No more than one tract or parcel may be valued or taxed on the same line. Two descriptions may not be joined in one valuation or tax. Personal Estate must be valued and taxes entered on a different line, as well as column, from Real Estate. Non-resident lands must be entered in numerical order, beginning with section one. Enter the amount of any tax assessed with the Real Estate in the column of taxes to which it belongs. A note for the tax for the year for which this roll is made, and in the column for "Remarks," state opposite each parcel for what year the assessment was made. Two or more City or Village taxes owned and included in one Section, Township, County and Township Tax, should be put in one of the three columns there mentioned, and be put in the blank column, next to the one headed "Total of Taxes." - Auditor General's Office, January, 1852.
