran a leg in the Wolves' winning 400 relay team.

Boosters' meeting

The Clarkston Athletic Boosters will meet in the Clarkston High School Media Center on May 23. The meeting begins at 7:30 p.m.

Our want ads blanket over 31,000 homes like a soft summer rain. 625-3370

PASSING THE BATON to Jenny Mahler in the 3200-meter relay is Lisa Palazzola. The Wolves win the relay (Kate Conlen and

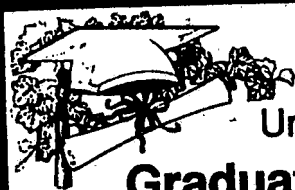

Sonya Schaffer are the other two members) and finish as the champions of their own invitational Saturday.

the biggest money-maker of them all, the 6-year-old, first-year bowler won the bike, a towel, a patch and a \$25 gift certificate from K mart. Kids recruited pledges for each pin they knocked down while bowling, and Cliff raised \$250. (Photo by Peter Auchter)

Road racers prepare for new season

Waterford Hills racers eager to test new track

BY PETER AUCHTER
Clarkston News Staff Writer

After a thorough face-lift during the winter, Waterford Hills Road Racing is raring to go for its 29th summer season.

Alterations were made with the racers and the fans in mind.

The biggest change occurred to the track's surface. It was coated with a sticky-type of Latex binder when the 1.5-mile loop was repaved.

Drivers should approve of the new surface, said Calvin Cortright, publicity chairman of Waterford Hills Road Racing Inc.

"The biggest advantage is traction," he said. "I don't know about speed, but we do anticipate the cars will be going faster."

Waterford Hills Road Racing Inc. is an affiliate member of the Oakland County Sportsmen's Club on Waterford Road in Independence Township. The track is located on the grounds of the Sportsmen's Club.

Cortright became involved with Waterford Hills first as a spectator and then as a 44-year-old rookie in 1986. This is his first year doing publicity.

He hopes a lot of local people turn out to watch the races this summer. They might be surprised at what they find, he said.

"It's nationally recognized as being a class operation," he said. "I'm interested in letting people know what we do."

To make the track more inviting to fans, the bleachers, which can seat up to 1,500, were painted and spruced up. Neighboring homeowners will be happy to note that a 900-foot-long earth berm was completed along the east side of the track to help cut down on noise pollution.

Racing begins the weekend of May 28-29 and ends Sept. 24-25. Competitions are scheduled on the last full weekend of every month during the summer except the five-week month of July when there will be two race weekends, July 9-10 and July 30-31.

A typical race weekend starts about 10 a.m. Saturday with practice runs by racers in the five different competing car classes. Automobiles are divided up according to horsepower and speed compatibility, said Cortright.

Waterford Hills prepares for 29th season

(WATERFORD, continued from previous Page)

After five separate qualifying sessions, the real competition begins. Five 10-lap races complete the day. There are no practice or qualifying sessions on Sundays, so more time is left for racing. In all, fans get to

Also, all of the workers at the track from President Don Burry and the 14-person board of directors right down to the corner workers are volunteers, he said. Approximately 60 people work at the track during the course of a summer season.

see 16 different competitions over the course of a week-end.

"That's a lot of bang for the buck," he said. "There really is little dead time."

It's also not unusual to find whole families comprising a pit crew of these weekend racers. Some races even feature husband and wife teams, he said.

About 50 prospective racers signed up for the spring training drivers school this year. They will hit the track the weekend of May 14-15 for some first-hand

experience. People from across the nation are familiar with Waterford Hills Road Racing because of the annual Meadow Brook Historic Races.

The vintage racers are scheduled to race during the fourth annual event the weekend of Aug. 6-7.

"It's the one that gets us nationwide coverage, but all the races are important to us," said Cortright.

Another feature unique to Waterford Hills is that the club members own the track. The track was built in 1958 using a land grant from the Oakland County Sportsmen's Club.

Students attend Rotary conference

BY BOB NEWTON
Clarkston High School Student

During the weekend of May 6 and 7, a leadership conference was held at the University of Michigan.

Four students from Clarkston Senior High School were invited to attend. They were: Liz Webb, Jill Pilarcik, David Woodruff and Bob Newton.

The conference was sponsored by the Rotary Club of Clarkston. All meals were included and the students were provided with rooms.

Aside from lodging, there was time given for social activities, which included a dance on the night of the sixth. Nearly all of the students who attended the dance had a very good time and met many new friends.

The students were also given a chance to listen to four key speakers. They included: Dr. Al Shrosbree, Dr. Abby Lynch, Morley Fraser and Senator Gil DiNello.

Each one addressed the topic of leadership from a unique and different perspective. From the moral question of gene splicing addressed by Dr. Lynch to the most current issues in Lansing addressed by Senator DiNello,

every student was able to see leadership demonstrated in a different way.

The students were divided up into groups A-M. Each group had to present a problem through a method of their choice and also present a solution that was feasible in today's society.

The students from Clarkston were not in the same group, but were still an active part in solving the problems presented to them. Among the problem topics were: drugs, premarital sex and peer pressure.

Each group came up with a unique solution and awards were given to three groups. After the project presentation, refreshments were served. Then, the students were allowed to check out.

From the general reaction of those participating, many said they would like to attend next year.

The above story was written by one of the four Clarkston High School students, all juniors, who attended the third annual Rotary Youth Leadership Awards, a program for young people that encourages and recognizes leadership qualities in many of today's youth.

Wolves split

(WOLVES, continued from Page 22)

little preview of what was to come in the bottom of the fifth when Julie White drilled a two-run home run over the left fielder's head to cut the deficit to 8-4.

Clarkston continued to flex its muscles the following inning when Jennifer Wagner pounded a grand slam home run down the left-field line to tie the score at 8. Rebecca Poche, Roselli and Sykes scored ahead of Wagner.

Kettering recovered and scored one run in the top of the seventh to re-take the lead momentarily. The inning ended with the Wolves' catcher, Poche, throwing out a runner at the plate after a wild pitch.

Laurie Highlen got a hit to start the game-winning rally in the bottom half of the seventh and Kettering committed an error to put runners on first and second. Lisa Manzo bunted and reached first safely to load the bases.

Sykes walked home the tying run and Roselli, standing in a severe crouch to shrink her strike zone, walked home the winning run.

- Pages 29-33

The Clarkston News, Section 2 Wednesday, May 18, 1988 Page 29

FUN DAZE RUNNERS won't have to tackle as many hills as last year when the start/finish

line was in Depot Park. This year, the event moved to St. Daniel's Catholic Church on the

corner of Holcomb and Miller roads in Clarkston.

The Fun Daze schedule of events

After many long hours of volunteer work, the plans for the second annual Fun Daze have been finalized and the event will go off as scheduled with an early morning balloon lift at Clarkston High School.

Registration for the different races, beginning at 9:30 a.m. on Saturday, May 21, has been running steady all month, said Chairman Dick Greenfield. When it's all said and done, he expects a much larger field of participants than last year.

But the runs remain only a part of what Fun Daze is all about, he said.

Community involvement, family spirit and a chance to exercise all are a part of this annual event in Clarkston, he added.

"It's a fun event and I want everyone to have fun," he said. "Take time out for yourself. Fitness, health and recreation are big, big buzzwords nowadays."

The start/finish lines for the races and most of the activities are scheduled for the parking lot of St. Daniel Catholic Church at the corner of Holcomb and Miller roads in Clarkston. Greenfield advises people to arrive before 9 a.m. if they want to get in on all the action.

One thing to watch for is the 1965 Ford Mustang that will pace the runners, Greenfield said.

A raffle is scheduled for the early morning with "hefty prizes," such as a Deer Lake Racquet Club membership and a hot air balloon ride, he said. Ticket holders must be present to win.

In his last year of chairing Fun Daze (Brent Cooley will be chairman next year), Greenfield wanted to take the time to thank all the volunteers who helped put this event together.

"There has been a lot of volunteer support," he said. "Fun Daze has been so blessed with so many generous people who have given their time."

He also will try to get the downtown business district involved by placing balloons all over Main Street and encouraging business owners to have sidewalk sales on May 21 in conjunction with Fun Daze.

One of his main concerns as the day of the event draws near is parking.

There will be no parking at St. Dan's during Fun Daze. But Greenfield said there is ample parking behind township hall and at Clarkston High School and Clarkston Junior High.

A complete list of events for Fun Daze follows:

Sunrise (6 to 7 a.m.) - Hot air balloons take off from Clarkston High School, weather permitting. Among participants are Howard Steele, the owner of Great Lakes Horizon of Clarkston, and Joe Derosa, who flies the yellow Ameritech Pages Plus balloon. Visitors can get a close-up view of the balloons before takeoff.

7 a.m. to 9 p.m. - Registration for 1 mile walk/run, 5K run and 5K and 10K races takes place inside St. Daniel's Church Hall. Those who have preregistered can pick up their race packets with numbers and T-shirts.

Fee for the 1-mile walk/run or the 5K walk is \$3. The cost is \$10 for the 5K or 10K runs, and the fee includes a Fun Daze pennant and a T-shirt. Trophies will be awarded to the top two female and male runners in each division.

The walks and races are co-sponsored by the Clarkston Rotary Club, the Independence Township Parks and Recreation Department and Running Gear.

8 to 11:30 a.m. - Breakfast is served inside St. Daniel's Church Hall by the Independence Township Senior Citizens. The all-you-can-eat breakfast costs \$3 for adults and \$2 for children. On the menu are pancakes, scrambled eggs, sausage, orange juice and coffee.

8 a.m. - Health checks (blood pressure, pulse rate)

begin by representatives from the Northwest Oakland Vocational Education Center.

9 a.m. - Raffle tickets go on sale. Among the prizes are a membership to the Deer Lake Racquet Club, a hot air balloon ride for two from Great Lakes Horizon of Clarkston, tickets to the Pine Knob Music Theatre, a seven-day golf membership to Spring Lake Country Club and numerous gift certificates from area businesses.

Tickets cost \$1 apiece or six for \$5. Ticket holders must be present at the 2 p.m. drawing to win.

9 a.m. - The entertainment is in full swing. Among the ongoing festivities will be the roving Rotary Club Clown Troupe, a display by SeaRay Boats of Oxford, an antique Chris Craft boat display organized by Forrest Milzow and fun for the children by the Oakland County Parks and Recreation Department with the moonwalk, mimes and more.

Gymnastics will set up equipment for children ages 3 months to 4 years old to try out, and for the older set, a dunk tank will test ball tossers' skills.

Deejay Matt Zabel will provide the music and emcee Bret Cooley, Clarkston High School assistant principal, will keep the party going.

A display and sale booth by the Davisburg Candle Factory inside St. Daniel's Church Hall will keep browsers busy, and food concessions include selections provided by the Clarkston Athletic Booster Club, a bake sale by the Clarkston Christian School, muffins, ice cream and cookies.

9 to 9:30 a.m. - Warm up before the walks and races with Lois Srock. She is the director of aerobics at the Deer Lake Racquet Club.

9:30 a.m. - The walking and running events begin with a boom thanks to the Robertson family's music.

(See EVENTS, Page 32)

Runner looks forward to home-town race

BY PETER AUCHTER
Clarkston News Staff Writer

On the cold blustery days of last winter, when most people were huddling by a warming fire, an Independence Township man bundled up and braved the harsh elements for a little extra road work.

Gearing up for the spring running season early in 1988 helped John Young, 27, get a leg up on his competition, he said.

One of his latest running adventures included the Saginaw Bay Marathon. He ran the grueling 26-mile, 345-yard course in 2 hours and 38 minutes and finished in a hard-earned second place.

"(Marathons) make you think about why you are out there," he said. "You really have to discipline yourself."

Young, a University of Michigan graduate, enters in a wide variety of races each summer, ranging in length from 5 kilometers all the way up to full marathons.

He also likes to stay close to home when choosing races - he goes to about 25 a summer - making the second annual Fun Daze run on Saturday a perfect choice.

"It's really nice to have one this close," Young said. "I don't like to get in a long drive before a run."

During the inaugural Fun Daze run last spring, he entered the 5-kilometer race and finished in fourth place. This time around he's signed up for the 10K.

Since Fun Daze will be at a new location this year,

it features an entirely new course. Although he hasn't run on it yet, he said it's a definite improvement over last year. The big hills that were part of the course during the first Fun Daze run surprised a lot of novice runners, he said.

"I liked the course," he said of the original layout. "But it's not for the casual runner. There were a lot of sore people. The new course takes out all the big hills."

For him, the ultimate running route has beautiful scenic sights and small rolling hills. So far, the West Bloomfield half-marathon, with its small hills and good-sized crowds, ranks as his personal favorite.

The Redford Catholic Central graduate began running while he was in high school. He was part of the cross country and track teams for the Shamrocks.

