MISS CORYELL WEDS ORSON EDWARD COE

Ceremony Was Performed on Saturday at Home of Bride

Before a flower covered lattice backed with palms on the lawn of their home on Holcomb street, Miss Edith Lucille Coryell, daughter of Myron E. Coryell, became the bride of Orson Edward Coe, son of Mr. and Mrs. Edward Coe, of Walled Lake, at 4:30 o'clock Saturday, August 16.

Tall baskets of flowers with white satin ribbons made an isle for the bride and her attendants, who made a charming picture. The bride was gown in white chiffon and lace, the dress having a tight bodice and long full skirt, with the waistline distinguished by a narrow chiffon belt with a crystal clasp. A short flaring jacket of white lace, and a white horsehair hat and white slippers completed her costume.

Miss Emilie Nancy Swain as maid of honor was lovely in a gown of coral chiffon with tight bodice and flaring skirt. She wore a white horsehair hat, white gloves and white slippers. The bridesmaids, who wore princess gowns with embroidered shawl collars, were Miss Mildred Coryell and Miss Eloise Coe, who were gown in orchid, and Miss Irene and Miss Dorothy Coe, who wore old rose. They carried their hats, tied with satin ribbons and filled with flowers, over their arms. Alene Coryell, niece of the bride, made a fairy flower girl in a ruffled yellow organ-die frock.

Mrs. Stanley Voorheis, of Walled Lake, played the wedding march, and Rev. E. W. Palmer, of Farmington, read the marriage service.

Following the ceremony, a reception was held for 200 guests from Clarkston, Pontiac, Detroit, Flint, Centerville, Brighton, Linden, Fenton, Walled Lake, Lansing, Grand Rapids, Fremont, Big Rapids, Chesaning, Blissfield, Lake Orion, Birmingham, Royal Oak, Muskegon, Ionia, Manistee, Canton, Ohio, Rockland, Ohio, Bloomington, Ind., and Wilmett, Ill.

Mr. and Mrs. Coe left for a wedding trip to the Thousand Islands, returning through New York, Buffalo and Niagara Falls.

FIRE IN FIELDS CAUSED SCARE AT WATERFORD

Sparks from a chimney set fire to dead vegetation in a field on the Harris Estate near Waterford Monday, and for a time serious consequences were feared. The fire was quite spectacular for a few minutes as it spread rapidly towards the barn and other buildings, but fortunately neighbors and passers-by were able to put it out before much damage was done.

CLARKSTON BAKER INJURED IN CRASH

Cut-Out Driver Rams Into Him Head-on; Children Hurt

When returning from Detroit Sunday evening, O. A. Gordon, baker at the Clarkston Bakery, was seriously injured in a head-on collision at Twelve Mile Road. The traffic was very heavy and a car directly opposite him in the south bound lane slowed up, and the car following, driven by a Mr. Ball, of Highland Park, cut out in the north bound lane without the least chance of passage, and collided with his car. Mr. Gordon was partly thrown through the windshield, severing an artery, knocking out several teeth and receiving numerous cuts and bruises and a fractured rib. He was accompanied by his three small children, all of whom suffered from cuts and bruises. One of the Bakery truck drivers who was with him escaped without serious injury. Mr. Gordon was able to be back on the job Wednesday, but considerably weakened from loss of blood and shock.

DRAYTON PLAINS

Mr. and Mrs. Howard Voelker, of Dixie Highway, have returned from a week's vacation at Higgins Lake.

Born to Mr. and Mrs. Laverne Drury (nee Mary Bishop) a son, James Herbert, August 12.

Joseph Jencks has returned home after spending the school vacation with friends near Rankin.

Mrs. and Mrs. Roy Saiter started Tuesday afternoon for Chesaning, where they expect to spend several days.

NEW SCHOOL BUILDING TO BE READY NEXT WEEK

Clarkston's fine new school building is practically completed, and final inspection will occur next Tuesday. The contractors have lived up to their promise to have the building ready for occupancy before the new school year begins, Tuesday, Sept. 2. School patrons and pupils have been anxious that this should be done and now they may feel relieved.

