HILLTOPPER 1973
CLARKSTON SENIOR HIGH SCHOOL
CLARKSTON, MICHIGAN 48016
VOLUME XXVII

I want to walk out with my head erect,
I want to deserve all men's respect,
But here in the struggle for fame and self
I want to be able to like myself.

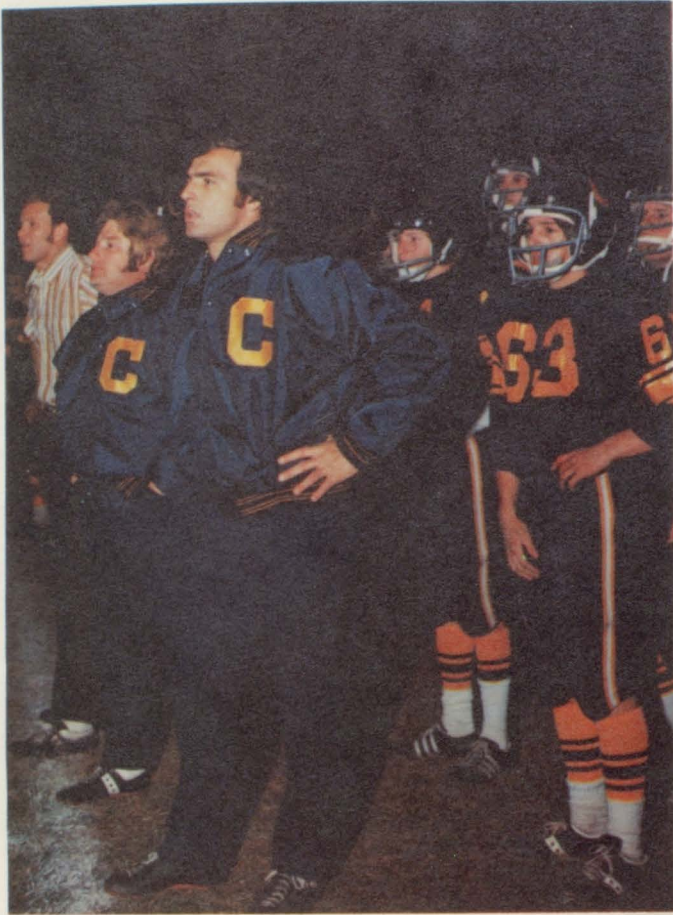

I don't want to think as I come and go,
That I am bluster and bluff, an empty show.

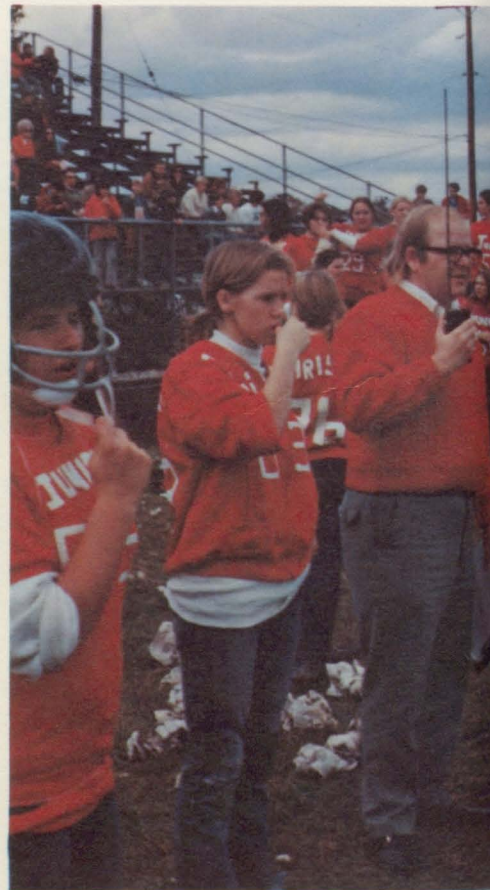

I never can hide myself from me,
I see what others may never see.

I know what others may never know,
I never can fool myself—and so,

Whatever happens, I want to be
Self-respecting and conscience free.

“IMAGINE” . . .

Darla Hoopengartner
1972 Homecoming Queen

Homecoming festivities this year were centered around the theme of “Imagine”. To start homecoming off was the pre-tap assembly where fifteen girls were tapped to represent their classes. They were, for the Sophomores: Tracey Gray, Cheri Jones, Kathy O’Roarke, and Gay Stelmach. Junior pre-taps were: Angie Kraud, Mickey Reginek, Kathi Watson, and Becky Zachos. Pre-taps for Senior Maid were: Debbie Gibbs, Vicki Hart, Karen Miracle, and Meg Williams. Tapped for Queen were Darla Hoopengartner, Alice Marshall, and Debbie Sartell.

In just a week’s time the Student Body gathered back in the gym to see who their class maids would be. The results of the students voting were: Kathy O’Roarke as the Sophomore Maid, Junior Maid was Kathi Watson, and the seniors chose Karen Miracle as their maid.

Homecoming Queen for 1972 was Darla Hoopengartner with her two Attendants Alice Marshall and Debbie Sartell.

The Queens’ Attendants Alice Marshall and Debbie Sartell arrive at the football field for the Homecoming Half time ceremonies.

Junior Maid Kathi Watson enters the field riding on the float of Peace. RIGHT: The Sophomore float delivers Kathy O'Roark to the half time ceremonies.

Karen Miracle, the Senior Maid, rides on the winning float, an old Model T car.

The junior girls practice some hits and blocks prior to the start of the game.

BELOW: Patti Olney, $\frac{1}{2}$, tries to trip Jan Johnson, but fails in doing so. RIGHT: Seniors show-off their art abilities, until the juniors discover it in front of the school.

Good sportsmanship is displayed when a mass of junior girls come to congratulate the victorious Seniors.

1972 Powderpuff Game

The 1972 Powder Puff Game ended with the Seniors on top, 30-0. Despite the two weeks of hard practice from the juniors, they still were no challenge for the experienced seniors.

The confident seniors ran for one touchdown in the

first half, leaving the score 6-0 at half time.

In the second half, the juniors tried their hardest to hold the seniors and score, but they were unsuccessful.

This retires the Senior girls undefeated in their two years of powder puff.

Each contender did a skit, which he was judged on along with his costume. Don Gauthier was selected as the Ugly Man of 1972.

English Comes Easier with a Smile

The English Department of Clarkston High School is divided into thirty-two individual nine-week classes. They range from reading Romeo and Juliet to modern poetry. If you would rather read the newspaper you can always take Modern Ages I and II. This gives the student a variety in the two full credits of English he must have to graduate. The department has a staff of nine teachers. Mr. Chamberlain serves as the department head.

