Precinct Changes

Population changes, county comission changes and Clarkston's transformation to cityhood mean some Independence Township residents will head to different polls Aug. 4.

M-15 widening begins this week

BY CURT MCALLISTER Clarkston News Associate Editor

One of Independence Township's most congested thoroughfares is about to get a much-needed facelift - or widening in this case.

That means drivers may want to bypass part of M-15 by using Dixie Highway for the next four months.

Starting this week, construction begins along M-15 to widen the roadway to five lanes from Dixie Highway north to Paramus. Split by a left turn lane, this revamped thoroughfare includes two lanes running north and and two lanes running south.

Thereafter, M-15's lanes are scheduled to taper down to the existing two lanes within the next 400 feet north of Paramus.

Overseen by the Michigan Department of Transportation (MDOT), Dan's Excavating of Shelby Township was hired to construct the \$950,000 project. Independence Township is paying to lay the watermains and safety paths, with the rest funded with state and federal money.

Township Supervisor Frank Ronk said the township's share of construction costs has yet to be determined by their engineers.

According to Dave Wilson, a resident engineer with

Student, 14, dies in weekend crash

A 14-year-old Independence Township boy lost his life over the weekend when the car he was driving became airborne, rolled over and struck a tree.

Before the crash, Brent Nicholas Zorka was involved in a minor accident on M-15 at I-75, Independence Township, on Friday, July 17. Witnesses there got his license plate number as he fled the scene, and they notified police, according to the Oakland County Sheriff's Department (OCSD).

Later, as he was traveling west on Holcomb Road near Ellis Road at a high rate of speed, he lost control of the car. The vehicle became airborne, rolled and struck a tree. The accident occured at 11:46 a.m.

Zorka was taken to Pontiac Osteopathic Hospital were he died Saturday, July 18.

The OCSD said that alcohol does not seem to be a factor in the accident. Investigators would not say whose car the youth was driving. The circumstances are still under investigation.

The teen was a member of the Clarkston United Methodist Church and was an Eagle Scout, Troop No. 189. He was a runner on the Clarkston Junior High track

Vincent Licata, principal of Clarkston Junior High, said, he was saddened by the news.

"He (Zorka) was an all around good kid," said Licata. "He was a real nice kid from a nice family. It's a real tragedy."

Funeral services were set for 11:30 a.m. Wednesday, July 22, at Clarkston United Methodist Church. Arrangements were made by the Lewis E. Wint and Son TRUST 100 Funeral Home, Clarkston.

MDOT, the widening project will take nearly four months to complete. He said the overall project has been split into four separate jobs and deadlines.

The individual phases and estimated deadlines in-

■ Construction of a temporary road in order to widen the shoulder on M-15's east side. Paving this temporary road is to occur at night, between 9 p.m. and 6 a.m. During these times, northbound traffic will be detoured down Dixie Highway to I-75, where cars can pick up the M-15 exit.

Completion of this temporary road is estimated at Saturday, Aug. 1.

■ The second phase brings traffic down the east side of M-15, while construction crews work on the west side This construction includes watermains, storm sewers and road widening.

It should be completed by Sept. 18.

■ The third phase switches traffic flow to the west side, so similar construction can occur on the east side. This job should be finished by Oct. 30.

■ The final phase entails laying the final layer of asphalt, cleaning up and restoring the appearance of the roadsides. Completion of this phase should bring the entire project to a close around Nov. 15.

Wilson said a traffic light will be installed at the intersection of Citation Drive and M-15 as part of the widening project. It will be installed by the Road Commission For Oakland County, he added.

With construction comes problems, and Wilson expects a few difficulties over the course of the project.

"I'm not going to kid you, but it could be difficult to maintain access to businesses along M-15 at all times," Wilson said at an informational meeting July 15. "We'll do the best we can."

Wilson also foresees some congestion problems on Dixie Highway, which a portion of M-15 will resemble upon completion.

"When we're done, M-15 will look very similar to (See M-15, next page)

'50s music featured in free park concert

Music from the '50s is the highlight of this Friday's free concert in Clarkston's Depot Park.

Moose & Da Sharks perform 7-9 p.m. Friday, July 24, in the park on Depot Road, west of Main Street. The band, formed in 1972, has toured North America, coast to coast, and has recorded three albums.

Concert-goers may want bring lawn chairs and bug spray. They may also bring a picnic dinner - or buy popcorn and soft drinks from the Clarkston Area Opti-

Another free concert in the park is planned for Tuesday, July 28, when the Shaumburg Youth Choir performs 7-9 p.m. The touring youth group sings German and international folk songs, religious work and Madrigals. Concessions sold during the concert go to "Shannon's Fund," which was established to raise money for teen-age cancer patient Shannon Clark of Clarkston.

Sponsored by the Clarkston Area Chamber of Commerce, this is the 13th season for free concerts in the park. To contribute to the performances, send a check to Clarkston Area Chamber of Commerce, Concert Fund, 5897 Dixie Highway, Clarkston, MI 48346.

The remaining concert this season takes place Friday, July 31, and features the Balduc Mountain Ramblers.

Precincts change for Aug. 4 primary election

Independence Township has had to re-shuffle some of its precincts for the upcoming primary election Aug. 4.

These changes were made for three reasons. These variables include: the elimination of old Precinct 1 because of Clarkston's transformation from village to city, a change in county commissioner districts, and the splitting of Precinct 8, which has surpassed its limit for the total number of registered voters.

Now, residents accustomed to voting in Precinct 9 will vote under the new Precinct 1, which will be head-quartered at the Clarkston United Methodist Church.

The new Precinct 9 will be occupied by a portion of the residents who used to vote in Precinct 8. The dividing line will be Parview Drive, with new Precinct 9 voters residing east of this thoroughfare. The voting station will remain the same, however, with residents from both precincts 8 and 9 reporting to Clarkston Elementary School

In Precincts 4 and 10, voters will see new changes of venue. Instead of voting at Clarkston High School, Precinct 4 voters are asked to report to Dr. Chuck Munk's office building on 5825 Ortonville Road. Likewise, Precinct 10 voters are asked to go to the new Oakland County Sheriff sub-station at 5799 Ortonville Road.

Three county commission races

Depending on where you live, area residents will have a choice of voting in one of three Oakland County Commissioner races.

According to the township, voters in precincts 3, 6, 7 and 12 will vote for a candidate in District 2. The District 4 race will consist of voters in precincts 1, 4, 5, 8, 9 and 10. Voters in precincts 2 and 11 will be voting for a candidate from District 3.

County districts, precincts

Here's a run down of all the districts and their respective polling places.

(M-15, from previous page)

Dixie Highway with its expanded lanes, gutters and curbcuts," he said. "During construction of M-15, however, Dixie Highway could experience a little congestion because of its close proximity to the construction area."

Regarding the scheduled safety paths along the east side of M-15, Wilson said MDOT and the township are still discussing the width. Apparently, the township has to secure easements from some residents along M-15, in order to lay the safety paths. However, Wilson said, some residents have refused to "sign off" on these easements.

Originally slated at eight feet in width, he said the configurations of these safety paths are pending.

Wilson said that residents and businesses along M-15 will be contacted by a MDOT representative prior to construction in their area. He said these people and businesses will be given a phone number to call in case they have a concern or a gripe.

Township on the lookout for migrating moths

BY CURT MCALLISTER Clarkston News Associate Editor

After wreaking havoc in most of central Michigan, the gypsy moth is slowly moving southward.

But entomologists aren't the only people tracking their migratory patterns. In Independence Township, resident Gordon Mason is already scouting the township's outlying areas to gauge the level of infiltration.

"From what I understand, they aren't in large masses around Oakland County yet," said Mason, a computer coordinator with the township. "They're still pretty much centralized in the middle of the lower peninsula, but they're definitely on the way."

Not only is the gypsy moths' move to

"Once the gypsy moth is here, it's here to stay. You've just got to control them, so they don't take over."

Gordon Mason

the county inevitable, it's for the long haul, he added.

"Basically, once the gypsy moth is here, it's here to stay," Mason said. "You've just got to control them, so they don't take over. Too many years of constant pounding, like up north, will eventually stress our trees and kill them."

Mason works with the Cooperative Extension Service and Department of Entomology at Michigan State University, plus the Michigan Department of Agriculture. He became interested in the gypsy moth after he started spotting the critters near his 60-acre farm just northwest of Harrison.

"The gypsy moth is capable of mass destruction if proper measures aren't take

ahead of time," he said. "Luckily for us, in Independence Township, we can learn from our neighbors to the north and prepare ourselves in advance."

The gypsy moth migrated from America's northeastern seaboard, after coming overseas — via European ships in the mid-1800s. First discovered in Michigan in 1954, this species saw a population explosion in the 1970s and 1980s. This boon resulted in the mass defoliation of several counties in the northern and central parts of the lower peninsula.

Repeated defoliation can weaken trees and allow other insects and diseases to kill them off. According to the Department of Natural Resources, about 620,000 acres of trees were defoliated in Michigan in 1991 due to infestation.

The gypsy moth caterpillar's diet consists of the leaves of deciduous, hardwood trees. They especially enjoy oak, aspen, birch, basswood, poplar and maple trees.

These shade trees also serve as breeding grounds, where gypsy moth eggs are laid. Clustered in a yellow fuzzy mass, these eggs are laid in July and August and hatch the following spring. These clusters can consist of 50 to 1,000 eggs.

According to Mason, the gypsy moths should be entering their "moth" stage this time of year. They come in two colors: brown and white. The brown moth is the male, which is capable of flight. The white moth is the female; however, she can't fly.

In the beginning of July, Mason planted four gypsy moth traps at the southern and northern borders of the township. Baited with an alluring but deadly insecticide, the moths enter the trap but never exit. At the end of the month, he'll check these traps to count the number of the dead moths.

He said he used the same traps up by his farm and got amazing results.

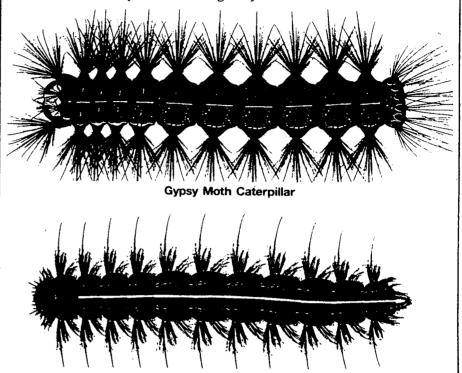

"I planted a couple up at my farm and attracted thousands of moths," he said. "I never saw anything like it. If there's a gypsy moth within a half a mile of these traps, it seems to be drawn by the scent of the insecticide strip."

As overwhelming as these pests appear, Mason said residents can protect their trees if they remain alert and inspect them periodically. If they do spot gypsy moth caterpillars or eggs, they should be scrapped off into a bucket of soapy water.

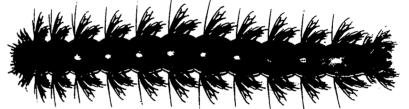

Adhesive or slippery bands can also Mason said

A Comparison of the Gypsy Moth, Eastern Tent, and Forest Tent Caterpillars

Forest Tent Caternillar

be attached to the trunks of trees to keep caterpillars from climbing up the base. Pesticides are an option, but Mason warns consumers to check all labels.

