CLARKSTON, MICHIGAN, FRIDAY, DECEMBER 5, 1930

WHOLE NUMBER, 66

LOVER OF FLOWERS HAS PASSED AWAY

Death of Mrs. Gladys I. Ogden Occurred November 28th

Funeral services for Mrs. Gladys I. Ogden, 42 years of age, were held on Monday afternoon at 2 o'clock at the Ogden Funeral Home in Clarkston, Rev. W. H. Prouse, of the M. E. church, officiating. Burial was in Lakeview cemetery. Mrs. Ogden died Nov. 28, at Goodrich Hospital, where she had been for four weeks. Her last illness, however, was of about a year's duration.

The deceased was a daughter of Horace and Libbie Cross Mills and always lived in Independence township, where she was born Aug. 31, 1888. Her education was obtained at the Oak Hill school. On Feb. 25, 1913, she was united in marriage to J. D. Ogden, of Pontiac. A son, Maurice G., at home, survives.

Mrs. Ogden was known to many by her great love for flowers. Her garden was always a thing of beauty in the summer time and attracted many visitors.

CLARKSTON FAMILY ARE WINTERING IN FLORIDA

Lee M. Clark, agent for Auto-Owners' Insurance Co., has received a letter from John V. Mann and family thanking him for touring information supplied them and reporting their safe arrival in Orange City, Florida, where they will spend the winter. The trip was favored with good weather and no car trouble except two flat tires. They found nice weather in Florida on their arrival except cooler than usual. All are well.

PONTIAC SPEAKER AT P. T. A. MEETING

In Fact There Were Two, Both Giving Interesting Talks

The Drayton Plains Parent-Teachers' Association held its regular meeting in the church parlors on Tuesday evening with a fine program of music and speakers.

Mr. Hubbell, of Pontiac, former member of the Pontiac Board of Education gave a talk and showed several reels of pictures taken on a recent trip abroad and one of Florida, all of which were interesting and entertaining and highly appreciated by the audience.

Mrs. Jean Ayres Long, of Pontiac, was also on the program and knows her subject as she was the organizer of the first Parent-Teachers Association in the county and has held various responsible positions in the educational work of Pontiac and vicinity.

DEPARTING FOR FLORIDA, ENTERTAINED AT DINNER

A dinner party with relatives as guests was given by Mr. and Mrs. Judson Phillip Grow at their home on Grand River avenue, Waterford, Sunday evening, Nov. 23, before departing for Florida to spend the winter.

A seven course dinner was served. The center piece was a fancy basket of fruits in season.

Those present were: Mr. and Mrs. J. Alfred Grow, of Grosse Pointe; Mr. and Mrs. Hobart Grow and daughter, Mary Ann, of Ferndale; Mr. and Mrs. Russell W. Grow and daughter, Mary Helen, of Royal Oak; Mr. and Mrs. Charles Henry Clise and children, Elizabeth Jane, Suzanne, Richard and Marjorie, of "North Gate" of Detroit; Mr. and Mrs. Harold Roberts and children, Foster and Joanne, of Rhode Island avenue, Royal Oak; Mr. and Mrs. Hugh D. Backus and daughters, Barbara and Nancy, of Greenleaf Drive, Vinsetta Park; Mr. and Mrs. Dana Grow Taft and granddaughter, Betty Kimmins, of Pontiac. Frank Byrne Fox, a brother-in-law, was unable to be present, as he was away on a short trip to Chicago and Paris, Illinois.

CONSERVATION IS THEME CONSIDERED BY CLUB

The Clarkston Literary Club met at the home of Mrs. Charles Bryant Tuesday. Roll call was responded to by items of interest on conservation. Mrs. Alice Urch gave an interesting paper on "Conservation of Michigan Waterways", and an interesting article on the home and home life of Dorothy Dix. Another interesting paper was read by Mrs. William Kyle on "Conservation of Michigan Birds, Trees and 'Wild Animals'".

The next meeting will be at the home of Mrs. B. T. Beardslee, December 16.

WORK FINISHED AT SCHOOL BUILDING

Contractors Add Touches During Thanksgiving Vacation

Taking advantage of the Thanksgiving vacation, the general contractors and equipment contractors completed several minor details of work about the new Clarkston school building that had been delayed waiting for a convenient time not to interrupt the school routine. The domestic science room is now complete and painters are at work in the commercial room where several cabinets, stained before shipping, did not correspond with the remainder of the room and are being refinished by the contractors who have been anxious to rectify this mistake. The plumbing contractors have made a few adjustments and put additional braces on the shower fixtures in both the girls' and boys' rooms.

NOT VOUCHERED FOR, BUT TOLD AS 'TAS TOLD US

One of our prominent business men, Russell Walter, president of the Pure Lake Ice Co. of Clarkston, has some new and up-to-the-minute ways in hunting deer in the north woods. He parks his car a little ways from a run way and then locks himself in. He says, "in this way there is no danger being hooked to death by the larger bucks of the woods." Also he took up reading as a side line, but he says it really is better to have two along for this as one can read while the other watches for deer. At any rate all had a fine time and the party ended the experience with a fine venison feed at Bert Beemer's home Saturday night.

