Memories

The last year brought a lot of excitement for us, for we were the "Mighty Seniors" of Clarkston High. We started out right away with plans for our trip in the spring and didn't stop until the day arrived when we climbed the bus which was to take us to Detroit where we were bound for Washington D. C.

Our first important task was to elect responsible officers, chairmen of the candy sales and editors for our yearbook.

Our first activity was the Magazine Sale Contest with the Juniors. We won by a large margin. Next came the Senior Play which was presented on December 8th. It was a huge success. After Christmas vacation we started plans for the "Leap Year Swing". This event took place on January 11th. The girls were very busy grabbing their man for this occasion.

Early in February we were beginning to see progress in our yearbook. This kept us busy for the next couple of months.

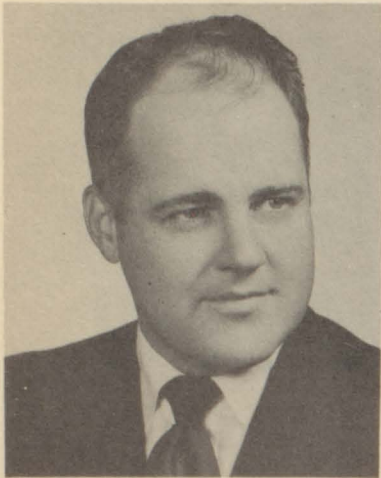

With the coming of April we started plans for our prom, which was held on the 26th. A wonderful time was had by all.

Finally the day we had dreamed about for the last four years had arrived. It was May 27th and we were at last on our way to Washington. These few days in Washington D. C. will linger in the memories of the Seniors forever.

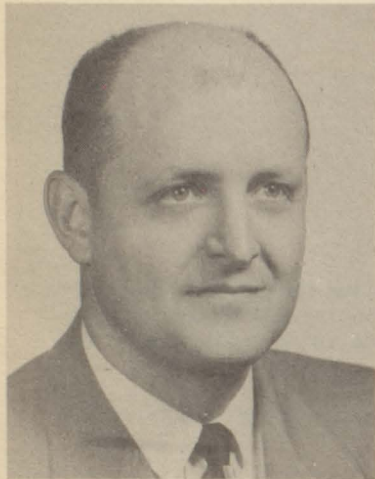

On June 12th we received our diplomas and the curtain fell of four happy years that we shall never forget.

Dedication

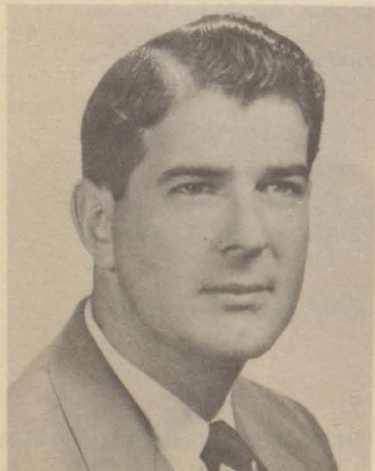

The Senior Class of Clarkston High School is pleased to make a fourfold dedication of the 1952 Hilltopper to our advisor Mr. Bonner, our Superintendent Mr. Greene, and our Principal Mr. Klingman, and the teaching staff.

To our advisor, Mr. W. Leigh Bonner, with sincere appreciation for all his helpful suggestions, willing co-operation and guidance through our high school career.

To Mr. Leslie F. Greene, our new Superintendent, for the better understanding and closer relationship he has brought about between the faculty and the student body.

To Mr. Robert L. Klingman, our new Principal, with the long eyelashes, for his co-operation and effort to try and make our last year of high school more interesting and successful.

Class History

The Senior class of 1952 invites you to hear a review of the greatest play ever produced in Clarkston High School.

"THE BRATS GROW UP"

Act 1: The Grades Scene 1: Kindergarten

As the curtain goes up we see four little musketeers plowing through the sand in their large sand box under the able direction of their teacher, Miss Martinens. The four musketeers are Delores Pacer, Maxine Sage, Russel Hubbard, and Dave Lee. After a little while we find them leaving their sand piles and they are now starting to form their great musical organization, the "Kingergarten Band." As the curtain closes on Scene I the band plays "London Bridge."

Scene II: The 1st Grade

While Maxine and Delores chased the boys, our teacher, Miss Hickey, taught the rest of us our ABC's, how to paint, and how to read.

Scene III: The 2nd Grade

Our cast is joined by Mary Lou Althouse and Freddy Groven. Mary Lou muffed her lines the first day and fell out of the swing. In the first half of the year our teacher was Miss Neff. In the second half it was Miss Love. Through their combined efforts we learned to spell.

Scene IV: The 3rd Grade

As the curtain goes up we are joined by Teresa Tersigni. Later in the scene Sally Stageman comes on stage. We find that in this grade our teacher likes German. So we learned Brahm's Lullaby in German. Then our teacher, that is Miss Van Hoven, decided that she wanted to change her name, so, a little later she was known as Mrs. Kleinhexel.

Scene V: The 4th Grade

The fun began under the able quidance of Miss Kelly, our fourth grade teacher. Who should appear on the scene but John and Mary Ellen Curry and Frank Keelean. Our project was a Post Office in which we mailed our many love letters.

