CLARKSTON, MICHIGAN, FRIDAY, APRIL 17, 1931

WHOLE NUMBER, 85

TENANT HOUSE WAS DESTROYED BY FIRE

Occupants Had Just Moved In, but Save Nearly Everything

The tenant house on the farm of George Nelsey at Clarkston Station was completely destroyed by fire Thursday forenoon. Mr. and Mrs. J. B. Hunt, of Seymour Lake, had moved their household goods there just a week ago, but had delayed settling. Mrs. Hunt taking care of the Nelsey household during the absence of Mrs. Nelsey. A fire had been started the day before to warm the house and it is evident a spark from the chimney had caught in the roof and it had burned slowly.

The fire was discovered about 10:30 when Mrs. Hunt had started toward the house to do a little settling in preparation to moving in. Neighbors and men from Clarkston promptly responded to calls for help and were able to save all the household goods, but the house was completely destroyed. Fortunately, the wind carried the sparks away from the barns and large house or they would have been easy marks, constructed of wood and very dry and inflammable under present conditions. The building was partially covered by insurance.

AMERICAN LEGION POST IS SHOWING ACTIVITY

The meeting of Campbell-Richmond Post No. 63, American Legion, held last Tuesday evening at the home of Herbert Baynes, was one of the largest ever held. Two new members were taken in and committees were appointed to take care of the County Council which will meet here May 6, the annual poppy sale which occurs in May, and to consider plans for Decoration Day.

D. P. GIRLS DO WELL ACHIEVEMENT DAY

Making Splendid Progress Under Competent Leadership

The annual Achievement Day held last Saturday at Lincoln Junior High was a big success, with more than 700 children of the county taking part. The girls displayed clothing and home work and the boys handicraft, and health champions were chosen.

The 4-H girls of Drayton Plains have been under the leadership of Mrs. Della Coleman for four years and Mrs. Mike Walls assistant for two years, and have produced a champion each year. This year, besides a champion, this group of 19 girls finished their work 100 per cent, which alone is a record to be proud of.

Alma Walls, a last year's champion, was awarded first in the fourth year's work, displaying a pair of curtains, pillow and two heads done in crayon in silhouette style, framed. She will go to Lansing some time in June to compete for state honors.

D. P. SCHOOL TO OBSERVE NATIONAL HEALTH DAY

May first is National Health Day and the keynote is "Community responsibility and cooperation for child health and protection". Drayton Plains School is celebrating with health plays and songs. Friday, May 1, at 2 o'clock p. m., in the church parlors, there will be a pre-school dental clinic. A doctor from the Oakland County Dental Society will be there to talk to the parents and inspect the children. All parents are urged to bring their children between three and six years old.

At 8 o'clock in the evening, at the church also, there will be a health meeting. Everyone in the community is invited. A physician from the County Medical Society will speak and school children will give a health play. Everyone please reserve Friday, May first, and take advantage of the good things offered.

SPRING TOPICS TAKEN UP BY LITERARY WOMEN

The Clarkston Literary Club held its regular meeting Tuesday at the home of Mrs. Elizabeth Ronk, with a program quite in keeping with the season. Roll call, "Favorite Wild Flowers", was well responded to, followed by two excellent papers. Wild Flowers of Michigan, their nature, haunts, beauty and also their preservation was well presented by Miss Ada Sprace. The Garden in Art and Poetry was presented by Mrs. H. A. Huey, who stuck closely to her text and told many interesting things concerning our gardens and how to make them beautiful, the entire paper being well interspersed with appropriate bits of poetry.

DINNER, PROGRAM ENJOYED BY BOYS

Heads of Five Clubs Gathered in Clarkston Monday Night

Emphasizing that the opportunities for young men who are willing to work and study hard are as great today as they ever were, D. R. Wilson, of Pontiac, spoke in an informal program before a boys' community dinner at the Baptist church in Clarkston Monday night. Mr. Wilson introduced his remarks by telling of his experiences as a boy and young man, and spoke of some of the problems that confront the youth of today starting in life and business.

