## Our Alma Mater

Hail Alma Mater  
Hail C. H. S.  
Give a yell now,  
For our High School  
For the School we love the best.

Hail Alma Mater  
Ours till we die.

We will cheer, cheer, cheer  
For our School  
Our OWN Clarkston High.

## Remember the Night Life

at C.H.S.

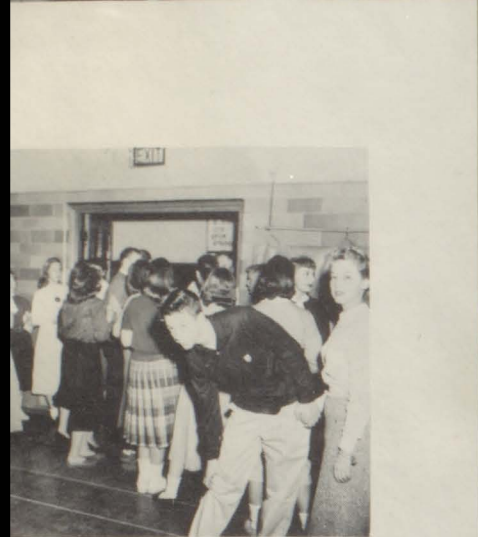

The night  
Brings a dream to all  
Sessions at the dairy bar  
Trips to the drive in  
Week-end dances  
Name bands  
And at times  
A good night kiss before  
Mother pulls you in