STORK MAKES VISITS TO FAMILIES IN COMMUNITY

Born, to Mr. and Mrs. John C. Mendham, of Sashabaw Road, Tuesday, Dec. 2, a 11-lb. boy.

Born, to Mr. and Mrs. Roy Norton, Nov. 21, a girl, Joan Bernice.

Born, to Mr. and Mrs. Vernon Mills, at Green Hospital, Nov. 29, a daughter, Bernetta Grace.

Born, to Mr. and Mrs. Vern Miller, of White Lake, at Green Hospital, Nov. 29, a daughter.

WATERFORD SCHOOL NOTES

The Scouts are planning on a hike to Highland State Park, Saturday, Dec. 6, returning Sunday. They will spend the night in the cabin and three meals will be cooked and served by the boys, supper, breakfast and dinner. The scoutmaster and assistant scoutmaster will accompany the boys and act as mess sergeants.

School was resumed Monday with all the teachers back and most of the pupils who have been ill again returning to their studies.

The orchestra is planning a concert to be given next week, Thursday, Dec. 11, at the High School, beginning at 8 p. m. They have been working hard at their music and making good progress and the public is cordially invited and the parents are urged to come and hear them.

TEN GAMES ARE ON C. H. S. SCHEDULE

Basketball Season Opens Dec. 12 and Closes February 27

The schedule for the Clarkston High School basketball teams contains ten games, although others may be added later. All dates so far arranged except the two with South Lyon call for games for both boys' and girls' teams. The schedule is as follows:

Dec. 12—New Hudson here
Dec. 19—Milford here
Jan. 9—South Lyon there
Jan. 16—Keego Harbor here
Jan. 23—Walled Lake there
Jan. 30—New Hudson there
Feb. 6—Milford there
Feb. 13—South Lyon here
Feb. 20—Keego Harbor there
Feb. 27—Walled Lake here

CLARKSTON SCHOOL NOTES

The music department of the Clarkston school will give an all school Christmas program in the gymnasium Wednesday night, Dec. 17, at 8:00 o'clock, under the direction of Miss Hyde.

The first part of the program will consist of Christmas carols sung by the children in the first six grades. The second part will be a cantata, "The Wondrous Story", given by the pupils in the upper six grades.

No admittance charge will be made, but a free-will offering will be taken during the program to help defray the expenditure for music.

The kindergarten was presented with a lovely little green table and two little chairs to match by Margaret Lane, who with her parents moved to Charlotte last week. We more than appreciate this little gift. The children are delighted with it, and we wish to express our sincere thanks to Margaret.

The "Room Mothers" of the kindergarten, Mrs. Wompole and Mrs. Gungry, sold cider and doughnuts at the Junior play. A clear profit of \$7.75 was made as Mr. Wompole donated the cider. The money will be used to purchase picture books, curtains and a window seat for the kindergarten.

The grades held a "spell-down" Thursday to determine the grade champions, and today (Friday) the school team will be determined. The grade champions and school champion will receive a certificate. The district contest which includes Independence township will be held at Clarkston on Tuesday, Dec. 9, at 4 p. m., the winner to receive a cash prize.

The quota to the district bee is 11 and following this, the best 10 spellers will go to the zone at Oxford. This will be held Monday, Dec. 15, at 8 p. m., and this will also be for a cash prize.

The assembly next Monday will be community singing by the students and the week following will be the cantata. This will be the Christmas program, taking in all the grades but with the lower grades having the greater part.

The freshmen had a class party Thursday evening in the gym from 7 to 9.

The basketball teams are now practicing regularly on the following schedule: boys, Monday at 4:00, Tuesday at 7:15; Wednesday at 4:45, Thursday at 4:00; girls, Monday at 7:00, Tuesday and Wednesday at 4:00 and Thursday at 4:45.

This arrangement gives only one evening practice for each, the others coming directly after school with time to get home before 6:00. Just at present the boys have been doing a little extra work getting in shape for the first game here December 12. The complete schedule of games will be found elsewhere in this issue.

CLARKSTON STATE BANK SENDING OUT CALENDARS

The annual task of distributing over 1,500 calendars to the homes in this community has been started by the Clarkston State Bank. As usual, they are fine artistic productions.

The job of distributing them is no small one, as it is personally attended to by Archie McIntyre, and every calendar is presented at the door and not left in mail boxes. None are sent through the mail because of the irregular routing south of Clarkston and the possibility that the territory would not be thoroughly covered. This personal distribution requires some time, but it is a safe way and the officers of the Bank consider it is worth the additional cost it entails.

Cashier George D. King requests us to announce that if you do not get your calendar by December 20, to call for it at the Bank.

BRIDGE FEATURED AT SOCIAL EVENTS

Several Pleasant Affairs Given During the Past Week

Mrs. Harvey E. Dalton, of South Bend, Ind., entertained at a lovely appointed one o'clock bridge luncheon at Green Hills Country Club, Saturday, Nov. 29. Covers were laid for twenty-two including guests from Pontiac, Flint and Clarkston. The table was centered with a large orchid bowl of pink and white chrysanthemums and white lighted tapers. Prizes were won by Mrs. Le Roy Addis, Mrs. George Fleming, Mrs. Louis Walter, Mrs. Milan Vliet and Mrs. William Vliet.

