VOLUME II. NO. 48.

CLARKSTON, MICHIGAN, FRIDAY, JULY 31, 1931

WHOLE NUMBER, 100

## MAN IS DROWNED IN LOCAL WATERS

Fatality Occurs at Deer Lake  
Early Sunday Morning

Deer Lake was the scene of the fourteenth fatality in Oakland County lakes during the present bathing season. The victim was Joseph F. Fritz, 35 years old, of Detroit.

Fritz was one of a party of five or six men and women who stopped at the lake early Sunday morning at the public bathing beach. Most of the party put on bathing suits and entered the water. A little later Fritz's absence was noticed and search was begun. Word was also sent to Clarkston and Dr. C. E. Marsh responded. On arriving at the beach Dr. Marsh joined the others who were searching for the body and after about 20 minutes found it with the aid of a flashlight in about eight feet of water. It was taken out and for nearly two hours Dr. Marsh worked to resuscitate the man without avail. In the meantime Deputy Sheriff Ed Seeterlin and Durand Ogden, who had been summoned, arrived, and when it became certain that the man was dead, Mr. Ogden removed it to his funeral parlors on the order of Justice John Morley, acting as coroner.

Fritz was a toolmaker at the Ford plant and lived at 4837 Fourth Avenue, Detroit. He was a World War veteran.

The body was sent to Dubois, Pa., where two brothers reside, for burial. Another brother lives in Detroit.

## MRS. VERNICE KEELEAN HONORED ON BIRTHDAY

Mr. and Mrs. Charles E. Bird, of Crescent Lake, entertained at dinner Thursday, July 23, in honor of their daughter, Mrs. Vernice Keelean, who celebrated her birthday anniversary. Those present were Duncan McVean, from Pontiac, and Rev. and Mrs. John McLean, of Detroit. Mrs. McLean is Mrs. Keelean's aunt. Two large birthday cakes and a lovely bouquet of garden flowers centered the table. Mrs. Keelean received many beautiful and useful gifts as well as cards from friends.

## OXFORD GIRL WEDS WALTER SHERSTON

Ceremony Took Place Monday  
at Pontiac Episcopal Church

The marriage of Miss Myrtle Cook, daughter of Mr. and Mrs. Peter Cook, of Oxford, and Walter Sherston, son of Mr. and Mrs. Charles Sherston, of Pleasant Lake, was solemnized at All Saints' Church, Pontiac, on Monday, with Rev. Bates G. Burt officiating.

The bride was given in marriage by her father, Peter Cook. She wore a charming gown of pink silk and carried a corsage bouquet of white delphiniums and tea roses. She was attended by the groom's sister, Miss Marion Sherston, who wore a pink silk gown and carried sweet peas and roses. Kenneth Haines, of Detroit, was best man.

After a short trip to Kalamazoo, Mr. and Mrs. Sherston will be at home to their friends at Pleasant Lake, R. F. D. 2.

## COUNTY GRANGE PICNIC TO BE HELD AUGUST 7TH

The annual picnic of the Oakland County Granges will be held Friday, Aug. 7, at Davisburg Park. Pack up your basket dishes, silver and something good to eat, hurry up and get a front seat; there are going to be games and lots of fun and we won't go home until the setting of the sun.

By Order of Committee.

A local fisherman who ought to be authority in the matter informs us that there is now no size limit on perch, calico bass, rock bass, strawberry bass and crappies. The number per day or in possession remains the same, at 25.

## DRAYTON MEN'S CLUB IS ACTIVE IN COMMUNITY

The semi-monthly pot-luck supper meeting of the Drayton Men's Club was held at Leggett's Willows Monday evening. Besides the supper there was handball in which both the men and their wives participated, and bathing. Everybody had a delightful time.

The next meeting, which will be the regular monthly meeting, will be held at the Community Presbyterian church, Monday evening, August 3, at 6:45 o'clock. George Waller, of the Pontiac Board of Education, will be the guest speaker and he is certain to have something of interest to say. All members are urged to attend and each to bring a friend.

## AUTOIST IS KILLED AS CAR HITS TRUCK

Accident Happened on Steep Hill  
Just North of Clarkston

Attempting to pass a slow moving truck on a steep hill on M-15 one mile north of Clarkston at 11 p. m. Monday, William Waldbauer, 40 years old, of 215 Salzberg avenue, Bay City, was instantly killed and his companion, Louis Starolin, 45 years old, same address, received serious internal injuries.

The accident happened as the two men swung into the rear of the truck to avoid a head-on collision with another car approaching from the north.

Deputy Sheriff Ed Seeterlin and Justice John Morley were called to the scene and took charge. The body of Waldbauer was removed to the Ogden Funeral Home and Mr. Ogden also rushed Starolin to the Goodrich Hospital.

The front part of the car was badly wrecked, being twisted all out of shape, but farther back the only damage done was the breaking of the windshield and the window on the driver's side. Waldbauer was killed and his companion injured when they were thrown forward with great force into the wreckage.

Two brothers of the dead man came to Clarkston early Tuesday morning and made arrangements for the removal of the body to Bay City. Waldbauer is survived by his widow.

## OLD LANDMARK IS RAZED ON DIXIE AT SPRINGFIELD

The old red barn opposite the Waterbury farm at Springfield, a landmark for many years, has been torn down to allow for straightening the Dixie Highway at that point. No one knows when the barn was built, but the old timber still remained, although the structure was rebuilt in 1910 by Mr. Waterbury, who later sold it. While the date of its erection is not established, it is known that it originally was a store building and probably was the oldest structure in the neighborhood.

## NEWS OF INTEREST FROM THE AIRPORT

Royalty Visits Flying Field on  
Monday; New Plane Arrives

Royalty visited the Airport late Monday afternoon. The distinguished party included their Royal Highnesses, the Prince and Princess Svasti, of Siam, parents of the Queen of Siam, and their son, the Prince, who landed at 5:20 p. m., with Colonel Sidney D. Waldron, of Detroit. They were guests that evening at a dinner party at the Waldron country estate near Clarkston. The party arrived in the finest airplane ever seen on the field. It was a Ford trimotor plane NC432H and was piloted by William Mounts.

P. A. Larsen, of Pontiac, brought in a Wasp Fairchild cabin plane Tuesday, which will be at the airport for some time. Mr. Larsen has several hours of flying yet to do to retain his license as a pilot and is taking up passengers.