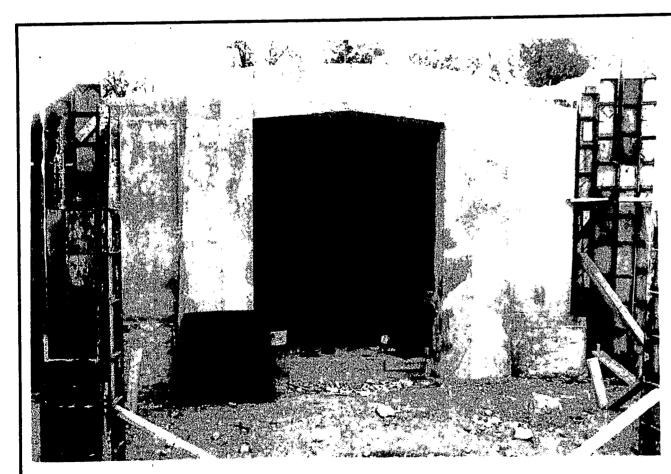

"I understand insecticides are being used a lot up north, but people have to make sure they're using the right type," he said. "The wrong type of insecticide could cause more damage to your trees than an army of gypsy moth caterpillars."

Mason said the key to fighting these

impending pests is not to panic.

"If a resident does spot a gypsy moth caterpillar, he shouldn't panic," Mason said. "There's a lot of options a homeowner can undertake to control the prob-

Anyone with gypsy moth problems is encouraged to call Mason at 625-5111. Further information on battling the gypsy moth is also available at the township offices on 90 N. Main Street, Clarkston.

2 'extra' signs OK' d for restaurants

Two new area restaurants received permission for additional wall signs from the Independence Township Planning Commission July 9.

Michael Albarkat of the Kenny Rogers Roasters franchise in Independence Town Square, Waldon and Sashabaw roads, asked for an additional 4-by-4-foot sign on the Sashabaw Road side of his restaurant.

Albarkat wanted the sign to depict Kenny Roger's face. It's the first of these franchises in Michigan, and Rogers will be visiting the store Aug. 7.

Some commission members objected to the picture of the country-western singer.

'I don't have a problem with two signs," said Joseph Figa. "It may look like a Kenny Roger's memorial with his face on the sign."

The commission voted 5.0 to approve a second sign without a face.

Raymond Starr, the franchisee of Dunkin Donuts, also in Independence Town Square, was allowed his second sign as long as the combined signage did not surpass the 32 feet allowed.

However, the second sign won't go up for a while because the first sign is 29 feet. Starr will have to wait until he can afford to buy two more signs and get rid of the

The commission voted 5-0 to approve two signs with the combined size not to surpass 32 feet.

Don't Rush Me

A billion dollar deal

Don Rush

Some say I am trendy -- definitely not because of the clothes I wear, rather because I tend to add my two cents to discussions at large. Lately, large discussions have been about government spending. To me, wanting fiscal responsibility is not trendy. People jump on the band wagon, so to speak, when they finally have had enough.

Count me in. As not to make a novel, we'll stick to

one budget item this time around.

When I hear about my favorite charity, the National Endowment for the Arts, I go nuts. For some time now I've been silently and at times not so silently seething about this government handout. The other day I heard about it again, this time on talk radio. Some man was giving reasons why we Americans should continue to dig into our wallets and pay for this big fluff program. Needless to say, I wasn't convinced that giving grants to college educated men and women to express themselves was and is the way to go.

A quick call to Congressman Dale Kildee's office (1-800-662-2685) and a week and a half and another phone call later I got what I wanted -- expenditures for the

Now I know why it is more than trendy to want to slash and whack at this program. When over 30 percent of my wages gets sucked up by taxes, and then I see the numbers on this arts thing, it's no wonder people on the streets get mad.

How many jobs, or homes or meals can be distributed with \$1,006,262,240? (You read it right sports fans, billion.) That's how much was spent for the National Endowment for the Arts from 1986-1991. For 1992 they have approved \$175,955,000. That amount is again requested for fiscal year 1993.

What fries me even more is that Congress approved and Mr. President passed over in 1989 and 1990 these arts authorizations: "Fiscal 1989 -- such sums as necessary."

"Fiscal 1990 -- such sums as necessary."

We wrote a blank check two years in a row for all the bureaucratic, artsy types to fill in their own figures. And, fill in they did. In 1989 we shelled out \$169,090,000 for the arts. In 1990, \$171,255,00.

Holy flush the money down the toilet, Batman!

The man who inspired me to call Washington D.C. said something to the effect: "We need to pay for the NEA because if we don't we'll be the laughing stock of the world." And, "Americans are part of a community, and always are paying for things they may not necessarily want or need -- like the military. Therefore we should continue to support the NEA."

Laughing stock of the world? I submit to you all, we probably already are for pandering to every mambypamby, special-interest group ever created.

You can't eat art (You could, but it wouldn't be kind

to your digestive system).

You can't fend off marauding hordes of barbarians, or street gangs or terrorists by brandishing a photo of a crucifix ker-plunked in urine (which we did pay for, so maybe we should get some sort of use out of it).

People are starving in the streets and we're giving away grants to artists. Artists who'll create art that will not be seen, experienced or appreciated by many on the streets. I just don't think they have the time to visit the exhibit, they're too busy trying to survive.

When times are booming, hey, great, maybe we can afford to float some dough out to artists, but times are tight and nearly \$200 million a year (that's about 100 million Big Macs) for life's pleasantries seems a little

Top clerk choice

The residents of Springfield Township will have the opportunity to vote for an accessible, concerned and dedicated person who will make a difference in our community this Aug. 4. Her name is Nancy Strole, and she is running for township clerk.

Strole has served Springfield and the local, county and state level. She has co-chaired a citizens group, which successfully protected our area from a criminal offenders facility. She has made presentations before Oakland County officials and is recognized by them for her knowledge on regional development policies.

On the state level, she has worked on tax reform for property owners and businesses. Currently, Nancy is serving our area as trustee, where she is spending countless hours serving the residents of our community.

My choice this Aug. 4 is settled after a review of her outstanding qualifications and success - Nancy Strole for Springfield Township clerk.

Shirley Byrd

Special interest school politics

It's good to know that at least two members of the Clarkston school board showed the courage to stick by the board's original decision to cut junior high athletics in the event that the millage increase failed.

We congratulate Mr. Howard and Mr. Van Klaveren for taking the stand they did.

While many parents like us work and vote for millage increases to enhance or maintain the current curriculum, it is obvious why the majority of the voters continuously turn down additional millage.

People simply do not believe any negative consequences will result from the defeat of increases. Indeed, the latest action looks like special interest politics as

Before the election, we received a list of cuts on which the board was to have deliberated and come to a decision. All voters in this community were made well aware of all the consequences of the millage failure. The fact that the majority chose to vote against the increased millage indicates that all of those cuts should have been implemented.

If there were some items on the list that the board might have suspected many voters did not want to lose, why didn't the board give the voters a more detailed ballot showing the funds required to continue each of the specific programs and services? Then the voters could have decided what to keep or drop.

I don't wonder that the board's credibility is continuously brought into question. I am reminded of the parent who tells his youngster that he will be grounded unless his grades improve and then relents under the child's whining and complaining. If our teachers dealt with students the way the board deals with consituents, there would be no discipline and no learning.

I am sure that in the future, the board will plead the additional millage is needed to maintain selected programs, only to have certain of those programs funded in some other way as soon as the issue fails.

Why should anyone in the community vote for increases when threatened programs are repeatedly reinstated? How many more times will the board cry wolf before the community declines a large renewal as has twice occurred in Oxford recently?

Clifton and Michele Higdon

Proven leadership

The upcoming primary on Aug. 4 is very important for the voters in Springfield Township.

Of the four people running for township clerk, only one has the experience and commitment to do the job. That person is Nancy Strole. We are fortunate to havesomeone of her caliber and integrity as a candidate for this

Nancy has been actively involved in our community for many years. Presently a Springfield Township trustee, she devotes countless hours to this job and is highly respected by other local, county and state leaders. She is always available to residents and works diligently and effectively to solve their problems.

We enthusiastically support Nancy Strole for Springfield Township clerk — the candidate with proven leadership skills and an impressive record of performance.

Please vote Aug. 4.

Jan and Chester Koop

YOU SAY A SULTAN ORDERED THIS CAKE, NERDLY?

More letters

Logical choice

I would like to bring to your attention a couple of items which you may or may not be aware of.

Even though the general election will not occur until November, it is the Aug. 4 primary election that will determine who your local government officials will be for the next four years.

All of the candidates for Springfield Township supervisor, clerk, treasurer and trustee have filed their election petitions as Republican candidates. This means that the winners of these races in August will face no Democratic challengers in November and thus will win the election.

In the race for Springfield Township clerk, one candidate stands head and shoulders above the others — Nancy Strole. Nancy currently serves on the township board as trustee.

Nancy has worked hard and long for the residents of the township and all of north Oakland County. She was instrumental in keeping Camp Holly from becoming a reality in our area. Nancy helped lead the fight for property tax reform with her work on the Patterson/Anderson Amendment.

She represents SEMCOG, keeping the Wayne County representatives from ignoring the desires of north Oakland County. She has the respect and trust of our county commissioners and our representatives in Lansing and Washington as well.

Her educational and professional background make her the candidate most qualified for the position; her untiring dedication and willingness to serve make her the most logical choice. I urge you to support Nancy on Aug. 4 when the race will truly be decided.

Dennis J. Vallad, trustee Springfield Township Board

Back on track

As former Independence Township supervisors and board members, we know Dale Stuart will make an excellent supervisor.

There is nothing old fashioned about cooperation with the village and schools; Dale Stuart will get us back on track. We deserve a change to controlled, efficient government spending and responsive government that listens when the voters say, "No."

Dale Stuart will open government back up to involve its citizens in the important decisions that affect our quality of life.

Dale Stuart has the experience and dedication to provide genuine leadership of the many important issues that face us as a community. We urge you to support him in every way you can for the very, very best for our community.

James B. Smith, former township supervisor Gary Stonerock, former township supervisor Robert Vandermark, former township supervisor Christopher L. Rose, former township clerk William Vandermark, former township trustee Frank Millard, former township trustee Rudy Lozano, former township trustee

Support O'Neill

I'd like to inform you of my support for Megan O'Neill. She is hard at work on the campaign trail securing votes for the Aug. 4 primary as the Republican candidate for the new 9th Congressional District.

Megan's hard work, integrity and leadership are qualities that will help her serve in the U.S. Congress. I know she will carry the concerns of the people of this district to Washington, D.C., and represent us well.

Please join me Aug. 4 and vote for Megan O'Neill as the Republican candidate for the 9th Congressional District.

Lynn D. Allen

Letter policy

Letters to the editor must arrive at The Clarkston News office by noon Monday to be considered for publication in Wednesday's paper. We reserve the right to edit all letters for brevity and clarity and to limit the number of letters from any one individual or on any one topic. Letters are limited to 315 words. We discourage copies of letters sent elsewhere and require that all letters be signed and include an address and phone number. We may withhold names on request but will not publish unsigned letters. Address all letters to: Letters To The Editor, The Clarkston News, 5 S. Main St., Clarkston, MI 48348.

Guest Column

Healthy alternative

There are many controversial issues that the presidential candidates are going to have to take a firm, hard stand on, yet one needs to be confronted with the same seriousness as the others.

Pro-life or pro-choice? Which stand can we take, with a clear conscience, especially in an economy based on convenience?