Scene VI: The 5th Grade

The day of enrollment and all were accounted for with the exception of one stray Mary Ellen Curry, who decided that Miss "Slap Happy" Raese, our fifth grade teacher, was too much for her. Being very fond of the musical world, our teacher pulled us through a successful presentation of H.M.S. Pinafore.

Scene VII: The 6th Grade

Bringing Act I to a conclusion we find Carolyn Yoder, Lois Oswald, Donald Briggs, and the return of Mary Ellen Curry on the final scene under the superb supervision of Mrs. Vliet. We felt quite grown up at this point and romances began to bud. Sally Stageman and Frank Keelean was one of our outstanding ones. Not only that, but Delores Pacer had to break her leg trying out our new slide.

Act II: Junior High Scene I: The 7th Grade

The scene now changes to the West side of the school building. Our home-room teacher now is Mrs. Clark. Our group is joined by Mildred Napierski, Ella Mae Schiele, and Arlene Urick. We are given hall lockers for the first time and we have to get used to changing rooms for each class.

Scene II: The 8th Grade

The scene stays the same but our players have grown up since Act I. Our director now is Miss

McKeachie. The cast welcomes the entrance of Marie Orr, Beth Wells, and Frank Weyer to the stage. We struggle along until eighth Grade graduation when Mr. Ridgley presented us with our diplomas.

Act III: Senior High Scene I: The 9th Grade

We're reaching our top performance when Barbara Harris, Doreen Hooper, Laura Link, Judy McCullough, Charlotte Milligan, Betty Muirhead, Ethel Ogg, Delphine Parshall, Dorothy Rembach, Richard Allen, Norman Behnke, Paul Cenkovich, Warren Hagyard, Dick Latta, Mickey Palozzolo, Leonard Roebke, and Bill Ward appeared during the first semester. Vivian Freer and Lillian Bell arrived in the second semester to make this scene complete. Our first set of class officers in high school were John Curry, Vice President; and Frank Weyer was Treasurer during the last semester. Our first grown up dance was the "Shoe-Horn Shuffel." It turned out to be a huge success with the co-operative help of our advisor Mrs. Colton.

Scene II: The 10th Grade

Mrs. Colton stuck by us in this scene when Jane Derbyshire entered on the enrollment and Dorothy Rembach returned to us during the last semester after leaving on her completion of the ninth grade. Lining up the Sophomore Officers we find as President, Warren Hagyard; Fred Groven, Vice-President; treasurer, Norman Behnke; and Secretary, Maxine Sage. The "Harvest-Moon Hop" was our second profitable dance.

Scene III: Junior Year

Here we find the players have just elected Frank Keelean as President; Dorothy Rembach, Vice-President; Carolyn Yoder, Treasurer; and Maxine Sage, Secretary. When the curtain opens we see seven new additions to the cast. They are Jean Hefflefinger, Nancy Kruger, Jack Devine, Wally Vastine, Pat McKim, Sally Misener, and a little later, Grace Bjork. Director Bonner is now in supervision. We really felt grown up as we presented our first play, "The Old Man's Money" in April. We gave two dances, one being "The Football Frolic" and the other being our "Junior-Senior Prom." We closed the year with the "Junior-Senior Banquet."

Scene IV: Senior Year

At last we are in our last year at Clarkston High School. Weary Seniors welcome Evelyn Hearl, Bernice Graycheck, Loretta Hoskinson, Joan Loop, and Nadine Riley to appear before the last curtain descends. Rushing around to make money for our Washington trip seems to be the pet project of the upper classmen with the encouragement of Mr. Bonner. Senior officers are Frank Keelean, President; Fred Groven, Vice-President; Carolyn Yoder Treasurer; and Maxine Sage, Secretary. This final scene unveils our last school-day events. "The Perfect Idiot", our roaring comedy, the "Leap-Year Swing" and the "Senior Prom" also, to this our Washington trip and much awaited-for diplomas, this brings the curtain down for the last time on the great play of 52, "The Brats Grow Up."

Class Prophecy

FLASH!!! 1962--Dick Allen wins top honors at Motor City Speedway. Wins by a flapping fender.

Mary Lou Althouse, ex-Clarkston socialite just arrived from Florida. Rumor's are she's looking for a dashing young Northerner--with money, of course.

Yes, it's really true that Norman Behnke is contracting to build a beautiful home for two which he has been planning since his high school days.

Major Donald Briggs has just discovered the use of Atomic Energy for fuel to be used in airplanes.

Paul Cenkovich and his Hot-Shot-Five are now starring at Tassi's Ringside Bar, which is only a few blocks from his hacienda.

John Curry and Warren Hagyard have just been sent to Texas to bring back some lanky-basketball players to take their place on their former team.

Carolyn Yoder and Jack Devine are celebrating their fifth wedding anniversary and the birth of their seventh child. Jack is reported as saying, "Ah, a boy at last."

We hear that Jean Hefflefinger is still interested in broken bones and the like; she now works in the bone-setting section of the "Kill'em or Cur'em Hospital".

Chicago Times: Nancy Kruger and Bob French are going to be married but we hear Nancy is in bad need of a pair of elevated shoes before the wedding can take place.

Fred Groven and Russel Hubbard just left for Mexico, they claim that when they return they'll be the world's greatest--"bull fighters".

Shrine Circus, San Francisco: Barbara Harris just declared that she feels like the tallest woman in the world and looking for a man who will believe her.
