

The Clarkston News

VOLUME II. NO. 34.

CLARKSTON, MICHIGAN, FRIDAY, APRIL 24, 1931

WHOLE NUMBER, 86

MRS. LOUIS TERRY HAS PASSED AWAY

End Came Sunday at Home in Howell After Long Illness

Mrs. Louis C. Terry, aged 47 years, passed away at the family home northeast of Howell, Sunday evening, April 19, following a long illness of several years. Funeral services were held at two o'clock from the residence, with Rev. Herman Schwarzkopf, of the Howell M. E. church, officiating, and burial in Lakeview cemetery at Clarkston.

Grace M. Hoyt was born May 6, 1883, the only daughter of Henry I. and Emma Chandler Hoyt, and grew to womanhood in Clarkston. She was married to Louis Terry in 1904, making their home here until about five years ago when they moved to Howell, where Mr. Terry was superintendent of the Bruce Products Co. plant.

Besides her parents and husband, she leaves a son, Earl H., a daughter, Evelyn, and a granddaughter, Shirley Mae Terry.

She was a member of the Lady Maccabees, the Royal Neighbors, and Joseph C. Bird chapter, O. E. S., who had charge of the service at the grave.

EVENING OF LAUGHTER PROMISED IN CLARKSTON

If you would like an evening full of fun and laughter, don't miss the operettas which will be given by the Girls' and Boys' Glee Clubs of Clarkston High School. Each will present a short operetta depicting college life, full of giggles and lots of good singing. Date of production will be announced later.

CLARKSTON SCHOOL NOTES

Scarlet fever is well under control again after the second outbreak.

"The Mysterious Friends", a play sponsored by the Freshman class, was given before the school assembly last Tuesday, and will be repeated for the public benefit at a date to be announced later in these columns. The following members of the class took part:

Wilma McGrain, Mary K. Hammond, Charlotte Spencer, Florence Chamberlain, Sarah Lowrie, Herbert Beach, Jack Huntly, Stanley Irish, Harvey Porritt and Robert Reynells.

The Clarkston nine lost its first home game by the score of 11-12. It was a very hard fought game and provided many thrills for the spectators.

The Clarkston lads were better at the bat than their opponents. They collected 17 hits while Coryell held the invaders to 12. In the first two frames the local lads could not seem to get settled and Walled Lake took advantage of this and scored 7 runs. Five of these runs were results of errors.

It was anyone's ball game until the last man was put out. Even the last batter made a long hit with two runs on the bases but some how the Walled Lake fielder had the ball magnetized and it stuck in the finger tips of his glove.

The next home game will be May 4. We need and appreciate your support.

SPRAYING ADVICE GIVEN BY COUNTY AGR. AGENT

K. D. Bailey, County Agricultural Agent, sends the following spraying advice to Oakland County orchardists:

Pears should be sprayed before the blossoms open as poison for early curculio and as precaution against pear scab before and during blossoming. A 3-8-100 Bordeaux plus 3 pounds of lead arsenate is indicated.

Both apples and pears should be given a late pre-blossom protection in case rain forces blossoms rapidly. Susceptible varieties should not enter blossoming without fresh protection.

CARS MEET ON NARROW BRIDGE AT CLARKSTON

A collision of two cars occurred at the cemetery bridge late Tuesday afternoon that damaged both cars considerably and the bridge as well. Heavy gravel and recent rains making uncertain wheeling, together with a narrow bridge, both drivers no doubt had a share in the cause of the accident, and when the Graham-Paige car went over the south side of the bridge the south railing went with it and into the creek. A road truck pulled them out before the car got too badly soaked and both cars were taken to service stations. The Ford, owned by Geo. Beardsley, of Springfield, seemed to have the worst of it, but Mrs. Ruth Orr, daughter-in-law of Albert Orr, of Clarkston Station, owner of the Graham-Paige, was quite badly bruised and sprained.

FORM MEN'S CLUB AT DRAY. PLAINS

Move With That End in View Is Started With Fine Prospects

A group of men met at the home of Howard Dean last Monday evening in the interest of a men's organization for Drayton Plains. The purpose of this club is to provide a medium of good fellowship and better acquaintanceship among all men of the community in and around Drayton. A further purpose of this club is to establish close friendships among men, develop good will among all interests, create a loyal community spirit and maintain a high standard of living in the community. The membership of this organization is to be open to any male resident and citizen of the community in and around Drayton.

There will be a "Dinner Meeting" soon in the church basement to which all men of Drayton Plains are invited. It is probable that this "Dinner Meeting" will be held Monday evening, May 11. Watch for the announcement in the papers.

WELFARE DRIVE BRINGS SATISFACTORY RESULTS

As the result of a Welfare drive in Drayton Plains, a group under the direction of Howard Dean received pledges totalling \$164.50, with cash contributions of \$43.50. A house to house canvass was made. The drive was under the supervision of the suburban committee, of which George H. Kimball, Jr., is chairman. Mr. Dean was assisted in the canvass by Dr. L. G. Rowley, Kirby Milleur, Supt. C. H. Gordon, A. E. Barnhart, C. Shoup and Glenn Featherston. Mr. Kimball says that the response in Drayton Plains was among the best of any nearby community.

A permanent organization is now contemplated to carry on the work.

BREWER INDICTED BY GRAND JURY

Former County Auditor Placed Under Arrest on Two Counts

The Oakland County grand jury on Tuesday returned two indictments against Willis M. Brewer, charging him with the conversion of \$2,500 appropriated by the Board of Supervisors for the American Legion billet at Otter Lake, and with the embezzlement of the same fund from the billet.

Brewer, who was for eight years chairman of the Oakland County Board of Auditors, was immediately placed under arrest but was later released on bail. Since leaving Pontiac he has been manager of the State Tuberculosis Sanatorium at Howell. Governor Brucker has suspended him from that position until disposition of the charges against him is made.

