

Assessment Roll for the Township of Iron

If no more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be placed in one valuation or tax, unless owned and occupied by one party with custom use, and if the name of the owner is not known, they should be assessed as "owner unknown." Enter the amount of any improvement with the lot, in the column below the value of the land. The situation of assessing officers is especially called to sections 15 to 17 of the Tax Law of 1891; they should be carefully studied and the directions therein, complied with.

in the County of Oakland for the Year 1892

Personal estate must be valued and taxes entered on a different line, as well as collect, from Real Estate. Non-resident lands should be entered in separate order, both of taxes to which it belongs, above the tax for which this Roll is used, and in the column for "Remarks" state opposite each parcel for what year the re-assessment was made to be strictly followed.—AUDITOR GENERAL'S OFFICE, 1890.
