Community braces, prays following terrorist attack

BY MARALEE COOK
Editor

Clarkston area officials made every attempt to react carefully and thoughtfully Tuesday, following word of the terrorist attacks that took place at New York's World Trade Center and government buildings in Washington D.C.

Dr. Al Roberts, superintendent of Clarkston schools said it was imperative to make sure students and staff were safe without causing undue anxiety, especially on the part of the children. Clarkston schools also cancelled evening activities out of respect for those who lost their lives in the attack, he said.

The doors on school buildings were locked, except for the front doors, and hall monitors were on alert. Roberts said Tuesday afternoon that he expected schools to be

Independence Township hosts public hearing on proposed property tax increase

On Tues. Sept. 18 at 7:30 p.m. at the Independence Township Library, 6495 Clarkston Rd., the Independence Township Board will hold a public hearing on a proposed property tax increase of 0.174 mills. The millage rate will be raised from 1.00 to 1.174. The taxable value of a piece of property, said Finance Director Susan Hendricks.

As an example, the taxable value of a \$100,000 property would be \$117,400. The millage rate has not been increased for a significant number

of years. Hendricks said, and as revenues go down the township's need for funds to support community services goes up. The millage increase will help.

Clerk Joan McCrary said the township is hoping to roll back the police millage, which has a four-year lock so residents won't actually see an increase in property tax. However,

The township's millage rate will be announced at the public hearing.

For more information, call 488-5500.

Local artists exhibit work at festival

BY JENNIFER NEMER
Clarkston News Staff Writer

Depot Park in downtown Clarkston is the place to be this weekend.

The 27th Annual Crafts and Cider Festival sponsored by the Clarkston Community Historical Society, will showcase over 100 artists and crafters displaying paintings, furniture, prints, jewelry, sculpture, woven goods and more.

This year, a couple Clarkston artists to be featured are first time exhibitors: Footprints Child Photography and Dragonfly Designs.

Footprints Child Photography
Erin Drallos had her first camera at age five, her first dark room at age 12, yet because she viewed it as a hobby, she pursued a career in teaching rather than photography.

She taught special education for a short time before starting a family and becoming a stay-at-home mom. That's when she decided to give her own photography business a go. In 1997, she "went pro," becoming Footprints . . . child photography by Erin Drallos.

Drallos, who works out of her home, said her business is unique.

"I don't do department store photographs," she said. "I want to do what is real."

To do this, Drallos gets away from traditional poses and focuses on raw emotions, typically in real settings.

"I want (the photographs) to tug at your heart," said Drallos, who'll admit she's "sappy." And, she said, the pictures have to fit a child's personality for a natural look.

Fortunately for Drallos, she can "get looks out of kids their parents can't get."

As she describes it, Drallos's work is "different by design, creating a softer, personalized, more classic and artistic style of portrait." The photography is done in black and white and can be hand colored with dyes and oils.

Within her business, Drallos likes to keep it fun, relaxed and informal for everybody involved. "I like to

The News in Brief

Lighthouse Clarkston celebrates grand opening

The public is invited to the grand opening of the new Lighthouse Emergency Services Clarkston, 6330 Sashabaw Road at Waldon.

The event is Wednesday, September 20 from 4 to 7 p.m.

For directions and to RSVP, please call 620-6116.

Be at part of Hauntfest

Individuals and service clubs can be a part of Hauntfest, a 19-night festival of spooky Halloween entertainment at DTE Energy Theater in Clarkston, produced by Palace Sports and Entertainment and Great Lake Promotions.

Booth space will be donated to service clubs and groups who would like to sell a product or get their message out to the public.

Hauntfest also needs actors to be ghosts and goblins at the event.

Service clubs should call (248)634-2222 for more information. People who want to work at hauntfest should call (248)249-6477, or visit the Hauntfest Web site: www.hauntfest.com

Foster Road closed

Foster Road between Dixie Highway and Clement Road in Independence Township will be closed from September 17 through September 28 so that a developer can reduce a hill to improve sight distance. During the closure the detour route will be Dixie Hwy., Big Lake Road, Farley Road, Clement Road and Andersonville Road.

Springfield Township wins planning award

The wildly popular Springfield Township Native Vegetation Enhancement Project Interactive Native Plants CD-Rom has earned this year's Community Planning award from the Michigan Society of Planning.

The CD-Rom lets the user identify native plants for landscaping purposes that are best suited for southeast Michigan.

The award will be presented during the awards banquet at the annual conference of the Michigan Society of Planning, a chapter of the American Planning Association.

For information about the CD call Springfield Township at 625-4802.

Clarkston Youth Soccer Night

The sixth annual Clarkston Youth Soccer Night will be held Sept. 19 at the Clarkston High School soccer stadium, located at Clarkston Middle School.

Kids and coaches, wear your Parks and Rec soccer jerseys and get in free and participate in half-time shootout contests. CHS freshmen, JV, and varsity soccer teams will take on Grand Blanc that evening, with games at 4 p.m., 5:30 p.m., and 7 p.m.

This event is sponsored by Clarkston High School Soccer and Independence Parks and Recreation. For more information, please call Chris at 620-2979

Submit your news in brief to The Clarkston News, 5 S. Main, or call us at 625-3370.

Clarkston News Fall Festival -- Doors of Clarkston Special

Many homes in Clarkston are so beautifully decorated in the fall, and we would like to help celebrate them.

Be a part of our *Doors of Clarkston* special. If you've decorated the entrance to your home in a special way, give us a call -- you could win 1st, 2nd or 3rd place, and take home \$50, \$30 or \$20.

We'll take a photo of the entrance to your home and will publish the winners and other selected entrances in our special section October 10.

To join in call 625-3370.

The Second Front

Relief team brings flood victims help, hope

BY JEFF PATRUS

Clarkston News Staff Writer

They went to West Virginia last month to provide a helping hand for flood victims.

However, several members of St. Daniel Catholic Church in Clarkston said their purpose was much more than that — they want to give some hope to those whose lives were affected by the disaster.

A total of 16 people from the church, including several students, joined other people across the state from the Michigan Relief Network, a Grand Rapids-based group, on the trip to West Virginia July 25-29 to help victims of floods that hit the area earlier that month.

Members of the St. Daniel contingent were: Bob Hadden, Paul Ormiston, Becky Hart, Solana Windsor, Jody Macsay, Erin Wilke, Chris Lenhardt, Robert Ratz, Stan Garwood, Shereen Trese, John Schulte, Mary Schulte, Jessica Schulte, Josh Rasdall, Dave Yarber, and Keith Kabolo. All except Kabolo, a Sterling Heights resident, are from Clarkston.

They traveled to Kimball, West Virginia, a community that Hadden said "was completely wiped out" from the flooding. The group stayed at Emmanuel Lutheran Church in Bluefield, West Virginia, about 45 miles from the flood site, during their trip.

During their stay, the church members helped to shovel debris from people's homes, removing furniture to spots where the National Guard could pick them up, and clean up remains of areas that were torn about by the flooding.

"All their furnishings were thrown on a yard and they had to be thrown out front, where the National Guard could dispose of it," said Hadden, your coordinator at St. Daniel. "We were hauling out refuse from houses. We helped out with a lot of that. Then, we were shoveling muck out of the people's basements. It was four feet thick. They had to do it with a wheelbarrow and move it out."

Yarber, a retired Waterford fire chief, said the rain continued even as the group was working at repairing the homes.

"I think all the time we were working, there were flash flood warnings," he said. "It rained two of the three days we were there."

Yarber said the devastation in the area continued, even after the group left West Virginia. He said on July 29, the day after the group left, a flash flood in the area killed two people.

He said the poverty level in the village they worked was striking, as were the conditions they faced.

"The people there are forced to stay there," Yarber said. "It's really a sad situation. The first house we went in, we walked down to the basement, and it didn't look like a basement, there was so much mud there. Those people were lucky it didn't damage their home, other than their basement."

Hadden said when the group made their rounds in the neighborhood to help out, the village's residents insisted that they did not need any help, that other people needed help much more than they did.

"To a person, they said 'No thank you, there's people hurting far worse,'" Hadden said. "They were very down-to-earth, very humble people, people you'd like to know and get to know better."

In addition to their physical efforts, the group accomplished a number of other objectives that were not so easily visible.

Hadden said the group's visit helped the village to trust in the power of a community again. He said one of the main things that happens immediately after such a disaster hits the area is a loss of hope.

"When people come from long distances to help, they start to trust communities," he said. "Seeing another community coming to help restores their faith. The hugs and kisses of the people when we left there was incredible. They felt so loved, that people would come

Several homes in rural West Virginia, including the one pictured above, were ruined by flooding that hit the area in July. A total of 16 members of St. Daniel Church made a trip later that month to help with relief efforts.

Clarkston's Police Chief Paul Ormiston, left, is among the group from St. Daniel Church which helped West Virginia homeowners clean up after the flood.

Stan Garwood (left) and Dave Yarber, two members of St. Daniel Catholic Church in Clarkston, joined a group of their fellow parishioners and other Michigan residents in assisting flood victims in Kimball, West Virginia, July 25-29. Here, the two pose with a replica of Wilson the volleyball from the movie "Cast Away."

and help them. It was a very rewarding experience."

Ormiston, police chief for the City of the Village of Clarkston, also said the group's mere presence in the village was a morale booster.

"I think the purpose, really, because everything is so overwhelming, was the fact that we were there. It gives them hope, renews their spirit."

Garwood, a Clarkston resident, said he has made a number of trips, including one to Honduras, to assist in relief efforts. However, he said this one had the most impact on him.

"This was probably the best thing I've been on where we did some hands-on work for people who needed it," he said. "I was really impressed."

In fact, Garwood said a number of people who went on the trip, including Hadden and Ormiston, are considering organizing their own group for future relief efforts.

"There's a few of us that are thinking of setting up our own group, or hooking up with the group we went with, to do this on a regular basis," he said.

Ormiston said initial estimates left the number of families affected by the flood at 1,500-2,000. However, by the time the group left, he said approximately 8,000 families were affected.

Nonetheless, Ormiston said the group was able to do so good for some of the families. He said their bus would pull up on a street affected by the storm, and would go knock on doors, telling the residents where they were from and what their purpose was.

He also said often, the workers would stop what they were doing and just talk to the residents of Kimball, listening to their stories.

Yarber said the experience left a powerful imprint on him, and he carries memories of the village residents with him.

Shaver gets planning commission nod

BY JENNIFER NEMER
Clarkston News Staff Writer

It's a full house once again.

Beverly J. Shaver is the latest appointment to the Independence Township Planning Commission, filling the empty seat of the retired Richard Oppman, and bringing the board back up to seven members.

Shaver

Supervisor Dale Stuart appointed Shaver, effective immediately, at the September 4 Township Board meeting. Her term will run through December 31, 2001.

Stuart said Shaver will make a great addition to the Planning Commission.

A former employee of Independence Township, Shaver once worked for the building department as a clerk. She was responsible for clerical duties, processing permits, and working with wetland maps, lot splits, blue-prints and plot plans.

Currently, Shaver is the assessor for Mundy Township doing field work, working with homesteads, deeds, data entry as well as county and state required reports. Prior to that, she was assistant/acting assessor for Lake Orion.

Shaver said she is excited about her Planning Commission appointment and is looking forward to bringing years of experience in planning, building, assessing, and knowledge of other townships to the board.

The Clarkston resident of 30 years said she enjoys being a part of planned development.

Shaver has been married 33 years and has two children who both live in Colorado.

Loud music at DTE spurs \$4,250 sound study

BY JENNIFER NEMER
Clarkston News Staff Writer

As top-of-the-chart bands played DTE Energy Music Theatre this summer, resident complaints over the noise were off the charts, according to certain township officials.

Independence Township Supervisor Dale Stuart said there were substantially more complaints this year than any other, and feels something needs to be done about it.

At the September 4 Township Board meeting, board members approved a sound study to be conducted by Kolaño and Saha Engineers, a professional engineering firm that specializes in acoustics, noise and vibration. The firm was recommended by Hubbell, Roth and Clark, consulting engineers for the community.

