CLASS OF SIXTEEN RECEIVE DIPLOMAS

Clarkston Commencement Held Last Thursday Evening

Wednesday and Thursday evenings marked events that are looked forward to by pupils throughout their entire school career, and especially so the last four years, when graduation day is the goal. And this year's class of the Clarkston High School were the same normal, happy American boys and girls enjoying every minute of these never to be forgotten days.

The auditorium was gay with flowers, huge baskets of white, pink and rose peonies crowding the platform.

Wednesday night was taken over by the graduates themselves, the program given as appeared last week. Thursday night they were still the center of attraction, but the final lesson was given not to be recorded in note books but in their minds and on their hearts.

This evening, too, was as scheduled, and Rev. W. H. Aulbach, of Christ church, Cranbrook, delivered a fine address. Earl Walter, secretary of the Board of Education, presented the sixteen graduates with their diplomas, which were in the form of booklets bound in blue suede, moire silk lined covers, carrying out the school colors. Between 600 and 700 people attended each evening.

The class contains sixteen members, as follows: Ellen Beardsley, Kathleen Boice, Jerry Cell, Irene Crew, Doreen Douglas, Lawrence Grate, Margaret Harris, Robert Jones, Clark Miller, Gordon Parker, Gladys Ross, Jane Sweet, Marshall Vallad, Lewis Warden, Jerome Webber and Preston Yost.

School was closed officially on Friday, the pupils returning for a short session in the morning to receive their report cards.

ANNUAL EVENT OCCURS AT VASSAR NEXT SUNDAY

Next Sunday will be the annual "Bride and Groom's Day", when the Waterford and Clarkston friends of Rev. J. Wallace Jacobus, former pastor of the Baptist churches here, plan to assemble at his home in Vassar. They will attend a special meeting in the Baptist church there, of which Rev. Jacobus is now pastor, at 10:30, and following the service there will be a basket picnic lunch on the spacious front porch of the parsonage. All Waterford and Clarkston friends of Rev. Jacobus are invited to attend.

DRAYTON PLAINS SCHOOL NOTES

While school closes officially Friday (today), the classes were mostly dismissed on Wednesday, the high school students having finished their work at that time. The lower grades are finishing and will return today for a short period for cards.

The second, third and fourth grades had a picnic in the grove Wednesday with over 100 children attending.

School will reopen September 8, and only ten grades will be taught.

Supt. Gordon will complete work on his master's degree at Ann Arbor this summer.

Following is the honor roll: Beryl Voelker, Martha Helen Sitters, Russell Dommer, Howard Brinker, second; Phyllis Allen, Ralph Shell, Lorraine Heavens, Katherine Jones, Mildred McGarvey, third; Frances Jones, Gene Hummel, Juanita Bailey, Venita Buecher, Dorothy Cromer, fourth; Rebecca Bowden, Esther Washburn, Shirley Mae Gundry, Charles Perry, Leslie Jones, fifth; Robert Wall, Kay Peck, Leroy Smith, Jeanette Morgan, Audrey Sitts, sixth; Ruth Wall, Dora Dean, eighth; Betty Jencks, David Howard, ninth; Russell Boushell, Mavis Bradford, tenth; Jack Wall, eleventh.

"TRIP AROUND WORLD" IS OFFERED TOWNS PEOPLE

The Epworth League of the Clarkston M. E. church will sponsor a "Trip Around the World" Saturday evening from 7:30 on. Persons going on this trip will visit the countries of America, Japan, Italy, Scotland and Alaska and will be entertained in each of these countries. The public is invited. The proceeds will go to help pay the expenses of delegates to the Albion Institute which convenes next Monday, June 22, and lasts one week. You may embark for this trip down town any time thru the evening. Members of the League will have tickets for sale. Adults, 25 cents; children, 10 cents.

FAREWELL PARTY PRETTY FUNCTION

Teachers and Church Pianist Honored on Eve of Departure

Seventy-five people, members of the official board, the two adult classes of the Sunday school and of the choir, met in the Clarkston M. E. church parlors Tuesday evening at 6:30 for dinner and a program in honor of the school teachers who are leaving this year, Miss Minor, Mrs. Potter, Mrs. Shurd and Mr. Lunn, and also of Mrs. Buckweitz and family. Mrs. Buckweitz has been the church's very faithful pianist for many months.