Me, well I'm proud to say I'm pro-life; however, I realize that everyone is entitled to his or her own opinion. When asked why I chose this stand, I simply say, "Because the sexual act of intercourse is specifically designed for reproduction, to offer continuum to the creation of life as ordained by God.

"Is this an American way of holocaust, by free living, yet simultaneously killing off the unborn generations?"

Females and males alike are told of conception and where babies come from in their youth. Pregnancy used to be one's only concern; yet, these days (because of our free living), there are so many other fatal diseases that can be contracted through unprotected sex.

Becoming pregnant has slid down the list of dilemmas one could face. Why then have we made such a big issue out of a simple unplanned pregnancy? Why do they want to allow abortion as a form of birth control, claiming it's the woman's choice to choose what she does with her body?

If you ask me, the woman who wants to use abortion as a means of birth control didn't make a very wise choice in the first place, concerning her body, by having unprotected sex. Now she just wants to get rid of the evidence, to sweep it under the rug, so to speak, and to continue with her free living, unscathed and no one the wiser.

It usually takes the woman two to three months to discover if she is pregnant, yet the fetus heartbeat begins at about three weeks from conception, brain waves at about 26 days. The fetus is a viable organism.

Adoption is a neglected, silent partner as an alternative in the whole picture.

There are couples out there, who for some physical reason or another can't have their own biological children. For these people, we must stop killing unplanned babies. To continue would be the most selfish thing that we, the privileged, could deny our fellow kind — red, yellow, black or white, whoever would appreciate the opportunity to love, care and raise our baby to form the proper family unit.

Please keep adoption in the back of your minds as a healthy alternative to infanticide.

Michelle Sherwood resides in Independence Township.

'If it Fitz ...'

There's more to life than just surviving

Jim Fitzgerald

I believe there can come a time when life isn't worth living. When physician-assisted suicide, legalized euthanasia - whatever you want to call it - is preferable to the physical and mental pain of a hopelessly disabling, chronic - even if not terminal - illness.

Arthur Caplan, director of the Center for Biomedical Ethics at the University of Minnesota, disagrees. In a recent newspaper column about Jack Kevorkian, Caplan wrote:

"Kevorkian's assisted killing of the vulnerable and the frail, his belief that women who see their lives as lacking in value deserve immediate assistance when they say they wish to die, illustrates what is morally wrong with the movement to make active euthanasia and suicide legal. It is tempting for society to respond to despair, vulnerability and disability with carbon monoxide or potassium chloride. It is cheap, clean and neat. It is also immoral."

I wondered how Caplan's words would strike the suburban homemaker who has the same unbearably painful pelvic ailment suffered by one of the four women whom Kevorkian helped commit suicide. I've previously written about the homemaker, withholding her name for obvious reasons. She is 63, her prognosis is dismal, and she is determined to avoid her biggest fear, which is:

"That I will not be cured and will be sitting in a nursing home some 20 years from now....in pain and with strangers around me who really don't care."

Because she is a prolific letter writer, I wasn't surprised to learn the homemaker already had written to Caplan. Following are excerpts from that letter:

"...there are worse things than dying, as anyone who has walked the halls of a nursing home or who is suffering from a painful, chronic, nonterminal illness will tell you.

"Your statement that the ranks of the elderly are exploding and more people are kept alive by medical technology and people are surviving with devastating illnesses such as AIDS, etc., puzzles me. What do you mean by 'surviving'? Most of the illnesses you mentioned are not survivable. They will, sooner (if you're lucky) or later, kill you. And it won't in many cases, be an easy death. The cowards among us would prefer an easier way out.

"I do not agree that Kevorkian's 'brand of zealotry' would be unleashed if his efforts to make euthanasia and suicide legal are allowed to bear fruit. I believe legalized physician-assisted suicide would accomplish just the opposite. We wouldn't have loose cannons like Kevorkian running around with canisters of carbon monoxide or family members involved in helping grandma exit to the great beyond, whether she wanted to or not, at least not under the guise of assisted suicide.

"Legalized euthanasia would be voluntary, not mandatory. There would be no death squads patrolling hospitals, or nursing homes deciding who should live or die. People who are not 'perfect' would not be done away with. There is a wave of paranoia sweeping the ranks of the handicapped that is totally without justification. Assisted suicide for people whose lives are filled with pain and devoid of quality would be an option, not a requirement.....

"Families of dying or severely disabled people in misery and constant pain would no longer have to put themselves, legally, in harm's way, not to mention the emotional distress of helping a loved one commit spicide"

Amen. Physician-assisted suicide can be cheap, clean and neat. And moral.

Help there for the asking

Doug Carlson

A few weeks ago, the Clarkston Board of Education held two special meetings designed to solicit input from local residents on a variety of issues.

One of the issues was the whole DDA funding situation. The other meeting was devoted to overcrowded schools, possible future construction, and how to pass millages to resolve this situation.

Although I was able to attend only a small portion of the meeting devoted to overcrowding, I got there in time to hear an interesting and eloquent commentary by Nancy Walters, the mother of two children in the Clarkston

\$12,000 mower OK'd

A new weapon against tall grass is in the grasp of the Independence Township Parks and Recreation Department

On July 7, the township board approved the purchase of a 1990 Hustler mower for \$12,000. Owned by a landscaper, the machine has about 180 hours on it.

The 1990 Hustler mower will be added to the parks' existing fleet of two wing mowers — a 1987 Hustler and a 1990 Howard.

Citing the parks and recreation's capital improvement schedule, director Ann Conklin said her department is slated to add a mower next year. However, she asked to buy this machine now because a new Hustler mower will eventually cost around \$25,000.

With \$13,000 worth of savings in mind, the board voted unanimously to buy the mower.

school system. As I listened to Nancy speak, and the board's reaction to her comments, I felt that she had been heard but not listened to.

Essentially, what Nancy said was that people in the community have lost faith in the board and that passing a millage will be virtually impossible until that faith has been restored.

Nancy went on to say, "The need for additional space at every level is more critical than ever, yet the voters repeatedly reject every bond issue prepared by the board. Since the entire community will both pay for and benefit from any new construction, why not ask them what they would be willing to support? Seek real input from every aspect of the community, and allow interested parties to actually have a part in putting together a realistic bond proposal."

President Joseph Helpern gave the board's response by stating that this approach had been tried in the past and nothing had come of it. He was referring to the Facilities Review Committee and other similar efforts, which involved a great deal of effort and produced voluminous documents that were never utilized.

Well, maybe so, but that was four or five years ago, and this is now. One thing we're learning at Ford, almost in spite of ourselves, is to stop using the excuse, "We tried that once and it didn't work."

Personally, I totally agree with Nancy. I feel the time has come for all of us to sit down together, put aside our differences, and share ideas on how we can provide the best possible education for our children, given the current economic climate and all that it portends.

There is a wealth of expertise in this community that could and should be mined in a search for new ideas, concepts and approaches. As Nancy put it, the board of education, in spite of its sincerity and desire to do what is right for our children, does not know everything about our school system. The people who know and understand the problems in each school are the teachers, the principal and, to a lesser degree, the parents.

In December 1991, our group gave the board a proposal on how additions could be made to each elementary school, which we felt could address the problems inherent in those schools. But our group doesn't really know what those problems are. We were simply proposing a concept that could be considered.

It was our suggestion to have the principal and teachers sit down together, prioritize their problems, and select the best solutions from a shopping list of possible alternatives. A cost could be attached to each solution, so things could be kept within reason.

But, like Nancy, our group was heard but not listened to. Our proposal was thrown out because the problem of overcrowding had been attacked by "experts" (the Facilities Review Committee being one example), so why listen to a bunch of amateurs?

Anyway, that was then and this is now, and a lot of help is there for the asking. Don't dismiss all of us so casually. We are capable of helping!

Car bombing strikes Eastview

They may not live in Palermo, Italy, but an Eastview, Independence Township, family fell victim to a car bombing July 14.

No one was injured in the about 10:30 p.m. explo-

Prior to the blast, a neighbor of the victim saw a small dark vehicle in front of the residence. He then saw a white male run from the victim's car and enter the dark vehicle, which sped away northbound on Eastview. Then, the car exploded.

Oakland County Sheriff's deputies arrived on the scene to find that the car was not on fire. An end cap from

a steel pipe was found in the neck of the gas tank, and most of the bomb was found on the ground behind the car. Portions of car's body were found in the yard across the street — 150 feet away from the car.

Police had responded to another bombing complaint on Pine Knob Road in an open space at 9:55 p.m. on the same evening. Nothing was found at the sight, but the person who called saw a small dark car driving away from

The police have no suspects at the time and are still investigating the incidents.

Time for change

The current township supervisor's spite of the village has again cost the township residents significant revenue and a chance to improve public services.

First, it was police services. The village was willing to pay to the township in excess of \$60,000. This was enough money for additional general police coverage throughout the township. In return, the village wanted the sheriff's deputies who were assigned to the township to provide what 911 emergency service the village might need. The supervisor said: "No."

Now the village has its own police force, at a reasonable cost, but the township is left with less service. So the township taxpayers pay.

Next, it's the library. The village was willing to increase its library millage 67 percent to 1.25 mills for the joint operation of the library. This would allow the library to begin to increase its number of books and services—and help the township cover the cost of the new library.

The township rejected this proposal because the current supervisor wanted the village to more than double its millage to 1.75 mills. It is an all or nothing proposition. Either the village does what the township supervisor demands — or else.

Meanwhile, the library is still a public building and so will continue to be open to village residents. And the township taxpayers will have to pay for the building debt alone and, beginning in 1993, the township taxpayers will pay for all the library services — alone.

Clarkston reasoned it was not necessary to jam the entire library with books overnight. Rather a quality collection could be put together gradually. They reasoned it was more likely the taxpayers would support a modest increase directed at improving the library gradually with the continuing support of the taxpayers.

By the way, the township's proposal also included a 30 percent tax increase for township residents. Undoubtedly, Clarkston council also realized it was unlikely the township's taxpayers would vote yet another tax increase.

As I understand it, the Village of Clarkston wanted to become a city in part to protect itself from the dictato-

rial, paternalistic ways of the township government. In doing so, they have provoked the "How dare you" wrath of the township supervisor. But it is the taxpayers of Independence Township who are and will continue to be one community.

In my discussions with Dale Stuart, I am convinced that he can and will lead the township to cooperation with the city — and the school board — as one community. As our next township supervisor, Dale Stuart will open up the process of government for all to see and participate in.

It will all be decided in the primary vote on Aug. 4, just days away. I urge every voter in Independence Township to find the way to the voting place Aug. 4 and vote for Dale Stuart for township supervisor. It is an opportunity for change we cannot afford to miss.

William R. Keller

Best qualified for clerk: Strole

I originally met Nancy Strole as a constituent when she took the initiative to contact me regarding an issue of concern to me

Since that time, I have received the benefit of her knowledge and experience on several issues. This proactive behavior is one reason why Nancy Strole should be elected Springfield Township clerk.

As the only candidate with township government experience, Nancy Strole is already knowledgeable of all the issues facing our township.

The Aug. 4 election is not about voting for a "friend of a friend." This election is about getting the most qualified candidate for Springfield Township.

I urge everyone to read the literature drops from all candidates and compare the qualifications and experience. Ask yourself who has been pro-active (or active at all) with our township.

Well informed citizens make the best decisions. Compare the candidates and become well informed. Vote for Nancy Strole on Aug. 4.