The event was held under the auspices of the Town and County Y. M. C. A., and five young men's clubs were present representing organizations in Clarkston, Holly, Oxford, Ortonville and Walled Lake. George Kimball, Jr., presided and introduced the speaker of the evening. The meeting was arranged by Robert Beattie and ladies of the Baptist church served the dinner.

Presidents of the clubs present at the event were Lee Porritt, Clarkston; Clyde Hamilton, Holly; Howard Bird, Ortonville; Harold Titus, Oxford, and Alden Green, Walled Lake. The clubs, while organized under the direction of the County Y. M. C. A., work independently in their own communities.

NEW SUPERVISORS ARE IN PONTIAC THIS WEEK

Supervisors C. K. Phillips, of Independence, and Morris M. Jay, of Waterford, are in Pontiac this week attending a session of the Board. Mr. Phillips has been appointed a member of the committee on Salaries and of the committee on Township Expense. Mr. Jay was made a member of the committee on County Buildings and Grounds and the committee on County Roads.

H. S. TEAMS HAVE BEGUN THE SEASON

Drayton Plains, Waterford and Clarkston Nines In Action

With Kelly pitching in rare form, Drayton Plains High had no trouble in defeating Waterford High in the first game of the season at Drayton Plains last Friday. The visitors were restricted to one hit and no runs, and 13 of them fanned.

There was a different story when Clarkston High came to Drayton Plains Tuesday, but the latter team was weakened by the absence of three of its regular players. The game was called at the end of the seventh inning, with Clarkston leading, 16 to 7. It was anybody's contest at the end of the sixth, but in the next frame the visitors amassed 9 runs on hits and ragged fielding. There was much fine playing at times, however, both teams showing good possibilities.

The box score, given below, shows that Clarkston made many changes in its lineup during the game.

Season tickets for the Clarkston games are being sold this week by the student body. The price is 50c. for four games, and the team will appreciate the support of the people. The season's schedule is as follows:

April 17—Walled Lake here.
May 1—Keego Harbor there.
May 5—South Lyon here.
May 8—New Hudson there.
May 12—South Lyon there.
May 15—Milford here.
May 29—Drayton here.

WATERFORD BIBLE CLASS HOLDS PLEASANT PARTY

The Bible class of the Waterford S. S. held their party on Wednesday night at the home of Mrs. R. J. Beattie, with seventeen present. The meeting was led by Mrs. A. McCaffery. Motion was made not to hold any social meetings during June, July and August. The following committees were named for the next meeting to be held at the home of Mrs. A. McCaffery: Mrs. R. J. Beattie, in charge of the meetings, Henri Buck of the social part and Mrs. A. Jacober of refreshments.

The social part of this meeting was under the supervision of Mrs. Arthur Walter. Contests and stunts were carried out, making the evening a very pleasant one. Mrs. H. A. Huey served sandwiches, coffee and wafers.

LIGHTS NOT RIGHT, CARS ARE STOPPED

Officers Make Drivers Comply With Law at Dray. Plains

Deputy Sheriff Waldron Keasey and two other officers stationed themselves in front of the Drayton Plains garage Sunday night and stopped more than 100 motorists whose lights were out of order. Most of them were headed towards Detroit and the traffic was unusually heavy.

All drivers who did not have both headlights and the one rear light burning were ordered to fix them before proceeding further. In most instances it was the tail light that was out. Occasionally a motorist was found who did not have money enough to fix up his lights. In these cases the officers attended to the job and gave the driver of the car a ticket stipulating when and where remuneration should be made.

A study in human nature was afforded by the episode. Some of the motorists took the matter complacently, others even jovially; while not a few showed much peevishness and several were even belligerent in their attitude. This last named class were generally those who were driving big cars and who had plenty of money. Their hostile manner got them nothing, however, except the disfavor of the officers who were merely performing their duty.

