Bond, 2 proposals highlight ballot

BY PETER AUCHTER
Clarkston News Associate Editor

A \$2 million fire bond and two state proposals designed to raise money for education face Independence

Township voters on Tuesday, Nov. 7.

The fire bond issue, defeated by 55 votes in the March 28 election, is on the ballot for the second time.

A low voter turnout for the previous election made Fire Chief Gar Wilson believe residents will approve the

bond this time, he said.

"I think people forgot to vote last time," he said. "I think (the vote) will be positive. I don't know what we will do if we don't pass it."

The bond issue is up \$500,000 from the last election because of increased real estate prices. The \$2 million specified in the bond is the maximum amount Independence Township could borrow to build a new fire station.

Judge to hear Bruno's case

LINDA WALSH LAPINSKI
Clarkston News Staff Writer

Bruno, the Independence Township dog accused of being dangerous, has a little more time to enjoy life before Oakland County Circuit Court Judge Richard Kuhn decides his fate.

On Friday, Oct. 27, Kuhn issued an indefinite extension on a restraining order that keeps Bruno from being destroyed. On Wednesday, Nov. 15, all oral arguments regarding Bruno will be heard by Kuhn in circuit court.

Bruno, a year-old pit bull mix, had been housed at the Oakland County Animal Shelter (OCAS) for the past three weeks, after Kuhn issued a 14-day restraining order the same day Bruno was to be destroyed. Now Bruno lives with his owners' attorney.

Judge Gerald McNally of the 52nd District Court, Independence Township, ordered the dog destroyed Oct. 16 after the dog allegedly chased next-door-neighbor Mrs. Henrietta McIntyre and her small dog into their Pine Knob Lane, Independence Township, home. McIntyre suffered a heart attack that she said was caused by the dog's aggressiveness.

Three or four complaints about Bruno are on file at
(See *JUDGE*, next page)

Don't forget to cast vote on Nov. 7

Voter turnout Tuesday, Nov. 7, is likely to be low in Springfield Township and medium in Independence Township, according to election officials.

In Springfield, voters will face only two statewide tax proposals in the special election, said Clerk J. Calvin Walters.

As of Tuesday, Oct. 31, fewer than 50 absentee voter ballots were distributed in Springfield Township, Walters said, adding that 6,599 people are registered to vote.

"I don't expect there to be a lot (of people at the polls)," he said.

Lines won't be a problem, so voters can show up anytime between 7 a.m. and 8 p.m. "It should go very fast," he said.

In Independence, voters face a local \$2 million bond issue on the ballot in addition to the statewide

proposals, so Elections Clerk Rosemary Howey expects a medium turnout, she said.

"I would say it would be a pretty good turnout," she said. "I don't think they'll have a wait. It will just move right on. And we have such good workers."

Only two voting machines will be set up at each precinct, since it shouldn't take voters long to vote for the three issues, she said.

As of Tuesday, Oct. 31, 175 people had turned in absentee voter ballots — quite a bit for a special election, she said.

"This week, all of a sudden people realized there's an election," she said. "For this type of an election, this is good. That's sometimes more than we get at a primary election."

For more information, call Independence Township at 625-5111 or Springfield Township at 625-4802.

Community Expo

Want to know what's available in goods, services or volunteer opportunities your own community? The Clarkston Community 3rd Annual Expo is the answer.

Sponsored by the Clarkston Area Chamber of Commerce, the event is set for 6-9 p.m. Wednesday, Nov. 8, at the Deer Lake Racquet Club, 6167 White Lake Rd., Independence Township.

Tables full of information and samples will be manned by area businesses and community groups.

Plus, there's free hors d'oeuvres and a cash bar. Contact local businesses for tickets, or call the chamber at 625-8055.

Teens blamed for three area Devil's Night fires

BY JULIE CAMPE
Clarkston News Editor

Devil's Night—the night before Halloween—was normal for the Clarkston area Monday, Oct. 30, according to fire and police officials.

In Independence Township, youngsters are blamed for setting a field fire off Pelton Road and trash fires on Waterford and Allen roads—all before midnight.

Kids were seen in the area near each fire, said Fire Chief Gar Wilson.

"We usually run into a few little things like that," he

Judge hears Bruno's case on Wednesday

(JUDGE, from previous page)

the Oakland County Sheriff's Department.

Bruno's owners, Joseph and Gale Gatton, maintain that Bruno is not dangerous and appealed McNally's decision to gain time to prove that Bruno is not a menace.

Bruno, now in custody of the Gattons' attorney, was released from the animal shelter after Mr. Gatton voiced concern for the dog's health.

"Bruno has been in solitary confinement for three weeks; he is lethargic and not acting like himself," said Mr. Gatton.

"He is very confused, and he doesn't understand what is going on," he said.

Carl Anderson of the animal shelter said Bruno had shown his aggressive behavior last week when one of the kennel assistants tried to remove his water dish. Bruno grabbed the women's arm, and, not breaking the skin, he scratched her and damaged her watch.

said, adding that no one was injured, and no property was damaged.

The fire department also responded to two car fires, but they were unrelated to Devil's Night activities, he said.

In Springfield Township, "We didn't have a thing," said Fire Chief Marlan Hillman.

"They had a flare up in Detroit, I understand, but it was quiet here," he said. "We get more action on Halloween night than Devil's Night anymore."

But even that is lessening, he said, attributing the decrease to organized parties instead of door-to-door trick-or-treating.

"That's good," Hillman said. "We've got to get away from this Old Satan's night."

Detective Steve Parker of the Oakland County

Sheriff's Department said there was no increase in maliciousness and no reports of malicious destruction of property.

"It was a quiet night as far as we're concerned," he said. "That's always good. Devil's Nights are usually like this."

In the Clarkston area, normal Devil's Night activity consists of "malicious mischief"—teens hanging toilet paper in trees and ringing doorbells, said Parker.

"A lot of people don't file police reports; they just want the kids to stop," he said.

Corrections

In an Oct. 4 Clarkston News story about a new addition to The Episcopal Church of the Resurrection, the article should have said church services were first held in Jack and Muriel Haupt's home on North Main Street, Clarkston.

Also, John DeLind should have been listed as the vice president of Borg Warner.

In the Oct. 18 issue of The Clarkston News, an article about Clarkston schools' computer system should have said that officials from United Cable Company of Independence Township did not show up for scheduled meetings.

Officials from North Oakland Cablevision of Springfield Township did appear at the meetings with school officials.

Fun Daze money funds banners for Clarkston

BY LINDA WALSH LAPINSKI
Clarkston News Staff Writer

The National Historical District of the Village of

Clarkston will be sporting a new look, thanks to some hardworking high school students and a few community groups.

Brent Cooley, assistant principal at Clarkston High

School, and his high school-sponsored community youth group, Interact, were the driving force to buy 10 green banners and have them proudly displayed year-round in downtown Clarkston.

"We hope to have different flags for different times of the year," said Cooley.

The hardware is permanently placed on the poles, and all that has to be done is to change the flags for special occasions, he said.

Helping school employee Dave Blehm install the banners on Main Street were students: Interact President Ian Halleran, Grant Manley, Al Manser, Devin Dupree and Dave Studt.

Mary Forst of the Clarkston Area Jaycees was also on hand for the installation of the banners and said her group is responsible for removing the banners at Christmas time to install the Christmas lights.

The Jaycees will also be replacing the historical banners with "Concerts in the Park" banners in summer, she said.

Sharron Catalo, president of the Clarkston Village Council, was pleased with the new addition to Main Street.

"I think it was a great idea of Brent's and his group," she said. "I don't think many people know that Clarkston is a National Historical District."

The \$1,700 to purchase the banners was raised through registration for Clarkston's Fun Daze — an annual spring event with races for runners, games for children and activities and food for all ages. This year, the event was chaired by Cooley.

Other community groups that supported Fun Daze were: Clarkston Rotary, Clarkston Village Council, Independence Township Parks and Recreation and Clarkston Area Jaycees.

For the past three years, Interact members provided manpower during Fun Daze to help keep the activities going, said Cooley.

"The group and I wanted to do something positive to advertise to all who not only live here but who drive through the area that we are a historical city," he said. "We put our heads together and came up with the idea of the banners."

As for the banners, Cooley already has noticed a positive response, he said.

"I received three phone calls at the high school the following day on how great the banners looked and keep up the good work with the kids involved," he said.

76-year-old man forced off road, killed in crash

BY LINDA WALSH LAPINSKI
Clarkston News Staff Writer

A 76-year-old Pontiac man was killed Saturday, Oct. 28, when the vehicle he was driving about 50 mph hit a tree on Sashabaw Road, Independence Township.

Charles Delbert Robison, 76, of Pontiac, was pronounced dead at Pontiac Osteopathic Hospital from multiple trauma injuries sustained in the crash.

About 10:30 a.m., Robison was driving southbound on Sashabaw Road near Clarkston Road when a vehicle driven by a 28-year-old Brandon Township man tried to pass him, according to the Oakland County Sheriff's Department (OCSD) report.

The police report listed testimony of witnesses, who said the Brandon man couldn't pass Robison and instead stayed close to Robison's bumper, eventually turning into Robison's car, forcing him off the road.

Upon impact with the tree, Robison's car burst into flames, said-Capt. Mike Fahrner of the Independence Township Fire Department.

Witnesses pulled Robison from the car, he said.

"When we arrived, we administered CPR and tried to stabilize the victim, though we knew he was critical at this time," said Fahrner, adding that Robison sustained internal injuries from hitting the steering wheel and dashboard.

The Brandon man, a Brandon Township on-call firefighter for two years, allegedly fled the scene southbound on Sashabaw Road and northbound on I-75.

His name is being withheld pending charges from the OCSD. The case is under investigation, according to OCSD officials.

DAVE BLEHM installs one of 10 green and white banners on Main Street, Clarkston, on Oct. 24. The banners proclaim the Village of

Clarkston as a National Historic District. With money from Clarkston's Fun Daze, the CHS Interact group bought the banners.

Man, 17, charged with wall smash-up

BY LINDA WALSH LAPINSKI
Clarkston News Staff Writer

A 17-year-old Independence Township man was charged last week in connection with the Oct. 22 smash-up of a brick wall and other items in a neighborhood off Maybee Road, Independence Township.

Robert Edwin Brunell III, 17, of Fox Chase, Independence Township, was arraigned Friday, Oct. 27, before Judge Gerald McNally of the 52nd District Court, Independence Township.

He was charged with three counts of malicious destruction of property, each a 90-day misdemeanor; one count of felonious malicious destruction of a building over \$100, which carries up to a four-year sentence and/or a \$2,000 fine; and one count of failing to report an

accident, a 90-day misdemeanor.

Brunell, a student in Clarkston's alternative education program, allegedly went on a "Bonnie and Clyde" destruction spree through his own neighborhood Friday, Oct. 22, destroying mailboxes, trees, lawns and eventually making his way to Yvonne Aho's brick garage wall, according to reports at the Oakland County Sheriff's Department (OCSD).

Brunell is charged with backing into Aho's garage wall twice, leaving a six-foot hole and destroying two trees. In all, over \$5,500 in damages were reported in the neighborhood.

Brunell was released on personal bond. A preliminary examination was set for 9 a.m. Thursday, Nov. 2, before McNally at the 52-2 court.

CHS senior in critical condition following crash

BY LINDA WALSH LAPINSKI
Clarkston News Staff Writer

A 17-year-old Clarkston High School senior was critically injured early Saturday morning, Oct. 28, when the car in which he was a passenger struck a tree on West Church Street, Clarkston.

Richard (Rick) Ivan Davis, 17, of Holcomb Road, Clarkston, was listed in critical but stable condition with

Cable worker survives shock

A United Cable television worker was injured Monday, Oct. 30, when he grabbed a hot electrical wire and received a shock.

Charles Scitney, 27, of Ferndale was in stable condition Monday at Pontiac Osteopathic Hospital, where he was to be kept overnight for observation.

About 12:30 p.m. Monday, Scitney was up on a pole installing cable service on the corner of Thendara and Mohawk roads in the northeast portion of Independence Township, when he received the shock, according to the Capt. Mike Fahrner of the Independence Township Fire Department.

Fahrner said he didn't know how much current hit Scitney.

head injuries at St. Joseph Mercy Hospital (SJMH), Pontiac, on Monday.

About 12:15 a.m. Saturday, the car in which Davis was a passenger was headed south on West Church Street near Holcomb Road when the driver lost control around a curve and struck a tree, according to the Oakland County Sheriff's Department report.

Davis was one of eight Clarkston students ranging from age 15 to 18 in the car. He was the only one who sustained serious injuries.

Apparently, three teen-agers sat in the front seat, and four sat in back. Davis lay across the laps in the back seat, and his head took the blow to the tree.

The driver, Steven Charles Lukens, 17, of Holcomb Road, allegedly had been drinking, according to the Breathalyzer results. No alcohol was found in Davis' blood, according to the police report.

The accident left Davis' friends shaken. Though they're not allowed inside the intensive care unit at SJMH, about 20 held vigil outside the unit over the weekend.

And Monday, about 20 wanted to help in some way. So they talked to Davis' mother, Bonnie Valuet.

"Ms. Valuet said we would be helping by raking the lawn," said Matt Foyteck, so the kids dug in.

When Valuet's neighbor, Lillian Shaw, helped bag the leaves, the teens raked her lawn, too.

The work was the least they could do to show their love for Rick and his mother, a few said.

Charges are pending the investigation, according to the police report.

Man, 29, injured in Independence crash

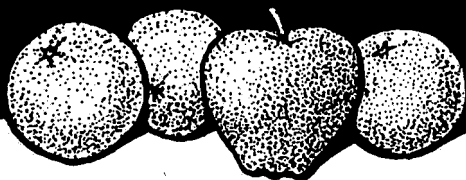

A 29-year-old Holly man was injured Oct. 24 after a Springfield Township woman allegedly collided with his car and then fled the scene.

John Robert Kinkle of Grange Hall Road was treated and released from Pontiac Osteopathic Hospital.

About 9 a.m. Tuesday, Oct. 24, he was driving east on Andersonville Road near White Lake Road, Independence Township, when a car driven by Deborah Lynn Bennett, 28, of Crosby Lake Road bumped into his car from behind, according to the Oakland County Sheriff's Department report.

Kinkle was wearing a seat belt at the time of the accident.

Bennett was charged with failure to stop within an assured distance and driving with a suspended operator's license. Alcohol was not a factor, according to the police report.

From European cathedrals to Colombiere

Organist accompanies professional choirs

BY LINDA WALSH LAPINSKI
Clarkston News Staff Writer

Being the first female organist to assist and direct the professional choir at the Anglican Christ Church Grosse Pointe was like a dream come true for Leslie Wills, a Church Street, Ortonville resident.

"Just being an assistant is quite an accomplishment and an honor," she said. "In the traditional Anglican Church, it is unheard of for women to participate in the choir."

The young girls can sing in the choir until about age 17, but women are not allowed in the professional choir. The women have a choir group that sings for special

concerts during the year, but they can't sing on Sundays or for any of the church services, said Leslie.

As assistant to the choir, Leslie has performed in famous cathedrals in Europe, but she is just as happy playing for smaller audiences.

On Sunday, Nov. 12, she'll be accompanying the men's and boys' choir at the Colombiere Chapel, 9075 Big Lake Rd., Springfield Township.

Solemn Vespers begins at 3:30 p.m., and even includes a 30-minute solo recital by Leslie. Donations will be accepted.

"I am excited to be back with the choir; my greatest love is Anglican church music," said Leslie.

Leslie and her husband, Wayne, have two children:

Jason, 12, and Angela, 19 — a sophomore at Michigan State University, East Lansing.

Leslie, who has been playing the piano since age six, is now enrolled in graduate studies at the University of Michigan, Ann Arbor, in the church music and organ program.

"I was playing the piano at the Ortonville Methodist Church, and they needed an organist," she said. "I knew I needed the versatility of more than playing the piano, so in 1983, I enrolled at Oakland University, (Rochester), under the tutelage of Professor Fred DeHaven," she said.

DeHaven asked Leslie to be his assistant and accompany him in his duties as the director of the Grosse Pointe Christ Church professional men's and boys' choir and the girls' and men's choir.

As such, Leslie accompanied DeHaven each Sunday and filled in during the Saturday rehearsals when DeHaven was off conducting choirs or lecturing.

So far, Leslie has toured abroad with the girls' and mens' choirs two years in the Scandinavian countries.

And this summer, she accompanied the men's and boys' choirs in Germany and England.

"I love traveling with the boys and men of the choir," she said. "We are received so well by all the audiences. It is a very rewarding experience."

The travels gave her concrete knowledge of some of the great composers.

"We followed geographically the life of Johann Sebastian Bach," she said. "We started in Eisenach, East Germany, where Bach was born, and continued to sing in the cities and cathedrals where he wrote his music."

"The East Germans are so starved for Western culture that every concert was packed," she said. "People left at intermission, so others waiting outside could hear the rest of the concert."

The crowds would hover for autographs, and people wanted to know if the group had made any records or tapes.

Leslie loved that she was playing in all the great cathedrals in Germany and England but was regretful that many of the original organs had been replaced by replicas made to look like the old but equipped with modern technology.

Leslie now spends her Sundays at the First Presbyterian Church of Brighton. She plans to expand to new things.

"I could always be an assistant," she said. "I want to go on. I want to teach at the university level some day."

LESLIE WILLS practices on the organ at the Colombiere Chapel in Springfield Township. She'll be accompanying the professional

choir from the Anglican Christ Church Grosse Pointe at 3:30 p.m. Sunday, Nov. 8. (Photo by Julie Campe)

Opinions

Ceasing
to be

**Julie
Campe**

Though we're faced with death daily, it seems to be too frightening to even say the word. So we euphemize it and find other ways of describing it.