The study will cost the township \$4,250, and will most likely be next spring.

But Stuart said this is an appropriate first step and that a more extensive study will be planned in the long run.

"We've got to find some way to deal with this problem," he said. "It's not getting better, it's getting worse."

Since DTE Energy bought the naming rights to the former Pine Knob in January, representatives have said better noise containment's on the bill.

In the spring, Palace Sports and Entertainments's production staff rebuilt the stage structure, the housing of the audio subwoofers on either side of the stage, and hung 30 4x11-foot-long sound absorbing banners along each side of the pavilion to enhance the venue's audio quality and diminish leakage of bass audio outside the facility.

"This audio upgrade project will enhance our guests' enjoyment at our shows while addressing the noise issues in our surrounding neighborhood," said Tom Wil-

son, PS&E's president.

Earlier this year, Mike St. Peter, technical director of PS&E, said, "With research and testing of different sound control methods, we will continue to improve the containment and quality of the sound in and around the theatre."

However, Trustee Dan Travis said this has only been a "bandaid approach." He said complaint calls during OzzFest, specifically, were off the record.

"I live three miles away and I can write down the words (said at the concerts) on some given nights. When you're at home and you put your hand on the window and feel it vibrate, well, it's more than most folks can tolerate," said Travis.

Treasurer Jim Wenger and Trustee Larry Rosso, though, are not so sure things have actually gotten worse.

Rosso said, "We have something that is above all technology--wind." Even given a worst-case scenario, he said, he's still not sure the township will be able to have a conclusive study.

"If we're not measuring decibels, how do we know it's gotten worse?" said Wenger. "(When complaints come in), it all depends on the wind and who's angry that day."

Stuart admitted, "We have to get some basic information. We're not dealing with facts, we're dealing with conjectures. We need to start dealing with the facts."

"We do have an ordinance that says what the decibels should be at," he said. "But even if the study comes back and says those decibels fall under the ordinance, we still have to do something different."

Stuart said, "We can't have people, who are putting their children to bed at ten o'clock, stand on their front porch, hear foul language, and be able to write down every word someone is saying a mile away."

Almond Lane flooding fund gets an extra \$102,000 Township steps up contribution

BY JENNIFER NEMER
Clarkston News Staff Writer

Flooding problems on Almond Lane may finally be washed away.

While Almond Lane residents contend with flooded basements caused by poor drainage from the Clarkston High School site, no funds, and strained relations between Independence Township and the school district over the subject, caused the three-year-old problem to drag on.

Supervisor Dale Stuart said at the September 4 Township Board meeting,

"I'm recommending that we move forward on this issue, hopefully before spring, to resolve a situation which has gone on for too long and to give assistance to those homeowners who have been burdened unnecessarily by a problem they never anticipated."

Township officials voted to contribute an extra \$102,000 out of general funds to cover the balance of the estimated \$312,000 project that will install a gravity drain pipe from the high school retention ponds west to the Orchards subdivision, to Snowapple, and then to the wetlands west of Gulick Lake.

The township had already committed to \$112,000 from Oakland County Infrastructure funds, and will keep that com-

mitment. The Road Commission for Oakland County will contribute \$40,000 and \$58,000 will come from the schools.

Stuart said the township will enter into contracts this year and most of the work will be done throughout the winter.

'I don't think Dr. Roberts has been forthcoming in why the schools are only contributing \$58,000. They've not stepped up and done what they should.'

-- Twp. trustee Dan Kelly

Earlier this year, the township applied for a Hazard Mitigation Grant, hoping, if awarded, the grant would cover 50 to 75 percent of the costs for the township. However, they were denied the grant.

Stuart thought they had a good chance at getting it, but said, "It's a balancing act for the DEQ (Department of Environmental Quality) and others were deemed more deserving."

After receiving notice of the denial, Stuart approached the schools for a bigger contribution, since he and board members blame the schools for the problem and feel they should be contributing more. But Clarkston Schools Superintendent Dr. Roberts said they'll stick with their original \$58,000 contribution.

In a letter to the supervisor Dr. Roberts said, "As a school district, we can

relate to the devastation of hearing that you have been denied funds for something that would positively benefit the community."

"Despite the financial cutbacks and constraints the school district has been forced to reconcile, we stand ready to fully support the project with the \$58,000 we have previously committed," he said. "Given the uncertainty facing us due to our financial dependence on the state foundation grant (which is currently under debate with the Legislature and Governor), we are concerned that further delay may jeopardize our ability to financially support this effort."

But Trustee Dan Kelly said the schools are shirking their responsibility.

"They should have known proper drainage was necessary when the school was built," he said. "I don't think Dr. Roberts has been forthcoming in why the schools are only contributing \$58,000. They've not stepped up and done what they should."

Clerk Joan McCrary said, "The fact that the schools are only contributing so much is a matter we have to take and handle and hope we can negotiate with the schools positively in the future."

Russ Inman, an Almond Lane resident, thanked the board for taking action on the matter.

"I don't know how they are getting away with only contributing \$58,000," said Inman. "But I want to thank the board for clearing up my drainage problem."

Richardson gets bump in pay as DPW director

After being named director of the Department of Public Works for Independence Township Board in August, Linda Richardson's has a new salary and benefits package, were set at the September 4 meeting.

Her salary was okayed at the Sept. 4 Board of Trustees meeting.

As acting director, Richardson earned \$53,125 a year. Now, as director she will make \$59,308. This is the same amount retired DPW Director George Anderson made for 2000 and what Mike Turk, Parks and Recreation director, makes.

Hospital insurance, dental, optical, life insurance, disability, sick days, funeral, personal days, vacation and pension will remain unchanged. Benefits reflect what non-union employees and directors are given.

Retirement Blue Cross/Blue Shield coverage will match current directors and deferred compensation will equal \$1,500 a year as a current director.

Richardson will also receive a \$400 per month vehicle stipend, a raise from her previous \$250 per month stipend.

Travis clarifies Planning Commission meeting comments

One fact of holding political or appointive office has and will always be true; you will occasionally be misquoted and or misunderstood.

During our last Independence Township Planning Commission meeting, we reviewed a preliminary site plan for a Comerica Bank project as a pad development on the commercial portion of Victor International's Stonewood Village development at White Lake and Dixie.

Clarkston News reporter Jennifer Nemer) wrote about that meeting and ascribed statements to me that need to be revisited. Inasmuch as, I wrote to David Johnson, Chairman of Victor International (8-27-01) outlining my disappointment with the current direction the Comerica plan and the overall site is heading and asking him to reassert a strong influence in directing a return to their previous course. I have provided a copy of my letter to him as attached.

My comments at the Planning Commission meeting were in part "tongue in cheek" regarding the visual appearance of their Comerica elevations and renderings. I said that due to the tower (similar to a control tower), the bowed roof (hangar-like), and the narrow red brick, that it reminded me of the old Executive Air Terminal adjacent to Metro, not the new mid-field fa-

cility. I also remarked later that it was "retro" in design and further, if you wanted other comparisons; I could point out some circa 1950 junior high schools, etc. of a similar architecture.

As you know, we do not do architecture as commissioners, but we had previously seen excellent details from Victor International and their architects for this center and we were enthusiastically supportive. We saw and approved a field-stone and wood old-world market building as their anchor store. The other buildings are to be complimentary and have a pedestrian friendly live, work, bank, and shop, with dine in or out sit-down restaurants proposed for this site.

My concern is that we may be losing some of their original creativity and seeing just another ordinary commercial center being developed. We are counting on and deserve so much more.

I would appreciate your clarification of my comments and also indicate that commissioners do not always agree. Nor do they always agree with our consultants. In point of fact, that very difference of opinion and the discussion that these meetings bring out is a positive reflection of our community and our values as we plan for the future.

Dan Travis

Congressmen: pay attention to constituents

The disappearance of Chandra Levy and the gossip and speculation surrounding her relationship with U.S. Rep. Gary Condit have been hot topics on the airwaves and around office coolers for months.

So it was with more than a little skepticism that I listened to U.S. Rep. Joe Knollenberg (R-Bloomfield Hills) say August 30 that he and his fellow congressmen don't discuss the issue.

Uh huh.

Did GM employees discuss the myriad of changes that befell Daimler Chrysler? Are employees at both auto companies talking about the mess Ford is in? Do General Tire, big shots discuss Firestone's problems?

Absolutely.

It's human nature to discuss other humans and their problems or failures -- and by this I don't mean to only poke fun or spread idle gossip.

On the "There but for the grace of God, go I" premise, a lot can be learned from carefully analyzing the mistakes of others.

Coming on the heels of Clinton's escapades

Condit's behavior casts thunderclouds over the character of Congress as a whole.

Wouldn't you think that after the mess Clinton got into with Monica Lewinsky anyone in politics would rethink fooling around with young women?

Don't you wonder why they don't take steps to police themselves?

The fact that Condit continued his bizarre behavior after the Clinton scandals is particularly scary to me. Even if he had no part in her disappearance, he was willing to continue to potentially humiliate his family, himself and risk all that he's worked for. Forget that the reported activities he's engaged in are kinky. So what if he does well by his constituents.

I think the man is unbalanced.

Recently there was a political cartoon in one of the dailies that shows two parents with expressions of horror on their faces when their daughter reads her letter of acceptance as an intern in Washington D.C.

No surprise there. That would be my response as a parent.

Knollenberg said his constituents are asking him about Condit and I hope he's listening. U.S. Congressmen should be talking about this issue. They should be alarmed.

I like to think that the Gary Condit's and Bill Clintons are in the minority. There are bad apples in every barrel, but these bad apples are really rotten.

Maralee Cook

Light Ink

Diggin' up bones and such

When I heard of the unearthing of skeletal remains — human skeletal remains — in Brandon Township I snapped my fingers, shook my head and said, "Dang."

It's not that I felt any remorse. On the contrary, I said, "dang" because somebody else found 'em. I knew I should have moved to Brandon Township — they've found mastodon bones there (25 years ago off of Seymour Lake Road) and now they've found mysterious old human bones. What, the final resting place for an ancient Indian? The burial grounds for Chief Sashabaw's clan? Missing folks blown away and never found in the tornado of 1896? What has been unearthed?

don
rush
don't rush
me

Wow, what a find!
Before I get myself in any deeper, I'll add, these bones were old bones, just waiting to be found so their story could be told. If I thought somebody was murdered and dumped in a Brandon backyard, I would not have gone against the Eleventh Commandment and coveted my neighbor's experience.

I've always had an affinity to digging and finding stuff — treasures. When we moved into our Clarkston Road home back in 1972 (I was 9 years old) the woman of the house told me, "I used to bury jars of coins in the basement to hide them from my husband. I don't think I've found them all..."

Well, that was all the information my fertile little imagination needed. Our basement was a dandy — a Michigan basement that was under the entire home. The only way in was a little door on the outside of the house. Dirt floors, dirt walls, sand and gravel everywhere and somewhere, I was certain, was the old lady's cache of coins waiting for the right person to unearth them. Rich, I would be rich, if only I had enough intestinal fortitude and treasure-hunter savvy.

I spent many an evening, with a little hand shovel and whisk broom down in that basement. Digging, sweeping, digging and coughing from the dry dust. I knew it was time to stop for the night when Dad would stomp his feet on the floor and fling down colorful metaphors about dust filling the smackin' frackin' home. (A funny thought, Dad never minded a home full of smoke

from the 37 packs of Winstons he chain-smoked a day, but a little dust from the basement and all of a sudden it was, "Hey, stop stinking up the house.")

That basement was the source of many an archeological adventure. I spent time in there, off and on, seeking my bounty for the rest of the century. Even after I bought the home from Mom and Dad in 1992, as an adult, the lady's tale of treasure still captured my imagination.

A boy and his fanciful dreams, never shall part. I always figured if I wasn't a reporter-type I'd be a history-loving archeologist-type. (I don't why, but as I am typing, the theme song from the Indiana Jones movies is playing in my head. Go figure?)

