The County Treasurer

THE personnel of the County Treasurer's office consists of F. H. Losee, County Treasurer; Jessie I. Gray, Deputy; Sarah L. Losee, Bookkeeper; Alvena E. Hartz, Deed Clerk; Emma Kent and Bernadeen Bentley, Stenographers; Olive Haddon, Ardella Barnum, Coiene Williams and Winifred Marcoux, Tax Clerks; Evelyn Beach, Helen Gillespie and Lena C. Closser, Mail Clerks; Maude Ferris, Dorothy Hill and Helen Steele, Statement Clerks; Tillie May, Nellie Burtch, and Bertha May Cascadden, Elliott Fisher Operators; and Gladys Wyckoff, Mortgage Clerk.

The greater part of the work in the County Treasurer's office has to do with the collection of delinquent tax, mortgage tax, dog tax and inheritance tax.

The rapid growth of Oakland County has increased the work in this department to such an extent that the Treasurer for want of space and extra help, is unable to serve the public or perform his duties to advantage.

By comparing the first six months of 1928 with the first six months of 1927, will give a good idea of the increase in business.

COMPARISON OF 1927 AND 1928

1927	May Tax Sale	19091	\$224,175.03
1928	May Tax Sale	24960	297,647.73

The revenue taken in by the County Treasurer from January 1, 1928, to July 1, 1928, amounted to \$7,747,795.66. The disbursements for the same period amounted to \$6,648,106.85.

The distribution of the delinquent tax, redemptions, May tax sale collections by the Auditor General, charges by the Auditor General, to the State, County, County Road, Covert Roads, Drains, and Townships, Cities and Villages, makes an endless amount of bookkeeping in detail.

This office appreciates the courtesies extended and the cooperation granted by the various departments in the County and is desirous of conducting and maintaining an office which is a credit to the County and can render service to the people.

FLOYD H. LOSEE,
Oakland County Treasurer.
