NOVI CITIZENS JAM BOARD MEETING

Consumers Power and Ford Address Meeting Tonight

Officials from Consumers Power Company and Ford Motor Company will address members of the Novi Board of Commerce at its first fall meeting tonight, Sept. 1, in the Novi Community Bldg.

James Thomas, superintendent of gas distribution, and Ray Viau, gas sales engineer, will speak to the group on Consumers Power's current plans in the Novi area.

Twp. To Operate Willowbrook Village Water System

Novi township's future acceptance and operation of the Willowbrook Village water system was discussed by the township board Monday night.

The water system, installed by the area subdivider, Paul LeBost, is scheduled to be turned over to the township authorities for operation in the near future.

The subject of water rates was discussed at the meeting since this will be the township's first experience operating a water system. The board members agreed to study the question further before making any decision on rates.

In answer to questions from area residents concerning reduced water pressure in the area, a township official said that a second pump would soon be in operation, bringing the water pressure back to normal. At no time, he added, has the recent pressure in the area been less than two-thirds of the normal pressure, even though the facilities were temporarily overtaxed.

Lord's Supper To Be Observed At Novi Baptist Church Sun.

The Lord's Supper will be observed in the Novi Baptist church this coming Sunday.

Thursday, Sept. 8 is the date set for the meeting of the Baptist Ladies' Mission band at the home of Mrs. Edna Hill. There will be a luncheon at noon followed by an afternoon program.

Ten boys and girls in the Baptist Sunday School received rings for attendance recently. They were Mary Alice Munro, Betty Martin, Diane Eby, Barbara McCormick, Carol Newberry, Bobby Taylor, Linda Early, Mike Eby, Lyn Leavenworth and Owen Pierce.

Spend Quarter Million
The company is currently engaged in a quarter-million dollar expansion program in Novi township. Earlier this year gas lines were extended west along 10 Mile Rd. to serve the rapidly expanding Willowbrook Village area. On Aug. 29, construction began at Grand River and 10 Mile roads on another pipe line which will service the Novi Rd.-Grand River area.

A film on natural gas, "The Eternal Flame", will also be shown. It will deal with natural gas exploration, distribution, and uses. Thomas and Viau will also outline Consumers Power Company's future plans for the area.

Ford Plans Presented
Roy I. Anderson of the Ford Motor Company's property development department will also be present at the meeting to outline his company's present plans for the 325-acre Wixom Rd.-Grand River plant site. As headquarters for the company's Lincoln division, the proposed plant is expected to employ nearly 5,000 people when completed in 1957.

The dinner will be served at 7 p.m. by the Blue Star Mothers. Following the dinner a short business meeting will be held, according to Board President Leo Harrawood.

Village Residents Schedule Meeting At Comm. Bldg. Sept. 13

Residents of Willowbrook Village will hold a meeting at the Novi Community Bldg., 26360 Novi Rd., Sept. 13.

The purpose of the meeting is to get acquainted, discuss community problems, and organize a community civic association, according to Mrs. George Marinoff.

Further announcements regarding the meeting will appear in The Willowbrook Corner, the regular Willowbrook column appearing in this paper, Mrs. Marinoff added.

Novi School Has Newest Windows

One of the unusual features of the new Novi school building will be its window glass which is said to transmit approximately 30% less heat energy than ordinary glass and give more evenly balanced light throughout the entire room area. Students looking outdoors through the new glass will see colors that are notably true to nature (see two lower panels in picture above). At the same time, the brighter intensity of the light outside makes it almost impossible to look into the room from outdoors. Jack Hoffman, foreman for Wallace Construction Co., points to the sharp contrast between the glare of a bright sunny day through an open window (top) and the resplendent light that comes through Lo-tran glass.

The picture at left shows W. Michaels, Commerce carpenter, putting the finishing touches on a coat closet in one of the new classrooms.

Opening of Novi Junior High Is Another Milestone

Opening of the new Novi junior high school next week will mark another milestone in expansion of the Novi school system to keep pace with the rapid growth of the surrounding community.

The new building will house the seventh and eighth grades which previously have been in the grade school building. It will also handle the ninth grade pupils who have been going to

SCHOOL BUS SCHEDULES

School bus schedules were announced this week by officials of the Novi and Northville school districts.

Buses serving children in Novi District No. 8 will operate temporarily on the same schedule as last semester. Changes will be made in the schedules as soon as this semester's requirements are determined, Supt. William Medlyn announced.

A complete schedule of the Northville school buses serving the township is published on page 2 of this week's paper. Service to Willowbrook Village and the recently annexed Chapman District has been added to the Northville routes this year, according to E. V. Ellison, transportation director.

New residents in the area are advised to inquire about bus schedules from their neighbors.

Northville in the Past

Also new to the community this year will be the presence of a man at the head of the school system. William Medlyn will fill the position of superintendent which was capably filled for several years by Mrs. Mary Ann Atkinson. Mrs. Atkinson will continue on page 12.

25th Anniversary Celebrated Recently In Walled Lake

Mrs. John L. Wiser of Detroit and her two daughters, Helen and Geneva, entertained 20 guests at a picnic supper Sunday at the Crawford guest cottage on S. Lake Dr.

The occasion was the silver anniversary of another daughter, Beatrice, and her husband, the Charles M. Mohrhardt of Detroit. Mohrhardt is an associate director of the Detroit public library, and assisted in the building of the new West Berlin library which was built as a goodwill gesture by the U.S. government. The Mohrhardts have made several trips to Germany, and on their last visit a replica of our Liberty Bell was awarded Mohrhardt by the German government in appreciation of his work.