ABOVE: Instead of looking up good novel books Mr. Chamberlain looks for his golf ball. BELOW: Mr. Bartlett and Mr. Matuzak, junior sponsors, talk over upcoming activities. RIGHT: Mrs. Gibson and student teacher Mrs. Micholson take time off from their plays.

Miss Best prepares for her Novel II class.

Mrs. Hyde leaves the teachers' lounge as Mrs. Denstead looks forward to her free hour.

Teachers Express Their Views and Ideas to Interest Students

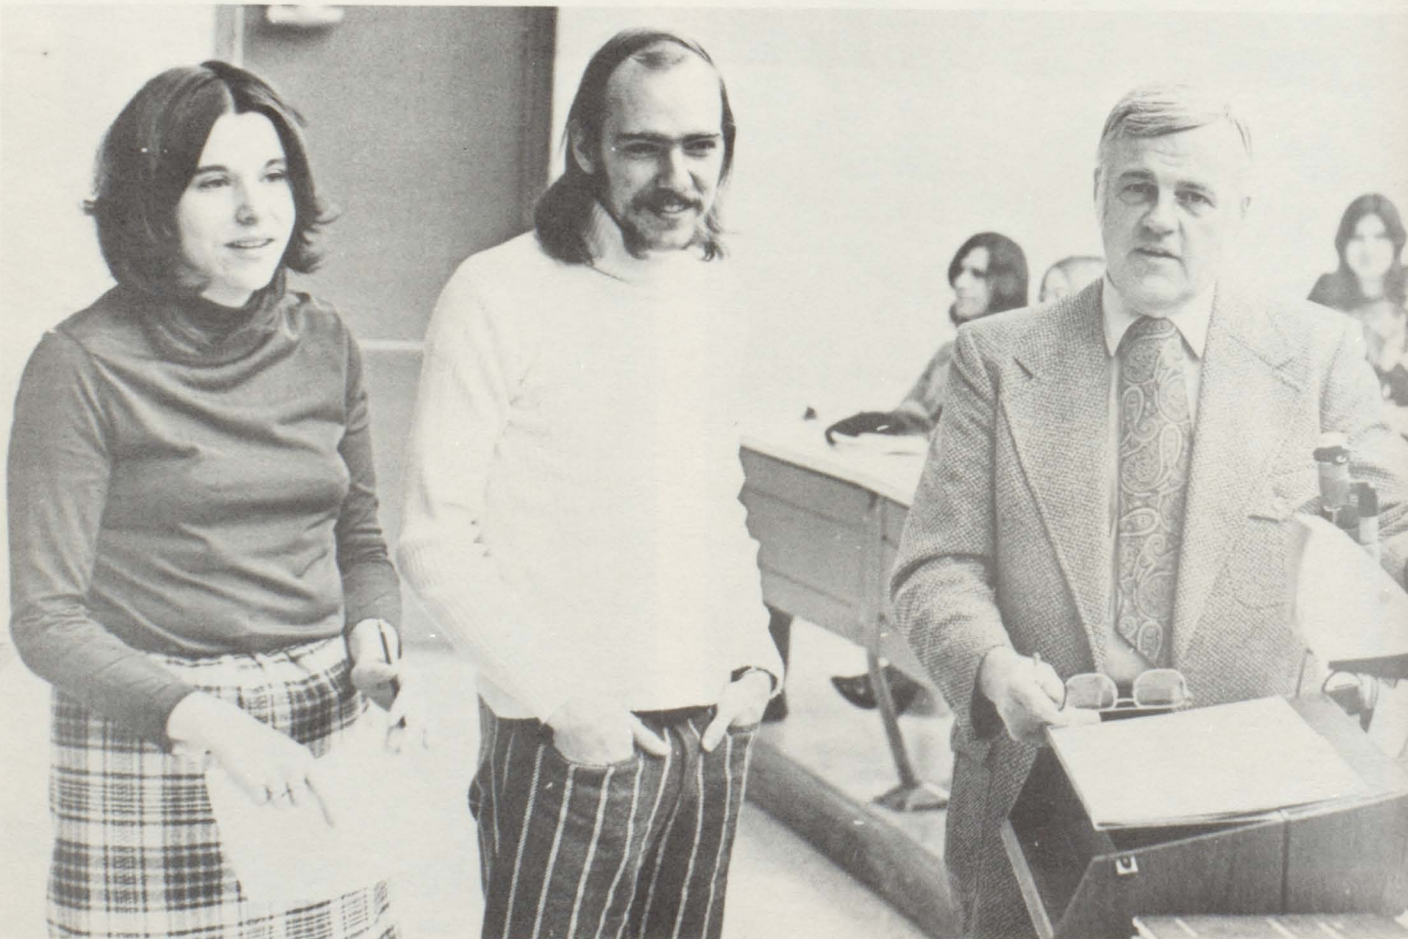

History and Government are two of the required classes for graduation. These classes come under the general heading of Social Science.

Students must take U.S. History as a junior and Government as a senior class. Electives in this department include Geography I and II, Sociology, Earth Science, and Family Living, which are all semester classes.

The teachers make these subjects as interesting as possible for the students, but then again the students make it just as interesting for the teachers.

ABOVE: Mr. Hartwell and Mr. Genshaw take time out for the photographers while looking through some History literature. BELOW: The U.S. History "team", Mrs. Miller, Mr. Johnson, and Mr. Bonner are pleased to see that the attendance is up for the review.

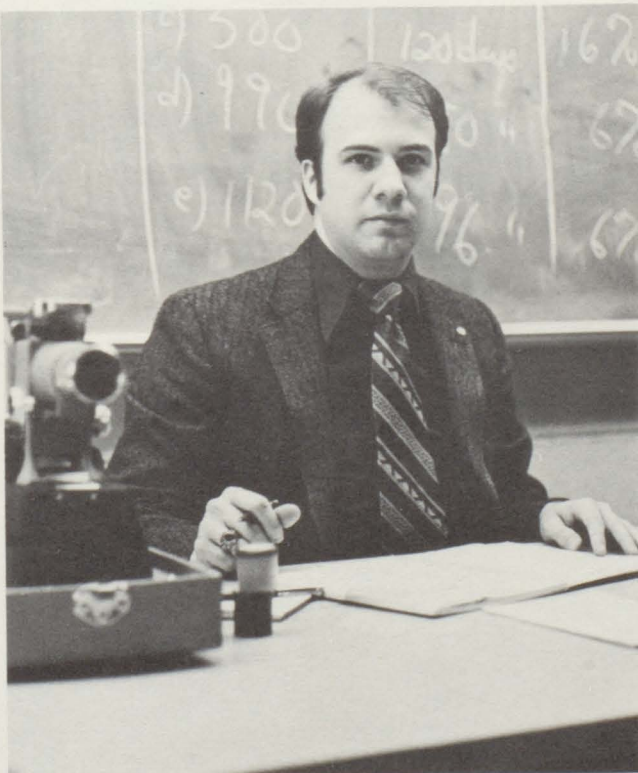

Mr. Wenger drops in for a friendly chat with Mr. Rosso before going to class.