Rev. Prouse was chairman and speeches were made by Earl Walter, on behalf of the Sunday School, of which he is superintendent, Mrs. Huttenlocher, for the Prouse Progressive class, Mrs. Lee McFarland for the choir, Mr. Winn, for the faculty, and Lee McFarland, for the school board. All expressed their regrets at losing these folks from the community. These talks were responded to by the teachers, Mrs. Buckweitz and Mrs. Pugh.

Miss Woodward had charge of the music, which consisted of selections by the choir, a ladies' quartette and a male quartette, with Miss Virginia Clark at the piano. After the program Mr. Winn had charge of games. It was a very enjoyable evening.

FAREWELL RECEPTION IS HELD FOR D. P. COUPLE

A farewell reception was tendered Mr. and Mrs. Karl Smith and family Tuesday evening in the parlors of the Drayton Plains Community United Presbyterian church. About fifty friends were seated at two long tables to a delicious pot luck supper at 6:30. White and lavender flowers were the only table decorations. Mr. and Mrs. Smith are leaving Saturday morning for their new home at Rapid City, where Mr. Smith has a position.

FOUR INJURED AS TWO CARS COLLIDE

Accident Happened Saturday at Prominent D. P. Intersection

A collision between two cars at the intersection of Walton Boulevard and Sashabaw Road in Drayton Plains, Saturday, resulted in the injury of four persons. The driver of the car going east was Jay Witmarth, of Flint, and Emmett Bidelman, 48 Oak Hill street, Pontiac, was driving the other car. All four of the people hurt were occupants of Bidelman's car. They were Mrs. Agnes Bidelman, 61 years old, cut on the arm and possible fracture of left arm; Glen Ryan, 4 years old, lacerated neck and left eyebrow and possible fractured left shoulder; Vivian Kryzanowski, 7 years old, lacerated left ankle; Emmett Bidelman, minor injuries. All received treatment at the Pontiac General Hospital.

Richard Parker, 11 years old, fell from a truck near Drayton Plains, Sunday, and sustained a fracture of his left wrist. He was taken to the Pontiac General Hospital.

GRADUATION HELD AT DRAY. PLAINS

Thirteen Pupils Finish Work of Tenth Grade This Year

Tenth grade graduation exercises of the Drayton Plains school were held in the Community Presbyterian church last evening at 8:15 o'clock. A large audience witnessed the exercises and listened to a fine program. The address was given by Rev. W. H. Marback, of the First Presbyterian church, Pontiac, and the diplomas were presented by Supt. C. A. Gordon. Musical numbers included the Class March, played by Mrs. Kirby Milleur; violin trio by Edith Sutton, Lila Jones and Ernestine Barnhart; vocal solo by Evelyn McClay; guitar duet by Esther Washburn and Rebecca Bowden, and violin solo by Helen Jankowske. Rev. C. J. Sutton offered the invocation and pronounced the benediction. Girls from the Ninth Grade served as ushers.

The class roll was as follows: Russell Boushell, president; Collins O'Dea, vice president; George Holmes, secretary-treasurer; Leonard Bashaw, Leo Bowden, Mavis Bradford, Warren Clutier, Thelma Copenhaver, Kenneth Culver, Leslie Ferris, Kenneth Gidley, Evelyn McClay and Wanda Monroe.

WINDOW DISPLAY THAT IS ATTRACTING ATTENTION

C. G. Huntly has on display at his drug store a number of mounted trophies of his prowess as a fisherman that are attracting considerable attention. The work of mounting was done by Mr. Huntly himself, and testifies to his skill as a taxidermist as well as sportsman. In the exhibit, besides his own catch, is the head of the 14-pound pike speared by Roy Spencer in Green Lake last winter. The News published an account of the event at the time, illustrated with a picture of Mr. Spencer and the fish.