Mr. and Mrs. H. W. Byles (Helen Rockwell), of Camden, N. J., were called here this week to attend the funeral of Mrs. Byles' uncle, John M. King.

WATERF'D LADIES SPONSOR BANQUET

Mothers and Daughters Will Be Feted on Evening of May 1

The Mother and Daughter banquet sponsored by the Waterford Ladies' Auxiliary will be held in the Waterford church parlors next Friday evening, May 1. The price will be fifty cents per plate or \$1.00 for mother and daughter. The following committees are in charge of the affair:

Tickets—Mrs. A. Perry and Mrs. R. J. Beattie.

Dining Room—Mrs. Arthur Walter, Mrs. John Miller, Mrs. Joseph Helman, Mrs. Ed Ledger and Mrs. James Saylor. This committee will decorate the room and will name a committee of men to have charge of the room the night of the banquet.

Banquet—Mrs. A. McCaffery, Mrs. H. H. Pratt, Mrs. Robert Beattie, Mrs. Charlotte Hunt and Mrs. A. Wyckoff, who have planned the dinner and will appoint a committee of men to serve it.

Program—Mrs. Harry Harpur, Mrs. Henri Buck, Mrs. Percy King, Mrs. H. A. Huey, Mrs. C. Terry and Mrs. H. B. Mehlberg.

The following interesting program has been arranged:

Invocation—Mrs. John Miller

Community Singing—Led by Mrs. Harold Vaughn

Introduction of Toastmaster—Mrs. H. A. Huey

Toastmaster—Mrs. R. W. Clark

Instrumental Music—Miss I. Hook, director

Toast to Mothers—Miss Georgia Johnson

Reading—Miss Jane Graham

Toast to Daughters—Mrs. R. C. Linger

Reading—Mrs. William Todd

Popular Tunes—Miss Hook and Girls

Address—Mrs. Charles Fisher

Closing Song.

FURNISHINGS GROUP MET THURSDAY AT D. PLAINS

The members of the Drayton Plains Home Furnishings groups held their regular monthly meeting Thursday in the C. U. Presbyterian church parlors. A pot luck dinner was served at noon to eighteen of the members. At 1:30 the business meeting was taken up, the lesson for this month being Accessories for the Home.

The last lesson on Home Furnishings and the last one of the season will be held May 7 when the groups will have an Achievement Day of their own and prepare their exhibit for the County Achievement Day, May 19.

DRAYTON PLAINS SCHOOL NOTES

The Senior Girls' Athletic Club will go to Columbiaville Friday night and hike back Saturday and Sunday. Saturday night they will spend at a hotel in Ortonville, finishing the trip Sunday. All meals will be cooked in the open. This is their annual hike and they will be accompanied by their leader, Miss Mildred King.

Tennis will be the next consideration and some of the girls are working on their Senior Life Saving award.

With Beals, star pitcher for the local team, back in the lineup and striking out 12 men in seven innings and allowing but two hits, Drayton Plains High had little trouble defeating Milford High here on Wednesday, notwithstanding his supporting cast contributed five errors behind him. These misplays accounted for all of the visitors' runs, while Drayton Plains, making seven hits, also profited by the visitors' six errors. The final score, with the game called at the end of the seventh inning, was 8 to 5.

On account of sickness in the village, the installation of officers of Joseph C. Bird chapter, O. E. S., has been postponed until May 4. At that time there will be initiation at 4:30 p. m., a banquet at 6:30, followed by a public installation and regular meeting.

DRAYTON PLAINS TEAM WINS ITS OPENING GAME

The Drayton Plains baseball team has been reorganized for the season and played its first game last Sunday on the home grounds, defeating the Oakland Motor Co., of Pontiac, in an exciting contest by the small score of 2 to 1. Next Sunday they will play the Pontiac Federation of Labor team.

The Drayton Plains team has a strong lineup, as the result of the opening contest plainly indicates, and a very successful season is anticipated. The local grounds are in good shape and are conveniently located.

COMMUNITY LOSES PROMINENT MAN

Death of Julius H. Haass, Who Was Owner of Waterford Hill

In the death of Julius Henry Haass, 62 years old, which occurred at his home at Grosse Pointe last Friday, Detroit lost one of its most prominent men, a leader in finance and an enthusiastic patron of the fine arts.

In this community the death of Mr. Haass is keenly felt as he had for many years been interested in its development in different ways. About 16 years ago he acquired the Van Norman farm at Waterford on which is located the famous Waterford Hill, said to be the second highest point in Michigan. He added to this purchase of about 50 acres by acquiring other holdings adjoining, including the Jones farm, until he had a tract of 215 acres.

Mr. Haass' idea was to create a bird sanctuary and to this end he planted a great number of evergreen trees, and when these had attained sufficient size he planned to set out other trees and cover for his feathered friends. Among the improvements he had made at the time of his death were the building of fine fences, the creation of fine buildings for the caretaker and the livestock, and installation of electric lights and power.

Mr. Haass had a private riding stable on the hill and it was his great delight to visit the place and accompanied by his dogs ride around and up the hill to the top, where he would fling to the breeze a flag from the top of a tall flag staff.

Mr. Haass also had other extensive landed interests in the vicinity, including farms in Groveland and White Lake. His Groveland property is located on the Dixie just north of the intersection with the Holly-Ortonville road, and was formerly the Andrew Cross farm. At the time of his death he was negotiating with the owners of adjoining property with the idea of securing sufficient acreage to establish a private wild life preserve.

Funeral services for Mr. Haass were held Monday at the home, with burial in Woodlawn cemetery.

BARN AND SHEDS BURN ON FARM AT ORTONVILLE

Fire on Tuesday afternoon, April 14, destroyed the barn and sheds on the Frank Sibley farm two miles southeast of Ortonville. The blaze originated in the barn and was beyond control when discovered. An alarm was responded to by the Ortonville fire department. The fire was communicated to the Detroit Edison power lines and for two hours Ortonville was without current.

