

Assessment Roll for the Township of Ann

in the County of Oakland for the Year 1896

No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax, unless owned and OCCUPIED as one parcel with section one, and if the name of the owner is not known, they should be assessed as "owner unknown." Enter the amount of any assessments or credits due, in the column. The situation of assessing officers is especially called to sections 10 to 17 of the Tax Law of 1887; they should be carefully studied and the directions therein contained should

be strictly followed. Personal Estates must be valued and taxes entered on a different line, as well as column, from Real Estate. Non-resident lands should be entered in numerical order, together with the name of the owner, in the column for "Remarks" state opposite each parcel for what year the re-assessment was made. (1888-89)
