Man charged in robbery

BY CURT MCALLISTER
Clarkston News Associate Editor

A 40-year-old Springfield Township man has been charged in connection with a bank robbery in Metamora Township, Lapeer County, last week.

William J. Hastie was arrested May 21 on charges that he robbed the Lapeer County Bank and Trust at M-24 and Pratt Road, Metamora Township, around 12:30 p.m. last Tuesday.

Hastie was charged with armed robbery and felony firearm charges. He was bound over to Lapeer Circuit Court and is to appear before Judge Norman A. Bagley June 24. Hastie remains in the Lapeer County Jail, with his bond set at \$50,000.

About 16 minutes after the robber left the Lapeer County Bank and Trust, Hastie was picked up by Oxford Police on Sherwood Drive, west of Wooley Road, Brandon Township.

According to Oxford Police Chief Jack LeRoy, the arresting officer, a lone gunman entered the bank wearing a ski mask and carrying a handgun. He demanded money from one of the tellers, then fled.

During the incident, the bank manager triggered the silent alarm. He later provided police with a description of the robber, his vehicle and its license plate number.

LeRoy said Hastie was ordered to follow Lapeer County Police back to the bank for identification. Bank

Floats, music wanted for July 4th

Plans for Clarkston's Fourth of July celebration are shaping up, according to Capt. Mike Fahrner of the Independence Township Fire Department.

As usual, a 10 a.m. procession of floats, bands, clowns and other parade entries will travel through the Village of Clarkston on Thursday, July 4. But this year, Fahrner hopes that community groups, businesses and individuals will combine efforts to offer an even larger celebration.

Though plans are still in progress, Fahrner says the parade may end up in Depot Park this year instead of ending at Miller Road. That way, community events could be set up in the park, such as a special ceremony to honor war veterans, a display of classic cars, entertainment, children's games and concession stands.

"We're hoping for more of a carnival atmosphere," says Fahrner.

He also hopes that area businesses and residences will display patriotic decorations. And he hopes lots of groups and people enter floats in the parade.

Already committed for this year's parade are appearances by Gov. John Engler and the country's official "Uncle Sam," Ernest A. May of Auburn Hills.

For more information on the parade or the events afterward, call Fahrner at 625-1924.

Group pushes for YMCA center

BY CURT MCALLISTER
Clarkston News Associate Editor

A small group of Independence Township residents are trying to garner community support for the creation of a YMCA center in the Clarkston area.

The group is spearheaded by local businessmen Buck Kopietz and Dennis Darrow. Darrow, a State Farm Insurance agent, said his desire for an area center was sparked by visiting a YMCA facility in Farmington Hills.

"I happened onto the Farmington Hills YMCA through a couple of business clients," he said. "I was really impressed by their beautiful facility and the way it was serving the area's families. It left me wondering why Clarkston couldn't have one just as nice. We certainly have the population base for one."

Kopietz, owner of Tierra Arts & Design, said the vision of a community pool intrigued him into pursuing the center.

"In talking to people, I've discovered that most learned how to swim at a neighborhood YMCA when they were young," he said. "Around here, the kids only have about three or four months to experience swimming in a local lake. A YMCA would give them a chance to learn in a monitored environment, 12 months a year."

Darrow said a YMCA could give families a chance to interact together, without paying the costs of a fitness club.

"We have a tremendously efficient parks and recreation department in Independence, but we don't have a facility that brings families together," he said. "A center,

(See YMCA, next page)

YMCA facility under consideration in township

(YMCA, from previous page)
equipped with a pool, can give families a place to exercise together. Clarkston has the Deer Lake Racquet Club, but not everyone can afford to be a member."

About two weeks ago, the group invited John P. Greenauer, president of the Metropolitan Detroit YMCA program, to visit the Clarkston area. Greenauer told the group that the process of acquiring a center could be a long one, but the long-term benefits are worth it.

He said the group must first gauge the community to see if a center is in the people's best interest. If so, they must organize a base of volunteers for support.

Greenauer stressed that the building of a center is never the first concern, after gaining public support. He said most communities offer YMCA-related programs in vacant community space, such as church basements and school classrooms, for the first three to five years.

"Everybody wants a pool right away, but you need to acquire community spirit and funding before even considering a center," Greenauer said.

Greenauer said most communities need about five years to set a foundation because YMCA centers aren't

Dennis Darrow

cheap. A full-size, 40,000-square-foot facility with a pool usually costs a community \$4 million to build.

Even though the process is long and costly, Greenauer said the Clarkston area could handle a facility.

"In looking at population projections, road systems and the level of community development, I'd say Clarkston would be a good community for a YMCA center," he said.

Ann Conklin, director of the Independence Township Parks and Recreation Department, said she'd favor a facility if there were a proven need for one.

Conklin said the only need for the center would revolve around the swimming pool.

"The area needs a YMCA, for housing the pool,"

she said. "But the swimming pool can't be the only reason for building a center."

She added that her department, Clarkston-Community Education and the county will continue fulfilling the needs of the public, even though there isn't a community pool.

Presently, Kopietz and Darrow are making arrangements for a community forum in the fall. There, they will propose the idea of a center and ask for input from community leaders.

employees identified Hastie as the robber, and he was arrested on the spot.

LeRoy said the arrest resulted from teamwork between Oxford Police, Metamora Township Police, FBI, and Lapeer and Oakland county sheriff's departments.

According to Detective Sgt. Mike Fink of the Michigan State Police Lapeer Post, the suspect tried to rid his car of evidence by dumping the money, mask and gun. Police later retrieved the mask on Baldwin Road, north of Oakwood Road. A bag of money was found along Sherwood Road. Fink said police are still looking for the gun used in the holdup.

A couple days before Hastie's arrest, an unidentified man reportedly robbed a bank in Goodrich. Fink said there is no connection between the two incidents.

Six cited with Michigan Community Awards

TOM MURPHY is honored for his leadership of the Independence Land Conservancy.

BY JULIE CAMPE
Clarkston News Editor

Laughter and tears accompanied the Sixth Annual Michigan Week Community Awards May 22.

The 7:30 a.m. awards breakfast took place at Spring Lake Country Club, Independence Township, to honor six Clarkston-area people for their community service.

The morning began with last year's Citizen Award-winners, Jan and Durham Downs, presenting this year's Citizen Award to Lewis E. Wint.

Citizen Award

Durham Downs read from a two-page list of Wint's involvement in the community, which included such activities as 14 years as chairman of the Oakland County Parks and Recreation Commission, charter president of the North Oakland County SCAMP Funding Corp., past president of the Jaycees and Rotary, service on Boy Scout and Girl Scout committees, service on state and national parks associations, and state and national volunteerism awards.

Afterward, Wint, who owns Lewis E. Wint and Son Funeral Home, quipped, "At first, I thought he was reading my obituary."

Wint added that his favorite quote comes from Abraham Lincoln: "I like to see a person proud of the

community in which they live and so live in a way that the community would be proud of them."

In an emotional speech, Wint told the silent listeners that he was proud of the Clarkston area and was honored by the award.

Volunteer Award

The Rev. Andrew Yavornitzky of St. Mark's Catholic Church, Goodrich, presented the Volunteer Award to Nicholas Dureiko of Springfield Township.

Dureiko, who also won the Michigan Recreation and Parks Association Award for outstanding community service this year, teaches woodworking to children at Oakland County's Children's Village. He also designed, built and worked the Bingo game at the Independence Township Senior Center.

And he does numerous behind-the-scenes jobs at St. Mark's, primarily in the kitchen, said Yavornitzky.

"He has the ability to discern what needs to be done and do it -- he offers himself," said Yavornitzky.

Property Beautification Award

Buck Kopietz, president of the Clarkston Area Chamber of Commerce, presented the Property Beautification Award to Frederick and Shiela Ritter, owners of the Clarkston Auto Wash.

Kopietz said the Ritters started "with a hole in the ground" at their property on Dixie Highway, Independence Township, and spent extra money to save mature

"Their property beautifies the community," said Kopietz.

In accepting the award, Fred Ritter credited engineer Gary Tressel for the horseshoe driveway idea and credited engineer Del Lohff for the pleasing designs.

Business Person Award

When Master of Ceremonies Ron Davis introduced the Business Person Award, he joked that the award recipient had been heard saying, "You don't have to be chairman of this to win an award, but it sure helps."

When recipient Denise Schons reached the podium to accept the honor, she set the record straight.

"I was away on vacation when this election was made, ... and I'm glad I was out of town," she said.

Schons, of NBD Bank where Davis also is employed, has served on the Independence Township Downtown Development Authority, the Clarkston Area Chamber of Commerce and the Waterford-Clarkston Business and Professional Women's group. And, yes, she chairs the Michigan Week Community Awards, said presenter Margaret Priebe.

Historic Preservation Award

Alex and Peggy Bruni, who received the Historic Preservation Award last year, presented the award this year to Thomas O. Murphy for his dedicated work in the Independence Land Conservancy.

"Under his leadership, the land dedicated permanently for all of our enjoyment has significantly increased," said Alex Bruni, adding that 14 parcels totaling 250 acres are preserved as natural areas in Independence Township.

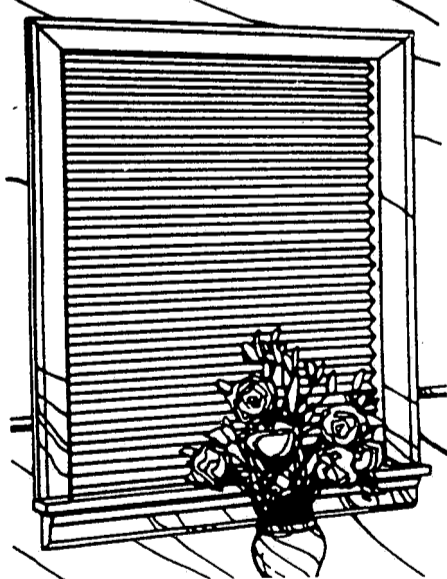

Murphy, however, gave credit to the more than 100 members of the Conservancy who have protected the properties and built trust between the community and the Conservancy.

Youth Volunteer Award

A new award this year honored the young volunteer of the year, said Davis.

In presenting Sarah King's Youth Volunteer Award, he said she had volunteered daily at Clarkston Elementary School by working with autistic children and in the summer works four days a week with children in SCAMP, a summer program for disabled youth.

Sarah, a ninth-grader at Clarkston Junior High School, said she did not have eloquent speaking ability, but "I've never been more honored in my life than I am right now."

No faint-hearted among them

**Julie
Campe**

As I and the other bridesmaids prepared for our part in Toni and Craig's wedding Saturday, May 25, I couldn't help wondering if the bride were going to faint.

It's not that she looked lightheaded. In fact, she looked relaxed and rested, despite the sweltering air in the church.

However, I had recently learned some Campe family lore, among which is a story that Toni has a tendency to faint. Apparently, as a child she used to pass out during long masses in the summer. And just a few years ago, she fainted during a cousin's wedding in Chicago.

On this day, some 50 Chicago and California relatives were among the 125 wedding guests. I peeked out at them. They looked innocent enough. Surely, they hadn't influenced Toni's consciousness.

After the ceremony -- for which everyone was fully conscious, not a fainter among the group -- guests carefully stayed out of the light rain that had begun to fall.

Later, after I discovered yet another Campe family tradition, I wondered why they bothered.

I learned of this most astounding Campe habit the day after the wedding -- the day of the picnic, which Toni's sister Alex planned from California.

The usual frivolity accompanied the food and drink, along with comments about the unfortunate cloudy and rainy weather, which would put a damper on the volleyball games.

Guests carefully stayed out of the sprinkles falling from the sky and exchanged polite and warm conversation. And when the clouds thinned enough to allow volleyball to commence, they gingerly took to the court or took a seat on damp benches and chairs.

Soon, the sun appeared, and the day began in earnest.

I left for a few moments to pick up more soft drinks, and when I returned, I could not believe my eyes.

Each Campe who was outside was soaking wet, despite being fully clothed. Yet the sky was nearly clear.

Then I noticed a throng sprinting around the house and flinging bucketfuls of water at an already wet target.

Kevin Campe manned the garden hose. Tom Campe carried a cooler full of water, while still others used plastic tool caddies to cart their liquids.

Marie Campe disguised her weapon in a Pepsi can, and I believe I saw Pat Campe actually froth at the mouth in anticipation of a dry victim.

Naturally, I tried to capture the scene on film. And naturally, those ever-polite Campe cousins considerably poured water only down my back, so as not to damage my camera.

Soon, nearly every guest was soaked, and the Campe frenzy began to wind down. They milled about, confused looking, still holding full containers of water. Every once in a while, they would half-heartedly empty their buckets on some already-drenched person nearby.

For some reason, they held off from drenching the bride and groom. Some unspoken Campe code, maybe?