I worked my way through college working at Lakeview Cemetery in Clarkston, and believe me, my fascination for digging up stuff is not some morbid dead-death-dying thing. While I dug that job (folks were dying to get in and I had a lot of people beneath me), working graves isn't an adventure. (Well, I take that back. When we backed the dump truck up a little too far — into the grave — getting it out again was truly an adventure.) It's a job. While archeology is also a job, it sounds adventurous.

To my knowledge I have never mentioned to my dear wife, my love of finding buried treasures, yet somehow she knew. Whether or not it was some sort of Vulcan mind-meld whilst I was sleeping, I'll never know, but she bought me a metal detector.

Yep, one that beeps and chirps when it runs across something metal in the ground. Hot damn, Don's got a new toy!

Which means the boys Shamus and Sean have a new toy. Three-year-old Shamus has already found six cents, some rusty nails, a piece of copper pipe and some tinfoil in the backyard.

By the way, we live in a house that was built in 1916, by Dr. Wheelock. Next door he built a hospital. I have been told twice now by people "in the know," to watch where I dig, 'cuz the good doctor buried body parts (from amputations) in the yard. Thinking about it, I am not as hip on old bones as I was 20 minutes ago.

A Look Back

15 YEARS AGO (1986)

Clarkston Bluffs, a 148-unit condominium development planned for Waterford Hill, was approved in concept Sept. 10. Charles Bowles, an Independence Township developer, received conceptual site plan approval from the Independence Township Planning Commission for the 40-acre project with several stipulations.

The Village of Clarkston opted not to join Independence Township in requesting an additional police millage on the ballot this year. Township residents now pay close to 1 mill (or \$1 for each \$1,000 of assessed property valuation) to contract deputies from the Oakland County Sheriff's Department and the village contracts their police service from the township.

The 1986-87 school year is going to be a year of reacting, predicts Superintendent Milford Mason as the district grapples with its first enrollment surge since 1973. Preliminary figures indicate an enrollment increase over last year of about 136 K-12 pupils. The district's budget was based on an expected decrease of 104 pupils.

25 YEARS AGO (1976)

In considering an ordinance to ban leaf burning, the Clarkston Village Council entertained suggestions from the director of environmental health for the American Lung Association in southeastern Michigan during its Sept. 13 meeting. Despite what route the village wished to take, the representative stressed publicity and enforcement as the most important aspects in eliminating leaf burning.

Clarkston elementary school budgets have been cut as much as 30 percent this year. The budget for Clarkston Junior High has been slashed 25 percent. Salary costs at the administrative office are down \$20,000 from last year. However, the district will likely have to borrow in anticipation of its state aid to meet October payments.

A joint meeting between the Independence Township Board and Township Planning Commission helped iron out some of the kinks in a proposed private road ordinance. A two-hour discussion gave both bodies a chance to exchange ideas on the ordinance, which would allow gravel roads in unplatted property.

50 YEARS AGO (1951)

The recent school election resulted in carrying all issues by a good majority. Planning for 2 elementary school buildings is going ahead so rapidly that no definite plans are ready for publication. The proposition number one to increase the tax 6 mills received 314 votes for 106 against. On the authorization of a sinking fund, 311 voted for; 97 against and on the proposition to issue bonds, 310 voted for and 98 against.

The first meeting of the Sashabaw PTA was held Sept. 10. The meeting was called to order by the president, Mrs. Byron Clements. The speaker was Mrs. Walter Huff, president of the Oakland County Council of PTA. Her subject was "How the PTA Functions in Your Community and What We Want For Our Children."

The following items were on special at Terry's Market: fresh spare ribs, small and lean, 47 cents/lb.; frozen orange juice, Old South, three cans for 53 cents; head lettuce, large size, two for 27 cents; Remus butter, 68 cents/lb.; pineapple juice, 46 oz. can, three cans for \$1.00; and pure pork sausage, 45 cents/lb.

Just jottin'

Bumper sticker: "Forget world peace - Visualize using your turn signal."

About 25 years ago the idea of year-round schools was being considered by many of the state's school boards.

I accompanied the Oxford board as they toured a school in Milford back then.

Changes are very often difficult to sell, and though using the classrooms every month of the year seems practical and cost efficient, few districts adopted the plan.

However, with some public schools now opening the third week of August and not ending the school year until the third week of June we are getting close to year-round school.

And, folks, that's how changes come about. Slowness leads to acceptance. Place your bets on the tortoise. Remember the one percent sales tax, penny postal card, \$1.00 a gallon gasoline and after Labor Day to middle of May school year.

School story: Johnny P.: "Teacher, would you punish me for something I didn't do?"

Teacher: "Of course not."

Johnny P.: "Good, because I didn't do my homework."

One of my favorite employees through all my newspaper years was Stu McTeer. He'd retired from the

Detroit Free Press, and came to The Clarkston News to work in sales.

A Scotsman through and through, with great newspaper and Scot stories.

Here's one for you "Garage Sale" people. Stu said his father advertised a window air conditioner for which he wanted \$350.

A customer buyer seemed very interested, and asked, "Is that your best price?"

Stu's Scottish dad replied, "No. Me best price is \$400, but I'm selling it for \$350."

Household facts: • 15% of people do the dishes only once a week.

• 81.3 percent would tell an acquaintance to zip it (his pants).

• When nobody's around, 47% drink straight from the carton.

• 20% of us have played in a band at one time in our life.

• 28% of us have skinny-dipped. 14% with the opposite sex.

• 80% of us sing in the car.

One of the biggest obstacles seniors have in getting a job these days is passing the entrance exam. And I don't mean physical or mental exam.

It's the questions dealing with sex. A couple of my senior friends are working at Meijer. Both flunked the "what amounts to sexual harassment?" part.

Both friends owned their own businesses before selling. Both would tap a female employee on the arm or shoulder as they complimented them for something they had done.

Both could be fired from Meijer if they did it today. Sexual harassment cases are out of hand when I can't pat a female employee on the back (high back) to go with a vocal compliment. Down with NOW!

Group from St. Daniel Catholic Church offers help to flood victims

Continued from page 3A

The devastation to homes and communities in West Virginia was all too evident from these photos.

'I think the purpose, really, because everything is so overwhelming, was the fact that we were there. It gives them hope, renews their spirit.'

Paul Ormiston

"When I came back, my home was high and dry and clean," he said. "Those people were still there. I still think about them every day. I guess we left them better than it was when we got there."

Garwood said their visit would have a listing impact on all who went, from the teenagers to the adults.

"This changes the volunteers," he

said. "We'll never take things for granted like we did before. It really helped the kids to mature. They'll never be the same. They'll be a lot more accepting of people, and sensitive to them."

Businessmen's Fellowship meets Saturday

The Pontiac Chapter of the Full Gospel Businessmen's Fellowship is sponsoring a testimony banquet Sat., Sept. 15 at 6 p.m. at Cooper's Family Restaurant, 4737 Dixie in Drayton Plains. Kennard Van Camp, of Fenton, will be the speaker. Van Camp is an

evangelist with Father's Heart Ministries and has been in full time ministry for over 23 years. Invite a friend to hear Van Camp share his testimony of what the Lord has done in his life. For more info call 625-5221.

Notice of Public Hearing on Increasing Property Taxes

The Charter Township Board of Independence will hold a public hearing on a proposed increase of 0.1614 mills in the operating tax millage rate to be levied in 2001.

The hearing will be held on Tuesday, September 18, 2001 at 7:30 p.m. at Independence Township Library, 6495 Clarkston Road, Clarkston, MI 48346.

The date and location of the meeting to take action on the proposed additional millage will be announced at this public meeting.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 17% over such revenues generated by levies permitted without holding a hearing. If the proposed additional millage rate is not approved the operating revenue will increase by 7% over the preceding year's operating revenue.

The taxing unit publishing this notice, and identified below, has complete authority to establish the number of mills to be levied from within its authorized millage rate. This notice is published by:

Independence Republicans host Congressman Joe Knollenberg

Independence Township Republicans had the opportunity to talk about current issues and meet with U.S. Congressman Joe Knollenberg (R-Bloomfield Hills) recently.

Event organizers Dana Fortinberry and Neil Wallace said they hope to beef up membership in local Republican clubs.

During the Clinton administration, local Republican groups lost members. "The Oakland County Republican Committee is trying to reactivate groups that went dormant during the Clinton years," Fortinberry, the secretary told the audience at Liberty Golf and Banquet August 30.

The 68-year-old Knollenberg (R-Bloomfield Hills), who was first elected in 1992, plans to run again in 2002, he said. He talked about current struggles in

Bob and Jeannette Vandermark talk with U.S. Congressman Joe Knollenberg August 30

Congress over the budget, taxes, two patient bills of rights and President George W. Bush's attempt to increase domestic energy production.

Knollenberg also told the group that formal action cannot be taken against California Congressman Gary Condit, regarding his behavior since the disappearance of Chandra Levy, unless a member of the Ethics Committee files a complaint.

Taste of Clarkston/Fun Daze Sept. 22

The fourth annual Fall Fun Daze is Saturday September 22, from 5 to 9 pm in downtown Clarkston. Fun Daze includes activities for all ages but one of the most eagerly awaited is the return of the Taste of Clarkston.

"We had 13 restaurants participate last year," said Penny Shanks, executive director for the Clarkston Area Chamber of Commerce. "We anticipate the same number or a slight increase for this year."

Several restaurants are already on board including: (list is still growing) 221 B Baker Street; Ben and Jerry's Ice Cream; Clarkston Big Boy Restaurant; Clarkston Cafe; Clarkston Union; Duggan's Irish Pub; Gregg's Gourmet Cafe; Joe Bologna's Trattoria; La Villa Ristorante; Liberty Golf & Banquet; Macaroni Grill; Mr. B's Roadhouse and Rudys Market.

Restaurants will be set up under tents in the Washington Street parking lot. A covered dining area will be provided on Washington Street. A one-mile Fun Run,

sponsored by the Wolfpack Running Club will begin at 4:30, 5K and 10K races will begin at 5 p.m. In addition many stores will be open until 9 p.m. with special sales, hospitality and open house activities.

Robert Bice, DDS will give away caramel apples with toothbrush sticks. Kinetic Bike System will have special children's activities. Chocolate Moose, Tierra and Village Apparel will be open until 9 p.m. and will host special treats, sales and activities for shoppers.

Tickets can be purchased on site or buy your tickets in advance at: Independence Township Parks and Recreation and the Chamber of Commerce offices.

Washington Street will be closed to traffic for this event. Free shuttle parking is available from Clarkston Middle School parking lot. The shuttle will run 4 to 9:30 p.m.

Corporate sponsors for Taste of Clarkston include: The Clarkston News and the Parks of Stonewood. For more information contact the chamber at: 625-8055.

Community reacts to terrorist attack

Continued from page 1A

open Wednesday with continued increased security level.

Roberts said it was unlikely that Clarkston would be a target but maintained contact with Oakland Intermediate School and superintendents from other districts throughout the day. He added some parents opted to pick up their children after the attack became known.

"We walk a very fine line here. We want to give the students a sense of normalcy so as not to raise their anxiety. We must also be aware and careful to take every precaution to keep everyone safe without creating irrational fears," he said.

Teachers in elementary schools did not turn on their TVs or discuss the day's events, but in the middle schools, the events were discussed in social studies classes, he said.

Clarkston High School principal John Diliiegghio said TVs were on because that's what the students wanted. "They're not in a panic state, the students are very interested in what was going on. They're asking very intelligent questions: 'How do you feel about what's going on? Who would do something like this?'" he said. "They want to keep up on what's going on."

He said the day's events were a topic of discussion in AP history classes, social studies and current events classes.

He added the events would also be discussed at Wednesday's developmental period.

Clarkston State Bank President Dave Harrison said four or five customers asked to withdraw between \$20,000 and \$80,000 on Tuesday, and the bank did give one customer several thousand dollars in response to the terrorist attack.

"We're getting calls from customers wanting enormous amounts of cash," said Harrison. "We're limiting withdrawals to \$2,500 unless we have a couple of days notice to deliver the money."

"Clearly, to me, this appears to be an overreaction," Harrison said. "These sort of reactions occur anytime you have a national disturbance. They abate fairly quickly."

Harrison said there has been no indication from the Federal Reserve Bank that there's a problem. "Certainly this is tragic, but it doesn't mean the country's coming unglued," he said.