Mrs. Pasineau and Mrs. Reed find some new information for their classes.

Mr. Wagoner pauses before he shows a film strip to his class.

Mr. Moscovic and Mr. Tiebault admire a few of the props the Building Construction class built.

Mr. LaMagna and Mr. Misze study their equipment before they let the students take over.

Industrial Arts Enlarges Program

There have been many changes in the Industrial Arts department. There are three new teachers; Mr. Hoarsh, Mr. Misze and Mr. Beaudoin. The new department head is Mr. Pierson.

Besides changing the classes from nine weeks to semester courses, there is also a new course offered called Building Construction. The members of this class have built several garages for the Clarkston School District. On days when the weather is bad, class is held indoors and the students keep busy by making props for school plays.

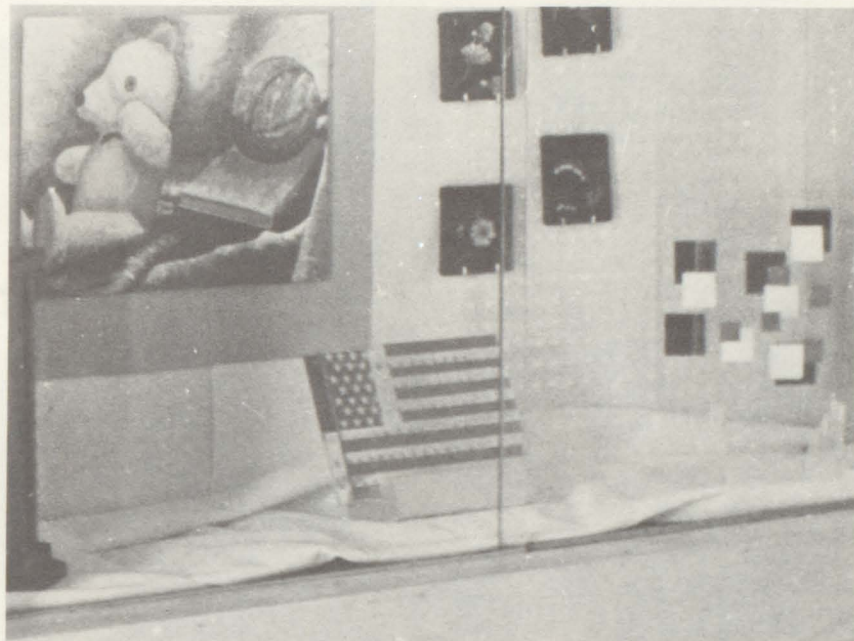

ABOVE: Discussing Power Theory are Mr. Santavicca and Mr. Beaudoin. BELOW: Mr. Horsch and Mr. Pierson take a five minute break between classes.

Students Display Talent Through Art

Every place you look you find talent. Whether it is a sculpture or portrait of a posing student.

The Art Department gives the students at C.H.S. a chance to show and improve their various talents. The students are now busy working on their different projects to enter into the Industrial Arts Fair which is usually held in the spring of every year.

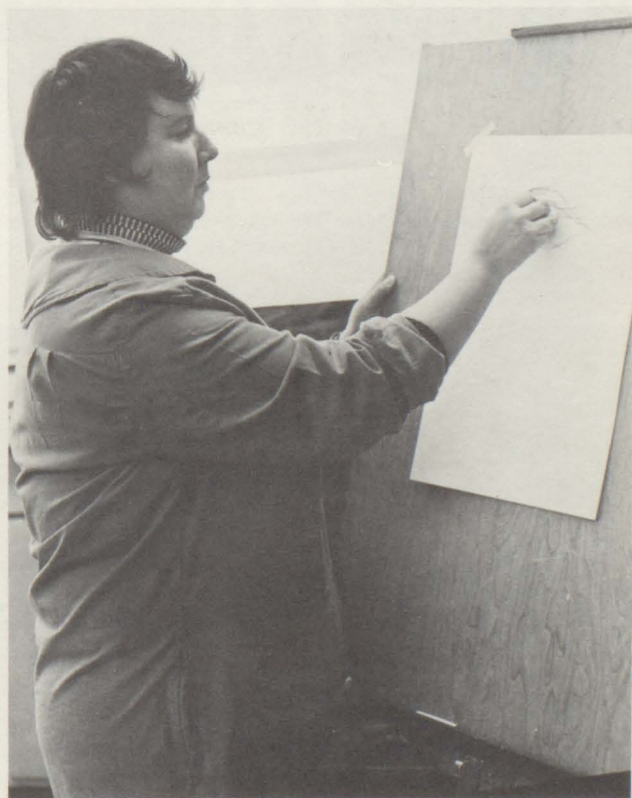

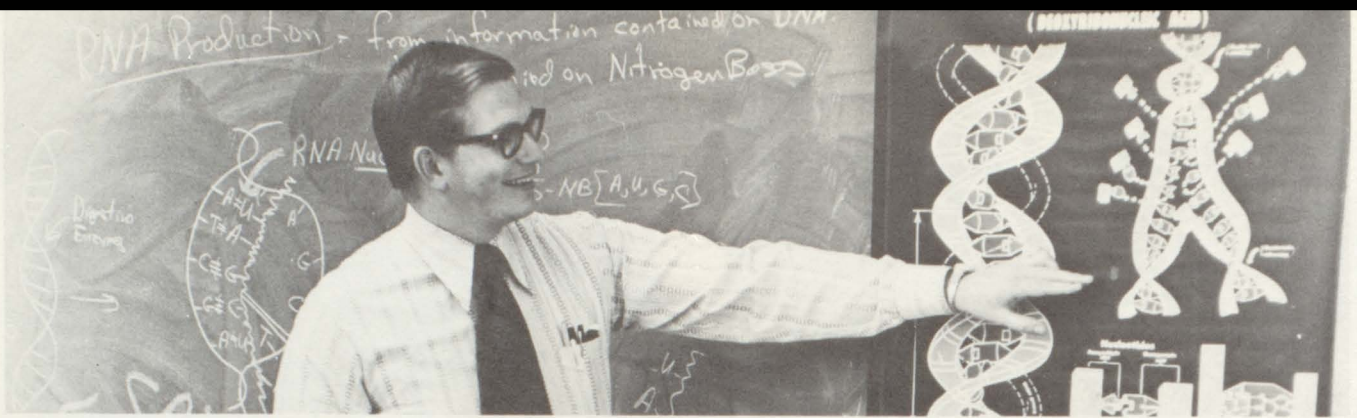

Art students display their creations in one of the showcases.

