Address	Dr. M. S. Rice
Beyond the Spanish Main	Johns Echoes from Operetta
Mutual	High School Chorus
Presentation of Diplomas	Earl Walter
Selection	Band
Benediction	Band

The commencement number of the Clarkstonian which is being published by the Senior Class will be out Friday, June 13.

## PONTIAC MAN ADDRESSES MEETING OF COM. CLUB

The monthly Waterford Community Club supper was held at the church Wednesday evening. A fine meal was prepared by the committee in charge. Invocation was given by Rev. Huey. The mixed quartette sang two numbers with Mrs. N. Sniiff at the piano. Kemp Brown favored the audience with two vocal solos.

The speaker for the evening was Mr. Peterson, from the Wilson Foundry, who spoke on Boy Scouting. The Club voted to have a picnic on July 4. There will be no more suppers until October.

The club will meet Thursday, June 19, at the home of Mrs. A. E. Christian, with Mrs. G. Slayton as assistant hostess.

## GORDON'S PIRATES DEFEATED BRAVES

### Clarkston Boys Ask for and Will Be Given Another Try

Notwithstanding unfavorable weather, a good-sized crowd was present at the High School Athletic Field last Saturday morning to see the ball game between Gordon's Pirates of Holly and the Clarkston Braves. These are aggregations of juveniles. In other words, they are kids, regular American boys, with a love of baseball inherited and cultivated, and no doubt all of them cherish hopes of becoming in time big league players.

Getting back to the game, it was a close contest for six innings, at the end of which the score was a tie at 10 runs. Then something happened. With the bases filled, Wortman of Holly rapped out a three-bagger. This sort of discouraged the Braves and they contributed some wild throws that sewed up the game for the Pirates, 23 to 15.

The Braves want another game and the Pirates have consented to accommodate them a little later in the season. Then in their new uniforms that have been ordered, they hope to reverse the verdict of Saturday.

Mr. and Mrs. Cramer Judd attended the "Homecoming Picnic of Empire and Honor" at River Rouge Park Sunday.

## LAST HIGH SCHOOL GAME WITH HOLLY TEAM TODAY

The Clarkston High School baseball squad will close its season Friday afternoon when it faces the Holly nine. Three boys will compete for the last time in high school athletics, Ray Beemer, who has earned four letters working back of the plate, Marvin Porritt, who has divided his services between the mound and out in the field and also has four letters, and Norman Ellis, who will be missing from the first sack. This was Norman's first year.

The other boys who will earn their letters this year are: Gordon Parker, second base; Robert Jones, shortstop; Elton Powell and Robert Crossadell, third base; Ronald Weber, left field; Gordon Boice, right field; Bruce Corvill, who alternated with Marvin Porritt in the box and in center field, and Carl McArthur, manager and second base.

## MEETING ENJOYED BY LITERARY CLUB

### Annual Picnic Held Tuesday at Home of Mrs. Teggerdine

Tuesday, June 10, the Clarkston Literary Club met at the home of Mrs. David Teggerdine. Everyone was happy, for this was their annual picnic day. Each one was also curious, for there was a question, where were they going? No one knew except Mrs. Teggerdine, who had been appointed to find a place to picnic.

There were conveyances at the Teggerdine home for all, and everyone followed the leader. After a beautiful drive through the country, which nowhere can be more beautiful than in Oakland County on a June morning, they found themselves in beautiful Bloomer Park, White Lake. After following the winding roads through the park, they arrived at the picnic grounds.

Tables were quickly spread, and after eating a bountiful picnic lunch, the committee, composed of Mrs. Charles Bryant and Mrs. William Kyle, presented a few contests. First prizes were won by Mrs. A. L. McIntyre, Mrs. Josephine Smith and Mrs. Fred Steiner, two second prizes by Miss Ada Scraace, and consolation by Mrs. Ira Jones.

There were 21 club members present, besides two guests, Mrs. Barr, of Ann Arbor, and Mrs. A. Fox, of Farmers' Creek, and the husbands of two of the members, Mr. A. L. McIntyre and Mr. E. J. Miller.

## LADIES' AUXILIARY WILL HOLD A PICNIC IN JULY

The Ladies' Auxiliary of the Waterford Community Baptist Church met Tuesday at the home of Mrs. Cleve Chamberlain, with Mrs. Lee Chamberlain as assistant hostess, for a 1:00 o'clock pot luck luncheon. Nineteen members and three guests were present. Mrs. A. Walters joined as a new member. Regular meeting day was changed from the second Tuesday to the second Wednesday of each month. The July meeting will be in the form of a picnic, each member bringing sandwiches and one other dish.

## WATERF'D SCHOOL CLOSES NEXT WEEK

### Class of 1930 Composed of Five Boys and Three Girls

All plans have now been completed for exercises that mark the closing of the year's school work at Waterford. Examinations will occupy Monday and Tuesday. Class Day will be observed Wednesday, June 18, with the annual Freshman and Sophomore banquet at the school. Following is the program:

Toastmaster	James Roberts
Toast to 9th Grade	Stuart Farmer
Class Will	Clara Sommers
Class Prophecy	Floyd Larson
Class Poem	John Walker
Salutatory	Virginia McFarland
Class History	Martin Wiles
Valedictory	Grace McVittie

The commencement exercises will be held Thursday, June 19, when the following will receive their diplomas: Grace McVittie, Clara Sommers, Virginia McFarland, Stuart Farmer, John Walker, James Robert, Martin Wiles and Floyd Larson.

Mrs. Guy Walter entertained her Pontiac bridge club at a 6 o'clock dinner at her home Wednesday evening.

## THE CALL OF THE FLAG

Its folds weave a benediction to the yesterdays of accomplishment and beckon the tomorrows of progress with hope and confidence; it heralds the noble purpose of a mighty people and carries a message of hope and inspiration to all mankind. Its glowing splendor appeals to us to demand international justice and arbitration; it commands us to self-sacrifice and to universal obligation of service, which alone can maintain equality of rights and fullness of opportunity in our republic.