On medical charts, "Expired" is written whenever a person dies. That's kind of fitting — it means that time simply ran out in that person's life. But it's also impersonal, kind of like a coupon that is no longer usable.

My mother says someone has "passed away" when he or she has died. Somehow it's gentler that way — simply "passing" from this state of being to perhaps another.

My grandmother, however, used to say a dead person had "gone to meet his maker" — if the person led a good life, that is. If not, she only hoped the person made amends before "passing on." To believe a loved one will be spending the time after death with God makes the person who's left behind feel better. Death is a little less frightening that way, and you can believe they'll be taken care of without much pain.

In his younger days, my brother, Andy, would say someone "kicked the bucket" when he died. He thought that he was being more direct when he was using that expression, but he wasn't. It's still a euphemism. Plus, what does "kick the bucket" mean?

To find that answer, Advertising Manager Stu McTeer loaned me his book, "Everyday Phrases: Their Origins and Meanings" by Neil Ewart.

Ewart says: "Kick the bucket" does not refer to the vessel used for carrying water but to the bucket beam, or wooden frame, on which pigs were hung after slaughter. Anyone who has kicked the bucket, therefore, has died."

In other words, that phrase likens humans to pigs, which has been done before.

Andy also used to say a person was "pushing up the daisies" when they're dead — referring to the burial. It's a cruder way to think of death. While others use words that imply they might see the "departed" one again, this phrase makes it clear that the person is gone for good — or "snuffed."

The origin for that word is easier to understand if you think of snuffing a candle. Sometimes snuffing a life seems just as easy and just as random.

It seems to me that people who use those cruder terms have just as difficult a time dealing with mortality as anyone else, and maybe even more so.

Shakespeare's Hamlet says that to die, you "shuffle off this mortal coil." Even Hamlet, who was obsessed with the idea of death, couldn't come right out and say it. He, too, had to find another way (true, much more poetic than these others).

Perhaps an updated version of that could be another of Andy's euphemisms: "metabolic processes are discontinued." Nah, it just doesn't have the same ring.

Letter policy

We welcome our readers' opinions. Letters to the editor must arrive at The Clarkston News office by noon Monday to be considered for publication in Wednesday's paper. We reserve the right to edit all letters for brevity and clarity and to limit the number of letters from any one individual or on any one topic. We discourage copies of letters sent elsewhere and require all letters to be signed and to include a phone number and address. We may withhold names on request, but we will not publish unsigned letters.

Editorial

All win with public safety complex

It's kind of hazy just how much area residents will benefit from statewide tax proposals A and B on the ballot Tuesday, Nov. 7.

But local residents will get a lot for their money if they approve the \$2 million bond issue for a public safety complex in Independence Township.

The location, size, cost and length of debt are all uncertain now, but, ideally, the complex would be located at M-15 and Independence Township and would house township firefighters, Oakland County Sheriff's deputies who patrol the township and the soon-to-be-relocated Pontiac Post of the Michigan State Police Department.

At the very least, the building — either from new construction or renovation of an existing building — would house the central fire station in the township, which is currently located on Church Street near M-15, Clarkston.

The fire department has another station at Clarkston and Sashabaw roads and one other on Maybee Road near Clintonville Road.

The central station, though, must be located in the area of the greatest population — hence the M-15, I-75 location, which would also provide quick access to busy M-15 and I-75.

The need for expanded facilities is twofold.

First, township growth includes more residents and more traffic (on the same narrow roads). Thus, more accidents occur with the increased congestion, and more medical emergencies occur with the added people. The fire department responds to more emergency medical emergencies than fires, though fires still keep firefighters busy.

Second, the current facilities are inadequate — too small and too old. Maintenance alone could take up money that would be better spent on equipment or a new building.

A larger facility could solve all of that, and it might as well be now, before the valuable township property becomes too scarce and expensive.

Plus, if the police departments share the facility with the firefighters, it could be a first in the area for a cooperative law enforcement concept — whereby information is shared between departments, making individuals more efficient on the job and when they have to combine forces.

For about \$18 a year for about 20 years (for the owner of an \$80,000 house), the complex could become a reality.

Plus, as new residents move to the township, the cost would be shared by them, so the annual cost per homeowner would decrease.

One more bonus — if the police departments are housed in the same building as the fire department, they would pay rent to the township, further lessening the cost to township residents.

Since Independence Township is at the north end of Oakland County — far from hospitals and ambulance services — residents count on the fire department for any medical emergency. Nearly every week, their quick efforts save a life or a limb or a house.

Any way you look at it, township residents would be winners if the \$2 million bond issue passes Nov. 7.

JLC

Letters to Editor

Impressed by professionalism

Open Letter to Chief Gar Wilson:

During my recent trip to Independence Township (Sept. 16-17, 1989) for the purpose of presenting the Fire Fighters Safety and Survival Class, I was indeed impressed by the friendly atmosphere and willingness of your department members to assist in whatever way possible. They were in the truest sense of the word "hosts" to firefighters from several departments.

Being retired from the Detroit Fire Department after 30 years of fire fighting, I now am able to travel throughout Michigan presenting firefighter training classes to numerous departments.

First, I express my thanks to all members with whom I had an opportunity to speak to at your department. Second, I express my thanks to you for making my visit a most pleasant experience.

Further, I must point out several observations that I want to share with your community. Each member of your department with whom I spoke displayed a high degree of professionalism, along with a highly motivated desire not only to maintain their present skills but to learn even more about a profession that has become more complex and dangerous during recent years.

Their desire for additional knowledge and training must be attributed to the progressive leadership that begins with the department's chief.

In addition, the professionalism and leadership displayed by the shift captains was most notable as they carried out their duties, which convinced me they can easily serve as examples for many departments.

It is my opinion that Independence Township is indeed fortunate to have a fire department where it's members have a great deal of pride in themselves, in their department and fire officers.

I'm certain the entire township of Independence recognizes the high caliber and truly dedicated professionalism of their firefighters and fire officers. In any event, I ask once again that you share my comments with the leaders of Independence Township along with all

members of your community.

Leonard Zembruski,
Retired Capt. D.F.D.
F.F.T.C Instructor

A, B won't cure money problem

This letter is written jointly by representatives of the Clarkston Board of Education, the school administration and the Teachers Association.

On Nov. 7, we will all have the opportunity to vote on two state proposals (A & B) to provide more funding for education throughout the state. If either A or B passes, we, here in Clarkston, will realize some financial assistance.

Our concern, however, is that the community may believe that passing one of these proposals will totally solve our financial crisis. **THIS IS NOT TRUE!**

Present projections for next year call for a \$2 million deficit. That is in addition to the \$1.6 million cut from this year's budget.

Neither Proposal A nor B will provide Clarkston with complete financial relief. The Clarkston community needs to be aware that local help will be absolutely necessary if quality education, which has been a Clarkston standard in the past, is to be maintained in our future.

This letter is not to discourage anyone from supporting Proposal A or B. On the contrary, we are encouraging a positive vote on either or both proposals. If either passes, the amount of local financial help needed will be lessened. We do want you to know before you vote that this is not a total solution to our problem.

Janet A. Thomas, President
Board of Education;
Gary Haner, Superintendent
Clarkston Schools;
Bill Curtis, President
Clarkston Education Association

Jim's Jottings will return soon

Letters to the Editor

Central station is inadequate

The present central fire station building is outdated for present and future operations for the needs of the response area. This central station must house multiple apparatus and equipment to serve the needs of the response area.

In 1984, an independent study provided to Independence Township declared the central fire station as unsuitable for fire operations due to poor conditions and location.

The following are facts and estimated figures relating to the fire department bond issue:

- Central station is required to remain in the highest response area of the township.
- Required equipment for central station will not fit into the building.
- Office/dispatch space is in the apparatus bay and doesn't meet N.F.P.A. standards.
- Living quarters are in the apparatus bay and do not meet the N.F.P.A. standards.
- Bond issue is the most cost-efficient method of building a station for the taxpayer.
- Township board will approve the selling of only those bonds that are necessary to build and equip a station.
- The existing millage that maintains our yearly operation does not allow any monies for an extensive building project.

State Equalized Value	Market Value	Paid Over 20 Years	Paid Over 10 Years
\$40,000	\$80,000	\$18.72	\$27.36
\$80,000	\$160,000	\$37.44	\$54.72
\$100,000	\$200,000	\$46.80	\$68.40

The cost for an average homeowner in Independence Township per year would be equal to two cartons of cigarettes, a tank of gasoline, one ticket to a sporting event or a concert, or dining out in a restaurant.

Please exercise your right to vote on Tuesday, Nov. 7, In Fire Safety,

Independence Township Firefighters Association

Encouraging no votes is intent

Open letter to Mr. Ashley:

In your response by my letter of Sept. 20, you state you are baffled about my exact intent. Yes, I am truly concerned about taxes and the ability to pay not only for myself but others now and future generations. In regard to the derogatory remarks, I consider these personal attacks unrelated to the issue.

In addressing the M-15 property as more expensive but easier to access: You are presently entering from a normal street onto a two-lane road in a 30 mph-zone. On M-15, you are entering onto a four-lane roadway in a 40 mph-zone. If this present intersection is so dangerous, how many accidents have occurred in the past 20 years?

If the April election on the bond issue had PASSED with a "low margin along with a low turnout at the polls," would you or Chief Wilson felt it your job to have us vote again to make sure this reflected the true feeling of the majority of the voters in the community?

Now, full-time employee Fire Marshall Ashley, I do not want to "cloud" the issue. So the intent of this letter is to get the public thinking and voting, which I see it has gotten you and the Chief doing.

In The Clarkston News Oct. 4 interview, you are talking of moving the headquarters from Station No. 1 to Station No. 2 and adding offices.

Now that sounds like a wonderful idea that would cost well under \$2 million. Give us some facts, i.e., how many square feet are needed for offices, etc. Give us the facts— will the sheriff or the state police sign a lease for the life of the bond issue?

The state police are coming to the Clarkston area. They will rent or lease their own building paid for by the taxpayers of Michigan. The state police do not sign

leases. These are handled by the Department of Management and Budget.

My experience with that department is they will not sign a 20-year lease. Who would pay for the extra space when the state police moved? It is not necessary for the taxpayers of Independence Township to subsidize the state police presence for the benefit of the rest of the county.

There is my exact intent! To influence as many voters on Nov. 7 to vote NO on the fire issue.

I also hope the taxpayers vote NO on proposals A and B. This will require our elected officials to cut pork barrel spending and find a true solution to the problems, other than throw additional taxes at us.

C.L. Weber

Captain favors fire bond issue

As a police officer closely associated with Independence Township's public safety, I would urge residents to approve the bond proposal on Nov. 7.

You are fortunate to have an outstanding fire department commanded by a staff of skilled professionals. When you need medical, fire or police response, you can rely on fast efficient service by calling "911."

On election day, you have the opportunity to thank your fire department by voting "YES" on the bond proposal. The cost will be approximately \$25 per year for a home valued at \$100,000. If approved, these monies will provide for a badly-needed main station — more strategically located for efficient response.

In addition to the fire department, the building would house the sheriff's department officers and, possibly, the state police. What a unique opportunity to blend all the services into a central location.

If the state police contract with the township, the revenues would decrease the term of the bond thereby saving township dollars.

Carl G. Matheny, Captain
Oakland County Sheriff's Department

Board officials urge bond support

Independence Township Board is supporting the public safety bonding issue and encourages all residents to do their best to realize the need for the purchase of a combined complex.

The cost to the average taxpayer (\$50,000 SEV) will be approximately \$25 a year.

The difference of \$1.5 million (from the prior request) to the present \$2 million bonding is because of the inflation of property costs since the March referendum when the project was not approved by a small number of votes.

The emergency service suppliers in our township do an outstanding job in furnishing us, as residents, with their professional emergency service in fire, police and emergency medical services.

Without adequate facilities located in the proper geographic location in our community, these agencies cannot function to the best of our capabilities.

For the good of all concerned, please consider the benefits to you and yours by casting a YES vote on Nov. 7, 1989. The cost of approximately \$25 a year is a minimal investment for these excellent services.

Township Board
Charter Township of Independence

Dedicated coach

Over the past weeks, I have been reading numerous articles regarding Clarkston football. I do not like to prolong this issue but believe there is one important opinion missing, that of the football player himself.

I played football for six years, from Clarkston Chiefs to the varsity level, and had several coaches during that time. Everyone who has played football knows what it takes to coach the game. There isn't anyone who shows more dedication, desire or pride than Kurt Richardson (K.R.).

I have been coached by K.R. my sophomore and (See MORE LETTERS, next page)

'If it Fitz . . .'

American habits exposed

Jim Fitzgerald

A new book called "The First Really Important Survey of American Habits" says 7 percent of American peek behind closed shower curtains while using other people's bathrooms. This raises the question: Why do people close their shower when no one is taking a shower? What are they hiding?

"Maybe there's mold on the grout," another columnist speculated.

Suddenly it was nostalgia time. I remembered the first time I heard the word "grout." It was 15 years ago, at breakfast. "It needs more grout," my wife said.

Grout?

That was when I decided to expose the mushroom, to write about it in the weekly newspaper I then edited, even though she had promised to murder me if I told one person.

I mean, my wife said grout the same way I'd say potato. Everyone knows what a potato is. But what the devil was a grout? I had no idea.

She was trying to put me down. I knew that. Grout had something to do with the \$400 tiling job a workman was currently doing in our shower. She was cutely pointing out that we had to pay him \$400 because I was too dumb to do the job myself. She was saying I was so dumb I didn't even know what grout was. She was remembering the time she sent me to the neighbor's garage to swipe some pliers and I came back with a monkey wrench.

I wouldn't give her the satisfaction of ridiculing my ignorance. Simply nodding wisely, I said, "Right, more grout is needed. Now more than ever."

Then I sped to work and grabbed the dictionary. It said grout is "used to fill cracks and crevices between masonry." How did she know that? What did I marry, a bricklayer?

That night at dinner, I casually remarked, "Remind me to check the grout in the shower. For \$400 I want to make sure he didn't miss any crevices."

"You looked it up in the dictionary," she said.

So I decided if she was going to treat me that way, I was going to tell the whole town about the mushroom. It was the mushroom that led to the discovery that the shower walls were leaking and water was seeping everywhere. One morning I leaned over to wash between my toes and I saw a cute little mushroom growing between the tile crevices (that's where the grout goes, you know).

It looked just like the mushrooms that grow on golf courses. Naturally, I was excited. After all, how many people do you know who grow mushrooms in their shower?

"People are not going to believe this," I told my wife. "I will have to take a picture of that mushroom and put it in the newspaper. Our bathroom will become a tourist attraction. The kids can sell tickets and cotton candy."

"You write anything about that awful thing, and I will kill you," she said. And she heartlessly ripped the mushroom out of the wall and flushed it nearby.

"It's not a mushroom," she said. "It's a fungus; a dirty toadstool. People would think I am the world's worst housekeeper. It grew because the mortar behind the shower is always soaking wet."

Mortar? Was she still paying dues in the bricklayers' union?

A few dinners later we had cauliflower, which I hate. I said: "If you grew this cauliflower in the washing machine, the Maytag people might put you in a TV commercial."

And she said a few words you might expect to hear from a construction worker, pounding the table with her hard hat.

After I wrote the column exposing the mushroom, and she didn't quite kill me, I restored peace to the family by taking her out to dinner. I told the waitress to put a little grout on the toadstools.

Incidentally, that book on American habits said most of us put on two socks before putting on one shoe, but didn't say why. I know why. If you put on one sock and one shoe before reaching for the second sock, you will be extra angry to discover it doesn't match the first sock.

The matching sock is still in the washing machine, under the cauliflower.

Letters to Editor

(MORE LETTERS, from previous page)

junior years in baseball and my senior year in football (two years ago). Over this time, he has earned my respect as a coach and as a friend.

Lately there have been rumors of political pressure affecting the decisions of Coach Richardson in regard to the starting quarterback (most of this from concerned parents).

While some parents may attend practices and games, there is much that occurs off the field, as well, that parents never see. It is difficult for a parent to capture the entire picture from an outside view.

I can strongly say that if anyone walked into K.R.'s office to try to exert political pressure to influence the starting of one player over another, his response would not be very polite. Anyone who has been a coach under K.R. know this to be true. K.R. plays whoever wins the position by working the hardest and who can benefit the team in the short and long run. He simply does what's best for the team.

If we stop and think about it, K.R. has nothing to gain personally in starting a sophomore over a senior. Furthermore, he has nothing to lose by not listening to another parent expressing his views of his son's abilities. My point is that, in this case, Don Fife has no more influence over K.R. than any other parent.

My main concern is the parents who want the coaching staff re-evaluated. It is difficult to find a coach with as much dedication to the game and the players as K.R. It is hard for me to believe that, if the sophomore quarterback had a different last name this issue would have even come up.

Joe Herron

Taxes are unjust

Both proposals A and B will equal taxation without representation to tourists and out of state residents.

Although all states doubtlessly profit from taxes paid as such, is it not against our American principles of

democracy and fairness to deliberately plan to rake others to pay for our own planned and incurred expenses?

As unjust as property taxes are said to be, there must be a fairer way to solve the problem.

Fred Foster

Another option

To Michigan Voters:

We urge every registered voter in Michigan to go to the polls on Nov. 7 and vote no on both proposals A and B. The reasons for doing so are quite simple:

1. Proposal A is a tax increase without any property relief.

2. Proposal B is tax increase without any permanent property relief.

3. Proposition 2 + 2 (now in final draft petition form ready for signatures in November) provides for permanent property tax relief coupled with a shift to guaranteed sales tax funding for public education.