A working student gets the watchful eye of Mr. Johnson.

Mrs. Miller demonstrates a drawing for her art class.

Mr. White enjoys himself as he explains the DNA molecule to his class.

Animal, Vegetable, or Mineral?

Plants, animals, liquids and gases. What are their differences, their similarities? Sciences are an elective at Clarkston. Students have the opportunity to work in the laboratories on biology and chemistry experiments. Individual lab classes are offered, in which all the student does every day are experiments.

If the student is interested in his environment, Ecology and Field Biology are offered in the spring and fall months.

The Science Department is a very interesting department, and the teachers make it as enjoyable for the student as possible.

ABOVE: Miss Labrie and Mr. Crawford step back as the flame gets higher. BELOW: Reading over his lesson plan for the day is Mr. Hanson. RIGHT: Mr. Solley, Mr. Carter, and Mr. Mackson get together to pose for the photographer.

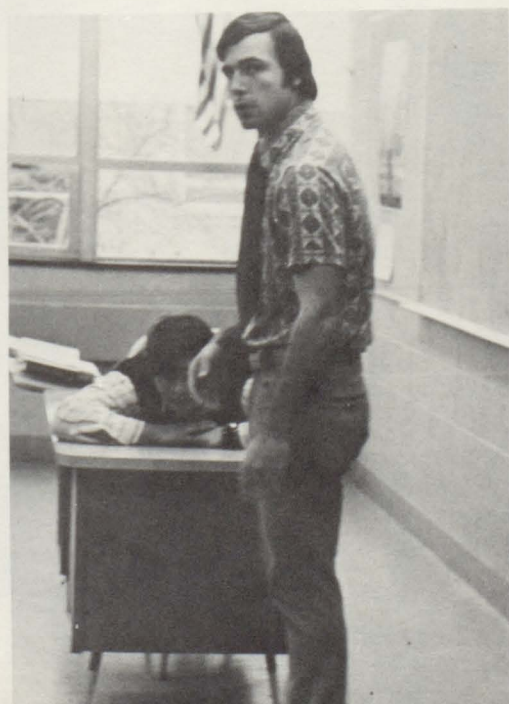

Math Department Holds Opportunity for College-Bound Students

The Math Department for the tenth consecutive year has been headed by Mr. Skillman. Math is not a required subject at C.H.S., but for college-bound students it is a must. There is a large selection to choose from, the classes range anywhere from consumers math to calculus.

ABOVE: Mr. Tungate checks his grade book for this week's referrals. BELOW: Mr. VanElst looks at the photographer as students make themselves at home.

ABOVE: Miss Modesitt off the court, gives Steve Palace a little extra help. BELOW: Teachers take breaks between classes too, as Mr. Skillman and Mr. Jacobson demonstrate.

Mrs. Becker and Mrs. Crowley discuss the events of the day in the business room after school.

Appraising one of their student's typing problems are Mrs. Reeves and Mrs. Eaton.

Business Department Prepares Students for Outside World

Secretarial and Personal Typing are part of the Business Department. Students planning to go on into the business world or just wanting to type a report can find plenty of training at Clarkston High School.

The girl who wants to go on to be a secretary or other

office worker has a course offered to her that deals only in office experience. This course is a two hour class and it is all year long. Shorthand and Bookkeeping are also year classes.

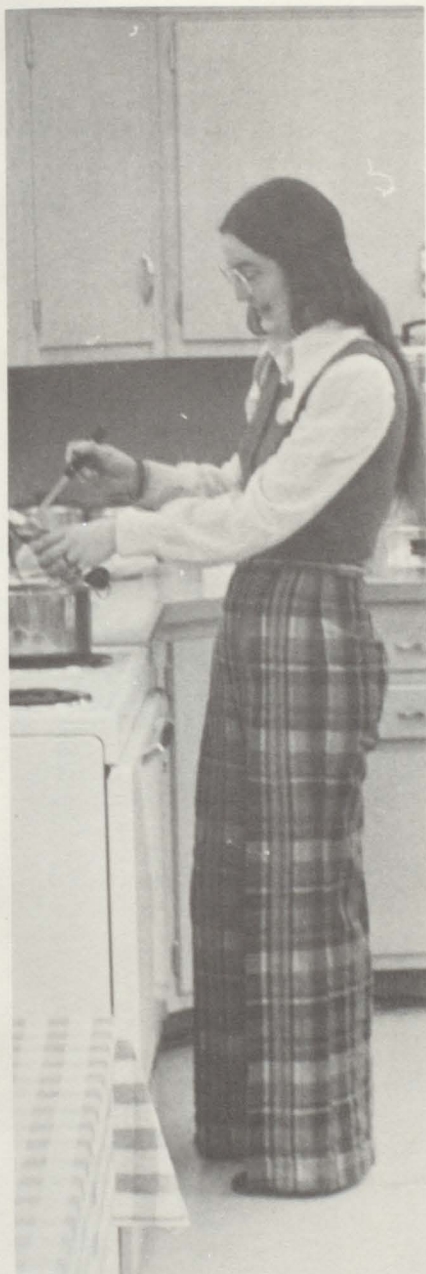

Business is a big part of Clarkston High and this department adds a little more for the students each year.

Business is not all work as Mrs. Jervis and Mr. McCurdy prove.

Mrs. Rakow flashes the photographer one of her winning smiles.

Teachers Learn Along with Students in Home Economics Department

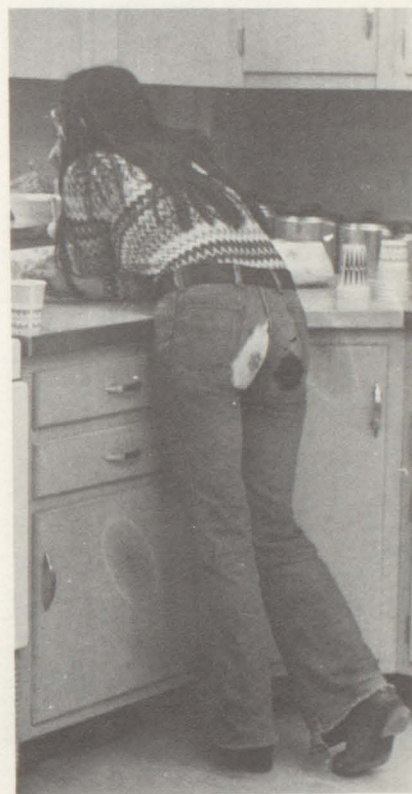

Miss Wronski goes about her business in one of the Home Ec. kitchens.