P. T. A. MEETING HAS BEEN CANCELED FOR APRIL 8

On the advice of local health authorities the Clarkston P. T. A. meeting scheduled for Wednesday, April 15, was canceled. There was considerable disappointment since this was the second meeting to be called off on account of scarlet fever. It is the contention of health authorities that the canceling of public meetings wherever possible will assist in the control of the disease. While students in school are watched for any symptoms of the disease and excluded immediately if such symptoms are detected, there is no means of controlling the attendance at public meetings and people sometimes attend who are in the first stages of the disease.

AGED PIONEER IS DEAD IN WATERFORD

Jas. K. Voorheis, Born in That Township 88 Years Ago

James K. Voorheis, 88 years old, died at his home on the Voorheis Road, Monday, after a long illness. Funeral services were held at the home on Friday, with burial in Oak Hill cemetery, Pontiac.

Mr. Voorheis was born in Waterford township and always lived there. He was a son of prominent pioneer parents, his father, Isaac Voorheis, locating there from New York in 1824. His mother, Sarah Terry, came a year earlier with her parents, Nathan and Nellie Terry.

Mr. Voorheis owned and operated a large farm until 1911, when he retired from active life but still retained possession of his holdings of 230 acres. He was a Master Mason and a member of the Methodist church.

Surviving is the widow, Mrs. Lucinda Voorheis. Mrs. Voorheis was born in the same township as her husband and was a daughter of Mr. and Mrs. Mirah J. Smith. She received her early education in what is now the Donelson School District.

Of the eleven children born to this marriage, seven survive. They are: six daughters, Mrs. Nellie V. Bell, Mrs. Peter Davidson and Mrs. R. S. Rogers, all of Pontiac; Mrs. R. W. Beattie, of Tulsa, Okla.; Mrs. O. B. Gross, South Bend, Ind., and Mrs. Samuel G. Coulitis, of Alberta, Canada, and one son, Dick S. Voorheis, of Pontiac.

GIRLS' 4-H SEWING CLUB DID WELL AT PONTIAC

The Girls' 4-H Sewing club of Waterford, of which Mrs. Arthur Walter is instructor, more than did credit to their teacher at the Achievement Day which was held at the Lincoln High School in Pontiac on Saturday. Those receiving honorable mention were:

Jewel Ambern, who was placed second in the Style show. Margaret Walker, given third place in Second Year Clothing work.

Jane Shouldice, given second place in First Year work. Elmira Hall, Junior Health champion of the First and Second Year girls of the county. She is 11 years old and the daughter of Mr. and Mrs. Charles Hall.

Mrs. Walter plans on continuing with this work the coming year.

LADIES' AUXILIARY MET AT HOME OF MRS. JENCKS

The Clarkston Baptist Ladies' Auxiliary met on Friday, April 10, at the home of Mrs. Ed Jencks for a 1:00 o'clock luncheon. Nine members and two guests were present. After a short business meeting a social hour followed.

Mrs. Casper Beardsley kindly invited the Auxiliary to meet at her home in May, but owing to illness in her family other arrangements will be made and the place will be announced later.

D. PLAINS CHURCH ANNUAL MEETING

Officers Are Chosen and Other Business Is Transacted

The Community Presbyterian church of Drayton Plains held its annual meeting in the church parlors Friday evening, April 10. A bountiful and delicious pot luck supper was served in the church parlors at 7:00 o'clock, with 83 members present.

At 8:30 the business meeting was opened in auditorium by the chairman, Kirby Milleur, with the singing of "The Way of the Cross Leads Home". Dr. Rowley led in prayer and Rev. Sutton gave Scripture reading from the Epistle of Paul to Titus, and followed the reading by prayer.

Nominations for two more elders in the church were voted on and Dr. L. G. Rowley and Russell Maybee were chosen. Kirby Milleur was re-elected chairman for the coming church year; Howard Dean, vice-chairman; Mrs. Grace Barnhart re-elected congregational secretary and Mrs. A. T. Stewart and Glenna Featherstone were re-elected trustees for three years. Mrs. Mamie O'Boyle was re-elected treasurer for three years.

During the counting of the votes for the different offices the songs, "The Light of the World is Jesus" and "More About Jesus", were sung.