—Frederick C. Hicks.

## BRIDGE LUNCHEON GIVEN AT DETROIT YACHT CLUB

Pink and yellow roses in profusion were the decorations at the Detroit Yacht Club Wednesday, where Mrs. L. F. R. Bellows was hostess at a 1:00 o'clock bridge luncheon to a large party of friends. Ten tables were at play. Those from Clarkston were Mesdames George King, Herbert Lavigne, C. J. Waterbury, Seymour Miller, William Vliet and David Newland and Miss Viola Alger.

## HOME FROM CHINA, VISITING MOTHER

### Mr. and Mrs. M. O. Clark and Daughter Are in Clarkston

Mr. and Mrs. Milton O. Clark and daughter Madeline are visiting Mrs. Clark's mother, Mrs. Josephine Walter. For 20 years their home has been in Hong Kong, China, where Mrs. Clark has his headquarters as Standard Oil representative for a large part of southern China. They have been back several times during the two decades, but now Mrs. Clark will not return to the Orient. Mr. Clark will return, however, for two years more, and then he will come back to stay. In the meantime Mrs. Clark will spend most of the time in California, and that state will probably be their future home.

The daughter, Madeline, has been attending boarding school at Manila, and another daughter, Josephine, is now at an Eastern school.

Mr. and Mrs. Clark were three weeks coming from Hong Kong to San Francisco, going first to Manila, where they were joined by their daughter. They spent two weeks in San Francisco before leaving for Michigan.

## SUPPER AND PROGRAM AT BIBLE CLASS MEETING

Twenty-six members of the Adult Bible class of the M. E. Church held their regular monthly meeting at the home of Mr. and Mrs. August Doebler. After a bountiful pot luck supper was served and home made ice cream was served by the hostess, a fine program was carried out. Mrs. Pugh and Mrs. Jones gave a number of readings, several musical selections were given, and everyone had a fine time.

## D. P. HIGH SCHOOL WILL GRADUATE 15

### Commencement Exercises to Be Held on Evening of June 18

The Drayton Plains High School will have their graduation program at the school on the evening of June eighteenth. The program will start at 8:15. Dr. Weldon Crossland of the Pontiac Central M. E. Church will be the speaker of the evening. Music will be furnished by local school talent. A vocal solo will be rendered by Miss Evelyn McClay, a violin solo by Chester Verhey and a piano solo by Edith Sutton.

The following will receive tenth grade diplomas:

- George Almas, George Beechum, Gertrude Belisle, Uldene Coleman, Bessie Curtis, Marguerite Dean, Amber Hager, Robert Kelly, Robert Owen, Jack Phelps, Reva Porritt, Mary E. Rasmuson, Gladys Thomack, Marshall Vallad and Jack Wall.
- Twenty pupils will receive eighth grade diplomas on Friday.

## CHURCHES

### CLARKSTON M. E. CHURCH

Joseph Chapman, Minister  
Children's Day program at the Methodist Episcopal Church on Sunday, June 15, 1930, at 10:45 a. m. Baptismal service in connection with the same.

Sunday School follows the morning service at 12 o'clock.

The Baccalaureate service in connection with the High School will be in the evening at 7:30 p. m. and the pastor will preach the sermon. Subject, "The Economic Value of Christianity or Christian Investments or Dividends". Special singing by the choir and also a special number by the male quartette.

There will be no mid-week service on account of the Commencement program in the auditorium of the new high school. Dr. M. S. Rice of the Metropolitan Methodist Church of Detroit will be the commencement speaker.

Choir rehearsal on Friday evening at 7:30 p. m.

All who made pledges towards the rebuilding fund of the church kindly settle with the church treasurer, as we want to get all bills settled.

### CLARKSTON BAPTIST CHURCH

H. A. Huey, Pastor  
Morning worship at 11 a. m. Sermon by the pastor. Special music by the choir.

Sunday School at 12 noon. George Van Horn, superintendent.

### WATERFORD COMMUNITY BAPTIST CHURCH

H. A. Huey, Pastor  
No service Sunday morning. Sunday School at 11:00. H. B. Mehlberg, superintendent.

Sunday evening at 8:00 the Baccalaureate sermon will be preached by the pastor. Special music by the quartette.

### DRAYTON PLAINS COMMUNITY UNITED PRESBYTERIAN CHURCH

Clarence J. Sutton, Minister  
We enjoyed a large attendance at the special Roll Call service on June 8, all but about fifteen of the church's membership being present. In spite of a very rainy evening a nice crowd attended the dinner on Friday evening, and heard Rev. Parsons bring us a fine message.

All the services on Sabbath, June 15, will be of a very special nature. The Children's Day program will feature the entire morning service. This always brings us a large crowd of interested "kiddies" and parents.

The evening service, in which the young people will have the leading part, will also draw a fine crowd. Special quartette and chorus numbers, solos and guitar sacred selections, promise a treat of sacred music that no one will want to miss. The pastor will bring short messages that are suited to the various programs.

Two fine dinners, both free, are arranged for Monday and Tuesday nights, June 16 and 17, at 7:00 P. M. All men of congregation and community are especially requested to be present for the men's dinner on Monday evening. Several good speakers and a fine musical program are being arranged. But the biggest time of all will be on Tuesday night when the men don their "little" aprons and cook and serve a return dinner to the ladies. Oh boy!, it will be all right, all except washing the dishes. Women, mark that date on your calendar.

There is a real surprise program arranged. If you have a man with great abilities as a "chef" send him around early. Remember these dinner dates, Monday and Tuesday evenings.

### DAVISBURG M. E. CHURCH

Edward Bickford, Minister  
Services for Sunday, June 15, 1930: Morning service at 10:30. Topic: "Father".

Sunday School at 11:45. Evening service at 8 o'clock. This being "Father's Day", the evening service will be under the direction of D. D. Garner, Howard Hillman and Colin Walls. A flower will be worn on this occasion as for "Mother's Day". Let us make "Father's Day" a great day. Come fathers, mothers, sons and daughters.

