

JOHN C. SALMER
Superintendent of County Buildings

Superintendent County Buildings

MR. SALMER is Superintendent of County Buildings and grounds in charge of repairs and improvements, an important post, now that Oakland County has a wonderful group of buildings, perhaps the finest in many states. Mr. Salmer has had years of experience in construction work and in landscaping and beautifying of grounds. He was a supervisor for five years from West Bloomfield Township and was a member of the building committee during the time that the hospital units were under construction. Flowers and shrubs, trees and lawns are adding beauty to the various hospitals and other County Buildings.
