WATERFORD P. T. A. HEARS COUNTY SCHOOL COMM

The P. T. A. met in the Waterford School Auditorium on Thursday. Following a business session in charge of the president, M. Hinkley, a program arranged by H. B. Mehlberg, Mrs. Harry Harrup and H. H. Pratt was enjoyed. The main speaker was E. J. Lederle, county school commissioner. Musical features were a cornet solo by "Sonny" Perry and a violin solo by Richard Carl Curtis. A chalk talk was given by Arnold Ningsstead. Miss M. Hein's room was also represented on the program.

DRAYTON PLAINS SCHOOL NOTES

Members of the Dramatics Club of Drayton Plains High School will present three one-act plays in the school auditorium Jan. 29. The plays will be "The Trusting Place", a comedy by Booth Tarkington; "Under the Law", a drama by Jessie Wilder; "The Boomerang", a farce by W. H. Neall.

In "The Trusting Place", the part of Mrs. Briggs is taken by Helen Bickford; Lancelot Briggs, the son, is taken by Russell Boushell; Jessie Briggs, the daughter, is taken by Mary E. Rasmuson; the part of Rupert Smith will be played by Ronald Douglass; Mr. Ingoldsby, a widower, will be Harry Olsabeck, and Mrs. Curtis will be Marguerite Dean. A mysterious voice will be the voice of Kenneth Culver.

"Under the Law" will see Edwin Vallad as Paul Johnson, a bank cashier; Uldene Coleman as Jean Marsden; George Holmes as Mr. Stanton, a bank president, and Robert Kelly as the officer of the law.

Mr. Dabbleton in "The Boomerang" will be played by Marshall Vallad; his wife by Mavis Bradford; Mr. and Mrs. Bird Plover, friends of the Dabbletons, will be taken by Wayne Beals and Erel Youngs. The part of the doctor is successfully taken by Basil Thompson and the role of the Irish maid is taken by Wanda Monroe.

The plays are being directed by Mrs. H. Purdy.
Student assistants are: Property manager, Collins O'Dea; costumes, Evelyn McClay, and ticket sale and advertising, Amber Hager.

The candidates for Drayton's 1931 baseball team met January 9 to discuss matters pertaining to next season. Marshall Vallad, captain of last year's successful squad, was re-elected to this position. The uniforms to be used this year are those which were formerly used by the village team. Regular practice will be started as soon as weather conditions permit.

MRS. SARAH HART WAS 93 YEARS OLD ON TUESDAY

Mrs. Sarah Hart, pioneer resident of Clarkston, celebrated her 93rd birthday Tuesday at the home of her daughter, Mrs. Alice Urch, with whom she has resided for several years, in Clarkston. A dinner party that included Mrs. Seward Clark, Mr. and Mrs. Grant Canfield, of Detroit, Mr. and Mrs. Guy Hart, Mrs. Hattie Walter, a friend, and Mrs. Urch, was the main feature of the day as an injury received several years ago prevents Mrs. Hart from walking. Otherwise she is well, happy and interested in affairs of the day and busies herself with bits of needlework or such little household tasks as she may perform. The News joins her many friends in their good wishes for many more birthdays.

COMMUNITY CLUB ENJOYS PROGRAM

Waterford Ladies Present Varied Features of Interest

The Waterford Ladies' Community Club met at the home of Mrs. Robert Hickson on Thursday, her daughter, Mrs. Hazel Address, being joint hostess. A one o'clock cooperative luncheon was served to 50 members and guests at small tables placed throughout the spacious rooms. A good representation of husbands were among the guests. Mrs. George Slayton, president of the club, led the short business meeting. The program, which was given under the direction of Mrs. George Whitfield, was very much enjoyed.

The club opened the program by singing "Juanita". The Scripture was read by Mrs. Alfred Gale and roll call responded to by giving "Helpful Household Hints".

Mrs. Charles Jones, of Goodrich, was heard in two vocal solos, "Old Fashioned Town" and "Danny Boy". Mrs. Jones, who is a former resident of Waterford and member of the club, was accompanied by Mrs. Girke, also of Goodrich.

