## DEDICATION

The Seniors wish to take this opportunity to thank publicly our sponsor, Mr. Vincent, who has not only been a teacher but a friend, working for us as well as with us, encouraging us when we were discouraged, and laughing with us when we were laughing. For these considerations we gratefully dedicate this Hilltopper for the year 1956 - 1957 to Mr. Vincent.

To the Juniors we will our seats in the classroom. Our assembly seats may be taken by whoever is able to grab them first! Also to the Juniors we will our senior dignity. May they uphold it forever with all seriousness endeavoring to realize its importance in spite of their natural light-mindedness and irresponsibility.

To the Sophomore class we will any stubs of pencils, erasers, or scraps of paper that we may leave behind us in the excitement of gathering our treasures for the last time. We hope they will use them to best advantage.

To the Freshman class we will any overlooked cuds of gum that we may have left adhering to the underside of desks, assembly seats, or any other likely or unlikely places. We have sometimes had to rid ourselves of these in too much haste to have chosen a more desirable means of disposal.

All the rest and residue of our properties, we will to our beloved principal for his own use and to be disposed of for the good of coming classes as he may see fit.

To the faculty we will a sweet and unbroken succession of restful nights. It has been a strain on them, for seniors are said to be difficult to manage at all times and under all conditions.

To our sponsor, Mr. Vincent, we will the profound admiration and ever-lasting friendship of the class of 1957.