Independence Township Fire Chief Steve Ronk spent Tuesday morning preparing the department's new ambulances for service. Although the department is not yet licensed to operate the ambulances, he received a temporary OK to operate and staff the vehicles because AMR, the community's commercial ambulance service, had rerouted their vehicles to be on alert in Detroit, he said.

"Because of the circumstances we pulled everyone in today. We'll be able to downgrade, hopefully, if we go

back to a state of normalcy in 24 hours," he said.

Lt. Dale LaBair, commander of the Oakland County Sheriff's Department substation in Independence Township, said he had not been advised to alter operations as of Tuesday afternoon. He expected the matter to be discussed at a Wednesday meeting. He added his department has had weapons of mass destruction training and deputies would be "tightening up and dusting off emergency plans and readying their equipment in case it would be needed."

Area churches hosted prayer services Tuesday night, and at least two will be open for community members to pray during the week.

Judy Konopnicki said the Church of the Resurrection, Episcopal, would be open to anyone wanting to pray from 9 a.m. to 10 p.m. through Saturday. The church is located at 6490 Clarkston Road across from the Independence Township Library, phone 625-2325.

The sanctuary at Calvary Lutheran Church, 6805 Bluegrass will also be open during regular hours for persons who would like to pray. Call 625-3288 for more information.

Community-wide garage sale in Springfield Township

Springfield Township Parks & Recreation, in cooperation with Neighbor for Neighbor, is hosting a Community Wide Garage & Sidewalk Sale for the public on Friday and Saturday, Sept. 14-15 from 9 a.m.-3 p.m. at the Hart Community Center and Mill Pond Park in Davisburg. Space is available for public use, and crafters are also welcome to attend. Set-up begins at 8:30 a.m. Cost is \$5 per table per day for Springfield Township residents and \$8 per table per day for non-residents. Pre-registration is required. If no two people are alike... why should their funerals be?

They shouldn't, at least we don't think so. To be truly memorable, a service should reflect the tastes and preferences of the person who has died. Which is why we believe in offering a boundless variety of service options. You can even add your own personal touch. Ask to speak with our preneed specialist who can help you with your advance arrangements.

Just as no two people are alike, we believe no two funerals are alike.

Help Rotary decide next year's Labor Day Parade route

Holcomb Road, Main Street or another option? -- that is the question.

This year's Labor Day Parade route, moved to Holcomb Road because of Main Street construction, was very popular.

Clarkston Rotary Club member Vince Peraino said the group, which sponsors and produces the parade, is considering a return to Holcomb Road next year, and would like citizen input.

You may call Peraino at 394-1663, or e-mail him at pd1939@aol.com to voice your opinion. You may also fill out the form below and mail it to Peraino at: 7935 Longview Dr., Clarkston, MI 48348.

Obituaries

John 'Breck' Brown

John "Breck" Brown of Clarkston, formerly of Las Vegas and Birmingham, died September 10, 2001. He was 59 years old.

Mr. Breck was the son of John and Mary of Clarkston, the brother of Donna (Michael) Caston of Clarkston, and the uncle of Lauren and Denise Caston.

Funeral service is Saturday, September 15 at 10 a.m. at the Lewis E. Wint & Son TRUST 100 Funeral Home, Clarkston, where friends may visit Thursday from 7 to 9 p.m. and Friday, 3 to 5 p.m. and 7 to 9 p.m. Interment at Lakeview Cemetery. Memorials may be made to the American Cancer Society.

James C. Mount

James C. Mount of Clarkston died September 5, 2001, at 73 years of age.

He was the loving husband of Lorrene (Marley) Mount for 52 years. He was the father of Brenda (Lou) Siuniak of White Lake, Sheila (Stephen) Johnson of Clarkston, the late Brian James and the late Paul David.

He was the father-in-law of Sherril Mount of Goodrich, son of the late Lowell and Eathol Mount, and son-in-law of the late John and Olivia Marley. He was Papa to Laura and Abbey Johnson, Kathryn and Amanda Siuniak, and Matthew and Michele Mount.

He was the brother of Mary Ostrander of Houghton Lake, and the late Donald E. Mount and the late Anna Jean House. He was the nephew of Josephine Hartan. He was also survived by many nieces and nephews.

Mr. Mount was a 1945 graduate of Pontiac Central High School, a graduate of Wayne State University, a veteran of the U.S. Army, World War II, a member of F. & A.M., Detroit, and had retired from GM Truck and Bus, Pontiac after 47 years of service.

Funeral service was Sept. 8 at Coats Funeral Home, Waterford, with Rev. James Keough, Jr. officiating. Burial followed at Ottawa Park Cemetery. Memorials may be made to the American Heart Association.

Helen M. Milmine

Helen M. Milmine, of Waterford, formerly of Pontiac, died September 7, 2001 at the age of 83. She was preceded in death by her husband, Francis, her daughter Carol and her brother, Orville.

Mrs. Milmine was the mother of Gerald (Kim), William (Joan), Janet (Robert) Penilo, Frank (Sheryl), Michael and Edward. She is survived by eight grandchildren, seven great-grandchildren and many nieces and nephews. She was the sister of "Jimmy" Shoots and Hazel Sharp.

Mrs. Milmine was a member of Emmanuel Baptist Church, Pontiac, and had been active with the Jolly 60s Club.

Funeral service was held Monday at the Lewis E. Wint & Son TRUST 100 Funeral Home, Clarkston. Interment at Perry Mt. Park Cemetery. Memorials may be made to the American Diabetes Foundation. (www.legacy.com)

John C. Lawson

John C. Lawson of Pontiac died unexpectedly September 7, 2001 at the age of 58.

He was the father of Stephanie (Louie) Isaacs of Oh., Shannon (Mark) Jones of Oh., John (Angie) of Mo. and the late David Lawson. He was the grandpa of Sarah, Casey, Devin, Deanna, Marissa, Brittnay, and John-John. He was the brother of Grace Robinson, Delores (Alvin) Breeding, Mary (Bill) Johnson, Loretta Graham, Jerry (Carol), Betty (Danny) McInnis, Terry (Jane), Sandra (Phil) Wright, Sandy Hunt, Fay (Jr.) Blevins and Joe.

Mr. Lawson was preceded in death by his sisters Geraldine and Margaret. He was the husband of Beverley Poynter for 17 years.

He was employed as a groundskeeper for the Pontiac School District. Funeral service was Monday at the Lewis E. Wint & Son TRUST 100 Funeral Home, Clarkston. Interment at Perry Mt. Park Cemetery.

John Edward Frakes

John Edward "Eddie" Frakes of Clarkston, formerly of Grand Blanc, died September 7, 2001 at the age of 34.

Mr. Frakes was the husband of Julie, the father of Tyler, 10, Jessica, 8, and Brianna, 5 1/2. He was the son of John "Mickey" and Joyce of Grand Blanc. He was the son-in-law of Fred and Sally Gifford of Grand Blanc, the grandson of Lena Frakes of FL, brother of Mike (Julie) of Lake Angelus, Donna (Mark) Naras of Fenton, and

Sally Frakes of Grand Blanc. He was the brother-in-law of Wendy (Dave) Swanson of Brighton and Brian Gifford of Grand Blanc.

Mr. Frakes was president, owner and operator of Blue Marlin Pool, Spas and More of Ann Arbor.

Funeral Mass was Wednesday at St. Daniel Catholic Church, Clarkston; with Rev. Msgr. Robert S. Humitz officiating. Rite of Committal at All Saints Cemetery. Arrangements were entrusted to the Lewis E. Wint & Son TRUST 100 Funeral Home, Clarkston.

In lieu of flowers, donations to the family will be used for the future education of Eddie's and Julie's children.

Jeffrey E. Houstina

Jeffrey E. Houstina of Clarkston died suddenly September 9, 2001 at the age of 34. He was the loving son of Patricia Wellman Houstina of Tenn. and Earl R. (Janie Loutzenhiser) of Clarkston. He was the dearest brother of Michael "Bubba" Houstina of Clarkston, the grandson of Marion Houstina of Waterford, the nephew of George Gary (Clara) Houstina and Michael Wellman. He was the cousin of Shelly Leinenger, Susan (Andy) Marvin, Gary (Angela) Houstina, Stacy Houstina and Eric Stenberg. Mr. Houstina is also survived by many extended family members and friends.

He was currently co-owner of Jet Asphalt Paving. Memorial service was Wednesday at the Lewis E. Wint & Son TRUST 100 Funeral Home, Clarkston. Memorials may be made to the American Heart Association (www.legacy.com)

H&R Block Tax Course Teaches New Laws

Now that Congress has passed the biggest tax cuts in twenty years, people everywhere are scrambling to figure out how the reforms will affect them.

H&R Block, the nation's largest tax firm, is offering an income tax course that will help you learn how to benefit from the new tax laws. Morning, afternoon and evening classes begin September 10 at convenient area locations.

During the 11 week course, experience H&R Block tax preparation instructors will teach you how to take full advantage of the tax law changes. You'll learn money-saving strategies that minimize your tax liability. You'll find out how to claim often-overlooked deductions. Most importantly, you'll become skilled at preparing everything from a basic 1040 to complex returns with multiple schedules.

The H&R Block Income Tax Course is designed for people who want to expand their tax knowledge and save money on taxes. It's also great "basic training" for those seeking a promising new career as a tax professional, or part-time or seasonal job options.

Qualified students may have the opportunity to interview for positions with H&R Block. Find out about classes in your area and enroll in the H&R Block Income Tax Course today. Contact H&R Block to obtain registration forms and a course brochure.

For more information, call 1-800-HRBLOCK, visit www.hrblock.com

Sales and Listing Team for March 2001

Upcoming millage an opportunity to help all students

Back-to-school time is always a thrill for me. I look forward to our Welcome Back Breakfast with the entire staff. It is exhilarating to see our people come together to look, listen, learn about our summertime efforts, and to see the excitement in their eyes as they plan for another successful school year. You may have read about this year's gala opening. The "Survivor" theme was used as a symbolic reminder of the challenges the staff has faced over the past few years (construction projects, budget reductions, etc.). Today I want to use this theme to share three simple points that are important to our continued success as a school system.

1. Our best chance of survival is to work together and to build alliances with those who can help us win the prize, which in our case is student achievement.
2. Unlike the television show, our alliances must be genuine, trustworthy, and lasting. Betrayal is not a word that is found in the vocabulary of a winning team.
3. Survivors recognize danger and are ready to answer any challenge put before them. They also think pro-actively and take some risks.

Readers are asked to think about the messages listed above, as they consider the election that will be held on September 25th. At that time, residents of the county will vote to increase the county millages for Special Education and Vocational Education. While this is a county-wide election, the results will have a direct financial implication for Clarkston Community Schools. As you know, school districts across the state have been faced with increased federal and state mandates

in Special Education. These mandates have resulted in expanded special education programs and services without proper funding. To be specific, Clarkston has had to cover these added expenses with money from our general fund. If the Special Education millage is approved, we can return approximately \$1.5 million a year to our general fund to be used for general education programs. Passage of the millage will mean that our Special Education students continue to benefit from excellent programs, and ALL Clarkston students will benefit from additional money in our general fund.

The proposed Vocational Education millage will also benefit ALL of our students. The Vocational millage rate was last approved in 1967 and has not had an increase since. What does this mean? It means that we are preparing students for 21st century careers using 1967 dollars. If this millage is approved, there will be an additional \$10 million available for vocational training in Oakland County. Some of the funds will be used to update programs and the four regional Oakland Technical Centers (OTC), while the remaining funds will be used for school districts like Clarkston to develop better career preparation programs in our middle schools and high school.

It is hard to believe with the rapid growth in our community, that our school budget is not also reaping the benefits. Our community must realize that Proposal A drastically changed the way schools are

funded. Our Clarkston Schools are now compared with the best schools in Oakland County, despite the fact that our funding level is the fourth lowest! It is also important for citizens to understand that we no longer receive funds from new development and construction in our community, and we are not permitted to solicit a local millage increase for operating costs. We now rely on the State to determine our per-pupil allocation, and we receive almost all of our funds based on the number of students who attend our schools. A county-wide millage is the only opportunity Michigan school districts have to increase funds for students.