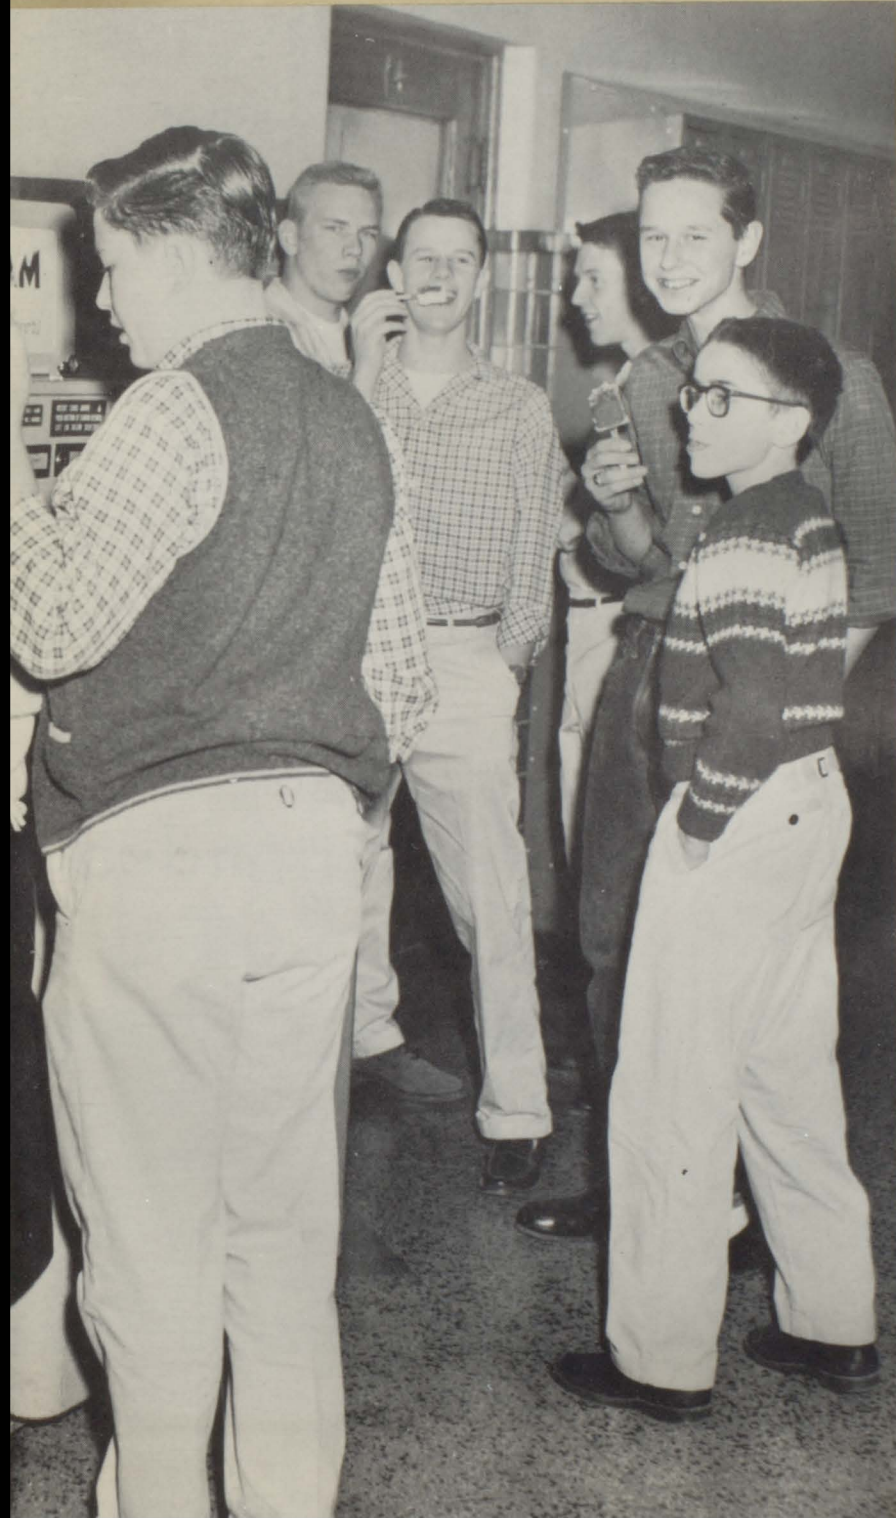

And the

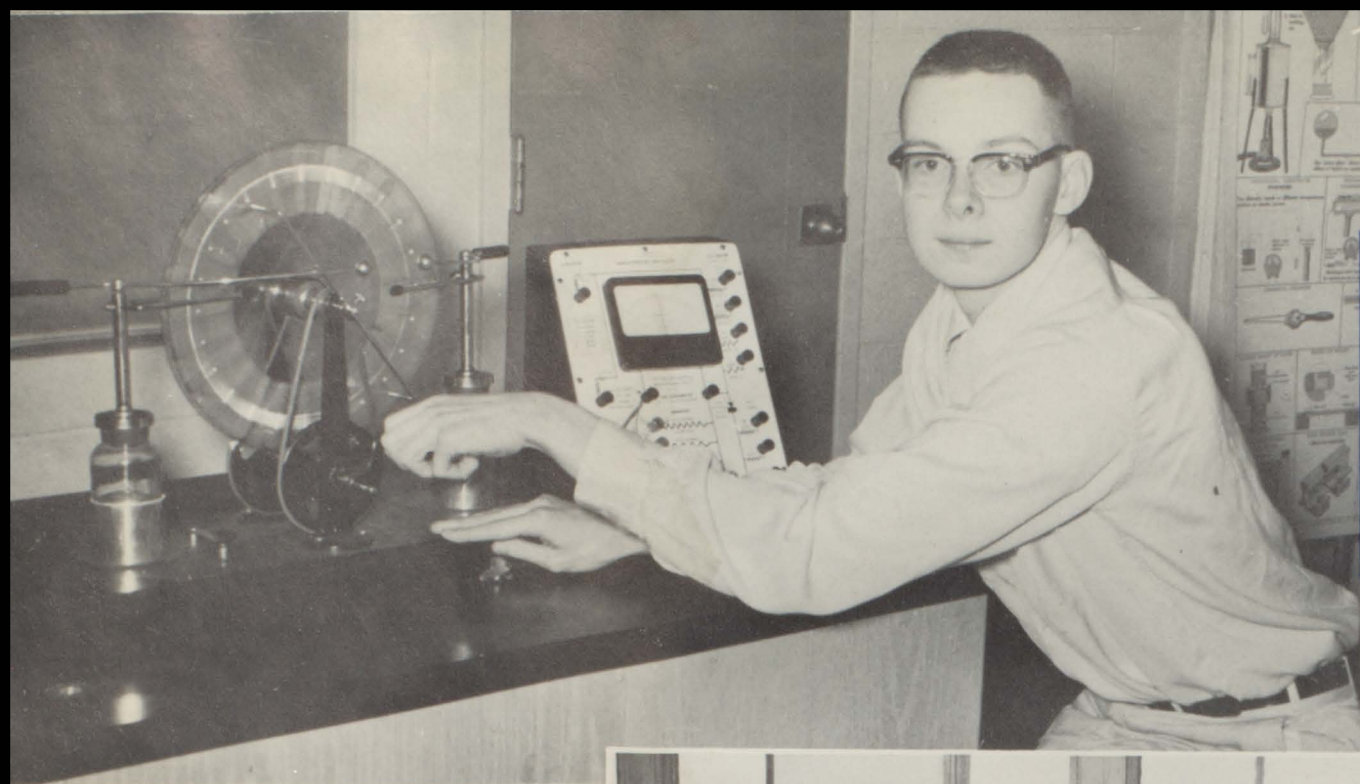

Contacts and friendships  
A vital part of that education  
Formed and strengthened  
In many ways  
By many people  
And many things  
In the class rooms  
And halls  
Even elections  
And the politicians  
Add their flavor  
Here at Clarkston where  
Everyone speaks

## Dedication

We, the graduating class of 1959, in humble gratitude for their time and work spent for our welfare wish to dedicate this, our annual, to Mr. Wilkinson and Mr. Burnette. We have learned through their guidance in athletics, in the classroom, and as sponsors how to become better citizens. Their concern for us mounted as each year passed, and they voluntarily helped us gain the knowledge so vital to our future living.

Now it is time for us to relinquish our place at Clarkston High School. We must say goodbye to our high school days and enter a bigger and harder way of life. Because you, Mr. Wilkinson and Mr. Burnette, have so earnestly helped us prepare for our new responsibilities, to you we are proud to dedicate this 1959 HILLTOPPER.

## Science Department

Science in the Clarkston High School can be a continuous experience from grades seven through twelve. Science in the seventh through the ninth grade is designed to give the terminal student a course of study that will broaden his