Ask Township Board About Ford Plans

Ford's announcement 10 days ago of its intention to build a manufacturing plant and general office building for its Lincoln division in Novi township brought out a record attendance of more than 100 persons at the Novi township board meeting Monday evening.

Most of those present appeared curious rather than outspokenly in favor of or against the plan. John Flannery, publisher of the Novi Citizen, acting as spokesman for the group, questioned the board on matters of community interest in connection with the plan. The subjects on which he sought further enlightenment than was contained in the Ford news release included sewage disposal, source of water supply, employment preference for local people and the nature of the roads which Ford will build into the plant.

Staman Answers Questions
To most questions, Supervisor Fraser Staman replied that the original Ford announcement had covered the subject as well as possible at this stage. Staman said it was impossible for Ford to give assurance of local preference in Lincoln's hiring policies. Other things being equal, however, it has been taken for granted by most persons that the majority of new Lincoln employees will come from the Novi, Walled Lake, Northville and Milford area.

Board Meets Sept. 19
The board set Sept. 19 as the date for its next regular meeting. This will facilitate approval of the changes in the present township zoning ordinance which are necessary if the Ford program goes through. The zoning board is presently advertising the proposed changes and has set Sept. 14 as the date for a meeting at which property owners and others can register their objections, if any. If the changes are approved by the zoning board at this meeting, they will then be submitted to the Oakland county planning commission for approval, after which they will go to the Novi township board for final ratification.

Ask Harrawood Appointment
Also brought before the board was a petition containing 75 signatures presented by Walter Tuck asking for the appointment of Leo Harrawood as trustee to succeed Charles Trickey, Jr., who resigned recently to become township treasurer. No action was taken by the board Monday, but it promised to take the petition under consideration.

Water Rates for the New Willowbrook Village Water System
Water rates for the new Willowbrook Village water system were discussed briefly, but no action was taken at this time because the township has not yet taken over the Willowbrook water system.

Thanks From C & O Ry.
A letter from the Chesapeake & Ohio railroad complimenting the township board for final ratification. (Continued on Page 12)

Now Arrivals in Novi
Dr. and Mrs. Richard Simmons have a new son, Richmond Hunt, born at Mt. Carmel hospital on Monday, Aug. 22, weighing eight pounds, 15 ounces. Mr. and Mrs. George Simmons count him as their ninth grandchild.

Mr. and Mrs. William Klaser
ner of Novi Rd. are the parents of a son, Mark Lee, born at the Detroit Osteopathic hospital last Tuesday, Aug. 23, weighing eight pounds, 13 ounces. Mr. and Mrs. John Klaser, Sr., also of Novi Rd., are the paternal grandparents.

Mr. and Mrs. Jack Morris
of Clarke St. announce the birth of a daughter, Suzanne, at Detroit Osteopathic hospital Aug. 6.

Rickie, nine-year-old daughter
of Mr. and Mrs. John Panalone of Clark St. underwent a major (Continued on Page 12)

Novi Girl Scouts To Participate In Fair Playland, Parade

Novi Senior Scouts are planning to participate in the State Fair Kiddie Playland. This playland is the combined enterprise of many leading merchants and manufacturers of the state who will sponsor miniature rides and playground equipment free to the children.

This project gives older girl scouts an opportunity to give an important service to the fair by supervising the playland activities. The sponsors of all mechanical rides will provide their own operators.

The girl scouts have also been asked to participate in the opening day parade Friday, Sept. 2. Girls will ride in the fair in new buses supplied by the Detroit Street Railways. Those participating in the parade are asked to meet in the lobby of the New Civic Center Bldg. at the corner of W. Jefferson and Woodward Ave. at 10 a.m. on opening day. Uniforms must be worn and registration cards are necessary.

If any of the Novi Girl Scouts who signed up with Mrs. Hayes or Mrs. Clarke have not received instructions from the Girl Scout Office by Aug. 31, please let your leaders know.

Independent Club To Meet September 7

Mrs. George Kahrl will be hostess to the Independent club on Sept. 7 at her home at 707 S. Lake Dr., Walled Lake.

A pot-luck luncheon will be served and plans discussed for the bazaar to be held Sept. 28.

the Willowbrook Corner

by MRS. THOMAS MORRISON
PHONE GREENLEAF 4-2523

Last week, Wednesday, Jack and Aldean Carter entertained Mrs. Wilson and daughter, Pearl, and Ruby Cozart from Kentucky.

Janis Waugh's grandmother, Mrs. Peters, brought her home from her visit in Kalamazoo this week so she can get ready to go back to school.

The Thompsons and son, Gary, went to Ludington for the week end and such a good time they made plans to go back for the Labor Day week end. We're happy Gary is off the sick list so soon.

The Duprey family spent the week end at Runyon lake.

Mr. and Mrs. Don Freytag of W. LeBost Dr. entertained friends, Mr. and Mrs. Bernard Fernandez of Carlsbad, N. M. on Friday. They enjoyed a lovely dinner and then spent the evening chatting about old times.

Mr. and Mrs. John Modrowski of Toledo spent the week end with the Rairighs.