Landscaping of the church grounds was discussed and Saturday afternoon, April 18, all who will help are asked to come with shovels, hoes, rakes and seed at 6:00 o'clock. The ladies will provide lunch.

The year's budget was taken up and discussed and after one or two changes was approved. The reports of the secretary and treasurer were read and approved. The Sunday school report was read and a motion was made and supported to have a music committee consisting of the choir, president and one member of the session.

CLARKSTON SCHOOL NOTES

A May Day program will be presented at the regular assembly, Monday, April 27, at 1:00 o'clock. Students of Miss Gray and Mrs. Emily Beardslee will present the program and Dr. Monroe, of the County Health Department, will be the speaker.

For the graduating class of '31, Kathleen Boice has been selected as Valedictorian and Jerry Cell as Salutatorian. These were determined by the class averages. A list of the other members of the class will appear later.

The district spelling bee will be held at 2:30 on Friday at the school, the winner to go to Detroit. Clarkston School will be represented by Glenn Smith.

First year members of the commercial class have been taking test work and five are typing over 40 words per minute, Betty Huntly leading at 46.4, Hazel Francis 44.9, Beryl Orr 41, Romilly Prouse 40.8 and Bob Jones 40.6. In the advanced class Ada Hoyt averaged 58.5 and Kathleen Boice and Virginia Clark tied at 50.7.

WATERFORD SCHOOL NOTES

The baseball team will play Auburn Heights here today (Friday).

The P. T. A. will meet next Thursday with "Gardens" as the topic for discussion. The program is not completed yet, but some of the rooms will take part and the general theme will be gardens and yards.

The Boy Scouts are registering for summer camps, Lewis Dorham being the first. The week-end hike planned for April 25-26 probably will be to the State Park at Highland.

EASTERN STAR CHAPTER CHOOSES NEW OFFICERS

Joseph C. Bird chapter, No. 294, O. E. S., of Clarkston, will install its newly elected officers on Tuesday evening, April 28. It will be a public affair preceded by a banquet at 6 o'clock. The new officers are as follows:

MRS. G. WHITFIELD ENTERTAINS CLUB

Waterford Organization Met at Her Home Last Friday

The Good Will Club of Waterford was entertained Friday at the home of Mrs. George Whitfield, of Williams Lake Road. The hostess served a three-course luncheon at one o'clock at a beautifully appointed table decorated in yellow and white. The center was graced by a large pot of daffodils. Nine members were seated at the long table.

Following the luncheon the business meeting was conducted by the vice-president, Mrs. H. F. Buck, in the absence of the president, Mrs. Percy Hunt, who suffered a severe injury as the result of a fall which occurred that morning.

Mrs. Kenneth McVittie was in charge of the program for the April meeting. She chose as her theme, "Suggestions of Spring". The roll call was responded to by giving a quotation containing the name of a flower. Mrs. E. D. Spooner gave a talk on nature in the South, speaking of the wonderful flowers there, also of Stone Mountain and Winter Garden places, well worth the time of the tourists visiting them. Poems were read by Mrs. Henri F. Buck, "In Flanders Fields"; Mrs. George Whitfield, "The Bumblebee", and Mrs. H. B. Mehlberg, "The Waterfowl". Mrs. William King gave pleasing instrumental selections.

The next meeting will be at the home of Mrs. Buck, who will entertain on the 9th of May. Mrs. George Whitfield has charge of the program for the May meeting.

OBITUARY

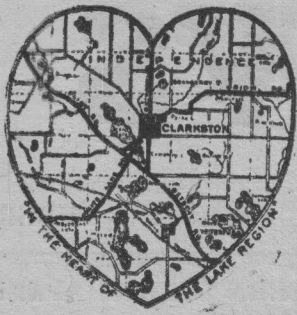

Mary Delphina Sutton Lawrence was born Feb. 11, 1845, in Sussex Co., New Jersey, and came to Michigan with her parents when she was five years old, locating near Orion. She was the youngest of the six children born to Lewis and Elizabeth Losey Sutton. Her brothers and sisters have passed on in the order in which they were born. Jan. 1, 1866, she was married to Isaac Harrison Lawrence. To them was born one daughter, Cornelia Elizabeth, who, with her husband, Loren White, has had the care of her mother through her many years of suffering.