Mrs. Louis Walter was hostess to her bridge club Thursday at a one o'clock luncheon.

Mrs. Milan Vliet entertained at a bridge luncheon on Wednesday.

Mrs. C. E. Waterbury entertained her contract bridge club Wednesday at luncheon, followed by cards.

The Royal Neighbors sponsored a bridge and 500 party Wednesday evening in the Grange Hall. Mrs. F. C. Dunston and Mrs. Frank Leonard were the prize winners at bridge and Mrs. C. E. Schreck and Mrs. William Kile won at 500. Refreshments were served and Mrs. Mary Green was the winner of the quilt.

DRAYTON PLAINS SCHOOL NOTES

The Student Council is sponsoring a social evening at the school with music for old time and modern dancing and tables for cards on Friday, Dec. 5.

The following are the room champions who won out in the spelling bees:

Fifth—Janette Morgan.
Sixth—Audrey Sitts.
Seventh—Elita Chamberlain.
Eighth—Lila Jones.
Ninth—Alma Wall.
Tenth—Evelyn McClay.
Eleventh—Amber Hager.

A spelling contest was held Wednesday at 2:30 to help determine who will represent the school at the district bee, our quota being 20.

The Hi-Y had a regular meeting Wednesday evening and several new members were initiated: Warren Clutier, Bob Kelly, Leo Bowden, Erwin Vallad and Kenneth Culver.

Mr. and Mrs. F. C. Dunston and daughters spent Thanksgiving with Mr. and Mrs. James T. Rowland, of Flint.

Mr. and Mrs. R. T. Vliet had as their guests for Thanksgiving Mrs. Jennie Vliet, Mr. and Mrs. L. I. Coon, of Detroit, Mr. and Mrs. G. F. Harris, Donald Harris, Miss Margaret Harris, Mrs. Ida Alysworth and Mrs. Ella Orth.

WAS WITH CUSTER IN LAST CAMPAIGN

Veteran Indian Fighter Passes Away at Drayton Plains

George Henry Barnard, a resident of Drayton Plains for the past nine years, died at his home in that village on Saturday, Nov. 29, at the advanced age of 82 years. He had been gradually failing for the past year, but was cheerful and uncomplaining to the end. A fine old man, beloved by all who knew him, he will be missed in the community.

Mr. Barnard served in the U. S. Regular Army for 10 years, from 1874 to 1884, in the Indian campaigns in the West. His first enlistment was in Troop A, 4th Cavalry, and his second in Co. K, 10th Infantry. He served under General George A. Custer, and that he was not in the massacre of Little Big Horn was due solely to the fact that on the morning of the engagement, he, then a corporal, was designated to carry dispatches to another detachment of troops.

Mr. Barnard was born in Manchester, England, Sept. 14, 1842, but was only a year old when he came with his parents to this country. His home was in Detroit the greater part of his life. He was united in marriage to Lois F. Ploite, Feb. 8, 1885, who, with two daughters, Mrs. Ada Ferguson and Mrs. Anna May Robb, of Pontiac, survives. He also leaves six grandchildren and two great-grandchildren. He was a member of the Episcopal church.

The funeral was held Tuesday afternoon at 2:30 from the Community United Presbyterian church, Rev. Clarence J. Sutton, the pastor, assisted by Rev. Mr. McFarland, of Pontiac, officiating. Burial was in the Drayton Plains cemetery.

AUSTIN LODGE, F. & A. M., ELECTS NEW OFFICERS

Austin Lodge, No. 48, F. & A. M., of Davisburg, elected the following officers on Tuesday evening:

W. M.—Bert Graham.
S. W.—Floyd Virgin.
J. W.—Milton Poole.
Treas.—Frank Halsey.
Sec'y.—Joseph Horton.
S. D.—Russell Kneale.
J. D.—Theodore Samuels.
Tyler—Fred Schulz.

The new officers will be installed at a special communication to be held on Tuesday evening, Dec. 16. At that time there will also be a supper and a short program of music and speaking.

AUTOS IN SMASHUP, CADILLAC VS. FORD

Big Car and Its Occupant Get Worst of the Encounter

Billet's corner at the intersection of M-15 and the Irish Road was the scene of an automobile collision Wednesday evening, when two cars, one a Cadillac and the other a Ford, met head on on a clear road. Why is another question as yet unanswered. The Cadillac was hurled through the air and down a 15-foot embankment, while the Ford smashed into a fence after the crash. Both cars were badly wrecked, but the Cadillac, it is said, got the worst of the argument. At least, so it is claimed, it will cost about three times as much to restore it to its former condition as it would to buy a new Ford.

Oh yes, some of the occupants of the cars were hurt. A prominent Saginaw lawyer, a member of the firm of Crane & Crane, was in the big car, driving south, while there were three persons in the Ford. Mr. Crane was badly cut about the face from under one ear to his chin and was taken to Goodrich Hospital after first aid had been rendered by Dr. Raymond E. Miller, of Clarkston. The Ford occupants, one a Mr. Carpenter, were all considerably bruised. Passing motorists rendered assistance until the arrival of help from Clarkston.