intellectual outlook on the every day events that science has to offer the individual. Biology will take the student into more detail in the fields of plant and animal life and the relationship they have to each other. Chemistry provides functional knowledge concerning the composition of matter and the chemical and physical changes that occur in matter, while physics is concerned with the functional understanding of matter and energy.

## Mathematics Department

William Owen

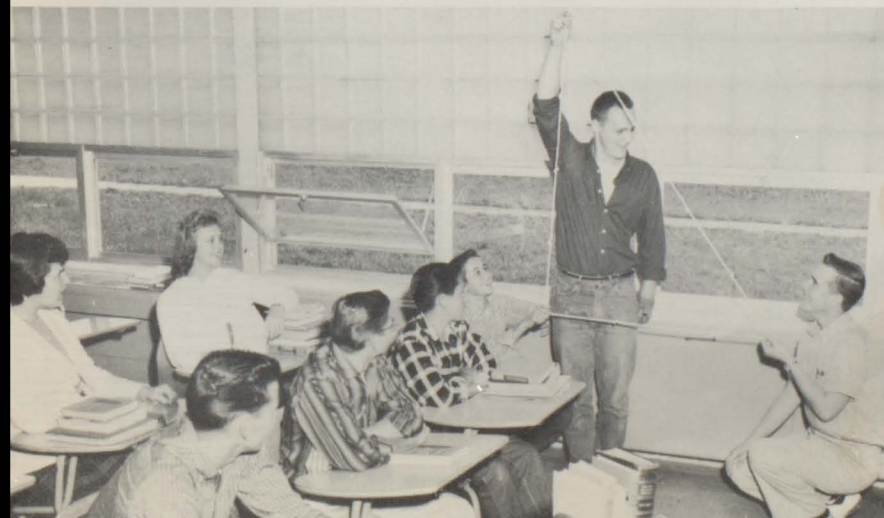

Mrs. Harriet Anderson

It is generally agreed that a public school education is to train the student to meet the problems of life. It would be hard for a person to go through life without using mathematics at one time or another. A general knowledge of arithmetic is necessary just to solve the problems that arise in everyday life. All of us will someday face the problems of buying a home, budgeting our income, banking, and figuring income tax—just to name a few. It is the purpose of our Junior High mathematics courses to train each student to solve the arithmetic problems usually faced in everyday life. The professions and skilled trades require a knowledge of mathematics beyond arithmetic. Our Senior High program, in addition to reinforcing the junior high arithmetic, presents the mathematics required for college and the skilled trades.