Mrs. John Ingamells gave the following readings: "Curly Locks", "She Powders Her Nose", "The Bumble Bee" and "Old Aunt Mary's".

A negro skit was put on by Mrs. Jones and Mrs. Cross, of Goodrich, "Sox and Soapuds", which afforded a great deal of amusement, especially as the two negro ladies gave as the names of the people they were washing for, Mrs. Whitfield and Mrs. Spooner. A hearty laugh was enjoyed at the expense of these people.

Mrs. L. M. Tiffany, leader of the Webster group of Home Economics work, gave a very interesting paper based on this work which is so worth while, that of making a home pleasing to the eye and comfortable with little expense. She chose as her topic, "Rambling Thoughts of Home Economics".

Mrs. Jones, accompanied by Mrs. Girke, concluded the program by giving two solos, "My Task" and "The Second Minuet".

The next meeting will be held at the home of Mrs. George Whitfield on Williams Lake on Feb. 19. There will be a cooperative lunch at one o'clock to which the men are invited.

Mrs. Lambertson joined the club.

Mrs. Carlos Richardson was appointed secretary pro-tem during the absence of Mrs. Robert Munro, who is recovering from injuries which she received in an auto accident before Thanksgiving.

WATERFORD SCHOOL

The Seniors have selected the play, "Mrs. Briggs of the Poultry Yard", and have begun the work of rehearsing. The date will be announced later.

Mrs. W. E. Russell left Tuesday for a visit with relatives at Thorndale, Ontario.

Frank Molter returned home Tuesday from Ann Arbor Hospital, where he has been taking treatments for rheumatism.

JUDGE McGAFFEY TALKED TO P. T. A.

Kindergartners Furnish First Part of Good Program

The Clarkston P. T. A. meeting held Wednesday evening was largely attended and an interesting program that was both pleasing and profitable was enjoyed.

The first part of the program was in the gymnasium where the kindergarten room entertained the assembly with drills, exercises, dances and a band made up of bird whistles, triangles, tambourines and clappers furnished music novel and astonishing in its rhythm and harmony.

The audience then adjourned to the English room for the rest of the program, releasing the gym for other use. Judge Dan McGaffey gave a fine talk on the investment of youth, dwelling on the fact that it was better to build schools than jails, easier and better to train the boy to be a useful citizen than to care for an untrained criminal, and that the youth who was busily occupied in learning useful trades in happy surroundings was never a criminal, and that money invested in youth brought the highest rate of interest in the end.

A quartette of high school boys gave some fine musical numbers.

CLARKSTON SCHOOL NOTES

Semester examinations are now in progress.

The boys and girls both lost to Keego Harbor Friday evening, the former being outclassed but the girls were more evenly matched and our girls played a fine game, holding their opponents to such a close score that it might have been anyone's game right up to the last minute. Tonight they will play at Walled Lake, both boys' and girls' teams.

About forty men were present at the gym Wednesday evening and enjoyed games of volleyball, indoor baseball and basketball. New ones are availing themselves of the privilege of an evening of clean sport and more interest is being shown.

COMMUNITY FROLICS AT DAVISBURG JANUARY 24

The Davisburg Community Frolics, which will occur Jan. 24 at 7:30 o'clock in the Davisburg M. E. Church, is a community event unlike any yet sponsored by the citizens of Davisburg. The program will include singing acts, competitive singing and group singing.

Included is the playlet, "And the Lamp Went Out", with the fury of the storm, the beautiful young flapper, the hero and the treacherous villain. This playlet is the hit of the season.

The music pantomime is a special feature.

The social recreation program will contain such features as the Siamese Twins, the beauty contest and others.

CLARKSTON

Mr. and Mrs. Ward Robbins, of Dearborn, were guests of Mr. and Mrs. Roy Gundry on Sunday.