Mrs. Lawrence passed away April 10, 1931, at her home in Fenton. The funeral was held at the home Sunday, April 12, with burial in the Sashabaw cemetery.

To mourn her loss she leaves her aged husband, daughter, two grandchildren, Glenn Cole, of Detroit, and Miss Ruby Cole, of Washington, D. C., one great-grandson, Harold H. Cole, of Flint, numerous nieces and nephews and a host of friends.

Mrs. Lawrence was a member of the Presbyterian Church at Fenton and until her health failed took a very active part in all its work.

Born, Tuesday, April 14, to Mr. and Mrs. Fred Dickman (Lena Hibern), at Mrs. Mary Green's Hospital, a boy, Leon Charles.

Those Were the Happy Days!

Ask any of the 400 boys who attended the Oakland County Y. M. C. A. Camp on Loon Lake last summer! They'll tell you there's a real kick in outdoor life in Michigan's North Woods! Long hikes, in which camp was pitched at sunset and broken in the morning, as pictured here, are a feature of life at the camp. The coming summer will be the second that the camp has run, and arrangements for even greater attendance are being made.

Just a few weeks more and the woods up around Loon Lake, where the fragrant blossoms of the arbutus are budding right now beneath the snow, will echo to the thud of axe upon tent stake, as final preparations go forward for the second season of the Oakland County Y. M. C. A. Camp. Then, late in June, a motor caravan will roll northward along M-23, bearing the first contingent of the camp's population for the season of 1931!

This will be the second season for this great county-wide enterprise which a group of Oakland County leaders established last year. Last summer saw 400 boys, from all corners of the county, encamped with 35 adult counselors, under conditions nothing short of ideal.

The location itself is excellent, to begin with. It is 150 miles north of Pontiac, near U. S. Highway 23, near enough home to permit parental supervision, and yet far enough to make camping a real adventure. The site is made up of beautiful wooded country, 427 acres in extent, stretching for more than a mile along the shore of Loon Lake, in Isosco County. The terrain affords high and dry campsites, as well as excellent water, and nearby are abundant sources of dairy goods, fruit, and other food.

The country around the camp bears so little resemblance to anything found in Oakland County as to furnish a fresh "kick" every day of the boy's camp life. The lumberman's axe resounded through the Isosco County forests so long ago that many acres, some of them within the camp property, are covered with lofty second-growth timber, which, while still inferior to the original stand, gives the camper some conception of how Michigan must have looked before it was denuded.

Several points of great interest are within hiking distance of camp. The Au Sable, famous not only for the part it played back in logging days, but also as a trout stream and a source of hydro-electric power, is only a few miles away. Five Channels Dam is a spot in which the boys took great interest

College, will give an illustrated talk on perennials and landscaping. This talk will be one of the features of the Flower Club program for this year. Everyone interested is invited to attend. There will be no admission charge.

Seven-tenths of the prune crop of Washington is marketed cooperatively.

OPEN POTATO PITS TO EXAMINE STOCK

Field Frost Injury May Compel Growers to Replace Pitted Seed

East Lansing, Apr. 15.—Michigan potato growers who stored their seed stock in pits last fall are advised by members of the farm crops department at Michigan State College to examine the pits immediately to determine whether frost injury has damaged the seed to an extent which makes it necessary to buy seed from the restricted supply now available in this State.

At the present time, there is a small amount of certified seed for sale, there is a moderate supply of No. 2 size potatoes from the certified stock, and there are some uncertified potatoes grown from certified seed but the crops men predict that all of these classes of stock will be exhausted before planting time.

Considerable field frost injury in the pitted potatoes makes them unsuitable for seed. The injury will be shown by flabby tubers and by discolored spots, usually near the stem end, in the flesh of the potato. If it is necessary to use seed from frost injured stock, every tuber showing flesh discolorations should be discarded when the seed is cut.

