VOLUME II. NO. 41.

CLARKSTON, MICHIGAN, FRIDAY, JUNE 12, 1931

WHOLE NUMBER, 93

## CLASS TO RECEIVE DIPLOMAS JUNE 18

### Next Week Is Commencement In Clarkston High School

Two important events are listed for the coming week, which will close the year's activities at the Clarkston School.

Class night belongs to the graduates, when they may tell of the past, present and take a peep into the future.

Commencement night always seems to belong just a bit more to the Board of Education and faculty. A speaker gives the graduates the last word of advice, and they pass in line before the Board of Education, who proudly present the diplomas to the finished product.

### Class Night, June 17

Processional, "Flag of Truce" (Larndau).....Orchestra  
Invocation.....  
Salutatory.....Jerry Cell  
Songs.....Double Quartette  
(a) Over the Summer Sea (Verdi)  
(b) Commencement Song (Murray)  
Class History.....Clark Miller  
Class Oration.....Lawrence Grate  
Instrumental Music.....Sextet  
(a) Overture (Fillmore)  
(b) Songs That My Mother Taught Me (Dvorak)  
Class Song, "Sail On, Oh Ship".....  
(Music by Robert Jones  
Words by Lewis Warden)  
Class Will.....Gordon Parker  
Song, "Ye Old Time Songs".....  
Male Quartette  
Class Prophecy.....  
Jane Sweet, Irene Crew  
Giftatory.....Gladys Ross  
Instrumental Music.....  
King McIntyre, Max Soulbly  
(a) Simple Aveu  
(b) Homeless (Arthur)  
Valedictory.....Kathleen Boice  
Benediction.....

### Commencement, June 18

Processional, "United Liberty".....  
Invocation.....  
Vocal Solos:  
(a) Down at the End of the Garden.....Brahe  
(b) Sorter Miss You.....Smith  
Gwinevere Gador  
Address.....  
Rev. W. H. Aulenbach,  
Christ's Church, Cranbrook  
Instrumental Music:  
(a) Reminiscences.....R. Schumann  
(b) Minuet.....Mozart  
Presentation of Diplomas.....  
Earl Walter,  
Secretary, Board of Education  
Vocal Solo (Selected).....  
Manley Walter  
Benediction.....

## GOOD WILL CLUB MEETS AT WATERFORD TODAY

Mrs. Andrus Bradley, of Waterford, will be hostess today to the Good Will Club at her home on Maple St. A one o'clock luncheon will be served at a table of beautiful appointments, followed by the program and business meeting. Roll call will be responded to by giving something about the flag. A program on events of June will be given by the various members of the club.

## AMERICAN INDIAN TOPIC OF MEETING

### Red Man Discussed by Ladies of D. P. Missionary Society

The Drayton Plains Missionary Society held its regular meeting Tuesday evening, June 9, in the church parlors, with twelve members present. The meeting opened with singing, "Christ Shall Have Dominion", and Mrs. Lloyd Bowden took charge of the devotional period, reading from Ezekiel 34:2-5-11-12-29 and following with prayer.

The following topics were given: "Our Original Americans", by Mrs. Frank Jones; "The Indian and the Government", by Mrs. Lou Koop; "The Indian and the Church", by Mrs. Roy Saiter; "Our Indian Missions", by Mrs. A. E. Barnhart, and "Obstacles", by Mrs. W. J. Appleton.

In the absence of the president, Mrs. Elizabeth Jencks took charge of the business part of the meeting. The reports of the secretary, Mrs. Bowden, and the treasurer, Mrs. Adam Solomon, were read and accepted. Roll call was answered with verses from the Bible and the meeting closed with short prayers by Mrs. Barnhart, Mrs. Koop and Mrs. Jones.

The next meeting will be held July 14 and refreshments will be served.

## CLARKSTON POSTMASTER HAS SOMETHING TO SAY

A recent order of the Post office department reduces the hours of employees in post offices to 44 per week. To put the regulation in effect a different schedule of hours of work must be adopted. The suggestion has been made to a committee of postmasters in charge of the matter, of which Floyd C. Andrews, of Clarkston, is a member, that all post offices in this area adopt closing on Saturday afternoons. Mr. Andrews authorizes us to state, however, that the Clarkston office will not be closed Saturday afternoons, no matter what other offices may do. This attitude we are confident will meet with the approval of the patrons of the office.

## COMMENCEMENT IS HELD AT WATERFORD

### And Picnic Today Will Mark the Close of 1930-1931 Year

This is Commencement week of the Waterford school, and a class of 12 received their diplomas Thursday night. They were Muriel Bailey, Doris Bowen, Frederic Chamberlain, Laurence Harrup, Georgia Johnson, Einar Kropp, Ethel Martens, Julia Moore, Evelyn Perry, Ruth Perry, Betty Slusser and Roberta Virgin.

The commencement address was given by Mr. Leonard, of Pontiac, assistant county superintendent of schools. Musical numbers consisted of a March, played by Mr. and Mrs. E. Preble; and a song and an instrumental selection by the Class of '31. Einar Kropp delivered the salutatory and Betty Slusser was valedictorian. The invocation was offered by Rev. H. A. Huey and he also pronounced the benediction.

On Wednesday evening occurred the banquet given to the 10th grade by the 8th and 9th grades, and the Class Night exercises, the program of which was as follows:

Invocation, Rev. H. A. Huey.  
Introduction of Mr. King, toastmaster, by R. C. Lunger.  
Short toast by ninth grade boy, Marion Bauman.  
Answer by 10th grade boy, Einar Kropp.  
Readings, Roberta Virgin.  
Class History, Ruth Perry and Muriel Bailey.  
Class Prophecy, Doris Bowen, Julia Moore and Laurence Harrup.  
Class Will, Evelyn Perry.  
Benediction, Rev. H. A. Huey.  
The banquet and program were greatly enjoyed by all present, including the teachers and parents as honor guests. The decorations were in the class colors, pink and green.

School will close Friday with a picnic on the school grounds, and promotion exercises between 1 and 2 o'clock.

## LEGION AUXILIARY MET AT HOME OF MRS. CRAVEN

The ladies of the American Legion Auxiliary met on Thursday evening, June 4, at the home of Mrs. Percy Craven at Clarkston. Roll call was answered by all but one member, and one new member, Mrs. Newlands, was registered under charter membership. The ladies are anxiously awaiting their charter from headquarters.

After the business meeting dainty refreshments were served, Mrs. John Shaughnessy assisting the hostess.

The July meeting will be held at the home of Mrs. Henri Buck at Waterford, Mrs. Elmer Collins assisting. Most of the members are planning on spending at least one day at the American Legion Convention in Pontiac, July 2, 3 and 4.

Charles Simerson, a former resident of Clarkston, but now of Caro, is visiting friends here this week.

Ludwig Visgatis, of Chicago, arrived recently and will make his home with his brother and family, Mr. and Mrs. John Visgatis, and will assist at the gas station.

## SILVER WEDDING IS MADE FINE EVENT

### Mr. and Mrs. Alfred Gale Given Surprise on 25th Anniversary

Tuesday, June 16, was the 25th wedding anniversary of Mr. and Mrs. Alfred Gale, of Waterford. In honor of this event about fifty of their neighbors and friends gave them a surprise party in the evening at their pleasant farm home in the west part of the township. It was a complete surprise, no inkling of the affair having been received by Mr. or Mrs. Gale. The evening was delightfully spent at 500 and in other social diversions, and a bountiful repast was served, the guests having come liberally supplied with good things to eat.

Mr. and Mrs. Gale have always lived in the community and are held in high esteem by all. Mr. Gale was for several years supervisor of Waterford township, an office he filled with distinct credit. The News is pleased to add its felicitations extended to the worthy couple on their silver wedding anniversary.

