

Assessment Roll for the Township of Acorn

No more than one tract or parcel need be valued or taxed on the same line. Two descriptions need not be joined in one valuation or tax, unless owned and OCCUPIED as one parcel with certain use, and if the name of the owner is not known, they should be deemed as "vacant unknown." Enter the amount of any improvement with Real Estate, in the column. The situation of remaining offices is especially called to sections 16 to 27 of the Tax Law of 1891; they should be carefully studied and the directions therein contained should be strictly followed. -AUDITOR GENERAL'S OFFICE, 1892

in the County of Oakland for the Year 1892

Personal Estates must be valued and taxes entered on a different line, as well as column, from Real Estate. Non-resident lands should be entered in numerical order, height of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for "Remarks" state opposite each parcel for what year the re-assessment was made. (1892-93)