CLARKSTON TAKES PLAINS INTO CAMP

Beemer Stars With First Home Run Made on Local Field

With the fine brand of ball the Clarkston team has been playing since its organization a few weeks ago, it was inevitable that the bad luck that has followed them should break soon, and it did last Sunday.

The game was played on Athletic Field before a fair crowd. Drayton Plains was the visiting team and the score was 5 to 4. All but one of the visitors' runs were scored in the first inning on hits that bounded unluckily for the Clarkston fielders. Beemer put the game on ice for the home team with a circuit blow in the sixth inning with one on. It was the first home run ever hit on the field.

Visgatis pitched for Clarkston and Miller caught. Senth and Rensa were the batterymen for Drayton Plains.

A return game will be played at Drayton Plains next Sunday.

FLOWER SHOW AT HOLLY TWO DAYS NEXT WEEK

The second annual Flower Show of the Holly Flower Lovers Garden Club will be held in the high school gymnasium at that place on Thursday and Friday, Aug. 28 and 29. It is an event of interest to people of this community, many of whom attended last year. This year more are planning on going and several will be exhibitors. A large variety of flowers will be shown and also exhibits of garden equipment, and there will be special features. No admission is charged and the public is cordially invited.

For State Representative

(Political Announcement)

PHILEMON J. MILLER

If there is any public office where seniority and experience counts it is in the legislature. Philemon J. Miller had had years of experience in the legislature. His record of progressive legislation is equal to the best Oakland County has ever had. Through one of his bills the state has paid Oakland County over \$42,000.00. Re-elect Philemon J. Miller if you want results. A successful farmer. A successful business man. A tax payer. (Paid for by his friends)

For County Surveyor

(Political Announcement)

Maurice E. Baldwin, who has served the county efficiently for the past six years as County Surveyor, announces himself as a candidate for renomination at the primaries on September 9. Mr. Baldwin was born at Oxford and has always lived in Oakland County. Fraternally, he is a Mason.

The work of the office he holds and to which he seeks re-election consists entirely of surveying and in locating property, boundaries. It should be handled by a registered surveyor, which Mr. Baldwin is, and he solicits and will appreciate the support of the voters of the county.

COUPLE UNITED IN PRETTY NUPTIALS

Miss Elizabeth N. Andrews Be- comes Bride of F. E. Petty

In a pretty wedding ceremony at the Methodist Episcopal church on Saturday evening at 6 o'clock, Rev. Joseph Chapman, pastor of the church, performed the rites that united Miss Elizabeth Norene Andrews and Frank E. Petty. The bride is the daughter of Postmaster and Mrs. Floyd Andrews and the groom is a son of Mrs. Hattie E. Petty.

The bride, attired in sapphire blue georgette with rhinestone ornaments and black slippers, and carrying a bouquet of pink roses, was attended by Miss Emalyn Ellis as bridesmaid. Miss Ellis wore a gown of peach georgette, with blue slippers, and carried yellow roses. Mrs. Emalyn Church, as matron of honor, wore old rose georgette, with black slippers, and carried yellow roses.

The groom was attended by Walter Andrews, brother of the bride, as best man. The ushers were Donald Harris, of Pontiac, and Thone Harris, of Pontiac.

The wedding march was played by Miss Virginia Clark, of Clarkston.

A reception for about 60 guests at the home of the bride's parents on Church street followed the ceremony. The decorations of the tables were white gladioli and fern and lighted tapers. In the center of the bridal table was the wedding cake, topped with a miniature bridal couple.

Mr. and Mrs. Petty are now on a trip through northern Michigan and Wisconsin. On their return they will make their home in Clarkston.

Guests were present from Detroit, Lansing, Blissfield, Richmond, Capac, Armada, Oxford, Pontiac and Holly.

CLARKSTON

Mr. and Mrs. L. I. Cpon, of Detroit, were in town Sunday.

Mrs. Edward Fuller and little daughter are visiting their aunt in Holly.

Mrs. David McClelland spent Monday last visiting friends in Birmingham.