## MISCELLANEOUS SHOWER HONORING MISS M. KING

Miss Mildred King, of Williams Lake Road, was honor guest at a miscellaneous shower given on Friday night by Mrs. A. Wyckoff, Mrs. A. McCaffery and Mrs. Joseph Helman at the latter's home. The evening was spent very enjoyably in the game of "Bug". Mrs. A. Merten received high score and Mrs. H. Van Welt low score. Dainty refreshments were served by the hostesses. The guest of honor received many lovely gifts which she will be enjoying.

Those present at the shower were Miss Mildred King, Mrs. P. King, Mrs. Fred Muller, Mrs. Harold Walter, Misses Margaret and Eloise Miller, Mrs. H. Van Welt, Mrs. Robert Beattie, Mrs. A. Jacober, Mrs. A. Mertens and Mrs. George King.

## RECORDS BROKEN ON GOLF COURSES

### Startling Performances Are Reported on Nearby Courses

A hole in one and an eagle comprise the high lights of the news from the golf courses in this locality during the past week. The one-shotter was performed on the Twin Lakes course Monday and the lucky player was Frank Perkins, of Pontiac. Using a driving iron he sunk the ball on the fourth hole, a distance of 175 yards, using the new ball. The feat was verified by two companions.

Another record was also set at Twin Lakes the past week, when Glen Wilson, also of Pontiac, made a new course record as an amateur. Playing in a foursome he made the nine holes in 36, which is one under par. His record card was the best ever turned in there, although there are other players who claim to have equalled it. Wilson plays regularly over the Twin Lakes course and is always in condition.

Jack Winney, pro at Twin Lakes for the past three years, has a record of 33 for the first round and 67 for 18 holes. Par for the course is 74.

The handicap tournament at Twin Lakes is now in progress with a large number of entrants. Eight prizes of clubs and balls are being offered.

Will Vliet, of Clarkston, playing at the Thendara course in a foursome with L. Chamberlain, Will Dunston and Morgan Gilbert, Sunday afternoon, got an eagle on the long par 5 8th hole. With a perfect drive followed by a long, straight brassie shot he was on the green in two, eight feet from the cup. One putt put him in. This is the first time an eagle has ever been secured at this hole.

Miss Mary Miller, a student at Albion College, is home for the summer vacation.

## TEACHING FORCE AT D. P. TO BE LITTLE CHANGED

The corps of teachers for the Drayton Plains schools for the coming year is now completed. There will be eleven members of the faculty, including the superintendent. Only one new teacher is in the list, Miss Eileen Graybiel, who will be English instructor. The complete list is as follows:

Superintendent—C. A. Gordon.  
Science and Coach—Hugh Carson.  
Mathematics—Elizabeth Purdy.  
English—Eileen Graybiel.  
6th Grade—Lucile Amstden.  
5th Grade—Elizabeth Jencks.  
4th Grade—Lillian Everett.  
3rd Grade—Selma Ryan.  
2nd Grade—Grace Bentley.  
1st Grade—Margaret Lockhart.  
Kindergarten—Ardice Grice.

## CLARKSTON FARED WELL ON FIRST TRY

### High School Athletes Participate in Sectional County Meet

Last Friday the Clarkston High athletes journeyed to Milford where the Southeastern Oakland County League held a track meet.

It was Clarkston's first entry into a meet of this kind for a number of years. The local lads did very well when everything is taken into consideration. Being a small school and baseball taking up most of the time the boys had but a week's training. Nevertheless several of the boys earned places in a number of events.

In the first event, which was the hundred yard dash, Clark Miller placed third or fourth and the judge failed to notice him across the line. In the 220-yard dash Bruce Coryell was able to win third place. Erwin Vallad placed third in the half mile run, Lewis Warden second in the shot put and Gordon Parker tied for fourth place in the high jump.

Walled Lake was able to win their fourth championship for this year, adding the track crown along with football, basketball and baseball. Keego Harbor was a very close second and Milford third.

Many of the previous year's records were broken. Among them were: 100-yd. dash, 10.3 sec.; 1 mile, 5 min. 26 sec.; 440-yd. dash, 56 sec.; high jump, 5 ft. 4 in.; broad jump, 19 ft. 6 1/2 in.

Most of the boys representing Clarkston have a year or more to compete and with a longer training season should be able to make a very good showing.

The High School wishes to thank all who followed and helped support the year's program. They feel that the followers of the sports play an important part in the shaping of the teams.

## CHILDREN'S DAY IS NEXT SUNDAY AT WATERFORD

Children's Day exercises will be held Sunday at the Waterford Sunday School at 10:30. A fine program has been planned by the teachers, made up of readings, songs, dialogues and music. The parents of the children are most cordially invited to attend. Everyone will be given a hearty welcome. A short Sunday School session will take place. The decorations are in charge of Miss Mae Beattie, who was instructed to name her own committee to help her in these arrangements. Donations of flowers will be greatly appreciated.

## YOUNG LADY INJURED AS CAR AND TRUCK COLLIDE

A collision between a passenger car and a gravel truck near Lakeview cemetery Thursday morning resulted in severe but not serious injuries to the driver of the car, Miss Carrie Nell Merritt. She was thrown forward against the dash board and received several minor cuts and bruises.

## CHILDREN'S DAY AT D. P. AND CLARKSTON

### Program Rendered and One Still to be Given Sunday Noon

The following program will be given at the Children's Day exercises at the Clarkston M. E. Church, at 12:00 noon, Sunday, June 14:

Song.....Congregation  
Prayer.....Rev. R. H. Prouse  
Duet, "How Do You Do".....  
Phyllis Buckweitz, Gwendolyn Prouse  
Recitation, "Welcome".....  
Dorothy Buckweitz  
Song, "Hail Children's Day".....  
Two S. S. Classes  
Solo.....Daniel Addis  
Recitation.....Jack Skarritt  
Exercise, "Love".....  
Four Primary Children  
Recitation, "A Bright Idea".....  
Marylyn Tucker  
Exercise, "God's Little Children".....  
Primary  
Song.....Two S. S. Classes  
Exercise, "My Wish".....  
Three Little Girls  
Recitation.....Kenneth Skarritt  
Pansy Exercise.....Five Little Girls  
Solo, "Wake Up".....  
Marjory McFarland  
Remarks.....Pastor  
Offering.....  
Recitation.....Beverly McFarland  
Exercise, "June".....Four Girls  
Recitation.....Milton Fiske  
Recitation, "A Square Deal".....  
Pearl May Prouse  
Song, "Shadows".....Two S. S. Classes  
Duet, "Farewell".....  
Phyllis and Gwendolyn  
"America".....Congregation  
Benediction.....

The following Children's Day program was given last Sunday at the Drayton Plains Community United Presbyterian Church: Prelude, "Grand March".

Invocation.  
Bible Songs Hymnal No. 128.  
Scripture.....Joseph Jencks  
Prayer.....Supt. of School  
Song, "Unto God Our Saviour".....  
Primary Dept.  
"Welcome".....Cradle Roll  
Infant Baptism.....  
Exercises.....Primary Dept.  
"God Is Truth and God Is Love".....  
Happy Group  
"Verses in the Kitchen".....  
Sunshine Class  
"Some Boys of the Bible".....  
Junior Boys  
Song, "Joseph in Egypt".....  
Exercises.....Junior Girls  
Song, "Suffer the Children".....  
Primary Dept.  
Report of the Bible School.  
Announcements.  
Offeratory.  
Solo.....Miss McMillan  
Pastor's Message.  
Anthem, "More Love to Thee, O Christ".  
Bible Songs Hymnal No. 42, "Children Come".  
Benediction.  
Postlude.