Suddenly, I understood Toni's fainting tendency. In crowds of people, she -- like the rest of the Campe bunch -- simply craves a hearty splash of water.

Easy for you to not worry

"Never worry about things over which you have no control."

Whoever said that is either brain dead or never had a car fall off a jack.

Sometimes my full night's sleep ends early. That was the case on a recent Wednesday when I rose at 5:30. Since our yard is somewhat secluded by trees, and my neighbor Dick Kroninger doesn't rise 'til 10, I went outside in my pajamas.

A half hour later dear wife Hazel called me to the phone. Our newspaper delivery truck had a flat tire on Clarkston Road. The driver and pick-up were delivering 2,500 pounds of papers to Clarkston.

I pulled some jeans over my pajamas, tossed on a jacket, grabbed a billfold and headed out. Not to worry! I've changed several tires in my day. Just put the jack under the axle, crank it up, etc.

The pick up is a 1988 Ford 250. We looked where any reasoning engineer would put a jack... behind the seat. Where else? Check the manual when all else fails.

Ha-ha, writes the engineer. It's on the right, front tire well UNDER THE HOOD. Ha-ha, 2-The crank is across the radiator. Ha-ha, 3-The jack handle is on the left, front tire well.

Okey! I put the jack under the axle, and cranking is a little tough. It should be with all that weight. Let's

get the spare tire ready. Where is it? Right, the engineers put it under the truck where all the road dust, mud, water and whatever can corrode all fasteners.

Several blows with a hammer (I try to always carry a tool kit) broke the bolt loose. Understand now, I'm halfway under the truck where there is room for just one arm.

Engineers designed this hook up so two arms are needed to release the spare tire; one to hold the tire up and the other to turn the bolt.

By now enough time has passed that getting the papers to the post office on time for that day's delivery requires quickening of the pace.

Not to worry! The lug nuts are loose, the spare tire is at hand. I removed the flat tire with ease, but lack an inch in height of being able to install the spare.

Up with the jack, just a little... THE PICK-UP ROLLS OFF THE JACK!

I was driving a Ford van (more about that sometime), so I took out a seat and we, Jim Boberg and I, transferred 2,500 pounds of papers. It's now 8 a.m. I go to the Hop-In, call for a wrecker and have a cup of coffee.

Not to worry! Heck no, don't worry. Like the wrecker man from Buckhorn Towing said, "At least no one was hurt."

Somewhat I found little solace in his comment.

Reporter's Notebook

It's safe to say that Dr. Michael Baker, an internal medicine specialist in Clarkston, will always look back fondly on this year's Student Spectacular, held at the Palace of Auburn Hills.

His band, Modesty Forbids, was the opening act for country singer Ricky Skaggs at the May 18 fundraiser. Baker and his bluegrass band primarily play in the Clarkston area and they jumped at the chance to open for the country star.

It was the largest audience the local band had ever performed before in its five-year existence.

Modesty Forbid is scheduled to play at the Independence Oaks County Park this summer.

In the annual Michigan Week Community Awards ceremony this year, Thomas O. Murphy won the Historic Preservation Award for his work in the Independence Land Conservancy, which preserves land from ever being developed in the township.

When Clarkston developer Alex Bruni presented the award, he quipped, "The poetic irony of a land developer presenting this award has not missed me."

State Sen. Mat Dunaskiss of Lake Orion had a front-seat view at the Senate brawl on May 16.

Dunaskiss said he was speaking on the telephone with Kerry Kammer of Springfield Township when a fistfight suddenly broke out next to his desk between Sens. Gilbert DiNello and John Kelly.

A group of fourth-graders also witnessed the fight from the balcony.

Dunaskiss said the fight -- which erupted during a debate to cut property taxes -- ended quickly, though it did interrupt his conversation with Kammer.

Dunaskiss was elected senator of the Eighth District last fall after serving as a state representative in the 61st District, which includes Independence and Springfield townships.

May 8 marked Tax Freedom Day -- the day on which the average American stopped working to pay

taxes and started working for his or her family.

According to Government WasteWatch, the newsletter of Citizens Against Government Waste, calculations made by the Tax Foundation show that Americans will work 128 days in 1991 just to satisfy all federal, state and local tax obligations.

This is the latest date on which Tax Freedom Day has ever fallen. In 1929, Tax Freedom Day was Feb. 9. By 1950, the day had moved up to April 3. In 1990, the day fell more than one month later on May 5.

On average, Americans in 1991 will work two hours and 49 minutes each and every eight-hour workday to pay taxes.

While May 8 is the national average, residents of the 50 states and the District of Columbia each have a different Tax Freedom Day depending on local tax burdens as well as national taxes. The earliest Tax Freedom Day falls on April 24 in Mississippi, and the latest day is May 26 for New York.

Judy Nichols knew that spring really had arrived when she spotted ducks in her backyard swimming pool.

"Daisy and Donald are back; spring has returned," she told The Clarkston News, which last spring printed a story about the duck family that spent spring days in her pool on Paramus, Independence Township.

'If it Fitz . . .'

Ex-student gladly admits what he did 60 years ago

Jim Fitzgerald

Let's be nice . . .

★ Detroit's Ed Bimbryer, retired from a long career in show business, writing and advertising, flew to Cincinnati last weekend to take responsibility for something he did there 60 years ago, when he was a 17-year-old high school senior.

Bimbryer swears what he did, in 1931, took him only a few minutes. But to this day it has never been forgotten by the thousands of people whose life he touched. Most of them didn't know the identity of the perpetrator, or realize the unique quality of his perpetration.

Around 500 of those people were present Saturday when Bimbryer finally came forward to accept what he had coming to him.

What he got was a standing ovation.

The occasion was the Purcell High School alumni homecoming. After joyous singing of the school's stirring fight song, the band leader summoned Bimbryer to take a bow. What Ed had done, 60 years earlier, was write that fight song, music and lyrics. It is thought to be the only permanent high school song written by a student still in school.

Bimbryer's song was sung several more times, "I signed programs and listened to comments that will sustain what is left of my ego forever," he said. "If I'd known that song was going to be sung for 60 years, I might have spent more than 45 minutes on it. A standing O at age 78 is heady stuff. It was a nice experience."

For a nice man.

★ Due to a busted Detroit parking meter, Robert Babcock of Birmingham got a ticket he didn't deserve. Even though the red flag was up, there was still 12 minutes parking time left. I happened near the Fisher Building, while he and his wife were inside for only a few minutes. The Babcocks were sure the ticketing officer couldn't have gone far, so they decided to search for him on foot and bring him back to the scene of the alleged crime before the meter stopped ticking.

If I'd been there, I would have snorted at the futility of the Babcocks' quest. If there's one thing I've learned, from years of fielding readers' complaints, it's that once a ticket is written, it can't be voided by the officer who wrote it. Even though you have him (her) in your clutches, and he concedes the ticket is unfair, he will insist that department policy forbids him to take it back. If you don't want to pay it, he will promise to back you up, but you must plead your case to his superiors, by phone or mail. What a drag.

But I wasn't there to discourage the Babcocks. With the aid of bystanders, they hurriedly tracked the officer, who was on a scooter, through heavy traffic on several streets and alleys. When they finally found him, he agreed to return to their meter, arriving just as the last minute tick-off. And he took back the ticket.

"We thanked him profusely, jumped into the car and headed home, smiling at our good fortune and at the image of a gray-headed ole poop running around trying to corral a Parking Violations Bureau scooter on Grand Boulevard," Babcock reported. "I hope you enjoyed the story."

It's a nice story. Almost unbelievable.

★ Mary "Sis" Hamel, who described herself as a "Social Security Recipient," and four friends attended the Star Theatre in Taylor before dining out. When the dinner tab arrived, Hamel discovered she'd lost her wallet. A quick return to the Star and a flashlight search were in vain. Hamel bid good-bye to \$50, credit cards, driver's license, etc., and began preparing for the replacement hassle.

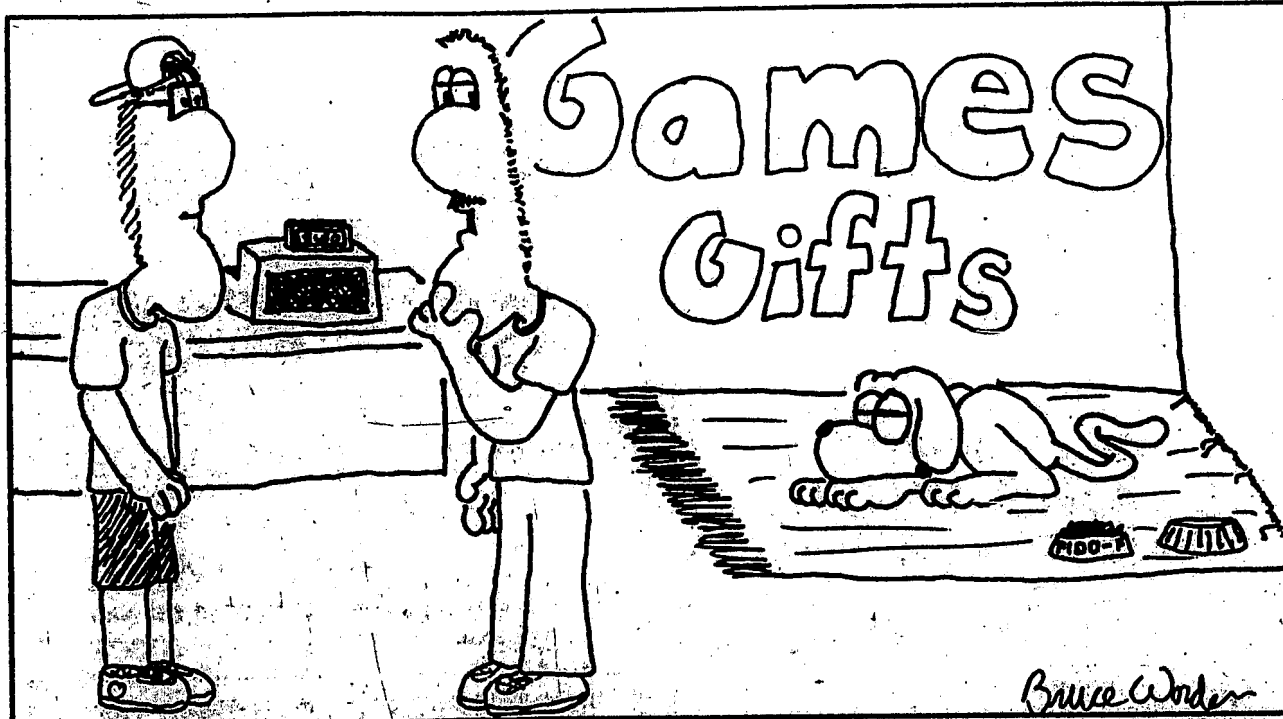

But later that night, the Star phoned Hamel to say usher Brett Fitzpatrick found the wallet, with all contents intact.

"I wanted to share this experience because it was a memorable one, considering the tainted reputation that young people are facing in today's society," Hamel wrote. "There is still hope and I intend to hang on to this image I was privileged to witness."

That's nice.

Also nice: Fitzpatrick received a reward.

Waldon Lake site condominiums receive first OK

BY CURT MCALLISTER
Clarkston News Associate Editor

A 151-acre site condominium project slated for the south side of Waldon Road, Independence Township, has cleared its first obstacle.

Site plan option OK'd

Developers soon will have another option when planning in Springfield Township.

The Springfield Township Board unanimously voted to amend its present zoning ordinance to add a conceptual plan review option.

The second reading of this amendment was approved May 8.

The concept plan review will provide an applicant with the option of presenting a generalized site plan to the planning commission for consideration of the overall idea of the development project.

If the applicant chooses this option, his application for conceptual plan review will be forwarded to planning commission, township planner and township engineer. Review of the concept plan will be scheduled at the first available planning commission meeting.

Every concept plan submitted must include: a general description of the land, a general shape, size and location of buildings and roadways on the site and a general location of all existing water and sewage treatment systems serving the property.

This amendment will go into effect within the next 30 days.

Village ups youth aid

The Clarkston Area Youth Assistance will be receiving more financial assistance from the Village of Clarkston.

The Clarkston Village Council voted 6-0 May 13 to increase the program's funding from \$1,200 to \$1,500 for the next three years.

Trustee William Basinger said the vote is "a statement of intent" because the increase still has to be budgeted.

The organization helps area youths through a variety of programs, including SCAMP, a Latch Key service and Big Brothers-Big Sisters.

Virginia Walter, who has worked with the program for nearly 20 years, told the council before the vote that "Camp fees have gone up. We're very much in need."

On May 23, the Independence Township Planning Commission voted 6-0 to approve preliminary site plans for Waldon Lake Estates. The first set of plans was rejected by the planning commission March 21.