Do not vote for either Proposal A or B thinking nothing else is available. Proposition 2 + 2 is worth waiting for, and, despite what supporters of proposals A and B claim, both proposals are glaring examples of bad legislation that should have never been put on the ballot.

Francis P. Hughes, Attorney
John Toepel, C.P.A.

No on proposals

No! No! A thousand times No! No! This should be the battle cry of the beleaguered taxpayers of Michigan when they enter the polling booths on Nov. 7th to vote on Proposals A & B.

Both proposals are brainchilds of a Lansing Bureaucracy that is determined to evade its constitutional responsibility of providing the needed financing for K-12 education.

Until we, the electorate, refuse to be duped into

adopting misleading ballot issues such as these, we will prolong the agony in attempting to achieve true educational financing reform.

A and B are nothing more than another scheme to increase our ever-growing tax burden. In no way does either one "guarantee" an improvement in the quality of education.

This a golden opportunity to send a message loud and clear to our State Legislators and Governor that 'old tricks' do not work anymore.

They must rearrange their priorities and provide a greater share to education from the increased financial resources this state now enjoys.

Vote "NO" on both A and B, Nov. 7th.

Oakland County
Taxpayers Association

Windmill stunts are dangerous

Two weeks ago, young adults with Clarkston varsity jackets were found drinking and climbing the large windmill adjacent to Bavaria Lake Apartments. In an effort to stop these kids from hurting themselves, the Oakland County Water & Sewer Department put up a gate.

On Friday night Oct. 27, an old Dodge pickup and a black Jeep continually ran into this new gate until it was broken down. Again, in the cars we saw leaving via Blue Water Drive, Clarkston varsity jackets were worn.

This letter is sent in an effort to prevent someone from getting hurt and also in hopes that these young adults will stop their illegal drinking and driving.

If anyone has any information about this incident please contact 625-8407.

Wrestling clinic takes hard work

Thank you, thank you, thank you. Fortunately these are two words that can never be said too much, but unfortunately are often not said enough. Last Saturday, Oct. 28, the Clarkston wrestling program held a coaches' clinic at Clarkston High School to raise money for the programs and help develop wrestling at the high school and both junior highs. It was extremely successful but not without a lot of hard work from many fine members of the Clarkston community. Upmost on my list of thanks is Rick Detkowski. Rick has lived in Clarkston all his life and now runs his own business in Clarkston. Rick takes pride in giving back to the community what was given him as an adoles-

cent. Rick spent many hours getting the best people possible for our clinic: Bill Lam, head coach at North Carolina University; Mike Milkovich, head coach Maple Heights, Ohio; and Pat Milkovich, four-time NCAA finalist. Along with these fine clinicians, Rick was able to get Dr. Karizim, M.D., from Crittenton Hospital, Rochester, to speak on the subject of steroids.

I would also like to thank the Clarkston wrestling club for donating their time to put on a great lunch for everyone involved. These people have done everything possible to promote wrestling for youngsters ages 6-16 and make it enjoyable.

Last but not least on my list of thanks is the administration at Clarkston High School: Principal Robert Burek and Athletic Director Paul Tungate for their willingness to develop a wrestling program in Clarkston that is looked up to all over the state.

I could go on with my thanks — parents, wrestler, present wrestlers, Clarkston News, etc., but unfortunately I'm bound to forget someone. In these

times of pay-to-play athletics in Clarkston it is nice to know that the parents of this community are not just going to sit around and see things happen but instead are willing to make things happen to improve their school system. Thanks again,

Scott J. Strickler,
CHS Wrestling Coach

League opts for B

Mr. Richard Headlee's concerns about school finance and possible abuse of the Michigan constitution are misplaced.

On Nov. 7, the people of Michigan will have an opportunity to say whether or not they want to make the education of the future citizens of our state a high priority by constitutionally protecting stable funding for public education in Michigan and at the same time provide significant property tax relief.

At the State Board of Canvassers meeting on Aug. 31, Richard Headlee testified that the 1978 Headlee Amendment to the constitution has not worked to keep local property taxes down. I would add to his testimony that at the same time that amendment has created a real burden for public schools.

It seems that Mr. Headlee has forgotten that the people have the power to amend the constitution to meet the needs of our state and its people. His concern for funding schools seems to be limited to restricting those funds without regard for the quality of education offered.

Mr. Headlee does not seem to trust local school boards, who have been elected by the people, to make decisions about curriculum and school programs. He does not seem to be concerned that there are school districts who have as little as \$2,000 per pupil while others spend more than \$7,000 per pupil.

His letter does not support the view that we need to offer complete educational programs to all of our children so that all of them can become productive citizens — equipped to compete in today's world.

The League of Women Voters of Michigan supports Proposal B, which will provide stable funding for public schools and make a beginning toward reducing the inequities among school districts.

Additionally, it will provide significant relief from the most onerous of Michigan taxes, the property tax. These important reforms will be funded by a two-cent

increase in the sales tax, which is currently lower than that in many other states.

The sales tax increase requires an amendment to the constitution, and that requires a vote of the people. Other aspects of the proposal that lower the property tax and are set constitutionally are: a call for part of the remaining property tax to be placed in a pool to be shared and the creation of a protected fund for public education.

The only part of the proposal that permits input from the legislature is the provision that would permit the legislature to adjust the formula for distribution by a two-thirds vote.

This requirement of a two-thirds majority is a significant obstacle to even that adjustment. This provision was added to permit flexibility should the formula not meet the needs of our educational communities sometime in the future.

Proposal B offers the citizens of Michigan a special opportunity for property tax relief and for providing a stable source of funding for education. Let's pass Proposal B and show that the education of the children of Michigan is a high priority for the citizens of our state.

Frances B. Parker
President

Proud of SJHS football team

There have been a lot of negative editorials recently in your paper regarding the Clarkston football program.

I would like to make the community aware of something very positive about this year's program: specifically, the outstanding year experienced by everyone involved in this year's freshman football program at Sashabaw Junior High School.

The parent support was fantastic! Attendance at all games, including away contests, was excellent. School spirit was high among students and staff. Everyone was caught up in the winning spirit.

The coaching staff did a great job with these ninth-grade boys, and they responded by breaking several school records, including best win-loss record, most points scored in a season, least points given up in a

The Clarkston (Mich.) News Wed., Nov. 1, 1989 11

season, team rushing record, etc.

We are proud of the SJHS Cougars for their superb season, finishing with an 8-1 record for the year.

Cougar pride was high during the 1989 football season. Let's continue that pride throughout the rest of the school year and support the positive things happening all around our schools!

Ellen Oliver,
A SJHS Parent

Real questions

I find it amusing that so many people question the way the Clarkston football team is coached when the real questions that need to be addressed are:

1) Why do these athletes have to pay money to participate in a sport?

2) Why do they sit in crowded classrooms with outdated books?

3) Why aren't there intramural sports for seventh- and eighth-grade students?

4) Why are fund-raisers needed to pay for educational field trips?

Where's our priorities? The kids have a choice in whether or not to play their favorite sports. They don't have much of a choice in the quality of their schools and education — THAT'S UP TO THE PARENTS AND COMMUNITY!

Tom Anderson

Can you hear them?

No matter their ages, are we still learning with and from our children? My hope is I will continue to learn from them as much or more than they will learn from me.

Our home always seems to have an extra body, or two or three, around on a weekend. I personally enjoy listening to the laughter, giggles and just plain silliness two junior high school daughters and their friends bring to our home.

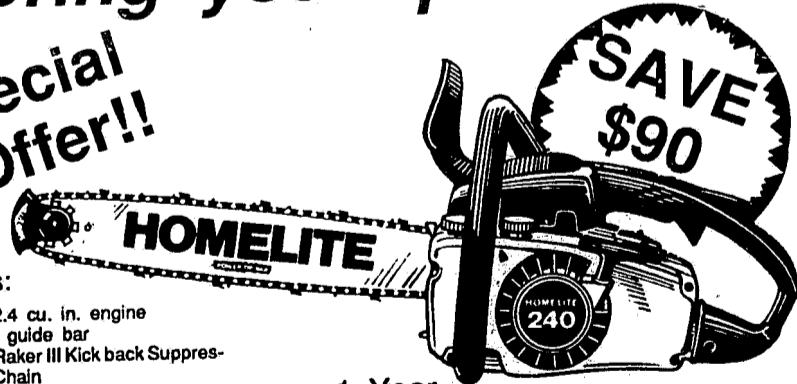

Amidst all the fun this weekend, we had some serious times. The topics were varied. Parts of the conversation were spoken with and in front of me; others were

(MORE LETTERS, from previous page)
 what I call "Parental Discretion Eavesdropping."

Through it all I did a lot of listening. Some topics — like mom's new marriage, my absent dad, my hard-earned money, who am I going to live with? and sibling unfairness — directly involved one or two of these kids. Other topics included kids not there.

But the emotion in their voices showed how much they are in-tune to the happenings and feelings around them. Some topics really hit home. I turned the kids' statements into questions, then tried to answer them honestly to myself.

Do I borrow money from my children? Do I pay it back right away? Eventually? Never? Do I say I will pay for chores done around the house, then don't? Am I in the process of a divorce? Am I keeping the communications open with my children?

They are already hurting, and now the unknown is one more source of hurt and frustration. Is my emotional support equal to each child? Or am I giving one more support than the other? Do I say "I can't take you some place because I have to work to keep this roof over your head?" Do I say thank you for the little things they do? Or do I just comment on the things they don't do?

I also decided they could answer similar questions and give me some listening support. But I am the adult, and the teaching begins with me. By the end of the weekend I realized I wasn't listening close enough to what my children has to say. But mostly, I wasn't listening when they weren't talking.

As an adult, we wear many hats, and it is so easy to get wrapped up in our own needs. It happens slowly and over a period of time. For whatever the reasons, we justify the hours spent working, cleaning, redecorating, landscaping, etc., and neglect the listening support our children require.

I am hoping I remember this weekend for a long time to come, so I will remember to listen and learn from the young adults around me. They have a lot to say. Can you hear them?

Village cracks down on signs

BY SANDRA G. CONLEN
 Clarkston News Staff Writer

Community groups can no longer display posters and signs in the window of businesses such as Carol's Village Grill in downtown Clarkston — but not by the owners' decree.

On Oct. 13, the Grill received a notice that the building violated the village's 1983 sign ordinance by posting non-business related information.

So now the Grill displays a different type of sign — an enlarged version of the village notice.

The letter, sent by Clarkston Marshall Charles

Area residents win county awards

The Davisburg Garage District won the Safe Worker Award from the Oakland County Road Commission for the fourth consecutive year.

The district hasn't had an on-the-job injury in 1,460 days (four years exactly).

At the same time, seven Davisburg employees won Safe Driver Awards for 1989. All have worked for the road commission at least 20 years without a preventable accident. The winners are: Donald Bacon, David Brooks, Henry Burt, Alvin Frank, Paul Helsel, Gary Morgan and Ray Stutzman.

Dale Beecher, who works with the sign crews and resides in Davisburg, and Kenneth Bailey, who lives in Clarkston and works with the testing department, also were singled out with the Safe Driver Award.

In 1989, 252 employees were free from preventable accidents while on the job. That's 90 percent of the Road Commission's eligible hourly employees and their supervisors. Forty-two of these employees have been accident-free for 20 years or more.

Smalley, stated the signs were only to take up 25 percent of the window space, and signs placed in the windows must pertain to that type of business.

Don and Carol Borgmesser, owners of the restaurant, previously displayed signs and posters in the windows of the restaurant announcing area functions.

"We are like a community bulletin," said Carol.

Carol expressed displeasure with the village notice because she likes to display signs for local groups and organizations.

"It offends me. I don't see anything wrong with it (the signs)," she said.

Officer Smalley said the number of signs posted potentially could be dangerous.

"My concern is for vandalism — in the middle of the night the sheriff's department couldn't see in the windows," he said.

Clarkston needs to keep control of its sign ordinance, or it will end up like other municipalities that don't care about what signs are displayed, Smalley said.

Businesses established before 1983, such as Rudy's Market, are exempt from the law's restrictions through a grandfather clause.

Carol said her business is small; people feel comfortable in the restaurant, and some customers have taken notice of the letter displayed.

"You've got to be kidding," Carol quoted them saying when they read the village notice.

Carol said other issues are more important for the village council to address — the dirty streets, for example.

She sweeps the walk in front of her building about three times a week, she said.

PTO spruces up Andersonville

BY JULIE CAMPE
Clarkston News Staff Writer

The new landscaping around Andersonville Elementary welcomes visitors to the school.

The Parent Teacher Organization (PTO) raised over \$3,000 for the materials last year, and two weekends ago, about 15 parents planted mums, bushes, trees and sod as well as adding woodchips and stones.

Block grant hearings

Two public hearings about Community Development Block Grant (CDBG) funds are set for 7:30 p.m. Tuesday, Nov. 8, at the Independence Township Annex.

The hearings take place behind the township hall at 90 N. Main St., Clarkston.

One issue is the 1990-91 budget for CDBG program, with funds estimated at \$55,757.

The other hearing covers the re-allocation of CDBG funds from the 1985 Special Assessment Fund, \$688.76; the 1985 Administration program, \$624.31; and the 1986 Recreation Facilities program, \$5,883.52.

"It's just beautiful," said Principal Sharon Devereaux, after the hard work. "The children and staff are so proud."

The PTO always contributes worthwhile projects for the school, said Devereaux, but this project was especially useful.

"I recommended it," she said. "The front of the school needed some personality. ... It has to do with school pride and feeling good about our school."

The PTO money paid for a landscaping design, plants and materials from Bordine's Better Blooms, Springfield Township; and Bordine's also donated a tree, said Devereaux.

Parents who planted were: Cindy and Ed Ashley, Clare and Dan Bassett, Donna and Rob Shea, Bev and Earl Brown, Mike and Debbie Walker, Bob and Janet Hughes, Jim and Sue Deevey, and Mary Kraut.

Custodians Gary Sommers and Ron Cilley also joined in, she said.

Ed Ashley is to return with a "beautiful" wooden school sign to be placed near the flagpole, Devereaux added.

"They're a real, real dedicated group," she said. "They are just full of spirit."

Daniel Boone: Legend, hero

Thursday, Nov. 2, marks the birthday of one of America's legendary frontiersmen and explorers, Daniel Boone.

Born in 1734, in Berks County, Pa., Boone emerged as a national frontiersman after he and 28 others blazed a trail through the Cumberland Gap from western Virginia to the interior of Kentucky in 1775. Named the Wilderness Road, it eventually became the first major thoroughfare to the West.

Boone was a courageous man and an adventurous leader. He survived many ambushes during his travels but was captured by the Shawnee in 1778. He spent five months as the adopted son of Chief Blackfish before he escaped.

Other Boone expeditions included surveying the Ohio River and trapping in the Louisiana territory.

Boone died Sept. 26, 1820, in St. Charles, Mo.

FIRESIDE with Jim Bajor

-SATURDAY, NOVEMBER 4th - 12:00 noon to 3:30 p.m.-

Today's emphasis on health & personal happiness has spawned a whole new style of music that reflects this catharsis - NEW AGE. At the forefront of this style is Rochester resident, Jim Bajor, who will be performing and signing autographs at HUNTER - CROSS Saturday, November 4th, 12:00 noon to 3:30 p.m. He will be performing his lyrical melodious piano solos, which reflects his years of classical training, on the absolutely finest and most advanced keyboard, a Roland Digital Grand, provided by Annie's MUSICConnection in Rochester.

Jim Bajor, owner of Rochester-based JBX Production Company, has produced several albums of his own compositions including "Awakening" and "Gentle Images" which reached the top 10 on the New Age charts. Through arrangements made with Ultimate Sound compact disc store in Rochester, both of Jim Bajor's releases will be available for purchase at HUNTER-CROSS.

We hope you set aside this Saturday afternoon to stop by for a warm fire, palate pleasing refreshments and most of all for an outstanding & relaxing piano performance by JIM BAJOR. There's no better way to spend a resplendent autumn afternoon. For more information about Jim Bajor's performance/autograph session at HUNTER-CROSS, call 656-3007.

DEBBIE BELLOWS (left) and some of the other Junior Miss contestants practice a routine choreographed by last year's Clarkston Junior Miss, Kellee Duty. The program, with a new name: Young Woman of the Year, is set for 7 p.m. Saturday, Nov. 18, at Brandon High School. Tickets are \$5. Over \$4,000

in scholarship money will be awarded to some of the about 14 seniors. The Clarkston High School auditorium is being renovated, so Junior Miss Chairperson Barb Hamaker said she appreciated the use of Brandon's auditorium, which seats between 800-900. "We're hoping our crowd will follow us out

there," she said. The girls will be wearing poodle skirts for part of the contest. "It's a fun '50s theme," said Hamaker, adding that in her 28th year of organizing the program, she appreciates the help of all the volunteers. Megan Shelton choreographed the opening number. (Photo by Julie Campe)

Clarkston rallies past its rival

BY PETER AUCHTER
Clarkston News Associate Editor

Both Sashabaw and Clarkston junior highs run the ball frequently, especially when they play each other.

It's odd that the latest installment of the long-time football rivalry was decided on two long passing plays, both while Sashabaw was on offense.

In the second quarter, Clarkston's Steve Black caught a deflected Sashabaw pass on his own 27-yard line and raced down the far sideline with his interception for a touchdown. Quarterback Jeff Galley scored on the ensuing two-point conversion attempt for the winning points.

After the game, Black explained Clarkston's 8-6 win.

"No single person did it," he said. "The whole team made it possible. It feels great (to win)."

Sashabaw, and Coach Mike Stefanski, were left with memories of an 8-0 start to the season. The loss to Clarkston in the season finale was tough to take, the coach said.

"In this game it comes down to who plays the hardest," Stefanski said. "It took one big play and they got us."

