VOLUME II. NO. 9.

CLARKSTON, MICHIGAN, FRIDAY, OCTOBER 31, 1930

WHOLE NUMBER, 61

## ALUMNI PLAYS TIE GAME ON SUNDAY

### Milford Contest Was Scoreless; Detroit Team Next Sunday

The Clarkston Alumni football team played a scoreless tie with the Milford team here Sunday afternoon. The home team had several good scoring chances but did not make the best use of them. The last chance was lost when the final whistle blew with the ball on Milford's one foot line.

Cross, fullback for the Alumni, was quite badly hurt in the closing minutes of play and had to be carried off the field. It is hoped that he will be in shape for the game next Sunday with the Lawndale Club of Detroit. The lineup of Sunday's game was as follows:

Hammond, right end; Andrews, D. Beemer, right tackle; Orr, Andrews, right guard; Beemer, center; Swain, left guard; Ellis, left tackle; Douglas, Chamberlain, left end; Seeterlin, quarterback; Porritt, right halfback; Francis, left halfback; Cross, Orr, fullback; S. Beemer, Merritt, substitutes.

The Clarkston team wishes everybody to understand that all members of the team are graduates of the Clarkston High School and that the games are being played for no individual advantage, but that all proceeds will be turned over to the Athletic Association of the school for the purchase of equipment for the gymnasium and other athletic purposes.

## GOOD WILL CLUB GUESTS AT DELIGHTFUL EVENT

The Waterford Good Will Club was delightfully entertained by Mrs. Kenneth McVittie on Friday. One o'clock luncheon was served at the Hunt Lodge to the members and one guest, Mrs. Judson P. Grow, at a long table graced by a beautiful bouquet of "mums" and roses. A three-course luncheon was served, after which the club returned to the McVittie home on Maple street, where an interesting meeting was enjoyed. Roll call was: "High Lights of October". The program was in charge of Mrs. J. H. Reid, and was very interesting, giving various happenings of October.

The November meeting will be held at the home of Mrs. William King, of Springfield, with Mrs. H. B. Mehlberg in charge of the program.

## FINE DONATION IS MADE TO SCHOOL

### Kindergarten Pupils Presented With Beautiful Fish Pond

Among our faculty members and at the last P. T. A. there has been much discussion about "Room Mothers". There is no getting around it, "Room Mothers" are fine, and much has been done already, but the kindergarten will be singing the praises of a certain "Room Father" for some time to come.

It has been the aim of the kindergarten teacher, Miss Hyde, to surround the children with an atmosphere pleasant and home-like so as to bridge over the gap generally found between the school room and the home.

With this in mind, she told Mr. Wompole, who is directing the landscaping around the school, of her desire for an indoor fish pond. Immediately, he graciously volunteered his time and services to make one.

That all happened two weeks ago. On Monday of this week the fish pond arrived. We are absolutely sure that no kindergarten in the state has a finer or more beautiful one.

The standard, which is made from lovely old rustic logs, is filled with beautiful evergreens, ferns, moss and rocks, with a background of witch-hazel. In the foreground is found the fish pond surrounded by a flagstone walk. Directly in back of the pond is a beautiful variegated yucca which is very rare.

Six little gold fish will soon be thanking their lucky stars that they are privileged to have such a lovely place to swim.

The kindergarten children are more than delighted with their gift from Mr. Wompole. Each one seemingly feels it his responsibility to see that no harm befalls it.

Miss Hyde and the kindergarten children wish to take this opportunity to sincerely thank Mr. Wompole for the touch of beauty he has given them. It will be enjoyed by all the children in the school.

## ARMISTICE BALL WILL BE EVENT OF IMPORTANCE

The Armistice Day Dance sponsored by Campbell-Richmond Post, No. 63, American Legion, will be one of the big affairs of the season. The various committees are all at work; the sale of tickets is going on very steadily, and all of the little minor details will be taken care of at the regular meeting as noted elsewhere in this issue. If you do not care to dance, the 11-piece military orchestra will be worth the price of the ticket. The boys are working hard to make this, their first party, a big success and should have the liberal patronage of the public.

## WILL LOOK AFTER NEEDY FAMILIES

### Literary Club Behind Movement and Cooperation Is Given

The president of the Clarkston Literary Club has appointed a committee to look after the interests of the needy families in this community. The chairman of the committee has appointed one member from the Methodist Ladies' Aid and one from the Baptist Auxiliary to assist with this work. The school is also co-operating by the teachers reporting families in need of assistance. Members of the committee will be at the council rooms in the fire hall Saturday afternoon, Nov. 8, to receive clothing. If you have children's clothing or adults' garments you are asked to please bring them to the hall, or if you have no way of bringing them, call phone No. 24 or 106 and the committee will get them. They have need of new outing flannel. Perhaps there is someone who has no used garments who will be glad to help purchase it.

## CLARKSTON SCHOOL NOTES

School is out for the last two days of the week to allow the teachers to attend the Teachers' Institute in Detroit.