Mrs. James Rowland and sons, of Flint, are spending the week with her parents, Mr. and Mrs. F. C. Dunston.
The Clarkston Home Economics Club will meet at the school on Friday morning at 10:30 to study the making of slip covers. Members should bring chairs and materials. Luncheon may be had at the school.
Cedar Lodge, No. 60, F. & A. M., will hold a Past Masters' Night on Thursday evening, Jan. 29. It is hoped to have every chair occupied by some former master of the lodge. There will be work on the third degree, with two candidates. A banquet at 7 o'clock will precede the meeting.

BIBLE IS STUDY SUBJECT AT LITERARY CLUB MEET

The Clarkston Literary Club met Tuesday at the home of Mrs. William Kyle. Mrs. Kyle favored the club with two piano selections, after which members responded to roll call by giving quotations from the Bible. Mrs. Lottie Bradley, who was unable to attend, prepared a very interesting paper, which was read by Mrs. Josephine Smith, on "The History of Our Bible", and Mrs. Adella Perkins read a very fine paper on "Poetry of the Bible". The next meeting will be held at the home of Mrs. David McClelland on Feb. 3.

DRAYTON PLAINS COMMUNITY UNITED PRESBYTERIAN CHURCH

Clarence J. Sutton, Minister
Our Bible School responded nicely on last Sabbath morning, and the result was 193 in actual attendance. Everything looks good for going well over the 200 mark this Sabbath.

Every organization of the church is in a healthy and active condition, but especially heartening to all of us is the fact that with the majority of our people the real spiritual values and worship for which the church stands are being emphasized and welcomed.

The two messages for next Lord's Day are "Giving God a Chance" and "The Bought Slave".

ANDERSONVILLE PRESBYTERIAN CHURCH

BAPTIST ASS'N WILL MEET AT WATERF'D

Prominent Speakers Are to Be on the One-Day Program

An event of importance in Waterford will be the meeting of the Wayne Baptist Association on Wednesday, Jan. 28. The association is perhaps the oldest religious organization of its kind in the state, with a great record of things accomplished for the denomination.

The meetings will be held in the Baptist church, beginning at 9:45 a. m. and closing at 9 p. m. Several prominent speakers will be on the program, including the following: Rev. A. W. Rider, Field Secretary of the Baptist Home and Foreign Missionary Work in the Pacific Coast district, a veteran of forty years experience in secretarial and promotional missionary work; Miss Martha Mixer, B. A., M. A., Director of the Strong Place Community House, of Brooklyn, N. Y.; Dana M. Albaugh, who is now Director of Promotional Work of the state and who has just responded to a call to go as a missionary in the Fall to India, and Rev. R. T. Andem, state secretary.

There will be two noon luncheon conferences. The ministers and laymen will meet together to consider the successful method of conducting the "Every-Member Canvass" in the local church and to consider the organization of a minister's union of the Association. The ladies' missionary society of the association will hold a regular business and inspiration meeting. A surprise recognition of the church having the largest delegation considered on the basis of mileage and membership will be given at noon.

There will be three special meetings or conferences at the supper hour. The ladies will be served at 5:30 p. m. and after a period of rest will hold a missionary conference led by Miss Martha Mixer. The Young People's Union of the Association will also hold a missionary conference with Dana M. Albaugh as discussion leader.

At 6:30 p. m. a special laymen's supper meeting will be held. Prof. L. F. Smith, of Kalamazoo, chairman of the state "Every-Member Canvass" committee, will speak from a layman's point of view on the subject, "How to Conduct a Successful 'Every-Member Canvass'." H. M. Bogart will be the toastmaster.

WILLIAM HOWSER PLANS RETURN TO CLARKSTON

William Howser was in Clarkston Wednesday, after a considerable absence, greeting old friends. He has been down east for some time, but stated that he expected to return to this section soon and hoped to start another machine shop if he could find a suitable building and desirable location. Mr. Howser is a genius when it comes to doing anything in the line of machine work, and this is attested by the fact that when he first entered business for himself he had little equipment to work with but in a short time was running one of the best shops in this locality.