On Thursday afternoon at 4 o'clock the Junior League will meet.

The W. F. M. S. will meet on Wednesday next.

## NEED THIRD GAME TO DECIDE SERIES

### "Old Timers" and "Kids" Have Each Won a Ball Game

The "Kids" evened up the count with the "Old Timers" at Athletic Field last Sunday, taking the ball game by a score of 8 to 5. The veterans came out on top in the first clash, 8 to 7.

"We have no alibis to offer", says one of the "Old Timers", "except that we missed Charlie Huntly back of the plate. Charlie", continues our informant, "claims that the flapjacks he had for breakfast weighted him down in deep water so long while fishing at Lewiston that it paralyzed his transportation".

Howard Huttenlocher won first prize for making the longest hit of the game. Second prize went to Alvin Cross.

The tie will be played off Sunday, June 22, at 2:30, and the interest aroused assures a good crowd.

## THE MESDAMES MILLER ENTERTAIN AT BRIDGE

Mrs. B. J. Miller and Mrs. Bradley Miller entertained at a beautifully appointed bridge luncheon Wednesday. Each table was centered with a crystal bowl of beautiful garden flowers, and rooms were beautifully decorated with bowls of peonies and iris. First prize was won by Mrs. Belle Vliet, second by Mrs. Henry Garter and consolation by Mrs. Edward Seeterlin. Mesdames Miller are entertaining another group of ladies Saturday.

## OXFORD WINS FROM DRAYTON PLAINS

### Good Hitting Wins for Boys From Northwest Oakland

Drayton Plains High School lost their return game to Oxford Wednesday afternoon at Oxford by a score of 11 to 3. The Oxford nine got to Beals in the second inning and piled up 5 of their 10 hits for as many runs.

Struck out—by Beals 2, by Dunlap 7. Bases on balls—off Beals 2, off Dunlap 6. Three base hits—Kelly, Patten. Two base hits—M. Vallad.

Mrs. Ira Jones and daughter, Mrs. Bernice Fox, were callers at Mrs. David McClelland's one day this week.

## THE DE LINDES ARE NOW IN SYDNEY

### Arrive at Their Far Away Home in the Island Continent

Mrs. David Newlands has received a letter announcing the safe arrival of Mr. and Mrs. John De Linde at Sydney, Australia. Mr. and Mrs. De Linde left here about Christmas time and proceeded leisurely to their destination. They went by way of Europe, stopping in France, Italy and other countries to visit points of interest, and then on into Asia, crossing India by rail and stopping in Calcutta for some time. Mrs. De Linde writes that they found that city a very interesting place, but the railroad journey was not so pleasant. Mr. and Mrs. De Linde will make their home in Sydney, where Mr. De Linde has a responsible position with the General Motors company.

On Friday evening at 8 o'clock sharp there will be an official meeting in the church.

Please try and remember these meetings.

A TIMELY SUGGESTION

The following item from the last issue of the Michigan Manufacturer and Financial Record is reprinted here with the idea that it may contain a good suggestion for people of this vicinity, especially the members of Cedar and Commerce Lodges, F. & A. M., who are soon to meet in a golf tournament:

"Taking advantage of the ever-increasing popularity of golf, the Standard Accident Insurance Company, Detroit, has prepared a three-piece direct-mail campaign to be sent to prospects for the purpose of educating them to the need of golf liability coverage.

"One of the outstanding features in the campaign is a folder cut-out, in the shape of a golf ball, bearing the words 'An \$8,500 Golf Ball,' which is designed to be attached by string to the handles of lockers at golf clubs. The folder tells of how Joe Kirkwood, famous golf professional, accidentally injured a bystander, by miscalculating the direction in which his golf ball was driven, and was forced to pay a damage suit of \$8,500. The tie-up, of course, is 'if clever golf professionals make mistakes, other golfers are apt to make them, too, and, as a result, need a golfer's liability policy to relieve them of financial responsibility'".

DOG QUARANTINE NOW IN EFFECT; ITS PROVISIONS

The dog quarantine notices have now been posted in Holly, Rose, Highland, White Lake, Springfield and Groveland townships. The notice provides that all dogs owned or kept within the limits of these townships, unless properly vaccinated against rabies by a qualified veterinarian and tagged ready for identification, shall be securely chained or otherwise properly confined within the premises of their owners or keepers, or, if allowed to run at large, shall be securely muzzled. No dog can be removed from the above townships during the period of the quarantine unless it has been properly vaccinated against rabies within one year and at least 60 days prior to date of removal.

The penalty for violation of the quarantine provision is a fine of not less than \$10 nor more than \$500, or imprisonment in the county jail for not more than six months, or both fine and imprisonment in the discretion of the court.

FOR SALE OR RENT—Modern house. FLOYD ANDREWS.

LET US QUOTE

Not Shakespeare—just this bit of insurance sense: "Never forget that Automobile Insurance is protection for your other property as well as your car. Proof of good intentions never satisfied a judgment. Either YOU or YOUR INSURANCE must pay when Public Liability or Property Damage is involved."

We know. Automobile Insurance and satisfactory adjustments are our business.

NEW CORN IMMUNE TO BORERS IS CLAIM

Varieties Developed at Monroe Station Raise Hopes of Michigan Farmers

East Lansing, June 12.—Michigan corn fields may be relieved from the toll taken by the European corn borer if the hope raised by the results of experimental work at Monroe with crosses of Maize Amargo with common corn varieties is borne out by more extensive trials.

Maize Amargo is a bitter corn from South America. The corn borer will not lay eggs on the plant, but the plant will not mature in this climate. The work at Monroe has been to obtain crosses of the plant with ordinary corn, and to have the cross retain its distastefulness to the insect while at the same time it has the ability to produce a profitable crop of grain. The work started in 1926 and has been continued every year under the direction of A. R. Marston, Michigan State College. He has successfully crossed Maize Amargo with Duncan, Golden Glow, Red Cob ensilage, and other varieties of field corn as well as with Golden Bantam sweet corn and Hulless pop corn.