The football boys played Walled Lake there on Wednesday.

The seventh grade had a class party in the gym Wednesday evening, taking advantage of the Halloween season for decorations, refreshments and games.

The freshman class was entertained at the Porritt farm home at a regular Halloween party with games, fortune telling and refreshments.

D. M. Winn and Willard Thornway attended a meeting of Hi-Y leaders at the home of George T. Hendrie, of Bloomfield Hills, Tuesday. Mr. Adler, of the Detroit News staff, who recently returned from Russia and has been writing extensively on the subject for his paper, was the principal speaker and gave his listeners a good picture of both high and low classes and also of the 5-year plan.

## WATERFORD SCHOOL NOTES

All grade rooms had Halloween parties on Wednesday during the last period.

Members of the school band are planning a concert to be given in early winter and are working hard on the several numbers that will appear on the program.

No-school Thursday and Friday as the teachers are attending the annual Teachers' Institute held in Detroit.

About 17 Boy Scouts and their leader, Russell Galbraith, were among the guests at the Court of Honor held in Pontiac Tuesday evening. The school bus was chartered for the occasion.

## A CORRECTION

Through a misunderstanding over the telephone, the Clarkston Barber Shop was given a free "ad" last week quoting a reduced price on children's hair cuts on certain days of the week. We owe our apologies to the proprietor of Jack's Barber Shop, at Drayton Plains, who was the one who ordered the "ad", and to Mr. DeMond, of the Clarkston shop, we expected to owe more, but he kindly consented to let us off.

## ROBBERY SUSPECT NOW IN CUSTODY

### Held for Job in Clarkston; Two Chicken Thieves Confess

The proprietors of the Clarkston Dry Goods Co. expect to be called to Pontiac any day to identify, if possible, goods stolen from their store on the night of January 23 last.

Chauncey Gibson is in the county jail and he is suspected of having been implicated in the robbery. He was arrested at Sterling, Mich., this week by Under Sheriff Frank Green and Deputy Clare Hubbell on a tip supposed to have been given by an accomplice. In his possession were found, it is claimed, a quantity of goods, some of which at least are supposed to have been taken from the Clarkston store, the value of which was placed at about \$100. Entrance to the building was effected through a rear window which was broken out. Clothing comprised the bulk of the stolen goods, some of which the thieves dropped just outside in their haste to escape.

The officers declare that Gibson was an accomplice of Robert Wuefling, who was given a sentence of from 5 to 15 years in the Michigan State Prison at Jackson on Monday for chicken stealing. The severity of the sentence is explained by the remark that Judge Glenn C. Gillespie made in passing sentence: "I find your record is not so good."

"A long term in prison suits me fine" was Wuefling's comment.

Arrested with Wuefling on the same charge was Ansel Tothingham. He was released on probation for two years as no previous black mark was registered against him.

Wuefling, who is 41 years old, and Tothingham, who is 27, are both residents of Independence township. They admitted robbing the chicken house of George Willoughby on July 1.

## MATERNITY HOSPITAL IS OPENED IN CLARKSTON

Mrs. Ira Jones, a practical nurse of 12 years experience, has recently been granted a state license to conduct a Maternity Hospital. Her pretty English type cottage on Robertson Court is an ideal place for this purpose, terraced up on a slight elevation that overlooks the Park Lake on the south and east and a fine view of Orion Road on the north. The rooms are light and airy and the surroundings very pleasant. Mrs. Jones has passed a rigid sanitary test and, while in most cases advance notice is preferred, she is ready for any emergency, and her entrance into this work will be a great asset to Clarkston and vicinity.

## YOUNG LAD KILLED IN AUTO ACCIDENT

### Kenneth Hill, Former Waterford Boy, Loses Life in Detroit

Kenneth, 8-year-old son of Mr. and Mrs. Byron Hill, formerly of Waterford, but now of Detroit, was killed almost instantly when struck by a car Monday night. Accompanied by an older brother he was crossing the street to a barber shop when he was struck by a car driven by Cecil Fern, an 18-year-old youth of Detroit. Young Fern had been tinkering at his car and was testing it out, when the lights went out, and in the semi-darkness he neither saw the boys nor they him. Kenneth was rushed to Fordson Clinic but died in less than a half hour after the accident.

Mrs. N. O'Dea, of Drayton Plains, is a sister of Mr. Hill and with members of her family has been in Detroit with them this week attending the funeral which was held at the home with burial in the family lot at Rochester.

## HALLOWE'EN EVENT FOR SUNDAY SCHOOL CLASS

On Wednesday evening, Miss Lillian Beardsley was hostess at a Halloween party to her Sunday School class at her pleasant farm home. Ghosts and goblins attended; fortunes were told, games suitable for Halloween were played, and after refreshments were served by the hostess, all departed having had a fine time. Mrs. Huey, who is teacher of the class, chaperoned the party, altho she didn't look natural dressed for the occasion.