Home Economics classes are offered to girls and guys alike, but the guys are, at the present time, still a little shy about wearing their aprons.

Cooking classes offered range from Milk & Egg Cookery to Foreign Foods. The students have a lot of fun while learning what vitamins can be obtained from what foods.

There are many sewing classes as well as cooking classes. The sewing classes are generally "doing your own thing."

A busy student in the Home Ec. room.

The sewing machines are whirring in Mrs. Wilson's Home Ec. sewing class.

ABOVE: Happily, Mrs. Arend takes time to straighten the French library. ABOVE RIGHT: Mr. Smith occupies himself as his students study.

They Speak Their Own Languages

The three foreign languages taught at Clarkston High School are French, German, and Spanish. Foreign languages are not required subjects, and the student who goes into these classes must be willing to spend after school hours with his books.

There is no easy language and the teachers that teach in this department deserve a lot of credit and admiration.

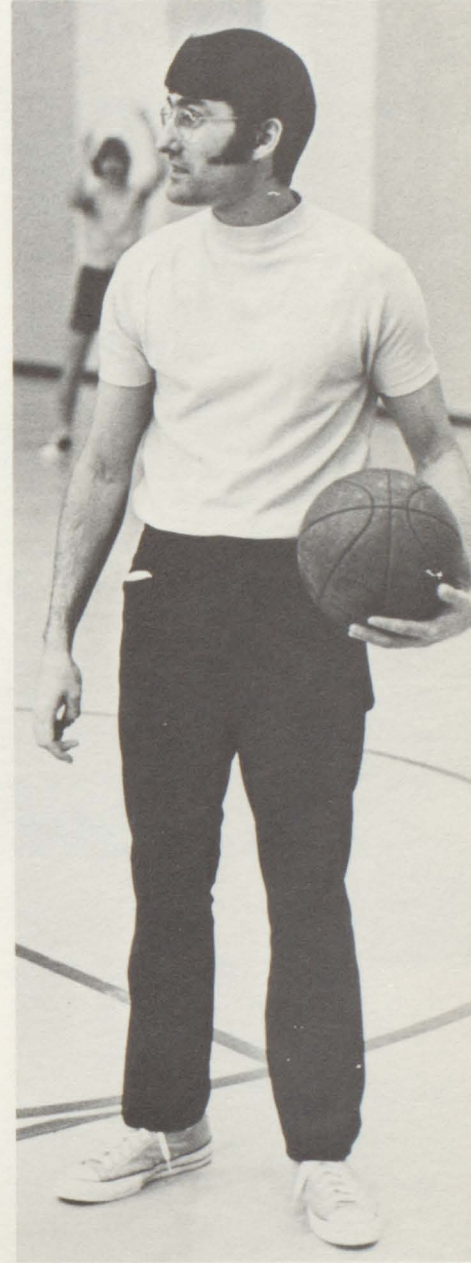

ABOVE: Mrs. Dennis enjoys her only German class at the high school. She teaches at the junior high the rest of the day. RIGHT: Mrs. Addis looks puzzled about a Spanish student's question.

Activities Never Cease . . .

Tennis is a big favorite to the students during the spring and fall months and during the winter there is basketball, ping pong, and volleyball.

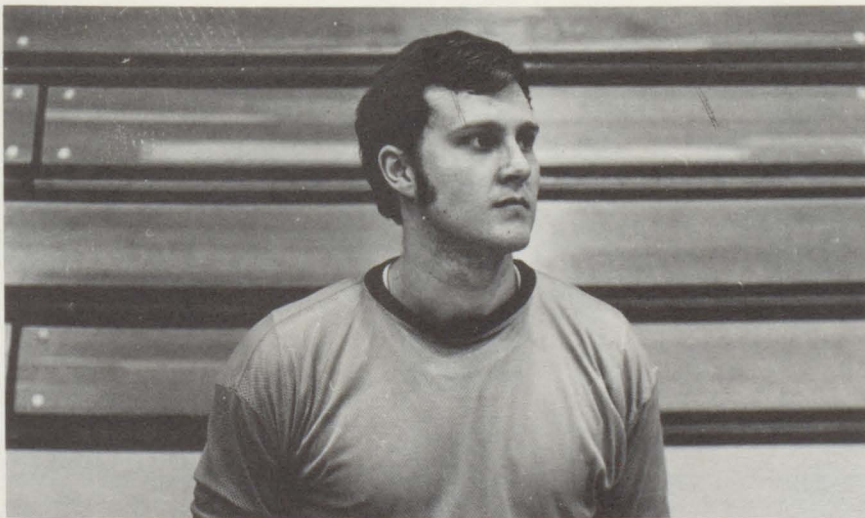

There are four teachers in the Physical Education area, Miss Letcher, Mr. Warner, Mr. McDonald, and a newcomer, Mr. White who was also the Varsity Football Coach.

ABOVE: Mr. McDonald takes time out to study the situation. LEFT: Watching intently at a volleyball game is Mr. White.

Graduation — a Dream Come True

The seniors from the class of '73 left Clarkston High School with many memories. Memories both personal and shared. Three homecoming floats; a caveman, a chicken and a 1903 car, dances, proms, the class "mystery" trip, sports events, drama and many other events became individual memories.

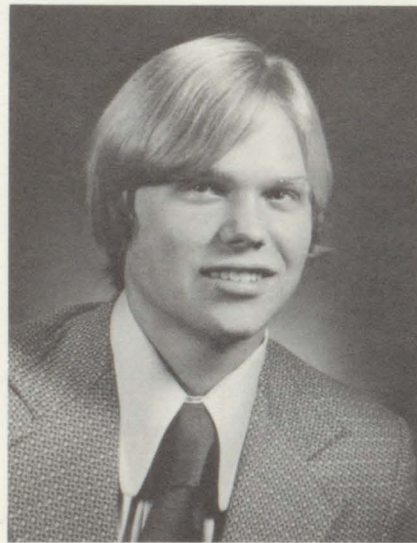

The most important and most lasting memory to ever be given to this class will be the graduation June 9, 1973.

Underclassmen

'72-'73 Active Year for Juniors

The '72-'73 school year was a busy one for the Juniors. It began in the fall with a magazine sale. The class sold almost \$10,000 worth of magazines.