## GROVELAND GIRL IS BRIDE OF ORTONVILE YOUNG MAN

The marriage of Miss Leone Elizabeth Leonard, of Groveland township, daughter of Mr. and Mrs. Arthur Leonard, to Earl Rhinevault, of Ortonville, occurred at the Methodist Episcopal parsonage in Ortonville, Friday, June 5. The pastor of the church, Rev. L. Ostrander, performed the ceremony. Mr. and Mrs. Rhinevault, after spending a short honeymoon at Houghton Lake, will live on the Leonard farm, where they have built a new home near the home of Mrs. Rhinevault's parents. Mr. Rhinevault will run the farm.

## 5,000 CARS A DAY IS AVERAGE TRAFFIC

### Check-up Shows That Many Go Through Here in 24 Hours

Traffic officers stationed at various points in this vicinity obtaining statistics on the amount of travel in both directions on the Dixie Highway and M-15, report that the number of cars checked each day is steadily increasing. At present with thru traffic on the Dixie corner or at the Canteen to M-87 thru Holly, and no traffic at all except that strictly local north of the Canteen to the Genesee county line, the number of cars passing thru Clarkston each 24 hours varies from 4,000 to 6,000. After the Dixie is reopened there will likely be a decrease in these figures, but no startling reduction as M-15 offers a decided advantage to all persons going north of Flint. It is a shorter route and avoids the congested traffic in Flint. Perhaps the time will come when M-15 will also have to be repaved to twice its present width.

## WATERFORD GIRL VICTIM OF ACCIDENT NEAR HOME

Phyllis Jean McLintock, 7-year-old daughter of Mrs. Cleo McLintock, of Waterford, was badly bruised and cut about the face when she was struck by a car Tuesday morning.

The little girl was waiting for the school bus on the Dixie highway at Silver Lake road intersection when her mother called to her from the opposite side of the street. She ran directly in front of a south bound car. She was taken at once to the City Hospital where her injuries were reported as painful but not serious. It is to be regretted that this unfortunate accident should occur during the last week in school after a year of constant vigilance.

## BASEBALL RESULTS ON LOCAL FIELDS

### Waterford Won From Drayton Plains In 10-Inning Game

Weak hitting in the pinches was responsible for the defeat of Drayton Plains by the Oakland Dairy, Sunday. It was a good game, however, as the score of 3 to 1 indicates. The Drayton boys had plenty of opportunity to score but the needed punch was lacking. The visitors from Pontiac scored once early in the game, and it was not until near the end that they made the other two runs. Next Sunday the Gauss Bakery, of Pontiac, will play at Drayton Plains.

Emulating the Detroit Tigers, the Airport team is now in a slump, but with new men promised for the lineup, a return to winning form is anticipated.

On the Baldwin Avenue field last Sunday the Airport boys took the short end of a 9-2 score, playing Gillingville, Gillette and Laurence were the Airport team battery.

The game next Sunday will be on the Airport diamond with the Shoemaker team of Detroit.

The Junior Airport team played Elizabeth Lake Thursday afternoon on the diamond opposite the Waterford School. The News goes to press too early to learn the result. The Juniors are all under 20 years of age and all local boys.

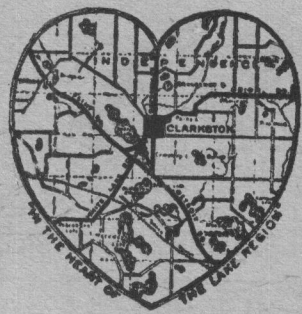

## Waterford and Drayton Plains met at Waterford Sunday, and after a fierce struggle all the way for 10 innings the home team emerged victorious by a score of 6 to 5. At the end of the eighth inning Drayton Plains was leading, 4 to 3, but Waterford tied it up in the ninth, only to see their opponents pull ahead again in the tenth. With one run necessary to tie and two to win, Waterford put on a rally in the last half of the tenth and by bunching hits scored two runs, making the final score, Waterford, 6; Drayton Plains, 5.

Walter Barkham pitched the whole game for Waterford and George Attwater caught. Barkham twirled a strong and heady game and in addition it was his bat that drove in the winning run. Beals and Vallad were the Drayton Plains battery and the former was a worthy opponent for Barkham.

Waterford will play at Round Lake next Sunday. A good game is expected as neither team has lost a game this season.

## S. S. CLASS HAS BUSINESS AND SOCIAL GATHERING

Twenty members of the Prouse Progressive class of the Clarkston M. E. church met Wednesday evening in the church parlors for their monthly social and business meeting. A very fine lunch was served at 6:45, after which a business meeting was held. Mrs. Howard Huttenlocher was elected president of the class and Miss Ada Scrase secretary and treasurer. After the business meeting games were enjoyed and all had a very enjoyable evening. The next meeting will be a picnic on July 8 in charge of Mr. Huttenlocher.

CLARKSTON, MICH., JUNE 12, 1931

**AUXILIARY NOT TO MEET IN SUMMER**

**Final Meeting of Year Was in Nature of Birthday Party**

The Ladies' Auxiliary of Waterford held their final meeting for the year until September on June 4 in the church parlors. This was in the nature of a birthday party. At the May meeting the Auxiliary was divided into the "Radium" and "Sunbeam" parts, the former headed by Mrs. A. Walter as captain and the latter by Mrs. Cary Terry. The hostesses for the affair were Mrs. Elmer Collins, Mrs. A. Walter, Mrs. N. R. Sinift and Mrs. M. Hinkley.

Two long tables were decorated to seat the guests. The "Sunbeams" and their guests were placed at the table decorated in pink, the center graced by a "lovely lady" in pink holding a chest into which the birthday money was placed. The "Radiums" were seated with their guests at a table decorated in yellow, the center graced by the lady in yellow who also held a chest in her hand. When the chests were opened the Sunbeam side was in the lead. This is the start of the contest which will go on thruout the summer.

Following the luncheon stunts and games were held under supervision of Mrs. H. A. Huey. One which afforded a great deal of amusement was where each person had to sing a song, tell a story or pay a dime.

Three readers added much to the pleasure derived from the party. Mrs. William Jones, of Clarkston, was heard in three readings, one of which she gave by request, being one given years ago when Mrs. Jones belonged to the Ladies' Aid. "The Church Organization" it was called. Miss Roberta Virgin gave two readings, "I Sparkled" and "When I Say My Prayers". Miss Joyce Hinkley, a pupil of Miss Virgin, was heard in two readings. Joyce's first appearance before this crowd was fine. Miss Roberta is always much enjoyed.

Two ladies joined the auxiliary, Mrs. Charles Roehm and Mrs. R. Smithson, both joining the Radium side.

Guests were present from Waterford Center, Clarkston, Lennon, Pontiac, Grand Blanc and Clarkston Station.

**CHILDREN'S DAY WILL BE OBSERVED AT DAVISBURG**

The following Children's Day program will be presented in the Davisburg M. E. Church, Sunday evening, June 14, at 7:30 o'clock:

- Hymn.....Congregation
- Prayer.....Rev. Edward Bickford
- Piano Solo.....Marion Emory
- Recitation.....Ardith Hansard
- Song.....
- Marjorie Wagner, Mary Ann Bowen
- Recitation.....Norris Walls
- Drill.....
- 4 girls from Mrs. Pennel's class
- Recitation.....Ruth Hansard
- Song.....Mrs. Fred Walls' class
- Violin Solo.....James Crawford
- Sunshine Drill.....Mrs. Fred Walls' class
- Recitation.....Doris Farmer
- Cradle Roll.....Mrs. Edward Bickford
- The Hidden Treasure.....Junior classes
- Collection.....
- Remarks.....Rev. Edward Bickford
- Benediction.....