The News one year for one dollar.

## DRAYTON PLAINS SOCIETY HOLDS ANNUAL ELECTION

The General Aid of the Drayton Plains Community United Presbyterian Church met Friday, Oct. 22, for an all day meeting, with thirty members present. A lovely pot luck dinner was served, followed by the business meeting at 1:30. Mrs. A. T. Stewart had charge of the devotional period, which included a song, "His Faithful Covenant", reading from the seventh chapter of Matthew, and prayer by Mrs. Cheeseman and Mrs. Surles. Several items of old business were then taken up and settled, after which the following officers were elected for the ensuing year:

President—Mrs. Frank Jeffery.  
Vice-president—Mrs. Ernest Coleman.

Secretary—Mrs. Kenneth Willings.  
Treasurer—Mrs. L. G. Rowley.

## CHURCHES

### CLARKSTON M. E. CHURCH

R. H. Prouse, Pastor  
Services for Sunday, Nov. 2:  
10:45 a. m. Sacramental service.  
12:00 noon Sunday School.  
3:00 p. m. Junior League.  
6:45 p. m. Epworth League; leader, Lewis Warden.

7:30 p. m. Evening worship.  
Thursday, 7:30 p. m., Mid-week prayer service.

Thursday, 8:15 p. m., choir rehearsal.

### CLARKSTON BAPTIST CHURCH

H. A. Huey, Pastor  
Morning service is at 10:45. Sermon by the pastor: "Overcoming Our Handicaps". This is Fanny Crosby Sunday. Special music by the choir. Sunday School is at 11:45. George Van Horn, superintendent.

Choir practice every Thursday evening.  
The annual meeting of the church was held Tuesday evening. The treasurer's report showed all bills paid and a balance on hand. Frank Yeager was elected trustee for three years, Mrs. George Van Horn clerk, Mrs. A. Francis organist and George Van Horn treasurer.

### WATERFORD COMMUNITY BAPTIST CHURCH

H. A. Huey, Pastor  
Sunday School is at 10:30. H. B. Mehlberg, superintendent.

Fanny Crosby Sunday will be observed at 7:30. Sermon by the pastor: "Overcoming Our Handicaps".

Last Sunday there were 121 present at the Sunday School. This is way ahead of any previous record. Each Sunday is Rally Day in the Sunday School. Some of the classes are so large that there is talk of dividing them. Another surprise was when the score for attendance showed the blues 40 ahead of the reds, who have heretofore been in front.

### DRAYTON PLAINS COMMUNITY UNITED PRESBYTERIAN CHURCH

Clarence J. Sutton, Minister  
On next Sabbath, November 2, we will have all our regular services. Sabbath School at 10:00 a. m. with Lloyd Bowden, superintendent. Junior and Intermediate Societies at 6:30 p. m.

As this is National Citizenship Sunday the morning sermon, at 11:30, will be on "Prohibition, Past, Present and Future". The sermon theme in the evening will be "Shall the Nullificationists Win". Everyone is cordially invited to hear these present day topics.

### DAVISBURG M. E. CHURCH

Edward Bickford, Minister  
Services for Sunday, Nov. 2:  
Morning service at 10:30. Topic: "The Desponding Prophet".

Junior Church service at 10:30. The Junior Church has been recently organized with Mr. and Mrs. Roland Crawford in charge. We are asking the parents to please give special attention to this service by sending their boys and girls. Service will be in the church parlor.

Sunday School at 11:45.

On Tuesday, election day, the Ladies' Aid Society will serve dinner to the public. Following dinner the first Quarterly Conference will be held, with the new District Superintendent in the chair.

On Thursday afternoon at 4 o'clock the Junior League will meet.

## COUPE HITS TRUCK, OVERTURNING IT

### Accident Resulted in Injuries to Mr. and Mrs. Geo. Van Horn

Mr. and Mrs. George Van Horn, who reside north of Clarkston, had a miraculous escape from injury when their truck was overturned by a side-swiping car. They were returning from Flint Sunday evening and were about one mile south of Grand Blanc, with the traffic as heavy as usual at that time, when the driver of a small coupe, in attempting to pass them, must have misjudged the distance for in cutting in he struck the front wheels sideways and the truck overturned. Mrs. Van Horn was thrown through the top of the cab and was picked up and rushed to Goodrich Hospital with Mr. Van Horn, who did not appear to be so badly injured. A severe cut over her eye and small cuts and bruises were the extent of Mrs. Van Horn's injuries and he is suffering from bruises and a sprained ankle. The driver of the coupe, who resides in Detroit, acknowledged his share of blame for the accident so possibly the proper adjustments will be made.