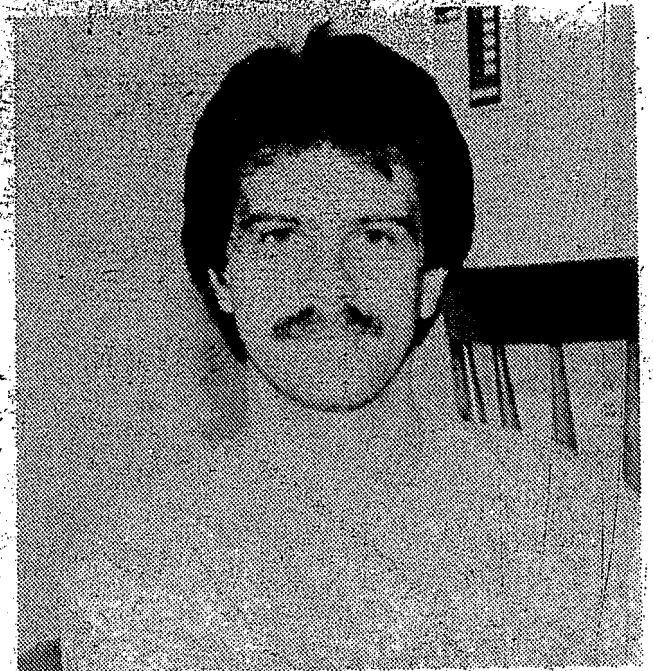

He attended to Michigan State University for two years and joined the cross country team there. When he transferred to U of M, he stopped running for a while.

Currently, he is the market manager at Detroit Medical Center and uses his running excursions to benefit his health.

"I enjoy the races," he said. "It's a good release after work and there are a lot of nice scenic runs."

During Fun Daze, he hopes to finish in under 33 minutes and near the front of the pack. But in races such as this one, it's nearly impossible to tell what will happen.

"It's been hard to predict" how tough the competition has been in recent races, he said. "The big goal is to get under 33 minutes."

JOHN YOUNG enters running races of various lengths to unwind from office pressures.

Events galore scheduled for 2nd Fun Daze

Balloon lift-off is grand finale

(EVENTS, continued from Page 29)

cannon. First, the 1-mile walk/run participants will take off. All will be encouraged to carry a free Fun Daze balloon.

10 a.m. - The 5K run/walk begins, followed shortly thereafter by the 10K run. An all new course has been designed this year. The map is reprinted inside this section.

A 1965 Mustang, owned by Drew Creamer and Chris Jewell, will serve as the pace car. Members of Oakland County React, a CB club, will keep an eye on the course. A first aid tent will be staffed by nurses from the Clarkston Ambulatory Care Center.

Video taping of the Fun Daze events, for airing on cable Channel 65, will be provided by representatives of the Independence-Clarkston cable studio.

10 a.m. to 1 p.m. - Clarkston Optimists stage a Bicycle Safety Check and Rodeo at Clarkston Junior High School. Details are inside this section.

10 and 11 a.m. - Doug Scheer presents two 20-minute magic shows to delight young and old. The shows are free. Scheer will also roam the crowd, presenting his made-to-order balloon animals here and there.

10:30 a.m. - Registration begins for the "Big Wheel 500." Prizes will be awarded to all participants in three categories: 3 and under, 4-year-olds, and 5 and over. Participants must bring their own Big Wheels.

Noon to 3 p.m. - Kite Flight sponsored by Just Right Paperbacks. Kites for \$2 to \$165 will be for sale for the just-for-fun event.

1 p.m. - The awards ceremony begins, and winners of the races will receive their trophies.

2 p.m. - Show Off Your Pet will provide an opportunity for animal lovers to share their pride.

2 p.m. - The drawing for the raffle begins. The event will wrap up Fun Daze for this year, with the exception of the finale:

Two hours before dusk - The hot air balloons take off again, weather permitting. It's back to Clarkston High School for a grand farewell to a busy and fun-filled day.

It's 'Scheer' magic

Back by popular demand at Fun Daze, for two shows this year instead of one, is magician Doug Scheer.

Since his last appearance, he's graduated from Michigan State University and pursued his entertainment career full time. His latest character is Louie the Lightning Bug, a costumed character who teaches safety to children through magic.

Scheer, who also performs as a wizard, clown, Uncle Sam and Jingle the elf, will be himself at Fun Daze with magic shows at 10 and 11 a.m. in the parking lot area of St. Daniel Catholic Church, at the corner of Holcomb and Miller roads, in Clarkston.

His shows are a mix of magic and comedy with a good dose of audience participation. He'll also stroll through the crowd between acts, creating balloon animals and performing mini-magic tricks.

Scheer, a Southfield resident, says he's looking forward to returning to Fun Daze.

"It was a great, great crowd," he said. "Everyone was really responsive to the show."

Doug Scheer's magic shows will be free for the Fun Daze crowd. His appearances are sponsored by the Fun Daze Committee.

Fun continues with park Family Day

Starting with a co-recreational volleyball tournament and ending with a fireworks display, the Good Old Summertime Family Day at Independence Oaks May 22 offers something for everyone.

Sponsored by the Oakland County Parks and Recreation Commission and the Independence Township Parks and Recreation Department, there is a \$4 per vehicle fee for Oakland County residents and \$6 for non-residents. After 8 p.m., the cost goes down to \$2.

Independence Oaks is located at 9501 Sashabaw Rd. in Independence Township.

Events for the summertime family day are as follows:

9:30 a.m.

Co-rec volleyball tournament.

Noon to 5 p.m.

Picnicking, fishing, swimming, animal petting farm, clowns, moonwalk, remote-control sailboat races, games and nature center tours.

2 p.m.

"Walk Michigan" family hike through the park.

4 p.m.

Puppet show.

5 p.m.

Ronald McDonald Show.

5 p.m. until 7 p.m.

Bring your own picnic or enjoy a barbecue at the park (additional fee will be assessed).

6:30 p.m. until 8:30 p.m.

Outdoor square dance and games.

8:30 p.m. until 9:30 p.m.

Music for your enjoyment.

Dark

Fireworks display. (Rain date: May 28.)

Bike rodeo offers fun, safety tips

Warm weather is bringing the bicycles out of the garages, and the Optimist Club of Clarkston is once again planning a bike rodeo to teach children about safe operation of their bicycles.

The third annual bike safety rodeo is planned for 10 a.m. to 1 p.m. Saturday, May 21, in conjunction with the second annual Fun Daze in Clarkston. The bike rodeo will be conducted in the parking lot of Clarkston Junior High School.

Children of all ages may bring their bikes to the rodeo. First, they will go to a staging area for a bike safety inspection. Then, they will complete six or seven different performance tasks to test their skills on bicycle operation.

All children participating will be awarded certificates.

"The idea is to teach them about bike safety," says Rafael Hernandez, community service director for the Clarkston Optimist Club.

Officers from Oakland County Sheriff's Department will be there to speak on bike safety and laws.

Also, a representative from Proffer Sales in Burton, who is a safety instructor certified by the state, will be on hand to talk about bike safety for motorized types of recreational vehicles.

He will have examples of various recreational vehicles on display, especially those vehicles which pertain to the younger crowd.

Hernandez said the Optimist Club encourages parents to come by, too, and acquaint themselves with bicycle safety as they watch their children participate in the bike safety rodeo.

"It's something they can profit from, too," he said. Coffee and juice will be available for participants and their families.

The first two rodeos were very successful, Hernandez said, and they are hoping for an even more successful bike rodeo this year.

Fun Daze:

"It's the people that make it rich."

Chicago wows CJH students during recent weekend trip

BY PAT YOUNG
Clarkston News Staff Writer

A trip to see some of Chicago's famous sights had nearly 80 sixth-graders at Clarkston Junior High School excitedly describing their adventures last week.

"I liked the Museum of Science and Industry," said Joe Crawford, "all the futuristic stuff, like the cars and the trains."

"I liked the Field Museum," said Keith Conklin. "It gave me a chance to look back at things that I never knew how they were."

"I liked the boat trip," said Chris Groner. "You looked at the city from the land, and then a whole different way on the lake."

"I saw fish I didn't know existed," Becky Haley said of the Shedd Aquarium.

"The most thrilling experience was looking up at the giant buildings," said Dave Haney.

"It was modern, but still it was old," Sarah King said of the downtown area. "They didn't tear the old buildings down."

The students, from the classes of Barb Glover, Jerry Ostrom and Wiladean Moore, enjoyed an overnight trip to Chicago on May 6 and 7, accompanied by their teachers, principal Duane Lewis, media center director Suvonne Hogan and 24 of the students' parents.

The group left on buses chartered through Scholastic Travel Inc. at 6 a.m. Friday, and didn't return from the event-filled trip until late Saturday evening. The cost, \$122 per person, was paid by each individual who attended.

On Friday, the students visited the Field Museum of Natural History and Shedd Aquarium. After spending the night at a Holiday Inn, they visited the Sears Tower and Museum of Science and Industry on Saturday.

The trip was culminated with a Lake Michigan

Sightseeing Cruise in the afternoon before heading home.

One student, Julie Gerzanics, liked the hands-on exhibits at the Museum of Science and Industry, "especially the computers."

Matt Tandrup liked the machines. "There was lots of information."

Other students liked the huge, castle-like dollhouse, which is a popular exhibit at the museum.

And one student, Brian Bovee, commented that the museum was interesting because "it relates to what we're doing now."

His comment was evidence that the students arrived in Chicago well prepared for their visit. The trip was the culmination of a social studies program at the school, Glover said.

At the aquarium, students watched a scuba diver feed the fish, and took pictures of a nurse shark who contentedly posed behind the glass.

In the Field Museum, they were enthralled by the prehistoric animals and the Egyptian mummies.

From the Sears Tower, they enjoyed a vista of the entire city and marveled at the architecture of the downtown area.

"I liked to see how another part of our country lived; it's different from ours," said Amanda Peterson.

All of the students said it was a great trip, and they wished it would have lasted longer.

Glover said she got lots of feedback on the good behavior of the students, and credited tour directors, a semi-retired couple named Homer and Marilyn Scott, with making the trip even more of a success.

"I think the children saw and learned a lot," said Moore. "We hated to come back to the classroom."

"I enjoyed watching the kids walking around the museums enjoying the hands-on exhibits," added Ostrom. "It's the first time I've seen some of them excited."

A CHICAGO TRIP for nearly 80 sixth-graders at Clarkston Junior High School included visits to the Field Museum of Natural History (pictured above) as well as the Museum of Science and Industry, the Sears Tower and the Shedd Aquarium. The students also enjoyed a cruise on Lake Michigan during the trip, which took place May 6 and 7.

Because Accidents Aren't Planned... Your Health Care Should Be.

Hospital emergency areas are not created equal. In a critical medical emergency, better care could mean the difference between life and death. That's why you need to know where you can get virtually the best medical care in the area—Pontiac Osteopathic Hospital's 24 Hour Emergency Trauma Center.

At Pontiac Osteopathic Hospital's 24 Hour Emergency Trauma Center, we specialize in Emergency Medicine—it's not just a sideline for us; it's what we do best. As one of the top Emergency Centers in the state of Michigan, we are renowned for saving lives in critical situations.

Because accidents aren't planned, your health care should be. In a medical emergency, trust the doctors at Pontiac Osteopathic Hospital's 24 Hour Emergency Trauma Center . . . the ones who specialize in Emergency Medicine. We offer:

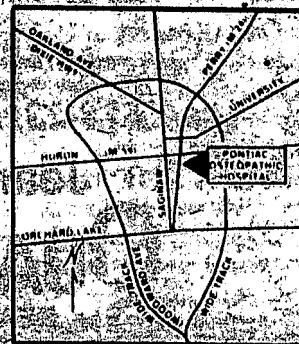

- Full-time Emergency Medicine Physician Specialists.
- All nurses certified in Basic Cardiac Life Support.
- 24-hour in-house coverage and staffing of surgical and medical residents.
- 24 hour staffing of operating room personnel.
- A high-tech Medical/Surgical Intensive Care Unit staffed by specially trained ICU nurses.
- Round-the-clock clerical shifts (3) to insure that patients are checked in as quickly as possible to receive prompt treatment.
- Convenient location—M-59 and Perry St. in Pontiac, just minutes from the I-75 corridor and major thoroughfares of North Oakland County.

ACHIEVEMENTS, POISE, personality, appearance and personal interview will be the deciding factors in Marla Rieman's adventure May 27 and 28 at the Clarion Hotel and Conference Center, Lansing. The 14-year-old Clarkston Junior High School eighth-grader is to compete in the Miss Michigan American Co-Ed Pageant for girls between the ages of 13 and 18. Marla will also compete in the optional talent portion of the contest, where she will perform a dance routine. "I'm really excited," she said. "It just makes me feel good to be in something like that. It's going to be a lot of fun. I've met some of the people, and they seem real nice." Marla is a member of the CJHS Drama Club, a student of ballet, jazz and tap dancing and a student in a modeling school. She hopes to be an actress someday. Her parents are Bob and Peggy Rieman of Park Valley Drive, Independence Township.