Delivery before 6 a. m.  
COTTAGE CHEESE  
Special  
GUERNSEY MILK

**COMMUNITY CLUB HOLDS LAST MEETING 'TIL FALL**

The Waterford Ladies' Community Club will hold their June meeting, which is the last one until the Fall, at the home of Mrs. A. A. Seeterlin Thursday, with a pot luck dinner at one o'clock. Mrs. Ada Brown will assist Mrs. Seeterlin. The program is in charge of Mrs. Tiffany, Mrs. William Norrie and Mrs. Mann.

**HAY CURING TO BE SUBJECT OF SHOW**

Demonstration Will Be held at Jess Moore Farm, June 19

With the increasing alfalfa acreage in Michigan there will probably be an increased shipment of alfalfa hay to points outside the state. One dealer in Charlevoix county reports that his firm handled over fifty cars of alfalfa during the past winter. Much of this came to points further south in Michigan, while some was shipped out of the state.

Hay, like many other products, is being sold more and more according to the grade. Green, leafy alfalfa hay commands a better price than hay where one-half the leaves have been lost.

At the hay-curing demonstration to be held at the farm of Jess Moore, Oak Hill Road, on June 19, the matter of grades of alfalfa will be explained. There will be an exhibit of samples showing the differences in the grades. This should be of interest to all hay-makers whether they put up alfalfa hay for their own use or for sale. The better the quality or grade the higher the feeding value.

The demonstration to be held on the Jess Moore farm is being planned to show how it is possible for practically any farmer in Oakland County to put up a grade of hay which has retained a large proportion of the leaves.

**CONTROL OF WEEDS WILL BE SUBJECT OF MEETING**

There is a patch of weeds on the farm of Don Clark, White Lake Road, that looks mighty sick. It is doubtful whether it will recover. All those interested are asked to gather around this spot at 7:00 o'clock on June 16. County Agricultural Agent K. D. Bailey will introduce P. R. Miller, Farm Crops Extension Specialist from Michigan State College, who will explain in detail just what chance there is of making more weeds look the same way.

If you have any weeds which you want identified bring them with you to the meeting. Many of our worst weeds get a foothold in a community just because we paid little attention to them when there were just a few of them.

How can quack grass be controlled? This and other questions pertaining to weeds will be answered at the meeting.

Similar meetings will be held at the farms of William Crawford, 2 1/2 miles south of Milford, and Floyd Lowery, 2 1/2 miles northwest of Clarkston. These meetings are for anybody who is interested in the control of weeds.

**4-H CLUB PROGRAMS ARE TO BE SENT OVER THE AIR**

A series of three programs are to be broadcast from Washington, D. C., over WJR on June 18, 22 and 28 from 1:00 to 1:20 Eastern Standard Time, according to M. H. Avery, County Club Agent. All 4-H leaders and club members in the county will be interested in hearing these talks on 4-H work by club members and leaders. The Washington camp is made up of outstanding 4-H club members from each state in the Union and is held each year in June on the Capitol grounds at Washington, D. C.

The talks broadcast will be as follows: June 18, a tribute to the veterans of 4-H Club work; June 22, representative boys and girls will give their impressions of the camp to the folks back home; June 28, 4-H Club members discuss the problem of modern youth. If you haven't a radio, plan to visit a neighboring club member who has.

**YOU CAN'T BEAT OUR RUGS.** Excellent 9 by 12 velvet rugs as low as \$990, \$75, \$31.53. Winglemire's Warehouse, Holly.

Clarkston News, \$1.00 a year.

**SPRAYING ADVICE SENT TO GROWERS**

County Agent Tells Them How to Prevent Loss of Fruit

K. D. Bailey, County Agricultural Agent, sends the following spraying advice to Oakland County fruit growers:

With the last of the "shucks" falling from the fruit, peaches should be treated at once for curculio. Dust with 5 per cent lead arsenate in lime or an 85-5-15 (sulphur-lead-lime) mixture. For liquid spraying use 2 pounds lead arsenate and 10 pounds fresh hydrated spray lime for 100 gallons. Dust and spray lightly to avoid injury. Unsprayed orchards show that peach leaf curl offered a late threat that was not expected this season.

After the hard rains of recent weeks, it is essential that a fresh spray or dust be applied for brown rot and also feeding and egg laying by curculio. Watch trees frequently for the small plum aphid on the new shoots.

Late rains caused a mild infection of cherry foliage. An application carrying fungicides and insecticide, 10 days to two weeks after petal fall, should not be neglected. Use the weak strength of lead arsenate as recommended in 1931 Spray Calendar, along with your favorite fungicide. Never spray sweet cherries when temperature and humidity are above 85 degrees Fahrenheit.

Apples and pears. The rains have shown a heavy infection of foliage and fruit stems, noticeable last week in many orchards, and diluted poison in calyx cups. Therefore, consider fungus protection and renewal of fresh poison before all calyx cups are closed. Remember that worm-drop-fruit during June show that 50 per cent of first brood worms have entered through the calyx. Keep poison in the calyx until they close and prevent many late worms resulting therefrom.

Do not omit the application called for ten days after the calyx application, especially if scab can be found on foliage.

As soon as the petals fall from quince trees, spray at once with 3-5-100 Bordeaux plus 3 pounds lead arsenate powder. Black spot, curculio and calyx worms will be present.

Use a 4-8-100 Bordeaux plus 3 pounds of lead arsenate powder for black raspberries for anthracnose, beetles and saw-fly worms.

Use 4-8-100 Bordeaux plus 3 pounds lead arsenate powder on red raspberries. If mites were

troublesome last year, add one gallon of a summer oil such as Volck or Verdol to the above mixture. If mites are in evidence spray again within five to seven days using 1 gallon of Volck or Verdol in 100 gallons of water. Spray from a low position with a fine high pressure spray.

As grape shoot growth reaches 8 inches, apply 8-12-100 Bordeaux. Poison is not necessary in this first application. Make a second application, including 3 pounds of lead arsenate with Bordeaux mixture, just before the bloom, for rot, mildew and berry moth. When rose-chaffer beetles appear, use 5 or 6 pounds of lead arsenate plus 1 gallon of low grade molasses to each 100 gallons of mixture. Be on the watch for grape root worm beetle work and for symptoms of dead-arm disease.

**SHOW BEST WAY TO HARVEST ALFALFA**

Demonstration Will Be Put On by State College Department

East Lansing, June 11.—It takes good weather to make hay, but hay which is left in the swath over two hours before it is raked is apt to lose considerable of its value as feed, is the statement made by members of the farm crops department at Michigan State College, who have arranged a series of hay curing demonstrations in 25 counties to show the difference in value of hay cured in the swath and that cured in the windrow.

The quality of alfalfa hay depends upon its color and the percentage of leaves retained until it is placed in the stack or mow. Livestock eat the leaves readily when they neglect to eat all the stems especially if these are coarse and woody. The leaves also contain a higher percentage of protein than the stems.

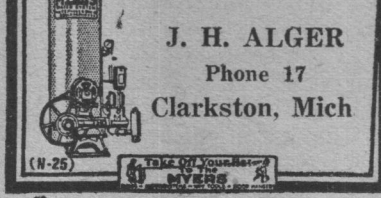

Part of the Michigan alfalfa hay crop is sold on the eastern markets and the farm crops department at the College received inquiries from buyers last year

**Nobody Wants to Pump and Carry**

THOUSANDS of farm and suburban homes will be modernized this year by the installation of a reliable water system. Thousands of families will let a few cents worth of gasoline or electric power per day free them forever from the endless task of carrying buckets.