CHURCHES

CLARKSTON M. E. CHURCH
R. H. Prouse, Minister

Services for Sunday, Dec. 7: 10:45 a. m. Morning worship. Theme: "Misplaced Emphasis". 12:00 noon Sunday School. 3:00 p. m. Junior League. 6:30 p. m. Epworth League. Leader: Clare Edwards. 7:30 p. m. Evening worship. Theme: "Regeneration".

Wednesday evening at 7:30, the Young Married Folks Sunday School class will meet at the home of Mr. and Mrs. Winn for their monthly business and social meeting.

Thursday at 7:30 p. m. Prayer service.

CLARKSTON, MICH., DEC. 5, 1930

ANDERSONVILLE

The Ladies' Aid Society of Andersonville will serve an oyster supper in the church hall on Friday evening, Dec. 12, beginning at 7:00 o'clock. Everyone cordially invited.

DAVISBURG

The Davisburg Parent-Teachers Association will meet at the school house on Friday evening, Dec. 5. Members are requested to bring sandwiches or doughnuts and cups. The committee will serve coffee.

The Davisburg Eastern Star chapter will hold a social meeting at the Masonic Hall on Tuesday evening, Dec. 9. Pot luck supper at 7, to be followed by a Christmas program. Each member is requested to bring some small gift.

Preparations have been made here for a fair to be held in the church parlors, on Dec. 13, with the Ladies' Aid in charge. Supper will be served during the evening, and a number of booths and a rummage sale will be other features.

WATERFORD

George Linderman visited in Detroit, leaving Wednesday to spend the holiday.

Mr. and Mrs. Frank Straugh, of Vernon, were guests of Rev. and Mrs. H. A. Huey the first of the week.

Mrs. Frank Byrne Fox, of Maple Leaf Lodge, entertained Mr. and Mrs. C. M. Hogan, of Troy and Denver, recently.

Mr. and Mrs. Henri Buck, of Andersonville Road, entertained for Thanksgiving dinner Mrs. Lulu Seeley and son, Ray, of Walled Lake.

Mr. and Mrs. Emery Smith, of Andersonville Road, entertained their son, Al Smith, and Mrs. Smith, who reside in Detroit, for Thanksgiving Day.

Mr. and Mrs. Earl Kniffen and family, of Armada, visited at the home of her father, Guy Disbrow, and sister, Mrs. Henri Buck, both of Andersonville Road, on Wednesday.

Mr. and Mrs. E. D. Spooner, of Williams Lake Road, were the guests of their daughter, Mrs. John Watchpocket, Jr., and Mr. Watchpocket for Thanksgiving dinner.

Mr. and Mrs. R. C. Lunger recently entertained the former's parents, Mr. and Mrs. Lunger, of New Haven, Mich., at their home here on Van Syckle Road.

Mr. and Mrs. Kenneth McVittie, of Maple street, went to Toledo on Friday, where they visited at the home of Mrs. McVittie's mother and sister there. The mother, Mrs. Warren, returned with them.

Mr. and Mrs. H. H. Pratt and family, of Andersonville Road, were Thanksgiving Day guests of Mr. and Mrs. Mel Moffatt, of Detroit, Mrs. Pratt and Billy remaining until the last of the week when Mr. Pratt and Jack motored in and they returned home with them.

Mrs. E. D. Spooner, of Williams Lake Road, and Mrs. H. B. Mehlberg, of Andersonville Road, were guests of Mrs. Harvey Dalton, of South Bend, Ind., at a bridge luncheon given at the Green Lake County Club on Saturday. Guests were from Pontiac, Clarkston, Flint and Waterford.

Keep the horse's stall dry and well bedded, and clean it daily. Wet, mucky stalls are likely to cause thrush and other foot troubles.

COUNTY NEWS-LETTER

By F. M. BLUNK, Special Correspondent

Spreading of the tax rolls pursuant to the Supreme Court's decision Tuesday in legalizing the county equalization will be delayed until after the tax commission has made a review requested by the City of Pontiac, which has been the principal objector because of an additional \$26,000,000 valuation. The Tax Commission heretofore has refused to review the equalization because of the question over its legality.

It is expected, however, that the commission will keep its promise to review the equalization immediately upon the Supreme Court's decision and that supervisors will be able to start work on their rolls within a fortnight. The job of entering the taxes, however, is quite a laborious one and at the least will require a couple of weeks, so that it is not likely there will be any tax collections until January.

The Supreme Court's decision, handed down in the case of the appeal of Supervisor W. H. Paddison, of Oxford, who asked a writ of certiorari to prevent collection of the Oxford taxes, was not unexpected, inasmuch as the Board of Supervisors had in November ratified, by a majority of the members-elect, its equalization passed during the summer. The equalization had been contested on the ground that the Board had not, originally, adopted it by a majority of members-elect. There are 45 members of the Board and the equalization was passed by a vote of 22 to 19, four members being absent.

The Supreme Court decision follows:

"The legality of the action taken July 11 raises an interesting question which we would be glad to consider if time permitted. But, as we are all agreed that the action taken November 10 by a majority of all members-elect would be held to be a reconsideration and re-adoption of the report of the committee and constitute a legal equalization, we do not pass upon it.