The pitted stock as well as other seed potatoes should be green-sprouted before planting. Spread the potatoes in a layer four to six inches deep on a barn floor where they will have plenty of light and will not be chilled. The seed should be left on the floor for about two weeks and should be treated with corrosive sublimate before it is placed there. All potatoes showing weak white sprouts should be thrown out.

Thoro cleaning of seed wheat will reduce losses from weeds in wheat fields. Cleaning removes not only weed seeds, including wild oats, but also shrunken grains and broken kernels. These weed seeds and broken kernels can be used as feed for poultry and livestock. Several types of efficient cleaning machines designed for farm use are now on the market. Farmers' Bulletin 1542-F, which may be obtained from the U. S. Department of Agriculture, Washington, D. C., describes several of these machines and tells how to operate them.

DAVISBURG COUNTY PARK IN CHARGE OF NEW MAN

The Oakland County Park at
Davisburg is now open for the
season, under the management
of S. W. Thorn, a new man at
that place but thoroughly fami-
liar with that kind of a job. The
nine-hole golf course is open and
the fairways and greens are said
to be in fine condition. The
same green fees prevail as here-
tofore: 35c. on week days and
50c. on Sundays. The park of-
fers free picnic grounds, base-
ball diamonds, pavillion, etc.

GRASS FIRE CONQUERED AS DAMAGE THREATENS

The grass fire that started
Wednesday of last week east of
M-15 and south of Clarkston ran
rapidly across the Hammond
farm to the Morrison farm and
many buildings and homes were
endangered. Volunteer workers
from Clarkston kept the fire un-
der control with a team and
plow. The biggest damage was
done to the Morrison woods and
the Hammond orchard.

DRAYTON PLAINS SCHOOL NOTES

Students have started bank-
ing again this week, the choice
of Commercial and Savings or
First National being optional
with the students.

The boys have played two ex-
cellent ball games, an account of
which will be found elsewhere
in this issue. The team will
play Milford here next Tuesday.

The candy sales sponsored by
the Girls' Athletic Club are still
on and plans are well under way
for the club's annual overnight
hike.

The Girl Scouts enjoyed a 5-
mile hike last Thursday in the
late afternoon and had supper
at Huntoon Lake.

MISCELLANEOUS SHOWER HONORING NEWLY WEDS

Mr. and Mrs. Carl Terry were
hosts at a miscellaneous shower
Saturday night at their home,
honoring Mr. and Mrs. L. D.
Hemingway (Doris Terry), a re-
cent bridal couple of Clarkston.

The guests were from Roches-
ter, Detroit, Pontiac, Drayton
Plains, Huntoon Lake Subdivi-
sion and Clarkston. There were
16 in number who enjoyed the
evening spent in progressive
bug. Prizes were won as fol-
lows: Ladies' first by Mrs. Clyde
Blanchard; ladies' low by Mrs.
Leland Furse; men's first by
William Terry; men's low by L.
D. Hemingway. Dainty re-
freshments were served at the
close of playing. The guests of
honor received many lovely
gifts.

WEATHER IS DELIGHTFUL BUT RAIN IS REQUIRED

Unusually warm weather for
this season of the year, break-
ing all records in the history of
the weather bureau, a period
covering 57 years, has prevailed
the past week. There was a
slight rainfall last Thursday
night but the high temperature
and strong winds soon dissipat-
ed whatever relief that afforded.
A prolonged rain is greatly
needed.

DISEASE KILLS VAST NUMBER OF CHICKS

Worst Enemy of Michigan Poultry Can Be Controlled by Proper Rations and Sanitation

East Lansing, April 15.—A
poultry disease which destroys
2,000,000 chicks in Michigan
each year can be controlled by
feeding a proper ration and by
disinfecting the brooder houses
with an effective disinfectant,
according to a statement by the
poultry department of Michigan
State College.

The disease, coccidiosis, usual-
ly attacks chicks in the early
stages of their growth. It may
affect older fowls but most of
the losses are among the young-
er birds. The diseased fowls
lack color, are inactive, and, in
the flock, a few chicks die each
day. Post mortem examinations
disclose the characteristic injur-
ies to the intestinal tract of the
birds.