CLARKSTON

Eugene Vliet, who has had several severe heart attacks recently, is now quite improved.

Miss Margaret Miller, of Jackson, spent the week-end with her parents, Dr. and Mrs. Raymond Miller, here.

Mr. and Mrs. William Peterneil and son, Irving, of Flat Rock, were Sunday guests at the home of Mr. and Mrs. A. Landi, parents of Mrs. Peterneil.

Mr. and Mrs. Bird Cooley and Mr. and Mrs. Benj. De Lisle spent Thursday with Mrs. Delia Marsaw, of Lake Orion.

Mrs. Doris Hursfall entertained the L. B. club, Jan. 20, at a 6:00 o'clock dinner, followed by bridge. High score, Mrs. Louis Borst; low, Mrs. Roy Gundry.

OAK HILL FARMERS CLUB HOLDS ANNUAL MEETING

At a recent meeting of the Oak Hill Farmers Club, held at the home of William Beckman, it being the annual meeting, the following officers were elected for the ensuing year:

President—Alex Solley.
Vice-president—Clyde Tindall.
Sec'y-treas.—Helen Tindall.

Following the election a short program of interest to all was given. The February meeting will be held with Mr. and Mrs. William Brand.

ICY ROADS RESULT IN MANY WRECKS

Many Accidents Over Week End One of Which Was Fatal

Nearly twenty automobile accidents in the vicinity of Clarkston were reported over the week-end—17 to be exact according to one person who kept count. Practically all of them were caused by icy roads, with careless driving under such conditions a factor in some instances.

There was one fatality in the number, the victim being William F. Pearce, 37 years old, of 6437 Deversey Place, Detroit. This accident happened Saturday morning on the Dixie highway a short distance from Clarkston. Pearce was traveling north and collided with a car going south when his car skidded on the slippery pavement and went out of control. He died before reaching the Pontiac General Hospital. His wife, Clara, and a daughter, Florence, were bruised and lacerated, and his son, Herbert, 10 years old, received a possible fractured left arm.

In the other machine were Mrs. Leonard B. Inghmei, of Saginaw, who was driving, and Mr. and Mrs. George H. Johnson, also of Saginaw. All were cut and bruised and received treatment at the Pontiac General Hospital. Both cars were demolished.

Mrs. Rose McRae, of Highland Park, was injured in a collision on Waterford Hill Tuesday night. At the Pontiac General Hospital, where she was taken, it was said that she sustained a possible fractured pelvis and minor lacerations.

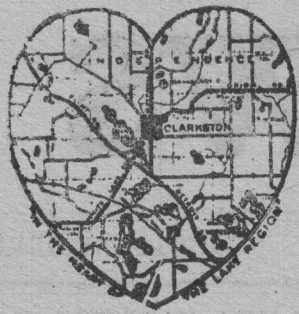

WATERFORD BIBLE CLASS ENJOYS SOCIAL EVENING

The Bible class of the Waterford Sunday School met at the home of Mr. and Mrs. Vess Moore, of Williams Lake, for their social evening on Wednesday. A campaign committee made up of M. Hinkley, Rev. H. A. Huey and Arthur Walter was named. The next meeting will be at the home of Rev. and Mrs. H. A. Huey on Feb. 18. Mr. Hinkley will have charge of the business session, Harry Harrup charge of the social division and Mrs. Angus McCaffery of the menu. H. B. Mehlberg presided over the business meeting, appointing these committees.

Mrs. H. A. Huey had several guessing games. The winner of one contest was Miss Dorothy Jacober, while Mr. Hinkley also was awarded a prize. Mrs. Ainsworth Wyckoff served home made cakes and coffee after the social part. Twenty-eight people were in attendance.