AIRPORT IS SCENE OF MUCH ACTIVITY

All Dressed Up to Greet Planes of Annual Michigan Air Tour

The Municipal Airport was the first stop of the Third Annual Michigan Air Tour, Thursday afternoon, and the Airport was certainly ready for the fliers. The vast level field had been mowed and worked until it looked like velvet, every post and signal freshened up and the entire field was surrounded with flags mounted on every post, the national flags alternating with the air mail, all waving a welcome to the more than 50 planes that were scheduled to make the tour. The management had worked unceasingly to have everything in readiness, not only for the guests but also for the crowds of spectators. Bleachers had been erected but practically all of the activities were visible from the automobiles, and there was plenty of free parking space.

The ships were heralded as they arrived thru a loud speaker, installed for this purpose, by Luton S. Knowles, official representative of the National Aeronautical Association. Byron D. Cools, of Grand Rapids, is manager of the tour, and is accompanied by Capt. Ray Collins, of Detroit.

A banquet was held at the Roosevelt Hotel at 6:15, with C. W. Ham as toastmaster. W. F. Stout, of Detroit, was one of the guest speakers, and Richard C. (Tex) Marshall was a guest of honor. The latter is vice-president and general manager of the Thompson Aeronautical Corp., which has its repair base at the Municipal Airport.

The new autogiro made demonstrations, also a glider and private planes for passenger hopping. Women flyers were in evidence and our last reports before going to press were that all was going according to schedule. We expect to give another account of it in our next issue.

FARMERS MEET TODAY AT HAYING DEMONSTRATION

A large attendance of farmers is expected at a hay-curing demonstration to be held on the Jesse Moore farm, Oak Hill road, this afternoon. The demonstration has been arranged by K. D. Bailey, County Agricultural Agent, and R. E. Decker, of the Farm Crops Department of M. S. C., will be present and lead the discussion on curing methods and grading of alfalfa. Some alfalfa was cut several days ago, part of which was raked at once while the balance was left to dry several hours in the swath before raking. Yesterday more was cut and raked, and today mowing and raking will be part of the demonstration. An opportunity will therefore be given to judge the quality of hay raked at different times. A scyther's contest will be held in connection with the meeting, with a prize of 1/2 peck of Hardigan alfalfa seed.

WATERFORD STILL HAS CLEAN RECORD

Round Lake Loses First Game; Barkham Pitches Finely

Scoring four runs in the ninth inning, Waterford broke the winning streak of Round Lake and kept their own intact, defeating the Round Lake team, 8 to 5, in a game played at that place Sunday. Barkham did the pitching for Waterford and struck out ten men. Score:

Next Sunday Waterford goes to Lake Angelus for a return game with the team from that place.

The baseball game at Drayton Plains Sunday between Drayton at the Gauss Bakeries of Pontiac resulted in a victory for the visiting team by a score of 8-4. Brown pitched for Drayton and allowed 11 hits while the local boys made only seven off Sykes and Ritz. Next Sunday Drayton Plains will play Gaines at Gaines.

ICE CREAM SOCIAL TO BE HELD AT DRAY. PLAINS

The Drayton Plains Ladies' Aid is holding an ice cream and cake social each week through the summer. The first one will be held on the F. C. Gesch lawn, Dixie Highway, Tuesday evening, June 23, weather permitting. If it should rain or turn cold the social will be held in the church parlors. Everyone invited.

ATTENTION, EVERYONE!

If you are interested in the safety of your children; if you are interested in your own safety; if you are interested in the safety of others, come to the Safety Meeting to be held in the Drayton Plains School Auditorium, Friday evening at 8 o'clock. The event is to be held under the auspices of the Drayton Plains Men's Club.

Mr. Bristol, of the Detroit Automobile club, will be present and lead in the discussion and will show moving pictures illustrating features of his talk. He will be accompanied by a representative of the Safety Division of the Wilson Foundry Co. of Pontiac, who will also be heard.

PIONEER DENTIST HAS PASSED AWAY

Dr. M. D. Hathaway Succumbs After Illness of Months

Dr. Madden D. Hathaway died at his home in Drayton Plains, Monday morning at 4:00 o'clock, after several months' severe illness.

Dr. Hathaway was born April 14, 1860, the son of George and Sarah Hathaway, of Springfield township, Oakland county. He spent the early days of his life helping his father on the farm, after which he studied to be a dentist. Later he opened a dental office at Orion, where he lived for several years, then moved to Pontiac, where he practiced for thirty years. In 1925 he came to Drayton Plains, where he opened an office in his home and continued to practice until ill health prevented.