## ROYALTY GUESTS AT WALDRON ESTATE

Dinner Party Monday Night for  
Distinguished Siam Visitors

Col. and Mrs. Sidney D. Waldron were host and hostess at a dinner party at Pine Knob, the Waldron county estate near Clarkston, on Monday evening, honoring their house guests, their Royal Highnesses the Prince and Princess Svasti and their son the Prince of Siam.

The party was made up of Detroit folks and was one of the very brilliant affairs arranged in honor of the royal party, who are enjoying a sightseeing tour of this part of the country.

They left Pine Knob Tuesday evening for Chicago and will tour the Western states, joining the royal party, their Majesties the King and Queen of Siam, who are now touring Canada, at Vancouver for the return trip home late in the Summer.

The royal party were greatly impressed by the vast motor and other industries in this section, and are enjoying every moment of their stay in America, and the American people are very happy and proud to do homage to such distinguished and pleasing guests. The Prince is declared a jolly good fellow and the Princess equally won the hearts of everyone she met. The young prince is a sophomore at Yale.

## FAMILY REUNIONS ORDER OF THE DAY

This Is Season of the Year When  
Clans Gather In Force

Many relatives gathered at the Leonard Molter home on the Orion Road for the first reunion of the Molter families. The guests came from South Bend, Plymouth and Lafayette, Indiana, and from Detroit, Pontiac and Clarkston.

The first meeting was hailed with enthusiasm and plans were put under way for one next year to be at Plymouth, Ind.

Amid the joy of the day, election of officers was dismissed, and the managing of the next reunion was left to this year's committee, Mrs. Leonard Molter, of Clarkston, and Mrs. Pete Molter, of Detroit.

Much appreciation was extended to the hosts' family, who took charge of the entertainment, and a happy crowd awaits next year's meeting.

Mrs. Roy Gundry and daughter, Gladys, of Clarkston, attended the annual reunion of the Gundry family Saturday at the Spring Lake Golf club. Mr. and Mrs. Roy Gundry, of Oxford, were hosts. Fifty were in attendance from Pontiac, Grand Blanc, Flint, Clarkston, Oxford, Imlay City, Drayton Plains and Linden. A pot luck dinner was served at a long table in the grove, and the afternoon was spent in visiting, games and lake sports. Mrs. Neil Gundry, of Drayton Plains, was elected president; Blanche Gundry, of Flint, vice-president, and David Scott, of Imlay City, secretary and treasurer. The 1932 reunion will be held at the same place.

## F. O. WILLE, JR., U. S. N., IS HOME ON FURLOUGH

Frank O. Wille, Jr., grandson of Mr. and Mrs. William Buzard, of Clarkston, is enjoying a 30-day leave of absence at the home of his father in Pontiac. He enlisted in the Navy about two years ago and has made splendid progress during that time. At the end of the first year he had advanced to seaman first class. Recently he was promoted to coxswain. He is attached to the U. S. S. Melville, stationed at San Diego, Calif.

Mr. and Mrs. Marion Judd and Mr. and Mrs. Loyd Judd and sons are spending a few weeks in Upper Jay, New York.

Mr. and Mrs. Cyril Starring, of Detroit, spent Sunday with the former's parents, Mr. and Mrs. William Starring.

## WANTS NAME FOR PEACH FARM—WHAT HAVE YOU?

Mr. and Mrs. David McClelland have a fine peach orchard at the corner of the Sashabaw and Orion roads that is now coming to bear for the season. It is a nice place and deserves a fitting name but the owners are undecided as to what to call it. As a way out of the perplexity they are asking visitors at the place on Sundays to suggest names that will be appropriate, and to the one who suggests the best name they will give two bushels of peaches of his or her own selection.

## BASEBALL AS SEEN ON LOCAL FIELDS

Waterford Defeats Detroit Nine  
By Very One-Sided Score

The second game between the Drayton Automatics and the Kids, Sunday, was finished amid a storm of protests that emanated from both players and spectators. With the score standing 6 to 3 in favor of the Kids at the end of the eighth inning, the umpire, a former Automatic player, made two decisions in the ninth inning which the Kids claimed robbed them of double plays. Inflamed and discouraged, they lost heart and let their opponents score 8 runs. The Kids made 3 runs in the ninth, also, so the final score was 11 to 9 in favor of the Automatics. Beals and Vallad were the battery for the Kids and Brown and Waterman for the Automatics.

The Automatics will play the Michigan Stars of Pontiac, at Pontiac Sunday, and the Kids will play the Aces at Keego Harbor, whom they defeated in a former game.

Scoring from 2 to 5 runs in every inning but the third and fifth, when they were blanked, Waterford had an easy time Sunday, defeating the Detroit Times, 20 to 6. The game was played at Waterford.

The Detroit outfit is a good team but Waterford's bats would not be silenced. Earl got 5 hits in six times at bat and Attwater cracked out a homer with one on. Barkham never had to extend himself after the first inning. As it was he allowed but 10 hits, well scattered.

The detailed score:

WATERFORD					
	AB	R	H	E	
W. Jacober, ss.....	6	2	3	0	
G. Hunt, 1b.....	4	5	3	1	
A. Walter, 2b.....	6	2	3	0

Score by innings:  
Detroit Times.....3 0 0 1 0 2 0—6  
Waterford.....3 3 0 4 0 3 2 5—20

Waterford will play at home again next Sunday, meeting the Hostess Cakes, of Pontiac. Last year the Cakes beat them but a different result is now anticipated.

## BOY SCOUTS HOME FROM CAMP AT TOMMY'S LAKE

Bob Huey, Charles Harris, August Jacober, Louis Dorman and Jack Hall, of Waterford, have returned from the Boy Scouts camp at Tommy's Lake. Huey and Harris passed the Star Scout test and were awarded life saving and swimming and camping badges. The former was a member of the camp octet that appeared on the program that marked the close of the camp period. Other features of the program were two playlets and the awarding of honors. Several from Waterford were in attendance.

## FAREWELL EVENTS FOR MRS. VAUGHN

Community Leader Honored on  
Evening of Her Departure

Mrs. Harold Vaughn, who is leaving the first of next week to join Mr. Vaughn at Tulsa, Okla., is being profusely entertained by her many friends during her last few days among them. Mrs. Vaughn has always been active in community enterprises and given liberally of her talents in social affairs and will be greatly missed.