Our budget has been the focus of many discussions over the past year, and one thing continues to surface - we must be effective and efficient in our spending. It was during these budget discussions that our district set our course for the future and determined that classroom instruction and academic programs would continue to be our first priority. Areas such as transportation, afterschool clubs and activities, printing and mailing were designated as areas that would be cut when funds were low. Please understand that Clarkston joins the ranks of our neighboring districts, Lake Orion, Rochester, and Troy, who are all facing similar budget constraints. This county-wide millage will help our district be fiscally solvent and provide the educational programs and services that our children deserve.

Please vote on Tuesday, September 25th. This is a rare opportunity to help Clarkston and all students in the county.

Police and fire

Independence Township

Sunday, Sept. 9,

Automatic alarm at Rattalee Lake. Medical at Hubbard.

Personal injury accidents at I-75 and Sashabaw, I-75 at Scales, and Sashabaw north of Clarkston.

Wires down at Dixie.

Saturday, Sept. 8, vehicle accident at Andersonville and White Lake. A vehicle traveling eastbound on Andersonville slipped on the wet road, losing control and striking a utility pole. The vehicle rolled over and landed back on its wheels. The driver registered a .059 PBT.

A rear-end vehicle accident at Sashabaw and Moody. An intoxicated, 20-year-old driver was unable to stop for slowing traffic. He registered a .09 PBT and was arrested for zero tolerance.

A malicious destruction of property at Timbercove. The subject said sometime between 8 and 11 a.m. his basement windows were broken. A group of kids that were chased off the property earlier that day are suspected. A rock was found on the basement floor. Damage is estimated at \$600.

Minor in possession of alcohol and disorderly conduct on Dixie. Two males were cited for underage drinking and a 24-year-old man was issued a disorderly citation. PBT's registered at .15, .19, and .20.

The driver of a vehicle was stopped and cited for a first offense operating under the influence of liquor and marijuana possession on Dixie at Maybee. The driver failed road side tests, registered a .223 PBT, and was arrested.

Grass fire at S. Eston at English Oak.

Medicals at Lancasterhill, Princess, Clintonville, Morning Mist, Moody, Dvorak, and Tappon.

Public service at Reese at Oakhill.

Friday, Sept. 7, retail fraud at a grocery store on Sashabaw. The suspect stole \$26.65 in cigarettes, was taken to the Independence Township substation for fingerprinting, and received an appearance ticket.

Domestic assault on Mann. A couple was arguing when the man pushed the woman out of bed and hit

her on her upper right arm. He was arrested and taken to Oakland County Jail.

Medicals at Parview, Flemings Lake, Forestridge, and Mary Sue.

Thursday, Sept. 6, a 41-year-old man was stopped for driving with an expired license plate. The man had never obtained a drivers license. He was cited for no proof of insurance, expired plates, and no operating license. The vehicle was impounded.

Automatic alarm at Rockcroft.

Medicals at Fairfield, Ortonville, and Clarkston.

Wires down at Crestview.

Wednesday, Sept. 5, a 1990 Pontiac Lemans was stolen from a residence on Lingor sometime between August 26 and Sept. 1.

A 39-year-old woman was arrested at Rama Court for operating a vehicle under the influence of liquor, a first offense. She was also cited for child endangerment for driving with a nine-year-old in the car, and for resisting and obstructing police in the arrest.

Complaint at Perry Lake.

Medicals at Dixie, northbound I-75 at Clarkston, and Sashabaw.

Tuesday, Sept. 4, domestic assault and resisting and obstructing an officer on Mary Sue. A man hit his mother on the side of head. After a foot pursuit, the man was arrested.

Soliciting in roadway at Dixie and Maybee. Two men and one woman were caught soliciting with an expired permit. Subjects had no badges and were issued a local ordinance violation.

Medicals at S. River, Dvorak, Ortonville, Dixie, Sunnyside, and Mary Sue.

Monday, Sept. 3, vehicle accident at M-15 and Oakhill. An intoxicated subject driving southbound on M-15 crossed the centerline and struck another vehicle traveling northbound. A female was transported to Genesys Hospital for injuries.

Three bicycles were stolen at Autumnwood. An unknown person cut the locks that secured the bikes to a carport pole. The bikes are valued at \$100 each. They are described as a blue Haro, a burgandy Haro, and red Dyno.

Vehicle accident at Sashabaw and Moody. A vehicle leaving DTE Energy Music Theatre's main gate, began driving southbound on Sashabaw when he drove off the shoulder, struck boulders,

lost control and hit a traffic sign. Alcohol and drugs were involved.

Medicals at Iroquois, Whipple Lake, Clement, and Marshbank.

Personal injury accident at Ortonville.

Springfield Township

Sunday, Sept. 9, assisted Michigan State Police with a three vehicle accident on southbound I-75 north of East Holly Road. One male subject was taken to Genesys Hospital by ambulance.

Saturday, Sept. 8, structure fire at Dixie and Old Pond at 9:32 p.m. On arrival a police officer noted flames and heavy smoke from the roof vent on the east side of the building. No one was inside the home at the time of the incident. A next door neighbor was outside in her front yard when she noticed the smoke. She called 911. The case was sent to a fire investigator.

Loud party on Julie. Several people were issued citations for under 21 consumption of alcohol. Two males were cited for fighting. A Pontiac Grand Am was also impounded.

Friday, Sept. 7, house fire on King at 5:25 a.m. The fire started on the deck and spread to the house siding due to a smoldering cigarette. A neighbor spotted the fire and alerted the ho-

meowner. The homeowner put out the flames with a garden hose.

Thursday, Sept. 6, suspicious circumstance at Dixie. A man returned home after working a midnight shift to find an unknown female sleeping on his couch. She was highly intoxicated and had scratches and bruises on her legs as well as a black eye. She gave a false name and said she was dropped off by a friend.

A larceny from a building on Hogback. Two men's watches and nine women's rings were missing from the residence. There were no signs of forced entry and a female who had been pet sitting while the homeowners were away is suspected. Missing jewelry totaled \$1,800.

Wednesday, Sept. 5, domestic assault and malicious destruction of property on Davisburg. During a child exchange at a park, a man and woman argued over a medical bill. The man kicked the woman's car and pushed her, while the woman retaliated, pushing the man and kicking his car.

Tuesday, Sept. 4, malicious destruction of property at Davisburg. An unknown person broke out the front windshield of an excavating machine on a construction site. A large chunk of dirt with rocks was found inside the cab of the machine. Damage is estimated at \$45.

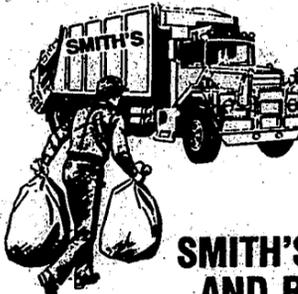

The badger gets its name from the badge, or markings, on its face.

Crafts and Cider comes to Clarkston this weekend

Continued from page 1A

get to know people," she said. "I don't want a stuffy relationship. I want it warm and friendly."

Drallos is proud of the fact she's never had an unhappy customer, and most of her business comes from other satisfied customers, she said.

Portrait sessions start at \$250 for 36 exposures, include indoor and outdoor locations, and three changes of clothing. There are no packages, everything is a la carte. A variety of prints are available as well as custom cards and notecards. Footprints also offers a year long portfolio which includes five portrait sessions from newborn to one year, highlighting the child's growth and development.

Drallos focuses on child photography but specializes in "all aspects of love and family" such as couples, weddings, families, pregnancy, babies and senior pictures. Most of all, she enjoys, "giving people something no one else can."

To find out more, check out www.footprintsphotography.com or call (248)922-1802.

Dragonfly Designs

"Unique jewelry design...casual to classic...always fun!"

That's what Designers Kim Viazanko and Kim Werner love to do.

From name bracelets, kid's bracelets, earrings, necklaces, ankle bracelets, keychains, and wine charms—Dragonfly Designs offer "quality and affordable jewelry."

Viazanko and Werner launched their business a year ago, mainly, because they had found there was a lack of this out there.

"What we did find was plastic, on elastic, that totally lacked the quality," said Viazanko, who along with Werner, creates designs with a contemporary flair.

"Our primary goal," she added, "is to keep up with the fashion trends and not to spare any expense in finding the best quality sterling silver, stringing material, beads and gemstones. We take personal satisfaction in knowing we did the best, most perfect job we could."

Dragonfly jewelry designs, on average, range from \$20 to \$120, and Viazanko said, "The bottom line is to make fun stuff to wear, good stuff to wear, that's affordable."

The two Clarkston residents, whose business has spread by word of mouth, met each other a year ago when their sons attended the same preschool. They found they had much in common.

Both have an eye for art—Viazanko's background includes floral design for weddings, and Werner is an

interior design graduate of Michigan State University. And both wore jewelry they created for themselves, friends and family. They were encouraged to turn their craft into a business, and did, together.

Their work can be found at Kim Rose Active Wear Fashions in Grand Blanc, and the two are interested in showcasing their designs at other boutiques, bridal and hair salons. Dragonfly Designs will also host an open house Nov. 2 and 3 which will feature all their holiday lines.

Call (248)236-4222 or 625-7523 for more information.

Sponsored by the Clarkston Community Historic Society, the Crafts and Cider Festival takes a year to plan and is the main fundraiser for the group. All proceeds benefit the CCHS Heritage Museum, located at the Independence Township Library, 6495 Clarkston Rd.

Food and drinks will be available through civic groups at the juried fair, and entertainment will be provided by members of the Clarkston Community Band, the Sweet Adelines and Clarkston Village Players.

Between 10,000 and 15,000 people

are expected to visit the festival, September 15 and 16 at Depot Park, from 10 a.m. to 6 p.m. Saturday, and 10 a.m. to 5 p.m. on Sunday.

Shuttles will transport fair-goers from the Clarkston Middle School parking lot.

Clarkston Women's Club hosts State Rep. Ruth Johnson

The Clarkston Community Women's Club will meet at the Independence Township Library Youth Activities Room on Sept. 20 at 7 p.m. Rep. Ruth Johnson will be the speaker this month.

She'll speak on water wells and the environment in the Clarkston area and how they affect everyday living.

There will be a question and answer period afterwards. Refreshments will follow. Call Gail at 623-9462 for more info.

What's up in and around Clarkston

Wilhelm joins local Edward Jones office

Edward Jones Investment Representative Scott R. Hazelton has announced that a second investment representative, Jim Wilhelm, joined his office in Clarkston August 27.

"I'm very excited about Jim joining my office," Hazelton said. "Edward Jones prides itself on providing the best service possible to those investors who choose to do business with us. Jim will help provide the high level of service investors in Clarkston have come to expect from Edward Jones and extend our services to new investors as well. I'm very impressed with Jim, and I'm sure my clients will be too."

Wilhelm is a native of Kalamazoo and has a bachelor's degree in finance from Michigan State University. He and his wife, Michelle, have one child, Sophia, who is six months old. The couple plans to relocate to Clarkston in the future.

"I'm looking forward to working with Scott and meeting investors in this area. I've come to admire his professionalism, and I believe working with him will make me a better investment representative," Wilhelm said.

Wilhelm will work out of Hazelton's office over the next several months. He will then open a second Ed-

Milestones

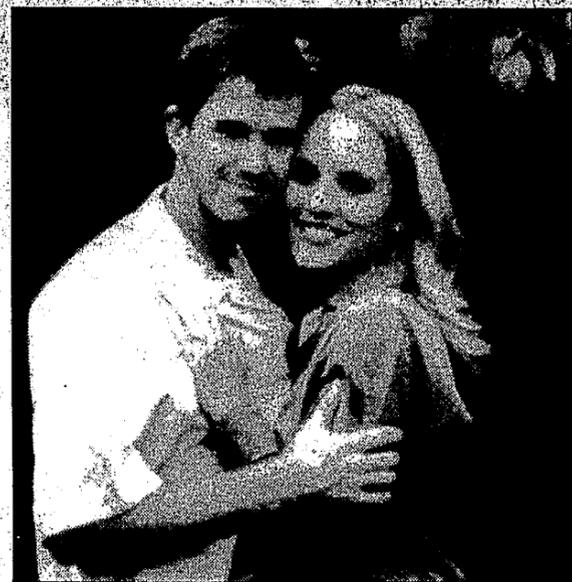

Krato-Roeser

Danielle Elke Krato of Madison Heights, daughter of Mr. and Mrs. Kenneth Krato, and Barton Douglas Roeser of Clarkston, son of Dr. and Mrs. Douglas Roeser of Clarkston, are engaged to be married. Danielle is a graduate of Michigan State University and teaches in the Romeo school district. Barton is also an MSU grad and is a project manager at a Farmington Hills-based design-build construction company. The couple plans a September wedding.