## D. P. CHURCH SPONSORS LADY MINSTREL SHOW

The Ladies of the Drayton Plains Community United Presbyterian Church will present "Lady Minstrels from Dixie" at the Clarkston Opera House on Saturday evening, November 1. They gave this show in Drayton Plains on October 16 and it was very much enjoyed. Following is the cast of characters:

Lizzie.....Mrs. Walter Aderholdt  
Mrs. Tabitha Plunket.....  
Mrs. Frank Jeffery  
Mrs. Ima Bore.....Mrs. Ernest Coleman  
Mrs. Mollie Apple.....Mrs. Tom Walker  
Mrs. Retunia Crutch.....  
Mrs. Kenneth Willings  
Miss Saccharine Cinders.....  
Mrs. Frank Jankowske  
Mrs. Jerushy Muffin.....  
Mrs. William Parks  
Mrs. Fuchia Figgert.....Mrs. Frank Jones  
Mrs. Dottie Wible.....  
Mrs. Adam Solomon  
Mrs. Sadie Smothers.....  
Mrs. Lloyd Bowden  
Mrs. Hepsy Smith.....Mrs. Howard Dean  
Miss Lillie Olson.....  
Mrs. A. E. Barnhart  
Mrs. Becky Kloffenstein.....  
Mrs. William Brown

## GOLF COURSE BUG IS STILL BUZZING

### Enthusiasts Continue the Plans for a Community Course

The proposition of a Community golf course for Clarkston is still in the air, but its proponents are confident that the venture will be crowned with success in time. It is too big a matter to be arrived at hastily and before all angles have been carefully considered. Two meetings in the interest of the project have been held and while no definite action was taken they served to keep alive the interest.

Willie Robertson, who will design the course if one is built, was in Clarkston again this week in connection with the proposition. He informed the News that there are several pieces of property near by that are available, and that there is one in particular that would be ideal for a golf course. It has, he said, the right contour and sod and natural advantages that would effect a big saving in construction costs. It could be made ready for use soon at a very reasonable figure, a fact that appeals to the Clarkston enthusiasts who naturally are looking well at the financial side of the transaction.

## DRAYTON PLAINS SCHOOL NOTES

Two days' vacation, Thursday and Friday, in order that the teachers might attend the Institute being held in Detroit.

The football boys played a fine game here Saturday with Grand Blanc as opponents, winning 21 to 6.

On Wednesday they played the Oxford Reserves and won again, this time by a score of 13-0, scoring both touchdowns in the first half.

The staff and assistants of the 10th and 11th grades who are sponsoring a school publication known as "The Blue and Gold" are hard at work on the first issue, which will appear the first of November. It is no small task to edit and type over 300 copies of a four-page folder.

## WATERFORD AUXILIARY PLANS PUBLIC SUPPER

The Waterford Ladies' Auxiliary is planning a "Friendship Supper" to be held on Wednesday evening, Nov. 5, in the church parlors. Each family is to bring its own bread and butter and one other article of food, and its own dishes and silver. They are also asked to bring a good time with them. Coffee will be served by the committee and a free will offering will be taken up. Everyone is given a hearty welcome to come and get acquainted. Those in charge of the supper are: Mrs. R. J. Beattie, Mrs. Ainsworth Wyckoff and Mrs. George Slayton.

The Auxiliary will meet on Thursday, November 6, at the home of Mrs. Perry on Maple street. One o'clock luncheon will be served. It is hoped that this will be Rally Day for the club with a high percentage of attendance. All newcomers interested are invited to attend.

## FINE PROGRAM IS ENJOYED BY P. T. A.

### Members of Association Listen to Talk by Pontiac Man

The Waterford P. T. A. met at the School auditorium on Thursday evening, Oct. 23. A fine crowd enjoyed the splendid program. The speaker, M. W. Hart, who is in Pontiac for a short time, was procured by Supt. R. C. Lunger. His subject was "How to Be Happy". He brought out the thought that happiness does not come through money, nor being famous nor obtaining vast knowledge but by doing real worth-while things and doing one's best each day. His secret was, "Day by day, in every way, I'm growing better and better".

The school orchestra played three selections. Invocation was given by Rev. H. A. Huey, and a saxophone duet was rendered by Warren McVittie, accompanied by his sister, Miss Grace McVittie. President M. Hinkley had charge of the meeting, introducing Supt. R. C. Lunger, who introduced the speaker.

During the meeting it was voted to purchase a picture and each month award it to the room having the most parents present at the P. T. A. meetings, thus gracing the victorious room's walls for the ensuing month. The following committee was named to purchase the picture: Rev. H. A. Huey, Mrs. H. B. Mehlberg and Mrs. Kenneth McVittie.

The program committee for the November meeting, which will be held on the third Thursday, Nov. 20, is H. B. Mehlberg, Mrs. Harry Harpur and H. H. Pratt.

A count of parents present gave the honors to Mrs. R. C. Lunger's room, as the count was 12, while the high school room came close with 11. The P. T. A. is looking forward to more people becoming interested in this work as it is really worth while.

