

Assessment Roll for the Township of Aron

No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be found in one valuation or tax, unless owned and occupied as one parcel with another one, and if the name of the owner is not known, they should be assessed with Real Estate. In the absence of the attention of assessing officers is especially called to sections 18 to 27 of the Tax Law of 1899; they should be carefully studied and the directions therein observed.

in the County of Oakland for the Year 1890

Personal Estate must be valued and taxes entered on a different line, as well as column, from Real Estate. Non-resident lands should be entered in numerical order, beginning of town to which it belongs, above the tax for the Year for which this Roll is used, and in the column for "Remarks" state opposite each parcel for what year the re-assessment was made. To be strictly followed.—ASSESSOR GENERAL'S OFFICE, 1890.