The organisms which cause
the disease will live in the soil
for periods of two years or long-
er and then will affect poultry
turned on the contaminated soil.
The disease organisms cannot be
transferred direct from one bird
to another but must pass thru a
period of growth outside the
fowl's body before they can
cause disease in another bird.

Chicks which show symptoms
of the disease should immediat-
ly be fed for 10 days an all mash
ration which contains at least
40 per cent of dried milk pow-
der. The brooder house should
be thoroly cleaned every three
days and disinfected with iodine
suspension. The disinfectant
will kill only the organisms with

which it comes in contact.
The ration containing the
skim milk powder will cure dis-
eased birds if they retain
enough vitality to eat.

The mechanical hen, long a favor-
ite exhibit at State fairs, now talks
Spanish and is called "la gallina me-
chanica".

Bell System Head Again Emphasizes "Long Run" Policy

"The management of the Bell
System has been guided during
1930, and will continue to be
guided, by the policy stated in
1927:

"The fact that the ownership
is so widespread and diffused
imposes an unusual obligation
on the management to see to it
that the savings of these hun-
dreds of thousands of people
are secure and remain so. The
fact that the responsibility for
such a large part of the entire
telephone service of the country
rests solely upon this company
and its associated companies
also imposes on the manage-
ment an unusual obligation to
the public to see to it that the
service shall at all times be
adequate, dependable and satis-
factory to the user. Obviously,
the only sound policy that will
meet these obligations is to
continue to furnish the best
possible telephone service at
the lowest cost consistent with
financial safety. This policy is
bound to succeed in the long
run and there is no justification
for acting otherwise than for
the long run."

From a statement by Walter
S. Gifford, President of the
American Telephone and Tele-
graph Company, in its annual
report for 1930.

WATERFORD

Mrs. William Norrie, who resides near Waterford, was the week end guest of cousins in Canada.

George Crawford and family, of Pontiac, have rented the home recently vacated by Mr. and Mrs. Cleve Chamberlain, of Airport Road.

Mr. and Mrs. Webber and family, of Maceday Lake, have moved to the farm of Mrs. Webber's father, Mr. Hathaway, near Orion.

Mrs. Fred Chamberlain is having some new side walks put in at the new home just east of her own home on Andersonville Road.

Mr. and Mrs. Lewis Dorman have started their home which is to be just across the Clinton River from the "Old Mill Tavern". The foundation has been laid for the house.

Word has been received from Mr. and Mrs. J. P. Grow that they will return home from Mt. Dora, Fla., the fore part of May. Mr. and Mrs. Grow have been gone since early winter.

The garage on the Dixie right in town that was built by Mr. Smith, brother of Mrs. D. Davidson, is being torn down. When the road was widened, the garage had to go.

Walter Whitfield, Mr. and Mrs. Jack Earle, of Williams Lake Road, and Mrs. Robert Beattie, of Maple street, spent Wednesday in Lansing, attending the funeral of a relative.

Miss Barbara Chamberlain, of Davisburg, was the guest Saturday and Sunday of her grandmother, Mrs. Fred Chamberlain, and aunt, Mrs. Lewis Owen, of Andersonville Road.

E. D. Spooner, of Williams Lake Road, accompanied by Mr. and Mrs. H. B. Mehlberg, of Andersonville Road, motored on Sunday to Morenci, where they attended the funeral of their cousin, Mrs. Dan Goodyear.

Miss Mae Beattie, with her Sunday School class of Willing Workers, left immediately after school Wednesday for a picnic at the Percy King grove on Maceday Lake. The picnic supper of the popular weenie and marshmallow roast was thoroughly enjoyed by the girls. It is needless to say that a good attendance was had.

Kelly will act as scoutmaster and Cliff Schoenhals assistant. Members of the committee are Dr. L. G. Rowley, chairman; Howard Dean, Adrian E. Cheeseman, Kenneth Oakes and Mr. Jacobs. Meetings will be held every Tuesday evening in the scout room in the church basement.