Commissioner Harry Mosher was absent from the May 23 meeting.

The project encompasses the former Camp Fire Girls' encampment, Camp Oweki, and 30 acres belonging to Waldon Road resident John Borsh. All land is contracted to be sold to the developer, Holtzman and Silverman, if the proposal gains township approval.

Holtzman and Silverman intends to build 121 units instead of the 126 previously proposed around Gulick

Nunn Mining project extended to December

Sand will flow a while longer from the Nunn Mining site on Sashabaw Road near Waldon Road, Independence Township.

On May 7, the Independence Township Board approved an extension for Nunn Mining 5-1. Trustee Bruce Mercado voted against the motion, and Trustee Daniel Travis was absent from the meeting.

The Nunn Mining Co. has been removing sand from the site for several years. The company has periodically fallen under township scrutiny because it has taken it so long to finish its extraction project. The company is reportedly two to three years behind its original deadline.

Company officials have blamed the delays on a slumping economy.

Under this agreement, Nunn will have until Dec. 15 to finish mining the property. The company previously had until August to complete operations.

Mercado voted against the motion because he said the company had been given enough opportunities to finish the project.

Clerk Joan McCrary said the company is presently preparing the land for future industrial usage. She said the improvements include mass grading of land, drainage control and landscaping. Nunn also will install a loop road to facilitate an industrial park setting.

Lake. The company dropped the five units from the plans, to avoid infringe upon two wetland areas on the site.

Wetlands encroachment was one of the items that most concerned the planning commission at the March 21 meeting.

Other changes to the plans include: cutting back the number of nature trails to the north, constructing a sculptured berm along the southern property line; installing a light and an excel-decel lane at the Waldon Road entrance, and creating a safety path along the south side of Waldon Road.

Gulick Lake, whose name will be changed to Waldon Lake, is also scheduled to be dredged. The dredging will help sustain the lake's fish population by making the lake deeper.

The planning commission voiced approval with the changes and the cooperation of the developer, who must now submit the plans for final site plan approval.

Magazine teaches America's teens about AIDS

BY TRACY KING
Clarkston News Associate Editor

On the cover of the magazine *Straight Talk*, about a dozen teens stand soberly before a brick wall.

Below them, in neon pink, reads "Which One of These Kids Has AIDS? (Turn the page and find out!)"

Turning the page, the reader discovers that none of the teens actually have AIDS, but all are at risk. The

Fatal accident exam postponed

A preliminary examination was postponed March 22 for a Pontiac man charged in the traffic death of an 11-year-old Springfield Township girl.

Edward M. Aldrich, 20, was originally slated to appear before Judge Robert Shipper, 52nd District Court, Rochester Hills. He's been charged with negligent homicide, which carries a maximum penalty of two years imprisonment. No new date has been set for the preliminary exam.

Aldrich is charged with causing a March 3 traffic accident on Joslyn Road, Orion Township, that claimed the life of sixth-grader Wendy Upton. Upton was traveling with friends when the accident occurred.

According to a police report at the Oakland County Sheriff's Department, Aldrich's truck crossed the center line and struck the Dodge Caravan driven by Robert Branson of Springfield Township. Robert, wife Nanette, and daughter Kristy, 11, were all seriously injured in the collision. They were transported to Pontiac Osteopathic Hospital for treatment.

Aldrich and his passenger, Greg Iliades, 17, of Auburn Hills, were taken to Pontiac General Hospital and released the same day.

Apparently, Robert Branson and Nanette Branson are still recovering from the accident, causing the adjournment of the preliminary exam.

paragraph invites readers to page through the magazine and learn more.

The slick, magazine-style pamphlet is just one of the resources Clarkston sixth- through 12th-graders will use to learn about AIDS.

The *Straight Talk* magazine, provided free of charge by the United Auto Workers/General Motors Center for Health and Safety, was studied by Clarkston school district's Citizens Reproductive Health Advisory Committee and was approved for use by the school board May 8.

The publication features cartoons, bright graphics, photographs and real-life accounts of those who have AIDS or are caring for someone with the disease.

In an article titled "I'm 17 and I have AIDS," Allison Gertz is described as "the girl next door."

She had loving parents, attended private schools and was never promiscuous. She was a popular, straight-A student, who at 15 started hanging out at a popular New York nightclub.

It was there that she met Cort, a club employee about 10 years older than she. After a two-year friendship that including a lot of flirtation, they decided to have sex.

Allison insists that they had sex together only once and then decided to be just friends. Cort drifted from her life and Allison went on to study art.

After carrying the virus for six years, Allison developed the full-blown disease. Now she has learned to live with AIDS.

"Lying in the hospital with an oxygen tent over my face, I became determined to make something good come out of it," she said.

Other articles deal with questions and answers about AIDS, the other needles you should worry about, connection between AIDS and steroids, Hollywood's response, attempts by other teens to get the message out, and stories about life on the street.

The "Straight Talk" magazine complements an AIDS education program already in place within the district.

Students in kindergarten through seventh grade learn about AIDS in health and physical education class.

Information on things like AIDS is taught progressively at each level using a program called "Growing Healthy."

High school students take a special nine-week course which also includes information on AIDS.

Students excel at culinary contest

BY CURT MCALLISTER
Clarkston News Staff Writer

Five students from the Oakland Technical Center-Northwest (OTC-N) were recognized for their talents at a culinary contest last month.

On April 21, the students participated in the 1991 Culinary Arts Salon in Dearborn. The event was sponsored by the Michigan Restaurant Association and the Michigan Chef de Cuisine.

The contest is considered the largest professional culinary competition in the Midwest, and two OTC-N students left with medals.

Leanne Reed, a Clarkston High School student, received a gold medal for "best of show in the pastry

division." Classmate Jason Hartman of Waterford Kettering was awarded a bronze medal for the display of four dinner plates in the "hot food" category.

Three other students received honorable mention for their entries. They included: Christopher Lee of CHS for his eight-person, cold platter entry in the "hot food" category; Peni Hubbard of CHS for her eight-person display in the "cold food" category; and Paul Spicknell of Holly High School for his entry of four dinner plates in the "hot food" category.

Culinary Instructor Debra Trudeau was pleased with her students' showings.

"They did very well," she said. "This was the first year we've entered a competition and the students represented themselves well."

Dogs' Reese Road home receives 'kennel' status

BY CURT MCALLISTER
Clarkston News Associate Editor

An Independence Township couple received a special land use permit from the planning commission, allowing them to keep their 18 dogs.

On May 23, Richard and Ann Glenn of Reese Road, Independence Township, formally applied for a kennel permit. The planning commission granted the special land use request 6-0, with commissioner Harry Mosher absent from the meeting.

Under the township's kennel ordinance, a household must apply for a "kennel" permit if it keeps more than three dogs on its property. The Glenns' case came to the

attention of the township through a report filed by the Oakland County Animal Enforcement Department.

Even though the Glenns applied for a kennel permit, they wanted to let the commission and their neighbors know that they weren't going to start a boarding service. According to Ann Glenn, an internationally renowned dog trainer, her dogs are of show quality and live in her home.

Richard Glenn said he has no plans of building outdoor accommodations for the dogs.

The couple explained that their abundance of dogs is a result of not putting their animals to sleep. They added that they didn't want to be known as a kennel, but as a hobby breeder.

During the public hearing segment of the meeting, many of the neighbors said they would support the permit because they'd never had a problem with the Glenns' dogs.

Later, the commission voted to grant special land use for the hobby breeders under the township's kennel ordinance. The couple is also to adhere to several conditions. They include:

- They can't own more than 20 dogs at a time.
- They can't build exterior storage buildings.
- They can't breed or board other dogs.
- Besides Afghans, the couple can only keep toy dogs on the premises.
- The special land use permit will cease when the Glenns' property changes hands.

Marvin Road paving talks stalled

BY CURT MCALLISTER
Clarkston News Staff Writer

The Independence Township Board voted to postpone talks of improving Marvin Road until the owner of the adjoining cemetery decides what it wants to do with its vacant land.

On May 7, the board held a public hearing to discuss the possibility of paving Marvin Road. But after hearing the concerns of the road's residents, the board voted 6-0 to table the proposal. Trustee Daniel Travis was absent from the meeting.

A hearing of necessity was called after 51 percent of the private road's homeowners signed a petition inquiring about the cost of improvements.

Township Clerk Joan McCrary told the residents at the meeting that the preliminary costs for paving the road would be about \$137,500. She added that the owner of the adjoining Ottawa Park Cemetery, the City of Pontiac, would not assist in paying for the project.

According to McCrary, the Pontiac city officials

didn't feel that its part in financing the project would benefit the people of Pontiac. City officials did say, however, that it's considering selling some of its vacant land for single-family housing.

The residents weren't pleased with the city's attitude. They fear that as soon as the improvements are made, the land would be sold off, leaving the developers or new homeowners void of any costs.

Another concern was that a new development would bring water and sewer lines to that part of the road, meaning new pavement could be torn up during installation.

The board was sympathetic to the residents' concerns and let the people "vote" on what should be done next. Eight of the 11 residents voted to suspend talks until the Pontiac officials decided on the future of the city-owned land.

The board echoed the sentiments of the residents and responded by tabling the proposal. Supervisor Frank Ronk said the matter will be discussed once more information is available.

Park expands summer concerts

The Concerts in the Park series has been expanded to five Friday nights this summer.

The Clarkston Village Council on May 13 voted 6-0 to increase the number of band concerts at Depot Park from four to five after a request from Kathy Scott of the Clarkston Area Chamber of Commerce.

The series is in its 12th season. The concerts, which begin at 7 p.m. and end at 9 p.m., are free to the public.

This summer's concerts and their dates will be: Executive Big Band (June 28), Dixieland played by the Pontiac Playboys (July 5), Russ Simonson Jazz Quintet (July 12), Tri-City Banjo Band (July 19), Metro Jazz Orchestra (July 26).

First of America is the corporate sponsor of the concerts.

Donations are also being accepted by the chamber of commerce (checks should be made out to: Concerts in the Park).

Two seniors honored as outstanding in GOAL

BY TRACY KING
Clarkston News Associate Editor

Twelve outstanding activity/ scholars and their parents were treated to a special luncheon at Deer Lake Racquet Club May 15.

The 12 were honored as part of a program sponsored by the Greater Oakland County Activities League (GOAL).

Participating schools, including Brandon, Clarkston, Lake Orion, Pontiac Northern, Waterford Mott and Waterford Kettering, each selected the top senior boy and top senior girl involved in a league-sponsored activity.

CROP Walk planned for this Sunday

Come rain or shine, a few hundred Clarkston area people will be walking for the hungry.

The Fifth Annual Clarkston CROP Walk is planned for 2 p.m. Sunday, June 2, at St. Daniel Catholic Church, 7010 Valley Park Drive, Clarkston.

Organizers of the event have set a goal of \$10,000 to help hungry people in Clarkston and around the world.

Though most of the funds raised will be used by Church World Service in overseas relief and development work, 25 percent will stay in the Clarkston area to go into a fund for local hunger needs, administered by the Independence Township Ministerial Association.

A portion of this has already been allotted to Light-house North. Last year, the Clarkston area CROP Walk raised more than \$7,000.

CROP events are part of the education and fund-raising outreach of Church World Service, the disaster relief, development and refugee resettlement division of the National Council of Churches of Christ in the U.S.A.

Walkers are urged to ask family, friends and neighbors to sponsor them for this event. Sponsor envelopes are available at area churches.

For more information, call Rosemary Pursell at 625-7584.

These activities include instrumental band, vocal choir, student council, cheerleaders, Pom Pon and athletics.

Representing Clarkston High School are Chris Wasilk and Stacey Secatch.

Stacey leads the senior class with a grade point average of 4.11.

She is a four-year participant in track and cross country, a three-year participant in basketball and this year competed in volleyball.

Stacey is a member of NHS, Environmental Concerns Club, "Just Say No" and Blue and Gold. She represented Clarkston at Girls State following her junior year.

She is a National Merit Finalist, was in the top 100 in the Michigan Math Prize competition and received the Presidential Academic Fitness Award.

Stacey has received the University of Michigan Regents Alumni Scholarship, and she plans to major in electrical engineering at U-M.

Chris is a four-year participant in basketball and baseball and is a member of Student Council and Interact. He graduates with a 3.68 grade-point average.

He was captain of the basketball team, received second team all-league honors in basketball.

Stacey Secatch

Chris Wasilk

He has served as treasurer of Student Council and has never missed a day of school in 13 years.

He will attend Michigan State University with a major in business.