Pylat-Bailey

Mr. and Mrs. John Pylat, Jr. of Troy announce the engagement of their daughter, Laura Ann, to Christopher Craig Bailey, son of Mr. and Mrs. Douglas Bailey of Clarkston. Laura is a 1994 graduate and valedictorian of Athens High School in Troy, and a 1998 graduate of the University of Michigan, Ann Arbor. She presently works as a senior account executive for PentaMark Worldwide in Troy. Christopher is a 1988 CHS graduate and a 1993 graduate of Central Michigan University. He presently works as a senior interactive specialist for PentaMark Worldwide. The couple plan to wed this September at First United Methodist Church in Birmingham.

Kolenda-Harrison

Gary and Valene Kolenda of South Lyon announce the engagement of their daughter, Renee Angela, to Brian Harrison, son of Mary Jane Harrison of Clarkston and Jerry Harrison of Spring Hill, Fla. Renee is a 1994 Clarkston High School graduate and a 1998 Oakland University graduate. She works as a customer support manager at Morrell, Inc. in Auburn Hills. Brian graduated from CHS in 1990 and attended Oakland Community College. He works as a unigraphics designer at Knight Industries in Auburn Hills. The couple plans a December, 2001 wedding at St. Hugo of the Hills, Bloomfield Hills.

At School

Amanda DiFalco of Clarkston has graduated from Western Michigan University with a bachelor's degree in business administration (finance).

Shanna Wallace of Clarkston has graduated from Western Michigan University with a bachelor's degree in business administration (advertising and promotion).

Four Clarkston High School graduates and current Kalamazoo College juniors plan to study abroad this semester. Lauren Bogart will study in Quito, Ecuador. Eileen Hart will study in San Jose, Costa Rica. Beth Anderson will study in Madrid, Spain. Sarah Butzine will study in Chiang Mai, Thailand.

Katherine Julian has been awarded the Distinguished Artist Award by Hope College for academic

achievement. She will receive a \$2,500 tuition scholarship renewable through her senior year. Katherine is a Clarkston High School graduate and the daughter of Frank Julian and Patricia Wienczak.

Garrett Whelan, a senior in computer science has been named to the dean's list at Michigan Technological University for the summer term.

Clarkston resident Steven Bennett has received a J.D. in law, cum laude from Boston University.

Kathy Julian

In Service

Amy Zasacky, a 2000 CHS graduate, recently completed U.S. Army Basic Training at Fort Jackson, S.C. She is the daughter of Eric Zasacky of Clarkston and sister of Douglas. She will move to Fort Gordon in Augusta, Ga. to receive advanced training in the Signal Corps.

Michelle Barlow has graduated from the Army Reserve Officer Training Corps basic Camp Challenge at Fort Knox, Ky. Michelle, a 1997 CHS graduate, is a student at Ohio State University, and the daughter of Daniel and Sandra Barlow of Clarkston.

Amy Zasacky

Business News

Continued from page 16

ward Jones office in Clarkston and continue serving investors throughout the area.

"As an Edward Jones investor, I have always had an intense interest in finance. The most rewarding aspect of my job is assisting clients in creating a better financial future for themselves and their children. The challenges include convincing clients to maintain proper diversification through the economic downturn," said Wilhelm.

Patience and discipline are necessary to achieve almost any long-term goal, said Wilhelm. "A buy-and-hold strategy is one of the best strategies for reaching your long-term investment goals. Quality is always in style. We believe investors should buy quality stocks and stock mutual funds and hold them," he said.

While some economists have predicted a rebound for the economy and stocks by the end of the year, Hazelton and Wilhelm say they are not market timers.

"Forecasting the short-term direction of the stock market is not the key to investment success," said Wilhelm. "Many investors are discouraged and are shifting away from stock and stock funds and into money market accounts. Historically, short-term market setbacks have been the best time for long-term investors to buy, not sell."

Wilhelm added investors who move to the sidelines during times of disappointment have almost always missed the next upturn in the market, which tends to be explosive and unexpected. "Investors must remember that newspaper headlines reflect what happened yesterday. The stock market anticipates what the economy will look like in six to nine months. We think there will be plenty of reasons to believe the economy will look much better in six to nine months," Wilhelm said.

The company's advice is for long-term investors to stay the course and look for opportunities. "Nobody can pick the exact bottom of the market," said Wilhelm.

Edward Jones, the only major financial-services firm advising individual investors exclusively, traces its roots to 1871. The firm offers its clients a variety of investments, including certificates of deposit, taxable and non-taxable bonds, stocks and mutual funds.

The office is located at 21 S. Main Street, call 625-7016 for more information. The interactive Web site is located at www.edwardjones.com

Briefly . . .

The popular Opera Night Dinner returns to La Villa Ristorante Monday, September 24 at 7 p.m. Three op-

era singers from the Detroit Opera Company will perform between each course of the six-course meal prepared by Chef Dante Vanelli. Dante will also sing.

Joseph Antonini, a partner with Mario Andretti in Andretti wines, has donated a case of wine for the event, and patrons will receive a free glass with one course of their meal.

The event is \$75 per person, plus tax and tip, and drinks are extra. Seating is limited, so call Barry early for your reservation.

La Villa Ristorante is located at 6397 Sashabaw Road at Waldon. Phone 922-1700.

Around Town

In the spring of 2001, Clarkston Area Youth Assistance distributed a survey to all elementary school students, asking parents for parenting workshop preferences. Over 300 responses were received, and now the C.A.Y.A. will offer the first of what may become many workshops that will meet the wishes of the community.

In conjunction with Wise Mothers, "Becoming a Non-critical Parent," will be offered on Fri., Sept. 21 at 10 a.m. at the Independence Township Library on Clarkston Road.

This workshop will enlighten parents on the hidden criticism used in conversations with children. Parents will learn to recognize and replace critical or judgmental statements with character building statements.

Discover how to praise in a manner that will speak to the child's heart, giving him proud moments and the ability to appreciate his own strengths. Par-

ents will learn to reprimand without harming the person.

There is no charge for this program thanks to a grant that has become available. A count is needed, call the C.A.Y.A. office at 625-9007 to confirm your reservation.

Looking for a family event that includes the family dog? Well, here it is! The 15th Annual Tail Wagging Derby is a dog race for the family pet. Dogs will race in four size categories on Tues., Sept. 18 (if it rains, come Wednesday). Registration is will be between 5:30 p.m. and 6:15 p.m. and the race begins at 6:30 p.m. The cost is \$6 in advance and \$8 on race day--that's per dog--people are free! The event will be held at Waterford Parks and Recreation C.A.I. building, 5460 Williams Lake Road. For more information or to register, call 674-5441.

Keep up with the Wolves with the best local sports section around. Call 625-3370 for your subscription today.

RANDY HOSLER PONTIAC

THE LAW & YOU

by Kelley R. Kestin Attorney at Law

THE COST OF IGNORANCE

What happens if a defendant receives a plaintiff's complaint and an accompanying summons from the court to respond to a civil suit and chooses to ignore it? In a criminal case, the defendant would be arrested. Although this is not so with a civil case, this does not necessarily mean that a complaint can be ignored. The sanction for failing to respond to the complaint is that the plaintiff can get the court to enter a "default" against the defendant, which prevents the defendant from entering any defenses of the merits of the case in the future. The plaintiff can then proceed to get a "default judgment," which concludes the case against the defendant and can attempt to enforce it. This column is brought to you in an effort to interest and enlighten you in the specifics of our legal system. We handle a variety of legal matters involving personal injury, auto accidents, slip & fall injuries, criminal defense, business law, real estate, family law, and civil litigation in both State and Federal courts. If you have legal questions or would like to speak to a lawyer, call our office at 620-1030. Located at 11 North Main Street, we would be happy to help you understand the law. Note: Rather than risk a default, a defendant may respond to a plaintiff's complaint by filing a motion to dismiss, which raises an objection to being sued that is unrelated to the merits of the case.

Gardner shines in victories

Wolves take three straight to improve season record to 3-1

BY JEFF PATRUS

Clarkston News Staff Writer

The wins just keep on coming for the Clarkston soccer team.

The Wolves enjoyed a pair of back-to-back road wins, 5-0 over Lapeer West Sept. 5 and 3-1 over Waterford Kettering Sept. 6. Clarkston has taken three straight and is now 3-1 overall.

Junior forward Sean Gardner continued his hot shooting touch for the Wolves, topping his two-goal efforts of the previous two games with a three-goal effort against Lapeer West. Senior defenseman Sean Dougherty and junior midfielder Steve Alle also scored goals in that game to round out the Clarkston scoring.

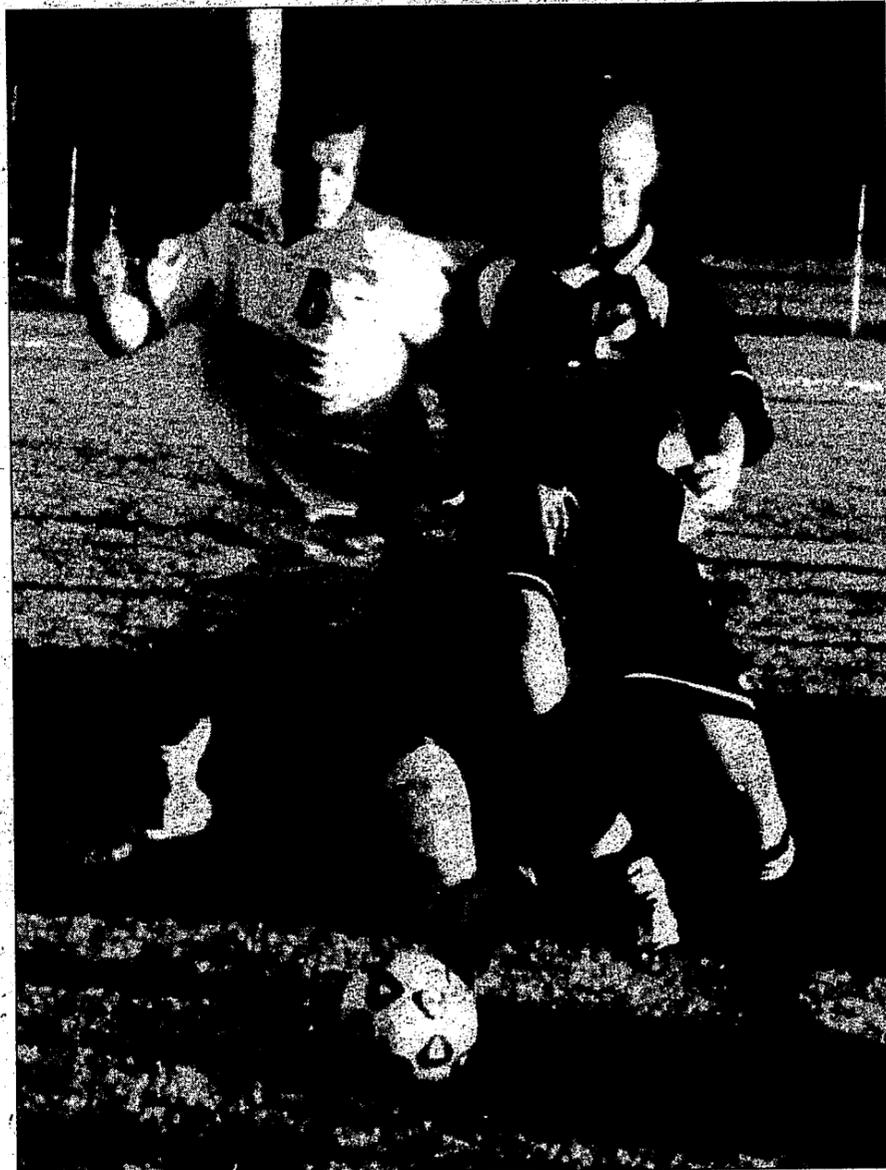

Juniors Tim Moyer and Erik Kammeyer split time for the Wolves in goal against Lapeer West, with Moyer playing the first half and Kammeyer the second.