Member to be tried for church fire

Church on Sashabaw Road has been charged with setting the church on fire and causing \$40,000 worth of damage.

Vincent Smith, 23, is charged with one count of arson of real property, a felony carrying a 10-year jail

Smith was arraigned before Judge Gerald McNally of 52nd District Court, Independence Township. At his preliminary examination July 10, he was bound over to Oakland County Circuit Court.

His arraignment is set for July 29 before Circuit Judge Robert Anderson.

David Row, arson investigator for the Oakland County Sheriff's Department, said that church members and area residents do not have to worry — the fires were not set by a pyromanic.

"This particular church fire is an isolated incident," said Row.

Independence Township firefighters arrived at the

A trustee and member of the Missionary Baptist of fire on May 28 and found Smith, apparently overcome with smoke, lying outside the church office.

Five small gasoline fires had been set throughout the church — on in the pews, in the office, in the utility room, in the bathroom and on a raised stage.

Although Row declined to comment on the possible motives in this case, he gave seven major motives in arson: fraud, crime concealment, pyromania, vanity or recognition, revenge, civil disorder and vandalism.

Arson is a problem, even in Independence Township, said Row. If someone were to burn an average house in Independence Township, it could result in \$100,000 to \$200,000 in losses, not to mention the possibility if injuring someone.

To report any information about arson, call the police at 858-TIPS. Or call 1-800-44-ARSON to report information. Up to a \$5,000 reward can be given by the Michigan Arson Control Committee for information about arson.

Slow down to come

Drivers will have to travel a little more slowly on Oakhill Road between Dixie Highway and Kier Road in

The Springfield Township Board approved the posting of a 25 m.p.h. residential speed limit on that road July

The board was presented with a petition with signatures from 29 Oakhill Road residents, including 55 percent from Springfield Township. The petition asked that a speed limit be posted. There had not been a limit posted in this area, and the residents said that the cars were traveling too fast on Oakhill.

In about four to six weeks, the posting of the sign and speed limit will be carried out by the Oakland County Road Commission, which needed the recommendation of the township board to make the change.

Sports

Athletes who go ...

... bump ...

... in the night

THE TOP two teams in the Co-Rec Upper Wednesday night volleyball league squared off last week and the first-place Sand Diggers remained in first by winning three of five games against the Clean Up Crew. In the photo at left, Clean Up Crew's Sandra Mong of Metamora hits an underhand serve. In the photo above right, Sand Diggers' Mike Pokorski of Auburn Hills returns a serve. The volleyball matches, sponsored by the Independence Township Parks and Recreation Department, are played Monday through Thursday nights at Clintonwood Park. (Photos by James Gibowski)

Car up for grabs for those who ace

A "Hole-in-One Contest" at Indian Springs Metropark Golf Course Aug. 9 is part of the Huron-Clinton Metropark's 50th anniversary celebration.

Any golfer who aces a designated par-3 hole will win a new 1992 Pontiac Grand Am.

To enter the contest, golfers must pay for and complete 18 holes. There are no other entry fees. Nine-hole rounds are not eligible.

The golf course is located on Indian Trail in Springfield Township. For more information, call 1-800-47-PARKS or 1-800-23-GOLF-4.

Clarkston Chief sign up

Football season is around the bend, and it is time to sign your children up for Chief's football.

The area football league is for boys ages 8 to 13.

Sign-up and physicals take place at the American Legion Hall on M-15 6-8 p.m. Tuesday, Aug. 4.

The sports physical costs \$7 per child. Registration is \$50 for the first child and \$60 for a family.

Each child needs to bring his birth certificate, a current wallet-size photo and a parent or guardian to sign the forms.

For more information, call 623-9319.

Youth basketball clinic offered

A second Youth Basketball Clinic will be offered for boys and girls ages 9-16 at the Mill Pond Park basketball court in Springfield Township.

The clinic, which is conducted by Jeff Boykin, emphasizes fun and fundamentals such as passing, dribbling and shooting. It takes place noon to 1:30 p.m. Monday through Friday, July 27 through

Aug. 7.

Awards will be given at the end of the program, along with a pizza party for all participants. A minimum of eight participants are needed to hold the clinic,

which is sponsored by Springfield Township Parks and Recreation. For more information, call 634-0412.

Former Wolf earns WMU tennis letter

Keith Turner, a former Clarkston High School No. 1 singles player, has earned a varsity men's tennis letter at Western Michigan University.

Turner, a sophomore, competed in No. 6 singles and No. 3 and No. 4 doubles.

The Bronco finished the season 4-5 in singles and 1-7 in doubles.

WMU ended the season at 8-14 in dual matches (1-4 in Mid-American Conference duals) and finished fifth at the MAC championship.

The Palace will put new sports events on ice

The Palace of Auburn Hills has made improvements to help feature ice-related events.

"The addition of permanent ice surface capabilities at The Palace greatly expands our ability to host ice-related entertainment and sporting events," said Tom Wilson, executive officer of The Palace, Detroit Pistons and the New Pine

Knoh

The project has included demolition and removal of the existing arena floor and other necessary concrete; installation of a refrigeration system and a refrigerated floor with a sub-soil heating system; and installation of over 10 miles of connected piping systems. More than 400 yards of cement has also been replaced.

The new ice floor's dimensions are 85-feet by 185 feet, which meets NCAA hockey regulations. Design provisions include more than 100 dasher panels; specatator shielding; boxes for teams, officials, goal judges and penalties; and

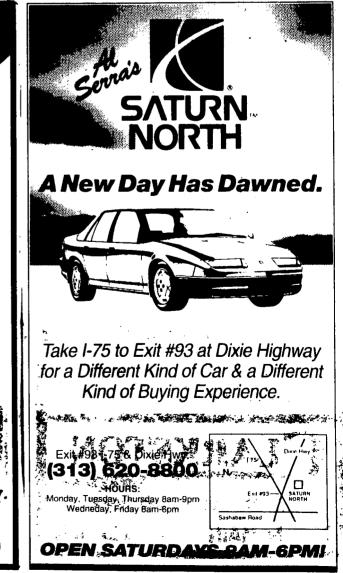

access gates. The new surface also includes considerations and floor mounts

for indoor soccer, tennis and volleyball equipment.

The system allows convenient conversion from dry floor events such as basketball and concerts to a floor capable

of making ice in only three hours. Removal of ice back to dry floor set-up takes 4-5 hours.

Roundup

FALL ADULT SOFTBALL LEAGUES

Registration is underway for the adult softball fall league, which runs from Aug. 23 to Oct. 5.

A mandatory manager's meeting take place 7 p.m. Wednesday, Aug. 19.

Priority registration goes to returning summer league teams and 1991 fall teams until Friday, July 24. Open registration to the general public for teams begins July 27.

DOG TRAINING REUNION

This program for dogs who have taken training during the past year includes brushing up on: heeling, sit-stays, long down, socializing and play techniques.

The reunion takes place at 6 p.m. Wednesday, July 29, outdoors at Clintonwood Park. Cost is \$5 for residents and \$10 for non-residents.

T-SHIRT WEBBING/ SPONGE PAINTING

A class in designing and applying wild colors on T-shirts takes place at Plasterworks (in the Independence Town Center) 2-4 p.m. Thursday, July 23, for ages 6-11 and 4-6 p.m. for ages 12 and up. Cost is \$13.50 per person. Participants should know their shirt size.

CREATIVE WARDROBE PLANNING

Women can build a basic wardrobe and create a '90s look in this one-day workshop. Local hairdressers and makeup artists will demonstrate the latest techniques and styles.

The program takes place at the Educational Development Center (in Ritter's Country Square) 9:30 a.m. to 12:30 p.m. Saturday, July 25. Cost is \$35 per person.

FALL & SPRING YOUTH SOCCER

Registration is underway for fall and spring soccer in age divisions under-8, under-10, under-12 and under-14. Some divisions compete against other communities. The league begins mid-September.

The fee includes shirt and socks, The cost varies, depending on choice of seasons. Players must provide their own shin guards.

YOUTH GOLF SCRAMBLE

This four-person scramble for golfers ages 9-17 costs \$10 for league members, \$20 for non-members. After nine holes of golf at Spring Lake Country Club, golfers will have pizza and pop. Golfing begins at 8 a.m. Friday, July 24. Preregistration is required.

COUNTRY-WESTERN DANCE

A one-day introductory countrywestern dance class gives participants an opportunity to try several dances. The program is 1-4 p.m. Saturday, July 25, in the Carriage House at Clintonwood Park. Cost is \$7 for residents and \$12 for nonresidents. Pre-registration is required.

KIDDY KICKER SOCCER

Kiddy Kicker Soccer is for 4- to 6year-olds. Registration is now through Aug. 7.

Participants receive a T-shirt. Matches take place 10-11 a.m. or 11 a.m. to noon on Saturdays, beginning Aug. 29. Cost is \$18 for residents and \$23 for non-resi-

OWER LOAN RATE quarantee means your rate can only o one way:

If you're waiting for interest rates to drop even lower before you take out a loan, we have a great guarantee for you: take out your loan now while rates are low, and if our rate drops even further later, yours will, too! You'll get all the benefits of a variable rate without any of the risks: your loan rate can go down, but it will never go higher than it was the day you took it out.*

Our guarantee applies to:

- Car loans
- RV loans
- Boat loans
- Home equity installment loans

So don't wait to buy what you need. You'll get a great rate now that may turn into an even better rate later!

School colors will adorn new athletic building

The new athletic team building at Clarkston High School will be painted in accordance with school colors.

On July 8, the Clarkston school board unanimously approved of a color scheme that includes blue, gold and white. According to Clarkston Athletic Booster Club President Dwight Spiker, all the structures

Top trio can win \$1,000 in scramble

Players can win cash at the 3-Man Scramble Saturday, Aug. 1, at Springfield Oaks Golf Course.

The 18-hole best-ball scratch tournament will be for youths and adults. Tee off time is 8 a.m. at the course which is located on Andersonville Road near Hall Road in Springfield Township.

Cash prizes will be awarded to the top 10 finshers, including a \$1,000 first prize.

"The event is one of the most popular scrambles in the area. We're expecting 60 teams to compete this year," said Gary Berschbach, Springfield Oaks Golf Course manager.

Registration deadline is Friday, July 24. The \$135-per-team entry cost includes green fees, a golf cart and prize money.

An optional skins game will also take place for \$15 per team.

In case of inclement weather, the tournament will be played Saturday, Aug. 8. For more information, call 625-2540.

in vicinity to the football field will also be painted to reflect the school's official colors.

The matter was brought before the

board when the question of color surfaced between the Boosters and the school district.

The paint will be purchased by the

Booster Club, which has overseen and paid for the structure's erection. The building is scheduled to open this fall and facilitate CHS athletes and visiting teams.

Tennis lessons, tourney begin in Waterford

Tennis lessons for players of all ages and skill levels begin Monday, July 27, at the Waterford Oaks Court Games Complex.

The two-week session will offer instruction for adult and youth competitors. Adults can benefit from lessons designed for their convenience and skill level.

Youth lessons include Pee Wee I and II clinics for beginners ages 4-7; the junior clinic, focusing on stroke production and

conditioning for players 8-11; teen tennis, offering instruction and competitive play for youths 12-17.

In addition, a new tournament will also take place July 31- to Aug. 2. The Oakland County Junior Championships will feature singles play for boys and girls in four age divisions: 18, 16, 14 and 12-and-under.