**MYERS Water Systems**

are built to meet every need and condition of the country or suburban home. They give you, at lowest possible cost, the infinite comfort and convenience of fresh running water always on tap. Designed for operation by hand, windmill, gasoline engine or electricity. Capacities up to 10,000 gallons per hour. Trouble proof, durable, practical—guaranteed by the world's foremost pump manufacturers.

**ELECTRIC TRUCK TO VISIT THE COUNTY**

All Kinds of Service Will Be Shown in Demonstrations

The development in farm electrification in Michigan has been very rapid during the past two years. In 1930 over 5,000 farms were connected to high line service and hundreds of miles of farm lines will be constructed in 1931.

A few years ago farmers regarded electricity as too expensive for farm use but under actual operation electricity has been found to be one of the cheapest sources of power that can be used on the farm and the farmer who now has electricity is most enthusiastic about its use.

In Oakland county farm lines are extending in every direction. Farmers are taking advantage of the liberal farm line construction policy and the cheap energy rates and are cooperating in getting electric service in their community.

To use electricity to the greatest advantage it is essential that some of the fundamental principles of electric service be understood, such as good wiring, the right kind of equipment, the proper size of motors, the correct installation of equipment, and the cost of operation.

The county agricultural agent, the power companies and the Michigan State College Extension Division are anxious to assist the farmers of Michigan with their electrical problems. The College has equipped two trucks for electric demonstration purposes. One truck shows proper farm wiring, water systems, motors, feed grinders, milking machines and poultry house equipment. The other truck designed as a model electric farm kitchen and is equipped with the electric range, refrigerator, washing machine, ironer and other household appliances. The equipment on both trucks is wired for operation and demonstration.

The Genesee County Agricultural Agent has arranged a demonstration of household and power equipment to be conducted in the afternoon and evening of June 17 on the farm of Lester Helmboldt, Morris Belford farm, 1 1/2 miles west of Newark. H. J. Gallagher, Agricultural Engineer, Michigan State College, will conduct the demonstration on power uses of electricity, and Miss Evelyn Turner of the Home Economics Department will demonstrate the uses of household equipment and appliances.

# Church News

## CLARKSTON M. E. CHURCH

R. H. Prouse, Minister  
Services for Sunday, June 14:  
10:45 a. m. Morning worship.  
Theme: "The Child Is Not  
Awake". Special music by  
choir; Miss Woodward, director;  
Mrs. Buckweitz, pianist.

12:00 noon Children's Day  
program by Sunday School.  
Earl Walter, S. S. Supt.; George  
Harris, asst. supt.  
3:00 p. m. Junior League.  
This will be the last Jr. League  
meeting till Fall. Jr. League will  
have a party June 20.

There will be no Epworth  
League meeting Sunday evening  
on account of the Baccalaureate  
service.

7:30 p. m. Baccalaureate  
sermon by Rev. R. H. Prouse.  
Theme: "Going Forward". Special  
music by choir; Miss Wood-  
ward, director; Mrs. Buckweitz,  
pianist. Opening prayer and ben-  
ediction will be given by Rev.  
Huey, pastor of the Baptist  
church. The 1931 graduating  
class of Clarkston High School  
will attend in a body, also the  
faculty and school board.

A cordial invitation is extended  
to the public to attend both  
morning and evening services.  
The morning message will be of  
special interest to parents.

There will be no prayer service  
Thursday evening on ac-  
count of Commencement.

Choir rehearsal will be Friday  
evening at the church at 7:30.

## CLARKSTON BAPTIST CHURCH

H. A. Huey, Pastor

Sunday morning worship is at  
10:45. Sermon by the pastor:  
"Reconciliation".

Sunday School follows church  
at 12. George Van Horn, supt.

## WATERFORD COMMUNITY BAPTIST CHURCH

H. A. Huey, Pastor

Sunday School is at 10:30. H.  
B. Mehlberg, supt.

Evening service at 8 o'clock.  
Sermon by the pastor: "Recon-  
ciliation".

## WATERFORD CENTER SUNDAY SCHOOL

Special Children's Day exer-  
cises will be held at the Water-

ford Center Sunday School.  
Rev. John McLean, of Detroit,  
will be the special speaker. Mrs.  
Vernice Keelean is in charge of  
the program.

## DRAYTON PLAINS COMMUNITY U. P. CHURCH

Clarence J. Sutton, Minister

The largest Bible School in  
our short history was present on  
last Sabbath morning, for the  
Children's Day service. All  
working together and realizing  
the importance of each individ-  
ual we can keep our work upon  
a high plane during the summer.

Bible School at 10:00 o'clock,  
Lloyd Bowden, Supt. Worship  
services morning and evening.  
The Young People's Societies  
meet at 7:00 p. m. The messag-  
es for morning and evening on  
next Sabbath will be upon the  
themes "The Joy of Salvation"  
and "Mark, the Second Chance  
Man".

## WHITE LAKE CHURCH

George A. Hill, Pastor

Services as usual next Sunday  
morning at 11 o'clock. Preach-  
ing by the pastor.

In the evening at 8:00 o'clock,  
Rev. W. N. Fulcomer, pastor of  
the First Presbyterian church of  
Holly, will occupy the pulpit.  
There will be special music, in-  
cluding singing by Paul Dryer,  
of Holly.

The public is cordially invited.

## DAVISBURG M. E. CHURCH

Edward Bickford, Minister

Services for Children's Day,  
Sunday, June 14:

Morning service at 10:30.  
Topic: "The Boy Jesus".

Junior church services at  
10:30. Mr. and Mrs. Roland  
Crawford, leaders.

Sunday School at 11:45.

Evening service at 7:30. At  
this service a splendid program  
will be given by the children un-  
der the direction of the commit-  
tee. Let us not forget the chil-  
dren. Be sure to come and hear  
them.

Used furniture for sale at  
Winglemire's, Holly, including a  
large size Victrola, 8-Pc. dining  
room suite and a leather bed  
davenport.

## REAL FISHING AT Y. CAMP

When the Oakland County Y.  
M. C. A. Camp on Loon Lake, up  
in Isoco County, opens for its  
second season a few weeks from  
now, its facilities for the care of  
the boys entrusted to it for the  
summer will be even more com-  
plete than they were last year.  
Additions are being made this  
month to the accommodations  
which the camp provides for medi-  
cal care and attention for its boys.

To judge by its record last sum-  
mer, the first season it operated,  
the camp is a remarkably health-  
ful place. Not only were there  
no serious cases of illness during  
the entire summer, but there was  
an average weight increase of two  
pounds per boy. This increase  
may be regarded as especially un-  
usual in light of the fact that it  
was registered in spite of regular  
and strenuous exercise which was  
a daily feature of camp life. Boat-  
ing, bathing, hiking, and all sorts  
of athletic pursuits make up the  
program of the camp.

Some idea of the precautions  
taken for the boys' welfare may  
be gained from the fact that a  
doctor and an Oakland County  
Board of Health nurse are avail-  
able at all times. These facilities  
the directors of the camp are im-  
proving in preparation for the  
coming season, by replacing last  
season's hospital tent with a well-  
designed building, planned as an  
infirmary, mess hall, and meeting  
place.

Parents who send their sons to  
the camp may be sure that living  
conditions will rival those at  
home. The camp had a sanitary  
rating of 94 per cent last season,  
and the same high standards will

be maintained this year. More-  
over, the boys are under close  
supervision at all times. Adult  
counselors are maintained in the  
ratio of one counselor to seven  
boys. Associated with each adult  
leader is a junior leader, usually  
a high school boy whom the Asso-  
ciation is developing into an adult  
leader of the future.