The Junior girls were defeated by the Seniors in the annual Powder Puff game during Homecoming festivities. The float consisted of two hands clasped together in harmony with a dove of peace in the background.

Again this year the junior class managed the concession

stand during the home basketball games. The money earned on this project was used to sponsor the annual Junior-Senior prom. It was held at the Addison Oaks Country Club.

This year's class officers were: Dave Arpoika, president; Gale Jorgensen, vice president; Sonia Mills, secretary-treasurer; Pam Hool and Sue Webber, point secretaries. The Junior class sponsors were Mr. Bartlett, Mr. Matuzak, and Mr. Solley.

Sophomores Strive to Gain Recognition

The class of '75 entered high school life ready to meet the challenges. It gathered its enthusiasm together and built a Homecoming float consisting of a house and a stork awaiting the arrival of a Wolves' victory.

This year's class sponsors were Mr. Horsch, Mr. SantaVicca, and Mr. Wagoner. The president of the Sophomore class was Cindy Beadle. Assisting her were: Mike Pitts, vice president; Judy Tower, secretary; and Peggy Dougherty, treasurer.

Invisible Rabbit Star of Play

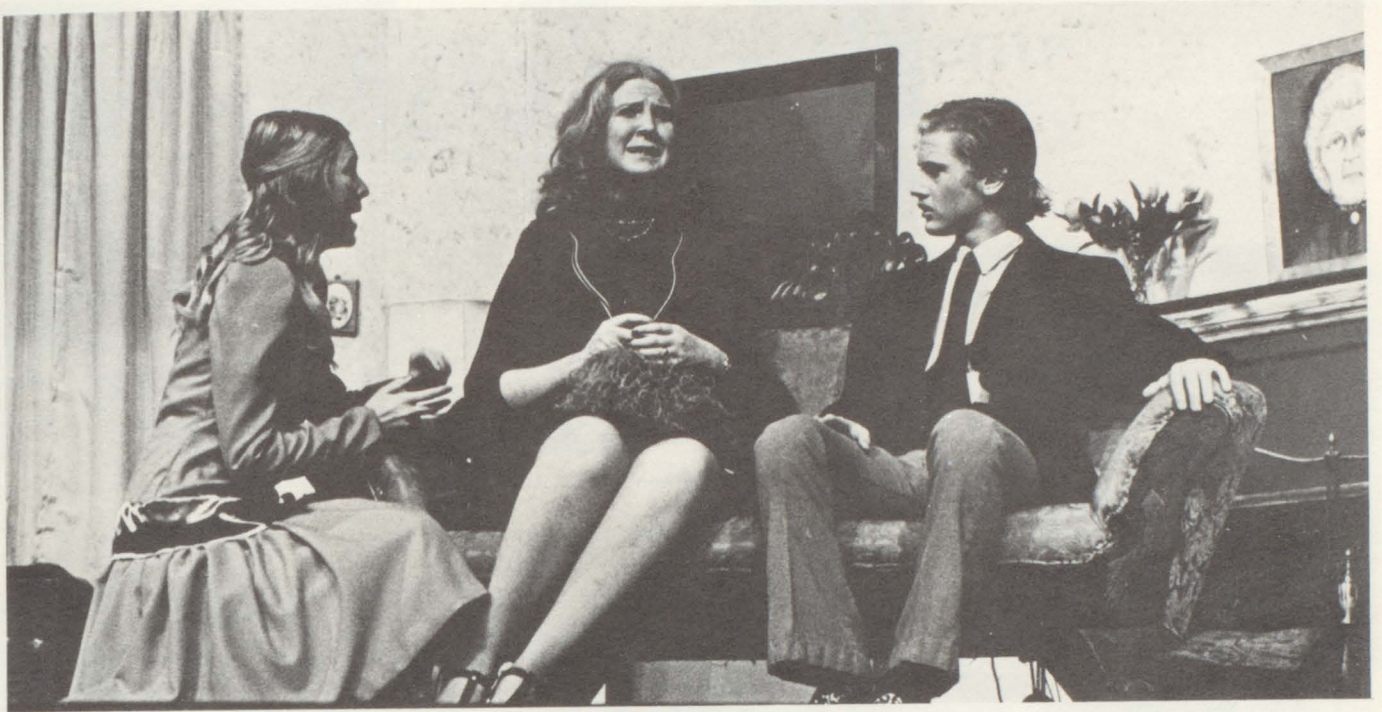

Elwood P. Dowd has a conference with Dr. Chumley.

The first play of the year called for the use of your imagination. Harvey is an invisible rabbit who brings happiness to the Dowd family. Elwood P. Dowd played by Bob Wilkinson, Veta Simmons played by Jan Lundy, and Myrtle Mae Simmons played by Jayne Kottke. The play took place on the weekend of November fourth and fifth, and was under the direction of Mrs. Gibson and Mrs. Micholson.

Three of Pooh's adventures were shown with Bob Wilkenson as Winnie the Pooh, Steve Wheeler as Eeyore, Russ Crowe as Owl, Teresa Rademacher as Piglet, Jayne Kottke as Tigger, Mike Jacks as Music Man, and Holly Bohn as Prop Man. The play was under the direction of Mrs. Nicholson, an associate teacher from Oakland University who was working with Mrs. Gibson.

Foreign Exchange Students Find Home in Clarkston

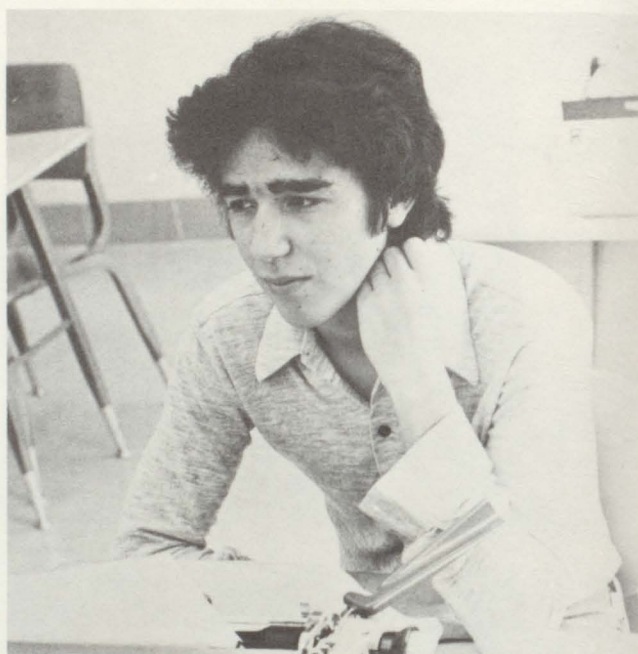

This year at CHS there are five foreign exchange students. All of the exchange students are considered to be seniors here, although at home some of them are in a lower grade.