Mason advances

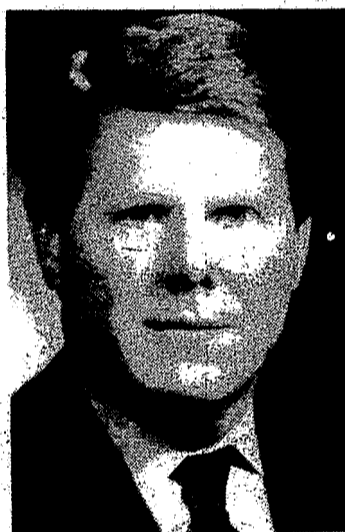

Jeffrey L. Mayo of Frankwill, Independence Township, was one of 43 Masons from 11 southeastern Michigan counties who received Scottish Rite Freemasonry's 32nd Degree.

The honor took place at the conclusion of Detroit Valley's 311th Reunion on Saturday, April 27, at the Detroit Masonic Temple.

The class was named the "Desert Storm Class" in honor of the men and women who served in the Middle East military campaign.

Named vice president, real estate company

David C. Coulter, formerly of the Clarkston area, has been promoted to vice president of Radnor Corp.

A real estate development subsidiary of Sun Co., the nation's 37th largest industrial corporation, Radnor is based in Radnor, Pa.

Coulter had been project manager of the firm since 1985 and currently directs development of the 3.5 million square feet of offices, 1,400 homes and 1,500 acres of business

David C. Coulter

parks in Radnor's Mid-South Region, headquartered in Arlington, Va.

Coulter will direct development of Cameron Run Office Park, a multi-phase 1 million-square-foot development, Alexandria, Va.; The Ellipse at Ballston, a \$150 million mixed-use development, Arlington, Va.; Loudoun Tech Center, 280-acre high-tech business park, Sterling, Va.; Landmark Center, twin office towers, Raleigh, N.C.; Commonwealth Centre, 65-acre business park, Morrisville, N.C.; and Spring Ridge, 1,200-home community, Frederick, Md.

Coulter also will supervise development of Premier Plaza, a 1 million-square-foot suburban office campus in Atlanta; Westgate Center, 1,000-acre business park, Atlanta; 101 West Ohio, 22-story office tower in downtown Indianapolis; and One College Park, 136,000-square-foot

office building, suburban Indianapolis.

Prior to joining Radnor, Coulter had been national distributor manager for the Sunoco lubricants division of Sun Refining and Marketing, Philadelphia, the nation's

second largest producer of industrial and automotive lubricants.

He started his career with the Sun Co. in 1970 as retail marketing representative in Fort Wayne, Ind.

Coulter has served as director of the Technology Packaging Committee of the American Petroleum Institute and is a former member of the Frederick County (Md.) Land Use Council, the Frederick County Builders Association and the National Association of Corporate Real Estate Executives.

A native of Clarkston, he was president of his class for three years at Clarkston High School; captained the 1965 football team and received the 1965 Dansforth Citizenship Award.

Coulter was graduated from Western Michigan University, Kalamazoo, with a bachelor of business administration degree in 1969.

He lives with his wife, the former Bobette Buehrig of Clarkston, and his two children, Shannon, 19, and Summer, 13, in Frederick, Md.

Summer fun in Springfield

As the weather begins to warm up, so does outdoor activities. Following are several upcoming events offered by the Springfield Township Parks and Recreation Department:

All events take place at the Mill Pond Park, 495 Broadway, Springfield Township, unless otherwise noted. For more information, call 634-0412.

Teddy bear picnic

A Teddy bear picnic is scheduled for 11 a.m. to 1 p.m. Saturday, June 1. The picnic at the Mill Pond Park includes picnic lunch, beverages and more -- along with a visit from a life-size bear. Children should bring a parent and a teddy bear.

Circuit judge for a day

May 8 was a special day for Colleen Murphy. Not only was she sworn in as an attorney on that date, but the ceremony was performed by special family friend Judge Gerald McNally.

Though McNally usually serves as District Judge in the 52nd District Court, Clarkston, he was temporarily made Circuit Court Judge in order to perform the special ritual.

Murphy, who had recently completed law school and had passed her bar exam, is required to be sworn and take the oath before practicing law in the state of Michigan.

The ceremony is precluded by a motion that Murphy be accepted by the state Bar Association as an attorney.

Colleen Murphy is the daughter of Richard Murphy, who was the first law partner of Gerald McNally's and a lifelong family friend.

—By Tracy King

The special event is geared toward children ages 3-7; however, consideration will be given to younger children. Minimum enrollment is 10 children. Pre-registration is required.

Open air market

An Open Air Market is planned for 9 a.m. to 5 p.m. Saturday, June 1, at the Mill Pond Park, where area vendors and craftsmen will display their wares.

Items include antiques, flea market items, plants, baked goods, fruits and vegetables in season. Vendor space is still available.

Swimming lessons

Swim classes are offered to ages 3-17. Three-week sessions (one-half hour Monday through Friday) begin June 17 and run through Aug. 16.

Classes offered are: Aqua-Tot for 3- to 5-year-olds and Beginner, Advanced Beginner, Intermediate, Swimmer and Advanced Swimmer. Children are tested at the start of the sessions to determine to which class they will be assigned.

Four-mile Walk/Run for fun

A special Walk/Run for fun is planned for Saturday, June 8, with proceeds benefitting the Springfield Community Center Construction Project.

Though optional, participants are asked to obtain sponsors in order to raise money, and each person who enters the Walk/Run receives a T-shirt, pancake breakfast and balloon.

Age divisions include 12 and under, 13-17, 18 and over, and 50 and over. Ribbons will be awarded to the top three finishers in each age division. Prizes will be awarded to the top sponsor collectors.

Runners begin at 8 a.m., and walkers will follow. The course begins at Mill Pond Park, proceeds east down Broadway to south on Dilley Road to west on Clark Road, north on Andersonville Road and back. Registration fee is \$12.

Ortonville man injured in crash

A 22-year-old Ortonville man was injured when his car hit a tree on southbound Pine Knob Road May 23.

Scott Edward Braunschneider was taken to Pontiac Osteopathic Hospital after losing control of his car near the intersection of Pine Knob and Stickney Roads, Independence Township. On May 27, he was listed as stable and alert.

According to a police report at the Oakland County Sheriff's Department, Braunschneider's accident occurred around 10 p.m. He was wearing a seat belt at the time of the accident.

Citations are pending the outcome of his medical condition.

Gardening underway

Plants and people are wanted for a Wednesday evening program this summer.

"Health Hut," a therapeutic program for the mentally and physically challenged, is offered by the Independence Township Parks and Recreation Department.

On Wednesdays, one of the activities of Health Hut is gardening, said Vince Paris, recreation programmer.

Throughout the summer, the group is to work on a demonstration garden at Clintonwood Park, and Paris said donations of plant materials are welcome.

He also said the help and expertise of gardeners in the community are welcome.

"The more input we have, the better," he said, adding that volunteers are welcome to adopt a small spot for a garden for themselves.

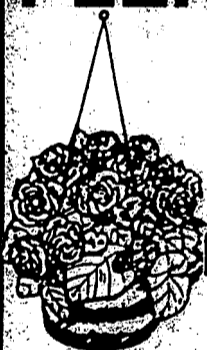

"Gardening is a recreational activity," he said. "If any senior citizens or anyone would like to donate plants or seeds or help out, just call or bring out plants on Wednesday nights."

The Health Hut garden will demonstrate how people can use a small plot for a nice garden. Planned for behind the senior center in the park off Clarkston Road, the garden will adapt to the natural landscape, he said.

For more information, call the parks and rec. department at 625-8223.

Tour of duty

ELEVEN inmates from the Oakland County Boot Camp program were brought in to maintain Bay Court Park on Andersonville Road, Independence Township, last week. These four prisoners, dressed in combat

fatigues, help clean up the shoreline area, which will eventually be converted to a beachfront. The program is patterned after a typical Army or Marine-run boot camp. The Oakland County Boot Camp is operated by

the Oakland County Sheriff's Department and is based on Brown Road, Auburn Hills. This spring marks the second season for the Boot Camp, which offers inmates probation if they are able to complete their 8-week tour.

Last race clinches GOAL championship

BY JAMES GIBOWSKI
Clarkston News Staff Writer

The last race determined the girls' track league championship, and Clarkston was up for the task.

It came down to the 1600 meter relay, and Tracy Chamberlain, Sandra Lindberg, Kristen Stanton and Carrie Roeser broke the tape at 4:13.26 to clinch the Greater Oakland Activities League meet. Northern's relay team finished fourth.

The victory gave Clarkston 132 total points and Northern finished with 124.

Both teams had tied each other in a regular-season meet, so the Wolves' league

meet earned Clarkston the overall GOAL championship. It was the sixth time in the last seven years that the Wolves have been GOAL champs.

Seniors Chamberlain and Roeser were also involved in other first-place finishes besides the 1600 relay.

Roeser, who will be running the 800 run at Saturday's Class A state championship, won the 800 run (2:28.4) and the 1600 run (5:28.89).

Chamberlain took first in the 300 low hurdles (49.73).

The two seniors also placed in another relay. Roeser joined Melissa Mutter, Lisonn Hutchinson and Heather Schaffer to take second in the 3200 relay (10:44.43) and Chamberlain teamed up with Stacey Secatch, Stanton and Angie Brown for second in the 800 relay (1:50.5).

Sophomore Rachel Seifferlein, who will be competing in the shot put at the state championship, earned first place by putting the shot at 31-feet, 7-inches. Seifferlein also was strong in the discus, taking second.

Two of Seifferlein's teammates also excelled in the two events. Secatch was second in the discus and fifth in the shot put (28-5). Michelle Wade was sixth in the shot put (27-8) and sixth in the discus.

Secatch also placed sixth in the 100 dash (13.75).

Brown, a freshman, had a strong meet. In addition to being on the second-place 800 relay team, she also was second

MOMENTS after breaking the school record in the 800 meter run at the county meet, Carrie Roeser (left) is congratulated by Clarkston graduate Sonya Schaffer, who previously held the record.

in the 100 dash (13.6), fourth in the 200 dash (27:03), and joined Shannon Binkley, Derenda Howard and Cara Rayner for fourth in the 400 relay (54.4).

Senior Amy Rayner took third in the 3200 run (13:25.44) and sixth in the 1600 run (5:53.7). Freshman Mutter was fourth in the 3200 run (13:44.54), fifth in the 1600 run (5:51.7) and fifth in the 800 run (2:37.1).

Freshman Stanton was fifth in the high jump (4-10) and fourth in the 400 dash (1:02.87).

Binkley, another freshman, was fourth in the 100 high hurdles (17.4).

Lindberg took fifth in the 400 dash (1:03.36). Cara Rayner was fifth in the 100 hurdles (17.3) and fifth in the long jump (15-0). Howard was sixth in the 100 hurdles (18.5).

RACHEL Seifferlein placed fifth in the shot put at the Oakland County Meet. She will compete in the event at the state finals.

Roeser breaks record in 800

BY JAMES GIBOWSKI
Clarkston News Staff Writer

Carrie Roeser broke a school record and three Clarkston girls' relay teams had their best times of the year in the Oakland County Meet May 24.

Clarkston finished 11th (17 points) in the 26-team meet at Waterford Mott. Troy won the meet with 79 points, followed by Pontiac Central with 63 and Pontiac Northern with 41.

The Clarkston boys tied for 18th out of 29 teams (Pontiac Northern edged arch-rival Pontiac Central 102-99 to win the meet). Jim Haviland, who is the first Clarkston boy in over a decade to break the 10-minute mark in the 3200 meter run, was the only Wolf to place, taking third in the

3200 (9:40).

Roeser had the Wolf girls' best finish by taking third in the 800-meter run. She ran the distance in 2:18.39, breaking the school record set by Sonya Schaffer in 1988. Roeser will run the event one more time in this Saturday's state finals at Houseman Field in Grand Rapids.

Schaffer, who is a freshman at Siena Heights College in Adrian, just happened to witness her record being broken because she was helping out at the meet, working in the booth where runners report their times and places.

"Carrie's a good friend and athlete. She deserves it. She worked hard," said Schaffer.

Schaffer, however, is a member (along with Roeser) of a 3200 relay team which

still holds a school record set in 1989 (9:22.6).

At the county meet, anchor Roeser, along with Tracy Chamberlain, Sandra Lindberg and Kristen Stanton finished fourth in the 1600 relay, with the Wolves best time this season of 4:10.46.

Roeser, Stanton, Heather Schaffer (Sonya's sister), and Melissa Mutter teamed up to take fourth in the 3200 relay at 10:04.12, another best time of the season.

Still another relay team had its best time of the season. The 800 relay team of Stacey Secatch, Chamberlain, Stanton and Angie Brown finished in 1:48.9 for sixth place.

Rachel Seifferlein, who will join Roeser at the state meet, finished fifth in the shot put.

Wow! JV team finishes 23-0

BY JAMES GIBOWSKI
Clarkston News Staff Writer

A 23-0 season certainly deserves a big "Wow!"