Mrs. Howard Huttenlocher and Mrs. Morgan Gilbert entertained at the former's home Tuesday afternoon at bridge. The house was beautifully decorated with yellow gladioli and the colors were carried out in the refreshments. Bridge occupied the afternoon with prizes won by Mrs. Vine Barrows and the honor guest.

On Wednesday afternoon Mrs. Joe Hubbard gave a lawn party for the mothers and children to include the two small Vaughn boys. Games were arranged for all, followed by cake and ice cream.

Mr. and Mrs. George H. Kimball, Jr., of Waterford, will entertain at a dinner party Friday evening at Elizabeth Lake. Mrs. Bradley Miller will give a dinner party on Saturday evening and Mr. and Mrs. Fred Stewart on Monday evening; Sunday night Mr. and Mrs. Mallory Stickney will entertain at supper at their farm home, Green Acres.

## BEARDSLEE-SUTTON REUNION

All members of the Beardslee and Sutton families are cordially invited to attend a reunion at the home of Mr. and Mrs. Samuel T. Beardslee of Sashabaw Plains Saturday, August 1. Pot luck dinner. Everyone is requested to bring dishes and silver.

## POLICE DOGS SAVE FAMILY FROM FIRE

Arouse Head of House In Time  
to Prevent Holocaust

G. H. Lane, of Crescent Lake, has two police dogs, "Black-jack" and "Zipper", which he was thinking of selling a short time ago, but which he declares now that he will not part with. He has good reason for this change of mind for the two faithful animals saved the lives of himself and family and a visitor early Saturday morning, when fire destroyed the Lane home.

Mr. Lane, who was sleeping on a screened porch on the ground floor, was awakened about 2:30 a. m. by the dogs pulling at the bed clothes and biting his leg. He got up to find the house in flames and in time to arouse the other occupants, his wife and two boys, Arthur W., 13 years old, and Jack, 16, and the visitor, Kenneth Flynn, of Chicago, who were all asleep upstairs. Flynn was obliged to jump from a second story window.

A Pontiac engine company was called and laid 1,200 feet of hose from the lake to the house, but the fire had made such progress that their efforts were useless to save the building. All of the contents were destroyed except a small amount of jewelry. The origin of the blaze is a mystery. The loss is estimated at \$10,000, partly covered by insurance.

The Lane home, which stood on the west shore of the lake near the Highland road, was known to Waterford Center people for many years as the William Taylor place. It was a landmark known to all the older residents and these now speak with sorrow of its destruction. They all remember the Taylor family, the children who grew up there and attended the Center school, and recall many happy hours spent there in days long gone by.

Born to Mr. and Mrs. Lawrence Viles, July 29, a 10-lb. son.

## MISSIONARY PROGRAM AT DAVISBURG NEXT SUNDAY

The following program is to be given Sunday evening, Aug. 2, at 8 o'clock, by the W. F. M. S. of Davisburg at the Davisburg M. E. Church:

Solo.....Mae McNamara  
"Our Standard Bearers in Song and Story".....Mrs. C. Walls and Choir  
Violin Solo.....James Crawford  
Dialogue, "Aunt Polly Joins the Missionary Society".....Five Ladies  
Reading.....Mrs. R. Crawford  
Remarks.....Pastor  
Pantomime, "The Sweet Story of Old".....Helen Hillman  
Benediction.....Rev. E. Bickford

## WOUND FATAL TO JOHN G. WINDIATE

Former Waterford Man Dies at  
Grayling Hospital Sunday

This community was deeply grieved early this week to learn of the death of John G. Windiate, 63 years old, at the Mercy Hospital in Grayling, Sunday morning. Mr. Windiate died from complications which developed following a wound in the head suffered while he was handling a revolver at his cabin on the Au Sable river, 22 miles from Grayling, Sunday, July 19.

Funeral services were held at St. Paul's church in Flint, Mr. Windiate's home for the past 37 years, Tuesday, under the auspices of Genesee Valley Commandery, K. T.

Mr. Windiate was born on the old Windiate farm, later known as the Harris place, on the Andersonville road, Jan. 7, 1868, and lived there until he reached manhood. Arriving at the age of 21 he worked his father's farm for four years, and then with the savings he had accumulated he went to Flint and engaged in the meat market business. He followed this with success for 15 years, retiring in 1909 to enter the real estate field. Here too he was successful and became a leading figure in financial and political circles of the city. He served as alderman and member of the park board, and was a director of the Union Industrial Trust & Savings Bank.

Mr. Windiate was prominent in the Masonic order as a member of the blue lodge, chapter, council, commandery, consistory and Shrine.

On Nov. 16, 1894, Mr. Windiate was united in marriage to Miss Violet Walter, of Clarkston, who survives, with one son, Walter. He also leaves two sisters, Mrs. Minnie Rice, of Flint, and Mrs. Adam Renck, of Detroit; two nieces and two nephews.

## "JOE" LATTORE IS HORSESHOE CHAMP

Waterford Man Triumphs Over  
All Opposition Easily

When it comes to throwing horseshoes no one else around here is in a class with L. G. "Joe" Lattore, of Waterford. His skill is so uncanny that he finds it difficult to get anyone to play with him unless he conceals his identity.

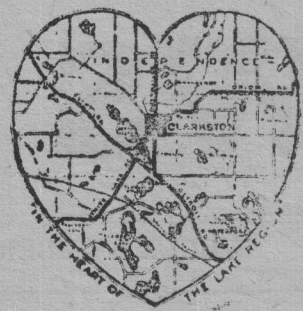

Last Saturday a tournament was held at Royal Oak for the county championship and Lattore had no difficulty in overcoming all opposition, never being in danger of losing a game. In a field of 22 pitchers he drew a bye in the first round; won from Kelley, of Pontiac, 21-3 and 21-7, in the second round; disposed of Horn, of Pontiac, in the third round, 21-1 and 21-7; won from Getz, of Pleasant Ridge, 21-0 and 21-15 in the semi-finals, and triumphed over Jewett, of Pontiac, in the finals, 50-38 and 50-37.

Lattore and Jewett paired in the doubles, and without losing a game romped their way to the finals, where they defeated Horn and Kelly, 50-39 and 50-40.

Lattore holds the Festival of States Horseshoe title which he won at St. Petersburg, Fla., last winter.

