VOLUME I. NO. 38.

CLARKSTON, MICHIGAN, FRIDAY, MAY 23, 1930

WHOLE NUMBER, 38

## CLARKSTON H. S. TO GRADUATE FIFTEEN

### Commencement Exercises to Be Held on Evening of June 19

There are 15 members of the senior class of Clarkston high school eligible for graduation this year, according to an announcement this week by the school officials. They are:

Helen Lawson, valedictorian; Virginia Clark, salutatorian; Gertrude Molter, class orator; Louise Dunston and Grace Jones, class prophecy; Mary Miller, class history; Norman Ellis, class will; Marvin Porritt, class poet; Phyllis King, gittatory; Ada Hoyt, Kathryn Shipman, Elsie Crosby, Alan Cross, Raymond Beemer, Leroy Schreck and Ralph Marshall.

Commencement night will be Thursday, June 19, and the speaker will be Dr. M. S. Rice, of the Metropolitan M. E. Church of Detroit. Class night will be June 18, with the members of the class taking part as stated above. Baccalaureate service will be held on Sunday evening, June 15, in the Clarkston M. E. Church, with Rev. Joseph Chapman as the preacher.

## MOTHERS AND DAUGHTERS ENJOYED FINE BANQUET

The mothers and daughters of Clarkston last night enjoyed a banquet arranged in the honor by the women of Clarkston Baptist Church. Mrs. H. H. Savage was the chief speaker and the following interesting program was given:

Invocation..... Mrs. Joseph Chapman  
Community Singing..... Led by Mrs. Harold M. Vaughn  
Introduction of Toastmaster..... Mrs. William Chase  
Toastmaster..... Mrs. Margaret Rockwell  
Toast to Mothers..... Miss Gladys Ross  
Saxophone Duet..... Mildred Corvell, Mary Miller  
Toast to Daughters..... Mrs. Lewis Galligan  
Chalk talk, "Faith of Our Mothers"..... Mrs. L. C. Hamilton, of Holly  
Vocal Solo..... Mrs. Louis Walter  
Reading..... Mrs. William F. Todd, of Pontiac  
Address..... Mrs. H. H. Savage, of Pontiac  
Group of three numbers..... Miss Geneva Smedley

Ortonville High School baseball team continued undefeated by winning from Davison Tuesday, 3 to 1, in a very interesting game played on the Ortonville diamond.

## LADIES' AUXILIARY HOLDS LUNCHEON

### Pleasant Meeting Follows and Activities Are Planned

The Ladies' Auxiliary of the Waterford Baptist Community Church met Tuesday for a 1 o'clock pot luck luncheon at the home of Mrs. John Youngs, with Mrs. George Slayton as assistant hostess. About twenty members and guests partook of the luncheon and enjoyed a pleasant afternoon.

At the business meeting, it was decided to dispense with the annual bazaar held in the summer, each member contributing a dollar or more instead. Money can be handed to the secretary, Mrs. Owen, or the treasurer, Mrs. H. Buck.

A pancake supper was voted upon, to be held in June, date to be announced later, for the benefit of the repair fund. Committees named for this affair were:

Kitchen—Mrs. Lashaway, Mrs. R. Sinift.  
Dining Room—Mrs. H. Pratt, Mrs. H. Harrup, Mrs. C. Chamberlain and Mrs. A. Perry.

A bake sale to be given in July will be planned at the next meeting, which will be held at the home of Mrs. Cleve Chamberlain with a 1 o'clock pot luck luncheon the second Tuesday in June, June 10.

All members are requested to meet at the parsonage Tuesday afternoon, May 27, at 1:30 o'clock with cars, if possible, to take a trip to Pontiac and go thru the Economy Furniture Store.

## LOCAL LORE

Mr. and Mrs. Henry Howser, of Ann Arbor, visited George Van Horn Sunday.

Mr. and Mrs. William McMullen, of Lapeer, visited at Mr. and Mrs. Percy Craven's Sunday.

Mr. and Mrs. Hugh Archer, of Pontiac, spent the week-end with Mr. and Mrs. Louis Borst.

## DRAYTON PLAINS H. S. TO REPEAT PLAY SUCCESS

On Friday evening, June 6, at 8 p. m., the Drayton Plains High School will again present "The Path Across the Hill", as a benefit for the ninth and tenth grade classes, in the School Auditorium. This play was first presented on April 4, and was such a big hit that it is being put on over again. Admission prices will be 35 cents for adults and 20 cents for children. The cast of characters will be presented next week.

## SHOWERS IN HONOR OF RECENT BRIDES

### Two Pretty Society Events Are Held in Ortonville

Honoring one of Ortonville's recent brides, Mrs. Earle McKenney, her sisters were hostesses recently at a kitchen shower, held in the home of their mother, Mrs. Samuel Wolfe. The house was attractively decorated with spring flowers. During the afternoon, progressive bunco was enjoyed and refreshments were served the 20 guests. Mrs. Homer Croup and Mrs. Fred Merryweather won prizes. Gifts arranged for the honored guest were located by the ringing of alarm clocks.

