

Assessment Roll for the Township of

Arroyo

NOTE: To know that one kind or parcel must be valued or taxed on the same basis. Two descriptions must not be valued in one valuation or tax, unless owned and occupied as one parcel. If the owner is not known, they should be assessed as "owner unknown." Enter the amount of any assessment with this roll, in the column. The situation of remaining claims is especially called to attention 15 to 27 of the Tax Law of 1887; they should be carefully studied and the directions therein watched.