CLARKSTON, MICH., JULY 31, 1931

### CLARKSTON

Miss Prudence Gray, of Blissfield, has been visiting friends here this week.

Mr. and Mrs. Earl Walter and daughters are spending the week in northern Michigan.

Mrs. F. P. Holcomb is spending the week with relatives in Pinckney.

Mr. and Mrs. C. F. Schaening spent the week-end at Stag Island.

Lloyd Sutton returned home Sunday after spending three weeks at Port Huron and vicinity.

Joseph C. Bird Chapter, No. 294, O. E. S., will hold a regular meeting Monday evening, August 3.

The Lady Maccabees held a pot luck dinner and social afternoon at the pleasant farm home of Mrs. George Nelsey last Thursday afternoon.

Mr. and Mrs. Durand Ogden were dinner guests of Mr. and Mrs. Chatfield Bird, of Pontiac, Wednesday at the Bridge Lake Tea room.

Hawley Skarritt, Jack Huntly, Keith Lowery, Bruce Coryell and Herbert Beach, who have been camping at Lewiston for the past two weeks, have broken camp and are expected home today, Friday.

A new awning on the Ford Sales & Service not only improves the appearance from the outside but gives added comfort and protection to the show rooms. The interior of the entire building is being redecorated.

Mr. and Mrs. Durand Ogden and Mrs. W. J. Way were in Saginaw on Tuesday to attend the funeral of Hon. Bird J. Vincent, who died July 18 aboard an Army transport on the way home from Honolulu. Mr. Ogden and Mrs. Way were cousins of the late member of Congress from the Eighth District.

## Radio Telephone Speeds Alaskan Salmon Industry

Above is the radio telephone station on the shore of Bristol Bay, Alaska.

Below: Captain's cabin in the good ship David B. Note horn of radio loud speaker between windows over berth, with radio telephone just below.

Salmon don't just grow in cans. Above is shown one of the early steps in transforming the silvery horde to a table delicacy for whose enjoyment a can opener is the only implement required. When the salmon canning industry of Alaska wanted a modern and reliable means of communication between plants, and also between plants and vessels of the fishing fleet, the Western Electric Company was invited to show what the radio telephone would do. A type of radio telephone installation developed by Bell Telephone Laboratories for communication between airplanes and ground stations was adapted to the industry's needs, and demonstrated its practicability during seven weeks of test and up to 130 miles between ship and shore.

### THIS NOTICE OF INTEREST TO SHEEP CLUB MEMBERS

James Hoekzema, Smith-Hughes instructor in the Holly High School, is attending a two weeks conference of agricultural teachers at the Michigan State College, East Lansing. He writes us from there that there will be a trimming and blocking

demonstration at the Hansard farm, just north of Holly, Saturday, August 1, at 2 p. m. All 4-H Sheep club members are asked to be present and each to bring one sheep, as well as shears. The demonstration will be given by Dave Block, of Fenton, and Mr. Hoekzema.

Clarkston News, \$1.00 a year.

## SUBURBAN SERVICE STARTS SATURDAY

It Will Be Occasion for Great Festivities at Birmingham

Gov. Wilber M. Brucker will be the principal speaker at the dedication and inauguration ceremonies of the new Grand Trunk suburban railroad in Birmingham Saturday, Aug. 1. Brucker will speak in the afternoon at about 4 P. M. shortly after the first two commuter trains, one from Detroit and one from Pontiac, meet at the new \$125,000 Birmingham station.

Efforts are also being made by the executive committee in charge of the gigantic celebration ushering in Michigan's first commuter service to secure Sir Henry Thornton, president of the Canadian National Railway and a recognized world authority on transportation, and former Governor Alex J. Groesbeck as speakers.

The official celebration will begin Saturday at 10 A. M. with a band concert and children's parade. At 11 a ball game will be played between representative Birmingham and Pontiac nines. The Birmingham Firemen will give a demonstration at 11:30.

Following the lull in activities for the noon recess the outstanding feature of the day, the "Pageant of Progress", featuring the appearance of the queen of the pageant and her maids of honor and comprised of between 60 and 70 gigantic floats representing many cities and business concerns in the southeastern section of Michigan will thread its way thru the village streets to the new station. Here while awaiting the arrival of the first trains at 3:45 P. M. the crowd, expected to number between 75,000 and 100,000, will be entertained by a fireworks display and an airshow.

The dedicatory program proper begins at 4 P. M. when the north bound and south bound trains meet and the speakers take the platform. The speeches will be transmitted to the crowd over one of the most powerful amplifying sets ever erected in the state of Michigan.

At 5 o'clock a sight-seeing excursion about Birmingham will be given to the 200 invited guests, following which they will attend a banquet at 6:30 in the Community House.

At 7:30 free dancing will be held on the street in front of Baldwin Public Library. A beauty contest and the awarding of more than 50 prizes donated by Birmingham merchants will take place at 8 P. M.

Anton Brees, famous carillonist at Christ Church, Cranbrook, will give a concert from the singing tower, in Bloomfield Hills, at 8:30 P. M. The concert will last approximately 45 minutes.

A carnival midway will be open all day Friday and Saturday.

### RAINS HAVE PREVENTED ANY BIG FOREST FIRES

Lansing, July 29.—Periodical rain has prevented any spectacular outbreak of forest fires in Michigan during the past month. However, there has been a steady run of fires in both the upper and lower peninsulas according to the Division of Field Operations of the Conservation Department. No particular fire has been large but together they have been piling up a considerable burned over acreage.

During the past two weeks 148 new fires have been reported bringing the state's total for the season to 1,926. It has been estimated that 175,000 acres have been burned over so far this season.

Iron County continues to lead the list with 112 reported fires. Dickinson is second with 109. Midland county, with 101 fires, leads the list of lower peninsula counties.

Give the sheep extra feed during the breeding season. Good pastures of timothy, bluegrass, or rape are satisfactory for ewes, though some grain may be fed as a supplement. Oats are better than corn. Pumpkins strewn over the field are excellent for breeding ewes. Give the ram extra grain beginning about a month before the breeding season. Two parts of oats and one of bran, by bulk, make a good mixture. Oats alone are also good. If the ram is thin, this grain mixture is good: 5 parts corn, 10 parts oats, 3 parts bran and 2 parts linseed meal; all parts by weight.

There ought to be no penalty for shooting on the spot the fellow who asks: "Is this hot enough for you?"