Actually, "Wow!" became the Clarkston JV baseball team's slogan in the middle of the season. It was started by assistant coach Dave Larkin and it stuck.

Clarkston athletic director Paul Tungate, who coached Clarkston's varsity baseball team for several years, said it was the first time a Clarkston baseball team had ever finished undefeated.

The Wolves not only finished perfect, they often outscored their opponents by 10 runs in a game. In fact, Clarkston scored 201 runs on the season and the opposition scored 53.

The team's batting average was a hefty .403 and the pitchers combined for a stingy 1.31 ERA.

Manager Kurt Richardson said one reason for his team's success was it being "over-balanced."

"We did a lot of different things good. We didn't have a glaring weakness," said Richardson.

The season was a terrific going away present for Richardson, who will no longer coach JV baseball. Richardson, the head varsity football coach, said he will stop coaching baseball because coaching football has become more of a year-long ordeal and he also would like to get enough credits for a master's degree. Richardson ended his 12-year baseball coaching career with a 181-55 record (.767).

Richardson said two of the biggest surprises were pitchers Eric Carlson and Aaron Phillips. Carlson finished the season 6-0 and Phillips was 5-0. Richardson said he knew Eric Ryan (6-0) and Craig Garnett (4-0) were going to be strong but didn't expect such outstanding pitching

from Carlson and Phillips.

He also didn't expect Scot Matusz to hit as well as he did. Matusz batted .478, cracked two homers and led the team with 32 RBI.

Richardson also pointed out the team was strong up the middle, which included the steady play of his catchers.

"We would have been in real trouble without (Chris) Combs," said Richardson, who shared catching duties with Ryan.

Combs jokingly said his biggest moment of the season was "getting a base hit (in a game) so we didn't have practice the next Friday." The Wolves ended up taking a well-deserved day off.

Richardson said another pleasant surprise was the play of Brent Bundridge, the only freshman on the squad. Richardson said he almost sent Bundridge back to his ninth-grade team at the beginning of the season but assistant coach Larkin convinced him Bundridge was "a player." Bundridge ended up batting a whopping .523, the highest average on the team.

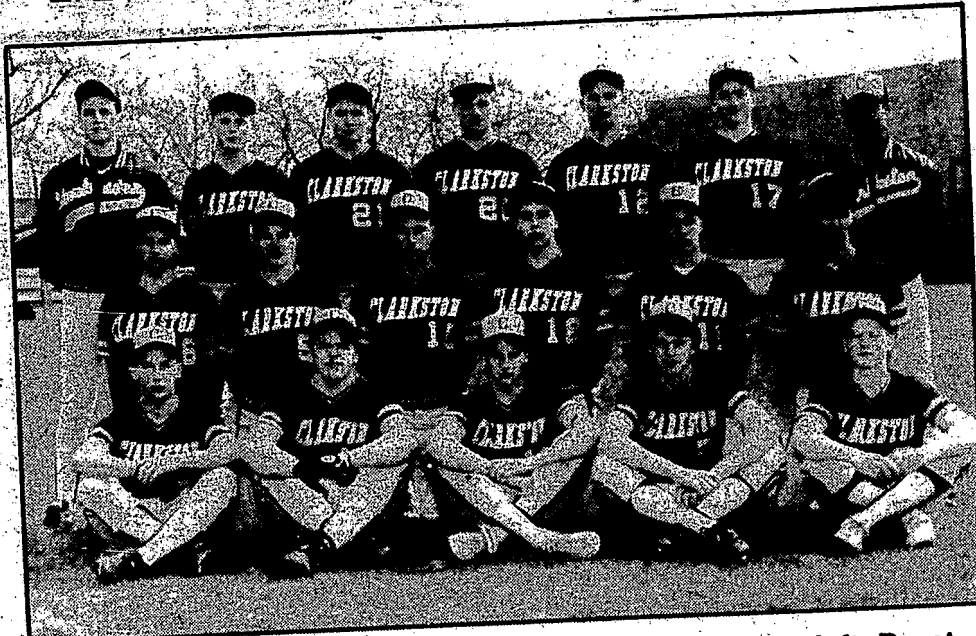

When did the team first think about being undefeated?

Assistant coach Larkin said, "You know after winning the first game you are undefeated," adding that a win over Milford late in the season was a big victory.

Greater Oakland Activities League rival Lake Orion also gave the Wolves fits. Clarkston won the game, 1-0.

Richardson admitted that sometimes the opposition wasn't too strong, but he pointed out, "When you win 23 straight without losing, I don't care what the situation, there's a lot of pride in that."

The players had a variety of individual highlights. Nick Shires, Tom Doyon, Matusz (grand slam) and Jason Jarvis

recalled their home runs.

Aaron Phillips' highlight was "Pitching the last game" and Scott Jenkinson's was "My slide home in the Lake Orion game."

Matt Smith liked "Gunning a guy out at home from centerfield" and Eric Carlson said "Knocking in two runs at Milford."

Dan Eby said his biggest highlight, besides "Making the team," was "When

I suicided home ... against Brandon." Richardson, however, noted that when

his sophomores make the jump to varsity next season, there will be a difference in play.

"They can't sit back and assume their baseball skills will carry over to the varsity," said Richardson.

But no matter what happens in their varsity careers, nothing can ever take away their perfect season.

Final four games a cinch

BY JAMES GIBOWSKI
Clarkston News Staff Writer

Clarkston's JV baseball team finished the remaining games of its 23-0 season the way it finished nearly all games this season, with one-sided victories.

The Wolves outscored their opponents in the last four games by a combined 48-8 margin.

Clarkston 13, Holly 3 (May 21 at Clarkston)

Clarkston scored in each of the five innings in a 13-3 "mercy" win over visiting Holly May 21.

The win wrapped up a 23-0 season for the Wolves, the first time ever a Clarkston baseball team has finished undefeated. Holly led 1-0 in the top of the first, but RBI singles by Jason Jarvis and Scot Matusz in the bottom of the inning gave the Wolves a 2-1 win lead.

Holly tied the game in the top of the second, but Aaron Phillips doubled in a run in the bottom of the inning to regain the lead.

Jarvis belted a 2-run homer in the third and then the Wolves scored four in the fourth and five in the fifth to put it away.

Phillips, 5-0, picked up the victory in relief.

Jarvis led the Wolf hitting attack with two singles and four RBI to go along with his homer.

Phillips tripled and singled, Jeff Marshall doubled, and Tom Doyon, Brent Bundridge, Nick Shires and Chris Combs each singled.

Clarkston 15, Brandon 0 (May 20 at Clarkston)

An 8-run third inning powered Clarkston to a 15-0 "mercy" romp over Brandon.

Brandon could only manage two hits off winning pitcher Eric Carlson, 6-0.

Clarkston scored three runs in the second on Dan Eby's squeeze bunt, a fielder's choice and a wild pitch.

The Wolves then erupted for eight in the third. Matt Smith batted twice in the inning, doubling the first time up and tripling in three runs the next time up. Eby and Doyon also singled in the inning.

Clarkston scored four in the fifth on doubles by Bundridge and Jarvis and a Carlson single.

In addition to Smith's triple and double, Jarvis and Combs each doubled and singled. Carlson had two singles, Bundridge doubled, and Doyon, Scot Matusz and Eby each singled.

Clarkston 10, East Lansing 1 (May 18 at East Lansing-1st game)

Aaron Phillips threw a 1-hitter and Clarkston scored late and often in a 10-1 win over host East Lansing in the opener of a doubleheader.

Clarkston only led 1-0 after four, but

scored six big runs in the fifth.

The Wolves scored once in the first when Doyon doubled and Matusz singled him home.

A couple of walks and singles by Bundridge, Shires, Matusz (1 RBI), Eby (1 RBI) and Phillips (1 RBI) sparked the 6-run fifth. Smith and Jarvis also drove in runs on sacrifice flies.

Singles by Bundridge and Smith and a double off the bat of Combs helped bring in three runs in the sixth.

The Wolves cranked out 13 hits, including four doubles.

Combs belted two doubles, and Eby and Doyon each had one double. Bundridge, Matusz and Smith both smashed a pair of singles and Jarvis, Shires and Phillips each had one single.

Clarkston 10, East Lansing 4 (May 18 at East Lansing-2nd game)

Jason Jarvis drove in four runs with a single and double and was the winning pitcher as Clarkston swept the doubleheader against East Lansing.

The Wolves led 5-3 after two innings and 7-4 after three and then held on for the win.

In addition to Jarvis' timely hitting, Doyon and Marshall each doubled and singled. Scott Jenkinson had two singles and Matusz and Garnett each had one single.

Falcons sideline Wolves

BY JAMES GIBOWSKI
Clarkston News Staff Writer

Clarkston's varsity baseball team outhit the state's No. 3 rated Class A team, but eight errors ended the Wolf's season.

Rochester broke a 2-2 tie in the second with five runs in the fourth en route to an 11-4 pre-district win over Clarkston May 23 at Rochester.

Clarkston manager Roy "Pops" Warner said, "Rochester was the No. 3 team in the state. For us to win, we have to play a near-perfect game. We never could keep the lead-off man off base. And we made eight errors."

The Wolves finished the season at 14-11 overall. They ended up third in the Greater Oakland Activities League with a 9-6 mark. A win in the second game of a doubleheader against Waterford Mott would have at least given the Wolves a share of the GOAL title.

Rochester scored twice in the first. But Clarkston tied it in the second when Dugan Fife singled and went to second on an error. Kevin Mull doubled in Fife and then Mike Corcoran singled in Mull.

Rochester loaded the bases in the fourth and scored a few runs when the Wolves couldn't handle some Falcon bunts, finishing the inning with five runs. The Falcons then added four more in the fifth to take a commanding 11-2 lead.

Two Clarkston seniors didn't give up in the last inning. Kevin Juzysta, who finished the season batting over .500, doubled in his last at bat, and Jim Jenkinson ended his career by belting a 2-run homer over the left-center fence.

Derek Wiley, 6-2, took the loss. In 3 1/3 innings, Wiley allowed three hits, seven runs (two earned) and six walks while striking out one.

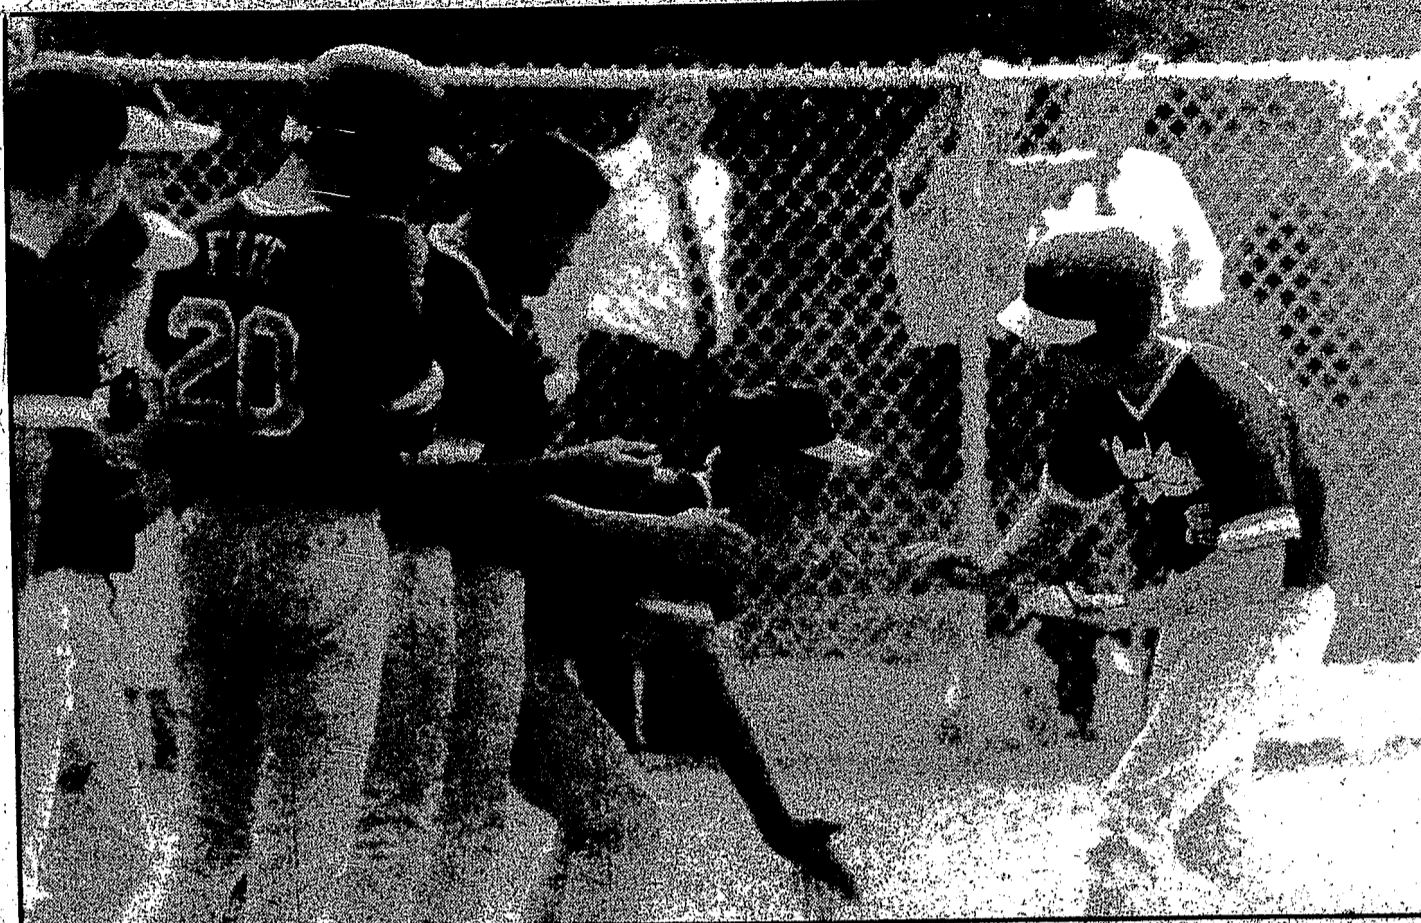

Eric Ryan, a sophomore who just recently moved up from the JV, threw 1 1/3 innings, giving up four hits, four runs and one walk. Darren Master finished the last 1 1/3 innings, allowing no hits or runs, while striking out and walking one.