Mrs. Lucy King accompanied her cousin, Mrs. James Blakely, and son, James, of Bloomfield Hills, on a trip to Ionia the past week. They spent several days visiting an uncle and aunt in Ionia.

WATERFORD AND CLARKSTON BAPTIST CHURCHES

H. A. Huey, Pastor

Services at Clarkston at 10:45 a. m. and at Waterford at 8:00 p. m. Rev. Warren Westcott, of Holly, will occupy the pulpit in the absence of the pastor. A male quartette will furnish special music.

Sunday school at Waterford at 10:30 a. m. and at Clarkston immediately after the morning service.

ANDERSONVILLE CHURCH

George A. Hill, Minister

There will be a union service at 8 p. m. Sabbath evening of the White Lake and Andersonville churches at Andersonville. Rev. Paul Peterson, D. D., pastor of the First Presbyterian Church of Pontiac, will preach. Dr. Peterson will bring along a delegation of fifty young people. Special music will be rendered. The public is cordially invited.

CLARKSTON M. E. CHURCH

Joseph Chapman, Minister

On Sunday, August 24, morning worship will be at 10:45 a. m. and there will be some special singing by the choir, the leader being George Stanaback and the pianist Mrs. O. H. Buckweitz. The subject of the sermon will be "The Second Coming of Jesus Christ". This subject undoubtedly calls forth a number of questions that might be asked by our Bible readers. We are not thinking that we will be able to answer any and all of the questions that might be asked but we do think that the Bible clearly teaches the Second Coming of our Lord. The return of Christ is a fundamental doctrine of the Christian Faith. Like

J. P. HAUPT IS ERECTING SUPER-SERVICE STATION

J. T. Haupt, Standard Oil distributor at Clarkston and proprietor of a gasoline station, is branching out by erecting a cement block building faced with brick and tile, at his present location. Here he will have a super-service or one-stop station, at which motorists can get about everything they want, including car washing, alemite service, tire repairing, etc.

ENTERTAINED AT BRIDGE LUNCHEON

Many of These Popular Social Events Held the Past Week

With an unusual number of summer guests in this vicinity and a few cool days bridge parties prove to be very popular and many enjoyable affairs are being held.

Mrs. Guy Walter entertained last Friday at a bridge luncheon with six tables at play.

On Monday, Mrs. Fred Foster, a former well known resident here, but now of Redford, gave a bridge luncheon of most delightful appointments. Three tables were at play and guests included Mrs. Guy Walter, Mrs. William Vliet, Mrs. Joseph Seeterlin, Mrs. George King, Mrs. Thompson, Mrs. Lou Walter and Miss Viola Alger, of Clarkston, and Mrs. Ben Jeffries and Mrs. Marcus Duffield, of Detroit.

Wednesday Mrs. David Miller and Mrs. Walter Barrows were joint hostesses at a 1 o'clock bridge luncheon. The tables were decorated with French marigolds and seven tables were at play in rooms decorated with baskets of gladioli in autumn shades. Mrs. Belle Vliet and Mrs. George Fleming were prize winners.

Thursday Mrs. Seymour Miller and Mrs. F. E. Davies entertained at a 1 o'clock bridge luncheon at Green Acres and Mrs. Charles Lambert will be hostess Friday at a similar affair at her home.

WATERFORD

Miss Jeanette Morgan, of Marlette, is the guest of her aunt, Mrs. L. R. Chamberlain.

Mr. and Mrs. F. Straus, of Vernon, were the guests of Rev. and Mrs. H. A. Huey Wednesday night and Thursday, attending the Farm Bureau picnic at Davisburg Park on Thursday.

many other truths it is a controverted doctrine, but, nevertheless it is an essential fact that is universally held by all who admit the authority and genuineness of the Bible as the Word of God. He came to Bethlehem. Historians say that prophecy was fulfilled in His First Advent. Prophecy still states that He is coming again.

The Bible School in connection with our church convenes immediately at the close of the morning service or about 12 o'clock noon. Earl Walter, our superintendent, will have charge of the same. Invitation is extended to all the people of the community and the village to come and study with us.