In trials for resistance to attacks by the borer some of the crosses have been entirely free from injury when 55 per cent of the stalks of ordinary corn in the next row contained one or more borers. Moths of the borer confined in cages with the crosses preferred to lay eggs on the cage itself rather than on the new varieties of corn.

No seed of these varieties is available for any use except the tests being continued at the Monroe station. A great deal of work remains to be done before a commercially valuable variety is ready for distribution, but a long step forward has been made.

Low priced—\$195.00. Easy terms will put a Charles of London davenport suite in your living room. Delivered free any place in Michigan. Winglemire's Warehouse Store, Holly. Open till 8 P. M.

ACCIDENT ON THE DIXIE AND TWO ARE INJURED

Henry Eldridge, accompanied by Miss Margaret Smithson, of Williams Lake, escaped injury when his car collided with one driven by Flint parties Sunday evening at Dixie highway and Scott Lake road. According to reports the Flint parties failed to see the Eldridge car ahead and a collision followed in which the Flint car was overturned and both men received serious injuries. They were taken to St. Joseph Mercy Hospital, Pontiac, for treatment.

HERDS NEED GRAIN WHILE ON PASTURE

Cows Can Not Maintain High Yields of Milk With Food Nutrients From Grass

East Lansing, June 12.—The dairyman who expects his cows to return profitable quantities of milk and butterfat on pasture alone will be disappointed in the amount of money obtained from the products of his herd, according to a statement by the dairy department at Michigan State College.

Good pasture will furnish only enough food to permit a good cow to manufacture 20 pounds of 4 per cent milk a day. Any additional milk produced by the cow is made from food reserves stored in her body, and continued high production will reduce her body weight and may impair her health.

A balanced grain ration fed at the rate of one pound to each four pounds of milk produced by the cow will maintain the milk flow and the body weight of the animal.

Early pasture is very stimulating to the cow's milk production, but this production will not be kept up unless grain is fed. The cow will gradually decrease the amount of milk given, and it is difficult to bring the cow back into production later in the year when the pastures are dried up.

WANT ADS PAY

CANDIDATE

I have decided to become a candidate for the office of County Clerk of Oakland County. I was born and have lived practically all my life in Oakland County.

I received my education in the schools of the county and after teaching two years followed the occupation of farming. I served the township of Novi four years on the Board of Supervisors and for the past eight years have been Sec.-Treas. of the Monitor Fire Insurance Company of Oakland County.

I shall conduct a clean, vigorous campaign.

MILFORD GRANITE WORKS

NEW GRASS WILL BE TRIED IN MICHIGAN

Reed Canary Variety Appears to Have Promise for Use on Lowlands

East Lansing, June 12.—Reed Canary grass, a native plant which recently has shown promise of being adapted for use on Michigan lowlands for pasture or meadows, will be tested on the College experimental farms at Lake City and Augusta.

The grass is strong stemmed perennial which grows to a height of from two to eight feet. It is leafy and nutritious and is well liked by animals. Flooding of the plant on marsh lands does not injure it, and winter flooding appears to have a beneficial effect upon Reed Canary Grass.

The grass forms a close dense sod when it becomes well established. The sod will bear the weight of animals and tractors on soils which were too boggy to be grazed or worked before the sod formed.

Present prices of Reed Canary Grass seed are so high that it is recommended by the College farm crops department that Michigan farmers who wish to try this crop plant the seed at the rate of two to four pounds an acre. The seed can be drilled in rows 14 to 20 inches apart. The grass will gradually fill the spaces between the rows. Seed can be saved on this planting to sow additional areas.

The usual time for seeding is in the spring, but fall sowing is possible, especially on burned-over ground. The seed germinates slowly, from three to five weeks, so fall seedings should be made early enough to permit considerable growth before the heavy fall rains.

Can the tail wag the dog? No, but you should sit in one of Winglemire's deeply cushioned, very comfortable Charles of London living room suites. Upholstered in the new style tapestry—the goods that moths refuse to touch. On display this week for the first time. Winglemire's Warehouse Store, Holly. Open till 8 P. M.

Park your automobile at Pierson's parking grounds, opposite Rialto Theatre, Pontiac. Located in the heart of the shopping district, 150 feet from Saginaw Street.

IT'S WISE TO CHOOSE A SIX

SIX reasons why it's wise to choose a "SIX"

1. It's Smooth! Chevrolet has a 50-horsepower six-cylinder valve-in-head engine that delivers its power with a smoothness and silence that are impossible with anything less than six cylinders.

2. It's Comfortable! Chevrolet offers modern spring suspension, roomy bodies, and a smooth-running six-cylinder engine.

3. It's Easy to Drive! Chevrolet provides an extra-easy ball bearing steering mechanism. And six-cylinder flexibility means unusual simplicity of control.

4. It's Beautiful! Chevrolet is the only low-priced car with Body by Fisher. Hence, its style compares favorably with that of costly cars.

5. It's Economical! The Chevrolet costs no more for gas—oil—tires—or service. And six-cylinder smoothness holds down costs, by protecting the car from destructive vibration.

6. It's Easy to Buy! The G. M. A. C. payment plan, with its easy terms, is available to all Chevrolet buyers. Come in! Confirm all the reasons why it's wise to choose a Chevrolet Six.

SIX-CYLINDER SMOOTHNESS AT LOW COST

**BAILEY LAKE**

George Miller and Mrs. Iva Miller were Sunday dinner guests of Mr. and Mrs. A. Walter, of Pontiac.

Mr. and Mrs. Mallory Stickney and children spent Memorial Day with the latter's parents, Mr. and Mrs. Malcombson, Orchard Lake.

Mr. and Mrs. August Doebler were Pontiac shoppers Saturday.