## English Department

In every activity connected with the English Department our goal is to know what and how to communicate. When we study literature, various authors and poets tell us something to inform us, to make us consider an idea, or to entertain us with humorous, sad, or exciting situations. We learn to express our own thoughts correctly and clearly by studying grammar and punctuation. Through reports, speeches, discussions, and work on the Wolf Cry or the Hilltopper we get the practice so necessary to build self-confidence in the oral and written exchange of ideas and information. The things we do and use may vary. One day we may write business letters, and another day, use the tape recorder. The object, however, is always the same--- effective and constructive communication, the key to our progress in the past and in the future.

## Social Studies Department

Convinced that our system of living and method of government are the best existing in the world today, we hope through the social studies our students will learn that this did not just happen. We want our students to know that these things are the results of the labors of our foresighted ancestors and that if we want these things to endure, we must keep ourselves informed and be as willing to work for this cause as they were. It is our hope that through the study of geography and history of the world our students will become informed of our position and responsibilities in this world.

## Commercial Department

A complete commercial curriculum is designed to prepare the student for employment in the various fields of business. The curriculum requires the successful completion of five courses offered.

For the student on the general curriculum, the commercial courses help to prepare the student for the business activities of home and personal life. They include legal information, writing and typing letters, and keeping personal accounts and records.

Business also enters the college preparatory curriculum. The courses assist the student in typing term papers, manuscripts, letters, managing money, and many times provide a skill for part-time employment.

# Sophomore Class

## Class Officers And Sponsors

Left to right--President David Greshem; Vice-President, Jeanette Whitlock; Sponsor, Mr. Healy; Secretary, Naomi Armstrong; Treasurer, Rosalie Lippert; Sponsor, Mr. Mauti.

This year has been a busy one for the sophomores. They sponsored the Halloween dance at which many door prizes were given. A pen sale was held in the fall, and Marlene Frick received a watch for the highest sales. The sophomore girls worked at the Prom and Junior-Senior Banquet. These are the achievements we can be proud of this year.

We, the Freshmen Class, have enjoyed our first year of high school. In the fall we elected our student council representatives, who were quite active in working along with the other grade representatives.

Throughout the year, we attended and participated in high school assemblies and in the spring we had fun working on the Spring Carnival. We ended the year by giving a successful dance for the entire high school.

## Who's Who at Clarkston High School

Leadership, citizenship, scholarship, cooperation, dependability, school attendance, emotional stability, tolerance, sportsmanship, personal appearance, manners, punctuality, self-respect and respect for others, and loyalty were the merits on which these students were chosen for WHO'S WHO. They were selected by the faculty and Student Council from the first semester honor roll, consisting of all high school students who had an average of B or above.

We, of the yearbook staff, feel this is one of the highest honors a student can receive at Clarkston High School.

## Senior High Student Council

Our Student Council is the governing body of the school. Members of the council include five outstanding students from each grade in the high school.

They have been very active this year, holding meetings once weekly, attending League Student Council monthly, and attending the Student Council Clinic this fall at Ann Arbor.

Their largest projects were sponsoring several assemblies and presenting a scholarship to an outstanding senior. In order to do this, they sponsor an annual all-school carnival in the spring.

## Junior High Student Council

The Junior High Student Council represents the members of the seventh and eighth grades. The Council discusses issues which are brought to their attention concerning student feelings about school affairs; such as conduct, dancing and student dress at extra-curricular activities.

The projects which the student council members planned and assisted with this year were the "Parents Back to School Night", the "May Dance" which everyone looked forward to, and preparations for the annual school carnival.

## Debate Team

The purpose of debate is to teach students to think and examine important questions of the day. One topic this year was resolved, that the United States should adopt the essential features of the British system of education.