Grads

Jean Smart was graduated from Central Michigan University, Mt. Pleasant, on May 7. She received a bachelor's degree in education.

A 1983 graduate of Clarkston High School, she is the daughter of Cliff and Dolores Smart.

From the Clarkston area, Edward M. Goldner, of East Church; Dale M. Kath, Cherrylawn; and Shellie L. VanKeuren are three of the 1,523 candidates for degrees from Eastern Michigan University, Ypsilanti.

At college

Julie Monroe, a Central Michigan University student, was the entertainment chairperson of the April 15-17 Student Alumni Association/Student Foundation District V Regional Conference Committee at Michigan State University, East Lansing.

Twenty-eight schools from Michigan, Indiana, Wisconsin, Illinois and Ohio participated in the event.

The purpose of the annual conference was to share programing and ice-breaking ideas as strategies to promote student involvement.

Monroe, a graduate of Clarkston High School, is a secondary education student majoring in mathematics. She is the daughter of Albert and Gara Monroe.

Phaup, McCall exchange wedding vows

Brooke Phaup and Charles McCall were married March 12 at Clarkston United Methodist Church.

The double-ring ceremony was performed by the Rev. John Clapp.

The bride is the daughter of Kenneth and Valerie Phaup of Springfield Township. She is employed as a secretary by Max Broock Real Estate and is attending Middleton Training School to obtain a real estate license.

The bridegroom is employed by Lake Orion Community Schools.

Maid of honor was Kristine Williams. She wore a gown of red taffeta. Bridesmaids were Stephanie Harmon, Claudia Brazel and Michelle Senerius.

Best man was Roy Phillips. Groomsmen were Timothy Ray, Randy Phillips and Ronald Phillips. Dwayne Smith and Jesse Carlson served as ushers.

The wedding reception was held at The Stephenson Haus in Hazel Park.

The couple are residing in Waterford.

NEWLYWEDS: Brooke and Charles McCall.

New arrivals

It's a boy for Patrick and Constance Humphreys of Pontiac.

Andrew David was born April 27 at Pontiac General Hospital. He weighed 9 pounds, 2 ounces.

Grandparents are Louis and Barbara Humphreys of Ortonville, and Harold and Norma Ford of Clarkston.

A baby girl has joined the family of Ronald and Nancy Gray of Middle Lake Road, Clarkston.

Carley Antonia was born April 18. She weighed 7 pounds, 11 3/4 ounces.

Her big brothers are Dustin, 4, and Gavin, 1 1/2.

Grandparents are Frank and Mary Samson of Owosso, and George and Jan Gray of Venice, Fla., and formerly of Clarkston.

Engagement

HARRIS-ZINK: Marquis and Norma Harris of Allen Road, Independence Township, announce the engagement of their daughter Cynthia Anne to Daniel James Zink, son of Daniel and Shirley Zink Sr. of Utica. The bride-elect, a 1976 Clarkston High School graduate, is employed by Chevrolet-Pontiac-Canada Group at the General Motors Technical Center in Warren. She was graduated in 1980 from Eastern Michigan University, Ypsilanti, with a bachelor's degree in English, American language and literature, and is attending Michigan State University, East Lansing, on a G.M. Fellowship. She plans to graduate in July with a master's degree in business administration. Her fiancé is employed as an instructor at the Batavia School of Drafting, as an intern at Bloomfield Community Television and at Inspection Engineering & Equipment Inc. He holds an associate's degree in engineering from Macomb Community College and plans to graduate in July from Specs Howard School of Broadcast Arts in Southfield. An August wedding is planned.

Honors

Dawn Cowie, a 1985 graduate of Clarkston High School, is on the dean's honor list at the University of Detroit, in Detroit, for the second year in a row.

She has maintained a 3.9 grade point average. Cowie also received a "Certificate of Academic Excellence" award in recognition of outstanding scholastic achievement from the dean of the College of Liberal Arts, also for the second year in a row, at an honors convocation at U of D on April 17.

A junior, she is the daughter of Robert and Virginia Cowie of Independence Township.

Cadet Brian Doyle was named Battalion Commander Orderly for the week of May 4 at Wentworth Military Academy and Junior College, Lexington, Mo.

He was presented a certificate of achievement by Battalion Commander Lt. Col. Khalid Al-Baiz of Saudi Arabia.

Cadets from five companies at Wentworth compete for the honor. The competition centers on military appearance - bearing, shined brass, polished shoes, etc. - and on the cadet's knowledge of basic facts about the academy.

During his week as Battalion Orderly, Doyle will march with the Battalion Staff to meals and for parade, and will assist the staff in weekly duties. He will also be eligible to be chosen Battalion Orderly of the Year.

He is the son of Dr. Michael Doyle of Perry Lake Road, Independence Township.

Engagement

MCELMURRY-KISOR: Doris J. McElmurry of Clarkston announces the engagement of her daughter Karen to Bill Kisor, son of Mr. and Mrs. Marnon Kisor of Oxford. The bride-elect is a 1983 graduate of Wylie E. Groves High School, Birmingham. She is a student at the University of New Hampshire, where she is studying in the environmental education field. Her fiancé is a 1982 Cranbrook School graduate. He is a landscaper and arborist in New Hampshire. The couple are planning a July wedding.

Around Town

Local events open to the public are printed in Around Town as a community service. Call 625-3370 or write to The Clarkston News, 5 S. Main, Clarkston, MI 48016 two weeks in advance.

Thursdays - Agoraphobics in Motion, a support group for people experiencing anxiety, fear, panic attacks; 7:30 p.m.; Christ Lutheran Church, 5987 Williams Lake Rd., Waterford Township. (547-0400)

Pet of the Week

Three little kittens

Angie, Sunny and Claudette are only six weeks old, and they need special homes where some loving family will raise them with tender loving care.

They are extremely tiny for their age, but very healthy and playful. Homes without small children would be best, because the kittens are so small.

Angie and Claudette are smoke tiger-striped females. Sunny is a tan and white male.

All three little kittens can be adopted at the Michigan Humane Society, 3600 Auburn Rd., Auburn Heights, 852-7420. Hours at the non-profit shelter are 10 a.m. to 4:30 p.m. Monday through Saturday.

The adoption fee for Angie or Claudette is \$45, and the adoption fee for Sunny is \$35. The fee includes spaying/neutering at the shelter when the kitten is six months old.

Kudos for CJH kids

The Clarkston Junior High School Student Incentive Program recognizes those students who display exemplary behavior and academic achievement.

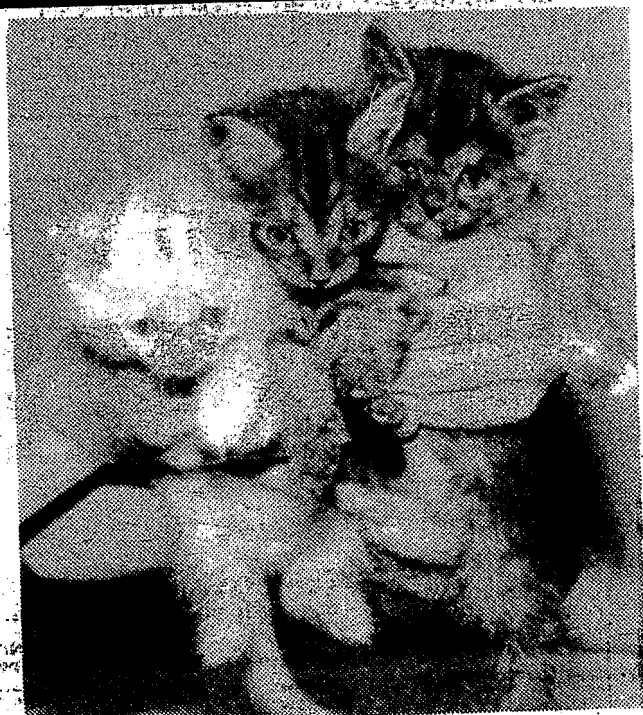

On May 4, students were honored for their excellent performance in the following categories:

CITIZENSHIP - Tim Ford, Derenda Howard, Art McGee, Laura Rescoe, Stacey Secatch.

NO TARDIES - Shannon Barefoot, Elizabeth Cooper, Kathy Jackman, Melissa O'Dea, Jennifer Reed, Amy Schroeder.

HONOR ROLL - Margaret Blieseth, Amy Desrochers, Nathan Abney, Rebecca Rumph, Steve Tungate.

PERFECT ATTENDANCE - Caroline Duling, Greg Downs, Matt Underwood, Joe Webb, Jennifer Woodward.

THESE KITTENS ARE easy to love.

Senior Dinner expands celebrations for grads

BY PAT YOUNG
Clarkston News Staff Writer

Parents and students are working together on an event to culminate the year for Clarkston High School seniors.

A CHS Senior Dinner is planned Sunday, June 5, from 6:30 to 10 p.m. at the Spring Lake Country Club.

The theme is "Never Say Goodbye" and the purpose is for seniors to have an evening to reminisce and share memories before moving on to the next phase of their lives.

Dr. Robert Burek, principal at CHS, originally came up with the idea for the senior dinner and is acting as staff liaison with the parent committee and seniors who are organizing the dinner.

"It's an evening for special young people who are completing a pretty special time in their lives," Burek said. "In many cases, they won't see each other again."

Co-chairing the parent committee are Brenda and Lou DuPree. Shannon Barnes is helping students organ-

ize the program for the evening.

There will be a social hour at 6:30 p.m. with dinner served around 7 or 7:30 p.m. The high school jazz band will perform during the social hour, and seniors will be able to enjoy photo display posters of themselves put together for the occasion.

Tickets for the dinner, at \$6.50 each, will be sold in the high school from May 23 until May 27. There are about 535 seniors at CHS, and DuPree said she hopes as many as possible will attend.

Only seniors may buy tickets. Adults, other than the parent committee and CHS administrators, will not attend the dinner.

"The whole idea is for kids to have a fun evening together in their last days at school," DuPree said.

Dress is not formal, but is dressy. In other words, she said, no "jeans and tennies."

Barnes said the students are planning a video set to music and a humorous skit dealing with school life.

Also, a senior booklet is being put together, listing addresses and phone numbers of each senior, plus their

plans for the future and favorite memories of CHS.

The senior booklets, an extension of the graduation committee efforts, will be printed and ready to hand out the evening of June 5.

The whole evening, Burek said, is to "try to put a capstone on the experiences they've all shared over three years."

Choir sings well

The Clarkston High School Varsity Concert Choir once again proved themselves when they received a II Rating (outstanding) in the state choir competition May 5 in Jackson.

First soprano vocalists are: Chris Cole, Alison Hubbs, Lora Ison, Kelly M. Jones, Jennifer Johnston, Alicia Nyberg, Janice Pelath, Leah Portwood, Melissa Sloan, Kim Toretta, Alysia Vecsei and Debbie Zirwes.

Second soprano vocalists are: Lisa Amato, April Beck, Staci Cool, Meredith Green, Kelsey Harmon, Pam Humphrey, Desiree Linseman, Beth McDermott, Diane Passmore, Marianne Samuel and Carol Warner.

Matt Oliver and Jon Sampson sing first tenor.

Second tenors are: David Allen, Trevor Dolsen, Richard Hawke, Richard Jones, David McGuire and Wayne Murphy.

First alto vocalists are: Rebecca Abdoo, Megan Balloid, Jennifer Blagg, Rachel Fletcher, Tina Gackstetter, Christina Johnson, Amy Keller, Kelley Miller, Kim Morris, Laura Sutton, April Romska, Jennifer Sexton and Carrie Slade.

Second alto vocalists are: Nancy Bailey, Rachel Carson, Ky Case, Kim Cosner, Angela Cumming, Michelle Kennedy, Amy Laidler, Lisa Langdon, Amy McDonald, Laura Sutton and Tabetha Wilson.

First bass vocalists are: Jeff Alkire, Chip Galley, Curtis Haremza, Scott Stuk and Mark Young.

Second bass vocalists are: Mark Hargett, Derek Marshall, Danny Moore, James Phipps, Chris Vandermark and Scott Zumwalt.

Danny Moore and Tabetha Wilson were also in charge of choir robes.

3 to attend convention

Three members of an Independence Township church are to attend the Convention of the Michigan District Lutheran Church-Missouri Synod, planned June 26 to 29 at Concordia College, Ann Arbor.

From St. Trinity Lutheran Church, Sashabaw Road, Jake Ramig Sr. is to represent the church as an elected lay delegate. Pastor Michael Klafehn is a voting delegate; and Richard Schempf, D.C.E., is to attend as an advisory member.