WATERFORD SCHOOL

New pupils are being enrolled and the entire school is in a normal condition.

A May Day program is being planned for the next assembly of the entire school, Friday, May 1, at 9:00 a. m.

The Scouts will take an afternoon and evening hike this week end, with probably a camp supper in the open.

JOHN M. KING WAS KILLED BY TRAIN

Former Well-Known Clarkston Man Hit at R. R. Crossing

John M. King, 63 years old, of Pontiac, formerly of Clarkston, was killed by a Pere Marquette freight train at the Highfield crossing between Rose Center and Clyde, Saturday morning. Mr. King was driving west and the train, going south, struck his car squarely in the side and carried it a distance of 100 feet along the track. The train was stopped and the crew picked up Mr. King and took him to the Milford Hospital, but he died on the way.

The deceased was a member of one of Oakland County's oldest families, being a son of George W. King, who came here from New York in 1844 and was a teacher in the public schools and at one time postmaster of Clarkston.

John M. King was born Nov. 20, 1867, and lived practically his entire life in Oakland county. He was married Dec. 20, 1899, to Miss Roxie Tucker, of Clarkston, and they spent five years in Pontiac and one year in Findlay, Ohio, where their only daughter, Norene, was born. Then they returned to their farm on the north shore of Deer Lake, and lived there until 1920, again going to Pontiac, where Mr. King was in the real estate business. Their home was at 83 Chippewa Drive.

Surviving are the widow, Mrs. Roxie King a daughter, Mrs. De Los Underwood and granddaughter, Jo Ann, of Holland; a sister, Mrs. Kleber P. Rockwell, and a brother, Spencer S. King, both of Pontiac.

Funeral services were held at Farmer's Funeral Home in Pontiac Wednesday at 2:30 p. m., Rev. Weldon Crossland of Central Methodist Church, Pontiac, officiating. Burial was in Lakeview cemetery, Clarkston, Cedar Lodge, F. & A. M., being in charge of the grave service.

WATERFORD BOWLERS GO TO BANQUET AT PONTIAC

Mr. and Mrs. Kenneth McVittie, Mr. and Mrs. Henri Buck, William Jacober, Miss Margaret Smithson and Mr. and Mrs. Henry Mehlberg, of Waterford, were all in Pontiac on Tuesday night and attended the banquet which was given by the Bowling League at the Congregational Church. This was the reward for the winter activity of the church teams who bowled every Tuesday night. The whole team from Waterford was not able to be present. The complete team was the following: Kenneth McVittie, Henri Buck, August Jacober, William Jacober, Julius Damm, Herbert Pratt and Henry Mehlberg. The showing Waterford made, although not at the head, wasn't at the foot of the ladder either.

GOLFING IS GOOD AT TWIN LAKES

Course Is Now Open to Public Under Capable Management

The Twin Lakes golf course, located on the Williams Lake road, two miles west of the Airport, is a popular resort for the golf fans of Clarkston and vicinity, both because of its convenience and the character of the course. It is a nine-hole course, with excellent fairways and greens and sufficient natural as well as artificial hazards to make the playing keen. Willie Robertson laid out the course, which is sufficient proof that it is fully up to all requirements. The ground lends itself naturally to the sport, being rolling but not too hilly. Extra care has been taken to make the greens the very best possible, the grass used being particularly adapted for the purpose.

A handicap tournament for May is now being planned, to be open to all and good prizes offered.

The Twin Lakes course is under the ownership and management of Elmer Van Tine.

DEER LAKE INN IS NOW FORMALLY OPENED

Deer Lake Inn held its formal opening for the season last Saturday evening, April 18, with a dinner dance. About 80 were in attendance, including guests from Flint, Pontiac and Detroit, and music was furnished by a 5-piece orchestra from Flint.

The Inn is now under the management of Joseph Levy and is open every day with dinner at night and dancing if desired. On Saturday evenings and Sunday there will be special music. The entire building has been redecorated and many improvements made, and the public is assured of service and environment of the highest standard.

COMMUNITY CLUB SERVES LUNCHEON

Waterford Ladies Met at Home of Mrs. Munro, Thursday

The Ladies' Community Club of Waterford, which met at the home of Mrs. Robert Munro on Thursday for a 1:00 o'clock pot luck luncheon, was well attended. Thirty-five members and guests were served the luncheon at small tables placed in the recreation room in the basement.

The business meeting was conducted by the new president, Mrs. George Whitfield. The resignation of the treasurer, Mrs. H. B. Mehlberg, was accepted, and a new treasurer, Mrs. Tiffany, was elected. The following flower committee was named for the year: Mrs. John Ingamells, chairman, Mrs. Ada Brown.

The programs will be arranged by new committees for each month consisting of three members. The committee for the May meeting will be Mrs. Roy Stroupe, chairman, and Mrs. W. Sibley, both of Oakwood Manor, who will name a third member. The meeting will be held at the home of Mrs. Christian on the farm known as the Joseph Elwood place west of the Airport. The roll call will be responded to by giving quotations from the Bible.

The program for this meeting was arranged by Miss Mary Van Zandt, Mrs. Robert Munro and Mrs. George Slayton, and was as follows:

Group Singing.
Scripture, Mrs. Roy Stroupe.
Reading, Mrs. E. D. Spooner.
Musical sketch by Mrs. William Norrie, who represented the character of Maggie, Mrs. H. A. Huey, character of Hiram, Mrs. Robert Hickson, Olly Olsen. Each of these were very well made up to take the various parts which afforded a great deal of fun for those present. The two, "Maggie" and "Hiram", sang several songs accompanied by "Olly" on the harmonica. The reading of the paper which contained a joke for many of the people there also added to the merriment.

Then a lively question box followed.

Readings were given by Miss Roberta Virgin.

