

Assessment Roll for the Township of

No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax, unless owned and occurring as one parcel. A parcel of land may not be divided among two or more parcels, unless it is clearly shown by the surveyor that they should be treated as separate parcels. Enter the amount of tax re-assessed with red ink in the column of taxes to which it belongs above the tax for the year for which this Roll is issued, and in the column for "Remarks" state opposite each parcel for what year the re-assessment was made. The attention of assessing officers is called to sections 1 to 45 of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also sections 91, 96, 100, 103, 107, 110, and 119.—AUDITOR GENERAL'S OFFICE, 1893.