Specially rigid rules are in  
force at the camp regarding the  
use of the boats. Before they are  
permitted to go boating without  
adults, boys must pass the boating  
test which demonstrates their abil-  
ity to handle these crafts under  
all conditions. Eighteen boats  
are available for those who can  
qualify to use them. Last season  
the boys rigged a fair-sized sail-  
boat and spent many exhilarating  
hours piloting it about Loon Lake.

Such is the emphasis laid on the  
importance of swimming ability  
that only eight boys out of all  
last summer's camp enrollment re-  
turned to their homes without  
having passed the beginner's  
swimming test, and 25 or 30 had  
passed the life saving test and  
earned Y. M. C. A. and Red Cross  
pins by proficiency in the water.

The improvements scheduled  
for the coming summer are being  
financed by popular subscription.  
All residents of Oakland County  
will have an opportunity to make  
an investment, as modest or as  
large as they desire, in the future  
manhood of their state and coun-  
try. Those wishing to contribute  
should communicate with any of  
the four Y. M. C. A. headquarters  
in Oakland County—Pontiac, Bir-  
mingham, Town and Country, or  
Royal Oak Township.

## WILL GIVE INSTRUCTION IN LIFE-SAVING METHODS

James M. Power, special rep-  
resentative of the Life Saving  
Staff of the American Red  
Cross, will visit Oakland County  
on July 6 and 7, to conduct a  
program of water sports and life  
saving instruction under the  
auspices of the Oakland County  
chapter.

It is anticipated that a num-  
ber of the best swimmers will  
qualify as Red Cross life saving  
examiners. Around these per-  
sons it is hoped there will be  
built a permanent life saving  
service to carry on water safety  
instruction.

This program is especially  
commendable in view of the  
large number of lakes in Oak-  
land County. If the opportunity  
is taken advantage of it should  
result in preventing drownings  
during the bathing and boating  
season.

## GREAT AUTO RACES TO BE RUN SUNDAY

Noted Drivers Will Compete In  
Events on State Fair Track

Detroit, Mich., June 10.—The  
leading race drivers of the world  
are entered for the annual AAA  
sanctioned championship 100-  
mile race to be held on the state  
fair track here Sunday, June 14.  
Led by Louie Schneider, the  
pride of Indianapolis, who jumped  
from a motorcycle cop to the  
speed of a 125 an hour Miller  
Spec. racing car to win the 500  
miler and some \$30,000 in cash  
besides a long lead towards the  
American speedway title for the  
year, all the big shots from gaso-  
line alley will be here. Four-  
teen cars are to start for some  
\$10,000 in prize money split ten  
ways and 470 points towards the

year's title. Following the big  
race there will be a 25-miler for  
the Michigan drivers in their  
single seater cars. In the big  
race the cars will all be of the  
two men type with driver and  
mechanic riding just as at In-  
dianapolis. All tickets are now  
on sale at the Detroit Auto-  
mobile Club and its branches thru-  
out the state. W. D. Edenburn  
will run the race as the repre-  
sentative of the AAA contest  
board, Cliff Durant of motor  
fame will be starter and it is ex-  
pected Ex-Gov. Fred W. Green  
will be the referee. Soldiers will  
guard the speedway during the  
race, some 30 tons of calcium  
chloride have been placed on the  
track's surface to make it hard  
and fast and dustless and one of  
the greatest crowds that ever  
attended a race outside of the  
hoosier speedway is expected to  
view the drama of speed and  
thrills.

## DEPRESSION CUTS USE OF AUTOMOBILE IN MICHIGAN

Lansing, Mich., June 10.—On  
June 1, 1931, there were 79,000  
fewer private automobiles in op-  
eration in Michigan than on the  
same date a year ago; depart-  
ment of state records show. At  
the same time the number of  
commercial cars in operation  
was 16,000 less than in 1930.  
This has reduced the state's fees  
from the weight tax \$1,222,300  
below receipts for the first five  
months of 1930. The main rea-  
son for this reduction is the eco-  
nomic depression which has pre-  
vented many persons who own  
automobiles from purchasing  
1931 licenses.

EARTHQUAKE RATTLES  
DISHES—When Winglemire's  
(Holly) announce 9 by 12 Con-  
goleum rugs @ \$5.95.

Patronize our advertisers.

## RAIN PREVENTED TENNIS TOURNAMENTS

Will Be Played This Week End  
at the H. V. Country Club

The heavy rain last Saturday  
caused the cancellation of the  
tennis tournaments to have been  
played that day and Sunday by  
teams from Flint representing  
the AC Spark Plug Co. and the  
Fisher Body Co. Both will be  
pulled off the coming week end  
if weather conditions do not  
again prevent. All ten courts  
will be ready for play. The  
south five are now in use and  
the north five will be ready by  
Saturday. Another tournament  
is being planned by 150 girls  
from the I. M. A. of Flint.

The popularity of the golf  
course at Holly Valley is in-  
creasing and each pleasant week  
end sees larger crowds on the  
fairways and greens, not to  
speak of those who frequent the  
roughs. Of course there were  
not many out Saturday, in the  
rain, but by Sunday afternoon  
the course was in good condition  
and many players were out. In-  
cluded in the number was a  
large party of students from the  
Michigan State College.

New directors of the club  
were recently elected and they  
are planning a number of im-  
provements for the club house  
grounds and the golf course.  
Two committees to have charge  
of this matter have been ap-  
pointed and are making a study  
of the needs and their recom-  
mendations will then be sub-  
mitted to the board.

## FISHING REGULATIONS AS GIVEN BY AUTHORITY

Lansing, June 10.—Regula-  
tions unchanged from last year,  
the open season for bass, blue-  
gills and sunfish starts June 25.  
At that time all lakes and  
streams will be open to fishing  
for all game and non-game fish.  
Only two species are protected  
throughout the year, grayling and  
sturgeon.

Size and possession limits  
were unchanged by the 1931 leg-  
islator. The black bass size

limit is ten inches with a creel  
limit of five per day or in pos-  
session at one time. Twenty-five  
is the daily limit for calico, rock,  
strawberry, white and war-  
mouth bass, crappies, bluegills,  
sunfish and perch or any combina-  
tion of these species.

## FEEDERS TO MEET AT STATE COLLEGE

Will Hear Results of Trials in  
the Feeding of Livestock

East Lansing, June 3.—The  
annual Livestock Feeders Day  
which is held at Michigan State  
College to report the results of  
feeding trials with beef cattle,  
lambs and hogs will be held this  
year on Friday, June 26.

The report this year will cover  
experimental work with five  
lots of calves, several lots of  
pigs and 10 lots of lambs. Some  
of the trials are repetitions of  
work which has been done be-  
fore. This continued work is  
necessary to be certain that the  
results secured are the same for  
different lots of animals in dif-  
ferent years.

In fattening baby beef ani-  
mals, the values of corn, barley  
and oats were compared as fin-  
ishing rations. The results this  
year show that, while the ani-  
mals make steady gains when  
fed oats, they do not acquire the  
finish which is needed to bring  
the top prices on the market.  
Two lots of calves were carried  
thru the winter on light rations  
and will be fattened for the Sep-  
tember market.

Wheat and corn were compar-  
ed as feeds for fattening hogs,  
and trials were made of the val-  
ues of protein supplements and  
of the value of alfalfa meal as  
compared with the more com-  
mon protein feeds. The wheat-  
fed pigs gained more rapidly  
than those fed corn but they re-  
quired a little more feed per  
hundred pounds of gain.

The lambs were fed different  
grain rations and both fine wool  
and mutton type lambs were  
included in the trials. A full re-  
port of all the results will be  
given to each person attending  
the meeting.