The Marinoff station wagon was filled to capacity last week end for a trip to the Wisconsin Dells. Eight passengers: Mr. and Mrs. Arthur Homer and children, Janet and Tom; Eddie and Jay Ann Wittenberg, and Jane and George Marinoff enjoyed the scenery together. They took the S.S. Milwaukee from Muskegon, across Lake Michigan to Milwaukee and then drove on to the Wisconsin Dells. On the way back they spent Monday at Shelby, Mich and rode the dune scooters at Florida resort. In spite of the weather everyone had a wonderful time and ar-

rived home Monday night tired but happy.

Remember the association meeting Tuesday, Sept. 13 at 8 p.m. at Novi Community hall on Novi Rd. just north of Grand River. This meeting is for all Willowbrook residents. After the meeting there will be a social hour, so we would appreciate volunteers for hostesses.

AMVET Auxiliary Style Show a Hit

The Novi AMVET Auxiliary held a style show and card party last Thursday night at the Community Bldg.

Clothes were furnished by the Freydl dress shop of Northville and Walled Lake. The models were Mesdames William Gregory, Douglas Watson, Ed Collan, John Klaser, Sr., Donald Bingham, Eugene McHale, John Klaser, Jr., George Atkinson and Charles Trickey, Jr. and Misses Lorraine Darling and Phyllis Wendland.

Door prizes were given from Jones Floral shop and among the winners were Mrs. Vina Smart, Mrs. Andy Kozak, Mrs. Robert Clemens, Mrs. J. D. Mitchell and Rita Callan.

Children styles were modeled by Kim Kozak, Rita Callan, April Trickey, Racena Bailey and Carol Johnston.

NEW ARRIVAL
Mr. and Mrs. William Medlyn proudly announce the arrival last Monday of Mark. Christopher Medlyn. Mark made his initial appearance at University hospital in Ann Arbor and weighed six pounds, one ounce. Medlyn is the new superintendent of schools in Novi.

MEET Your Merchants . . .

JOHN ALLAN HARNDEN

"Folks just call me 'Al the poor man's pal,'" says John Allan Harnden, operator of Al's Quality Market at Grand River and Novi Rd.

A tool and die maker by trade, Harnden claims to be a "born butcher". Choice cuts of meat and the English language receive equal butchering at the hands of this jolly wise-cracking merchant as he goes about his daily chores, his butcher's apron concealing a pair of Bermuda shorts and sport shirt.

(Continued on Page 12)

Construction Begins On Gas Main

WELDING ONE OF THE FIRST LINKS in the new gas line which will soon carry natural gas to the Grand River-Novi Rd. area is welder Lloyd Horsh of Royal Oak. The new pipeline, part of this year's quarter-million dollar natural gas expansion program in Novi Township, follows the

north side of Grand River from 10 Mile Rd. to Paragon Construction Co. just west of Novi Rd. A branch gas main will head south off Grand River on Novi Rd. servicing local industrial plants and terminating at the Novi Equipment Company.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
By Elmer White

POLITICIANS ARE ALREADY feeling about the coming of the 1956 and their fates in Michigan. Presidential and state ballots, separated years ago, are joined again in a situation of much importance to close elections.

Republicans were behind the separation move long ago when Democratic candidates were riding high on the popularity of Franklin D. Roosevelt. They denied politics in the maneuver, however. So did Democrats who fought the change while cashing in on F.D.R.'s appeal.

"We honestly felt that it would be fairer if each candidate stood on his own feet," said Senator Clyde H. Geerling (R-Holland).

After the Republicans took over the national administration behind the popular President Eisenhower, the ballots in Michigan were again merged.

Again Republicans, many of whom supported the merger, denied political motives and the advantages of a popular print of the reasons. Some said it would be more economical to print the merged ballot.

Democrats, finding the political situation other than they desired in some quarters and downright suspicious in others. They are working hard for a return to the White House in 1956 and would like to hold the state capital.

But they are asking themselves what will happen if a popular GOP president carries the state, plugging up votes for a Republican ticket and a return to the White House in 1956 and would like to hold the state capital.

DEBT MANAGERS will be investigated by a three-member committee this fall.

The move for greater controls over one of the relatively new phases of modern finance developed in the legislature during the 1955 session.

It cleared the air but some seem to say it was irritating to have to wait so long for other potential Democratic candidates to name themselves.

As it turned out, Williams won again, carrying with him the endorsement of the state of Michigan.

Three senators are doing the state work and promise to come up with new bills for the function next year when the legislature convenes.

Committee members are Brownfield and Senators John B. Swainson (D-Detroit) and Lynn O. Francis (R-Midland).

His idea was that a few out-of-state loan sharks were giving legitimate agencies a bad name by charging exorbitant interest and in some cases, running out with their clients' money.

Debt to creditors offer to lump the debts of their clients into one sum, enabling the client to pay to one creditor. It has the attraction of convenience.

The visitor flights will be followed by a banquet at Dearborn Inn for members and guests of the Aero-nautics club. The club is composed of Ford employees interested in aviation activities.

Complete and accurate information is available at the Dearborn Inn. Mr. Russell, who is still a Ford employee, also won in 1931, after which the tour was discontinued.

With their all-metal construction, they ushered in the modern era of air transportation. Although only a handful are being flown in the United States today, they are still popular in remote parts of Alaska, Canada and South America.

The visitor flights will be followed by a banquet at Dearborn Inn for members and guests of the Aero-nautics club. The club is composed of Ford employees interested in aviation activities.