First-round consolation matches will

be held. Trophies will be awarded to the winners and runners-up in each division. The entry fee is \$16 per player. Entry deadline is 5 p.m. the Sunday prior to the tourney.

All players must be United States Tennis Association members. Memberships can be purchased at the Court Games Complex.

For more information, call 858-5433.

Golfers save money, fight lung disease

Area golfers can slice their greens fees with the American Lung Association of Southeast Michigan's (ALASEM's) 1992 Golf Privilege Card.

The card entitles its holder to either free or discounted greens fees at 32 area courses. Golfers not only save money, they help fund the fight against lung disease in Southeast Michigan.

For \$25 (or two cards for \$40), golfers can use the card to redeem one free round of golf (unless otherwise specified)

at 32 courses located in Macomb, Oakland, Wayne/Washtenaw and Genesee counties

The card can be used at three Independence Township courses. The three courses and restrictions for card use are: Clarkston Golf Club, 9241 N. Eston, 9 holes, weekdays only before 4 p.m.; Pine Knob Golf Course, 5580 Walton Rd., 18 holes, Monday and Tuesday before 3 p.m., power cart required; Spring Lake Country Club, 6060 Maybee Rd., 18 holes, week-

days only, power cart required.

For an additional \$10, golfers can purchase a Northern Michigan Discount Golf Pass. Golfers can take advantage of "Two-for-One" greens fees at eight northern Michigan resorts, some of which include Grand Traverse Resort in Acme, Shanty Creek/Schuss Mountain in Bellaire and Michaywe Hills Golf Course in Gaylord.

For more information, call (313) 559-5100.

Teen-ager on road to recovery after cancer bout

BY CURT MCALLISTER Clarkston News Associate Editor

Shannon Clark has only four more years until she's finally clear of "J.R."

The Clarkston Junior High School student came up with the moniker nearly a year and a half ago, after becoming afflicted with Ewing's Sarcoma. The disease is a form of bone cancer that primarily attacks teen-agers.

For Shannon, the disease struck just below her left knee cap. Upon examinaion, doctors found that a tumor had attached itself to her tibia and was eating into the bone.

Over the ensuing months, Shannon underwent massive chemotherapy treatment to curtail the cancer's spread and ready her for a delicate operation. The surgery included extracting the tumor, removing five inches of infected bone, and filling that gap in the tibia with a portion of a cadaver's bone.

After replacing the bone, doctors pulled muscles from the backside of her leg to the front to provide a blood supply to the re-constructed tibia. A skin graft was then taken from her hip to patch the exposed areas of her leg.

Shannon had hoped to be walking by summer, but a fall in February resulted in a broken femur and set back her recovery time. According to her mother, Lisa Braun-Clark, Shannon has been able to accomplish one goal,

"Just three weeks ago, Shannon was strong enough to ride a horse for the first time in a couple of years," Lisa

said. "She loves horses more than anything and it was really great to see her in the saddle again.'

Lisa said Shannon's doctors are equally as optimistic about her daughter's condition and see a full-recovery on the horizon.

"Since this disease went into remission nearly a year ago, the doctors have been quite encouraged with Shannon's recovery," she said. "They say she has four more years of tests and check-ups to endure, but, after that, she should be clear of the cancer for good."

Lisa said her family appreciates the outpouring of help from the community, especially those who are taking their time to participate in the bowling benefit July 26.

"We are very fortunate to have so many people care about Shannon's welfare," she said. "We're really looking forward to the bowl-athon, so we can thank everyone personally."

Lisa said the collected pledge money will go toward Shannon's college education and the payment of medical

Youth choir

Concession proceeds benefit teen-age cancer patient

Those who purchase concessions during the free concert in the park on Tuesday, July 28, will be helping a teen-ager Clarkston-area resident who is a cancer patient.

During the Schaumburg Youth Choir performance 7-9 p.m. Tuesday in Clarkston's Depot Park, concessions will be sold to raise money for "Shannon's Fund," which will go to teen-ager Shannon Clark.

The concert itself also is youth-related — the choir comprises youths ages 11-23, who sing German and international folk songs, religious work and madrigals. While on tour in the Midwest, the choir from Bukeburg, Germany, is performing in major cities. While in Clarkston, the choir members are staying with Clarkston-area families.

They also will perform in another free concert at 6 p.m. Sunday, July 26, at the Clarkston Community Church, 6300 Clarkston Road, Independence Town-

Benefit needs additional bowlers

Bowlers have a chance to raise money for a good cause this weekend.

A bowl-a-thon for cancer patient Shannon Clark, a Clarkston Junior High School teen-ager, is set for 1-5 p.m., Sunday, June 26, at Cherry Hill Lanes North, Dixie Highway, Independence Township.

The goal of the organizers is to find 216 bowlers who will gather pledges of at least \$100 each, which would earn more than \$20,000. The proceeds will be donated to wishes, said organizer Michele Phaup.

According to Phyllis Braun, Shannon's grandmother, between 180 and 190 people have already promised to bowl in the benefit, but they are still searching for more

"Let's discuss your Career in Real Estate Sales"

BEAUTIFUL LEVERAGE

OUESTION: What is meant by the word "leverage" when used in conjunction with investing in real estate?

ANSWER: In its simplist terms, leverage means using someone else's money to vastly increase your profit potential. Leverage arises because ALL of the income and ALL of the appreciation in property * value belongs to the property-holder regardless of the amount of the loan.

Assume a \$100,000 property was purchased for only \$10,000 down. Five years later, it is sold for \$150,000 (a 50% gain in value). After paying off the \$90,000 mortgage, the investor would realize, not a 50% gain, but a 500% gain on his actual cash investment. That's leverage.

LEVERAGE, simply means using someone else's money to vastly increase your profit potential.

27 S. Main, Clarkston 625-9300

75 pints collected

RICHARD LUND helped the American Red Cross collect 75 pints of blood at the Chief Pontiac American Legion Post Saturday, July 11. Lund, an Independence Township resident, has been on dialisis for two years and is now on the waiting list for a new kidney. When a kidney is found for him, 100 pints of blood will be needed, so the July 11 blood drive was dedicated to him. The actual blood collected, however, may be used by others prior to Lund's operation. But since the drive was dedicated to him, when Lund's operation time arrives, he will automatically has 72 pints of his blood type on reserve. Lund, 44, and his wife, Brenda, reside on South River, Independence Township. He is a custodian for Waterford Community Schools. (Photo by Catherine Passmore)

Hot weather and pets don't mix

It's that time of year when both pets and their owners enjoy being out-of-doors. It is also the time of year when heat and humidity can make life miserable for pets.

The Michigan Humane Society (MHS) wants pet owners to take extra care of their pets during the warm weather season. Pets can have a safe and healthy summer when their owners use a little common sense and forethought.

Never leave a pet in a parked vehicle with the windows closed. Temperatures can rise to life-threaten-

High tech comes to Springfield

A computer and facsimile machine will help turn the Springfield Township government into a higher technology office.

On July 15, the township board voted 4-3 to approve a \$2,315 Gateway computer for the fire department. Voting yes were: Treasurer Lois Stiles, Trustee Margaret Bloom, Trustee Charles Oaks and Trustee Nancy Strole. Voting no were Supervisor Collin Walls, Clerk J. Calvin Walters and Trustee Dennis Vallad.

Those voting no voiced concern that this was not the lowest priced computer and that the company was based in South Dakota and not accessible to Springfield.

The new computer, though a 30 percent higher cost than that of the lowest bid from Comp USA in Troy, is compatible with the fire department's current software. The computer is to be purchased from Gateway 2000 in South Dakota.

Fire Chief Marlan Hillman said the Gateway computer was the best for the money and the department.

The board voted unanimously to approve a \$1,915 Sharp fax machine from Sherwood Business, Waterford. The machine prints on plain bond paper and can handle letter- and legal-size paper.

ing levels for pets in less than 15 minutes. Pets cannot perspire as do humans and must pant to cool themselves. Without proper air exchange, pets can suffocate to death. The MHS advises pet owners to leave several windows in the vehicle open slightly so fresh air can circulate, or leave the pet at home during the summer months.

■ If the pet stays outdoors, be sure the animal has shade. A doghouse in the hot sun does not provide adequate shade for the animal.

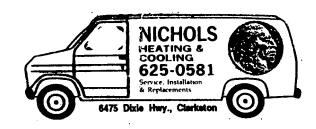

Fresh, clean water must be available at all times. Water in a bowl evaporates quickly in hot weather, so be sure to provide an ample supply regularly.

Exercise for pets is best done in the early morning or late evening. Pets are susceptible to heat exhaustion just as humans are. Do not exercise pets in the heat of the day; wait until temperatures are lower and the pavement cooler.

■ When exercising a puppy or kitten do not over exert them. Young pets often do not know when to stop. It's the pet owner's responsibility to know when enough is enough.

The Michigan Humane Society is a non-profit organization serving animals since 1877, with three full-service shelters and charitable animal hospitals in the metropolitan Detroit area.

LIMIT 2 EXPIRES 7-28-92

CHURCH volunteers took about 30 hours to build this wheelchair ramp for Eric Pope. The ramp especially makes it easier for Pope to get out of his swimming pool, which is

used as an important source of exercise. Church volunteers clockwise from Pope are Jill Cascone, Clarkston United Methodist Church Youth and Education Director John

Leece, Joe Harm, Aaron Weinzierl, Paul Zink, Kristi Millard and Courtney Johns. The project was part of Righteous Mission '92, during which teens volunteered to work for others.

Little things mean a lot

Church volunteers make a difference for some

BY JAMES GIBOWSKI Clarkston News Staff Writer

Eric Pope appreciates every inch of a 61-foot wheelchair deck built by church volunteers as part of Righteous Mission '92.

The deck helps 12-year-old Pope, who has spinocerebellar disease (which progressively affects the nervous system), get out of his swimming pool. That task will become more and more difficult for the Groveland Township youth.

The building of the deck was just one of several Righteous Mission '92 projects completed July 6-10 by youths and some adults from Clarkston United Methodist Church, Davisburg United Methodist and Grace Christian Church. During the week, the youths were housed at Christ the King Camp in Oxford at no cost. The program is in its fifth year.

Those who helped build the deck (including contractor Steve Wyckoff who donated his time and expertise) made a big splash with Pope.

"I'm really thankful someone came out and built this

"I'm really thankful someone came out and built this for me. It takes a lot of stress out of getting out of the pool."

Eric Pope

Reflections

for me," said Pope. "It takes a lot of stress out of getting out of the pool."

Eric's mother, Patty, also was impressed.

"I wish there was a way I could thank them more than just saying, 'thank you,'" said the mother.

Other completed projects by the volunteers included constructing a pitched roof on a home in Springfield Township, doing extensive home repair and cleaning for a woman in Springfield Township, building a wheelchair ramp for a stroke victim in Springfield Township and doing clean up and yard work for the elderly at several Clarkston-area homes.

Before the church volunteers went into action, the people in need first contacted Lighthouse North in Independence Township or Neighbor for Neighbor in Springfield Township.