The evening service will be at 7:30 p. m. We have not had any evening service for several weeks and we believe that our people will be glad to have an evening service again. We hope to make it interesting and profitable to all. The subject of the sermon will be "The Traveller's Psalm".

Some time ago the members of the official board of the church gave the pastor two Sundays off as his vacation. Circumstances have been such that it was not convenient to go away before but the pastor will take one Sunday and that will be August 31. The church will make provision for the filling of the pulpit on that day. On account of the opening of the public school on September 2, it will be necessary to return for the opening of the school year.

We would be pleased to meet the members of the preparatory class on Thursday afternoon, September 4, about 4:30 p. m. or as soon as possible after school.

Seymour Lake Church and Sunday School will be held at 9 o'clock and 10:15 on Sunday morning.

GEORGE H. SIBLEY WILL BE 85 AUG. 25

Civil War Veteran Has Lived Here for Over Sixty Years

George H. Sibley, one of Clarkston's oldest and most highly esteemed citizens and a veteran of the Civil War, will observe his 85th birthday, Monday, Aug. 25. For nearly 61 years he has been a resident of this community, coming here from New York state, where he was born. The past half century he has lived a peaceful life, engaged in farming and other occupations, but in his early manhood he participated in many exciting adventures. Following an active service in the army during the Civil War he went west and for the next seven years he led a colorful life. He worked on the construction of the Union Pacific railroad at Leavenworth, Kas., when the Indians were stirring up trouble and occasionally the redskins drove them from the job.

Then he drove a stage coach from Trinidad, Colo., to Mexico, later quitting that job to go to the gold digging. After an absence of seven years he returned home. A little later he planned on going back to the west and joining his chum who had shared his previous joys and hardships in that then wild country, and had his bag all packed to go, but an accident to his mother changed his plans. He was married not long after this and in the spring of 1871 came to Clarkston.

Many years later he did revisit the west, however, going over the old scenes, now greatly changed, accompanied by his son, Herman. They were gone six months.

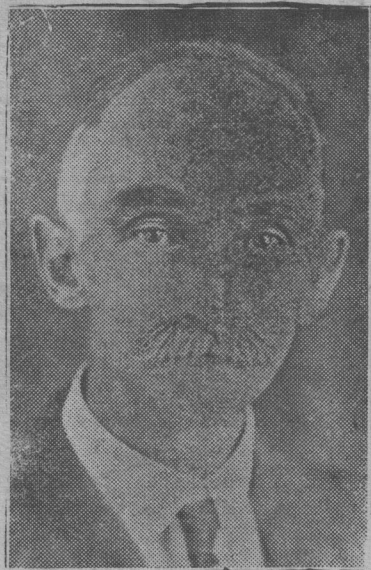

Mr. Sibley early in his career here owned what is now the home of Washington Irish. He had a farm a short distance from the village, on which there were no buildings, so he finally sold his town home and built on the farm. Many years ago, however, he bought another home in town and came back.

Mr. Sibley has one daughter, Mrs. M. H. Wendell, of Holly, and two sons, Herman, of Pontiac, and Lloyd M., at home. He expects to have them all here on Monday to help him celebrate his birthday. He always enjoyed good health until about two months ago, and still takes an active interest in affairs.

For State Representative

(Political Announcement)

James W. Clapp, Republican candidate for State Representative, second Oakland District, was born in Novi Township in 1875. Born to Mr. and Mrs. James Wilson (of Scotch-Irish birth) and adopted at the age of five months by parents of N. A. Clapp, of Lyon Township. N. A. Clapp was one of the early purebred live stock breeders of Michigan, Shorthorn cattle and Berkshire hogs. He was a lecturer for years at State Farmer's Institutes; president of State Association of Farmer's Clubs; staff correspondent for years of the Michigan Farmer.

JAMES W. CLAPP

A strong believer in Republican party and a hard worker for it. This probably was an example for J. W. Clapp as he took up the live stock business as well as always being a Republican, except when he left the party to vote for "Teddy" for President. Has never held or asked for a political office.