As island-hoppers the planes fly vapors, heavy pistons, fuel children, emergency hospital cases, mail and provisions.

DON'T SCRATCH THAT ITCH IN 15 MINUTES.

You MUST be rid of the ITCH your face, neck, chest, arms, legs, etc. ITCH-ME-NOT actually gives triple-action relief. It deadens the itch, soothes the skin, kills germs and fungus on contact. Fine for eczema, foot itch, other surface rashes. Today at Gussell's Drug Store, 102 E. Main St., Northville.

for the Record

by G. H. C.

Announcement last week of the Ford Motor Company's intention to locate its Lincoln division in Novi township at the northwest corner of the Farmington-Brighton expressway and Wixom Rd. has been greeted with mixed emotions by residents of the larger area extending for several miles around the proposed plant site.

Those who would have liked to see the Grand River section remain as it is now—and there are many such individuals—can see the area's future spelled out in part. In another five years it will be pictured in much greater detail, we believe, for Chrysler by then probably will have made known which of its divisions it intends to move to the New Hudson plant site it bought two years ago. (We are still confident of the correctness of the Record's prediction at the time that Dodge would occupy the site.)

Others who for various reasons have wanted to see the Grand River area develop industrially see their wish on the verge of realization. While the Lincoln plant alone will not transform the countryside, it will have a considerable effect upon Novi, Northville, Walled Lake, South Lyon and Brighton. Even though workers no longer must live close to their place of employment, it is inevitable that there will be a noticeable influx of population to and around these communities, with a resultant increase in business for those who sell such widely different things as lumber, food and tooth paste.

Regardless of the wide gulf which separates those who would like to see the status quo preserved and those who will benefit financially from the coming of big industry, it is to be hoped that both groups will realize at once the need for joint action to channel and guide the area's growth. The problem of schools, which even now is pressing hard upon Northville and Novi, will become more acute in three or four years. It will also affect South Lyon. Walled Lake will benefit financially because the new plant will be located in the Walled Lake school district.

There also will be need for zoning ordinances in townships and cities which have not already adopted them, and for effective enforcement of both new and existing zoning restrictions.

Building codes will have to be enacted by towns and townships that do not have them if there is to be protection against the kind of substandard housing that Northville township has permitted in its Gerald avenue section. The building code of the City of Northville is antiquated and in sad need of revision at an early date.

These three things—schools, zoning and building codes—are matters which every community can and should review promptly for the protection of present residents now and in the future.

MRS. B. HEDD'S MENTION TEXAS IS HOUSE GUEST FOR MR. & MRS. J. GREEN

LOWE & JIMMY CARLO HAVE RETURN TO BUFFALO AFTER SPENDING THE SUMMER WITH THEIR UNCLE JOHN J. CARLO

LYSTER WICK HAS RETURNED FROM A WEEK-VACATION WAUKESHA WISCONSIN

Above is a copy of the Beal Town News, published weekly by a group of youngsters called "The Meadowbrook Country Club." The group was featured in the Record several weeks ago when they first purchased their tiny press and went into business. The errors seen do not mean that the junior journalists are poor spellers, but only that they find it difficult to read type backwards. Editor Tom Bongiovanni gave full assurance that the paper will remain in existence. "We can't quit now," he says. "Because my Dad has five dollars invested."

Remember This Of House?

With the razing of this old Opera House about six years ago, Northville lost its last tangible trace of a long gone era. That era's activities were centered about the opera house around the turn of the century, when ladies in velvet and lace gowns and patent leather shoes and men in Prince Albert coats, plug hats and canes, arrived in horse-drawn carriages. Built in the 1870's by Samuel Little, founder of the Northville Record, the building seated 800 and was located on the southeast corner of Center and Dunlap streets. After it had been condemned for public use, Henry Ford wanted to buy the house and move it to Greenfield Village, but Sam Pickard, the owner, refused to sell.

Amerman Active In School Seminar

Russell H. Amerman, superintendent of Northville schools, took an active part in the three-day seminar sponsored by the Michigan Association of School Administrators at Michigan State Normal college in Ypsilanti last week. He was appointed chairman of a discussion group and also was on the general program in a discussion of "How to Prepare a School Budget". The seminar was attended by about 75 administrators from throughout Michigan. Although it was designed principally for new superintendents, many veteran administrators such as Amerman also attended. There were 23 topics under discussion, including how to deal with irate parents, elections, teacher problems, etc.

County Supervisors Study Policing Plan

In an effort to provide better police protection to rapidly growing townships an arrangement is now being considered whereby communities and townships in Wayne County would hire the sheriff's department to do their policing.

County Budget Director Alfred M. Pelham said that the Board of Supervisors has voted to study the plan to have the sheriff supply one or more patrol cars and officers to each community on a voluntary, contractual basis. Pelham states that participation by a majority of the 18 cities, 16 townships and 10 villages in the county would be necessary if the plan is to be used.

Dearborn township already pays the salaries of deputies assigned to the area and maintains the patrol cars.

Pelham said that few people dispute that the best solution to the county's law enforcement

Detroit Edison Co. Contributes \$5,000 To State 4-H Club

Michigan's 60,000 4-H club girls and boys will reap fun and education from the \$5,000 contribution from the Detroit Edison Co. to the Michigan 4-H Club foundation.

"The contribution," explains Howard Worthington, executive director of the foundation, "will help us reach our 10-year goal of \$5 million." This money will be used to expand the present 4-H club program in Michigan.

