

Assessment Roll for the Township of Arden

It is the duty of every landowner to have his land assessed for taxation. The descriptions must not be altered in any valuation or tax, unless stated and approved by the assessor. If the value of the property is not known, they should be assessed as "new valuations." Enter the amount of any improvement with the land, in the column for improvements. The amount of any improvement is especially stated in section 24 of the Tax Law of 1897, they should be carefully studied and the directions therein carefully observed.
