Assessment Roll for the Township of Brandon in the County of Oakland for the Year 1894

☞No more than one tract or parcel must be valued or taxed on the same line. Two descriptions *must not be joined* in one valuation or tax, unless owned and occupied as one parcel. *Personal Estate* must be valued and taxes entered on a different *line*, as well as column, from *Real Estate*. Non-resident lands should be entered in numerical order, beginning with section one, and if the name of the owner is not known, they should be assessed as "owner unknown." Enter the amount of any *Re-assessment with Red Ink*, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for "Remarks" state opposite each parcel *for what year the re-assessment was made*. The attention of assessing officers is especially called to sections 15 to 37 of the Tax Law of 1893; they should be carefully studied and the directions therein contained should be strictly followed.—Auditor General's Office, 1890.