There were two teams; an affirmative which defended this topic, and a negative which attacked it. On each team there were two speakers. Each speaker had a ten minute speech and a five minute speech. The speakers gave facts, evidence and reasoning to support their positions. At the end of the debate, a judge who had taken notes on the arguments presented decided which team won. Winning team groups go as far as the state championship.

## Forensics

The spring forensic program got under way in mid-February, and won the interest of many students interested in the art of public speaking. Opportunity was offered to all who wished to participate in humorous reading, interpretative reading, declamation, oratory, and extempore speaking. A local contest was held in the school for each division, and winners went on to represent the school in the district contest with other league schools. Winners of the both second and first place in each event at the district contest entered the regional contest held in May.

The spring of 1959 found many of the students who represented Clarkston at last year's district and regional meetings back again to insure a successful season.

## Future Nurses

Mrs. Birtsas and  
Miss Gernaat, Advisors.

Future Nurses was organized to help promote interest and acquaint girls with nursing.

During the course of the year, they visited Wayne, Harper and Ford hospitals. These visits help the girls decide at which hospital they would like to take their training.

Future Nurses held two candy sales to raise money for Christmas baskets to give to needy people, and went caroling at convalescent

## Wolf Cry Staff

The Wolf Cry is the name given to Clarkston High School's student newspaper.

Each week, under the supervision of our sponsor, Miss Klauser and its editor, Anita Hadrill, assignments are given. At the close of the school week each reporter is expected to hand in his assignment. Errors and other changes are checked by an English teacher.

Assignments are based on school events such as dances, club meetings and trips, special plays, and news interesting to the student reader.

All stenciling and producing of the Wolf Cry is done on the student's own time and effort.

When writing news articles, the student reporter must thoroughly check all facts with the club adviser or officer to be sure of getting correct information.

## Junior Thespians

Mr. Richard Urban, Advisor

The Junior Thespians were originally formed to give an opportunity for dramatic experience to students who would otherwise have none. At first only freshman and sophomores were allowed to belong, but in the 1958-1959 school year anyone from any class who was interested was allowed to join.

The group's activities consisted of the presentation of several one-act plays during the course of the school year. One major production was presented, "The Romance of the Willow Pattern." For the remainder of the year, the members took part in short ten minute plays that were put on for the club's monthly meetings. Below are scenes from "The Romance of the Willow Pattern."

## Hi-Y

The Clarkston Hi-Y, a branch of the Pontiac Y. M. C. A., was formed in 1954. It is made up of the sophomore, junior and senior boys.

Once a month the club has a swimming night at the Y. M. C. A. Several times throughout the year they have a recreation night in the gym where they participate in sports. Each June they look forward to a week in Canada.

Annually, the Hi-Y sell Christmas trees, wreaths and candy to raise money for their Christmas project. Their projects go on the year around helping needy children in our schools.

## Y-TEENS

Y-Teens was organized this year sponsored by Mrs. Wilkinson and Miss Palermo. The membership totals 30 which is a full quota.

The Y-Teens goals are: To grow as a person in body, mind and spirit; To grow in friendship with people of all races, religions and nationalities; To grow in knowledge and love of God.

They sponsored worthwhile projects such as, buying toys for needy children at Christmastime and distributing new and used clothing to high school girls. Their many activities included a card party, a senior tea, a car wash, a dance and candy sales. In the winter they sent two girls to represent the chapter at the midwinter conference in Battle Creek. This summer they will send representatives to a summer conference.

## Industrial Arts Club

The Industrial Arts Club is a newly formed club this year at Clarkston. It numbers 16 boys who meet every other week. Movies are presented once a month and speakers come to talk on subjects such as metal spinning, upholstery and woodturning. They prepared an exhibit for the Science Fair and spent many hours working on shop projects.

# Biology Club

The Biology Club, officially entitled Sigma Omicron Sigma, is headed by Mr. Terry Thomas. The aim of the club is to promote interest in science on the part of high school students.

Club activities during the year center around Clarkston's science fair, the Biology Club dance and field trips to numerous places of interest to the members.

To become a member, one must have taken biology in high school, pay dues of \$1.00 a year, and take an active part in club events.

## Coin and Stamp Club

The coin and stamp club was organized to discuss new issues, learn about older issues, and trade with each other.