Those who participated in Righteous Mission '92 from Clarkston United Methodist Church were: Adults—John Leece (director of youth and education), Brenda DuPree, Emily Sutherland, Tina Sutherland, Carla Mitcham,

Sheryl Ruppert, Vonda Ruth, Louise Angermier, Alisa Clapp, Joel Mellen, Steve Wyckoff (skilled craftsman). Youths — Kelly Arcello, Jeremy Bleim, Sara Chamberlain, Stephanie Chapman, Jill Cascone, Jason Craven, Grace Duca, Julie Evans, Courtney Johns, Leslie Maas, Kim Mellen, Kristi Millard, Christy Mitcham, Rusty Mitcham, Dave Pew, Heather Walker, Lorretta Gellish, Jason Martin.

Those from Davisburg United Methodist were: Adults — Mark Loucks (youth pastor), Diane Loucks, Sharon Leeper, Mark Rosati, Barry Byrne, Bill Shaefer, Keith Marsden, Nel Defever. Youths — Debbie Leach, Danny Leach, Destiny Duke, Katie Shepard, Rob Leeper, Janice Barnes, Jenni Barnes, Anna Adler, Danielle Cearlock, Matt Marcell, Stuart Marcell, Dusty Duke, Sean Taylor, Gary Leeper, Tom Lawson, Kevin Still.

Those from Grace Christian Church were: Adults—Ron Raciti (youth pastor), the Rev. Jerry Weinzierl, Kevin Krieger, Lucy Sanchez, Tim Decker, Dan Barterian. Youths—Jeremy Mlynarch, Todd Dawson, Paul Zink, Jason Lemmon, Aaron Weinzierl, Eric Galbraith, Joe Harm, Stan Cydeiko, Brandon Myers, Dan Lenn, Jim Lenn, Terri Tocco, Lisa Tocco, Lisa Anderson, Susan Kamieniecki, Erin Galbraith, Angela Mildrum, Melanie McMenemy.

"I wish there was a way I could thank them more than just saying, 'thank you.'"

FOR MORE INFORMATION:

Unless noted, all activities take place at the Senior Citizens Activity Center in Clintonwood Park, 5980 Clarkston Road, Independence Township. For more information, call 625-82319 a.m. to 5 p.m. Monday through Friday.

Songs with a message

Area residents have a chance to hear the rich baritone voice of a Davisburg native when he visits an area church to give a concert next

David Parker provides a vocal concert at 7 p.m. Tuesday, July 28, at Maranatha Baptist Church of Clark-

Parker, part of the music faculty at Bob Jones University, Greenville, S.C., received his bachelor's and master's degrees from Bob Jones University and in 1986 received the doctor of musical arts degree from the University of

Michigan, Ann Arbor.

David Parker

Parker's concert takes place at the church at 5790 Flemings Lake Road, Independence Township, west of Sashabaw Road, just 1/4 mile north of I-75. Nursery service is provided. For more information, call 625-2700.

Reunions

The Pontiac Catholic class of 1977 is planning its 15-year reunion on Sept. 12 at the Waterford Elk Club on Scott Lake Road, Waterford. For information, call Paula Rathsburg at 625-1841 or Betsy Darnall at 623-6785.

Waterford Kettering class of 1973 is looking for classmates for the 20-year reunion. For more information, contact Kathy at 674-3827 or Theresa at 673-9749.

The Waterford Village School class of 1942 is celebrating its 50th reunion Aug. 15 at Groveland Oaks County Park, Groveland Township. The picnic is open to anyone interested in getting together. Contact Maybelle Grimm at 853-2478 or Charlotte Maybee 625-4233 for information.

20 years celebrated

Dozens of people attended the 20th anniversary celebration of the Independence Land Conservancy May

During the event at the Independence Township Annex, plaques were given to those who have donated easements or property to the Conservancy during the past

An a special memorial plaque in memory of Lucy Kasl was unveiled. Kasl, former president of the Conservancy, did much to preserve and protect the beauty of Independence Township. The plaque contains the names of those who have donated easements or property to the Conservancy and will occupy a permanent place in the township annex.

Special guests at the celebration were Kasl's three children, one of whom came from Florida for the event.

For more information on becoming a Conservancy member, donating property or a scenic easement, contact President Tom Stone at 625-8193 or Tom Bullen at 625-

Pet of the Week

Darling Tasha

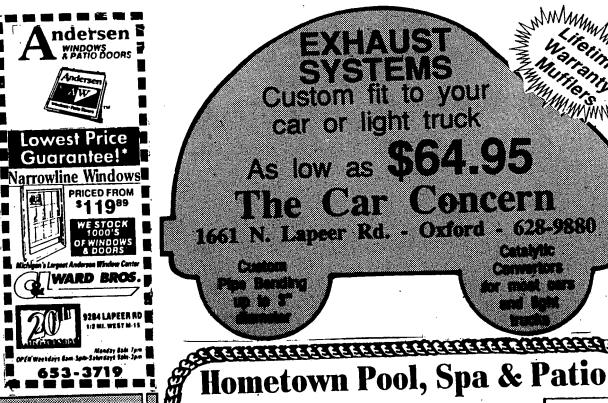

Tasha is a very affectionate pooch, with loads of character.

This 41-pound black labrador-retriever is 1 year old and reportedly housebroken. She is terrific with everyone, including small children and other pets.

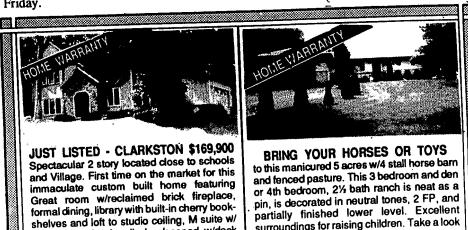

Her \$82 adoption fee includes sterilization and heartworm preventative medicine.

To see Tasha, visit the Michigan Humane Society, 3600 Auburn Road, Rochester Hills, 852-7420. Hours at the non-profit shelter are 10 a.m. to 4:30 p.m. Monday through Saturday.

Grads

Three Clarkston-area residents were graduated from Pontiac Business Institute of Oxford. These include: Mary Swett, word processing; Tammy White, data entry; Catherine McLean, office specialist data processing.

Eleven Clarkston- and Davisburg-area residents were among the 820 who were graduated from Walsh College of Accountancy and Business Administration of Troy, June 13.

Robert Scott Bennett earned a bachelor of business administration degree; Deborah J. Dobson, a bachelor of accountancy degree; Anne Mere Downey, a bachelor of business administration degree; Eric M. Hofer, a bachelor of business administration degree; Troy Purcell, a bachelor of accountancy degree; Linda M. Reiter-Neumark, a bachelor of business administration degree; RuthAnn B. Roser Setter, a master of science degree; Kathy A. Schlink, a bachelor of business administration degree; Wendy L. Willard, a bachelor of accountancy degree; Denise Marie Wilson, a bachelor of business administration degree; and Karen Sue Hanson, a bachelor of business administration degree.

Mark Cowdin Carkston was graduated from lowa State University, rames, Iowa, with a bachelor of science degree in aerospace engineering.

In service

Marine Lance Cpl. Paul McAcham, a 1988 Clarkston High School graduate, recently returned to Camp Lejeune, N.C. following a six-month deployment to the Mediterranean.

McAcham was aboard the ships of the USS Inchon Mediterranean Amphibious Ready Group. He participated in various operations and training exercises, including Operation Dragon Hammer, held off the Coast of Italy.

The son of Dan A. McAcham of Waterford, the marine joined the Marine Corps in April 1989.

At school

Brendan Kelley, son of Kevin and Joy Kelley of Clarkston, is one of five Oakland County students who will be among 100 other high school students at Adrian College, Adrian, from June 28 to July 11 for the Michigan State Board of Education **Summer Institute for** the Arts. Sciences, and Technology. There he was to study biological/ environmental chemistry. As a High Clarkston

School student, he is active in Drama Club, Interact, tennis, choir, and National Honor Society.

Engagement

Donald and Mary Ellen Sutherland of Perry Lake Road, independence Township. announce the engagement of their daughter, Carol Sutherland, to John Chrisekos of Farmington Hills, son of John and Helga Chrisekos of Grosse Isle. The bride-to-be is a 1985 graduate of Clarkston High School. and a 1989 graduate of Eastern Michigan University, Ypsilanti. She is employed at Sinai Hospital, Detroit, in occupational therapy. Her fiance is a 1982 graduate of Roosevelt High School and a 1991 graduate of Lawrence Technological University, Southfield. He is a mechanical engineer at General Motors Corp. A Sept. 26, 1992, wedding is planned.

Honors

Shannon Duffie of Clarkston was named to the spring dean's list of Detroit College of Business, Flint.

Matthew Erickson of Clarkston has been awarded the Presidential Scholarship at Alma College in Alma. Erickson, a 1992 graduate of Brandon High School, is the son of Albert and Scarlet Erickson of Oakhill Place.

Erin Mulloy, daughter of John and Janet Mulloy of Clarkston, was named to the spring 1992 president's list for maintaining a 4.0 semester grade point average at Graceland College, Lamoni Iowa.

Jason Martin of Snowapple Drive, Independence Township, is one of 112 Eastern Michigan University, Ypsilanti, students awarded Regents Scholarships.

Valued at about \$8,000 over four years, EMU's Regents Scholarship will pay for 30 credit hours per year of in-state tuition, plus mandatory fees. It's renewable annually if the student maintains a 3.5 grade point average while at EMU.

Martin also was among 20 students who received \$500 Campus Leader Awards for leadership and volunteer involvement. In addition, he was among the 18 of the 20 Campus Leader recipients who were "Regents Plus" scholarship recipients, which means the \$500 is renew-

able annually if the student maintains a 3.5 grade point average at EMU.

Jeffery R. McNish of Autumnglo, Springfield Township, was named to the Founders Day list for academic achievement during second semester 1991-92 at Indiana University, Bloomington, Ind.

Benjamin P. O'Rourke, son of Patrick J. and Jane E. O'Rourke of Townview, Independence Township, has been named to the dean's list at the University of Notre Dame, Notre Dame, Ind., for outstanding scholarship during the fall semester.

O'Rourke this fall will be a junior in the University's College of Arts and Letters, majoring in government and English. He is a 1990 graduate of Clarkston High School

Kevin Cook of Lake Orion received the Orion Area Youth Assistance 1992 Youth Recognition Award for his volunteer work

Kevin, 10, attends Blanche Jims Elementary School and is a member of the Chief Pontiac No. 377 Sons of the American Legion Squadron, Independence Township. A member since birth, he is the grandson of Earl and Ivy Lee Reinhardt.

He was recognized for his work at: Greenery Health Care Center, Lake Orion Nursing Center, Battle Creek Veterans Hospital, Legion Villa and Penrickton School for Blind Children. He also has participated in bowlathons, walk-a-thons, benefits for muscular dystrophy and SCAMP, variety club and Camp Quality.

In addition, Kevin saves canceled stamps and popcan tabs to turn in for money for other projects. He also works with his church for Pontiac Relief Mission and FISH.

Mark Allan Frasa, son of Mr. and Mrs. Warren C Frasa of Warbler, Independence Township, has been named to the dean's list the last two terms at Michigan State University, East Lansing. Mark is studying criminal justice and forensic science.

