

ASSESSMENT ROLL FOR THE TOWNSHIP OF Crown

No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax, unless owned and occupied by the same person. If the name of the owner is not known, they should be assessed as "owner unknown." Enter the amount of any discount or abatement which has been made. The attention of assessing officers is especially called to sections 18 to 27 of the Tax Law of 1885; they should be carefully studied and the directions therein contained should be strictly followed.—AUDITOR GENERAL'S OFFICE, 1886.

IN THE COUNTY OF Oakland FOR THE YEAR 188...

Persons whose names must be valued and taxes entered on a different line, as well as column, from Real Estate. Non-resident lands should be entered in numerical order, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for "Remarks" state opposite each parcel for what year therein contained should be strictly followed.—AUDITOR GENERAL'S OFFICE, 1886.