In addition to Jenkinson's homer, Juzysta had two doubles, Mull a double and single, Corcoran two singles, and Chad Hetherington and Fife each had one single.

Clarkston 3, Waterford Mott 1
(May 21 at Waterford Mott)

Clarkston pitcher Darren Master scattered five hits and the Wolves had some timely hitting in a 3-1 win in the opener of a key doubleheader against Mott.

Clarkston jumped in front with two in the first. Juzysta singled, Mike Stanton

SAVING his best for last, Jim Jenkinson belted a 2-run homer in his last high school career at bat off Rochester pitcher Darren Brady and is congratulated by Wolf teammates. (Photo by James Gibowski)

sacrificed Juzysta to second and Jenkinson tripled in Juzysta. Fife then doubled in Jenkinson.

The Wolves made it 3-0 in the third when Hetherington doubled and Jenkinson singled him home.

Mott broke up Master's shutout by scoring one in the last inning.

Master allowed five hits while walking one and striking out three.

"Darren pitched an excellent game. He kept the lead-off man off base," said Clarkston manager Warner.

Mott's Derek Barkholz suffered the loss, which dropped the Corsair's record to 9-2.

Eight different Wolves had hits. Jenkinson tripled and singled and Hetherington and Fife both doubled. Juzysta, Chris Wasilk, Master, Matt Seitz and Matt Underwood each singled.

Each team only committed one error.

Waterford Mott 4, Clarkston 3
(May 21 at Waterford Mott-2nd game)

One run separated the Wolves from a GOAL championship and third place.

Host Mott led 4-1 after three innings and then held on for a 4-3 win.

"It was tough to lose the league championship. If we could have gotten a few more hits ..." said Clarkston manager

Warner after the tough loss.

Underwood made it to second base in the last inning, but all title hopes fell through when he was stranded.

The Wolves managed to score their three runs on only three hits. Good defense (no errors) also kept Clarkston in the game.

Clarkston tied the game at 1-1 in the top of the third when Seitz, Juzysta and Stanton all walked and then Seitz scored on a passed ball.

Mott regained the lead with three in the bottom of the third.

Mull cut the deficit to 4-2 in the fourth when he belted a solo home run.

The Wolves then made it 4-3 in the fifth when Stanton singled, Hetherington was safe on an error and then Jenkinson singled in Stanton.

Wasilk started and took the loss. In 1 1/3 innings, he allowed five hits, three runs and three walks.

Master pitched 2/3 of an inning, not allowing a hit or a run. Mull threw four innings, giving up two hits, one run and two walks while striking out one.

Clarkston 10, Brandon 3
(May 20 at Brandon)

Chris Wasilk's grand slam in the third inning lifted Clarkston to a 10-3 victory over Brandon.

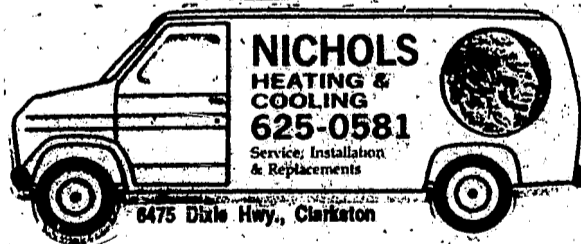

The Wolves led 1-0 after two innings and then exploded with six runs in the third. After Hetherington and Jenkinson each singled in a run, Wasilk belted the grand slam, giving Clarkston a comfortable 7-0 lead.

Brandon scored once in its third, but Clarkston then increased its lead to 10-1 in the top of the sixth.

Nine Wolf batters were part of the 11-hit attack. Wasilk singled in addition to his grand salami and Juzysta had two singles. Hetherington, Jenkinson, Fife, Mull, Master, Ryan and Wiley each singled.

Mull picked up the win, pitching the first 3 1/3 innings, allowing no hits, one unearned run and four walks while striking out four.

Corcoran picked up a save by hurling the last 3 2/3 innings. He gave up five hits, two runs (one earned), two walks and struck out one.

I was just thinking ...

■ **Anyone for tennis?:** Clarkston tennis coach Dick Swartout told me this spring that in his 13 seasons of coaching tennis, no other Clarkston coach had ever stopped by to watch the Wolves on the court.

I know coaches are busy (and, of course, chances are the other spring coaches would be playing a game or having practice), but not once in 13 years?

■ **Keeping track:** It's too bad that more people don't go out and watch high school track and field meets, especially during a warm late afternoon spring day which cools off comfortably as the sun sets.

I love nearly all sports, but there is a uniqueness about track. It's one of the few sports that strictly pits athletes against athletes, without any other equipment needed (except in the field events). Track probably creates more interesting facial expressions from its athletes than any other sport.

Track can also be one of the most colorful sports. When I watched nearly 30 different schools compete in the

Oakland County Meet last Friday, it was often like watching a horse race with several different colors of uniforms racing around the track.

Track is also pretty cut and dry. There is seldom any dispute over who wins, unlike calls from a baseball umpire or football and basketball referees. Whoever has the fastest time or farthest distance, unquestionably wins.

■ **Tiger Tales:** The home run power of the Tigers and so far decent pitching would normally make me more interested in the Tigers, but I still can't forget about the fate of Tiger Stadium and the way they fired Ernie Harwell (who, by the way, sounds as good as ever).

More on this soon.

■ **Thanks for the memories:** You won't get me to bad mouth the Detroit Pistons because of the way they were swept by the Chicago Bulls. (However, the way most of them walked to the locker room with eight seconds left and didn't shake the Bulls hands wasn't too classy).

The Pistons have been an incredible team. It's rare for any pro team to

win two straight championships (and to have been in contention for five straight).

There are bound to be several changes next season, but Piston fans will not forget members of the 1988-91 teams.

■ **Jostling on Joslyn?:** Speaking of the Pistons, will the YUPPIE-sit-on-their-hands-season-ticket-holders still buy those tickets when the Pistons are no longer an elite team, or become a below .500 team?

The past several years the Piston management, which greedily wouldn't sell more non-season tickets so the average-income fans could see some games, may find out that its grab-the-bucks-now and to hell with the future will haunt them.

It will be easy to tell. In a few years, check and see if there are as many traffic jams on I-75 from 7 p.m. to 7:30 p.m. on game nights.

■ **Blah ha ha:** After listening to Ernie Harwell for most of my life, I never did get used to the way George Blaha broadcasts Piston games.

Blaha's cheerleading style (and

apparently, the dumb Tiger management wants this type of announcer next year) is obnoxious to my ears.

And when the Pistons do start losing more often, Blaha's "rah, rah, rah" will begin to sound even more "blah, blah, blah."

Give me Ernie and Paul Carey's style any day.

■ **"Go L.A.?"** I couldn't believe it. The Piston fans at the Palace were actually saying "Go L.A." instead of the usual "Beat L.A." at the end of the Chicago series (first of all, Portland still wasn't eliminated).

Sure, the Bulls had just defeated the Pistons.

But who wants to cheer along with all those glitzy California fans: Jack Nicholson, Arsenio Hall, Dyan Cannon, etc.

I guess it's no surprise that many of those Piston season-ticket holders are LA LA Land Wanna-Be's.

Gee, they at least have got L.A.'s leave-half-way-through-the-last-quarter-to-beat-the-traffic routine down pat (as about half of the Piston "fans" did in the last Bulls game, turning their backs on the Pistons already).

Most memorable moment in baseball: "Hitting as well as I did this year."
Toughest pitcher faced: Jay Rider of Waterford Kettering.
What you have learned about yourself in baseball: "If you work hard, things work out for you. Hard work pays off."
Best part about baseball: "When you know you hit the ball right and it's solid."
Worst part about baseball: "Sitting around while people are taking batting practice. And watching pitchers walk batters."
Favorite food: Mashed potatoes and gravy
Favorite subject: Physics
Favorite movie: "Lethal Weapon II"
Name three people, living or dead, you'd like to meet: "Ty Cobb, Lynn Swann and John Kennedy."
What is something your teammates don't know about you: "I watch a lot of PBS. I watched the show about hip-replacement surgery."
If your house was on fire, which material object would you first want to save: "My football jersey."
Which actor would best portray you in a movie: "Kevin Costner. He has the same name, he's good-looking, smart and he's in baseball movies."
Coach's comment: Manager Roy "Pops" Warner says about Kevin, "Due to more self-confidence, Kevin played with confidence both on the field and in hitting. He has good speed in the outfield. We'll miss him."
Plans after high school: Attend the University of Michigan, majoring in engineering.

Frosh girls fifth at Oakland County Meet

BY JAMES GIBOWSKI
 Clarkston News Staff Writer

Clarkston freshman girls placed fifth out of 20 teams in the Oakland County ninth-grade track meet May 25.

Lakeland finished first with 56 points and was followed closely by Milford with 54 1/2, Pontiac Northern 54, Farmington 50 and Clarkston 43.

The freshman boys placed in two events.

The meet was run on a non-metric track in Milford under hot, humid conditions.

Shannon Binkley placed highest for the Wolves, finishing second in the 110-

yard high hurdles at 17.25. Teammate Derenda Howard was third at 18.3.

Kristen Stanton took third in the 440 dash (1:04.47) and was fifth in the high jump (4 feet, 10 inches).

Two relay teams placed third: the 880 relay team of Stanton, Binkley, Howard and Angie Brown (1:54.44) and the two-mile relay team of Melissa Mutter, Lisonn Hutchinson, Heather Schaffer and Stanton (11:08.68).

The mile relay team of Schaffer, Binkley, Mutter and Brown placed fifth (4:35.53).

Mutter was fifth in both the mile run (5:53.5) and the 880 run (2:35.39).

Brown finished fifth in the 100 dash

(12.5) and was sixth in the 220 dash (27.96).

In boys' competition, John Zamora placed sixth in the 220 dash at 26.5. Zamora

then joined Billy Martin, Mike Kunkler and Brian Phipps for sixth place in the 440 relay (49.7).

NOTICE OF A PUBLIC HEARING ON INCREASING PROPERTY TAXES

PLEASE TAKE NOTICE that on June 10, 1991, at 7:00 o'clock p.m. in the Administration Building, 6389 Clarkston Road, the Board of Education of Clarkston Community Schools will hold a public hearing on the levying in 1991 of an additional proposed millage rate of 2.8657 mills for operating purposes pursuant to Act 5, Public Acts of Michigan, 1982.

The Board of Education has the complete authority to establish that 39.9661 mills be levied in 1991 if an election proposal of 20 mills receives a favorable vote.

The maximum additional proposed millage rate would increase revenues for operating purposes from ad valorem property tax levies in 1991 otherwise permitted by Act 5, Public Acts of Michigan, 1982, by 7.38 percent.

The figure for increase in revenue for operating purposes is based on the latest estimate of state equalized valuation of property located within the school district. State equalized valuation will not be finalized until after the fourth Monday in May. In the event that state equalized valuation as finalized for any reason higher than the estimate used for this hearing, the Board of Education must hold another public hearing before levying millage on any higher valuation.

The purpose of the hearing is to receive testimony and discuss the levy of an additional millage rate. Not less than seven (7) days following the public hearing, the Board of Education may approve all or any portion of the proposed additional millage rate.

