

Assessment Roll for the Township of _____

in the County of _____ for the Year 1890

No more than one tract of land should be placed or listed in the same line. Two descriptions which can be joined in one valuation in tax, unless owned and occupied as one parcel, shall be entered on one lot if the name of the owner is not known, they should be assessed as "separate valuations." Enter the amount of any assessment with Real Est. in the column. The amount of personal property is especially valued to estimate it in the Tax Law of 1889, they should be carefully studied and the directions therein contained should be strictly followed.—AUDITOR GENERAL'S OFFICE, 1890.

Personal Estate must be valued and taxes entered on a different line, as well as column, from Real Estate. Non-resident lands should be entered in numerical order, begin of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for "Remarks" state opposite each parcel for what year the re-assessment was made. [1890-90]