## "TRIP AROUND WORLD" IS OFFERED TOWNS PEOPLE

The Epworth League of the  
Clarkston M. E. Church is to  
give a "Trip Around the World"  
Saturday evening, June 20. The  
general public is invited to go  
on this trip. The proceeds will  
go to help pay the expenses of  
delegates to the Albion Insti-  
tute. Tickets will be on sale  
next week. Do not miss this  
trip. Fuller announcements will  
be made later.

## BETTER COWS AND MORE OF ALFALFA

Stressed at Meeting of Bankers  
and Farmers at E. Lansing

East Lansing, June 3.—More  
acres of alfalfa and better cows  
to eat it were two methods of  
increasing the Michigan farm-  
ers' income which were recom-  
mended at a meeting of farmers  
and bankers held at Michigan  
State College.

Members of the College staff  
told the bankers that the farm-  
ers who wanted loans for the  
purchase of high grade alfalfa  
seed, for the purchase of lime,  
or for the purchase of high pro-  
ducing cows deserved every con-  
sideration for his loan applica-  
tion.

The bankers thru their rep-  
resentative, D. H. Otis, director of  
the national agricultural com-  
mission of the bankers, prom-  
ised their aid in enabling farm-  
ers to take advantage of the ad-  
vice to plant more acres of alfalfa  
and to improve the quality of  
the cattle in their herds.

Improved types of blue ber-  
ries are a new crop which will be  
available soon for use on Michi-  
gan farms which have an area  
of the right type of muck, ac-  
cording to V. R. Gardner, direc-  
tor of the experiment station at  
the College, who told the group  
at the meeting that new meth-  
ods of propagation perfected by  
the station would make planting

stocks available soon. He also  
said that he expected this crop  
to be in the million dollar class  
in future years.

The use of federal funds in  
establishing cooperative associa-  
tions for marketing products  
was explained and it was pre-  
dicted that greater amounts of  
such aids would be used by  
Michigan farmers.

Another way to increase prof-  
its mentioned before the group  
was the keeping of cost account  
records by farmers. The records  
enable the farm owner to dis-  
card unprofitable crops and to  
increase those which are profit-  
able.

## IMPROVED STATE MAP IS READY FOR DISTRIBUTION

Lansing, June 10.—A state  
map combining the features of  
the maps formerly issued an-  
nually by the State Highway  
Department and of those for-  
merly issued by the Department  
of Conservation, is now available  
for public distribution.

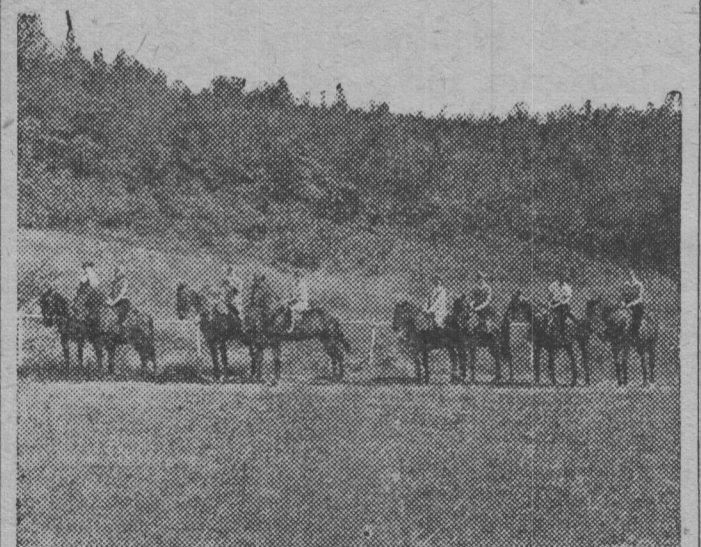

The "Official Michigan Ser-  
vice Map" is in colors to facili-  
tate easy reading. On it, in ad-  
dition to indicated hard sur-  
faced, improved and earth roads  
and roads under construction,  
are shown state parks, fish  
hatcheries, trout feeding sta-  
tions, game refuges, state and  
national forests, forest fire tow-  
ers, airports, ferries and other  
information.

All of the better known rivers,  
streams and inland lakes, are  
marked on the map.

The back of the map is cov-  
ered with pictures of noted  
beauty spots of Michigan. De-  
tails concerning various conser-  
vation projects and of the  
state's parks are also included.

Maps will be sent to all state  
park superintendents and to the  
various tourist and resort asso-  
ciations to be distributed to the  
public. Copies may also be ob-  
tained directly from the Lansing  
offices of the Highway and Con-  
servation Departments.

## MICHIGAN BELL TELEPHONE CO.

There's health and happiness for  
children in a Michigan vacation

Have your boy or girl telephone  
home frequently from camp

MICHIGAN is unexcelled as a summer play-  
ground for children. Scores of summer  
camps dot the shores of Michigan's lakes, offer-  
ing every out-of-door advantage for an enjoyable,  
health-building vacation.

While the children are in camp, have them tele-  
phone home at pre-arranged intervals. Occasional  
"telephone visits" will help prevent homesick-  
ness and will banish your worries.

Long distance rates are surprisingly low!

VACATION IN MICHIGAN

**WATERFORD CENTER**

Dr. and Mrs. J. Ray Bird, of Grosse Pointe, Mich., motored to Crescent Lake Friday, where they visited the former's brother, Charles E. Bird, and family.

Jess Watson, of Crescent Lake, has completed the remodeling of a house on Pleasant Ridge. Mr. and Mrs. F. Shultz have rented the house and moved in Thursday.

Mr. and Mrs. A. C. Krenz, of White Lake Road, visited relatives in Detroit Wednesday.

Glen Coffey, son of Mr. and Mrs. Floyd Coffey, of Watkins Lake Road, has returned to his home after being at the Contagious hospital for scarlet fever the past four weeks.

Mrs. Rudolf Du Bois, of Elizabeth Lake Road, visited friends in Pontiac Tuesday.

Mr. and Mrs. Alfred Gale, Miss Mary Van Zandt and W. B. Van Zandt will spend the week end with Robert Kerr, who is working at Kinde, Mich.

Mrs. A. A. Seeterlin will entertain the Webford Club at her home near the Elizabeth Lake Road Thursday at a co-operative luncheon at 1:00 o'clock. Mrs. Claud Smith and Mrs. L. W. Pilcher will assist the hostess. A program is being prepared by Mrs. Will Norrie and Mrs. Claud Button.

Mrs. Bernard Schmidt and son, Bobby, were recent callers at the home of Mrs. L. W. Pilcher, of Crescent Lake.

Miss Nellie Van Zandt, who has been living with her brother, W. B. Van Zandt, the past year, will return to her home in New York the first of next week.

Mr. and Mrs. Warner Cox, of Elizabeth Lake Road, entertained the following guests recently: Mr. and Mrs. Warner Cox, of Midland, Mich., his brother and family from Pontiac and relatives from Ferndale.

Mr. and Mrs. G. D. Andress and son, Jack, were Sunday guests of Mr. and Mrs. Carson Sutton, of Scott Lake.

Miss Irene Hetherington, of James St., Pontiac, spent the week end with Ruth Hickson on Elizabeth Lake Road.

**SASHABAW PLAINS**

Mr. and Mrs. N. W. Morgan spent Sunday in Detroit with their son, Byron, and family.

Mr. and Mrs. George Stanaback called on Mr. and Mrs. John Dowling Sunday afternoon.

Mrs. O. E. Walker and daughter, Reva, called at C. I. Poole's Wednesday evening.

Mr. and Mrs. N. W. Morgan attended a picnic given by the C. M. E. chorus in the Dodge Park at Cass Lake last Thursday.