Clarkston faced a tougher challenge against Kettering, according to coach Dan Fitzgerald, but they came out on top. "Against Kettering, we fought a little harder," he said. "Either team could have won it."

Gardner also said the Kettering game was hard-fought. "They're aggressive, but we took it to them," he said.

Senior forward Grant Henderson was the scoring star for the Wolves in that game, scoring two of the Wolves' three goals, with Gardner adding the other one. Moyer earned the win in goal.

Cagers win league opener in OT

Carlson scores 29 points as Wolves beat Athens, 57-50

BY JEFF PATRUS

Clarkston News Staff Writer

Clarkston's girls basketball team passed their first league test against Troy Athens Sept. 6 — and came out with flying colors.

The Wolves, in their first OAA I game of the season, defeated the visiting Red Hawks, 55-50, in overtime. The win improves the Wolves' record to 2-2.

The two teams were tied at 45 at the end of regulation. The Wolves and Red Hawks traded the lead several times in the final three minutes of regulation.

Clarkston junior guard Jenn Carlson finished with 29 points to lead the Wolves.

"The whole game, she was strong," said Clarkston coach Ann Lowney. "We had asked her to attack the basket more than in the past. She shot 10 free throws. She played a great game all the way around."

With 1:35 remaining in the fourth, the Red Hawks converted two free throws to put them up, 44-43. However, Clarkston's Suzy Giroux, a sophomore who was called up from the junior varsity to replace the injured Kira Karlstrom, scored with 53.5 seconds left in the quarter to put the Wolves back up, 45-44.

Athens responding by converting

Clarkston's Jenn Carlson scored 29 points as the Wolves defeated Athens in OT, 55-50, on Sept. 6.

Basketball

Continued from page 1B

on one of two free throws with 14.9 seconds left in the quarter, tying the game at 45. Clarkston turned the ball

racing to an early 6-0 lead in the game's first two minutes before Clarkston could answer back. The Red Hawks held on to a slim 10-8 lead after the first quarter.

Lowney said it was good to get the first conference win of the season, but said the team will face

other challenges during the season.

Clarkston travels to West Bloomfield Sept. 11 for a 7 p.m. tipoff against the Lakers, before returning home Sept. 13 to take on Troy at 7 p.m.

Gridders blanked by Rochester Adams

Richardson says team has to improve in all aspects before game against Lake Orion

BY JEFF PATRUS
Clarkston News Staff Writer

It was a game in which Clarkston could never get untracked.

The visiting Wolves were dominated on both sides of the ball by OAA foe Rochester Adams Sept. 7, and the end result was a 33-0 victory by the Highlanders, who had fallen to the Wolves the previous two years.

Things started out promising for the Wolves (1-2), as they took the opening drive and with the help of a sweep reverse pass, drove into Adams territory before the drive stalled.

The Wolves' offense was unable to cross midfield the rest of the game. Adams answered with a touchdown drive on their next possession and never looked back.

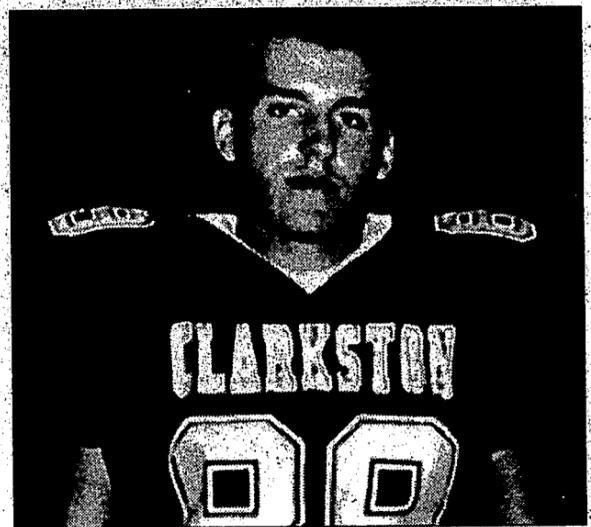

"They had control of it right from the very beginning," said Clarkston coach Kurt Richardson.

Senior quarterback Eric Kieras completed only three of 10 passes for 17 yards before being benched in favor of Justin Whetstone, who completed three of eight passes for 54 yards.

Junior running back Ryan Talbot rushed five times for 16 yards, while senior Brad Moore rushed

'We have to improve offensively and defensively. We have to get better everywhere. It's something we have to forget about and move on.'

Kurt Richardson
Clarkston varsity football coach

Clarkston senior tight end Case Bannasch was one of the few bright spots for the Wolves in their Sept. 7 loss to Rochester Adams, finishing with two catches for 50 yards.

twice for two yards. Senior tight end Case Bannasch caught two passes for 50 yards.

Defensively, the Wolves were led by senior defensive back Mike Loveless, who had eight tackles. Junior defensive back Myles Purdy added six tackles, while junior linebacker Derek George had four tackles and three assists. Whetstone picked off an Adams pass for Clarkston's lone interception of the game.

The Wolves return home Sept. 14 for their next game against rival Lake Orion. "They're very good," Richardson said. "They're well balanced all the way around."

He said the Wolves need to put the loss in the back of their minds and focus their efforts on the Drag-

ons. "We have to improve offensively and defensively," he said. "We have to get better everywhere. It's something we have to forget about and move on."

After the Lake Orion game, the Wolves travel to Troy Athens Sept. 21 and then to Waterford Mott Sept. 28.

Mengyan leads Wolves to third

Coach says girls cross-country could have done better if runner finished race

BY JEFF PATRUS
Clarkston News Staff Writer

The Clarkston girls' cross country team finished third to two of the top teams in the state Sept. 9. However, coach Jamie LaBrosse said he was disappointed because they could have done even better.

Clarkston trailed only Saline and Kalamazoo Loy Norrix, two of the top-ranked teams in the state, in the final results at the West Bloomfield Invitational. A total of 22 teams took part in the invite.

However, LaBrosse said the team's end result was hampered because one of the team's runners dropped out of the race before the finish.

"We also had a girl that didn't finish — that kind of hurt us," he said. "I started seven runners and only six finished. Had that other girl finished, we probably would have won it."

Liz Mengyan once again led the Wolves' efforts, finishing third overall with a time of 19:47, while Gillian Nordquist was next at 16th. Other Wolves placing in the invitational were Anne Oltman at 30th, Carla Delvecchio at 37th, Anna Kerr at 41st, and Marley Brown at 79th.

Of those runners, Mengyan, Nordquist, Oltman, and Kerr are freshmen. LaBrosse said the team's freshmen did well for themselves — it was the rest of the team that left him disappointed.

"I felt the freshmen ran really well," he said. "Our upperclassmen quit on us a little bit. The teams that beat us, Saline and Kalamazoo Loy Norrix, were

Girls' cross-country coach Jamie LaBrosse

two of the top five teams in the state." The Wolves return to action Sept. 11 against Rochester.

Shook leads golfers to seventh place

BY JEFF PATRUS
Clarkston News Staff Writer

CHS golf coach Tim Kaul received a pleasant surprise from his team Sept. 4.

The Wolves finished seventh out of 23 teams at the Eccentric Tournament, at Forest Lake Golf Club in Bloomfield Hills, with a score of 342. Rochester Adams took first place with a score of 319, while Lahser finished second with a 321.

"Actually, we placed higher than I thought we would," he said. "I was pretty pleased. Our score wasn't outstanding, but there were only two outstanding scores in the tournament (Adams and Lahser)."

Clarkston placed a team member among the top 10 individual golfers, all of whom received medals at the invite. Zack Shook placed seventh in the meet with a final score of 79.

"That was, by far, his best tournament of the year," Kaul said.

Other top finishers for Clarkston were Dustin McMillan with an 86, Matt Baker with an 88, and Carlos Galaviz with an 89.

Kaul said the tournament's length and playing style of Forest Lake contributed to higher overall scores.

"The tournament took about six hours," he said. "The kids were spending a lot of time around the greens. There were a lot of kids three-putting greens. It was a pretty good test."

The Wolves will get a significant break between matches. Their next match is Thursday, Sept. 20, when they take on Birmingham Seaholm at Khaki Corner Golf Club.

Kaul said his team will use the extra time off to improve their games.

"We've got a little break," he said. "We'll go to the range and practice. We'll address problems and work on our games. We'll do that for about 1-1/2 weeks. We can identify definite areas that we need to work on."

Soccer

Continued from page 1B that game, scoring two of the Wolves' three goals, with Gardner adding the other one. Moyer earned the win in goal.

The Wolves face off against visiting Brandon Sept. 11 before taking on OAA rival Birmingham Seaholm Sept. 13, at Seaholm in a key contest.

"Seaholm should be an important league game," Fitzgerald said. "It looks like it will be a big game for us."

Golf outing set for Oct. 7

The first annual Clarkston Friends and Football Golf Outing will be held Sunday, Oct. 7 at the Pine Knob Golf Course in Clarkston.

An \$85 entry fee gets you golf, lunch, dinner, door prizes and more. Proceeds benefit the Clarkston football program.

For more information, to purchase tickets, become a hole sponsor or make a donation, please call (248) 625-3466. All tickets must be purchased by Sept. 26.

Tennis team hitting stride

BY JEFF PATRUS
 Clarkston News Staff Writer

The Clarkston tennis team has served notice to its league opponents that it will be a team to be reckoned with this year.

The Wolves were dominant in their two OAA II matches this past week, defeating Kettering, 8-0, on Sept. 4, and following that up with a 7-1 win over Royal Oak Kimball Sept. 6.

Clarkston now sports an overall record of 3-1-1. In the Kettering meet, Colleen Mead, playing #1 singles in place of Lauren Little, defeated Yoko Konishi, 6-0, 6-0. Clarkston coach Beth Manojlovich said she wanted to give Little a rest, so she put Mead in the #1 singles spot.

In other singles action, Sydney Bassett defeated Meghan Beedle in #2 singles, 6-4, 3-6, 7-5; Andrea Gibson defeated Natalie Saunders in #3 singles, 2-6, 7-6, 7-5; and Katie Woloson defeated Rebekah Wallis, 6-0, 6-0.

In doubles play at that meet, Kalin Thomas and Alex Heinrich defeated Elizabeth Anderson and Allison Meyer in #1 doubles, 6-1, 6-1; Lisa Hopcian and Ashley Rettig defeated Liz Huntoon and Kristin Gura in #2 doubles, 6-1, 6-0; and Janine Golden and Diana Shkreli defeated April Ratterree and Nicole Dreon in #3 doubles, 6-1, 6-0.

Clarkston won by default in the #4 doubles slot, since Kettering did not field a doubles team in that spot.

The Wolves took three of four singles matchups against Kimball Sept. 6. Lauren Little defeated Tara Wilson in #1 singles, 6-1, 6-0; Colleen Mead defeated Lauren Hunt in #2 singles, 6-0, 6-0; and Katie Manuel defeated Jessica Semanson in #3 singles, 6-0, 6-1.

Clarkston swept Kimball in doubles action at the meet. Michelle Dodge and Andrea Gibson defeated Lauren Meek and Alata Braxton in #1 doubles, 6-1, 6-0; Kalin Thomas and Alex Heinrich defeated Erin Brassier and Lauren Block in #2 doubles, 6-1, 6-3; Lisa Hopcian and Ashley Redick defeated Sue Pachla and Jesse Wilcox in #3 doubles, 6-2, 6-3; and Jessica Harding and Katy Manojlovich defeated Megan Schroeder and Danielle Darby in #4 doubles, 6-4, 6-3.