COMMUNITY S. S. FORMED AT WATERFORD CENTER

A Community Sunday School has been organized at Waterford Center and will hold its first service at 10 o'clock Sunday morning in the Waterford Center School. All residents of the community are invited to attend. The following officers have been chosen: Harry Hopkins, superintendent; A. C. Krenz, assistant superintendent; Miss Donna Austin, secretary; Mrs. Byron Reeves, treasurer; and Mrs. Harry Hopkins, pianist. Mr. Hopkins will have charge of the Young People's class, and other teachers will be Mrs. Will Weaver, Mrs. John Cox, Mrs. Harry Hopkins and Mrs. A. C. Krenz.

FOREST FIRE DIVISION TO CONTROL ALL TOWERS

Lansing, Jan. 21.—As a means of coordinating forest fire detection and control work in Michigan, the Conservation Commission, at its January meeting ordered all fire towers to be placed under the control of the Forest Fire Division.

This action will mean that the 19 towers located in the various state forests and until now operated by the Forestry Division will become part of the Forest Fire Division's system of fire detection and will be operated in the same manner as the 129 towers that are now being operated by the Division.

J. F. WILDERS HAS PASSED 89TH YEAR

Oldest Resident of Ortonville Celebrates 90th Birthday

J. F. Wilders, oldest resident of Ortonville and only surviving member of the G. A. R. in that village, celebrated his ninetieth birthday anniversary Tuesday at his home with a family dinner and reception. Among the guests were his sister, Mrs. Sarah Ivory, 87 years old, of Hadley; his daughter, Mrs. John Walts; his granddaughter, Mrs. Pearl Sherman, and four great-grandchildren. The birthday cake was made by his great-granddaughter, Miss Millicent Sherman.

Mr. Wilders was born in Kegworth, Derby, Eng., Jan. 20, 1841, the son of Thomas and Elizabeth Wilders. He recalls vividly the trip across the ocean to America in 1848 when he was seven years old, with his parents and four-year-old sister, which was made in a three-masted sailing vessel and lasted five weeks and three days. His grandfather, William Wilders and four uncles and aunts accompanied them on the voyage to America. His youngest sister was born the day after they landed in Brooklyn, N. Y.

Three months later the families settled in Ortonville, his father taking 280 acres of land from the government, the site of the present Baptist church. His cousin, Robert Wilders, lives on the farm which his father acquired when the families came to Ortonville. The only resident of the place at that time was Amos Orton, its founder, who operated a sawmill adjacent to his cabin at the four corners.

The Wilders built three log houses and one year later constructed a large frame house which was their home for several years. Mr. Wilders' grandparents founded the first Baptist church in Ortonville. Mr. Wilder became a member of the F. & A. M. in 1871 and about the same time joined the Baptist church. He has been active in both organizations since that time. During the Civil War he served in the 4th Michigan Cavalry.

In 1865 he married Mary Eleanor King, who died in 1886. Three children were born to this union, all of whom are dead. In 1887, he married the second time. Mrs. Walts, of Ortonville, is his daughter. His sister, who was born in America after his parents landed in Brooklyn, died many years ago.

FARM MANAGERS WERE HOSTS AT DINNER DANCE

The Farm Managers' Association of Oakland County gave a dinner dance at the Rochester Community House recently. E. J. Hill, head of the farm managers' department at Lansing, was the speaker on the program, which included other interesting numbers. About 40 couples enjoyed an evening of dancing and cards, including several from this vicinity.

FIELD FORCE WILL BE CUT IN STATE

Conservation Department Has Ordered Reduction for 1931

Lansing, Jan. 21.—A reorganization of the field operations of the Law Enforcement Division of the Department of Conservation which, while decreasing the number of men, will create a more mobile force, has been authorized by the Conservation Commission.

The Commission, at its regular January meeting, authorized the retirement of men who had become incapable for efficient

work because of their age or for other reasons. It was recommended that worthy men, retired because of age, and who had seen long service in the Department, be given the game and fish license agencies for their counties. Commissions would form a substantial income.

"The Department deeply regrets that these retirements have become necessary", Director George R. Hogarth said, referring to the Commission's action. "It is the same problem that is encountered by business organizations every day. When a man reaches an age when he can no longer perform his duties he must be let go, even though he has given his best years to faithful service. That we have no retirement fund or pension system is very unfortunate."