Neither team could muster much offense on their first drives of the night. Sashabaw got the first break in the game when Jerry Anderson recovered a fumble after the Cougars punted. The Cougars had the ball first-and-10 at the Clarkston 13-yard line but fumbled the ball back to the Wolverines. Aaron Kirk recovered for Clarkston.

Clarkston again couldn't get its offense untracked and was forced to punt the ball away. Sashabaw began its next drive at the Wolverines' 35-yard line.

The Cougars, who finish the season 8-1, took advantage of the good field position this time as quarterback Nick Shires lofted a 31-yard scoring pass to Mike Woods. Woods made a nifty over-the-shoulder catch on the first play of the second quarter.

The two-point conversion attempt that followed proved critical for the Cougars as the game worn on. A penalty pushed Sashabaw back on its first attempt. A running play failed on the Cougars' next try for two.

Clarkston, who finished the season 7-2, had to punt on its next possession, as the Cougars' defense continued

to control its opponent.

"Our defense played great," said Stefanski.

Sashabaw fumbled on its next drive. Jason Roughton recovered it for Clarkston.

Again, the Wolverines were stymied on offense and had to punt. Sashabaw partially blocked the kick and took

DAN SCHOFF returns the opening kickoff to the 35-yard line for the Clarkston Wolverines.

possession at the Clarkston 23-yard line. The momentum had definitely shifted in Sashabaw's favor, but it wouldn't stay there long. Clarkston's defensive unit saw to that.

"I can't say enough about the defense," said CJH coach Steve Himburg. "They even scored the touchdown."

Sashabaw, on fourth-and-17 from the Clarkston 29, attempted a sideline pass play. The ball was tipped and re-directed to Black who then raced 73 yards with the gift. Watching the play develop, Black didn't become anxious when the ball popped up in his direction.

"The first thing I thought about was catching it, then running," he said.

Galley added the extra point on a quarterback sweep, and CJHS led 8-6 with 4:15 to play in the first half.

The Wolverines' Tom Duty registered a sack on Sashabaw's next possession. The Cougars eventually turned the ball over on downs.

Clarkston had the ball on Sashabaw's 44 with 1:17 left. A personal foul penalty on the Cougars brought it to the 29, but an Anderson sack pushed the ball back to the 37.

A little razzle-dazzle backfired on Clarkston when a halfback pass was intercepted by Matt Smith. He ran the ball out to the Cougars' 38 before being tackled. A long pass from Shires bounced off the fingertips of a receiver as time ran out in the first half.

Clarkston's defense bent but didn't break early in the second half, allowing the Cougars to drive from their own 22 to the Clarkston six before stuffing them on a fourth-and-1 play.

Unfortunately for Clarkston, the Sashabaw defense proved just as tough and forced another punt. The Cougars had the ball on the Wolverines' 34, but not for long.

A Sashabaw runner was stripped of the ball, and Jeremy Doty fell on it for a fumble recovery.

Clarkston then began to eat time off the clock. The Wolverines converted a third-and-5 play on a screen pass to Justin Tappero to keep a drive alive late in the third quarter. The Wolverines turned the ball over on downs later, falling inches shy of a first down.

John Hanson sealed the victory with yet another fumble recovery with just 59 seconds left. The celebration on the Clarkston sideline began.

Cross country team wins GOAL title at league meet

No ifs, ands or buts, the boys cross country team is the best in the Greater Oakland Activities League.

After completing the dual meet season unbeaten at 5-0, the Wolves needed a win at the GOAL meet Oct. 24 to clinch sole possession of the league crown. CHS outdistanced second-place Brandon by 28 points. Lake Orion finished third, Pontiac Northern fourth, Waterford Kettering fifth and Waterford Mott sixth.

Four Clarkston runners placed among the top seven individuals in the race, earning All-League honors for 1989. They are Jason Wenger (third place, time of 17 minutes, five seconds), Kellie O'Neil (fifth, 17:37), Paul Brisson (sixth, 17:38) and Jim Haviland (seventh, 17:48). Todd Wozniak finished eighth, with a time of 17:58. Ben O'Rourke (16th, 18:55) and Mark Leineke (19th, 19:09) were the other runners for Clarkston.

Sonya Schaffer was the lone runner for the girls cross country team. She finished in third place, with a time of 22:26. Mary Mick of Waterford Mott won the race with a time of 21:43.

On Saturday, the Wolves were matched against some of the best teams in the state during regional action. Clarkston finished fourth (the top three teams qualify for the state meet).

Holly, ranked first in the state and the Metro League champion, won the regional with 74 points. Lakeland, runner-up in the Huron Valley, was next with 78 points. Milford, Huron Valley champion, was third with 101 points. Clarkston had 135 points.

"The entire team ran well, but the efforts of Jim Haviland (22nd) and Todd Wozniak (31st) were exceptional," said Coach Mike Taylor.

O'Neil placed 32nd, and Paul Brisson, who has been bothered by shin splints for the past three weeks, took 39th place.

"We were lucky he was able to run," said Taylor. "He is very dedicated."

O'Rourke was the Wolves' sixth man (65th place); Jacob Kniss was seventh (75th).

Two Clarkston runners qualified for the state meet with their individual performances. Senior Jason Wenger finished 16th best and will join senior Sonya Schaffer (9th) at the state meet this Saturday. This is Wenger's first state meet, Schaffer's third.

Walled Lake Western, who finished second in its league to Plymouth Canton (a regional winner), finished fifth, five points behind Clarkston.

Lakeland and Milford are ranked in the top 10 in the state.

MIKE STEFANSKI looks on as his Cougars are defeated for the first and only time this season.

Peter Auchter

Time Out

Not thirtysomething

Does life begin at 30?
Despite all the bickering by the pro-abortion people over life starting in the womb, I'm beginning to believe it starts at 30. At least in the minds of the people who are thirtysomething or above.

Those under 30 are mere babes in the woods to these old fogies. Us youngsters don't command much respect.

I have six years to go until I hit the big 3-0. Will I have to wait that long to get satisfaction? Maybe I could grow a beard. That might make me look older, more mature. Nah, I need a quick fix, not something that could take the better part of a decade to happen. I need solutions, not more problems.

Any suggestions out there? (Acting my age doesn't count.)

I used to think insurance companies were awful, charging outrageous rates until a person turns 25. As if mature will overtake a prankster's body the night before his 25th birthday. Good grief, if you believe that, we're all in trouble. Age has nothing to do with what you know or can accomplish.

All the hoopla surrounding Vice President Dan Quayle and his young age is garbage. He's not a crummy No. 2 man because of his youth (I know he's over thirtysomething, but after Ronald Reagan, anything without wrinkles is too young) but because he doesn't know didley. I have reason to believe that won't change, no matter how old this dude gets. Get the picture?

In sports, people are generally washed up by the time they hit 30. Only rare individuals like Gordie

Howe and Nolan Ryan continue to prosper.

Why knock the young people? We have a lot to offer.

Case in point, the junior high football game between Clarkston and Sashabaw last week. Great game. Great fun. If you missed it, you missed a lot.

There was plenty of action and exciting plays to rival any big bowl game, the almighty Super Bowl included. The game wasn't decided until the final minute. Can't ask for more than that.

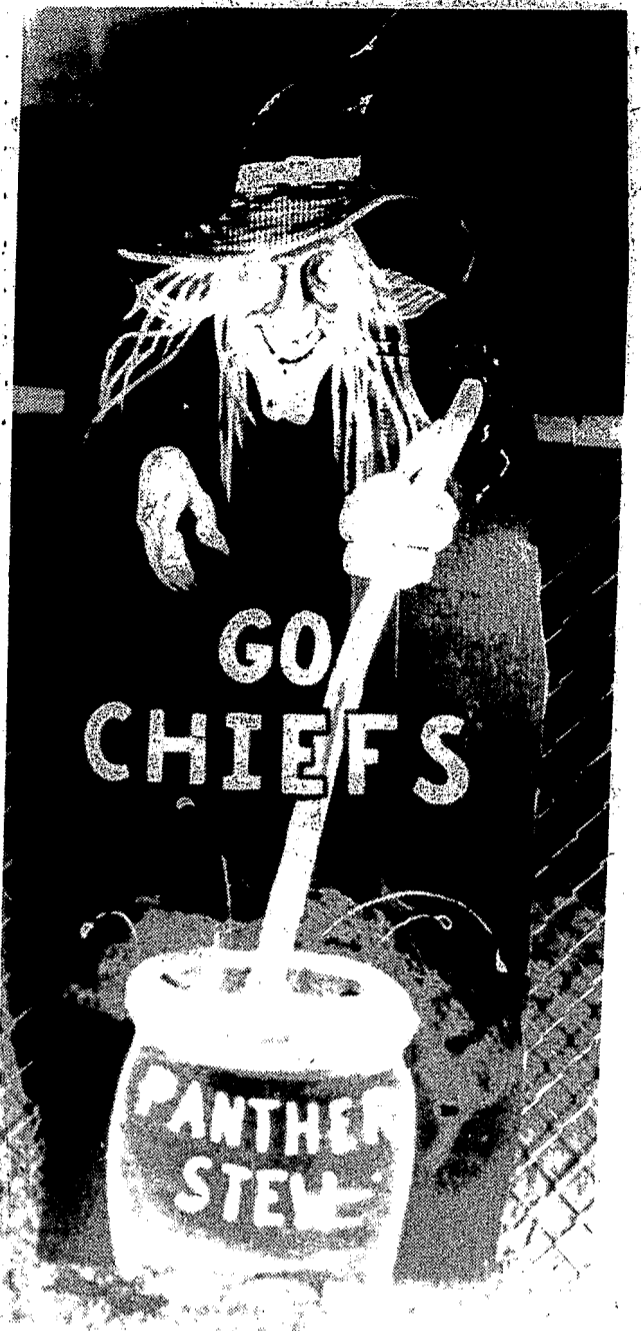

The fans who stuck around after the game watched the Wolverines take a victory lap around the Clarkston High School track with Coach Steve Himburg.

Steve Black, the hero of the moment, didn't bask in the glory. He eagerly spread the credit to his deserving teammates. He also was the first player to finish his victory lap around the track. Second place wasn't close. Who knows?, if the lights hadn't been turned off he may have rounded the track a few more times. Who cares!?! Clarkston won.

Tom Duty spoke of the great rivalry between the two schools. While he was happy his Clarkston team won, he also knew how friends at Sashabaw felt. It wasn't too long ago that the Cougars topped the Wolverines 28-0.

"It was a lot of fun playing our rivals ... a lot of fun beating them," he said.

And that, people, is what sports is all about. No controversy, bad mouthing or bad feelings. We'll leave all that stuff for the old folks.

CLARKSTON CHIEFS fans got into the Halloween spirit Saturday evening by decorating the sideline.

Nan's Beauty Talk

They can't quite put their finger on what it is, but you look great! You're the only one who needs to know why your hair suddenly looks so vibrant, your style has new life. A touch lighter here, a shade brighter there. Color provides a powerful effect with the right placement of very slight, natural-looking variation in tone. So don't think haircolor's not for you because you aren't up for a big change. Just as cosmetics can make a nose look smaller or eyes appear larger, haircolor, when strategically placed, can draw attention to certain elements of style, even help open up a face, draw out a low forehead, or create the illusion of more volume. The effect to go for is subtle enhancement. Our goal is to provide state-of-the-art services and product with personalized, specialized care. That's why we're off to Grand Rapids this week for Maly's Hair Show and Seminar. **Hey! By the way, Nan's is doing FREE haircuts with a perm or a color for new clients.* NAN'S, THE SALON THAT CARES. 4194 Airport Road, just south of Andersonville Rd., Waterford, 623-6654.

Five are winners

Clarkston's Special 26er's fared well in the Special Olympic bowling competition Oct. 28 at Three Hundred Bowl Lounge in Waterford.

Sponsored by Clarkston Community Education, the team took home five awards.

Three took first place in the Age 30 and Up Division: John Naccarato, high score 155; Danny Wood, high score 145; and Larry Sullivan, high score 150.

Second place in the Age 30 and Up Division was Jeanne Barnhart, high score 148. Third place went to Sue Lewis, high score 145.

Laurie leads WMU

Roby Laurie of Independence Township won his second straight hockey game recently, as goalie for Western Michigan University, Kalamazoo.

Laurie, who has a 2.5-goals-against average and .898 save percentage, made 22 saves during a 10-2 win against University of Michigan-Dearborn. The win kept the sophomore unbeaten in 1989 with a 2-0 record.

Western Michigan also is unbeaten in Central Collegiate Hockey Association action, owning a 2-0 league mark and 4-0 overall record.

Dentist shoots 2 aces

Dentist John Pearl of Deer Lake Court, Independence Township, might as well hang up his golf clubs.

After more than 40 years golfing, he shot two holes-in-one this year — the first time in his life for that feat.

"I had two good shots in my life," he said afterward.

He felt "like it was about time after 40 years," he said, laughing. "I'm worse now than I was then."

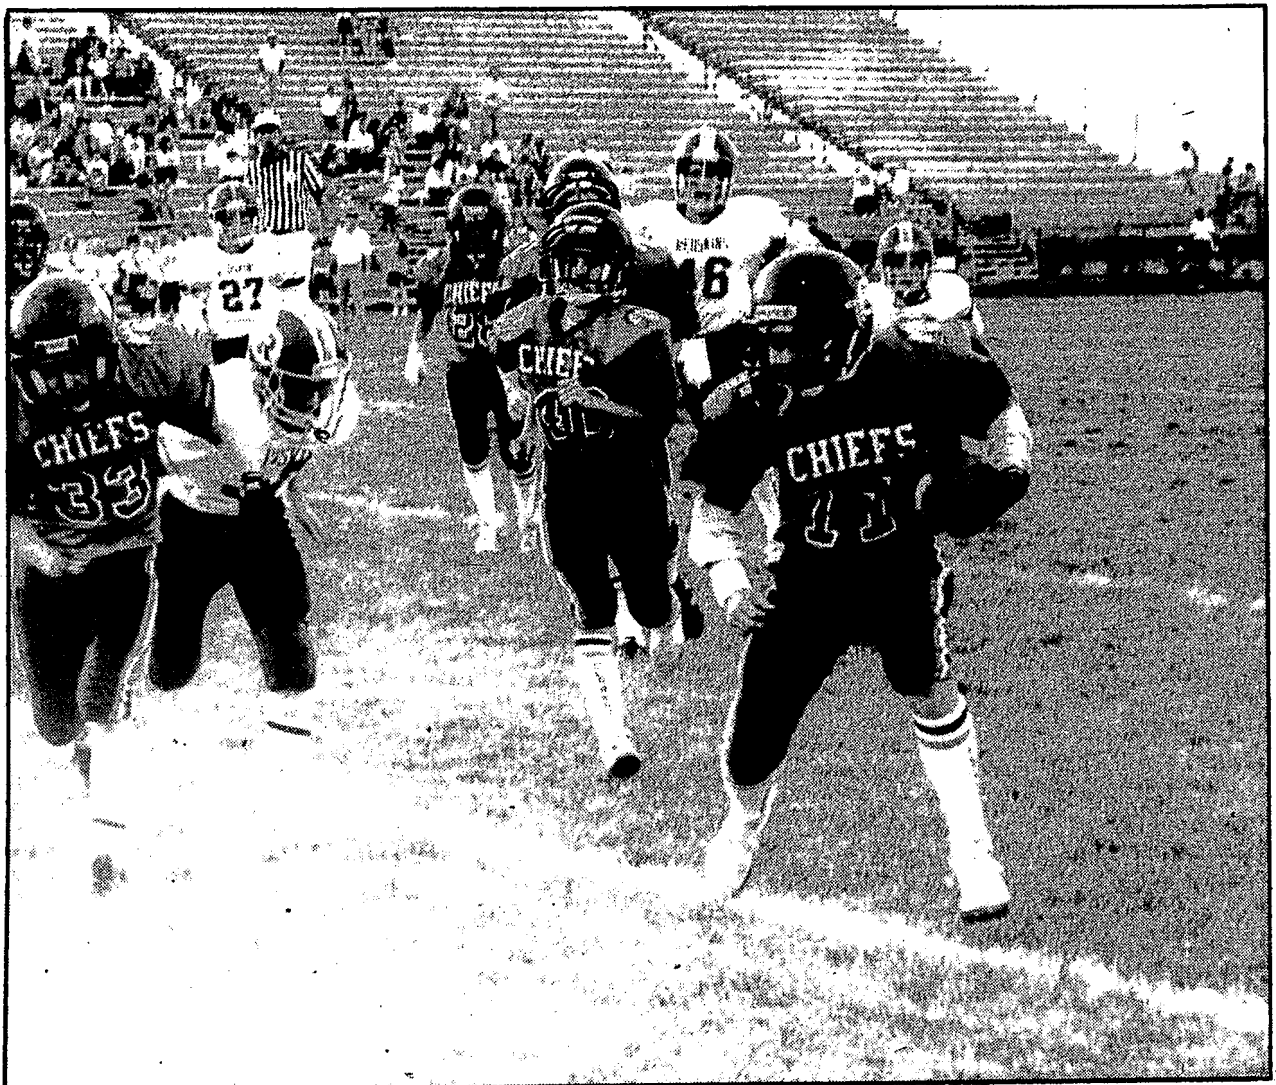

His first hole-in-one came July 3 at the 13th hole on the south course of Oakland Hills Country Club, Birmingham. He used a 4-iron, he said.

His second hole-in-one came Sept. 29 at the 17th hole on the same course. He used a 6-iron on that one, he said.

"I'll probably have a couple more — that's what I tell everybody," he said.