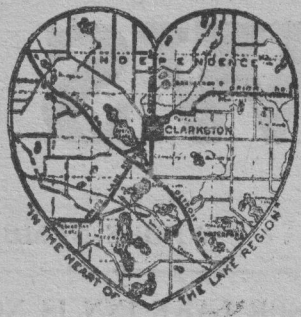

Miss Margaret Ann Beattie gave several readings and a song.

GARDENS ARE STUDIED BY ORTONVILLE WOMEN

At the Thursday meeting of the Ortonville branch of the Woman's Farm and Garden association it was announced that prizes will be awarded at the end of the season for the most attractive gardens.

This branch was organized very recently and the following officers have been named: President, Mrs. E. L. Tibbals; vice-president, Mrs. Mary Narrin; recording secretary, Mrs. Frank Brigham; corresponding secretary, Mrs. A. W. Wideman; treasurer, Mrs. Clara Wolfe. They will study flowers, shrubbery and birds during the coming season.

Mr. and Mrs. William Reese, of Clarkston, who recently sold their farm, are moving to Holly and will occupy Mrs. R. H. Peek's house, corner of Johns and Sherman streets.

CLARKSTON, MICH., APR. 24, 1931

CLARKSTON

Mrs. Alton B. Wompole and daughter, Mazy, spent the weekend in Toledo, Ohio.

Harold M. Vaughn, of Chicago, spent the week end at home with his family.

Beattie Bros. report the sale and delivery of a Tudor and a Town Sedan the past week.

The Kindergarten room of Clarkston High School will sponsor a home bake sale on Saturday, April 25, in Lou Walter's store, the proceeds to be used for necessary equipment in the Kindergarten. Your interest will be appreciated.

Plans are well under way for the annual Mother and Daughter banquet sponsored by the ladies of the M. E. church, to be held Wednesday evening, May 6. A fine program is being planned and further announcement will appear in next week's issue.

Mrs. George Harris is confined to her home this week with an injured ankle sustained last Saturday afternoon. Reaching for a package in the stairs closet, she made a misstep and fell to the basement floor, very fortunately escaping more serious injury.

EXTENSION GROUPS PLAN TOURS TO STUDY HOMES

The Women's Extension groups which have been studying Home Furnishings under the Home Demonstration Agent, Miss Elisabeth P. Weld, are planning a two day tour to celebrate National Better Homes Week.

On Monday, April 27, they will visit the homes of Dr. Sarah Van Hoesen Jones and of Mrs. Alfred G. Willson, both of Rochester.

On Wednesday, April 29, they will see the Birmingham Community House, where Mrs. Marquita Dygert will give an illustrated talk on "Lighting". In the afternoon they will visit the Cranbrook Church, School and Art Museum, where Frank Allen, head of the Art Department, will give a talk on "Art in the Home".

Clarkston News, \$1.00 a year.

WATERFORD

Mrs. John Brown, of Galt, Ont., spent Wednesday at the home of her daughter, Mrs. H. H. Pratt, of Andersonville Road.

Mr. and Mrs. Charles Magee and family have moved from their winter home to the cottage by the lake.

Sunday, Mr. and Mrs. William Kahler and Mrs. Cure, of Detroit, were callers at the home of their niece, Mrs. C. M. Kahler, and aunt, Mrs. Paulus.

Mr. and Mrs. Charles Chamberlain and family, of Royal Oak, were weekend guests of Mrs. Fred Chamberlain. They were also accompanied by their niece, Miss Barbara Chamberlain, of Davisburg, who spent Friday and Saturday with them.

William Richard, infant son of Mr. and Mrs. Clarence Johnson, died Saturday, April 18, at the Pontiac General Hospital. Services were held at the residence Monday at 2 p. m., with Rev. H. A. Huey officiating, and burial in Lakeview cemetery at Clarkston.

NEWS LINERS

Have you been in Winglemire's Store, Holly, lately? We'll be glad to see you.

FOUND—Small Pin found in front of Ford Sales. Owner may have same by proving identity and paying for this ad.

STOP WORRYING about hanging your new window shades. Winglemire's Store at Holly install them free. Phone No. 211.

Joseph Seeterlin.

A few new window shades will freshen up your house tremendously, will make it more livable, will make you glad when friends call. Phone Winglemire's (Holly). Shades installed free.

CARD OF THANKS

We wish to thank our friends and neighbors from Clarkston and Waterford, who gave so freely of sympathy and beautiful flowers, also Rev. Huey for his kind words of sympathy, in our recent bereavement.

Mr. and Mrs. Clarence Johnson and family.

4-H CLUB BOYS MAY ATTEND "Y" CAMP

Invited to Use Lake Copneconic Camp Week of June 21-26

The 4-H Club boys of Oakland County will have the privilege of camping this summer at Genesee County's Y. M. C. A. camp for five days in June, the 21st to 26th.

The camp is directed by Elmer Wiseman of the Flint Y. M. C. A. and is situated on beautiful Lake Copneconic, five miles north of Fenton and is surrounded by a fine growth of timber which makes it an ideal place for camping. A fine lodge building located at the top of a small hill is headquarters, containing a large dining room, council ring, kitchen, offices, etc. The boys and girls will be located in small cabins with eight boys or girls to a cabin with a leader. These cabins were just erected last season and have added much to the comfort and pleasure of the campers.

The cost of the camp will be one dollar a day, which will cover all needs while at camp. The program for this year has not yet been completed but is expected to be about as last year, beginning with a morning dip and exercises, breakfast, cleanup period, morning worship, educational hour, swim, lunch, rest period, athletic period, swim, supper, campfire and taps, the end of a glorious day in one of Michigan's beautiful summer camps.

We hope that many of our rural boys and girls will avail themselves of this opportunity to have a real vacation in camp, and if you are interested get in touch with M. H. Avery, County Club Agent, Box 173, Pontiac.