8th-grader wins Optimists' contest

BY JULIE CAMPE
Clarkston News Staff Writer

Although eighth-grader Jess Killion performed well enough for a first-place finish at the Optimist Club's regional oratorical contest May 7, he doesn't plan to make a career out of it.

"I'll probably speak for my own company," the Clarkston Junior High School student said, but he added that he didn't plan to write speeches for presidents or governors.

Jess felt pretty good speaking to the large group of people at Eastern Michigan University, Ypsilanti, he said.

"I've had a little bit of group speaking experience. You just get up and give (your speech), and you don't pay attention to the audience. You just do your best. You get nervous, but you just take a deep breath."

The speech topic was "Destiny: Choice, Not Chance," and Jess' speech was titled "It's Your Choice."

"I gave a couple of success stories and said that you just have to work hard and set goals and strive for excellence and that you have the power to control who you are, and that's the power to succeed," he said, adding he didn't expect to walk away with the first-place trophy.

"I was very surprised, because I was sure I wasn't going to win because they had really good speeches," he said.

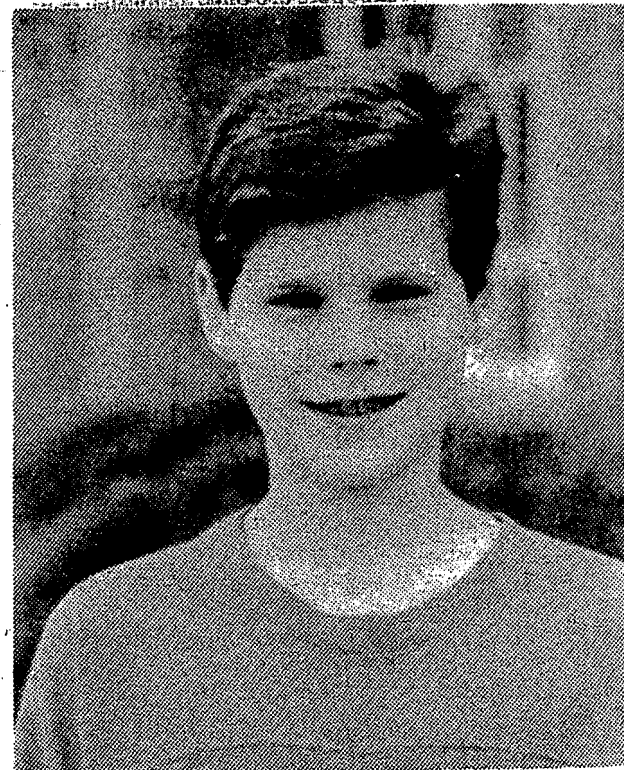

His parents accompanied him to the competition. "They were surprised, too," said Jess. "They were really proud of me and supportive. And they took me out to dinner, and we went to a movie."

Jess wrote his speech as an assignment in Lonnie Wyle's class.

"I heard about the monetary rewards, so I did my best," he said.

Winners at the local level received a \$200 U.S. Savings Bond from the Clarkston Optimists. Regional contest winners win the chance to compete at the state level for a top prize of a \$1,500 scholarship.

To participate at the regional event, Jess and the

SPEAKER JESS KILLION attended the regional oratorical contest with his parents, David and Joan Killion of Allen Road, Independence Township.

female contestant Suzanne Baumann had to place first at the Clarkston contest in March.

"They did an excellent job," said Clarkston Optimist Club President Henry Richardson. "The competition this year at the club level was very intense. They all did a very good job."

Jess and three other regional winners will be competing at the state level May 21 at Schuss Mountain.

Benefit concert

The local Barbershoppers are once again sharpening their four-part harmony skills in readiness for their 45th annual show on Sunday, May 22.

The 2 p.m. show, at the C.A.I. Building, 5640 Williams Lake Rd., Waterford Township, will feature a mixture of quartets and choruses, including the local Sweet Adelines women's chorus.

Featured acts include the "High Tech" Michigan champion quartet and the "Harmony Road Show" quartet.

Admission is \$7 for adults and \$6 for seniors over age 62. More information is available by calling Barnes at 673-2077 or Holm at 623-7452.

The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America is currently celebrating its 50th birthday. On April 11, 1938, the world's largest men's singing organization was born in Tulsa, Okla.

What started out as a spoof on F.D.R.'s alphabetical agencies has grown to an international membership of over 38,000 in 800 chapters with 1,500 registered quartets and 600 choruses in 12 countries.

Profits from concerts go toward such projects as the Institute of Logopedics in Wichita, Kan., a facility for treating communicative weaknesses in children. S.P.E.B.S.Q.S.A. has contributed over \$9 million to this project since 1968. The society's motto is "We Sing That They Shall Speak."

Register in evening

For working parents, evening hours are available to register children for day camp and playground programs through Independence Township Parks and Recreation.

Thursday, May 23, the parks and recreation office inside Township Hall, 90 N. Main, Clarkston, will be open from 5 to 7 p.m.

Village meeting at 7

Programs on Independence-Clarkston cable-TV Channel 65 air Monday through Saturday. They are broadcast from the United Cable studio on Waldon Road.

Week of May 23 through May 28

MONDAY AND FRIDAY:

6 p.m. - Special Presentation: "Alcoholism, Friend or Foe."

7 p.m. - This Is the Life: The contemporary drama series is sponsored by St. Trinity Lutheran Church. This week: "The Gathering Dark."

7:30 p.m. - The Job Show: Employment information presented by the Michigan Employment Security Commission of Pontiac.

8 p.m. - Microwave Plus: Microwave cooking tips and more presented by home economist Betty Wagner of Independence Township. This week: "Food for Forty."

8:30 p.m. - The Fitness Factory: This week: "Low Impact Aerobics."

9 p.m. - Home Movies and Entertainment: Clarkston area resident Tom Hoyes is featured.

TUESDAY AND THURSDAY

6:30 p.m. - Nightmare on Church Street: A "mini-

thriller" produced by Clarkston High School student Derek Hackbart.

6:45 p.m. - Drunk Driving Arrest: A re-enactment by the Lake Orion and Oxford police departments.

7 p.m. - For the Love of You: Bible-based teaching and advice on contemporary issues with the Rev. James Finn of Good Shepherd Assembly of Clarkston. This week's topic: "Discouragement."

7:30 p.m. - Shirley's World: Shirley Lynch of Independence Township discusses psychic topics. This week: "Psychometry."

8 p.m. - Oakland County Parks and Recreation: This week: "Mobile Recreation."

8:30 p.m. - Cherie's Craft Corner: Cherie Hartwick of Tierra Arts and Design of Clarkston presents crafts projects.

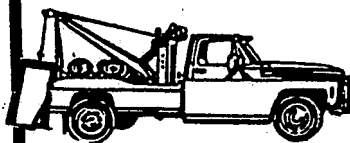

9 p.m. - Best Medicine Co.: Joe Hoo, a Clarkston area resident, presents series based on good humor with "sidekick" Frank Catalano Jr.

WEDNESDAY AND SATURDAY

7 p.m. - Clarkston Village Council Meeting (recorded May 23): The entire meeting will be aired, preempting regularly scheduled programming.

5th-grader to appear in youth symphony

Julie Evans, a fifth-grader at Bailey Lake Elementary School, is to perform in the spring concert of the Oakland Youth Symphony May 22 at Varner Hall, Oakland University, Rochester.

Julie, a concerto competition winner, is to play the Bach Double Concerto with Laura Mros of Sterling Heights.

She has played violin since age three and currently studies violin with Roxanne Oliver, viola with Jim Rescor and piano with Carryl Alessi. She formerly played in the Bloomfield Orchestra where she was a concerto competition winner.

Tickets for the 8 p.m. concert are available at the door. They cost \$3 for adults and \$2 for senior citizens and those under age 18.

If it's a major fire, or a minor oddity, we want a call at The Clarkston News. . . . 625-3370

Attention Professionals:

IDS/American Express is seeking to hire and train qualified individuals as professional financial planners.

DOUG LENNICK, noted author, lecturer, and V.P. of IDS Financial Services will be visiting our area to discuss this exciting career opportunity.

The Career Seminar will be held on TUESDAY, MAY 24 at 7 p.m.

Six from CHS are selected for Girls, Boys State

Six Clarkston High School students have been chosen to attend Girls State and Boys State this summer, sponsored by the Richmond Campbell American Legion and Auxiliary, Post 63.

The students are: Christine Lisle, Marie Powell, Kellee Duty, Brian Riganon, Jim Huttenlocher and Robert Himburg.

Girls State will be at Central Michigan University, Mount Pleasant, from June 11-19. Boys State will be at Michigan State University, East Lansing, from June 16-22.

Students from all over the state of Michigan attend Girls and Boys State. They go through a complete series of government-related activities, from setting up a platform and running in an election to the responsibilities of office in a mock state government.

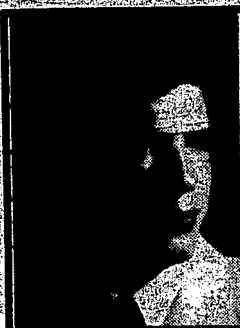

"In a nutshell, it emphasizes the importance of government. It establishes an interest and understanding of government," said Jan Gabier, assistant principal at CHS.

High school juniors are nominated by the school, and chosen by the American Legion Post. Cost of sending a student to State this year is approximately \$180, according to Dawn Tower, Girls State chairman. Mel Mercier is in charge of Boys State for the local American Legion post.

"It gets harder and harder each year to pick the students," Tower said. "There are so many good students."

Tower said the Post meets with the students and has them write letters as part of the selection process.

"We want to be sure they really want to go and are really interested in government," she said. "We want them to be a part of everything and really get involved in the whole government process."

Kwasnick**

Prom thoughts '88

Prom - how shall I describe it? Prom is so much more than a mere social gathering. It is a chance for us, the adults of tomorrow, to demonstrate to our elders the responsibility and maturity befitting of our age.

Nah! Let's get real! Welcome to "Prom Thoughts '88."

Few people realize this, but there were actually two proms taking place inside Petruzzello's simultaneously - one for the guys and one for the girls.

For the guys, it was simple - get dressed up in a tux, go off to a ritzy place and have fun.

For the girls, it was an event that ranks up there with the building of the pyramids. Go shopping, 12 stores later find a dress, pay half a house mortgage for it, get it altered, buy accessories.

On the day of the prom, have Raoulle do your hair, get into dress, scream at anyone who gets within 10 feet of it (gotta be careful) - and don't forget to have a good time! Geez, makes you glad to be a guy.

Why don't they rent prom dresses?

Does a prom dress, if kept in a closet long enough, become a wedding dress? Maybeeee.

Originality Award - CHS Prom: to whoever was wearing the tie-dyed tea-length. Gotta hand it to you, it was original!

Is it just me, or was walking to the entrance of Petruzzello's like being on the wrong end of a police lineup? "Excuse me, officers, administrators, stop staring at me, I'm not drunk." But, of course, I'm only speaking for myself ...

Petruzzello's - nice place, good dinner. I was impressed. Just one complaint. Could someone have found just a tad more space?

Why was I reminded of the bumper cars at Cedar Point when I slow danced? Probably because I felt like one.

Six couples, 12 to a table. Having dinner wedged between two prom dresses reminds me of being bear-hugged by Dolly Parton.

Prom theme - Kenny Rodgers' "Through the Years." Wouldn't it have been more memorable if something such as Who's "Teenage Wasteland" won?

As you left the prom, you were given souvenirs: a coffee mug and a flower vase to remember the evening by. Champagne glasses have been outlawed - they supposedly promote drinking. Right. Someone please tell the brains behind that idea that champagne tastes the same regardless of what it's in.

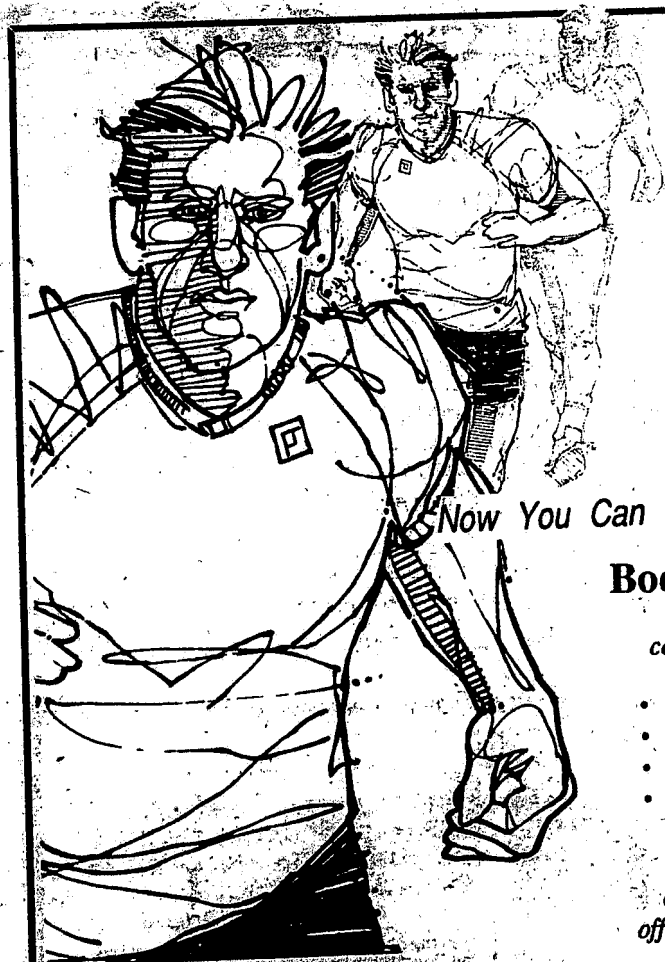

Prom portraits really bother me. "Just move forward a bit, right shoulder up, left one down, tilt your head. You do the same, honey. There now, that looks natural." So does a game of Twister.