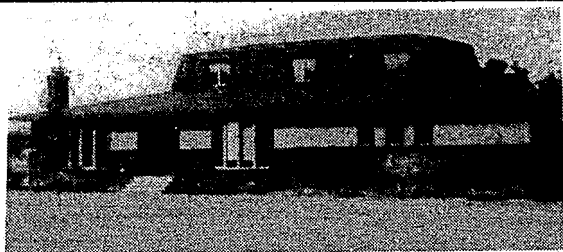

Even with his success, he said he does not plan to give advice to others.

"I just need help for myself," he said.

TOBY EVANS scored the lone touchdown for the junior varsity Clarkston Chiefs as they lost to the Rochester Redskins 20-6 Saturday at Lake Orion High School during the Suburban Youth Football Conference Super Bowl playoffs. The varsity squad also competed at Lake Orion High and lost 24-6 to

the Pontiac Panthers. Brian Bologna scored the Chiefs lone touchdown. While a win would have been nice, Coach Jim Decker was proud of his team anyway. "They played hard and worked hard all season," he said. "They deserved to go." (Photo by Peter Auchter)

Girls hoops team focused

BY PETER AUCHTER
Clarkston News Associate Editor

Two days after their biggest triumph of the year, the girls varsity team remained focused on its season-long goal.

The result was a 62-28 beating of Lake Orion last Thursday. That win followed on the heels of a 43-40 victory against Waterford Kettering.

From the beginning of the season, the Wolves had one goal.

"These girls really want to win the league," said Coach Larry Mahrie.

With the win against Lake Orion, Clarkston moved a step closer to clinching at least a tie with Kettering for the title. Both schools own 7-1 league marks with two GOAL games remaining apiece.

At Orion on Oct. 26, the Wolves had little trouble in disposing the Dragons in a physical contest. Many fouls were whistled, and the score might have been worse, had Clarkston shot better from the free-throw line.

The Wolves went to the line 36 times but converted only 20 of them (55 percent). Rhonda Jokisch, who finished with 19 points, was nine-of-14 from the stripe.

Other high scorers for Clarkston were Susan McKoin with 20, Jenny McChesney with 10 and Alyson McChesney with five.

Lake Orion stayed close in the early moments of the

first quarter but couldn't keep up once Clarkston's shooters got untracked.

"We missed some easy layups," said Mahrie. "It's so important to convert those early layups."

McKoin and Jenny McChesney combined for 10 points late in the first quarter to help Clarkston build a 16-6 lead. Lake Orion never got any closer the rest of the game.

In the first quarter alone, Clarkston had 13 free-throw attempts. The Wolves made 10.

At the half, Clarkston led 34-18. Jokisch almost outscored the Dragons by herself. She had 16 points.

The Wolves continued to roll in the second half, both on the offensive and defensive ends of the court. Celeste Steinhelper blocked an Orion shot off a fast-break opportunity on the fly in the third quarter.

With the win, Clarkston now sports a 16-1 overall record, 7-1 in the GOAL.

Two nights earlier, Clarkston squeaked past state-ranked Kettering 43-40 at home.

Steinhelper was the leading scorer with 16 points, including an important go-ahead bucket late in the fourth quarter. McKoin had 15 and Jokisch six as the other top scorers for Clarkston.

The Wolves will host Waterford Mott in a GOAL game Friday. The junior varsity game begins at 5:30 p.m.

Clarkston then closes out the regular season with home games against West Bloomfield on Tuesday, Nov. 7 and against Brandon on Friday, Nov. 10.

TOBY EVANS drops back to throw a pass for the junior varsity Clarkston Chiefs.

JV gridgers rally for win against Mariners

After a shaky start, the junior varsity football team recovered to beat Marine City 30-14 last week.

Clarkston's defense had trouble against the Mariners' wing T offensive alignment throughout most of the first half. At one point, Marine City led 14-0.

"It was tough," said Coach John Craven. "We finally made some adjustments on defense to handle the wing T. I hope I don't ever have to see (that offense) again."

The Wolves switched to a goal-line type defense, filling in all the gaps on the line and tackled anyone who came through—regardless if they were the ball carrier or not.

Clarkston's offense got untracked late in the half. Brian Davis scored the first of his three touchdowns on a two-yard run. Dan Griffiths ran for the two-point conversion.

With about two minutes left in the half, Jon Wyniemko and Griffiths hooked up for a 45-yard pass play to the Marine City 10. A few plays later, Griffiths scored a touchdown from five yards out. Wyniemko passed to Mike Stanton for the two-point conversion.

Clarkston led 16-14 at the half.

Davis scored on runs of one and four yards in the second half. He also scored one two-point conversion. He finished with 149 yards rushing on 21 carries.

Griffiths had 139 yards rushing on 21 carries. He broke the 1,000-yard mark for the season and set a record for touchdowns (12 this year) at the junior varsity level.

Craven credited the offensive line for helping keep Clarkston's offense on the field for a good portion of the second half and Marine City's offense on the bench.

The guys in the trenches were Brian Miller, Kevin Mull, Mark White, Nathan Smith, Andy Lampela and Eric Venegoni.

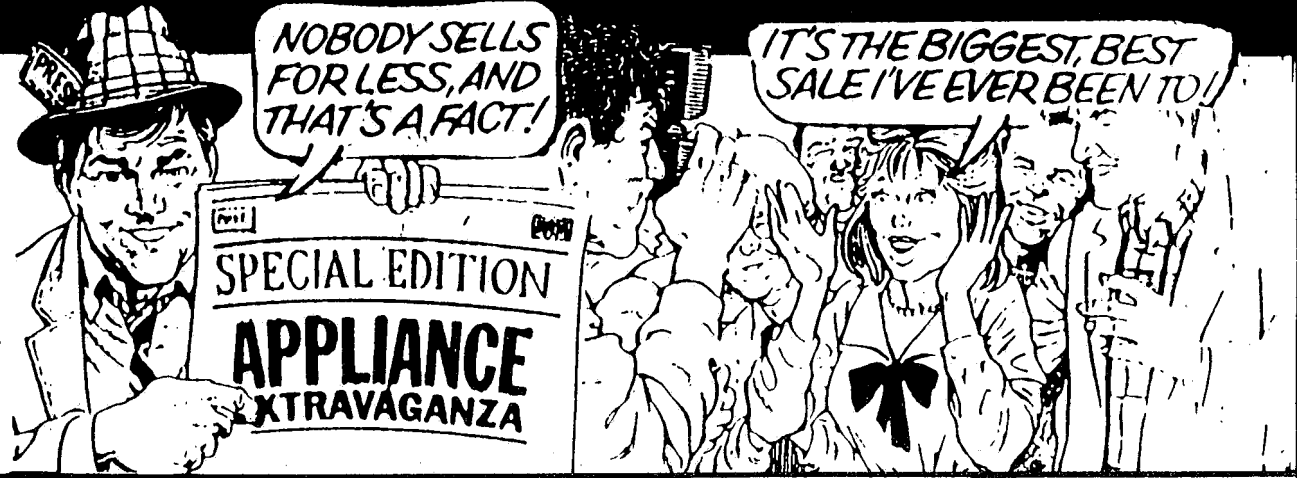

On defense, Stanton and Davis were the leading tacklers. Each made 5 1/2 tackles.

Clarkston finishes the season with an 8-1 record.

Late surge doesn't help CHS

DUGAN FIFE threw four straight completions to help rally the Wolves.

BY PETER AUCHTER
Clarkston News Associate Editor

A frantic fourth quarter rally almost erased a flat performance for the varsity football team Friday night.

Clarkston High scored 11 points in the final quarter and threatened to score more, before falling to Marine City 21-14.

"You can't expect to win a game in one quarter," said Coach Kurt Richardson. CHS finishes the year with a 6-3 record.

Before the late heroics, the Wolves didn't accomplish much offensively. Their problems were compounded by the lack of good field position and turnovers. Clarkston fumbled the ball away three times, once on its final possession of the game.

Clarkston's first drive of the game, starting at its own 35-yard line, began with a sack of quarterback Dugan Fife and ended two plays later on a fumble. Marine City recovered on the Wolves' 31.

Dave Tinkis returned the favor for Clarkston on the Mariners' drive by sacking the quarterback. Marine City eventually punted the ball back to the Wolves.

Clarkston's offense stalled on the next series of downs, and the Wolves were forced to punt after three ineffective plays. Marine City took possession of the ball at the Clarkston 37.

The Mariners converted on fourth-and-three to keep the drive alive and soon scored on a 11-yard run by Matt Pollock. The extra point kick was good, boosting the Mariners' lead to 7-0 with 5:18 to play in the first quarter.

Clarkston again failed to gain positive yards on its next possession and was forced to punt after three plays. For once, the Mariners began a drive on their own half of the field at their own 33-yard line.

Marine City didn't have trouble moving the ball down the field, though, and Pollock scored from the one with 11:25 to play in the first half. The extra point was good — the Mariners led 14-0.

Clarkston finally began moving the ball late in the second quarter behind the passing of Fife and the running of John King.

Fife hooked up with Chris Figa for 11 yards, Chad Hetherington for six yards and Brett Kinzler for five yards. King ran for 11- and 12-yard gains, picking up a first down on a fourth-and-one on the first run.

Unfortunately, the Wolves couldn't convert on another fourth-down play, falling inches short of a first down, and

"They lost (tonight) the way they have played all year — hard. A 6-3 or 7-2 (record), it doesn't really matter. This is a great bunch of kids."

Coach Kurt Richardson

turned the ball over on the Marine City 12.

The defense held the Mariners and forced a punt, providing the visiting Wolves with one more scoring chance before the half. But it was not to be. Clarkston fumbled the ball away at its own 37.

Fife intercepted a Marine City pass to end the threat as time expired in the first half.

Clarkston's defense stopped the Mariners cold on the first drive of the second half. The momentum must have carried over to the offense — the Wolves scored their first points of the game on their next drive.

Coach proud of team's efforts on the field

(COACH, from previous page)

The Wolves finally had field position after the Marine City punt, beginning on the Mariners' 47-yard line. Clarkston moved the ball to the four before the drive stalled. David Marks then kicked a 20-yard field goal to cut the lead to 14-3 with 3:24 to play in the third quarter.

Marine City answered with a score of its own, as Pollock collected his third touchdown of the night early in the fourth quarter. The Mariners led 21-3 with 11:48 to play in the game. The Wolves, who had the ball on their own 22, were looking certain defeat square in the eyes.

Fife then completed four straight passes for a touchdown. He lobbed a 23 yarder to Erich Becker to begin the drive. Hetherington caught the next for a 16-yard gain. Dereck Raymond caught the third for another 16 yards.

The last pass was a 23-yard spiral to Becker in the corner of the end zone. Becker came down with the ball in his hands and a Marine City defender on his back. The referee ruled it a touchdown, and Clarkston was back in the hunt.

Fife ran for the two-point conversion to cut the deficit to 21-11 with 10:42 to play. The fun was just beginning.

Clarkston recovered an on-side kick at the Marine City 38-yard line. Three plays later, the Wolves were no closer to the end zone. Jason Kinzler picked up 11 yards on a fourth down draw play to keep the drive alive.

A quarterback sack set the Wolves back to the Marine City 33. A short pass to King and a 10-yard scamper by Fife on third-and-long brought the ball to the Marine City 21. Marks kicked his second field goal of the game, this time an end-over-end boot from the 37 that just cleared the cross bar, to cut the lead to 21-14 with 6:40 to play.

After the defense forced Marine City to turn the ball over on downs, Clarkston had the chance to tie or win the game — but it was not to be.

King excited the Clarkston bench with a 51-yard run down the far sideline, bringing the ball to the Marine City 29 before he was tackled. A fumble at the 13-yard

line with a little more than a minute left ended the Wolves' last scoring threat.

In the end, Richardson was proud of what his players accomplished this season.

"They lost (tonight) the way they have played all year — hard," said Richardson. "A 6-3 or 7-2 (record), it doesn't really matter. This is a great bunch of kids."

Vandals strike Sashabaw Plains

BY LINDA WALSH LAPINSKI
Clarkston New Staff Writer

Repeated vandalism at the Sashabaw Plains Park, at Maybee and Sashabaw roads, is a catch 22 type of a problem, according to Ann Conklin, director of the Independence Township Parks and Recreation Department.

"People are not using the park because of the vandalism, and it is hard to stop the vandals when no one is in the park," she said.

The amount of damage over the years has added up

to a lot of money, she said.

The fences are repeatedly torn up, and the playground equipment has been damaged. Someone even spray painted the playground equipment.

To combat the problem, parks and rec. officials plan to expand the park with another playing field and a larger parking lot.

It's a valuable park, and it's a waste of taxpayers' money to let it just sit, said Conklin, adding that organized leagues are to use the field next spring.

The park will be closed at the end of October and will be ready in the spring with its new additions, she said.

REAL ESTATE UPDATE

THAT BEAUTIFUL LEVERAGE

Valerie Phaup
Designated Broker

QUESTION: What is meant by the word "leverage" when used in conjunction with investing in real estate?

ANSWER: Leverage arises because ALL of the income and ALL of the appreciation belongs to the property holder regardless of the amount of the loan. To illustrate, assume a \$100,000 property was purchased for only \$10,000 cash and a \$90,000 mortgage loan. Five years later, the same property is sold for \$150,000 (a 50% gain in value). After paying off the \$90,000 mortgage, the investor would realize, not a 50% gain, but rather a 500% gain on his initial cash investment because he only invested \$10,000 for the property. That's leverage!

LEVERAGE is the key to multiplying profits from real estate.

Three issues face township voters on Nov. 7

(THREE, from Page 1)

If a building could be built for less, then that's the amount that will be borrowed, Wilson said.

"I'm trying to save money for the taxpayers and myself," he said.

Although a building on M-15 near I-75 is the first choice for the relocation of station No. 1 (currently in downtown Clarkston on Church Street), other locations are feasible, the fire chief said. However, no other property will be looked at or purchased until the bond is approved, Wilson said.

To help defray maintenance costs, the possibility of renting a portion of the new fire station to the Michigan State Police has surfaced. Should that happen, the rent also may help pay off the bond debt, the fire chief said.

Should the public safety complex be built, the state police definitely would be interested in renting a portion of it.

"Our post is inadequate for our needs," said First Lt. Matthew Hogan, commander of the Pontiac Post of the Michigan State Police. "We need to be north. Our best location for this move, according to all our investigations, is M-15 and I-75."

Right now, the state police serves Holly and Groveland townships, plus all of I-75. Rose Township may be added to that list in the future.

Regardless of the outcome of the Independence bond issue, Clarkston is still the first choice for a move,

Hogan said. If he can't find a location at M-15 and I-75, he'd probably search for a second-choice location, possibly Dixie Highway and I-75.

Ideally, though, the combined public safety complex would be great.

"Sharing the work and sharing the building -- there's a lot of advantages to that," Hogan said. "To me it would be a heck of a lot more efficient to have police and fire departments work together and get to know each other and do the work."

Partial Financial Relief For Schools

If he had his choice, Clarkston High teacher Larry Rosso would like to see state Proposal A approved by the voters on Nov. 7.

But the political director of the North Oakland Education Association wouldn't mind the passage of state Proposal B either. The NOEA covers the North Oakland school districts of Clarkston, Oxford, Brandon and Lake Orion.

No matter which proposal is approved by voters, the school districts in Michigan win, he said. The immediate availability of funds (instead of a two-year wait) makes Proposal A more appealing, he added.

Additionally, Proposal A would deny funds to schools that didn't adopt improvement plans to better students' education.

"(At this time), we don't put enough money toward

those things," said Rosso. "The needs of the kids are covered by those state mandates."

Proposal A, in part, calls for an increase in the sales/use tax from 4 cents to 4 1/2 cents per dollar and constitutionally dedicates funds for local schools.

Proposal B, on the other hand, calls for an increase in the sales/use tax to 6 cents per dollar, reduces school property taxes, sets permanent school operating millages not subject to voter renewal and constitutionally dedicates funds for local schools.

"Our feeling right now is that 'A' has a better chance, but 'B' would be more than satisfactory," Rosso said. "Anything would be better than what we have now."

Should either of the proposals pass, he said the money gained would cover only half of Clarkston's expected \$2 million budget deficit next year.

"This would certainly help the local taxpayer," he said.

Should both the proposals gain more "yes" votes than "no" votes, the proposal with the highest "yes" count will become law, Rosso said.

Besides the NOEA, the Michigan Education Association, General Motors Corp., Ford, Chrysler, K-Mart and Meijers have come out in support of the proposals.

Editor Julie Campe contributed to this report.

Two statewide proposals on ballot, plus bond

Voters will face two statewide tax proposals on the ballot Tuesday, Nov. 7. Plus, Independence Township and Village of Clarkston voters have their say on a local issue. Springfield Township voters have no local issues.

Following is a list of ballot proposals and an explanation for each.

Independence Township Issue

What it says:

BOND PROPOSITION

Shall the Charter Township of Independence, Oakland County, Michigan, borrow a sum of money not-to-exceed Two Million Dollars (\$2,000,000) and issue its general obligation bonds therefore for the purpose of defraying the cost of acquiring, constructing, renovating, furnishing and equipping facilities for use as a public safety complex?

What it means:

If approved, the township would borrow up to \$2 million that would pay for a public safety complex.

The complex may house the central township fire station, a substation for the Oakland County Sheriff's Department and a Clarkston post of the Michigan State Police, to be relocated from its current Pontiac location.

If officials can't find a site large enough to house all three, the complex may house only the central fire station.

The township would either buy and renovate an existing building or build a new one.

To pay for the purchase plus equipment and furnishings, the township would sell up to \$2 million in bonds that would be repayable in about 10 or 20 years.

To pay off the debt, the township would set whatever millage rate necessary to cover the costs in an undetermined number of years.