"While the time fixed for equalization is mandatory in the sense that it is the duty of the Board to at that time take action, the taxes should not be impelled by a lack thereof if final and legal action be taken in time to permit the spreading of the tax and the delivery of the rolls to the collecting officers a reasonable time before that limited for collection has expired.

"In our opinion a legal equalization has been had and the action of the trial court in granting the writ of mandamus was justified. The writ of certiorari is dismissed."

Judge Webster of the Circuit Court, Detroit, had issued a mandamus ordering Supervisor Paddison to spread taxes in Oxford on the basis of the November 10 equalization ratification. It was against this mandamus that Paddison appealed. The entire legal procedure was merely a friendly test agreed upon by the Supervisors as the best manner of legalizing the much disputed equalization.

If the proposed referendum for a change in the present form of Oakland County government is carried out, one of the governmental plans to be submitted to the people will be patterned after the systems now used successfully in counties of other states bearing a striking similarity to Oakland.

It has been argued by some of the leaders for governmental reform here that it would be unwise to adopt some other system bodily. They believe that the best features of the present Oakland County system should be retained and incorporated with those borrowed from other states.

The plan which seems to win approval from most of the "government reform" advocates here, in brief, is as follows:

Merging of the road and drain commissions and county surveyor's office into one, for the purpose of eliminating a large clerical force and at the same time making for coordination. The elective office of road and drain commissioner to be retained.

Elimination of the Board of Auditors, creation of a Fiscal Court and a Sinking Fund. Combination of the Sinking Fund

with the county treasurer and register of deeds.

Elimination of the Poor Commissioner's office with substitution of the Community Chest plan for poor funds. In cases of emergency the Fiscal Court would have power to appropriate a poor relief fund from the Sinking Fund.

Creation of the office of County Jailor, thus separating the Sheriff's office from the jail.

No change in the County Clerk's office.

Under this plan, according to its proponents, the cost of county government per capita would be lessened from 25 to 30 per cent.

ORTONVILLE

Brandon Grange members and their families will meet Saturday in the home of Mrs. Adam Uloth. Those intending to participate in the dinner are asked to take enough sandwiches for their own family groups, and one additional article of food.

ALL CAN HELP IN FIGHT AGAINST TB

Seal Sale Now On in Campaign to Last Until Christmas

There are so many appeals for financial aid today on the part of church, lodge, civic enterprise and various uplift organizations that sometimes a bewildered public wonders if the end will ever come. Drives for funds are the bane of the average man's existence, although he knows full well that many of the causes are very worthy ones.

During the weeks between Thanksgiving Day and Christmas the Michigan Tuberculosis Association and affiliated county societies hold their annual seal sale. Here is one enterprise, which in our estimation stands pretty much at the head of worthy causes. Last year 3,140 Michigan residents died needlessly from tuberculosis, a preventable disease. The scourge took a toll of 95,040 in the United States. Practically every death was unnecessary. Had the fullest application been made of what is known about tuberculosis, each life could have been saved.

The appealing thing about this annual sale is that the seals sell for a penny apiece. Each person can contribute according to his or her means, knowing full well that even a few cents given will help to cut down the terrible inlay the disease makes annually on human life.

Insure Yourself

A Merry Christmas Next Year

NO MATTER how much you can afford to spend, there are always extra gifts to buy. Use your Christmas fund for that, or for your vacation next summer, for investments, or any number of things you have always wanted to buy. It will insure you having a Merry Christmas next year.

Cutting small trees for lumber is wasteful of wood, says the Forest Service. It costs more than twice as much, in both time and labor, to manufacture 1 board foot of lumber from a tree 8 inches in diameter (4 1/2 feet from the ground) as from a tree 25 inches in diameter. The best-sized tree to cut depends on the

kind of timber and other conditions, says the Forest Service, which has published a leaflet telling how to cut woods economically. This leaflet, No. 55-L, may be obtained from the U. S. Department of Agriculture, Washington, D. C.

Because tuberculosis in livestock is slow in developing and causes little change in the external appearance of the affected animals, some people believe the disease does little damage to the livestock industry. As a matter of fact, this disease formerly cost the livestock industry in the United States about \$40,000,000 a year. However, the results of the cooperative work of tuberculosis eradication during the past few years indicate a material reduction in these losses.

Demand for feeder pigs has increased in recent years, says the U.

STATE FILM VIEWS SHOW RESOURCES

Will Some Local Organization
Arrange for Presentation?

Lansing, Dec. 3.—Several new reels of motion pictures of Michigan's natural resources will be added early this winter to the Film Loan Service operated by the Educational Division of the Department of Conservation.

One film, of probably three or four reels, will depict activities of all of the Department's divisions, including geology, pollution, forestry, lands, state parks, law enforcement, etc. While the primary purpose of the picture will be educational, it will also show the extensiveness of the state's activities in conserving its natural resources, and the methods of carrying on this work.

Other new reels will include forest fires, forest fire prevention and means of fighting; and the propagation of fish.

Thousands of feet of new pictures were taken during the past summer for use in the new releases.

Like other films in the Loan service, the pictures will be available in both the 35mm and 16mm sizes and several copies will be printed of each reel.