TRYING TO REGAIN FORMER POSITION

Oakland County Potato Growers Plan Series of Meetings

Potato growers of Oakland County are organizing through a series of County Wide meetings next week for a concerted fight to win back for their product the foremost position formerly held for quality potatoes. Oakland County is one of the leading counties in potato production in the state but along with the rest of Michigan has been losing both terminal and local markets to Maine and Idaho growers.

The schedule of meetings arranged by local farmers and the County Agricultural Agent, K. D. Bailey, is as follows:

April 27, 2:00 p. m., High School, New Hudson.
7:30 p. m., Town Hall, Highland.

April 28, 2:00 p. m., Town Hall, Davisburg.

7:30 p. m., Gleaner Hall, Oxford.

April 29, 7:30 p. m., Gleaner Hall, Goodison.

April 30, 7:30 p. m., Town Hall, Ortonville.

At these meetings, culture, seed selection, seed treating, fertilizers and early and late planting will be discussed.

Also a plan for marketing potatoes as U. S. Fancy grade will be discussed. The move is not to increase production but rather to increase and standardize quality. An attempt will be made to raise a high standard product and market it under special Michigan labels.

The movement is part of a state wide program sponsored by the Michigan State College

SUMMER'S ON THE WAY

They're just around the corner now—Summer days and such scenes as this, taken at the Oakland County Y. M. C. A. Camp on Loon Lake! And if advance indications are reliable, the camp population for the coming season will be far in excess of the 400 which enjoyed it in 1930!

The camp was so thoroughly successful during its initial season as to make permanent operation certain. Last summer's program of camp activities will be followed this coming season. It was an unusually diversified schedule, including every imaginable outdoor activity. Besides the numerous phases of campercraft proper, there was supervised work in all branches of athletics, in various subjects related to nature study, and in handicraft of many sorts. Boys were encouraged to take up, under competent instruction, the lines in which they were interested.

One activity in which every boy in camp participated was hiking. Before the season was over, the entire camp population had had many tastes of traveling, with pack on back, over the devious trails which criss-cross the whole section around Loon Lake. Among the memories of last summer is one of a sudden storm which, arising while a big hiking party was out, caught the members by

surprise and drenched them to the skin.

Nature experts in charge of the hikes taught the campers many things about outdoor life, and especially about the trees and plants found in the vicinity of camp. The boys learned to distinguish edible varieties of berries, to orient themselves in the woods, and do many other things which put a real "kick" in camp life.

Then there were longer journeys made in the camp truck. Scarcely a boy but will remember vividly the trips over to East Tawas, twenty-odd miles away, and the visits to the lighthouse and the United States Coast Guard station on the shore of Lake Huron, an interesting break in the camp routine, one of the several side-trips which the camp's location made possible. These jaunts made interesting breaks in camp routine.

The committee of Oakland County citizens whose enterprise has made the camp possible is planning to enlarge camp facilities this spring, so that the many benefits of camp life may be available to an even larger number of boys. Information about the camp may be obtained from any of the four Y. M. C. A. headquarters in Oakland County—Pontiac, Birmingham, Royal Oak Township, and Town and Country.

and potato growers of the state. About 500 Michigan farmers are to be enrolled in the state wide effort to raise the quality by use of the latest methods of potato growing.

Plantings of late potatoes should be made by May 20 in order to allow potatoes to mature and to permit their being dug to avoid frost injury.

Dairy cows should have all the salt they want. Ordinary cows in milk need about one ounce a day. Heavy producers should get more. Many dairymen mix salt with the grain mixture, using from 1 to 2 pounds of salt to each 100 pounds of concentrates, and also keep additional salt where the cows have access to it. Salt in cake form may be kept in each feed box in the barn, or placed in convenient places in the lot or pasture. Put it in a sheltered place to prevent rain from dissolving it.

BOY ORGANIZATIONS WILL PLANT TREES

Is Regular Project for Scouts and 4-H Club Members

Lansing, April 22.—Thousands of trees will be planted in Michigan's state parks during the coming summer by Boy Scouts and 4-H clubs.

The Parks Division of the Conservation Department is co-operating with these organizations by providing the land and assisting in the planting programs.

The tree planting will be carried on as regular projects of the Scouts and the 4-H Clubs and should result in several miniature pine forests in the parks. About 20,000 trees are to be planted in the parks in Oakland County alone.

Aside from the reforestation work to be done by the boys' and girls' clubs, the Parks Division will continue regular tree planting work. For several years the Division has carried on a program of planting both hardwood and pine trees in available places in the parks.

The plan of the Parks Division is to have every acre of parks land not otherwise utilized for recreational or other purposes planted with trees.

In addition to planting new forests in the state parks, the Park Division is giving special attention to those already existing in the parks. A close cooperation exists between the Parks Division and the Forest Fire organization of the state, for the protection of the park-forests from fire. During the fire hazard seasons, in addition to the protection given by the regular forest fire organization, park employees are constantly patrolling the forest areas within the park boundary. There has not been a serious fire within a state park for several years.

Many of the park-forests have a high monetary as well as aesthetic value. The Hartwick Pines, for instance, one of two remaining stands of virgin pine in the southern peninsula, are valued at \$100,000 for their timber alone.

LITERARY SOCIETY HEARS TALKS BY GUEST LADIES

Mr. Ida Peppers, of Pleasant
Ridge, representative of the
Oakland County Woman's Coun-
cil, was guest speaker at a meet-
ing of the Ortonville Ladies' Lit-
erary society held at the home
of Mrs. Etta Phelps, April 16.
She discussed the activities of
the Council, including the study
of county government.

Other features of the pro-
gram were a talk by Mrs. Helen
Pearce, chairman of the super-
visors' committee, musical num-
bers by Mrs. Alta Aurt and her
son, Hollis, and readings by Mrs.
Kate Auten. Refreshments
were served to 40 members and
guests.