Mr. and Mrs. Sidney Cash, Mrs. George Sawyer and Mrs. Fred Mitchell, of Detroit, were Sunday guests of Mr. and Mrs. Ed Jenks.

Mr. and Mrs. Lincoln Avery and family spent Saturday and Sunday at Midland. They found all crops killed with frost.

Mr. and Mrs. August Doebler entertained the Adult Bible Class Wednesday evening. A pot luck supper, followed by ice cream, was enjoyed by all.

Mrs. Mallory Stickney spent Friday in Detroit.

Martha Miller spent several days with Isobel Maybee, of Holly, and attended a recital of Isobel's Tuesday.

Mr. and Mrs. August Doebler, Harold and Wilma, Mrs. E. V. Bailey and Christine attended the funeral of Tom Adams, Jr., Tuesday, who died of injuries sustained in an automobile accident.

Harold Doebler attended the Knight Templar parade and exhibition drills at the Grand Commandery meeting held in Flint last week.

**SEYMOUR LAKE**

(Received too late for last week)

The Seymour Lake school baseball team defeated West Travis school team last Saturday by a score of 13-4.

Miss Cline, of Deckerville, was here last Thursday to attend the eighth grade exercises at the Oakland Theatre in Pontiac. She saw the following pupils receive their diplomas: Doris Kelly, Lee Kelly and Harvey Porritt. Miss Cline will not teach this year but plans to go to school.

The Solley brothers have been making extensive improvements in their dairy barn. Drinking cups have been installed, concrete floors laid and a new modern milk house and equipment added to their many improvements.

Boys' Potato Club met with Milton Miller Monday night.

Mrs. Mildred Whims visited her sister, Mrs. L. C. Porritt, last week.

Miss Doris Kelly spent Saturday with her sister, Mrs. Glenn Jones, last week.

Arthur Kelly is painting the dairy barns at Porritt's.

Mr. and Mrs. Joe Hunt entertained at a family picnic on their lawn Decoration Day.

Mr. and Mrs. Martin Beardslee and family spent Sunday with Mr. and Mrs. Fred Van Wagoner at Oxford.

Any fool can buy an ordinary davenport suite but if you are wise you will inspect the new Charles of London Tapestry suite on display at Winglemire's Warehouse Store. It has style, beauty and comfort. Mother-proof, and a suite you will be proud of.

**WELL-KNOWN FARMER DIES AT WHITE LAKE**

Funeral services were held Sunday at 2:30 p. m. at the White Lake Presbyterian church for Jacob H. Smith. Rev. George A. Hill officiated and burial was in the White Lake cemetery.

Mr. Smith was in his 84th year and had been sick for the past five months. He was a well-known retired farmer and at one time owned much of the land bordering on White Lake that is now resort property. He was born in Plymouth, Dec. 22, 1846, but was a resident of Oakland county since a young man, and lived for 50 years on the farm where he died.

Mr. Smith is survived by a foster daughter, Mrs. Lenore Isabelle Wheeler, who cared for him during his last illness.

**QUESTIONS AND ANSWERS**

F. B. If a gentleman is walking on the street with two ladies, should he walk between them?

A. No. He should walk on the outside next to the curb unless the case requires that he should walk between them in lending assistance.

C. S. I was born on May 8, 1880. Will you please tell me on what day of the week I was born?

A. You were born on Saturday.

D. J. Will you be kind enough to give me the correct pronunciation of "piano"?

A. The word "piano" is correctly pronounced "pi-an-o", the "i" being short as in "it", and the accent on the second syllable. This pronunciation is approved by both the Standard and Webster's International dictionaries.

L. R. Will you please state what were the Punic wars?

A. That is the name given in history to a series of wars between Rome and Carthage in the third and second centuries B. C. "Punicus" is the Latin or Roman adjective meaning pertaining to the Carthaginians. It is from "Poeni", meaning the inhabitants of Carthage. From the viewpoint of the Romans the Carthaginians were faithless and treacherous; hence Punic faith is a classical phrase meaning bad faith.

D. T. Can you answer how many negroes went overseas during the World War?

A. More than 400,000 American negroes from the Dominion of Canada and the United States were in the military service during the World War. About half of them went overseas.

F. H. Will you please answer what is the correct plural form of the word "bus"?

A. "Bus" meaning a vehicle was originally an abbreviation of "omnibus", the plural of which is "omnibuses". However "bus" is now regarded as a word and "busses" its proper plural. Webster's International dictionary prefers "busses", but also gives "buses".

E. S. I would like to have you answer what was the weight of the soldier's pack in the World War.

A. The standard pack of the World War soldiers was 60 pounds. This did not include guns, ammunition, helmet, gas masks, etc.

P. B. Did the Egyptians have a process for hardening copper? Is it now a lost art?

A. There is a popular belief that the Egyptians and other ancient peoples, including the Mexicans and Peruvians, had a process for hardening copper and that the process is now unknown. The belief, however, is without foundation. The reputed hardened product is always an alloy. No specimen of pure copper has been found which had a greater degree of hardness than can be produced by hammering or cold rolling. Any expert metallurgist of today knows how to produce an edged tool of hardened copper as good as any made in prehistoric times, but the knowledge does him no good because of the vast superiority of the steel tools now available. Hardening, of course, may be produced by the addition of alloying elements, in which case the material cannot truly be called copper.

H. L. Are there any trees in America that were living before the time of Christ?

**Bows Are Among Smart Things in Accessories**

Every smartly dressed woman must have a bow, or several of them, as an adornment for her costume this season. Bows of material that correspond with that chosen for the garment itself are one of the important trimming details of the season.

A taffeta evening gown may have a large bow tied at the hips, a bow large enough to suggest a bustle. The other extreme is the little tailored bow that rests neatly on the front of the plain blouse of satin or crepe.

Bows are also used extensively on spring millinery. A pliant bow may perch high on a shallow crown or it may languish on a wide brimmed model, somewhere near the back. All of which is a warning that it is time to look to your bows for trimming style.