Four of the exchange students are from Brazil; Sue, John, Vinicio, and Eduardo. The other girl Anna, is from Sweden.

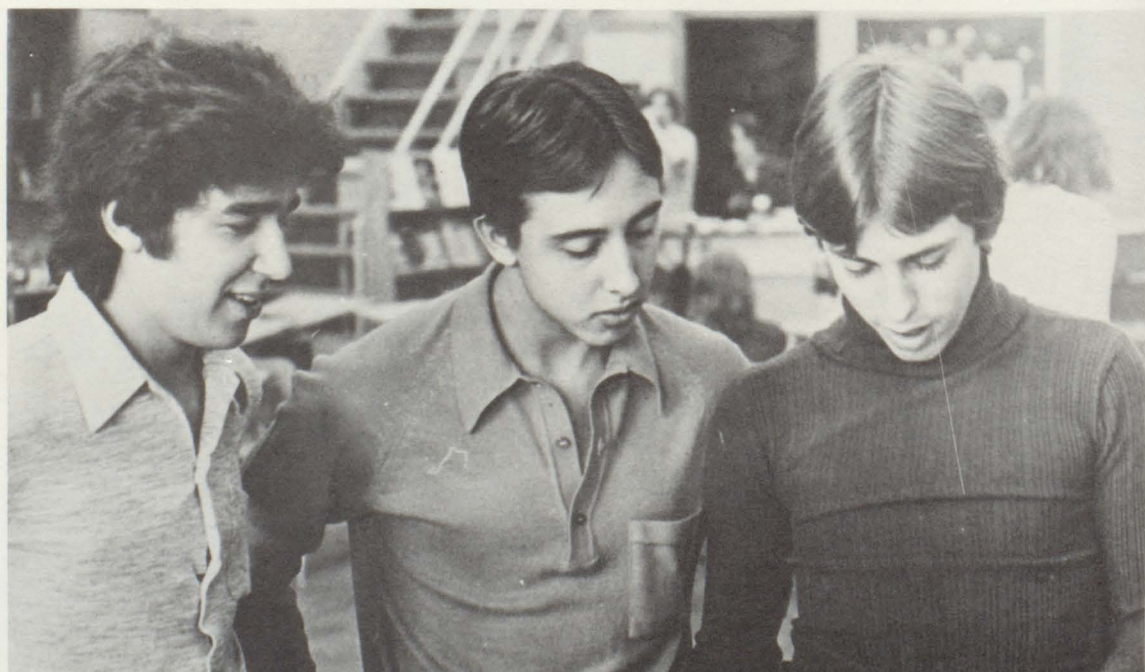

Eduardo gets frustrated when learning to type in a different language.

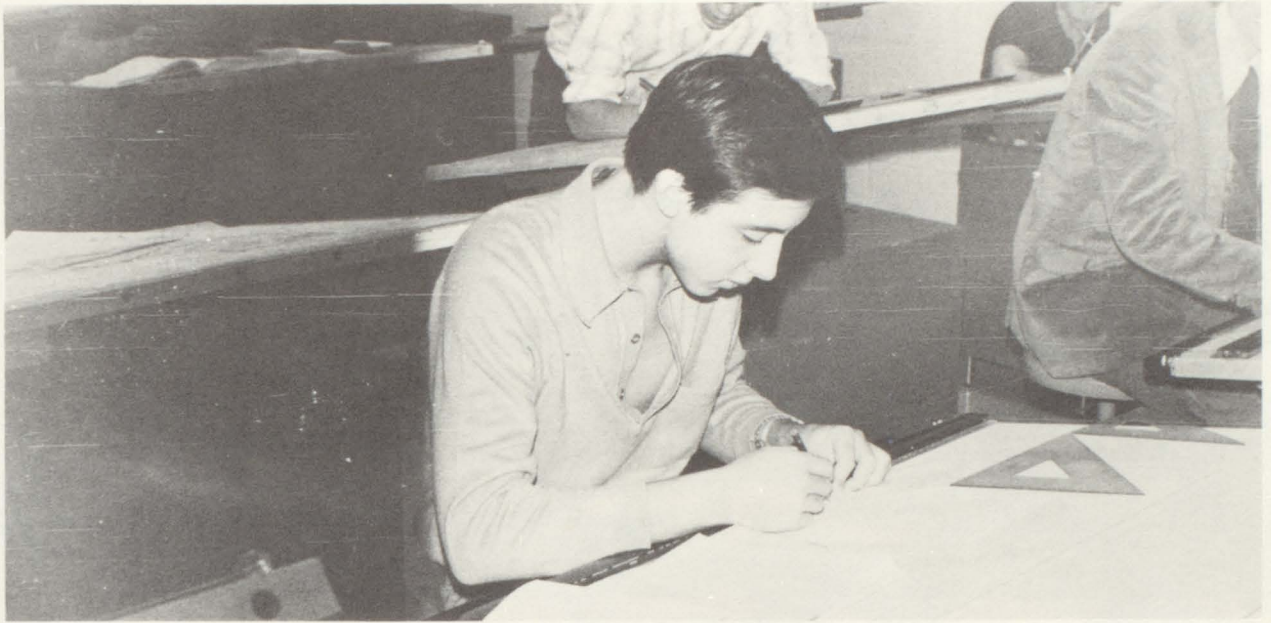

Sue stayed with Dr. Ushman for the half of year that she was living in Clarkston.

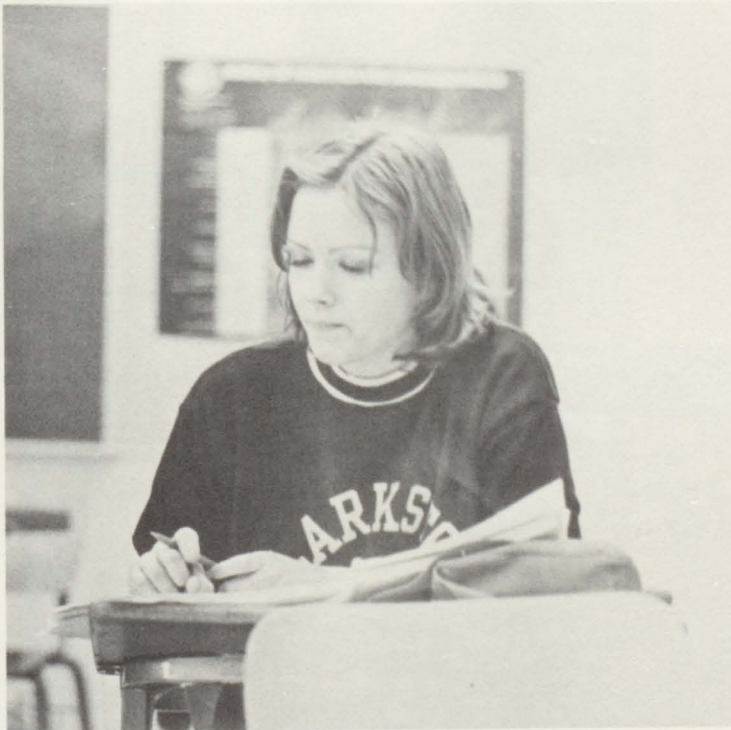

Eduardo, Vincinio, and John are all fascinated by a wood carving in Basic Crafts.

