

Assessment Roll for the Township of Auan

No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be placed in one valuation or tax, unless owned and occupied as one parcel with certain use, and if the name of the owner is not known, they should be assessed as "value unknown." Enter the amount of any assessment with the tax, in the column. The situation of taxing officers is especially called to sections 16 to 27 of the Tax Law of 1893; they should be carefully studied and the directions therein contained should be strictly followed. - ANDRUS GARLAND'S OFFICE, 1893.