### TUBERCULOSIS HAS LET DOWN IN STATE

War Against Dread Disease Is Showing Excellent Results

Lansing, July 30.—Although 1930 was a lean year economically, figures issued by the bureau of vital statistics of the State Health Department show that in the matter of lives saved from tuberculosis it was the best year Michigan has ever had.

A new all-time low level of 60.1 deaths per hundred thousand was reached, representing a decline of ten percent from the 1929 figure. 2,912 lives were taken by the disease in 1930, or approximately one hundred less than the average for the preceding five years.

While these figures are significantly encouraging in the proof they give of definite conquests in the war on tuberculosis, officials of the Michigan Tuberculosis Association warn against making them the basis for adopting, particularly at this time, a too complacent attitude toward the disease.

"Many tuberculosis authorities fear loss of much of the ground gained in recent years when the exceptional stresses to which many people in each community are being put are fully felt," says the Association. "The optimists say that there may be only a slowing down in the decline of the death rate. The more doubtful are afraid that a rise of considerable degree in the rate, with much of the work of years to do over, will be the end result."

"If in Michigan the ground that has been gained against tuberculosis is to be held, undiminished support will need to be given to the sanatoriums and to the anti-tuberculosis societies that, thru publicly given Christmas seal funds, have for more than two decades led in the crusade against tuberculosis. Only a vigorous campaign of education, case-finding and hospitalization will be successful in the face of today's exceptional circumstances."

### WHAT DO LOCAL IZAAK WALTONS THINK OF THIS?

Lansing, July 29.—The largest single catch of commercial fish reported to the Fish Division of the Conservation Department in several years was taken by Joseph A. Trudell Jr., East Tawas.

Trudell reported taking 17,000 pounds of whitefish in a single day near Tawas. With whitefish now selling at around eight cents a pound "in the round" the catch was worth approximately \$1,360.

Daily catches of from 5,000 to 8,000 pounds of fish are not unusual, according to the Fish Division, but Trudell's catch probably represents a record for several years.

Large catches of both whitefish and lake trout are being reported from all of the Great Lakes adjoining Michigan.

Drought conditions in the Northwest and in the Canadian breeding grounds of wild-fowl have made this year's hatch less than normal, and probably the smallest on record.

## Clarkston State Bank

CLARKSTON, MICH.

## ADDRESS CHANGES MUST BE REPORTED

### This is Little Known Provision of Driver's License Law

Lansing, Mich., July 29.—One of the least known provisions of the new automobile driver's license law is that concerning changes of address.

Under the new law, the license contains blank spaces where new addresses can be placed when the holder of the license moves from one residence to another. Failure to follow out this provision of the law is a misdemeanor.

The Department of State has answered many queries as to the proper way to comply with the law. When a motorist who has a new license moves, the license with the change of address should be taken or sent to the local examining officer and the change will be made at that office. Motorists should not send their licenses to the Department of State, nor should they make the alteration themselves.

Departmental records show that applications for new licenses are being made very slowly. Licenses obtained before Jan. 1, 1925 must be replaced by new ones before Nov. 1, 1931. If the "last minute" rush becomes too great, many drivers may find themselves without a license for a week or ten days and consequently unable to drive.

Clarkston News, \$1.00 a year.

## CHURCHES

### CLARKSTON BAPTIST CHURCH

H. A. Huey, Pastor

Sunday morning services are at 10:45. Sermon by the pastor. Sabbath School follows church at 12. George Van Horn, superintendent.

### WATERFORD COMMUNITY BAPTIST CHURCH

H. A. Huey, Pastor

Sunday School is at 10:30. H. B. Mehler, superintendent. Worship is at 8:00 during the summer months. Sermon by the pastor.

### WATERFORD CENTER SUNDAY SCHOOL

Sunday School at Waterford Center Sunday at 10:00 a. m. Classes for everyone.

### DAVISBURG M. E. CHURCH

Edward Bickford, Minister

Services for Sunday, Aug. 2: Morning services at 10:30. Topic: "Altogether Lovely". Junior Church at 10:30 in the church parlors. Mr. and Mrs. Roland Crawford, leaders.

Sunday School at 11:45. D. D. Garner, superintendent.

Evening service at 8 o'clock. This will be a missionary program to be given by the W. F. M. S. An offering will be taken.

## SOILS TRUCK WILL VISIT THIS COUNTY

### Six Meetings Will Be Held on Two Days in August

The Soils Laboratory Truck, a traveling soils laboratory, will visit Oakland County in the near future, according to K. D. Bailey, County Agricultural Agent.

There is no longer any need to guess as to lime or fertilizer requirements. A simple reliable test can now be used to tell accurately the amount of lime required for the soil and the amount and kind of fertilizer to apply.

The farmers of Michigan have in crops approximately eight and one-half million acres each year and according to the Soils Department of Michigan State College over six million acres of this needs lime and is one of the biggest problems of agriculture today and needs the immediate attention of every farmer.

Where lime is needed it is undoubtedly the controlling factor in production and should come first, then fertilizer can be profitably used. Tests show that in some cases the use of lime has made the use of fertilizer five times more profitable and the combined use has trebled the income over a period of years.

The Soils Laboratory Truck will be in the county for a series of six meetings, on Aug. 20-21.

### OFFER PICTURE SERVICE TO SCHOOLS OF MICHIGAN

Lansing, July 29.—A motion picture loan service that will make it possible for the pupils in about 20 of the larger school systems of the state to learn conservation thru visual means, will be inaugurated with the opening of the next academic year, the Educational Division of the Conservation Department has announced.

About 15 reels of conservation motion pictures, including wild

life, forest fires, forestry and kindred subjects, will be loaned to the larger school systems. A few reels will be loaned for two months at a time so that all pupils will have an opportunity to see all of the pictures during the coming school year.

The smaller school systems will obtain conservation pictures for shorter periods thru the Department's regular film loan service.

## DAIRY CLUB BOYS GET AN INVITATION

### To Attend Annual Field Day at Arbu Farms on August 6

All 4-H Dairy Club members have been invited by the Holstein Assn. to attend the annual field day at Arbu Farms, one mile south and one mile west of Oxford, on August 6, according to M. H. Avery, County Club Agent. He hopes that as many as possible of the club members will take advantage of this chance to see some of the outstanding Holstein cattle in the country today. Everyone is asked to bring a picnic lunch. Drinks and dessert will be furnished by the farm.

