Assessment Roll for the Township of *Orion*

in the County of *Calamita* for the year 1863

[No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax. Personal Estate must be valued and taxes entered on a different line, as well as column, from Real Estate. Non resident land must be entered in numerical order, beginning with section one. "Remarks," state opposite each parcel for what year the re assessment was made. Two or more City or Village lots, owned and occupied as one parcel, may be assessed as one parcel; but the fact must be noted that they are so occupied. The school, library and school-house taxes must be placed in one column, the highway taxes in another, the township taxes in another, the county taxes in another, and the State taxes in another column.—AUDITOR GENERAL'S OFFICE, 1862.]