The Film Loan Service was organized a year ago as a means of making the Department's motion pictures more available to the public in every part of the state. The demand from schools, and from various clubs, organizations and meetings has kept the films in constant use. During the past year approximately 165,000 people have seen the pictures through the Film Loan Service and about 100,000 school children have seen the pictures loaned permanently by the Department to several of the larger school systems of the state. The same pictures were seen by 106,000 people attending lectures given by the Educational Division. Short strips of these films, used in news reels, were seen by 3,000,000 Michigan people.

CLARKSTON

Mrs. Floyd Andrews spent the week-end in Armada.

Mrs. Lionel Waterbury spent the week-end in Detroit.

Floyd Hursfall spent Thanksgiving with Ward Stoddard at Orion.

Fred Stewart and family spent Thanksgiving with their daughter, Mrs. Ivy Bird, of Ypsilanti.

Mr. and Mrs. Walter Barrows and Mr. and Mrs. Bradley Miller spent the week-end in Lewiston.

Mr. and Mrs. Ira Jones spent Wednesday at Farmer's Creek visiting their daughter, Mrs. Arch. E. Fox.

Mr. and Mrs. William Starring spent Thanksgiving in Rochester with their son, Glen Starring, and family.

Charles Myers, of Detroit, spent the week-end with his grandparents, Mr. and Mrs. T. L. Parker.

R. E. Lane and family, who have been living in the Brandt house in McFarland subdivision, moved to Charlotte, Mich., Friday.

Herbert Souby and family have moved from the Van Every house on N. Main street to the Mrs. Robert Reed apartment on N. Main.

Guests of Roy Gundry and family included Mr. and Mrs. William Tode, of Ortonville, and Mr. and Mrs. Stewart Tode and family.

Nelson Clark spent the Thanksgiving vacation with his parents here and had as his guest James Schiller, of Lansing.

Mr. and Mrs. Louis Walter, Manley and Ronald Walter and Mr. and Mrs. Harvey E. Dalton, and son, Jack, of South Bend, Ind., were guests of Mr. and Mrs. Leman A. Cambrey, of Flint, on Thanksgiving day.

Miss Virginia Clark spent a few days recently as the guest of her brother, Nelson Clark, at M. S. C., East Lansing, attending the U. of D.-M. S. C. football game and an informal dance that night at the fraternity where Mr. Clark is a pledge.

Joseph C. Bird Chapter, No. 294, O. E. S., will have a social evening at the Masonic Temple for members and their husbands, Thursday, Dec. 11. Bridge and 500 will be in play and a midnight pot luck lunch will be served.

Joseph C. Bird Chapter, No. 294, O. E. S., is planning a dance for the evening of Dec. 31 in the high school gym. Blues Melody Boys, a fine six-piece orchestra from Flint, have been engaged to furnish the music and other details will appear later.

Mrs. Ada Mills entertained a few friends of Miss Nellie Stevens at her home Tuesday evening, the occasion of Miss Stevens' birthday, as a surprise to her. Games, music and refreshments were the evening's program.

The arrival of the Christmas season is made evident by the appearance of the business places in the community, practically all of them showing the yuletide spirit with appropriate interior decorations. Many of them are very pretty, exhibiting taste in selection and arrangement. Among the leaders in this regard may be mentioned the Clarkston State Bank.

One of the most common causes of fire in farm dwellings is the defective chimney, including flues and stove-pipe connections. Walls of chimneys should be built of brick, stone, reinforced concrete, or hollow units of clay or concrete. Walls not more than 30 feet high should be at least 4 inches thick for brick or reinforced concrete, 8 inches for hollow tile, and 12 inches for stone. Use only sound, hard-burned brick for brick chimneys. Reinforce concrete chimneys to prevent cracking. Don't use quartz gravel in the concrete. Farmers' Bulletin 1590-F, which may be procured from the U. S. Department of Agriculture, Washington, D. C., gives further directions for constructing chimneys so as to eliminate the danger of fire from this source.

Suitable feed and ample exercise are most important points in caring for the sow during the pregnancy. The best feeds for bred sows are corn, shorts or middlings, fish meal or tankage, old-process linseed meal, bran, alfalfa hay or meal, oats, and barley. A good way to feed shorts or middlings is to mix about a pound with one-half pound of tankage and feed dry in a trough once a day. At a convenient place between the watering trough or sleeping quarters and the self-feeder put a rack filled with good alfalfa hay, preferably the third or fourth cutting. If this plan is followed, the corn may be fed twice daily in troughs or on a feeding floor. Keep a mineral mixture in a self-feeder. Scattering ear or shelled corn in the field will furnish exercise for the sows.

SEE BETTER TIMES FOR FLOCK OWNERS

Increased Use of Lamb Cuts and Lower Storage Holdings Help Conditions

East Lansing, Dec. 3.—An increased consumption of lamb and a decrease in the stocks of mutton held in cold storage are encouraging factors pointed out by the animal husbandry division of Michigan State College in a survey of the future prospects for Michigan shepherds.

Lower prices for lamb brought this meat down to a level where the buying public found it economical and the greater demand helped to empty the storage business. Prices for lamb dropped proportionately more than prices for other meats.

A higher wool tariff is expected to help the domestic market for wool and one of the large woolen mills reports a 25 per cent increase in business over last year. Imports of wool into the United States during the past six months of 1930 were 25,000,000 pounds less than for the corresponding months in 1929.