Another young bride recently honored was Mrs. Harry Gleason, of Detroit, formerly Miss Suda Skinner. Miss Mable Brandt, and Mrs. Roy D. Young, of Pontiac, were hostesses at a household shower. Spring flowers were used in the decorations and progressive bug was the diversion, the honor guest being awarded the prize. Among the twenty guests were the following from outside Ortonville: Misses Elnora Moule and Margaret Wickett, of Highland Park, Miss Alice Thayer, of Flint, Mrs. Frank Skinner and Miss Olive Taylor, of Pontiac.

## S. L. PACK ENTERS RACE FOR SHERIFF

### Is Royal Oak Man and Was a Deputy for Seven Years

S. Lee Pack, veteran law enforcement officer and a resident of Oakland County for 23 years, today formally announced his candidacy for the Republican nomination for sheriff at the fall primary.

Pack, a native of Shiawassee County, entered law enforcement work in Oakland County in 1922 under James Butler, then sheriff. He continued as a deputy sheriff until early in 1929, when he resigned. Soon after entering the Sheriff's

S. LEE PACK

office, Pack tackled the perplexing problems then arising in connection with enforcement of the prohibition laws, relatively new at that time. By study of the legal technicalities involved, aggressiveness and unswerving honesty, he made a record for arrests and convictions which won the praise of courts and prosecuting officers.

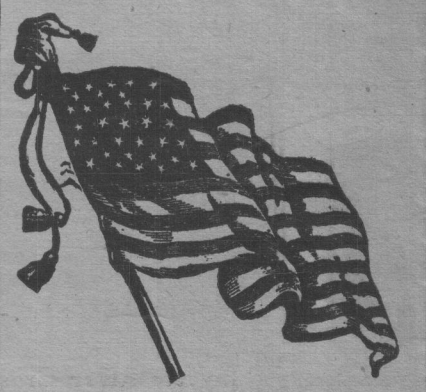

Most of his work along these lines was performed in addition to his usual duties which ranged through the whole scale of police work. His restless energy, obvious sincerity, and outspoken belief that the duty of an officer is to enforce all laws justly and impartially have won him the support of thousands of citizens throughout the county.

He was married in 1900 and has one child. He is now making his home at 319 Waverly avenue, Royal Oak, after having lived in Pontiac during his years as an officer. He is an active member of the Royal Oak Congregational Church.

Born, May 15, to Mr. and Mrs. Claude Zimmerman, of Ortonville, a daughter.

## WILL PAY HOMAGE TO NATION'S DEAD

### Exercises in Clarkston Will Be Held at Lakeview Cemetery

"Bring flowers! the Union lives and grows,  
The Blue and Gray are one again;  
Old Glory floats o'er hill and plain  
From southern palm to northern snow.  
Bring flowers! the veterans' ranks grow thin,  
Alas! a few short years at most,  
And what was once a conquering host  
Will all have passed the Veil within.  
So bring sweet flowers of every hue,  
And plant the Flag on every mound;  
For all this land is holy ground;  
Because our dead were brave and true."

Sixty years have passed since John A. Logan, Commander-in-chief of the Grand Army of the Republic, issued General Orders No. 11, designating May 30 as a day in which the graves of those comrades who were sleeping should be given special attention, and each succeeding year the same loving service has been rendered by faithful comrades and friends. Not alone will the graves of our Civil War Veterans be decorated but those of all our wars.

As has been the custom for many years there will be Memorial Day services in Lakeview Cemetery at Clarkston. The services will start at 2 p. m., with the Rev. H. A. Huey, pastor of the Waterford and Clarkston Baptist Churches, delivering the address. At this time the program is not complete but will include music and other appropriate features. It is expected the Boy and Girl Scouts will prepare the services of decorating the graves.

## MOTORCYCLE POLO GAME TO BE HELD AT AIRPORT

The national championship motorcycle polo team of Pontiac will be seen in action in its first regularly scheduled game next Sunday, May 25, at the Airport Field, Airport and White Lake roads, opposite the Municipal Airport, when it engages the Detroit Motorcycle Club in the season's opener. In addition to the polo game, a field meet including Australian pursuit race, relay races and broad jump will be held. The events will begin at 2:30 o'clock.

## SOFT BALL LEAGUE HAS BEEN FORMED

### Clarkston and Waterford Center Represented by Teams

A soft ball league is being organized in the County among the various 4-H Clubs. There are thirty-two clubs lined up for the league which will take a series of four games to pick the County Champion team.

The clubs are given until June 15 to play the first series, until July 1 for the second series, July 15 for the third series and the final game will be played at the County Farm Bureau picnic in August. Several of the clubs have been playing one another already and it is expected that considerable enthusiasm will be aroused during the summer as to who will be the county champion. The clubs will set their own dates for playing, then report to the County Club Agent, M. H. Avery, the results of these games.

Following is a list of the clubs as lined up for the first series of games: Holly Livestock vs. Holly Poultry. Austin Corners vs. Davisburg. Clyde vs. White Lake.

West Highland Calf vs. West Highland Sheep.  
Highland vs. Milford.  
New Hudson Poultry vs. New Hudson Crops.  
South Lyon Calf vs. South Lyon Garden.  
Walled Lake Poultry vs. Walled Lake Crops.