Funds will go toward the promotion of urban 4-H club work, establishment of a state 4-H club center somewhere in the north-central part of the state, aiding the International Farm Youth Exchange program and the sup-

Now your Ford Dealer makes it easy for you to be a 2-car family!

Here's why A SECOND CAR is a NECESSITY

For getting children to school there's nothing like having a second car... especially when you have little ones or the school is not close by.

To enjoy your hobbies a second car is almost a must. With a second car, the men in the family can go fishing, hunting, golfing—and the girls can go about their activities—without leaving other members of the family stranded without transportation.

In case of an emergency a second car enables you to go wherever you must in a hurry. And it's always a comfort to know your second car is there—just in case.

For grocery shopping, and all other shopping too, how can you manage without a car? A second car lets Mother sell her shopping to her own schedule and convenience.

So the young folks can go, too. Young people have their own friends and interests—which are usually not the same as Mother's and Dad's. With two cars in the family, both youngsters and older folks can come and go as they wish.

Special Savings on A-1 USED CARS

to people who want to buy a second car during September!

Come in today

... and see how easy we can make it for you!

MUSTANGS START SEASON WITH 16 LETTERMEN

Face One of Toughest Football Schedules in School's History

With 16 Mustang letter men from last year back in uniform Monday for the first football practice session of the 1955 season, but only four of them regular starters a year ago, Coach Ron Schipper was able to develop a Mustang team to cope with such opponents as Plymouth, Centerline and some of the other larger schools in the Wayne-Oakland league.

Schipper and Don Vaningen, assistant coach, know they've got a lot of hard work ahead to develop a Mustang team to cope with such opponents as Plymouth, Centerline and some of the other larger schools in the Wayne-Oakland league.

"Dutch" Van Ingen spent two years in the Army Air Force after graduation from Hope. He was in

1951, however, when both were members of the Hope college football team. Schipper came first to Northville after graduation and coached the reserve team in 1952 and 1953. Last year he assisted Coach Dick Kay with the Varsity. Now that Kay has been promoted to an administrative position with the Northville school system, Schipper takes over his duties as head coach.

"Dutch" Van Ingen spent two years in the Army Air Force after graduation from Hope. He was in

Back Row: Jim Burrell, Jerry Geer, Jerry Davis, Ken Krezel, Mac Burn, Bud Bell. Front Row: Bill Heslip, Dave Mosher, Gary Holman, John Fisher, Dave Biery, John Chapman, Bob Wagenschutz, below, has been shifted to fullback from the center position he held last year.

Back Row: Jim Burrell, Jerry Geer, Jerry Davis, Ken Krezel, Mac Burn, Bud Bell. Front Row: Bill Heslip, Dave Mosher, Gary Holman, John Fisher, Dave Biery, John Chapman, Bob Wagenschutz, below, has been shifted to fullback from the center position he held last year.

uniforms are Mark Bell, qb; David Biery, c; Maelyn Burns, James Burrell, t; John Chapman, qb; Dale Cook, e; Jerry Davis, e; John Fisher, e; Jerry Geer, qb; Larry Graham, hb; Bill Heslip, t; Gary Holman, fb; Ken Krezel, e; Dave Mosher, t; Forrest Preitzer, t; Bob Wagenschutz, who played center last year but has been moved back to fullback.

Let men from the 1954 season who are back in football

Both coaches do a real job with the material at hand it is heightened by the fact that both men are new in their jobs this year. They worked together in 1950 and

Dick Buckley and Dave O'Neill will compete for the center position with Schipper and Bob Wagenschutz, who held down the center spot last year, but has been temporarily shifted to fullback, temporarily at least, and perhaps permanently.

Yankee's Hank Bauer At New Peak

Playing As Regular; Hits At .400 Clip

A month or so ago, Manager Casey Stengel of the New York Yankees said: "If Hank Bauer will revive his punch, we'll make it." That was shortly after Bauer had been put back in the regular lineup after his usual July slump.

Bauer so far has more than lived up to what Stengel hoped of him. The Sporting News in a story on Hank's hitting said that when the August drive got under way, so did Bauer. He left his slump behind and began to hit a .400 clip. This season's average, however, is .400.

As you may recall, Bauer got off this season to a smashing start. But then he ran into a slump early in July. Little by little his fine batting average dwindled, and he was sent to the bench, used only now and then in pinch-hitting role. But when Stengel finally called on him again, he was ready.

What happened when Bauer slumped? And what happened to bring him around again? The Sporting News asked these questions, he seemed puzzled. "Don't ask me," he said. "I just don't know. Nobody around here knows. Ask Casey, Ask Bill Dickey. What had I been doing wrong? What have I been doing better? It's all a mystery to me."

Bauer says that his slump came at a time when he thought his eye was as good as ever and he was in fine condition. As for playing, he was eager as ever. He wasn't tired. But the balls he hit just seemed to plow right into a fielder's glove. As he explains, "It was just one of those things." And he adds, "Baseball is full of them."

Bauer is a great player, says the Sporting News, and a fixture in the right field dynasty of the Yankees. He has the job Babe Ruth had from 1920 through 1935. Before the Babe, Sam Vick was there. After the Babe came George (Twinkie) Schlick and Tommy Henrich. In Bauer, says the Sporting News, the Yankees have a man who lives up to the highest traditions of the position, as a ball player, as an individual and as a team player.