After home farm was sold Mr. Clapp was associated with Hupp Stock Farm, Birmingham, for two years; manager of Reed & Knowles Holstein farm at Howell, etc. In 1912 offered position in Brazil as superintendent of large hog ranch, with care of 30,000 hogs and a packing plant but declined. Went to Pennsylvania in 1913 as manager swine department on estate of T. DeWitt Cuyler, the noted Philadelphia financier and railroad magnate. After a year there he accepted same position with James Cox Brady of New York, on his New Jersey estate. Mr. Brady, with brother Nicholas, were sons of the famous

WARREN FAMILY HOLDS ITS ANNUAL REUNION

The seventh annual reunion of the Warren family was held Sunday, Aug. 17, at Davisburg Park, with forty-one present. A pot-luck luncheon was served. A baseball game and races were features of the afternoon. At the business meeting Martha Beals, of Drayton Plains, was elected president. Other officers chosen were: Lora Belle McGuire, Davisburg, vice-president; Ruth Smith, Pontiac, secretary; Clark Horn, Pontiac, treasurer, and David Beals, Drayton Plains, star officer. The following committees were chosen: Paul Wright, David Beals and Israel Smith, sports; Lyle Sea, Vera Day and Lela Beals, entertainment. The next meeting will be held the third Saturday in August, 1931, at the same place.

HOMECOMING HELD AT SEYMOUR LAKE

Present and Former Residents Have Enjoyable Get-Together

The Seymour Lake Homecoming was held on Wednesday, August 20, at the church. The Ladies' Aid undertook to serve the dinner under the trees in the lane that leads to the cemetery, which is across the road from the church. More than a hundred people must have sat down to dinner, and after all had eaten different little games were enjoyed.

About two o'clock the bell in the church was rung and a very fine program was enjoyed under the leadership of the president, Mrs. Lessiter. Very delightful music was given, many selections being played by Miss Gladys Sherwood, and two fine numbers being played on the saw by a lady who was quite an artist at that particular music. Solos were given by George Stanaback and Miss Brewster. Duets which were very beautiful were sung by Mr. and Mrs. Wiser, one of the numbers touching the heart of the homecoming spirit, "Put on the Old Gray Bonnet". Rev. Chapman opened the meeting with prayer and gave a few words of greeting to the many friends who were assembled together. Rev. F. I. Walker, who was a pastor on the charge some thirty years ago, brought out quite a good many reminiscences of former days, which were very delightful to the older persons present.

The main address of the day was given by Rev. F. R. Walker, of Orion. At one time he was pastor of the Ortonville church and during that time helped to fill in a few Sundays that had not been regularly cared for in the ordinary way. Rev. Walker certainly interested his audience in a most admirable way in the remarkable address that he gave. He closed his speech by urging all to love things, love art, love literature, and love most of all folks.

After singing a verse of "God Be with You Till We Meet Again", the benediction was pronounced by the pastor and the day closed with all participating in visiting and greeting each other as friends of long ago. Everyone was thoroughly delighted with the program.

The day set for this annual occurrence is the third Wednesday in August of each year. A committee was appointed by the president to take care of the program for the year 1931.

OAK HILL SCHOOL REUNION

The Oak Hill school reunion will be held at the school on Saturday, August 30. All former teachers, pupils and neighbors are invited to attend. Everybody come and have a good time. Potluck dinner at noon, with program in the afternoon.

OLD JUPITER PLUVIUS

Another week has passed and still there has been no rain of any consequence. It is now too late for rain to do much good to crops, except possibly to make corn a little better for ensilage and to help late potatoes. Beans are considered practically a total loss. It is a big discouragement to farmers, especially as they were so highly encouraged by the early condition of all crops. Hay and grains were secured before the drought did much damage, but yields were not any too good at that, with a few exceptions. Michigan is not listed as one of the states badly hit by the prolonged dry spell, but if farmers in other states have suffered more we pity them. And farmers are not the only ones to lose, either. Urban folks will feel the effects, again proving that the prosperity of all the people depends upon the prosperity of the tiller of the soil.