In 1880 he was united in marriage to Miss Mary Angle, who died several years ago. Four children were born to this union, three sons, William, Jesse and Howard, and one daughter, Mrs. Gertrude Monroe. In 1919 Dr. Hathaway was again married, to Miss Lulah Fox, who survives. He also leaves one sister, Mrs. Ella Coney, of Waukegan, Ill.

Dr. Hathaway joined the Methodist church in Orion several years ago and took an active part in all its activities. During his stay at Orion, he was director of the choir.

The funeral was held in the Community United Presbyterian church, Wednesday at 2:30 p. m., Rev. C. J. Sutton officiating. Burial was in Oak Hill cemetery, Pontiac.

CLARKSTON GIRL FINISHES AT M. S. C. NEXT MONDAY

Miss Isabel King, eldest daughter of Mr. and Mrs. George D. King, of Clarkston, will be graduated from the Michigan State College at East Lansing next Monday. She has finished a four-year course in liberal arts. Her parents will attend the commencement exercises. Miss King has been one of the honor students at the college. Next year she will teach in the Clarkston High School.

CHILDREN'S DAY IS WATERFORD EVENT

Exercises Were Held at Church Sunday Morning, June 14

Children's Day exercises were held by the Waterford Sunday School on Sunday, June 14, at 10:30 a. m. There was a short session preceding the following program:

Song, "Bringing in the Sheaves," Assembly; prayer by the superintendent, H. B. Mehlberg; reading of lesson; song, by girls of Miss Evelyn Perry's class; reading, "Good Cheer," by Glenna Walter; song, by Mary Buck; dialogue by five boys of Mrs. Joseph Helman's class; reading, Mike Seeley; instrumental solo, Walter Perry; dialogue, "Children's Day," pupils of Mrs. H. B. Mehlberg's class; recitation, June Harris, which was followed by all in this dialogue; singing, "Jesus Loves Me"; reading, Phillip Etter; instrumental solo, Paul Etter; dialogue by five girls of Evelyn Perry's class; readings by Rachel Davidson and Jack Hefferman.

The program was closed by all singing "In my Heart there Rings a Melody." The attendance numbered 121.

The Blue side made a decided advance Sunday, but the Reds are still ahead, although the margin is smaller than it was.

The church was beautifully and tastefully decorated by Miss Mae Beattie, who assembled a committee of young people to help her. Pink and white color scheme was used. Large baskets of flowers were placed around the rostrum and on it, making a bower of beauty.

There are two more Sundays left in the contest between the Blues and the Reds. The winners will be the guests of the losers.

LEGIONNAIRES WILL GO IN BODY TO STATE MEET

John Terry was host to the Campbell-Richmond Post, No. 63, American Legion, Tuesday evening. Eighteen members were present and one new member was added.

The coming state convention at Pontiac was discussed and decision was made that all members possible would attend in a body and march in line. The Legion requests all members to plan on these dates, July 2-3-4, when Cook-Nelson Post, No. 2, will be host to state Legions.

MAN AND WIFE MET DEATH IN WRECK

Parents of Clarkston Man Are Killed in Road Collision

Erwin Baker, of Clarkston, received word early Thursday morning that his parents, Mr. and Mrs. Charles A. Bowen, 38 Lake street, Pontiac, had been killed that morning in an automobile accident at Telegraph Road and Northwestern highway. He left immediately for Pontiac.

Mr. and Mrs. Bowen were killed when their automobile was struck and overturned in a collision with an automobile driven by Rollin Reiss, 5734 Stanton avenue. Reiss, who suffered severe head injuries, is held for Oakland County authorities in Redford branch of Receiving Hospital.

Reiss, according to deputy sheriffs, failed to stop for Telegraph road, striking the Bowen car and hurling it into the ditch. Reiss' car then burned up. With Reiss were Francis McDonald, 4082 Virginia Park, Detroit, who was cut on the head, and Daniel Robinson, 3320 Hudson avenue, Detroit, who suffered a fractured skull and is in a critical condition. Both men were taken to the hospital with Reiss.