This notice is given by order of the Board of Education.

Rodeo begins May 31

If you've ever fantasized about being a cowboy or cowgirl, then you'll want to attend the first World Championship Rodeo in Springfield Township.

The rodeo is planned for the Springfield Oaks County Park on Andersonville Road Friday, May 31, through Sunday, June 2. The event is sponsored by the Royal Oak Lions Club and the Oakland County Chapter of Credit Unions.

The rodeo is run by the J Bar J rodeo company of Claire. For the past four years, the International Professional Rodeo Association has named J Bar J "Producer of the Year." It's considered the top producer of exhibition animals in the country.

About 200 cowboys and cowgirls from around the world are expected to attend this rodeo. Dan Daliey, the 1990

all-around U.S. rodeo champion, and Randy Wells, the 1990 U.S. bareback champion, will be among the contestants.

They and several other riders will be asked to lock horns and hooves with two of the most feared exhibition animals on the rodeo circuit today.

They are "Nightline," the U.S. champion bareback horse, and "Iceman," the world champion bucking bull.

The May 31 and June 1 performances begin at 8 p.m., and the June 2 show starts at 3 p.m. Tickets are \$7 in advance and \$8 at the gate. For advance ticket information, call the Royal Oak Lions Club at 549-2504.

Proceeds from the event will go toward several Oakland County charities, such as the Leader School for the Blind in Royal Oak. Organizers plan to make the rodeo an annual event.

Runners 4th in GOAL

BY JAMES GIBOWSKI
Clarkston News Staff Writer

Dan White placed first and Jim Haviland and Gordie Garwood each finished second to pace the Clarkston boys' track team to a fourth-place finish at the league meet.

Pontiac Northern, the defending Class A state champions, easily won the Greater Oakland Activities League meet with 171 points. Host Waterford Kettering took second with 109, followed by Lake Orion 82, Clarkston 70, Brandon 50 and Waterford Mott 44.

The fourth-place finish at the meet, combined with regular season league action, put the Wolves fourth overall in the GOAL.

White, a senior, won the discus with a throw of 121 feet, four inches. Clarkston dominated the event. Garwood, a senior, took second (117-8) and junior Paul Krause

placed fourth (112-8).

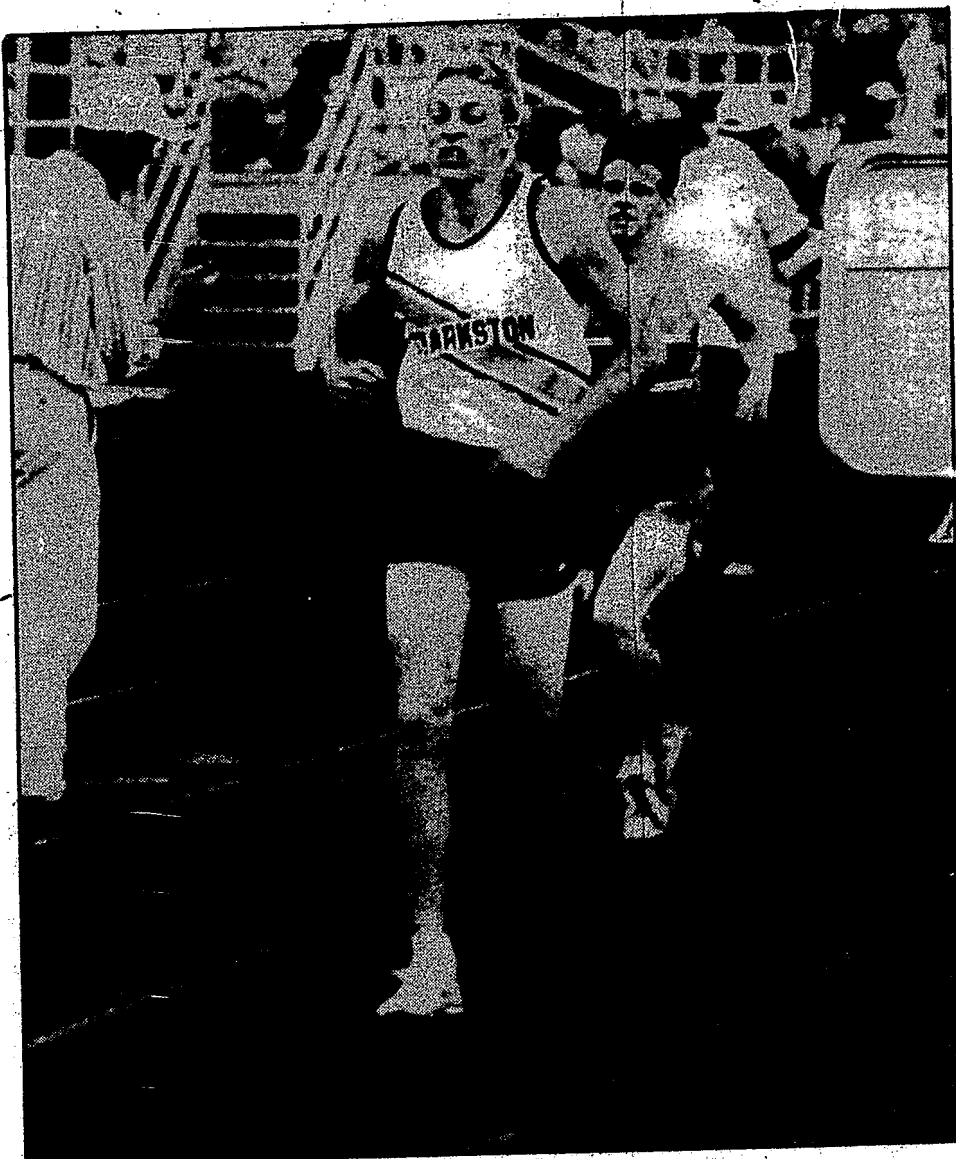

Haviland finished second in the 3200 meter run with a time of 10:07. The senior also took fifth in the 1600 run (4:40.5) and joined Paul Brisson, Steve Cohoon and Todd Wozniak to take third in the 3200 relay (8:24.6).

Krause was third in the shot put (43-7) and teammate Kyle Powell was fourth (42-1/2).

Senior Al Manser was third in the 300 low hurdles (41.1) and fourth in the 110 high hurdles (15.5). Manser also joined Steve Bennett, Jeff Coxen and Greg Fisher to take fifth in the 400 relay (47.5).

Wozniak set a personal record in the 800 run to take fourth (2:03.6) and teammate Brisson was close behind in fifth (2:04.1).

Wozniak and Brisson also teamed up with Fisher and Jason Granlund for fourth in the 1600 relay (3:37.2).

TODD Wozniak finished fourth in the 800 meter run at the GOAL meet. In the photo above, the senior competes at the Oakland County Meet May 24. (Photo by James Gibowski)

Soccerfest this Saturday at Clintonwood Park

Soccer enthusiasts of all ages are invited to participate in the June 1 Soccerfest at Clintonwood Park.

There is no fee to attend. However, those pre-registering by May 31 and wishing to eat can pay \$2 (or a \$10 limit per family) per meal.

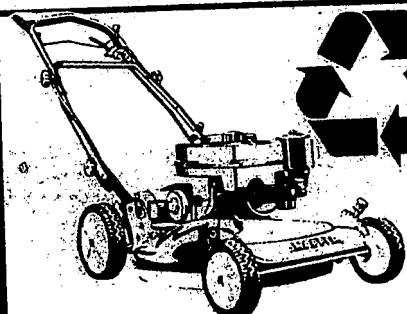

Events for the day will include kiddie

kicker scrimmages; under-12 girls', under-14 boys' and under-16 boys' match exhibitions; punt, throw and kick competition; an adult Great Lakes Men's match exhibition; soccer skills games; raffle prizes and vendor booths.

REAL ESTATE UPDATE

Ron Rodda
Sales Manager

"Let's discuss your
Career in Real Estate
Sales"

BE SMART FROM THE START

QUESTION: I have a pretty good reputation as a salesman in the garment business. Why shouldn't I sell my own home?

ANSWER: Salesmanship is a very small part of the Realtor's value. It's his knowledge in the intricate field of property and financing and the ability to bring qualified prospects to see your home that really counts.

If pocketing a broker's commission tempts you, ask yourself if you can afford to let an amateur manage a transaction that involves thousands of dollars: Your dollars! When you want a job done well, you call a specialist. This is standard practice for successful businessmen... why buck success?

SELL YOUR HOME through a Realtor and you'll get the best price and fewest problems.

Grads

Michelle Pettit, a 1987 Clarkston High School graduate, was graduated from the University of Miami, Coral Gables, Fla., with a bachelor of arts degree in marine affairs.

Pettit earned a 3.7 grade point average and was named outstanding marine affairs student -- the first time ever for the school to present that award.

Ted Herr, 43 is to graduate June 7 from Oakland Community College-Auburn Hills, with an associate's degree in industrial technology.

His son, Adam, 6, graduates the same day from kindergarten at Pine Knob Elementary School. His son, Vincent, 5, also graduated this year from preschool.

Herr and his wife, Sheryl, reside on Clinton Drive, Independence Township.

Susan Katherine McCormack of Chapel View Drive, Independence Township, is among the 386 students awarded degrees May 4 at Saginaw Valley State University, Saginaw. McCormack earned a master's degree in classroom teaching.

Brent Card, son of LeRoy and Vivian Card of Brucedale Drive, Springfield Township, is among the more than 1,600 students who were graduated from the University of Louisville, Louisville, Ky., May 19.

Card, a 1985 Clarkston High School graduate, earned a master of arts degree.

James Duaine Newcomer and Jeffrey R. Chamberlain are among the 700 students graduated from Bob Jones University, Greenville, S.C., on May 4.

Newcomer, the son of Mrs. Lois V. Newcomer of Clarkston, earned a master of arts degree in pastoral studies from the School of Religion.

Chamberlain, son of Mr. and Mrs. Paul Sadows of Clarkston, earned a bachelor of science degree in marketing management from the School of Business Administration.

Victoria Ann Wilson was graduated May 18 from Ferris State University, Big Rapids. A 1987 Clarkston High School graduate, she earned a bachelor of social work degree.

The 1991 graduating class of the University of Michigan School of Medicine will include Jennifer Joy Miller, daughter of James and Lois Miller of Independence Township. Graduation ceremonies were to be May 31 at Hillman Auditorium at the University of

Michigan, Ann Arbor. Miller is a 1983 graduate of Klein High School, Spring, Texas, and a 1987 cum laude graduate of Miami University, Oxford, Ohio. She is a member of Phi Beta Kappa honor society, Delta Zeta sorority, and Galens. After graduation, Miller plans to begin residency in internal medicine at the University of Colorado Health Sciences Center, Denver.

Club notes

J. Anderson

Attorney John Anderson of Southfield was selected as the 1991 Business Associate of the Year for the Independence Spring Charter Chapter of the American Business Women's Association.

Anderson, whose law office is in Bloomfield Hills, received his juris doctor from the Detroit College of Law in June 1980. He began specializing in general civil litigation with emphasis on commercial, municipal and domestic matters.

In 1989, he formed his own law practice in Bloomfield Hills and continues to specialize in general civil litigation and business counseling, with an emphasis on commercial litigation, director's and officer's liability, regulated industries, real estate, contracts, negligence, wrongful discharge, professional malpractice and creditor's rights.

Inde-Spring member Pat Tackaberry, Anderson's secretary and office manager, nominated him for the annual award.

Engagement

Dr. and Mrs. Alberto Hector Gutierrez of Carlsbad, N.M., announce the engagement of their daughter, Tatiana Maria Gutierrez, to Daniel Blumenschein, son of Mr. and Mrs. James Blumenschein of Clarkston. Daniel is a graduate of Clarkston High School and the University of New Mexico School of Engineering and is now a commissioned officer in the U.S. Navy. Tatiana is a student at the University of New Mexico. A June 21 wedding is planned in Carlsbad, N.M. The couple plans to reside in San Diego, Calif.

Honors

Two Clarkston-area residents were among the 86 Michigan State University, East Lansing, freshman "tapped" into the distinguished honor society, Tower Guard, in traditional May morning Sing ceremonies at MSU.

Erika Flanigan of Shappie, Independence Township, is the daughter of Nina Flanigan of Independence Township and David Flanigan of Farmington. She is a 1990 Clarkston High School graduate.

Beth Patterson of Eddystone Circle, Independence Township, is the daughter of Julie and Timothy Patterson. She is a 1990 graduate of Waterford Kettering High School.

Stacey Secatch of Main Street, Clarkston, was awarded a Robert C. Byrd Honors Scholarship of \$1,500 for the college of her choice.

The federally funded award is coordinated with the Academic All-State Team Program, which is administered by the Michigan Association of Secondary School Principals.