**Coat Dress**

Coat dresses of the new sheer woollens are excellent this spring. A blue one with surplice closing is worn over a printed slip that has a high collar and bow tie.

**Pointed Godets**

Paris shows a fine little printed silk frock in pinky tones that has godets in its skirt that points up to a yoke, making it a zigzag line.

**Pale Green Jersey Is Chic for an Ensemble**

Showing a charming ensemble which appears in a pastel shade, and which is enjoying popularity as seasonable raiment. It is of pale green jersey and comprises a one-piece frock which is accented with tucks and pleats and a finer-tit length jacket.

**The Money-Saving Variety Store CLARKSTON, MICH.**

**SCHOLASTIC HUMOR**

Some wisecracks glimpsed on the paper covers of history books of a certain high school:

- "Post No Bills."
- "This Side Up."
- "Use No Hooks."
- "Out for Lunch."
- "Open Other End."
- "Closed for Repairs."
- "Open for Discussion."
- "Knock Before Entering."
- "Honest Weight, No Springs."
- "Open During Class Period Only."
- "This Way to the Engine Room."
- "Twenty Degrees Warmer Inside."

**Weighing Sand**

According to the federal and state laws a bushel of sand weighs 130 pounds in most of the states; in Pennsylvania the weight is 100 pounds to a bushel. And a cubic yard of sand contains 2,600 pounds.

Marks' Mechanical Engineers handbook gives the weight of dry, loose sand and gravel as 90 to 105 pounds per cubic foot; sand and gravel dry and packed, 100 to 120 pounds; sand and gravel wet, 118 to 120 pounds.

**Early Magazines**

The first magazine published in America was issued in Philadelphia February 13, 1741. It was the American Magazine, or a Monthly View of the Political State of the British Colonies, published by Andrew Bradford. Three days later Benjamin Franklin issued the General Magazine and Historical Chronicle for all the British Plantations in America.—Detroit News.

When a political party splits, one portion is merely a splinter.

**Hosiery of Mixed Color**

**Fad of Centuries Ago**

The bright-colored hose worn in the fourteenth century roused the ire of even Chaucer, who declares that "the wrapping of their hose which are departed of two colors, white and red, white and black, or black and red and white and blue, make the wearers seem as though the fire of St. Anthony or other such mischance had cankered and consumed one-half of their bodies."

The fashion of wearing two colors, "which rendered uncertain the fellowship of the legs," continued in spite of the ridicule and satire of the poets and chroniclers, until the middle of the sixteenth century.

The long hose or herlots worn by persons of quality at the time were made of the finest cloth or velvet, and there is record of Henry III ordering three pairs for his sister Isabella, which were to be of velvet embroidered with gold. Knitted stockings, or, as they were originally called, stocking hose, were introduced into Britain in the sixteenth century, and those of silk were considered such a luxury that they were thought a present fit for a king, so we find Sir Thomas Gresham presenting a pair of long Spanish silk hose to Edward VI.

**Burial at Arlington**

The secretary of war has the power to authorize the burial of a woman beside her husband in a separate grave in Arlington National cemetery provided the husband was a commissioned officer. In the case of enlisted men, if a widow desires to be buried with her husband arrangements must be made with the War department to have the grave made deep enough so that a second casket can be placed upon that of the soldier; in other words, the soldier and his widow must be buried in the same grave. There would be no question that a former President of the United States, who was technically commander-in-chief of the army and navy, would be regarded as a commissioned officer, although actually President Taft was a civilian who never held a commission.

Romance will get a frightful jar in the future when little girls are shown grandmother's seven wedding outfits.

**Knew the Procedure**

To illustrate his contention that people can get used to anything—even his lectures—John B. Gough, the old-time temperance leader who made "Ten Nights in a Bar Room" popular with our grandfathers, used to tell this story:

A man in New Hampshire had become so used to the marriage ceremony that on the occasion of his marrying his fourth wife, when the minister requested the couple to stand up, the man said: "I've usually sat!"—Kansas City Star.

A. It is estimated that some of the big trees in California are now more than 5,000 years old. They were about 3,000 years old in the time of Christ.

M. G. How long does it take to hatch the eggs of chickens, geese and ducks?

A. The time required for hatching the eggs of geese varies from 30 to 40 days. Hen eggs are hatched in 21 days, while those of ducks and turkeys require 28 days.

Satisfy your curiosity. Come to Winglemire's Warehouse Store at Holly and inspect their Charles of London davenport suite. Made at Grand Rapids by one of the country's foremost manufacturers and designed especially for them.

Michigan's air mail service will be increased Monday, June 16, with the addition of a new route between Pontiac and Muskegon, by way of Lansing and Grand Rapids, Edwin G. Thompson, president of the Thompson Aeronautical Corporation, has announced.

**Earliest Hawaiian Map**

**Discovered in England**

The first recorded map of the Hawaiian Islands has been brought to light in England, identified authoritatively and acquired for the Archives of Hawaii, a territorial institution, says the San Francisco Chronicle.

This map was drawn by Thomas Edgar, master of the sailing ship Discovery, which accompanied the Resolution, flagship of the famous James Cook, on the explorer's voyage to Hawaii. Cook brought his ships to anchor at Waimea, island of Kauai, in January, 1778, and about this time the map was made by Edgar. The log of the Discovery, nearly all written by Edgar, was recently identified in England, and was accompanied by various maps and drawings.

Edgar, as well as Cook, drew into his maps the details of only those portions of land that were seen, indicating other supposed parts by hazy outlines. The Hawaiians had no maps when the first white man came. They had no written language, yet were remarkably skilled mariners, traversing thousands of miles of open sea in their large canoes, steering by the stars, and with extraordinary knowledge of practical navigation.