BREWER AND BABCOCK SENTENCED TO PRISON

Willis M. Brewer and Floyd B. Babcock received their sentences in circuit court at Pontiac Thursday morning. Judge Parm C. Gilbert, of Traverse City, who pronounced the sentences, gave Brewer from 6 to 15 years and Babcock from 3 1/2 to 15 years. If Brewer pays court costs of \$500 within six months the court will recommend a reduction of six months in his minimum term. Payment of \$100 costs within 90 days will secure a reduction of six months in Babcock's minimum sentence. It will be recalled that Brewer stood trial while Babcock pleaded guilty.

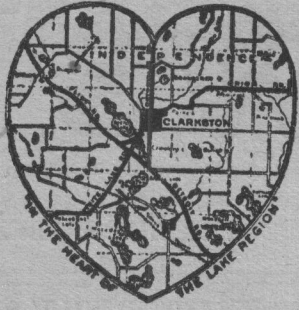

WATERFORD CLUB WAS ENTERTAINED

Good Will Members Met Friday at Home of Mrs. Bradley

Mrs. Andrus Bradley delightfully entertained the members of the Good Will Club at her home on Maple St., Waterford, Friday for a one o'clock luncheon. The guests were seated at a beautifully decorated table in pink and white, the center graced with a lovely bouquet of bleeding hearts and white daisies. The favors were unique, being made in the cup and saucer style of pink paper, filled with candies.

Following the three-course luncheon, the meeting was conducted by the vice-president, Mrs. H. F. Buck, in the absence of the president, Mrs. Percy Hunt, whose son, Charles, had an operation at the General Hospital. Miss Mary Van Zandt had charge of the program, which was made up of events of June. Roll call was "Quotations about the Flag". Papers were read by Mrs. Henri Buck on "The Flag" and Mrs. H. B. Mehlberg on "Graduation", and Mrs. E. D. Spooner gave a reading.

The next meeting will be at the home of Mrs. William King, of Davisburg, on July 9, for a 9:00 o'clock luncheon. Mrs. King will have charge of the program.

Mrs. Manley Bower, of Brooklyn, N. Y., arrived here Wednesday, accompanied by Josephine Clark, who has been attending school in Philadelphia the past year. They will make an extended stay here.

William Parkinson, who resides on a farm southwest of Clarkston, reported to Deputy Sheriff Seeterlin this week that he had 15 prize Plymouth Rock

They're Busy All the Time In Camp!

Volunteers throughout the county are seeking funds to complete payment on the site of the Oakland County Y. M. C. A. Camp which was launched last summer at Loon Lake, up in Iosco County. The camp's record last season was 400 boys cared for, with an average weight gain of two pounds per boy and an average all-round benefit which parents evaluated far beyond money.

Practically all the boys who were enrolled in the camp last summer plan to return this year, and there will undoubtedly be as many more as the camp can accommodate. In preparation for the added enrollment, officials of the camp are enlarging its facilities by the construction of a permanent building, which will house the camp hospital, and Oakland County Board of Health nurse.

As the picture above indicates, there is always something doing at camp. The boys are permitted to choose the lines of activity they shall follow, and are then provided with adult guidance in the chosen lines. Classes offered throughout the summer as a part of the camp routine include archery, basketry, boating, boxing, campercraft, crayonxing, forestry, geology, glass blowing, diving, drawing, sketching, fishing, casting, first aid, high-bar performance, journalism, music, nature study, leatherwork, life-saving, model building, photography, soap carving, tumbling, woodcraft, wrestling, metalwork, carpentry, and dramatics.

A new boy entering camp undergoes health examination and psychology tests, and also fills out an interest blank indicating along what lines his natural talents lie. He is thus enabled to enroll in the special study classes best fitted to his needs.

The camp's great value as a

training place for boys arises from the fact that it places on boys' shoulders responsibility akin to that which they must bear later in life. Each boy discovers before he has been long in camp that he is a vital cog in the machinery of the place. He must contribute his share to its government, and just as in a democracy, must defer to the expressed desires of the majority in all matters of camp life. He must help with camp routine,—in short, he must begin to assume the duties of a man, taking his turn at the various tasks inseparable from camp operation.

And he gets a great "kick" out of doing it! Each tent in camp selects a representative to serve on the camp council, and the council elects one of its number as president. The council has a voice in camp administration, sharing with the adults in camp every responsibility.