No drastic reduction in the number of breeding ewes is expected in regions which have plenty of feed so the animal husbandry department of the College does not anticipate a rapid upswing in prices such as occurred in 1922.

The department offers five suggestions for increasing profits from the flock: cull out all non-producing ewes, prevent all possible losses, cheapen costs by careful feeding, use efficient methods and equipment, and raise more lambs per 100 ewes.

STATE PARKS ARE WELL PATRONIZED

Attendance Increases as Better Facilities Are Provided

Lansing, Dec. 3.—Eleven Michigan cities furnish half of all of the thousands of people who annually pitch their tents in state parks. Of the 44,422 camps registered in the state parks during the 1930 season, 22,273 or 50.2 percent came from the eleven larger cities of the state, Detroit furnishing 24.8 percent of all the camps.

A chart compiled by the Parks Division of the Department of Conservation, and based on 1930 park registrations shows that 17.9 percent of the camps were by people from out of the state; 31.9 percent by people from the smaller cities and villages of Michigan and 50.2 percent from the larger cities.

The proportion of campers from the larger cities varies consistently with population. The percentages as shown on the chart are: Detroit 24.8%; Grand Rapids 5.3%; Flint 3.93%; Lansing 3.45%; Saginaw 4.67%; Jackson 1.4%; Kalamazoo 1.2%; Bay City 3.05%; Pontiac 1.5%; Battle Creek 1.06%; Muskegon 1.34%.

Chicago and Toledo furnished relatively large percentages of camps. The chart shows 2.7 per cent of the camps pitched in 1930 from Chicago and 1.5 per cent from Toledo.

While over a period of five years there has been an enormous increase in the number of people visiting Michigan's state parks, the increase of campers has not been proportionate. The increase in total attendance in 1930 over 1929 was 19 percent. For the same period the increase in the number of campers was but 11 percent. In 1925 campers represented 3 percent of the total attendance. In 1930 they represented but 1.7 percent.

Constantly increasing facilities for bathing and other forms of recreation at the parks accounts for these figures, according to the Parks Division. Five years ago the parks were but poorly equipped for recreation and campers made up a large proportion of people visiting them. Today the parks have large bathhouses, playground equipment, etc., and attract thousands for day-long recreation. It is noticeable that attendance at parks not having water frontage has remained stationary or has decreased in a five year period while parks having bathing facilities have enjoyed a constantly increasing attendance.

It is all right to feed silage that has been frozen to livestock, provided it is fed immediately after thawing.

CHARLOTTE EDITOR HITS THE NAIL ON THE HEAD

We do not pretend to be much of an economist but we do have one well developed notion as to when the present depression is going to end. That is when the farmer is prosperous and not before. He is our major buyer and until he gets back to normal all the arguments pro and con are just conversation. Julius H. Barnes, in a radio address on the Collier hour Sunday night, said that eventually Europe must be brought up to the American standard of living as represented by our 25,000,000 automobiles. That is hopeless. Europe is still in the bicycle age of modern progress. Another suggestion that farm production must be controlled is almost as helpless in practice, if admittedly correct in theory. The bean farmer in Colorado is never going to be concerned with the financial problems of the Michigan grower. The country is too vast and the interests too diversified to eliminate individual am-

bitions and selfishness. It is easy enough to criticize these suggestions and a critic should be able to offer a substitute plan or keep still. The whole problem is baffling. President Hoover and our national leaders, according to Mr. Barnes, are giving the question the most exhaustive research and patriotic study. Some one remarked the other day that he would like to see ten stocks take a ten point jump, that such a trend would do much to improve conditions. This might help, but fundamentally the condition of the farmer is the crux of the whole economic situation. As a suggestion, subsidize farm crops. Of course it would result in tremendous surpluses. What of it? Such a plan would only represent in cash the present cost of a half dozen battleships. The farmer must come back first. Other lines will quickly follow his prosperity.—M. H. DeFoe in the Charlotte Republican-Tribune.

Clarkston News, \$1.00 a year.

ADVISE CLOSE CHECK ON GALLONS OF MILK

Mileage Cows Give on Pounds of Feed Varies Greatly Experts State

East Lansing, Dec. 3.—All automobiles do not give the same mileage per gallon of gas, and the dairy department at Michigan State College says that all dairy cows do not give the same number of gallons of milk per 100 pounds of feed so the department advises that the trips to the dairy barn filling station be governed by the individual cow's contribution to the milk pail.

Three pounds of high testing milk or four pounds of low testing milk should be paid by the cow for every pound of grain, the dairy husbandry men state, and they also point out that it is poor economy to try to make a good cow pay a greater price which can be paid only at the expense of impairing the animal's physical condition.

Dairymen who have good le-

gume hay for roughage should feed a grain mixture which contains approximately 12 per cent of digestible protein. A good grain mixture can be made up from 300 pounds ground oats, 200 pounds ground barley, 200 pounds crushed wheat, and 100 pounds cottonseed meal.