If the debt were to be repaid over 20 years, a resident with an \$80,000 house assessed at half the market value (\$40,000) would pay about \$18.72 per year in the beginning. The rate would decrease over time.

Over 10 years, the same homeowner would pay about \$27.36 per year.

If the state police and sheriff's department joined in the facility, the cost to township taxpayers would decrease.

Statewide Issues

What it says:

PROPOSAL A

A proposal to increase the sales/use tax from 4 cents to 4 1/2 cents per dollar and constitutionally dedicate

funds for local schools.

The proposed constitutional amendment would:

1. Constitutionally dedicate to schools:
 - a. 1/2 cent increase in sales/use tax.
 - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;
 - c. Increased share of existing sales/use tax (51 percent to 68 percent) to substantially replace annual school appropriation.

2. Distribute dedicated funds to school districts as provided by law.

3. Activate increased statutory penalty to deny 100 percent of state funds to schools not adopting core curriculum and improvement plans.

Should this proposal be adopted?

What it means:

If approved, residents would pay more in taxes — 4 1/2 cents sales tax on goods and services instead of the 4 cents currently paid.

The extra half-cent would go directly to fund education in Michigan and would be guaranteed by the state constitution.

Also guaranteed to schools through the constitution would be: lottery profits and some cigarette and liquor taxes.

Plus, the state constitution would guarantee 68 percent of the sales/use tax for schools rather than the current 51 percent.

State schools that don't adopt state plans for core classes and improvements would not get state money for school operations.

What it says:

PROPOSAL B

A proposal to increase the sales/use tax from 4 cents to 6 cents per dollar, reduce school property taxes, set permanent school operating millages not subject to voter renewal and constitutionally dedicate funds for local schools.

The proposed constitutional amendment would:

1. Constitutionally dedicate to schools:
 - a. 2 cents increase in sales/use tax;
 - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;

PRESENTING information about drugs to Bailey Lake Elementary third graders were (from left) Ted Fletcher, Debbie Truba and Julie Brazel, Clarkston High School students and members of the Just Say No club for substance abuse awareness week.

'Big kids' tell youngsters to say no to drugs

BY JULIE CAMPE
Clarkston News Editor

When it came time for Cheryl Dodd's Bailey Lake Elementary third graders to share their stories about drugs and alcohol, nearly all had something to say.

First, they listened to big kids — Ted Fletcher, Debbie Truba and Julie Brazel, three Clarkston High

CARLA GREENE draws a person who uses drugs.

School Just Say No Club members — talk about drugs and alcohol, and they drew pictures of people who use drugs.

Then — big eyed and serious — they shared their own stories. Following are some of the things they said, not including their real names.

Bobby's grandfather smokes and drinks every Friday night; his family is worried about it. Sarah's neighbor, a 13-year-old Boy Scout, was caught smoking marijuana.

Jason saw two 10 year olds smoking cigars. Billy's dad tried for a long time to quit smoking cigarettes and finally succeeded.

One day when the junior high had no school, some big kids came to the playground and drank beer, said Scott.

Chris' mother doesn't let him buy candy cigarettes. Jessica's grandpa stopped smoking, so maybe now he won't get cancer. Michael saw a story in a newspaper about a guy who was drinking and was stabbed in the back at a bar; it was scary.

A teen-ager who lived by Craig broke into a Hop-In store then camped in the woods nearby, where police caught him. All the neighbors said he had been drinking.

They could have told more stories. Hands were shooting up all across the room. But Just Say No members also wanted to make time for their pledge.

All the students — plus the teacher — were asked to sign a large "Just Say No" poster at the front of the room, promising to say no to drugs and alcohol.

The mission of the high school students was clear — they were trying to reach kids before they're confronted with drugs. Third, fourth and fifth grades were the targeted audience, and the high school students hoped they weren't too late.

"How many of you know what crack, cocaine and marijuana are?" asked Ted, one of the presenters.

All but about three raised their hands.

"How many of you drink Mt. Dew, Pepsi or Coke?" he asked, and all but about five raised their hands.

Ted explained that those soft drinks also contained a drug called caffeine, which is addictive.

Little Jennifer, smiling and nodding her head, said her mother drinks three cups of coffee every morning for the caffeine.

They discussed the different forms drugs can come in, and the big kids told the young kids not to try any of these things that could hurt them. Ted gave them an easy rule to follow.

"If you don't know what it is, don't try it," he advised.

Members of the CHS Just Say No Club gave information to each of the elementary schools in the Clarkston school district. The presentations fell during the official substance abuse awareness week in Michigan, and some businesses in the Clarkston area displayed red ribbons in support of the anti-drug campaign.

The Clarkston Area Optimists sponsored the events and will treat the high school students to a breakfast in honor of their efforts.

Fruit sale in time for holidays

Grapefruit and oranges will be sold again this year by the Clarkston Band Boosters.

An annual fruit sale, it raises funds for all bands in the Clarkston school district.

The fruit will be sold in a half case for \$10 or a full case for \$16. Money for the fruit is to be paid at the time of purchase, and pick-up of the purchases is Saturday, Dec. 9, from 8 a.m. to 1 p.m. at Clarkston High School.

Karen Vasold said the band boosters raised about \$3,600 from the fruit sale last year.

Some of last year's funds paid for new uniforms for the Clarkston High School Marching Band, scholarships, trophies and awards; and this year the boosters plan to buy some special music requested by one of the music teachers.

To buy the fruit contact any band member, or call Vasold at 625-6077.

Play auditions set

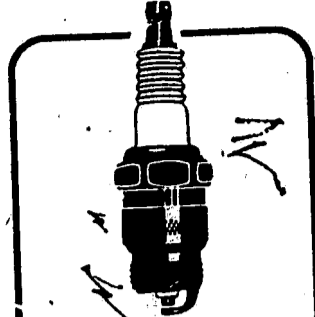

Slueths who also double as hams would be good candidates for characters in "Sherlock's Last Case," a mystery-comedy to be performed by the Clarkston Village Players.

Auditions for five male and two female characters are set for 7:30 p.m. Thursday, Nov. 9, at the Depot Theater on White Lake Road near the railroad tracks in Independence Township.

Director of "Sherlock," the third play this season, is Jack MacCaffery.

For more information, call the Depot Theater at 625-1826.

People who like pets are regular readers and user of Classifieds. They know that's where dogs, cats and other pets are bought and sold. Call 628-4801, 693-8331 or 625-3370.

STARTS FRIDAY

PARENTHOOD

Those with "impossible" teens might swear this is their group portrait. And adult children of alcoholics might claim the movie after watching the fallout from Jason Robards' boozy, belated attempts at fathering. Director Ron Howard uses these bittersweet elements like smelling salts to bring us around after the jokes. Also featuring Steve Martin, Tom Hulce, Dianne Wiest, Harley Kozak, Rick Moranis, Eileen Ryan.

Engagement

Janet Macintosh of Drayton Plains announces the engagement of her daughter, LeAnna Lynn Brown of Peoria, Ill., to John Edwin Tisch of Peoria, Ill., and formerly of Clarkston. He is the son of John and Nancy Tisch of Clarkston. The prospective bridegroom has a bachelor of science degree in engineering from Oakland University, Rochester, and is employed at Caterpillar, Inc., in Peoria, Ill. The bride-to-be has a bachelor's degree in business administration from Walsh College of Accounting and Business Administration, Troy. LeAnna, the daughter of the late Ronald E. Brown, is employed at Equity Financial Group in Peoria, Ill. She is formerly of Drayton Plains. A Dec. 23 wedding is planned.

Club notes

V.I.P. Realty of Drayton Plains received the Employer of the Year Award from Waterford-Clarkston Business and Professional Women's club on Oct. 12 at the Deer Lake Racquet Club, Independence Township. V.I.P. President Nicole Hargett, a 30-year Clarkston resident, heads the company with her husband, Larry. Their three sons are active in the company as realtors, too.

At college

Curtis Haremza is a cast member in the upcoming production of "Blithe Spirit" at Siena Heights College in Adrian. Haremza, a sophomore, will portray Charles. He has performed in "Arkansaw Bear" this fall at the college and numerous other plays. He is a theatre/speech communication major at the college and is a 1988 graduate of Clarkston High School.

Maria Rovere of Clarkston is part of a group of Siena Heights College, Adrian, students who traveled to Italy last spring. The students are exhibiting art and photography from courses taken during the trip at Studio

DEBRA GOYEAU, who teaches a home landscape design course at the Oakland Technical Center-Northwest Campus, Springfield Township, is one of nearly 2,000 pheresis donors honored at an annual brunch at the Regional Blood Center in Detroit. The procedure extracts a component of blood from the

donor — either plasma, platelets or white cells. The donation helps treat patients with cancer, leukemia, aplastic anemia or other life-threatening diseases. She made her first pheresis donation July 22. She's since made a second donation and has volunteered to be a bone marrow donor.

Honors

Scott B. Linton has been selected as a member of Outstanding High School Students of America. Scott is the grandson of Mrs. D. McCann of Clarkston.

Grads

Lynne Ann Howse of Sagamore Drive, Independence Township, and Kimberly Ann Thomas of Warbler, Independence Township, received bachelor of science degrees at the August commencement from Western Michigan University, Kalamazoo.

In service

Airman Angela M. Stang has graduated from Air Force basic training at Lackland Air Force Base, Texas. She is the daughter of Diane J. Stang of Findlay, Ohio, and John T. Stang of Ellis Road, Clarkston. The airman is a 1989 graduate of Findlay High School.

Engagement

Mr. and Mrs. Leo Huls of Jasper, Ind., announce the engagement of their daughter, Kristine Ann, to Christopher Allen Fenton, son of Mr. and Mrs. Charles Fenton of Clarkston. Miss Huls is a graduate of Indiana University, Bloomington, Ind., with a bachelor of science degree in business finance. She was a sales representative for Adaptable Systems Corp. of Atlanta, Ga. Mr. Fenton earned a bachelor of science degree in mechanical engineering from Oakland University, Rochester. He is a manufacturing engineer for the Robert Bosch Corporation in Anderson, S.C. He is currently on assignment in Stuttgart, West Germany. The wedding will take place Saturday, Nov. 25, in St. Joseph Catholic Church, Jasper.

Angelico.

The show will run from Nov. 8 to 14. Studio hours are weekdays from 9 a.m. to 4 p.m., Wednesdays until 7 p.m. and Saturdays from 10 a.m. to 4 p.m.

Michael Peterson of Clarkston is a member of Jazz Lab 1, the premier student jazz ensemble at Central Michigan University, Mt. Pleasant. The group has performed throughout the world, including the Montreux International Jazz Festival in Switzerland, Carnegie Hall in New York City and the Montreux Jazz Festival in Detroit. Peterson is studying music at CMU. He plays the piano.

Around Town

Local events open to the public are printed in **Around Town** as a community service. Call 625-3370 or write to **The Clarkston News**, 5 S. Main, Clarkston, MI 48016 two weeks in advance.

Thursday, Nov. 2 - Discussion with Gayle Murphy, Sen. Rick Fessler's district representative, at the Independence Township Hall; 10:30-11:30 a.m.; 90 N. Main St., Clarkston. (517-373-1758)

Thursday, Nov. 2 - Public Forum on the Independence Township Fire Department proposed bond issue for building a new central fire station; 7 p.m.; information session with question and answer session afterward; Station No. 3, 5241 Maybee Rd., Independence Township. (625-1924)

Thursday, Nov. 2 - Widowed Support Group meeting at the Independence Parks and Recreation Senior Center; 7 p.m.; free; for all ages; informal sharing meeting; sponsored by the Lewis E. Wint and Son Funeral Home, Clarkston; in Clintonwood Park on Clarkston Road, Independence Township. (625-5231)

Thursday, Nov. 2 - Future issues in education at the Waterford-Clarkston American Association of University Women meeting at the Waterford Mott Media Center; 7:30 p.m.; for parents and concerned residents; speaker: Stu Thorell, principal of Waterford Mott High School; 1151 Scott Lake Rd., Waterford Township. (683-2778)

Friday and Saturday, Nov. 3 and 4 - Crafter Corner at St. Daniel Catholic Church; 10 a.m. to 5 p.m.; 40 juried crafters plus bake sale; corner of Holcomb and Miller roads, Clarkston. (625-5925)

Saturday, Nov. 4 - Kid Stuff, a nature program at

Indian Springs Metropark; 10 a.m.; free; for children ages 6-10; participants should wear old clothes; advance registration required; time for children to explore and share magic and mystery of the forest in autumn; on White Lake Road in Springfield and White Lake townships. (1-800-24-PARKS)

Sunday, Monday, Tuesday and Wednesday, Nov. 5-8 - Evangelistic meetings at Maranatha Baptist Church of Clarkston; 10 a.m., 11 a.m. and 6 p.m. services on Sunday; 7 p.m. Monday through Wednesday; Evangelist Barry Webb or Maryland uses puppetry, gospel object lessons, chalk art and ventriloquism to get across the message; nursery provided for each session; 5790 Flemings Lake Rd., near I-75 and Sashabaw. (625-2700)

ANNUAL FINANCIAL REPORT

FOR THE
YEAR ENDED
June 30, 1989

The Clarkston Community Schools ended fiscal year 1988-89 with revenues exceeding expenditures in the General Fund by \$51,397. This is the first year of the past five years where the district ended without a deficit in the General Fund.

The voters of the district approved a 5.5 mill increase for operating purposes in June of 1988 for the 1988-89 school year. However, because of the so called "Headlee" Amendment of the State Constitution, the district was permitted to increase the tax rate only 4.4328 mills to an operating levy of 36.5622 mills.

The 1988-89 school year will be remembered as one of the better years of the 80's for Clarkston. The funding increase allowed the district to expand services to the students. Even though the 1988-89 school year was one of the better ones for Clarkston, the expenditure level per student of Clarkston was extremely low compared to the other districts in Oakland County.

The voters also approved in June of 1988 a \$5,200,000 bond issue to renovate existing buildings. The revenue and expenditures of the bond issue proceeds are included within the Building and Site Fund which is shown below.

The following report by Plante & Moran shows the financial position of the district as of June 30, 1989. Questions, comments, or concerns about the report should be addressed to William D. Jackson, Director of Business Services, Clarkston Community Schools, 6389 Clarkston Road, Clarkston, Michigan 48016, (313) 625-4402.

Number of Buildings	13
Number of Classrooms	290
Value of Buildings/Equipment	\$48,395,926
Number of equated full-time resident pupils	5,903
Number of equated full-time non-resident pupils	10
Number of equated full-time pupils in district	5,913
Teacher salaries - per salary schedule	
Minimum (BA degree)	\$20,160
Maximum (BA degree - 20 years experience)	\$38,542
Minimum (MA degree)	\$22,126
Maximum (MA degree - 20 years experience)	\$43,527
Minimum (EDS degree or MSW)	\$23,234
Maximum (EDS degree of MSW - 20 years experience)	\$46,045
Total funds spent for salaries of classroom teachers	\$10,784,243
Ratio of full-time equated classroom teachers	327.4
Ratio of pupils to employees holding valid Michigan teacher certificates	16.74 to 1

The above information includes the Oakland Technical Center-Northwest Campus.

Board of Education
Clarkston Community Schools

We have audited the general purpose financial statements of Clarkston Community Schools as of and for the year ended June 30, 1989, as listed in the table of contents. These general purpose financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material

misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The District's general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of Clarkston Community Schools at June 30, 1989 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

CLARKSTON COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1989

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of Clarkston Community Schools conform to generally accepted accounting principles as applicable to school districts (except that a General Fixed Assets Account Group is not maintained). The following is a summary of the significant accounting policies:

REPORTING ENTITY

The accompanying general purpose financial statements have been prepared in accordance with criteria established by the Governmental Accounting Standards Board for determining the various governmental organizations to be included in the reporting entity. These criteria include oversight responsibility, scope of public service and special financing relationships.

FUND ACCOUNTING

The accounts of the District are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenue and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the combined financial statements in this report, into generic fund types in two broad fund categories as follows:

GOVERNMENTAL FUNDS - Governmental funds are those funds through which most School District functions typically are financed. The acquisition, use and balances of the School District's expendable financial resources and the related current liabilities are accounted for through governmental funds.

General Fund - The General Fund is used to record the general operations of the School District pertaining to education and those operations not provided for in other funds. Included are all transactions related to the approved current operating budget.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted to expenditure for specified purposes. Included in the District's Special Revenue Funds are the following:
Northwest Oakland County Vocational Center Fund - The Northwest Oakland County Vocational Center Fund is administered by the Clarkston Community Schools under an agreement with the Oakland County Intermediate School District and is used to record all transactions of the center for vocational education purposes.

School Service Funds - The School Service Funds are used to segregate, for administrative purposes, the transactions of a particular activity from regular revenue and expenditure

accounts. The School District maintains full control of these funds. The School Service Funds maintained by the School District are the Food Services and the Athletic Funds. The annual operating deficit generated by the Athletic Fund is transferred from the General Fund.

Maintenance, Equipment and Repair Fund - The Maintenance, Equipment and Repair Fund is used to segregate, for administrative purposes, expenditures related to major repairs and improvements to existing buildings and equipment. No expenditures for new construction are made from this fund. As of June 30, 1989, the Maintenance, Equipment and Repair Fund was closed and no future financial activity will be recorded in this fund.

Debt Retirement Funds - The Debt Retirement Funds are used to record tax and interest revenue and the payment of interest, principal and other expenditures on long-term debt.

Building and Site Funds - Building and Site Funds are used to record bond proceeds or other revenue and the disbursement of monies specifically designated for acquiring new school sites, buildings, equipment and for major remodeling and repairs. The funds are kept open until the purpose for which the fund was created has been accomplished.