West Bloomfield vs. Bond.  
Troy vs. Elmwood.  
Proper vs. Hubel and Four Points.  
Ortonville Garden vs. Ortonville Rabbit.  
Seymour Lake vs. Oakwood.  
Clarkston vs. Waterford Center.  
North Oxford vs. Leonard.  
Novi vs. Ed Starr.

Mrs. Elizabeth Drake is spending a few days in Flint.

## P.-T. ASSOCIATION HOLDS LAST MEETING OF YEAR

The last meeting of the Parent-Teacher Association was held Tuesday night, May 20. The meeting was opened with a band concert on the school lawn. The meeting adjourned to the auditorium where a short business meeting was held. Mrs. John Shaughnessy gave a paper on table conversation which was followed by a discussion. The speaker of the evening, Mr. Blake McDonald, of Royal Oak, gave a very interesting talk on "Having the Time of Your Life". He advised parents to enjoy their families and make life as pleasant as possible.

## CLOSE GAMES LOST BY DRAYTON H. S.

### Ortonville Takes First, 2 to 0; Clarkston Second, 7 to 6

The strong Ortonville High School baseball team continued undefeated by winning from Drayton Plains last Friday, 2 to 0. Borst held the Drayton batters to three hits and his teammates played errorless ball behind him. Beals also pitched an excellent game, but four errors were bunched in the third inning to give Ortonville both its runs. It was only Drayton Plains' second defeat of the season.

## FORMER ORTONVILLE BOY DIES AT HOME IN LAPEER

The death of William H. Tucker, a prominent resident of Lapeer, occurred Wednesday morning, May 21, of heart disease and paralysis. Mr. Tucker was born in Ortonville 68 years ago, and when 14 years old went to Lapeer. Later he was engaged in the dry goods business at Standish, returning to Lapeer in 1904, where he was engaged in the implement business since. He was a member of the Masonic lodge, Knights of Pythias and I. O. O. F. at Lapeer; Bay City Consistory and Saginaw Shrine.

He was interested in civic affairs and served Lapeer as mayor for several terms and also was a member of the city council.

## CHURCHES

### CLARKSTON M. E. CHURCH

Joseph Chapman, Minister  
Services for Sunday, May 25, will be as follows:  
Morning worship at 10:45 a. m. Sermon subject, "Remember Jesus Christ". A sacramental service. Special singing by the choir.  
Sunday School is at 12:00 o'clock noon.  
The evening service is at 7:30 p. m. This is a united service and the subject will be "Patriotism and Religion".

Thursday, May 29, the united prayer service in the Methodist Church under the leadership of the pastor.

The W. F. M. S. will meet on Wednesday, May 28, at the home of Mrs. C. G. Fiske at 8 o'clock.

The annual Mother and Daughter Banquet which has been held each year for a number of years in the Methodist Church will take place on Wednesday, June 4.  
Children's Day will be June 8.

### WATERFORD COMMUNITY BAPTIST CHURCH

H. A. Huey, Pastor  
Morning worship at 9:45 a. m. Sermon by the pastor, "Nevertheless, God". Music in charge of Mrs. R. Sinift.  
Sunday School at 10:45. H. B. Mehlberg, superintendent.

### CLARKSTON BAPTIST CHURCH

H. A. Huey, Pastor  
Morning worship at 11:00 a. m. Sermon by pastor, "Nevertheless, God". Special music by the choir.  
Sunday School at 12. George Van Horn, superintendent.

Union service Sunday evening at the M. E. Church with Rev. Joseph Chapman preaching.

### DRAYTON PLAINS COMMUNITY UNITED PRESBYTERIAN

Clarence J. Sutton, Minister  
The regular services of the church are:  
Bible School at 10:00.  
Morning worship at 11:00. Sermon subject, "The Holy Spirit as Comforter", one of a series of pre-Pentecostal sermons.

Evening worship at 8:00. Sermon subject, "Hell, the Great Eternal Fact".  
Mid-week prayer service Wednesday at 8:00.

Splendid music at all services, under the direction of Kirby Milleur.

## BOND ISSUE LOST AT DRAYTON PLAINS

### New School Proposition Fails to Carry at Special Election

Half-day sessions for pupils in the Drayton Plains School are probable next year as a result of the decisive defeat last Saturday by the voters of the Drayton Plains School District of the proposed \$115,000 bond issue. Only 75 ballots were cast in favor of the bond issue while there were 161 opposed to it.

Had the proposal carried the money would have been used to build an addition this summer to the present school building, which is too small to care for the 400 pupils enrolled this year. Several grades are now meeting in the basement of the Community Presbyterian Church, but use of this building for another year will not be permitted under state department of education regulations.

It is estimated by the school board that, with the rapidly increasing school population in Drayton Plains, there will be about 150 more pupils next year than can be cared for in the present building. The only alternative to half-day sessions is to send these excess pupils to adjacent school district, the Drayton Plains district paying their tuition.

W. L. Cook, one of a group of business men and citizens who led the opposition to the bond issue, declared after the election that the business men of the community intended to keep taxes down to a point where it would be a desirable place for people to live and that school taxes were now so high and the district's indebtedness so great that another bond issue was folly.

