

Assessment Roll for the Township of Arden

14
 If there be more than one tract or parcel owned by the same person, the descriptions must not be joined by one valuation or tax, unless owned and assessed as one parcel with several owners, and if the value of the owner is not known, they should be assessed as "several owners." Enter the amount of any re-assessment with full date in the column. The attention of assessing officers is especially called to sections 13 to 27 of the Tax Law of 1881; they should be carefully studied and the directions therein conscientiously observed.

Non-resident lands should be entered in separate order, together with the name of the owner, and the year for which this roll is used, and in the column for "Remarks" make opposite each parcel for what year the re-assessment was made.