Hank is not a youngster. He was 32 on July 31. Many major leaguers are washed up at that age, says the Sporting News, but not Bauer. He's just striking his peak. At the close of last year

when Stengel looked over his other things that he should have kept Bauer in right field against all types of pitching, instead of platooning him against right-handed pitchers with Irv Noren and Enos Slaughter. Only because of a study of his mistakes came his decision to let Bauer take over this year. That was what Bauer wanted. For years he had been dissatisfied with his lot—he wasn't a regular. What he needed was regular play, and right now he's showing what it means to him. And to the Yankees.

As The Sporting News puts it, last year's brooding Hank Bauer is this season's Happy Hank of the Yankee outfield. He's a Yankee mainstay.

As you may recall, Bauer got off this season to a smashing start. But then he ran into a slump early in July. Little by little his fine batting average dwindled, and he was sent to the bench, used only now and then in pinch-hitting role. But when Stengel finally called on him again, he was ready.

What happened when Bauer slumped? And what happened to bring him around again? The Sporting News asked these questions, he seemed puzzled. "Don't ask me," he said. "I just don't know. Nobody around here knows. Ask Casey, Ask Bill Dickey. What had I been doing wrong? What have I been doing better? It's all a mystery to me."

Bauer says that his slump came at a time when he thought his eye was as good as ever and he was in fine condition. As for playing, he was eager as ever. He wasn't tired. NORTHVILLE GETS "POT OF GOLD"

New Education Program Added To School Agenda

Northville public schools are inaugurating this fall a new program of special education as part of the standard broad curriculum of previous years, Superintendent Russell H. Amerman announced this week.

Pupils from kindergarten through high school will benefit from the project, Amerman said. He described it as "a personalized educational program to increase social competency."

Planning necessary to set up the program has been under way since last November and Northville is one of the first schools to integrate such a program with its general educational curriculum.

Known as the Type C program, it is designed to develop the child's social competency to its fullest potential by giving teachers and parents assistance in understanding how he can help the child in his social development.

Northville Man Heads Burroughs' Plymouth Division

Establishment of the Burroughs manufacturing plant at Plymouth as a separate operating division and appointment of Robert A. Niemi as general manager were announced today by John S. Coleman, president of Burroughs Corp., Niemi lives at 4584 Northville, Northville, with his wife and two young sons.

Primary responsibility of the new division is the manufacture of Sensimatic accounting machines and associated products. The division also manufactures direct instruments and other

Hospital Patients' Fair Is Successful Project

The Northville State hospital staged its third annual Patients' Fair Tuesday afternoon on the hospital grounds. It was put on expressly for the hospital's 900 patients who were able to participate, and as it drew to an end it won acclaim of both hospital staff members and outsiders as an outstanding example of recreational therapy. Its success for three consecutive years is giving the Northville hospital a national reputation for pioneering in this kind of therapy.

A brisk, sunny day showed off to advantage the gaily decorated hospital grounds. The booths were erected and decorated earlier in the day by the patients, as their only contribution in the way of labor.

1955 Race Revenue Will Total \$110,000

The City of Northville can chalk up \$96,103 as already realized from the 1955 race meet at Northville Downs, with an additional \$10,000 to \$15,000 still to come from the state. The total to be received by the city from racing this year should be close to \$110,000. This will be \$15,000 more than the amount that will be paid by city residents as property taxes for the year.

Some \$80,000 of the foregoing total has come to the city treasury this year as a result of the vote last spring to incorporate the former village as a city. Under the unique provision of Michigan law cities are entitled to one-fifth of the 4% tax which the state levies on pari-mutuel betting at harness tracks. Villages and other governmental units are not given this revenue by the state.

Local Shooters Score In Match

The Putawatami Valley club participated Aug. 7 in a medal match which they hope to make an annual affair.

Fifty-one registered shooters took part, and pictures and notes concerning the match appeared in The Detroit Times.

Eight matches were held, and Blackington medals were awarded to the high scorers.

Local winners were Bob Reed, Northville, and Ken Richards of Plymouth.

Nowadays, getting up in the morning isn't any harder than getting to bed at night.

Northville School Schedule For Next Week

- Tues. Sept. 6 Teachers meeting, Community Bldg., 9:30.
 - Sept. 6-10 Book Store open, H.S. basement, 9:42-1:4.
 - Wed. Sept. 7 Faculty meetings with school principals.
 - Thurs. Sept. 8 Grades 7, 8 and 9* report for full day, 8:30.
 - Fri. Sept. 9 Grades 1 thru 6* report for full day, 8:30. Kindergarten* will hold regular half-day sessions from 8:30-11 and 1-3:30.
 - Mon. Sept. 12 All classes* on regular schedules with grades 10, 11 and 12 reporting for first time.
- *See bus transportation schedule on page two.

900 Patients In 3rd Annual Event

Sixteen thousand dollars has been paid directly to the city by Northville Downs to date and another \$3,000 is due from the track as compensation for special police protection, water and other principal services. This total represents \$500 per day of racing, and has been received for many years by the village when it was not getting any revenue from the state. Money from this source, accumulated over the years, paid for practically all of the community building.

A brisk, sunny day showed off to advantage the gaily decorated hospital grounds. The booths were erected and decorated earlier in the day by the patients, as their only contribution in the way of labor.

Calendar of Events

- NORTHVILLE CALENDAR
- Sept. 6—Special meeting of OES at 7:45 p.m. Note change of date because of holiday.
- Sept. 6—King's Daughters meet at 2 p.m. with Mrs. Clifford Weller, 220 N. Rogers.