"A majority of our business men taxpayers here opposed the bond issue and the vote is sufficient evidence of the attitude of the community," said Mr. Cook.

It was claimed by the school directors that increased valuation would bring about a reduction in the actual tax rate next year. They also presented figures to show that the per capita cost of operating the Drayton Plains School is less than that of other schools in neighboring districts.

The proposed bond issue was to have been paid for in 30 years.

## ORTONVILLE BOY SCOUTS RUN AWAY WITH GAME

The Ortonville Boy Scouts played their first baseball game Wednesday afternoon with the Goodrich Scouts, with the Ortonville Scouts carrying home the honors. The game was played at Goodrich with the score 31 to 0. The game was called at the end of the sixth inning. There will be a return game at Ortonville next Wednesday. All are invited.

The Ortonville Scouts challenge any boys' team or scout team in Oakland County. For games write or call Dr. C. E. Marsh at Ortonville.

## LEAVE NEWS ITEMS AT THESE PLACES

### Readers Invited to Help Make This Paper a Success

The publisher of the News is desirous of making it a representative community newspaper, covering the towns of Clarkston, Waterford and Drayton Plains, and surrounding country. To do this we need the assistance of our readers, and we shall appreciate all news items they furnish. For their convenience such items may be left at the following places:  
Clarkston—C. G. Huntly's Drug Store and Lee M. Clark's office.  
Waterford—Jacobson's Store.  
Drayton Plains—Drayton Pharmacy.

They may also be mailed direct to the Clarkston News.  
Subscriptions will also be received at the above places. The subscription price has been reduced to \$1.00 per year; 50c. for 6 months; 25c. for 3 months.  
The News will be mailed from all three postoffices early every Friday morning.

## LOCAL LORE

Mr. and Mrs. F. C. Dunston have been spending the week at Lucerne.

Herbert R. LaVigne, who was recently elected to the board of directors of the Holly Valley Country Club, entertained a party of eight at the opening dinner dance of the club Thursday night.

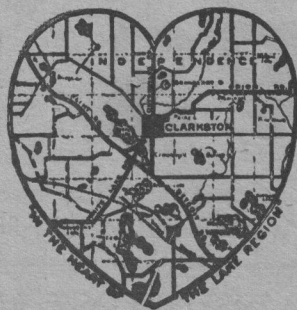

## LOCAL LORE

Mrs. Vine Barrows has returned to her home after several weeks' visit in Ann Arbor.

W. E. Irish and Frank Dunston, of Clarkston, were among the delegates chosen from Oakland County to attend the Democratic state pre-primary convention in Jackson yesterday.

Robert Hoisington was pleasantly surprised last Sunday by his mother, Mrs. Jennie Hoisington, and five sisters, Mrs. Mae Henry, Mrs. Angie Kelly, Mrs. Ray Haddock, Mrs. J. B. Shepard, all of Detroit, and Mrs. T. B. Albrecht, of East Lansing, with their families, arriving en masse to celebrate his birthday.

**BUSINESS FRIENDSHIP**

Friendship in business means a lot. As a truly active force in the consummation of everyday business none can deny. Friendship can be cultivated through correspondence, but it lacks that final personal touch which makes the final expression of real loyalty. The merchants of this community are your friends. They have interests vital with your interests. They go to the same church. Their children go to the same school as your children. They drive their cars over the same roads you use. Their interests are your interests—your interests are theirs. They are anxious to see you succeed in your business undertakings. They want you to be prosperous and they will do everything in their power to help you. And as you prosper, the business men prosper, the community prospers, and everyone is happier, since a prosperous community is the best place in which to live.

**VITAMIN A IN RIPE OLIVES**

Ripe Manzanillo olives may be served for their food value rather than as a mere relish, for this variety has been found to be rich in vitamin A. Manzanillo olives, which are of medium size, are grown in California, ripened on the tree, treated in the canning factory to develop flavor, and sealed and processed in air-tight containers like other canned foods. They contain from 14 to 20 per cent of oil.

Samples of commercially packed ripe olives of the Manzanillo variety were recently tested in a series of feeding experiments by the Bureau of Home Economics of the United States Department of Agriculture. The growth of the 50 laboratory animals given these olives as a part of their regular diet indicated that they were receiving an abundance of vitamin A. This is the vitamin essential for growth and well-being at all ages, for successful reproduction, and for resisting bacterial infection. Other varieties of both ripe and green olives are to be tested in a similar way shortly.

The surest way of getting a new stand of alfalfa well inoculated is to scatter soil from a productive alfalfa field or from the roots of sweet clover or bur clover plants. From 250 to 500 pounds of soil per acre is the usual application.

**Swiss Superstition**

Rigi, one of the most famous mountains of the Swiss Alps, has staged many landslides in its time. Some of them have cost many lives, and buried whole villages at its foot. An age-old legend ascribes these slides to the hard-heartedness of the people, who are supposed to have incurred the anger of the dwarfs by refusing them hospitality.—Gas Logic.

**Aluminum Alloys Formed**

Aluminum is combined with other metals, according to reports of processes developed by a San Francisco inventor, to form valuable alloys. With gold, a hard, light alloy is prepared; a silver mixture so hard that it can be sharpened to a razorlike edge is also made, and copper is made suitable for use in tools.—Popular Mechanics Magazine.