FIDUCIARY FUNDS - Fiduciary funds are used to account for assets held by the School District in a trustee capacity or as an agent. Agency Funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

Activities (Agency) Fund - The School District presently maintains an Activities Fund to record the transactions of student groups for school and school-related purposes. The funds are segregated and held in trust for the students.

ACCOUNT GROUPS - Account groups are not funds - they do not reflect available financial resources and related liabilities or the measurement of results of operations - but are the District's accounting records of the general long-term debt. The General Long-term Debt Account Group is used to record the School District's outstanding bonded debt, long-term notes payable and other noncurrent obligations of the School District.

BASIS OF ACCOUNTING

Governmental funds and the Agency Fund utilize the modified accrual basis of accounting. Modifications in such method from the accrual basis are as follows:

- a. Property taxes and other revenue that are both measurable and available for use to finance operations are recorded as revenue when earned. Other revenue is recorded when received.

Properties are assessed as of December 31 and the related property taxes are levied and become a lien on July 1 for

approximately 50 percent of the taxes that are due September 15 and December 1 for the remainder of the property taxes that are due on February 14. The final collection date is February 28 after which they are added to the county tax rolls.

- b. Principal and interest on general long-term debt are not recorded as expenditures until their due dates.
- c. The noncurrent portion of vested sick and accumulated vacation days and self-insured liabilities are reflected in the General Long-term Debt Account Group.

Cash Equivalent Investments - Cash equivalent investments are stated at cost. See Note 3 for additional investment information.

Inventories - Inventory in the General Fund, consisting of teaching and gasoline supplies purchased for the 1988-89 school year, is stated at cost. The School Service Funds inventory consists of food and supplies and is stated at cost. Payments for other inventory-type items are recorded as expenditures at the time of purchase.

General Fixed Assets - General fixed assets are recorded as expenditures in the General, Special Revenue or Building and Site Funds in the year payment is made or expenditure accrued.

Long-term Liabilities - Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-term Debt Account Group, not in the governmental funds.

Total Columns on Combined Statements - Total columns presented in the combined financial statements are captioned "memorandum only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not represent financial position or results of operations in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

NOTE 2 - BUDGETS

The School District formally adopted and amended General, Building and Site, Debt Retirement, Maintenance, Equipment and Repair, Food Services, Athletic and Northwest Oakland County Vocational Center Funds budgets by function for the fiscal year ended June 30, 1989; expenditures at this level in excess of amounts budgeted is a violation of Michigan law. Unexpended appropriations lapse at year-end; encumbrances are not included as expenditures. The amount of encumbrances outstanding at June 30, 1989 is not known. During the current year, the budget was amended in a legally permissible manner. The budget has been prepared in accordance with generally accepted accounting principles.

The budget statement (combined statement of revenue, expenditures and changes in fund balances - budget and actual - all governmental fund types) is presented on the same basis of accounting used in preparing the adopted budget. The Special Revenue Funds budget information on page 4 of the financial statements is a summarization of detailed budget information adopted.

NOTE 3 - CASH AND CASH EQUIVALENT INVESTMENTS

The School District's cash and cash equivalent investments at June 30, 1989 are composed of the following:

	CASH	CASH EQUIVALENT INVESTMENTS
Deposits in interest-bearing accounts	\$ -	\$5,124,698
Investments	-	750,000
Petty cash and cash on hand	3,500	-
Total	\$3,500	\$5,874,698

DEPOSITS - The above deposits were reflected in the accounts of the bank (without recognition of checks written but not yet cleared or of deposits in transit) at \$5,688,167. Of that amount, \$396,313 was covered by federal depository insurance coverage and \$5,291,854 was uninsured and uncollateralized.

The School District believes that due to the dollar amounts of cash deposits and the limits of FDIC insurance, it is impractical to insure all bank deposits. As a result, the School District evaluates each financial institution it deposits School District funds with and assesses the level of risk of each institution; only those institutions with an acceptable estimated risk level are used as depositories.

INVESTMENTS - The School District is authorized by Michigan Public Acts 217 and 367 of 1982 to invest surplus monies in U.S. bonds and notes, certain commercial paper, U.S. government repurchase agreements, bankers' acceptances and mutual funds and investment pools that are composed of authorized investment vehicles.

The School District's investments at year-end were entirely invested in commercial paper that had a carrying amount and market value of \$750,000. Investments in commercial paper are uninsured and unregistered and are held by the District's investment brokers.

NOTE 4 - LONG-TERM DEBT

The following is a summary of long-term obligations for the District for the year ended June 30, 1989:

	BONDS	SPECIAL ASSESSMENT PAYABLE	OTHER OBLIGATIONS	BUS AND ENERGY NOTES PAYABLE	TOTAL
BALANCE - June 30, 1988	\$3,640,000	\$71,500	\$570,000	\$480,000	\$4,761,500
Additions	5,615,000	-	545,000	100,841	6,260,841
Retirements and payments	(330,000)	(10,117)	(466,000)	(75,000)	(881,117)
BALANCE - June 30, 1989	<u>\$8,925,000</u>	<u>\$61,383</u>	<u>\$649,000</u>	<u>\$505,841</u>	<u>\$10,141,224</u>

Bonds payable at June 30, 1989 are comprised of the following individual issues:

\$1,500,000 serial bonds due in annual installments of \$145,000 through May 1, 1991; interest at 3.6 percent; currently callable	\$ 290,000
\$1,500,000 serial bonds due in annual installments of \$60,000 through May 1, 1996; interest at rates of 3.7 percent to 3.8 percent; currently callable	420,000
\$2,500,000 serial bonds due in annual installments of \$125,000 through May 1, 1996; interest at rates of 3.5 percent to 4.7 percent; currently callable	875,000
\$1,750,000 serial bonds due in annual installments of \$25,000 to \$275,000 through May 1, 1998; interest rates ranging from 9.25 percent to 11.25 percent; callable after 1993 at par plus premium	1,725,000
\$3,690,000 serial bonds due in annual installments of \$15,000 to \$450,000 through May 1, 2004; interest at rates of 7 percent to 10 percent; callable after 1998 at par plus premium	3,690,000
\$1,510,000 serial bonds due in annual installments of \$10,000 to \$200,000 through May 1, 2004; interest at rates of 6.6 percent to 9 percent; callable after 1997 at par plus premium	1,510,000
\$415,000 serial bonds due in annual installments of \$70,000 to \$100,000 through May 1, 1994; interest at rates of 6.95 percent to 7.1 percent	415,000
Total bonded debt	\$8,925,000

Notes payable at June 30, 1989 are comprised of the following:

Energy conservation improvement notes due in annual installments ranging from \$85,000 to \$115,000 through April 1, 1993 plus interest at rates of 8.4 percent to 10.3 percent. These notes are paid by the General Fund through a transfer to the Maintenance, Equipment and Repair Fund	\$405,000
Bus purchase note payable due in annual installments of \$50,420 through December 21, 1990 plus interest at 7 percent. This note will be paid by the General Fund	\$100,841
Total notes payable	\$505,841

The principal requirements to amortize the bonded debt and notes payable to maturity are as follows:

	BONDS	NOTES
1990	\$ 450,000	\$135,420
1991	505,000	150,421
1992	540,000	105,000
1993	575,000	115,000
1994	610,000	-
1995-2004	6,245,000	-
	<u>\$8,925,000</u>	<u>\$505,841</u>

The Debt Retirement Funds have \$142,717 available to service the general obligation bonds. Interest expense on all debt approximated \$509,000 for the year ended June 30, 1989.

The District has a special sewer assessment payable in annual installments of approximately \$15,000, including interest at a rate of approximately 6 percent, through 1994. The assessment is included in General Fund expenditures at the time of payment.

The other obligations in the General Long-term Debt Account Group are as follows:

Accrued sick pay	\$477,000
Accrued vacation pay	110,000
Self-insured workers' compensation claims liability	62,000
	<u>\$649,000</u>

NOTE 5 - LAND CONTRACT RECEIVABLE

The District sold land for \$193,000 in the current year. This land had been purchased by the Building and Site Fund and financed through proceeds from a 1958 bond issue. All debt related to the purchase of the land had been paid off prior to the sale of the land. Terms of the contract dated September 27, 1988 included a \$38,000 downpayment and annual installments of \$31,000 plus interest at 11 percent through September 1993.

NOTE 5 - LAND CONTRACT RECEIVABLE (Continued)

The District has recorded the sale in the Building and Site Fund. The District has recorded deferred revenue equal to the land contract receivable.

A balloon principal payment totaling \$175,000, related to the sale of school land in a prior year, was collected in May 1989.

NOTE 6 - EXPOSURE TO FUTURE WORKERS' COMPENSATION CLAIMS

The School District is partially uninsured for workers' compensation claims. Under the plan, the School District's maximum loss is limited to an amount equal to a percentage of the normal workers' compensation premiums. Losses in excess of this limitation are insured up to an aggregate limit of \$3,000,000. At June 30, 1989, the School District has a recorded liability of \$62,000 in the General Long-term Debt Account Group for claims filed but not yet paid. The School District is unable to estimate the liability, if any, for claims incurred but not yet reported. The difference between the amount computed at rates ranging from 95 percent to 135 percent of the normal premium and the payments actually made or accrued for claims filed represents the exposure of the School District to future claims for past liabilities. That exposure approximates \$1,390,000 at June 30, 1989.

NOTE 7 - INTERFUND RECEIVABLES AND PAYABLES

FUND DUE TO	FUND DUE TO		
	FOOD SERVICES	ATHLETIC	TOTALS
General	\$ 53,468	\$7,657	\$ 61,125
Athletic	7,812	-	7,812
Northwest Oakland County Vocational Center	61,421	-	61,421
	<u>\$122,701</u>	<u>\$7,657</u>	<u>\$130,358</u>

NOTE 8 - DEFINED BENEFIT PENSION PLAN

Substantially all District employees participate in the Michigan Public School Employees' Retirement System (MPSERS), a multiple employer public employee retirement system. The District's payroll for employees covered by the MPSERS for the year ended June 30, 1989 was approximately \$16,680,000. Basically all District employees are eligible to participate in the MPSERS. A basic plan member may retire at age 55 with 30 or more years of credited service or at age 60 with 10 or more years of credited service. Until January 1, 1989, an active member may also retire if the member's combined age and service credit total 80 or more. The annual retirement benefit, payable monthly for life, is equal to 1-1/2 percent of a member's final average compensation multiplied by his/her number of years of credited service. Final average compensation is the employee's average salary over the last 5 years of credited service. Benefits fully vest on reaching 10 years of service. Vested employees may retire at or after age 55 and receive reduced retirement benefits. Benefits are established by state statute.

Districts are required by state statute to contribute a fixed rate of 5 percent of the covered payroll to the plan. No employee contributions are required. The contribution requirement for the year ended June 30, 1989 was approximately \$834,000.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the MPSERS's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due and make comparisons among public employee retirement systems (PERS) and employers. The MPSERS does not make separate measurements of assets and pension benefit obligation for individual districts. The pension benefit obligation at September 30, 1988 (latest reporting date available) for the MPSERS as a whole, determined through an actuarial valuation performed as of that date, was \$14,679,146,415. The MPSERS's net assets available for benefits on that date (valued at market) were \$11,142,320,976, leaving an unfunded pension benefit obligation of \$3,536,825,439.

The District's 1988 contribution represented approximately .11 percent of the total contributions required of all participating districts.

Ten year historical trend information showing the MPSERS's progress in accumulating sufficient assets to pay benefits when due is presented in the MPSERS's September 30, 1988 comprehensive annual financial report.

Effective January 1, 1987, members of the MPSERS may irrevocably elect to contribute a percentage of their gross wages on a tax deferred basis to a "member investment plan" (MIP), which qualifies them for additional benefits. The current contribution rate of 4 percent will be reviewed and adjusted, if necessary, in 1990 and every three years thereafter. If a member leaves the MPSERS service before a retirement benefit has vested, the member's accumulated contributions to MIP plus interest, if any, are refundable.

Healthy Helpings

Autumn meals
to keep you trim

**Betty
Wagner**

Sheri Zale didn't have any problem maintaining an ideal weight until after six childbirths. Then, her parents who had struggled with weight gain themselves introduced her to Diet Workshop.

When Zale joined the program, she received more than the support and skills necessary to keep fit, trim and healthy; she found a new career.

Diet Workshop trains people who have gone through the program to act as registrars, moderators and instructors. Zale was selected to take the training. Now she acts as registrar for Flexi-Group class one morning a week.

The Flexi-Group is a weekly, 45-minute, support class that offers anyone who attends a private weigh-in, a nutrition lecture and some effective weight-control behavior modification techniques.

Zale's biggest satisfaction comes from moderating the Quick Loss Clinic. This is a series of six classes that the same people participate in weekly. The Quick Loss Clinic offers an intense program and includes a variety of behavior modification activities, a time for group sharing and support and a lot of delicious recipes.

All Diet Workshop programs emphasize building self esteem; low-fat, low-salt cooking; portion and frequency control; exercise; and following the diet suggestions of founder Lois Lindauer, who developed the program 25 years ago.

Diet Workshop also offers on-going help for participants after they lose weight. People who have reached their weight goal are encouraged to attend the Flexi-Group class for weekly support; they make up about 30 percent of the class.

A Flexi-Group class is conducted on Mondays and Tuesdays at 7:30 p.m. at Pediatrician James O'Neill's

The Quick Loss Clinics are at the Oakland Technical Independence Township office and Wednesday mornings at the CAI Building in Waterford Township.

cal Center-Northwest Campus on Mondays and Wednesdays at 5:30 and 7:30 p.m.

Zale shared several Diet Workshop recipes for you to try. They were all a hit at my house. The desserts are perfect for harvest time.

HOT TACO CASSEROLE

- 1 pound frozen ground turkey
- 1 (1.25 ounce) package taco seasoning mix
- 1 (4 ounce) can chopped chilies
- 1 (1 ounce) package low-calorie ranch dressing mix
- 6 to 8 taco shells
- 1 cup shredded mozzarella cheese
- Shredded lettuce
- 1 chopped tomato
- Chopped onions
- Salsa

1. Defrost ground turkey in refrigerator overnight or in the microwave oven according to manufacturer's directions.

2. In a medium skillet, cook turkey, taco seasoning and undrained chilies.

3. Meanwhile, blend cottage cheese and ranch dressing mix.

4. Spray bottom of 7-inch by 11-inch baking dish with non-stick cooking spray. Crumble taco shells over bottom of dish. Layer with meat mixture and cottage

cheese. Sprinkle with cheese over top. Bake at 350 degrees for 20 to 30 minutes.

5. Before serving, top with lettuce, tomato and onion. Serve with salsa.

PUMPKIN BREAD PUDDING

- 1 cup skim milk
- 8-9 individual packets of sugar substitute
- 2 eggs, lightly beaten
- 1/2 teaspoon salt
- 1 teaspoon vanilla
- 1 cup canned pumpkin
- 4 ounces bread crumbs or cubes
- 1/2 teaspoon cinnamon

1. In a medium bowl mix milk, sugar substitute, eggs, salt, vanilla and pumpkin; stir in bread cubes.

2. Pour into 8-inch by 8-inch baking pan that has been treated with non-stick cooking spray.

3. Sprinkle cinnamon over top of pudding. Bake at 350 degrees for 40 to 50 minutes.

APPLE HARVEST DESSERT

- 3 medium size apples
- 6 individual packets sugar substitute
- 1/4 teaspoon cinnamon
- Dash nutmeg
- 2 eggs, beaten
- 1/4 teaspoon salt
- 1/3 cup non-fat dry milk powder

(See LOW, next page)

Low-fat cooking for fall meals

(LOW, from previous page)

1/2 cup water
8-ounces low-fat cottage cheese
1 teaspoon vanilla
Cinnamon

1. Peel, core and slice apples; mix with three packets of sweetener, cinnamon and nutmeg.

2. Place in an 8-inch round or square baking dish that has been treated with non-stick cooking spray. Bake in a 425-degree oven for 15 minutes.

3. Combine other three packets sweetener, eggs, salt, dry milk, water, cottage cheese and vanilla; mix well. Pour over apples when removed from oven. Sprinkle cinnamon over top.

4. Reduce heat to 325 degrees; bake for 40 more minutes. Allow dessert to cool to room temperature before serving.

Home economist Betty Wagner resides in Independence Township. Her "Microwave Plus" cable-TV show airs on Independence-Clarkston Channel 65.

Pet of the Week

THIS LOVEABLE orange and white kitten is ready to be taken to his new home. (Photo by Peter Aucter)

Pugger is special

Pugger, a lovable 14-week-old male kitten, got his name from a physical defect that makes him look like a pug dog.

Pugger was born with a deviated septum, which gives him the appearance of having a smashed face, and he makes a snorting sound because of this problem. The shelter veterinarian said Pugger's birth defect will not create problems for the kitten.

The adoption fee for Pugger is \$25, and the neutering fee is \$20. The shelter will neuter Pugger when he is six months old.

Pugger can be adopted at the Michigan Humane Society, 3600 Auburn Rd., Auburn Heights, 852-7420. Hours at the non-profit shelter are 10 a.m. to 4:30 p.m. Monday through Saturday.

Employees feed the homeless

The employees at Max Broock are gearing up for the annual can drive through the Northern Oakland County Board of Realtors (NOCBR), but this year, they decided to go one step further.

In addition to bringing cans from home, the employees plan to go door to door soliciting cans for food baskets that will be donated by the NOCBR to such organizations as Oakland County Haven and Baldwin Community Center.

The door-to-door campaign was a big success in student government at Clarkston High School, said Michelle Phaup, of Max Broock. So they figure it will work as well with adults asking for the cans.

"People were more than happy to donate," she said of her high school days. "It's unbelievable the turnout. ... At the high school, we used to have full cars and vans."