Edwin Campbell, of Water-

ford, spent Friday afternoon and evening with Mr. and Mrs. C. I. Poole.

Mrs. Charles Morgan is on the sick list.

Miss Belle Beardslee and Mrs. Carrie Larned, of Ann Arbor, motored to Fenton Friday to visit their sister, Mrs. Frank MacDermand. Miss Beardslee expects to spend some time there.

Mr. and Mrs. Grant E. Beardslee attended the funeral of the latter's cousin, Clyde Noe, in Pontiac Tuesday.

Mrs. Elma Windiate and daughter, Mrs. Laura Eaton, spent Saturday night with Mr. and Mrs. W. Stevens. Sunday they all went to Linden to spend the day with Mr. and Mrs. Will Windiate, who have recently bought a farm there.

Darwyn Hetherington spent Thursday with Robert Bennett helping him celebrate his 6th birthday.

Mr. and Mrs. J. L. Benjamin and nephew, Milan Youngs, and Ralph Brown, of Merrill, were overnight visitors of Mr. and Mrs. Grant E. Beardslee recently.

Mrs. C. K. Phillips attended a birthday party on Mrs. Frank Longmuir at Keego Harbor Wednesday.

Kenneth Stevens was home over the week end.

Mr. and Mrs. Stuart Longmuir and Mrs. Rukkes called on Mr. and Mrs. C. K. Phillips Monday evening.

**WATERFORD BOY SCOUTS**

Sixteen Waterford Boy Scouts, accompanied by Russell Galbraith, scoutmaster, and George Attwater, assistant, attended the Jamboree at Rochester Friday night, and all report a wonderful time. Among those present were Laurence Harrup, August Jacober, Bob Hall, Bob Huey, Charles Harris, Harold McFarland, John Burrough, Foisey brothers, David Mehlberg, Louis Dorman, Nelson Stites and Robert Seeley.

R. C. Lunger, Mr. and Mrs. Kenneth McVittie, Mr. and Mrs. Henri Buck and family and Mr. and Mrs. H. B. Mehlberg and family spent the evening over there, viewing the parade, visiting the camp grounds and council fire, and in fact enjoying the whole evening's entertainment.

During the summer the boys will work on a special contest. If they earn 40 merit badges in the troop, Scoutmaster Galbraith is to buy all the ice cream for a treat for the troop. If they fail, he gets the treat.

The Stringham school closes Friday. The pupils and parents will enjoy a picnic on Saturday at a nearby private park. There will be games and entertainment provided for all ages.

**CLARKSTON**

The annual picnic of the Literary Club has been postponed until June 23.

Kenneth Skarrit was the May winner of the camera offered each month to students by C. G. Huntly. 410 covers were turned in.

Born to Mr. and Mrs. A. C. Whittaker, of Waterford Center, June 2, at Rockwell Hospital, a 7 1/2-lb. daughter, Joan Marie.

Mr. and Mrs. Durand Ogden were dinner guests of Mr. and Mrs. Sidney Kubersky, of Holly, who entertained at Bridge Lake Tea room at dinner Wednesday. The party spent the evening at bridge at the Ogden home.

Miss Virginia Clark entertained a group of girl friends at the Tipsico Lake cottage of her grandparents, Mr. and Mrs. Arthur Hadley, of Rose, over the week end. The group included

Gladys Gundry, Ellen Beardslee, Vonda Douglas and Doreen Douglas.

Mr. and Mrs. Durand Ogden had as guests over the week end cousins of Mrs. Ogden, the Misses Eva and Edna Adrian, and brother, Harold Adrian, all of the teaching staff of the Windsor, Ont., schools. They were accompanied by Blake McLean, of the Guelph Agricultural College.

The O. E. S. sponsored a card party and bake sale Wednesday afternoon. Bridge and 500 were played and refreshments were served. Winners at cards were: Bridge, Mrs. Ed Seeterlin, high, and Mrs. David Teggerdine, low; 500, Miss Louise Mann, high, and Mrs. Charles Schaening, low.

The rug you want at a price you can afford to pay is at Winglemire's Warehouse Store, Holthur Hadley, of Rose, over the week end. The rug is 9 by 12 Axminsters for \$26.85. Excellent quality.

Mrs. Fred Chamberlain has as her house guest for the week her sister-in-law, Mrs. R. Chamberlain, of Cass City.

Waterford and vicinity were represented among the sightseers at the Knights Templar parade in Pontiac Tuesday.

Mr. and Mrs. Dana Grow Taft, of Pontiac, were callers on their aunt, Mrs. Frank Fox, of Maple Leaf Lodge, recently.

Frank Byrne Fox, of Maple Leaf Lodge, has been having his home painted, George Chapman and son, Claude, doing the work.

Mrs. Joe Hunt and little son were recent visitors at her mother's, Mrs. Charlotte Hunt, of Hunt's Lodge.

Mrs. Kingsbury and family have gone back to their former home in Lapeer. Mrs. Kingsbury was employed in Foley's Inn here.

Mr. and Mrs. John Miller spent Friday of last week in Port Huron, where they visited Mr. Miller's brother, George Miller, and wife.

Supt. and Mrs. R. C. Lunger will leave Monday for Marion, Ohio, where they will visit a few days and attend the dedication of the Harding Memorial.

Mrs. T. M. Faddis and daughter, Marjory, of Birmingham, spent Tuesday with the former's mother, Mrs. J. D. Swacick, of Maple St.

Miss Carrie Harger, of Pontiac, has been at the home of her sister, Mrs. J. H. Reid, of Airport Road, for a short time on account of Mrs. Reid's illness.

Mr. and Mrs. Vanderpool, of Van Syckle Road, spent two days of the past week at the home of the latter's mother, who lives in Holly and is very ill.

Dr. F. M. Thompson, of Garden Place, has been very ill at his home. He was taken to the Ford Hospital in Detroit the middle part of last week and underwent an operation Tuesday.

Mrs. E. D. Spooner, of Williams Lake Road, spent Wednesday in Detroit, meeting her niece, Mrs. Homer Van Atta, and enjoying the time in her company.

**WATERFORD**

The sunshine group of the Waterford Auxiliary met at the home of Mrs. C. Terry Thursday afternoon to determine what they would do to earn money for the summer.

Mrs. Cleve Chamberlain, of Davisburg, attended the baccalaureate exercises of the Waterford graduating class Sunday night at the church. Her son, Frederic, is a member of this class.

Miss Marveta Haines, former teacher here but now taking finishing work on her life certificate at Kalamazoo college, will be the guest of Mr. and Mrs. R. C. Lunger and attend the commencement exercises this week.

Mrs. Clinton Disbrow, of Andersonville Road, attended a surprise party on Mrs. Jeff Hubbell, of Clarkston, Friday night. A pot luck supper was served. Those attending were employees of the Pontiac Nursery, where both Mrs. Disbrow and Mrs. Hubbell are employed.

Word has been received here that Charles Hunt, son of Mr. and Mrs. Percy Hunt, of Pontiac, former Waterford residents, recently underwent an operation for appendicitis at the military college in Virginia where he is a student. He is now recovering at the home of his parents.

Hunt's Lodge was the scene of a pleasant affair last Saturday evening, when Mrs. J. Van Wagoner was hostess to twenty-five ladies at a 7 o'clock dinner. The tables were unusually dainty with white Haviland, pink and white snapdragons and the same dainty colors in favors and place cards. The evening was spent at bridge at her Scott Lake cottage.

Announcement is made of the marriage of Allen Coventry, son of Mr. and Mrs. Philip Coventry, of Groveland, to Miss Clara Drewett, of Grand Blanc, on May 28. After a camping trip of several days at Port Sanilac, the young couple came to Flint, where they will make their home.