**Some Call It a Depot Now**

Uncle Hiram was coming to visit his city nephew and the nephew was looking forward to the visit with some uncertainty. He had warned Uncle Hiram that he had changed since the days on the farm. But he didn't realize just how tremendously he had improved till he read Uncle Hiram's telegram.

"Meet me at the Grand Central depot at 2:15."

"The Grand Central depot," he laughed. But the laugh had a guilty sound.

It hadn't been so many years, he remembered, since he had called a station a depot, and made fun of the Uplity, the town snobs, who were very superior and called it the "terminal." —New York Sun.

Among other individuals who need stamping out, is the careless camper who fails to stamp out his camp fire when he is through camping.

Four million people in China have received an elementary education through the mass education movement, started ten years ago.

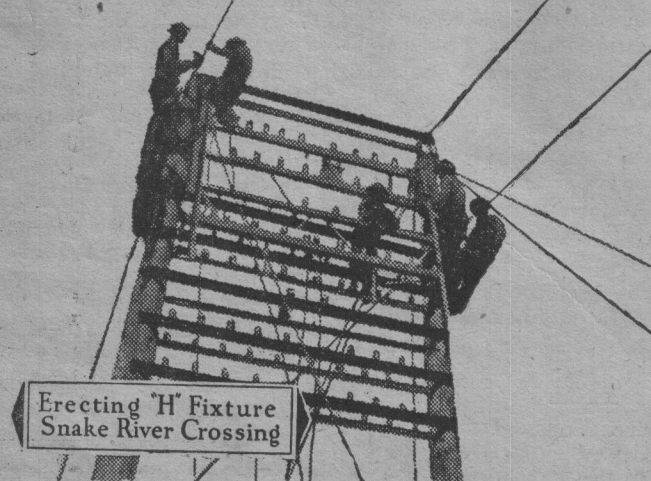

Here's the one complete Screen-Grid Radio—the new Apex at \$99.50. On display exclusively at Winglemire's Warehouse Store, Holly. Open till 8 P. M.

Eleven of the largest projects in the history of the electric light and power industry are under construction now.

The United States bureau of fisheries recently sent a gift of 40,000 rainbow trout eggs to the German bureau of fisheries.

When a woman becomes President of these United States, what will she do if she desires to exercise the right of the "pocket veto?"

**Catenary Spans Carry Open-Wire Telephone Circuits Across Rivers in Southwest**

In addition to carrying on a comprehensive plan of toll cable construction, the Southwestern Bell Telephone Company has strung many open wire circuits. One of the most interesting examples of open wire construction was the stringing of copper circuits across the Snake and Payette rivers in Idaho. These formed a part of the Boise-Huntington toll line. The catenary spans across these two rivers required the erection of "H" fixtures and the placing of channel cross-arms and suspension arms. The most notable example of this kind of construction is the catenary span across the Gila river in Arizona which is more than 2,300 feet long, about 800 feet longer than the Brooklyn bridge. This is said to be the longest and largest catenary span for carrying telephone wires in the world.

CLARKSTON, MICH.

British physicians now claim that crying is good for one's complexion, provided, of course, that one's complexion is one's complexion.

As soon as beauty is born for the individual, evil has lost a home. Human perfection can only come through an appreciation of loveliness. The ugliness of life cannot stand before it. Wars, with all their horror and suffering, murder and crime, all arise from the fact that their perpetrators are blind to beauty. The civilization which aspires to crush evil is articulate through its art. Wherever people have raised their heads above the clouds of brutality, they have left behind them their expressions of the beautiful. The yearning for higher things, which is the first step in their attainment, begins when a sense of beauty is born.

A London author patronizes letters with the remark that "writing books is a good hobby for a busy man or a pleasant occupation for a woman; but for a man with any ambition it is far too small a thing." There can be no doubt that an author's product is at least as "small a thing" as he thinks it is. On the other hand, literature claims some immortals who found it quite important enough to put into it everything they had; but it is as probable that they had more to put in as it is improbable that literature will suffer irreparable loss from the withdrawal of one who regards the muse as only a mistress to philander with.

**QUESTIONS AND ANSWERS**

E. T. Will you please explain in your question column what is meant by the term "Scotland Yard"?

A. Scotland Yard is a short street off Whitehall in London, and was famous for a long time, until 1890, as the headquarters of the Metropolitan police force, which is now located at New Scotland Yard on the Thames Embankment. Hence a detective or police officer of the London Metropolitan police department.

H. R. I was born on April 2, 1899. Can you tell me on what day of the week I was born?

A. You were born on Sunday.

L. K. Can you answer when was the first gold found in California? Your answer will settle an argument as to whether it was in 1848 or 1849.

A. Altho gold was known to exist in California as far back as the time of the Drake Expedition in 1577, and was mentioned in publications in Spain 200 years ago, the actual discovery of any large quantity was left until 1848. A man by the name of Marshall, employed to build a mill on a branch of the Sacramento river, discovered yellow spots in the mill race. He was laughing at when he told some of his fellow workmen he believed it was gold. The secret leaked out and the rush of 1849 followed.