## CLARKSTON LADIES ARE GUESTS AT BLOOMFIELD

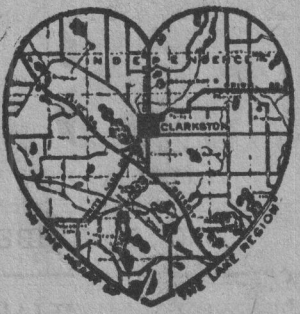

A group of Clarkston ladies were among the guests of one of the most delightful parties of the season at Devon Gables, Devonshire Downs, in the Bloomfield Hills on Tuesday. Mrs. C. P. Bissell, of Holly, as hostess, chose bronze baby mums with oak leaves as decorations of the rooms and also the luncheon table, combined with October orange. Bridge followed the luncheon at which Viola Alger and Nell Barry were prize winners. Guests were present from Flint, Pontiac and Detroit, besides the following from Clarkston: Mrs. Lee M. Clark, Mrs. J. T. Haupt, Mrs. Jean W. Looker, Mrs. George D. King, Mrs. J. E. Weighells, Miss Nell Barry, Miss Mae Barry and Miss Viola Alger.

## HALLOWE'N PARTY WAS GIVEN BY EPWORTH LEAGUE

The young people of the Epworth League of the Clarkston M. E. church sponsored a party for the young people of the town in the church parlors Tuesday evening. The Halloween idea was carried out in the decorations, which were unusual and attractive, and also in the games. The guests were blindfolded at the door and put through many shivery places and terrifying stunts and all the usual spooky games were played. The refreshments also carried out the Halloween customs.

The Epworth League is nicely organized and the members are very happy over the success of their first party.

CLARKSTON, MICH., OCT. 31, 1936

### CLARKSTON

Mr. and Mrs. Lee M. Clark and family were guests of their son, Nelson, at Michigan State College, East Lansing, Sunday.

Mr. and Mrs. Marcus Duffield, who have spent the summer months in Clarkston, are returning Friday to their home in Detroit.

Born, Thursday, Oct. 16, at the Green Hospital, to Mr. and Mrs. Glenn R. Bradford, of Pontiac, a son, Glenn Robert.

Mr. and Mrs. Harrison Goodspeed, of Grand Rapids, were week-end guests of Major and Mrs. David Newlands.

Mrs. Charlotte Smith has returned home from a week's visit with her daughter, Mrs. Julia Yeager, of Lapeer.

The members of the Ladies' Aid Society of the M. E. Church would like to locate their signs erected in the business section at the time of their last supper and removed by someone.

Miss Agnes Walter, who is attending school in Grand Rapids, attended the Michigan-Illinois football game at Ann Arbor Saturday and came on to Clarkston for the week-end with her mother, Mrs. Nina B. Walter.

A business meeting of the Ladies' Aid Society of the M. E. Church will be held at the home of Mrs. Christena Reese Wednesday afternoon, Nov. 5, at 2:30. Mrs. Josephine Smith and Mrs. Lettie Bradley will be assistant hostesses.

Mr. and Mrs. William Harcourt, of Detroit, who have spent the summer here, are returning soon to Detroit. Mr. and Mrs. Harcourt have made many friends here who sincerely regret their leaving and hope they will return again for the warm months.

George D. Chase, of Corunna, and Maurice D. Green, of Chicago, residents of Clarkston fifty years ago, were guests of Frank Yeager Monday and Tuesday. Many changes were seen in the village since their last previous visit some twenty-five years ago.

There will be a regular business meeting of Campbell-Richmond Post No. 63, American Legion, Monday evening, Nov. 3. Every member is urged to be present, and committees will be expected to make some reports on the coming dance to be given by the post and many final details will be arranged for. Every member is needed.

### RIDERS TEND HERDS INSTEAD OF FLOCKS

Modern Group Preaches Profits and Insists on Casting Out the Poor

East Lansing, Oct. 29.—The old fashioned circuit rider who brought salvation to his human flocks has passed from the picture of rural life but Michigan still has 90 modern circuit riders who live one day a month at each of 20 or 25 farm homes and whose business is the salvaging of profits from the dairy herds of the State, according to the dairy department of Michigan State College.

The 90 preach the doctrine of good feeds properly balanced but they do not believe that the poor cows should be with us always and they ask the herd owners to cast such animals into the outer darkness. These testers for the herd improvement associations keep records of the production of each cow in the herds, they give advice on making up rations, test separators, keep records of herd sires, test soils, and take up a collection only once each month.

Once each year they are called in to district meetings where the state supervisor of testing checks up the methods which they are using and suggests ways of improving their work. The district meetings this year are called at Yale, Oct. 30; Saginaw, Oct. 31; East Lansing, Nov. 3; Grand Rapids, Nov. 4; Shelby, Nov. 5; Reed City, Nov. 6; Traverse City, Nov. 7.

## COUNTY NEWS-LETTER

By F. M. BLUNK, Special Correspondent

This week-end will furnish the climax to one of the most active political battles seen in Oakland County in twenty years, for not in that time have the issues been so burning, nor have the Democratic candidates for public office waged such a determined fight for election.