PRUNING ADVICE FOR ORCHARDISTS

M. S. C. Expert Tells Growers
How to Combat Drought

V. R. Gardner, head of the
Horticultural Department at
Michigan State College, sends
the following information to
County Agricultural Agent K.
D. Bailey:

Following is a statement giv-
ing certain suggestions to fruit
growers for dealing with the
present drought situation which
it would be worth while to pass
on to your growers as in a num-
ber of sections the situation is
apparently rather critical.

In view of the fact that pre-
cipitation since January 1 has
been considerably below normal
and that the moisture reserve in
the subsoil has been seriously
depleted as a result of the
drought period extending back

into the spring months of 1930,
the following suggestions are
made to fruit growers:

1. Prune Heavier than Usual.
Where only a light or moderate
amount of pruning has been giv-
en, some additional pruning is
recommended. This extra prun-
ing should be given immediat-
ly. This will have the effect of
reducing the total water re-
quirements of the coming sea-
son. The total pruning has been
done and what is here suggest-
ed will amount to a moderate or
fairly heavy pruning. Though
this is likely to reduce total
yield somewhat, it will result in
better grade and quality of pro-
duct and will help tide the plants
thru a critical period. This mea-
sure is recommended especially
with those fruits and under
those conditions where fruit
has tended to run small in size.
This suggestion is contrary to
what is recommended for gen-
eral practice and is strictly an
emergency measure to deal with
an unusual drought condition.

2. Cultivate More Thoroughly
than Usual. Where fruit planta-
tions are under a clean cultiva-
tion method of management,
enough tillage to keep the crust
broken and to destroy weeds is
important.

3. Make Use of Mulches.
Where fruit plantations are un-
der a sod mulch system of man-
agement, the mulch should be
cut comparatively early and,
where possible, there should be
a liberal use of supplemental
mulching materials.

Everbearing strawberries are es-
pecially suitable for the home garden.
The plants are very hardy, their fol-
iage is resistant to disease, and
under favorable conditions they produce
berries until hard frosts occur in the
fall.

H. V. GOLF COURSE IS IN FINE SHAPE

Rains This Week Have Made the
Greens and Fairways Perfect

Those who played on the Hol-
ly Valley Golf course the past
week said that it was in better
condition than most courses
they had seen, and that with a
good rain it would be in almost
perfect shape. Now that we
have had the rain, the course
should be one of the best in this
section. A full-time caretaker is
in charge and, while there is no
pro at the course, a man is there
to look after all necessary de-
tails.

Since the close of the season
last fall much work has been
done to improve the course by
clearing up underbrush and re-
moving hazards of lost balls.
There still remain, however,
plenty of natural hazards that
make the course about the
sportiest one around here, and
the lay of the land emphasizes
it.

The course is now open to the
public with the green fees very
reasonable.

One cubic millimeter—a small drop
—of a healthy cow's blood contains
about 6,000,000 red blood cells.

Do not sow soybeans too deep.
Poor stands of this crop often result
from seeding too deep, especially
with the large-seeded varieties.

"Irrigation of Small Grain" is the
title of Farmers' Bulletin 1556-F,
which discusses various methods of
irrigation, the preparation of the land
for irrigation, the proper time to ap-
ply water, and the quantity of water
required. This publication may be se-
cured free of charge from the U. S.
Department of Agriculture, Washing-
ton, D. C.

TO MORRIS RUBIN, JACK
GLICKSTEIN, HANLEY
DAWSON AND ANNA
NICKSIC:

TAKE NOTICE that the un-
dersigned claim a lien upon the
following described motor vehi-
cle, to-wit:

Ford Model A, Tudor Se-
dan; Motor No. A-3211093;
1930 Michigan License No.
307-492.

in accordance with Act No. 312,
Public Acts of 1915, State of
Michigan; and that

A public sale will be held at
the Clarkston Ford Service Gar-
age at Clarkston, Michigan, at
two o'clock in the afternoon, on
the 24th day of June, A. D.
1931, at which time the above
described motor vehicle will be
sold at public auction, to the
highest bidder, and the proceeds
thereof applied on the claim of
the undersigned, and any sur-
plus after costs have been de-
ducted, to be returned to the
owner of the said automobile.

The account upon which said
claim is based is as follows:

Services rendered in repair-
ing the above described au-
tomobile:
Storage of said car...\$50.00
Towing 5.00