The law of supply and demand determines the value of everything; if the quantity available is small and the demand is great, the price will be high. The most valuable stamp was issued by British Guiana. It's value has increased from one cent to more than \$100,000. Certain pennies still in circulation are valued at \$30 dollars or more. All you need is an interest in beginning a coin or stamp collection to become a member of the club.

## Senior Chorus

This year's choir, under the direction of Mrs. Peterson, was engaged in many fine public performances such as a combined band and choral concert highlighting the Christmas season. "Glory To God In The Highest", "Birthday of A King", "The Heavens Are Telling", and "O Holy Night", were among numbers presented. With the help of the drama department, the pageant "The Perfect Carol", depicting the origin of the song "Silent Night", was staged. The "Hallelujah Chorus" provided a grand finale for the evening's performance.

League chorus concerts and assemblies were presented during the month of February. Numbers included in these events were "Senorita's Serenade", "Almighty God of Our Fathers", "Were You There?", "Lida Rose", "Will I Ever Tell You?", and selections from "Oklahoma".

Our musical appreciation has been enhanced by a new R. C. A. stereophonic record player. We are able to use tape, binaural and stereophonic records. Attendance at several Broadway musicals, including "Ballets U. S. A." and "L'il Abner", has given us an opportunity to broaden our musical experiences.

Our spring musical was the highlight of the year, as it gave everyone an opportunity to gain stage experience. Many of our students provided solos and ensembles throughout the year for plays, assemblies, clubs and banquets. Each year we provide music for the baccalaureate service. Much effort was put forth for a splendid showing in all activities this past year.

## Junior Band

This year, the Junior Band gave an outstanding performance at the Spring Concert. As the Memorial Day parade approached, members of the band spent many periods practicing, and those chosen to march in the parade were then promoted to Senior Band. Other activities included ushering at the Christmas Concert, participating in the Spring Concert and marching in the Independence and Labor Day parades. All in all, they had a prosperous and worthwhile year.

## Dance Band

Clarkston High School's newly formed Dance Band has been very active all year. Spring concert and other engagements kept them on the go most of the time.

Clarkston High students have something to look forward to in their new dance band.

## Junior Chorus

Junior high chorus is an elective course open to all interested junior high students. This year's choir has covered many interesting phases of music, as well as the music of the United States and other countries. In the annual Christmas Concert, our special numbers included "Noel", "Entre le boeuf et l'ane gris", "Maria und Joseph", each sung in its native language. Our second public appearance occurred in the spring. The accompanist this year was Carol Walter.

## Glee Club

Girl's Glee Club is an organization which enables all interested girls in the ninth grade to receive vocal training. Our special selections presented in the annual Christmas concert included "A Christmas Medley", "Carol of the Bells", and "Lo, A Voice To Heaven Sounding". One of our projects during the year was to present an assembly during basketball season. We took part in the spring musical, and some of our members presented special numbers at various functions throughout the school year. Our accompanist this year was Joan Payne.

This play concerns a young girl who carries on a romantic correspondence with an overseas soldier, in her elder sister's name. When the youth returns, he of course makes up to the older sister, who is already engaged. Through a series of hilarious complications and plot twists, the elder sister becomes entirely convinced that her original engagement was a mistake and at the very end, as a result of a whirlwind change of heart, she marries the soldier.

I REMEMBER MAMA  
by  
John van Druten

The story shows how Mama, with the help of her husband and Uncle Chris, brings up the children in their modest San Francisco home during the early years of the century. Mama, a sweet and capable manager, sees her children through childhood, manages to educate them and to see one of her daughters begin her career as a writer. Mama's sisters and uncle furnish a rich background for a great deal of comedy and a little incidental tragedy, while the doings of the children manage to keep everyone in pleasant turmoil.

## Varsity Basketball

A basketball player does not become a good player by accident. He must spend hours upon hours in developing the fundamental skills of basketball. At C.H.S. we have a full slate of teams in participation. We hope the brief schedule listed below will help to give our future players training toward better basketball. November 15th through March 6th -- 75 practices -- 60 games -- 5 teams -- 64 players -- 5 coaches -- 7 managers -- 36 cheerleaders -- 30 wins -- 29 losses -- 6 pep meetings -- practices Monday through Saturday.