Thru the reduction in the total number of the field force each county in the lower peninsula will be limited to one con-

servation officer. In districts where it is thought necessary, one or more "free lance" officers will be attached to headquarters to be available for call to any part of the district to answer complaints or to assist the local officer.

As hogs do much damage to young longleaf pines in the South, tearing out and eating the fleshy rootstocks of the seedlings, a big Louisiana forest planter has inclosed in a hogproof fence some 50,000 acres which have been planted to young trees.

BRIDGING THE GAP

Between Past and Future

"One today is worth a thousand yesterdays." Look ahead, not back. Build today for tomorrow, safely, solidly, surely. Workers want wages, not charity. You can do much for them and for yourself by spending your money sanely for the things you need right now. If we all do that, we can look to the future with confidence and optimism.

PRIZES BRING OUT HIGH CLASS GRAIN

Farmers Week Shows Attract Exhibits from All Michigan Communities

East Lansing, Jan. 21.—Products of all Michigan farm communities will meet in the various shows to be held during Farmers Week, February 2 to 6, at Michigan State College, when the best potatoes, corn, wheat, beans, seeds and eggs compete for the blue and purple ribbons which attest to the ability of the winners to produce and select high grade exhibits.

Michigan seed crops now enjoy an enviable reputation in both local and distant markets and the ability to select the goods which merit this approval is in a measure due to these shows which enable the farmer to see just what constitutes first class exhibits and to compare his own products with those of other growers.

Grains and seeds from Michigan do not have to be kept at home to win prizes. Michigan farmers win many ribbons and checks at the national shows and a sample of Michigan alfalfa seed which defeated all entries from the United States and Canada at the last Chicago Hay and Grain will be on exhibit at the College show.

The egg show draws an increasing number of entries each year, and buyers of Michigan eggs state that the shows have trained poultrymen to grade their eggs so these bring higher prices than could be obtained for ungraded eggs.

A Little International livestock show February 5 will bring out the best of the College livestock which includes animals which have won championships in the big shows of the country.

SHOOTS HIMSELF, DIES IN HOSPITAL

Francis Perigo Commits Deed at Home of Father-in-Law

Francis Perigo, 24 years old, died at Goodrich Hospital on Saturday from self-inflicted gunshot wounds. Perigo shot himself Saturday morning at the home of his wife's parents, Mr. and Mrs. Charles Disbrow, in Holly. Calling at the house, he inquired for his wife and was told that she was not at home. Soon after he entered another room and fired two bullets into his abdomen and then walked back to the room from which he had gone and laid down on a couch. An ambulance was ordered and he was taken to the hospital, where his condition was pronounced critical, with little hope for recovery.

Mr. Perigo and Ermina Disbrow were married April 13, 1928. It is understood that their domestic life was not happy and this may have led to the tragedy.

The deceased was born in Groveland township, April 30, 1904, the son of Marion and Leila Perigo. He lived in Ortonville nearly all his life. Surviving are the parents; his wife; five brothers, Ernest, of Detroit, William and Lee, of Ortonville, and Manley and Harold, at home; and two sisters, Clara and Grace, at home.

Funeral services were held on Tuesday at Ortonville, Rev. Fred Smith, pastor of the Baptist church, officiating. Burial was in the Ortonville cemetery.

Some choice varieties of evergreens which do not come true from seed may easily be propagated in greenhouses during the winter. Among these are varieties of arbor vitae, boxwood, juniper, retinospora, yew and others. The wood for the cuttings is usually in good condition after a few light frosts have checked the growth and it has ripened. Cuttings may be made at any time up to midwinter with good results. Do not cut or handle the wood while it is frozen. The vigorous branches on the sides and near the tops of the trees furnish the best wood for cuttings.

M. E. FITZ-GERALD TAKEN SUDDENLY

Well-Known Attorney Stricken on His Way Home Tuesday

Maurice E. Fitz-Gerald, Detroit and Milford attorney, with home in Highland township, died suddenly of a heart attack at 6:30 p. m. Tuesday, while on his way home from Detroit. He was 56 years old.