1992-93 scholarship recipients of Inde-Spring Charter Chapter of the American Business women's Association are: (front row) Elizabeth Huff of Fenton, Danielle Mathie of Brandon, Amy Davis of Lake Orion and Michelle Bookie of Waterford. Back row: Deborah Bellows of Clarkston, Rachel Hahnefeld of Waterford, Tina Johnson of Clarkston, Andrea Gottschalk of Holly, Danielle Waterman of Milford, Deborah Kayga

of Ortonville and Diane Banick of Waterford. Not pictured are Heather Jones of Ortonville, Sharon Smith and Tamara Woodbeck of Clarkston. Scholarships totaling \$10,500 were awarded by the chapter, plus \$1,000 was given to the Stephen Bufton Memorial Educational Fund, a national scholarship fund. Since the Inde-Spring Chapter was formed in 1979, it has awarded more than \$83,000 in scholarship money.

Cancer-fighting tip: Read the menu carefully when dining out. Avoid items that are buttered, fried, breaded, creamed or browned. If you're not sure about a recipe, don't be shy about asking your server. And don't be afraid to ask of items can be prepared in a different manner or substituted. You can also ask that an item such as high-fat french fires or chips or bread not be brought with the meal.

Dermatologists tell how to love the sun -- safely

In the best of all possible worlds, dermatologists would never need to treat skin problems caused by the

Ideally, people automatically would don widebrimmed hats and long-sleeved shirts to protect their skin from damaging ultraviolet radiation that can cause wrinkles - and skin cancer.

Many people are willing to risk skin damage for a bronze glow. But healthy skin doesn't have to be sacrificed for a healthy look, according to dermatologists at the University of Michigan Medical Center: Moderation is

People who strive for a rich, deep tan are really punishing their skin, the dermatologists say. And while dermatologists in the U-M Sun-Damaged Skin Program don't promote tanning, they do offer advice for those who can't resist the sun:

■ If you must tan, don't burn. Sunburn is the worst

■ Choose a sunscreen based on your skin's sensitivity to stalight and the planned amount of exposure. Tanning products that screen out damaging ultraviolet rays are labeled with sun protection factor (SPF) ratings.

Sunscreens are available in three basic formulas: Paraaminobenzoic acid (PABA) of PABA derivatives; non-PABA chemical sunscreens, and thick ointments that physically block the sun, such as zinc oxide. Zinc Oxide is most commonly used on small trouble spots, such as the

■ Don't count on sunscreens for full protection. And even a sunscreen with a high SPF can't block all the damaging rays. If your skin burns easily, rely on hats and protective clothing if you plan long days in the sun.

Persons with darker skin have some degree of natural protection against the sun because they have a higher level of pigment, or melanin, in their body

■ Avoid the sun in the midday hours — between 11 a.m. and 3 p.m. — then the rays are most intense.

■ Sunlight is a form of radiation and can be reflected off sand and water at the beach, which increases total exposure.

■ Cloudy days are not necessarily safe days. A good deal of radiation can filter through the clouds. Likewise, rain blocks only a small amount of the sun's radiation.

■ If you get sunburned, immerse the affected area in cold water. Do not use ointments or greases. Take pain relievers containing aspirin if necessary and see a doctor if substantial blistering occurs or if the burn doesn't heal

The above information is provided by the University of Michigan News and Information Service.

Hot and filling

This appetizer recipe came from Kim George, mother of Derek, a student at Bailey Lake Elementary School. The school Parent Teacher Association included the recipe in the school cookbook that's for sale for \$5 as a fund-raiser. Contact the school at 625-2812 to purchase the recipe book.

SOMBRERO DIP

- 1 pound beef or ground turkey
- 1 medium onion, chopped 1 medium clove garlic
- 16 ounces (2 cups) salsa
- 1 (17-ounce) can refried beans
- 1 can hot green chilies
- 1 teaspoon salt
- 1 (8- to 12-ounce) package longhorn colby cheese, grated
- 1 bag of nacho chips

Brown ground beef or turkey; add onion and garlic. Drain grease; add refried beans, salsa, green chilies and grated cheese. Mix and transfer to crockpot. Cook, and serve over chips.

Six jobs available

for low-income youths

Even though summer is nearly half over, six jobs still are available at the Clarkston Career Center for low-income youths.

The vacancies are groundskeeping and clerical positions.

The additional positions came about with the help of an urban aid bill recently received by the Greater Pontiac Area Consortium (GPAC). The consortium received nearly \$519,000 to increase the number of jobs for low-income kids ages 14-21 in Auburn Hills, Pontiac, White Lake, Independence, Waterford and Orion townships.

According to GPAC director Sandra Lee Spinks, the amount of money her department received was based on the areas' youth unemployment rate, overall unemployment rate and families presently receiving public assistance.

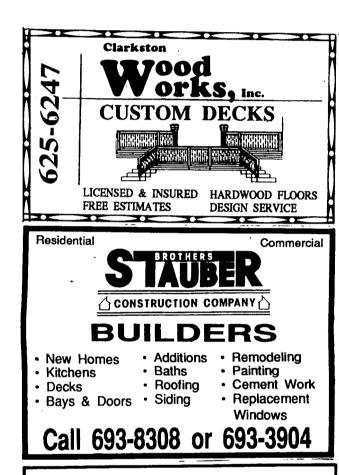

About 40 area youths are presently working in Clarkston's Summer Youth and Employment Training Program. The Clarkston office is in the Clarkston Community Education building on Maybee Road.

To apply for these six positions, applicants must:

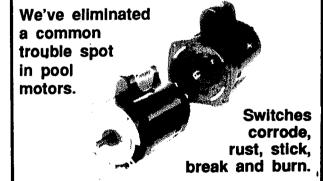

- Be a county resident.
- Be 14-21 years old.

Meet income eligibility guidelines or be handicapped. Income eligibility is based on the number of people in the household. For example, a family of four must make less than \$7,815 in the first six months of the year for a youth to qualify.

Paying \$4.25 per hour, the jobs run to the end of September, with hourly arrangements made for schoolage employees. For more information, call Clarkston placement supervisor Judy Monroe at 674-4791.

REPUBLICAN — U.S. CONGRESS

BACK TO BASICS

"We must return to the core values that made America strong. Getting Back to Basics means we must limit government spending and reduce government regulation. We must bring back the incentive to work; bring dignity back to our country.

Michael J. Balian Supports:

☆ JOBS

Job creation through tax incentives, economic enterprise zones. Business is important to Michigan and jobs are important to our people.

⇔ EDUCATION

Make available low interest loans for higher education to allow our children to further themselves if they so desire. Establish higher technological and academic standards in our schools.

☆ WELFARE REFORM

Give incentives to people to get them back to work. Supplement income while reducing expenditures.

☆ ENVIRONMENT

We must bring back Michigan's tax dollars to clean up waste sites within our state.

VOTE AUGUST 4th

FOR

MICHAEL J. BALIAN U.S. CONGRESS

Don't invite salmonella to your next picnic

Summertime means a lot of picnics and barbecues. With today's healthier lifestyle people, are opting for chicken instead of the traditional hamburger or streak.

Special precautions are essential in cooking chicken to prevent the possibility of salmonella food poisoning, says Sylvia Treitman, home economist for the Oakland County Cooperative Extension.

The most important thing to keep in mind is that all poultry must be well cooked to kill any salmonella that might be present," Treitman said.

Another important safety measure is proper handling of marinades and proper refrigeration.

Poultry must be marinated only in the refrigerator.

Then, the remaining marinade should be disposed, and the used dish from the marinated chicken should be thoroughly washed before re-using for serving cooked chicken.

The cutting board, knives and the counter should also be thoroughly washed. Any equipment that comes in contact with the raw juices from the chicken can contain salmonella bacteria and must be cleaned thoroughly.

Here are some tips to help keep your next picnic or barbecue safe:

■ Detrost frozen meat or poultry in the refrigerator - never on the counter. If you forget to take your meat or poultry out in time to defrost this way, then follow the manufacturer's directions for microwave defrosting. Or put meat or poultry tightly wrapped in plastic into a container of cold water and change the water every 30

■ Cook all poultry until well done, no blood should

■ Avoid cross contamination of equipment by washing all utensils and preparation areas very well with very hot soapy water and rinsing well before preparing any other foods.

For more information on food safety, preservation or fcod and nutrition, call the Food and Nutrition Hotline, weekdays, 8:30 a.m. to 5 p.m., at 858-0904.

For \$4.35 a week, you can reach 42,550 people in over 18,500 homes every week with an advertising message on this page.

Bike winners named

Two youngsters recently were named winners of bicycles for their efforts in Drug Awareness Resistance Education (DARE).

Matt Crigger and Rebecca Puckett were given the bicycles by Independence Township's Cherry Hill Lanes North, which sponsored a DARE bowling program for fifth-graders in the Clarkston area.

The bicycles were provided by the Bowling Centers of Association of Michigan, according to Ken Hochstein, manager of Cherry Hill Lanes North.

Hochstein's bowling center raised \$732 for DARE through special programs.

DARE — a series of drug information classes — is presented to all fifth-graders in the Clarkston school district by Oakland County Sheriff's Department depu-

Obituaries

Mabel M. Dixon

Mabel M. Dixon, 65, of Ortonville died July 18, 1992. She had just recently retired from K-Mart Corp.

Mrs. Dixon is survived by her husband, Richard; children, Judy Galbraith of Clarkston, Gary and his wife Tina of Florida, Ted and his wife Patti of Oxford, Peggy and her husband, Richard Cermak of Minnesota, and Walter and his wife Nancy of Ortonville; seven grandchildren; and two great-grandsons.

She was the sister of Nelson King of AuGres, Mel-

ville King of Clarkston, Raymond King of Rochester Hills, and Barbara King of Florida.

The funeral was set for 10 a.m. Wednesday, July 22, at the Lewis E. Wint and Son TRUST 100 Funeral Home, Clarkston. Burial was to follow at White Chapel Cemetery, Troy.

Willard D. Turk Sr.

Willard D. Turk Sr. (Red), 75, of Davisburg died July 17, 1992. He was retired from Fisher Body, Pontiac, in 1981 after 32 years of service.

Mr. Turk is survived by his wife, Margaret; children, Margaret Ann Willis, Amanda Chandler, Willard Jr., Carol, Chris and Mike; 19 grandchildren; and nine greatgrandchildren.

He was the brother of John, Rolla and Arthur.

The funeral was Monday, July 20, at the Lewis E. Wint and Son TRUST 100 Funeral Home, Clarkston, with the Rev. Todd Vanaman officiating. Burial was at Hillview Cemetery.

Memorial tributes may be made to the American Heart Foundation of Michigan.

Brent Nicholas Zorka

Brent Nicholas Zorka, 14, of Clarkston died July 18, 1992. He was a member of the Clarkston United Methodist Church and was an Eagle Scout, Troop No. 189. He also was a runner on the Clarkston Junior High School track team.

Brent is survived by his parents, Nicholas and Carol of Clarkston; sister, Holly; grandparents, Steven and Elizabeth Savel and Octavian Zorka; and aunts and uncles, Betty and Larry Kozma of Clarkston, Bob and Mary Smith of Petersburg, William and Janet Zorka of Texas, and Pat Zorka of Massachusetts.

He also is survived by his cousins, Bradley, Kelley, Michelle, Tanya, Nichole, Katrina, Amy, Heather, Julie

The funeral was set for 11:30 a.m. Wednesday, July 22, at the Clarkston United Methodist Church, with the Rev. Douglas R. Trebilcock officiating. Burial was to follow at Lakeview Cemetery, Independence Township. Arrangements were made by the Lewis E. Wint and Son TRUST 100 Funeral Home, Clarkston.

Memorial tributes may be made to the Clinton Valley Scout Tribute Fund, Clarkston United Methodist Church, or the Clarkston Junior High School track team.