Limos - I can get used to that lifestyle real quick. Now, if I can just find a newspaper job that pays \$100,000 right out of college.

Prom - It's many things, but most of all, good or bad, it's something special to each and every person who went.

David Kwasnick is a Clarkston High School senior.

What's new

Last week, I walked eight miles searching for new microwavable food.

Along the way, at the Food Marketing Institute's annual spring convention, I found plenty of snacks and beverages to sample, thus adding fuel for my journey.

FMI, a non-profit association of independent supermarket operators and small regional firms, conducts educational, research and public affairs programs for its members.

One of the objectives of the spring convention is to showcase the newest grocery products.

I just missed Clarkston's own Larry Banker at Keebler's hollow tree. Last year, Larry's company introduced Elfin Loaves, tasty and popular microwavable snacks.

Here are the new microwavable products that I found:

Wyandot Inc.'s Microburst Microwave Popcorn was introduced last December. It was being popped in a special microwave popcorn oven - yes, it's true! The oven was a "Little Litton" colorfully decorated with popped corn. What a cutie!

Nearly a year ago, Jiffy Pop introduced their microwave popcorn. The unique package consists of a disposable serving container with a clear bonnet for watching the kernels pop.

Pizza is a once-a-week item in our house, so I was pleased to find Tony's MicroLite Supreme Pizza & Microwave French Bread Pizza. Tony's Red Baron label packages Microwave Deep Dish Singles (since '86) and a new 12-inch family pizza.

Brown 'N Serve Breakfast Sandwiches by Swift-Eckrich Inc. are for conventional as well as microwave preparation. They include a Croissant with Ham & Cheese; a Biscuit with Sausage, Egg & Cheese; a Croissant with Bacon & Egg; English Muffin with Sausage & Egg; and individual Sausage & Biscuits, including a Lite sausage with 25 percent less fat and salt.

Hormel has conveniently packaged their Black Label Brand Bacon for microwave cooking. It comes four strips to a package, four packages in a 12-ounce box. The special packaging allows the bacon to be broiled and the bottom pad absorbs the grease, but not the bacon's moisture. Look for it during the summer of '89.

Within the next two months, you will find six new

browners and seasonings for the microwave on the supermarket shelf. My friends from Micromerals will be supplying them. The flavors are Fish & Seafood, Cajun, Meat, Chicken Barbecue and Teriyaki.

Chef Boyardee's Microwave meals should be on the grocer's shelf in the Detroit area by July. The single serving package comes in six varieties, including Ravioli, Beefaroni and two meals especially for kids, and requires no refrigeration. The microwavable container doubles as a serving bowl.

Lunch Bucket, Microwavable Meals (six soups and nine entrees) are one-half pound servings that go from shelf to microwave table in 90 seconds. They last on the pantry shelf for up to two years. They were introduced to the entire Midwest in March of this year.

Coming to the Detroit area in six months are the Campbell's Super-Combos for the microwave. There are eight varieties including Vegetable & Cheeseburger, Chili with Beans & Hot Dog on a Bun and Chicken Rice Soup & Vegetable Egg Rolls.

Barber Foods have microwave directions for their seven frozen entrees. The two new varieties introduced at the show were Chicken Italian Style and Chicken With Asparagus & Cheese Stuffing. They should be in our area within three to six months.

Texas Western Foods has added six-minute microwave preparation instructions for its pre-seasoned fajitas (four products in beef and chicken). Previously, the product directions were only for outdoor grilling and range-top cooking. Look for them in our area in six months.

Attractive, rich and single describes Pepperidge Farm's new American Collection single-serve frozen desserts. Of the eight varieties offered, only one is not microwavable. But be patient, they are still in the test market - and it's not the Detroit area.

Ready to Microwave Fudge Brownies by Pillsbury will be in the dairy case by June. These moist fudgy brownies require no preparation. They go from refrigerator to the microwave to the table in six minutes. What's next!

At the end of my journey, I found J&J Snack Foods' new Microwavable Superpretzel, Soft Pretzel Bites. You can find them, too, in area stores, but you'll have to wait until the end of '88 or beginning of '89 (unless you go to

Denver or to the West Coast) for Microwavable Super Churros, "the light donut stick you snack on."

Home economist Betty Wagner resides in Independence Township. Her "Microwave Plus" cable-TV show airs on Independence-Clarkston cable Channel 65 on Monday and Wednesday at 8 p.m.

GORGEOUS SCENIC AND SECLUDED
Overlooks Loon Lake. Great room features dining area, beamed ceiling, natural stone fireplace, French doors and many picture windows with breathtaking views. 2 story barn with concrete floor. Great place to raise a family. \$127,900 1256-D

MOVE IN CONDITION 3 bedroom 2 bath tri-level, doorwall off the dining area, carpeting and neutral colors throughout, alarm system in the home and the shed, plus as attic fan for warm summer days ahead. \$93,900 1875-L

KEATINGTON COLONIAL Family room with doorwall, brick fireplace and built in bookshelves, large picture window in the living room, a large lot with fenced yard, covered patio to enjoy and nicely landscaped. \$104,900 2872-W

IDEAL FOR FAMILY 3 bedroom ranch features personality plus. 2 extra large bedrooms, 3 fireplaces, one in the master bedroom, new carpeting, 3 car garage plus all this on 3 acres. \$112,000 5930-S

ENJOY THIS HOME Entertain in the finished basement, serve family dinners in the formal dining room, or relax around the pool this summer. Hurry this four bedroom ranch will not last. \$89,900 639-P

LAKE FRONT ON LAKE ORION 90 ft. of frontage 1780 sq. ft. with 4 bedrooms, 3 baths plus approximately 1400 sq. ft. of walk-out lower level finished. This home looks over the lake and is waiting for you and your decorating ideas at \$135,900. For details call 628-4711. 67-S

Obituaries

John Roy Aulgur Jr.

John Roy (Jack) Aulgur Jr., 69, of Springfield Township died May 15. He attended the Church of the Resurrection in Independence Township.

Surviving are his mother, Georgia Meacham of Springfield Township; brothers, Edgar Aulgur of Clarkston and George Aulgur of Waterford; and many nieces and nephews.

The funeral is scheduled May 20 at Campbell-Lewis Funeral Home, Marshall, Mo. Burial will be in Ridge Park Cemetery, also in Marshall. Local arrangements were made by the Lewis E. Wint & Son Funeral Home, Independence Township.

Memorials may be made to the American Heart Association.

Gilbert J. Hellman

Gilbert J. Hellman, 72, of Fairfield Glade, Tenn., and formerly of the Clarkston-Waterford area died May 6.

Surviving are his wife, Helen; children, Patricia Chizmar of Belair, Md., Gill Hellman of Lake Orion and Sharon Shelton of Oxford; six grandchildren; one great-grandchild; and brother, Wesley Hellman of Beverly, Mass.

Local arrangements were made by the Sherman

Village of Clarkston

The Clarkston Village Council will be holding a public hearing, May 23, 1988, 7:30 p.m. at the Village Hall to discuss the problems within the business district. There has been a loss of retail businesses over the past few years which is cause for a public dialogue. The meeting is of extreme importance to business owners, building owners, and residents.

Topics for discussion would include: Should the current zoning ordinance in the business district be revised to distinguish between different types of businesses, such as retail and offices? Is there a need for downtown redevelopment and how would this be financed?

Your constructive ideas and comments are necessary. Please come.

Clarkston Village Council

Springfield Township TOWNSHIP BOARD MEETING MAY 12, 1988 SYNOPSIS

The regular meeting of the Springfield Township Board was called to order at 7:30 p.m. by Supervisor Walls. MINUTES of the April 14, 1988 meeting were approved. TREASURER'S REPORT was accepted. Reports were submitted by the Building Department, Fire Department and Ordinance Officer.

COMMUNICATIONS were read and put on file.

OLD BUSINESS:

1. Accepted bids from Gerald Wulke for \$3,250.00 for fire truck.

2. Committee formed to discuss questions for cable TV.

3. Discussion on railroad crossings. No action taken.

NEW BUSINESS:

1. Tabled final preliminary plat approval for Barnett Acres.

2. Approved requests for 25 mph speed limit on Hall and Tindall Roads.

3. Decision to send a letter to Oakland Co. Road Commission requesting paving of Holcomb and Bridge Lake Roads from I-75 to Davisburg Road.

4. Referred proposed amendments to Article 17, Ordinance No. 26, back to the Planning Commission for changes.

5. Authorized cancellation of IFT certificate for Functional Gage.

6. Authorized donation of \$1,000 to Andersonville Cemetery Association.

7. Authorized donation of \$200 to Common Ground.

8. Approved payment of \$166 dues to Clinton River Watershed Council.

9. Rejected request from Village of Holly for a donation to July 4 fireworks.

10. Authorized advertising for bids for air conditioning system for lower level offices.

BILLS authorized for payment.

ADJOURNMENT at 9:15 p.m.

J. Calvin Walter, Clerk
Collin W. Walls, Supervisor

Wilk Funeral Home, Ortonville.

Memorials may be made to the Association for Retarded Citizens' Building Fund, P.O. Box 389, Crossville, Tenn. 38555.

Stanley Prusik

Stanley Prusik, 92, of Independence Township died May 12. He was a retired printer from the Detroit Free Press.

Mr. Prusik was a 50-year member of the Detroit Typographical Union No. 18. He served as an officer in the Polish Army during World War I. He was a Catholic.

Surviving are his daughters, Sophie Korte of Clarkston and Celia Shanoski of Sun City West, Ariz.; grand-

children, Daniel Shanoski and Celia Johncox; and four great-grandchildren. He was preceded in death by his wife, Janina.

The funeral was May 15 at the Goyette Funeral Home, Clarkston, with the Rev. John Rozak officiating. Burial was in Forrest Lawn Cemetery, Detroit.

NOTICE IS FURTHER GIVEN THAT THE PROPOSED VARIANCES MAY BE EXAMINED at the Independence Township Building Department during regular hours each day, Monday thru Friday until the date of the Public Hearing.

Respectfully submitted,
RICHARD A. HOLMAN, CLERK
Linda M. Gee, Secretary

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Board of Education, Clarkston Community Schools, Clarkston, Michigan, for Special Addition to Clarkston Elementary School, Clarkston, Michigan.

Architects: Charles W. Sherman Associates, Inc., 35 West Huron - Suite 900, Pontiac, Michigan 48058.

Bids will be received until 2:00 p.m. EDT, June 7, 1988, at the Office of the Board of Education, 6389 Clarkston Road, Clarkston, Michigan 48016.

Bidding documents will be available to Prime Bidders only, on or after May 23, 1988, at the office of the Architect. Only a maximum of two (2) sets will be given to Prime Contract Bidders. Bidding documents may be examined at the following locations:

The Office of the Architect

Proposals will be received for the following:

Proposal No. 01 Concrete; Proposal No. 02 Masonry; Proposal No. 03 Structural Metals; Proposal No. 04 Carpentry; Proposal No. 05 Roofing; Proposal No. 06 Ceramic Tile; Proposal No. 07 Floor Covering; Proposal No. 08 Cabinets; Proposal No. 09 Acoustic Ceilings; Proposal No. 10 Painting; Proposal No. 11 Mechanical; Proposal No. 12 Electrical.

Proposal Guaranty: Each proposal shall be accompanied by a certified check, money order or bid bond payable to the Owner in an amount not less than five percent (5%) of the maximum proposed amount. Such guaranty shall be forfeited to the Owner in the event that the bidder fails to enter into a contract with the Owner within ten (10) calendar days after written notice of award of contract by the Owner or his agent.

Proposal Conditions: The Owner reserves the right to reject any or all bids, to award the contract to other than the low bidder, to accept any or all alternates, to waive irregularities and/or formalities, and in general to make the award in any manner deemed by him, in his sole discretion, to be to his best interest.