Mr. Fitz-Gerald was in an automobile driven by his wife. As they were driving on Grand River avenue, near New Hudson, Mr. Fitz-Gerald became ill. Mrs. Fitz-Gerald drove to an oil station and called two physicians. Her husband was dead when they arrived.

Mr. Fitz-Gerald had been practicing law in Detroit for 16 years. He was a candidate for Wayne County prosecuting at-

Maurice E. Fitz-Gerald

torney in 1918 and for the State Senate from Oakland and Washtenaw Counties in 1930. His offices were in the Hammond Building.

He was born on a farm near Logansport, Ind., Feb. 5, 1874. After receiving his early education in the Logansport High School and business college, he entered the University of Michigan, being graduated from the Law College in 1895.

Mr. Fitz-Gerald went to Detroit in 1914. Shortly afterward he purchased a farm at Highland and had made his home there since.

He was a member of the Elks, the Eagles, Sigma Chi fraternity, Lawyers Club, Wayne County Bar Association and the Indiana Society.

In 1904, Mr. Fitz-Gerald married Sarah C. Rowe, of Richmond, Ind. She died several years ago and Mr. Fitz-Gerald recently remarried. He leaves his wife, Mrs. Betsy Barnes Fitz-Gerald.

CHANGES IN RABBIT AND DUCK SEASONS PLANNED

Lansing, Jan. 21.—Opening of the duck season October 1, and continuing the open rabbit season thru January 31 in the upper peninsula and the lower peninsula north of Townline 16 will be recommended to the State Legislature by the Conservation Commission.

The Commission amended its earlier recommendation that the duck season open October 15 and that the rabbit season close January 1 thru the state.

RESEARCH PAYS IN AGRICULT. WORK

And Yet the Cost in Nation and States Is Nearly \$30,000,000

The Federal Government and State agricultural experiment stations spend close to \$30,000,000 a year to learn how to control production, reduce loss and increase the profits of the \$60,000,000,000 agricultural industry. This is only 3-10 of 1% of the annual turnover of \$10,000,000,000, a somewhat smaller proportion than the \$200,000,000 which other industries invest in research.

This investment in research, according to Dr. A. F. Woods, director of scientific work of the U. S. Department of Agriculture, has made American agriculture, with all its shortcomings, the best in the world. Not only has it placed the business of agriculture on a sounder basis than it otherwise would be, but it has also brought about a conservation of the Nation's wealth of forest and animal life. Other industries have found their research expenditures a good investment in progress, Doctor Wood says.

MOTOR LICENSES MUST BE BOUGHT BEFORE FEB. 1ST

Sheriff Frank Schram announces that all Oakland county motorists must obtain their 1931 license plates within the next nine days or stop driving their cars. All deputy sheriffs will be ordered to give court citations to all motorists driving with their old licenses, Feb. 1, unless other orders are received from the state. Secretary of State Frank J. Fitzgerald stated several days ago that no further time extension would be given.

Wednesday afternoon J. Lee Montgomery, manager of the branch office of the Secretary of State in Holly, stated that he had issued approximately 700 plates. No comparison can be made with other years as this is the first year Holly has had a branch office, but undoubtedly the number is far less than usual for the same period.

The First State & Savings Bank at Holly has recently joined the growing ranks of Oakland County banks that have installed a service charge for small checking accounts.

UNIV. OF MICHIGAN SUMMER SESSION

Teaching Staff of 400 Members Will Direct 700 Courses

Ann Arbor, Jan. 21.—An expanded curriculum of over 700 courses directed by a teaching staff of more than 400 members, made up of leaders of the University faculty and visiting professors from other American and European institutions is announced for the 1931 Summer Session of the University of Michigan by Dean Edward H. Kraus.