*BECAUSE THE PEOPLE MUST KNOW

SUMMARY CITY OF THE VILLAGE OF CLARKSTON **375 DEPOT ROAD** CLARKSTON, MICHIGAN 48346

CITY COUNCIL REGULAR MEETING **JULY 13, 1992**

Richard Johnston, chairman of the Charter Commission called to order the first City Council meeting at 8:10 p.m.

A resolution was introduced by Basinger and supported by Roeser. Whereas, the citizens of the Village of Clarkston, through the exercise of the democratic process, determined that the future of the Village could best be secured through a change to a city form of government, and,

Whereas, these citizens, in order to effectuate the transition to cityhood, duly elected nine of its fellow citizens as Charter Commissioners to draft a charter for the new city; and,

Whereas, through the diligence of the members of the Charter Commission, a comprehensive, concise and intelligent charter was drafted which was approved by the State and adopted by the citizens of the Village;

Now, therefore, be it resolved by the first duly elected Council of the City of the Village of Clarkston as its first official act at its first meeting, that the Council on its own behalf and on behalf of all the Citizens of Clarkston, expresses its profound appreciation for the expertise demonstrated by the members of the Charter Commission, James Hitchcock, Karen L. Sanderson, Stephen D. Arkwright, Jackson Byers, Thomas E. Hunter, Charles G. Robertson, Stephen Secatch and James B. Smith, led by Chairman Richard C. Johnson, in forming a Charter that will most ably serve the new city into the next century and beyond.

Be it further resolved that each member of the Commission be given a copy of this duly enacted resolution certified by the Village Clerk.

Resolution passed. Mayor Catallo led the Council in the Pledge of Allegiance to

the Flag. Roll: Present: Arkwright, Basinger, Catallo, Roeser, Sanderson, Schultz and Secatch, Absent: None.

Moved by Roeser and supported by Schultz, "That the minutes of the Village Council meeting on June 22, 1992 be approved.* Motion carried.

Moved by Roeser and supported by Bassinger, "That the agenda for the meeting be approved with two changes. Motion carried.

ed by Basinger and supported by Roeser, "That the bills submitted for payment for June 1992 totalling \$70,427.70 be approved. This includes a one time payment of \$29,503.32 to the Township of Independence for safety paths on Holcomb and Waldon Roads. This money is from the general fund and no special taxes levied to pay for these safety paths." The itemized list of bills is to be attached to the minutes. Motion carried.

Moved by Roeser and supported by Arkwright, "That the District Library Agreement be entered into the following revisions: that the millage levied be 1.25 mills rather than the 1.75 mills the original agreement sought, and that the wording of the final agreement would be conditional upon the approval of the City Attorney. This is a .15 mill increase to the citizens of the City and it effectively generates .5 in additional operating revenues because the .6 mill debt retirement would no longer be assessed to the Village residents. The Township will appoint five members to the Library board and one of these members must be a City resident."

Discussion followed. Motion carried. Moved by Roeser, supported by Basinger, "That it be resolved to affirm the auditors agreement for \$5500.00 for the fiscal year beginning July 1, 1992 to June 30, 1993. Resolution passed.

Moved by Ce* Ilo, supported by Roeser, "That it be resolved to adopt the Delegation Agreement and the Wastewater Discharge Ordinance." Resolution passed.

Moved by Roeser, supported by Secatch, "That the Oakland County Assessing contracts be accepted subject to our Attorneys approval." Motion carried.

Moved by Roeser, and supported by Basinger, "That regular meetings of the City Council be held in the second and fourth Mondays of each month at 7:30 p.m." Motion carried.

Moved by Basinger, and supported by Arkwright, "That Jeanne Selander Miller be appointed to the position of Clerk at a annual salary of \$2000.00 plus \$500.00 per election of which there are normally two, plus \$500.00 for each additional election. Motion carried

Moved by Roeser and supported by Arkwright, "That Art Pappas be appointed to the position of Treasurer at an annual salary of \$6,270.00 plus \$1,200 for sewer fund management for a total annual salary of \$7,470.00." Motion carried.

Moved by Roeser and supported by Secatch, "That Art Pappas be appointed to the position of Village Manager at an annual salary of \$22,230.00. Motion carried.

Moved by Roeser and supported by Sanderson, "That Jim Schultz be appointed as Mayor Pro Tem." Motion carried.

Moved by Secatch and supported by Schultz, "That the engineering firm of Hubbel, Roth and Clark be appointed for City Engineering at the same rate of compensation as agreed to with the Village contract." Motion carried.

Moved by Schultz and supported by Arkwright, "That Thomas J. Ryan be appointed as the City Attorney at the same rate of compensation as agreed to with the Village contract." Motion

Moved by Schultz and supported by Basinger, "That the National Bank of Detroit be used as the City Depository." Motion carried.

Moved by Secatch and supported by Schultz, "That Art Pappas be appointed as the City's financial officer." Motion carried.

Moved by Basinger and supported by Roeser, "Be it resolved that two of the following three peoples signatures be required to sign on the City's checking account; Art Pappas, Lillian Bauer and Sharron Catallo." Resolution passed.

Moved by Secatch and supported by Basinger, "That Seymour Stone be appointed as Building Inspector at a rate of 70% of the permit fees collected or \$18.00 per hour when needed to provide information to the Zoning Board of Appeals or the Planning Commission." Motion carried.

Moved by Basinger and supported by Roeser, "Whereas, the Village of Clarkston General Fund has a \$2,315.36 deficit fund balance on March 31, 1992; and

Whereas, Act 275 of the Public Acts of 1980 requires that a Deficit Elimination Plan be formulated by the local unit and filed with the Michigan Department of Treasury:

Now, therefore, it is resolved that the City of the Village of Clarkston legislative body adopts the following as the City of the Village of Clarkston General Fund Deficit Elimination Plan:

The 1992 FY Deficit will be reduced in full in the FY 92-93 City budget per the attached detail sheet. It is noted that there will also r we wre monm 30, 1992, of the former Village of Clarkston. This is due to the fact that tax income to pay Village expenses is not collected until July after the closing of the three-month fiscal year. This deficit will be addressed in an additional plan to be filed after auditors complete their examination of the final accounts for the Village of Clarkston later this month." Motion carried.

Move by Sanderson and supported by Schultz, "Be it resolved that the FY 92-93 Budget be accepted as written." Motion

Moved by Basinger, and supported by Secatch "That the current millage rate of 10.1977 mills to fund the general fund and .5 mills to fund the sewer debt retirement be collected in two billings with approximately 1/2 being collected in July and 1/2 being collected in December." Motion carried. The Homecoming Parade is scheduled for October 10, 1992.

We will discuss police coverage for the event with Chief Devore. Moved by Arkwright and supported by Basinger, "Be is resolved that the fee structures for Building, Electrical, Plumbing and Heating permits be accepted, and that said fee scheduled be published." Motion carried.

Moved by Roeser, supported by Sanderson "That the meeting be adjourned." Motion carried.

Meeting was adjourned at 10:05 p.m.

Jeanne Selander Miller Clerk

The meeting of the Township Board of the Charter Township of Independence scheduled for August 4, 1992, will be held on Wednesday, August 5, 1992, at 7:30 p.m. at the Independence Township Library, 6495 Clarkstson Road, Clarkston.

Joan E. McCrary Township Clerk

Rush Road Reports By Don Rush

1993 Probe is all new

Since introduced by Ford in mid-1988, more than 400,000 Probes have been put on the road. Since 1988 not many changes have been made to the Probe -- until 1993. It debuted at dealerships on July 9.

The new contemporary Probe is available in two models: Probe and Probe GT. The new Probe, by the way, also represents a joint effort between Ford and Mazda (the Probe shares its basic platform with Mazda's new 626/MX-6 models). And, the 1993 Probe is a better looking car than its predessors. It is rounder, more aerodynamic, more aggressive looking. It's two inches longer, two inches wider, weighs less and Ford says the 2.0 liter engine gets better gas mileage than previous years' models.

According to Gary Forst, Skalneck Ford's Probe specialist, the car was redesigned from a woman's point of view. "Forty-five percent of the car buyers today are women," Forst says. "They like comfort, a nice ride and they like looks." The Probe delivers on all these accounts.

I was given the Probe GT for a couple of hours. It was a fun car to put to test. It handled some pretty aggressive curves (Clarkston Road, near Walters Lake in Independence Township) like a champ. The Probe is a tight feeling car. It's not a bad ride, either. According to Forst, Ford stretched the wheel base on the car to enhance the ride. Speaking of the suspension, Probe engineers have worked on eliminating the problem of torque steer common with high power take-offs of front wheel drive cars. When this happens the front end of the car lifts up a little, and the car wants to go in its own direction.

The 1993 Probe GT does not come with

a turbo engine. It comes with a 2.5 liter V-6. The standard Probe is equipped with a 2.0 liter, four-cylinder engine. According to the literature, the V-6 powered Probe goes from 0 to 60 mph in about 7.5 seconds. It doesn't, however, jump off the

starting line like a jack rabbit. The 1993 Probes seem to be put together well. You don't need to slam any of the doors to close them. All body parts fit together nicely. The new design has really helped to reduce road and engine

On the down side, with two full sized adults in the front seats, there is almost no leg room for rear passengers. The front area is like a cockpit. The dash board sort of wraps around the inside front of the car. All controls are easy to reach and read. I think this will be bonus from women, whose reach is usually a little shorter than mens'. And, while there is virtually no room in the back seat, there is plenty of space in the trunk -- 18 cubic feet. This means you can put in 18, one-foot by onefoot boxes in there.

Some standard feature on Probes are: driver's side air bag; reclining front bucket seats with memory; 50/50 fold down rear seats for additional trunk cargo space. Some options include: sun-roofs; remote keyless entry, leather interior; anti-lock brakes; anti-theft device and compact disc player.

Highlights: styling, handling Lowlights: rear passenger leg room Base Price: \$13,300 Model Tested: \$18,800 Estimated Gas Mileage: (V-6) 21 city; 26 bighway (26 city: 33 bighway with the 2.0 highway (26 city; 33 highway with the 20

What's new in business The Clarkston (Mich.) News Wed., July 22, 1992 27 B

Birding brings profit

PAT STROUD (pictured), her husband Jerry and their son, Steven, of Sterling Heights, open The Birdfeeder on Dixie Highway, Independence Township, in March. "We had been interested in birds and involved in bird stores," said Pat, explaining that they decided to turn their avocation into a business. Steve runs the store. The Clarkston area is a good

location for such a business — particularly because of the many wetlands in the area, which provide the habitat for certain types of birds, she said. In addition to birdfeeders and birdhouses, the store stocks "almost anything with a bird on it," including books, movies, figurines, wind chimes and napkin rings, said Pat. (Photo by Catherine Passmore)

Here's to Hollywood

LAUREN WHITE, a second grader, uses a cardboard boat to perform the Shirley Temple classic "Goodship Lollypop."

FIFTH-GRADERS Blake Coe (left) and Jared Marshall perform a movie critic parody dubbed "Fiscal and Fleebert." This act was

one of several to perform in "Bailey Lake Elementary Goes Hollywood" at the Independence Township Library July 14.

KATIE BILLS (left) and Amy Hopcian perform an act from "Charlotte." These two southern

belies will be entering the sixth-grade at Balley Lake Elementary this fall.