Mr. and Mrs. H. F. Buck, of Andersonville Road, spent Saturday in Detroit, visiting at the home of relatives. They returned Sunday morning to their home here.

Mrs. George Kimball Jr. was in Flint Tuesday, returning with her niece who has been in the Flint hospital and who will remain with her during her convalescence.

Mrs. Andrus Bradley, who was visiting her brother, Fred Phillips, and family, of Pontiac, was called home on account of the illness of Mr. Bradley, but at this writing he is much improved and able to be out in the sunshine.

Mrs. Lewis Owen, of Andersonville Road, and her cousin, Mrs. Mertie Morgan, of Marlette, Mich., visited recently at the home of the former's brother and family, Mr. and Mrs. Cleve Chamberlain, of Davisburg.

The various committees for the Mother and Daughter banquet which will be held on May 1 have been meeting to lay their plans to make the banquet a success. Tickets for the banquet are in charge of Mrs. A. Perry and Mrs. R. J. Beattie.

Mrs. E. D. Spooner, of Williams Lake Road, spent Saturday with her daughter, Mrs. John Watchpocket Jr., of Watkins Lake. Mrs. Watchpocket since her return from the south has suffered a severe attack of grippe.

Mrs. George H. Kimball Jr., president of the Waterford P. T. A., called a meeting of the officers of the organization Monday night to arrange a program for the April meeting, which will be held at the Waterford School Thursday night of next week.

When spring comes and the birds return this brings Mrs. Ida Hayden, of Maple St., who spends each winter at the home of her daughter, Mrs. Clarence Hayes, in Detroit, home, where a welcome awaits her from her many Waterford friends.

Frank Byrne Fox, of Maple Leaf Lodge, returned home from Elkins, West Virginia, on Monday afternoon. He was accompanied by his nephew, Robert Taft, of Pontiac. They motored home, stopping at the principal cities en route, staying the last night at Columbus, Ohio. They were south over a month.

The Waterford S. S. was conducted Sunday by the assistant superintendent, Maurice Hinkley. The contest still shows the reds far in the lead and it looks very much as though they will be the winners, altho the blues shouldn't give up help as there are still several Sundays left.

ORTONVILLE

The Ortonville school baseball team played Goodrich, the score ending, Goodrich, 7; Ortonville, 6. The Ortonville boys could not get going. Most of the work was done by Mugs Frick, first bagger, Marion Brandt, pitcher, and Arthur Hutchings, catcher, the last named leading the scoring for the day. Billy Williams will not practice with the team, due to a badly sprained ankle. He is under the care of Dr. C. E. Marsh, who is taking care of injuries to the players.

A band concert was held at Ortonville on Wednesday night with a large attendance. The concert was given for the purpose of raising funds for new music. One of the special features of the concert was the 14 accordion players, and they certainly produced some fine music.

Miss Irene Huemantle of Pontiac, has recovered from a nervous breakdown. She has been under the care of Dr. Marsh.

The Boy Scouts of Ortonville are working hard on merit badges as there will be a Court of Honor at Oxford, May 5, at which time Oxford, Orion and Ortonville will compete to see which will receive the most badges. Dr. Marsh reports his troop doing fine work and expects them to win.

Ortonville was well represented last Saturday at the annual Achievement Day meeting held at Lincoln Junior High in Pontiac. The girls were on the honor list of those completing the year's work and Blanche Tucker was a prize award winner in fourth year clothing. Moraine Sutton appeared on the afternoon program in a reading.

DRIVERS OF CARS GIVEN WARNING BY SHERIFF

Motorists will do well to see that their lights are in good working order, for Sheriff Frank Schram has instructed his traffic officers to give court summons to all drivers who neglect this precaution.

Oakland county deputies assigned to the traffic squad have now taken to their motorcycles. They are nine in number, four of them going out of Pontiac.

FENTON VOTERS DO NOT FAVOR CITY OPERATION

Fenton voters at a special election on Monday did not take kindly to the proposal to change from village to city government. The proposition was turned down by a vote of 328 to 44.