**UNIQUE EVENT IS TO BE HELD ON JUNE 22**

**Annual Gathering of Couples Married by Rev. Jacobus**

Rev. J. Wallace Jacobus, for many years pastor of the Baptist Church at Clarkston and Waterford, and for nearly ten years pastor at Vassar, has held for many years an annual homecoming for all the brides and grooms he has married. Because of the many couples he married around Clarkston, Waterford and Pontiac, this section usually sends a large number to this unique service. The service originated several years ago thru the inquiry of a couple for a church service in which special recognition might be given young married people and where a message of counsel, encouragement and inspiration might be directed toward home-building and mutual responsibilities. The idea met with approval and each year has seen many couples present, coming often from far removed places in the state, with letters and even telegrams where it was impossible to attend. Children, as might be expected, are an interesting part of these reunions and the latest baby is far from unnoticed. Many features, thru the years, have entered into the service. Occasionally a husband, who is now a father, has spoken pointedly of family and home ties; a recent bride may speak hopefully of the future; while some, years along the road, may speak wise counsel about home-making.

Music has been an interesting part of these annual gatherings and occasionally a reading or two. The day this year is June 22 and the hour 10:30, Eastern standard time. A fine service is being arranged with inspiring music. Mrs. Charles Chamberlain will repeat this year that old favorite, Edgar Guest's poem, "It Takes a Heap 'O Livin' in a House to Make a Home". Rev. Jacobus' sermon this year will be "Balancing the Scales in the New Home". Numbers other than "brides and grooms" of the many friends of Rev. Jacobus make the pilgrimage each year. After the service, tables are set with the picnic dinners brought on the spacious lawn of the parsonage, and a good time is enjoyed by all. The public is cordially invited.

**4-H GIRLS' CLUB FORMED AT WATERFORD CENTER**

A girls' 4-H summer club has been organized at Waterford Center by Home Demonstration Agent Elisabeth P. Weld under the leadership of Mrs. Charles Elder, canning to be the main project. Alice Austin was elected president and Catherine McHugh secretary-treasurer. The first meeting was held with Betty Elder, with a picnic dinner. This is the first summer club to be organized in the county this season.

**WATERFORD**

Thursday evening the Sunday School class of which Mrs. Lashaway is teacher held a class party at the home of Eileen Johnson.

Mr. and Mrs. H. Harrup and son, Lawrence, spent last week-end with Mrs. Harrup's parents at Brantford, Ont.

Mrs. Ray Slusser has as her house guest for a few weeks her sister, Miss M. Ladenburg, from Cleveland.

Mr. and Mrs. N. Sinfitt and son, Gale, spent the week-end over Memorial Day with Mrs. Sinfitt's sister, Mrs. F. Breckenridge, at Breckenridge.

Mr. and Mrs. Carl Terry are the proud parents of a lovely baby girl, born June 3, at Pontiac. The young miss has been named Joyce B. and weighs 8 1/2 pounds. Their many friends extend congratulations to the parents, also to the young lady for the choice of her home.

Mr. and Mrs. L. J. Chamberlain and family spent Sunday at Auburn Heights with relatives.

Miss Eileen Johnson celebrated her 12th birthday last Sunday with Miss Betty Walter from Clarkston as her guest.

Ralph Lawson was a Stockbridge visitor Sunday.

Mrs. Carrie Harris and son, Alvin, of Birmingham, called on George Harris and family Sunday.

Mrs. Laura Walters has returned to her home in Clarkston, after a visit with her daughter, Mrs. Wade Harris, of Pontiac.

Mrs. Bird Cooley is having as Sunday guests, Mr. and Mrs. John Murray, of Pontiac, Mr. and Mrs. William E. Wilson, of Flint, and Mr. and Mrs. Fred Long, of Lennon.

**"BEE" MOVES CAMP STUFF TO NEW SITE**

**Boys' Leaders Getting Things In Shape for Annual Outing**

George H. Kimball, Jr., returned Wednesday evening from a trip to the new Oakland County camp site where 30 volunteer workers, men who are interested in the welfare of the boys of the county, had a "bee" and moved all the material from the old camp site to the present location. Floors were put down, equipment installed and everything will be ready for the opening July 1. When completed, it will be one of the most beautiful places in Michigan with its ideal surroundings and 1 1/4 mile frontage on lovely Loon Lake. This lake has none of the treacherous drop-offs so common in the inland lake but a gradual gravelly slope so desirable for bathing. The camp has accommodations for 120-98 boys, 16 leaders and 6 staff members. The dining hall will accommodate 200. There are still a few days for the boys in this section to enroll before June 15. There is a big waiting list and arrangements are being made to take care of the surplus at other camps.

Mrs. Robert Barr, of Ann Arbor, is the guest of Mr. and Mrs. W. E. Bellows.

**FATHER'S DAY WILL BE OBSERVED AT DAVISB'G**

The following Father's Day program will be given at the Davisburg M. E. Church, Sunday evening, June 15, commencing at 8:00 o'clock:

- Instrumental Music.....
- Miss Francis, Mr. Powell, Mr. Weber
- Song.....Congregation
- Devotional.....Rev. Bickford
- Love for Daddy.....Winona Weber
- Duet.....Mrs. Walls, Mrs. Garrison
- Duet.....Mr. and Mrs. H. Vaughn
- Instrumental Music.....
- Miss Francis, Mr. Powell, Mr. Weber
- Address.....Hon. James H. Lynch
- Duet.....Mr. and Mrs. H. Vaughn
- Solo.....Miss Amy Horton
- Closing Song.....Congregation

**LOCAL LORE**

Miss Agnes Walter, a student at Albion College, is home for the summer vacation.

Mr. and Mrs. Guy Walter entertained their bridge club for dinner and bridge Wednesday evening.

Mrs. Doris Hursfall attended a "School of Instruction" at the new telephone building in Lake Orion Friday and Saturday.

Miss Helen Tindall entertained at a house party over the week end at her cottage on Bald Eagle Lake. The guests from Clarkston were the Misses Alice and Helen Lawson, Elaine and Frances Marshall and Esther McGregor.