Mrs. George Coolman, secretary, is shown checking enrollment plans for three boys, Claude, Devereux and Douglas, sons of Mrs. Claude Earl, 10 Mile Rd. Mark 3, looks on to see what it's all about.

Gala Festivities To Mark VFW Post Mortgage Burning

The Northville V.F.W. Post No. 4012 will mark the tenth anniversary of its organization as well as mortgage burning ceremonies at its two-day celebration to which the public has been invited.

Festivities will start at an open house Sunday, Sept. 4 at 2 p.m. at their post home at 428 Plymouth Ave. A buffet lunch will be served throughout the afternoon and evening and dancing will start at 9 p.m. On Monday, Sept. 5 the actual mortgage burning ceremonies will be held at 1:30 p.m. with a dinner following. The members of the planning committee include Al Smith, Walter Hammond, Frank Light, Fred Robinson, Homer Hodge and Lawrence McArthur.

Clayton Myers, commander of the post, stresses that all festivities are open to the public and hopes that many will take advantage of the general invitation.

Enrollment Increase At Parochial School

Northville's parochial school, Our Lady of Victory, has completed plans for the fall opening of its fourth year.

Sister Anita Marie, principal, states that 125 pupils are enrolled at present. This represents an increase of approximately 50 pupils over the first year when the enrollment numbered 116.

School will open with a half-day session on Sept. 9 and full day sessions will follow thereafter. Uniforms will not be required until Oct. 3.

Only one change is announced in the teaching staff of four teachers and this is the addition of Sister Ann Nicolae who replaces Sister Anne Richard.

School supplies may be purchased at the school opening day. This includes all the school needs of any child from grades one through eight.

Bargain Day Venture Termined Successful

Bernie Morrison, chairman of Northville Bargain Days, reports the venture as highly successful with excellent cooperation from the community. Approximately eight thousand tickets for rides on the Kiddie Karnival were distributed.

The pie eating contest, one of the most interesting features of the event was won by Jimmie Langford, Don Ling and Don Fraser who won first, second and third prizes, respectively.

The three winners in the pie-eating contest are pictured above with their well-cleaned pie plates. This event was the final Saturday evening of the three-day Northville Bargain Days merchandising event and took place at the corner of Main and Center streets. Pies and cake prizes were provided by Ritahe Bros. Laundromat, Blueberries or pumpkin prevented the identification of the boys who ate the apples without benefit of forks.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Would you like a real good watermelon pickle recipe? One that is easy, too?

It's pickling time now and this recipe is simple—the pickles are crisp and juicy and the appetizing color will add to your meals next winter.

Mrs. Bruce Turnbull, shown above with Craig, 4, and ten months old Carol Ann, uses green or red vegetable coloring in the syrup to give the pickles that extra fillip.

The Turnbulls have two older sons, Robert, 18, and Michael, 7.

Co-op School To Open Its Ninth Year On Sept. 12th

The Northville Co-operative Nursery school will open its doors to pre-school age children Sept. 12 to begin the ninth year.

The nursery school is sponsored by the Parent-Teachers Assn. and grew out of an interested committee of the P.T.A. eight years ago.

The 1955-56 session of the nursery school will begin on Sept. 12, which will be the first day of the new and old mothers and nursery children.

The daily program of the nursery school is designed to meet the needs of the pre-school child.

The effects of the 1955-56 session are Mrs. William Secord, president; Mrs. Douglas Lorenz, secretary.

Ferns and Holly Sent From Washington for Wedding

Polage from the state of Washington decorated St. Paul's Lutheran church for the marriage of Carolyn Miller to Ronald L. Schlegel.

The double ring ceremony was performed by the Rev. B. J. Pankov before a background of candelabras, white gladioli and yellow flowers.

The bride is the daughter of Mr. and Mrs. John Miller of 8600 Napier Rd. and was given in marriage by her father.

The bride chose a charmingly lace floor length gown embroidered in sequins and pearls.

Miss Selma Schulte played the wedding music and accompanied Carl Stephens who sang "O, Perfect Love" and "The Lord's Prayer".

The bride's attendants were identical ballerina length gowns of turquoise crystalite with matching shoes and headpieces.

Barbara McKay of Grand Rapids, a college roommate of the bride, was maid of honor and carried pale yellow fugu mums.

Don Wahman of Romulus, acted as best man. Seating the guests were Rod Humberger of Grand Rapids, Bob Crowder, DeWitt, Ken Ackerman and Gerry Brendel, Lansing; Johnny Miller,

five-year-old brother of the bride, was ring bearer. Beige and white with matching accessories, was chosen by Mrs. Miller for her daughter's wedding.

Mr. and Mrs. Henry Schlegel of DeWitt, Mich., announced the ceremony. Bob Goodson's orchestra furnished the music.

Mrs. Ronald Schlegel was graduated from Northville High School and her husband was graduated from DeWitt High school.

Mr. and Mrs. Henry Schlegel of DeWitt, Mich., announced the ceremony. Bob Goodson's orchestra furnished the music.

Mr. and Mrs. Starr Bray of N. Rogers attended a reunion at the Maple Grove school in Coldwater, Mich., this week end. Mrs. Bray started to school there.

Mr. and Mrs. Kenneth D. Conley and children, Susan and Michael, of Orchard Dr., returned Monday after vacationing ten days at Manistee lake and Roscommon.