Where it is necessary to feed timothy, wild grasses, bean pods, or corn stover for roughage the dairy department recommends a grain mixture containing 18 per cent digestible protein. This can be obtained from a mixture of 200 pounds ground barley, 200 pounds ground oats, 200 pounds ground wheat, 200 pounds cottonseed meal, and 100 pounds linseed meal or 100 pounds of 32 per cent dairy feed.

It is not necessary that a Christmas tree be perfectly symmetrical. Christmas trees cut as part of a thinning operation are often one-sided, but a one-sided tree can be placed in a corner of the room or against the wall where it will serve its purpose fully as well as a perfectly rounded tree.

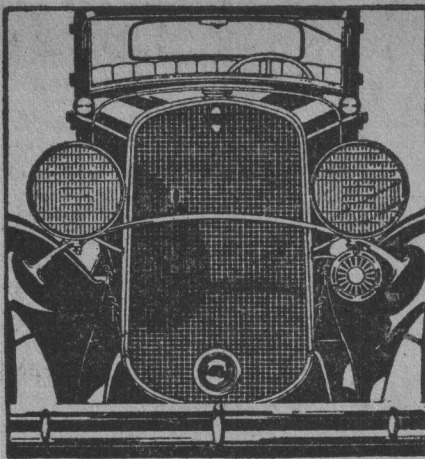

THE NEW CHEVROLET SIX

Strikingly beautiful, fleet and smart —a masterpiece of Fisher styling

In the entire field of modern coachcraft no symbol has come to mean more to the buyer of a motor car than *Body by Fisher*. And never has Fisher's superiority been more strikingly exemplified than in the beautiful new bodies of the Bigger and Better Chevrolet Six!

Working with the added advantage of a lengthened wheelbase, Fisher designers have been able to achieve in the new Chevrolet a degree of smartness, comfort and impressiveness hitherto considered exclusive to cars far higher in price.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar are artistically grouped to create an unusually attractive ensemble. Mouldings sweep back in a graceful, unbroken line to blend with the smart new body contours. And new colors lend

Front view of the new Chevrolet Sport Coupe

a new individuality. Interiors, too, are exceptional in every way. The new mohair and broadcloth upholstery is tailored with exceptional smartness. Seats are wider and deeper and more luxuriously cushioned. A deeper windshield and wider windows give better vision for both driver and passengers. And beautiful new hardware, of modern design, lends a final note of charm.

Many mechanical improvements have also been provided in the chassis of this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a smoother transmission; and engine refinements which make the new Chevrolet a car you will be happy to drive—as well as proud to own.

The Bigger and Better Chevrolet Six is now on display in our showrooms. See it. Drive it! Learn for yourself that it is *the Great American Value!*

CARD OF THANKS

For the sympathy, flowers and substantial help of friends and neighbors at the time of my recent great bereavement, I am grateful beyond power of expression. Especially do I wish to remember Mrs. H. G. Webber, my nearest neighbor, who was truly a friend in need. I also wish to thank those who sang.

Mrs. Geo. H. Barnard.

WATERFORD

William Jacober spent Friday of last week in Detroit where he attended the Philco radio store house.

Mr. and Mrs. Ray Slusser and daughter, Betty, were in Cleveland for Thanksgiving and the week-end, returning to their home on Maple street on Sunday.

Harold Jacober, a student of Michigan State College, was home for the Thanksgiving vacation, returning to the school on Sunday.

Miss Grace McVittie, of Detroit, spent the holiday vacation at the home of her brother and his wife, Mr. and Mrs. Kenneth McVittie, of Maple street.

Mrs. W. Stephens and two sons have returned to their home here on Garden Place, after spending two months' time at the home of her parents, who reside in Fredericksburg, Virginia.

Mr. and Mrs. Carl Terry and daughter, Joyce, of Van Syckle Subdivision, were the guests for Thanksgiving Day at the home of the former's parents, Mr. and Mrs. Floyd Terry, of Clarkston.

Mr. and Mrs. Cleve Chamberlain were hosts at a Thanksgiving dinner at which Mr. and Mrs. Lee Chamberlain and daughter, Billy Lee, of Maple street, and Mrs. Fred Chamberlain and daughter, Mrs. Bessie Owen, of Andersonville Road, were the guests.

Mr. and Mrs. J. H. Reid, of Airport Road, entertained at Thanksgiving dinner. Their guests were Mr. and Mrs. J. Van Wagoner and family and Miss Carrie Harger, of Pontiac. Mrs. Van Wagoner is a daughter of Mr. and Mrs. Reid, while Miss Harger is Mrs. Reid's sister.

Sunday, Mrs. E. C. Paulus of Lilac Cottage had as her guest her niece, Mrs. R. W. Lyons and son, Sam, of Ferndale, and her nephew, Warren Bush. She served a lovely venison dinner. The buck was shot on the first day by Mr. Bush while on his recent hunting trip to Covington, Mich.

Mr. and Mrs. R. J. Beattie and daughter, Mae, of Maple street, accompanied Mr. and Mrs. Robert Beattie and family, of Clarkston, on Thanksgiving Day, when they were entertained at the home of Mrs. Robert Beattie's father, Walter Whitfield, and her sister, Mrs. Jack Earle, of Williams Lake Road. A company of the Whitfield families, Walter Whitfield's brothers and their families, numbering thirty-five, enjoyed the dinner.