Engagement

Linda Walsh of Independence Township announces the engagement of her son, William B. Walsh II, to Kylie Sutton of Vancouver, British Columbia, daughter of Noela Sutton of Port Alberni, British Columbia. William and Kylie are both 1990 graduates of Lake Superior State University. William works as a mechanical engineer at Fatigue Technology, Inc., in Seattle, Wash., while Kylie is currently employed at the University of British Columbia in financial services. A Sept. 14 wedding is planned in Vancouver.

Engagement announced

Mr. and Mrs. Raymond Davis of Clarkston announce the engagement of their daughter, Rhonda Marie Davis, to Marshall Grant Wicks of Troy, son of Mr. and Mrs. Marshall Wicks of Venice Beach, Fla., and formerly of Bloomfield Hills.

The bride elect is a 1986 graduate of Clarkston High School and is employed at First of America. The prospective bridegroom is employed at General Dynamics. A June 6, 1992, wedding is planned.

New arrival

Jim and Rene Long of Almond Lane, Independence Township, are the proud parents of a new baby boy.

Hunter Blair Long was born May 3, 1991, at St. Joseph Mercy Hospital in Pontiac. He weighed 8 pounds, 6 1/2 ounces.

He was welcomed home by his sister Andrea, 6, and brother, JT, 20 months.

Proud grandparents are Avis Tolliver of Waterford Township, Homer Tolliver of Ortonville, and Jim and Joanne Long of Clarkston.

Great-grandparents are Mrs. Edith Tolliver of Hemet, Calif.; Charles and Clara Beck of Waterford, and Helen Hoover of Tawas.

In service

Marine Pfc. Shawn D. Smith, son of James E. and Gwendolyn K. Smith of Genoa, Independence Township, has completed recruit training at Marine Corps Recruit Training Depot, San Diego.

1988 graduate of Clarkston High School, Smith joined the Marine Corps in November 1990.

Navy Petty Officer 2nd Class Lester W. Smith recently reported for duty with Helicopter Anti-Submarine Squadron-14, based at Naval Air State North Island, San Diego, Calif.

The son of Lester E. Smith of Flemings Lake Road, Independence Township, Smith is a 1981 graduate of Flushing High School.

Library to close a few days for construction

Construction on the library addition in Independence Township means that the library will be closed a few days.

The building on Clarkston Road will be closed one day during the week of June 2, so crews can move utility poles, said library Director Molly Lynch, adding that the utility company could not specify which day in time for publication.

The building also will be closed Monday and Tuesday, June 10 and 11, when roof trusses will be coming in - there will be no room for cars those days, she said.

For more information, call the library at 625-2212.

Junior high science teacher honored by peers

BY CURT MCALLISTER
Clarkston News Associate Editor

Chuck Keegan, a science teacher at Clarkston Junior High School, has been cited as one of the metropolitan area's best middle school instructors.

Keegan was one of three middle school teachers in southeastern Michigan to be honored by the Metropolitan Detroit Science Teachers' Association. He was nominated by Principal Vince Licata, teacher Karen Czarnecki and student Katie Reschke.

Keegan has been at CJHS for nearly 19 years. During this time, he has taught nearly every math and science class at each grade level. He's presently teaching eighth-grade science and ninth-grade pre-algebra.

Besides teaching, he coaches the junior high track teams and sponsors the CJHS ski club.

He has master's degrees in environmental science and education from Michigan State University, East Lansing.

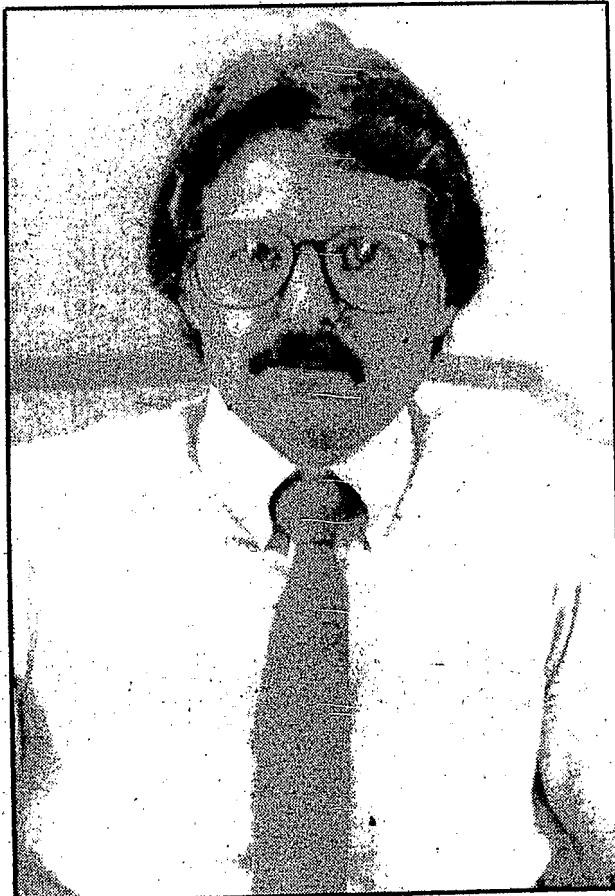

"My biggest thrill is watching students learn. When you see them understand a concept, and the lights go on, it makes all my work seem worthwhile."

Chuck Keegan

His undergraduate work includes a bachelor's degree in math and an associate's degree in science from Central Michigan University, Mount Pleasant.

Keegan said he feels fortunate to have won such a prestigious award.

"I consider it a great honor, but I'm also embarrassed because there are so many others in the school district putting out similar efforts," he said. "It's truly a privilege to be honored by both your students and peers."

CHUCK KEEGAN, an instructor at Clarkston Junior High, has been honored as an "outstanding science teacher" by the Metropolitan Detroit Science Teachers' Association.

Keegan said this award is the second teaching honor he's received in his career. He's also received a certificate of recognition from the Clarkston Board of Education.

After nearly two decades of teaching, Keegan said he still loves his work.

"My biggest thrill is watching students learn," he said. "When you see them understand a concept, and the lights go on, it makes all my work seem worthwhile."

Summer programs mean fun for kids

A partnership for children means summer fun for kids and worry-free workdays for parents.

Independence Township Parks and Recreation and Clarkston Community Education are in their seventh year of providing summer child care and recreation from 7 a.m. to 6 p.m. for children of working parents.

In the Day Camp and Playground programs offered by parks and rec., children may participate in arts and crafts, games, physical activities, special theme weeks, field trips, concentrated sport areas, swimming and overnight camping.

For working parents, Kids Connection, provided by Clarkston Community Education, is available 7-10 a.m. (when Playground and Day Camp begin) and 4-6 p.m. (when Playground and Day Camp dismiss).

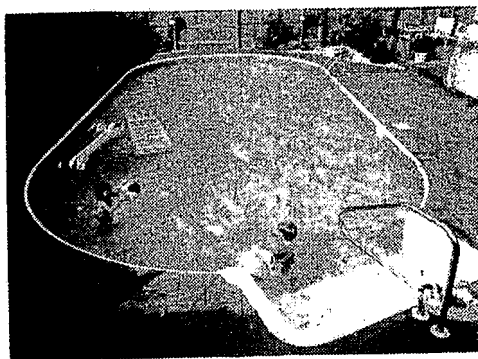

Registration for Playground and Day Camp programs takes place at the Independence Township Hall, 90 N. Main St., Clarkston, 8 a.m. to 5 p.m. For more information, call 625-8223.

Registration for the school year 1991-92 Kids Connection program begins July 8 and runs throughout the summer (or until maximum enrollment is met) at the Clarkston Community Education Center, 5275 Maybee Road, Independence Township. For more information, call 674-0993.

PUBLIC NOTICE

"BECAUSE THE PEOPLE MUST KNOW"

Village of Clarkston

The Village of Clarkston minutes of regular meeting of May 13, 1991, 375 Depot Road, Clarkston, Michigan 48346.

Meeting called to order by President Pro Tem James Schultz at 7:35 p.m., followed by the Pledge of Allegiance to the Flag. Roll: Present-Basinger, Haven, Mauti, Roeser, Schultz, and Catallo, later.

Absent-Whitmer. Haven made a motion to accept the minutes with one correction. Seconded by Mauti. Motion carried.

Mauti made a motion to accept the bills totaling \$43,040.61. Seconded by Haven. Roll: 5-Ayes. Nays-None. Motion carried.

Roeser would like the Ponds on Clarkston-Orion Road at Robertson Court (north) and Clarkston Road east of M-15 and also the pond east of M-15 at Northview. Motion made to have the Engineer to add these two ponds to the Wetland Maps. Seconded by Basinger. Motion carried.

Mauti made a motion to plant 6 or 8 trees - Cost \$1500.00. Seconded by Schultz. Roll: 5-Ayes. Nays-None. Motion carried.

President Catallo arrived at 7:47 p.m. Public Hearing opened at 7:50 p.m. on the Waldon Road and M-15 property owned by the Fire Department and Independence Township. This property is in the Historic District. There are five lots.

Jon Abbott would like to know what could be done with the property as it is not good for building.

Bill Rausch feels the property should be sold and put back on the Township roll, because of the building problem.

Public Hearing closed at 7:55 p.m. Council meeting date will be changed to Tuesday, May 28th.

The regular meeting date is Memorial Day. The Planning Commission would like to have quarterly meetings with the Council. February, May, August and November.

The Financial Committee will meet the 28th of May at 6:30 p.m., at the Village Hall.

Kathy Scott from the Chamber of Commerce told the Council about the Band Concerts - June 28th, July 5-12-19-26. Motion by Roeser to allow the concerts. Seconded by Basinger. Motion carried.

Jerry Willford feels we should start the process of having M-15 turned back to the Village. Jerry will set up a meeting with the Oakland County Road Commission.

Virginia Walter from Youth Assistance asked if the Village could give \$1500.00 this year. The Village gave \$1200.00 last year.

Motion made by Mauti to give Youth Assistance \$1500.00 for the next two years - statement of intent. Seconded by Schultz. Roll: 6-Ayes. Nays-None. Motion carried.

Dick Neasy would like to preserve the Stone house on Lot 1 of Village West. He does not want to purchase the property unless it is in the Village and he is allowed to preserve it.

Schultz made a motion to allow the Crop Walk on June 2, 1991. Seconded by Mauti. Motion carried.

David McCarty at 16 Clarkston Road showed pictures of the sidewalks and also the trees that are leaning onto Clarkston Road. The tree roots are causing the sidewalk to raise. This has caused people to fall and problems with bikers.

Roeser made motion to purchase a self-propelled mower not to exceed \$400.00 also a trailer for the tractor not to exceed \$275.00. Seconded by Basinger. Roll: Ayes-6. Nays-None. Motion carried.

Basinger made a motion to close the meeting at 9:04 p.m. for pending litigation. Seconded by Haven. Roll: Ayes-6. Nays-None. Motion carried.

WHO IS ON THE LORD'S Side? To the church! Thus saith the Lord, the Daughter of Zion is left as a cottage in the vineyard, as a lodge in a garden of cucumbers, as a besieged city. Zion shall be redeemed with judgement, and her converts with righteousness. For you shall be as an oak whose leaf fades, and as a garden that has no water for you are a sinful nation, a people laden with iniquity, a seed of evil doers, children that are corruptors. You have forsaken the Lord (You have forsaken his word, in that you hate to do it) You have provoked the Holy One of Israel unto anger for you continually go away backward. There is no fear of me before your eyes for you refuse to be ashamed but delight in your sins! You hate truth! Call upon your Gods and let them save you! You shall not, nor your sons and daughters, eat of the fruit of the land but shall be overtaken by your sins! I say saith the Lord, "What difference between you and the sinner and ungodly for they also hate my word to do it?" IILX21-2

Many couples look forward to a relaxing weekend "up north". And when they retire, they also want to retire their lawn mower, weedwacker and snow shovel. Why wait? Enjoy year-round all-sports lake living in the Clarkston/Lake Orion area at Lochmoor...sparkling new ranch and loft-style condominiums from the \$130's.

Hurry! Follow the smart money...those who wait will be too late!

THREE times, members of two American Legion posts in the Clarkston area fire in

salute to service people from the Clarkston area who have lost their lives in wars. The

salute also honors those who have served during U.S. wars.

Memorial tribute

DURING the national anthem in Lakeview Cemetery Memorial Day, Ryan, 6, and Dustin

Coleman, 8, join in song with their mother, Liz Coleman of Springfield Township.

THE INVOCATION is given by Willard Head, a former Clarkston resident now living in Tennessee. The podium was just three feet from the grave of his son, David Freeman Head, who was killed in 1969 after just 31 days in service as a medic. "It just gave me chills down my back," said Head, about speaking on Memorial Day so close to his son's remains.