Contract Security: The successful bidder shall furnish bonds covering the faithful performance of the Contract and payment of all obligations arising thereunder, each in the amount of 100% of the Contract. Premiums shall be paid by the Contractor. Form of bonds shall be A1A-A311 (no other will be accepted).

Great Want Ad Buys
Covering These Oakland County Townships

	Groveland	Brandon	Oxford	Addison
Springfield		Independence	Orion	Oakland

Trade area covered by The Clarkston News, Penny Stretcher, Ad-Vertiser, The Oxford Leader and The Lake Orion Review. Over 31,100 homes received one of these papers each week. Delivered by mail and newsstand.

5 PAPERS - 2 WEEKS - \$6.00

10 WORDS (20¢ EACH ADDITIONAL WORD)
(Commercial Accounts \$5.00 a week)

Money-Back Guarantee

1. If you run your ad for 2 issues in The Clarkston News, Penny Stretcher, Ad-Vertiser, The Lake Orion Review and The Oxford Leader and pay within 1 week of the start date of the ad.

2. If you fail to get any inquiries within 30 days after the stop date of the ad.

3. After the 30 days, fill out one of our refund applications and mail or bring to us.

We will refund your purchase price (less \$1 for postage and billing costs) within 7 days after receipt of your application.

Please remember we can guarantee only that you'll get inquiries. Since we have no control over price of value, we cannot guarantee that you'll make a deal.

You may pick up a refund application at The Clarkston News, The Oxford Leader or The Lake Orion Review or you may write for one. (Please do not phone.) The guarantee applies to individual (non-business) ads. The refund must be applied for between 30 and 90 days after the start date of the ad.

All advertising in The Sherman Publications, Inc. is subject to the conditions in the applicable rate card or advertising contract, copies of which are available from the Ad Dept. The Oxford Leader, 666 S. Lapeer Rd., Oxford, MI 48051 (628-4801) or The Clarkston News, 5 S. Main, Clarkston 48016 (625-3370). This newspaper reserves the right not to accept an advertiser's order. Our ad-takers have no authority to bind this newspaper and only publication of an ad constitutes acceptance of the advertiser's order. Tear sheets will not be furnished for classified ads.

**It's easy to put
an ad in our
5 papers**

1. You can phone us 625-3370, 628-4801 or 693-8331 and our friendly ad takers will assist you in writing your ad.
2. You can come into one of our convenient offices. The Clarkston News, 5 S. Main, Clarkston, The Oxford Leader, 666 S. Lapeer Rd., Oxford or The Lake Orion Review, 30 N. Broadway, Lake Orion.
3. You can fill out the coupon in this issue and mail it to The Clarkston News, 5 S. Main, Clarkston, MI 48016 or The Oxford Leader, 666 S. Lapeer Rd., Oxford, MI 48051 and we will bill you.

SELLING YOUR HOME or property? Call Fred Latta, 628-9779, Realty World, Wise & Co., 837 S. Lapeer Road (M-24), Oxford. ILLX11-1

This is the year to have your dream home built and I would like to be your builder. Interest rates are dropping and prices are steady. We have several 1 1/2 acre lots on paved street near Clarkston. Some are wooded and suitable for walkout basement. House and lot together in this sub would cost approx. \$100,000 depending on style of home. Give me a call & lets talk about it.

TAP DANCING THEIR WAY through rehearsal for a Clarkston Youth Enrichment dance program recital are (from left) Tiffany Reger, Jacalyn Munis, Jecol Talbot, Andrea Bergamo and Andrea Olinski. The girls are pupils at North Sashabaw Elementary School and their instructor, also pictured, is Sue

Deacon. Also involved in the recital are around 40 tap, ballet and jazz 6- through 9-year-old dance students from other Clarkston elementary schools. The recital will take place at 7 p.m. on May 25 in the Kirchgessner Theatre at Clarkston High School. Admission is free.

HOW TO DO A LITTLE BUSINESS ON YOUR OWN...

Holding a garage sale is a fun way to do a little business on your own... but it takes a bit of planning.

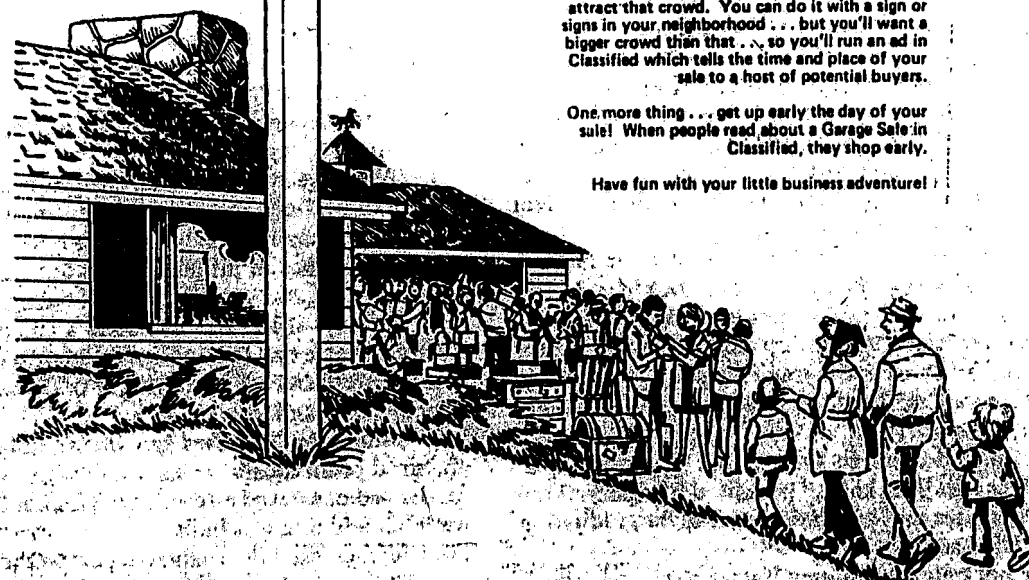

Like you'll want to decide what to sell and how much to charge for each item... and then you'll need price tags so other people will know what you're charging.

And you'll have to be able to make change for all your customers... so that means you should have lots of one dollar bills and an assortment of coins.

Then you'll want to advertise your sale to attract that crowd. You can do it with a sign or signs in your neighborhood... but you'll want a bigger crowd than that... so you'll run an ad in Classified which tells the time and place of your sale to a host of potential buyers.

One more thing... get up early the day of your sale! When people read about a Garage Sale in Classified, they shop early.

Have fun with your little business adventure!

A SCENE FROM THE PAST: The Clarkston Village Players produced "The Odd Couple"

in 1971, featuring (from left) Bruce Rogers, Mike Crowley, Homer Biondi, "Doc" Denne,

Pete Rose and Ray Welch. (Photo courtesy of the Clarkston Village Players)

Live and on stage!

Community theater thrives with Clarkston Village Players

BY PAT YOUNG
Clarkston News Staff Writer

Trains still rumble by, but the little red depot by the tracks on White Lake Road that once was a Grand Trunk Railroad station has long since become home for Clarkston Village Players.

The Players evolved in 1961 and staged performances for several years at the high school before moving to the Depot Theatre. They own the quaint building and have a long-term lease with the railroad for the Independence Township property, not more than 12 feet from the tracks, where it sits.

The Players celebrate 27 years with their 1987-88 season. Their final production, "Move Over Mrs. Markham," finishes up with performances on May 20 and 21.

Most summers, the group does a youth theater production. Profits from the youth theater go toward two scholarships for CHS graduates who are going into some area of the fine arts.

They also do benefit shows. One performance of "Move Over Mrs. Markham" benefited Clarkston Area Youth Assistance and another, the all-night graduation party for CHS seniors.

"We not only take money, but we give money back to the community, too," says Village Players president Karen Stankye.

The group is already reading scripts to choose five new productions for the next season. They try to use a mix of plays to please everyone - drama, mystery, comedy, melodrama and sometimes a play by popular demand of the Players themselves. Musicals are seldom used be-

cause the 16-by-16 stage just doesn't lend itself to casts of that size, but they do use music when they stage melodramas.

The diminutive theater holds an audience of 86, and shows are frequently sellouts. It seems Clarkston Village Players has a loyal following, for which Stankye says they are grateful, and the following grows as word spreads about the unique little theater.

Actors sometimes pause mid-sentence while a train rattles past.

"We have a practice of freezing on stage until the train goes by," says long-time Players member Marlene Sewick. "It usually happens at least once in a performance, sometimes in difficult spots, but our people are 'trained' for it and are pretty much old pros."

She says it has become such a trademark of the Depot Theatre that the audience is almost disappointed if a train doesn't go by during a performance, which happens now and then.

Until about 10 years ago when the theater group acquired plush theater seats, there were folding chairs for the audience. And up until about four or five years ago when an addition was built,

the audience used the outhouse next to the building. The original outhouse was sold to a farmer for \$25, Sewick says, and replaced by a Port-O-John. When the addition was built in the mid-1980s, indoor plumbing was added, for a grateful cast and audience alike. But even when Port-O-John and folding chairs prevailed, the theater was always enjoyed.

Community theater has a special appeal to audiences. A neighbor or local businessman may very well be

the hero or villain on stage. And there's always a place for the set builder, the stagehand or the person who just likes to get involved with any aspect of the theater.

"I have not acted. I have only done backstage production," says Stankye. "I love it. It really is a thrill hearing the audience responding to the play."

A lot of work goes into a production, more than most people might realize, Stankye says.

"As with any group, there's a lot of different personalities working together (in the Village Players)," she says. "There's a lot of talent both on and off stage."

And after 27 years, there are plenty of "backstage stories" that abound as well, such as the live-in mice that occasionally cause moments of chaos. And the live monkey that escaped during a production of "Inherit the Wind," spending the final act above the stage. He was replaced the next night by a stuffed monkey.

And there was the time that Janet Rose played a spinster who knitted. She didn't knit, so she used an "in progress" knitting project someone else started for her. She rearranged it into an incognito pattern, and on the final night, the whole thing fell off the knitting needles.