The Wolves have two league matchups coming up this week — Sept. 11 at Berkley, and at Lake Orion Sept. 13.

After that, the Wolves travel to Grosse Pointe South Sept. 15 to test their skills against some top competition in an invitational, said Coach Beth Manojlovich.

"That will be a very tough invitational," she said. "Some of the best teams in the state will be there. We're honored to have been invited. We'll get a lot of good experience there."

Athlete of the week: Sean Gardner

BY JEFF PATRUS
 Clarkston News Staff Writer

Sean Gardner has been the main man offensively as the Wolves' soccer team has powered itself to a 3-1 start.

Gardner, a junior forward, has scored at least two goals in three of the Wolves' four games thus far. He scored both Clarkston goals in the team's opening 3-2 loss to Troy Aug. 28, then scored two more in the Wolves' win Aug. 29 against Lapeer East.

He followed that up with a three-goal effort in the Wolves' win over Lapeer West Sept. 5, and scored a goal in the win over Waterford Kettering Sept. 6.

Clarkston coach Dan Fitzgerald said Gardner combines natural ability with a strong work ethic to make himself a complete player.

"He's one of the hardest working players, and one of the most fit players," said Fitzgerald. "He's also a skilled player — he has both of those qualities."

Gardner started out on varsity as a midfielder, playing that position his first two years. This year, Fitzgerald moved him to forward, and said Gardner's offensive capabilities prompted the decision.

"He always seems to get scoring chances," he said.

Gardner said he thinks the move has been beneficial for him. "I like forward a lot more," he said. "You get a lot more scoring chances."

He also said Fitzgerald has been a key figure in his development. "He's been a good coach," Gardner said. "He's worked us hard in practice."

Gardner said he is optimistic the team will make a name for themselves before all is said and done.

"I think we're going to go pretty far," he said. "I think we're going to districts — possibly regionals. We have a lot more talent this year."

According to Fitzgerald, the junior is quiet and not real talkative, but nonetheless has established himself

Clarkston junior forward Sean Gardner has been the sparkplug for the Wolves soccer team this year, as they have won three straight games. Photo by Jeff Patrus.

as a leader by the example he sets for the rest of his teammates.

The family connection is quite evident in Gardner's development as a player. He said he began playing soccer when he was six years old, when his father got him in a recreational league. In addition, his brother, Brady Gardner, is also a member of the team.

Gardner, the son of Lee and Maureen Gardner of Clarkston, has one other sibling, sister Bridget, who is a student at Oakland University. He said in his spare time, he enjoys playing recreational league basketball, hanging out with friends, and going to football games.

He said there is a possibility of soccer life after Clarkston. "I'd like to play it in college, if I could," he said.

Sitko only Clarkston runner to medal in West Bloomfield invite

BY JEFF PATRUS
 Clarkston News Staff Writer

Injuries and personal commitments hampered the Clarkston boys' cross-country team at the West Bloomfield Invitational Sept. 8.

Three of the team's runners, for varying reasons, were not able to finish the invite, and as a result, Clarkston finished with 423 points, which placed them about 20th out of 24 teams, according to coach Mike Taylor.

"We got beat pretty badly," Taylor said. "We weren't happy with our performance, but we understood why it occurred."

Clarkston's Mark Sitko was the only member of the Wolves to medal on an individual basis, placing 17th out of approximately 170 competitors with a time of 17:01. "It was a pretty good showing," Taylor said of Sitko's performance.

Taylor said based on the showings by the OAA teams at the invitational, he expects the league to be very competitive this year. He said Troy should be considered the front-runner to win the league title.

"I'll be surprised if anyone goes undefeated in our league," he said. "It's going to be a very competitive league. Troy's got to be favored to walk out with the league title. They've got my vote."

ORDINANCE AMENDMENT REGARDING SOLICITATION

At a Regular Meeting of the Independence Township Board held on September 4, 2001, the Board authorized a Second Reading and Adoption of an Amendment to the Township's General Ordinance No. 153 regarding Solicitation Ordinance.

The motion to approve this amendment was offered by Travis, supported by Wenger, the veto on the motion was as follows: Ayes: Kelly, McCrary, Rosso, Stuart, Travis, Wagner, Wenger, Nays: None. Absent: None. The motion carried.

An Ordinance to amend Charter Township of Independence Ordinance Code, Chapter 17, Articles I and II, regulating and governing solicitation activities, to add provisions regulating soliciting activities in public street and road rights-of-way in such a manner as to fairly and reasonably balance the ability of charitable solicitor organizations to continue raising funds for charitable purposes by soliciting within the public rights-of-way, the right of residents and vehicle operators within the Township to be free from unwanted intrusions, the prevention of traffic congestion and unsafe traffic conditions in the Township, and the necessity of keeping and maintaining roads and streets within the township safe for solicitors, residents and vehicle operators, alike.

THE CHARTER TOWNSHIP OF INDEPENDENCE ORDAINS AS FOLLOWS FOR INCORPORATION INTO THE TOWNSHIP CODE:

Section 1 of Ordinance

Chapter 17, Article I, Section 17-1, Definitions, shall be amended to add definitions for the terms "intersection" and "public streets or roads," which new defined terms shall be added to the existing definitions in alphabetical order and shall read as follows:

Sec. 17-1. Definitions.

Intersection shall mean and include the area where two or more public streets or roads intersect, and the area 100 feet back from the intersection in all directions.

Public streets and/or roads shall mean and include all publicly dedicated rights-of-way devoted to motor vehicle traffic.

Section 2 of Ordinance

Chapter 17, Article I, Section 17-2 shall be amended to read as follows:

Sec. 17-2. Fee exemptions.

Persons engaging in soliciting for purposes of an official fund-raiser that is sponsored by a public, parochial or private elementary, middle, junior or high School shall be exempt from the registration and fee requirements set forth in article II of this chapter.

Section 3 of Ordinance

Chapter 17, Article I, Section 17-7 shall be added to read as follows:

Sec. 17.7. Soliciting in public streets and roads prohibited; Exceptions.

It shall be unlawful, and shall constitute a nuisance for any person, whether registered under this chapter or not, to engage in soliciting activities in public streets and/or roads, except recognized non-profit charitable or religious organizations that have provided prior written notification to the clerk at least thirty (30) days prior to the date of commencing soliciting activities including verifiable proof that the sponsoring organization is a legitimate non-profit charitable or religious organization, shall be permitted to engage in soliciting within designated intersections in the township, subject to all of the following specific requirements and regulations:

- (a) The thirty (30) day notification to the clerk, above, and the application submitted under section 17-22 of this chapter shall include the following additional information: (i) identification of each and every intersection at which the soliciting is proposed to occur; (ii) identification of the number and location of the solicitors to be stationed at each such intersection; (iii) identification of the days and hours during which such solicitation is proposed to occur; and (iv) a description of the reflective safety gear to be worn by the solicitors;
- (b) No more than four (4) solicitors shall occupy the same intersection at a time;
- (c) Solicitors shall at all times stay a reasonably safe distance from all moving vehicles;
- (d) Solicitors shall not harass occupants of vehicles or pedestrians in the area and shall not make physical contact with a vehicle unless requested by the vehicle occupants; (e) Solicitors shall not directly address a vehicle or its occupants unless requested by the vehicle occupants;
- (f) Solicitors shall not restrict or interfere with the free and unrestricted flow of traffic;
- (g) Solicitors shall wear reflective gear at all times;
- (h) The solicitors shall register and comply with all other provisions of this chapter to the extent such provisions do not conflict with the additional, specific or more restrictive requirements of this section;
- (i) Notwithstanding any other time restrictions stated in this chapter, soliciting at intersections shall commence no earlier than the official times for sunrise in Metropolitan Detroit as published in a newspaper of general circulation in the township and shall cease no later than the

official times for sunset in Metropolitan Detroit as published in a newspaper of general circulation in the township, or such other more restricted time period established by the Township pursuant to subsection 17-7(k);

(j) Notwithstanding any other provisions in this chapter, certificates of registration for soliciting at intersections shall be valid for a period of no more than five (5) consecutive days in any calendar year, with the ability of any valid registrant to petition in writing to the clerk for one (1) additional period of up to five (5) days during such calendar year, which petition may be granted by the clerk upon a showing of good cause in the petition for the requested additional period and verification that the petitioner complied with all township ordinances during the initial period of soliciting;

(k) The proposed soliciting at intersections under this section shall be reviewed and reported upon by the township law enforcement agency in terms of safety issues, traffic congestion and conflicts with other events or previously approved soliciting affecting traffic in the township, and soliciting shall only occur at such intersections, at such times and upon such conditions as have been approved and identified in writing by the township supervisor based upon the information contained in application(s) submitted pursuant to this section and section 17-22, the recommendations contained in the report of the township law enforcement agency, and information otherwise known to the supervisor concerning safety issues, traffic congestion and conflicts with other events or previously approved soliciting affecting traffic;

(l) The township and its officers, employees, agents, and representatives shall not be liable and/or responsible for any damages and/or injuries that occur to and/or are suffered by any person, property and/or other item which are caused by or result from a solicitors activities in the public streets and/or roads, and as a condition to being issued a certificate of registration by the Township, the applicant shall execute and deliver to the township an indemnification agreement in a form approved by the township attorney, in which the applicant agrees to indemnify and hold harmless the township and its officers, employees, agents, and representatives from any and all damages, injuries, liability, claims, actions, losses, demands and/or law suits, including attorney fees and costs, that arise out of the soliciting activities in the public streets and/or roads;

(m) In addition to the reasons for denial stated in section 17-23, a non-profit charitable or religious organization requesting a certificate of registration, including approval to engage in soliciting in the streets and/or roads pursuant to this section, may be denied based upon noncompliance with subsections (a) through (l), above, or safety issues, traffic congestion or conflicts with other events or previously approved soliciting affecting traffic; and

(n) In addition to the grounds for revocation stated in section 17-27, and for purposes of suspending a certificate of registration under section 17-28 (b) pending a revocation hearing, noncompliance with subsections (a) through (l), above, shall constitute grounds for revocation of the certificate of registration, and the township's receipt often (10) or more verifiable complaints from the general public stating that the soliciting is creating a public nuisance or danger shall constitute a legal presumption that grounds for revocation of the certificate of registration exist.

Section 4 of Ordinance

Chapter 17, Article II, Section 17-22(a) shall be amended to read as follows:

Sec 17-22 Application.

(a) Every person desiring to engage in soliciting within this township shall, prior to engaging in such soliciting, make written application for, pay the designated application and review fee established by resolution of the township board, and in fact obtain a certificate of registration as provided in this article.

(b) [Unchanged.]

(c) [Unchanged.]

(d) [Unchanged.]

Section 5 of Ordinance

If one or more sections, provisions, phrases or words of this ordinance are declared to be invalid by a court of competent jurisdiction, such declaration shall not affect the validity of the remaining sections, provisions, phrases and words of this ordinance, which shall continue in full force and effect, and to this end, this ordinance is declared to be severable.

Section 6 of Ordinance

All proceedings pending and all rights and the liabilities existing, acquired or incurred at the time this ordinance takes effect are saved and may be consummated according to the law in force when they are commenced.

Section 7 of Ordinance

This ordinance shall be effective upon publication in the manner prescribed by law.

CERTIFICATION

It is certified that the Ordinance set forth above was duly adopted by the Township Board of the Charter Township of Independence at a meeting duly called and held on the 4th day of September, 2001.

We Are SIDING Trim & GUTTER Specialists

We are not a Jack-of-all-trades. We can not guarantee you the absolute lowest price, as we will not sacrifice the quality products or workmanship that you deserve. What we will guarantee is an honest and fair price with products and workmanship of the highest quality. We also do our own work. We do not sub-contract it out, or sell it. So if you are only looking for the cheapest way out, call someone else who claims they can beat any price. If you are looking for an honest and fair price, quality products and workmanship, dependability, and someone that will be here after your job is completed, give us a call. Total customer satisfaction is our only acceptable standard. Helping you make your home the one you've always dreamed of is what we do.