Spurred by the leadership of the Democratic gubernatorial and Congressional candidates, whose chances for success at the polls next Tuesday are admittedly greater than in years, Oakland County Democrats, urging governmental reform and economy, have carried the Democratic banner far and wide in the quest of votes.

Competent political observers of both parties are willing to admit that conditions are so abnormal that the voting public is likely to make an astounding aboutface next Tuesday in the hope of relief. It is certain that in Oakland County there is to be some wholesale ticket "splitting", especially in the balloting for county officials. It is certain that many voters who have voted the straight Republican ticket all their lives are going to "split" their vote next Tuesday. And it is quite likely that there will be some Democratic "splitting" too, especially in the gubernatorial and congressional races.

There is an interesting arrangement in the race for Governor and Congressman. Mr. Brucker, the Republican gubernatorial candidate, blessed with a splendid war record and years of good service in Michigan affairs, is understood to lean to the dry side

of the prohibition question, while Mr. Comstock, his Democratic opponent, and a man of fine character and personality, might be said to lean to the wet side at a little greater angle than Brucker leans to the dry.

Weighing these men against one another, as far as the average voter is concerned, strikes an even balance. But it must be remembered that Detroit, which gave Groesbeck such a large vote in the Republican primary, is likely to give Comstock a majority because of his wet leaning and because of the fact that many of the disgruntled Groesbeck supporters are said to be against supporting Brucker.

In the Sixth District Congressional battle, Seymour H. Person, an avowed wet, is the Republican candidate. His opponent, Judge Patrick O'Brien, hasn't actually stated his position in this matter outside of declaring that if elected to Congress he will vote as the majority of his constituents would have him vote. This means that if the majority of the people in the sixth district declared themselves against prohibition, Mr. O'Brien would be expected to vote for anti-prohibition measures in the House of Representatives.

### POULTRY NEED FIRES IN COLDEST WEATHER

Brooder Stoves May Be Adapted for Use in Heating Laying Houses

East Lansing, Oct. 29.—Now that modern poultry houses have been equipped with lights to enable the hens to devote more hours to business each day, it has been found that the provision of a heater for the house will add to the bird's comfort and consequently aid the production of eggs, according to the poultry department at Michigan State College.

Many Michigan farms already have heaters which can easily be adapted for use in the laying houses and the engineering department advocates the use of brooder stoves which can be equipped with a jacket which will provide greater heat radiation. The stoves are needed only during periods of low temperature.

The laying house stove should have the canopy removed and be placed on a stand to raise it 15 inches above the floor. Care is necessary in building a base to prevent hot ashes or live coals falling into the litter.

The jacket for the stove is made from galvanized iron reinforced at the top, bottom, and around the door with band iron. It is 30 inches in diameter and three feet high. The top should be screened in to prevent birds from flying upon the stove.

An illustrated description of the stove will be published in the November

Quarterly Bulletin, which may be obtained by addressing the director of the experiment station, Michigan State College, East Lansing.

tion measures in the House of Representatives. The Democratic campaigners in Oakland County have been unusually active for the last fortnight. Mr. Comstock and Mr. O'Brien have been frequent speakers here while the county candidates have, under the direction of William Jackson, County Committee chairman, stumped virtually every township. They have been aided to a great extent by Non-Partisan Taxpayers Committees and by certain labor organizations.

The issues and the campaign that has acquainted the people with them are expected to bring out a record vote Tuesday.

The Taxpayers' Crusade for a grand jury investigation of Oakland County affairs and remedial measures, for economy in the conduct of the government and the suppression of unnecessary road, drain and institutional building programs is being carried into "every middlesex, village and farm". The Crusade actually got under way last week with an enthusiastic overflow meeting at Farmington and is to be continued this week-end with taxpayers' meetings in various centres in the southern section of the county.

Coordination of county offices, elimination of unnecessary departments and commissions, repeal of the Covert Road law and a definite curtailment of road and drain building are some of the program features of the taxpayers' organization. This association, called the Oakland County Association for the Reduction of Taxes, has grown from an original membership of 116 to more than 2000 in a fortnight. It numbers among its membership more Republicans than Democrats.

Petitions calling for a grand jury investigation are now being circulated in ten townships, as well as in Royal Oak City and Pontiac. One of the most active of the new committees working for the grand jury is in Waterford and the movement has been set under way in Avon.

Having disposed of the salary question for 1931, the County Board of Supervisors convened again Wednesday to begin the "Battle of the Budget" and it is likely that the proposals for the coming budget year will make the salary matter appear as a mere bit of pin money. And it is understood on good authority that there is to be an attempt to force reconsideration of the Board's adoption of the Auditors' salary recommendations. This was adopted by a vote of 25 to 14 after some wrangling.

