

Assessment Roll for the Township of Arden

Arden

It is to be noted that any land or parcel must be valued or taxed on the same day. Two descriptions must not be joined in one valuation or tax, unless owned and occupied by the same person. If the owner of the land is not known, they should be assessed as "owner unknown." Where the amount of any tax assessment with this roll, in the column of amount of assessment, is equal to or greater than the amount of the tax, they should be carefully checked and the assessment should be corrected.