WATERFORD

Earl Kniffen, of Andersonville Road, while returning from Detroit on Saturday evening in his car by the 11-Mile Road, was pushed off the road by a truck, the driver doing that to avoid a head-on collision as there were a number of cars there. One side of Mr. Kniffen's car was completely wrecked but he escaped with only a slight injury to his arm. Mr. Kniffen was stopped by railroad crossing lights but the truck couldn't stop so quickly.

ORTONVILLE

Mrs. James Everett has returned home after visiting friends in Bad Axe and Kinde.

The annual mission festival of the South Hadley Lutheran church was held Sunday at the Theodore Nicklas grove.

The annual union picnic of the Sunday schools of the Baptist and Methodist churches was held recently at Bald Eagle lake with an attendance of over 200. Potluck dinner was served at noon. A baseball game, bathing and rowing were enjoyed during the afternoon.

The annual reunion of the Brandon Center School was held Saturday at the schoolhouse. Pot-luck dinner was served at noon to about 100 former teachers, pupils and residents of the district. Several of the former teachers gave interesting talks. Plans were made to hold another reunion next year and committees were selected to take charge.

DRAYTON PLAINS

WHEAT SITUATION
AS SEEN BY M. S. C.

Suggestions Offered in View of
National Crop Conditions

East Lansing, Aug. 20.—Suggestions for Michigan growers on meeting the wheat situation have been issued by a special committee from the agricultural division at Michigan State College, as part of an extensive report written following a special "wheat" conference held at Indianapolis, Indiana, recently.

The report on the national conference indicates that "extensive adjustment in wheat growing, including substantial reduction in cost per bushel, must be made if wheat production is to be profitable to growers generally during the next six to ten years". Lowered consumption of wheat per capita and "intensive competition in world markets" are among reasons mentioned for the present situation. The world situation is said to point to "a lower level of prices in the next six to ten years than has prevailed in the past seven years".

Among the definite suggestions given Michigan growers are:

(1) Farm Store—Present conditions at terminals have caused too large a spread between cash prices at loading point and futures.

(2) Feeding—U. S. D. A. reports "with 79 cent corn, wheat as a feed is worth about 85 cents for feeding to poultry and sheep and about 89 cents for feeding to hogs and beef cattle".

(3) Crop Alternatives—Farmers may well consider the possibility of producing more alfalfa, corn, barley, oats and the improvement of pastures in high cost wheat areas. In general the production of more feed crops may be desirable.

(4) All methods proposed for meeting the situation, however, which involve the readjustment of the crop and livestock enterprises should be considered in view of their effect upon the returns from the farm business as a whole.

THE NEWS PRESENTS
AN ORIGINAL POEM

When your wife leaves you to go to some resort, say up north, and you are obliged to stay at home, and she receives a touching epistle from home like the following verse, don't you think it ought to have some sort of an appeal?

You have left me, little wife,
For northern parts unknown.
I am using up my pill case
So I will not moan and groan.
You have gone up north a-fishing,
With a motley mixed-up crew;
I am staying home with sick folks
That are making me sick, too.
By Gar, that great big Frenchman,
He is certainly some man,
To need three buxom women
To use his frying pan.
I wish I might be with you,
But no, I'm in exile,
I cannot even send you
Just a measly, sickly smile.

ORTONVILLE

Mr. and Mrs. Fred Merriweather were host and hostess to 86 members of the Auten family who recently met in their annual reunion. A short program of readings and music was given, followed by election of officers.

Milo E. Phillips, of Ortonville, was elected president, John Auten vice-president, Earle Auten treasurer and Olie Holsinger, of Flint, secretary. They will meet next year at Bloomer State Park No. 3.