F. A. If a man is shot and instantly killed at a distance of 1,000 yards will he hear the report of the gun?

A. No. The bullet will reach him about three seconds before the sound of the gun.

M. H. I would like to have you answer in your good question column just how long trees live?

A. The age of trees varies according to the variety. There is a tree in Mexico which has a trunk of 119 feet in circumference and is pronounced by scientists to be approximately 6,250 years old. Some of the redwood trees in California are about 5,000 years old.

D. T. Will you answer in the query department if beavers can build houses of wood? If so, where do they get the wood and how?

A. Yes, they can. Beaver colonies are constructed by these industrious rodents in a manner that excites the admiration and wonder of the human race. Huge trees are gnawed thru, made to fall in the direction desired, cut into small pieces and rolled into the proper place. Grass, branches of trees and mud are then used to make a thoroly water-tight dam, behind which the curious mud huts are built. In order to get the trees to the stream, beavers have been known to gnaw away a channel thru the soil until a sufficient depth of water is secured to float the big tree trunks.

**LET US QUOTE**

Not Shakespeare—just this bit of insurance sense:

"Never forget that Automobile Insurance is protection for your other property as well as your car. Proof of good intentions never satisfied a judgment. Either YOU or YOUR INSURANCE must pay when Public Liability or Property Damage is involved."

We know. Automobile Insurance and satisfactory adjustments are our business.

Phone No. 60 and 80

C. N. Can you tell me why barbers use striped poles?

A. This is a relic of the middle ages when barbers practiced surgery in addition to hair-cutting and shaving. Their red-and-white striped poles were symbolic of the bandages they used, the white bound around the patient's arm before bleeding, and the red the appearance of the bandage after bleeding.

B. M. My grandmother was born on June 1, 1861. Can you tell me on what day of the week she was born?

A. If your grandmother was born on June 1, 1861, she was born on Saturday.

T. C. Can you answer in your question and answer department when the first almanac was issued, and why it was called "almanac"?

A. The word "almanac" is of uncertain derivation, but the word is believed to be taken from the Teutonic "al" meaning "the", and "monah", meaning "moon". The earliest known almanac is dated 1200 B. C., and was written on papyrus in the time of Rameses the Great of Egypt. The first printed almanac was issued in 1457 by Purbah, an astronomer of Vienna.

P. G. Will you please answer in your question and answer column what was the day and date that Washington took command of the Continental Army?

A. Washington took command of the Continental Army on Monday, July 3, 1775.

S. E. I would like to ask you if "Mother's Day" is a legal holiday.

A. In all the states except New Mexico "Mother's Day" is the second Sunday in May. In New Mexico May 12 is "Mother's Day" and is a legal holiday in that state.

**INSECT MAY CAUSE DAMAGE TO FRUIT**

Thrips Is Reported in Unusual Numbers in State This Year

East Lansing, May 22.—An insect, the flower thrips, which is not usually present in Michigan in sufficient numbers to cause damage to fruits or crops is reported to be so abundant this year that the entomology department at Michigan State College advises the use of control measures to prevent injuries to fruit.

The last previous years when damage was done by the insect in this State were 1918 and 1910. Especially favorable weather conditions or the absence of natural enemies apparently permit the thrips to multiply rapidly in certain years.

Damage to fruit can be prevented by the use of nicotine, either as a spray or as a dust. The nicotine can be applied as a special spray or can be included in the regular early sprays. Peaches should be sprayed as soon as the shucks fall, and raspberries should receive the spray before the plants blossom.

Detailed directions for the proper mixing of sprays for the control of thrips can be obtained from the entomology department at the College or from county agricultural agents.

Most of the reports of the presence of thrips have been made from the western section of the State, but it is probably present in all parts. It is a tiny insect which will escape notice unless the plants upon which it is feeding are closely inspected.

Remember when in need of new window shades that Winglemire's Warehouse Store in Holly has a special shade department and makes and installs shades free of charge.

**LAWN FERTILIZER**

For many years bone meal has been used quite generally as a fertilizer for established lawns, but experiments conducted by the United States Department of Agriculture have

shown that a mixture of 3 parts of cottonseed meal and 1 part of ammonium sulphate gives much better results. This fertilizer should be applied in spring and early fall at the rate of 12 to 15 pounds for 1,000 square feet.

**Peggy O'Neill, Dainty Danseuse,**  
Makes Favorite Spring Dessert

Courtesy Philadelphia Daily News  
This charming young actress is quite as proud of her culinary triumphs as of her success in "Follow Through." This is an orange tapioca cream she has just made for which recipe is given below.

THE flagging appetites of spring and early summer crave food with freshness and tang. And with plentiful supplies of delicious, healthful citrus fruits on hand there are a number of appetizing desserts which can be prepared quickly and economically. When one of these makes its appearance, there won't be any half empty plates sent away from the table.

All these desserts supply the family with the tonic, refreshing citrus fruits. They have the wholesome, easily digested quick cooking tapioca as well as the eggs, milk or cream to make them as good for the three-year-old as for the grown-ups. These desserts may be served in a large dish. An added touch of daintiness is given by service in individual sherbet glasses, garnished with sections of fresh fruit.