An analysis of the salary budget, as adopted, shows that the auditors actually have reduced SALARIES but little, if any. It is claimed that SALARIES have been reduced about 12 per cent. But by far the biggest part of the so-called reduction is the elimination of the motor car expense of \$64,635. The present salary budget was \$715,244. The budget for 1931 calls for \$642,171 or a total budget reduction of \$73,073. This, then, is a SALARY reduction in all departments of only \$8,438, when the motor car expense is deducted.

Now, in September, in its recommendation to the Board of Supervisors anent salaries, the Board of Auditors stated: Anticipating the necessity at this session of the Board of levying a large tax for county purposes, we have already effected many economies. We have reduced the number of county employees. WE HAVE DECREASED SALARIES AND COMBINED OFFICES PRIOR TO THE MEETING OF THE BOARD TO SUCH AN EXTENT AS TO REDUCE THE COUNTY PAY ROLL \$19,080 PER YEAR and doing away with all car expense amounting to \$64,635 or a total decrease of 12.5 per cent, or \$83,715.

Figure it out for yourself. In September, the County Board of Auditors stated that they had already, before the Supervisors convened, cut down the salaries \$19,080 per year. Then after a month of wrangling and inquiry and research and hearing department heads the net salary saving for 1931 is only to be \$8,438. So that in adopting the Auditors' recommendations for 1931 salaries on October 21 the Board of Supervisors seems to have actually increased salaries by \$10,000.

Another matter that the taxpayers' association asks to have investigated is the bonded indebtedness of the county. The bank report of September 8, 1930, shows the bonded indebtedness of the county for roads and drains to be \$16,425,020.29. The total assessed valuation of Oakland County is \$490,000,000. The State Constitution, Article Eight, Section Twelve, says that the bonded indebtedness of a county shall not be greater than three percent of its total valuation.

## Frank C. Dunston

Democratic Candidate for  
**Sheriff**

If elected I shall spare no time or energy in an unceasing effort to aid in eliminating this burden of excess taxation from the shoulders of the Oakland County taxpayer.

I pledge to the people of Oakland County that I will to the best of my ability conscientiously enforce all the laws all the time, justly, fairly and without prejudice.

Your Support  
Will Be Appreciated

**SET IMPLEMENT SHOW DATES FOR DECEMBER**

Annual Exhibit Will Bring Largest Display to East Lansing

East Lansing, Oct. 29.—The fourth annual exhibit of the Michigan Farm Equipment Association will bring to East Lansing, December 2, 3 and 4,

the largest display of farm tools and rural electrical equipment which will be shown in Michigan this year, according to the agricultural engineering department at Michigan State College.

Association meetings and displays for the implement dealers will occupy the first two days of the show but a special program for farmers has been arranged for the afternoon of December 4 and the machinery exhibit will be open for their inspection that day. The attendance at last year's show was 1,100.

## SPRAY MAY INJURE FOLIAGE OF PEACH

Arsenical Damage Can Be Lessened by Precautions in Using Poisons

East Lansing, Oct. 29.—Arsenical sprays used to protect peaches from insect injuries sometimes cause severe damage to the foliage and occasionally to the woody portions of the tree when proper precautions are not used in applying the spray.

Slightly injured leaves show red spots which later turn brown and drop out leaving small holes in the leaf. Severe damage may cause almost complete defoliation of the tree. Injury to the bark or wood usually occurs on the current season's growth and is shown by searing or constrictions of the bark. Exudation of gum occurs in many instances when the bark is injured by the spray.

Partial defoliation results in the tree bearing small fruit of poor quality and the formation of fruit buds is checked on injured wood. Several precautions are listed by the horticultural department of Michigan State College to reduce the injuries from arsenical sprays.

Arsenate of lead should be used as few times as possible and still control the pests. Light applications of either sprays or dusts should be used and no drenching with arsenicals should occur. Low concentrations of lead arsenate and the use of lime with the lead arsenate are advised.

## BIG STOCK SHOW STARTS NOV. 29TH

Will Be as Usual Foremost Display of Its Kind in World

Chicago's mammoth Thanksgiving season celebration, which for the past 31 years has been otherwise known as the International Live Stock Exposition, will soon be again in progress.

This year from November 29 to December 6, the big amphitheatre, adjoining buildings, and pens out at the Chicago Union Stocks Yards will, according to the assured prediction of the management of the exposition, be more than ever crammed with the finest products of the farms of not only this continent but in some instances from the very most distant parts of the world.

Among the early entries sent to the International Grain and Hay Show this year were those of three great wheat growers from New South Wales. These will be matched in competition with grains grown in practically every province of Canada and state in the Union where farming is of importance. The Grain and Hay Show, though a department of the International Live Stock Exposition, is in its size, scope, and importance a sizeable exposition in itself. Almost since its inception, when it was introduced eleven years ago into the ever enlarging International, it has been the foremost competitive display of field crops in the world.