Announcing a new
production record

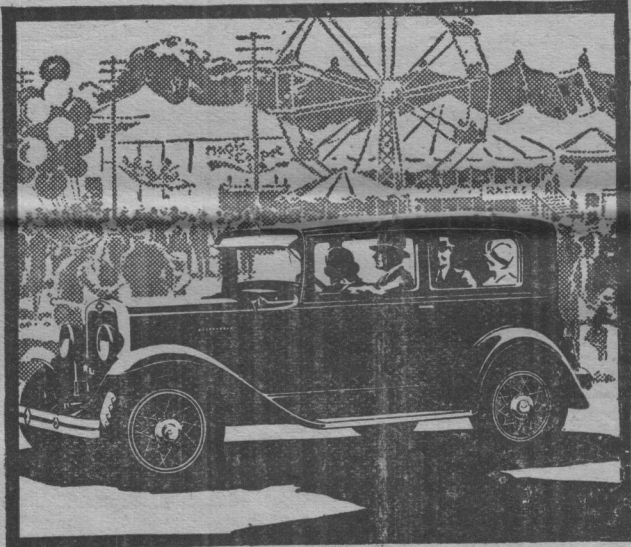

2,000,000 Chevrolet Sixes now on the road

Since January, 1929, Chevrolet has produced and sold over 2,000,000 six-cylinder automobiles—nearly five times as many as any other manufacturer has ever built in an equal length of time.

These 2,000,000 buyers have chosen Chevrolet because it offers many desirable qualities not obtainable in any other car so low in price—

—the smoothness, silence and flexibility of a modern six-cylinder valve-in-head engine—the greater comfort and roadability of a modern, full-length chassis—and the style, safety and distinction of bodies by Fisher.

Yet, despite these fine car advantages, the Chevrolet Six is unusually economical. Its gas, oil,

PUT YOUR APPLES IN COLD STORAGE

That Is If They Are Affected by Water Core, Says Expert

East Lansing, August 20.—Apples which are so badly affected by water core that they are not readily merchantable can be brought to first class condition by storing them for periods of 90 days, it has been found in trials made by the horticultural department at Michigan State College.

The varieties upon which the trials were run were Delicious and Wagener which had been grown in orchards in Benzie and Leelanau counties in 1929. Ninety per cent of the Delicious had water core at picking time, and 50

to 75 per cent of the Wageners were similarly affected.

The apples were placed in cold storage and held at a temperature of 32 degrees Fahrenheit from October 23 to January 15. When examined at the expiration of this period none of the Delicious showed water core and only three of the Wageners had not cleared up.

Another trial in which the apples were placed in storage October 29 and held to January 15, showed similar results. Most of the apples in this lot showed no water core and when the condition was present the area involved was small.

Members of the horticultural department state that the storage of the apples restored 75 per cent of the affected apples to a good merchantable condition.

Many local golfers are attending the Western Open at Indianwood.

MICHIGAN IS RATED AS T-B FREE STATE

Referring to Dairy Cattle and Not to Human Beings

East Lansing, Aug. 20.—A "celebration" banquet, in recognition of Michigan's recent designation as a modified accredited area, free from tuberculosis in its dairy cattle, will be held at Michigan State College on September 19.

Agricultural interests cooperating in staging the "T-B Free" meeting include: the Michigan Department of Agriculture; the U. S. Department of Agriculture; the Michigan Farm Bureau; Michigan State College; the U. S. Livestock Exchange, and many other organizations. Men of national reputation in the livestock and animal disease world are scheduled to speak at the banquet.

Michigan is said to be the first dairy state to be given the accredited ranking. North Carolina and Maine are two other states already accredited, but both have but a relatively small number of dairy cattle. Accreditation means that Bovine Tuberculosis infection has been reduced to less than one-half of one per cent for the entire state.

Tuberculosis eradication work was started in Michigan in 1917, according to E. L. Anthony, head of the M. S. C. dairy department. Since that time 185,000 herds numbering more than 1,500,000 head have been tested, with 58,324 reactors found and slaughtered during this time.

Aside from the health value to consumers of milk, dairy cattle from accredited areas are said to command higher prices. Professor Anthony estimates the value of dairy cattle sold from Michigan to other dairy centers at \$1,500,000 annually. The demand for Michigan cattle because the state has been known to be relatively free from tuberculosis has been great, increasing the value of Michigan's dairy cattle at least 25 per cent, according to Professor Anthony.