A 4-H judging contest will be held in the forenoon and all the boys and girls who are interested in judging are asked to plan to be there by 10:15 to take part in the contest. A Holstein bull calf is to be given the winning team consisting of the three high scoring members in the county. There are a number of good Holstein club members in this county so it is hoped the calf will remain in the county.

To facilitate reforestation of denuded lands in the national forests of the Lake States, the Forest Service, U. S. Department of Agriculture, recently broke ground at Rhinelander, Wisconsin, for a new nursery which, it is anticipated, will eventually produce 14,000,000 tree seedlings annually.

Clarkston News, \$1.00 a year.

## WILL DEMONSTRATE USE OF ELECTRICITY

### County Agricultural Agent Has Arranged Two Meetings

One of the most important uses for electricity on any farm is the pumping of water. An electric motor on a pump jack or a pressure system will supply running water whenever desired. The cost of pumping water with electricity is very cheap. An average 100 acre Michigan farm with running water in the house consumes 100,000 gallons of water a year, about \$6.00 a year or fifty cents a month is the cost of current to pump that amount of water.

Feed mills designed for electric operating grind grain at an energy cost of about 3 cents per bag. Three cents worth of current a day will milk ten cows night and morning. One dollar and fifty cents worth of electric power will fill a 128 x 408 silo. These are but a few examples of the low operating costs of electricity. Michigan farmers are taking advantage of these conditions and are increasing their current consumption on a profitable basis.

To grind grain cheaply, to fill silos satisfactorily and to accomplish the best results of other electric operations, it is necessary that the farm buildings be properly wired and that the right kind of equipment and proper size of motors be used.

The County Agricultural Agent, K. D. Bailey, and the Home Demonstration Agent, Elisabeth P. Weld, have arranged that demonstrations of household and power equipment be conducted in the afternoon and evening on the farm of Elmer Stowell on the Silver Bell Road on August 17 and at Joe Wessinger's on the Wixom Road on August 18.

H. J. Gallagher, Agricultural Engineer, Michigan State College, will conduct the demonstration on power uses of electricity and Miss Evelyn Turner of the Home Economics Department will demonstrate the uses of household equipment and appliances.

## CIRCUS AT PONTIAC

Sensations and thrills are packed into the 1931 performance of the Hagenbeck-Wallace Circus, which will make its appearance in Pontiac on Saturday, August 1. Great interest has been manifested in the coming of this high-class circus and a large number of people from this community are going to attend the exhibitions.

Heading the list of dare-devils is "The Great Wilno" who is actually fired with violent velocity from the mouth of a monster cannon. Wilno's act is one of the sensations of the present day, as this human bullet shoots thru space from the huge gun to a net many feet away. Wilno is an exclusive Hagenbeck-Wallace feature.

Clyde Beatty, the youthful subjugator, who is said to be the world's greatest animal trainer, will offer a display of over 30 ferocious Royal Bengal and Siberian tigers and African lions. This is the largest group ever presented under the tutelage of any American trainer. Aage Christians, a noted European trainer, will present a vicious and savage group of hyenas, leopards, pumas, bears and other animals.

Included among the arenic stars will be Poodles Hanneford and Family of riders, the Flying Clarkonians, Wright Troupe, the Montmarte Family of acrobats, the Lee Sisters, the Walter Neiss Troupe and the Nortons. Clown alley, as usual, will contain only the best of laugh-provokers.

"The Golden Orient", a beautiful story of old Japan, will provide the opening musical presentation.

## VACANCY AT U. S. NAVAL ACADEMY

### Gives Opportunity for Some Boy From Sixth Cong. District

Congressman Seymour H. Person recently received notice from the Navy Department that due to the failure of the principal and alternates nominated by his predecessor for admission to the U. S. Naval Academy at Annapolis, a vacancy was thereby created to be filled by an appointment next year. Owing to

the large number of applicants received from young men from all parts of the district for such appointment, Mr. Person has decided to fill the vacancy by means of an open competitive examination, to be conducted under the auspices of the U. S. Civil Service Commission.

In order to be eligible for appointment, the applicant must be not over 20 years of age on April 1st next, must be a resident of the sixth congressional district, and must have at least a high school education or its equivalent. The examination will be held the second Saturday in January, 1932, at various postoffices thruout the district.

In order that all may have a fair and equal chance, Congressman Person will consider applications from all eligibles up to within a few days of the announced open competitive examination, with the assurance that those standing highest as the result thereof will be appointed as principal and alternates respectively. Prospective applicants should address the Congressman at 204 Bauch Building, Lansing, Michigan.

## BIRD HUNTERS NEED TO KNOW THIS INFORMATION

Lansing, July 29.—The 1931 open Prairie Chicken hunting season will coincide with the Ruffed Grouse season. The Conservation Commission, acting on authority given it by the 1931 legislature, has ordered an open season for prairie chicken to extend from October 15 to 26, inclusive. These are same dates set by the legislature for hunting Ruffed Grouse in the lower peninsula.

During the coming fall prairie chicken hunting will be permitted only in the lower peninsula north of Wayne, Washtenaw, Jackson and Van Buren Counties. The Commission ordered a closed season on Ruffed Grouse for the upper peninsula.

The bag limits for partridge and prairie chicken remain the same for each species: five in one day, ten in possession at one time, and ten for the season.

All of the seasonal dates and regulations for muskrats remain the same as last year, the commission deciding to retain the zone system.

While the raccoon hunting and trapping regulations remain the same as in 1930, the season in which dogs may be trained on raccoon has been shortened, so that the training of dogs on raccoons is unlawful before Oct. 2.

## RANGER DISTRICTS DIFFER GREATLY

### Largest in Alaska Covers More Than Four Million Acres

The United States forest ranger at Juneau, Alaska, is manager of an "estate" more than seven-eighths as large as the State of Massachusetts.

Altho ranger districts in national forests in thickly settled States may contain as little as 25,000 acres, the ranger at Juneau must look after 4,540,000 acres in the Tongass National Forest. In patrolling his district, the ranger travels mainly by motor boat because of the many inlets and straits where the timber comes down to the water's edge. Hence the term "sea-going rangers" applied to the forest officers in Alaska.