Mr. and Mrs. Edward Martin and children, Elaine and Janet, from Livonia will spend the Labor Day week end with Mrs. Ruth D. Clark, Russell and Marshall.

Mr. and Mrs. Charles F. Logeman of Rapon Ave. have returned from their trip to Sioux City, S.D., where they visited Mrs. Logeman's mother.

Mrs. Meyer attended the class on Presbyterian program and materials which was led by Garner O'Dell, National Field Director for Christian Education of the Synod of Michigan. She also attended the Personal Faith and Witness class conducted by Mrs. Maude Pino, and took part in the Bible study class on the Book of Ephesians led by the Rev. Douglas Clyde.

News Around Northville

Chief and Mrs. Joseph Denton returned last week from another Canadian vacation. While at the Mountain Home hotel in Banff they were with Mrs. Ann Young, Mrs. Sarah Lewis, Mrs. Jerry Hopkins and Mrs. Dava Holcomb.

The Dentons spent a day at Emerald lake, then went on to Elm Creek, near Winnipeg, where the Chief spent his boyhood. There an old friend took too many entries to a flower show as he persuaded Mrs. Denton to enter a gladioli specimen "Dolly Ward" under her name. She was first prize, making her probably the first member of the Northville Garden club to win a prize in foreign competition.

Charles Ely entertained Robert Keeney, Sally Budd and Phyllis Shaumway on Big Rapids over the week end.

Conrad Burkman spent the week end at the home of his fiancée, Miss Nina Freytag, of Newberry, Mich.

Mr. and Mrs. E. V. Ellison and family returned last week from a month vacation at their Rifle lake cottage.

Mr. and Mrs. William St. Lawrence are enjoying their stay on a western ranch. No dude affair at this one, but a 250-acre ranch 10 miles from Fred, Mont.

Mr. and Mrs. Edwin Flaherty and daughter, Linda Ann, are leaving Thursday for a week end at the Flaherty's cabin on Pine Island and in the St. Mary's river.

Mr. and Mrs. Arlo Haugder gave a birthday dinner last Sunday for Mrs. Haugder's mother, Mrs. Pauline Pankov, of Plymouth. Other guests were Mr. and Mrs. L. G. Pankov of Plymouth. Following the dinner the entire party drove to Mt. Clemens to visit Mrs. Pankov's niece, Mrs. Earl Reid, and Mr. Reid.

Sylvia Kay, daughter of Mr. and Mrs. Donald Anderson of Ridge Rd., invited ten of her little friends over to help celebrate her sixth birthday Wednesday.

Mr. and Mrs. C. R. Fraser of Lansing were Saturday evening guests of the James D. Mahoney's of S. Rogers St.

Mr. and Mrs. Starr Bray of N. Rogers attended a reunion at the Maple Grove school in Coldwater, Mich., this week end. Mrs. Bray started to school there.

Mr. and Mrs. Kenneth D. Conley and children, Susan and Michael, of Orchard Dr., returned Monday after vacationing ten days at Manistee lake and Roscommon.

Mr. and Mrs. Edward Martin and children, Elaine and Janet, from Livonia will spend the Labor Day week end with Mrs. Ruth D. Clark, Russell and Marshall.

Former Northville Boy Enters MSU 4-H Club Fair

David Stillson, son of the Raymond Stillsons, formerly of Northville and now living on a farm in Ingham county, entered a vegetable display from his garden in the 4-H Ingham county fair in Mason last week. He was one of five thousand winning entries were chosen throughout the country.

Announcement of the three grand prize winners will be made in early September. Sealy, Inc. reported.

David has taken quickly to farm life since leaving Northville. He now drives a tractor and cultivates his garden with a rototiller purchased by his father.

Although women dress it pleases them, they usually miss it about 30 minutes.

Several friends met at the home of Mrs. George Alexander last week for a surprise birthday party on Mrs. Orson Atkinson.

Mr. and Mrs. Nelson C. Schrader, Jr. drove to Gaylord last week to bring back their son, K.C., who has spent the summer with his grandparents, Mr. and Mrs. Howard Walker.

New Hudson Lady Wins First Step In Prize Contest

A winning limerick has made Mrs. D. O'Leary 30005 Lyon Rd., New Hudson, eligible for three grand prize awards in the \$40000 Sealy Pasturepedic contest, Nelson Schrader of Schroeder's Home Furnishings announced the contest through Schroeder's store.

She received a Pasturepedic mattress and contest officials will now consider her entry for one of the three grand prizes.

Thought for the FIRST WEEK of school - Are you building a college fund?

As some 400,000 youngsters return to school here, September 7th, many a parent will stop to think: "Higher education for our youngsters will mean higher income and a fuller life. Since college costs a lot of money, it's up to us to save regularly now - so we'll have the funds when we need them." Any amount opens your First Federal insured savings account. THE RIGHT TO INTERPRET

It is common belief among people these days that the Bible is a book of facts and figures. Different interpretations. The commonest interpretation is that every person has a right to interpret the Bible as they please. This error into which so many people have fallen is so dangerous because it contains an element of truth which appeals to man's reason. Every person has a right to interpret the Bible as they please. This error into which so many people have fallen is so dangerous because it contains an element of truth which appeals to man's reason. Every person has a right to interpret the Bible as they please. This error into which so many people have fallen is so dangerous because it contains an element of truth which appeals to man's reason.