With our new building under construction we will have better facilities to run a smoother basketball program with more practices for the Junior High.

## Racket Squad

The Racket Squad is a comparatively new group at Clarkston High. It had its beginning in 1955 under the direction of Mrs. Wilkinson and serves the purpose of providing a pep club for the school. One of its objectives is to send the cheerleaders to camp. In order to do this, the group sponsors the homecoming celebration and a spring dance each year. With pins, banners, pom-poms and lots of good old fashion yelling, the Racket Squad of Clarkston High School helps keep up the school spirit for the Clarkston Wolves.

## Varsity Club

The Clarkston High Varsity Club was started in 1951 by Mr. Hintz. The objectives of the club are to promote good sportmanship, to offer good fellowship to the members and to improve athletics in general at Clarkston High. The club meets twice a month with a formal business Meeting conducted by the president, followed by recreation for the group. The Varsity Club spon-

sors the Annual Varsity Club Drag Dance, car washes, sells programs at the football and basketball games, and challenges the faculty in basketball to make money for the club. The club uses its money to buy sports equipment for the athletic department, furnish medical supplies and buy individual trophies.

## Golf 1958

The varsity golf team had a mediocre year in 1958, winning two dual meets and losing four, and winning one triangular meet while finishing third in two others. In the league tournament, played at Meadowbrook Country Club, Clarkston finished sixth of eight teams; in the regional tournament at Flint, they finished sixth out of ten teams in their class.

Letter winners were Bill Junglas, Chuck Seyler, Ed Eaglen, Chuck Hancock, Jim Gunter, Gar Wilson, and Jack Weaver. Best performances were turned in by Hancock and Gunter, who scored consistently in the low 40's. Hancock shot an 86 in the 18

hole regional meet, which was one of the better scores among all golfers at the tournament.

Prospects for 1959 are somewhat better, with four letter winners returning as well as several other golfers with above average ability. Matches were scheduled with Brighton and Northville, among others, which gave the golfers an opportunity to play on some of the best golf courses in the area.

## Varsity Cheerleaders

Left to right: Char Wilson, Judy Whitlock, Gay Ann Park, Prudy Hutchins, Ruthann Carmean, Sandy Greshem, Captain. Mgr. Judy Martin not pictured.

Much of the credit for the fine display of sportsmanship and enthusiasm shown at athletic events this year goes to our cheerleaders.

Our cheerleaders were judged on the following qualifications:

1. Pleasing personality.
2. Poise.
3. Confidence.
4. Good personal grooming.
5. Imagination and resourcefulness.
6. Organizing ability and leadership.
7. Acrobatic ability.
8. A commanding voice.

This year the Varsity is composed of junior and senior girls. The J. V. is composed of freshmen and sophomore girls.

## G. A. A.

G. A. A. started back in 1925, under the direction of Miss Herriff, with the main idea of providing a girl's basketball team for the school. Since that time G. A. A. has progressively advanced through the years to include other activities beneficial to high school girls. In the years 1953-1954 bowling and softball were added to the program for the girls. This year G. A. A. has set up a constitution which has given the girls a master plan from which to enlarge their program, under the leadership of the officers of the organization. Ruthann Carmean, President; Rosalie Lippert, Vice-President; Sandra Greshem, Secretary; Jeanette Whitlock, Treasurer. The group plans to follow the constitution concerning the following activities throughout the year; playday with other league schools, volleyball, basketball team, and softball.

Sponsor, Miss Palermo

## Girl's Basketball

G. A. A. sponsors, as part of its program, a girl's basketball team composed of 12 girls which plays other league schools. This year, 6 games were scheduled -Northville, Bloomfield Hills and Clarenceville being opponents. The girls combined good sportsmanship and skill which resulted in a very profitable season for all concerned.

## Hilltopper Staff

We, the HILLTOPPER STAFF of 1959, wish to express our appreciation to Mr. Goedde, the teacher students and business concerns for their time and assistance which played a valuable part in compiling this yearbook.

We sincerely hope that in future years, as you leaf through this yearbook, you may recall your high school days at Clarkston High with pleasure and satisfaction.