**Orange Cream Dessert**

- 1/2 cup sugar
  - 1/4 teaspoon salt
  - 1/2 cup quick cooking tapioca
  - 1 quart milk, scalded
  - 1 egg yolk, slightly beaten
  - 1 egg white, stiffly beaten
  - 1 teaspoon orange or vanilla extract
  - 4 oranges, sections free from membrane
- Add tapioca, sugar, salt to milk. Cook in double boiler 15 minutes, until tapioca is clear, stirring frequently. Pour small amount of tapioca mixture over egg yolk, stirring vigorously. Return to double boiler and cook until thickened. Remove from fire; fold in egg white and flavoring. Place few sections of orange in bottom of serving

dish and cover with tapioca mixture. Garnish with whipped cream. Serves eight.

**St. Clement's Tapioca Cream**  
3 tablespoons sugar  
1/4 teaspoon salt  
4 1/2 tablespoons quick cooking tapioca  
2 cups milk  
1 egg, slightly beaten  
1/2 cup sugar

Grated rinds of 1/4 lemon and 1/4 orange  
1 orange and 1 lemon, sections free from membrane and drained

Add tapioca, sugar, and salt to milk. Cook in double boiler 15 minutes, or until tapioca is clear, stirring frequently. Pour small amount of mixture slowly over egg, stirring vigorously. Return to double boiler and cook until thickened. Remove from fire. Add grated lemon and orange rinds. Cool. For sauce, boil fruit juices and sugar together three minutes. Add orange and lemon sections, and cook three minutes longer. Chill. Pour small amount of sauce over each portion, just before it is served. Serves eight.

**Luscious Grapefruit Pudding**  
1/2 cup quick cooking tapioca  
1 1/2 cups hot water  
3/4 cup sugar  
1 cup grapefruit juice

2 grapefruit sections free from membrane  
1 orange, sections free from membrane  
Double tapioca to water and cook in double boiler 15 minutes, or until tapioca is clear, stirring frequently. Add sugar and grapefruit juice. Pour over grapefruit sections. Chill. Garnish with sections of orange. Serves six.

W. T. Stephens, who recently underwent an operation at St. Joseph's Hospital, in Pontiac, is now reported gaining.

Mr. and Mrs. Elmer Collins and family are now at the home of Mrs. Collins' mother, Mrs. Lillian Norton. It will be remembered that Mr. Collins was injured in a truck accident some time ago, from which he is now slowly recovering.

The following seventh and eighth grade pupils from Waterford took the annual county examinations at Pontiac last week. There were only one-third as many from the eighth grade as last year.

Seventh grade—Jessie Bailey, Louis Dorman, Meryl Eldrid, Gordon Larsen, Raymond Sontag, Robert Huey, Charles Harris, Boyd Rolf, Bernard McCaffery, Gerald Ward, David Mehlberg, Ellen Wiles, Merle Walker, George Williams, Richard Lambertson and Paul Etter.

Eighth grade—August Jacober, Roy Ritchie, Mildred Barkham, Robert Hall and Wilfred Ongren.

**SEYMOUR LAKE**

Thirty members of the Burr family from Flint, Fenton, Linden and Detroit gathered at the home of Fred Burr, Sunday, to help him celebrate his birthday anniversary.

Mr. and Mrs. Millard Perry will entertain members of the We-Do-Not-Choose Club and their friends in their home Friday evening.

The annual picnic for pupils of the West Travis School will be held on the school lawn today. A baseball game between the Seymour Lake and West Travis School teams will be a feature.

Miss Irene French, teacher, expects to spend part of her vacation at the home of her parents, Mr. and Mrs. W. Truman French, of Ewart. Later on she will attend Central State Normal College at Mt. Pleasant for the summer term. She will return in the fall as teacher of the West Travis School.

Over 200 boys have registered so far for the Oakland County Y. M. C. A. camp periods at Loon Lake during the coming summer. Boys from this vicinity who have so far declared their intention to attend are Raymond Lessnau, Drayton Plains; Maynard Hutchinison, Davisburg, and Ferris King, Waterford.

**BAILEY LAKE**

George Miller, Mrs. Iva Miller and children and Mr. and Mrs. William Buzzard spent Sunday with Frank Willie and children, of Pontiac.

Mr. and Mrs. Harry Lee and family spent Sunday with the former's sister, Mrs. Ed. Jenks.

Miss Dora Griffith, of Pontiac, was a week-end guest of the Misses Christine and Bernadine Bailey.

Mrs. Mallory Stickney spent several weeks in Washington, D. C., visiting her brother and daughter, Janet. The latter, who was attending school, returned with her.

Miss Wilma Doebler returned home Saturday after spending several weeks at Green Lake sewing.

Mr. and Mrs. Henry Owen called on George Miller one day last week.

Edith Scrace, Harry Edwards, George and Martha Miller, Harriet Thompson and Hazel Perry wrote on the seventh grade examination last Thursday. Donald Scrace wrote on the eighth grade examination last Friday.

Christine Bailey has completed the stenographic course and Bernadine is finishing the secretarial course at the Pontiac Business Institute.

Mrs. Iva Miller called on her sister, Mrs. Tinman Nelsey, and found her very much improved in health.