According to B. H. Heide, secretary-manager of the exposition, the closing dates on making entry of exhibits in the various departments are November 1, for all livestock classes other than the carlots; November 10, for the Grain and Hay Show; and November 22 for carlots of cattle, sheep and swine.

The International Horse Show is being planned to provide the fullest of evening entertainments. The management predicts that the International arena will be the setting for the keenest competition between the finest specimens of the leading stables of the land that meet here each year for this close and climax of the horse show season.

### WATERFORD

On Saturday, Oct. 25, Rev. and Mrs. H. A. Huey had as their dinner guests Mr. and Mrs. F. Durfee, of Novi.

Mrs. H. F. Buck, of Andersonville Road, who underwent an operation at the Pontiac City Hospital, is recovering nicely and expects to return to her home in the near future.

Miss June Harris and her sister, Miss Mary Buck, of Andersonville Road, have been the guests of Rev. and Mrs. H. A. Huey, of Maple street, during Mrs. Buck's illness.

Earl Kniffen, of Armada, was a caller in town the latter part of last week at the home of Guy Disbrow. The Kniffen family recently moved from here to Armada.

Mrs. August Burk, of Van Syckle Road, returned to her home from several weeks' stay at the Ann Arbor Hospital. Mrs. Burk expects to return for observation some time.

Mr. and Mrs. John Miller entertained the following guests Sunday: Mr. and Mrs. George Miller, of Port Huron, and Mr. and Mrs. Eli Miller and daughters, Bernice and Lois, of Romeo.

Miss Mae Beattie, of Maple street, entertained the members of her class in Sunday School at a Halloween party at her home on Tuesday night. The evening was very pleasantly spent with stunts and games in keeping with the season. Pop corn, peanuts and candy were served at the close of the evening's fun.

### Pygmy Tribes of High Order of Intelligence

The pygmies of Africa are friendly, clean, intelligent and, in medical matters, wise beyond the wisdom of white men.

I saw one pigmy tribe perform a trepanning operation that was one of the most remarkable things I have seen on my travels. The operation was performed on a child. They used no anesthetic, of course. For a surgical instrument they used a sharp arrow head, with which they punctured the child's skull, using a stone to drive in the arrow head. The child screamed lustily, of course, but the operation was successful and the patient recovered.

The pygmies also know a remedy for leprosy, but they are wily enough not to reveal their medicine to the white men. White men, therefore, have been unable to learn whether the medicine they use is a permanent cure or only a check. Whatever it is, however, it will be valuable to science when scientists can induce the pygmies to reveal it.

Occasionally now the pygmies intermarry with the normal-sized natives, and it is not unusual to see a short, little black man going through the jungle with a wife towering over him, who lifts him over the jungle undergrowth as though he were her child. —Della Akeley, quoted in the Brooklyn Eagle.

# Taxpayers *and* Voters ATTENTION!

DO YOU KNOW that the Salaries Budget for Oakland County in a period of ten years increased from \$100,000 in 1920 to over \$700,000 in 1930?

DO YOU KNOW that last year from Oakland County there were returned for Delinquent Taxes 143,000 lots and homes and 108,000 acres of other lands?

DO YOU KNOW that the total assessed valuation of this property was \$102,469,000 and the amount of Delinquent Tax was \$6,531,000?

Isn't this positive proof that the Tax in Oakland County as levied by the present administration is confiscatory?

DO YOU KNOW that the report of Sept. 8, 1930, shows the total bonded indebtedness of Oakland County for roads and drains alone to be approximately \$16,425,000?

DO YOU KNOW that the total assessed valuation of Oakland County is \$490,000,000 and that the State Constitution, Article VIII, Section 12, specifically restricts the indebtedness of any county to not more than three per cent of its valuation?

DO YOU KNOW that we are at this time bonded for nearly one and three-quarters million dollars more than the Constitution allows?

HOW MUCH LONGER ARE YOU GOING TO ALLOW THIS CONDITION TO EXIST?

WILL YOU DO YOUR PART TO RECTIFY IT?

WHAT ARE YOU GOING TO DO NOVEMBER 4th?

If necessary, you must choose between your political party and your own welfare.

YOUR HOMES MUST BE PRESERVED! THINK!

WE SUBMIT A LIST OF MEN RUNNING FOR COUNTY OFFICES UNDER THE DEMOCRATIC BANNER. THEY ARE MEN OF ABILITY AND UNIMPEACHABLE CHARACTER; MEN OF COURAGE AND LEADERSHIP, THOROUGHLY ACQUAINTED WITH THE CONDITION OF AFFAIRS IN OAKLAND COUNTY AND CAPABLE OF PROVIDING A REMEDY.

HIT THE LINE HARD

--if you would win the game

And so it is in the game of life—we must hit the line hard every working day—to win. Even then you are not winning the game if you are not saving a part of your earnings. You must lay aside a certain sum for a rainy day to win in the end. A savings account is the easiest way of building this fund. Come in and discuss this very important matter with us—no obligation.