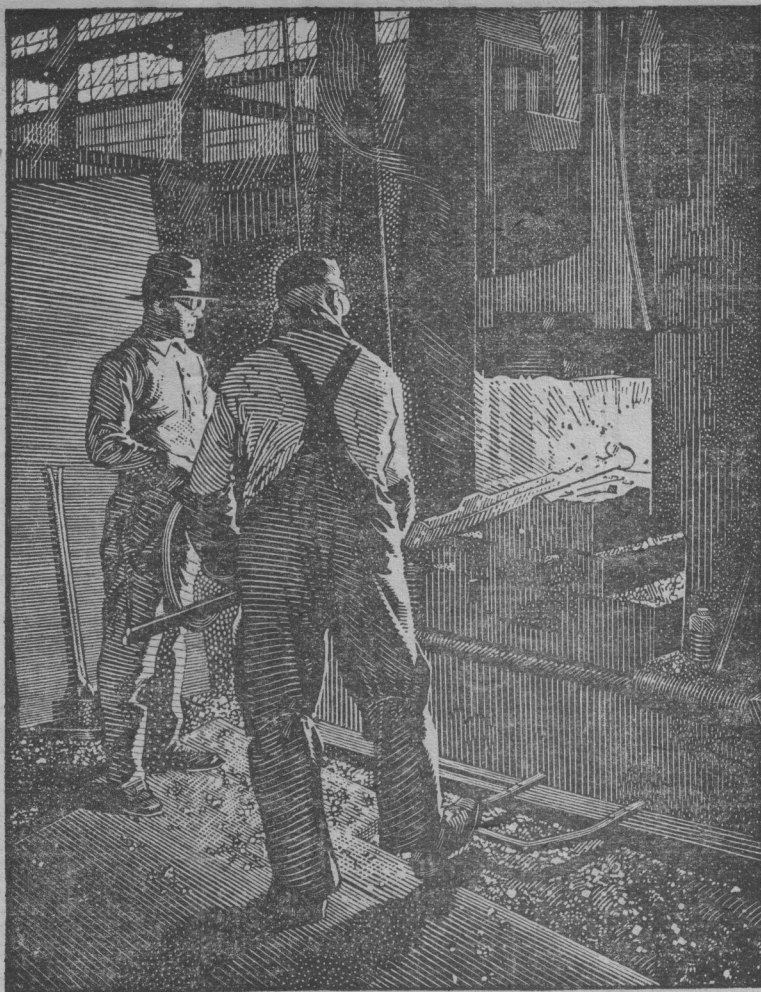

Total owing\$55.00

JOHN BEATTIE & ROB-
ERT BEATTIE, Admin-
istrators of the Estate of
Reuben Beattie, Deceased.

By Robert C. Beattie.
Dated April 23, 1931.

Do not plant potato "runts" for
seed, says the U. S. Department of
Agriculture. Tests show that po-
tatoes less than 1 ounce in weight do
not give as large a yield as those
weighing from 2 to 5 ounces, even if
the latter are halved or quartered
and the former planted whole.

Soundly built to serve you long and well

A scene in Chevrolet's great drop forge plant. A front axle is being forged from a bar of fine alloy steel.

New Low Prices—Roadster, \$475; Sport Roadster (with rumble seat), \$495;
Phaeton, \$510; Standard Coupe, \$535; Coach, \$545; Standard Five-Window Coupe,
\$545; Sport Coupe (with rumble seat), \$575; Five-Passenger Coupe, \$595; Convertible
Cabriolet, \$615; Standard Sedan, \$635; Special Sedan, \$650; Convertible Landau
Phaeton, \$650. Special equipment extra. Chevrolet truck chassis, \$355 to \$590. Low
delivered prices and easy terms. All prices f. o. b. Flint, Michigan.

If you could see the new Chevrolet
Six being built, you would under-
stand why it performs so well, lasts
so long and brings so much satisfac-
tion and pleasure to its owners. The
quality of raw materials is held to
standards unsurpassed anywhere in
the automotive industry. In the
manufacture of the engine alone
there are hundreds of separate in-
spections. Pistons are matched in
sets to within one-half ounce. Piston
pins must be within 1½ tenths of one
one-thousandth of their specified
size. Connecting rods are matched
to within one-quarter ounce and are
individually fitted by hand. The
special alloy-steel crankshaft is the
subject of truly amazing care and
precision in manufacture and can-
not vary from perfection in balance
more than ½ inch-ounce!

These few examples of Chevrolet
standards indicate the care used in
the manufacture of every part of the
car. Soundly built to serve you long
and well! No compromise with
quality means no compromise
with satisfaction in ownership.

ness Office. Installations will be made promptly.

SASHABAW PLAINS

Mr. and Mrs. John Poole, of Holly, spent Saturday with the former's sister and husband, Mr. and Mrs. C. K. Phillips.

Mrs. Pelzer and son, Albert, of Canada, were Sunday visitors of Mr. and Mrs. George Stanaback.

Mrs. S. T. Beardslee spent Saturday with her granddaughter, Lillian Beardslee.

Mr. and Mrs. J. C. Pitlock and Mrs. C. B. Steele arrived at Merrie Oakes from Chicago on Monday afternoon to spend a few days as the guests of Mr. and Mrs. William McMahan.

Mrs. E. Hodges, Mrs. L. Ewart and Mrs. Frank Harter, of Pontiac, called on Mrs. E. Maybee Sunday afternoon.

Mr. and Mrs. Williamson and family have moved into the house recently vacated by Walter Barret.

Mr. and Mrs. Earl Steinetz and daughter, Ila, and Mr. and Mrs. L. Ferguson, of Detroit, visited their mother, Mrs. V. Ferguson, Sunday.

Casper Beardslee and sons, Earl and Ray, and daughter, Lillian, and John O. Beardslee had dinner Sunday with Mr. and Mrs. S. T. Beardslee.

Mr. and Mrs. Henry Moesta, Miss Margaret Moesta, Mrs. Elmira Miller, Miss Evelyn and Master Bobby Miller, all of Detroit, were dinner guests at Merrie Oakes, the home of Mr. and Mrs. William McMahan, last Friday evening.

Harry Doran, of Detroit, was the dinner guest of Mr. and Mrs. E. V. McMahan on Monday evening.

Mr. and Mrs. Bert Goodrich and family are mourning the loss of their valuable dog, which was killed when run over by Alfred Ferguson last Friday.

Mr. and Mrs. E. V. McMahan and daughter, Babsy, spent Wednesday in Detroit.

Mr. and Mrs. S. T. Beardslee and Mr. and Mrs. Grant E. Beardslee attended the funeral of the latter's uncle, James K.

"Try Benzol for Ford Cars"

Voorhees, at Pontiac last Friday.

Mrs. B. Sorles, of Pontiac, and Mrs. D. Lang, of Rochester, N. Y., called on Mr. and Mrs. Grant E. Beardslee Tuesday evening.

On Saturday Mrs. Eldridge Hitt, of Detroit, called on Mrs. Grace Tyndall at Merrie Oakes.

SEYMOUR LAKE

Farmers are very thankful for the recent rain.

Mr. and Mrs. Ray Winns, of Saginaw, called on Mrs. Lee Porritt Monday.

Milton Miller is driving a new Ford.

Mr. and Mrs. H. D. Seeley, of Holly, were Sunday guests of Mr. and Mrs. Martin Beardsley.