In the States the largest ranger district is the Big Pine in the Inyo National Forest, Calif., where the ranger looks after the protection and management for continuous production of timber, forage, wild life, recreation and watershed values on 924,845 acres. Incidentally, there are 32,000 head of sheep and cattle grazing in the California ranger district, while the Alaska ranger claims to "go him one better" with a few thousand head of moose, deer, mountain goats and bear.

Other ranger districts in the Tongass National Forest in Alaska vary from one to four million acres. In the Chugach, northernmost of all the national forests, a ranger takes care of as much as 3,000,000 acres.

A shipment of hogs fattened at the U. S. Range Livestock Experiment Station, Miles City, Mont., on barley, tankage and alfalfa pasture produced Wiltshire sides that sold on the Liverpool and London markets with noteworthy success.

Forest nurseries in 39 States and 2 Territories distributed nearly 80,000,000 trees for planting last year. New York led with nearly 25,000,000 trees.

VACATION IN MICHIGAN

## MAY TRAP BEAVERS IN STATE NEXT FALL

### Short Open Season in 19 Counties, Eight Below Straits

Lansing, July 30.—Eight lower and eleven upper peninsula counties will be open to beaver trapping December 5, for a 15 days season.

Trappers will be limited to five beaver pelts or live animals. Beaver trapping will be lawful only thru a special license to be sold by the Department of Conservation in counties open to trapping. Licenses will be issued only to residents of the state. The fee for a license will be \$2 and a charge of \$1.50 will be made for each beaver pelt taken when they are returned to the county seat for registration and sealing as required.

The beaver licenses to be issued this year will expire December 20, the last day of the season. On or before December 25, 1931, all beaver or beaver hides taken during the open season shall be presented to a conservation officer at the county seat where the license was issued. The officer will make a record of each animal and hide and will stamp the hide and mark every live beaver and will collect a fee of \$1.50 for registering and stamping each hide and marking each beaver.

Under the license, live beaver may be taken during the season as well as pelts.

The Conservation Commission, in issuing an order opening a beaver season this fall, declared 19 counties open as follows:

Upper Peninsula: Chippewa, Mackinac, Luce, Schoolcraft, Alger, Delta, Menominee, Dickinson, Marquette, Iron and Gogebic.

Lower Peninsula: Alpena, Montmorency, Otsego, Antrim, Charlevoix, Cheboygan, Presque Isle and Emmet.

Within the counties to be open for beaver trapping, several areas will be considered as beaver refuges and signs will be posted forbidding beaver trapping.

Entomologists flying in airplanes have captured insects 14,000 feet above the earth, and some probably go even higher.

On July 1 Indiana became the fourth State in which bovine tuberculosis has been virtually eradicated. No county has more than one-half of 1 per cent of tuberculous cattle.

The average potato production in the United States from 1926-1930 was only 113.1 bushels an acre, but in Maine for the same period it was 250.3 bushels.

You can make watertight a crack in a slate, soapstone or cement laundry tub with mixture of litharge and glycerin or a specially prepared commercial cement. Mix the litharge and glycerin to make a smooth thick paste and work it into the crack with a case knife.

WATERFORD CENTER

Mr. and Mrs. Marvin Richman, who have been camping in Charles Sherston's grove at Pleasant Lake, have gone to Traverse City, where they will remain during the cherry harvest.

Mr. and Mrs. E. Weideman and daughter, Madge, of Indian Village, Pontiac, were callers at the home of Mr. and Mrs. A. A. Seeterlin, of Elizabeth Lake Road, recently.

A. C. Krenz and daughters, Evelyn and Dorothy, of White Lake Road, left Saturday morning for a two weeks vacation. They will spend some time at Burk Lake and will motor thru northern Michigan.

David and Leonard Coffey, sons of Mr. and Mrs. Floyd Coffey, of Watkins Lake Road, are ill at the contagious hospital with scarlet fever.

Mr. and Mrs. Walter Shephard, of Mohawk Drive, Pontiac, were guests of Mr. and Mrs. Frank Hickson, Airport Road, Monday evening.

Hugh Montgomery and family, of Detroit, are visiting William Montgomery, of Crescent Lake, for a few days.

Mrs. Anna Krenz, of White Lake Road, has just returned from a trip to Niagara Falls.

Mrs. Robert Cheetham, of Crescent Lake, had the misfortune to break her hip and is now confined in St. Joseph hospital, Pontiac.

Mr. and Mrs. Harold Mullen and children, Vivian and Earl, left this morning for Ohio, where they will visit friends for a few days.

Mr. and Mrs. Warner Cox and family, of Crescent Lake, entertained the latter's mother, Mrs. Cora Sugnet, her sister, Miss Mabel Sugnet, and friend, Anton Carlson, of Midland, Mich., and her sister, Ethel Sugnet, of Ann Arbor, over the week-end. Mrs. Sugnet is remaining with her daughter for the week.

Mr. and Mrs. Newman Hetherington and daughter, Ellen, of James St., visited at the home of Mr. and Mrs. Robert Hickson, of Elizabeth Lake Road, recently.

Mr. and Mrs. A. C. Brown, of Orion Road, called at the home of their son, Hollis Brown, and family, Sunday.

Mr. and Mrs. L. W. Pilcher and daughter, Constance, of Crescent Lake, were Sunday guests of friends in Detroit.

R. J. Kerr, of Airport Road, and Dick Vorhies, of Vorhies Road, have taken the contract to build roads in a subdivision near Clawson in the near future.

Mrs. A. A. Seeterlin, of Elizabeth Lake Road, has been quite sick the past week with acute indigestion.

Mr. and Mrs. Albert Kruger, of Detroit, were guests of the latter's sister, Mrs. A. C. Krenz, of White Lake Road, Monday.

Mr. and Mrs. Charles E. Bird, daughter, Mrs. Vernice Keelean, and son, Delos, of Hickory Dr., Crescent Lake, motored to Oxford Tuesday where they visited Mr. and Mrs. Jess Ross and Mr. and Mrs. Harold Bird, the occasion being Mrs. Ross' birthday. Mr. and Mrs. Harold Bird are residents of Hickory Drive, Crescent Lake, but are staying with Mrs. Bird's parents, caring for her mother, who broke her ankle five weeks ago.

Mr. and Mrs. Jess Watson, of Elizabeth Lake Road, and Mr. and Mrs. Ernest Watson, of Thorpe St., Pontiac, motored to Algonac Tuesday, where the former have a cottage on Harsen's Island.

