

## Assessment Roll for the Township of

Arva

1877 No more than one tract or parcel need be valued or taxed on the same day. Two descriptions need not be joined in one valuation or tax, unless owned and occupied as one parcel with another one, and if the owner of the owner is not known, they should be assessed as "owner unknown." Enter the amount of any dis-allowance with full date, in the column. The attention of assessing officers is especially called to sections 13 to 21 of the Tax Law of 1880; they should be carefully studied and the directions therein carefully observed.