Spiritual as well as mental and physical sides of the boy's life receive serious consideration in the camp program. Bedtime devotional services, Bible study, campfire sessions under the stars, and the occasional dramatization of Bible episodes provide spiritual occupation in a form which every boy in camp approves, and in which he eagerly joins.

Boys from all over the county are eligible for admittance, and the fees are so low that the average boy can easily pay his own way. The camp is incorporated, with a state charter, as a non-profit organization, and the cost of operation is exceptionally low. Information about admittance, and also about the fund now being raised, may be had from any of the four Y organizations within the county—the Pontiac, Birmingham, Town and Country, or Royal Oak Township Y. GREEN FAMILY REUNION HELD AT BARKHAM HOME

Mr. and Mrs. John Miller and family, of Waterford, were among those present at the Green reunion, which was held this year at the home of Mr. and Mrs. Floyd Barkham, of the Waterford Airport, on Wednesday night. This is a yearly affair which is held at the homes of different members of the Green family. There were forty present, with guests from Silver Lake, White Lake, Pontiac and Waterford. A pleasant time was had, games following a bountiful picnic supper and a good social time.

"Shall the government, except in temporary national emergencies, enter upon business processes in competition with its citizens?" asked President Hoover in his Indianapolis speech. How about the printing of envelope corners, ask all the job printing plants in the country.

A good slogan for the dairy farm is "Breed the best, feed the best, keep the best and cull the rest".

Cows that produce not more than 20 pounds of milk a day do fairly well on good pasture with no additional feed. However, cows producing more than 20 pounds of milk need 1 pound of grain to each 4 to 6 pounds of milk produced. Always grind the grain.

GOOD DRINKS CAN BE MADE OF MILK

Simple Concoctions for Children In Warm Summer Months

East Lansing, June 17.—Milk drinks which are nutritious and for which the children will clamor can be made at home from recipes recommended by the home economics department of Michigan State College.

Chocolate milk is one of the simplest and is also very popular. A stock mixture of the chocolate flavoring can be made and a small amount used to prepare as many glasses of the milk as are wanted at any one time.

The flavoring is made by mixing into 12 pounds of sugar, one pound of cocoa, one-half pound of corn starch, two teaspoonfuls of cream of tartar, and a dash of ground cinnamon. The mixture should be boiled a few minutes in a gallon of water, cooled, and three ounces of vanilla added. One ounce of this flavoring is added to seven ounces of milk.

Egg nog, a favorite drink for many years, is made by beating the mixture of one egg, one teaspoonful of sugar, a sprinkle of cinnamon and nutmeg and a few drops of vanilla into a glass of milk. This drink has a high food value and is rich in proteins and minerals. Different flavors can be obtained by using lemon, orange or prune juices instead of vanilla.

Some of the newer milk drinks are made by adding honey to milk and they are said to be very tasty. Three ounces of honey and 15 drops of lemon or orange extract are used to make honey blossom drink. The mixture should be shaken until the honey dissolves.

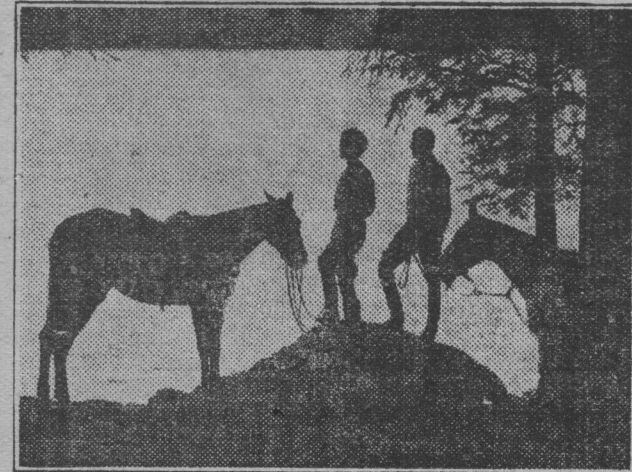

Attractive milk drinks can be made by adding two or three teaspoonfuls of fruit jam or marmalade. The seeds in the jam should be strained out of the drink after the mixture has been thoroughly stirred. Grape, raspberry, blackberry, pineapple or cherry jams may be used.