Mr. and Mrs. Harold Bird, of Hickory Drive, Crescent Lake, who motored to points of interest in northern Michigan, will return home Sunday evening. They visited friends at Hancock, Mich., where Mr. Bird lived twenty-one years ago.

Mrs. Anne Whitcomb, of Hickory Drive, visited her daughter, Mrs. Vinnie Hogle, and granddaughter, Miss Amy, of Cooley Lake, a few days last week.

Mr. and Mrs. Francis Breckenridge and daughter, Martha Jean, of Watkins Lake Road, are enjoying a motor trip to New York and other points of interest.

Mr. and Mrs. William Dunkeld Sr. and son, William Jr., of Watkins Lake Road, and Mrs. Vernice Keelean and son, Delos, of Hickory Drive, Crescent Lake, were guests Friday evening at the Boy Scout Camp at Tommy's Lake. Orville Dunkeld is an Eagle Scout and was on the staff this year. Many honors were won by the boys during their two weeks' stay at camp, and the camp was ended with a big Pow Wow enjoyed by all.

AIRPORT

Mr. and Mrs. William Groves and son, of Hamilton, Ont., arrived Thursday for a two weeks visit with Mrs. Groves' parents, Mr. and Mrs. Joseph Ledger.

In an 11-inning game on the home grounds Sunday, the Pontiac Police Department defeated the Airport team, 6 to 3. The locals scored once in the sixth inning and twice in the ninth, while the visitors got three in

the first. Neither team scored in the tenth, but in the second extra inning the Police put over three runs, as the result of a wild throw to third base.

It was a good game all the way through, and while the local fans want their team to win they are delighted to see the old players back in the lineup and would rather lose the game with them in than win it with outside talent.

Gingelville will play at the Airport next Sunday.

WATERFORD

Robert Taft, of Pontiac, was a recent caller on his aunt, Mrs. Frank Byrne Fox.

Frank Byrne Fox has returned from a business trip to Ypsilanti conducting eight sales.

Mr. and Mrs. Henri Buck and family visited at the home of Mr. and Mrs. Fred Dickie, of Milford, Tuesday evening.

Mr. and Mrs. Byron Howland, of Maple St., were Sunday guests of Mr. and Mrs. E. D. Spooner.

Miss Phyllis Kniffen, of Armada, was the guest of her cousin, Miss June Harris, the past week.

Mr. and Mrs. Earl Kniffen and family, of Armada, were in town Sunday visiting at the home of Mr. and Mrs. Henri Buck.

Miss Grace McVittie, of Maple St., has as her house guest her cousin, Herma, of Toledo. Miss Herma came home with them when they visited at her home in Toledo recently.

Mr. and Mrs. E. D. Spooner, of Williams Lake Road, were in Flint Monday and called on Mrs. John Windiate, who has just lost her husband. The funeral of Mr. Windiate was on Tuesday.

Mr. and Mrs. Clinton Disbrow and Guy Disbrow left Saturday morning for a motor trip thru northern Michigan. They expect to visit all points of interest before their return.

Bob Huey is the guest of his friend, Charles Harris, this week during the absence of his parents, Rev. and Mrs. H. A. Huey, who are enjoying a motor trip thru Michigan, returning thru Wisconsin.

Mrs. Carrie Hull Baker, of Minneapolis, who is visiting her daughter, Mrs. George Farnsworth, in Detroit, is a house guest at Maple Leaf Lodge, residence of Mr. and Mrs. Frank Byrne Fox, of Grand River Ave.

Mrs. Frank Byrne Fox, of Maple Leaf Lodge, and her guest, Mrs. Carrie Hull Baker, were Clarkston callers last Friday, calling on Mr. and Mrs. Durand Ogden and Mr. and Mrs. Milton G. Robertson.

Rev. and Mrs. H. A. Huey, of Maple St., have returned to their home after spending about two weeks touring the north of Michigan and coming home thru Wisconsin. They will be having church services in both churches on Sunday.

J. H. Reid, of Airport Road, who, accompanied by his son, Evart Reid, of Pontiac, visited his brother at Omaha, Neb., is now back at his home here. He was much impressed with the wonderful crops of wheat which were being harvested.

WATERFORD

Archie McVittie, of Detroit, was the guest of his uncle, Kenneth McVittie, and family, of Maple St., all of last week.

August Burk, of Van Syckle Road, who was hurt last Thursday when a truck at the Can-teen knocked him down, running over his legs, is at his home and improving very nicely. Tuesday he was able to be out of doors for a little while.

William Keehn, who recently purchased the Chamberlain grocery and meat market, is making improvements to the store inside and outside, including repainting and redecorating. He is also restocking the shelves and counters.

Mrs. Fred Chamberlain and daughter, Mrs. Lewis Owen, of Andersonville Road, returned Sunday from spending a very pleasant week at Lewiston, Mich. They accompanied their son and brother, Charles Chamberlain, and family, of Royal Oak.

Mr. and Mrs. Henri Buck and family and their house guests, Bob Huey and Phyllis Kniffen, Mr. and Mrs. Kenneth McVittie and family and their house guests, Archie McVittie and Miss Herma, Mr. and Mrs. E. D. Spooner and Mr. and Mrs. H. B. Mehlberg and family all spent Saturday afternoon and evening at the Walter private park beyond Clarkston.

NO INCREASE THIS YEAR  
IN TROUT LICENSE FEE

Lansing, July 22.—The increased fees for resident trout license and non-resident angler's license as established by the recent legislature cannot be enforced until 1932, according to the Conservation Department.

When the general fishing bill became law in June the Department had already issued and sold over eighty percent of the resident trout licenses for the present season, and non-resident licenses and buttons were already in the hands of thousands of dealers. To have recalled both sold and unsold licenses and re-issued new ones would have involved unnecessary expense and confusion, said Director George Hogarth today.

Effective January 1, the non-resident angler's fee will increase from three to four dollars. Resident trout licenses will cost \$1.75 after the present season as compared to the present one dollar fee.

The increase set by the legislature for small game and deer licenses will be effective during the coming season, and licenses and buttons are now being manufactured.

LOW COST

There is economy when you buy a Ford, and economy every mile you drive it. The first cost is low, and simplicity of design and sturdy reliability mean low cost of operation—low cost of up-keep. There are body types to suit every need.

Come in and drive a Ford today. You will not be obligated to buy, but we'd like a chance to explain how the performance of the Ford reflects the value that has been built into it.