 Mr. and Mrs. Russell Stewart have moved to their new home in the eastern part of the village.  
 The East Circle of the Ladies' Aid will meet with Mrs. Burton Smith on Tuesday. The West Circle will meet next Wednesday afternoon.

**SASHABAW PLAINS**  
 Mrs. C. I. Poole was a guest of her daughter, Mrs. J. Hanggee, of Drayton, a few days last week.  
 W. McMahon and son, Ernest, are spending the week on business at Racine, Wis.  
 Mr. and Mrs. S. T. Beardslee and Miss Belle Beardslee were Sunday visitors of Mr. and Mrs. E. T. MacNeil, of Pontiac.  
 Mrs. Flora Stewart, of Orion, is spending a few days with her sister, Mrs. Elizabeth Maybee.  
 Mrs. Bert Steel is the house guest of her sister, Mrs. W. McMahon, this week.  
 Mr. and Mrs. Austin Stoddard, of Pontiac, called on Mr. and Mrs. W. Stevens Tuesday evening.  
 Mr. and Mrs. R. Bromley, of Pontiac, called on Mr. and Mrs. George Stanaback Tuesday evening.  
 Mrs. Grant Beardslee attended a party at Devan Gables last Thursday in honor of her cousins, Mrs. Samuel Coultis, of Calgary, Alberta, and Mrs. W. Beattie, of Tulsa, Okla.  
 Mr. and Mrs. George Stanaback and Mr. and Mrs. C. H. Souly attended church at Holly Sunday evening.  
 Mr. and Mrs. Grant E. Beardslee and daughter, Ivadell, spent the week-end at Merrill, visiting the latter's uncle and aunt, Mr. and Mrs. John L. Benjamin. While there they saw the oil wells near Mt. Pleasant.  
 Miss Belle Beardslee is spending a few days with her niece, Mrs. R. B. Tarr, in Pontiac.  
 Mrs. Vine Barrows is spending the week in Swartz Creek.

**HOW AND WHAT TO SPRAY FOR FRUIT**  
**Expert Gives Advice Relating to Apples, Pears and Cherries**  
 H. A. Cardinell sends the following spraying advice to Oakland County fruit growers:  
 Apples: Twenty-one days after full bloom date of winter apple varieties is a most critical date in codling moth worm control. All second brood (August) worms come from unpoisoned first brood. Let us get the first brood, wherever trees have apples. Spray every tree that blossomed. Do not judge your set of fruit until July first. If you wish the best worm control, spray at least twice a month, if codling worms or stings have been difficult to control. Please spray frequently so that after July first every cropping orchard will be able to spray very lightly using the lighter strength poison as recommended in the 1929-30 spray calendar. Every grower should center his schedule on the first brood (June and July) treatments. This would help avoid late unattractive residue blotching from late wet sprays.  
 Michigan growers are to be complimented on scab control, so far. If foliage is scab free by the time the 21-day (from full bloom) application is made, use only arsenate of lead (3 pounds to 100). Five pounds of hydrated spray lime may be added.  
 Cherries: Examine cherry foliage three times a week for the first sign of leaf spot. Do not allow more than ten days to elapse between applications, as long as rains fall. Leaf fall may mean lighter blossoming in 1931.  
 Pears: Pear psylla is numerous in some orchards. If psylla are in evidence and quick clean up is advisable use at least 25 pounds of hydrated spray lime plus 1 pint nicotine sulphate and 3 pounds lead arsenate to make each 100 gallons. This may be made up as Bordeaux Mixture if advisable.  
 If a quick kill is not necessary delay spraying until honey-dew is easily seen, then use 2 gallons of Volck summer oil for 100 gallons.  
 Two weeks should elapse between sulphur and oil applications.

**To Our Graduates**  
*A saving and checking account should be your first step in the business world.*

When you graduate, you are graduating into the world of affairs. It is then you should start the foundation of all business—

**A SAVINGS ACCOUNT**

To be successful you must have money—to have money you must save. As an incentive to all local graduates of the 1930 class, we will add \$2 to every new account amounting to \$5 or more.

**Ford Offers New De Luxe Sedan**

**Ford De Luxe Sedan**

THE De Luxe Sedan, recently added to the Ford line, is designed for those who desire distinctiveness and unusual comfort in an automobile. The interior is inviting and roomy with wide doors to both compartments. Absence of rear quarter windows gives the car a striking individuality and affords privacy to the occupants.

Interior trimmings and appointments are luxurious. Upholstery is either in brown mohair or a deep tan Bedford cord patterned after that used in high-priced cars.

Other refinements include arm rests for the rear seat, mahogany finished garnish mouldings on the windows and beneath the windshield, flexible robe rail and hardware in an attractive pattern.

The front seat is adjustable within a range of four inches to suit the convenience and comfort of the driver. It is moved quickly and easily by a small, inconspicuous handle in the front center of the seat just above the floor.

The De Luxe Sedan, like other Ford body types, can be obtained in any one of several color combinations.

**LOCAL LORE**

Mrs. Walter Barrows entertained Saturday evening at bridge.

Application for marriage license reported by county clerk's office: Marshall Ferguson, 21, Clarkston; Blanche Harsch, 22, Davisburg.

Junior Waterbury of the Canteen and Bob White of Bridge Lake are enrolled for the Oakland County Boys' Camp at Loon Lake.

Bald Mountain Golf Club held open day for ladies last Tuesday with a special program of golf for the morning hours, starting at 9 o'clock, luncheon at 1 and bridge following.

Clarkston Masons are planning on a good time this evening, when Cedar Lodge, No. 60, will entertain Wolverine Lodge of Detroit at a banquet to be served in the Masonic temple at 7 o'clock. Following the banquet the visiting brethren will exemplify the work of the M. M. degree.

C. H. Souly and George Stanaback were in Holly Sunday evening for the Union services at the Baptist Church, where they were members of a quartette that assisted in the music. The other members were Edward Hides and George Collins. The same quartette will sing at the baccalaureate service in the Clarkston Methodist Church on Sunday evening.