Mrs. Ed. Jenks spent Monday with Mrs. John Frazier, of Oxford.

Miss Beryl Brendle has been engaged to teach the Bailey Lake School for the coming year.

Mrs. August Doebler and Wilma Doebler and Mrs. Sally Bailey attended the Achievement Day program in Pontiac Tuesday.

**OAK HILL**

Mrs. H. Baynes was a Pontiac caller Monday.

Thomas Kelley attended the funeral of a friend in Juniata last week.

A number from here attended the Farm Bureau banquet Wednesday evening at Clarkston.

Mrs. Floyd Lowery entertained 40 relatives Sunday in honor of the 50th birthday anniversary of her sister, Mrs. Alice Toles.

The June Bride will soon be with us again. It will be profitable for her to visit Winglemire's Warehouse Store, Holly, before furnishing her home. Special prices made to newlyweds.

And every other meal has its seasonable meats and vegetables, its fresh fruits and real home baking. We guarantee that your needs will be met in a most satisfactory manner and you will want to make a return trip to

**The Clarkston Restaurant**

**TOO SMALL SEED IS BAD FOR POTATOES**

**Too Much Cutting Lowers Both Yield and Quality**

East Lansing, May 22.—The planting of small-sized seed potatoes decreases the size of the crop and increases the number of tubers which are affected with hollow heart, according to data obtained in two years of experiments conducted by the farms crops department of Michigan State College.

The tests were made at the Rossman Brothers Farm at Lakeview, the W. K. Kellogg Farm at August, and the College Farm, East Lansing. Certified Russet Rural seed was used in all of the trials.

The sizes of pieces used were one-half ounce, one ounce, one-and one-half ounce, and two ounces. The average yields in bushels per acre obtained for the two years were, with one-half ounce piece, 91.4; with one ounce, 108.7; with one and one-half ounce, 123.4, and with two ounce, 129.4.

No hollow heart was found in any of the potatoes grown in 1929, which was due to favorable weather conditions. In 1928, the crop grown from the half ounce pieces contained twice as many hollow potatoes as the crop grown from the one and one-half ounce pieces.

The seed should be cut in thick pieces to avoid drying out in the soil after it is planted. Approximately 15 bushels of seed cut to one and one-half ounce size will be needed to plant one acre.

**RABIES QUARANTINE WILL AFFECT MANY TOWNSHIPS**

Dr. W. H. Carr, Holly health officer, has received a letter from Dr. C. H. Clark, state veterinarian, informing him that rabies quarantine posters are being printed to cover the townships of Holly, Rose, Highland, White Lake, Springfield and Groveland, in Oakland County, the townships of Fenton, Mundy and Grand Blanc in Genesee County, and the townships of Hartland and Tyrone in Livingston County. These posters will be sent to the sheriff's office in the three counties and will be posted in the townships named.

**CLARKSTON MAN INJURED IN MOTOR CAR ACCIDENT**

When his car plunged into a guard rail and post at Waterford bridge, on the Dixie Highway, at 6:15 p. m. Tuesday, Stephen Clinton, 49 years old, of Clarkston, was seriously injured. He was removed to the City Hospital in Pontiac, where his condition is considered good.

Deputies Leon See and Waldron Keasey investigated the accident and reported Clinton had been drinking.

Mr. and Mrs. I. R. Stevens, witnesses of the crash, said they had followed Clinton from Pontiac and he was apparently unable to keep to the road.

Have you heard of the new Inner-spring mattresses @ \$17.85 for sale at Winglemire's Warehouse Store, Holly? Open till 8 P. M.

Intelligent reading of the labels on foods and an intelligent application of the information obtained in label reading would save the consumers of the nation millions of dollars a year.

Cooperation Prevents This

**Community Cooperation**

Any community can prosper only by the cooperation of its citizens.

It is the business of the stores, banks, churches, schools, elevators and other institutions to give such service to the country and town residents of this community as will best promote their mutual interests.

Naturally the farmers want a good market, and the people of this community will do their utmost to see that he has this market for his products. The farmer, as well as the other people in this community, appreciates good stores, good schools, sound banks, churches and wholesome amusement.

By pulling together we shall continue to make this community the business and social center which it should be

**100 MILE AUTO RACE ON ST. FAIR TRACK**

**Speed Battle Is Scheduled to Be Pulled Off on June 8th**

Detroit, State Fair Speedway-Plans are rapidly assuming shape for the running of the third annual championship 100 mile auto race under the sanction of the contest board of the A. A. A. to be held on the mile banked track on the state fair track, Sunday, June 8, a speed battle which will see none but the new two-men type of cars as starters, direct from the Indianapolis 500 miler. In fact, the entry specifies that none but the starters in the Hoosier classic can enter. This means a driver and a mechanic in each car—cars which will weigh much more and will have much larger power plants and will be faster.

Fourteen cars are to start and \$10,000 in prize money is up, and because it ranks next to the Indianapolis race in importance during the year the contest board of the A. A. A. has awarded 570 points toward the American championship for the year.

In addition to the title race there will be a 25 mile curtain raiser for state owned cars and the drivers who are just busting into the fair of the roaring road.

All tickets go on sale at the Detroit and other motor clubs in the state, May 25th.