LARGE MAP IS USED BY ONE STATE DEPARTMENT

Lansing, June 17.—What is believed to be one of the largest detailed maps of Michigan hangs in the office of the Geological Survey Division of the Conservation Department. The lower peninsula map, having a scale of one half inch to a mile, is eight by twelve feet in size. The map is used extensively for reference geological work.

Nearly 32 million persons visited the National Forests last year.

DONELSON SCHOOL WINS SILVER HEALTH TROPHY
 The Donelson school in Waterford township this year won the silver trophy offered annually by the Oakland County Department of Health to the rural school showing the finest health record. The trophy was presented last Friday by John D. Monroe, county health commissioner. The record of the school for the year showed 98 per cent of its pupils vaccinated. Miss Iva Bessett, of Holly, is principal of the Donelson school.
 The Drayton Plains school is listed among other schools that made excellent health records the past year.

DEATH OF WOMAN BORN IN WHITE LAKE IN 1865
 Mrs. Emma Webster Van Buskirk, 65 years of age, died at her home in Boise, Idaho, where she had lived for the past 41 years, June 11. The body was brought to Pontiac for burial. Mrs. Van Buskirk was a sister of the late Elmer R. Webster and was born in White Lake township, Aug. 1, 1865. Her parents were pioneer residents of that township.

NO BOUNTY ON CROWS IS PAID BY MICHIGAN
 Lansing, June 17.—The State of Michigan does not pay a bounty on crows, the Law Enforcement Division of the Conservation Department stated today as a reply to scores of letters that have been received asking for bounty money.
 Recently a bill was introduced into the Legislature to establish such a state bounty. The bill was not adopted. However, it apparently gave many people the impression that the state was paying a bounty and the Law Enforcement Division is being flooded with requests for money. The number of such requests has been growing steadily for several weeks, it was said.

LADIES' AUXILIARY ASKS MEMBERS TO CAN FRUIT

The Ladies' Auxiliary of the Clarkston Baptist church will serve their regular monthly supper in the church Wednesday, July 1, at 6:00 p. m.

With the canning season upon us the ladies ask that members and friends can a few extra jars of vegetables, pickles or preserves. The October supper will be set aside for the delivery of these. Each lady bringing two quarts or the equivalent of canned goods will be admitted.

30 LADIES ENTERTAINED BY MRS. E. C. PAULUS

Mrs. E. C. Paulus very pleasantly entertained a party of 30 ladies at Lilac Cottage, Waterford, her home, last Friday. They were mostly members of Michigan Corps, W. R. C., of Detroit, and Keystone Chapter, O. E. S., also of Detroit, of both of which Mrs. Paulus is a member. Mrs. Mort Murray, of Pontiac, and Mrs. Morrey, of Toledo, were outside guests.

A bountiful pot luck dinner was served at noon, with social hour and cards following. The prizes were out of the ordinary, pieces of antique china contributed by the hostess and members.

The house was beautifully decorated with blue and cream colored flowers and the American flag in evidence in honor of the W. R. C. This meeting is an annual affair and an invitation to Lilac Cottage always means a pleasant day to remember.

SEAL CUTODIAN REACHED 86TH BIRTHDAY JUNE 1ST

Lansing, Mich., June 10.—The oldest employe of the State of Michigan celebrated his 86th birthday on June 1. He is Major Albert Dunham, custodian of the great seal of the state whose duty it is to affix the seal on all papers that come to the department of state for authentication. The major recently was appointed a member of the board of managers of the Grand Rapids Soldiers' Home. He has been a state employe for 37 years.

STATISTICS OF WORK DONE WITH XMAS SEAL MONEY

The December, 1930, sale of Christmas seals, by means of which the campaign against tuberculosis is financed, totaled in Michigan \$206,815.53, a report on the statewide sale prepared by the Michigan Tuberculosis Association shows.

This amount represents the combined receipts of the State Association and twenty-six local societies, including the Oakland County Tuberculosis Association and supports a varied program of anti-tuberculosis activities locally and in the state at large.