Mr. and Mrs. George Boyce, of Detroit, and Mr. and Mrs. Lee Porritt and son, Bill, spent Sunday at the Porritt farm.

Alex Solley is driving a new well on his dairy farm.

Mr. and Mrs. William Walstead, who have been spending the winter in Florida, are expected home May 1.

Mr. and Mrs. William Buzzard, of Clarkston, visited Mrs. Sam Sherwood Sunday.

35 young people of this community met at the Seymour Lake School Wednesday evening and formed a 4-H club to be called the C-More 4-H Booster Club. Charles Brooks is leader, Burrus Bastido president, Irene Miller vice-president and Cleabelle Flink secretary-treasurer.

ORTONVILLE

Mr. and Mrs. Walter G. Marsh, who have spent the winter months in Pontiac, are returning this week to Orchard Crest farm.

Dr. C. E. Marsh has been appointed health officer for Groveland township.

The Boy Scout troop was inspected Wednesday evening by County Scout Commissioner Ralph Van Waggoner, of Oxford, and was rated 100 per cent. A hike is planned for Sunday, with Vern and Arthur Hutchings in charge of arrangements.

The Scout ball team will play a rural Davisburg school in the near future and are open for games with other scout troops or teams of their age and rating.

FAILING WINDOW SHADES are an obvious indication of a house going to seed. It's a mighty fine plan to have Winglemire's (Holly) install new, clean shades this spring.

DRAYTON PLAINS

Mr. and Mrs. W. E. Oakes spent the week end in Saginaw. Glenn Featherstone is confined to his home by illness.

Wilma and Alice Sipperley, of Monroe Ave., are recovering from chicken pox.

Archie Dorey and family have moved from Meinrad Dr. to Warren Dr.

The Boy Scouts will meet in the church parlors each Tuesday evening from 7:30 to 9:30 p. m.

A. E. Bradbury is installing a new 1,000-gallon tank and making other improvements at his service station.

Richard Linn, manager of the A. & P. Store, and family have moved from Warren Dr. to Meinrad Dr.

The play, "Beads on a String", played to a full house last Friday night in the school auditorium.

WATERFORD

Remember, townsfolks, this week is "Be Kind to Animals Week".

Lee Nelson, of Minneapolis, Minn., was the guest for two days of Mr. and Mrs. Frank Byrne Fox, of Grand River Avenue. One evening was spent at Old Mill Tavern, where a delectable dinner was served.

Mr. and Mrs. Judson P. Grow are returning home from Mt. Dora, Fla., the first of May. Mrs. Grow will stop at Lansing, Mich., to visit her sister, Ethel Burton, for a few days. Mr. Grow will come directly home.

Mrs. C. M. Khaler and children, Clarice Ann and Billy Boy, spent one day last week in Detroit, where they were guests of their aunt, Mrs. Lyons. In the afternoon they attended the Fox Theatre with their daddy and aunt. The show was especially interesting as one of the special features of the stage show was filled by their niece, Miss Adele Mae Kahler, four years old, who will complete the season in New York City after leaving the Fox.

Mrs. Moore, who spent the winter in Biloxi, Miss., returned to Waterford recently.

Al Smith, of Detroit, visited at the home of his parents, Mr. and Mrs. Emery Smith, of Andersonville Road, over Sunday.

George Attwater, Laurence Harrup and Jack Pratt went to Flint on Sunday afternoon, where they called at the home of Miss Edna Davis, who is ill. Miss Davis was a former teacher in the Waterford School.

Dr. and Mrs. Fred Thompson, who have been in Mt. Dora, Fla., all winter, are en route home by motor. They will visit their son, Frederick, and family, on their way north.

Frank Byrne Fox, of Maple Leaf Lodge, has returned from Mt. Clemens, Mich., where he was called on business. He was accompanied by his nephew, Robert Taft, of Pontiac, who is his assistant on the sales Mr. Fox conducts thruout the U. S. A. and Canada.

BAILEY LAKE

Mr. and Mrs. E. V. Bailey, Bernadine and Christine, Clarke Miller and Glenn O'Berry were Sunday guests of Leland Hay's, in Detroit.

Mr. and Mrs. Osborne, of Columbiaville, were Sunday guests at George Miller's.

Mrs. August Doeblir is on the sick list.

Bernadine and Christine Bailey spent Wednesday with Marjorie Roehm, of Utica.

Miss Beryl Braendle has accepted the school for another year.

WATERFORD

L. V. Van Syckle is on the sick list.

Jack McCaffery is confined to his home with chicken pox.

Mrs. Jennie Forman, of Birmingham, spent Tuesday with Mrs. R. J. Beattie.

Miss Betty Campbell, of Andersonville Road, has been ill for several days with tonsillitis.

Mrs. Molton and family, of Maine, arrived in Waterford last week to be with her sister, Mrs. Roy Blakeslee, of Mill St.

Rev. and Mrs. H. A. Huey were in Detroit Wednesday attending a 6:00 o'clock dinner at the home of Mr. and Mrs. O. Spaulding.

Mr. and Mrs. Curtis and family, who have lived on the Dixie Trail, moved Saturday from the house there to one located on the west of the Dixie.

Charles Bump, of Biloxi, Miss., came to Waterford the latter part of the week to spend the summer months at his home here.

Arthur Perrin, of Little Rock, Ark., came Saturday night and spent several days at the home of Mr. and Mrs. H. H. Pratt, of Andersonville Road. Mr. Perrin returned to Detroit on Tuesday night.

Bob Huey celebrated his thirteenth birthday, Monday, April 20, with a six o'clock dinner for a few of his schoolmates, including Charles Harris, David Mehler, Raymond Sonntag, Walter Perry and Bernard McCaffery.

Mrs. E. C. Paulus, of Lilac Cottage, was a guest of her niece, Mrs. R. W. Lyons, of Ferndale, for the week end, where she attended the meeting of the Michigan Relief Corps 257.