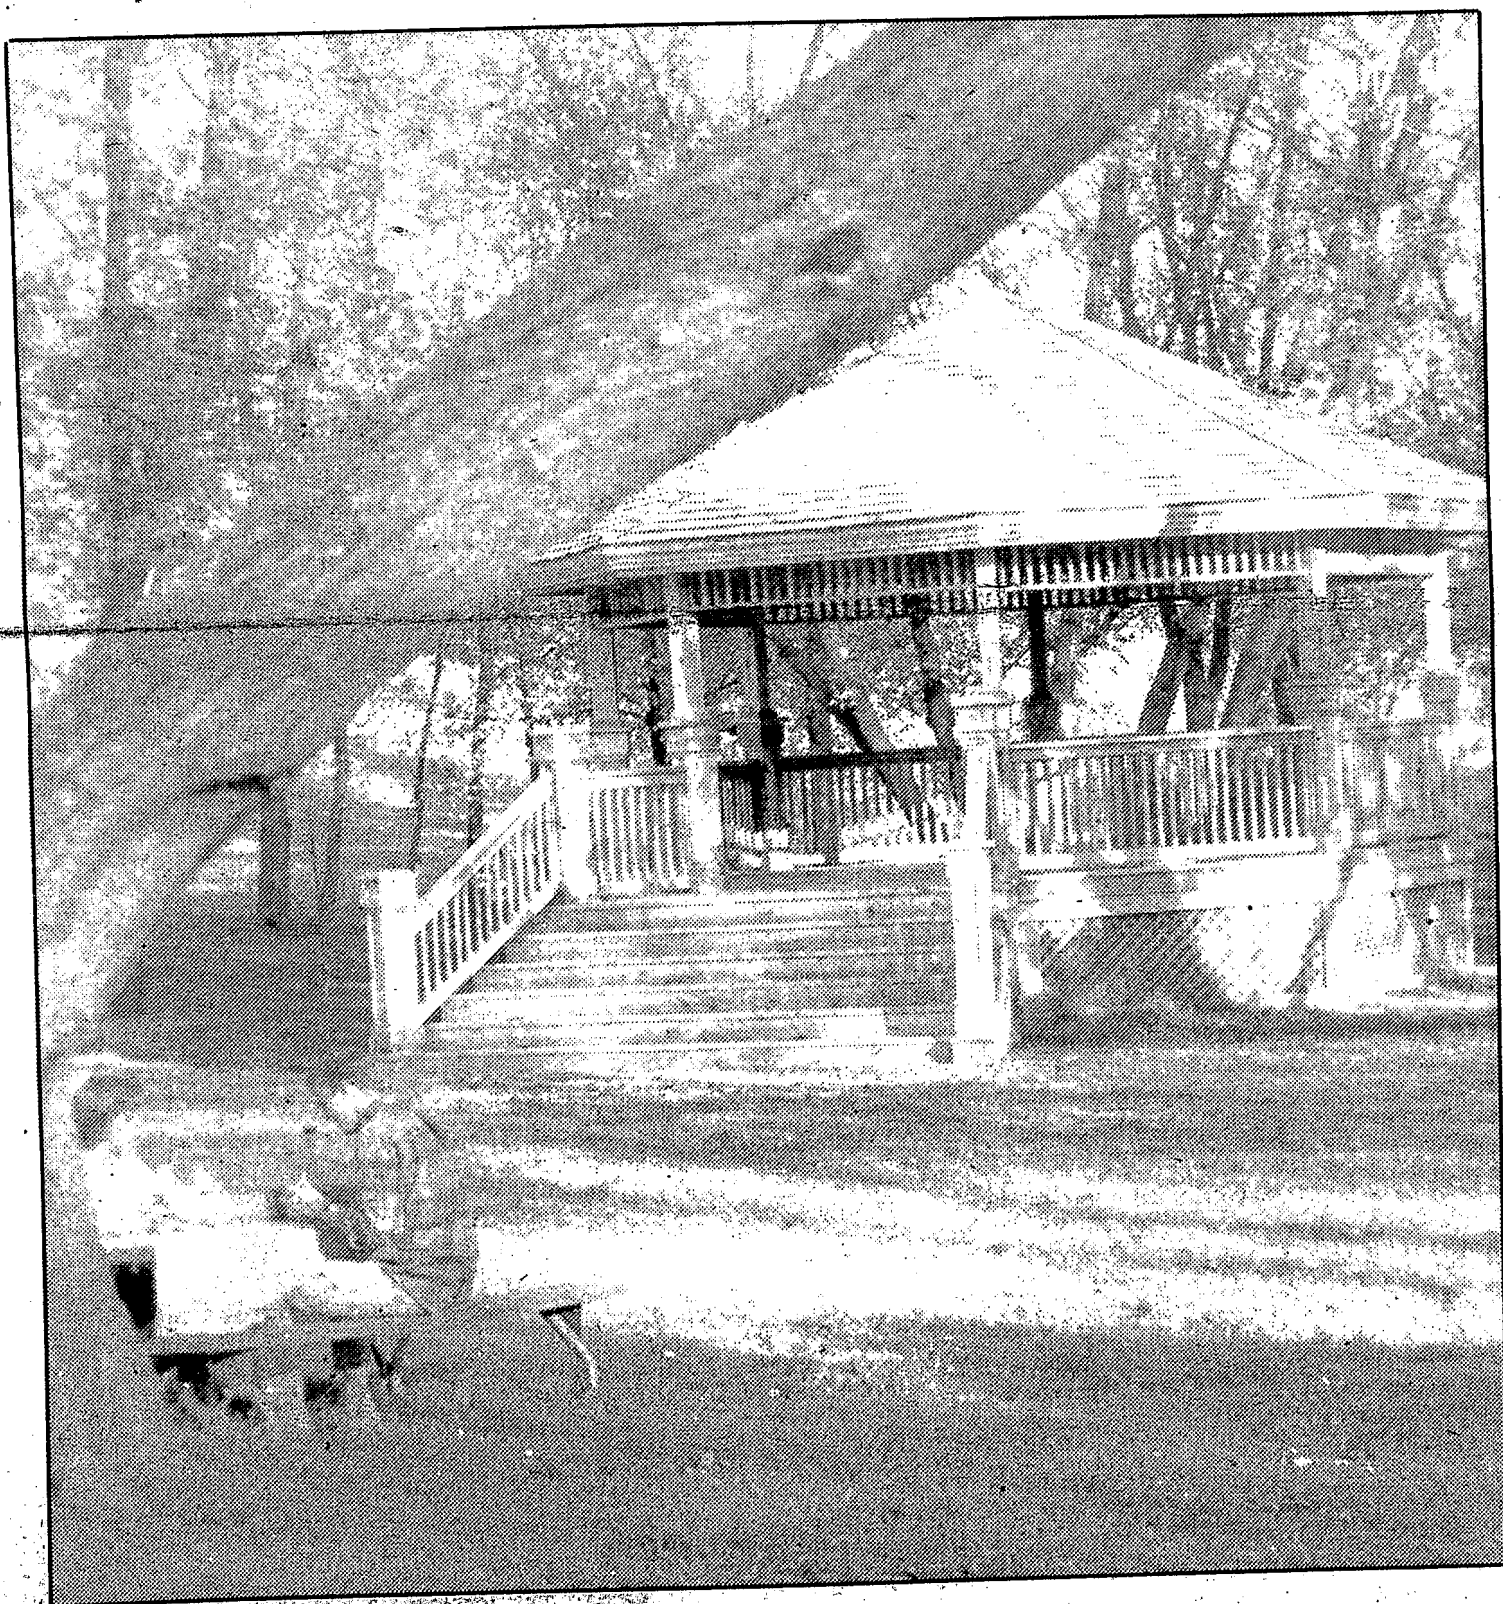

Sewick says the Players give out "oscar" for cast and crew after productions. They also give out a "bloop award." It is passed from member to member and is given out "all in fun," she says.

"I've directed too many plays to remember; I like the challenge," says Sewick, who is also a past president of the group. "I guess I like theater just because it's a place I can go and leave the rest of the world for a while."

DEPOT PARK with the new gazebo proves to be a popular spot to eat dinner on spring-like days in Clarkston. Claire Needham and Dan

Travis, both of Independence Township, spend a few quiet moments relaxing after a long day. (Photo by Peter Auchter)

Swinging place: Land of plenty for those who enjoy golf

DAN COLOMBO, of Clarkston, enjoys a sunny afternoon golfing with two friends at Spring Lake Country Club on Maybee Road in Independence Township on a recent Friday.

Golfers can choose from a wide variety of scenery and degree of difficulty when looking for a course close to home for a leisurely afternoon on the links.

With four courses in the area, the final decision is left up to an individual's personal preference. Spring Lake Country Club, Pine Knob and Springfield Oaks are all 18-hole courses while the Clarkston Golf Course offers 9 holes.

Senior citizens get a special price break at a couple of the courses as an added bonus.

At Spring Lake Country Club, 6060 Maybee, Independence Township, the cost for nine holes on weekdays is \$7 and \$10 for 18. On weekends the cost goes up \$1 for nine holes and \$4 for 18 holes.

Carts can be rented for \$8.50 (nine holes) and \$17 (18 holes).

At Pine Knob Golf Course, 5580 Waldon Rd., Independence Township, the cost for nine holes is \$11 and \$20 for 18. On weekends the fee goes up to \$11 and \$22. Carts can be rented for \$10 (nine holes) and \$18 for 18 holes.

At Clarkston Golf Course, 9241 North Eston Rd., Independence Township, golfers pay \$6 for nine and \$9 for 18 holes during the week. Weekends, the price goes up \$1.50 for nine holes and \$3 for 18. Carts cost \$8 for nine holes.

Seniors get a discount during the week. They pay only \$4 to golf nine holes.

At Springfield Oaks, 12450 Andersonville Rd., Springfield Township, the cost to golf during the week is \$6 for nine holes and \$10 for 18. On weekends, the rates go up \$1 and \$2.50, respectively. Carts can be rented for \$8 (nine holes) and \$15 (18 holes).

Seniors who are 62 or older get a discount during the week. They can golf nine holes for \$3.75 or 18 holes for \$6. Cart use costs an additional \$6 for nine or \$10 for 18 holes.

Warm family home nestled in an Oak-Dogwood forest. Beautiful views from all windows. Brick floors, cathedral ceilings, gourmet kitchen, screened porch and open deck. Four bedrooms, two fireplaces, study, family room, security system and private beach. \$249,500.

Dramatic design inside and out enhanced by its 7.5 acre retreat like setting. Extensive use of ceramic tile and oak adds to the sophistication of this three bedroom, two and a half bath home. Second floor laundry, attached green house, six panel doors and that's only the beginning. \$189,900.00.

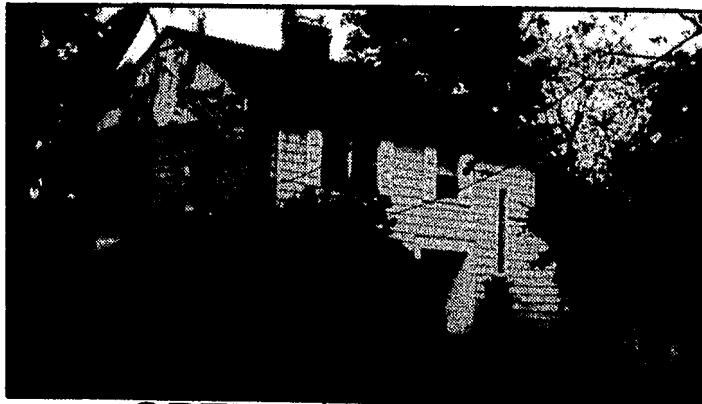

The
Michael
Group, Inc.

Clarkston, MI 48016

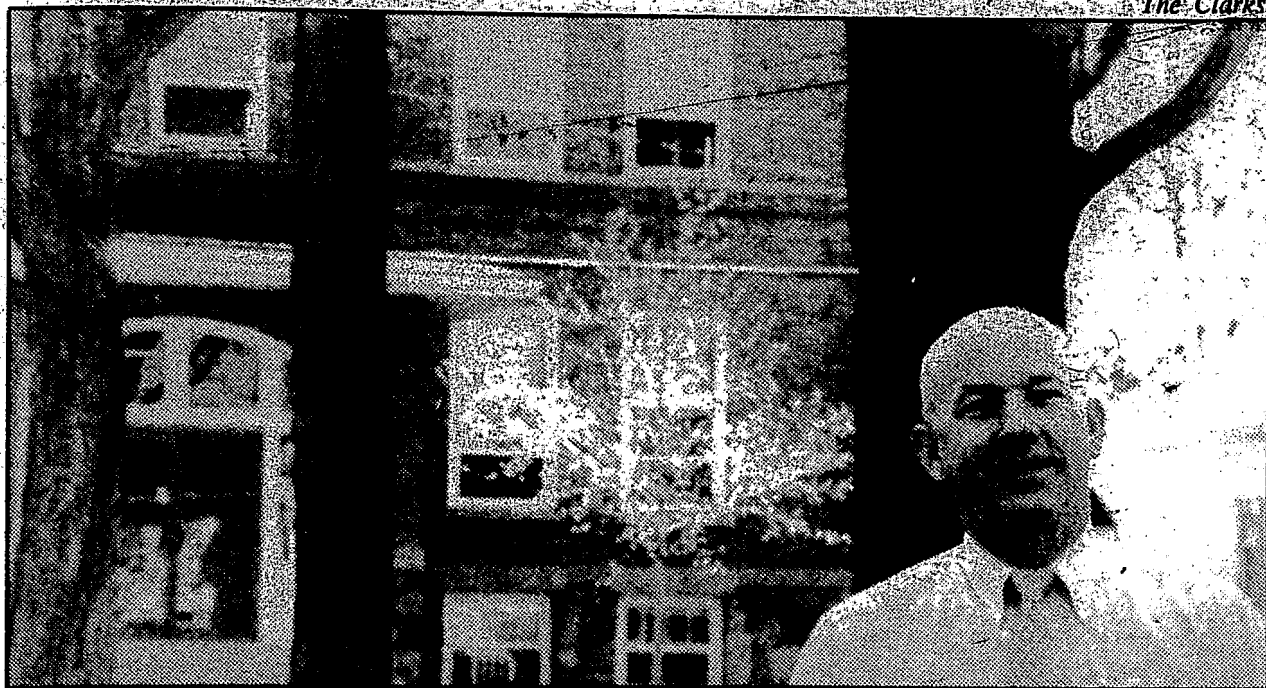

OPEN SUNDAY 1-4
9711 Norman

Exciting views from all levels. This crisp, beautifully maintained home offers a 3rd floor master suite which includes a walk-in closet and bath. The natural oak kitchen opens to the lake side living room. The family room includes a wood burner and is also at lake side. With 4 bedrooms, 3 baths, natural wood windows, a Florida room, a 2 plus detached garage, and southern exposure, this home captures the serenity of lake front living without sacrificing convenience. \$189,500. Dir.: Take Dixie N. of I-75 to 1 block past Davisburg Rd. Rht. on Norman.

OPEN SUNDAY 1-4
6195 Middle Lake Rd.

Charming colonial located on Middle Lake Canal and just a short walk to the village of Clarkston. This 3 bedroom, 2 bath home features a sun porch off the living room, a screened porch from the walk-out lower level, and a large sunny kitchen. Sitting on a park-like double lot with an abundance of mature plantings and a front brick patio, this home is something special. \$137,500.00.

FRANK RONK stands outside Independence Township Hall, 90 N. Main St., Clarkston, the

site of his office as supervisor of the township, a full-time position.