Being in the housing business, Michelle and her fellow employees want to do what they can for the homeless — the food will help a little, she said.

She and the others will be going door to door in the Clarkston area through Friday, Nov. 10. But Max Broock will be accepting donations in its office at 27 S. Main St., Clarkston, until Tuesday, Nov. 14. Canned and boxed food will be accepted, she said.

For more information, call 625-9300.

Community Cable Guide

Spring concert airs

Programs on Independence-Clarkston cable-TV Channel 65 air Monday through Saturday. They are broadcast from the United Cable studio on Waldon Road.

Week of Nov. 6 through Nov. 10

MONDAY AND THURSDAY:

6:30 p.m. - Oakland County Conservative Republicans: Christian education.

7 p.m. - Focus on the Family: With psychologist and author James Dobson. Part Three: Advice on how to prepare for adolescence.

8 p.m. - Culture and Nature: Series is hosted by anthropologist Rick Zurel of Clarkston.

8:30 p.m. - That's Entertainment: Music, entertainment and more.

TUESDAY AND FRIDAY

6:30 p.m. - Oakland County Parks: Woodcarving and ballroom dancing.

7 p.m. - This is the Life: Contemporary drama series sponsored by St. Trinity Lutheran Church of Clarkston.

7:30 p.m. - Best Medicine Co.: Comedy show with host, Joe Hoo of Clarkston.

8 p.m. - Cherie's Craft Corner: Arts and crafts with Cherie Hartwick of Tierra in Clarkston. This week: More paper jewelry.

8:30 p.m. - Home Movies and Entertainment: Private movies, comedy and more with co-host Tom Hoyes of Clarkston.

WEDNESDAY

6:30 p.m. - Clarkston High School Choir: Spring Concert.

7:30 p.m. - "We Sing America": Pine Knob talent show.

8:20 p.m. - Clarkston Elementary Spring Concert.

An Apple for the Teacher

Karen Gonzales
teaches first grade

By Nancy Colbert

Karen Gonzales is this week's teacher. A Clarkston native, Karen graduated from Central Michigan University, Mount Pleasant. She also holds a master's degree in reading from Oakland University, Rochester.

Karen has been teaching for 16 years. Three years have been spent teaching second grade. The remaining 13 years have been in her present position, first grade.

If you walk into Karen's Bailey Lake first-grade classroom, you will see a creative and active environment. It is a classroom that welcomes children to the business of thinking and learning.

With boundless energy, Karen brings to her classroom devotion and concern for each student's academic and emotional well being.

Karen spends just as much time and energy with her family. The Gonzales family consists of husband, D'Arcy, son Nicholas, 7, and daughter Anna, 4.

Karen actively supports and participates in their activities. She is treasurer of Cub Scout Pack 128 and is on the board of the Orion-Oxford Soccer League. She is also vice president of Tiny Tot Nursery School.

As a member of St. Trinity Lutheran Church, Karen enjoys teaching Sunday school.

In all respects, Karen's life is a commitment to learning; her concern for children is an integral part of her.

An Apple of the Teacher is provided by the Clarkston Education Association. This week's author is Nancy Colbert, a kindergarten teacher at Bailey Lake Elementary.

KAREN GONZALES is active in events at home, in school and at her church.

CHS marching band places third in state

Just a half point made the difference between the Clarkston High School Marching Band tying for second place and placing third in the state championship finals Saturday, Oct. 28, in Plymouth.

Clarkston placed third after competing with 15 other bands in Flight II Division in the state competition. Clarkston had placed second in the preliminary competition but finished third in the final competition that evening. The event was hosted by Michigan Competitive Band Directors Association (MCBDA).

The marching band has had a successful season, placing first at two regional invitationals: Sept. 30 at Linden High School, Linden, and Oct. 21 at John Glenn High School, Westland.

OFFICIAL NOTICE

OFFICIAL NOTICE

Notice

Charter Township of Springfield

NOTICE IS HEREBY GIVEN THAT THE ZONING BOARD OF APPEALS OF THE CHARTER TOWNSHIP OF SPRINGFIELD will hold a meeting on Thursday, November 16, 1989, beginning at 8:00 p.m. at the Springfield Township Hall, 650 Broadway, Davisburg, Michigan, to hear the appeal of:

1. Gerald Diederich, 5960 Longpoint, Davisburg, for a variance to construct an addition to an existing garage with: 1) sideyard setbacks of 4.5 feet rather than the required 15 feet; and 2) a front setback of 43 feet rather than the required 50 feet. SW #07-28-251-024.

2. Edward A. LaBarge, 9425 Big Lake Road, Clarkston, for a variance to construct a garage and an addition to an existing house with: 1) front yard setback of 30' rather than the required 50'; and 2) 30' rear yard setback rather than the required 35'. SW #07-26-225-001.

3. Referral from the Township Planning Commission to the Zoning Board of Appeals for a clarification of the intent of a lot split variance granted at their June 20, 1985 regular meeting.

4. Referral from the Township Planning Commission to the Zoning Board of Appeals to determine if a recycling center is an applicable use in an M-1 Light Industrial Zoning District.

NOTICE IS FURTHER GIVEN that the maps and variance requests may be examined at the Springfield Township Clerk's Office, 650 Broadway, Davisburg, Michigan, during regular office hours Monday through Friday until the date of the meeting.

J. Calvin Walters
Springfield Township Clerk

Charter Township of Independence NOTICE OF BUDGET HEARING

The Independence Township Board will conduct a public hearing on Tuesday, November 21, 1989, to receive public comment relative to adoption of the Township's 1990 budgets for all General and Special Revenue Funds.

The hearing will be held at the Township Hall Annex at 7:30 p.m. at 90 North Main Street, Clarkston, Michigan.

A copy of the proposed budget shall be on file and available to the public for inspection in the Clerk's Office, 90 North Main Street, Clarkston, Michigan, from Monday through Friday, 9:00 a.m. to 5:00 p.m.

Joan E. McCrary
Township Clerk

SPECIAL ELECTION

NOTICE IS HEREBY GIVEN, That a Special Election will be held in All Precincts

INDEPENDENCE TOWNSHIP

County of Oakland,
State of Michigan

TUESDAY, NOVEMBER 7, 1989

AT THE PLACE OR PLACES OF HOLDING THE ELECTION IN SAID CITY/TOWNSHIP AS INDICATED BELOW, VIZ:

- PRECINCT 1: Township Hall, 90 North Main Street.
- PRECINCT 2: North Sashabaw Elementary, 5290 Maybree Road
- PRECINCT 3: Senior Citizens Center, 5980 Clarkston Road
- PRECINCT 4: Clarkston Senior High, 6595 Middle Lake Road
- PRECINCT 5: Pine Knob Elementary, 6020 Sashabaw Road
- PRECINCT 6: Bailey Lake Elementary, 8051 Pine Knob Road
- PRECINCT 7: American Legion Hall, 8047 M-15
- PRECINCT 8: Clarkston Elementary, 6596 Waldon Road
- PRECINCT 9: United Methodist Church, 6600 Waldon Road
- PRECINCT 10: Clarkston Senior High, 6596 Middle Lake Road
- PRECINCT 11: North Sashabaw Elementary, 5290 Maybree Road
- PRECINCT 12: Bailey Elementary, 8051 Pine Knob Road

For the purpose of voting on the following two proposals to amend the Constitution of the State of Michigan:

PROPOSAL A

A PROPOSAL TO INCREASE THE SALES/USE TAX FROM 4¢ to 4½¢ PER DOLLAR AND CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS.

The proposed constitutional amendment would:

- 1) Constitutionally dedicate to schools:
 - a. ½¢ increase in sales/use tax;
 - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;
 - c. Increased share of existing sales/use tax (51% to 68%) to substantially replace annual school appropriation.
- 2) Distribute dedicated funds to school districts as provided by law.
- 3) Activate increased statutory penalty to deny 100% of state funds to schools not adopting core curriculum and improvement plans.

Should this proposal be adopted?

PROPOSAL B

A PROPOSAL TO INCREASE THE SALES/USE TAX FROM 4¢ to 6¢ PER DOLLAR, REDUCE SCHOOL PROPERTY TAXES, SET PERMANENT SCHOOL OPERATING MILLAGES NOT SUBJECT TO VOTER RENEWAL, AND CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS.

The proposed constitutional amendment would:

- 1) Constitutionally dedicate to schools:
 - a. 2¢ increase in sales/use tax;
 - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;
 - c. Increased share of existing sales/use tax (51% to 75%) to substantially replace annual school appropriation.
- 2) Reduce property taxes in most school districts. Replace school taxes with permanent statewide millage (9-mills on residential/farm; 14-mills on businesses) plus non-voted local millage not subject to voter rollback. Limit voter-approved increases to 4-mills.
- 3) Set per-pupil funding guarantees subject to change by law requiring 2/3 vote.
- 4) Activate increased statutory penalty to deny all non-guaranteed state funds to schools not adopting core curriculum and improvement plans.

Should this proposal be adopted?

BOND PROPOSITION

Shall the Charter Township of Independence, Oakland County, Michigan, borrow a sum of money not to exceed Two Million Dollars (\$2,000,000) and issue its general obligation bonds therefor for the purpose of defraying the cost of acquiring, constructing, renovating, furnishing and equipping facilities for use as a public safety complex?

ALSO ANY ADDITIONAL AMENDMENTS OR PROPOSITIONS THAT MAY BE SUBMITTED.

THE POLLS of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p.m. of said day of election.

JOAN E. McCRARY
City/Township Clerk

Obituaries

Dorothy E. East

Dorothy E. East, 76, of Davisburg died Oct. 26. She was a retired employee of Fisher Body in Livonia. Mrs. East was preceded in death by her husband, George.

She is survived by her daughter, Mrs. Edgar (Dorothy) Dowd of Davisburg; three grandchildren; two great-grandchildren; sisters, Tena Allen of Ind., and Bertha Klingl of Minn.; and brothers, Michael Cotton of Kan. and Terry Cotton of Minn.

The funeral was Oct. 28 at the Lewis E. Wint and Son TRUST 100 Funeral Home, Clarkston, with the Rev. Douglas H. Bohall officiating.

Memorial tributes may be made to St. Jude's Children's Research.

Emil Hansen

Emil Hansen, 94, of Clarkston died Oct. 27. He was a retired self-employed meat cutter, and he was a member of Calvary Lutheran Church, Clarkston.

Mr. Hansen is survived by his son, Carlos D. Hansen of Clarkston; three grandchildren and five great-grandchildren.

The funeral was Monday, Oct. 30, at Calvary Lutheran Church, Clarkston, with the Rev. Robert Walters officiating. Burial was at Sunset Memorial Gardens, Hastings, Neb. Arrangements were made by Goyette Funeral Home, Clarkston.

Memorial tributes may be made to Calvary Lutheran Church, Clarkston.

Robert T. Harris

Robert T. Harris, 90, of Independence Township died Oct. 28. He was a member of Jefferson Avenue Presbyterian Church and the Detroit Boat Club. He was a retired bank manager.

Mr. Harris is survived by three nephews and two

nieces. The funeral was set for Tuesday, Oct. 31, at the Goyette Funeral Home, Clarkston, with the Rev. Robert H. Johnston officiating. Burial was at Elmwood Cemetery, Detroit.

Elzada M. Lee

Elzada M. Lee, 72, of Drayton Plains died Oct. 24. She was a member of Our Lady of the Lakes Catholic Church, Waterford, and a former member of St. Vincent DePaul Catholic Church, Pontiac.

Her church involvement included: Icon DEI, Guest House, League of Catholic Women, St. Anne's Guild and St. Fred's Alumni Committee. She was also a member of the Golden Age Club of Waterford.

Mrs. Lee was preceded in death by her husband, Coleman.

She is survived by her children, Carole Jean of Pontiac, George and his wife, Elizabeth of Plainwell, Martin of Arlington, Texas, and Robert and his wife, Rae of Waterford; grandchildren, Suzanne, Katherine, Robert Jr. and Melissa; sisters, Kathleen Donnelly of Lake Orion and Christina Anderson of Calif.; and brothers, Martin Gaffney of Waterford and Basil Gaffney of Pontiac.

The funeral was Oct. 27 at Our Lady of the Lakes Catholic Church, Waterford, with the Rev. James F. Cronk officiating. Burial was at Mt. Hope Cemetery. Arrangements were made by the Lewis E. Wint and Son TRUST 100 Funeral Home, Clarkston.

Memorial tributes may be made to the American Cancer Society, Guest House or Cranbrook Hospice Care.

Lydia C. Schwab

Lydia C. Schwab, 88, of Waterford died Oct. 25. She was a member of St. Trinity Lutheran Church, Clarkston, and a member of the Lutheran Ladies Auxiliary.

She is survived by her children, Mrs. Lyle (Beulah)

Barron of Davisburg, Mrs. Ernest (Joyce) Falkenhagen of Ariz. and Richard (Mitz) Schwab of Waterford; eight grandchildren; and 10 great-grandchildren.

The funeral was Monday, Oct. 30, at St. Trinity Lutheran Church, Clarkston, with the Rev. Michael A. Klafehn officiating. Burial was at White Chapel Memorial Cemetery. Arrangements were made by the Lewis E. Wint and Son TRUST 100 Funeral Home, Clarkston.

Memorial tributes may be made to St. Trinity Lutheran Church, Clarkston.

Jean M. Sura

Memorial services for Jean Martin Sura are Friday, November 3, in Mesa, Arizona. She passed away Monday at the age of 71.

The Suras were residents of Lake Orion for over 20 years, moving to Abseguami Trail in 1953.

She was an elementary teacher, editor of The Clarkston News for nearly 3 years (Jan. 1969-Nov. 1971), and reporter for The Lake Orion Review starting in 1973. She also wrote a personal column and one on cooking for those weekly newspapers and The Oxford Leader.

Following her husband, Eugene's, retirement as a school administrator in Anchor Bay (he had previously been with Lake Orion Schools), the Suras moved to Sugar Loaf Resort in Cedar, Michigan.

They wintered in Arizona for several years before selling their Cedar home and moving permanently to Mesa, Arizona about 5 years ago.

Surviving besides her husband are two sons, Tom, of Tecumseh, Michigan and Mike, of Snow Mass, Colorado, four grandchildren and a sister, Nina, of Detroit area.

The memorial is at Colonial Chapel Henderson Funeral Home, 3529 East University Drive, Mesa, Arizona 85206. Mrs. Sura requested donations to the American Cancer Society, Arizona Chapter. They can be sent to the Funeral Home or Mr. Sura, 1393 Leisure World, Mesa, AZ 85206.

WHO IS ON The Lord's side? Let him hear what the Spirit is saying unto the churches. But as then he that was born after the flesh (II Cor. 11.3,4, law, ordinances, washing of pots, new moons and sabbaths, looking to weak and beggarly elements, perfecting fleshly works) persecuted him that was born after the spirit (Holy, doing the will of God from the heart to please God, a changed heart, faith, obeying Christ's words and continuing in God's truth being led of the Holy Spirit) even so it is now. ALL the sinners of my people shall die by the sword, which say, the evil shall not overtake us nor prevent us. Because with lies you have made the heart of the righteous sad and strengthened the hands of the wicked, that he or she should not return from their wicked way, by promising them life. Therefore you shall see no more vanity, nor divine divinations, for I will deliver my people out of your hand and you shall know that I am the Lord. The prophet that hath a dream let him (or her) tell a dream but the prophet that has My word let him speak My word faithfully. For what is the chaff to the wheat, saith the Lord. The day of visitation has come and no more will my words be prolonged but will be fulfilling, saith the Lord! Isn't My word like a fire and a hammer that breaks in pieces the rock? Why is this people slidden back by a perpetual backsliding? kThey hold fast deceit, they refuse to return. I hearken and heard, but they spake not aright. No man repented him of his wickedness, saying, what have I done? Everyone turned to his course, as the horse rushes to battle. Yea, the stork in the heaven knows her appointed times, and the turtle and the crane and the swallow observe the time of their coming, but my people know not the judgment of the Lord. Lo, you have rejected the word of the Lord and what wisdom is in you? He that speaks truth shows forth righteousness, but a false witness deceit. The lip of truth shall be established forever, but a lying tongue is but for a moment. Lying lips are an abomination to the Lord, but they that deal truly are high delight. And now you call the proud happy; Yea, they that work wickedness are setup; Yea, they that tempt God are even delivered! !!!LX43-2

PRAYER TO THE HOLY Spirit. Holy spirit. You make me see everything and show me the way to reach my ideals. You give me the divine gift to forgive and forget the wrongs that are done to me and you are in all instances of my life with me. I, in this short dialogue, want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desire may be. I want to be with you, and my loved ones, in your perpetual glory. Amen. Persons must pray this prayer 3 consecutive days without asking for your wish. After the 3rd day your wish will be granted, no matter how difficult it may be. Then promise to publish this dialogue as soon as your favor has been granted. Thanks St. Jude for favors received. PV. IILX44-1*

Halloween treats

EVEN A green and orange dragon can get mighty hungry during all the Halloween festivities.

Photos by Linda Walsh Lapinski

CHILDREN DRESSED in costume enjoy the Halloween Parade in Clarkston's Depot Park Saturday, as did their parents. Cookies and

clider abounded after the parade. All the goodies were baked by the Clarkston Farm and Garden Club.

ONE LITTLE push of the mask, and Marla Nimi, 4, and her friend, dressed as Ernie, overcome the difficulties of being a penguin and a famous Sesame Street character for a

day, as they tried to eat the ghostly delights baked by members of the Clarkston Farm and Garden Club Oct. 28 in Depot Park, Clarkston.

ANDREW WHALEY, 13 months, enjoys the swinging activities offered during the festivities at the annual Halloween Parade in Clarkston's Depot Park.