Funds secured in the seal sale have entirely financed during the past three years a series of health talks given by "Princess Watassa" in all parts of the state. In the period since September, 1928, when these health programs were inaugurated, every county in Michigan has been reached by the program. In Oakland county, 56 programs

have been given, reaching 10,104 children and 100 adults.

A grand total of 274,914 persons have heard the Watassa program to date, 101,219 of that number having witnessed it last year.

NEW LAW INCREASES JOB OF SECRETARY OF STATE

Lansing, Mich., June 18.—The powers and duties of the secretary of state in supervising elections were greatly increased by amendments to the general election law adopted by the 1931 legislature. All election forms, notices and ballots must now be prepared and drafted by the department of state. The new law also empowers the secretary of state to investigate or cause local authorities to investigate alleged frauds or irregularities in elections.

Only twenty years ago it was supposed that tomatoes were of little or no food value and merely added color and flavor to meals.

NEW BARN IN USE ON COLLEGE FARM

Will Be Ready for Inspection on Feeders Day, June 26th

East Lansing, June 17.—Michigan livestock men who attend Feeders Day at Michigan State College, Friday, June 26, will find the lots of fat cattle at the new barns south of the Red Cedar river for the first time this year.

The day's program begins at 10:30 Eastern Standard time and will start with an inspection trip thru the new barns. Members of the College staff will explain some of the experimental work which will be done in these buildings.

A luncheon will be held at noon in the Union building. Charles E. Snyder, editor, The Chicago Drovers Journal, will talk about the livestock situation in the central states and of the price prospects for the future. Dr. P. G. Minneman, Bureau of Agricultural Economics, U. S. Dept. of Agriculture, will present the findings of a study made of the livestock area in southeastern Michigan.

Members of the College animal husbandry department will tell how the various lots of animals in the feeding trials were handled and the information of the rates and costs of gains made by the animals will be given. Baby beeves, lambs and hogs were fed in the trials this year.

CONSERVATION PICTURES ARE VIEWED BY MANY

Lansing, June 18.—Almost half a million Michigan people have seen motion pictures of the state's conservation activities during the past year thru films loaned by the Educational Division of the Department of Conservation.

Attendance at showings of department films during the year ending June 1 totalled 463,750, according to the Division's reports. This does not include attendance at news reel showings of departmental pictures.

The department is now employing two systems in distributing its films, one a film loan service, and the other a permanent loan system to the principal school systems.

Ten completed reels showing various activities of the Department are now available thru the loan service. Several additional pictures will be completed by fall.

USE OF HARROW IS TOLD TO FARMERS

Superior to Cultivator in Potato Field for Limited Time

East Lansing, June 18.—The easiest way and the cheapest method to destroy weeds in potato fields, according to the farm crops department at Michigan State College, is to use a spike tooth harrow before the potatoes are up and a weeder until the plants are six to eight inches tall.

More ground can be covered with the harrow in a day than can be tilled with a cultivator, and the weeds are small and easily killed at the proper time for harrowing. The use of the harrow and a cultipacker, if needed, smooths down the ridges which the planter leaves in the field, and the surface tillage helps retain moisture in the soil.

The spike tooth harrow should be used as soon as the potatoes are planted and the use should be repeated at intervals of seven days until the potatoes are up. A weeder can then be used until the plants are six or eight inches high. Success with both these tools depends upon their use while the weeds are small and can be easily pulled.

The first cultivation with a cultivator should be close to the plants and fairly deep. In later use of this implement, only the surface soil should be stirred and the gangs should not come close to the plants. When the vines are one foot tall, most of the feeding roots in the plants are in the top six inches of soil and deep cultivations cut off these roots.

Cultivation should stop when the plants blossom and the tubers begin to form. Level cultivation should be practiced except that some soil may be thrown around the plants at the last cultivation.

GEOLOGICAL DIVISION HAS PREPARED MAP FOR SALE

Lansing, June 17.—A revised areal geology map of the lower peninsula of Michigan has been prepared by the Geological Survey Division of the Department of Conservation, and is now ready for public distribution.

The map, which was prepared by R. B. Newcombe, is revised from the 1916 map thru much additional information obtained from a large number of wells drilled about that section of the state. Bed rock formations beneath the drift are more accurately indicated than in the 1916 map.

The new map sells for 25c.