Independence feels growing pains

BY FRANK RONK
Independence Township Supervisor

Independence Township is changing almost on a daily basis.

We are certainly a growing community due to what is occurring in the development of Oakland County and the State of Michigan.

We are not, however, being singled out as the only community having to adjust to growth. We are attempting, to the best of our ability as selected boards and commissions, to monitor this issue to maintain the overall continuity of our township.

I have lived in this township and Village of Clarkston for my entire life, and most certainly have deep feelings for what has happened over the years - the

change in lifestyle and what may or will happen for the next several years, which also has a direct effect on this community and its image.

In most cases there has been a true expression of cooperation by separate entities, boards, commissions, churches and citizens to make this area as nice a place to live, work and raise a family as it has been over the years.

However, this process will not be an easy one, and there will most assuredly have to be many compromises by all of us.

If we can assess the issues we have to consider over the coming years with a spirit of objectivity, I am sure our community will continue to be one which will be a wonderful place to live, as well as reflecting a picture to those on the outside as to its attributes.

What do you like best
about Independence Township?

"It's a nice place to live. It's good for kids. It's good for everybody. It's been my home for a lot of years."
Frank Mills
Retired
Pinedale
Independence Twp.

"It's a small community that's close to a big city that has lots to offer."
Pauline Baylis
Homemaker

Coming up Saturday

TWO RUNNERS in the Fun Daze run last year round the last corner and head for the finish line in downtown Clarkston.

Wed. May 18, 1988 The Clarkston News-Independence Living

RUNNERS in the 5 kilometer and 10K races last year during Fun Daze jogged down

Holcomb Street as they start the race. A new more scenic route has been created this year.

Fun Daze will stage its second annual extravaganza in Clarkston this Saturday with most of the activities scheduled at St. Daniel Catholic Church at Holcomb Street and Miller Road.

The main events of the day are the running races sponsored by the Clarkston Rotary Club. A wide variety of distances were created along a scenic back-roads course to suit just about anyone's needs.

There is a 1-mile fun run/walk, or a 5 kilometer walk or a 5K or 10K run. The runs begin at 9:30 a.m. Registration and check-in begins at 7 a.m. the day of the races. About 500 to 700 runners, double the number from last year, are expected to participate this time

around, said Chairman Dick Greenfield.

The runs are followed by a host of activities ranging from magic acts to kite flights to a Big Wheel race for kids.

All of the groups involved with Fun Daze will donate a portion of their profits to a general fund to be used for something the entire Clarkston community will enjoy, said Greenfield.

One suggestion is to build wooden pathways and observation towers in the wetlands area of Depot Park in downtown Clarkston.

A complete listing of Fun Daze events is in this week's edition of The Clarkston News.

Parks play positive position

BY JULIE CAMPE
Clarkston News Staff Writer

Parks and leisure activities are an extra service in the community, unlike necessary services that residents need and expect, said Independence Township Parks and Recreation Director Timothy Doyle.

"We can be a positive force on how the community is viewed," said Doyle.

Recreation can also play an important role in society, he said, using the basketball courts at Clintonwood Park as an example.

"These courts on a sunny day are busy all the time," he said. "It's excellent. You look out there and see what (the young people are) doing, and they're doing something wholesome and getting exercise. They're not doing other things. They take care of it. We've had very few problems."

"Kids have to have a place to go and something to do," he said. "It's not just kids - it's parents, too. You get dad who's been in the shop all day or in a tough business all day, and they need some way to get it out of their systems. ... It's an outlet. It's an avenue for people to get refreshed and renewed."

Following is a list of parks and facilities in the Independence Township Parks and Recreation Department.

BAY COURT CAMP, 49-acre parcel on Greens Lake, Andersonville Road, to be purchased within two weeks.

Future: Camp facilities for sports, schools, or regional groups; park area; swimming and boating area; kitchen and overnight facilities.

DEER LAKE, 137 acres on White Lake Road, Clarkston; a beach area for recreational swimming and swimming lessons offered for about 300 people a summer; boating; sand volleyball court; ice fishing in winter.

SAFETY PATHS, nine miles throughout township.

SASHABAW PLAINS PARK, 20-acre neighborhood park on Maybee Road; Natureville playground equipment; fenced softball field; two soccer fields; one

junior soccer field; picnic area.

Future: Two sand volleyball courts and a basketball hoop.

SUNNY BEACH on Walters Lake off Clarkston Road; swimming lessons given three times a week.

CLINTONWOOD PARK, 120 acres off Clarkston Road.

● Three softball fields for 109 teams, two electronic scoreboards (donated by the Clarkston Area Jaycees).

Future: This year, the state's first All Pro in-ground batter's boxes to be installed with money from the Jaycees.

● Playgrounds, Mark Four of wood and rope, popular with kids 12 and under; Timberland for pre-elementary age kids.

● Four sand volleyball courts for tournaments, league play and open time.

● Four tennis courts, used by Clarkston High School; lessons and open time, with lights coming next year.

● Three new soccer fields with bleachers and new goals (turf should be better next year).

● One-mile Par Course gravel fitness trail with exercise stations and instructions for novice, average and championship athletes.

● Multipurpose court with four 8-1/2 biddy basketball hoops; two regular courts, 10-feet high.

● Numerous picnic sites and a park shelter that may be rented for group gatherings.

● Four outdoor horseshoe courts.

● Pond with fishing for kids under age 14; ice skating in the winter.

Future: Cross-country ski trails and an enclosed shelter with a fireplace.

● Senior Center with transportation, meals and programs such as card games, softball, pool, singing, exercise, bowling, camping, day trips and travel.

Future: To be enlarged possibly within the next three years.

Future: A community center at Clintonwood Park with a gym, fine arts, theater and indoor pool.

What do you like best
about Independence Township?

"It's sort of relaxed, and simple, but it's not so simple that it's boring or overdone. There's things to do."

MILFORD MASON, superintendent of Clarkston Community Schools, is retiring at the end of June after 12 years as supervisor and 27 years on staff in the school district.

Quality schools continue to count

BY MILFORD MASON
Clarkston Schools Superintendent

"Challenging Students Today for a Successful Tomorrow" is the mission of the Clarkston school district.

A well-rounded basic curriculum and strong extra-curricular program coupled with experienced, dedicated staff and strong community support and involvement make Clarkston a special place to learn.

About 6,000 students are enrolled in the district's 10 schools. The senior high school is the largest, with an enrollment of 1,599 10th, 11th and 12th-graders.

Clarkston Junior High and Sashabaw Junior High have a combined enrollment of 1,592 students. These schools currently serve all 7th, 8th and 9th-graders and about 65 percent of the district's 6th-graders. Next year all of the sixth-grade students will be housed at the junior high schools as Clarkston moves toward implementing a middle school philosophy.

Five elementary schools serve 2,614 kindergartners through sixth-graders. In addition, the Northwest Oakland Vocational Education Center offers vocational/technical training to high school students, and the Clarkston Learning Center provides a full adult and alternative education program.

The district is the community's biggest industry, operating a budget of over \$19 million and employing 403 people. Two hundred sixty-one full-time teachers work daily with the students.

Clarkston's teachers average over 16 years of classroom teaching experience, and more than half of them have earned master's degrees. All teachers meet State and North Central accreditation standards.

State and national test results indicate that the school system is doing a good job of educating its students. Students' scores at all levels of both the Michigan Educational Assessment Program (MEAP) tests and American College Test (ACT) are consistently above the state and national averages. A survey of the Class of 1987 indicated that over 62 percent went on to

higher education or advanced training.

The ultimate goal of the Clarkston schools is that each student has every opportunity to develop to his or her fullest potential. In 1984, the district began to implement a comprehensive, long-range curriculum plan for kindergarten through 12th grade.

This plan focuses on updating courses, increasing graduation requirements and upgrading the skills of teachers in order to better prepare our students for the future. A K-12 advisory committee and specialized subject area committees regularly review and recommend revisions to the current curriculum.

The school district continually strives to meet the educational needs of all of its students. The curriculum offers opportunities for college preparatory as well as general education students. Programs are available for gifted and talented and for students with special education needs.

Seventeen vocational skill training programs are offered at the Northwest Oakland Vocational Education Center for students preparing to enter the work force when they leave high school.

Adults who want to finish high school or who need to improve their reading and math skills can take a variety of courses through the Community Education Department. This self-supporting department serves the entire community and offers educational and leisure-time classes to everyone from pre-schooler to senior citizen.

Students of all ages in Clarkston have an opportunity to learn outside the classroom through a wide variety of extracurricular activities. Boys and girls can compete in a full range of interscholastic athletic activities as early as the seventh grade.

Band, vocal groups, drama and musical productions are popular with many students. Student government, clubs, academic competitions and school publications offer additional outlets for students to expand their interests and abilities.

The Community Education Department also sponsors a broad selection of afternoon and evening enrichment programs.

DEPOT PARK is the site of the office building for the Village of Clarkston, where village

President Sharron Catallo presides over Village Council meetings.

Community is active in schools

(SCHOOLS, from previous page)

ment classes for adults and youth in the Clarkston area.

Education in Clarkston is traditionally a community-wide effort. In a survey conducted last year, 73 percent of residents gave the schools an A or B grade. Clarkston's citizens have demonstrated their commitment to achieving quality in their public schools with continuous involvement, volunteer assistance and financial support.

Every elementary school has an active parent organization that enhances the students' educational experience in many ways.

Parent advisory councils and booster clubs provide valuable assistance to many programs, and many citizens and parents volunteer their time each week helping students and staff.

Local businesses and service organizations generously support student activities and contribute in excess of \$21,450 in scholarship money for graduates.

A seven-member board of education serves as the district's policy making body. School board members are citizens of the school district who are elected by the voters to serve four-year terms of office.

The board conducts business in open meetings, which are held the second Monday of each month at 8 p.m. at the Administration Building. The public is invited to attend, and there is time for comments from the audience at every meeting.

The decisions of the board of education are carried out by the administrative staff, headed by the superintendent. The central administration is composed of the assistant superintendent and the directors of curriculum personnel, business services and administrative services.

The Clarkston schools believe that a quality educational experience requires a partnership between the schools, the home and the community. The district will strive to maintain the level of education that has long been one of the community's chief assets.

Village update: highs and lows

BY SHARRON CATALLO
Clarkston Village President

Our village appears to be doing well residentially, spring has once again blossomed with people busy planting, painting and making summer plans.

Unfortunately, our businesses are not enjoying as bright an outlook. The retail businesses in the village are attempting to recover from a difficult winter.

The Village Council will be discussing the problems of the retail community on Monday, May 23, at our next

scheduled meeting. We are urging citizens to attend and offer suggestions on improving the retail status of the village.

Be on the lookout for our new street sweeper and hopefully much cleaner streets.

If you haven't been down to the Village Park since last fall, you will be in for a treat - our beautiful gazebo - with any luck you may even view a wedding, or if you wait until July, we'll see you at the Friday night band Concerts in the Park.

Park good for all seasons

Open year round, Independence Oaks County Park offers recreational activities suitable for any season.

The 1,034-acre park on Sashabaw Road in Independence Township was opened by the Oakland County Parks and Recreation Commission in 1976.

During the summer, picnics, fishing, swimming and youth group camping are a big part of the daily activities at the park. There also are 10 miles of marked nature trails, an All-Visitor Trail for the handicapped and a \$400,000 Nature Center.

Docks and boat ramps provide easy access to the spring-fed 68-acre Crooked Lake. Rowboats, pedal boats and canoes are available for a nominal fee.

A sandy beach with lifeguards on duty from 9 a.m. until dusk, Memorial Day through Labor Day, is another summertime bonus.

When the weather turns cold, about 9.5 miles of trails are available for cross-country skiers. The park also is suited for other winter activities such as ice fishing and skating. Ski rentals are available, and a warming house, concession stands and restrooms are open daily.

Schools, senior citizens and other groups can use the newly constructed Cohn Amphitheater, a 200-seat facility built through the efforts of the Oakland Parks Foundation and funds donated by the Irwin and Sadie Cohn family.

Independence Oaks is open every day except Christmas and is patrolled by safety officers who are available to assist visitors. Park personnel are on call 24 hours a day.

Annual vehicle permits for Oakland County residents cost \$16. Daily passes on weekdays cost \$3 and weekend prices go up a \$1.

Ticket bargains await

Planning a weekend summer get-away for the whole family? Before you head to the amusement parks, consider buying your tickets in advance.

Tickets for some attractions are offered at a discount through the treasurer's office at the Independence Township Hall, 90 N. Main Street, Clarkston.

Tickets for the following are available: Bob-Lo, Canada's Wonderland, Cedar Point, Crossroads Village, Detroit Zoo, Geauga Lake, Great America, Greenfield Village Museum, King's Island, Michigan State Fair, Sea World, Michigan Renaissance, Four Bears Water Park and The Beach.

For more information, call 625-8223.