"A summer session differs from the regular academic year in that there are in attendance not only undergraduates who for various reasons desire to do extra work, but also a larger percentage of older students, a majority of whom possess some college degree and intend to do more advanced work, especially in the Graduate School, which registered 40 percent of the total attendance last summer", states Dean Kraus.

To accommodate such students many departments have expanded their curricula to include a larger number of advanced courses. Another field entered for the first time by the Summer Session will be dental technology, heretofore offered only in regular session. The teaching staff, which will exceed 400, has been selected from the members of the faculty best suited to instruct the generally advanced students, a large majority being of professorial rank, while the fifty visiting educators are nationally known in their special fields.

Features of the summer school which will be continued as in the past will be the Physics Symposium, which has attracted wide attention in previous years, courses at the biological station at Douglas Lake, geology field courses in Kentucky and Tennessee, daily afternoon conferences in the School of Education, non-credit conferences for graduates in Education, which will last for several days and feature leaders from other institutions, and the popular series of tours to automobile and airplane plants in Detroit, the Michigan State Prison at Jackson, and to Niagara Falls and Put-in-Bay.

SCHOOL NOTES DRAYTON PLAINS

(Concluded from page one) It is expected that Drayton will have a fine season since they have lost only one regular from last year's team.

Last Wednesday afternoon, members of the girls' volley ball team who earned letters last fall were presented with them at assembly. They were seven in number: Esther Quick, June Dodge, Edith Sutton, Evelyn Sanor, Mildred Shell and Irene Burmeister. The picture of the winning team, the 8B, was presented to the 8th grade room.

The boys who played baseball last spring and those who played football last fall also received letters. They were: M. Vallad, baseball captain; W. Beals, football captain; Bob Owens, Bob Kelley, E. Vallad, Geo. Holmes, J. Hummel, Jack Wall and K. Gidley, both baseball and football; Leo Bowden, Leslie Ferris, R. Douglass, eGeorge Almas, W. Cloutier, K. Morgan, M. Gidley and Jack Kelley, football only.

Honor Roll: Beryl Voelker, second grade; Phyliss Allan, Venita Buecher and Dorothy Cronier, third; Rebecca Bowden, fourth; Maxine Bowren, Jeanette Morgan, Charles Nolan, Kay Peck and Robert Wall, fifth; Dorothy Vallad, sixth; Ruth Wall, eighth; Betty Jencks, ninth; Russell Boushell and Mavis Bardford, tenth; Amber Hager and Jack Wall, eleventh.

DROUGHT CUT 1930 CROP FAR BELOW 1929 VALUE

The value of crops produced in the United States in 1930 was \$2,400,000,000 below the value of the crops produced in 1929, according to the U. S. Department of Agriculture. The 1930 crop on December 1 was estimated to be worth \$6,274,824,000. The decline in value from the previous year was caused chiefly by the widespread decline in prices but was accentuated by the decrease in production that resulted from the drought.

Farm land that has been terraced needs special care the first year until the loose soil becomes thoroughly settled. Notice weak places after heavy rains and repair any breaks immediately. It is best not to cultivate terraces the first year but to seed them to some cover crop. Rye and vetch makes the best winter cover crop. For summer crops, plant soybeans, cowpeas, or velvet beans. On steep slopes run the rows parallel with the terraces, with one row on top. Terraces that are cultivated should be plowed at least once a year and the soil thrown toward the ridge. Do not cultivate steep land that washes badly between the terraces; build up the terraces and seed the entire field to grass for pasture or meadow.

The Chevrolet Special Sedan

Its popularity is based on unusual value

The introduction of the new Chevrolet Six has established a new standard of value in the low-price field. So evident is its quality, and so attractive is its price, that it is winning a remarkable buying response throughout the country. More and more buyers in the low-price field are finding it wise to choose a Six.

In none of the features of the new Chevrolet has there been any compromise with quality. Wherever better materials or improved design could add to the satisfaction and economy of ownership, improvement has been made. Yet for all its excellent performance, its attractive appearance, and its thorough dependability, the new Chevrolet Six sells at new low prices which establish it as the Great American Value.