New Coaches Boost Team Efforts

This year's Varsity football team had a couple of goals at the start of the season. To work and play as a team and to have a winning season. The first one came through, Clarkston played as a team.

The Wolves hosted a 4 and 5 season, so the second of the two goals didn't come through. It was a big disappointment for the team and new coaches not to have a winning season.

Most Valuable Player award went to Dave Partlo. Dave had a fine year as a running back, and also as a split-end for part of the season.

Other claims to fame throughout the season included; in the regional tourney and finishing 18th in the state finals.

Cindy Booker is the first "gal" to be on the Golf Squad. She had a remarkably low average. In the fall she will be going professional. Lee Booker was medalist several times. He was first in league and runner up in regional and state competition. He also was one of five to make all state team.

Wolves Finish 3rd In W-O League

After last year's successful Varsity basketball team, C.H.S. was very expectant of this year's team. Despite great coaching from Dave McDonald and never ending efforts from the players, the team could not get it together again to take the league title. The team was third in the league behind Kettering and Milford.

In tournament play the Wolves played Davison in the first round and lost. Coach McDonald is looking forward to next season.

The J.V. wrestlers got a lot of experience on the J.V. squad although a lot of the time there were not enough wrestlers to fill all of the spots.

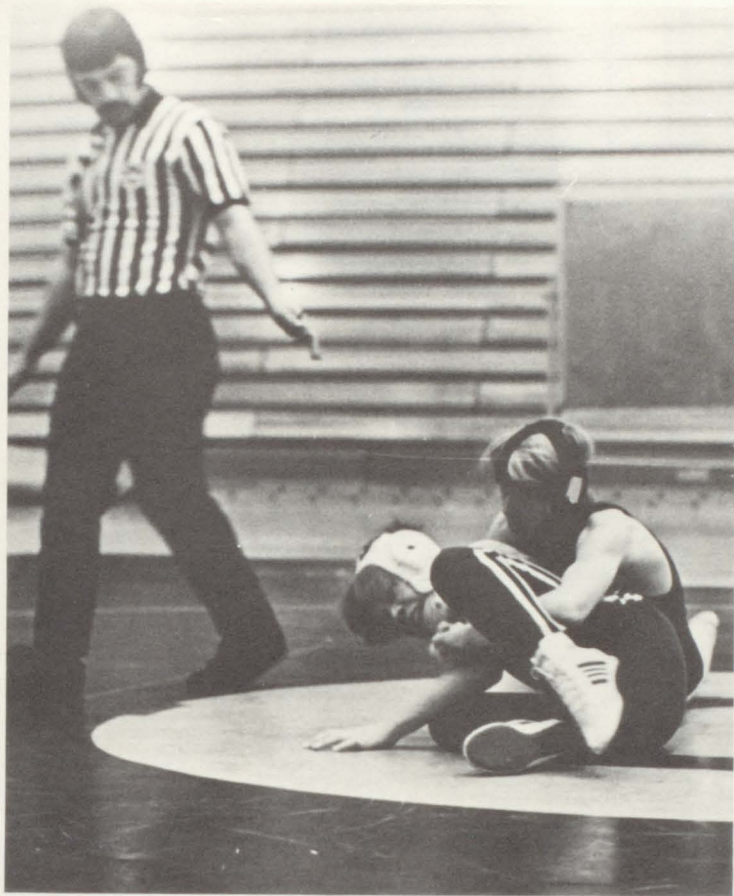

Johnny Moore, Dave Houts, Dan Robb, Jim Willockx, and Curt Smith were some of the J.V. men who had the chance to wrestle in a few Varsity matches.

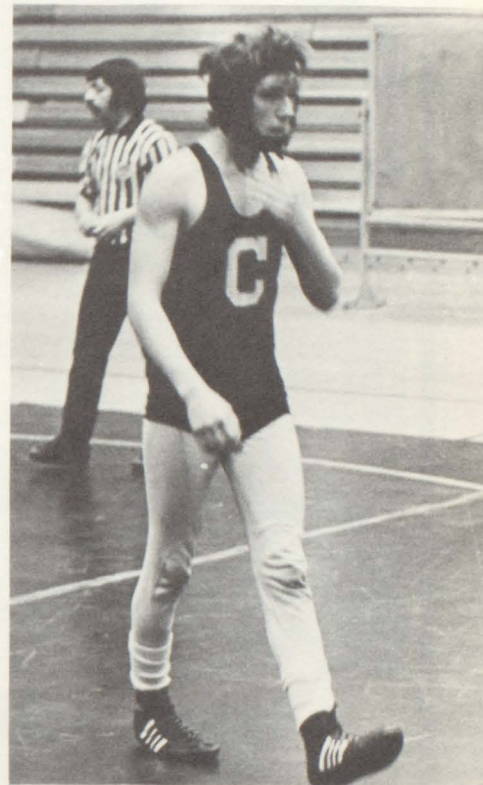

Tim Smith is riding his man so he can score some points.

Lyle Shelton hits a switch to get two points to be on top of his opponent.

Johnny Moore puts a cradle on his man to put him away.

After adding six points onto his teams' score is Jim Willockx.

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ☞ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ☞ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ☞ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ☞ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ☞ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ☞ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ☞ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ☞ ☞

HIGH SCHOOL GRADUATE

LET'S TAKE A GOOD
LOOK AT EACH OTHER...

We know a young man just out of school has more on his mind than just a job these days. He's concerned about his world. He's looking at the future. And he's looking for a way to do something about it.

We're looking at the future too. In fact we're dedicated to it. And we're looking for people who feel the same way.

You see, there's more to the Air Force than good pay, guaranteed jobs and valuable skills. There's also the satisfaction of doing something worthwhile and important.

But that's something you'll have to decide for yourself. It's easy to get the facts and there's no obligation. Contact your nearest Air Force Recruiter at
